PWR APPRENTICESHIP RATES EFFECTIVE AUGUST 1, 2021

Apprentices must be paid the full fringe rate in those regions where the appendix rate does not apply. However, if the book directs you to "See Appendix," and the worker is registered in a bona fide apprenticeship program, you may use the rates listed below, plus full zone pay if applicable. Contact BOLI at (971) 673-0839 if you have any questions regarding the use of these apprenticeship rates.

The percentages shown for the various apprentice periods are taken from union agreements and may differ from the committee standard (ATD) for that trade. Please verify these percentages before using them.
