#### Chairperson's Comments

Owner: Michael Hsu

Discussion:

- Mr. Hsu reported that he and Mr. Arthur attended the Governor's Reentry Council Subcommittee on Housing. Mr. Hsu stated they were able to start brainstorming solutions regarding the different challenges individuals who are released from prison face when seeking housing.
- Mr. Hsu congratulated Board member Patty Cress and Greta Lowry on being reappointed by the Governor and the Oregon Senate for another 4-year term.

### Board Member Comments

Owner: Patty Cress / Greta Lowry / James Taylor / John Bailey

Discussion:

- Ms. Cress reported the Board will be touring different community resource facilities in Lane County sometime in March to learn about the different resources available to offenders when released from prison.

### Executive Director Comments

Owner: Dylan Arthur

Discussion:

- A permanent administrative order was filed and approved to amend OAR 255-085-0020. This amendment will include assessment methodology regarding how the Board assesses sex offender levels; particularly for historic registrants and female registrants. (The Board can automatically place an historic or female registrant, to a level one if they have no recent criminal convictions, no subsequent sex crimes, no person felonies, no A misdemeanors, and for females this additionally includes no child abuse/neglect and no history of promoting prostitution anywhere in their history.)

Last week the Board started working with the Oregon State Police who agreed to provide the Board with “batch” criminal histories through LEDS (Law Enforcement Data Systems) to help jumpstart the auto-leveling process.

- The Board continues to work with Community Corrections on the SONL project to start providing static-99 assessments on individuals that are currently on supervision and on the registry that don't have a notification level yet. This will help the Board catch up on the backlog of historic registrants those placed on the registry prior to January 1, 2014; there are 2500 individuals currently on supervision and the registry of those 1800 have not been leveled.

Josephine County and Clackamas County are both helping to pilot this project, between these two counties 10 assessments have been completed.

The hop is that by the next OACCD (Oregon Association of Community Corrections Directors) the program will be able to expand this statewide in all 36 counties.
