CCB Active Licenses List / Mailing List Request

The Oregon Construction Contractors Board (CCB) has made it easier to access its public data! You no longer need to submit a request to the CCB. You can now access our public data at your convenience!

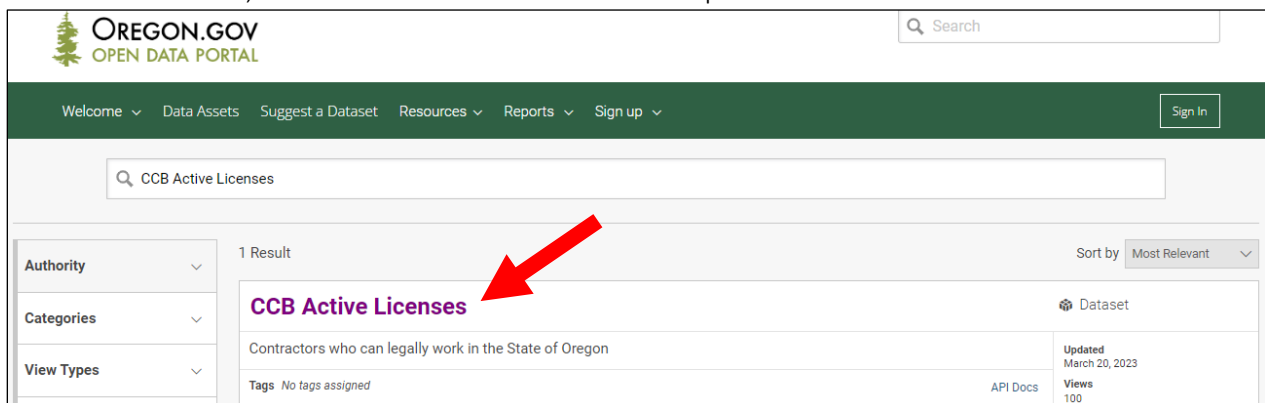

PLEASE NOTE: The following steps are the same no matter which internet browser you choose to use; however, each step may look slightly different than the screenshots presented below.

STEP ① Accessing Data

1. Open the Oregon Open Data Portal website found here, <https://data.oregon.gov/>.
2. Type “CCB” in the middle search bar. All CCB public data lists will appear.
3. From the choices provided, Click “CCB Active Licenses”. A new webpage will automatically open.

4. On the new screen, click the “CCB Active Licenses” list provided.

STEP ② Downloading Data

The CCB Active Licenses webpage, <https://data.oregon.gov/dataset/CCB-Active-Licenses/g77e-6bhs>, allows you to view the information about the dataset being provided, any necessary descriptions, and a preview of the table prior to downloading.

1. Click the **Export** button to download the data list. You can choose your preferred format (*CSV is the most common option*).

The screenshot shows the Oregon.gov Open Data Portal interface for the 'CCB Active Licenses' dataset. The 'Export' button is circled in red. A dropdown menu is open, showing options to download the data in CSV, CSV for Excel, and other formats. A red arrow points to the 'CSV' option.
