The license applicant below has filed their CCB license application as an exempt contractor, meaning it will not hire employees.

If the applicant decides to hire employees, the applicant understands that Oregon law requires it to:

1) Comply with workers’ compensation laws and maintain a workers’ compensation insurance policy as long as the applicant is an employer.

2) Notify the CCB of the change to its workers’ compensation status to nonexempt, BEFORE hiring any employees, by submitting a Change My Workers’ Compensation Status form, or changing its status in their Online Services account.

By signing this document, the applicant certifies that it will change their workers’ compensation status to nonexempt with CCB before hiring any employees. It will also provide the name of its workers’ compensation policy carrier and policy number. Notification occurs by submitting a Change My Workers’ Compensation Status form to CCB, or changing its status in their Online Services account. There is no fee to make this change.

ORS 701.035(3) states:

(3) If a person who is licensed as exempt under subsection (2)(b) of this section hires one or more employees, utilizes one or more workers supplied by a worker leasing company or falls into any of the categories set out in subsection (2)(a)(B) of this section, the person is subject to penalties under ORS 701.992 (Civil penalties and other sanctions) for improper licensing. If a person who is licensed as exempt under subsection (2)(b) of this section hires one or more employees, or utilizes one or more workers supplied by a worker leasing company, the person is also subject to licensing sanctions under ORS 701.098 (Grounds for discipline). The person must reapply to the board in the correct class.
