

CITIZENS' INITIATIVE REVIEW COMMISSION FINDINGS and RECOMMENDATIONS on 2014 CITIZEN INITIATIVE REVIEWS

In 2014, the state's Citizens' Initiative Review Commission (CIRC) conducted two Citizens' Initiative Reviews (CIRs), one on Measure 90 and one on Measure 92. In early 2015, moderators and citizen panelists met to evaluate CIR procedures and submitted summaries of their evaluations to the Commission. Throughout 2015, CIRC members discussed these evaluations and other input on the 2014 CIRs (see meeting minutes on the CIRC website - <http://www.oregon.gov/circ/Pages/meetings.aspx>). In addition, three CIRC members participated in a comprehensive CIR process review conducted by Healthy Democracy. In accordance with ORS 250.143, the CIRC provides findings and any recommendations from the CIRs that were held by December 31st of the following year.

The CIRC supports a thorough review of the CIR process and will continue to participate in the process review in early 2016. The CIRC anticipates supporting process changes for the 2016 CIRs, which could potentially include specifying additional criteria regarding the CIRs by rule as outlined in ORS 250.139 (6)(e).
