*Supplemental funding open to existing county BHD grantees who opted-in to apply.

** House Bill 3069 (2025) requires Phase 2 (70% of funds after funds for Tribal Governments have been set aside) funding of the Oregon Behavioral Health Deflection Program to be distributed to counties based on Section 8(6)(a)(B)(ii)(b). This was approved by the Oregon Criminal Justice Commission on October 21, 2025. *Per HB 3069 (2025), county applicants may not receive less than \$300,000 total, which will affect the actual percentage of funds distributed to counties.*

***Not all counties requested their full allocation and there were returned 23-25 BHD funds. As such, there is available supplemental funding, run through the 2025-2027 Phase 2 (70%) formula allocation. The total funds available will be \$3,273,606, however any amount awarded over \$1,067,519 is contingent on the Legislature's approval of a pending CJC request to increase agency spending limitation.
