

2025-2027 Grant Solicitation: Justice Reinvestment Program

Preliminary Application Due Date: April 18, 2025

Final Application Due Date: July 16, 2025

Purpose:

The Justice Reinvestment Program (JRP) funds initiatives that assess individuals and provide a continuum of community-based sanctions, services, and programs to reduce recidivism and state prison usage, while maintaining public safety and accountability. The JRP consists of two grant types: the Formula Grant and the Competitive Grant. The JRP is part of Oregon's Justice Reinvestment Initiative, a proactive approach to effectively spend resources in the state's criminal justice system. Under the justice reinvestment model, prison growth is limited, and a portion of the avoided operational prison costs are reinvested in the state's local public safety systems.

Eligible Applicants:

Eligible applicants are Oregon county governments through their Local Public Safety Coordinating Council (LPSCC).

An applicant may submit a multi-county application on behalf of a consortium of government and non-government partners to design and implement a strategy furthering the goals of the region's Justice Reinvestment efforts. For regional applications, one county must serve as the main applicant responsible for grant administration and managing sub-agreements.

To be considered for JRP funding, applicants must:

- Establish a process to assess populations served;
- Serve individuals charged with or convicted of property, drug, or driving/DUII offenses;
- Consider and accept short-term transitional leave candidates as appropriate;
- Provide assistance to clients enrolling in the Oregon Health Plan; and
- Work to imbed equity throughout the county's criminal justice system.

Program Goals and Priorities:

The goals of the JRP are:

- Reducing recidivism through evidence-based practices while protecting public safety and holding individuals accountable and
- Decreasing prison utilization for property, drug, and driving/DUII offenses while protecting public safety and holding individuals accountable.

Formula and Competitive Grants:

The JRP has two principal grants—a Formula Grant and a Competitive Grant—that are complimentary yet operate differently. Applicants seeking Formula Grant funding are not required to seek Competitive Grant funding. Grant application review criteria applicable to both grants is further defined in [OAR 213-060-0060](#).

2025-2027 Grant Solicitation: Justice Reinvestment Program

The Formula Grant is distributed to qualifying applicants based on a formula determined by state law. The following requirements apply:

- Funds awarded must be used to support approved community-based programs as defined in [OAR 213-060-0030](#).
- No less than 10 percent of funds awarded must be distributed to community-based nonprofit organizations that provide services to victims of crime.
- Three percent of awarded funds must be allocated to program evaluation. Applicants may either retain these funds for local evaluations or remit them to the Criminal Justice Commission (CJC) for larger-scale evaluation efforts.

The Competitive Grant is a complementary grant specifically supporting downward departure prison diversion programs. The following requirements apply:

- Counties must opt-in during the Preliminary Application phase to be considered eligible to apply for Competitive Grant funding in the Final Application phase.
- Funds awarded must be used to support key personnel that increase local capacity to engage in a downward departure prison diversion program.
- No less than 10 percent of funds awarded must be distributed to community-based nonprofit organizations that provide services to victims of crime.
- Funding reduction strategies will be based on priorities set and released by the Commission prior to opening the Final Application phase.

Availability and Duration of Funding:

This is a one-time solicitation offering financial support for the grant period beginning July 1, 2025, and ending August 31, 2027. Grant recipients may allocate awarded funding toward allowable expenses incurred at any point during the grant period.

Available funding will be determined at the conclusion of the 2025 Regular Session of the Oregon Legislative Assembly. Once determined, CJC will post the funding allocations on the [JRP website](#).

(1) Subagreements. Recipient may enter into agreements with subcontractors and subrecipients (“Subagreements”) for implementation of portions of the Project. Recipient shall notify CJC of each Subagreement and provide CJC with a copy of a Subagreement upon request by CJC. Any material breach of a term or condition of a Subagreement relating to Grant Funds provided under this Agreement must be reported by Recipient to CJC within ten (10) days of its discovery.

(2) Subagreement indemnity: insurance.

Each Recipient Subagreement shall require each other party to such Subagreement, that is not a unit of local government as defined in ORS 190.003, or a unit of state government as defined in ORS 174.111, to indemnify, defend, save and hold harmless the CJC and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys’ fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the other party to the Subagreement or any of such party’s officers, agents, employees or contractors (“Claims”). It is the specific intention of the Parties that CJC shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the CJC, be indemnified by the other party to the Subagreement from and against any and all Claims.

Any such indemnification shall also provide that neither the other party to such Subagreement nor any attorney engaged by such party shall defend a Claim in the name of the State of Oregon or an agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that the other party to such Subagreement is prohibited from defending State or that such other party is not adequately defending State’s interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against the other party to such Subagreement if State elects to assume its own defense.

Recipient shall require each other party to each of its Subagreements, that is not a unit of local government as defined in ORS 190.003, or a unit of state government as defined in ORS 174.111 (“subrecipient”), to obtain and maintain insurance policies with responsible insurers or self-insurance programs, insuring against liability and risk of direct physical loss, damage or destruction of the Project, at least to the extent that similar insurance is customarily carried by similar entities engaged in similar activities. Recipient shall require each subrecipient to, upon request, provide to CJC Certificate(s) of Insurance required under this Agreement. Nothing in this provision precludes

Recipient from exerting a defense against any party other than CJC, including a defense of immunity.

(3) Procurements.

- i. Recipient shall make purchases of any equipment, materials, or services for the Project under procedures that comply with Oregon law, including all applicable provisions of the Oregon Public Contracting Code and rules.
- ii. All procurement transactions, whether negotiated or competitively bid and without regard to dollar value, shall be conducted in a manner so as to provide maximum open and free competition. Justification must be provided to CJC for any non-competitive or sole-source procurement. Justification should include a description of the equipment, materials or services procured, an explanation of why it was necessary to procure noncompetitively, time constraints and any other pertinent information. All sole source procurements in excess of \$100,000 must receive prior written approval from CJC in addition to any other approvals required by law applicable to Recipient. Intergovernmental agreements between units of government are excluded from this requirement to obtain CJC approval of sole source procurements.
- iii. Recipient shall be alert to organizational conflicts of interest or non-competitive practices among vendors that may restrict or eliminate competition or otherwise restrain trade. A vendor that develops or drafts specifications, requirements, statements of work, or Requests for Proposals (RFP) for a proposed procurement shall be excluded from bidding or submitting a proposal to compete for the award in such procurement. A request for a waiver of this restriction must be submitted to and approved by CJC in advance and in writing.

SECTION 7: DEFAULT

A. Recipient Default. Any of the following constitutes an “Event of Default” of Recipient:

- (1) Misleading Statement. Any materially false or misleading representation is made by Recipient or a person authorized to speak on its behalf, in this Agreement or in any document provided by Recipient related to this Grant.
- (2) Failure to Perform. Recipient fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Agreement, other than those referred to in subsection (1) of this section, and that failure continues for a period of 30 calendar days after written notice specifying such failure is given to Recipient by CJC. CJC may agree in writing to an extension of time if it determines Recipient instituted and has diligently pursued corrective action. Acts or omissions of subgrantees shall not constitute an Event of Default unless ratified or knowingly induced by Recipient.

B. CJC Default. CJC will be in default under this Agreement if it fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Agreement.

SECTION 8: REMEDIES

- A. CJC Remedies. Upon the occurrence of an Event of Default, CJC may pursue any remedies available under this Agreement, at law or in equity. Such remedies include, but are not limited to, termination of CJC's obligations to make the Grant or further disbursements, return of all or a portion of the Grant Amount, payment of interest earned on the Grant Amount, and declaration of ineligibility for the receipt of future awards from CJC. If, because of an Event of Default, CJC demands return of all or a portion of the Grant Amount or payment of interest earned on the Grant Amount, Recipient shall pay the amount upon CJC's demand.

CJC may also recover all or a portion of any amount due from Recipient by deducting that amount from any payment due to Recipient from the State of Oregon under any other contract or agreement, present or future, unless prohibited by state or federal law.

CJC reserves the right to turn over any unpaid debt under this Section 8 to the Oregon Department of Revenue or a collection agency and may publicly report any delinquency or default. These remedies are cumulative and not exclusive of any other remedies provided by law.

- B. Recipient Remedies. In the event of default by CJC, Recipient's sole remedy will be for disbursement of Grant funds for Eligible Costs of the Project, not to exceed the total Grant Amount, less any claims CJC has against Recipient.

SECTION 9: TERMINATION

- A. Mutual Termination. This Agreement may be terminated at any time by mutual written consent of the parties.
- B. Termination by CJC. In addition to terminating this Agreement upon an Event of Default as provided in Section 8, CJC may terminate this Agreement with notice to Recipient under any of the following circumstances:
- (1) If CJC anticipates a shortfall in applicable revenues or CJC fails to receive sufficient funding, appropriations or other expenditure authorizations to allow CJC, in its reasonable discretion, to continue making payments under this Agreement.
 - (2) There is a change in federal or state laws, rules, regulations or guidelines so that the uses of the Grant are no longer eligible for funding.
- C. Termination by Recipient. Recipient may terminate this Agreement with notice to CJC under any of the following circumstances:
- (1) After conferring with CJC, Recipient has determined that the requisite local funding to continue the Project is unavailable to Recipient or Recipient is unable to continue implementation of the Project as a result of circumstances not reasonably anticipated by

Recipient at the time it executed this Agreement and that are beyond Recipient's reasonable control.

- (2) There is a change in federal or state laws, rules, regulations or guidelines so that the uses of the Grant are no longer eligible for funding.

SECTION 10: MISCELLANEOUS

A. Contribution.

- (1) If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against CJC or Recipient relating to this Agreement or the Project and with respect to which the other Party may have liability, the notified Party must promptly notify the other Party in writing of the Third Party Claim and deliver to the other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Each Party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by a Party of the notice and copies required in this paragraph and meaningful opportunity for the Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to that Party's contribution obligation with respect to the Third Party Claim.
- (2) With respect to a Third Party Claim for which CJC is jointly liable with Recipient (or would be if joined in the Third Party Claim), CJC shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Recipient in such proportion as is appropriate to reflect the relative fault of the CJC on the one hand and of Recipient on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of CJC on the one hand and of Recipient on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. CJC's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if CJC had sole liability in the proceeding.
- (3) With respect to a Third Party Claim for which Recipient is jointly liable with CJC (or would be if joined in the Third Party Claim), Recipient shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by CJC in such proportion as is appropriate to reflect the relative fault of Recipient on the one hand and of CJC on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Recipient on the one hand and of CJC on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Recipient's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law,

including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if it had sole liability in the proceeding.

- B. No Implied Waiver. No failure or delay on the part of CJC to exercise any right, power, or privilege under this Agreement will operate as a waiver thereof, nor will any single or partial exercise of any right, power, or privilege under this Agreement preclude any other or further exercise thereof or the exercise of any other such right, power, or privilege.
- C. Choice of Law; Designation of Forum; Federal Forum. The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Agreement, including, without limitation, its validity, interpretation, construction, performance, and enforcement.

Any party bringing a legal action or proceeding against any other party arising out of or relating to this Agreement shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Marion County (unless Oregon law requires that it be brought and conducted in another county). Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

Notwithstanding the prior paragraph, if a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of Oregon. This paragraph applies to a claim brought against the State of Oregon only to the extent Congress has appropriately abrogated the State of Oregon's sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This paragraph is also not a waiver by the State of Oregon of any form of defense or immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

- D. Notices and Communication. Except as otherwise expressly provided in this Agreement, any communication between the parties or notices required or permitted must be given in writing by personal delivery, email, or by mailing the same, postage prepaid, to Recipient or CJC at the addresses listed in Exhibit A, or to such other persons or addresses that either party may subsequently indicate pursuant to this Section.

Any communication or notice by personal delivery will be deemed effective when actually delivered to the addressee. Any communication or notice so addressed and mailed will be deemed to be received and effective five days after mailing. Any communication or notice given by email becomes effective 1) upon the sender's receipt of confirmation generated by the recipient's email system that the notice has been received by the recipient's email system or 2) the recipient's confirmation of receipt, whichever is earlier. Notwithstanding this provision, the following notices may not be given by email: notice of default or notice of termination.

- E. Amendments. This Agreement may not be altered, modified, supplemented, or amended in any manner except by written instrument signed by both parties.
- F. Work Product. To the extent it has the necessary rights, Recipient hereby grants to CJC a non-exclusive, irrevocable, perpetual, royalty-free, license to use, reproduce, prepare derivative works based upon, distribute copies of, perform and display for governmental purposes, all documents, reports and works of authorship created, produced or obtained as part of or in connection with the Project ("Work Product"). Recipient shall deliver copies of Work Product to CJC upon request. In addition, if applicable law requires that CJC own such intellectual property,

then Recipient shall execute such further documents and instruments as CJC may reasonably request in order to assign ownership in the intellectual property to CJC.

- G. Independent Contractor. Recipient shall implement the Project as an independent contractor and not as an agent or employee of CJC. Recipient has no right or authority to incur or create any obligation for or legally bind CJC in any way. CJC cannot and will not control the means or manner by which Recipient implements the Project, except as specifically set forth in this Agreement. Recipient is responsible for determining the appropriate means and manner of implementing the Project. Recipient acknowledges and agrees that Recipient is not an “officer”, “employee”, or “agent” of CJC, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.
- H. Severability. If any provision of this Agreement will be held invalid or unenforceable by any court of competent jurisdiction, such holding will not invalidate or render unenforceable any other provision.
- I. Successors and Assigns. This Agreement will be binding upon and inure to the benefit of CJC, Recipient, and their respective successors and assigns, except that Recipient may not assign or transfer its rights, obligations or any interest without the prior written consent of CJC.
- J. Counterparts. This Agreement may be signed in several counterparts, each of which is an original and all of which constitute one and the same instrument.
- K. Integration. This Agreement (including all exhibits, schedules or attachments) constitutes the entire agreement between the parties on the subject matter. There are no unspecified understandings, agreements or representations, oral or written, regarding this Agreement.
- L. No Third-Party Beneficiaries. CJC and Recipient are the only parties to this Agreement and are the only parties entitled to enforce the terms of this Agreement. Nothing in this Agreement gives or provides, or is intended to give or provide, to third persons any benefit or right not held by or made generally available to the public, whether directly, indirectly or otherwise, unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Agreement. Notwithstanding the foregoing, CJC acknowledges, agrees, and intends that Recipient will expend the Grant consistent with the Project.
- M. Survival. The following provisions, including this one, survive expiration or termination of this Agreement: Sections 6.D through 6.F, 7, 8, 10.A, 10.C, 10.D, and 10.O.
- N. Time is of the Essence. The parties agree that time is of the essence under this Agreement.
- O. Public Records. CJC’s obligations under this Agreement are subject to the Oregon Public Records Laws.

The signatures of the parties follow on the next page.

Recipient, by its signature below, acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms and conditions.
