\(^*\) Presumptive cases are people without a positive diagnostic test who have COVID-19-like symptoms and had close contact with someone diagnosed with a laboratory confirmed case.

\(^*\) Orpheus is the state of Oregon’s electronic disease surveillance system for reportable diseases

\(^\d\) Provisional

\(^\d\) Congregate settings include, but are not limited to, long-term care facilities, group homes, prisons, shelters, etc.
### Hospital Capacity and Usage in Oregon as reported to HOSCAP*

<table>
<thead>
<tr>

<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

*Every hospital in Oregon is asked to submit data twice daily to Oregon’s Hospital Capacity Web System (HOSCAP). Hospital staff are asked to enter bed capacity information, by type, as well as the number of patients with suspected or confirmed COVID-19 illness who are currently hospitalized at the time of data entry. These data may conflict with hospitalization status in Orpheus due to case reporting and investigation lags and temporary discrepancies in case classification.

</tbody>
</table>
COVID-19 cases include both confirmed and presumptive cases.
COVID-like visits still make up a small proportion of all reported ED visits, and total ED visits have decreased...

... and the percentage of COVID-like visits has decreased.

*Oregon ESSENCE receives daily reports of emergency department visits from all 60 non-Federal hospitals in Oregon.*
# Oregon COVID-19 Daily Update

Summary as of Wednesday 05/13/2020

<table>
<thead>
<tr>
<th>Emergency Support Function (ESF)</th>
<th>Status</th>
<th>Impacts and Actions</th>
</tr>
</thead>
</table>
| **ESF 8 Health and Medical**     | Anticipated Instability | **Medical Care Impact**  
  - While our data models do not project a patient influx to Oregon hospitals, planning continues to confirm the state can address any surge as well as outbreaks in congregate settings  
  **Medical Care Limiting Factors**  
  - PPE stock is strained in the state and across the nation  
  **Public Health Impact**  
  - Case investigation for COVID-19 is straining statewide public health resources  
  - Ongoing need for public health guidance and communications  
  **Public Health Actions**  
  - Expanding Brink Communications contract to include behavioral health tailored materials  
  - OHA has trained over 100 personnel on contact tracing  |
|                                 | Stable  | **Patient Movement stable**  
  **Medical Care Actions**  
  - Ongoing effort to strengthen regional hospital and healthcare coalitions  
  **Non-COVID-19 Medical Care:**  
  - Hospitals and ambulatory surgical centers began reopening for additional procedures starting May 1 after submitting an attestation to OHA. OHA has received attestations from 27 hospitals and 37 ambulatory surgical centers  
  **Medical Supply Chain Actions**  
  - SERV-OR recruitment continues |
### Oregon COVID-19 Daily Update

**Summary as of Wednesday 05/13/2020**

<table>
<thead>
<tr>
<th>ESF</th>
<th>Description</th>
<th>Status</th>
<th>Details</th>
</tr>
</thead>
</table>
| 6   | Mass Care   | Stable | - *Homeless Populations Task Force*: Has been transitioned to Oregon Housing and Community Services. Will support shelter and food/feeding needs as they arise  
- *Threat Management Task Force*: Ongoing work will be completed on May 8th and then the task force will stand down  
- *Disability Emergency Management Advisory Council (DEMAC)*: Will continue its steady state work under the ESF 6 structure  
- *Migrant Farm Workers Task Force*: Transitioning to the Governor’s Office. Will support sheltering and food/feeding needs as they arise |
| 11  | Food and Water | Stable | - Continuing to support food/feeding as need arises  
- *Food Security Feeding Task Force*: Work is complete |
| 7   | Resource Support | Stable | - Oregon National Guard is actively managing operations regarding distribution of PPE from the Wilsonville Distribution Center  
- In coordination with ESF 5, continuing to receive and analyze data from county PPE users to develop burn rate  
- Developing a plan for replenishment of PPE stockpiles |
| 1   | Transportation | Stable | - Monitoring for impacts and remain available to assist as necessary |
| 2   | Communications | Stable | - Infrastructure: stable  
- 911 & Dispatch: stable (6 dispatchers affected)  
- Responder communications: stable  
- Public alerting and warning systems: stable  
- Financial communications: stable |
| 3   | Public Works | Stable | - Monitoring for impacts and remain available to assist as necessary |
| ESF 4 Firefighting | Stable | • The Oregon Department of Forestry (ODF), Fire Protection Division continues to develop fire season preparedness and response plans for fire season 2020  
• Reviewing infectious disease guidance for wildland fire incidents  
• Supporting Multi-Agency Coordination (MAC) group, ICP, incident management teams (IMT) and partners by ensuring continuity of operations |
|---|---|---|
| ESF 5 Information and Planning | Stable | • All counties have declared a state of emergency  
• All tribes have declared a state of emergency |
| ESF 9 Search and Rescue | Stable | • Disseminate to county Sheriff search and rescue coordinators planned options for recreational agencies/regions considering reopening currently closed recreational areas. State/federal regional directors have a unified approach to reopening |
| ESF 10 Hazardous Materials | Stable | • The Environmental Quality Commission has approved a waiver to sell winter blend gasoline through May 20th to be consistent with the federal waiver that EPA has already granted  
• Oregon State Fire Marshal (OSFM) is in regular communications with all 13 Regional HazMat Emergency Response Teams |
| ESF 12 Energy | Stable | • The majority of energy utility providers are curtailing certain non-safety activities, including non-emergency service calls, meter changes, meter relocates and public works to keep employees available to handle critical functions and safety calls in order to keep services safe and operational  
• Non-essential employees are telecommuting when and where possible  
• PPE remains in short supply for utilities. ESF 12 Liaison is working to address PPE and testing needs while supply catches up with the extreme high demand. There are ongoing efforts to find vendors that might be able to fulfill utilities needs for supplies  
• Electric and natural gas providers in Oregon remain operational |
| ESF 13 Military Support | Stable | • 178 Oregon National Guard personnel activated to help with the Wilsonville Distribution Center workload and other missions across the State  
• Wilsonville Distribution Center continues to consolidate and distribute PPE with a focus on long term care facilities, and prepared to start receiving and distributing test kits  
• Military Liaison Officers and county PPE distribution missions are operational in Umatilla, Marion, Deschutes and Multnomah Counties |
## Oregon COVID-19 Daily Update
### Summary as of Wednesday 05/13/2020

| ESF 14 Public Information | Stable | • Managing all COVID-19 related information sharing to stakeholders, media outlets, state and federal partners and the public through various channels and platforms  
• Content creation and distribution prioritizing Oregonian’s health and safety through the lens of equity and inclusion  
• Coordinate and ensure accurate and timely release of all incident information  
• Facilitate press availability |
| --- | --- | --- |
| ESF 15 Volunteers and Donations | Stable | • Oregon Voluntary Organizations Active in Disaster (ORVOAD) reminder that for help with spiritual/emotional care, a great resource is the Disaster Distress Helpline, 1-800-985-5990, a 24/7, 365 day-per-year, national hotline  
• Staff have established the Volunteer and Donations Management platform. Link to the platform is [https://oregonrecovers.communityos.org](https://oregonrecovers.communityos.org)  
• A volunteers and donations email has been setup oem.donations@state.or.us (503) 378-4479  
• Managing the state volunteer and donations matching website |
| ESF 16 Law Enforcement | Stable | • Oregon Youth Authority (OYA):  
• All outstanding COVID-19 tests have currently come back negative  
• Designated medical isolation areas in each facility  
• Identifying medically vulnerable youth to COVID-19  
• Oregon Department of Corrections (ODOC):  
• Continuing to operate based on the medical plan in the pandemic planning tool. The plan is based on CDC and OHA recommendations |
| ESF 17 Agriculture and Animal Protection | Stable | • Distributing guidance for food retailers and processors related to the Governor's executive order and how to maintain proper physical distancing in grocery stores  
• ODA is working with farmer's markets and livestock auctions to provide guidance on implementation of the Governor's executive orders  
• Provide SARS-CoV-2 testing for companion animals in certain limited situations under the direction of the state veterinarian and the state public health veterinarian |
| ESF 18 Business and Industry | Stable | • Small Business Development Centers are working with over 415 firms who have suffered direct impact from COVID-19 |
