

Agencies shall waive a minimum of 30 minutes of staff time for all public records requests after which fees may be assessed for additional staff time, applicable services and supplies required to fulfill a Public Records Request in accordance with the applicable fee-schedule below.

The hourly rate charged for additional staff time will be based on the level of skill or expertise required to complete the work performed. Meaning, if work done to fulfill a request requires clerical-level skills, agencies may only charge the clerical hourly rate time spent on that portion of the work (as a maximum), even if a managerial-level or professional-level employee actually fulfills the request on behalf of the agency.

Agencies will not charge for staff time spent witnessing records inspection when the estimated cost of making public records available for inspection is:

- less than the cost of providing the requestor with a copy of the public record; or
- insignificant (requested public records are readily accessible and do not require review, redaction or segregation).

Fees will be charged for staff time required to redact exempt information from requested public records prior to release.

Staff time

Fees for staff time required to fulfill a PRR shall not exceed:

- **\$25/hour for Clerical** (administrative, office specialists, other support staff)
- **\$40/hour for Managerial** (Program managers, PIOs)
- **\$75/hour for Professional** (IT, HR, High-level Analyst)
- **DOJ, special attorney and other applicable legal fees:** at the actual hourly rate charged for PRR-related services. Fees are subject to statutory limitations described in [ORS 192.440\(4\)\(b\)](#).

Production of Responsive Records

Fees generated by providing paper or electronic copies to requesters:

- **Copies:** Based on current state printing and distribution price list.
- **Media:** Based on statewide price-agreement with OfficeMax.
- **Postage:** Based on current postal rates.

Additional Cost Considerations

Miscellaneous fees related to production and release of responsive records:

- Expedited Archive retrieval
- Costs of software companies/contracts (as needed to manage the volume of request)

Other 3rd party costs (in extreme circumstances)

***This fee-structure does not apply to agency-specific records with established pre-set price per record (e.g. vital records, licenses, police reports; DMV motor-carrier fees, etc...) or fees assessed for notarized/certified copies of public records.**
