Douglas County Commissioner  
1036 SE Douglas Ave., Room 217  
Roseburg, OR 97470

Dear Commissioner Morgan:

Thank you for your recent letter sent on behalf of the Oregon Department of Transportation (ODOT) management review committee. I appreciate you serving as Chair of the committee and the effort of your fellow members, including Vicki Berger, Terry Beyer, Mike Hollern, Sean O'Hollaren, George Naughton, and Bruce Starr. As you recommend in your recent letter, I also strongly agree that a management review of ODOT must be done.

I understand the Committee in its July 28, 2016 meeting deliberated on options for consideration to proceed with a review of ODOT. I am directing the Department of Administrative Services to work to secure a responsive contractor to complete a thorough, high quality, and timely management review of the agency.

I again thank the ODOT review committee for providing these options, and thank members for your service on behalf of Oregon.

Sincerely,

  
Governor Kate Brown
