***ODFW***

***Sale of Don Lindly Park to Lincoln County***

Transaction Type (check one):  Acquisition  Disposal

**I. Proposed Real Property Transaction (if the transaction is an acquisition please include a description of the intended use of the property):**

- Sale of Don Lindly Park to Lincoln County. Property borders Alsea River and was acquired by ODFW in 2014 at a price of \$330,000. Purpose of acquisition was construction of a ramp for motorized boating access.
- For various reasons, that construction never happened. The property has been utilized by Lincoln County (pursuant to a lease from ODFW) as a public park during the period since purchase. Political realities are such that a boat ramp will likely never be constructed. ODFW prefers not to hold park property.
- Lincoln County will purchase from ODFW at appraised value of \$300,000 (price reduced from acquisition due to inability to use the property as originally intended). Funds utilized for original purchase were:
  - \$230,007 Federal Sport Fish Restoration Grant
  - \$ 35,000 Donation from Oregon Wildlife Heritage Fund
  - \$ 75,169 from Lincoln County (primarily from State Marine Board)
- ODFW will pay off the federal grant.
- Any remaining funds will offset OSMB grant.
- Lincoln County is responsible for payment of any additional funds to Marine Board and reimbursing Oregon Heritage Wildlife Fund (per separate agreements between county and those entities)
- ODFW will have no continuing liability after the sale.

**II. Reason for PLAC Review (include what the agency is requesting from the PLAC):**

- In compliance with ORS 270.120 (6), the PLAC shall advise Agency and DAS on the acquisition of this property.
- Please note that ODFW is an Exempt Disposing Agency, and that this property is being sold at appraised value so does not necessarily require PLAC review. Nonetheless, ODFW prefers that the PLAC review the transaction to provide any relevant advice and suggestions.

**III. Background Information**

- See Section 1, above

**IV. Topics for PLAC Consideration.**

- Any issues or concerns that the Committee may raise?

**PUBLIC LANDS ADVISORY COMMITTEE (PLAC)**

**Property Transaction Review Summary**

**January 22, 2026 Meeting**

**V. Staff Comments (agency comments that are not already included and DAS staff comments):**

- None

**VI. PLAC Findings (Summary of Committee findings, to be completed by DAS Staff):**

***Purchase of Old Railroad ROW in Denman Wildlife Area***

Transaction Type (check one):  Acquisition  Disposal

**I. Proposed Real Property Transaction (if the transaction is an acquisition please include a description of the intended use of the property):**

- The property being acquired is a former railroad right-of-way which bisects ODFW's Denman Wildlife Area near Medford / Central Point in Jackson County.
- Acquisition of the property provides continuity in ODFW property boundaries and eliminates issues related to access across the strip and the potential for future incompatible uses.
- ODFW has been working on this acquisition for several years.
  - The former owner died during negotiations. Now dealing with heirs.
  - ODFW completed a years-long survey and Property Line Adjustment process to reconfigure the property to correspond with property lines on ODFW's adjacent lands.
- ODFW will purchase the property at the appraised value of \$111,150
  - Appraisal date is December 31, 2025
  - Funds for the purchase are:
    - 75% Pittman Robertson Grant from the US Fish and Wildlife Service and
    - 25% match from State funds.
- Expedited review by PLAC is requested in order to facilitate closing of this transaction within the next 45 days. Due to the extended amount of time this transaction has taken to date, and representations as to the timing of closing made by the agency over this term (which were obviously affected by the death of the prior owner), his heirs are somewhat wary in their dealings with the agency and are demanding a quick close now that the conditions precedent to closing (survey, property line adjustment, appraisal) have been satisfied.

**II. Reason for PLAC Review (include what the agency is requesting from the PLAC):**

- In compliance with ORS 270.120 (6), the PLAC shall advise Agency and DAS on the acquisition of this property.
- ODFW requests that the PLAC review the transaction and provide any relevant advice and suggestions.

**III. Background Information**

- See Section 1, above

**IV. Topics for PLAC Consideration.**

- Any issues or concerns that the Committee may raise?
