UPDATED Agency Communication for Enterprise-wide COVID-19 “In Relation To” Cost Tacking

Original date: May 1, 2020

Updated: May 14, 2020

UPDATES MADE:

1. 5/14/2020 – Added guidance for recording “in relation to” payroll transactions in ePayroll on pages 2 and 3.

Purpose

To establish an SFMA profile for all agencies to use to track COVID-19 “in relation to” costs. By establishing a single profile used by all agencies, DAS will be able to query activity from the SFMA datamart.

Process

Create an SFMA project and phase number for use by all agencies that use SFMA. Each agency would create the profiles in their agency specific accounting structure. The project and phase numbers may be used in any budgetary fund type, ORBITS cross reference, GAAP fund account, cash account, treasury account, etc.

Agency responsibility

Step 1. Verify a D06 Project Type “Y” profile exists in the agency’s accounting structure. If necessary, create a D06 Project Type profile using the data referenced in the below screen shot. *Note:* replace agency “XXX” with the actual agency number.

```
SD06 UC: 10 STATE OF OREGON 03/17/20 01:10 PM
LINK TO: _____ PROJECT TYPE PROFILE PROD

AGENCY: XXX (MUST BE IN D02 AGENCY PROFILE)

PROJECT TYPE: Y

TITLE: ENTERPRISE TRACKING

STATUS CODE: A

EFF START DATE: 01012020 EFF END DATE: _____ LAST PROC DATE:
```

Step 2. Create a D42 Project Number profile using the data referenced in the below screenshot. *Note:* replace agency "XXX" with the actual agency number and enter the agency's contact information (name and phone number).

```
SD42 UC: 10 STATE OF OREGON 04/29/20 10:33 AM
LINK TO: _____ PROJECT NUMBER PROFILE PROD

AGENCY: XXX (MUST BE IN D02 AGENCY PROFILE)

PROJECT NUMBER: IRTCVD
TITLE: COVID-19 IN RELATION TO COSTS-ENTERPRISE
DESC: COVID-19 IN RELATION TO COSTS-ENTERPRISE
PROJ TYPE: Y (MUST BE IN D06 PROJECT TYPE)

PROJ PH BUDGET LEVEL IND: N (Y OR N - CONTROL BUDGETS AT PHASE LEVEL)
AGY BUD PROJECT LEVEL IND: 0 (0=NO PROJECT, 1=PROJECT, 2=PROJECT/PHASE)
PROJECT CATEGORY: _____ FISCAL YEAR END: _____
PROJECT MANAGER: <ENTER AGENCY CONTACT NAME>
PHONE NO: _____
REPORT DATES: _____

STATUS CODE: A
```

Step 3. Create a 27 Project Control profile using the data referenced in the below screenshot. *Note:* replace agency "XXX" with the actual agency number.

```
S027 UC: 10 STATE OF OREGON 04/29/20 10:38 AM

```

Step 4. Use the "IRTCVD 19" project and phase number for all "in relation to" COVID-19 financial transactions (including payroll costs) incurred on or after **May 1, 2020**. Agencies should continue to charge "direct response" COVID-19 financial transactions using the "COVID1 19" project and phase number.

Note: Guidance on eligible "in relation to" costs will be provided separately.

****UPDATE - 5/14/2020****

To ensure costs flow through accurately from ePayroll to R*STARS, "PJT" needs to be added before the IRTCVD project number indicating to the system to look for a project number instead of a grant number. Further, the phase needs to be added at the end. The naming convention is Project (PJT), Project Number (a six digit code, IRTCVD), and Phase (a two digit code, 19). Therefore, the work charge should be "PJTIRTCVD19".

Department of Administrative Services

UPDATED Agency Communication for Enterprise-wide COVID-19 "In Relation To" Cost Tacking

Payroll costs should be recorded in ePayroll by recording "PJTIRTCVD19" in the Work Charge field for hours worked, for this purpose, please do not record "PJTIRTCVD19" in the Work Charge field for any paid/unpaid leave.

Pay Code 	Hours	Work Charge	Override	Delete
RG	4.25	PJTIRTCVD19		<input type="checkbox"/>
RG	2.75			<input type="checkbox"/>
PB	1.00			<input type="checkbox"/>

It is critical that the project number and phase match between R*STARS and ePayroll. If not, R*STARS will not assign that project number and phase to the payroll costs. The transaction will error out on the 530 screen. Agency accountants will be able to enter the correct project number and phase to clear the error.

Further, R*STARS will only have payroll costs by comptroller object, it will not be broken down by employee. However, hours by employee could still be obtained from the Payroll Datamart.
