## Request to Update CAFR Contact Information

### **Purpose of CAFR Contact List:**

Statewide Accounting and Reporting Services (SARS) maintains a statewide listing of CAFR and SEFA (Schedule of Expenditures of Federal Awards) contacts by agency. This list includes the agency accountant responsible for year end closing and reporting, as well as contact information such as phone, fax, and statewide e-mail address. Also, included are the SARS analyst and SFMS analyst assigned to support each agency. The CAFR contact list facilitates communications between state agencies and SARS during the year and especially during year end closing.
