2025-27 PRICE LIST OF GOODS AND SERVICES

Foreword

The *Price List of Goods and Services (Price List)* for 2025-27 provides a detailed description of the services and related costs that a state agency should include in its budget. Charges and user fees included in the *Price List* provide state agencies with a starting point for developing 2025-27 agency budgets. *Price List* charges and user fees are subject to change as the budget requests of the Department of Administrative Services (DAS) and other contributing agencies are altered during the development of the Governor's Budget (GB) and the Legislatively Adopted Budget (LAB).

Summary of notable changes from the 2023-25 LAB Price List are:

- A new Statewide Strategic Initiative and Accountability Office has been established. This is part of an agency reorganization of current resources and staffing.
- A new Office of the State Controller has been established. This is part of an agency reorganization of current resources and staffing.
 - Financial Business is now part of the State Controller's Office
- Private sector leases change from a fee for service to an assessment methodology.
- Agency Specific Procurement Services fee changed from a fee for service to an assessment methodology.
- An appendix added to outline Semi-Independent Boards and Commission agencies assessment charges.
- An appendix added for program contacts.

Please see each program description for more information.

The *Price List* will be e-published in three different versions throughout the budget development cycle: Agency Request Budget, Governor's Budget, and Legislatively Adopted Budget. A full printable copy of the current version is available at: <https://pricelist.dasapp.oregon.gov/> or past biennium at: <https://www.oregon.gov/das/Financial/Pages/Budgetinstruct.aspx>.

2025-27 PRICE LIST OF GOODS AND SERVICES

Department of Administrative Services

CHIEF OPERATING OFFICE

The Office of the Chief Operating Officer (COO) leads the development, administration, and implementation of statewide policy and coordinates state government operations. The office also manages the day-to-day operations of the Department of Administrative Services (DAS). This includes:

- Setting strategic vision for the agency and managing performance.
- Implementation of enterprise level (statewide) initiatives.
- Development and communication of economic forecasts and prison population forecasts utilized by state agencies, legislators, the Governor, local governments, and the public.
- Coordination of state government's internal audit function as well as internal auditing of DAS programs and processes.

Costs associated with these activities are supported by an assessment that allocates costs to state agencies based on 2023-25 Legislatively Adopted Budget (LAB) Full-Time Equivalent (FTE) authority. *Reference Chief Operating Office (COO) in Appendix A.*

Contact for more information: Debbie Dennis at 971-701-0295 or debbie.dennis@das.oregon.gov.

DAS INFORMATION TECHNOLOGY

DAS Information Technology (DAS IT) is the service delivery organization charged with providing application and desktop support to all DAS divisions and any agencies that request these services. DAS IT is responsible for providing appropriate technology service delivery to support DAS in the accomplishment of its mission.

DAS IT Service Desk

The DAS IT Service Desk provides first and second-level technical support to all supported users in a professional and informative manner. The DAS IT Service Desk is dedicated to servicing the computer and technology support needs of all users by providing detailed resolutions and general system information for common problems.

Desktop Support provides information, diagnostics, repair, configuration, setup for all desktop hardware and software including network connections and printing.

2025-27 PRICE LIST OF GOODS AND SERVICES

Services include:

- Device setup; deployment and configurations of new desktop, laptop, tablet, mobile phones, or printers.
- PC Asset and Lifecycle Management, workstation moves and transfers.
- Staff onboarding including readying IT devices and resources to allow staff to be productive on first day of employment.
- Service desk and Field technicians; software and hardware management, install and upgrade software applications, patches and hardware upgrades and accessories.
- Microsoft 365 support including email, Teams, Word, Excel, PowerPoint, etc.

See full list of services on DAS IT's website.

What is NOT covered in the DAS IT Client Agency Service Desk rate: PC asset replacement cost such as onboarding PC assets, and PC asset replacement following DAS IT life cycle replacement schedule. DAS IT Service Desk will procure, configure, and deploy all new PC assets on behalf of the supported agency, and asset cost will be charged back to the supported agency. The DAS IT life cycle replacement schedule for new PC assets is 4 years.

Service	2025-27 Rate
DAS IT Service Desk	\$182.42/month per position

STRATEGIC INITIATIVES AND ENTERPRISE ACCOUNTABILITY

The Office of Strategic Initiatives and Enterprise Accountability (SIEA) supports statewide efforts to improve operations and accountability in state government, directs internal and external communication, coordinates legislative activities, and leads enterprise efforts to support cultural change, including diversity, equity, inclusion and belonging (DEIB). These include:

- Implementation, consultation, and monitoring of enterprise expectations: strategic plans, emergency preparedness, audit accountability, workforce development and sustainability, and employee training and engagement.
- Coordination of statewide communication, legislative activities, and state government operations.
- Coordination of a real-time legislative bill tracking system (BillTracker) that allows state agencies to track bills throughout the legislative process.

Costs associated with these activities are supported by an assessment that allocates costs to state agencies based on 2023-25 Legislatively Adopted Budget (LAB) Full-Time Equivalent (FTE) authority. Reference *Strategic Initiatives and Enterprise Accountability (SIEA) in Appendix A*.

2025-27 PRICE LIST OF GOODS AND SERVICES

CHIEF FINANCIAL OFFICE

The Chief Financial Office works with state agencies, under direction from the Governor's Office, to review and compile objective and accurate information to assist state leaders and the public to inform decisions on efficient use of state resources. The office works with agencies to prepare the Governor's Budget, represents the Governor's budget in the legislative process, and implements the Legislatively Adopted Budget. The office is also responsible for preparing the state's Annual Comprehensive Financial Report (ACFR) and with the establishment of the Office of the State Controller, administration of Statewide Financial Management Services. The Chief Financial Office has the following programs.

Budget and Management

- Develops and publishes budget instructions.
- Directs development of the Agency Request Budget, the Governor's Budget, and the Legislatively Adopted Budget.
- Monitors state agency execution budgets.
- Conducts administrative studies and analyses of government issues and programs for the Governor, Legislature, or requesting agencies.
- Audits, reports, and archives agency and statewide budget information: The Statewide Audit and Budget Reporting Section (SABRS) stores and maintains this information in the Oregon Budget Information Tracking System (ORBITS) and the Oregon Position Information Control System (ORPICS).
- Coordinates capital facility budget requests in partnership with Enterprise Asset Management.

Capital Finance

- Coordinates issuance of debt and post-issuance compliance for multiple general obligation bond programs, the Lottery Revenue bond program, and Tax Anticipation Notes.
- Coordinates budgeting for bond-financed capital projects and debt service on outstanding debt at a statewide level.
- Develops the Capital Budgeting portion of the Governor's Budget and required enabling legislation for bond issuance and capital construction authorization.

Office of the State Controller

The Office of the State Controller is combining the Statewide Accounting and Reporting Section (SARS) and the Financial Business Systems (FBS) programs under CFO to centralize oversight. The new State Controller's office will allow for the oversight of all statewide accounting, payroll, and related functions under a single office providing focused leadership on accounting operations. SARS is responsible for statewide year-end closing coordination, preparation of the Oregon Annual Comprehensive Financial Report, and setting statewide accounting policies. The FBS team is responsible for the Statewide Financial Management Application (SFMA), the Financial Datamart, payroll accounting, and accurate reporting to PERS on behalf of Oregon state government.

2025-27 PRICE LIST OF GOODS AND SERVICES

Statewide Accounting and Reporting

- Leads effective statewide accounting and financial reporting services, provides high quality customer consultation, and ensures statewide compliance with state and federal fiscal reporting requirements.
- Interprets generally accepted accounting principles and establishes statewide policy through the Oregon Accounting Manual. Provides professional consultation and training services to agency fiscal staff on accounting and financial reporting. Compiles and publishes the state's audited Annual Comprehensive Financial Report.
- Provides statewide leadership of accounts receivable management. Develops, implements and monitors processes to improve the state's debt collection activities. Publishes and submits an annual accounts receivable management report to the Legislature.
- Coordinates federally mandated reporting requirements and provides guidance to agencies on various federal compliance issues.
- Provides security administration for the state's financial systems as well as administers the statewide travel card program and the statewide travel policy.

The total cost for operating the sections above are supported by an assessment and are distributed to all agencies on the following basis. *Reference Chief Financial Office (CFO) in Appendix A.*

- A minimum assessment of \$2,500 is charged to agencies that have 2.00 or less 2023-25 Legislatively Adopted Budget (LAB) Full-Time Equivalent (FTE) authority.
- A minimum assessment of \$5,000 is charged to agencies that have 2.01 to 30.00 2023-25 Legislatively Adopted Budget (LAB) Full-Time Equivalent (FTE) authority, or less than \$10 million in the agency's 2023-25 total funds LAB.
- The remainder of the assessment is split amongst the rest of the agencies with 50% allocated according to 2023-25 Legislatively Adopted Budget (LAB) Full-Time Equivalent (FTE) authority and the other 50% allocated according to the size of the agency's 2023-25 total funds LAB.

Contact for more information: cfo.info@das.oregon.gov.

Financial Business Systems

The Financial Business Systems section is responsible for providing and supporting financial systems for statewide use; specifically, maintenance and improvement of the Statewide Financial Management Application (SFMA), and the Datamart.

- **Statewide Financial Management Services (SFMS):** Charges for this service include agency support analysts and the accounting and programming staff needed to maintain and improve the functionality of the Statewide Financial Management Application (SFMA). Data Center Services bills the section for the mainframe computer time to update financial information and generate reports. These charges are a substantial portion of this section's costs. The rate methodology used for charging customers for SFMS services is the projected full biennium SFMS program cost divided by the estimated biennial total number of accounting records to calculate a cost/accounting record rate. An agency's charges are calculated based on the number of accounting records the agency generated during the prior quarter.

2025-27 PRICE LIST OF GOODS AND SERVICES

The current definition of accounting records includes transactions that effect each line of data on the following tables: Accounting Event, Document Financial, Grant, and Recurring Transaction Index.

- **Datamart – Accounting and Payroll:** Charges for this function include the cost of downloading and storing accounting and payroll data from the mainframe applications to the data warehouse, vendor support, and staff costs associated with agency support, training, system development and consultation. The rate methodology used for charging customers is the projected full biennium Datamart program cost divided by the estimated biennial total number of accounting records to calculate a cost/accounting record rate. An agency's Datamart charge is based on the number of accounting records the agency generated during the prior quarter.
- **SFMA Warrants and Return to Agency Warrants:** The cost for warrants includes the cost for internal controls, warrant reconciliation, distribution of information, maintenance of the vendor file, vendor withholding, 1099 training, filing, printing, and mailing. The rate methodology used for charging customers is the projected full biennium Warrant and Return to Agency Warrant program cost for agencies divided by the estimated biennial total number of Warrants and Return to Agency Warrants reported. This calculates a cost per warrant rate.
- **SFMA Automated Clearing House (ACH):** The cost for ACH services includes the cost for internal controls, reconciliation, distribution of information, maintenance of the vendor file, vendor withholding, 1099 training, filing and Treasury fees. The ACH rate takes into consideration that there is no printing or mailing of vendor payment or back-up information. The rate methodology used for charging customers is the projected full biennium ACH program cost for agencies divided by the estimated biennial total number of ACH records reported. This calculates a cost per ACH record rate.
- **Non-routine/infrequent activities:** FBS encounters two non-routine, infrequent activities (listed below) that require charging FBS customers. These typically represent a very marginal source of revenue for FBS. The two activities have the potential of causing FBS to incur significant costs. They are identified here to ensure that customers know that if they request FBS to perform these services there will be a charge.
 1. **Extraordinary Service Requirements:** At times agencies have need for a level of services that falls outside of the normal/routine service requirements. These services represent re-work, research, problem resolution and corrective actions at a level of complexity that agencies believe is beyond the ability or authority of its payroll or accounting staff to perform effectively and timely. This level of problem resolution may take several hours to accomplish and may require the services of technical, accounting and programmer staff to correct the data or allow appropriate system functionality. FBS will seek management approval from the requesting agency for the cost of this work before it is performed.

2025-27 PRICE LIST OF GOODS AND SERVICES

2. **SFMA Generated Payment File for Vendor Payment Services:** FBS bills agencies for Vendor Payment Service charges when an agency contracts with a third party to provide payments to vendors and SFMA is responsible for providing vendor information and creating the 1099-MISC filing. The generation of this payment file incorporates many of the services of an ACH file including maintenance of the vendor file, vendor withholding, problem resolution, 1099 training and filing. The cost charged for this service is the same per record cost charged for the ACH process. It does not include fees negotiated between the third-party provider and the initiating agency, which are the responsibility of the initiating agency.

Services	2025-27 Rate
SFMS: Number of accounting records	\$0.007 per record
Datamart – Accounting and Payroll: Number of accounting records	\$0.003 per record
SFMA Warrants and Return to Agency Warrants: Number of warrants	\$2.09/each
SFMA ACH: Number of SFMA generated ACH transactions	\$1.46/each
Non-routine/infrequent activities:	
Extraordinary Service Requirements: Actual per incident charges	Approved incident cost
SFMA Generated Pmt. File for Vendor Pmt. Svc.: Number of records	\$1.46/each

- **Oregon Statewide Payroll Services (OSPS):** This unit supports the state’s payroll system by ensuring Workday properly generates and reports employees’ salary and benefits. This includes generating off-cycle payments, vendor payments, and monthly, quarterly, and annual reporting requirements to the various business entities or tax authorities.
- **Public Employees Retirement System (PERS) Reconciliation:** This unit reconciles each PERS members’ account information. The rate methodology used for charging customers is the projected full biennium PERS Reconciliation program cost for agencies, divided by the estimated biennial total of employees reported. This calculates a cost per employee per month rate. For Appropriation Year 2027 these costs will be charged on a two-tier basis. Agencies requiring additional work due to the more complex nature of its business (police, fire, and/or seasonal employees) will be charged at a higher rate than the rate charged for less complex agencies. Quarterly charges are based on the number of state employees reported (current and retired).
- **Workday Payroll and Time Tracking:** This unit maintains the state’s payroll system by ensuring Workday properly generates and reports employees’ salary and benefits. Most system changes and modifications are mandates with firm deadlines. In addition, it is responsible for analyzing and implementing changes and making recommendations on other enhancements. Examples of mandated system changes are PEBB benefit calculations and reporting, PERS rates, and deferred compensation program limits.

2025-27 PRICE LIST OF GOODS AND SERVICES

Assessment Rate Methodology:

1. OSPS
2. PERS Reconciliation
3. Workday Payroll and Time Tracking

Costs associated with the above activities are supported by an assessment that allocates costs to state agencies based on 2023-25 Legislatively Adopted Budget (LAB) Full-Time Equivalent (FTE) authority.

Reference Workday Payroll System in Appendix A.

2025-27 PRICE LIST OF GOODS AND SERVICES

ENTERPRISE INFORMATION SERVICES (EIS) THE STATE CHIEF INFORMATION OFFICER

Oregon's State Chief Information Officer (State CIO) is an independent official appointed by and responsible to the Governor. The State CIO operates as the Governor's primary advisor for statewide enterprise technology and telecommunication projects and programs, implementation of the IT governance framework, and establishment of state government's long-term IT strategy (the Enterprise Information Resource Management Strategy).

EIS comprises seven programs: Cyber Security Services, Project Portfolio Performance, Shared Services, Strategy and Design, Data Governance and Transparency, Administrative Services, and Data Center Services. EIS provides statewide IT leadership by ensuring alignment between statewide IT policy and operations, maturing enterprise technology governance, leveraging investments in shared services, ensuring transparency, providing oversight on IT projects meeting established criteria, and delivering secure and innovative solutions. EIS is driven by four core values:

- **Accountability.** *Responsible for quality outcomes and share information openly and honestly.*
- **Customer-centered.** *Listen and seek to understand our customer's needs.*
- **Collaborative.** *Build trust and establish mutual purpose to forge effective partnerships across the enterprise.*
- **Innovation.** *Simplify complexity, challenge conventional wisdom, and seek creative and useful solutions.*

For the 2025-27 biennium, EIS will use an assessment model plus a rate-based cost allocation methodology for individual service line charges.

Cyber Security Services

The Cyber Security Services program brings together a full suite enterprise cybersecurity capability – risk governance, policy, procedure and operations – under a single, accountable enterprise organization. This allows for the end-to-end direction setting and execution for enterprise security. The program is comprised of a risk governance, policy and controls section for setting enterprise security policy and the associated controls to ensure compliance, a solutions section driving enterprise security architecture, a services section to deliver on day-to-day enterprise security operations provisioning, and a security operations center (SOC) providing dedicated, real-time cybersecurity monitoring and response capability across enterprise operations. Cyber Security Services personnel work collaboratively with Data Center Services domain teams to deliver secure solutions to customers.

2025-27 PRICE LIST OF GOODS AND SERVICES

Project Portfolio Performance

The Project Portfolio Performance program is key in implementing and using the IT Governance Framework, which includes oversight and portfolio management of all major IT investments. Using a standard framework and statewide policies, the staff work with all state agencies to identify and resolve IT project issues, striking a balance between central delivery and agency flexibility. The staff serves as advisors, making recommendations for agency alignment with enterprise objectives, project management and IT governance maturity, and industry best practices. They look for solutions and cost-sharing opportunities across multiple agencies and offer alternate solutions to business problems. This program helps facilitate efficient decision-making, policy and statutory adherence, and provides tools and software training to assist agencies in achieving project success.

Shared Services

The Shared Services program manages a number of services, including e-Government, Statewide Quality Assurance, Telecom Management, Microsoft 365 (see below) and Statewide Interoperability. The central theme of these services is to provide a single point of coordination for technology services used statewide and management of long-term strategic vendor relationships (e.g., the state of Oregon’s e-Government partnership Tyler Technologies).

Microsoft 365 (M365)

M365 software and services are funded by a combination of assessment and rates. The assessment covers Microsoft 365 (E5) license costs and support staff needed for the enterprise system. The assessment is based on assigned license counts. *Reference M365 (EIS) in Appendix A.* Additional licenses beyond budgeted positions can be purchased separately through the state’s M365 enterprise agreement, and associated license costs will be the responsibility of the agency to cover. This assessment also covers contracted vendor support.

The below rates provide incident support, operations, administration, and management tasks following the EIS change and incident processes.

The Global Address Book Service is an ala-cart service for the agencies that are not a part of the enterprise M365 environment but need to connect to the Enterprise Active Directory Synchronization Services and Global Address List.

Enterprise Email		
	Billable Unit per Month	2025-27 Rate
M365 Services (does not include M365 licenses)	User Object	\$6.08
Global Address Book Service	Email Address per user Object*	\$1.52
*The user object is a mailbox for a user or resource that can send and receive email and calendaring.		

2025-27 PRICE LIST OF GOODS AND SERVICES

Strategy and Design

The Strategy and Design program works to instantiate strategic technology initiatives, enterprise technology standards and processes, and policy that align technology vision with business strategy. Key initiatives include a state network redesign and modernization and partnership with Link Oregon.

Data Governance and Transparency

The Data Governance and Transparency program upholds the strategic priorities of EIS and state executives in alignment with ORS 376a.350-364 and ORS 276a.500-515 by developing enterprise approaches to data sharing, integration, management, publication, and transparency as well delivering data services to assist agencies. The program provides enterprise geospatial data development and governance, sets Oregon's vision for data equity and data analytics and research, and provides facilitation and leadership to cross-agency data initiatives. The program also administers enterprise data sharing platforms, Oregon ArcGIS Online, GEOHub and the Open Data Portal.

The total cost for operating the program sections above are supported by an assessment and are distributed to all agencies on the following basis. *Reference Enterprise Info. Svcs. (EIS) in Appendix A.*

- A minimum assessment of \$2,500 is charged to agencies that have 2.00 or less 2023-25 Legislatively Adopted Budget (LAB) Full-Time Equivalent (FTE) authority.
- A minimum assessment of \$5,000 is charged to agencies that have 2.01 to 30.00 2023-25 Legislatively Adopted Budget (LAB) Full-Time Equivalent (FTE) authority, or less than \$10 million in the agency's 2023-25 total funds LAB.
- The remainder of the assessment is split amongst the rest of the agencies with 50% allocated according to 2023-25 Legislatively Adopted Budget (LAB) Full-Time Equivalent (FTE) authority and the other 50% allocated according to the size of the agency's 2023-25 total funds LAB.

2025-27 PRICE LIST OF GOODS AND SERVICES

Data Center Services

Data Center Services (DCS) is the enterprise service provider for computing infrastructure and platforms, and cloud and network services relied upon by state agencies. DCS's primary customers are state agency IT organizations that develop innovative solutions to automate business operations that support its constituents.

DCS is funded by a rate methodology for usage-based technology service (reference Appendix C), an assessment methodology for fixed costs related to managing state government's core infrastructure and services (reference Appendix A), and pass-through.

Assessment

An administrative overhead assessment covers the costs of the director and deputy director, operation and maintenance of the state's network core infrastructure, support services provided by DCS staff, and the expenses required to manage, architect, engineer, maintain, secure, and operate the IT functions and supporting technology used by agencies. The services covered by the assessment include:

- Core DCS and wide area network (WAN) functionality and physical network infrastructure.
- Internet and cloud connectivity services.
- Business relationship management.
- Management staff associated with assessment-based services.
- Incident response and change management.
- Data Center building maintenance.
- 24/7 monitoring and observability.
- Disaster recovery solution development and testing.
- Management of the federally regulated data compliance program.
- Service desk functions including taking calls from customers, creating service tickets, and responding to system alerts.
- Mainframe, iSeries and x86 based batch processing support.

Costs associated with these activities are supported by an assessment that allocates costs to state agencies based on 2023-25 Legislatively Adopted Budget (LAB) Full-Time Equivalent (FTE) authority. *Reference Data Center Services (DCS) in Appendix A.*

2025-27 PRICE LIST OF GOODS AND SERVICES

Pass-Through

Pass-through is a charge that is incurred by DCS then passed directly to the customer on a dollar-for-dollar basis. Pass-through costs are not included in service rates.

1. Network Pass-Through: This charge is paid for domain registrations and renewals then passed through to the customer.
2. Software Pass-Through: This charge is paid for Secure Socket Layer (SSL) certificates, server software, scanning software, Windows, iSeries, Linux, mainframe, databases, and other application software purchased by DCS for the benefit of the customer.
3. Colocation keycard access. This is a DAS Facilities charge to provide access to the DCS raised floor for colocation customers.

Charge for Services

DCS uses a rate development method that relies on a cost allocation process to determine actual costs to provide a unit of service. Cost allocation incorporates all fixed and variable costs used to determine the total cost for providing a service. Rates are then calculated to recover total actual costs for each service offering, based on the following objectives:

1. Rates represent the true cost of delivering a service.
2. Each service line is run as a "business within a business."
3. The process complies with federal regulations.
4. Forecasting is based on agency submissions utilizing historical usage and trend data.
5. Rates are scrutinized internally and externally for transparency.

Mainframe

Supports z/OS and z/Linux. Primary function covers the actual mainframe computer systems software (operating systems, networks, DBMS, etc.) which are responsible for the efficient performance of the mainframe and perform tasks that integrate mainframe vendor software, utilities, databases, and communications. This service unit performs engineering, installation, support, and disaster recovery for the mainframe platform and all associated systems and software products.

Mainframe		
	Billable Unit per Month	2025-27 Rate
Batch Processing	CPU Minute	\$44.37
CICS Processing	CPU Minute	\$153.64
DB2 Processing	CPU Minute	\$37.35
TSO Processing	CPU Minute	\$44.37

2025-27 PRICE LIST OF GOODS AND SERVICES

Disaster Recovery

Data Center Services (DCS) provides Disaster Recovery (DR) for the infrastructure and platforms managed by DCS supporting agency production systems. By default, the service is not inclusive of lower environments, agency owned or managed infrastructure whether in an agency occupied facility or within the Colocation space. In a catastrophe, DCS will restore the infrastructure and platforms in a secondary location necessary for agencies to begin their production system recovery efforts detailed in their DR and Continuity of Operations (COOP) plans.

Agencies within managed services are expected to maintain DR plans (including runbooks and appropriate diagrams) for their systems and applications as part of their COOP. Restoration of systems and applications is the responsibility of the customer after DCS restores the infrastructure and platform.

If multiple agencies are competing for recovery, the priority of service restoration will be set by the State CIO and/or the Governor's Office.

Mainframe and AIX (Advanced Interactive eXecutive) Platforms

Data and systems are replicated near real-time to a secondary location and is included in the service rate. Production systems are available after agency testing.

x86 platforms - Tiered DR options

Hot Resiliency Solution (Active-Active): Production data can be accessed concurrently from machines in a cluster housed in multiple physical locations. Examples of this hot resiliency solution are logical replication and active-active database topologies.

This option requires agency engagement for appropriate architecture and configuration prior to availability. This option is most useful for mission critical systems.

Active-Active system components consumed in the secondary site are charged the standard rate. Depending on the architecture, this may include RAM, CPU, storage, server instance, SQL maintenance. Database licenses and software assurance for the secondary site are paid by the agency.

Warm Backup (Active-Passive) Solution: Production data and Virtual Machines are replicated between storage subsystems in the primary and secondary location. These systems and data cannot be accessed in the secondary location until a fail-over or role-swap event occurs and is no longer available in the primary location.

This option is available in both the DCS managed private cloud as well as the DCS managed public cloud.

This option requires agency engagement for appropriate architecture and configuration prior to availability.

Active-Passive system storage consumed in the secondary private cloud site are charged the standard rate. Active-Passive in a public cloud environment is subject to rates and fees of the cloud provider plus the DCS cloud rate.

2025-27 PRICE LIST OF GOODS AND SERVICES

Cold Solution: Cold DR requires nightly backup copies from the backup service. Production activities can begin once applications and data are fully restored from the backup system, runbooks completed and validated by the agency. This option is most useful for non-critical systems.

Customers utilizing DCS backup services have no additional fees.

Once per year DCS invites customers to test Cold Disaster Recovery in an isolated environment. Customers participate in this test for no additional charge.

Restoration of Cold DR is the lowest priority option and requires agency involvement and runbooks.

Midrange

Supports AIX, iSeries, and Linux on IBM Power Systems. Primary functions include responsibility for the design, engineering, configuration, installation, administration and maintenance of the midrange hardware, operating systems and supported middleware. This service unit also has responsibility for disaster recovery, and other software systems hosted on AIX, iSeries, and Linux. Midrange performs day-to-day operations such as system maintenance, system backup, recovery, and file maintenance. Midrange installs new software releases and system patches, software configuration and resolves technical problems.

Midrange		
	Billable Unit per Month	2025-27 Rate
Virtual Operating System Service, iSeries	iSeries Instance	\$5150.18
Virtual Operating System Service, UNIX/Linux	UNIX/Linux Instance	\$653.79
System CPU Resource Allocation	Server Core	\$334.30
System Memory Resource Allocation	GB Server Memory	\$39.94
DBMS Service, DB2 on UNIX	DB2 Server Core	\$2641.54
DBMS Service, Oracle on UNIX	Oracle Server Core	\$679.21
Application Server Service	MB transferred, Web	\$0.34
Secure File Transfer Service, UNIX	Allocated SFT GB	\$2.79

X86 Server and Infrastructure

Supports the Windows and Linux server operating systems and all associated infrastructure, including data storage. Primary functions include responsibility for the design, engineering, configuration, installation, administration, and maintenance of the X86 platform and data storage hardware as well as Windows and Linux operating systems. The X86 platform and data storage capacity may be provided inside the State Data Center or on contract to DCS through a vendor managed service. The X86 infrastructure team performs day-to-day operations such as system management that supports hardware and virtualization. The Windows and Linux teams install, maintain, and support the operating system software, including the implementation of server roles and management of operating system supporting applications. These teams are also responsible for the deployment of agency-owned appliances.

2025-27 PRICE LIST OF GOODS AND SERVICES

Non-standard service offerings for services outside the scope of the current DCS service catalog will be billed on a pass-through basis. Any exceptions require review and approval by EIS.

CHIEF HUMAN RESOURCES OFFICE

The Chief Human Resources Office (CHRO) provides the enterprise-wide policy leadership necessary to maintain a reliable and qualified workforce for Oregon state government. The CHRO's centralized policy functions enable Executive Branch agencies to share resources and expertise with which to manage its human resources assets and capital in a cost-effective way. CHRO also provides human resources (HR) management services to smaller agencies, boards and commissions that do not have the staff to perform these functions.

The office oversees the following HR functions:

Classification and Compensation

This unit develops and maintains the state's classification and compensation plan for approximately 42,000 employees in classified, unclassified, and management service positions. The unit also ensures an executive branch Equal Pay Analysis is conducted at least every three years and in accordance with Executive Order 17-08, publishes the biennial Salary and Benefit Report. Classification and Compensation is the primary resource during collective bargaining for determining classification studies and salary selectives.

Human Resources Systems

This unit is responsible for the management, operation, and security of the statewide Human Resource Information System (HRIS) and Learning Management System (LMS) used by all three branches of state government. These systems are mission-critical to statewide HR administration, recruitment, and training and must be available daily with information instantly available for HR and payroll processing. In early 2019, the CHRO implemented a new HR system, Workday, which standardized HR business processes across the enterprise, improving efficiency and providing robust tracking of employee and position information. The modern features of Workday have made state recruiting more contemporary and are enabling improved decision making through on-demand data analysis and reporting.

Labor Relations

This unit represents the Governor on behalf of all Executive Branch agencies in collective bargaining. Currently, the Labor Relations Unit administers 32 state collective bargaining agreements which cover approximately 34,000 employees who are represented by 12 different labor organizations. Additionally, the Labor Relations Unit administers five non-state collective bargaining agreements represented by AFSCME and SEIU.

Policy Consultation and Research

This unit establishes a system of human resources administration for state government by developing and implementing the state's workforce management plan; developing and administering CHRO rules and policies; providing consulting services and technical assistance to agency HR offices; and reviewing agency compliance with statewide policies. The unit provides training and consultation on workplace investigations and may conduct agency workplace investigations at the agency's request.

2025-27 PRICE LIST OF GOODS AND SERVICES

Talent Acquisition

This unit provides statewide leadership in recruiting a skilled, diverse workforce for Oregon state government by providing innovative solutions for improving the state's recruitment process, creating, and implementing a viable and sustainable succession planning process to provide workforce bench strength and increase representation of minority candidates in recruitment pools at all levels.

Workforce Management and Collaboration

This unit focuses on state government's values of accountability, equality, excellence, and integrity by partnering with state leadership, managers and employees as internal consultants that provide best-practice workforce strategies, solutions, and resources to meet current and future workforce needs. Service areas include management education, leadership development, people and data analytics, employee engagement, and executive/management coaching.

Costs associated with the above activities are supported by an assessment that allocates costs to state agencies based on 2023-25 budgeted Full-Time Equivalent (FTE) authority. *Reference Chief Human Resources Office (CHRO) in Appendix A.*

Client Agency Human Resources Management Services

This unit provides cost-effective HR services while decreasing employment contract and legal risks to agencies that cannot afford the staff to handle these services in-house.

Full-service HR management services include:

- Collective bargaining agreement administration.
- Grievance, complaint, and employment litigation support.
- Leave administration and personnel records management.
- Management advice, counsel, and coaching.
- Investigation services, conflict mediation and resolution.
- Recruitment services and records management.
- Position management services and classification allocation.
- Employee safety and workers' compensation compliance.

Costs associated with the above activities are supported by an assessment that allocates costs to state agencies based on 2023-25 Legislatively Adopted Budget (LAB) Full-Time Equivalent (FTE) authority. *Reference Client Agency HR Mgmt. Svcs. (CHRO) in Appendix A.*

2025-27 PRICE LIST OF GOODS AND SERVICES

Standalone HR management services using an hourly rate, include:

Talent Acquisition Support Services

Talent acquisition support services include guidance and advice on federal and state laws, rules, policies and labor contract interpretation concerning recruitment strategies; development of recruitment advertising and outreach strategies; creation of recruitment announcements, supplemental questions and evaluation criteria, application review, and applicant notifications; support for interview self-scheduling, interview question guidance, and review of veterans' preference requirements. The talent acquisition team also provides representation at local career fairs, as well as handles all recruitment records management and retention.

Standalone rate: \$88/hour

Investigation Services

Investigation services include objective, responsive research and fact finding of workplace complaints or performance related concerns; conflict mediation and resolution; management advice, counsel and coaching; or a variety of other solutions as recommended. **Standalone rate: \$125/hour**

ENTERPRISE ASSET MANAGEMENT

Enterprise Asset Management (EAM) includes the Office of Sustainability, Rent Program, Real Estate Services, Capital Facilities Planning, Fleet and Parking Services, and State and Federal Surplus Property. The focus of these programs is property management, both real and personal, that produces optimal use of state government assets including sustainable buildings and supports agencies' requirements for space, travel, and operational needs. EAM's responsibilities encompass the full life cycle of the assets the division manages, acquires, operates, maintains, and disposes. These value-added services allow state agencies and select local government customers to focus on their primary missions.

Office of Sustainability

The DAS Office of Sustainability provides agencies with technical and organizational support to help conserve energy and resources and address other sustainability issues in state buildings, fleet, staffing and other agency activities. The Office facilitates the Interagency Sustainability Coordinators Network and supports the Oregon Sustainability Board by providing research papers, how-to guides, newsletters, workshops, seminars and on-call direct support for agencies. This helps agencies comply with statute, statewide policy, and executive orders; as well as use energy and water efficiently, reduce waste, address challenges posed by climate change and integrate equity in decision-making. *Reference Admin. & Real Estate Services (EAM) in Appendix A.*

Rent Program

The Rent Program includes the following sections:

Trade Services

This section provides custodial and landscape services, building maintenance and repair services including electrical, HVAC and security services to state-owned and operated buildings in Salem, Wilsonville, Portland, Eugene, and Pendleton.

Trade rates will be a blended average using the following service categories:

Trade Rate - Service Category	2025-27 Rate per hour
Administrative Services – Tririga Support, Contracts and Procurement Services, Key Card administration	\$90
Trades – Labor, Driver, and Landscaping	\$82
Trades – Custodial	\$49
Professional Trades – Service & Repair, Electrical, HVAC, Painting, Plumbing, and Building Security	\$114

2025-27 PRICE LIST OF GOODS AND SERVICES

Key Card Services

Key Card Services provides a variety of basic physical and electronic security in DAS-owned buildings and provides Photo ID key cards as an over-the-counter service to tenants in DAS-owned buildings. This program installs, repairs, and replaces key card (electronic access) systems on exterior doors and designated interior doors as the DAS standard for its buildings. This standard ensures consistent, controlled access for DAS-owned buildings.

Key card rates include the direct cost of supplies, equipment, and labor used to produce each card.

Description	2025-27 Rate
Photo ID Keycard	\$24
Photo ID Only	\$18
Contractor/Visitor (with access)	\$22
Contractor/Visitor (no access)	\$14
Proxy Card	\$15

Building Security Technician services will install additional key card readers and other security equipment requested by a tenant agency to enhance safety and security. The costs of installation, maintenance, repair, and replacement is the responsibility of the requesting agency. For hourly rate, reference above Trade Rate-Service Category – Professional Trades.

Contact for more information: Heath Swartwout at 503-373-7031 or heath.swartwout@das.oregon.gov.

Building Space – Uniform Rent Rate

Uniform Rent recovers all building costs in DAS' Uniform Rent office buildings, which includes building maintenance, custodial services, depreciation, and deferred maintenance (to pay for construction and improvement), normal utilities, debt service, building security, recycling, landscaping, and administrative overhead.

Square foot per building per agency is based on occupancy at time of rate development and is subject to change.

Agencies should refer to the currently leased Office Square Footage and Storage Square Footage, set forth in Section 1.2 of the Agency's Uniform Rent Lease with DAS. Agency's rent is calculated as follows:

Office Square Footage* x \$2.52 = Monthly Office Rent

Storage Square Footage x \$1.10 = Monthly Storage Rent

2025-27 PRICE LIST OF GOODS AND SERVICES

**Office Square Footage is calculated by multiplying the usable office square footage by the Building Load Factor (as set forth in the Agency's Uniform Rent Lease with DAS).*

Planning and Construction Management

Planning and Construction Management (P&CM) manages capital construction and capital improvement projects for DAS facilities as well as for other agency facilities. New construction, major renovations, or improvements to building structures and systems are part of DAS' budget requests for capital improvement and capital construction. P&CM project managers' direct construction of new facilities and remodeling of existing sites and as needed, assists agencies in obtaining project management services through outside consultants. This mix of in-house and qualified private-sector contracts yields the best results for customers.

2025-27 PRICE LIST OF GOODS AND SERVICES

P&CM project managers ensure the design and construction of each project meets the quality requirements set by the state and tenant agencies, along with code requirements. P&CM regularly compares its costs and performance against private and public sector benchmarks to assure the highest quality service. The EAM division also manages projects for other agencies at cost, as staff is available.

Unit staff also has expertise in the construction contracting process, working with the Department of Justice on construction projects, invoicing, construction budget management, and project timeline development.

For the 2025-27 biennium, Project Management services for DAS-owned buildings are included in the monthly rent cost. For non-DAS-owned buildings an hourly rate of \$114 will be charged for Project Management services.

Real Estate Services

Leasing Services

Leasing Services provides state agencies with commercial brokerage services to find suitable office (and related storage, parking, lab, and warehouse) facilities anywhere in the state. In the private sector, the leasing agents negotiate with property owners and brokers on behalf of the client agency, draft the lease contract and manage the transaction through to contract execution. In addition to its private sector portfolio, the leasing team manages DAS' owned portfolio of buildings (i.e., Uniform Rent and Self-Support).

Examples of leasing services provided to agencies include:

- Needs assessment and planning assistance (timing, square footage, functionality, cost forecast, strategy and best options).
- Market research and site search to find leased space that aligns strategic business, financial and operational objectives.
- Drafting and soliciting Requests for Information (RFI).
- Facilitating personal tours of prospective properties.
- Providing comparison of landlord proposals and guidance for decision making.
- Interpreting terms and conditions of the lease.
- Preparation and/or review of documentation for private, interagency and intergovernmental leases, renewals, amendments, extensions and terminations, assignments and subleases, as well as estoppels and subordination, non-disturbance & attornment agreements (SNDAs).
- Lease administration (e.g., contract enforcement, lease disputes, expense reconciliation, space planning, etc.).
- Agency data requests to support legislative asks. Comparable rents for certain areas, available properties, summaries of existing leased portfolio (once a biennium), etc.

2025-27 PRICE LIST OF GOODS AND SERVICES

Leases in DAS-owned buildings: For the 2025-27 biennium, charges for services in DAS- owned uniform rent and self-support buildings is covered in the rent.

Private sector leases: Beginning in the 2025-27 biennium, Real Estate Services (RES) will move to an assessment model in which each agency with a lease managed by RES will pay an assessment to cover all services provided based on the following methodology:

Assessment will be allocated to agencies based on an average of the total square footage of privately leased space and the monthly cost of those leased spaces as of December 31, 2023.

Sample: Private Lease Assessment Allocation

Real Estate Land Sales

Real Estate provides many additional services to state agencies. Examples include:

- Support for non-leasing real estate transactions and due diligence (e.g., cell towers, easements, purchases and sales, environmental, surveys, appraisals, deeds).
- Support for legislatively directed transactions that do not produce revenue.
- Support for executive orders pertaining to real estate.
- Support for long-term real estate projects with uncertain outcomes.
- Support for the Public Lands Advisory Committee.
- Planning services relating to state facilities (e.g., interpretation of land use and zoning regulations, contracting for traffic studies, transit studies).
- Support for the Chief Financial Officer's facilities-planning policy initiatives (e.g., portfolio management, business cases, and statewide space standards).
- Coordination between DAS and the Department of State Lands.
- Management of the real property clearing house.

2025-27 PRICE LIST OF GOODS AND SERVICES

Costs associated with these activities are supported by an assessment charged to all state agencies based on a blended allocation method:

- One-third of the 2023-25 Legislatively Adopted Budget (LAB) Full-Time Equivalent (FTE) authority.
- One-third of the size of the agency's 2023-25 total funds LAB.
- One-third of the number of parcels the agency owns.

Reference Admin. & Real Estate Services (EAM) in Appendix A.

Contact for more information: Brady Ricks at 503-559-1401 or brady.ricks@das.oregon.gov or res.info@das.oregon.gov.

Capital Facilities Planning

- Assists agencies in developing maintenance plans for state-owned facilities.
- Assists in the analysis and planning of major construction projects.
- Coordinates the statewide facility inventory.
- Supports the following governing bodies:
 1. Capitol Planning Commission (CPC) was reestablished by the Legislature in SB 671 (2009). It provides recommendations and information to project-proposing agencies and biennially to the Legislature on state government construction and facilities management projects within the boundaries of the cities of Salem and Keizer. The Commission also provides a public process for review of Area Plans and Capital Construction Projects within the Salem and Keizer city limits. The CPC charge is based on budgeted Full-Time Equivalent (FTE) positions for each state agency with 15 or more FTE. Agencies with less than 15 FTE employees are not assessed. *Reference Admin. & Real Estate Services (EAM) in Appendix A.*
 2. Capital Projects Advisory Board (CPAB) provides public review of proposed capital projects of all state agencies (except the public universities). CPAB advises the DAS director on long-range facility plans that agencies submit to DAS; the condition of facilities, maintenance schedules, and options for new facilities (this applies to existing and proposed facilities within the class called major construction or acquisition in the Governor's budget); agency plans to lease facilities of 10,000 square feet or larger for 10 years or more; and agency plans to build or buy a building of 10,000 or more square feet.

2025-27 PRICE LIST OF GOODS AND SERVICES

Fleet Services

Under ORS 283.310, DAS Fleet must control and regulate the motor vehicles used for state business, including acquisition, access to, operation, use, maintenance, and disposal. In addition, Fleet is responsible for providing safe, dependable transportation in a cost-effective manner. The following rule and policies further regulate how state vehicles may be used and how DAS and agencies must manage vehicle assets: OAR 125-155, Statewide Fleet Management Policy 107-011-040, and Statewide Travel Policy 40.10.00.

Program vehicle requirements: When an agency adds new programs, expands existing programs, or adds FTE that will require the use of state vehicles, the agency must submit a request for additional permanently assigned vehicles to DAS Fleet as part of budget development. This must occur by April 15 of even numbered fiscal years. Fleet uses agencies' requests for additional vehicles to plan DAS vehicle purchases. A request for a permanently assigned vehicle must include information about the type of vehicle, the approximate date the agency needs the vehicle, and signature approval.

Services provided by Fleet (through its motor pool and shop located in Salem):

- Daily rental vehicles (less than 30 days).
- Monthly rental vehicles (30 days or more).
- Fueling and car wash.
- Vehicle repair and maintenance.

Daily Rental Vehicle Rates: The daily rental vehicle rate includes administrative overhead and vehicle maintenance. Fleet passes the actual cost of fuel, plus \$0.12 per gallon, to customers to cover the overhead of managing the fuel infrastructure.

Vehicle Type	2025-27 Rate
Sedan – FWD and AWD (Includes alt-fuel, flex-fuel, hybrid)	\$50
Sport Utility Vehicle (Includes flex-fuel and hybrid)	\$70
7 Passenger Mini Van	\$70
12 Passenger Van	\$95
Cargo Van	\$50
Pickup	\$70

Monthly Rental Rates: Fleet bills agencies a monthly rate that includes vehicle acquisition costs and administrative overhead. In addition, Fleet passes the actual cost of vehicle maintenance to customers and passes through fuel costs, plus \$0.12 per gallon, to cover the overhead of managing the fuel infrastructure. Note: Rates for specialty and miscellaneous vehicle types are available upon request. Fleet reserves the right to establish new or adjust existing rates as necessary, based on changes in purchasing cost, usage patterns, or special configurations. View Fleet monthly rental rates on website at:

<https://www.oregon.gov/das/FleetPark/Pages/rates.aspx>.

2025-27 PRICE LIST OF GOODS AND SERVICES

Rates for specialty and miscellaneous vehicle types are available upon request. Fleet reserves the right to establish new or adjust existing rates as necessary based on changes in purchase cost, usage patterns, or special configurations needed.

Depreciated Permanently Assigned Vehicles: Vehicles are depreciated over a period of years to an established salvage value; not to zero value. The salvage value is a calculated percentage of the original acquisition cost of the vehicle based on historical sale revenues for that type of vehicle.

If an agency returns a vehicle prior to the end of the chosen depreciation schedule, the agency may be charged for the remaining depreciation if Fleet cannot find a new customer to rent the vehicle or if the program must sell the vehicle at a loss.

- Vehicles that are fully depreciated will have a rate of **\$194 per month** plus fuel and maintenance.
- These vehicles may experience higher-than-normal maintenance costs due to age and miles.

Seasonal Rental Vehicles: (Vehicles rented for more than 30 days and less than one year.)

- Non-fully depreciated seasonal vehicles will have the same rate as a permanently assigned vehicle of the same class description plus fuel and maintenance.
- Fully depreciated seasonal vehicles will have a rate of **\$410 per month** plus fuel. Regular maintenance and repair costs are included in the monthly rental rate. Accident and body damage repairs and excessive wear and tear repairs will be charged separately.

Accelerated or Rough Use Vehicles: Vehicles are depreciated over a period of years. If an agency uses a vehicle at an accelerated rate and the vehicle reaches the replacement mileage criteria before the end of the depreciation schedule, or if the agency has used the vehicle in a way that makes the vehicle not viable for continued use for the extent of the depreciation schedule, the agency will be charged for the remaining depreciation value, minus what Fleet recovers from salvage or sale of the vehicle.

Example:

An agency receives a new vehicle that cost \$18,000 in 2010 and drives it 35,000 miles per year. The vehicle passes the current 130,000-mile replacement criterion after only half of the vehicle's depreciation schedule; the residual depreciation value is \$8,100. Fleet receives \$5,500 from the sale of the vehicle. The agency owes the remaining \$2,600.

Parking Services

Under ORS 276.591-276.601 and OAR 125-090, DAS regulates the parking fees and areas those fees are applied within the Salem Capitol Mall area, at Portland State Office Building, and at Eugene State Office Building. Although parking rates are usually set during the normal DAS budget build, rates may change between Legislatively Adopted Budgets to increase revenues necessary to cover emergent costs relating to operation, maintenance, and improvements to the DAS owned parking facilities. Current rates and any changes are posted on the DAS Parking Services website; employee and agency customers are also directly notified of changes by email.

State and Federal Surplus Property

State Surplus Property

State Surplus Property collects and disposes of the surplus personal property of state government and local governments. It utilizes a variety of marketing methods, including fixed price sales and online auctions. Customers include state and local governments, qualified non-profit organizations, and the public.

2025-27 PRICE LIST OF GOODS AND SERVICES

Surplus is governed by ORS 279A, which authorizes the program to recover the cost of property disposal from the amount received for the sale of items, or by billing agencies for the difference.

Service	Description

Federal Surplus Property

The Federal Surplus Property program locates, screens, and assigns federal surplus personal property to state and local governments and qualified non-profit organizations. If the DAS Surplus Property program handles the property, the following service charges apply:

Federal Surplus Basic Rate Structure	
Acquisition Costs	Percent Charge (of acquisition cost)
\$0 to \$5,000	30%
\$5,001 to \$20,000	25%
\$20,001 and above	15%

The Federal Surplus Program may charge additional fees to cover shipping and handling. If the Donee Information screens and arranges delivery of the property, the service charge will be 4 - 6%. If the Federal Surplus program screens and arranges delivery of the property, the service charge will be 5 - 7% (OAR 125-035-0025(4)).

ENTERPRISE GOODS AND SERVICES

Enterprise Goods and Services (EGS) provides cost-effective services to state agencies and, in many cases, local governments. These value-added services allow agencies to focus on its primary missions and core business. Specifically, EGS supports its customers by providing stable business systems and expertise in procurement, publishing and mail distribution, risk management, and financial services. The division focuses on providing assistance through responsive customer service, operational efficiency, flexible delivery, and continuous performance improvement.

Procurement Services

The Procurement Services section is responsible for providing a wide range of statewide procurement services, procuring goods and services on behalf of state and local governments, procurement consultation, marketing and communication, e-procurement system, policy and strategic planning, and general procurement information support statewide. These services include:

- **Statewide Price Agreement Services:** Procurement Services negotiates and administers Statewide Price Agreements, which leverage the purchasing power of local governments, state agencies, and other states to ensure cost-effective acquisition of goods and services. The costs associated with these services are supported by Vendor Collected Administrative Fee: **Ranges from 1.0% to 2.0%, and Other percent or type.**
- **OregonBuys System:** An end-to-end enterprise e-procurement system that saves time and money in administrative processes; incorporates procurement best practices; creates uniformity and standardization for users and vendors; captures data and provides improved reporting capability which is used to increase agencies' buying power and make strategic procurement decisions. The costs associated with this software is supported by an Administrative Fee: **1.0%.**
- **Procurement Training Services:** A unit within Procurement Services provides DAS's procurement-related training services, including legislatively mandated training. The team provides training and certification designed to improve purchasing and contracting outcomes, certifies procurement professionals, and ensures the training program is responsive to the needs of multiple agencies.
- **Oregon Cooperative Procurement Program (ORCPP) Services:** ORCPP allows qualified agencies and organizations access to state contracts to purchase goods and services, procurement training opportunities and unlimited advertising in OregonBuys. Additionally, a reciprocal agreement allows access to designated contracts in Washington state. Fees are set based on a participating entity's operating budget.

Publishing and Distribution

Publishing and Distribution (P&D) is the state’s central provider for integrated document publishing, mail processing and distribution services. P&D offers digital and secure print services (variable data, print on demand, color printing); mainframe/data center printing (reports, checks, secure documents); bindery services (folding, cutting, saddle stitching, hand work); mail services (inserting, addressing, metering, address hygiene, OCR mail sorting bar-coding, address clean-up, and mail forwarding); distribution services (inter-agency shuttle, UPS/FedEx, delivery services, secure package tracking); document creation (design, conversion, consultation); and digital services (document scanning-to-PDF, plastic ID card imprinting). The program’s creative services include graphic and web design. P&D is located at 550 Airport Road Suite A in Salem.

Print Ready Printing Rates: P&D utilizes a tiered rate structure for printing. Checks and negotiable items are charged an additional fee per item for security, plus the cost of the stock. Tracked, variable data printing is charged an additional fee per record for piece tracking. (See pricing table below.) All prices quoted below are for “print ready” work. Custom orders, variable data, file work, conversion, preflight review, and file setup/correction are charged an additional fee. Impression price does not include paper stock. Large volume print and bindery orders are as quoted.

Managed Print Services (MPS): This fee recovers the administrative cost of procurement, placement, and monitoring of Multi-Function Printers (MFP’s). Monitoring includes:

- Assuring adherence to established Service Level Agreements (SLA’s).
- Monitoring under and over utilized devices to establish the number and placement of devices.
- Establishing “green reports” for the Statewide Sustainability Office.
- Agencies on-site printing needs are researched, and needs established to assure the best possible solution and MFP placement is achieved. This process is constant as the needs of the agency changes.

Risk Management

Under ORS 278.405, Risk Management (RM) manages the risk management and insurance programs of state government. It has responsibility to:

- Provide insurance coverage for liability, state property and workers' compensation.
- Purchase insurance policies, develop and administer self-insurance programs.
- Purchase risk management, actuarial and other required professional services.
- Provide technical services in risk management and insurance.
- Adjust and manage property claims filed by state agencies and coordinate with commercial insurers on large losses.
- Adjust and manage all liability claims filed against the state; partner with defense counsel (primarily DOJ) and agencies to defend tort liability lawsuits.
- Adopt rules and policies governing the administration of the state's insurance and risk management activities.

Under ORS 278.425, Risk Management administers the Insurance Fund to provide insurance and self-insurance for state agencies. The fund is required to operate on an actuarially sound basis. DAS collects revenue from charges to state agency customers for the RM services provided. The total fund charges are added to the Insurance Fund and become available to purchase insurance and administer self-insurance programs. The allocation of the charges to agencies is based, to the extent possible, upon factors that reflect the relative risk and loss experience of each state agency.

The allocation methodology for 2025-27 remains unchanged from the prior four biennia. Minimums and waivers were eliminated in 2019-21 except for Risk Administration, which has a \$1,250 minimum charge. Risk Administration charges are included in the liability, property, and Workers' Compensation charges.

The table in Appendix A – State Government Service Charges (SGSC), displays 2025-27 Risk Management charges that are allocated to agencies based on independent actuarial data, commercial insurance costs and risk administration costs. The total program costs allocated for 2025-27 reflect continued increases since the 2015-21 periods when increases were minimal. Increases have been required due to a few factors including a deterioration in the health of the Insurance Fund, ongoing and significant increases related to liability claims and lawsuits and increases in commercial insurance premiums. *Reference Property (Auto & General) (EGS), Liability (Auto & General) (EGS), and Workers' Comp. (EGS), in Appendix A.*

Shared Financial Services

Shared Financial Services (SFS) provides a wide range of financial services such as payroll, accounting, budget, accounts payable, and accounts receivable, for DAS and client agencies. In addition, budget preparation and execution services are provided for client agencies.

- **Accounting and Budget Services:** SFS develops and maintains accounting structures, prepares financial reports, provides reliable data to management, and collaborates on best practices for financial workflow. SFS ensures proper internal controls are met, prepares cost allocation financial statements, maintains fixed-asset records, provides bond accounting, makes local governmental distributions, and archives documents. SFS also prepares reporting for the Annual Comprehensive Financial Report (ACFR), Schedule of Expenditure Federal Awards (SEFA), Office of Management & Budget (OMB) Circular A-87, and other governmental reporting requirements. SFS also provides a full range of budgeting and forecasting services for client agencies.

The rate methodology uses the biennial total costs for the related staff, divided by the biennial estimate of the total billable hours, to calculate a billable hourly rate.

- **Accounts Receivable Services:** SFS provides accounts receivable services to DAS and client agencies, so agencies can maintain accurate cash flow and be advised of real time cash positions with the Oregon State Treasury. SFS provides invoicing, depositing, and deposit reconciliation services.

The rate methodology uses the biennial total costs for the related staff, divided by the biennial estimate of the total number of accounts receivable transaction lines, to calculate a transaction line rate.

- **Accounts Payable Services:** SFS provides accounts payable services to DAS and client agencies by processing payments from invoices, travel claims, purchase orders, and various other disbursement activities. To meet the standards of the Oregon Accounting Manual, each payable is verified to have appropriate supporting documentation, accurate coding, correct signing authority, and reasonableness of the expenditures.

The rate methodology uses the biennial total costs for the related staff, divided by the biennial estimate of the total number of accounts payable transaction lines, to calculate a transaction line rate.

- **Shared Payroll Services:** SFS payroll provides full-cycle payroll and benefit services to client agencies and boards and commissions. The service includes monthly payroll, new hire and termination, off-cycle pay requests, employee expense reimbursements, settlements, garnishments, and insurance benefits.

Other Agency Services and Rates

CENTRAL GOVERNMENT SERVICE CHARGE

The Central Government Service Charge (CGSC) assesses agencies that have Other Funded positions. ORS 291 directs DAS to recover actual costs that are associated with the following:

- Legislative Assembly and all expenditures for the Emergency Board.
- Legislative Fiscal Office.
- Legislative Counsel Committee.
- Governor's Office.

CGSC is used to retroactively assess a portion of the 2021-23 total costs of these activities. Costs are allocated to agencies based on the percentage of Other Funded salaries in the 2023-25 Legislatively Adopted Budget. Other Funds received through this assessment are returned to the General Fund. This assessment excludes federal sources because the federal government will not participate in funding central government functions. *Reference Central Govt. Svcs. Charge (CGSC) in Appendix A.*

OFFICE OF THE PUBLIC RECORDS ADVOCATE

The Office of the Public Records Advocate was created pursuant to Senate Bill 106 (Chapter 728) during the 2017 legislative session and is responsible for:

- providing dispute resolution services at the request of government bodies or public records requesters.
- providing training on public records laws and best practices.
- providing guidance and advice on the public records law upon request; and
- leading the Public Records Advisory Council.

Costs associated with the above activities are supported by an assessment that allocates costs to state agencies based on 2023-25 budgeted Full-Time Equivalent (FTE) authority. *Reference Office of the Public Records Advocate in Appendix A.*

This charge pays for the Oregon Business Development's Certification Office for Business Inclusion and Diversity (COBID). COBID administers the Disadvantaged Business Enterprise (DBE), Minority Business Enterprise/ Women Business Enterprise (MBE/WBE), Veteran Business Enterprise (VBE) and the Emerging Small Business (ESB) programs. The charge also provides funds for the Governor's Policy Advisor for Economic and Business Equity located within the office of the Governor. The assessment is based on 2023-25 Legislatively Adopted Budget (LAB) Full-Time Equivalent (FTE) authority of all state agencies as provided by DAS. The Oregon Department of Transportation provides additional funding through a separate formula-based assessment. The allocation formula to state agencies is unchanged. *Reference Cert. STATE LIBRARY OF OREGON

The 1993 Legislative Assembly established the State Library of Oregon assessment in statute (ORS 357.203) primarily to reduce the Library's reliance on the General Funds and to spread the cost of the Library across all fund types. The assessment supports all the Library's services to state government agencies and related administrative costs. Other services of the Library (e.g., Talking Books and Braille Library, Library Support and Development Services) are not funded by the assessment.

Two-thirds of the assessment is allocated based on Full-Time Equivalent (FTE) positions and one-third on agency use of Library services in the 2021-23 biennium.

The Library assessment for 2025-27 totals \$10,378,818 and is intended to support the current staffing and current level of service to state agencies and one policy option package for two additional staff. Agencies with Federal Fund resources need this separation because the FTE portion of the assessment cannot be billed again Federal Funds, similar to the state government service charge.

For more information about the assessment, refer to the FAQ at:

https://library.state.or.us/about/assessment/assessment_faq.pdf.

JUDICIAL DEPARTMENT – OREGON LAW LIBRARY

The Oregon Law Library is the primary legal information resource for state government. The library collection includes primary legal material, historical and current, from all U.S. jurisdictions. Statutes and case law from all 50 states and the federal government are available. The Law Library maintains current secondary material in virtually all areas of law and houses a large collection of legal periodicals.

The assessment for the Oregon Law Library recovers the actual cost of providing library services to state agencies.

The assessment is apportioned among state agencies based on the number of Full-Time Equivalent (FTE) employees budgeted by the agency. The FTE counts listed in the table (except for Lottery) were provided to the Oregon Judicial Department by DAS. *Reference Oregon Law Library in Appendix A.*

OREGON GOVERNMENT ETHICS COMMISSION

The assessment for the Oregon Government Ethics Commission is apportioned among state agencies based on the number of Full-Time Equivalent (FTE) employees budgeted by the agency. The 2007 Legislature created the assessment.

The total amount charged in the table below was calculated for the state agency share of the Oregon Government Ethics Commission's budget. From this amount, 100% of the total amount is based on Full-Time Equivalent (FTE) positions. The assessment will be subject to adjustments during the state budget process. *Reference OR Govt. Ethics Comm. (OGEC) in Appendix A.*

OFFICE OF THE SECRETARY OF STATE

Archives Division – Security Copy Depository

The Archives Division operates the Security Copy Depository for the medium and long-term storage of public records on microfilm. Since microfilm is one of only two recognized media for long-term storage (the other is paper), the Archives Division provides for a secure and environmentally controlled storage facility for both state and local government microfilm. The microfilm must meet strict standards set forth by the American National Standards Institute (ANSI) and the Association for Information and Image Management (AIIM). These standards were adopted in whole by the Archives Division through the Administrative Rule process and are found in OAR 166-025. The Archives Division inspects every roll of film for compliance to the ANSI/AIIM standards before the film is placed in the environmentally controlled vault. In addition, the Archives Division monitors the environmental conditions of the vault as well as the condition of the reels to detect any signs of deterioration.

The Archives Division began charging for microfilm in the 2009-11 biennium. In the first year of the program, the fee covered just the pro-rated share of the Archives Building rent for the area occupied by the Microfilm Storage area. Beginning in the 2011-2013 biennium, the fee was calculated to include not only the rent but the 1.0 full time employee (FTE) responsible for the program. The amount per reel is calculated by dividing the total program cost by the number of reels in storage to get a per reel rate.

For the 2025-27 biennium, the Microfilm Storage rate is \$1.3696 per roll (\$.6848 / year). At the request of customers storing a small number of reels, a minimum charge was initiated in the 2011-13 biennium. For agencies storing 1-6 reels the minimum charge is \$10 and for customers storing 7-13 reels the minimum charge is \$20. Users of Security Copy Depository will be assessed based on their reel storage as of January 2024. Reference SOS Archives Security Copy Depository in Appendix A.

2025-27 PRICE LIST OF GOODS AND SERVICES

Archives Division – Records Center

The Archives Division’s Records Center provides a central, secure, and properly managed storage and retrieval facility for inactive, non-permanent state records. The division began charging state agencies for use of the State Records Center during the 1995-97 biennium in response to growing demands on the General Fund. While the Records Center is operated by a central agency, the Archives Division determined that approximately 50 percent of the occupied space was that of primarily General Funded agencies. Therefore, the charge was developed to more equitably spread the funding burden across all fund types.

The Archives Division developed the 2025-27 projected budget for the Records Center allowing only for rent, utilities, office supplies, janitorial services, and 2.5 equivalent FTE that perform records maintenance tasks. Service will remain at its current level through the 2025-27 biennium. The charge of \$44.582 per cubic foot per biennium is based on the projected expenditures for the Records Center divided by the estimated occupancy rate (83,147 cubic feet). Users of this facility will be assessed based on the cubic feet of occupancy as of January 2024. *Reference SOS Archives Records Center in Appendix A.*

Archives Division - Archives and Records Management

The Archives Division was established in 1945 to house and provide access to the permanently valuable records of Oregon government and to authorize the disposition of public records from all of Oregon's governmental entities. The Archives Division serves as the state's information broker and information manager striving to make as much government information available to the public. In addition, the Division works with every state agency and local governments to help them manage information, regardless of its format, from creation until final disposition, helping to ensure the citizens of Oregon that their government is open and accountable.

Beginning with the 2021–23 biennium, management of the Oregon Administrative Rules is overseen by the Archives and Records Management program for state and local government assessment. The Publications Unit was funded through the sales of the printed annual compilation and subscriptions to the printed monthly Oregon Bulletin. As of 2018, the Oregon Bulletin is no longer printed, and subscriptions are no longer sold. The compilation is also no longer being printed and sold and is now available on-line, free of charge, and can be printed from the online database. The management of the website and its data contents is now overseen by the Archives and Records Management program staff and a separate Administrative Rules assessment is no longer calculable.

The Archives and Records Management Assessment is based on a state agency's, local government's, board's, and council's 2023-25 FTE which we determined to be the most equitable and efficient way to calculate costs. A minimum charge of \$300 will be assessed. Program service costs include those associated to physical and data storage; trainings that are either agency specific (related to retention schedules or a particular problem that the agency is having) or topically in which a number of agencies attend different sessions (i.e. public records law, basics of records management, etc.); inventorying and writing agency records retention schedules, evaluations of agency records programs, reviewing of agency policies, etc. The formula used to determine costs is determined by adding the current number of Archives Other Fund positions plus operating costs and dividing that by the total number of customer FTE to get a per FTE rate. *Reference SOS Archives & Records Mgmt. in Appendix A.*

Audits Division

Most of the Audits Division's audit costs are biennially allocated to state agencies based on an agency's pro rata share of four risk factors: expenditures, full-time equivalent positions, revenues, and cash. The Audits Division bills trust fund agencies and agencies with constitutionally dedicated funds directly for audit costs based on time spent in the agencies. For the 2025-27 biennial allocated audit costs, risk factors were based on audited financial information contained in the Annual Comprehensive Financial Report for the fiscal year ended June 30, 2023. To comply with Federal Uniform Guidance, 2 CFR Part 200.425, the billings for agencies receiving federal funds include a breakdown of amounts allowed to be paid for with federal funds. All other charges must be paid with other appropriations (Other Fund, General Fund, or Lottery Funds). Reference SOS Audits in Appendix A.

OREGON STATE TREASURY

Banking Services

Agencies should use the following estimates when projecting their 2025-27 Banking Services costs. Note that the fees listed below do not include fees charged directly to agencies by our banking partners for services such as Lockbox, Onsite Electronic Deposit (OED), and Merchant Card acceptance. Agencies should confirm that they have adequately accounted for these costs to the extent they apply.

Originated International ACH Transaction and Check Copy fees currently are not being charged to agencies. Treasury may decide to charge those fees later.

Note that Banking Services costs are subject to change because of any changes to Treasury's costs, including because of a variety of in-progress cash management projects and vendor transition efforts. As project implementations and charge methodology review continues, Treasury will work with DAS, the Legislative Fiscal Office, and stakeholders regarding any need for ongoing changes including the impact of any such changes to agency budgets.

Debt Management Services

The table below provides the projected cost for centralized debt management services. These costs are subject to change because of changes in Oregon State Treasury's costs and may be reduced by fees collected for debt management services, in accordance with ORS 286A.014. In the past, Oregon State Treasury has worked with the Legislative Fiscal Office to adjust budgeted debt management costs to agencies according to the most up to date state outstanding debt percentages, and it is expected this process will be repeated for 2025-27. Reference Treasury General Obligation Bonds, Treasury Article XI-F Bonds, Treasury Article XI-Q Bonds, Treasury Revenue Bonds, Treasury Lottery Revenue Bonds, and Treasury COP in Appendix A.

OREGON STATE POLICE

Capitol Mall Security Services

This charge covers the cost of the Oregon State Police providing security services to most of the state office buildings on the Capitol Mall and buildings located on Airport Road in Salem. It also covers patrolling and responding to security issues on the common grounds, parks and parking lots on the Capitol Mall. These charges are based on occupied rentable square footage of each agency in the buildings that receive the security services. *Reference Capitol Mall Security Services (OSP) in Appendix A.*

Federal Funds should not be used to pay for this assessment as the Federal Government will not participate in funding central government functions.

2025-27 PRICE LIST OF GOODS AND SERVICES

OREGON CORRECTIONS ENTERPRISES

Oregon's constitution requires all eligible adults in custody (AICs) housed in Oregon Department of Corrections facilities to be actively engaged full time in work or on-the-job training activities. The Legislature in 1999 created Oregon Corrections Enterprises (OCE) to help carry out this mandate. Oregon Corrections Enterprises' programs are designed to engage AICs in meaningful work opportunities and provide a foundation to lead successful lives upon release.

Oregon Corrections Enterprises operates several programs across the state, teaching AICs both technical work and general employment skills. OCE offers the products and services produced in these programs to government entities and private sector customers. Pricing varies depending on volume, services requested, and location.

Laundry Services

Laundries are located in Salem, Ontario, Pendleton, Madras, and Umatilla with statewide pickup and delivery available. Each of these modern facilities process thousands of pounds of laundry every day for governmental agencies and hospitals around the state. The laundries also provide additional services, such as industrial bag washing and custom folding and packaging.

Garment Manufacturing and Embroidery

Garment Factory: Located in Pendleton, the Garment Factory was originally established to clothe Oregon's AICs. The Garment Factory now produces clothing products for customers throughout the United States and internationally. The factory works hand-in-hand with the Embroidery Shop to produce custom screen-printed and embroidered clothing, hats, and bags. A second facility located in Wilsonville produces clothing, as well as accessory items, such as mesh shower bags, for government agencies. They also partner with private sector customers to produce medical equipment and more.

Embroidery: Custom embroidery services include shoulder patches, rockers, nametags, badges, blank and embroidered hats and shirts, pouches, and utility belts. In partnership with our Upholstery Shop in Umatilla, custom embroidery is also available on OCE Soft Line seating products.

Data and Fulfillment Services

The OCE Data & Fulfillment Services Group, located in Salem, offers printing, mail/distribution, and fulfillment services.

2025-27 PRICE LIST OF GOODS AND SERVICES

Products and services include brochures, posters, catalogs, banners, postcards, web pages, custom logos and favicons, motion graphics, branding, interactive pdfs, fillable forms with e-signature, training and messaging videos, and more.

Document Scanning

The OCE Scanning Group in Wilsonville provides a wide range of scanning options, including large format documents, maps, and blueprints, as well as optical character recognition. Digital files are created in a variety of formats for electronic storage and retrieval. Shredding and disposal of original documents is also available.

2025-27 PRICE LIST OF GOODS AND SERVICES

Telecommunications

The OCE Telecommunication units are currently located in Salem, Wilsonville, Pendleton, Madras, Lakeview and Ontario. These telecommunication centers offer skilled inbound/outbound contact telephone services, a low-cost, high-quality resource for the customer service, market research, and telemarketing needs for Oregon state agencies and various private sector partners. The telecommunication centers offer predictive dialing, automatic call distribution, and remote call monitoring equipment to allow OCE to handle calls in the most secure and efficient manner possible. Speech analytic software monitors and records both incoming and outgoing calls.

Campaigns Customized to Your Business	100% Auto Dialing
Digital Call Recording and Digital Archiving	Customized Reporting
Industry Leading Call Center Software	

Public: The Salem and Wilsonville sites currently provide inbound call services for state agencies, handling thousands of calls to help state agencies meet the needs of the public they serve. Trained AIC telephone agents answer general information calls from citizens about state services, referrals, statute interpretations, and various licensing and application requirements. The Ontario site has the ability to quickly launch an inbound emergency response information line.

Private: The Madras, Salem, Ontario, Lakeview and Pendleton contact centers currently serve the needs of several private sector companies with inbound and outbound information retrieval and referral services, customer care, and business-to-business marketing services. The OCE contact centers offer the latest advanced contact center technology and have a capacity of over 600 agent seats.

Signage

Located in Ontario, the OCE Sign Shop provides signage for a wide variety of customers including city, county, state, and federal governmental agencies throughout Oregon. In addition to standard traffic signs, OCE can also produce custom signs with customers' own designs, logos, and messages. OCE offers computerized design assistance to meet customers' signage needs. Products include:

Reflective Aluminum and Wooden Traffic Signs	Street and Parking Lot Signs
Routed Wood and Plastic Signs	ADA Signage
Desk Plates	Door Signs
Name Tags	Appreciation and Award Plaques

2025-27 PRICE LIST OF GOODS AND SERVICES

Metal and Wood Products

OCE has fully equipped wood and metal fabrication facilities located in Salem and Umatilla. These shops produce a large variety of custom-made products. OCE provides products such as fire rings, picnic tables, barbecues, signage, and outdoor furniture to Oregon's parks. OCE also provides fleet equipment such as dump beds, sanders, and deicers to public entities. Installation and refurbishing services are available for fleet equipment. Other products made by these programs includes gates, bike racks, lockers, institutional furniture, office furniture, tables, portable greeting centers, and custom work.

Furniture and Cabinetry

The OCE Furnishing Groups, located in Salem and Umatilla, specialize in manufacturing high quality office furniture, cabinetry, dorm furnishings, and lounge/reception furnishings. For more than sixty years, this group has sold durable furnishings to many local, state, and federal government agencies. The Furnishings Groups take pride in developing strong customer relationships by providing quality and value in every product.

Office Furniture: Items include desks, chairs, workstations, height adjustable tables and workstations, credenzas, conference tables, file storage units, and keyboard trays to name only a few. OCE uses high quality solid wood lumber or wood veneers in a variety of stains, and laminate choices that meet or exceed the quality rating standards of ANSI and BHMA.

Dormitory Furnishings: From beds, to wardrobes, to study desks, and more, OCE has a wide range of items to outfit any dormitory room or living area. High standards and quality materials go into every piece of furniture.

Lounge Furniture: OCE custom manufactures a number of upholstered guest and reception chairs, two- and three-seat couches, and one-seat lounge chairs in a choice of fabrics and options. Matching study tables, end tables, and coffee tables round out any reception area or lounge to provide the look and feel customers want.

Cabinetry and Casework: OCE manufactures and installs cabinetry and casework including base, full height, and wall mounted cabinets, countertops, wardrobes and other similar units. OCE can help you with projects from design to installation on any size job.

2025-27 PRICE LIST OF GOODS AND SERVICES

EMPLOYMENT DEPARTMENT

Office of Administrative Hearings

Under ORS 183.655, the chief administrative law judge for the Office of Administrative Hearings (OAH) shall establish a schedule of fees for services rendered by administrative law judges assigned from the office. The fee charged shall be in an amount calculated to recover the cost of providing the administrative law judge, the cost of conducting the hearing, and all associated administrative costs.

The OAH has established a methodology to create hourly rates for agencies that require hearing detail. Those agencies transitioned from actual cost billing to hourly rate billing, beginning July 1, 2021.

The rates established for the OAH are based on the 2023-25 Legislatively Adopted Budget for service and supplies costs, inflated consistent with historical rates used by DAS, and include projections for 2025-27 personal services costs. Rates are established for work performed by three classifications of administrative law judges employed by the OAH as well as a rate for work performed by OAH support staff. All rates include associated administrative costs from the OAH, and shared administrative costs allocated from the Employment Department. Additional charges for agency specific training, travel, transcription, and translation costs will be directly billed to the agency at actual cost.

Paid Leave Oregon was included on the OAH Price List for the first time, beginning with the 2023-25 biennium. Because the OAH does not have historical information to draw from for this new program, the methodology for establishing the amount in the 2025-27 Price List is different for Paid Leave Oregon than described above. The OAH costs for personal services and services and supplies were projected during budget development for Paid Leave Oregon and the Price List for Paid Leave Oregon was calculated using the forecast provided by the Paid Leave Oregon Actuary. The OAH used these projections and added the same allocation of associated administrative costs for the OAH and the Employment Department to develop the 2025-27 Price List amount for 47100 – Paid Leave Oregon.

The rates below have been developed consistent with the OAH's statutory duty to charge fees sufficient to cover the cost of providing the administrative law judge, the cost of conducting the hearing, and associated administrative costs. The OAH is aware of the impact of its rates on agencies and makes every effort to keep costs as low as possible consistent with the need to provide high-quality services.

Office of Administrative Hearings

Administrative Law Judge 3	\$283
Administrative Law Judge 2	\$229
Administrative Law Judge 1	\$198
Support Staff	\$126

2025-27 PRICE LIST OF GOODS AND SERVICES

Agencies requiring hearing detail will continue to be billed for actual charges. Estimates of 2023-25 charges are provided below for agencies remaining on actual billing. These charges are estimates; actual charges may be different.

Office of Administrative Hearings		
Agency Number	Agency Name	2025-27 Charge
10000	Department of Human Services	\$3,900,000
13700	Division of Child Support Services - DOJ	\$4,100,000
44300	Oregon Health Authority	\$3,000,000
47100	Oregon Employment Department - UI	\$19,700,000
47100	Oregon Employment Department - PFMLI	\$6,400,000
73000	OR Department of Transportation - DMV	\$5,000,000
	Total	\$42,100,000

Since June of 2018, the OAH has not included a separate charge for working capital as part agency billings. However, increased costs, primarily due to personal services, requires the OAH to add an additional 4% to agency billings in the 2025-27 biennium in order to maintain sufficient operating capital. This charge is embedded in the hourly rates and is included in the estimates above for agencies that are billed for actual costs.

***Statute authorizes the OAH to provide services to certain entities that are not state agencies. The estimated 2025-27 costs associated with those services are not included in the Price List total.**

OREGON HEALTH AUTHORITY – PUBLIC EMPLOYEES’ BENEFIT BOARD

Employee Assistance Program

Agencies participating in the statewide Employee Assistance Program (EAP) offered through the Public Employees’ Benefit Board should use the following *estimates* when projecting costs for 2025-27. These amounts are subject to change based on the final negotiated contract.

For July 1, 2025, through June 30, 2027, budget \$21.60 per FTE per year for the three-visit model or \$25.20 per FTE per year for the five-visit model, \$36.96 per FTE per year for a six-visit model, and \$39.36 per FTE for an eight-visit model.

Costs may increase July 1, 2025, due to new program offerings. Expenditures for EAP are budgeted under professional services.
