- **Please note that the first day of employment can be a day other than the 1st. It could be the 2nd or 3rd, etc. This worksheet is based upon the first working day of the month, Monday through Friday. For example, if you have an employee who starts on the 3rd of February and the 3rd is the first working day of the month, then use the First Day of the month, 2/1, to determine the PERS Effective Date (Contribution Start Date – CSD) from the chart above.**

- **The 30 day break in service rule can be calculated by counting Monday through Friday, excluding holidays, between employment segments.**
