

ONE DAY PARKING PERMITS

You may issue one-day parking permits to agency or state employees, state board and commission members or volunteers conducting official state business in Salem and at the Portland State Office Building. You may not sell these permits to employees or the general public.

Each numbered permit is valid for ONE DAY ONLY at the following state parking facilities:

- Portland State Office Building park-and-pay spaces
- Salem – map on reverse shows valid locations in the Capitol Mall Area including the Capitol Mall Parking Structure meters

To use the permit, write the month and year and completely black out date of use in black ink. Hang the permit from the rearview mirror with valid date clearly visible toward the front of the vehicle to ensure parking enforcement can read the date and permit number.

Altered or incomplete permits are not valid. Failure to properly display a valid permit will result in citation of the vehicle for unauthorized parking under [Salem Revised Code 102.105](#).

Unauthorized parking citations may also be issued to vehicles displaying one-day permits at parking facilities other than those listed above or shown on the map on reverse including 30-minute meters, reserved spaces or City of Salem street meters. Contact the State Parking office at 503-378-5090 if you have questions or concerns about the valid use of these permits.
