Note: To qualify to carpool, the primary and all riders must have permanent physical work locations within the designated carpool boundaries outlined at <https://www.oregon.gov/das/FleetPark/Pages/commute.aspx>. Carpools must be recertified every April and October.

IMPORTANT NOTICE: To make a change in the carpool PRIMARY, the current PRIMARY must contact State Parking in writing to cancel the parking space or permit. A person from within the carpool who qualifies to become the PRIMARY must then complete and submit an Employee Parking Application, along with a new Carpool Certification form with all required information and signatures.
