PREAMBLE

This Agreement is made and entered into by and between the State of Oregon (hereinafter the “Employer”), acting by and through its Department of Administrative Services on behalf of the Department of Consumer and Business Services (hereinafter the “Department”), Building Codes Division (hereinafter the “Division”) and the American Federation of State, County, and Municipal Employees, Council 75 (hereinafter the “Union”), for the purpose of determining wages, hours, working conditions and other terms and conditions of employment affecting members of the bargaining unit as certified by the Employment Relations Board.

It is further the intent of this Agreement that the Parties will mutually strive to maintain a suitable and safe working environment for all employees. The Employer agrees to abide by standards of safety and health in accordance to the Oregon Statutes and Administrative Rules.

NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

ARTICLE 1 - RECOGNITION

The Employer and the Department recognize the Union as the sole and exclusive bargaining agent for: All classified employees of the State of Oregon, Building Codes Division, excluding supervisory, confidential, temporary and part-time employees working less than thirty-two (32) hours per month.

This Agreement binds the Union and any person designated by it to act on behalf of the Union. Likewise, this Agreement binds the Employer and the Department and any person designated by it to act on its behalf.

ARTICLE 2 - MANAGEMENT RIGHTS

The Parties agree that the Employer and the Department have the right to operate and manage the Department, including, but not limited to, the right to maintain order and efficiency; to direct employees and to determine job assignments and working schedules; to determine the methods, means, standards and personnel to be used; to implement improved operational methods and procedures; to determine staffing requirements; to determine whether the whole or part of the operation shall continue to operate; to recruit, examine, select and hire employees; to promote, transfer, assign and reassign employees; to suspend, discharge or take other proper disciplinary action against employees; to lay off employees; to recall employees; to require overtime work of employees; and to promulgate rules, regulations and personnel policies, provided that such rights shall not be exercised so as to violate any of the specific provisions of this Agreement.

ARTICLE 3 - LAWS, REGULATIONS AND SAVINGS

This Agreement is subject to all applicable existing and future State and Federal laws and regulations.

In the event any provision of this Agreement is declared invalid by any court of competent jurisdiction or by ruling of the Employment Relations Board, then only such portion or portions shall become null and void and the balance of the Agreement remain in effect. The Employer

and the Union agree to immediately meet, negotiate and agree upon a substitute for the portion or portions of the Agreement so affected and to bring into conformance therewith not over sixty (60) days after notification unless extended by mutual agreement. If agreement on such matters is not reached within a reasonable period of time, the provision of Article 26 shall not apply.

ARTICLE 4 - EQUAL EMPLOYMENT OPPORTUNITY AND AFFIRMATIVE ACTION

Section 1.

The provisions of this Agreement shall apply equally to all employees in the bargaining unit without regard to age, race, color, religion, sex, sexual preference, national origin, disability, marital status, or political affiliation. The Union further agrees that it will support the Department's implementation of applicable Federal and State laws, regulations, and guidelines including but not limited to Presidential Executive Order 11246 as amended by Presidential Executive Order 11375 and the Governor's Policy and Guidelines for Affirmative Action Plans in State Agencies.

Section 2.

All complaints alleging any form of discrimination in violation of this Contract shall be submitted to the Director or his/her designee. A meeting with the complainant will be held within fifteen (15) calendar days of the receipt of the complaint. If satisfactory solution cannot be reached, the Director or the designee will communicate in writing, within thirty (30) calendar days from receipt of the complaint, the position of the Department to the complainant and the Union. If the complaint is not resolved, the employee or the Union may submit such complaint to the Bureau of Labor and Industries, Civil Rights Division; except that complaints alleging discrimination because of sexual preference or political affiliation may be submitted to the Department of Administrative Services, Labor Relations Unit if unresolved by the Department. Department of Administrative Services, Labor Relations Unit will review the complaint, attempt to resolve it, and/or issue its findings to the employee and the Union.

ARTICLE 5 - UNION SECURITY

Section 1.

On the first (1st) pay period of each month, the Department shall deduct from the wages of employees in the bargaining unit who are members of the Union and who have requested such deductions pursuant to ORS 292.055, a sum equal to Union dues. This deduction shall begin on the first (1st) payroll period following such authorization and shall continue from month to month for the life of this Agreement.

Section 2.

Employees in the bargaining unit who are not members of the Union shall make payments in lieu of dues which shall be the equivalent of regular Union dues. Beginning with the first (1st) payroll period after the execution of this Agreement and on each period thereafter, the State will deduct from the wages of each bargaining unit employee who is not a Union member the payments in lieu of dues required by this Article. Similar deductions will be made in a similar manner from the wages of new bargaining unit employees who do not become members of the Union within thirty (30) days after the effective date of their employment. The State shall remit a payment for all said deductions to the Union by the 20th of the month after the deductions are

made. Said payment shall be accompanied by a listing of the names and social security numbers of all employees from whom deductions were made.

Section 3.

Dues and payments in lieu of dues for employees working less than twenty (20) hours per week will be on a prorated basis as outlined by Union policy. It shall be the responsibility of the Personnel Unit to notify the Union of employees' names and social security numbers working less than twenty (20) hours per week or less than thirty-two (32) hours per month for the purpose of prorating dues or fair share.

Section 4.

During the life of this Agreement, the Union will notify the Department periodically of individuals who have become members of the Union and to whom the Fair Share provisions of this Article will not thereafter apply.

Section 5.

The employee shall furnish written proof to the Department that this has been done.

Notwithstanding an employee's claim of exemption under this Section, the Department shall deduct payments in lieu of dues from the employee's wages pursuant to this Article, until agreement has been reached between the employee and the Union.

Section 6.

The Union shall provide the Personnel Unit with Union application/authorization forms. The Personnel Unit shall supply said applications to prospective members upon request and shall process completed applications, forwarding a copy to the Union immediately upon receipt.

Section 7.

- a.** The principles of progressive discipline shall be used when appropriate and subject to an employee's FLSA status. No employee who has completed the initial trial service period shall be disciplined or dismissed without just cause. Notwithstanding Section 1(b) of this article, the salary basis requirements of the FLSA will be followed when a FLSA exempt employee is reduced in pay, suspended without pay or demoted.
- b.** Discipline may include letter of reprimand, reduction in pay, demotion, suspension and dismissal.

Section 2.

- a.** Discharge of a regular status employee may be appealed by the Union to binding arbitration. The appeal must state the reason for the appeal and must be submitted to the Department of Administrative Services Labor Relations Unit within ten (10) calendar days from the effective date of the discharge. Such appeal shall be heard by the arbitrator pursuant to the terms and conditions outlined in Section 4 to Section 14 of Article 7 (Grievance Procedure).
- b.** An employee reduced in pay, demoted, or suspended shall receive written notice of the discipline and of the specific charges supporting the discipline. The reduction, demotion or suspension of a regular status employee may be appealed to Step 2 of the Grievance Procedure within fifteen (15) calendar days from the effective date of the action. Any further appeal of an action specified in sub (b) shall follow the procedure and time frames outlined in Article 7 (Grievance Procedure).

Section 3.

A written predissmissal notice shall be given to a regular status employee against whom a charge is presented. Such notice shall include the known complaints, facts and charges, and a statement that the employee may be dismissed. The employee shall be afforded an opportunity to refute such charges or present mitigating circumstances to the Department Director or designee at a time and date set forth in the notice which date shall not be less than seven (7) calendar days from the date the notice is received. The employee shall be permitted to have an official representative present. At the discretion of the Department Director, the employee may be suspended with pay or be allowed to continue work as specified within the predissmissal notice.

Section 4.

If the Department has reason to discipline an employee it shall be done in a manner which will not embarrass or humiliate the employee in front of other employees or the public.

Section 5.

Unauthorized absence of the employee from duty shall be deemed to be without pay and may be grounds for disciplinary action by the Department. Employees may be allowed to cover such absences with accrued vacation time or compensatory time if extenuating circumstances existed.

Any employee who is absent for five (5) consecutive workdays without authorized leave shall be deemed to have resigned unless prevented from notifying the Employer due to circumstances beyond their control.

Section 6.

Employees may be subject to progressive discipline, up to and including dismissal, for violation of adopted Department policies and procedures.

Section 7.

All notices of predissmissal, suspension, reduction, written reprimand, demotion and dismissal shall be forwarded to the AFSCME Council Representative and, if the employee was represented by a local steward or officer, to the highest union local officer available on the same day as the employee is notified. Failure to forward or provide a copy of the notice will not void the disciplinary action.

Section 8.

Upon request, an employee shall have the right to Union representation during an investigatory interview that an employee believes could result in disciplinary action. The employee will have the opportunity to consult with a Steward before the interview but such consultation shall not cause an undue delay in the interview.

ARTICLE 7 - GRIEVANCE PROCEDURE

Section 1.

Grievances are defined as acts, omissions, applications, meaning or interpretation alleged to be violations of the terms and conditions of this Agreement.

Section 2.

It is the intent of the Department and the Union to resolve employee problems and complaints, or differences in the interpretation of the contract, by informal methods if possible. However, if the Union or an employee desires a formal resolution of any grievance or dispute, which arises concerning the application, meaning, or interpretation of this Agreement (except complaints of discrimination in Article 4), such grievance shall be resolved as provided under Section 3 of this Article.

Section 3. Grievance Steps.

Timelines noted in the following Steps apply to all grievances except for reductions in pay, demotion, suspension and discharge for which the timelines established in Article 6 - Discipline and Discharge shall apply.

STEP 1. Any affected employee shall submit the Building Codes Fact Sheet (Appendix A) to the employee's immediate excluded supervisor within thirty (30) calendar days of the date of the alleged breach of this Agreement. The immediate supervisor and employee shall discuss the issues described in the Fact Sheet. If the issue is not resolved through discussion with the supervisor, the supervisor shall respond in writing to the employee within fifteen (15) calendar days from the date of the meeting, with a copy to the Union.

STEP 2. If the issue remains unresolved at STEP 1, it may be filed as a written grievance with the Department Director or designee within fifteen (15) calendar days after the response required by STEP 1 was due. The Department Director or designee shall respond in writing within fifteen (15) calendar days after receipt of the grievance.

Section 4. Department of Administrative Services Review.

If the grievance remains unresolved at STEP 2, the Union may file the grievance with the Department of Administrative Services, Labor Relations Unit, within fifteen (15) calendar days following receipt of the response at STEP 2. The Department of Administrative Services shall respond within fifteen (15) calendar days following receipt of the appeal to the Department of Administrative Services. For purposes of this article, an appeal in writing can be delivered by first class registered or certified mail, postage paid, by fax or by electronic mail to the Labor Relations Unit email address LRU@oregon.gov.

In the event the response from the Department of Administrative Services is acceptable to the Union, such response shall have the same force and effect as a decision or award of an arbitrator, and shall be final and binding on all Parties and they will abide thereby.

Section 5. Submission to Arbitration.

Any grievance, having progressed through the Steps as outlined in this Agreement and remaining unresolved following Department of Administrative Services review, may be submitted by the Union to arbitration for settlement. To be valid, a request for arbitration must be in writing and received by the Department of Administrative Services within fifteen (15) calendar days of the receipt of the response from the Department of Administrative Services review process.

Failure to file a valid arbitration request within the specified fifteen (15) calendar day period shall constitute forfeiture of claim and the case shall be considered closed by all Parties.

If arbitration is requested, the Parties shall meet to attempt to formulate a submission agreement to be forwarded to the arbitrator.

Section 6. Mediation.

Subsequent to a valid arbitration request and prior to the selection of an arbitrator, either the Department of Administrative Services or the Union may request mediation of the grievance. If agreed to by both Parties, mediation will be scheduled and conducted by the Conciliation Service Division of the Employment Relations Board. Mediation is not a mandatory step of the grievance procedure.

Section 7. Selection of the Arbitrator.

In the event that arbitration becomes necessary, the Union and the Department of Administrative Services will jointly request from the Employment Relations Board the names of five (5) qualified arbitrators. They will select an arbitrator by alternately striking names, with the moving party striking first, from the Employment Relations Board list one (1) name at a time until only one (1) name remains on the list. The name remaining on the list shall be accepted by the Parties as the arbitrator and arbitration hearings shall commence within fifteen (15) calendar days thereafter, unless otherwise mutually agreed by the Parties.

Section 8. Arbitrator's Authority.

The Parties agree that the decision or award of the arbitrator shall be final and binding on each of the Parties and that they will abide thereby. The arbitrator shall have no authority to add to, subtract from, or change any of the terms of this Agreement, to change an existing wage rate or establish a new wage rate. The arbitrator shall have the power to return a grievant to employee status, with or without back pay, or to mitigate the penalty as equity suggests under the facts.

Section 9. Expenses of Arbitration.

Arbitrator fee and expenses shall be paid by the losing party. If, in the opinion of the arbitrator, neither party can be considered the losing party, then such expenses shall be divided as in the arbitrator's judgment is equitable. All other expenses shall be borne exclusively by the party requiring the service or item for which payment is to be made.

Section 10.

Employees are entitled to act through a Union Representative or Shop Steward to initiate a grievance. Employees are entitled to representation by a Shop Steward at the first and/or second step or by a Union Representative at any step in this Article.

Section 11.

Once a bargaining unit member files a grievance, the employee shall not be required to discuss the subject matter of the grievance without the presence of the Union Representative or Shop Steward.

Section 12.

If five (5) or more employees file a grievance on exactly the same issue, it shall be heard at STEP 2 of the procedure outlined in this Article and treated as a group grievance.

Section 13.

Time limits may be extended by written agreement of the Parties.

Section 14.

Failure of the aggrieved party to comply with the time limits outlined above shall constitute abandonment of the grievance. If at any step of the grievance procedure the Employer does not issue a written response within the specified timeframes, the grievance may be advanced to the next step in the grievance procedure.

REV: 2015

ARTICLE 8 - PERSONNEL RECORDS

If an employee is not available within a reasonable period of time to sign the material or the employee refuses to sign the material, the Department may place the material in the file provided a statement has been signed by two (2) management representatives that a copy of the document was mailed to the employee at the employee's address of record. A copy will also be mailed to the Union.

Section 3.

If the employee believes that any of the above material is incorrect or a misrepresentation of facts, the employee shall be entitled to prepare in writing an explanation or opinion regarding the prepared material. This shall be included as part of the personnel record until the material is removed.

Section 4.

An employee may include in the personnel file copies of any relevant material the employee wishes, such as letters of favorable comment, licenses, certificates, college course credits or any other material which reflects credibly on the employee.

Section 5.

Section 6.

An employee may, upon written request, obtain a copy of any of the contents of the employee's personnel file.

ARTICLE 9 - FILLING OF VACANCIES

Section 1.

The Department desires to fill vacancies with the best qualified applicants available. Within that context, the Department intends to insure that protected classes are given an opportunity to compete for all openings within the bargaining unit.

The Department recognizes the quality of existing employees and is committed to upward mobility where feasible to obtain the best applicant for the position.

Appeals to position allocation in the new classification system shall be filed by the employee with the Human Resource Manager. Such appeals shall be forwarded to an Department of Administrative Services Review Committee consisting of two (2) members designated by the Employer and two (2) members designated by the Union. All allocation appeals shall be resolved in the manner which has been established for all AFSCME allocation appeals during recent negotiations at the State central table.

Section 3. Reclassification Procedure.

- a. A complete updated Position Description Form and written explanation for a proposed reclassification request shall be submitted to the Department Employee Services Section.

- b. The Department shall review and verify the duties assigned to the position. Within thirty (30) days after receipt of the reclassification request, the Department shall notify the Union of its findings. If the findings indicate reclassification, the Department shall decide to seek approval if necessary or remove the duties.

Section 4. Upward Reclassification.

When a position is reclassified upward, a regular incumbent shall be continued in the position. The employee shall be advanced to the higher class with the same status held in the lower class if the employee meets minimum experience and training requirements. When a position is reclassified upward and the incumbent does not have regular status, the position will be filled competitively at the higher level.

Section 5. Downward Reclassification.

- a. When a position is reclassified to another class at the same pay level or to a class that carries a lower salary range, the incumbent trial service or regular employee shall be accorded corresponding status in the new class.
- b. The Department shall notify an employee in writing of a downward reclassification of the employee's position and the specific reasons for doing so within thirty (30) days prior to the effective date.
- c. When an employee is reclassified downward, the employee's rate of pay shall be the last salary rate earned in the salary range of the previous classification. It shall remain at that rate until a rate in the salary range of the new classification exceeds it, at which time the employee's salary shall be adjusted to that step and the salary review and eligibility date shall be established one (1) year from that date, provided the employee is not at the maximum of the salary range to which the employee was reclassified.
- d. No employee shall be reclassified downward while other employees with less service credits remain in the original class.

Section 6. Equal Reclassification Rate.

When an employee is reclassified to a class having the same salary range, the employee's rate of pay will not be changed.

Section 7. Pay for Upward Reclassification.

Rate of pay upon upward reclassification shall be the first step of the new salary range, unless the old salary rate was higher than the first step of the new salary range, then whatever step of a new salary range constitutes a pay increase. If the new salary rate is less than a four percent (4%) increase, then the employee's rate shall be the next step of the new salary range. In no case shall it exceed the new salary range maximum.

Section 8. Pay Date of Upward Reclassification.

The effective date of a reclassification shall be the first of the month following the month in which the reclass was received by the Department's Employee Services Section. If approved by the Legislative Review Agency or the Department of Administrative Services, the employee will receive a lump sum payment if eligible. The lump sum payment shall be the difference between the current salary rate including work out of classification pay, if any, and the proposed salary rate. The lump sum payment will cover the period beginning the first of the month following the month in which the reclass request was received by the Department's Employee Services Section to the date the reclassification is implemented.

The employee does not retain the employee's old salary eligibility date. A new salary eligibility date will be established twelve (12) months from the effective date of the reclassification.

Section 9. Pay for Upward Reclassification Denial.

If the Legislature does not approve the reclassification request, the employee shall be paid the rate of pay of the higher level classification from the first of the month following the month in which the reclass request was received by the Department Personnel Office to the date the duties were removed.

Section 10. Denied Reclassification/Involuntary Reclassification Appeal Process

Agency Appeal: If an employee's requested reclassification is denied or the Agency reclassifies an employee's position, the Union may appeal the decision in writing to the Agency Head or designee within fifteen (15) calendar days after receipt of the Agency's decision. The appeal must identify the reason(s) the Agency's decision is incorrect. The Agency shall respond to the appeal in writing within fifteen (15) calendar days from receipt of the Union's appeal.

Committee Appeal: If the Agency denies an employee's reclassification request or if the Agency reclassifies an employee's position, the Union may appeal the decision to the Employer/Union Classification Appeal Committee. The appeal must be in writing and submitted within fifteen (15) calendar days from the date the Agency's final decision. All appeals must be supported with copies of documents originally provided to the Agency for the reclassification request, including written explanation of the request and all relevant documentation. No new documentation or information will be considered by the Committee unless mutually agreed upon. Upon request, the Union and employee shall have one (1) opportunity to address the committee.

Employer/Union Classification Appeal Committee: The committee shall be composed of one (1) Employer representative and one (1) Union staff representative. The Committee's sole mission will be to consider appeals pursuant to this section of the article and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Each representative shall have experience making classification decisions.

Appeal Decision Process: The Committee will attempt to resolve the appeal by jointly determining whether the current or another classification more accurately depicts the overall assigned duties, authorities and responsibilities of the position. In this process each of the designees may identify one (1) alternate class that he/she determines most accurately depicts the purpose of the job and overall assigned duties. The Committee will prepare an initial written decision to the Agency and Union within thirty (30) calendar days of receipt which will include the reasons for the decision. Agency management retains the right to modify duties to ensure

consistency with the Agency's work, goals and objectives. If the finding of the committee determines the assigned duties are appropriately classified at a higher salary range and the Agency subsequently removes the higher level duties, the employee will receive a lump sum payment for the difference between the current salary rate including work out of classification pay already paid if any, and the appropriate salary rate for the classification as determined by the committee. This payment shall be for the time period beginning the date in which the request was received by the Agency to the date the duties are removed.

Arbitration: If there is no resolution, the Union may request arbitration in writing within fifteen (15) calendar days from the date of receipt of the Committee's final written decision. The Union's request must be sent to the Department of Administrative Services Labor Relations Unit and shall include the reasons why the Agency's decision is incorrect.

The Parties agree to the appointment of a panel of three (3) arbitrators to hear all appeals under this article. Arbitrators shall be assigned on a rotational basis. The arbitrators shall have experience resolving classification issues. An arbitrator may be removed from the panel by mutual agreement of the Parties. However, each party retains the right to initiate a change in that arbitrator's appointment upon notice to the other party. If this occurs, the Parties agree to select another qualified arbitrator. The change in assigned arbitrator shall be effective for any case not yet scheduled for arbitration. The arbitrator's fee and expenses shall be paid by the losing party. If, in the opinion of the arbitrator, neither party can be considered the losing party, then such expenses shall apportioned as in the arbitrators' judgment is equitable. All other expenses shall be borne by the Party requiring the service or item for which payment is to be made.

The arbitrator shall allow the Agency's decision to stand unless he/she concludes that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities using the criteria specified below. In the event the arbitrator finds in favor of the proposed or alternate classification, Agency management may elect to remove/modify duties at any point during the process. However, if the agency removes the higher level duties, the employee will receive a lump sum payment for the difference between the current salary rate including work out of classification pay already paid if any, and the appropriate salary rate for the classification as determined by the committee. This payment shall be for the time period beginning the date in which the request was received by the Agency to the date the duties are removed.

Classification Criteria. For purposes of this section, a reclassification must be based on findings that the purpose of the position is consistent with the concept of the proposed classification and that the class specifications for the proposed classification and that the class specifications for the proposed classification more accurately depicts the overall assigned duties, authority and responsibilities of the position.

Terms used above shall be defined as follows: a) the purpose of the position shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency; b) the concept of the proposed classification shall be determined by the general description and distinguishing features of its class specifications, and, c) the overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency.

This Section supersedes any provisions contained in the Agencies grievance procedure.

ARTICLE 12 - LAYOFF

Section 1. Alternates to Layoff

1. When the Agency believes that a lack of funds requires a layoff, the Agency will notify the Union no fewer than fifteen (15) calendar days before the Agency issues initial layoff notices. The Parties will meet, if requested by either the Agency or Union, to consider alternatives to layoffs such as voluntary reductions in hours or workdays, temporary interruptions of employment or other voluntary employment options. Alternatives to the layoffs shall require mutual agreement between the Agency and Union. In the absence of any mutual agreement, the Agency will implement layoff procedures consistent with the current applicable agreement.
2. Agency and Union discussions under this Agreement shall not constitute interim bargaining under the Public Employees Collective Bargaining Act. The Parties shall not be required to use the dispute resolution procedures contained in the Public Employees Collective Bargaining Act.

Section 2.

A layoff is defined as a separation from the service for involuntary reasons not reflecting discredit on an employee. An employee shall be given written notice of layoff as far in advance as possible but not less than fifteen (15) calendar days before the effective date, stating the reasons for the layoff.

Section 3.

Up to four (4) employees may be protected from layoff for up to ninety (90) days if their loss would demonstrably work a hardship on the operation of the Department. Extensions may be granted by mutual agreement of the Parties.

Section 4.

The layoff procedure shall occur in the following manner:

- a. The Department shall determine the specific positions to be vacated and employees in those positions shall be notified of layoff. The Department shall notify, in writing, all affected employees of their seniority and contractual bumping rights. The Department shall notify the Union of the seniority of all employees in all affected positions in writing. The Department shall also post a copy of the seniority of all affected positions in each geographic area on employee bulletin board and mail a copy to all employees not having a formal office.
- b. Temporary employees working in the classification and geographic area in which a layoff occurs shall be terminated prior to the layoff of trial service or regular employees.
- c. Employees shall be laid off and seniority calculated within their geographic area or statewide and within the following separate categories: Permanent full-time positions; Permanent part-time positions. An initial trial service employee can not displace any regular status employee.

- d.** An employee notified of a pending layoff shall select one (1) of the following options and communicate such choice in writing to the Personnel Unit Manager within five (5) calendar days from the date the employee is notified in writing and has a seniority list provided (in hand) to the affected employee.
1. The employee may displace an employee in the bargaining unit with the lowest seniority in the same classification for which the employee is qualified in the same geographical area or statewide in the bargaining unit where the layoff occurs.
 2. The employee may displace an employee in the bargaining unit with the lowest seniority in a position in a classification and/or certification with the same salary range (lateral) for which the employee is qualified in the same geographic area or statewide where the layoff occurs.
 3. The employee may demote to the lowest seniority position in any classification for which the employee is qualified within the bargaining unit and in the employee's geographic area or statewide. Employees who elect to demote shall be placed on any geographic area layoff list of the employee's choice, within the bargaining unit, for the classification from which the employee demoted.
 4. The employee may elect to be laid off. An employee who elects to be laid off shall be placed on any geographic area layoff list of the employee's choice, within the bargaining unit, for the classification from which the employee was laid off.
- e.** To be qualified for the options under Section 3(d)(1), (2), and (3) the employee must meet all of the minimum qualifications for the position's classification and must be capable of performing the specific requirements of the position as stated in the position description within two weeks. An employee who is seeking to bump another employee has no right to a trial service period of any duration in the position into which the employee is attempting to bump. Further, the two week time period is for the purposes of orienting an employee to the position, not training the employee to perform the work. Therefore, it is necessary that the employee can perform all of the duties and responsibilities of the position as determined by the Department prior to bumping into the position.
- If an employee meets the minimum qualifications but is not capable of performing the specific requirements of the lowest seniority position, the employee may displace or demote to the next lowest seniority position in the classification, provided that the incumbent in the next lowest position has a lower seniority than the employee displacing or demoting and that the employee is capable of performing the specific requirements of the position.
- f.** When exercising an option under Section 3(d)(1), (2), and (3) an employee shall only be eligible to displace another employee with a lower seniority.
- g. Job-Share.**
1. Individuals filling a job-sharing position which totals a full-time equivalent at the time of calculation of seniority shall be considered as one (1) full-time equivalent,

or, as two (2) part-time employees. This determination shall be made by the Department at the time the position is created. For all current job-share positions, they shall be considered as part-time positions for purposes of this Article.

2. Seniority for prior non-job-share time shall be determined by giving the employee one (1) point per month for any full-time worked and pro rata credit for each month spent on the job in less than full-time capacity.
 3. Seniority for a current full-time equivalent job-share position shall be determined by giving the employee one (1) point per month for each continuous month spent on the job-share if the two employees are to be treated as a full-time equivalent for purposes of layoff. Seniority for prior noncontinuous job-share time shall be calculated on the same basis as part-time service. Total seniority for employees in the job-share position will be determined by averaging the two (2) individuals' scores.
 4. If employees in a job-share position are to be treated as part-time employees, seniority for the position shall be determined on a prorated basis as per part-time seniority computation.
- h.** If an employee is overfilling or underfilling a position, the employee will be considered in the position classification for the purposes of this Article. If an overfill employee is displaced, demoted in lieu of layoff, or is laid off, the employee shall retain the employee's overfill status upon return to the employee's classification.
- i.** Any employee displaced by another employee exercising options under Section 3(d)(1), (2), and (3) may also exercise any option under Section 3(d).

Section 5.

Computation of seniority for regular status employees shall be made as follows:

- a.** One (1) point per month for each full month of unbroken service in State service excluding temporary service. A break in service is a separation or interruption of employment without pay of more than two (2) years. All part-time service shall be credited on a prorated basis. Periods of authorized leave without pay will be deducted from seniority calculations. When a layoff is announced, seniority scores shall be frozen on that date until the layoff and any subsequent bumping activity is completed.
- b.** If two (2) or more employees have equal seniority, the tie shall be broken as follows, with most credit given to:
 1. Length of continuous service with the bargaining unit;
 2. Length of continuous service in the job classification.

Section 6.

Any trial service employee who is laid off or demoted in lieu of layoff shall not be placed on the bargaining unit layoff list, but shall be restored to the eligible list from which certification was made if the eligible list is still active. Restoration of the list shall be for the remaining period of eligibility that existed at the time of appointment from the list.

Section 7.

Any employee demoted in lieu of layoff may request at that time and shall be paid for all accrued compensatory time at the rate being earned prior to demotion in lieu of layoff.

Section 8. Department Layoff Lists.

Names of regular status employees of the bargaining unit who have separated from the service of the State in good standing by layoff or who have demoted in lieu of layoff shall be placed on layoff lists in seniority order established by the classification from which the employee was laid off or demoted in lieu of layoff and by geographical area.

The employee shall designate, in writing, the geographic area layoff list(s) on which the employee wishes to be placed. The term of eligibility of candidates placed on the list shall be two (2) years from the date of placement on the list.

Section 9. Recall.

Employees who are on a bargaining unit layoff list shall be recalled by geographic area in seniority order beginning with the employee with the highest seniority who meets all of the minimum qualifications for the position and who is capable of performing the specific requirements of the position as stated on the position description within two (2) weeks. An employee who is seeking recall has no right to a trial service period of any duration in the position into which the employee is attempting to return. Further, the two week time period is for the purposes of orienting an employee to the position, not training the employee to do the work. Therefore, it is necessary that the employee can perform all of the duties and responsibilities of the position as determined by the Department prior to being recalled to the position.

If an employee on a layoff list is offered a position, the employee may refuse the position, but the employee's name will be removed from the layoff list in that geographic area.

An employee appointed to a position from a layoff list shall be removed from all other layoff lists.

If a temporary appointment is necessary in either geographic area and is expected to last longer than forty-five (45) days and there is a layoff list for that classification in the geographic area, employees on the layoff list shall first be offered the temporary appointment prior to hiring any other temporary. Not accepting a temporary job does not constitute a right of refusal under this Section. This shall only apply to employees separated from State service. Such employees shall be appointed as a temporary employee, remain on the layoff list, and will not be eligible for any benefits covered under this Agreement.

Section 10. Secondary Recall Rights.

- a. Application.** These rights apply to all employees in bargaining units represented by AFSCME at Central Table negotiations as well as the Department of Corrections and Board of Parole except employees who are laid off during initial trial service.
- b. Definitions.**
 - 1.** Geographic areas, for the purpose of secondary recall, are each location for which an employee may indicate his/her willingness to relocate on the State's PD100.
 - 2.** Agency Layoff Lists are intra-agency layoff lists, as defined in each AFSCME Central Table Agency and/or Department of Corrections and Board of Parole bargaining unit Contract .
 - 3.** Secondary Recall List is an inter-agency layoff list, which consists of regular status employees who have been separated by layoff from Union-represented positions in AFSCME Central Table Agencies and/or Department of Corrections and Board of Parole and who have elected to be placed on such list, consistent with the definitions of geographic areas defined above.
- c. Coordination with Filling of Vacancy and Layoff Articles.** The recall options provided herein shall be consistent with the priority of recall to positions from layoff within an Agency, as specified within each Agency's contract, except that recall from Agency Layoff Lists shall take precedence over recall from the Secondary Recall List.

The term of eligibility of candidates placed on the list shall be two (2) years from the date of layoff. When an employee is prohibited from participating in the secondary recall process due to the presence of an economic disciplinary sanction in his/her personnel file, that employee may request and shall be placed on the Secondary Recall List for the remainder of the two years eligibility following layoff once the discipline has remained in the file for the length of time required by the agency's contract.
 - B.** Employees who elect to be placed on the Secondary Recall List shall specify in writing the AFSCME Central Table and/or Department of Corrections and Board of Parole bargaining units and geographic areas to which they are willing to be recalled.

2. Use of the Secondary Recall List.

- A.** After the exhaustion of the Agency Layoff List for a specific classification within a geographic area, the Secondary Recall List shall be used to fill all positions within a specific classification and geographic area consistent with Section (c) above, until such secondary list is exhausted.
- B.** To be eligible for appointment from the Secondary Recall List, a laid off employee on such list must meet the minimum qualifications for the classification and any special qualifications for the position.
- C.** Agencies shall utilize the Secondary Recall List to fill positions by calling for certifications from the list of the five (5) most senior employees who meet the minimum qualifications for the classification and any special qualifications for the position to be filled by selecting one of the five (5) so certified. Seniority for this purpose shall be computed as described per the layoff article of each Agency's contract.
- D.** Where fewer than five (5) eligible employees remain on the Secondary Recall List, the Agency shall select one (1) of these employees who meets the minimum qualifications for the class and any special qualifications for the position.

3. Appointments/Refusals of Appointments from the Secondary Recall List.

- A.** A laid off employee on the Secondary Recall List who is offered an appointment from the list and refuses to accept the appointment shall have his/her name removed from the Secondary Recall List; however, an agency will not remove an employee's name from the Secondary Recall List where that individual had been a day shift employee and subsequently refuses the offer of a position with swing shift or night shift hours.
- B.** Employees appointed to positions from the Secondary Recall List shall have their names removed from their Agency Layoff List(s) and the Secondary Recall List.
- C.** Employees appointed to positions from the Secondary Recall List shall serve a trial service period not to exceed three (3) full months, except that employees hired into the Offender Information and Sentence Unit as Prison Term Analyst (PTA) shall serve a trial service period consistent with the DOC agreement. Administration of the trial service period shall be consistent with the hiring Agency's contract. However, employees who fail to successfully complete this trial service period shall have their names restored to the Agency Layoff List(s) on which they previously had standing. Restoration to the Agency Layoff List(s) shall be for the remaining period of eligibility that existed at the time of appointment from the Secondary Recall List. An employee may also petition the DAS-Labor Relations Unit to also be restored to the Secondary Recall List for the remainder of the initial twenty-four (24)-month recall period where the trial service removal was not related to potential misconduct warranting an

economic or dismissal sanction. In no instance shall the DAS-Labor Relations Unit's decision be grievable.

- D. Employees appointed to positions from the Secondary Recall List shall not be entitled to moving expenses.

Section 11. Geographic Area.

- a. Western Region
- b. Eastern/Central Region

An employee transferring in from another State Agency may transfer up to eighty (80) hours of accrued vacation leave. Where vacation leave is requested and denied resulting in loss of leave, the employee shall be authorized to cash out not less than twenty-four (24) hours and no more than forty (40) hours of vacation leave accrued. An appointing authority may authorize cash payment of forty (40) hours, upon determining that granting of vacation leave is not appropriate. The Department has the duty to require that the employee make other arrangements, within a reasonable period of time, for the attendance upon children or other persons in the employee's care. Certification of an attending physician or practitioner may be required by the Department to support the employee's claim for sick leave, if the employee is absent in excess of seven (7) days, or if the Department has evidence that the employee is abusing sick leave privileges. The Department may also require such certificate from an employee to determine whether the employee should be allowed to return to work where the Department has reason to believe that the employee's return to work would be a health hazard to either the employee or to others.

Section 5.

The "FMLA/OFLA year" is considered to be a twelve (12) month period rolling backward for each employee.

Section 6. Sick Leave With Pay on Termination.

Compensation for accrued sick leave shall not be paid to an employee on termination for any reason.

In such instances, prorated charges will be made against accrued sick leave. An employee who has exhausted earned sick leave shall have the option to use accumulated compensatory time and vacation leave during the period in which Workers' Compensation is being received, and the salary paid for such a period shall be equal to the difference between the Workers' Compensation for lost time and the employee's regular salary rate. In such instances, prorated charges will be made against accrued vacation and/or compensatory time.

The Department shall grant sick leave without pay for any job-incurred injury or illness for a period which shall terminate upon demand by the employee for reinstatement accompanied by a certificate issued by a duly licensed attending physician and/or practitioner that the employee is physically and/or mentally able to perform the duties of that position. No compensatory time, vacation time or other accumulated time shall be deducted from the employee's time unless directed by the employee in writing. If such direction is not given by the employee, leave without pay shall be granted.

- b. **Non-job Incurred Illness or Injury.** After earned sick leave has been exhausted, the Department may grant sick leave without pay for any non-job-incurred injury or illness.
- c. The Department may require that the employee submit a certificate from the attending physician or practitioner in verification of disability. Any cost associated with the supplying of a certificate concerning a job-incurred injury or illness that is not covered by Workers' Compensation benefits shall be borne by the Department. Any cost associated with the supplying of a certificate concerning a non-job-incurred injury or illness shall be borne by the employee. In the event of a failure or refusal to supply such a certificate, or if the certificate does not clearly show sufficient disability to preclude that employee from the performance of duties, such sick leave may be cancelled and the employee's service terminated.

Section 9.

An employee shall have all of the employee's accrued sick leave credits transferred when the employee is transferred to the Department from a different State Department. An employee shall have all of the employee's accrued sick leave credits transferred when the employee is transferred to a different State Department if allowed by that Department's rules or Collective Bargaining Agreement.

Section 10. Hardship Leave Donation.

The Department shall allow employees to transfer vacation leave or compensatory time to a co-worker for use by employees recuperating from, or involved in, an extended and continuing

illness or injury of a serious nature who have exhausted all accumulated leave. Hours of leave donated will be converted at the Donor's hourly rate. Approved leave shall be converted into sick leave hours at the Donee's hourly rate into a dollar amount. Deductions shall be made accordingly.

Applications for hardship leave shall be in writing and sent to the Department's Human Resource Services Office and accompanied by the treating physician's written statement certifying that the illness or injury will continue for at least fifteen (15) days. The Department's Office of Human Resource Services will review the request and either approve or disapprove the request.

The transfer of accumulated leave and the utilization of such leave shall be subject to the following:

- a. Employees on Workers' Compensation or receiving short- or long-term disability benefits may not participate in this program as a Donee.
- b. All accumulated leave hours must be donated and transferred in blocks of two (2) hours or more. All hours of leave donated from co-workers and/or management will be converted into an hourly rate and then applied to the Donee's account at his/her hourly rate.

Part-time, job-share, and seasonal employees shall be granted twelve (12) hours of personal leave if it is anticipated they will work one thousand and forty (1,040) hours for the fiscal year. Should a part-time, job-share, or seasonal employee fail to work one thousand and forty (1,040) hours for the first fiscal year, the value of personal leave time used may be recovered from the employee. Personal leave shall not be cumulative from year to year nor is any unused leave compensable in any other manner. Such leave may be taken at times mutually agreeable to the Department and the employee.
- b. **Pre-Retirement Counseling Leave.** Within ten (10) years of the employee's eligibility for retirement, each employee shall be granted a total of three and a half (3-1/2) days

leave with pay to pursue bona fide pre-retirement programs. Employees shall request the use of leave provided in this section at least five (5) days prior to the intended day of use.

Authorization for the use of pre-retirement leave shall not be withheld unless the Department determines that the use of such leave shall handicap the efficiency of the employee's work unit.

When the date requested for pre-retirement leave cannot be granted for the above reason, the Department shall offer a choice from three (3) other sets of dates. The leave discussed under this Section may be used to investigate and assemble the employee's retirement program, including PERS, Social Security, Insurance, and other retirement income.

- c. **Service With A Jury.** An employee shall be granted leave with pay for service with a jury. The employee may keep any money paid by the court for serving on a jury. The Department reserves the right to petition for removal of the employee from jury duty if, in the Department's judgment, the operating requirements of the Department would be hampered.
- d. **Court Appearances.** When any employee is not the plaintiff or defendant, the employee shall be granted leave with pay for appearance before a court, legislative committee or judicial or quasi-judicial body as a witness in response to a subpoena or other direction by proper authority for matters other than the employee's officially assigned duties. If the training time for which the employee is called to active duty is longer than fifteen (15) calendar days, the employee may be paid for the first fifteen (15) days only if such time is served for the purpose of discharging an obligation of annual active duty for training in the military reserve or National Guard.

Authorization for the use of test and interview leave shall not be withheld unless the Department determines that the use of such leave shall handicap the efficiency of the employee's work unit.

- g. **Bereavement Leave.** Notwithstanding the Hardship Leave or Sick Leave eligibility criteria of the affected collective bargaining agreements, employees shall be eligible for a maximum of twenty-four (24) hours paid bereavement leave, prorated for part-time

employees. The Agency may request documentation. For employees that qualify for OFLA bereavement leave, paid bereavement leave under this section of the article shall run concurrently with OFLA when applicable. The Agency shall notify the employee when OFLA is running concurrently with bereavement leave. After OFLA eligible leave for bereavement is exhausted, if additional leave is needed, an employee may, with prior authorization, use any accrued leave, or leave without pay at the option of the employee for any period of absence from employment to discharge the customary obligations arising from a death in the immediate family or the employee's spouse. Regular and Trial Service employees may be eligible to receive up to forty (40) hours of donated leave, to be used consecutively. The employee must exhaust available accumulated leave and qualify to receive hardship leave. For purposes of this Article, "immediate family" shall include the employee's or the employee spouse's parent, wife, husband, child, brother, sister, grandmother, grandfather, grandchild, or the equivalent of each for domestic partners, or another member of the immediate household. Up to eight (8) hours of paid bereavement may be taken for aunt, uncle, niece or nephew.

Employees shall make application for reinstatement within ninety (90) days and shall report for duty within six (6) months following separation from active duty. Failure to comply may terminate military leave. If it is established that the employee is not physically qualified to perform the duties of the employee's former position by reason of such service, the employee shall be reinstated in other work that the employee is able to perform at the nearest appropriate level of pay of the employee's former class. An employee voluntarily or involuntarily seeking military leave without pay to attend service school shall be entitled to such leave during a period of active duty training. - c.** Written memoranda including Letters of Instruction when necessary. Work Plans will not be accepted as a substitute for notice of deficiencies.

ARTICLE 25 - SALARIES

Section 1. Public Employees Retirement System (“PERS”) Members.

For purposes of this Section 1, “employee” means an employee who is employed by the State on August 28, 2003 and who is eligible to receive benefits under ORS Chapter 238 for service with the State pursuant to Section 2 of Chapter 733, Oregon Laws 2003.

Retirement Contributions. On behalf of employees, the State will continue to “pick up” the six percent (6%) employee contribution, payable pursuant to law. The Parties acknowledge that various challenges have been filed that contest the lawfulness, including the constitutionality, of various aspects of PERS reform legislation enacted by the 2003 Legislative Assembly, including Chapters 67 (HB 2003) and 68 (HB 2004) of Oregon Laws 2003 (“PERS Litigation”). Nothing in this Agreement shall constitute a waiver of any party’s rights, claims or defenses with respect to the PERS Litigation.

Section 2. Oregon Public Service Retirement Plan Pension Program Members.

For purposes of this Section 2, “employee” means an employee who is employed by the State on or after August 29, 2003 and who is not eligible to receive benefits under ORS Chapter 238 for service with the State pursuant to Section 2 of Chapter 733, Oregon Laws 2003.

Contributions to Individual Account Programs. As of the date that an employee becomes a member of the Individual Account Program established by Section 29 of Chapter 733, Oregon Laws 2003 and pursuant to Section 3 of that same chapter, the State will pay an amount equal to six percent (6%) of the employee’s monthly salary, not to be deducted from the salary, as the employee’s contribution to the employee’s account in that program. The employee’s

contributions paid by the State under this Section 2 shall not be considered to be “salary” for the purposes of determining the amount of employee contributions required to be contributed pursuant to Section 32 of Chapter 733, Oregon Laws 2003.

Section 3. Effect of Changes in Law (Other than PERS Litigation).

In the event that the State’s payment of a six percent (6%) employee contribution under Section 1 or under Section 2, as applicable, must be discontinued due to a change in law, valid ballot measure, constitutional amendment, or a final, non-appealable judgment from a court of competent jurisdiction (other than in the PERS Litigation), the State shall increase by six percent (6%) the base salary rates for each classification in the salary schedules in lieu of the six percent (6%) pick-up. This transition shall be done in a manner to assure continuous payment of either the six percent (6%) contribution or a six percent (6%) salary increase.

For the reasons indicated above, or by mutual agreement, if the State ceases paying the applicable six percent (6%) pickup and instead provides a salary increase for eligible bargaining unit employees during the term of the Agreement, and bargaining unit employees are able, under then-existing law, to make their own six percent (6%) contributions to their PERS account or the Individual Account Program account, as applicable, such employees’ contributions shall be treated as “pre-tax” contributions pursuant to Internal Revenue Code, Section 414(h)(2).

Section 4. Cost of Living Adjustment

Effective December 1, 2015, or either the first (1st) of the month following the date the bargaining unit ratifies the Agreement or upon receipt of an interest arbitration award, whichever is later, all pay rates will be increased by two and one quarter percent (2.25%).

Effective December 1, 2016, or either the first (1st) of the month following the date the bargaining unit ratifies the Agreement or upon receipt of an arbitration award, whichever is later, all pay rates will be increased by two and three quarters percent (2.75%).

REV: 2015

ARTICLE 26 - STRIKES, LOCKOUTS AND PICKET LINES

The Union agrees that during the life of this Agreement, the Union or its bargaining unit members will not authorize, instigate, aid or engage in any work stoppage, slowdown, sickout, refusal to work, picketing or strike against the Employer and the Department, its goods or on its property.

The Department agrees that during the life of this Agreement there will be no lockout.

Upon notification confirmed in writing by the Department to the Union that certain bargaining unit employees covered by this Agreement are engaging in strike activity in violation of this Article, the Union shall advise such striking employees in writing, with a copy to the Department, to return to work immediately. Such notification by the Union shall not constitute an admission that it has caused or counseled such strike activity.

Any alleged violation of this Article by either party may be referred to the grievance arbitration procedure or may be pursued in the Courts at the discretion of the moving party.

ARTICLE 27 - LEGISLATIVE ACTION

Section 1.

Provisions of this Agreement not requiring legislative funding or statutory changes before they can be put into effect shall be implemented on the effective date of this Agreement or the date otherwise specified in this Agreement. Necessary bills for implementation of the other provisions shall be submitted promptly by the Department of Administrative Services to the Legislative Assembly and both Parties shall jointly recommend passage of the funding and statutory changes.

Section 2.

Should the legislature not be in session at the time agreement is reached, the funding provisions of this Agreement shall be promptly submitted to the Emergency Board by the Department of Administrative Services and both Parties shall jointly recommend passage.

Section 3.

Should the legislature not be in session at the time agreement is reached, all other legislation necessary for the implementation of this Agreement shall be submitted to the next session (whether regular or special) of the Legislative Assembly.

ARTICLE 28 - SUCCESSOR NEGOTIATIONS

Section 1.

If one of the Parties desires to modify the Agreement, they shall notify the other party in writing no less than one hundred and eighty (180) days prior to the termination of this Agreement.

Section 2.

It is recognized by the Employer that employees representing the Union during the process of negotiations are acting on behalf of the Union as members and not in their capacity as employees of the Employer.

Section 3.

The Department will allow up to four (4) identified employees to attend collective bargaining sessions as members of the Union's negotiating team for a combined total of no more than 160 hours of worktime. No overtime, per diem, or any other compensation will be paid except as mutually agreed to by the Parties of this Agreement.

ARTICLE 29 - TERM OF AGREEMENT

Unless otherwise noted in the Agreement, this Agreement becomes effective on the date of ratification at the local table and expires June 30, 2017. The Union shall send a letter informing the Department of Administrative Services Labor Relations Unit and the affected Agency of the specific ratification date of the Tentative Agreement.

REV: 2015

ARTICLE 30 - LEADWORK DIFFERENTIAL

Section 1.

Leadwork Differential shall be defined as a differential as indicated in Section 5 below. Leadwork applies for employees who have been assigned by their supervisor in writing, "leadwork" duties over four (4) employees in the same class as the employee, unless management determines a lesser amount is appropriate. The assignment must be for over ten (10) consecutive work days. Leadwork is where, on a recurring basis, while performing essentially the same duties as the workers led, the employee has been directed to perform all of the following functions: orient new employees, when appropriate; assign and reassign tasks; transmit established standards of performance to workers; review work of employees to ensure conformance with work standards; provide informal assessment of workers' performance to the supervisor; and train employees in new work methods.

Section 2.

When such leadwork assignments exceed ten (10) consecutive work days, the employee shall be compensated for all hours worked beginning from the first day of the assignment and for the full period of that particular assignment. The initiation or ending of leadwork shall be in writing to the employee.

Section 3.

Leadwork Differential shall not apply to voluntary training and development purposes which are mutually agreed in writing between the supervisor and employee.

Section 4.

Leadwork Differential shall not be applied to sick leave, vacation, or any other leave with pay condition when an absence is more than thirty (30) calendar days or when leadwork duties are removed.

Section 5.

The differential shall be five percent (5%) above the employee's current monthly based rate of pay.

ARTICLE 31 - LABOR-MANAGEMENT COMMITTEE

Section 1. Purpose.

In order to facilitate communication between the Parties and to promote cooperative employer-employee relations, the Department and Union agree to form a joint Labor/Management Committee which shall meet as necessary to discuss matters of mutual concern.

Section 2. Committee Composition.

The Committee shall be composed of three (3) members appointed by the Union plus one (1) alternate and three (3) members appointed by the Director of the Department plus one (1) alternate. Representatives from Department of Administrative Services, Chief Human Resource Office, Labor Relations Unit, the Union, or other individuals may be invited, who may provide information or act as advisors.

Section 3. Meetings.

The Labor/Management Committee shall meet each calendar quarter if necessary or otherwise by mutual agreement.

The Committee shall establish protocols on how the committee will work.

Section 4. Committee Authority.

The Labor/Management Committee shall have no power to violate, delete, add to or modify any provision of this Agreement; or to enter into any Letter of Agreement; negotiate, or to resolve disputes concerning the interpretation or application of any provision of this Agreement. The Committee shall be empowered to make joint recommendations on issues which are brought before it. The Committee may submit recommendations where appropriate.

No discussion or review of any matter by the Labor/Management Committee shall forfeit or affect the time frames of the settlement of disputes procedure (Article 7 - Grievance Procedure).

Section 5.

At the conclusion of each calendar year, the Parties shall discuss whether to continue, modify or terminate the Labor/Management Committee.

ARTICLE 32 - CONTRACTING OUT

Section 1.

The Union recognizes that the Employer has the management right, during the term of this Agreement, to decide to contract out work performed by bargaining unit members. However, when the contracting out will displace bargaining unit members, such decisions shall be made only after the affected Agency has conducted a formal feasibility study determining the potential costs and other benefits which would result from contracting out the work in question. The Employer agrees to notify the Union within one (1) week of its decision to conduct a formal feasibility study, indicating the job classifications and work areas affected. The Employer shall provide the Union with no less than thirty (30) days notice that it intends to request bids or proposals to contract out bargaining unit work where the decision would result in displacement of bargaining unit members. During this thirty (30) day period, the Employer shall not request any bids or proposals and the Union shall have the opportunity to submit an alternate proposal. The notification by the Employer to the Union of the results of the feasibility study will include all pertinent information upon which the Employer based its decision to contract out the work including, but not limited to, the total cost savings the Employer anticipates.

Feasibility studies will not be required when: (1) an emergency situation exists as defined in ORS 279.011(4), and (2) either the work in question cannot be done by available bargaining unit employees or necessary equipment is not readily available.

Nothing in this Article shall prevent the Employer from continually analyzing its operation for the purpose of identifying cost-saving opportunities.

Section 2.

The Employer shall evaluate the Union's alternate proposal provided under Section 1. If the Employer's evaluation of the Union's alternate proposal confirms that it would result in providing quality and savings equal to or greater than that identified in the management plan, the Parties will agree in writing to implement the Union proposal.

Section 3.

Should any full-time bargaining unit member become displaced as a result of contracting out, the Employer and the Union shall meet to discuss the effect on bargaining unit members. The Employer's obligation to discuss the effect of such contracting does not obligate it to secure the agreement of the Union or to exhaust the dispute resolution procedure of ORS 243.712, 243.722, or 243.742, concerning the decision or the impact.

"Displaced" as used in this Article means when the work an employee is performing is contracted to another entity outside state government and the employee is removed from his/her job.

Section 4.

Once an Agency makes a decision to contract out, the Agency will choose either (a) or (b) below. The Agency will notify affected employees of the option selected. The Agency will post and provide to the Union, a list of service credits for employees in all potentially affected classifications within the Agency. Within five (5) business days of the notice, the affected employees will notify the Agency of acceptance of the Agency's option or decision to exercise his/her rights under (c) below:

- a. Require the contractor to hire employees displaced by the contract at the same rate of pay for a minimum of six (6) months subject only to "just cause" terminations. In this instance, the state will continue to provide each such employee with six (6) months of health and dental insurance coverage through the Public Employee Benefits Board, if continuation of coverage under the Public Employee Benefits Board is allowed by law and pertinent rules of eligibility. Pursuant to Article 12, an eligible employee shall be placed on the Agency layoff list and may, at the employee's discretion, be placed on a secondary recall list for a period of two (2) years; or
- b. Place employees displaced by a contract elsewhere in state government in the following order of priority: within the Agency, within the department, or within state service generally. Salaries of employees placed in lower classifications will be red-circled. To the extent this Article conflicts with Article 9, Filling of Vacancies, this Article shall prevail.
- c. An employee may exercise all applicable rights under Article 12, Layoff.

Section 5.

The following provisions govern the administration of the requirement under this Article to conduct feasibility studies in cases of contracting out and will supplement the provisions included in the contract.

- a. The Employer agrees that all AFSCME represented state agencies will conduct a feasibility study in instances of contracting out work performed by bargaining unit employees when contracting out will result in displacement of bargaining unit employees.
- b. The Parties agree that AFSCME-represented agencies will send directly to AFSCME's Executive Director and to DAS HRSD Labor Relations Unit all future notices of intent to conduct a feasibility study pursuant to Section 1.

Section 6. Review of Contracted Work

Upon request, the union may view state contracts deemed public records. The union will contact the agency manager responsible for procurement and contracts to arrange a time to review the contracts. The agency will let the union review any contracts that the agency itself stores, and are available through public records request. The union will contact the state archivist for older contracts under the public records law. The union may submit suggestions to the agency on agency initiated contracts as to how bargaining unit members could perform the work more efficiently (at reduced cost) and effectively (improved quality). The Parties may discuss the union suggestions at their labor/management meetings and determine the most effective and efficient way to accomplish the work in the future for Agency initiated contracts. Decisions around reviewing of contracted work are not subject to the grievance procedure. (See LOA: [Feasibility Study](#))

ARTICLE 33 - JURISDICTIONAL TRANSFERS

The provisions of this Article will apply only if the employee in the position to be assumed requests transfer to another State position.

When the duties and position of an employee are to be assumed by a jurisdiction other than the State, the least senior employee in the classification, program, and geographic area or statewide would be transferred to the affected position prior to the assumption, consistent with the provisions of applicable statutes.

The Department will not incur moving or other expenses as a result of employee actions taken pursuant to this Article.

ARTICLE 34 - UNION STEWARDS

Section 1.

The Union may select, and shall certify in writing to the Department those employees so designated to act as Union Stewards.

Section 2.

Stewards will be granted reasonable time during regularly scheduled working hours to process and investigate grievances and to represent bargaining unit employees in investigatory interviews. Such activities shall not unduly retard or interfere with the work and duties of the steward or employee(s) involved. Only one (1) union steward will be in pay status for any one (1) grievance. Supervisors may request that stewards maintain and submit a monthly activity report of work time spent investigating and processing grievances.

No steward will be granted per diem, transportation costs, overtime, or travel time to process or investigate grievances, or in the representation of bargaining unit employees during investigatory interviews.

ARTICLE 35 - HEALTH AND SAFETY

Section 1.

The Employer and Employee agrees to abide by standards of safety and health in accordance with the Oregon Statutes and Administrative Rules.

Section 2.

Proper safety devices and clothing shall be provided by the Department for all employees engaged in work where such devices are necessary to meet the requirements of the Department of Insurance and Finance or deemed necessary by the Department. Such equipment, where provided, must be used. Where the Department has provided protective devices or clothing in the past and it is deemed necessary under this Article, the practice will continue. Protective clothing and safety devices shall remain the property of the Department and shall be returned to the Department upon termination of employment.

Section 3.

If an employee claims that assigned equipment or job assignment is unsafe or might endanger the employee's health, and for that reason refuses to use the equipment or perform the assigned job, the employee shall immediately give the employee's reasons for this conclusion to their supervisor, in writing, who shall make an immediate determination in consultation with the designated safety officer or representative of the appropriate governmental Agency as to the safety of the equipment or job assignment in question. A union representative or shop steward may accompany the above representative and employee during this determination.

If the supervisor is not available, the request shall be immediately directed to the next level of supervision for determination.

Section 4.

Pending determination provided for in this Article, at the Department's discretion, the employee may be given suitable work elsewhere.

Section 5.

Time lost by the employee as a result of any refusal to perform work on the grounds that it is unsafe or might unduly endanger the employee's health shall not be paid by the Department unless the employee's claim is upheld.

ARTICLE 36 - EDUCATION AND TRAINING

Section 1.

The Department will, as far as it is reasonably practicable to do so, provide training and education opportunities for employees. Such opportunities may include, but not be limited to, job-related training, job rotations, and special assignments.

Job rotation assignments include career enrichment or developmental assignments. Where the Division chooses to fill a job rotation assignment through a Department-wide, Statewide, and/or Division-wide competitive process, prior to the closing date of the job rotation announcement, the opportunity shall be posted for no less than five (5) business days on official Division bulletin boards and e-mail where applicable.

All employees are encouraged to notify their supervisors in writing of the skills and areas of interest they possess which would be applicable to future job rotation opportunities.

Section 2.

Training for employees may be conducted both during and outside of an employee's work schedule. When an employee's attendance is required by the Department, they shall be notified in writing, and they shall be paid for the time as time worked. All other activities will be on the employee's own time.

Section 3.

The Department may offer in-house training for employees to improve their knowledge, skills and abilities to perform their job. Attendance at such training may be mandatory without loss of pay to the employee. The Department will determine the method of travel and will reimburse or pay for those travel expenses in accordance to Article 23 of this Agreement.

Section 4.

If a regular status employee desires reimbursement for course registration for training outside of the Department, the employee must receive prior written approval from the Department.

ARTICLE 37 - INCLEMENT CONDITIONS

Section 1.

- a.** The Employer/Agency designated official(s) may close or curtail offices, facilities, or operations because of inclement weather or weather-related hazardous conditions. The Employer/Agency will announce such closure or curtailment to employees. The Employer/ Agency will strive to make its decision to close and/or postpone day shift no later than 5 am; however, the Parties recognize that changing conditions may require further adjustment. The Employer/Agency may provide this information through methods such as pre-designated internet web sites, phone trees, radio stations and/or television media. The Agency shall notify employees of these designations and post the notices on Agency bulletin boards by November 1st of each year. Notifications do not apply to employees who are required to report to work. Essential employees/positions shall be designated by the Agency by November 1 of each year. Such designations may be modified with two weeks advance notice to the affected employee(s).
- b.** Where the Employer/Agency has announced a delayed opening pursuant to Section 1a, employees are responsible for continuing to monitor the reporting sites for updated information related to the delay or potential closure. Employees may be allowed up to two hours commuting time as reasonably needed to report for work after a delayed opening has been announced. Where an employee arrives late due to this extended commute, he/she may cover the time with accrued vacation, compensatory time off, personal leave or approved leave without pay.

Section 2.

When the Employer/Agency notifies employees not to report to work pursuant to Section 1, prior to the beginning of the work shift the following applies:

- a. **FLSA Non-Exempt Employees.** Non-exempt employees shall not be paid for the period of the closure. However, employees shall be allowed to use accrued vacation, compensatory time off, personal leave or approved leave without pay for the absence(s).

A non-exempt employee arriving at work after the Employer/Agency has announced a closure or curtailment of operations may be directed to leave work and if so directed shall not be paid for the remainder of the shift unless utilizing accrued leave as described above. An employee who actually begins work shall be entitled to pay for all actual hours worked.

- b. **FLSA Exempt Employees.** The exempt employee shall be paid for the work shift. An FLSA exempt employee may be required to use paid leave or leave without pay where the closure applies to that employee for one or more full workweek(s)

Section 3.

When in the judgment of the Employer/Agency, inclement weather or weather-related hazardous conditions require the closing of the work place following the beginning of an employee's work shift, the employee shall be paid for the remainder of his/her work shift.

Section 4. Alternate Work Sites.

Employees may be assigned or authorized to report to work at an alternative work site(s) and be paid for the time worked.

Section 5. Late or Unable to Report.

Where the Agency remains open and an employee notifies his/her supervisors that he/she is unable to report to work, or will be late, due to inclement weather or weather-related hazardous conditions, the employee shall be allowed to use accrued vacation leave, compensatory time off, personal leave or approved leave without pay.

Section 6. Employees on Pre-scheduled Leave.

If an employee is on pre-scheduled leave the day of the closure, the employee will be compensated according to the approved leave.

Section 7. Make-up Time Provisions.

Subject to Agency operating requirements and supervisory approval, employees who do not work pursuant to Sections 2 and 5 of this Article may make-up part or all of their work time missed during the same workweek. In no instance will time worked during the make-up period result in overtime being charged to the Agency. The Employer/Agency shall not be liable for any penalty or overtime payments when employees are authorized to make up work.

Section 8.

Employees who are unable to report to work due to inclement weather and/or weather-related hazardous conditions may be allowed to work from home with prior approval of their supervisor.

ARTICLE 38 - POSITION DESCRIPTIONS/WORK PLANS

Section 1.

Position descriptions shall be in writing and delineate the specific duties assigned to the position. A dated copy of the position description shall be given to the employee upon assuming the position and at such time as the position description is amended. Any amendments which change responsibility sufficiently to warrant a classification change will be subject to the provisions of Article 11 (Classification and Classification Changes).

The position description shall be reviewed and updated at the time of the employee's annual performance appraisal and at any time that the employee's duties are changed significantly and permanently beyond the provisions of the existing position description.

Section 2.

Work improvement plans may be initiated and written for those employees who have less than acceptable job performance. The work improvement plan will delineate specific work and/or work related areas to be corrected and improved. Work improvement plans are not the sole means for addressing performance deficiencies.

The Parties acknowledge that a work improvement plan is a tool whereby the Employer can communicate to an employee areas of the employee's performance which are deficient, how the problem(s) is to be rectified, and that failure to rectify the problem(s) may lead to disciplinary action. However, the Parties agree that the work improvement plan is not, nor is it to be used as, a disciplinary action.

ARTICLE 39 - OUTSIDE EMPLOYMENT

Employees shall be allowed to hold employment outside the Department as long as such employment does not create a conflict of interest with their employment at the Department and as long as the work is not with another state Agency which could result in an overtime liability for Department. Employees shall notify the Department in writing of any potential conflicts of interest as defined by Policy EMP-01 and its successors with changes in the policy incorporated automatically into this contract article.

ARTICLE 40 - ALTERNATE METHODS OR MATERIALS OF CONSTRUCTION

Inspectors will perform all job related duties regarding the permitting, inspection, and installation of Department approved alternate methods of materials or construction.

When an alternate method of materials or construction is approved, the approved method will be reduced to writing and included in the plan review or inspection file. The employee must sign off the inspection with the notation on the inspection card that this is "inspected to the alternate method approved by the Building Codes Division (date)."

ARTICLE 41 - LIMITED DURATION APPOINTMENTS

Section 1.

- a. No person who has an initial appointment into State service into a limited duration position shall have layoff rights.
- b. A bargaining unit employee, appointed from regular status to a limited duration appointment shall be entitled to rights under the layoff procedure starting from the prior class, if the appointment is within the Division. In all other respects, limited duration appointees have all rights and privileges of other bargaining unit employees under this Agreement.

ARTICLE 42 - EXAMINATION FEES

If the Division requires that a bargaining unit employee obtain a specific certification that the employee does not already possess, in order to carry out assigned duties, the Division will pay for the examination fee so that the employee can take the examination to obtain that specific certification.

If a regular status employee desires reimbursement for examination fees, the employee must receive written approval from the Division before taking the examination.

ARTICLE 43 - CLIENT COMPLAINT PROCEDURE

In the event the Agency receives a complaint that is non-criminal in nature and determines a formal investigation is necessary, the Agency will notify the employee of the investigation, provided such notice does not compromise the ability to investigate. Such notice shall include the general nature of the complaints. Before the investigation is completed, the employee will be given an opportunity to provide information he/she deems relevant.

ARTICLE 44 - IMPLEMENTATION OF NEW CLASSES—APPEALS PROCESS

The appeals process is designed to allocate employees into new classes. Employees in positions allocated to a new classification, who dispute their placement within the new class, can appeal their placement using the following process:

Section 1.

- a. An appeal may be filed by an individual employee or a steward or a Council Representative on behalf of the employee, to the Agency personnel office within 15 calendar days of written notification by the Agency of placement into the new class. Employees sharing the same or substantially similar position descriptions or employees the Agency agrees to treat as a group may file an appeal as a group. The initial filing should describe the individual or group, including the names of affected members, identify the proposed placement, and the placement believed to be correct by the affected employees. The appeal must include current, signed position descriptions. Because the old classifications are to be abolished, correct placement cannot be back to the prior classification.

The Agency shall conduct a review of the allocation using the following criteria:

1. The purpose of the job shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency;
 2. The concept of the proposed classification shall be determined by the general description and distinguishing features of its class specification; and
 3. The overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency. This decision shall be made within 30 calendar days of receipt of the appeal and provided to the affected employees in writing and with a summary of the classification analysis.
- b. If denied, the Union may appeal the Agency's decision in writing to the Labor Relations Unit within 15 calendar days of receipt of the written denial. The appeals will be considered by the Employer designee (or an alternate) and the Union designee (or an alternate) who shall form the committee charged with the responsibility to consider appeals and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Additionally, the committee may utilize two resource persons, one designated by each party, to provide technical expertise concerning a specific series. The committee will attempt to resolve the matter by jointly determining whether the current or proposed class more accurately depicts the overall assigned duties, authorities and responsibilities of the position using the criteria specified above.

In this process each of the designees may identify one alternate class that he/she determines most accurately depicts the purpose of the job and overall assigned duties. If an alternate class is identified, both the Union and Labor Relations Unit shall be notified.

If the Parties concur that shall end the allocation appeal. In the event the committee concludes that the proposed or alternate class is more appropriate, management retains the right to modify the work assignment on a timely basis to make it consistent with the Agency's allocation.

Appeals shall be decided in order of receipt by the Labor Relations Unit.

Decisions shall be rendered by the designees no later than 60 calendar days of receipt of the appeal by the committee.

- c. The decision of the designees shall be binding on the Parties. However, agencies may elect to remove/modify duties at any point during the process.
- d. If the appeals committee cannot make a decision, the Union may request final and binding arbitration by a written notice to the Labor Relations Unit within the next forty-five (45) calendar day period. Each party may go forward with only one class. Each party may choose to take to arbitration either the current class, class appealed to, or an

alternate class identified by a committee member. The arbitrator shall allow the decision of the Agency to stand unless he/she concludes that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities of the position.

- e. Where a position is vacated after the filing of the initial appeal, the Union may continue the appeal process and such appeals will be reviewed by the committee only after the review of all filled positions appeals is completed and where the Agency indicates that no change in duties is anticipated prior to refilling the position.
- f. This process terminates upon completion of the allocation process.

ARTICLE 45 - BILINGUAL DIFFERENTIAL

When formally assigned in the employee's position description, an employee assigned to interpret to or from another language to English will receive a differential of four percent (4%) of base pay. Effective July 1, 2004, the compensation for bilingual differential will be five percent (5%) of base pay.

ARTICLE 46 - TEMPORARY INTERRUPTION OF EMPLOYMENT

Any temporary interruption of employment because of lack of work or unexpected or unusual reasons, except Article 37 – Inclement Conditions, beyond the Employer's control which does not exceed fifteen (15) consecutive days and is not due to lack of funds, shall not be considered a layoff if, at the termination of such conditions, employee(s) are to be returned to employment. Such interruptions of employment for FLSA Non-exempt employees shall be recorded and reported as leave without pay, unless the employee opts to use accrued vacation leave, personal leave or compensatory time off during the period of the temporary interruption. For FLSA Exempt employees, the employee may exercise the option to use accrued vacation leave, personal leave or compensatory time off for temporary interruptions of employment that last one or more full workweeks, but for partial workweeks the employee is paid. Employees remaining on duty during the temporary interruption will be selected by seniority within classification.

When the Employer declares that a temporary interruption of employment should be considered because of lack of funds, either party may provide the other with written notice to meet and discuss possible terms of such interruption or alternative options. Such meeting must occur within thirty (30) days of the declaration. Terms and alternatives shall be subject to mutual agreement by the Union and the Employer. The Parties agree that any and all discussions that take place under this Section shall not be subject to the Complete Agreement articles of any of the agreements or constitute interim negotiations under PECBA. In addition, the Parties will not be required to use the dispute resolution process contained in the PECBA.

ARTICLE 47 – MAINTENANCE OF MEMBERSHIP

All members of the bargaining unit who are members of the Union as of the effective date of the Agreement or who subsequently voluntarily become members of the Union shall continue to pay dues, or the equivalent, to the Union during the term of this Agreement. This section shall not

apply during the 30-day period prior to the expiration of this Agreement for those employees who, by written notice sent to the Union and the Employer, indicate their desire to withdraw their membership from the Union.

The Union shall indemnify and save the Agency harmless against any and all claims, damages, suits or other forms of liability which may arise out of any action taken or not taken by the Agency for the purpose of complying with the provisions of this section.

REV: 2015

**LETTER OF AGREEMENT #1 - ARTICLE 19 - COMPLETION DATES FOR
PERFORMANCE APPRAISALS**

The purpose of this Agreement is to clarify Article 19, Section 3, of the Agreement on when performance appraisals will be completed.

This Agreement applies exclusively to employees assigned to the offices below.

The Division shall apply a uniform "due" date for all employee performance appraisals by location as prescribed below instead of completing such appraisals on an employee's recognized service date:

Area 1: Coos Bay
Area 2: Pendleton

Due Dates:
Area 1: August 31
Area 2: April 30

Performance appraisals for employees completing trial service will be completed prior to the end of trial service. After the trial service period is completed, the employee's performance appraisal date will be the same as other employees in that area.

This Agreement shall become effective on the effective date of the 2015-2017 successor bargaining agreement and shall sunset on June 30, 2017.

**LETTER OF AGREEMENT #2 - ARTICLE 22 - PART-TIME MEDICAL PREMIUM
SUBSIDY**

This Agreement is entered into between the State of Oregon, acting through its Department of Administrative Services, Labor Relations Unit (Employer), and Employees Council 75 AFSCME (Union).

This Agreement shall apply to all agencies and bargaining units under the jurisdiction of the AFSCME Central Table.

The purpose of this Letter of Agreement is to clarify the Agreement reached during 2015-2017 negotiations regarding the Employer's obligation for medical premium payments for employees working less than full time.

For Plan Years 2016 and 2017, the Employer will pay ninety-five percent (95%) and the employee will pay five percent (5%) of the monthly premium rate as determined by PEBB. For employees who enroll in a medical plan that is at least ten percent (10%) lower in cost than the monthly premium rate for the highest cost medical plan available to the majority of employees, the Employer shall pay ninety-nine percent (99%) of the monthly premium for PEBB health, vision, dental and basic life insurance benefits and the employee shall pay the remaining one percent (1%).

For less than full time employees who have at least eighty (80) paid regular hours in the month, the Employer will pay a monthly benefit insurance premium amount of the plan selected by the employee as calculated under the local Agreement insurance article as follows:

- a) $\text{Part-time premium rate} \times \text{Employer contribution percentage} \times \text{the ratio of paid regular hours to full-time hours to the nearest full percent} = \text{Employer contribution.}$

In addition, there shall be a subsidy based on the employee's enrollment tier, for plan years 2016 and 2017 consisting of one of the following monthly amounts:

Employee Only,	\$346.25
Employee & Partner,	\$452.34
Employee & Children,	\$395.94
Employee & Family,	\$460.52

- b) Part-time, Seasonal and Intermittent Employees Electing Full Time Insurance

$\text{Full time premium rate} \times \text{the Employer contribution percentage} \times \text{the ratio of paid regular hours to full time hours to the nearest full percent} = \text{Employer contribution.}$

The employee will pay the premium balance.

**LETTER OF AGREEMENT #3 - ARTICLE 22 - PEBB MEMBER ADVISORY
COMMITTEE**

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) and AFSCME Council 75 (Union).

The Employer and Union share a commitment to PEBB achieving its vision of better health, better care and affordable costs. Both Parties recognize that the structure of PEBB is authorized in Oregon Revised Statutes, and is also designed to provide the input and perspective of members in PEBB decisions.
