ARTICLE 1 - SCOPE OF AGREEMENT

Section 1. This Agreement is made and entered into by and between the State of Oregon (hereinafter the "Employer"), acting through its Department of Administrative Services, Labor Relations Unit on behalf of the Department of Corrections (hereinafter the "Agency"), and the American Federation of State, County, and Municipal Employees Council 75 (AFL-CIO) (hereinafter the "Union"), and is binding upon the Union and the Employer, Agency and all designated representatives of the Union and the Employer and Agency.

Section 2. The Agency recognizes the Union as the sole and exclusive bargaining agent for the employees within the certified or recognized bargaining units. All aspects of the employees' wages, hours, and other terms and conditions of employment shall be determined by this Agreement, except in regard to recruitment and selection of applicants for initial appointment to State service. The terms and conditions of employment set forth in this Agreement shall apply to all strike-prohibited parole and probation classified positions, except temporary, supervisory, confidential, and those positions excludable by ORS 243.650, within the Department of Corrections.

The parties agree that the term "classified employee" does not include temporary employees appointed under the provisions of ORS 240.308 or part-time employees who regularly work thirty-two (32) hours or less per month.

Section 3. If the Agency establishes a new position which is not clearly excluded from the bargaining unit under ORS 243.650 or reclassifies an existing bargaining unit position, the Employer shall notify the Union in writing within seven (7) days following the action, as to whether or not it believes the classification to be within the bargaining unit. The Union must notify the Employer in writing within ten (10) days from receipt of the notification if it disagrees about the inclusion or exclusion of the classification in the bargaining unit or the matter becomes closed. If notice of the disagreement is received within the ten (10)-day period, the parties shall meet within fourteen (14) days of above notification to discuss the matter. If an agreement is not reached within thirty (30) days, the Union may submit the matter to the Employment Relations Board. Should the matter not be submitted to the Employment Relations Board within the specified thirty (30)-day period, the matter shall be considered resolved.

Section 4. This contract incorporates the sole and complete Agreement between the Agency and the Union resulting from negotiations held pursuant to the provisions of ORS 243.650 et seq and supersedes all prior labor contracts. It is acknowledged that during negotiations which resulted in this Agreement, each party had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter appropriate for collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. It shall not be modified in whole or in part except by another written instrument duly executed by the parties.

Section 5.

- a) The parties agree the Employment Human Resource Services Division Personnel Policies and Agency Procedures relating to their implementation are without effect upon the Agency or members of the bargaining units.
- b) Other policies, procedures, and rules of the Agency which directly relate to mandatory subjects of bargaining as defined by statute and which affect bargaining unit members on the day this Agreement becomes effective shall be continued, unless modified or deleted elsewhere in this Agreement. Should the Agency wish to change such a policy, procedure, or rule, or to issue a new one, notice will be given to the Union. If the Union believes the policy, procedure, or rule to be unreasonable, then within seven (7) days of the date upon which the Union knows, or by reasonable diligence should have known, of the subject action, the Union shall request that the Agency meet to discuss the issue.

- c) Such meeting shall occur within fifteen (15) days of:
 - 1. Agreement that the issue is a mandatory subject, or
 - 2. An Employment Relations Board ruling that the issue is a mandatory subject of bargaining.

If agreement which alters the policy, procedure or rule is reached, it shall be reduced to writing and signed by both parties. If the parties are unable to reach an agreement, within fourteen (14) days following the Level C meeting and the Union continues to believe the policy, procedure, or rule to be unreasonable, it shall notify the Agency in writing of its intent to submit the matter to interest arbitration. Such written notification must be made during the fifteen (15)-day period immediately following the above mentioned fourteen (14)-day period. Failure to file such written notification within the prescribed time shall be understood by both parties to waive the Union's right to any further objection.
- d) The parties shall meet within the five (5) days immediately following receipt of notification of the Union's desire to arbitrate and select an arbitrator. Selection of an arbitrator shall be as prescribed in Article 46, Grievance and Arbitration.
- e) The parties agree that the decision or award of the arbitrator shall be final and binding on each of the parties and that they will abide thereby, unless the award is vacated pursuant to statute. The power of the arbitrator in this process shall be limited to determine whether the policy, procedure, or rule is unreasonable.
- f) If the arbitrator's ruling is that the policy, procedure, or rule is unreasonable, the Agency shall immediately withdraw the policy, procedure or rule.
- g) The arbitrator's fee and expenses shall be paid by the losing party. If, in the opinion of the arbitrator, neither party can be considered the losing party, then such expenses shall be apportioned as in the arbitrator's judgment is equitable. All other expenses shall be borne exclusively by the party requiring the service or item for which payment is to be made.
- h) Time limits specified in this procedure must be observed, unless either party requests a specific extension of time, which, if agreed to, must be stipulated in writing and shall become part of the record.

ARTICLE 2 - TERM OF AGREEMENT

Section 1. This Agreement becomes effective upon signing through June 30, 2013.

Section 2. The Union will notify the Agency of its selected representatives by December 15, 2012. The bargaining team shall consist of not more than five (5) Union Representatives with at least one (1) Representative from each County covered by the terms of this Agreement. The Union may utilize up to eighty (80) hours leave with pay per designated bargaining team representative for the purpose of actual negotiations.

Section 3. Negotiations for a successor agreement will commence between January 2, 2013 and February 15, 2013 or sooner upon mutual agreement of the parties.

ARTICLE 3 - UNION SECURITY

Section 1. New Employees. The Agency agrees to inform all new employees hired into positions included in the bargaining unit of the Union's exclusive recognition, and shall provide all present and future employees in the bargaining unit with a copy of its Agreement, provided the parties shall share equally in the costs of preparation and distribution of the Agreement. The Agency agrees to allow duly certified Union Representatives thirty (30) minutes, when new employee orientation classes are held, to speak to new employees about the Union's exclusive recognition, its benefits, and services available to the membership. This time will not be used for discussion of labor-management disputes.

If the Union Representative is an employee of the Agency, the representative will be allowed time off without loss of pay to make the presentation.

Section 2. Union Access. Accredited representatives of the Local, District Council 75, or International American Federation of State, County and Municipal Employees, AFL-CIO, upon proper introduction and notice, shall have reasonable access to the premises of the Agency during all working hours to conduct Union business (with appropriate observation of the security regulations of the Agency). During periods of bona fide emergency, this provision may be temporarily suspended by the Agency as required for the duration of the emergency.

Section 3. Unless otherwise provided in this Agreement, the internal business of the Union shall be conducted by the employees during non-duty time.

All policies, procedures, and rules, and all provisions of this Agreement shall be applied equitably among employees to whom they apply.

Section 4. Stewards. The Union may select, and shall certify in writing to the Agency, employees to act as Union Stewards. Stewards shall have authority to investigate and resolve grievances and to distribute Union informational material provided that such activity does not interfere with the regular work routine with prior approval of management. The investigation and processing of employee grievances will be permitted during working hours without loss of compensation. If the permitted activities would interfere with either the Steward's or the grievant's duties, management shall, within the next working day, arrange a mutually satisfactory time for the requested activities. Time spent in grievance activities without the proper notification and release by an appropriate supervisor involved will be considered unauthorized leave without pay for both the Steward and the grievant. An employee may request and have present a Shop Steward or Union Representative at any formal discussion on disciplinary actions, or grievance proceedings, or any other matter that might adversely and substantially affect their future employment, pay, or chances for promotion.

Section 5. Union Business Leave. The parties agree to the primary principle that Union business will be carried out during off-duty hours.

AFSCME shall indemnify and hold the State and Agency harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the Employer and/or Agency for the purpose of complying with this provision.

For Short and Long Term leave, AFSCME shall, within thirty (30) days of payment to the employee, reimburse the Agency for payment of appropriate salary, benefits, paid leave time, pension, and all other employer-related costs. The Union shall reimburse the Agency within thirty (30) calendar days of receipt of billing.

Union Business Leave does not constitute a break in service.

a) **Short Term**

Upon written request from the Executive Director of AFSCME Council 75 to DAS Labor Relations Unit, members shall be given release time from his/her position for the performance of Union duties.

Not to exceed a maximum of four (4) employees at any one time, employees elected to Union office or otherwise selected by the Union to conduct Union business that takes them away from their employment may be granted leave without pay or leave with pay reimbursed by the appropriate AFSCME local to the Agency for a reasonable period of time not to exceed seven (7) working days, upon seven (7) days' advance notice by the Union. The determination for granting such leave shall be made by the Agency based on operational needs of the Agency. Leave will be requested through the normal agency procedure.

b) Long Term

Upon written request from the Executive Director of AFSCME Council 75 to DAS Labor Relations Unit, one (1) Local Security President or designee shall be given release time from his/her position for a period of time up to one (1) year for the performance of Union duties directly related and central to the collective bargaining relationship. Such requests will be granted unless the affected Functional Unit can demonstrate that the employee's absence would of the employee's work unit.

If the Agency cannot grant such leave based on lack of funding, the Union may offer to reimburse the Agency, within thirty (30) calendar days of receipt of billing, for required overtime costs (including: salary, benefits, paid leave time, pensions and all other employer-related costs) to allow the designated employee to take Union business leave. The Agency and the Union agree to meet and discuss and clarify if any overtime costs are to be paid by the Union prior to the requested leave. If no agreement is reached the employee's request may be denied.

c) Contract Administration

The Agency agrees to the attendance by the President or designee without loss of pay at:

1. Joint Agency and Union grievance meetings where this individual is acting as steward;
2. An employee request for representation by one (1) of these individuals to act as steward;
3. Any other meeting where their presence is requested by management;
4. Other instances in accordance with past practice;
5. Arbitration hearings or other administrative hearings before the Employment Relations Board directly involving the specific local.

Section 6. Communications.

a) The Agency agrees to furnish and maintain bulletin boards in convenient places to be used by Union for the posting of official Union notices only. Union shall keep the bulletin boards neat and orderly.

b) AFSCME may use the DOC internal mail system to communicate with AFSCME represented employees at no cost to the employer. AFSCME will use its own supplies and equipment. Distribution will be on their own time.

Use of the Internal Mail System must be consistent with DOC mail rules. Content shall conform to standards for official business.

Monitoring of the Agreement will be reviewed at local labor/management meetings.

c) Upon written request, the Union may be allowed the use of the facilities of the Agency for meetings in accordance with the past practices when available.

d) Where access to the DOC computer systems exist, the following communications are authorized:

1. Two-way communication relative to bargaining unit business between officially designated Union officers, management and member-to-member communication will be consistent with DOC rule.
2. Use of the Internet shall be consistent with the DOC policy on acceptable use of Electronic Information Systems.
3. Personal use as defined in DOC policy may include Union business.

Section 7. Dues Deduction. The Agency agrees to deduct the monthly membership dues from the pay of those employees who individually request such deductions in writing. The amount to be deducted shall be certified to the Agency by the Treasurer of the Union, and the aggregate deductions shall be remitted monthly together with an itemized statement, to the Treasurer of the Union.

Section 8. Fair Share. The terms of the contract have been made for all employees in the bargaining unit, not solely for members of the Union. The parties recognize that it is fair that each employee in the bargaining unit should bear a fair share of the costs incurred by the Union in meeting its responsibilities as a recognized bargaining unit representative.

Each employee not exempt under recognition of this contract shall, within thirty (30) days of hire, have deducted monthly from their pay by the State, a sum equal to the amount of current Union dues. Such sum shall constitute the employee's dues if the employee is a member of the Union, or shall otherwise constitute that employee's fair and equitable contribution to the expenses of administering this contract on the employee's behalf by the Union. Such deduction shall be made only if accrued earnings are sufficient to cover the service fee after all other authorized payroll deductions have been made.

The deduction and disbursement to the Union of dues and service fees provided herein shall be accomplished monthly by the State and payment to the Union shall be made on or before the fifteenth day following the date such deductions were made.

Any employee who is a member of a bona fide religious organization which teaches as a doctrine of faith that payment of Union dues is wrong may follow the procedures allowed by State law to have in lieu of dues payment paid to a non-religious charity.

The Union shall indemnify and save the Agency harmless against any and all claims, damages, suits or other forms of liability which may arise out of any action taken or not taken by the Agency for the purpose of complying with the provisions of this section.

Section 9. Employee Statistics. The Labor Relations Unit and the Agency will, upon request of the Union, provide any regularly produced computer runs containing non-confidential statistics of the Union's bargaining unit members. This will include one (1) printout annually showing names and addresses of all bargaining unit employees and monthly information currently furnished. Any costs incurred in compiling and photocopying these statistical reports under this Agreement shall be billed to the Local Union making the request.

Section 11. Reports. Upon request and no more than once a quarter the Agency shall provide to the Union the names of any temporary / Limited duration employees (management / unrepresented / bargaining unit) hired, reason for the hire and expected duration of the appointment.

Upon request and no more than once a quarter, the Agency shall provide to the Union the names of all employees in double fill positions, the reason for the double fill and the expected duration of the appointment if available.

Upon request, the Agency shall provide to the Union on an annual basis the Agency organization charts showing management positions and the positions they supervise.

ARTICLE 4 - UNION/MANAGEMENT MEETINGS

Section 1. Purpose. The purpose of this Article is to promote harmonious relations between the parties.

Section 2. Meetings. Either the Agency Head/Functional Unit Manager or the Union President may request a meeting. Each party may designate desired representation to the extent that such absences from duty do not cause a disruption of work or otherwise create a short staff situation. Off duty personnel participating in such meetings must do so on their own time. The

actual meeting time will be established through mutual agreement. Refusal of either party to meet on a given subject does not constitute a contract violation.

Section 3. Scope of Authority. Meetings will be held for purpose of discussion only. This committee will not enter into a binding agreement of any sort. The Committee may recommend agreements for signature to the parties, which are defined as The Department of Administrative Services and AFSCME Council 75. The Committee discussion may include all manner of local working conditions and non-disciplinary grievance issues.

ARTICLE 5 - LEGISLATIVE ACTION

Provisions of this Agreement not requiring statutory changes or funding by the full legislature before they can be put into effect shall be implemented on the effective date of this Agreement or the date otherwise specified in this Agreement. Necessary bills for implementation of the other provisions shall be submitted promptly by the Department of Administrative Services to the Legislative Assembly and both parties shall jointly recommend passage of the funding and statutory changes.

Nothing in this provision shall be construed as to require the Governor to call a special session of the Legislature.

If the Legislature fails to act or approve bills submitted under this Article, the parties shall reconvene immediately to renegotiate an alternative provision.

ARTICLE 6 - EFFECT OF LAWS AND RULES

Section 1. This Agreement is subject to all applicable existing and future laws of the State of Oregon. In the event of a conflict between a provision of this Agreement and a rule or regulation of the Department of Administrative Services or any of its Divisions, the terms of this Agreement shall prevail.

Section 2. Liability in Civil Suits. The Agency agrees that any employee who has any civil action suit or proceeding brought against the employee for causes resulting from acting in the employee's official capacity, duties or employment in good faith and without malice, shall be given legal defense by the State of Oregon. The Agency further agrees to provide written procedures which will outline the proper methods for requesting this legal defense.

ARTICLE 7 - SEPARABILITY OF PROVISIONS

If any provision of this Agreement shall be found to be invalid by any court having jurisdiction in respect, thereof, such findings as to such provision shall not affect the remainder of this Agreement, and all other terms and provisions hereof shall continue in full force and effect as set forth herein. In such event, the parties shall enter into immediate negotiations for the purpose of arriving at a mutually satisfactory replacement for such term or provision.

ARTICLE 8 - EQUAL OPPORTUNITY

Section 1. The Agency and the Union agree to continue their policies of not unlawfully discriminating against any employee because of race, color, religion, sex, national origin, age, mental or physical disability, marital status, political affiliation, or union activity. Neither will the Agency discriminate based on sexual orientation.

Section 2. Any complaint alleging unlawful discrimination based on race, color, religion, sex, national origin, age, mental or physical disability, marital status or political affiliation which is brought to the Union for processing will be submitted directly to the designated appointing authority. If such a grievance is not satisfactorily resolved within thirty (30) days of its submission, it may be submitted to the Bureau of Labor and Industries for resolution.

Section 3. Complaints alleging discrimination based on sexual orientation may be submitted by the Union to the Department of Administrative Services, Labor Relations Unit if not resolved by the Agency. The Labor Relations Unit will review the complaint, attempt to resolve it, and issue its findings to the Agency and the Union. Such complaints may not be advanced pursuant to Article 46.

Section 4. If an employee has a grievance alleging unlawful discrimination based on union activity, it shall be first pursued through the grievance procedure, however, the parties may mutually agree, in writing, to waive arbitration on any such grievance allowing the matter to be resolved through the Employment Relations Board.

ARTICLE 9 - MANAGEMENT RIGHTS

The Union agrees that the Employer retains all inherent rights of management and hereby recognizes the sole and exclusive right of the State of Oregon, as the Employer, to operate and manage its affairs in accordance with its responsibilities to maintain efficient governmental operations. The Employer retains all rights to direct the work of its employees, including, but not limited to, the right to hire, promote, assign, transfer, demote, suspend, or discharge employees for proper cause; to schedule work; determine the processes for accomplishing work; to relieve employees from duties because of lack of work or for other legitimate reasons; to take action as necessary to carry out the missions of the State; or determine the methods, means, and personnel by which operations are to be carried on, except as modified or circumscribed by the terms of this Agreement. The retention of these rights does not preclude any employee from filing a grievance, pursuant to Article 46, Grievance and Arbitration, or seeking a review of the exercise of these rights, when it is alleged such exercise violates provisions of this Agreement.

ARTICLE 10 - CONTRACTING OUT

Section 1. The Agency may determine to contract or subcontract work provided that, as to work which is presently and regularly performed by employees in the bargaining unit, the Agency agrees to notify the Union and negotiate the decision and impact of the pending action. It is specifically understood that such negotiations are not required in 1) emergency situations, 2) where the impact is minimal (and not mandatory), or 3) where the assignment of work currently being performed by the bargaining unit members is transferred to other State facilities.

Section 2. Review of Contracted Work. Upon request, the Union may view state contracts deemed public records. The Union will contact the Agency manager responsible for procurement and contracts to arrange a time to review the contracts. The Agency will let the Union review any contracts that the Agency itself stores, and are available through public records law. The Union will contact the state archivist for older contracts under the public records law. The Union may submit suggestions to the Agency on Agency initiated contracts as to how bargaining unit members could perform the work more efficiently (at reduced cost) and effectively (improved quality). The Parties may discuss the Union suggestions at their labor/management meetings and determine the most effective and efficient way to accomplish the work in the future for Agency initiated contracts. Decisions around reviewing of contracted work are not subject to the grievance procedure.

ARTICLE 11 - INSURANCE

Section 1. Eligibility. An Employer contribution will be made for each eligible employee who has at least eighty (80) paid regular hours in the month.

The contribution for eligible participating part time employees with eighty (80) or more hours paid time for the month will be prorated based on the ratio of paid regular hours to full-time hours to the nearest full percent.

Section 2. Plan Years 2011 to 2013. For the period of July 1, 2011 through December 31, 2011, the Employer shall make a contribution sufficient to cover the premium costs to the PEBB health, dental and basic life benefits chosen by each eligible full time employee who has at least eighty (80) paid regular hours in a month.

For the period of January 1, 2012, through December 31, 2013, the State will pay ninety-five percent (95%) and employees will pay five percent (5%) of the monthly premium rate, as determined by the PEBB.

ARTICLE 12 - SALARY AND WAGES

Section 1. Salary. Salary rates in effect through November 30, 2011 are as follows:

Class Title	Class#	SR	Step 1	Step 2	Step 3	Step 4	Step 5	Step 6	Step 7	Step 8
Adult Parole and Probation Officer	C6787	25	4091	4292	4505	4713	4941	5174	5419	5676

Employees will receive one and a half percent (1.5 %) COLA effective December 1, 2011 paid on January 1, 2012. Salary rates in effect from December 1, 2011 through November 30, 2012 are as follows:

Class Title	Class#	SR	Step 1	Step 2	Step 3	Step 4	Step 5	Step 6	Step 7	Step 8
Adult Parole and Probation Officer	C6787	25	4152	4356	4573	4784	5015	5252	5500	5761

Employees will receive a one and forty-five one hundredths percent (1.45%) COLA effective December 1, 2012 paid on January 1, 2013. Salary rates in effect from December 1, 2012 are as follows:

Class Title	Class#	SR	Step 1	Step 2	Step 3	Step 4	Step 5	Step 6	Step 7	Step 8
Adult Parole and Probation Officer	C6787	25	4212	4419	4639	4853	5088	5328	5580	5845

In the event there is a discrepancy between the printed salary amounts in this Section, the DAS payroll system shall prevail.

Section 2. Cost of Living Adjustment. Effective December 1, 2011, Compensation Plan salary rates shall be increased by one point five percent (1.5%) to be paid January 1, 2012. Effective December 1, 2012, Compensation Plan salary rates shall be increased by one and forty-five one hundredths percent (1.45%) to be paid January 1, 2013.

Section 3. Public Employees Retirement System (“PERS”) Members. For purposes of this Section 1, employee means an employee who is employed by the State and who is eligible to receive benefits under ORS Chapter 238 for service with the State pursuant to Section 2 of Chapter 733, Oregon Laws 2003. Parole and Probation Officers requiring DPSST certification are by statute classified as Public Employees.
Retirement Contributions. On behalf of employees, the State will contribute the six percent (6%) employee contribution to the Public Employees Retirement Fund through December 31, 2003. Thereafter, the State will contribute the six percent (6%) employee contribution, payable as the law requires. The parties acknowledge that various challenges have been filed that contest the lawfulness, including the constitutionality, of various aspects of PERS reform legislation enacted by the 2003 Legislative Assembly, including Chapters 67 (HB 2003) and 68 (HB 2004) of Oregon Laws 2003. This Agreement shall constitute a waiver of any claims related to the PERS Litigation.

Section 4. Oregon Public Service Retirement Plan Pension Program Members. For purposes of this Section 2, employee means an employee after August 29, 2003 and who is not eligible to receive benefits under ORS Chapter 238 for service with the State pursuant to Section 2 of Chapter 733, Oregon Laws 2003.

Contributions to Individual Account Programs. As of the date that an employee becomes a member of the Individual Account Program established by Section 29 of Chapter 733, Oregon Laws 2003, the State will pay an amount equal to six percent (6%) of the employee's monthly salary, not to be deducted from the employee's account in that program. The amount paid under this Section 2 shall not be considered to be salary under Section 29 of Chapter 733, Oregon Laws 2003, for the purposes of computing an Oregon Public Service Retirement Plan Pension Program member's final average salary under Oregon Laws 2003, for the purposes of determining contributions required to be contributed pursuant to Section 32 of Chapter 733, Oregon Laws 2003.

Section 5. Effect of Changes in Law (Other than PERS Litigation). In the event that the State's payment of a six percent (6%) employee contribution under Section 1 or under Section 2, as applicable, must be discontinued due to a change in law, valid ballot measure, constitutional amendment, or a final, non-appealable judgment from a court of competent jurisdiction (other than in the PERS Litigation), the State shall increase by six percent (6%) the base salary rates for each classification in the salary schedules in lieu of the six percent (6%) pick-up. This transition shall be done in a manner to assure continuous payment of either the six percent (6%) contribution or a six percent (6%) salary increase.

For the reasons indicated above, or by mutual agreement, if the State ceases paying the applicable six percent (6%) pickup and instead provides a salary increase for eligible bargaining unit employees during the term of the Agreement, and bargaining unit employees are able, under then-existing law, to make their own six percent (6%) contributions to their PERS account or the Individual Account Program account, as applicable, such employees shall be treated as if they were making contributions pursuant to Internal Revenue Code Section 501(c)(29).

Section 6. Recoupment of Wage and Benefit Overpayments/Underpayments.

- a) **Overpayments.** In the event that an employee receives wages or benefits from the Agency to which the employee is not entitled, regardless of whether the employee knew or should have known of the overpayment, the Agency shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists and the amount of wages and/or benefits to be repaid. For purposes of recovering overpayments by payroll deduction, the following shall apply.
1. The employee with or without Union representation and the Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.
 2. If there is no mutual agreement at the end of the thirty (30) calendar day period the Agency shall implement the repayment schedule stated in subsection 3 below.
 3. If the overpayment amount to be repaid is more than five percent (5%) of the employee's regular monthly basic salary, the overpayment shall be recovered in monthly amounts not exceeding five percent (5%) of the employee's regular base salary. If an overpayment is recovered in a lump sum deduction from the employee's paycheck during the employee's Agency service before the Agency fully recovers the overpayment, the remaining amount may be deducted from the employee's next paycheck.

4. Subsections 1-3 of this section shall not apply to payroll adjustments necessitated by a discrepancy between actual hours of paid time versus hours projected for payroll purposes from one pay period to another. For example, if an employee utilizes leave without pay near the end of the month but is paid for such time because such leave without pay was not anticipated at the payroll cutoff date and benefit entitlements may be adjusted paycheck.
 5. The Agency shall not attempt to correct any overpayment to employees discovered older than two (2) years from notification.
- b) Underpayments. In the event an employee does not receive the wages or benefits to which the record/documentation has for all times indicated the employer agreed the employee was entitled, the Agency shall notify the employee in writing of the underpayment. This notification will include information showing that an underpayment exists and the amount of wages and/or benefits to be repaid. The Agency shall correct any such underpayment made within a maximum period of two (2) years before the notification.
 - c) This provision shall not apply to claims disputing eligibility for payments which result from this agreement. The presence of a representative shall not disrupt or interfere with the tests or searches.
- c) Before a supervisor, acting on behalf of the Agency under this policy, may require an employee to consent and submit to any test(s) specified in this section, the supervisor must first obtain concurrence from the supervisor the information available to the Agency about the subject employee is sufficient to determine reasonable suspicion that prohibited conduct will be established as a result of such test(s).

If a program of treatment is recommended by the doctor, the employee shall enroll in it immediately. Failure by the employee to enroll in the recommended program or to complete it successfully shall result in his or her termination from employment. The cost of such treatment shall be at the employee's expense except as it may be covered by insurance. The employee may take paid leave or leave without pay for the period of treatment.

The additional compensation which an employee shall be paid for working on a holiday shall not exceed the rate of time and one-half (1-1/2) of the employee's straight time pay. Any compensatory time earned may be converted to cash payment by the Agency. Holiday benefits shall be prorated for part-time employees.

Section 5. Holidays which occur during vacation or sick leave shall not be charged against such leave.

ARTICLE 27 - VACATION LEAVE

Section 1. The parties agree that an employee's vacation accrual is an earned benefit to which the employee is entitled. Therefore, at no time shall accrued vacation time be utilized without specific authorization of the employee or contract.

Section 2. After having served in the State service for six (6) full calendar months, full-time employees shall be credited with six (6) days of vacation leave and thereafter vacation leave shall be accumulated as follows:

After six (6) months through 5th year	15 work days for each 12 full calendar months of service (10 hours per month)

Eight (8) hours of vacation leave shall be accrued by each full time employee if the employee is employed as of July 1 of each year. Trial service employees will not be eligible to use this leave until the employee completes trial service.

Section 3. Compensation for use of accrued vacation shall be at the employee's prevailing straight time rate of pay.

Section 4. In the event of an employee's death, all monies due the employee for accumulated vacation and salary shall be paid as provided by law.

Section 5. Vacation credits shall continue to be earned while an employee is using paid leave.

Section 6. Service with a jury shall be considered time worked.

Section 7. If an employee has a break in service and that break does not exceed two (2) years, the employee shall be given credit for the time worked prior to the break in service in determining accrual rate.

Section 8. Time spent in actual State service, or on military leave, educational leave, or job-incurred disability, leave without pay shall be considered as time in the State service in determining length of service for vacation accrual rate.

Section 9. Vacation hours may accumulate to a maximum of three hundred (300) hours. Only two hundred and fifty (250) hours of vacation may be cashed out upon termination of employment.

Section 10. Upon reasonable notice to and approval of the Agency, employees shall be permitted to use any portion of, or all of the employees' accrued vacation credits in any segment, except:

- a) That employees shall have their vacation time paid in full when the employees are laid off, terminated, or take educational leave without pay in excess of thirty (30) days;
- b) As provided for set-off of damages or misappropriation of State property or equipment on termination;
- c) To avoid losing vacation, the Agency may schedule the employee who has accrued three hundred (300) hours to take vacation or make a cash payment in lieu of scheduling. Section 11. Employees that transfer within the Agency shall be allowed to transfer all accrued vacation credits.

Section 12. Reimbursement for Cancelled Vacation. Vacation that has been scheduled and approved may not be cancelled by the Agency except in the event of an emergency. When unrecoverable vacation costs are incurred by the employee, the Agency shall pay the unrecoverable deposits; receipts will be required.

ARTICLE 28 - SICK LEAVE WITH PAY

Sick leave, with pay, shall be determined as follows:

Section 1. Employees shall accrue eight (8) hours of sick leave for each full month worked. Employees working less than a full month but at least thirty-two (32) hours shall accrue sick leave on a pro rata basis.

Section 2. Temporary employees who are subsequently appointed to permanent positions covered by this Agreement, in the same class in which they were employed as a temporary, without a break in service of fifteen (15) days or more shall be credited with sick leave from their most recent temporary appointment date.

Section 3. Whenever an employee accepts an appointment in another agency of State service covered by this Agreement, the employee's accrued sick leave in the former agency shall be assumed by the new employing agency.

Section 4. Employees who have been separated from the State service and return to a position, except as a temporary, within two (2) years shall have unused sick leave credits accrued during previous employment restored.

Section 5. Actual time worked and all leave with pay, except for educational leave, shall be included in determining the pro rata accrual of sick leave credits each month provided that the employee works thirty-two (32) hours or more that month. Employees shall be eligible to utilize sick leave immediately upon accrual.

Section 6. Employees who have earned sick leave credits shall be eligible for sick leave for any period of absence from employment which is due to the employee's illness, bodily injury, disability resulting from pregnancy, necessity for medical or dental care, exposure to contagious disease, attendance upon members of the employee's immediate family (employee's parents, wife, husband, children, brother, sister, grandmother, grandfather, grandchild, son-in-law, daughter-in-law, or another member of the immediate household including the PEBB definition of domestic partners) where employee's presence is required because of illness or death, in the immediate family of the employee, the employee's spouse, or domestic partner. The Agency has the duty to require that the employee make other arrangements, within a reasonable period of time, for the attendance upon children or other persons in the employee's care. Certification of an attending physician or practitioner may be required by the Agency to support the employee's claim for sick leave, if the employee is absent in excess of seven (7) days, or if the Agency has evidence that the employee is abusing sick leave privileges. The Agency may also require such certificate from an employee to determine whether the employee should be allowed to return to work where the Agency has reason to believe that the employee's return to work would be a health hazard to either the employee or to others. Any cost associated with the supplying of a certificate concerning a job-incurred injury or illness that is not covered by Workers' Compensation benefits shall be borne by the Agency.

Section 7. If an employee's sick leave accrual should become exhausted, the employee may, at the employee's option, with management's approval, utilize any vacation, or compensatory time they have accrued.

An employee may use accrued vacation or compensatory time upon expiration of sick leave credits unless the employee is on a written notice involving attendance problems.

Section 8. Salary paid for a period of sick leave resulting from a condition incurred on the job and also covered by Workers' Compensation, shall, if elected to be used by the employee, be equal to the difference between the Workers' Compensation for lost time and the employee's

regular salary rate. In such instances, prorated charges will be made against accrued sick leave.

Should an employee who has exhausted earned sick leave elect to use vacation leave or compensatory time during a period in which Workers' Compensation is being received, the salary paid for such period shall be equal to the difference between the Workers' Compensation for lost time and the employee's regular salary rate. In such instances, prorated charges will be made against accrued vacation leave.

Section 9. Hardship Leave. The Agency will allow employees to make irrevocable donations of accumulated vacation leave to a co-worker who has exhausted accumulated leave while recuperating from an extended illness or injury or attending an immediate family member suffering from illness or injury. Hardship leave donations will be administered under the following stipulations and the terms of this Agreement shall be strictly enforced with no exceptions.

- a) The donor must be a regular employee of the Agency.
- b) The Agency shall not assume any tax liabilities that would otherwise accrue to the employee.
- c) Use of donated leave shall be consistent with the other Sections of this Article.
- d) Applications for hardship leave shall be in writing and sent to the Agency's Personnel Section and accompanied by the treating physician's written statement certifying the illness or injury. Donated leave may be used intermittently.
- e) Accumulated leave includes, but is not limited to, sick, vacation, and compensatory leave accruals.
- f) Donations shall be credited at the recipient's current regular hourly rate of pay. Donations shall be used to reimburse the Agency for such costs as are incurred for insurance contributions, unless health insurance contributions are mandated under the Family Medical Leave Act (FMLA). In FMLA situations, the Agency will continue to pay for the employee's health insurance contribution period ends. Donees will be allowed to keep forty (40) hours of donated leave for future use after they return to work. All other unused donated leave will be returned to donors per Agency policy.
- g) Employees otherwise eligible for or receiving workers compensation or on parental leave will not be considered eligible to receive donations under this Agreement.
- h) Time spent by the recipient on donated hardship leave shall not count toward completion of the employee's initial trial service period increase. When the recipient is released to return to duty, the end of the initial trial service and salary eligibility date will be adjusted by the period of the donated hardship leave taken.

ARTICLE 29 - SICK LEAVE WITHOUT PAY

Section 1. After earned sick leave has been exhausted, the Appointing Authority shall grant sick leave without pay for any job-incurred injury or illness for a period which shall terminate upon demand by the employee for reinstatement accompanied by a certificate issued by the duly licensed attending physician that the employee is physically and/or mentally able to perform the duties of the position.

After earned sick leave has been exhausted, the Appointing Authority may grant sick leave without pay for any non-job-incurred injury or illness to any employee upon request for a period up to one (1) year provided such leave will not seriously handicap the work of the County operations. Extensions of sick leave without pay for any non-job-incurred injury or illness beyond one (1) year must be approved by the Appointing Authority.

The Appointing Authority may require that the employee submit a certificate from the attending physician or practitioner in verification of disability resulting from job-incurred or non-job-incurred injury or illness.

Any cost associated with the supplying of a certificate concerning a job-incurred injury or illness that is not covered by Workers' Compensation benefits shall be borne by the Agency.

Section 2. In the event of a failure or refusal by an employee on a non-job related sick leave without pay to supply such a certificate, or if the certificate does not clearly show sufficient disability to preclude that employee from the performance of duties, such sick leave may be canceled by registered letter to the last known address. Failure to return to work or supply a certificate within five (5) days of delivery or attempted delivery shall be deemed a resignation.

ARTICLE 30 - FAMILY LEAVE

Employees determined to be eligible in accordance with provisions of federal and State leave laws shall have all the rights, and be subject to all of the requirements of those laws. Such laws include, but are not limited to, the Federal Family and Medical Leave Act of 1993 (FMLA) and the Oregon Family Medical Leave Act (OFLA) (ORS 659A.150-186).

ARTICLE 31 - LEAVES WITH PAY

Employees shall be granted a leave of absence with pay in accordance with the following:

- a) Service with a jury. The employee may keep any money paid by the court for serving on jury.
- b) Appearances before a court, legislative committee, or judicial body as a witness in response to a subpoena or other direction by proper authority for matters relating to the employee's officially assigned duties. The employee may keep any money paid in connection with the appearance.
- c) Taking part without pay in a search and rescue operation at the specific request of any law enforcement agency, the Administrator of the Board of Aeronautics, the United States Forest Service, or any local organization of civil defense, for a period of no more than five (5) working days.
- d) Other authorized duties in connection with State business.
- e) An employee who has been employed in State service for six (6) months or more, and who is a member of the National Guard or any reserve components of the armed forces of the United States, is entitled to leave of absence from the employee's duties for a period not to exceed fifteen (15) calendar days or eleven (11) working days in any federal fiscal year (October through September).
- f) An employee may be granted educational leave in which the Agency may defray a part or all of the cost, either through allotment or payment of salary. Such leave shall be granted only when the benefits to be realized by the State will outweigh the cost and inconvenience to the State. Each request for leave must be approved by the Agency Head or designee, who normally shall not approve such leave for more than one (1) year. Vacation leave shall not accrue during an educational leave with pay, the duration of which exceeds fifteen (15) calendar days.

ARTICLE 32 - LEAVE OF ABSENCE WITHOUT PAY

Section 1. Applying for leave of absence without pay will be in writing and submitted to the immediate supervisor.

Section 2. In instances where the work of an Agency shall not be genuinely handicapped by the temporary absence of an employee, the employee shall be granted a leave of absence without pay or educational leave without pay.

Section 3. Time spent on leave without pay in excess of thirty (30) consecutive days shall not be considered as service in determining the employee's eligibility date for a salary increase unless such time has been spent on leave resulting from job-incurred disability.

Section 4. Military Leave. An employee who has received official orders from any Reserve component of the armed forces of the United States shall be given such military leave without pay as may be provided by law.

ARTICLE 33 - PRE-RETIREMENT COUNSELING LEAVE

At any time after reaching forty-five (45) years of age and within five (5) years of the employee's retirement date, each employee shall be granted up to three and one-half (3-1/2) days leave with pay to pursue bona fide pre-retirement counseling programs. Employees shall request the use of leave provided in this Article at least seven (7) days prior to the intended date of use.

Authorization for the use of pre-retirement counseling leave shall not be withheld unless the Agency determines that the use of such leave shall handicap the efficiency of the employee's work unit.

When the dates requested for pre-retirement leave cannot be granted for the above reason, the Agency shall offer the employee a choice from three (3) other sets of dates. The leave herein discussed may be used to investigate and assemble the employee's retirement program, including PERS, Social Security, insurance and other retirement income.

ARTICLE 34 - ELECTION DAYS

On recognized federal and State election days, the work will be arranged to allow the employees the opportunity to vote.

ARTICLE 35 - PROMOTIONS/ADVANCEMENT

Section 1. The Agency desires to give all the bargaining unit employees an opportunity to fill bargaining unit vacancies. To that end, the Agency intends to ensure, subject to the requirements of Affirmative Action and Equal Employment Opportunity, that all bargaining unit employees may apply and be considered for all vacancies in the bargaining units covered by the terms of this Agreement and for which, in the judgment of the Agency, the employee is qualified. The Agency will determine the method of selection and determine the individuals to fill a vacancy.

Section 2. The employee is responsible for preparation for advancement and qualification for promotion within the Agency.

Section 3. Employees will be notified of all the bargaining unit vacancies covered by the terms of this Agreement, which the Agency intends to fill by posting a list of such vacancies on designated bulletin boards as agreed to by the Agency and the Union at each of the Agencies/Institutions. This posting will be for a minimum of five (5) days in order to give employees an opportunity to apply for the vacant positions.

Section 4. Transfers. Voluntary transfers between counties will be handled in a manner consistent with the Department of Corrections policies.

ARTICLE 36 - TRIAL SERVICE

Section 1. Each employee appointed to a position in the bargaining unit shall serve a trial service period. Trial service may be extended only in instances where a trial service employee has been on cumulative leave without pay for fifteen (15) days or more. Time spent on donated hardship leave shall not count toward completion of trial service. The trial service date will be

adjusted only by the number of days the employee was on such leave, except as modified under Section 2 of this Article.

Section 2. Trial Service Time. The trial service period is recognized as an extension of the selection process and is the time immediately following appointment to a position in the bargaining unit and shall not exceed twelve (12) full calendar months.

Section 3. Initial trial service employees may be removed from service when, in the judgment of the Agency, the employee does not demonstrate the competence and/or fitness for the position. Such removals under this Article are not subject to appeal or the grievance procedure.

Section 4. An employee on trial service, other than initial trial service, who is removed shall be reinstated to the employee's former position providing the employee was a regular employee in another position in an AFSCME bargaining unit immediately prior to the appointment, and provided the employee has not been charged under ORS 240.555.

ARTICLE 37 - TRAINING/EDUCATION

Section 1. Training. The Agency will pay incurred tuition/registration and allowable travel, per diem, and salary when the Agency directs employees to attend training. Employees may request agency-sponsored training and will be considered based on job and workload needs and on funding. Available training and educational opportunities will be posted on employee bulletin boards and maintained current.

Section 2. Developmental Opportunities. The Agency may provide developmental assignments and job rotation assignments by written agreement with and employees who volunteer, with notification to the union. Employees volunteering for these assignments retain their permanent position classifications, remain on the Agency payroll, retain the representation (AFSCME) status of their permanent positions while on the assignment, and return to their permanent positions on completion of the assignment. Employees participating in developmental and job rotation assignments will continue to receive compensation at the rate of their permanent position and shall continue to accrue rights and benefits related to their permanent position.

Section 3. Employees may be granted time off with pay to take job-related educational courses or training sessions.

ARTICLE 38 - JOB SHARING

Section 1. Job sharing position means a full-time position in the classified service that may be held by more than one (1) individual on a shared time basis whereby the individuals holding the position work less than full-time.

Section 2. Job sharing is a voluntary program. Any employee who wishes to participate in job sharing may submit a written request to the Functional Unit Manager to be considered for job share positions. The Functional Unit Manager shall determine if job sharing is appropriate for a specific position and will recruit and select employees for job share positions. Where the Functional Unit Manager determines job sharing is appropriate, the management agrees to provide written notification to all job share applicants of available job share positions in their office in the Agency.

Section 3. Job share employees shall accrue vacation leave, sick leave and holiday pay based on a pro rate of hours worked in a month during which the employee has worked thirty-two (32) hours or more. Individual salary review dates will be established for job share employees.

Section 4. Job sharing employees shall be entitled to share the full Agency paid insurance benefits for one (1) full-time position based on a pro rate of regular hours scheduled per week or per month whatever is appropriate. In any event, the Agency contribution for insurance benefits in a job share position is limited to the amount authorized for one (1) full-time employee. Each job share employee shall have the right to pay the difference between the Agency paid insurance benefits and the full premium amount through payroll deduction.

Section 5. For purpose of layoff, individuals filling a job share position which totals a full-time equivalent shall be considered as part-time employees at the time the position has been affected by a layoff.

Section 6. If a vacancy exists and if the Functional Unit Manager determines that job sharing is not appropriate for the position or if the Functional Unit Manager is unable to recruit qualified employees for the job share position, the remaining employee shall have the right to assume the position on a full-time basis. Upon approval of the Functional Unit Manager, the remaining employee may elect to transfer to a vacant part-time position in the same classification or to voluntarily demote. If the above conditions are not available or acceptable, the employee agrees to resign.

ARTICLE 39 - LAYOFF PROCEDURE

Section 1. A layoff is defined as a separation from service for involuntary reasons not reflecting discredit on an employee. An employee shall be given written notice of a pending layoff at least fifteen (15) days before the effective date stating the reason for the layoff.

Section 2. Employees shall be laid off and service credits calculated within the following mutually exclusive categories:

- a) Full-time,
- b) Part-time (including job share).

Section 3. The classification and functional unit to be affected by any particular layoff shall be identified by the Agency at the time the layoff is declared. Order of layoff within the designated classification and functional unit shall be determined by the lowest service credit.

It is understood that when an employee who is to be laid off possesses knowledge, skill, or ability, the loss of which in the judgment of the Agency would seriously impact operations, the Agency may hold that employee in active status, while laying off the next employee in service credit order in the employee's stead. When it is necessary to hold an employee, who would otherwise be laid off, the Agency will document the need and such documentation shall be accessible to the Union for its review. Any dispute in this regard may be taken up as a grievance by the Union.

If an employee is underfilling a position, the employee will be considered in the higher classification for the purposes of this Article. If it is found that two (2) or more employees in the Agency in which the layoff is to be made have equal service credits, the order of layoff shall be in inverse order of the greatest length of continuous State service. If ties between employees still exist, the order of layoff shall be determined by the Appointing Authority in such a manner as to conserve for the State the services of the most qualified employees.

Section 4. Service Credit. Seniority is defined as total length of continuous service as an Adult Parole and Probation Officer within the Functional Unit. For the purposes of this article Functional unit is defined as a County within the State of Oregon. One (1) service point shall be allowed for each full month of unbroken service. A new employee shall be placed on the seniority list and given seniority ratings as of the first day the employee was hired by the Agency.

Seniority shall be forfeited if an employee has a break in service from the Agency of more than one hundred eighty (180) calendar days, other than layoff, or fails to respond within five (5) consecutive work days after receiving notice by registered letter mailed to the last address on the Agency's records, unless prevented from responding by conditions beyond the employee's control. A break in service is a separation or interruption of employment without pay of more than one hundred eighty (180) calendar days.

Seniority lists shall be prepared by the Agency, during January, updated periodically, and posted on bulletin boards in the Agency.

Section 5. Options in Lieu of Layoff. Any employee who is given notice of layoff may file a written request to exercise an option in lieu of layoff with the Appointing Authority within five (5) work days of receipt of such notice. The employee's options shall be as follows:

- a) Any employee notified of layoff may opt to displace the least service credit person in the functional unit in the same classification provided the employee can perform the specific requirements of the position within approximately two (2) weeks. Time may be extended by mutual agreement.
- b) If an opening exists within another functional unit, an employee may accept that, provided the employee can perform the specific requirements of the position within approximately two (2) weeks. Time may be extended by mutual agreement.

Section 6. Layoff List. A layoff list shall be a list of employees by classification and functional unit who are laid off. Such lists are maintained in inverse order of layoff for the functional unit. Recall shall be from the list, one (1) name at a time, to the vacancy in the classification and within the functional unit from which the employee was laid off provided the employee can perform the specific requirements of the position within approximately two (2) weeks. No new employees may be hired within any county until all employees on the layoff list in that class have been offered reemployment. Names shall be maintained on the appropriate layoff list(s) for two (2) years from the effective date of layoff.

Section 7. Unclassified, exempt and management service employees shall be restored into classified service pursuant to ORS 240.570. If a reduction in force is required in connection with this return it will be accomplished through this Article. Seniority for the purposes of restoration shall be all time served in classified service. For any subsequent reductions in force following this restoration, Section 4 seniority will apply. There shall be no cross-bumping between management service and the bargaining unit.

Section 8. If the Agency is willing to allow cross bumping between unions, discussion with affected union representatives will be initiated. If the parties agree, cross bumping will be allowed both ways.

Section 9. Functional Unit. Functional unit is defined as:

- a) Douglas County
- b) Linn County

Section 10. Temporary Interruption of Employment. When work is not available due to a temporary situation beyond the Agency's control, employees in the affected work unit may have their employment temporarily interrupted for up to fifteen (15) calendar days without this being considered a formal layoff under this Article. Temporary workload fluctuations will not be considered as justification for invoking this provision.

Should such a temporary interruption of employment occur, employees so affected will be allowed to use any form of accrued paid leave including vacation, compensatory time off, or personal leave or will be placed on leave without pay where the affected employee(s) have insufficient compensatory time to cover the period of interruption.

If limited work is available within the affected work unit, it will be offered to employees by seniority, within the affected classifications, during the period of the temporary interruption provided that if current seniority scores are available, those scores shall be utilized and if special skills are needed, this section shall not apply.

ARTICLE 40 - REVIEW OF CLASSIFICATION SERIES

Section 1. It is agreed and understood that procedures for establishing new proposed classifications and for material revision of existing classifications will provide reasonable opportunity for review and input by the Union prior to implementation.

Section 2. The parties shall negotiate the salary range for new and materially revised classifications. Negotiations for the establishment of new salary ranges for such new or revised classification shall commence no later than thirty (30) days after the initial receipt by the Union of the new or revised class specifications.

Section 3. Implementation of a salary adjustment or rate change agreed upon in the salary negotiations shall be effective the first of the month following legislative approval of the negotiated salary, unless otherwise specified in the negotiated agreement.

Section 4. The Union may recommend classification studies to be conducted by the Department of Administrative Services, Human Resources Services Division including the reasons for the need for such studies.

Section 5. An appeal may be filed by an individual employee or a Union Council Representative on behalf of the employee, to the fifteen (15) calendar days of written notification by the Agency of placement into the new classification. Employees sharing the same or substantially similar position descriptions or employees the Agency agrees to treat as a group may file an appeal as a group. The initial filing should describe the individual or group, including the names of affected employees, identify the proposed placement, and the current signed position descriptions. Because the old classifications are to be abolished, correct placement cannot be back to a prior classification.

The Agency shall conduct a review of the allocation using the following criteria:

- a) The purpose of the position shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency,
- b) The concept of the proposed classification shall be determined by the general description and distinguishing features of its class specifications, and,
- c) The overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency. This decision shall be made within thirty (30) calendar days of receipt of the appeal and provided to the affected employees in writing and with a summary of the classification analysis.

Section 6. If denied, the Union may appeal the Agency's of Administrative Services Labor Relations Unit within fifteen (15) calendar days of receipt of the written denial. The appeal will be considered by the Employer designee (or an alternate) and the Union designee (or an alternate) who shall form the committee charges with responsibility to consider appeals and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Additionally, the committee may utilize two recourse persons, one designated by each party, to provide technical expertise concerning a specific series. The committee will attempt to resolve the matter jointly determining whether the current or proposed classification more accurately depicts the overall assigned duties, authorities and responsibilities of the position using the criteria specified above.

In this process each of the designees may identify one alternate classification that he/she determines most accurately depicts the purpose of the position and overall assigned duties. If an alternate classification is identified, both the Union and Labor Relations Unit shall be notified. If the parties concur that shall end the allocation appeal. In the event the committee concludes that the proposed or alternate classification is more appropriate, the Agency retains the right to modify the work assignment on a timely basis to make it consistent with the Agency's allocation.

Appeals shall be decided in order of receipt by the Labor Relations Unit.

Decisions shall be rendered by the designees no later than sixty (60) calendar days of receipt of the appeal by the committee

Section 7. The decision of the designees shall be binding on the parties. However, the Agency may elect to remove/modify duties at any point during the process.

Section 8. If the appeals committee cannot make a decision, the Union may request final and binding arbitration by a written notice to the Labor Relations Unit within the next forty-five (45) calendar day period. Each party may go forward with only one (1) classification. Each party may choose to take to arbitration either the current classification, class appealed to, or an alternate classification identified by a committee member. The arbitrator shall allow the decision of the Agency to stand unless he/she concludes that the proposed classification more accurately depicts the overall assigned duties, authority and responsibilities of the position.

Section 9. Where a position is vacated after the filing of the initial appeal, the Union may continue the appeal process and such appeals will be reviewed by the committee only after the review of all filled position appeals is completed and where the Agency indicates that no changes in duties is anticipated prior to refilling the position.

Section 10. This process terminates upon completion of the allocation process.

ARTICLE 41 - RECLASSIFICATION PROCEDURE

The parties shall use the following procedure to process reclassification requests.

Section 1. The Agency shall furnish Class Specifications at the request of the Union or employee.

Section 2. The employee will submit a completed official Position Description form and written explanation for a proposed reclassification request to the Agency Personnel Officer and a copy mailed to the Union.

Section 3. The Agency shall conduct a classification audit and review the merits of the request. Within thirty (30) days after receipt of reclassification request the Agency shall notify the Union of its decision. The Union shall have an opportunity, before the thirty (30) days decision date, to meet with the Agency to present arguments and recommendations where there are objections to the proposed reclassification. The parties may extend the time limits by mutual, written agreement in those instances where the review process or other extenuating circumstances require additional time for analysis.

Section 4. Any employee who is involuntarily reclassified or any employee whose reclassification request is denied may take the matter up as a grievance under Article 5, Grievance and Arbitration, of this Agreement.

Section 5. Should the duties of the position support the proposed reclassification, the Agency shall make the determination whether to seek legislative approval for reclassification or remove

the duties. If a reclassification request, as approved, does not receive the necessary legislative approval required by ORS 291.371, the Agency shall immediately change the duties of the employee to conform to the prior classification.

Section 6. The effective date of a reclassification implemented under this Article shall be the first of the month following the month in which the reclassification request was received by the Agency.

Section 7. Any incumbent who has successfully performed for three (3) months the duties of the position reclassified shall be continued in the position.

Section 8. Any employee reclassified downward will move into the new range at the step that is nearest the employee's current rate. The employee's anniversary date shall remain the same. If the employee's rate is above the highest step in the lower range, the employee shall receive no reduction in pay. Similarly, such employee shall not receive future salary adjustments until such time as the new range encompasses the employee's salary. At this time, the employee shall have a salary adjustment to the nearest step in the range. The employee shall also be placed on the Layoff List for the previously-held classification.

Section 9. Reclassification Upward. Any employee reclassified upward shall move into the new range at the closest step that is higher than the employee's current rate. LETTER OF AGREEMENT #7 - Mandatory Unpaid Time off Clarifications for Implementation

This Letter of Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) and the American Federation of State, County and Municipal Employees, AFSCME Council 75 (Union). The parties agree to the following clarifications for implementation of the mandatory unpaid time off tentative agreement.

1. Requests for Floating Mandatory Unpaid Time Off Days.
Employees may request to take up to two (2) mandatory unpaid time off days in the same week. The supervisor will have up to fifteen (15) days to respond to the employee's request (MUTO/Furlough) unpaid.
2. Scheduling Floating Mandatory Unpaid Time Off for Newly Hired, Reemployed, Recalled and Transferred Employees.
At the time of an employment offer, the employee shall be given the number of days designated as floating mandatory unpaid time off days.
3. Seasonal Employee—Calculation of Mandatory Unpaid Time Off Obligation.
Full-time FTE seasonal employee's mandatory unpaid time off shall be determined by the following formula as a guideline:
$$(MS \div TM) \times TO$$

Where:

MS = Estimated number of months the seasonal employee will work during the period in which mandatory unpaid time off must be taken.

TM = Total number of months during the 2011-2013 biennium during which mandatory unpaid time off must be taken.

TO = Total number of mandatory unpaid time off days required for the biennium for the salary tier for the employee.

Example: The employee's seasons include 2011 and May and October 2012. The seasonal employee is expected to work both seasons. The seasonal employee is in the top salary tier which has a maximum of fourteen (14) mandatory unpaid time off (MUTO) days. The calculation is the following:

$$(MS \div TM) = (9 \text{ months} \div 22 \text{ months}) = .409$$

$$TO = 14 \text{ days}$$

$$(9 \div 22) \times 14 = 5.73 \text{ days}$$

Rounding to nearest whole number = 6 mandatory unpaid time off days (8 hours each).

Part-time FTE seasonal employee's mandatory prorated based on the actual paid hours, excluding overtime, for the part-time seasonal employee in the previous twelve (12) months or season, whichever is applicable. The mandatory unpaid time off obligation shall be prorated using the following formula as a guideline:

$$(SSH \div FTH) \times 8 = MH$$

Where:

SSH = the scheduled hours in a month for the part-time employee.

FTH = The number of full-time hours in a month.

8 = The number of hours in a full-time mandatory unpaid time off day obligation.

MH = the number of mandatory unpaid time off hours required for a mandatory unpaid time off day for the part-time employee.

Example: Using the facts in the example used for full-time calculation (6 mandatory unpaid time off days), but adding that the part-time employee is scheduled to work three-quarter (3/4) time for the previous twelve (12) months or season, whichever is applicable, 3/4 time is equivalent to 130 hours (i.e., 3/4 of the 173.33 full-time hours in a month). The calculation is:

$$(130 \text{ hours} \div 173.33 \text{ hours}) \times 8 = 6 \text{ hours}$$

The 3/4 time employee would take 3/4 of a work day (i.e., 6 hours) off for a mandatory unpaid time off day.

Seasonal employees employed multiple seasons and/or by multiple agencies, will be dealt with on an Agency by Agency basis to determine the number of mandatory unpaid time off days.

4. Part-Time Employee Calculation

Prorate the employee's regular scheduled or excess work hours for the month. The mandatory unpaid time off obligation shall be prorated using the following formula: Part-time employees may take time off based on their hours for a full scheduled shift.

$$(SSH/FTH) \times 8 = MH$$

Where:

SSH = The scheduled hours in a month for the part time employee.

FTH = The number of full time hours in a month.

8 = The number of hours in a full time mandatory unpaid time off day obligation.

MH = The number of mandatory unpaid time off hours required for a mandatory unpaid time off for the part-time employee.

Example: A part-time employee is scheduled to work 136 hours in the month of October (136/173.3 hours) x 8 = 6.27 hours. Rounded to the nearest full hour, the employee will take six (6) hours unpaid furlough time off for the month in which an unpaid furlough day is taken.

5. Limited Duration Employee Calculation

Calculate the number of furlough days required using the following formula:

$$(MS/TM) \times TO$$

MS = Estimated number of months the limited duration employee will work during the period in which mandatory unpaid time must be taken.

TM = Total number of months during the 2011 – 2013 biennium during which mandatory unpaid time off must be taken.

TO = Total number of mandatory unpaid time off days required for the biennium for the salary tier for the employee.

6. An employee's original mandate ~~not be changed~~ as a result of promotion, demotion, reclassification except if the employee changes from part time to full time or seasonal to full time or vice versa.

7. Unpaid Leaves (including: FMLA/OFLA, Military Leave, Workers Comp, LWOP) during closures.

For employees observing mandatory unpaid closure days, if an employee is on leave without pay when a mandatory unpaid time off closure day occurs, the employee will not be required to make up the missed mandatory unpaid time off day.

8. Authorized Unpaid Leaves (including: FMLA/OFLA, Military Leave, Workers Comp, LWOP) and float day observance.

If an employee's scheduled mandatory unpaid employee is on authorized leave without pay, the scheduled mandatory unpaid time off day will count towards the employee's obligation mandatory unpaid time off.

9. Employees Called in to Work on a Mandatory Unpaid Time Off Day Off.

In the event an employee is called in to work on a date designated as a mandatory unpaid time off day due to operational needs, the employee and supervisor shall arrange to take the remainder of the mandatory unpaid time off at a mutually agreeable time. The remaining mandatory unpaid time off, with approval from the supervisor, may be taken during the employee's work day, the employee may either split a workday (mandatory unpaid hours plus regular work hours) to make a full work shift or make alternate arrangements for the remainder of the shift, including but not limited to using appropriate accrued leave.]

10. Adjusting the Mandatory Unpaid Time Off Day Off Obligation for Employees Hired After July 1, 2011.

Employees hired after the effective date of the Agreement will have their mandatory unpaid time off obligation adjusted for the time remaining to June 30, 2013. The attached table identifies the obligation remaining for new hires by calendar quarter.

11. Non emergency changes to employees observing fixed closure days.

This LOA does not preclude schedule changes pursuant to the CBA.

Employees who are attending or presenting at conferences or traveling on closure days may convert the closure day to a float day within the same pay period.

For Board and Commission meetings scheduled on a closure day, the closure day may be converted into float days.

This chart calculates the mandatory unpaid time obligation for new hire employees and the minimum required obligation for separating employees. Fixed closures may vary for some Agencies; employee obligation will be reduced according to the Agency's fixed closures. Chart reflects unpaid time off reduced in 8-hour increments (full-time regular work schedule). Employees on an alternative work schedule or flexible work schedule may take the unpaid time off as their shift and their obligation hours shall be reduced accordingly. Additional or specific requirements are specified in any applicable collective bargaining agreement and/or by policy.

FOOTNOTES:

¹ 8/19/11 was a fixed closure for some represented agencies instead of 9/16/11. For those agencies, the New Hire obligation would be reduced by one day beginning 8/19/11. Also, on the Separating Employee Chart the obligation for taking one day began on 8/19/11, instead of 9/16/11.

² The mandatory unpaid time off obligation exceeds the number of remaining closure dates because the employee has float days.

³ The float mandatory time off will not be required for an employee hired after 5/24/13.

⁴ Employees who retire or separate from the State prior to the end of the biennium are required to schedule and take the number of mandatory unpaid time off days identified for their separation date prior to separating.

⁵ Break points for separation dates are based either on closure dates or the end of the biennium time when obligations are to be completed.

⁶ Separating employees should have taken the total required number of mandatory unpaid time off obligation by 3/31/13, unless the employee observes closure days. If the employee observes closures, the obligation on 4/1/13 would be 8, 10, and 12, respectively. After the 4/19/13 closure date, the obligation would be 9, 11 and 13, respectively, and after the 5/24/13 closure date the obligation would be fully completed with 10, 12 and 14 days respectively.
