COMPENSATION PLAN	91

ARTICLE 1 - SCOPE OF AGREEMENT

Section 1.

This Agreement is made and entered into by and between the State of Oregon (hereinafter the "Employer"), acting through its Department of Administrative Services, Labor Relations Unit on behalf of the Department of Corrections, Board of Parole and Post-Prison Supervision (hereinafter the "Agencies"), and the American Federation of State, County, and Municipal Employees Council 75 (AFL-CIO) (hereinafter the "Union"), and is binding upon the Union, Agency and the Employer and all designated representatives of the Union, Agency and the Employer.

Section 2.

The Agencies recognize the Union as the sole and exclusive bargaining agent for the employees within the certified or recognized bargaining units. All aspects of the employees' wages, hours, and other terms and conditions of employment shall be determined by this Agreement, except in regard to recruitment and selection of applicants for initial appointment to state service. The terms and conditions of employment set forth in this Agreement shall apply to all classified positions (except temporary positions and those positions excludable by ORS 243.650) within the appropriate bargaining units within the Department of Corrections which are:

- a. AFSCME Local 2376. Encompasses all other classified employees excluding supervisory and confidential employees as defined in ORS 243.650, employees at the Oregon State Penitentiary covered by the Association of Oregon Corrections Employees;
- b. Board of Parole and Post-Prison Supervision support staff. The parties agree that the term "classified employee" does not include temporary employees appointed under the provisions of ORS 240.380 or part-time employees who regularly work thirty-two (32) hours or less per month.

Section 3.

If the Agency establishes a new position which is not clearly excluded from the bargaining unit under ORS 243.650 or reclassifies an existing bargaining unit position, the Employer shall notify the Union in writing within seven (7) days following the action, as to whether or not it believes the classification to be within the bargaining unit. The Union must notify the Employer in writing within ten (10) days from receipt of the notification if it disagrees about the inclusion or exclusion of the classification in the bargaining unit or the matter becomes closed. If notice of the disagreement is received within the ten (10)-day period, the parties shall meet within fourteen (14) days of above notification to discuss the matter. If an agreement is not reached within thirty (30) days, the Union may submit the matter to the Employment Relations Board. Should the matter not be submitted to the Employment Relations Board within the specified thirty (30)-day period, the matter shall be considered resolved.

Section 4.

This contract incorporates the sole and complete Agreement between the Agencies and the Union resulting from negotiations held pursuant to the provisions of ORS 243.650 et seq. and supersedes all prior labor contracts. It is acknowledged that during negotiations which resulted in this Agreement, each party had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter appropriate for collective bargaining and that the

understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. It shall not be modified in whole or in part except by another written instrument duly executed by the parties.

Section 5.

a. This agreement will prevail whenever there is a conflict with applicable Employer Human Resource Services Division Personnel Policies and Agency Procedures relating to their implementation.

b. Policies, procedures, and rules of the Agency which directly relate to mandatory subjects of bargaining as defined by statute and which affect bargaining unit members on the day this Agreement becomes effective shall be continued, unless modified or deleted elsewhere in this Agreement. Should the Agency wish to change such a policy, procedure, or rule, or to issue a new one, notice will be given to the Union. If the Union believes the policy, procedure, or rule to be unreasonable, then within seven (7) days of the date upon which the Union knows, or by reasonable diligence should have known, of the subject action, the Union shall request that the Agencies meet to discuss the issue.

c. Such meeting shall occur within fifteen (15) days of:

1. Agreement that the issue is a mandatory subject, or
2. An Employment Relations Board ruling that the issue is a mandatory subject of bargaining.

If agreement which alters the policy, procedure or rule is reached, it shall be reduced to writing and signed by both parties. If the parties are unable to reach an agreement within fourteen (14) days following the Level C meeting and the Union continues to believe the policy, procedure, or rule to be unreasonable, it shall notify the Agencies in writing of its intent to submit the matter to interest arbitration. Such written notification must be made during the fifteen (15)-day period immediately following the above mentioned fourteen (14)-day period. Failure to file such written notification within the prescribed time shall be understood by both parties to waive the Union's right to any further objection.

d. The parties shall meet within the five (5) days immediately following receipt of notification of the Union's desire to arbitrate and select an arbitrator. Selection of an arbitrator shall be as prescribed in Article 51, Grievance and Arbitration.

e. The parties agree that the decision or award of the arbitrator shall be final and binding on each of the parties and that they will abide thereby, unless the award is vacated pursuant to statute. The power of the arbitrator in this process shall be limited to determine whether the policy, procedure, or rule is unreasonable.

If the arbitrator's ruling is that the policy, procedure, or rule is unreasonable, the Agency shall immediately withdraw the policy, procedure or rule.

f. The arbitrator's fee and expenses shall be paid by the losing party. If, in the opinion of the arbitrator, neither party can be considered the losing party, then such expenses shall be apportioned as in the arbitrator's judgment is equitable. All other expenses shall be borne exclusively by the party requiring the service or item for which payment is to be made.

g. Time limits specified in this procedure must be observed, unless either party requests a specific extension of time, which, if agreed to, must be stipulated in writing and shall become part of the record.

ARTICLE 2 - TERM OF AGREEMENT

Section 1.

This Agreement, and attachments hereto, shall be in full force and effect from the date of signing of this Agreement, unless otherwise-indicated in this Agreement, through June 30, 2011.

Section 2.

For the purposes of compensation, the number of Union bargaining team members will be one (1) representative from each current Local Chapter and the Statewide Local President, not to exceed twelve (12) and AFSCME Council 75 representatives. (An additional labor bargaining team member will be added for each institution that may come on line.) Union bargaining team members will be compensated up to-one hundred (100) hours per member for time spent in negotiations. Team members whose schedules are other than five (5) eight (8)-hour day shifts will have their schedule adjusted to accommodate the bargaining schedule. Bargaining time and schedule adjustments will not result in overtime or other premium pay. Hours in excess of one hundred (100) must be authorized by mutual agreement of the parties.

Reasonable travel time to and from bargaining will be allowed on regular paid time if on an employee's regular work hours and will not be included in the above bargaining time.

Section 3. Successor Negotiations.

Negotiations for a successor agreement will commence between January 2, 2011 and February 15, 2011, or sooner upon mutual agreement of the parties.

ARTICLE 3 - UNION SECURITY

Section 1. New Employees.

The Agencies agree to inform all new employees hired into positions included in the bargaining unit of the Union's exclusive recognition, and shall provide all present and future employees in the bargaining unit with a copy of its Agreement, provided the parties shall share equally in the costs of preparation and distribution of the Agreement. The Agencies agree to allow duly certified Union Representatives thirty (30) minutes, to speak to new employees about the Union's exclusive recognition, its benefits, and services available to the membership. This time will not be used for discussion of labor-management disputes.

If the Union Representative is an employee of the institution, the representative will be allowed time off without loss of pay to make the presentation.

Section 2. Union Access.

Accredited representatives of the Local, Council 75, or International American Federation of State, County and Municipal Employees, AFL-CIO, upon proper introduction and notice, shall have reasonable access to the premises of the Agencies during all working hours to conduct Union business (with appropriate observation of the security regulations of the Agencies). During periods of bona fide emergency, this provision may be temporarily suspended by the Agencies as required for the duration of the emergency.

Section 3.

Unless otherwise provided in this Agreement, the internal business of the Union shall be conducted by the employees during non-duty time.

All policies, procedures, and rules, and all provisions of this Agreement shall be applied equitably among employees to whom they apply.

Section 4. Stewards.

The Union may select, and shall certify in writing to the Agency, employees to act as Union Stewards. With prior approval of management, stewards shall have authority to investigate and resolve grievances, alleged violation of the agreement before a written grievance is filed (Step 1 of the grievance process), and to distribute Union informational material provided that such activity does not interfere with the regular work. The investigation and processing of employee grievances and reasonable time to investigate alleged violations of the agreement before a grievance is filed will be permitted during working hours without loss of compensation.

If the permitted activities would interfere with either the Steward's or the grievant's duties, management shall, within the next working day, arrange a mutually satisfactory time for the requested activities. Time spent in grievance activities without the proper notification and release by an appropriate supervisor involved will be considered unauthorized leave without pay for both the Steward and the grievant. An employee may request and have present a Shop Steward or Union Representative at any formal discussion on disciplinary actions, or grievance proceedings, or any other matter that might adversely and substantially affect their future employment, pay, or chances for promotion.

Management will provide written notification to an officer of the Local and the Union Business Agent of an impending disciplinary action (suspension, reduction, demotion or dismissal) against an employee.

Section 5. Union Business Leave.

Union Business Leave does not constitute a break-in-service.

AFSCME shall indemnify and hold the State harmless against any and all claims, damages, suits or other forms of liability which may arise out of any action taken or not taken by the Employer and/or Agency for the purpose of complying with this provision.

For short- and long-term leave, AFSCME shall, receipt of billing, reimburse the Agency for payment of appropriate salary, benefits, paid leave time, pension, and all other employer-related costs.

a. Short Term.

Upon written request from the Executive Director of AFSCME Council 75 to DAS Labor Relations Unit, members of AFSCME Local 2376 shall be given release time from his/her position for the performance of Union duties.

Not to exceed a maximum of four (4) employees at any one time, selected by the Union to conduct Union business that takes them away from their employment may, at the employee's option be granted leave without pay, or leave with pay to be reimbursed by AFSCME Local 2376, to the Agency for a reasonable period of time not to exceed seven (7) days, upon seven (7)-days' advance notice by the Union. The determination for granting such leave shall be made by the Agency based on operational needs of the Agency. Leave will be requested through the normal agency procedure.

b. Long Term.

Upon written request from the Executive Director of AFSCME Council 75 to DAS Labor Relations Unit, AFSCME Local 2376 President or designee shall be given release time from his/her position for a period of time up to one (1) year for the performance of Union duties directly related and central to the collective bargaining relationship. Such requests will be

granted unless the affected Functional Unit can demonstrate that the employee's absence would adversely impact the operating needs of the employee's work unit.

If the Agency cannot grant such leave based on lack of funding, the Union may offer to reimburse within thirty (30) days of receipt of billing, the Agency for required costs (including: salary, benefits, paid leave time, pensions and all other employer-related costs) to allow the designated employee to take Union business leave. The Agency and the Union agree to meet and discuss and clarify if any overtime costs are to be paid by the Union prior to the requested leave. If no agreement is reached, the employee's request may be denied.

c. Contract Administration.

The Agencies agree to the attendance by the President or designee without loss of pay, at:

1. Joint Agency and Union grievance meetings where this individual is acting as Steward;
2. An employee request for representation by one (1) of these individuals to act as Steward;
3. Any other meeting where their presence is requested by management;
4. Other instances in accordance with past practice.
5. Arbitration hearings or other administrative hearings before the Employment Relations Board directly involving the specific local.

d. Monthly President's Leave.

The AFSCME Local 2376 President shall be allowed up to thirty-two (32) non-cumulative hours leave per month as leave without pay or be allowed use of accumulated vacation leave or accrued compensatory time with reasonable notice, to conduct union business. These hours may be allocated to local Chapter designees by the President.

Section 6. Communications.

a. The Agencies agree to furnish and maintain bulletin boards in convenient places to be used by Union for the posting of official Union notices only. Union shall keep the bulletin boards neat and orderly.

b. The Union shall be allowed the use of the internal mail system for communicating with job Stewards only.

c. Upon written request, the Agency will make reasonable accommodations for the Union for use of agency facilities when available for meetings. Whenever possible, meetings will be held outside the secure perimeter.

d. Personal use as defined in DOC policy may include Union business. Two-way communication relative to bargaining unit business between officially designated Union officers, management, and member to member via the DOC computer system will be consistent with the DOC personal use policy.

Section 7. Dues Deduction.

The Agencies agree to deduct the monthly membership dues from the pay of those employees who individually request such deductions in writing. The amount to be deducted shall be certified to the Agencies by the Treasurer of the Union, and the aggregate deductions shall be remitted monthly together with an itemized statement, to the Treasurer of the Union.

Section 8. Fair Share.

The terms of the contract have been made for all employees in the bargaining unit, not solely for members of the Union. The parties recognize that it is fair that each employee in the

bargaining unit should bear a fair share of the costs incurred by the Union in meeting its responsibilities as a recognized bargaining unit representative.

Each employee not exempt under recognition of this contract shall, within thirty (30) days of hire, have deducted monthly from their pay by the State, a sum equal to the amount of current Union dues. Such sum shall constitute the employee's dues if the employee is a member of the Union, or shall otherwise constitute that employee's fair and equitable contribution to the expenses of administering this contract on the employee's behalf by the Union. Such deduction shall be made only if accrued earnings are sufficient to cover the service fee after all other authorized payroll deductions have been made.

The deduction and disbursement to the Union of dues and service fees provided herein shall be accomplished monthly by the State and payment to the Union shall be made on or before the 15th day following the date such deductions were made.

Any employee who is a member of a bona fide religious organization which teaches as a doctrine of faith that payment of Union dues is wrong may follow the procedures allowed by State law to have in lieu of dues payment paid to a non-religious charity.

The Union shall indemnify and save the Agencies harmless against any and all claims, damages, suits or other forms of liability which may arise out of any action taken or not taken by the Agencies for the purpose of complying with the provisions of this section.

Section 9. Employee Statistics.

The Labor Relations Unit and the Agency will, upon request of the Union, provide any regularly produced computer runs containing non-confidential statistics of the Union's bargaining unit members. This will include one (1) printout annually showing names and addresses of all bargaining unit employees and monthly information currently furnished. Any costs incurred in compiling and photocopying these statistical reports under this Agreement shall be billed to the Local Union making the request. During January of each year, the Agency will provide the Union a report showing the total numbers of current bargaining unit employees by gender, age and race.

ARTICLE 4 - UNION/MANAGEMENT MEETINGS

Section 1. Purpose.

The purpose of this Article is to promote harmonious relations between the parties.

Section 2. Meetings.

Either the Agency Head/Functional Unit Manager or the Union President may request a meeting. Each party may designate desired representation to the extent that such absences from duty do not cause a disruption of work or otherwise create a short staff situation. Off duty personnel participating in such meetings must do so on their own time. The actual meeting time will be established through mutual agreement. Refusal of either party to meet on a given subject does not constitute a contract violation.

Section 3. Scope of Authority.

Meetings will be held for purpose of discussion only. This committee will not enter into a binding agreement of any sort. Contractual type negotiations, attempts to resolve individual grievances, or similar matters must be handled in the manner provided within the Contract and will not be proper subject matter for such meeting.

ARTICLE 5 - LEGISLATIVE ACTION

Provisions of this Agreement not requiring statutory changes or funding by the full Legislature before they can be put into effect shall be implemented on the effective date of this Agreement or the date otherwise specified in this Agreement. Necessary bills for implementation of the other provisions shall be submitted promptly by the Department of Administrative Services to the Legislative Assembly and both parties shall jointly recommend passage of the funding and statutory changes.

Nothing in this provision shall be construed as to require the Governor to call a special session of the Legislature.

If the Legislature fails to act or approve bills submitted under this Article, the parties shall reconvene immediately to renegotiate an alternative provision.

ARTICLE 6 - EFFECT OF LAWS AND RULES

Section 1.

This Agreement is subject to all applicable existing and future laws of the State of Oregon. In the event of a conflict between a provision of this Agreement and a rule or regulation of the Department of Administrative Services or any of its Divisions, the terms of this Agreement shall prevail.

Section 2. Liability in Civil Suits.

In accordance with ORS 30.285, any employee who has any civil action suit or proceeding brought against the employee for causes resulting from acting in the employee's official capacity, duties or employment in good faith and without malice, shall be given legal defense by the State of Oregon. The Agencies further agree to provide written procedures which will outline the proper methods for requesting this legal defense.

ARTICLE 7 - SEPARABILITY OF PROVISIONS

If any provision of this Agreement shall be found to be invalid by any court having jurisdiction in respect, thereof, such findings as to such provision shall not affect the remainder of this Agreement, and all other terms and provisions hereof shall continue in full force and effect as set forth herein. In such event, the parties shall enter into immediate negotiations for the purpose of arriving at a mutually satisfactory replacement for such term or provision.

ARTICLE 8 - NO STRIKE OR LOCKOUT

The Agencies agree that during the term of this Agreement, the Agencies shall not cause or permit any lockout of employees from work. In the event an employee is unable to perform the employees' assigned duties because equipment or facilities are not available due to a strike, work stoppage, or slowdown by any other employees, such inability to provide work shall not be deemed a lockout.

During the term of this Agreement, the Union shall neither cause nor counsel the members of bargaining units for which it has been certified, or for which recognition has been extended by the Agency, to strike, walk out, slowdown, or commit other acts of work stoppage.

Upon notification confirmed in writing by the Department or Agency to the Union that certain bargaining unit(s) employees covered by this Agreement are engaging in strike activity in violation of this Article, the Union shall, upon receipt of a mailing list, advise such striking employees in writing, with a copy to the Department and Agency, to return to work immediately. Such notification by the Union shall not constitute an admission that it has caused or counseled such strike activity. The notification to employees covered by this Agreement by the Union shall be made at the request of the Department or Agency.

ARTICLE 9 - EQUAL OPPORTUNITY

Section 1.

The Agencies and the Union agree to continue their policies of not unlawfully discriminating against any employee because of race, color, religion, sex, national origin, age, mental or physical disability, marital status, political affiliation, or union activity. Neither will the Agencies discriminate based on sexual orientation.

Section 2.

Any complaint alleging unlawful discrimination based on race, color, religion, sex, national origin, age, mental or physical disability, marital status or political affiliation which is brought to the Union for processing will be submitted directly to the designated appointing authority. If such a grievance is not satisfactorily resolved within thirty (30) days of its submission, it may be submitted to the Bureau of Labor and Industries for resolution.

Section 3.

Complaints alleging discrimination based on sexual orientation may be submitted by the Union to the Department of Administrative Services, Labor Relations Unit if not resolved by the Agency. The Labor Relations Unit will review the complaint, attempt to resolve it, and issue its findings to the Agency and the Union. Such complaints may not be advanced pursuant to Article 51.

Section 4.

If an employee has a grievance alleging unlawful discrimination based on union activity, it shall be first pursued through the grievance procedure, however, the parties may mutually agree, in writing, to waive arbitration on any such grievance allowing the matter to be resolved through the Employment Relations Board.

Section 5.

For purposes of addressing inappropriate workplace behavior, the parties agree to adopt HRSD Policy 50.010.03 (Maintaining Professional Workplace) to the Security Plus bargaining unit after Union review and bargaining, if necessary, on mandatory subjects to bargaining, if any. The implementation and effectiveness of this subject shall be a 'standing agenda item' at each statewide Labor/Management.

ARTICLE 10 - MANAGEMENT RIGHTS

The Union agrees that the Employer retains all inherent rights of management and hereby recognizes the sole and exclusive right of the State of Oregon, as the Employer, to operate and manage its affairs in accordance with its responsibilities to maintain efficient governmental

operations. The Employer retains all rights to direct the work of its employees, including, but not limited to, the right to hire, promote, assign, transfer, demote, suspend, or discharge employees for proper cause; to schedule work; determine the processes for accomplishing work; to relieve employees from duties because of lack of work or for other legitimate reasons; to take action as necessary to carry out the missions of the State; or determine the methods, means, and personnel by which operations are to be carried on, except as modified or circumscribed by the terms of this Agreement. The retention of these rights does not preclude any employee from filing a grievance, pursuant to Article 51, Grievance and Arbitration Procedure, or seeking a review of the exercise of these rights, when it is alleged such exercise violates provisions of this Agreement.

ARTICLE 11 - CONTRACTING OUT

Section 1.

The Union recognizes that the Employer has the management right, during the term of this Agreement, to decide to contract out work performed by bargaining unit members. However, when the contracting out will displace bargaining unit members, such decisions shall be made only after the affected Agency has conducted a formal feasibility study determining the potential costs and other benefits which would result from contracting out the work in question. The Agency agrees to notify the Union within one (1) week of its decision to conduct a formal feasibility study, indicating the job classifications and work areas affected. The Agency shall provide the Union with no less than thirty (30) days notice that it intends to request bids or proposals to contract out bargaining unit work where the decision would result in displacement of bargaining unit members. During this thirty (30) day period, the Agency shall not request any bids or proposals and the Union shall have the opportunity to submit an alternate proposal. The notification by the Agency to the Union of the results of the feasibility study will include all pertinent information upon which the Agency based its decision to contract out the work including, but not limited to, the total cost savings the Agency anticipates.

Feasibility studies will not be required when: (1) an emergency situation exists as defined in ORS 279.011(4), and (2) either the work in question cannot be done by available bargaining unit employees or necessary equipment is not readily available.

Nothing in this Article shall prevent the Employer from continually analyzing its operation for the purpose of identifying cost-saving opportunities.

Section 2.

The Agency shall evaluate the Union's alternate proposal provided under Section 1. If the Agency's evaluation of the Union's alternate proposal confirms that it would result in providing quality and savings equal to or greater than that identified in the management plan, the Parties will agree in writing to implement the Union proposal.

Section 3.

Should any full-time bargaining unit member become displaced as a result of contracting out, the Employer and the Union shall meet to discuss the effect on bargaining unit members. The Employer's obligation to discuss the effect of such contracting does not obligate it to secure the agreement of the Union or to exhaust the dispute resolution procedure of ORS 243.712, 243.722, or 243.742, concerning the decision or the impact.

“Displaced” as used in this Article means when the work an employee is performing is contracted to another entity outside state government and the employee is removed from his/her job.

Section 4.

Once an Agency makes a decision to contract out, the Agency will choose either (a) or (b) below. The Agency will notify affected employees of the option selected. The Agency will post and provide to the Union, a list of service credits for employees in all potentially affected classifications within the Agency. Within five (5) business days of the notice, the affected employees will notify the Agency of acceptance of the Agency’s option or decision to exercise his/her rights under (c) below:

- a. Require the contractor to hire employees displaced by the contract at the same rate of pay for a minimum of six (6) months subject only to “just cause” terminations. In this instance, the state will continue to provide each such employee with six (6) months of health and dental insurance coverage through the Public Employee Benefits Board, if continuation of coverage under the Bargaining Unit Benefits Board is allowed by law and pertinent rules of eligibility. Pursuant to Article 44, an eligible employee shall be placed on the Agency layoff list and may, at the employee’s discretion, be placed on a secondary recall list for a period of two (2) years; or
- b. Place employees displaced by a contract elsewhere in state government in the following order of priority: within the Agency, within the department, or within state service generally. Salaries of employees placed in lower classifications will be red-circled
- c. An employee may exercise all applicable rights under Article 44, Layoff.

Section 5.

The following provisions govern the administration of the requirement under this Article to conduct feasibility studies in cases of contracting out and will supplement the provisions included in the contract.

- a. The Employer agrees that all AFSCME represented state agencies will conduct a feasibility study in instances of contracting out work performed by bargaining unit employees when contracting out will result in displacement of bargaining unit employees.
- b. The Parties agree that AFSCME-represented agencies will send directly to AFSCME’s Executive Director and to DAS HRSD Labor Relations Unit all future notices of intent to conduct a feasibility study pursuant to Section 1.

ARTICLE 12 - INSURANCE

An Employer contribution will be made for each eligible employee who has at least eighty (80) paid regular hours in the month.

The contribution for eligible participating part-time employees with eighty (80) or more hours paid time for the month will be prorated based on the ratio of paid regular hours to full time hours to the nearest full percent.

Effective January 1, 2009 and through December 31, 2009, the Employer shall make a contribution sufficient to cover the premium costs for PEBB health, dental and basic life benefits chosen by each eligible full time employee.

For plan year January 1, 2010 through December 31, 2010, the Employer will increase its monthly contribution by up to five (5%) percent of the actual monthly composite resulting from plan year 2009.

For plan year January 1, 2011 through December 31, 2011, the Employer will increase its monthly contribution by up to five (5%) percent of the actual monthly composite resulting from plan year 2010.

Should rates for 2010 and 2011 exceed the Employer contribution, the parties shall jointly petition the Public Employees Benefits Board to use reserve funding to support any premium increase above five (5%) percent during the 2010 and 2011 plan years.

ARTICLE 13 - SALARY AND WAGES

Section 1.

a. Effective July 1, 2007 salary schedules shall be adjusted upward three percent (3%) but shall be no less than eighty dollars (\$80).

b. Effective November 1, 2008, salary schedules shall be adjusted upward by three and two tenths percent (3.2%) but shall be no less than eighty-five dollars (\$85).

Section 2.

For purposes of this Section 2, “employee” means an employee who is employed by the State on August 28, 2003 and who is eligible to receive benefits under ORS Chapter 238 for service with the State pursuant to Section 2 of Chapter 733, Oregon Laws 2003.

Retirement Contributions. On behalf of employees, the State will continue to “pick up” the six percent (6%) employee contribution, payable pursuant to law. The parties acknowledge that various challenges have been filed that contest the lawfulness, including the constitutionality, of various aspects of PERS reform legislation enacted by the 2003 Legislative Assembly, including Chapters 67 (HB 2003) and 68 (HB 2004) of Oregon Laws 2003 (“PERS Litigation”). Nothing in this Agreement shall constitute a waiver of any party’s rights, claims or defenses in respect to the PERS Litigation.

Section 3. Oregon Public Service Retirement Plan Pension Program Members.

For purposes of this Section 3, “employee” means an employee who is employed by the State on or after August 29, 2003 and who is not eligible to receive benefits under ORS Chapter 238 for service with the State pursuant to Section 2 of Chapter 733, Oregon Laws 2003.

Contributions to Individual Account Programs. As of the date that an employee becomes a member of the Individual Account Program established by Section 29 of Chapter 733, Oregon Laws 2003, and pursuant to Section 3 of the same chapter, the State will pay an amount equal to six percent (6%) of the employee’s monthly salary, not to be deducted from the salary, as the employee’s contribution to the employee’s account in that program. The employee’s contributions paid by the State under this Section 3 shall not be considered to be “salary” for the purposes of determining the amount of employee contributions required to be contributed pursuant to Section 32 of Chapter 733, Oregon Laws 2003.

Section 4. Effect of Changes in Law (Other than PERS Litigation).

In the event that the State’s payment of a six percent (6%) employee contribution under Section 2 or under Section 3, as applicable, must be discontinued due to a change in law, valid ballot measure, constitutional amendment, or a final, non-appealable judgment from a court of competent jurisdiction (other than in the PERS Litigation), the State shall increase by six percent

(6%) the base salary rates for each classification in the salary schedules in lieu of the six percent (6%) pick-up. This transition shall be done in a manner to assure continuous payment of either the six percent (6%) contribution or a six percent (6%) salary increase.

For the reasons indicated above, or by mutual agreement, if the State ceases paying the applicable six percent (6%) pickup and instead provides a salary increase for eligible bargaining unit employees during the term of the Agreement, and bargaining unit employees are able, under then-existing law, to make their own six percent (6%) contributions to their PERS account or the Individual Account Program account, as applicable, such employees' contributions shall be treated as "pre-tax" contributions pursuant to Internal Revenue Code, Section 414(h)(2).

Section 5. New/Revised Classes. None in this contract period.

Section 6. Selective Salary Adjustments. None in this contract period.

ARTICLE 14 - SALARY ADMINISTRATION

Section 1.

Salary eligibility date is defined as the date an employee is eligible for an annual performance pay increase. The salary eligibility date is computed from the date of hire. Employees shall be eligible for annual performance pay increases on the employees' salary eligibility date provided the employee is not at the top step of the salary range of the employees' classification. The employee may be denied the annual performance pay increase if there has been a serious performance or attendance problem. Denials are subject to review within six (6) months. Denials may be grieved under the provisions of Article 51.

Section 2.

Any employee requiring an emergency draw shall be authorized once annually during the term of this Agreement to make such a draw without explanation. Additional draws may be requested in accord with existing policy and will be considered on a case by case basis.

Section 3. Submission of Salary Increases.

a. For employees initially hired to state service, the salary eligibility date shall be set one (1) year from the date of hire. However, an employee's salary eligibility date may only change because of employment actions as a result of reallocations, reemployments, reclassifications or leaves without pay in excess of thirty (30) days except those leaves protected by federal or state Law (FMLA, military, workers compensation).

b. Salary increases to correct errors or oversights and retroactive payments resulting from grievance settlements will be authorized. In no event shall any retroactivity exceed twelve (12) months from the date upon which the oversight or error is brought to management's attention in writing, or, in the case of a grievance settlement, the date the grievance was filed in writing.

Section 4. Salary on Promotion.

An employee shall be given an increase to the next higher rate in the new salary range effective on the date of the promotion and the employee's salary eligibility date shall be set for six (6) calendar months after the date of promotion. Upon successful completion of promotional trial service, the employee will receive a salary increase and annually thereafter until the employee reaches the top step of the range.

Section 5. Salary on Demotion.

Whenever an employee demotes to a job classification in a lower range that has a salary rate the same as the previous step, the employee's salary shall be maintained at that step in the lower range.

Whenever an employee demotes to a job classification in a salary range which does not have salary steps corresponding with the employee's previous salary but is within the new salary range, the employee's salary shall be maintained at the current rate until the next eligibility date. At the employee's next salary eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range plus that amount that their current salary is below the next higher rate in the salary range. This increase shall not exceed the highest rate in the new salary range.

Whenever an employee demotes to a job classification in a lower range, but the employee's previous salary is above the highest step for that range, the employee shall be paid at the highest step in the new salary range.

This Section shall not apply to demotions resulting from official disciplinary actions.

Section 6. Effect of Break in Service.

When an employee separates from State service and subsequently returns to the State service (except as a temporary employee), the employee's salary eligibility date shall be determined by the Agency as follows:

- a. Return from Layoff List. When a former employee who was laid off is recalled, the employee will be paid at the step they were at the time of layoff. Employee's previous salary eligibility date adjusted by the amount of break in service shall be restored.
- b. Return from Reemployment. When a former employee is reemployed to a position in the same class in which the employee was previously employed or in a related class with the same salary range, the employee may be paid at or below the step at which the employee was being paid at the time of termination. If an employee is reemployed in a position in a class with a lower salary range than that of the employee's previous position, the employee may be paid at any step in the lower salary range not exceeding the rate the employee was being paid in the higher class, except where exceptional circumstances justify payment of a higher rate. The previous eligibility date adjusted by the amount of break in service shall represent the salary eligibility date following return.

Section 7. Employees in Positions For Less Than One (1) FTE (i.e., a Percentage Employee).

- a. Employees in positions of less than one (1) FTE position shall be paid the appropriate percentage of their base salary.
- b. All extra hours worked beyond the percentage schedule shall be paid at the hourly rate.
- c. Employees who work less than the percentage schedule shall have time deducted at the hourly rate. Employees may request that the Agency substitute appropriate paid leave (vacation, comp time) for hours not worked during the month.
- d. Such employees shall receive a proration of sick and vacation leave based on the position's percentage FTE (e.g., if a .64 FTE position works .90 FTE the employee receives a proration to .90 FTE for the month, and if a .64 FTE position works .60 FTE the employee received a proration only to .60 FTE).

e. Such employees shall receive a proration of employer health insurance contribution, provided that the percentage employee is hired in a position that is greater than .50 FTE and works more than eighty (80) hours per month.

Section 8. Time Change to and From Daylight to Standard Time.

a. Daylight to Standard Time Change.

1. An employee who is eligible for overtime compensation and whose scheduled shift includes one (1) additional hour due to change from Daylight to Standard Time shall be compensated one (1) hour at the overtime rate for that additional hour (first shift only).

2. An employee who is not eligible for overtime compensation and whose scheduled shift includes one (1) additional straight time hour due to a change from Daylight to Standard Time shall be paid at their regular rate of pay for that shift.

b. Standard to Daylight Time Change.

1. An employee whose scheduled shift change of time works one (1) hour less to complete the shift, is allowed, upon request, to use vacation leave, compensatory time to permit full pay for the scheduled shift; if not, then employee's missed time will be recorded as LWOP.

Section 9. Recoupment of Salary Overpayments.

a. In the event that an employee receives wages or benefits from the Agency to which the employee is not entitled, regardless of whether the employee knew or should have known of the overpayment, the Agency shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists and the amount of wages and/or benefits to be repaid. For purposes of recovering overpayments by payroll deduction, the following shall apply:

1. The Agency may, at its discretion, use the payroll deduction process to correct any overpayment made within a maximum period of two (2) years before the notification.

2. Where this process is utilized, the employee and Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification

3. If there is no mutual agreement at the end of the thirty (30) calendar day's period, the Agency shall implement the repayment schedule stated in sub 4 below.

4. If the overpayment amount to be repaid is more than five (5) percent of the employee's regular monthly base salary, the overpayment shall be recovered in monthly amounts not exceeding five percent (5%) of the employee's regular monthly base salary. If an overpayment is less than five percent (5%) of the employee's regular monthly base salary, the overpayment shall be recovered in a lump sum deduction from the employee's paycheck. If an employee leaves Agency service before the Agency fully recovers the overpayment, the remaining amount may be deducted from the employee's final check.

5. In the event the employee was paid for hours not worked, subsections 1-4 shall not apply and the overpayment is subject to immediate recoupment.

b. An employee who disagrees with the Agency's determination that an overpayment has been made to the employee may grieve the determination through the grievance process.

c. The article does not waive the Agency's right to pursue other legal procedures/processes to recoup an overpayment made to an employee at anytime.

ARTICLE 15 - OVERTIME

Section 1.

All time for which an employee is compensated at the regular straight time rate of pay, except standby time but including holiday time off, compensatory time off, and other paid leave, shall be counted as time worked.

Section 2.

Overtime for employees working a regular workweek is time worked in excess of eight (8) hours per day or forty (40) hours per week within the employee's basic workweek. Overtime for employees working an irregular work schedule (four/ten (4/10)) is time worked in excess of the scheduled hours per day or forty (40) hours per week within the employee's basic workweek. Time worked beyond regular schedule by employees scheduled for less than eight (8) hours per day or forty (40) hours per week is additional straight time worked rather than overtime until work exceeds eight (8) hours per day or forty (40) hours per week within the employee's basic work week.

Section 3. Shift Change Penalty.

Except for shift changes requested by the employee, if a shift change requires that an employee work more than five (5) consecutive days, the employee will be compensated at the rate of time and one-half (1-1/2) for all hours worked in excess of forty (40) hours within the employee's prior workweek. If an employee is required to work more than eight (8) hours in any twenty-four (24)-hour period, the employee shall be paid at the overtime rate for all hours in excess of eight (8) during that same twenty-four (24)-hour period. Employee workweek is defined as the seven (7)-day period beginning with the employee's first scheduled workday.

Shift change penalty for working more than eight (8) hours in a twenty-four (24)-hour period does not apply for regular posted shifts which have different starting times such as Library and Food Service shifts.

Except for shift changes requested by the employee and approved by the Agency or for any form of Agency approved training, if a shift change requires an employee not to have two (2) consecutive days off for employees working (5/8's), or three (3) consecutive days off for the employee working 4/10's, the employee will be compensated four (4) hours straight pay. This penalty payment is paid only once going into the change, not for the return to original shift.

Section 4.

Overtime shall be paid at the rate of time and one-half (1-1/2). The employee has the option to request cash or compensatory time off for overtime. If compensatory time is used, it shall be credited at the appropriate overtime rate. Any compensatory time accrued in excess of eighty (80) hours will be paid off within the pay period of the month following the month in which it is accrued.

No application of this Article shall be construed or interpreted to provide for compensation for overtime at a rate exceeding time and one-half (1-1/2), or to effect a "pyramiding" of overtime, i.e., time and one-half (1-1/2).

Overtime shall be voluntary except during periods of emergency or unless Management is unable to fill a work assignment by voluntary means.

Section 5. Exemptions from Overtime.

All employees who are exempt from overtime under the standards established by the FLSA shall be excluded from overtime. The Agencies and the Union shall apply FLSA standards to reach agreement upon exempt employees.

Grievances which grieve the eligibility of employees for overtime shall follow the procedure in Article 51, Grievance and Arbitration, Steps 1 and 2. If the grievance is still unresolved after Step 2, the affected employee may file a charge with the Bureau of Labor and Industries (BOLI), Wage and Hour Division, or with the U.S. Department of Labor (DOL).

Section 6. AFSCME Local 2376 Exempt Employees.

Exempt employees who work over forty (40) hours in a workweek shall receive hour-for-hour compensation in the form of time off for hours exceeding forty (40) in the workweek.

Section 7.

Any employee assigned to escort inmates out of State will be compensated eight (8) hours per day at the straight time rate, and one and one-half (1-1/2) times the straight time rate for any hours actually worked over eight (8) hours per day, unless escorting on the employee's regular day off, where the employee shall receive overtime for the first eight (8) hours also.

Section 8.

The parties agree that an employee's compensatory time is payment for work already accomplished. Compensatory time may be used by the employee in lieu of vacation or sick leave unless the employee is on written notice involving attendance problems.

ARTICLE 16 - DIFFERENTIALS

Section 1. Shift Differentials, including RN/LPN.

Night shift differential shall apply to all bargaining unit members except part-time employees working less than thirty-two (32) hours per month.

In order to qualify for night shift differential, an employee must be in a job classification eligible for overtime compensation. This provision does not include FLSA-exempt employees, who may be eligible for hour-for-hour compensation.

An employee (except RN's and LPN's) shall be paid a differential of seventy-five cents (\$.75) per hour for all hours worked between the hours 6:00 p.m. to 6:00 a.m. excluding alternative work schedules requested by the employee and approved by the Agency. A major portion of an hour is a period of thirty (30) minutes or greater.

The differential for RN's and LPN's (Health Services Technician) shall be one dollar and eighty-five cents (\$1.85) per hour for all hours of any shift starting between the hours of 12:00 noon and 3:00 a.m. The differential for RN's and LPN's (Health Services Technician) working four (4) or more hours of their regular scheduled shift between 12:00 midnight and 6:00 a.m. shall be two dollars and twenty-five cents (\$2.25) per hour. A major portion of an hour is a period of thirty (30) minutes or greater.

Section 2. Weekend Differential.

- a. This differential shall apply to Registered Nurses (RN's) and LPN's in the unit.
- b. Weekend differential shall be paid for all hours worked on a Saturday and Sunday. RN's shall be eligible for the differential for hours worked beginning 12:01 a.m. Saturday through 11:59 p.m. Sunday night.

- c. This differential shall be \$1.60 per hour.

Section 3. Commercial Driver's License (CDL) Differential.

In recognition of the Agency's past practice, the Agency shall reimburse employees for the equivalent cost of an Oregon Class B Commercial Drivers License which shall include initial and renewal licensing and examination fees who are required by the a Agency to have a CDL for performing duties. In addition, the Agency shall also reimburse an employee's insurance co-payment/fees for the required physical examination to obtain the license.

Section 4. Bilingual Differential.

When formally assigned in writing, an employee assigned to interpret to or from another language to English will receive a differential of five percent (5%) of base pay.

Each Chaplain shall report annually to the appointing authority the exact amount being claimed under Section 107 of the Internal Revenue Code of 1954 as housing allowance.

Section 6. Dog Handlers.

Employees assigned as Dog Handlers will receive three (3) hours paid time per week for canine care within the employee's regularly scheduled forty (40) hour workweek.

Section 7. TERT and CNT Teams.

Members of the TERT and CNT Teams shall have a premium of two percent (2%) per month added to their base wages.

Section 8. Institution Registered Nurse.

a. BSN Differential. Any Institution Registered Nurse who possesses a Baccalaureate degree in Nursing shall be eligible to receive an additional four and seventy-five one hundredth percent (4.75%) of his/her salary rate. To receive the differential the nurse shall submit appropriate verification of this degree to the Institution's Human Resource Analyst. The nurse may begin receiving the differential the first of the month following confirmation by the HRA.

b. MSN Differential. Any Institution Registered Nurse who possesses a Master's degree in Nursing shall be eligible to receive an additional nine and five tenths percent (9.5%) of his/her salary rate. Individuals eligible for this differential shall not also receive a BSN differential. To receive the differential the nurse shall submit appropriate verification of this degree to the Institution's Human Resource Analyst. The nurse may begin receiving the differential the first of the month following confirmation by the HRA.

Section 9. Security Differential.

The parties shall use the following procedure to process security differential points:

- a. Security differential points will be awarded to eligible employees. Eligible employees are those employees assigned to Department of Corrections AFSCME-represented non-security classifications who perform various levels of security and/or

custody duties as determined and recommended by the Security Review Committee in a memorandum to all AFSCME strikeable unit employees dated May 22, 2000.

b. Annually, as part of the performance review, supervisors and eligible employees shall review the position description and differential assessment form. The review will ensure that the duties of the position continue to be eligible for the differential and the appropriate number of points have been awarded. The position description and assessment form will be signed and forwarded to the assigned department human resource consultant who will verify the duties and points. The HRC will send the documents to Personnel Records. A copy of the differential form will be placed in the employee's file.

c. Prior to recruitment, supervisors shall review and update as necessary position descriptions and assessment forms for vacant positions. The documents will be forwarded to the assigned department human resource consultant and the recruitment section.

d. Security differential points shall be reviewed at the employee's request. The employee shall request the employee's current position description and assessment form and then review it with the employee's immediate supervisor. The employee shall receive an official position description and assessment form signed by the supervisor noting agreement or disagreement within fourteen (14) calendar days of submission to the supervisor, or the employee can proceed to the next step without the position description or assessment form. The employee will submit the official, signed position description and assessment form or an unsigned version if the supervisor did not sign it, and a written explanation for the basis of the points change request to the Human Resources Office within thirty (30) days of having given the position description and assessment form to the employee's supervisor. A copy will be mailed to the Union.

e. Any disagreement regarding the number of security differential points awarded to an employee will be resolved by a review of the Local President or designee and the Assistant Director of Human Resources or designee using the criteria set forth by the original security differential committee.

f. Security differential points shall be twelve dollars and seventy cents (\$12.70).

g. Adopt the attached Letter of Agreement on conditions under which an employee who is not currently receiving or occupying a position eligible for security differential points can receive such point.

Section 10.

Employees in the classification of Facility Maintenance Specialist (C4012) shall be paid a differential of five percent (5%) above their base rate of pay when duties are assigned in writing which require a Limited Maintenance electrician license.

ARTICLE 17 - CALL-BACK TIME

Section 1. Call Back Pay.

Except as modified in Sections 2-4 of this article, an employee who is called back to work outside the employee's regular shift, will receive overtime compensation in accordance with the Overtime Article of this Agreement for hours actually worked; but in no event will the employee be paid less than four (4) hours at the straight time rate of pay.

Section 2. Exceptions to Call Back Pay.

This provision will not apply when call-back results from employee oversight, (i.e., taking home necessary keys and/or equipment necessary at the Institution). The provision does not prevent the Agencies from calling employees for information not requiring call-back to the work site. The employee would not be required to remain home or available unless on standby.

Section 3. Telecommuting.

If an employee is called to work and such work is conducted from the employee's home or alternate work site, the employee shall be paid only for the time actually engaged in the Agency's business. If such work results in an overtime situation as described by the employee's telecommuting agreement, the overtime shall be paid at the applicable overtime rate.

Section 4. Off-Duty Telephone Calls.

An employee who responds to a telephone call outside of his/her schedule hours that is directly from Agency management or authorized by Agency management will be compensated at the appropriate rate of pay for no less than thirty (30) minutes or actual time whichever is greater. However, the employee will not receive additional compensation if the employee receives multiple telephone calls during the same thirty (30) minute period. This subsection shall not apply to overtime which is essentially a continuation of the scheduled work shift. This subsection shall not apply to telephone calls where Agency management directs the employee to report for work. This section shall not apply to employees assigned to on-call or standby duty status.

ARTICLE 18 - REPORTING PAY

An employee who is scheduled for work and reports to work and there is not work available may be excused from duty, but shall be paid at their regular rate for the shift of work scheduled. Work scheduled in this context does not include work hours assigned or volunteered for outside their regular schedule.

ARTICLE 19 – STANDBY DUTY/ON-CALL DUTY

On-call and standby duty will be assigned on an equitable basis among employees who are qualified to do the work. If the work assigned includes the duties of acting supervisor, management will determine who is qualified. When on-call or standby duty is assigned, on-call or standby pay will be in effect. When an on-call or standby duty is assigned the affected employee will be notified of the effective pay status. Assignment will be made in writing unless time and circumstance prevent prior written notice.

Section 1. Standby Duty.

a. An employee shall be on standby duty when required to be available for work outside his/her normal working hours, and subject to restrictions consistent with the FLSA which would prevent the employee from using the time while on standby duty effectively for the employee's own purposes.

b. Compensation for standby duty shall be at an FLSA-eligible employee's straight time rate of pay or for FLSA-exempt employees hour-for-hour compensatory time off. Overtime hours shall be at the appropriate overtime pay rate pursuant to Article 15.

Section 2. On-Call Duty.

a. Employees shall be paid one (1) hour of pay at the regular straight time rate for each six (6) hours of assigned on-call duty. Employees who are assigned on-call duty for less than six (6) hours shall be paid on a pro-rated basis.

b. An employee shall be assigned on-call duty when specifically required to be available for work outside his/her working hours and not subject to restrictions which would prevent the employee from using the time while on call effectively for the employee's own purposes.

c. No employee is eligible for any premium pay compensation while on on-call duty except as expressly stated in this Article.

d. On-call duty time shall not be counted as time worked in the computation of overtime hours worked but on-call pay shall be included in the calculation of the overtime rate of pay.

Section 3.

An employee shall not be on standby duty or on-call duty once he/she actually commences performing assigned duties and receives the appropriate rate of pay for time worked.

ARTICLE 20 - WORK OUT OF CLASSIFICATION

Section 1.

When an employee is assigned for a limited period to perform the duties of a position at a higher level classification for at least five (5) consecutive work days, or more, or forty (40) consecutive straight time hours or more, the employee shall be compensated for all hours worked beginning from the first day of the assignment at a rate which is not less than at the equivalent of one (1) step increase, or the first step of the higher range, whichever is greater.

Section 2.

An employee performing duties out of classification for training or developmental purposes shall be informed in writing of the purpose and length of the assignment during which there shall be no extra pay for the work. A copy of the notice shall be placed in the employee's file. Assignment to training to developmental opportunities shall be voluntary.

Section 3.

An employee who is underfilling a position shall be informed in writing of their underfill status, the reasons for the underfill, and the requirements necessary for the employee to qualify for reclassification to the allocated level. Upon gaining regular status and meeting the requirements for the allocated level of the position, the employee shall be reclassified.

Section 4.

Assignments of work out of classification shall not be made in a manner which will subvert or circumvent the administration of this Article. This higher class work will be entered into the employee's personnel file and shall be used for annual performance appraisals and will be taken into consideration by supervisors during promotional merit ratings.

Section 5.

Job Rotation is the performance, by mutual agreement, by an employee, of a different work assignment, on a non-permanent basis, for an agreed-to period of time. A job rotation may trigger work out of class pay if the assignment is to a classification which is in a higher salary range.

ARTICLE 21 - LEADWORK DIFFERENTIAL

Section 1.

Leadwork differential shall be defined as a differential for employees who have been formally assigned by their supervisor, in writing, "leadwork" duties over two (2) or more employees in their classification or salary range for ten (10) consecutive calendar days or longer. Leadwork is where, on a recurring daily basis, while performing essentially the same duties as the workers led, the employee has been directed to perform substantially all of the following functions: to orient new employees, if appropriate; assign and reassign tasks to accomplish prescribed work efficiently; give direction to workers concerning work procedures; transmit established standards of performance to workers; review work of employees for conformance to standards; and provide informal assessment of workers' performance to the supervisor.

Section 2.

The differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing for the full period of the assignment.

Section 3.

Leadwork differential shall not be computed at the rate of time and one-half (1-1/2) for the time worked in an overtime or holiday work situation, or to effect a "pyramiding" of work out of classification payment.

Section 4.

Leadwork differential shall not apply for voluntary training and development purposes which are mutually agreed to in writing between the supervisor and the employee.

Section 5.

The employees who believes they are performing the duties of a leadworker as defined in Section 1, may request a review of the duties as follows:

- a. The employee shall notify their supervisor and appropriate Personnel Officer, in writing for a review.
- b. The supervisor, on behalf of the Agency, will respond to the employee in writing, within fifteen (15) calendar days from the date of notification.
- c. If it is the Agency's determination that the leadwork duties were assigned, the leadwork differential will be effective the date the employee notified the supervisor.
- d. If the Agency determines that the duties are not leadworker or wishes to remove the duties, the employee will be notified as noted in "b" of this Article.

ARTICLE 22 - TRAVEL/MOVING ALLOWANCES

Section 1.

Travel and Moving Allowances will be reimbursed in accordance with the Department of Administrative Services Accounting Division Policy.

Section 2.

If the per diem rates change, as reflected in the Department of Administrative Services Accounting Division Policy, the rates for the article will likewise be adjusted.

Section 3. Reimbursement of Expenses Incurred in Rescinded Transfer.

An employee who is given a written notice of transfer that is later rescinded shall be compensated by the Agency for all expenses incurred which are under this Article. The employee shall furnish the Agency with normally required receipts of expenses claimed when requesting such compensation. (From Article 52, Section 3)

Section 4. Travel Time on Authorized Agency Business.

When the employee is required by the Agency to travel, the actual travel time shall be considered time worked. Where required travel is outside an employee's regular work hours (excluding normal commuting time), the Agency may temporarily modify the employee's weekly schedule without daily overtime or schedule change penalty. Where such schedule modification still results in the need for additional work hours, the employee shall be paid the appropriate rate of pay for all time worked over forty (40) hours in that workweek.

ARTICLE 23 - EMERGENCIES

Section 1.

During periods of bona fide emergency, provisions of this contract regarding work assignments and scheduling, job posting, and overtime scheduling may be temporarily suspended by the Agency as required for the duration of the emergency. Appropriate notification of the emergency status will be made to the Union or designee.

Section 2.

Emergency is defined as an unforeseen circumstance which may threaten the safety and security of the public, inmates, employees and/or property.

This Section shall not be used by management to justify suspension of the above described contract rights to meet the daily operational needs in filling unexpected shift vacancies due to absences of scheduled staff which occur from time to time.

ARTICLE 25 - WORKING CONDITIONS

Section 1. Workweek.

a. **Workweek Defined.** The workweek shall begin at 00:00 a.m. Sunday and end at 12:00 Midnight the following Saturday. All permanent full-time employees in the unit shall be scheduled for five (5) shifts of eight (8) hours with two (2) consecutive days off within each workweek, or four (4) shifts of ten (10) hours with three (3) consecutive days off within each workweek. Saturday and Sunday will be considered as consecutive days off within the workweek.

b. Workweek Adjustments. If a variance from this paragraph is required in order to accomplish the mission of the Agency, the Agency shall notify the Union of the reasons for the change prior to its effective date and the Union shall be afforded an opportunity to comment and offer alternative suggestions. If the Union feels the change is unreasonable, the matter may be processed as a grievance.

c. Schedule Changes. Employees subject to changes in shift and days off shall be given seven (7) days notice prior to implementing a schedule change.

Section 2. Working Hours.

a. Work Hours Defined. The standard workday shall be a period of twenty-four (24) hours containing eight (8) consecutive hours of work interrupted by rest and meal periods.

b. Rest Breaks. Rest periods will consist of two (2), fifteen (15)-minute breaks away from the work area. Rest periods preferably will occur between the second and third hours and the fifth and sixth hours of the employee's shift.

The parties recognize that all staff, however, cannot be guaranteed rest breaks on a regular and recurring basis. Management agrees to make every reasonable effort to allow rest breaks. This paragraph is not intended to change existing practices for non-institution employees.

Section 3. Meal Periods.

a. A meal period shall be scheduled for each employee at approximately the mid-period of the workday, as work permits. This period shall begin upon the employee being relieved and shall end upon the employee's return to the work station.

b. Where an overtime assignment that is contiguous to an employee's regular work schedule will be four (4) or more consecutive hours, the Agency will schedule a thirty (30) minute meal period for the employee at the end of their regular work schedule.

Employees who are not relieved from their work assignment, and are required to remain in their work area while eating, shall have such time counted as time worked.

In no instance shall an employee be required to use a meal period in excess of one (1) hour.

c. Except as noted in subsection d) and e), employees currently working on an Agency approved work schedule that includes an eight (8) hour or ten (10) hour daily shift without an unpaid meal period may continue to do so unless revoked by the Agency or employee upon seven (7) calendar days prior written notice. If the employee revokes the schedule, the Agency shall not suffer any overtime or other premium pay penalties.

d. Bargaining unit employees desiring to work a schedule without an unpaid meal period for a period of not less than thirty (30) consecutive calendar days shall make the request in writing to the Agency. The Agency shall review the request and approve or deny the request subject to operating needs. The Agency's decision shall not be subject to the grievance procedure. The Agency or employee may revoke the schedule that has an unpaid meal period upon seven (7) calendar days with prior written notice. If the employee revokes the schedule, the Agency shall not suffer any overtime, shift change penalty pay or other premium pay penalties.

ARTICLE 43 - JOB SHARING

Section 1.

"Job sharing position" means a full-time position in the classified service that may be held by more than one (1) individual on a shared time basis whereby the individuals holding the position work less than full-time.

Section 2.

Job sharing is a voluntary program. Any employee who wishes to participate in job sharing may submit a written request to the Functional Unit Manager to be considered for job share positions. The Functional Unit Manager shall determine if job sharing is appropriate for a specific position and will recruit and select employees for job share positions. Where the Functional Unit Manager determines job sharing is appropriate, the management agrees to provide written notification to all job share applicants of available job share positions in their office in the Agency.

Section 3.

Each job share employee shall have the right to pay the difference between the Agency paid insurance benefits and the full premium amount through payroll deduction.

Section 5.

For purpose of layoff, individuals filling a job share position which totals a full-time equivalent shall be considered as part-time employees at the time the position has been affected by a layoff.

Section 6.

If a vacancy exists and if the Functional Unit Manager determines that job sharing is not appropriate for the position or if the Functional Unit Manager is unable to recruit qualified employees for the job share position, the remaining employee shall have the right to assume the position on a full-time basis. Upon approval of the Functional Unit Manager, the remaining employee may elect to transfer to a vacant part-time position in the same classification or to voluntarily demote. If the above conditions are not available or acceptable, the employee agrees to resign.

ARTICLE 44 - LAYOFF PROCEDURE

When the Agency declares that a lack of funds will necessitate a layoff, the parties will meet, if requested by either the Agency or the Union, to consider such alternatives to layoffs such as: voluntary reductions in hours; voluntary unpaid leaves of absence; other voluntary

programs and/or temporary interruptions of employment. Such alternatives shall be subject to mutual agreement by the Union and the Agency. In the absence of such mutual agreement, the Agency may implement layoff procedures consistent with this Agreement. The parties agree that any and all discussions that take place under this Section shall not be subject to Article 1, Section 4, Complete Agreement, of this Agreement or constitute interim negotiations under PECBA. In addition, the parties will not be required to use the dispute resolution processes contained in PECBA nor under Article 51, Grievance Procedure.

Section 1. Definition.

A layoff is defined as a separation from service for involuntary reasons not reflecting discredit on an employee. An employee shall be given written notice of a pending layoff at least fifteen (15) days before the effective date stating the reason for the layoff.

Section 2. Layoff Categories.

Employees shall be laid off and service credits calculated within the following mutually exclusive categories:

- a. Full-time,
- b. Part-time (including job share).

Section 3.

Layoff shall be by classification as defined in Section 11. The classification, geographic area, and functional unit and worksite as defined in Appendix A of this agreement to be affected by any particular layoff shall be identified by the Agency at the time the layoff is declared. Order

of layoff within the designated classification, functional unit, and geographic area and work unit shall be determined by the lowest service credit.

It is understood that when an employee who is to be laid off possesses knowledge, skill, or ability, the loss of which in the judgment of the Agency would seriously impact operations, the Agency may hold that employee in active status, while laying off the next employee in service credit order in the employee's stead. When it is necessary to hold an employee, who would otherwise be laid off, the Agency will document the need and such documentation shall be accessible to the Union for its review. Any dispute in this regard may be taken up as a grievance by the Union.

If an employee is underfilling a position, the employee will be considered in the higher classification for the purposes of this Article. If it is found that two (2) or more employees in the Agency in which the layoff is to be made have equal service credits, the order of layoff shall be in inverse order of the greatest length of continuous State service. If ties between employees still exist, the order of layoff shall be determined by the Appointing Authority in such a manner as to conserve for the State the services of the most qualified employees.

Section 4. Service Credit.

Seniority is defined as total length of continuous Agency service. Leave without pay is not considered a break in service. One (1) point shall be allowed for each full month of unbroken service. An employee's seniority shall be computed from the date of the employee's employment by the Agency in any capacity within the Division/ Department, except that a new employee shall be on trial service for the appropriate period. A new employee shall be placed

on the seniority list and given seniority ratings as of the first day the employee was hired by the Agency. If an employee is laid off because their position is eliminated due to contracting out the employee shall continue to accrue service credits, up to a maximum of twenty-four (24) months, subject to recall or reemployment within bargaining unit.

Seniority shall be forfeited if an employee terminates employment from the Agency of more than one hundred eighty (180) calendar days, other than layoff, or fails to respond within five (5) consecutive workdays after receiving notice by registered letter mailed to the last address on the Agency's records, unless prevented from responding by conditions beyond the employee's control. An employee who has a break in service (separation) from the Agency of less than one hundred and eighty (180) days and returns to the Agency shall retain the previously accrued seniority, minus the time the employee was not an employee of the Agency.

Seniority lists shall be prepared by the Agency, during January, updated periodically, and posted on bulletin boards in each agency. Time with the Board of Parole and the Department of Corrections shall be interchangeable. Time spent by former employees of the EOH&TC who were employed at that facility and transferred to EOCI within six (6) months of EOH&TC's closure, shall count toward the calculation of Department of Corrections seniority in that geographic area only.

Section 5. Options in Lieu of Layoff.

Any employee who is given notice of layoff may file a written request to exercise an option in lieu of layoff with the Appointing Authority within five (5) workdays of receipt of such notice. The employee's options shall be as follows:

a. Any employee notified of layoff may opt to displace the least service credit person in the work site in the same classification provided the employee can perform the specific requirements of the position within approximately two (2) weeks.

ii. (Greater Salem Area Only) When an employee cannot displace the least service credit person in the worksite in the same classification, the employee may displace the least service credit employee within the greater Salem area as defined in Appendix A. The employee must be able to perform the specific requirement of the position within approximately two (2) weeks.

b. Any employee notified of layoff may opt to displace the least service credit person in the geographic area in the same classification provided the employee can perform the specific requirements of the position within approximately two (2) weeks.

c. Any employee notified of layoff may elect to demote within the functional unit to a lower classification for which the employee is qualified provided the employee can perform the requirements of the position within approximately two (2) weeks, if a position exists which is not protected from layoff and where the incumbent has the least seniority.

d. If no such option exists within the functional unit, the employee may elect to displace the least senior undesignated person in the geographic area in a lower classification for which the employee is qualified, provided the employee can perform the requirements of the position within approximately two (2) weeks.

A Department of Corrections/Board of Parole employee may elect to be placed into any vacancy in the employee's same or lower classification which the agency intends to fill (the Department regularly holds positions vacant with no intent to fill, a monthly list of these positions will be made available to the Union upon its request) where the employee meets the qualifications for the position and can perform the specific requirements of the position within approximately two (2) weeks.

Section 6.

The name of a demoting employee shall then be placed on the appropriate layoff list for the class the employee demoted from. Any employee demoted in lieu of layoff may request at that time and shall be paid for all accrued compensatory time at the rate being earned prior to demotion in lieu of layoff.

Section 7. Moving Expenses.

If an employee's selection in Section 6 results requires moving, moving expenses shall be assumed by the employee.

Section 8. Layoff List.

A layoff list shall be a list of employees by classification and geographic area who are laid off from the Agency. Such lists are maintained in inverse order of layoff for the geographic area. Recall shall be from the list, one (1) name at a time, to the vacancy in the classification and within the geographic area from which the employee was laid off provided the employee can perform the specific requirements of the position within approximately two (2) weeks. No new employees may be hired within that geographic area until all employees on the layoff list in that class have been offered reemployment. Names shall be maintained on the appropriate layoff list(s) for two (2) years from the effective date of layoff.

Section 9.

Unclassified, exempt and management service employees shall be restored into classified service pursuant to ORS 240.570. If a reduction in force is required in connection with this return it will be accomplished through this Article. Seniority for the purposes of restoration shall be all time served in classified service. For any subsequent reductions in force following this restoration, Section 4 seniority will apply. There shall be no cross-bumping between management service and the bargaining unit.

Section 10. Cross Bumping Between Unions.

If the Agency is willing to allow cross bumping between unions, a discussion with affected union representatives will be initiated. If the parties agree, cross bumping will be allowed both ways.

Section 11. Geographic Area and Functional Unit.

For the purposes of this Article:

- a. Board of Parole and Post Prison Supervision. Geographic area shall be the location where the Parole Board operates its office.
- b. Department of Corrections. The two (2) geographic areas are defined as the area west of Cascade Mountain Range and the area east of the Cascade Mountain Range.
- c. Functional Unit. Functional unit is defined as the worksite in Appendix A.

Section 12. Secondary Recall Rights.

a. Application. These rights apply to all employees in bargaining units represented by AFSCME at Central Table negotiations as well as the Department of Corrections and Board of Parole except employees who are laid off during initial trial service.

b. Definitions.

1. Geographic areas, for the purpose of secondary recall, are each location for which an employee may indicate his/her willingness to relocate on the state's PD100.

2. Agency Layoff Lists are intra-agency layoff lists, as defined in each AFSCME Central Table Agency and/or Department of Corrections and Board of Parole bargaining unit Contract.

3. Secondary Recall List is an inter-agency layoff list, which consists of regular status employees who have been separated by layoff from Union-represented positions in AFSCME Central Table Agencies and/or Department of Corrections and Board of Parole and who have elected to be placed on such list, consistent with the definitions of geographic areas defined above.

c. Coordination with Filling of Vacancy and Layoff Articles. The recall options provided herein shall be consistent with the priority of recall to positions from layoff within an Agency, as specified within each Agency's contract, except that recall from Agency Layoff Lists shall take precedence over recall from the Secondary Recall List.

d. Procedures.

1. Placement on the Secondary Recall List.

(A) Regular status employees who are separated from the service of the State in good standing (meaning no record of economic disciplinary sanctions in his/her personnel file) by layoff or transferred outside state government due to intergovernmental transfer shall, in addition to their right to be placed on the Agency Layoff List, be given the option of electing placement on the Secondary Recall List by geographic area for other AFSCME-represented bargaining units which utilize the same or successor classification from which they were laid off. The term of eligibility of candidates placed on the list shall be two (2) years from the date of layoff. When an employee is prohibited from participating in the secondary recall process due to the presence of an economic disciplinary sanction in his/her personnel file, that employee may request and shall be placed on the secondary recall list for the remainder of the two years eligibility following layoff once the discipline has remained in the file for the length of time required by the agency's contract.

(B) Employees who elect to be placed on the Secondary Recall List shall specify in writing the AFSCME Central Table and/or Department of Corrections and Board of Parole bargaining units and geographic areas to which they are willing to be recalled.

2. Use of the Secondary Recall List.

(A) After the exhaustion of the Agency Layoff List for a specific classification within a geographic area, the Secondary Recall List shall be used to fill all positions within a specific classification and geographic area consistent with Section (c) above, until such secondary list is exhausted.

(B) To be eligible for appointment from the Secondary Recall List, a laid off employee on such list must meet the minimum qualifications for the classification and any special qualifications for the position.

(C) Agencies shall utilize the Secondary Recall List to fill positions by calling for certifications from the list of the five (5) most senior employees who meet the minimum qualifications for the classification and any special qualifications for the position to be filled by selecting one of the five (5) so certified. Seniority for this purpose shall be computed as described per the layoff article of each Agency's contract.

(D) Where fewer than five (5) eligible employees remain on the Secondary Recall List, the Agency shall select one (1) of these employees who meets the minimum qualifications for the class and any special qualifications for the position.

3. Appointments/Refusals of Appointments from the Secondary Recall List.

(A) A laid off employee on the Secondary Recall List who is offered an appointment from the list and refuses to accept the appointment shall have his/her name

removed from the Secondary Recall List; however, an agency will not remove an employee's name from the Secondary Recall List where that individual had been a day shift employee and subsequently refuses the offer of a position with swing shift or night shift hours.

(B) Employees appointed to positions from the Secondary Recall List shall have their names removed from their Agency Layoff List(s) and the Secondary Recall List.

(C) Employees appointed to positions from the Secondary Recall List shall serve a trial service period not to exceed three (3) full months, except that employees hired into the Offender Information and Sentence Unit as Prison Term Analysts (PTA) shall serve a trial service period consistent with the Department of Corrections agreement. Administration of the trial service period shall be consistent with the hiring Agency's contract. However, employees who fail to successfully complete this trial service period shall have their names restored to the Agency Layoff List(s) on which they previously had standing. Restoration to the Agency Layoff List(s) shall be for the remaining period of eligibility that existed at the time of appointment from the Secondary Recall List. An employee may also petition the DAS-Labor Relations Unit to also be restored to the Secondary Recall List for the remainder of the initial twenty-four (24)-month recall period where the trial service removal was not related to potential misconduct warranting an economic or dismissal sanction. In no instance shall the DAS-Labor Relations Unit's decision be grievable.

(D) Employees appointed to positions from the Secondary Recall List shall not be entitled to moving expenses.

Section 13. Temporary Interruption of Employment.

When work is not available due to a temporary situation beyond the Agency's control, employees in the affected work unit may have their employment temporarily interrupted for up to fifteen (15) calendar days without this being considered a formal layoff under this Article. Temporary workload fluctuations will not be considered as justification for invoking this provision.

Should such a temporary interruption of employment occur, employees so affected will be allowed to use any form of accrued paid leave including vacation, compensatory time off, or personal leave or will be placed on leave without pay where the affected employee(s) have insufficient compensatory time to cover the period of interruption.

If limited work is available within the affected work unit, it will be offered to employees by seniority, within the affected classifications, during the period of the temporary interruption provided that if current seniority scores are available, those scores shall be utilized and if special skills are needed, this section shall not apply.

The parties may extend the time limits by mutual, written agreement in those instances where the review process or other extenuating circumstances require additional time for analysis.

Section 4.

Any employee who is involuntarily reclassified or any employee whose reclassification request is denied may take the matter up as a grievance under Article 51, Grievance and Arbitration, of this Agreement.

Section 5.

Should the duties of the position support the proposed reclassification, the Agency shall make the determination whether to seek legislative approval for reclassification or remove the duties. If a reclassification request, as approved, does not receive the necessary legislative approval required by ORS 291.371, the Agency shall immediately change the duties of the employee to conform to the prior classification.

Section 6.

Similarly, such employee shall not receive future salary adjustments until such time as the new range encompasses the employee's salary. At this time, the employee shall have a salary adjustment to the nearest step in the range. The employee shall also be placed on the Layoff List for the previously-held classification.

Section 9. Reclassification Upward.

Any employee reclassified upward shall move into the new range at the closest step that is higher than the employee's current rate. Anniversary date for future step increases shall be established as the first of the month following the date the employee's request was received.

In other instances, where, for the good of the service, a position needs to be transferred to another institution/work area, the Agency shall first seek volunteers from that affected work area. If an employee volunteers for such a transfer, then that employee will be transferred. If more than one employee volunteers for the transfer, then the most senior employee within that classification within that work area will be selected. If no employee volunteers, the least senior employee within that classification within that work area will be the employee transferred. The employee shall be transferred to another AFSCME bargaining unit, if possible.

For purposes of this section, seniority shall be defined as continuous bargaining unit time in the employee's classification.

Section 2. Withdrawal of Resignation.

An employee who has given notice of resignation has up to twenty-four (24)-clock hours during which to rescind the resignation.

Beyond the twenty-four (24)-hour period, the resignation may be withdrawn only with the approval of the Appointing Authority.

ARTICLE 53 - STRESS/CAREER COUNSELING

Section 1.

Any employee, during the performance of the employee's work, who is seized and detained by force or threat, shall be allowed reasonable time off immediately after the incident to recover from any physical or psychological disability caused by the action. Any period of time beyond one (1) day necessary for purposes of readjustment shall be determined by the employee's physician or psychiatrist subject to verification by a physician or psychiatrist of the Agency's choice.

Section 2.

Such leave shall be charged against any accumulated time the employee has earned; however, where an employee is receiving compensation through Workers' Compensation or other victim compensation relief, such charges will be on a pro rata basis not to exceed the employee's regular salary.

Section 3.

Where an employee who has established a good work record develops improper work habits or excessive absenteeism, which may be evidence of job stress, the Agency shall attempt to establish the reasons behind the employee's poor work habits and shall counsel with the employee in an attempt to aid the employee in developing a program to begin improving those habits. Any admissions of the employee of wrong doing, which are brought out during such counseling sessions, shall not later be used against the employee in any subsequent disciplinary procedure unless otherwise proven. The Agency shall post and keep current all available educational programs, seminars, and workshops relating to stress management.

ARTICLE 55 – APPEALS PROCESS FOR NEW CLASSIFICATIONS

Section 1.

An appeal may be filed by an individual employee or a Union Council Representative on behalf of the employee, to the Agency's Human Resource Office within fifteen (15) calendar days of written notification by the Agency of placement into the new classification. Employees sharing the same or substantially similar position descriptions or employees the Agency agrees to treat as a group may file an appeal as a group. The initial filing would describe the individual or group, including the names of affected employees, identify the proposed placement, and the placement believed to be correct by the affected employees. The appeal must include current signed position descriptions signed by the appointing authority. Because the old classifications are to be abolished, correct placement cannot be back to the prior classification.

The Agency shall conduct a review of the allocation using the following criteria:

- a. The purpose of the position shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency,
- b. The concept of the proposed classification shall be determined by the general description and distinguishing features of its class specifications, and,
- c. The overall duties, authority and responsibilities of the position shall be determined by the position description signed by the appointing authority and other relevant evidence of duties assigned by the Agency. This decision shall be made within thirty (30) calendar days of receipt of the appeal and provided to the affected employees

Section 2.

If denied, the Union may appeal the Agency's decision in writing to the Department of Administrative Services Labor Relations Unit within fifteen (15) calendar days of receipt of the written denial. The appeal will be considered by the Employer designee (or an alternate) and the Union designee (or an alternate) who shall form the committee charged with the responsibility to consider appeals and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Additionally, the committee may utilize two resources persons, one designated by each party, to provide technical expertise concerning a specific series. The committee will attempt to resolve the matter jointly determining whether the current or proposed classification more accurately depicts the overall assigned duties, authorities and responsibilities of the position using the criteria specified above.

In this process each of the designees may identify one alternate classification that he/she determines most accurately depicts the purpose of the position and overall assigned duties. If an alternate classification is identified, both the Union and Labor Relations Unit shall be notified. If the parties concur that shall end the allocation appeal. In the event the committee concludes that the proposed or alternate classification is more appropriate, the Agency retains the right to modify the work assignment on a timely basis to make it consistent with the Agency's allocation.

Appeals shall be decided in order of receipt by the Labor Relations Unit.

Decisions shall be rendered by the designees no later than sixty (60) calendar days of receipt of the appeal by the committee.

Section 3.

The decision of the designees shall be binding on the parties. However, the Agency may elect to remove/modify duties at any point during the process.

Section 4.

If the appeals committee cannot make a decision, the Union may request final and binding arbitration by a written notice to the Labor Relations Unit within the next forty-five (45) calendar day period. Each party may go forward with only one (1) classification. Each party may choose to take to arbitration either the current classification class appealed to, or an alternate classification identified by a committee member. The arbitrator shall allow the decision of the Agency to stand unless he/she concludes that the proposed classification more accurately depicts the overall assigned duties, authority and responsibilities of the position.

Section 5.

Where a position is vacated after the filing of the initial appeal, the Union may continue the appeal process and such appeals will be reviewed by the committee only after the review of all filled positions appeals is completed and where the Agency indicates that no change in duties is anticipated prior to refilling the position.

Section 6.

This process terminates upon completion of the allocation process.

ARTICLE 56 – POSITION DESCRIPTIONS AND PERFORMANCE EVALUATIONS

Section 1. Position Descriptions.

Individual position descriptions shall be reduced to writing and delineate the duties currently assigned to an employee's position. A dated copy of the position description shall be given to the employee upon assuming the position and when the position description is amended. The individual position description shall be reviewed at the time of the performance evaluation. Nothing contained herein shall compromise the right or the responsibility of the Agency to assign work consistent with the classification specifications.

Section 2. Performance Evaluations.

When a performance evaluation is completed on an employee the supervisor shall discuss the performance evaluation with the employee. The employee shall sign the evaluation and that signature shall only indicate the employee has read the evaluation. The employee shall have the opportunity to provide their comments to be attached to the performance evaluation. A copy of the evaluation shall be given to the employee. Performance evaluations shall be conducted in a confidential setting. The performance evaluation and the employee comments if any, will be maintained in the employee's official personnel file. An employee may request a performance evaluation to be completed. No more than one (1) evaluation will be completed per year.

This agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) and the AFSCME.

Increases in premium costs above five (5%) percent, but less than ten (10%) percent, in plan years 2010 and 2011, will be paid by the Employer for the non-General fund share of such costs.

The parties shall jointly petition the Public Employees' Benefit Board (PEBB) to pay for the General Fund share of increase above five (5%) percent, but less than ten (10%) in plan years 2010 and 2011 out of PEBB reserves. Should this become necessary, the parties shall jointly request that PEBB first access PEBB Stabilization Fund Reserves and only draw on money in the standard Demutualization Account in the event that there is not enough money in the Stabilization Fund to pay for the increase without jeopardizing PEBB's ability to self-insure.

LETTER OF AGREEMENT #12
FLEX TIME

This agreement is between the State of Oregon, acting through its Department of Administrative services (Employer) on behalf of the Department of Corrections (Agency) and AFSCME Council 75 (Union).

The purpose of this agreement is to codify the use of flex time in work scheduling.

This agreement covers the Union's Security Plus bargaining unit and specifically supersedes Articles 15 Section 2 and 25 Sections 1(a) of the agreement when a flexible work schedule is implemented for an employee. This agreement shall only apply to non-post positions and excludes RN's, Food Service Coordinators, Boiler Operator and other Physical Plant employees.

The parties agree to the following:

1. The parties agree to a flexible work schedule for employees at the discretion of management. Overtime, for purposes of this agreement, will only be paid for work in excess of forty (40) hours per week. The definition of overtime pursuant to this agreement is as follows: 'overtime for employees working a flexible work schedule is time I excess of forty (40) hours per workweek.'
2. A flexible work schedule is defined as follows: 'A flexible work schedule is a schedule which may vary the number of hours worked on a daily basis and the sequencing of these hours but does not exceed forty (40) hours in a workweek as defined in Article 25 Section 1 and which is agreed upon in advance by the employee and the supervisor. The flexing of an employee work schedule shall take place within the same workweek.'
3. Use of the flexible work schedule shall be limited to infrequent, irregular use of special occasions and not as a fixed schedule.
4. A flexible work schedule applies only if the Agency approves the flexible work schedule request. Request must be in writing to the employee's immediate supervisor.
5. Nothing in the agreement changes the authority of ability of the Agency to change an employee's work schedule to meet Agency operating needs in accordance with applicable provisions of the collective bargaining agreement.
6. This agreement does not establish any additional obligations on the Employer, Agency or the Union to negotiate different workweek or overtime work definitions for other bargaining unit employees.
7. This agreement becomes effective upon the signing of the 2009-2011 agreement and expires June 30, 2009 except if the parties agree to extend these provisions.

LETTER OF AGREEMENT #13
STEP ADVANCEMENT FREEZE/ ADD/DROP STEPS

This agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) on behalf of the Department of Corrections (Agency) and AFSCME Council 75 (Union).

This agreement covers the Union's Security Plus bargaining Unit inside of the Department of Corrections.

The Parties agree to the following:

1. This agreement supersedes all provisions in the State of Oregon/AFSCME Security Plus Unit agreement pertaining to step advancement upon the affected employees' salary eligibility date (SED).
2. Effective November 1, 2009, the Letter of Agreement dated December 13, 2007 to added and drop steps for each salary range in all classifications in the bargaining unit shall be suspended.
3. Effective November 1, 2009, the following shall also apply:
 - a. Employees advancing to the new top step of their classification on or after July 1, 2009 through October 31, 2009 as a result of the December 13, 2007 Letter of Agreement will have their pay reduced to the prior top step. Employees advancing to a higher first step by virtue of the first step being dropped shall not have their pay reduced.
 - b. Employees advancing on the pay scale within their classification's salary range on or after July 1, 2009 through October 31, 2009 will be restored to their former step in effect prior to implementation of the December 13, 2007 Letter of Agreement.
4. For purposes of step advancement under the applicable provision of the agreement, employees having steps remaining in their classification after June 30, 2009 shall not receive step advancements during the freeze period.
5. This agreement does not affect the initial increase upon promotion or reclassification upward, but does affect any subsequent step advancement in the new classification. However, promotions or reclassifications to the new top step shall be subject to subsection 3(a) above.
6. For purposes of promotion, the salary eligibility date (SED) shall be set pursuant to the State of Oregon/AFSCME Security Plus agreement.
7. The step advancement freeze becomes effective November 1, 2009 and shall continue for twelve (12) months through October 31, 2010.

8. When the step freeze is lifted, an employee receiving a merit step or advanced to the new top step in July through October of 2009 will be restored on November 1, 2010 to the higher rate that was in effect through October 31, 2009. All other employees will commence receiving step increases on their salary eligibility date (SED) effective November 1, 2010.

LETTER OF AGREEMENT #14
UNPAID FURLOUGHS

This agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) on behalf of the Department of Corrections (Agency) and AFSCME Council 75 (Union).

This agreement covers the Union's Security Plus bargaining unit in the Department of Corrections. To the extent this agreement conflicts with any provisions of the State of Oregon/AFSCME Security Plus Unit agreement, this agreement shall prevail.

The parties agree to the following:

1. This agreement becomes effective September 1, 2009 and sunsets June 30, 2011 unless the parties agree to extend or amend its provisions.
2. The Employer will implement mandatory unpaid furloughs for affected employees as follows:

Straight Time Monthly Base Pay Rate	Number of Days
\$2450 – and below	10
\$2451 - \$3100	12
\$3101 – and above	14

3. The number of hours of mandatory unpaid furlough time off for less than full time employee shall be prorated based on the employee's regularly scheduled hours within the applicable month.
4. Temporary and floater RN employees will be unscheduled for furlough time off.
5. (a) The Agency will decide whether to designate if the Agency will close its operations. If the Agency chooses to close its operations, the Agency will close for the number of days identified in section 5(b) of this agreement.

(b) Except as noted in Section 21 of this agreement, where the Agency chooses to close its operations, the following dates shall be designated as closure days:

Friday, October 16, 2009	Friday, August 20, 2010
Friday, November 27, 2009	Friday, September 17, 2010
Friday, March 19, 2010	Friday, November 26, 2010
Friday, April 16, 2010	Friday, March 18, 2011
Friday, June 18, 2010	Friday, May 20, 2011

(c) Employees taking 'float days' will schedule unpaid furlough time off with their immediate supervisor using the following procedures:

- i. In an effort to ensure that the scheduling of mandatory unpaid furlough time off is distributed throughout the term of the agreement, such unpaid time off will be

scheduled quarterly unless there is mutual agreement between the Agency and employee to schedule more days in some quarters and fewer in others. In no case will an employee take more than two (2) days or sixteen (16) hours in a month.

- ii. Employees will have their choice of days off subject to Agency operating requirements. Employees will submit a mandatory unpaid furlough time off request form to their supervisor at least thirty (30) calendar days before the start of each quarter and supervisors will respond within fifteen (15) calendar days before the start of each quarter.
 - iii. If the mandatory unpaid furlough time off is not scheduled or taken within the applicable quarter, then the Agency reserves the right to ensure the time off is rescheduled and taken within the next quarter (except for the last quarter in the biennium, during which the Agency may reschedule such time during the same quarter).
 - iv. The Agency shall not incur any penalty or overtime payment for adjustments to an employee's schedule. However, the Agency head or designee may require the employee to work beyond the thirty-two (32) hour work week if necessary to meet operating needs.
6. Employees not taking mandatory unpaid furlough time off when their specific program/division/unit is closed shall change their work schedule by adjusting their schedule for that workweek subject to prior Agency approval. The Agency shall not suffer any penalty or overtime payments as a result of the employee's schedule changes.
7. (a) For all non-posted positions during the week in which there is an Agency closure day, or the employee takes a float day, where an employee regularly works any alternative full-time schedule [other than a five (5) eight (8) work schedule], subject to prior Agency approval, the employee's work schedule shall revert to a five (5) eight (8) work schedule for the furlough work week with the closure day being their furlough day.

(b) For all posted positions where the employee regularly works a full-time alternative schedule [other than a five (5) eight (8) work schedule] and takes a float day, the employee, subject to prior Agency approval, will adjust his or her schedule to use accrued vacation leave, accrued comp time, leave without pay, personal business leave or will work those additional hours that total their regular scheduled shift hours. Regardless, the employee's schedule will not exceed a thirty-two (32) hour work week except there the Agency head or designee may require the employee to work beyond the thirty-two (32) hour work week, if necessary, to meet operating needs. The Agency shall not incur any penalty or overtime payment for adjusting the employee's schedule.
8. Employee mandated to take a greater number of unpaid furlough time off than closure days based on the tiers, will take the remaining unpaid mandatory furlough time off as float days under the following conditions:
 - i. In an effort to ensure the scheduling of mandatory unpaid furlough time off is distributed throughout the term of this agreement, such unpaid time off will be

scheduled quarterly unless there is mutual agreement between the Agency and employee to schedule more days in some quarters and fewer in others. In no case will an employee take more than two (2) days (sixteen (16) hours) in a month.

- ii. Employees will have their choice of days off subject to Agency operating requirements. Employees will submit a mandatory unpaid furlough time off request form to their supervisors at least thirty (30) calendar days before the start of each quarter and supervisors will respond within fifteen (15) calendar days before the start of each quarter.
 - iii. If the mandatory unpaid furlough time off is not scheduled or taken within the applicable quarter, then the Agency reserves the right to ensure the time off is rescheduled and taken within the next quarter (except for the last quarter in the biennium, during which the Agency may reschedule such time during the same quarter).
 - iv. The Agency shall not incur any penalty or overtime payment for adjustments to an employee's schedule. However, the Agency head or designee may require the employee to work beyond the thirty-two (32) hour work week if necessary to meet operating needs.
9. No employee will be required to take mandatory unpaid furlough time off on a recognized holiday unless the employee and supervisor agree otherwise.
 10. Mandatory unpaid furlough time off will not count as a break-in-service and shall not effect seniority.
 11. Mandatory unpaid furlough time off shall not add to the length of an employee's trial service period.
 12. Deductions from pay of a FLSA exempt employee for absences due to a budget required mandatory unpaid furlough time off shall not disqualify the employee from being paid on a salary basis except in the workweek in which the mandatory unpaid furlough time off occurs and for which the employee's pay is accordingly reduced.
 13. If a FLSA exempt employee is permitted to work in excess of forty (40) hours in a workweek in which the employee takes mandatory unpaid furlough time off then such employee shall be eligible for pay at the rate of time and one half (1 ½) for hours in excess of forty (40) hours that workweek.
 14. Mandatory unpaid furlough time off shall only be considered time worked for: 1) holiday pay computations, and, 2) vacation, sick leave and personal accrual.
 15. Subject to PEBB eligibility rules, mandatory unpaid furlough time off shall be considered as time worked for purposes of computing the Employer's insurance contribution.
 16. Unless required by law, no employee shall be authorized to substitute other types of unpaid absences or paid leave to replace mandatory unpaid furlough time off.

17. Full-time employees shall take mandatory unpaid furlough time off in eight (8) hour blocks.
18. Part-time employees shall take mandatory unpaid furlough time off in blocks equal to their actual scheduled work day.
19. No employee shall be authorized to use any paid leave time or time accrued to replace mandatory unpaid furlough time off.
20. An employee shall not work on a date designated as mandatory unpaid furlough time off. However, the Agency Head or designee, for operational needs, may require the employee to work and reschedule the mandatory unpaid furlough time off.
 - (a) If the alternate workday is not scheduled or taken within the applicable quarter, then the Agency reserves the right to ensure the mandatory unpaid furlough time off is scheduled and taken within the following quarter (except for the last quarter in the biennium during which the Agency may reschedule such time during the same quarter).
 - (b) The Agency shall not incur any penalty or overtime payment for adjustments to employee work schedules. However, the employee shall not be scheduled beyond thirty-two (32) hour work week. However, the Agency head or designee may require the employee to work beyond the thirty-two (32) hour work week if necessary to meet operating needs.
21. (a) AFSME Security Plus staff working in Dental Services shall take the same ten (10) Agency closure days as the Dentists covered by the AFSCME Central Table agreement. Staff required to take more days than the designated Agency closure days shall take such days as “float days” pursuant to the conditions outlined in this agreement.
 - (b) AFSCME Security Plus staff working in Parole and Probation offices will take the same Agency closure dates as the AFSCME Parole and Probation bargaining unit.
22. For payroll purposes, mandatory unpaid furlough time off shall be assigned a specific payroll code.
23. This agreement shall serve as meeting the seven (7) day notice requirement under Article 25, (1), (c) of a schedule change for Agency closure dates.

LETTER OF AGREEMENT #15
AMENDMENT TO LOA #13 UNPAID FURLOUGH

This agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) on behalf of the Department of Corrections (Agency) and AFSCME Council 75 (Union).

This agreement shall only cover the Union's Security Plus Unit in the Agency. This agreement updates or revises the Letter of Agreement on Unpaid Furlough Days only on the specific section noted. All other provisions of the Letter of Agreement on Unpaid Furlough Days shall continue to apply without change.

The parties agree to the following:

Except for the Agency's General Services Division, Distribution Services staff, Section 5(b) of the Letter of Agreement on Unpaid Furlough Days is changed to delete October 16, 2009 as a closure date that date is replaced with December 28, 2009 as a Mandatory unpaid furlough closure day. For General Services Division, Distribution Services staff, the alternate unpaid furlough closure day for October 16, 2009 shall be January 29, 2010.

However, if the Union does not ratify the September 1, 2009 tentative agreement, the above noted tentatively approved unpaid furlough days during October 27-31, 2009 are automatically canceled without penalty and those employees will be expected to report to work their normal shifts during that time period.
3. This agreement becomes effective on October 12, 2009.
