PREAMBLE

This Agreement is made and entered into by and between the State of Oregon (hereinafter the "Employer"), acting by and through its Department of Administrative Services on behalf of the Department of Environmental Quality (hereinafter the "Agency"), and the American Federation of State, County, and Municipal Employees, Local 3336 (hereinafter the "Union"), for the purpose of fixing wages, hours, benefits, conditions of employment and other matters affecting members of the bargaining unit as certified by the Employment Relations Board.

NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

ARTICLE 1 - RECOGNITION

Section 1.

The Employer and the Agency recognizes the Union as the sole and exclusive bargaining agent for: All classified employees of the State of Oregon, Department of Environmental Quality, excluding supervisory, confidential, managerial, temporary, and part-time employees working less than thirty-two (32) hours per month.

Section 2.

This Agreement binds the Union and any person designated by it to act on behalf of the Union. Likewise, this Agreement binds the Employer and the Agency and any person designated by it to act on its behalf.

ARTICLE 2 - MANAGEMENT RIGHTS

The parties agree that the Employer and the Agency have the right to operate and manage the Agency, including, but not limited to the right to maintain order and efficiency; to direct employees and to determine job assignments and working schedules; to determine the methods, means, standards and personnel to be used; to implement improved operational methods and procedures; to determine staffing requirements; to determine whether the whole or part of the operation shall continue to operate; to recruit, examine, select and hire employees; to promote, transfer, assign and reassign employees; to suspend, discharge or take other proper disciplinary action against employees; to lay off employees; to recall employees; to require overtime work of employees; and to promulgate rules, regulations and personnel policies, provided that such rights shall not be exercised so as to violate any of the specific provisions of this Agreement.

ARTICLE 3 - UNION RIGHTS

Section 1.

The Union will notify the Human Resources Manager of the Agency in writing of its representatives from District Council 75 who will be "Union Representatives."

Section 2.

Union Representatives will be allowed to visit the work areas of the employees during work hours, after advising the Human Resources Manager of the Agency, or his/her designee if the visit is in the Central Administrative Office, or the supervisor of the field office, or his/her designee, of their presence for the purpose of meeting with employees regarding matters affecting their employment. Such visits are not to interfere with the normal flow of work and are to be limited to nonduty time. Under circumstances where a Union Representative acts as a steward performing grievance investigation(s) and/or processing, this may occur during duty time.

Section 3.

The internal business of the Union shall be conducted by the employees during their nonduty hours.

Section 4.

Upon written request and approval of the Human Resources Manager, or designee, the Union may be allowed the use of the facilities of the Agency for meetings when such facilities are available and the meeting would not interfere with the business of the Agency.

Section 5.

The Agency shall furnish each new employee with notice provided by the Union that the Union is the certified collective bargaining representative.

Section 6.

Stewards and new employees shall each be granted twenty (20) minutes of Union business time, during the new employee's first thirty (30) days of employment, for the purpose of identifying the Union's status, organization benefits, facilities, related information and distributing and collecting membership applications. This time is not to be used for discussion of labor/management disputes. The Agency shall provide the Union at least ten (10) days notice of the time and place of any new employee group orientation meetings. In lieu of the orientation time referred to above, the Union may make a twenty (20) minute presentation at the group orientation on behalf of the Union. If the presenter is an Agency employee, he/she will be allowed one (1) hour of Agency time including travel for this group presentation.

Section 7.

The Agency shall continue to provide reasonable bulletin board space for the use of the Union in communications dealing with social functions, meetings, elections, Union appointments and such other information as may be approved by the Agency's Human Resources Manager. Copies of bulletin board materials may also be distributed through the E-Mail system.

Section 8.

Upon request and no more than once a month the Agency shall furnish to the Union an alphabetized listing of the names, classifications, and home addresses and division or regional office where employed of all new, transferred, or terminated employees in the bargaining unit. Upon request and no more than quarterly, the Agency shall furnish a listing

with the same information as provided monthly of all employees in the bargaining unit in the Agency. Costs for additional information requests will be payable by the Union.

Section 9.

Upon receipt of the request in writing from represented employees, the Union shall be provided payroll deductions for its regular monthly dues in accordance with and as entitled to under ORS 292.055.

Section 10. AFSCME President Leave.

a. Long Term. Upon written request from the Executive Director of AFSCME Council 75 to DAS Labor Relations Unit, one (1) President/designee from an AFSCME Council 75 Central Table participating Agency shall be given release time from his/her position for a period of time up to one (1) year for the performance of Union duties related to the collective bargaining relationship. However, if the Union President/designee or Executive Director requests release time for less than his/her full regular schedule, such release time shall be subject to the Employer's approval based on the operating needs of the employee's work unit. AFSCME shall, within thirty (30) days of payment to the employee, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other employer-related costs. Where this reimbursement is expressly prohibited by law or funding source, the employee shall be granted a leave of absence but the Employer will not be responsible for continuing to pay the employee's salary and benefits. AFSCME shall indemnify and hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with this provision.

b. Short Term. Upon written request from the Executive Director of AFSCME Council 75 to DAS Labor Relations Unit and the Agency's Human Resources Manager, up to four (4) Presidents/designees from AFSCME Council 75 Central Table participating Agencies shall be given release time from his/her position for a period of time up to three (3) months for the performance of Union duties related to the collective bargaining relationship. Only one (1) employee from a bargaining unit and a total of four (4) employees from all Central Table participating bargaining units may be on such leave at any one (1) period in time. Such requests will be granted unless the affected Agency can demonstrate that the employee's absence would adversely impact the operating needs of the employee's work unit. If granted, such time may also be taken on an intermittent basis.

AFSCME shall, within thirty (30) days of payment to the employee, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other employer-related costs. Where this reimbursement is expressly prohibited by law or funding source, the employee shall be granted a leave of absence but the Employer will not be responsible for continuing to pay the employee's salary and benefits.

Section 11. Names of Retirees.

Effective September 1, 2009, the Employer will send a monthly report to the Union of the names of individuals that have retired the previous month. For purposes of this Agreement, a retiree shall be defined as a person who has given the Agency written notice that he/she is separating from State service by retirement and that person has actually separated from State service.

Section 2.

All complaints alleging any form of discrimination in violation of this Contract shall be submitted to the Director or his/her designee. A meeting with the complainant will be held within fifteen (15) calendar days of the receipt of the complaint. If satisfactory solution cannot be reached, the Director or the designee will communicate in writing, within thirty (30) calendar days from receipt of the complaint, the position of the Agency to the complainant and the Union. If the complaint is not resolved, the employee or the Union may submit such complaint to the Bureau of Labor and Industries, Civil Rights Division; except that complaints alleging discrimination because of sexual preference or political affiliation may be submitted to the Department of Administrative Services, Labor Relations Unit if unresolved by the Agency. Any further appeal of an action specified in sub (b) shall follow the procedure and time frames outlined in Article 13 (Grievance Procedure).

Section 3.

A written predissmissal notice shall be given to a regular status employee against whom a charge is presented. Such notice shall include the known complaints, facts and charges, and a statement that the employee may be dismissed. The employee shall be afforded an opportunity to refute such charges or present mitigating circumstances to the Agency's Director or designee at a time and date set forth in the notice which date shall not be less than seven (7) calendar days from the date the notice is received. Section 4.

If the Agency has reason to discipline an employee it shall be done in a manner which will not embarrass or humiliate the employee in front of other employees or the public.

Section 5.

Any employee who is absent for five (5) consecutive workdays without authorized leave shall be deemed to have resigned unless prevented from notifying the Employer due to circumstances beyond his/her control. The employee will be offered the opportunity to explain the circumstances beyond his/her control which prevented the employee from notifying the Employer. If the Agency determines the information presented does not excuse the unauthorized absence, the employee's personnel records will reflect that the employee resigned.

Section 6.

All notices of predissmissal, suspension, reduction in pay, written reprimand, demotion and/or dismissal shall be forwarded to the Union on the same day as the employee is notified.

Section 7.

Upon request, an employee shall have the right to Union representation during an investigatory interview that an employee reasonably believes will result in disciplinary action. The employee will have the opportunity to consult with a local union steward or an AFSCME Council Representative before the interview, but such consultation shall not cause an undue delay.

ARTICLE 13 - GRIEVANCE PROCEDURE

Section 1.

Grievances are defined as acts, omissions, applications, meaning or interpretation alleged to be violations of the terms and conditions of this Agreement.

Section 2.

The Agency and the Union will resolve employee problems and complaints, or differences in the interpretation of the contract, by informal methods if possible. Such informal methods may include, but are not limited to, collaborative problem-solving. Furthermore, the Agency may, at its sole discretion, permit Union participation in circumstances where such participation is not required by law or this contract. However, if the Union or an employee desires a formal resolution of any grievance or dispute, which arises concerning the application, meaning, or interpretation of this Agreement (except complaints of discrimination in Article 6), such grievance shall be resolved as provided under Section 3 of this Article.

Section 3. Grievance Steps.

The Department of Administrative Services shall respond within fifteen (15) calendar days following receipt of the appeal to the Department of Administrative Services.

In the event the response from the Department of Administrative Services is acceptable to the Union, such response shall have the same force and effect as a decision or award of an arbitrator, and shall be final and binding on all parties and they will abide thereby.

Section 5. Submission to Arbitration.

Any grievance, having progressed through the Steps as outlined in this Agreement and remaining unresolved following Department of Administrative Services review, may be submitted to arbitration for settlement. To be valid a request for arbitration must be in writing and received by the Department of Administrative Services within fifteen (15) calendar days of the receipt of the response from the Department of Administrative Services review process.

Failure to file a valid arbitration request within the specified fifteen (15)-calendar day period shall constitute forfeiture of claim and the case shall be considered closed by all parties.

If arbitration is requested, the parties shall meet to attempt to formulate a submission agreement to be forwarded to the arbitrator.

Section 6. Mediation.

Subsequent to a valid arbitration request and prior to the selection of an arbitrator, either the Department of Administrative Services or the Union may request mediation of the grievance. If agreed to by both parties, mediation will be scheduled and conducted by the Conciliation Service Division of the Employment Relations Board. Mediation is not a mandatory step of the grievance procedure.

Section 7. Selection of the Arbitrator.

They will select an arbitrator by alternately striking names, with the moving party striking first, from the Employment Relations Board list one (1) name at a time until only one (1) name remains on the list. The name remaining on the list shall be accepted by the parties as the arbitrator and arbitration hearings shall commence within fifteen (15) calendar days thereafter, unless otherwise mutually agreed by the parties.

Section 8. Arbitrator's Authority.

The parties agree that the decision or award of the arbitrator shall be final and binding on each of the parties and that they will abide thereby. The arbitrator shall have no authority to add to, subtract from, or change any of the terms of this Agreement, to change an existing wage rate or establish a new wage rate. The arbitrator shall have the power to return a grievant to employee status, with or without back pay, or to mitigate the penalty as equity suggests under the facts.

Section 9. Expenses of Arbitration.

Arbitrator fee and expenses shall be paid by the losing party. If, in the opinion of the arbitrator, neither party can be considered the losing party, then such expenses shall be divided as in the arbitrator's judgment is equitable. All other expenses shall be borne exclusively by the party requiring the service or item for which payment is to be made.

Section 10.

Employees are entitled to act through a Union Representative or Shop Steward to initiate a grievance. Employees are entitled to representation by a Shop Steward at the first and/or second step or by a Union Representative at any step in this Article.

Section 11.

Once a bargaining unit member files a grievance, the employee shall not be required to discuss the subject matter of the grievance without the presence of the Union Representative or Shop Steward.

Section 12.

Upon notice to their immediate supervisor, Shop Stewards shall be granted reasonable time off during regularly scheduled working hours without loss of pay or other benefits to investigate grievances. "Employee's signature confirms only that the supervisor has discussed and given a copy of the material to the employee, and does not indicate agreement or disagreement."

If an employee is not available within a reasonable period of time to sign the material or the employee refuses to sign the material, the Agency may place the material in the files provided a statement has been signed by two (2) management representatives that a copy of the document was mailed to the employee at his/her address of record. A copy will also be mailed to the Union.

Section 3.

If the employee believes that any of the above material is incorrect or a misrepresentation of facts, the employee shall be entitled to prepare in writing an explanation or opinion regarding the prepared material. This shall be included as part of the personnel record until the material is removed.

Section 4.

An employee may include in the personnel files copies of any relevant material the employee wishes, such as letters of favorable comment, licenses, certificates, college course credits or any other material which reflects credibly on the employee.

Section 5.

Records of disciplinary action and memos of expectation shall be retained for a maximum of three (3) years. At the employee's request, specifically identified materials reflecting caution, warning, admonishment, and disciplinary action will be removed two (2) years after the effective date of the action provided no incident of a similar nature has been documented in the intervening time. This early removal provision does not apply to memos of expectation or performance reviews. Any period of leave of absence without pay that is more than fifteen (15) days shall extend the retention period for that duration of leave.

ARTICLE 16 - FILLING OF VACANCIES

Section 1.

The Agency desires to fill vacancies with the best qualified applicants available. Within that context, the Agency intends to insure that protected classes are given an opportunity to compete for all openings within the bargaining unit.

The Agency will determine whether and how a vacancy is to be filled, and will make the determination of which individual will fill the vacancy. Subject to the requirements of affirmative action and equal employment opportunity, where two (2) or more employees are equally qualified for the position, which qualifications will include if applicable, but not necessarily be limited to work performance, work history, education, training, experience, skills, achievements, knowledge, references, licenses and certifications, the vacancy shall be given to the employee who has the greater seniority with the Agency. The Union may appeal these determinations through the grievance procedure.

Section 2.

The employee is responsible for preparation for advancement and qualifying for promotion within the bargaining unit. Education and training shall be as provided under Article 23.

Section 3.

Employees will be notified of bargaining unit vacancies to be filled competitively by a posting on the bulletin board and E-Mail. This posting will be for a minimum of five (5) days.

ARTICLE 17 - TRIAL SERVICE

Section 1.

All employees appointed to a position shall serve a trial service period of six (6) months except:

- a. Employees having served at least two (2) years in the same classification and promoted within the same work unit, under the same supervisor;
- b. Former employees having served at least two (2) years in the same classification and re-employed in the same classification and in the same work unit after an absence of less than two (2) years.

Employees under sub (a) and (b) shall serve a three (3)-month trial service period. Any such abbreviation of trial service shall not alter the required six (6)-month period necessary to receive a Merit Salary Increase as provided for under Article 34 of this Agreement.

Section 2.

At any time during the trial service period, the Agency may remove an employee if, in the judgment of the Agency, the employee is unable or unwilling to perform his/her duties satisfactorily or if in the judgment of the Agency his/her habits and dependability do not merit his/her continuance in the position.

If such employee was previously a regular status employee in another bargaining unit position in the Agency immediately prior to his/her present appointment, he/she shall be reinstated to his/her former classification unless charges are filed and he/she is discharged as provided in Article 12 (Discipline and Discharge).

Section 3.

An employee who is transferred or demoted to another position in the Agency prior to the completion of the trial service period shall complete a new trial service period of six (6) months.

Section 4.

An employee's trial service period shall not be extended except in instances where an employee has a leave of absence or is on Hardship Leave. A leave of absence or Hardship Leave shall extend the trial service period by the number of calendar days of the leave taken by the employee.

Section 5.

If an employee is removed from his/her position during his/her trial service period the employee shall not have rights to appeal the Agency's decision.

ARTICLE 18 - CLASSIFICATION AND CLASSIFICATION CHANGES

Section 1. Work Out of Classification.

a. When an employee is assigned, in writing, by the Agency for a limited time period to perform the major distinguishing duties of a position at a higher level classification for five (5) consecutive workdays, or forty (40) consecutive work hours, that employee shall be paid at the first step in the assigned classification or five percent (5%) more than his/her current rate of pay, whichever is greater.

When such assignments are made to WOC for five (5) consecutive workdays, the employee shall be compensated for all hours worked beginning from the first day of the assignment and for the full period of that particular assignment.

When an employee is assigned to WOC pending approval of a reclassification upward, the WOC compensation will be paid in accordance with Article 18, Section 7. In the event final approval of the reclassification is not obtained, then the difference between the WOC pending reclassification and the Article 18, Section 1 WOC rate will be reconciled and paid to the employee.

Assignments of WOC shall not be made in a manner which will subvert or circumvent the administration of this Section.

b. An employee who is underfilling a position shall be informed in writing that he/she is an underfill, the reasons for the underfill, and the requirements necessary for the employee to qualify for reclassification to the allocated level. Upon gaining regular status

and meeting the requirements for the allocated level to the position, the employee shall be reclassified.

c. An employee who accepts duties out of class for training or developmental purposes shall have an agreement in writing of the purpose and length of the assignment during which there shall be no extra pay for the work. Such assignment shall not exceed twelve (12) months. A copy of the notice shall be placed in the employee's file.

Section 2. Revision of Classification Series.

a. Prior to implementation of new classifications, or major revisions of existing classifications, the parties will negotiate rates of pay, effective date and method of implementation.

b. Should the Agency establish a new classification or materially revise an existing classification during the life of this Agreement, the parties shall meet and negotiate the salary range for the new or revised classification.

c. Employees shall be informed of their allocation into the new classification system by the Employer. Appeals to position allocation in the new classification system shall be filed in accordance with Article 61, Implementation of New Classes-Appeals Process.

Section 3. Reclassification Procedure.

a. A completed Position Description Form and written explanation for a proposed reclassification request shall be submitted to the Agency Human Resources Office.

b. The Agency shall review and verify the duties assigned to the position. Within thirty (30) days after receipt of reclassification request, the Agency shall notify the Union of its findings. If the findings indicate reclassification, the Agency shall decide to seek approval if necessary or remove the duties.

Section 4. Upward Reclassification.

When a position is reclassified upward a regular incumbent shall be continued in the position. He/she shall be advanced to the higher class with the same status held in the lower class if he/she meets minimum experience and training requirements. When a position is reclassified upward and the incumbent does not have regular status, the position will be filled competitively at the higher level.

Section 5. Downward Reclassification.

a. When a position is reclassified to another class at the same pay level or to a class that carries a lower salary range, the incumbent trial service or regular employee shall be accorded corresponding status in the new class.

b. The Agency shall notify an employee in writing of a downward reclassification of the employee's position, and the specific reasons for doing so within thirty (30) days prior to the effective date.

c. When an employee is reclassified downward, the employee's rate of pay shall be the last salary rate earned in the salary range of the previous classification. It shall remain at that rate until a rate in the salary range of the new classification exceeds it, at which time the employee's salary shall be adjusted to that step and the salary review and eligibility date shall be established one (1) year from that date, provided the employee is not at the maximum of the salary range to which the employee was reclassified.

d. No employee with the same duties within the same classification in the same geographic area shall be reclassified downward while other employees with less service credits remain in the original class.

Section 6. Equal Reclassification Rate.

When an employee is reclassified to a class having the same salary range, his/her rate of pay will not be changed.

Section 7. Pay for Upward Reclassification.

Rate of pay upon upward reclassification shall be the first step of the new salary range, unless the old salary rate was higher than the first step of the new salary range, then whatever step of a new salary range constitutes a pay increase. If the new salary rate is less than a four percent (4%) increase, then the employee's rate shall be the next step of the new salary range. In no case shall it exceed the new salary range maximum.

Section 8. Pay Date of Upward Reclassification.

a. Effective date of reclassification payment shall be the first of the month following the month in which the reclass request was received by the Department of Administrative Services.

b. The employee does not retain his/her old eligibility date and will be eligible for salary increase the first of the month following twelve (12) months in the new class.

Section 9. Pay for Upward Reclassification Denial.

If the Legislature or the Department of Administrative Services does not approve the reclassification request, the employee shall be paid the rate of pay of the higher level classification from the first of the month following the month in which the reclass request was received by the Agency Personnel Officer to the date the duties were removed.

Section 10.

a. If an employee's reclass request is denied pursuant to Section 3 of this Article, or an employee's position is to be reclassified downward pursuant to Section 5 of this Article, the Union may appeal the decision to the Agency Administrator or designated representative within fifteen (15) calendar days after receipt of the Agency's decision. The written appeal must state:

The reason(s) why the Agency's decision is arbitrary.

The Agency shall respond in writing within fifteen (15) calendar days from the receipt of the Union's appeal.

b. If the Agency's response does not resolve the matter, the Union may within fifteen (15) calendar days from the date of the Agency response, appeal the decision to arbitration under this Article of this Agreement. The selection of an arbitrator shall be pursuant to Section 4 of Article 13 (Grievance Procedure). The appeal must be in writing and sent to the Labor Relations Unit of the Department of Administrative Services within fifteen (15) calendar days after receipt of the Agency's written response in sub (a) of this Section. The appeal must state the following:

The reason(s) why the Agency's decision is arbitrary.

The arbitrator shall allow the decision of the Agency to stand unless he/she finds the decision was arbitrary.

If the arbitrator finds the Agency's decision is arbitrary, the arbitrator's authority shall extend only to stating if the employee's current classification is

inappropriate. If the arbitrator finds the employee's current classification is inappropriate, he/she shall refer the issue to the Agency for reconsideration. The Agency shall either remove the higher level duties or reclassify the position. The arbitrator shall have no power to substitute his/her discretion for the Agency's discretion on classification matters.

This Section shall supersede Section 5 of Article 13 (Grievance Procedure) on the delineation of the arbitrator's authority on matters spoken to in this Article.

Section 11. Pay Option Change-Rate of Pay.

When an employee's work assignment is changed resulting in the employee no longer being eligible for a pay options associated with specific duties and professional registration or licensure, it is agreed the change will be treated the same as a classification change (downward or upward) provided for in Article 18.

Salary range designations on specialized positions within a classification title reflect pay options as compensation for the assignment of additional duties and required qualifications to perform those additional duties. For example, NRS 3 is at salary range 27 and NRS 3 (Hydrogeologist) is at a salary range 28B even though both have the same classification number and same classification specification. Salary treatment for assigned or reassigned duties eligible for a pay option, temporarily or on a long term basis, shall be as follows:

- a. Temporary basis-When an employee is assigned or reassigned the duties, in writing, by the Agency for five consecutive workdays, or forth (40) consecutive work hours, the employee will be paid WOC pursuant to Section 1 of this Article. This "WOC" applies to employees who have never been permanently assigned the pay option eligible duties, and to those who previously had been assigned but had the pay option duties removed.
- b. Long-term basis-If the employee is reassigned the previously removed duties as a regular responsibility within two (2) years from the effective date the duties were permanently removed, the employee shall be treated as a re-employment to the pay option salary range of the classification. That is, the employee will be placed at the salary step in the higher pay option range that the employee would have achieved had the employee not been changed from the higher pay option range.

ARTICLE 19 - CONTRACTING OUT

Section 1.

The Union recognizes that the Employer has the management right, during the term of this Agreement, to decide to contract out work performed by bargaining unit members. However, when the contracting out will displace bargaining unit members, such decisions shall be made only after the affected Agency has conducted a formal feasibility study determining the potential costs and other benefits which would result from contracting out the work in question. The Employer agrees to notify the Union within one (1) week of its decision to conduct a formal feasibility study, indicating the job classifications and work areas affected. The Employer shall provide the Union with no less than thirty (30) days notice that it intends to request bids or proposals to contract out bargaining unit work where the decision would result in displacement of bargaining unit members. During this thirty (30) day period, the Employer shall not request any bids or proposals and the Union shall have the opportunity to submit an alternate proposal. The notification by the Employer to

the Union of the results of the feasibility study will include all pertinent information upon which the Employer based its decision to contract out the work including, but not limited to, the total cost savings the Employer anticipates.

Feasibility studies will not be required when: (1) an emergency situation exists as defined in ORS 279.011(4), and (2) either the work in question cannot be done by available bargaining unit employees or necessary equipment is not readily available.

Nothing in this Article shall prevent the Employer from continually analyzing its operation for the purpose of identifying cost-saving opportunities.

Section 2.

The Employer shall evaluate the Union's alternate proposal provided under Section 1. If the Employer's evaluation of the Union's alternate proposal confirms that it would result in providing quality and savings equal to or greater than that identified in the management plan, the Parties will agree in writing to implement the Union proposal.

Section 3.

Should any full-time bargaining unit member become displaced as a result of contracting out, the Employer and the Union shall meet to discuss the effect on bargaining unit members. The Employer's obligation to discuss the effect of such contracting does not obligate it to secure the agreement of the Union or to exhaust the dispute resolution procedure of ORS 243.712, 243.722, or 243.742, concerning the decision or the impact.

"Displaced" as used in this Article means when the work an employee is performing is contracted to another entity outside state government and the employee is removed from his/her job.

Section 4.

Once an Agency makes a decision to contract out, the Agency will choose either (a) or (b) below. The Agency will notify affected employees of the option selected. The Agency will post and provide to the Union, a list of service credits for employees in all potentially affected classifications within the Agency. Within five (5) business days of the notice, the affected employees will notify the Agency of acceptance of the Agency's option or decision to exercise his/her rights under (c) below:

- a. Require the contractor to hire employees displaced by the contract at the same rate of pay for a minimum of six (6) months subject only to "just cause" terminations. In this instance, the state will continue to provide each such employee with six (6) months of health and dental insurance coverage through the Public Employee Benefits Board, if continuation of coverage under the Bargaining Unit Benefits Board is allowed by law and pertinent rules of eligibility. Pursuant to Article 20, an eligible employee shall be placed on the Agency layoff list and may, at the employee's discretion, be placed on a secondary recall list for a period of two (2) years; or
- b. Place employees displaced by a contract elsewhere in state government in the following order of priority: within the Agency, within the department, or within state service generally. Salaries of employees placed in lower classifications will be red-circled. To the extent this Article conflicts with Article 16, Filling of Vacancies, this Article shall prevail.
- c. An employee may exercise all applicable rights under Article 20, Layoff.

Section 5.

The following provisions govern the administration of the requirement under this Article to conduct feasibility studies in cases of contracting out and will supplement the provisions included in the contract.

a. The Employer agrees that all AFSCME represented state agencies will conduct a feasibility study in instances of contracting out work performed by bargaining unit employees when contracting out will result in displacement of bargaining unit employees.

b. The Parties agree that AFSCME-represented agencies will send directly to AFSCME's Executive Director and to DAS HRSD Labor Relations Unit all future notices of intent to conduct a feasibility study pursuant to Section 1.

ARTICLE 20 - LAYOFF

As the Agency values stability in the workforce and the talents and contributions of its employees, the Agency will make a good faith effort to implement other workforce adjustment measures before implementing layoff. When the Agency decides a workforce adjustment or layoff will be necessary, the Agency will notify the Union. Where a workforce adjustment plan is developed, the Agency will share the plan with the Union.

These work force adjustments include, but are not limited to, reassignment of individual employees to existing budgeted vacancies where qualified, voluntary demotions, or work-week reductions. Prior to layoff, and upon request of either the agency or the Union, the parties shall meet to propose work force adjustments involving multiple employees. These work force adjustments may include demotions, workweek reductions and job shares designed to minimize the impact of any proposed layoff. If mutual agreement cannot be reached within fifteen (15) days (which may run concurrently with notice of layoff), the Agency may implement proposed work force adjustments or layoffs.

Section 1. Definition of Layoff.

A layoff is defined as a separation from the service for involuntary reasons not reflecting discredit on an employee.

Section 2. Division Protected Positions.

Up to two (2) employees per Division may be protected from layoff for up to ninety (90) days if their loss would demonstrably present a hardship on the operations of the Agency. Extensions may be granted by mutual agreement of the parties.

Section 3. Seniority Computation.

Computation of seniority for regular status employees shall be made as follows:

a. One (1) point per month for each full month of unbroken service in State service excluding temporary service. A break in service is a separation or interruption of employment without pay of more than two (2) years. All part-time service shall be credited on a prorated basis. Periods of authorized leave without pay will be deducted from seniority calculations pursuant to the definition of seniority in Article 7 – Definitions. When a layoff is announced, seniority scores shall be frozen on that date until the layoff and any subsequent bumping activity is completed.

b. If two (2) or more employees have equal seniority, the tie shall be broken as follows, with most credit given to:

1. Length of continuous service with the Agency;
2. Length of continuous service in the job classification.

Section 4. Geographic Areas.

- a. Norwest Area
Clackamas, Clatsop, Columbia, Multnomah, Tillamook and Washington Counties
- b. Willamette Valley Area
Benton, Lane, Lincoln, Linn Marian, Polk and Yamhill Counties
- c. Southwest Area
Coos, Curry Douglas, Jackson and Josephine Counties
- d. Central Area
Crook, Deschutes, Hood River, Jefferson, Klamath, Lake and Sherman Counties
- e. Eastern Area
Baker, Grant, Gilliam, Harney, Malheur, Morrow, Umatilla, Union, Wallowa, Wasco and Wheeler Counties

Section 5. Layoff Procedure.

The layoff procedure shall occur in the following manner:

- a. The Agency shall determine the specific positions to be vacated and employees in those positions shall be notified of layoff. The Agency shall notify, in writing, all affected employees of his/her seniority and his/her contractual bumping rights. The Agency shall notify the Union of the seniority of all employees in all affected positions in writing. The Agency shall also post a copy of the seniority of all affected positions in the geographic area on the employee bulletin board.
- b. An employee and the Union representative shall be given written notice of layoff as far in advance as possible but not less than fifteen (15) calendar days before the effective date, stating the reasons for the layoff.
- c. Employees shall be laid off by geographic area.
- d. Temporary and contractual employees working in the classifications and geographic area(s) for which a notice of layoff was given shall be terminated prior to the layoff of trial service or regular employees.
- e. An initial trial service employee (new to state service) can not displace any regular status employee.
Any initial trial service employee who is laid off or demoted in lieu of layoff shall not be placed on the Agency layoff list, but shall be restored to the eligible list from which certification was made if the eligible list is still active. Restoration of the list shall be for the remaining period of eligibility that existed at the time of appointment from the list.
- f. An employee notified of a pending layoff shall have one (1) opportunity to prioritize the following options and communicate such choice in writing to the Human Resources Manager within seven (7) calendar days from the date the employee is notified in writing. The Agency shall place the employee in the least senior position available for which the employee is qualified according to the prioritized order submitted by the employee; That is, if the Agency is unable to place the employee according to the employee's first priority, the Agency will attempt to place the employee according to the second priority, and so on. If the Agency is unable to place the employee through this process, the employee will be laid off.

1. Displacement within Current Classification. The employee may displace the least senior employee in the same classification for which he/she is qualified in the same geographical area in the Agency where the layoff occurs.

2. Displacement within Same Salary Range. The employee may displace the least senior employee in a classification within the same salary range (lateral) for which he/she is qualified in the same geographic area where the layoff occurs, provided he/she previously had completed trial service in a position in that classification with the Agency. An employee who demoted into a classification as a result of a previous layoff, and therefore had not served a recognized trial service period, will be considered to have served trial service after six (6) months of continuous service in the demotion classification for the purposes of applying this section in a future layoff.

3. Demotion. The employee may demote, which may result in the displacement of another employee, to the least senior position in one of up to three (3) classifications identified by the employee. The employee shall prioritize up to three (3) classifications in lower salary ranges for which he/she is qualified within the Agency and same geographic area. The employee may demote to the least senior position in one of the identified classifications considered in the order listed by the employee. Employees who elect to demote shall be placed on any geographic area layoff list of his/her choice, within the Agency, for the classification from which he/she demoted.

4. Layoff. The employee may elect to be laid off. An employee who elects to be laid off shall be placed on any geographic area layoff list of his/her choice, within the Agency, for the classification from which he/she was laid off.

For purposes of displacement under Section 5(f) (1), (2) and (3), a vacant position that management intends to fill is considered to be the least senior.

Full-time to Part-time or Part-time to Full-time Option. Employees willing to convert from part-time to full-time status, or full-time to part-time status, if necessary, to displace the least senior employee, shall designate their willingness to convert in writing at the time of their selection of options under Section 5(f). For the purpose of displacing another employee the following shall apply:

A. If a full-time employee elects in writing to displace the least senior employee and the least senior employee is part-time, then the full-time employee shall convert to part-time and shall work only the number of hours per week as the displaced part-time employee.

B. If a part-time employee elects in writing to displace the least senior employee and the least senior employee is full-time, then the part-time employee shall convert to full-time and shall work forty (40) hours per week.

C. If an employee does not provide written election A or B above, then the employees' prioritized layoff options will be implemented only to displace other positions of the same status, that is, full-time to full-time or part-time to part-time status positions.

g. To be qualified for the options under Section 5(f) (1) (2), and (3) the employee must meet all of the minimum qualifications for the position's classification and must be capable of performing the specific requirements of the position as stated in the position description within two (2) weeks. When exercising an option under Section 5(f) (1), (2), and (3) an employee shall only be eligible to displace another employee with a lower seniority. If an employee meets the minimum qualifications but is not capable of performing the specific requirements of the least senior position, he/she may displace or demote to the next least senior position in the classification, provided the incumbent in the next lowest

position has least seniority than the employee displacing or demoting and the employee is capable of performing the specific requirements of the position.

An employee who is seeking to bump another employee has no right to a trial service period of any duration in the position into which the employee is attempting to bump. Further, the two (2)-week time period is for the purposes of orienting an employee to the position, not training the employee to perform the work. Therefore, it is necessary that the employee can perform all of the core duties and responsibilities of the position as determined by the Agency prior to bumping into the position. The employee will receive performance coaching during this time period as assistance for successfully performing the duties of the position.

h. Job Share.

1. Individuals filling a job-sharing position which totals a full-time equivalent at the time of calculation of seniority shall be considered as two (2) part-time employees.

2. Seniority for prior non-job-share time shall be determined by giving the employee one (1) point per month for any full-time worked and pro rata credit for each month spent on the job in less than full-time capacity.

3. If employees in a job-share position are to be treated as part-time employees, seniority for the position shall be determined on a prorated basis as per part-time seniority computation.

i. If an employee is overfilling or underfilling a position, the employee will be considered in the position classification for the purposes of this Article. If an overfill employee is displaced, demoted in lieu of layoff, or is laid off, the employee shall retain his/her overfill status upon return to his/her classification.

j. Any employee displaced by another employee exercising options under Section 5(f) (1), (2), and (3) shall be provided written notice of layoff according to Section 5(a) and may also exercise any option under 5(f).

Section 6. Workforce Adjustment Trial Service Period.

Employees who are appointed to a vacant position with different duties and a different manager as the result of a workforce adjustment will serve a trial service period pursuant to Article 17 in that new position. If the employee was previously a regular status employee in the bargaining unit and is not able to satisfactorily perform the duties of the new assignment, the employee will be assigned to another vacant position for which the employee qualifies, in the same or equal classification. If no suitable position exists, the employee will be laid off in accordance with this Article.

Section 7. Seasonal Employees.

Regular seasonal employees laid off prior to the end of the season shall be placed in order of seniority on the Agency layoff list for seasonal reappointment. The eligibility for such seasonal employees shall be canceled at the end of each season. At the completion of a season, all seasonal employees shall be terminated without regard to seniority. Regular seasonal employees terminated at the end of the season shall be placed on the reemployment roster in order of seniority and shall be recalled by geographical area the following season in order of seniority to the extent that work is available to be performed.

Section 8. Comp Time Payout.

Any employee demoted in lieu of layoff may request at that time and shall be paid for all accrued compensatory time at the rate being earned prior to demotion in lieu of layoff.

Section 9. Agency Layoff Lists for Recall.

Names of regular employees of the Agency who have separated from the service of the State in good standing by layoff or who have demoted in lieu of layoff shall be placed on layoff lists for recall to the Agency in seniority order established by the classification from which the employee was laid off or demoted in lieu of layoff and by geographical area.

The employee shall designate, in writing, the geographic area layoff list(s) on which he/she wishes to be placed. The term of eligibility of candidates placed on the list shall be two (2) years from the date of placement on the list.

Section 10. Right of Return.

Employees who have demoted, voluntarily transferred, or have been reassigned as a result of a workforce adjustment plan shall be afforded the right to return to a vacant position for which they are qualified within their former classification and section for one (1) year from the time of their reassignment.

Section 11. Recall.

Employees who are on an Agency layoff list shall be recalled by geographic area in seniority order beginning with the employee with the highest seniority who meets all of the minimum qualifications for the position's classification and who is capable of performing the specific requirements of the position as stated on the position description within two (2) weeks. An employee who is seeking recall has no right to a trial service period of any duration in the position into which the employee is attempting to return. Further, the two (2)-week time period is for the purposes of orienting an employee to the position, not training the employee to do the work. Therefore, it is necessary that the employee can perform all of the core duties and responsibilities of the position as determined by the Agency prior to being recalled to the position. The employee will receive performance coaching during this time period as assistance for successfully performing the duties of the position.

If an employee on a layoff list is offered a position, he/she may refuse the position, but his/her name will be removed from the layoff list in that geographic area.

An employee appointed to a position from a layoff list shall be removed from all other layoff lists.

If a temporary appointment is necessary in any geographic area and is expected to last longer than forty-five (45) days and there is a layoff list for that classification in the geographic area, employees on the layoff list shall first be offered the temporary appointment prior to hiring any other temporary. Not accepting a temporary job does not constitute a right of refusal under this Section. This shall only apply to employees separated from State service. Such employees shall be appointed as a temporary employee, remain on the layoff list, and will not be eligible for any benefits covered under this Agreement.

Section 12. Secondary Recall Rights.

a. Application. These rights apply to all employees in bargaining units represented by AFSCME at Central Table negotiations as well as the Department of Corrections and Board of Parole except employees who are laid off during initial trial service.

b. Definitions.

1. Geographic Areas, for the purpose of secondary recall, are each location for which an employee may indicate his/her willingness to relocate on the State's PD100.

2. Agency Layoff Lists are intra-agency layoff lists, as defined in each AFSCME Central Table Agency and/or Department of Corrections and Board of Parole bargaining unit Contract.

3. Secondary Recall List is an inter-agency layoff list, which consists of regular status employees who have been separated by layoff from Union-represented positions in AFSCME Central Table Agencies and/or Department of Corrections and Board of Parole and who have elected to be placed on such list, consistent with the definitions of geographic areas defined above.

c. Coordination with Filling of Vacancy and Layoff Articles. The recall options provided herein shall be consistent with the priority of recall to positions from layoff within an Agency, as specified within each Agency's contract, except that recall from Agency Layoff Lists shall take precedence over recall from the Secondary Recall List.

d. Procedures.

1. Placement on the Secondary Recall List.

A. Regular status employees who are separated from the service of the State in good standing (meaning no record of economic disciplinary sanctions in his/her personnel file) by layoff or transferred outside State government due to intergovernmental transfer shall, in addition to their right to be placed on the Agency Layoff List, be given the option of electing placement on the Secondary Recall List by geographic area for other AFSCME-represented bargaining units which utilize the same or successor classification from which they were laid off. The term of eligibility of candidates placed on the list shall be two (2) years from the date of layoff. When an employee is prohibited from participating in the secondary recall process due to the presence of an economic disciplinary sanction in his/her personnel file, that employee may request and shall be placed on the Secondary Recall List for the remainder of the two (2) years eligibility following layoff once the discipline has remained in the file for the length of time required by the agency's contract.

B. Employees who elect to be placed on the Secondary Recall List shall specify in writing the AFSCME Central Table and/or Department of Corrections and Board of Parole bargaining units and geographic areas to which they are willing to be recalled.

2. Use of the Secondary Recall List.

An employee may not be credited with more than one (1) season during a calendar year. Thereafter, vacation leave shall be accumulated as follows:

After a total of six (6) months (a minimum of one thousand & forty (1,040) hours) through fifth (5th) annual season	Twelve (12) workdays for each twelve (12) full months of service (eight (8) hours per (month)

After twenty-fifth (25th) annual season

Twenty-seven (27) workdays for each twelve (12) full months of service (eighteen (18) hour per month)

Vacation leave shall not accrue during a leave of absence without pay, the duration of which exceeds fifteen (15) calendar days.

Section 4. Eligibility for Vacation Credits.

Time spent by an employee in actual State service or on Peace Corps, military, or job-incurred disability leave without pay shall be considered as time in the State service in determining length of service for vacation credits.

Section 5. Restoration of Vacation Leave Credits.

All time in the exempt or unclassified service, shall be counted as long as there is not a break in service of more than two (2) years in determining the level of accrual.

Section 6. Termination Vacation Pay.

Where vacation leave is requested and denied resulting in loss of leave, the employee shall be authorized to cash out forty (40) hours of vacation leave accrued.

Section 9.

If the Agency cancels an Agency approved vacation in which unrecoverable deposits have been paid by an employee, the Agency shall reimburse the employee for the deposits. The Agency shall require written proof of unrecoverable deposits.

Section 10.

Section 11.

In the event of an employee's death, all monies due him/her for accrued vacation and salary shall be paid as provided by law.

Section 12.

a. Notwithstanding the provisions of the Federal Family and Medical Leave Act (FMLA), the Employer shall not require an employee to substitute any paid leave earned under this Agreement for unpaid leave taken under the FMLA without the consent of the employee.

b. Part-time employees who would otherwise qualify for leave under the FMLA, but for the number of hours worked, may request leave without pay without first exhausting their accrued paid leave, subject to the same notice, documentation and other limitations and conditions applicable to full-time employees.

ARTICLE 30 - SICK LEAVE

Section 1. Accrual Rate of Sick Leave With Pay Credits.

Employees shall accrue eight (8) hours of sick leave with pay credits for each full month worked. Employees who work less than the full month but at least thirty-two (32) hours during the month shall accrue sick leave with pay on a pro rata basis for the month.

Section 2. Eligibility for Sick Leave With Pay.

Employees shall be eligible for sick leave with pay immediately upon accrual.

Section 3. Determination of Service for Sick Leave With Pay.

Actual time worked and all leave with pay shall be included in determining the pro rata accrual of sick leave credits each month, provided that the employee works thirty-two (32) hours or more in that month.

Section 4. Utilization of Sick Leave With Pay.

Employees who have earned sick leave credits shall be eligible for sick leave for any period of absence from employment which is due to the employee's illness, bodily injury, disability resulting from pregnancy, necessity for medical or dental care, exposure to contagious disease, attendance upon members of the employee's immediate family (employee's parents including biological, adoptive, foster, step parent, parent-in-law; wife, husband, children including biological, adopted, foster or stepchild; brother, sister, grandmother, grandfather, grandchildren, son-in-law, daughter-in-law, or another member of the immediate household or domestic partner) where employee's presence is required because of illness or death in the immediate family of the employee or the employee's spouse. The Agency has the duty to require that the employee make other arrangements, within a reasonable period of time, for the attendance upon children or other persons in the employee's care. Certification of an attending physician or practitioner may be required by the Agency to support the employee's claim for sick leave, if the employee is absent in excess of seven (7) consecutive working days, or if the Agency has evidence that the employee is abusing sick leave privileges. The Agency may also require such certificate from an employee to determine whether the employee should be allowed to return to work where the Agency has reason to believe that the employee's return to work would be a health hazard to either the employee or to others.

Section 5. Sick Leave With Pay on Termination.

Compensation for accrued sick leave shall not be paid to an employee on termination for any reason.

Section 6. Restoration of Sick Leave Credits.

Employees who have been separated from the State service and return to a position within two (2) years shall have unused sick leave credits accrued during previous employment restored.

Section 7. Sick Leave Without Pay.

After earned sick leave has been exhausted and the employee has the opportunity in writing to exercise the option of using accumulative time as outlined in Article 41, the Agency shall grant sick leave without pay for any job-incurred injury or illness for a period which shall terminate upon demand by the employee for reinstatement accompanied by a certificate issued by a duly licensed attending physician that the employee is physically and/or mentally able to perform the duties of that position. No compensatory time, vacation time or other accumulated time shall be deducted from the employee's time unless directed by the employee in writing. If such direction is not given by the employee, leave without pay shall be granted.

After earned sick leave has been exhausted, the Agency may grant sick leave without pay or the use of other accrued leave for any non-job-incurred injury or illness.

The Agency may require that the employee submit a certificate from the attending physician or practitioner in verification of disability. Any cost associated with the supplying of a certificate concerning a job-incurred injury or illness that is not covered by Workers' Compensation benefits shall be borne by the Agency. Any cost associated with the supplying of a certificate concerning a non-job-incurred injury or illness shall be borne by the employee. In the event of a failure or refusal to supply such a certificate, or if the certificate does not clearly show sufficient disability to preclude that employee from the performance of duties, such sick leave may be canceled and the employee's service terminated.

Section 8.

An employee shall have all of his/her accrued sick leave credits transferred when the employee is transferred to the Agency from a different State agency. An employee shall have all of his/her accrued sick leave credits transferred when the employee is transferred to a different State agency if allowed by that agency's rules or Collective Bargaining Agreement.

Section 9. FMLA.

a. Notwithstanding the provisions of the Federal Family and Medical Leave Act (FMLA), the Agency shall not require an employee to substitute any paid leave earned under this Agreement for unpaid leave taken under the FMLA without the consent of the employee.

b. Part-time employees who would otherwise qualify for leave under the FMLA, but for the number of hours worked, may request leave without pay without first exhausting their accrued paid leave, subject to the same notice, documentation and other limitations and conditions applicable to full-time employees.

ARTICLE 31 - OTHER LEAVES

Section 1. Leaves With Pay.

a. Personal Leave. After completion of trial service, regular, permanent, full-time employees shall be entitled to twenty-four (24) hours of personal leave with pay for each fiscal year. Part-time, job share, and seasonal employees shall be granted up to twenty-four (24) hours of personal leave on a pro rata basis if it is anticipated they will work 1,040 hours for the fiscal year. Should a part-time, job share, or seasonal employee fail to work 1,040 hours for the first fiscal year, the value of personal leave time used may be recovered from the employee. Personal leave shall not be cumulative from year to year nor is any unused leave compensable in any other manner. Such leave may be taken at times mutually agreeable to the Agency and the employee.

b. Pre-Retirement Counseling Leave. If an employee is fifty-five (55) years of age or older or at least forty (40) years old and within ten (10) years of his/her chosen retirement date, he/she shall be granted up to twenty-eight (28) hours leave with pay to pursue bona fide pre-retirement counseling programs. However, an employee may draw up to eight (8) hours of his/her twenty-eight (28) hours of preretirement counseling leave after completion of ten (10) years of service prior to reaching age fifty-five (55) or ten (10) years from retirement. Employees shall request the use of leave provided in this Section at least five (5) days prior to the intended day of use.

Authorization for the use of pre-retirement leave shall not be withheld unless the Agency determines that the use of such leave shall handicap the efficiency of the employee's work unit.

When the date requested for pre-retirement leave cannot be granted for the above reason, the Agency shall offer a choice from three (3) other sets of dates. The leave discussed under this Section may be used to investigate and assemble the employee's retirement program, including PERS, Social Security, Insurance, and other retirement income.

c. Service With A Jury. An employee shall be granted leave with pay for service with a jury. The employee may keep any money paid by the court for serving on a jury. The Agency reserves the right to petition for removal of the employee from jury duty if, in the Agency's judgment, the operating requirements of the Agency would be hampered.

d. Court Appearances. When any employee is not the plaintiff or defendant, he/she shall be granted leave with pay for appearance before a court, legislative committee or judicial or quasi-judicial body as a witness in response to a subpoena or other direction by proper authority for matters other than the employee's officially assigned duties. The employee may keep any money paid in connection with the appearance.

e. Military Training Leave. An employee who has served with the State of Oregon or its counties, municipalities or other political subdivisions for six (6) months or more immediately preceding an application for military leave, and who is a member of the National Guard or of any reserve components of the armed forces of the United States is entitled to a leave of absence with pay for a period not exceeding fifteen (15) calendar days or eleven (11) workdays in any training year. If the training time for which the employee is called to active duty is longer than fifteen (15) calendar days, the employee may be paid for the first fifteen (15) days only if such time is served for the purpose of discharging an obligation of annual active duty for training in the military reserve or National Guard. For the purposes of this section, "training year" means the federal fiscal year for any particular unit of the National Guard or a reserve component.

f. Test and Interview Leave. With notice to the supervisor, an employee shall be allowed appropriate time off with pay to take tests related to promotional opportunities within the Agency; up to two (2) hours with pay shall be allowed for an interview for a position with another State agency or a position within the Agency.

Authorization for the use of test and interview leave shall not be withheld unless the Agency determines that the use of such leave shall handicap the efficiency of the employee's work unit.

g. Hardship Leave. Employee(s) within the Agency may transfer accumulated vacation leave or comp time in blocks of one (1) hour or more to another employee of the agency provided:

1. The employee receiving the transferred leave has exhausted all but twenty-four (24) hours of accrued paid leaves as a result of recuperating from or caring for an immediate family member (as defined in Article 30, Section 4) who is recuperating from an extended and continuous illness, injury, or similar catastrophic event. Accrued paid leaves include, but are not limited to sick, vacation, personal, and compensatory leave accruals.

2. The recipient of the transferred leave is not otherwise qualified for workers' compensation coverage, disability insurance or retirement benefits. Eligibility for other such entitlements would preclude an otherwise eligible employee from receiving donated leave. Entitlement for hardship leave is not intended to supplant or otherwise diminish an employee's responsibility for prudent planning.

3. No hardship leave shall be granted solely for the birth or adoption of a child except in the case of circumstances of extended and continuous illness, injury or similar catastrophic event.

4. Applications for hardship leave shall be in writing and sent to the Agency's Human Resources Section. The Agency may require that the employee submit a certificate from the attending physician or practitioner verifying that the expected time duration of the illness or injury or effects from a catastrophic event will continue for at least fourteen (14) days. Upon determination that the employee's request qualifies for hardship leave, Human Resources will issue requests as appropriate for leave donations per qualifying event.

5. Donated leave shall be credited to the sick leave balance of the receiving employee on a dollar-for-dollar exchange basis.

6. The donated leave once posted to the donee's sick leave account is unrecoverable by the donor. All donated leave will be used as sick leave.

7. Cross-donating between management and represented employees may occur if mutually agreed to by the parties.

Employees on trial service shall have that vacation leave time which has been credited to their leave balance available for use in circumstances that would qualify them to use hardship leave subject to the above subsection (g) conditions.

Donated vacation leave or compensatory time may be provided to employees in other AFSCME Central Table participating agencies subject to the approval of the appointing authorities for the involved agencies.

h. Bereavement Leave. Notwithstanding the Hardship Leave or Sick Leave eligibility criteria of the affected collective bargaining agreements, employees shall be eligible for a maximum of twenty-four (24) hours paid bereavement leave, prorated for part-time employees. The Agency may request documentation. If additional earned leave is

needed, an employee may request to use earned sick leave credits, or leave without pay, at the option of the employee for any period of absence from employment to discharge the customary obligations arising from a death in the immediate family or the employee's spouse. Employees may, with prior authorization, use accrued vacation leave or compensatory time. Regular and Trial Service employees may be eligible to receive up to forty (40) hours of donated leave, to be used consecutively. The employee must have exhausted all available accumulated leave and qualify to receive hardship leave. For purposes of this Article, "immediate family" shall include the employee's or the employee spouse's parent, wife, husband, child, brother, sister, grandmother, grandfather, grandchild, or the equivalent of each for domestic partners, or another member of the immediate household.

An employee who needs leave because his or her presence is required due to a death in the immediate family (as defined in Article 30, Section 4), may receive donated leave pursuant to subsection g., paragraphs 1 and 5 above. The Agency shall establish and maintain a bank of donated leave from which an employee who has exhausted all other paid leaves may draw up to five (5) days (forty (40) hours) leave solely for bereavement purposes. Employees may donate leave to this bank as described in subsection g. above. Individuals may make use of leave from this bank by submitting a request in writing to the Benefits and Leave Coordinator.

Section 2. Leaves Without Pay.

a. Military Leave Without Pay. An employee in the State service shall be entitled to a military leave of absence without pay during a period of service with the armed forces of the United States. However, such reduction in salary will not be made for an FLSA-exempt employee on temporary military leave except for full workweek increments where such leave causes an absence of one (1) or more full workweeks. He/she shall, upon honorable discharge from such service, be returned to a position in the same class as his/her last held position, at the salary rate prevailing for such class, without loss of seniority or employment rights. Employees shall make application for reinstatement within ninety (90) days and shall report for duty within six (6) months following separation from active duty. Failure to comply may terminate military leave. If it is established that he/she is not physically qualified to perform the duties of his/her former position by reason of such service, he/she shall be reinstated in other work that he/she is able to perform at the nearest appropriate level of pay of his/her former class. An employee voluntarily or involuntarily seeking military leave without pay to attend service school shall be entitled to such leave during a period of active duty training. Military leaves of absence without pay shall be granted in compliance with the Veterans' Reemployment Rights Law, Title 38 USC Chapter 43.

b. Court Appearance Leave Without Pay. An employee may request and shall be granted leave without pay for the time required to make an appearance as a plaintiff or defendant in a civil or criminal court proceeding that is not connected with the employee's officially assigned duties. However, such reduction in salary will not be made for an FLSA--exempt employee on temporary military leave except for full workweek increments where such leave causes an absence of one (1) or more full workweeks.

c. Employee Leave. In instances where the work of the Agency will not be handicapped by the temporary absence of an employee, the employee shall be granted a leave of absence without pay or educational leave without pay for up to one (1) year, subject to Agency approval.

An employee may take up to fifteen (15) days of leave of absence without pay each calendar year, without first exhausting his or her accumulated paid leave, for professional or career development, including union functions or activities, subject to the employee providing notification of the leave to payroll no later than the 20th of the month in which the leave is to be taken and the operating requirements of the Agency.

d. Parental Leave. Parental Leave shall be granted in accordance with the Oregon Family Leave Act and Family Medical Leave Act. Employees shall not be required to use paid leaves during these absences but are entitled at the employee's discretion to use sick leave, compensatory time, personal leaves, and vacation as paid time during these leaves.

A parent shall be granted an additional leave of absence without pay for a reasonable period of time, not to exceed six (6) months, dependent on operational needs of the Agency, to care for a new baby. Extensions beyond the six (6) months or alternate work schedules may be arranged by mutual agreement between employee and supervisor.

ARTICLE 32 - POSITION DESCRIPTIONS/WORK AGREEMENTS

Section 1. Position Descriptions.

a. Position descriptions shall be in writing and delineate the specific duties assigned to the position. A dated copy of the position description shall be given to the employee upon assuming the position and at such time as the position description is amended. Any amendments which change responsibility sufficiently to warrant a classification change will be subject to the provisions of Article 18 (Classification and Classification Changes).

b. The position description shall be subject to an annual review with the employee and updated if needed. Nothing contained herein shall compromise the right or the responsibility of the Agency to assign work consistent with the classification specification.

c. Updated position descriptions shall be submitted to the Agency Human Resources office, posted on the Intranet, and included in the employee's personnel file.

Section 2. Work Agreements.

All employees shall have a written work agreement within thirty (30) days of starting a new position. Each work agreement shall delineate specific work to be accomplished during the review period, training, goals, and indicators of success based on realistic expectations. Employees shall be given the opportunity to participate in the development of their work agreement with their current immediate supervisor.

Section 3. Work Improvement Plans.

a. Work improvement plans may be initiated and written for those employees who have less than acceptable job performance. The work improvement plan will delineate specific work and/or work related areas to be corrected and improved.

b. The parties acknowledge that a work improvement plan is a tool whereby the Employer can communicate, to an employee, areas of the employee's performance which are deficient, how the problem(s) is to be rectified, and that failure to rectify the problem(s) may lead to disciplinary action. However, the parties agree that the work improvement plan is not, nor is it to be used as, a disciplinary action.

c. After completion of a work improvement plan, the employee and the current immediate supervisor shall, within fifteen (15) days of completion of the plan, schedule a date to meet to discuss the outcome of the work improvement plan.

ARTICLE 33 - PERFORMANCE REVIEW

The Agency commits to implementing its Performance Management System which is forward-looking and emphasizes meaningful dialogue and feedback between staff and managers. The complete description of the elements of the current Performance Management System can be found on Q-Net.

Section 1. Performance Review.

The employee's performance will be discussed with his/her current immediate supervisor. If the employee and the current supervisor have worked together fewer than six (6) months, the employee's former supervisor may participate in the annual performance review with the mutual agreement of the employee and the current supervisor. The employee shall have the opportunity to provide his/her comments and performance related data he/she has collected to be included in or attached to the performance review document. The employee shall sign the performance review document and that signature shall only indicate that the employee has read the performance review document. A copy shall be provided the employee at this time.

In an effort to build trust between managers and employees, when developing the work agreement, a manager shall notify the employee, and document in the work agreement, if the manager intends to ask other people about the employee's performance as an indicator of success relating to specific elements of the work agreement. Comments requested from others about an employee's performance shall be limited to those regarding the specific elements identified in the work agreement.

The Agency is committed to open communication between managers and staff. Employees will be provided opportunities to provide specific feedback on their manager's performance, including the manager's adherence to expectations established in DEQ's Communication Credo and Professional Code of Conduct or their successors on at least an annual basis. Employees are strongly encouraged to provide this feedback. Any employee who offers specific comments on a manager's performance relevant to agreed upon measures shall not suffer any form of retaliation or intimidation from management because of the comments given.

Section 2.

If there are changes made in the performance review document after discussion with and signature by the employee, the revised review document will be rediscussed with the employee. The employee shall have the opportunity to comment on and shall sign the revised review document. That signature shall only indicate that the employee has read the performance review document. A copy shall be provided to the employee at this time. All written comments provided by the employee within thirty (30) days of the performance review discussion shall be attached to the performance review document. Performance review documents are not grievable nor arbitrable under this Agreement nor shall they be used for purposes of disciplinary action, layoff, annual eligibility date performance pay increases. They will only be used to assist in the evaluation of an employee's performance and to document planning of the employee's work and professional growth goals.

Section 3.

Managers shall have a performance review discussion with each of their employees at the end of the employee's trial service period, and at least annually thereafter. Team level reviews may be allowed in place of or in addition to individual reviews when appropriate and agreed upon between a manager and the employees functioning as a team. Managers shall strive to provide timely feedback to employees relating to employees' professional performance and shall not rely solely on annual reviews to discuss employee performance. Memos of Expectation received during the review period shall be discussed during the annual review and satisfactory improvement documented.

Section 4.

Salary administration shall be based upon a performance-based system. Employees shall be granted an annual performance pay increase on their eligibility date if the employee is not at the top of the salary range of their classification, and provided the employee's performance has not been deficient. Employees who do not receive an annual performance pay increase shall receive timely notice of deficient performance or conduct during the review period. Employees shall receive a notice related to the deficiencies as they are noted prior to the completion of the performance review period. Such notice shall provide the employee with reasonable opportunity to correct the problem prior to the end of the review period.

Performance Based Pay shall use the following criteria:

- a. Classification specifications developed and promulgated by the Department.
- b. An individual position description, reduced to writing.
- c. Written memoranda including Memoranda of Expectation when necessary. Work Agreements will not be accepted as a substitute for notice of deficiencies.
- d. Disciplinary action.

The above elements shall be the primary factors upon which annual performance pay decisions are determined.

Employees shall be eligible for performance increases at the first of the month following intervals as prescribed under Article 34, Section 1 of this Agreement.

Section 5.

The Agency will strive to insure consistency, fairness and equity when performance review documents are composed and presented.

ARTICLE 34 - SALARY ADMINISTRATION

Section 1. Merit Salary Increase.

Employees shall be eligible for consideration for merit salary increases following:

- a. Completion of the initial twelve (12) months of service.
- b. Completion of six (6) months of service following promotion.
- c. Annual periods after (a) or (b) above until the employee has reached the top of the salary range.

Merit salary increases shall be made upon recommendation of the employee's immediate supervisor and approval of the appointing authority. The immediate supervisor shall give written notice to an employee of withholding of a merit salary increase prior to the eligibility date, including a statement of the reason(s) it is being withheld.

Section 2. Salary on Demotion.

Whenever an employee demotes to a job classification in a lower range that has a salary rate the same as the previous salary, the employee's salary shall be maintained at that rate in the lower range.

Whenever an employee demotes to a job classification in a salary range which does not have corresponding salary steps with the employee's previous salary but is within the new salary range, the employee's salary shall be maintained at the current rate until the next eligibility date. At the employee's next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range plus that amount that the current salary rate is below the next higher rate in the new salary range. This increase shall not exceed the highest rate in the new salary range.

Whenever an employee demotes to a job classification in a lower range, but the employee's salary is above the highest step for that range, the employee shall be paid at the highest step in the new salary range.

This Section shall not apply to demotions resulting from official disciplinary actions.

Section 3. Salary on Promotion.

An employee shall be given no less than an increase to the next higher rate in the new salary range effective on the date of promotion.

Section 4. Salary on Lateral Transfer.

An employee's salary and merit review date shall at a minimum remain the same when transferring from one position to another which has the same salary range.

Section 5. Effect of Break in Service.

When an employee separates from the Agency and subsequently returns to the Agency, except as a temporary employee, the employee's previous salary eligibility date shall be adjusted by the amount of break in service.

Section 6. Rate of Pay on Appointment from Layoff List.

When an individual is appointed from a layoff list to a position in the same class in which the person was previously employed, the person shall be paid at the same salary step at which such employee was being paid at the time of layoff.

Section 7. Step Advancement Freeze: See Letter of Agreement.

Section 8. Suspension of June 30, 2009 11:59 PM Drop/Add Steps: See Letter of Agreement.

ARTICLE 35 - OVERTIME

Section 1.

This Article is intended only to provide a basis for the calculation of overtime and none of its provisions shall be construed as a guarantee of any minimum or maximum hours of work or weeks of work to any employee or to any group of employees.

Section 2.

Time worked for the purpose of this Agreement is all hours actually worked including any paid leave. Hours worked on holidays count for overtime calculations, but holidays occurring on a scheduled day off are not counted as time worked. On-call, penalty payments, or spill response stand by shall not be counted as time worked.

Section 3.

Eligible employees as defined by FLSA, shall be compensated at the rate of time and one-half (1-1/2) in the form of pay or compensatory time off for authorized overtime worked in excess of forty (40) hours in any one (1) workweek. No application of this Article shall be construed or interpreted to provide for compensation for overtime at a rate exceeding time and one-half (1-1/2), or to effect "pyramiding" of overtime and penalty payments.

Section 4.

The Agency shall give reasonable notice of any overtime to be worked. Overtime worked will be subject to prior authorization. Prior authorization may be granted on a case-by-case basis, or in general, based on a common situation.

Section 5.

Eligible employees shall receive compensatory time off for overtime worked, unless an employee requests, in writing, to receive cash. The accrual limit of compensatory time off shall be subject to Article 26 (Scheduling Compensatory Time Off). Overtime worked will be paid in accordance with payroll administration procedures.

Section 6.

Grievances which grieve the eligibility of employees for overtime shall follow the procedure in Article 13, Steps 1 and 2. If the grievance is still unresolved after Step 2, the affected employee may file a charge with the Bureau of Labor and Industries (BOLI), Wage and Hour Division, or with the U. S. Department of Labor (DOL). If no response is given by BOLI or DOL within ninety (90) days, the employee may proceed with a grievance to arbitration if necessary.

Section 7.

Employees not covered under FLSA shall receive time off for authorized time worked in excess of a forty (40)-hour workweek at the rate of one (1) hour off for each hour over forty (40) in a workweek, unless the employee elects to receive cash.

ARTICLE 36 - SHIFT DIFFERENTIAL

Section 1.

An employee shall be paid an additional differential of six percent (6%) of base pay per hour for each hour or major portion (thirty (30) minutes or more) thereof worked between 6:00 p.m. and 6:00 a.m. and for each hour or major portion (thirty (30) minutes or more) thereof worked on Saturday and Sunday. Hours or days worked prior to becoming eligible for overtime are eligible for shift differential, however, an employee is not eligible to receive the shift differential for hours worked that s/he also is paid overtime.

Section 2.

This Article shall not apply when an employee is on any paid leave condition or on-call duty.

ARTICLE 37 - ON-CALL

Section 1.

An employee shall be on call when authorized by his/her supervisor and required to be available for work outside his/her normal working hours and not subject to restrictions which would prevent the employee from using the time while on call effectively for the employee's own purposes. An employee on call is required to leave word with the Agency where he/she can be contacted during a specified period of time or may be required to carry a pager. The employee is required and must be prepared to commence full-time work as soon as possible consistent with non-restricted status if the need arises.

Section 2.

On-call time is not time worked for purposes of this Agreement.

Section 3.

An employee shall not be on call once he/she actually commences performing assigned duties and receives the appropriate rate of pay for time worked.

Section 4.

Employees shall be paid one (1) hour of pay at the regular straight time rate for each six (6) hours of assigned on-call duty. Employees who are assigned on-call duty for less than six (6) hours shall be paid on a prorated basis.

Section 5.

This Article shall not apply to employees who have been formally assigned by the Agency, in writing, to be on call for, and to perform "off-hour" Spill Response Duties.

ARTICLE 38 - CALL BACK COMPENSATION

Section 1.

Call back is an occasion where an employee has been released from duty and is called back prior to his/her normal starting time. It is distinguished from overtime work which is essentially a continuation of the scheduled work shift, or distinguished from a change in an employee's reporting time.

Section 2.

An employee who is called back to work outside his/her regular shift, will receive overtime compensation in accordance with the Overtime Article of this Agreement for hours actually worked; but in no event will the employee be paid less than four (4) hours at the straight time rate of pay.

Section 3.

This Article shall not apply to employees who have been formally assigned by the Agency, in writing, to be on call for, and to perform "off-hour" Spill Response Duties.

ARTICLE 39 - LEADWORK DIFFERENTIAL

Section 1.

Leadwork differential shall be defined as a differential as indicated in Section 4 below. Leadwork applies for employees who have been assigned "leadwork" duties, in writing, by their supervisor. Leadwork is where an employee has been assigned Person-in-Charge duties and/or all of the following functions:

- a. Orient new employees, or train employees in new work methods, or transmit established standards of performance to workers; and
- b. Assign and reassign tasks; and
- c. Review work of employees to ensure conformance with work standards.

Section 2.

When leadwork is assigned for at least five (5) consecutive workdays or forty (40) consecutive work hours, the employee shall be compensated for all hours worked beginning from the first day of the assignment and for the full period of that particular assignment.

Section 3.

Leadwork differential shall not apply to voluntary training and development purposes which are mutually agreed in writing between the supervisor and employee.

Section 4.

The differential shall be five percent (5%) above the employee's current monthly based rate of pay.

Section 5.

"Back-up" Lead Workers within the Vehicle Inspection Program shall be compensated with a differential of one dollar (\$1.00) per hour for all hours assigned to work in that capacity.

Section 6.

All employees being led by a lead worker shall be provided documentation (e.g., e-mail) of the Supervisor's expectations of the lead worker's roles and responsibilities for employees in the work group.

Section 7.

Leadwork assignments shall not be made in a manner which will subvert or circumvent the administration of this Article.

ARTICLE 40 - HEALTH AND DENTAL INSURANCE

An Employer contribution will be made for each eligible employee who has at least eighty (80) paid regular hours in the month.

The contribution for eligible participating part-time employees with eighty (80) or more hours paid time for the month will be prorated based on the ratio of paid regular hours to full-time hours to the nearest full percent.

Effective January 1, 2009 through December 31, 2009, the Employer shall make a contribution sufficient to cover the premium costs for the PEBB health, dental and basic life benefits chosen by each eligible full-time employee who has at least eighty (80) paid regular hours in a month.

For plan year January 1, 2010 through December 31, 2010, the Employer will increase its monthly contributions by up to five percent (5%) of the actual monthly composite resulting for plan year 2009, should the cost of insurance premiums increase by that amount or more.

For plan year January 1, 2011 through December 31, 2011, the Employer will increase its monthly contributions by up to five percent (5%) of the actual monthly composite resulting from plan year 2010.

Should rates for 2010 or 2011 exceed the employer contribution, the parties shall jointly petition the Public Employees Benefit Board to use reserve funding to support any premium increase above five percent (5%) during either plan year.

The parties may jointly petition the PEBB to do as follows: Employees who live in counties where the PEBB considers there to be an insufficient number of preferred primary care providers within the PPO network will receive the same level of benefits when they use a non-preferred primary care provider as they would using a preferred primary care provider.

ARTICLE 41 - WORKERS' COMPENSATION

Section 1.

An employee who sustained a compensable injury shall be reinstated by the Agency to the employee's former position of employment upon demand for such reinstatement, provided that the position is available and the employee is not disabled from performing the duties of such position. If the former position is not available, the employee shall be offered reinstatement in the first position which the Agency determines is available and suitable for the employee. If the Agency notifies the employee that the Agency has determined that more than one (1) position is available and suitable for the employee, the employee may select the position of his/her choice from those determined by the Agency to be available and suitable for the employee. If the Agency determines that no position is available and suitable and the employee disagrees, then the matter may be considered under the provisions of Article 13 of this Agreement.

Section 2.

If the employee is released by the attending physician for return to "light duty" assignment, and is expected to be able to resume full duties of his/her previous position within ninety (90) days, the Agency may offer such work as the employee is capable of performing and which is available during that ninety (90)-day period. Such short term assignments shall be made without regard to procedures for lateral transfer. If the

employee refuses such assignment, the Agency will notify SAIF of the refusal. The Agency will not modify duties to create a light duty assignment if this would create an unreasonable hardship to other employees. Such light duty work may not be limited to the immediate work unit.

Section 3.

A certificate by a duly licensed physician that the physician approves the employee's return to his/her regular employment shall be prima facie evidence that the employee is able to perform such duties.

Section 4.

Salary paid for a period of sick leave resulting from a condition incurred on the job and also covered by Workers' Compensation, shall, if elected to be used by the employee, be equal to the difference between the Workers' Compensation for lost time and the employee's regular salary rate. In such instances, prorated charges will be made against accrued sick leave. An employee who has exhausted earned sick leave shall have the option to use accumulated compensatory time and vacation leave during the period in which Workers' Compensation is being received, and the salary paid for such a period shall be equal to the difference between the Workers' Compensation for lost time and the employee's regular salary rate. In such instances, prorated charges will be made against accrued vacation and/or compensatory time. No employee shall be required to utilize leave while receiving time loss benefits.

ARTICLE 42 - UNIFORMS

If an employee is required by the Agency to wear a uniform(s) the Agency shall provide the uniform(s). When a uniform(s) is provided by the Agency the employee must wear the uniform(s) and provide reasonable care for, and maintenance of the uniform(s). When the Agency provides a uniform(s) which the Agency wishes dry cleaned, the Agency will determine and direct the method and frequency of such dry cleaning as well as pay for such dry cleaning.

ARTICLE 43 - TRAVEL AND MILEAGE ALLOWANCE

Section 1.

Reimbursements and procedures will be in accordance with Oregon Accounting Manual, Policy No. 40.10.00 PO, and its successors. Changes in this policy will be automatically incorporated into this contract article.

Section 2.

When the employee is required by the agency to travel, the actual travel time shall be considered time worked. Where required travel is outside an employee's regular work hours (excluding normal commuting time), the employer may temporarily modify the employee's weekly schedule without daily overtime or schedule change penalty. Where such schedule modification still results in the need for additional work hours, the employee shall be paid the appropriate rate of pay for all time worked over forty hours in that workweek.

ARTICLE 44 - MOVING EXPENSES

Moving expense reimbursement claims will be governed by the Department of Administrative Services, Human Resources Services Division Policy 40.055.10, and its successors. Changes in this policy will be automatically incorporated into this contract article.

ARTICLE 45 - PARKING

If there are any changes in parking rates for employees at any Agency owned or operated parking facility which are directly controlled by the Agency, the Employer shall provide the opportunity for the Union to offer input in the determination of such rates. The Union will be afforded the opportunity to offer suggestions, make recommendations and introduce any data deemed appropriate.

ARTICLE 46 - SALARIES

Section 1. Public Employees Retirement System ("PERS") Members.

For purposes of this Section 1, "employee" means an employee who is employed by the State on August 28, 2003 and who is eligible to receive benefits under ORS Chapter 238 for service with the State pursuant to Section 2 of Chapter 733, Oregon Laws 2003.

Retirement Contributions. On behalf of employees, the State will continue to "pick up" the six percent (6%) employee contribution, payable pursuant to law. The parties acknowledge that various challenges have been filed that contest the lawfulness, including the constitutionality, of various aspects of PERS reform legislation enacted by the 2003 Legislative Assembly, including Chapters 67 (HB 2003) and 68 (HB 2004) of Oregon Laws 2003 ("PERS Litigation"). Nothing in this Agreement shall constitute a waiver of any party's rights, claims or defenses with respect to the PERS Litigation.

Section 2. Oregon Public Service Retirement Plan Pension Program Members.

For purposes of this Section 2, "employee" means an employee who is employed by the State on or after August 29, 2003 and who is not eligible to receive benefits under ORS Chapter 238 for service with the State pursuant to Section 2 of Chapter 733, Oregon Laws 2003.

Contributions to Individual Account Programs. As of the date that an employee becomes a member of the Individual Account Program established by Section 29 of Chapter 733, Oregon Laws 2003 and pursuant to Section 3 of that same chapter, the State will pay an amount equal to six percent (6%) of the employee's monthly salary, not to be deducted from the salary, as the employee's contribution to the employee's account in that program. The employee's contributions paid by the State under this Section 2 shall not be considered to be "salary" for the purposes of determining the amount of employee contributions required to be contributed pursuant to Section 32 of Chapter 733, Oregon Laws 2003.

Section 3. Effect of Changes in Law (Other than PERS Litigation).

In the event that the State's payment of a six percent (6%) employee contribution under Section 1 or under Section 2, as applicable, must be discontinued due to a change in

law, valid ballot measure, constitutional amendment, or a final, non-appealable judgment from a court of competent jurisdiction (other than in the PERS Litigation), the State shall increase by six percent (6%) the base salary rates for each classification in the salary schedules in lieu of the six percent (6%) pick-up. This transition shall be done in a manner to assure continuous payment of either the six percent (6%) contribution or a six percent (6%) salary increase.

For the reasons indicated above, or by mutual agreement, if the State ceases paying the applicable six percent (6%) pickup and instead provides a salary increase for eligible bargaining unit employees during the term of the Agreement, and bargaining unit employees are able, under then-existing law, to make their own six percent (6%) contributions to their PERS account or the Individual Account Program account, as applicable, such employees' contributions shall be treated as "pre-tax" contributions pursuant to Internal Revenue Code, Section 414(h)(2).

Section 4. Selective Salary Adjustment: Effective July 1, 2009, the following classifications shall be adjusted as indicated below:

<u>Number</u>	<u>Name</u>	<u>From S/R</u>	<u>To S/R</u>
1116	Research Analyst 2	23	23

Employees whose salary falls below the first step of the new range will be placed on the first step of the new range and the salary eligibility date (SED) will be changed to July 1, 2010*, except those employees in promotional status who shall retain their SED.

*Employees will not be eligible for a salary increase if step movement is frozen. Any salary movement shall be subject to the conditions outlined in the Letter of Agreement on Step Freeze Advancement and Add/Drop Steps.

ARTICLE 47 - STRIKES, LOCKOUTS AND PICKET LINES

The Union agrees that during the life of this Agreement, the Union or its bargaining unit members will not authorize, instigate, aid or engage in any work stoppage, slowdown, sickout, refusal to work, picketing or strike against the Employer and the Agency, its goods or on its property.

The Agency agrees that during the life of this Agreement there will be no lockout.

Upon notification confirmed in writing by the Agency to the Union that certain bargaining unit employees covered by this Agreement are engaging in strike activity in violation of this Article, the Union shall advise such striking employees in writing, with a copy to the Agency, to return to work immediately. Such notification by the Union shall not constitute an admission that it has caused or counseled such strike activity.

Any alleged violation of this Article by either party may be referred to the grievance arbitration procedure or may be pursued in the Courts at the discretion of the moving party.

ARTICLE 48 - LEGISLATIVE ACTION

Section 1.

Provisions of this Agreement not requiring legislative funding, or statutory changes, before such provisions can be put into effect, shall be implemented on the effective date of this Agreement or as otherwise specified herein.

Section 2.

Upon signing this Agreement, both parties shall promptly submit, and jointly recommend, to the Legislative Assembly or to the Emergency Board, the passage of the funding necessary to implement this Agreement, as well as any changes in statute which may be required to accomplish that purpose.

Section 3.

Should the Legislative Assembly or the Emergency Board fail to enact or adopt matters submitted to them under the preceding Section, then the Employer and Union shall immediately meet, negotiate and agree on modifications or substitutions for the affected portion or portions of this Agreement pursuant to the procedures provided by Article 49 (Savings).

ARTICLE 49 - SAVINGS

In the event any provision of this Agreement is declared invalid by any court of competent jurisdiction or by ruling of the Employment Relations Board, then only such portion or portions shall become null and void and the balance of the Agreement remain in effect. The Employer and the Union agree to immediately meet, negotiate, and agree upon a substitute for the portion or portions of the Agreement so affected and to bring into conformance therewith not over sixty (60) days after notification unless extended by mutual agreement. If agreement on such matters is not reached within a reasonable period of time, the provision of Article 47 shall not apply.

ARTICLE 50 - COMPLETE AGREEMENT

Section 1.

This Agreement is the full and complete Agreement between the Employer and the Union resulting from negotiations held pursuant to the provisions of ORS 243.650 et seq. It is acknowledged that, during negotiations which resulted in this Agreement, each and all had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter appropriate for collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, if any, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter discussed in these negotiations. It shall not be modified in whole or in part except by another written instrument duly executed by the parties.

Section 2.

This Agreement supersedes all prior written agreements.

ARTICLE 51 - SUCCESSOR NEGOTIATIONS

Section 1.

If one of the parties desires to modify the Agreement, they shall notify the other party in writing no less than one hundred and eighty (180) days prior to the termination of this Agreement.

Section 2.

It is recognized by the Employer that employees representing the Union during the process of negotiations are acting on behalf of the Union as members and not in their capacity as employees of the Employer.

Section 3.

The Agency will allow up to five (5) identified employees to attend collective bargaining sessions as paid members of the Union's negotiating team. These five (5) employees will suffer no loss of pay or paid leave during actual bargaining time that occurs during their scheduled workday. No overtime, per diem, or any other compensation will be paid.

ARTICLE 52 - TRANSFER AND REASSIGNMENT

Section 1. Transfers.

a. A transfer is any permanent change of an employee from one duty station to another. "Duty station" is defined as the city where the Agency office is located or the city constituting the employee's work base. For employees in the Vehicle Inspection Program, "duty station" means the Tech Center or inspection station only.

b. An employee shall be given at least fifteen (15) calendar days notice of transfer. Where both parties agree, the required notice may be waived.

c. The incumbent may move with the position. If the incumbent chooses not to move with the position, they shall be laid off in accordance with Article 20 (Layoff), and the position will be filled in accordance with Article 16 (Filling of Vacancies).

Section 2. Reassignment.

Reassignment is any temporary change of an employee from one duty station in the Agency to another. Such change in assignment shall not exceed forty-five (45) days. Where appropriate the provisions of Article 43 (Travel and Mileage Allowance) would apply.

ARTICLE 53 - CLIENT COMPLAINT PROCEDURE/EMPLOYEE RIGHTS

Section 1.

When the Agency receives a complaint of an alleged criminal law violation against an employee, the Agency shall refer the matter to a law enforcement or criminal justice

agency. If the law enforcement or criminal justice agency refers the matter back to the Agency, the employee shall be notified.

Section 2.

When the Agency receives a noncriminal complaint against an employee which concerns a violation of rules, policies, or procedures, an investigation may be made by the Agency. The employee shall be informed in writing of a complaint prior to a formal investigation. The Agency shall give written notification to the employee of the results of any investigation.

Section 3.

Employees shall not be required by the Agency to answer any questions concerning any complaint or allegation against them until they have been advised of the specifics of the complaint or allegation. Upon the employee's request for Union representation, questioning shall be discontinued until a Union representative is available to participate.

ARTICLE 54 - JOB SHARING

Section 1.

Any employee who wishes to participate in job sharing may submit a written request to the Agency Personnel Manager to be considered for a job share position. The Agency shall notify the employee requesting the job share of the Agency's decision in writing.

Section 2.

Job sharing employees shall accrue vacation leave, sick leave and holiday pay based on a prorate of hours worked in a month during which the employee has worked thirty-two (32) hours or more. Individual salary review dates will be established for job share employees.

Section 3.

Job sharing employees shall be entitled to share the full Employer paid insurance benefits for one (1) full-time position based on a prorate of regular hours scheduled per week or per month whatever is appropriate. In any event, the Employer contribution for insurance benefits in a job share position is limited to the amount authorized for one (1) full-time employee.

Section 4.

If the Agency determines that job sharing is not appropriate for the position or the Agency is unable to recruit qualified employees for the job share position, the affected employee(s) shall have the right to assume the position on a full-time basis or to bump a job share employee with less service credits in a position defined as two (2) part-time equivalents under Article 20, Section 3 (g) (1). The employee must meet all the qualifications as outlined in Article 20. Upon approval of the Agency, the remaining employee may elect to transfer to a vacant part-time position in the same classification or to voluntarily demote. If the above conditions are not available or acceptable, the employee would be subject to layoff.

ARTICLE 55 - STATE/PERSONAL PROPERTY & PERSONAL EFFECTS

Section 1.

Employees shall report any breakage, damage or theft of State property to his/her assigned supervisor as soon as practical.

Section 2.

An employee who suffers loss or damage to personal property used in the performance of authorized job duties may file a written claim to the Division Administrator provided that:

- a. Such use was sanctioned by their immediate excluded supervisor,
- b. The employee present a complete written report of the circumstances of the loss,
- c. The employee present proof of value, and
- d. The employee certifies that any loss or damage was not because of fault, intent, or negligence on the part of the employee.

The claim shall be investigated to substantiate or disprove the facts indicated on the claim. Payment shall be approved or disapproved based on the investigation conducted with notification provided to the employee. Such notification where denied shall include the reasons for denial of the claim.

Section 3.

An employee who suffers theft or accident in the performance of authorized job duties which results in loss through damage of personal effects, may request, and the Agency shall provide assistance to the employee in the filing of a notice of claim with the Director of the Department of Administrative Services pursuant to ORS 30.275.

ARTICLE 56 - TERM OF AGREEMENT

This Agreement shall be in effect July 1, 2009, or first of the month following signing of the agreement, whichever is later, through June 30, 2011.

ARTICLE 57 - PROFESSIONAL DIFFERENCES OF OPINION

The Agency encourages staff to express their professional opinions and encourages an open and free exchange of ideas and opinions. Where a staff person feels strongly that a decision has been made that is (a) technically inadequate, (b) not sufficiently informed, (c) inconsistent or (4) would jeopardize his/her professional credentials, the staff may elevate their professional difference of opinion in writing to the next level of decision making for evaluation, up to and including the Director. A written response will be given, within a reasonable time period. Each employee is expected to perform work according to Agency policy and in accordance with decisions that have been made, including those decisions pending evaluation. No employee will be required to sign any report or recommendation, where he or she conscientiously objects to the opinion stated in such report or recommendation, but may be listed as designated contact person.

No retaliation or discrimination shall occur against any employee for expressing a differing professional opinion.

ARTICLE 58 - PAST PRACTICE

Section 1.

The parties recognize the Employer's full right to direct the work force and to issue work orders and rules and that these rights are diminished only by the law and this Agreement.

Section 2.

The Employer may change or issue new work practices or rules covering permissive subjects of bargaining, including issuing administrative rules over issues which are nonnegotiable and are not in conflict with or otherwise addressed in a specific provision of this Agreement.

Section 3.

The Employer agrees to bargain over any proposed changes in "Working conditions" considered mandatory subjects of bargaining, unless the subject was submitted as a written proposal during negotiations for this Agreement, in which case it can not be opened by either party.

Section 4.

If the Union believes the Agency has unilaterally changed an employee's wages or hours, the Union may file a written grievance directly with the Department of Administrative Services within fifteen (15) days of the alleged violation.

Section 5. Demand to Bargain.

If the Department of Administrative Services believes that the subject change is a mandatory subject of bargaining, the parties shall meet within ten (10) days of the Union's request to meet. If agreement is reached by the parties during the meeting under this Section, then the agreement shall be reduced to writing and signed by the parties.

If the Department of Administrative Services believes that the subject change is a permissive or prohibitive subject of bargaining, the Department of Administrative Services shall inform the Union it refuses to bargain the subject change within fifteen (15) calendar days of the Department's receipt of the demand to bargain.

The Union may then file an unfair labor practice complaint with the Employment Relations Board. If the Board determines that the change is a permissive or prohibited subject of bargaining, the Union shall withdraw its demand to bargain. If the Board determines the change is mandatory, the parties shall meet to negotiate the change. If, after bargaining, the parties do not reach agreement, the Union may submit the matter to arbitration. The notice must be received by the Department of Administrative Services within fifteen (15) days immediately following the last date the parties met to negotiate the change.

Section 6. Arbitration.

The parties agree that the decision of the arbitrator shall be final and binding on each of the parties and that they will abide thereby, unless the award is vacated pursuant to ORS 240.087 or ORS 240.088. The power of the arbitrator in an action brought under this Section shall be limited to determining if the change or new work practice or rule falls more within the scope of "management functions" as opposed to "employee benefits." If the

arbitrator rules that the changed or new work practice or rule has a greater impact on "employee benefits," it shall be immediately withdrawn.

Section 7.

The arbitrator's fee and expenses shall be paid equally by the parties. Failure to act within the time limits waives any rights to further consideration in the matter.

ARTICLE 59 - RECOUPMENT OF WAGE AND BENEFIT OVERPAYMENTS/ UNDERPAYMENTS

Section 1. Overpayments.

a. In the event that an employee receives wages or benefits from the Agency to which the employee is not entitled, regardless of whether the employee knew or should have known of the overpayment, the Agency shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists and the amount of wages and/or benefits to be repaid. For purposes of recovering overpayments by payroll deduction, the following shall apply:

1. The Agency may, at its discretion, use the payroll deduction process to correct any overpayment made within a maximum period of two (2) years before the notification.

2. Where this process is utilized, the employee and Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.

3. If there is no mutual agreement at the end of the thirty (30)-calendar day period, the Agency shall implement the repayment schedule stated in sub (4) below.

4. If the overpayment amount to be repaid is more than five percent (5%) of the employee's regular monthly base salary, the overpayment shall be recovered in monthly amounts not exceeding five percent (5%) of the employee's regular monthly base salary. If an overpayment is less than five percent (5%) of the employee's regular monthly base salary, the overpayment shall be recovered in a lump-sum deduction from the employee's paycheck. If an employee leaves Agency service before the Agency fully recovers the overpayment, the remaining amount may be deducted from the employee's final check.

b. An employee who disagrees with the Agency's determination that an overpayment has been made to the employee may grieve the determination through the grievance procedure.

c. The Article does not waive the Agency's right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

Section 2. Underpayments.

a. In the event the employee does not receive the wages or benefits to which the record/documentation has for all times indicated the employer agreed the employee was entitled, the Agency shall notify the employee in writing of the underpayment. This notification will include information showing that an underpayment exists and the amount of wages and/or benefits to be repaid. The Agency shall correct any such underpayment made within a maximum period of two (2) years before the notification.

b. This provision shall not apply to claims disputing eligibility for payments which result from this Agreement. Employees claiming eligibility for such things as leadwork, work out of classification pay or reclassification must pursue those claims pursuant to the timelines elsewhere in this Agreement.

ARTICLE 60 – TELECOMMUTING AND ALTERNATIVE WORK ARRANGEMENTS

Section 1.

The State allows telecommuting and alternative work arrangements where there are opportunities for improved employee productivity, reduced commuting miles or potential agency savings.

Telecommuting work arrangements are subject to State Policy 50.050.01 (Telecommuting) and the terms and conditions of this collective bargaining agreement. The Agency or the employee may terminate individual agreements, in whole or in part, upon seven (7) days notice to each other.

Section 2. Who May Participate.

Employees who meet the qualifications below and whose duties can be successfully performed away from their primary duty station are eligible to apply for a telecommuting work schedule. Employees having primary job duties that require them to interact in person with members of the public, the regulated community, other DEQ employees, or other groups or individuals, on a frequent basis during each workday, typically are not going to be good candidates for telecommuting. A home computer and/or the ability to connect to the agency network are not prerequisites for telecommuting.

Section 3. Qualifications.

Employees who meet the following qualifications may initiate a telecommuting proposal with their manager:

- a. A current overall rating of satisfactory or better.
- b. Completion of trial service period.
- c. Residence within same State (or District of Columbia) as normal reporting location.
- d. Adequate space with privacy and sufficient electrical power and outlets for all equipment necessary to perform the work.

Section 4. Considerations.

Factors to be considered when managers are evaluating telecommuting proposals:

- a. Customer/Operational needs of work unit will be met.
- b. Number of employees within a work unit who are telecommuting and/or using alternate work schedules.
- c. Individual has a flexible work schedule.
- d. Managers may evaluate any factor rated below satisfactory on the work plan scoring sheet to determine if it would preclude successful participation in telecommuting. (See Article 32 (Position Descriptions/Work Agreements.)
- e. Generally telecommuting will be one (1) day per workweek.

The Agency's determination as to qualifications and considerations above will be final. These determinations will not be made arbitrarily.

Section 5. Telecommuting Requests.

Proposals for telecommuting may be initiated by an employee meeting the above criteria by completing the Telecommuting Agreement form and must be approved by the Division Administrator. The manager of the work unit will review the proposal to insure that the work unit operational needs are met. Where more than one (1) qualified employee requests the same telecommuting day, and all requests cannot be granted, preference will be granted on the basis of seniority within DEQ.

Section 6. Equipment.

DAS-Information Resource Management Network Security Policy shall be followed in cases of PC equipment and software and modem connection to State computer security systems. In the event of equipment malfunction or other circumstance which may interfere with the performance of work assignments, the employee shall promptly notify the supervisor. Equipment for telecommuting may be loaned by the Agency upon request, subject to availability of surplus equipment, as designated by the Agency, and Agency approval. Equipment loaned by the Agency shall remain property of the State, and the employee shall be required to sign receipts for all equipment and supplies taken to the telecommuting location and shall be liable for negligent damage to it. Equipment loaned by the Agency shall be used in accordance with the Acceptable Use of Agency Electronic Information Systems policy.

Section 7. Telecommuting Work Schedule.

Participants are expected to work their full workday in a punctual manner and, while working, give their full attention to the performance of their job duties. Telecommuting work time shall not be spent for dependent care activities nor for personal business. If dependents are normally present in the home during telecommuting work hours, the employee will provide the Agency with a dependent care plan listing who will be providing the dependent care. In the event that participants wish to leave their tele-worksites at times other than scheduled breaks and lunch hour, they will provide notice to their supervisors when they are leaving and when they return. If an emergency situation develops which prevents the employee from continuing their work, the employee will notify their supervisor as soon as appropriate.

Section 8. Tele-worksites Supplies.

Disposable tele-worksites supplies shall be provided by the Agency. Equipment, software or supplies which are provided by the Agency for use at the tele-worksites shall be for the purposes of conducting Agency business only. The Agency may issue a State telephone credit card to telecommuters to make State business phone calls.

Section 9. Home Worksite.

Home worksites furniture and equipment shall normally be provided by the telecommuter. The employee shall maintain a clean, safe, dedicated work space. In the case of injury occurring during telecommuting work hours, the employee shall immediately report the injury to the supervisor. SAIF or Agency safety representatives shall have reasonable access to the home worksites to conduct accident investigations or job site evaluations.

Section 10. Work Location, Mileage and Travel Time.

The participant's normal DEQ reporting location will remain the same. In addition, participants may be required to report to Agency or non-Agency locations for purposes such as meetings, medical visits, training sessions and policy/practice coverage. Business visits, meetings with Agency customers or meetings with co-workers shall not be held at the home worksite. No payment for mileage or travel time will be made when the participant is directed to report to his/her normal reporting location or visits the location to pick up pay drafts or other materials. Payment for mileage or travel to other than normal reporting locations will be handled as outlined in the Article 43 (Travel and Mileage Allowance) of this collective bargaining agreement.

Section 11. Joint Labor-Management Committee.

A four (4)-member committee appointed by the Union and Agency will be created to serve as an advisory resource committee for the Agency on telecommuting. The committee, which will meet a minimum of twice a year, is responsible for:

- a. making recommendations for handling unanticipated problems or issues related to the telecommuting program;
- b. evaluating the program and making recommendations for improvement, and;
- c. serving as a resource to provide managers additional information or recommendations for handling generic problems that arise, however it is not the job of the committee to resolve problems arising between individual telecommuters and managers.

The committee may recommend any changes that would be subject to collective bargaining pursuant to PECBA. Modifications to the collective bargaining agreement will be made through the bargaining process by the designated representatives.

Section 12. Expectations and Goals.

Telecommuting employees and their managers will develop a clear set of expectations and goals for the work to be performed on telecommuting days. Such expectations may include checking E-Mail and voice-mail on a regular basis and returning phone calls in a timely manner. Included in the telecommuting agreement form will be a check box indicating that managers and employees have developed expectations and goals.

Section 13. Training.

Appropriate training will be provided for participating managers and employees.

Section 14. Exploration of Options.

The Agency will continue to explore options and develop implementation plans when possible in the following areas:

- a. making computer equipment available to employees on an as needed basis to use while telecommuting or teleworking;
- b. developing satellite work sites; and
- c. identifying funding sources for a program designed to facilitate the purchase of personal computer equipment by employees for home use.

Section 15. Other Provisions.

These provisions are applicable to all Sections listed above.

a. Call back and overtime will be handled as outlined in the applicable provisions of this collective bargaining agreement.

b. Since supervisors must continue to be in a position to evaluate employee performance, certify the accuracy of time sheets and attendance records, and perform a variety of other supervisory responsibilities, participants should anticipate that, in addition to being supervised pursuant to normal office procedures, there will also be the possibility that they will receive telephone calls at their residences from supervisors during the times that they are to be on duty.

c. In the event of a work stoppage, telecommuting arrangements utilized by represented employees shall be suspended.

d. The grievance and arbitration procedures under Article 13 (Grievance Procedure) of this collective bargaining agreement will apply to disputes associated with this Article.

e. The Agency reserves the right to remove individual participants from telecommuting at any time. This right will not be exercised arbitrarily.

f. Members will waive no right to Union representation as enumerated in this collective bargaining agreement or as guaranteed by the law.

Section 16. Alternative Work Arrangements.

Subject to Agency approval, the following types of alternative work arrangements may be utilized to allow an employee to work from home or at an alternate location on a short-term, ad hoc basis:

a. To respond to a family or home emergency that necessitates an employee being physically present but allows the employee free time to perform job tasks;

b. To work individually or as part of a team on a project requiring uninterrupted work time or additional space; or

c. In response to other appropriate ad hoc events such as clean air days or inclement weather.

To qualify for such an arrangement, the employee's alternative-work-arrangement work site must be located within the same state as the employee's regular duty station.

Alternative work arrangements may not be used on a long-term basis and are not considered "telecommuting" under this Article. As such, none of the other provisions of this Article shall apply to this Section.

ARTICLE 61 - IMPLEMENTATION OF NEW CLASSES—APPEALS PROCESS

The appeals process is designed to allocate employees into new classes. Employees in positions allocated to a new classification, who dispute their placement within the new class, can appeal their placement using the following process:

Section 1.

a. An appeal may be filed by an individual employee or a steward or a Council Representative on behalf of the employee, to the Agency personnel office within fifteen (15) calendar days of written notification by the Agency of placement into the new class. Employees sharing the same or substantially similar position descriptions or employees the Agency agrees to treat as a group may file an appeal as a group. The initial filing should describe the individual or group, including the names of affected members, identify the proposed placement, and the placement believed to be correct by the affected employees.

The appeal must include current, signed position descriptions. Because the old classifications are to be abolished, correct placement cannot be back to the prior classification.

The Agency shall conduct a review of the allocation using the following criteria:

1. The purpose of the job shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency;
2. The concept of the proposed classification shall be determined by the general description and distinguishing features of its class specification; and
3. The overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency. This decision shall be made within thirty (30) calendar days of receipt of the appeal and provided to the affected employees in writing and with a summary of the classification analysis.

b. If denied, the Union may appeal the Agency's decision in writing to the Labor Relations Unit within fifteen (15) calendar days of receipt of the written denial. The appeals will be considered by the Employer designee (or an alternate) and the Union designee (or an alternate) who shall form the committee charged with the responsibility to consider appeals and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Additionally, the committee may utilize two resource persons, one designated by each party, to provide technical expertise concerning a specific series. The committee will attempt to resolve the matter by jointly determining whether the current or proposed class more accurately depicts the overall assigned duties, authorities and responsibilities of the position using the criteria specified above. In this process each of the designees may identify one (1) alternate class that he/she determines most accurately depicts the purpose of the job and overall assigned duties. If an alternate class is identified, both the Union and Labor Relations Unit shall be notified. If the parties concur that shall end the allocation appeal. In the event the committee concludes that the proposed or alternate class is more appropriate, management retains the right to modify the work assignment on a timely basis to make it consistent with the Agency's allocation. Appeals shall be decided in order of receipt by the Labor Relations Unit. Decisions shall be rendered by the designees no later than sixty (60) calendar days of receipt of the appeal by the committee.

c. The decision of the designees shall be binding on the parties. However, agencies may elect to remove/modify duties at any point during the process.

d. If the appeals committee cannot make a decision, the Union may request final and binding arbitration by a written notice to the Labor Relations Unit within the next forty-five (45)-calendar day period. Each party may go forward with only one class. Each party may choose to take to arbitration either the current class, class appealed to, or an alternate class identified by a committee member. The arbitrator shall allow the decision of the Agency to stand unless he/she concludes that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities of the position.

e. Where a position is vacated after the filing of the initial appeal, the Union may continue the appeal process and such appeals will be reviewed by the committee only after the review of all filled positions appeals is completed and where the Agency indicates that no change in duties is anticipated prior to refilling the position.

f. This process terminates upon completion of the allocation process.

ARTICLE 62 – BILINGUAL DIFFERENTIAL

When formally assigned in the employee's position description, an employee assigned to interpret to or from another language to English will receive a differential of five percent (5%) of base pay.

ARTICLE 63 – EMERGENCY RESPONSE COORDINATION

Section 1.

The nature and extent of activities conducted as part of the emergency response coordination program will be determined by the Agency. Emergency response coordination activities will be conducted in accordance with the provisions of Article 22 (Health and Safety). Those activities may be modified by the Agency, as determined by changes in roles, responsibilities and consideration of costs.

Section 2.

The Agency will select the employees assigned to emergency response coordination duties. The Agency will first consider volunteers. Selection of employees will be based upon consideration for knowledge of hazardous materials and petroleum products, experience, training and accessibility to likely spill locations.

Section 3.

Employees who have been formally assigned by the Agency, in writing, to be on-call for, and to perform after normal working hours emergency response coordination duties, shall receive a monthly salary differential as follows:

- a. Employees working on-call emergency response coordination on (1) week in eight (8) weeks will receive one hundred dollars (\$100.00) and two and seven-tenths (2.7) hours paid leave per month.
- b. Employees working on-call emergency response coordination one (1) week in seven (7) weeks will receive one hundred fourteen dollars and twenty-nine cents (\$114.29) and three and one-tenth (3.1) hours paid leave per month.
- c. Employees working on-call emergency response coordination one (1) week in six (6) weeks will receive one hundred thirty-three dollars and thirty-four cents (\$133.34) and three and six-tenths (3.6) hours paid leave per month.
- d. Employees working on-call emergency response coordination one (1) week in five (5) weeks will receive one hundred sixty dollars (\$160.00) and four and three-tenths (4.3) hours paid leave per month.
- e. Employees working on call emergency response coordination one (1) week in four (4) weeks will receive two hundred dollars (\$200.00) and five and four-tenths (5.4) hours paid leave per month.

Employees working a pre-approved, set rotation schedule that is different than those in (a)-(e) above, shall be compensated monthly at the same weekly rate as used above, one hundred eighty-four dollars and sixty-two cents (\$184.62) and five (5) hours paid leave per week of duty calculated on an annual basis, for performing on-call emergency response coordination duties. When assigned to be on call for emergency response coordination duties, the compensation provided in this Section will be paid in addition to employee's base salary.

Where emergency response duties are required after normal working hours, and the employee acting as coordinator is on-call at the time of response, the employee shall be compensated in accordance with the provisions of Article 35 (Overtime) and Article 28 (Holidays), Sections 3 and 4, in addition to the salary differential.

Section 4.

Where emergency response duties are required after normal working hours and the employee acting as coordinator is not on-call at the time of response, the employee shall be compensated in accordance with the provisions of Article 35 (Overtime) and Article 28 (Holidays), Sections 3 and 4.

Section 5.

Employees who have been formally assigned to emergency response coordination duties under Section 3, and who elect to exchange pre-assigned, scheduled rotation on-call duties with another employee, will not be entitled to receive a greater monthly salary differential payment.

ARTICLE 64 – LABOR/MANAGEMENT COMMITTEE

The joint labor/management committee is intended to facilitate communication between the parties. The committee shall meet when necessary, but not more than once each month unless mutually agreed otherwise. Committee meeting agendas shall established by mutual agreement.

The committee shall be composed of four (4) employee members appointed by the Union and four (4) members of management, unless mutually agreed otherwise. Representatives of the DAS Labor Relations Unit and AFSCME Council 75 may participate in labor/management committee meetings, provided both representatives are invited to attend. Members of the labor/management committee will work together to identify and attend appropriate training on collaboration and problem-solving. Each employee appointed to the committee will be allowed up to two (2) hours per month relief time, by pre-approval with his/her supervisor, to prepare for the labor/management committee meeting.

Agency employees appointed to the Agency committees shall be in pay status during time spent in committee meetings as well as travel from their worksite to the meeting and back, unless prior authorized to initiate travel from home. No other travel expenses or per diem will be paid by the Agency. Time spent outside of the employee's regularly scheduled work hours, and time spent in Union preparation meetings and regularly scheduled lunch breaks, will not be in pay status.

The committee discussions shall be on a meet-and-confer basis. The committee shall have no power to contravene any provision of the collective bargaining agreement, to enter into any agreements binding on the parties to this Agreement or resolve issues or disputes surrounding the implementation of this Agreement. Matters which may require a Letter of Agreement shall not be implemented until a Letter of Agreement has been negotiated and signed by the Labor Relations Unit and AFSCME Council 75 authorized representatives.

Matters that should be resolved through the grievance and arbitration procedure shall be handled pursuant to that procedure. Discussion or review of any matter by the committee shall not waive or affect the time frames related to the grievance procedure.

The labor/management committee will report to the Executive level management body of the Agency on an as needed basis.

The Employer will count eighty percent (80%) of the affected employee's straight-time wage rate when comparing the two (2) plans.

This Agreement is effective through June 30, 2011.

LETTER OF AGREEMENT - INTERMITTENT UNION LEAVE

When Union officials (officers and stewards) are designated in writing by the Executive Director of Oregon AFSCME to attend AFSCME Council 75 Biennial or AFSCME International Conventions, the following provisions apply.

LETTER OF AGREEMENT VETERANS' PREFERENCE

This Letter of Agreement is between the State of Oregon, acting through the Department of Administrative Services, hereinafter referred to as The Employer or The State, and the American Federation of State, County and Municipal Employees, hereinafter referred to as AFSCME or the Union. This Letter of Agreement shall become effective 15 days after the date of the last signature below, and shall be incorporated into and be made a part of the contracts identified below for the successor contracts ending June 30, 2011. The contracts shall include the Department of Public Safety, Standards and Training; the Oregon State Fire Marshall; the Oregon State Police Support Unit; the Building Codes Division; the Oregon Liquor Control Commission; the Department of Land Conservation and Development; the Department of Environmental Quality; the Oregon Military Department; the Office of Emergency Management; the Department of Corrections Dentists; the Department of Human Resources Physicians; the Oregon State Hospital Nurses, the Construction Contractors Board; the Real Estate Agency; the Department of State Lands; the Employment Department Hearings Officers; the State Operated Community Programs, the OYA Juvenile Parole and Probation Officers; the Department of Corrections Security Unit; the Department of Corrections Security Plus Unit; the Department of Corrections Parole and Probation Officers and the Oregon State Board of Parole.

The Employer and the Union recognize that Senate Bill 822 provides that an employer may choose not to appoint a veteran to a vacant position solely on the basis of the veteran's merits or qualifications with respect to the vacant civil service position.

For recruitments where the veteran has been determined to be otherwise qualified and the selection process results in a quantified score, Senate Bill 822, Section 2 (1) (a) and (b) shall apply. If this process results in two or more candidates deemed equal, and the Employer elects to appoint one of the candidates, the veteran shall be appointed, the seniority provisions of the respective collective bargaining agreements notwithstanding.

For recruitments where the decision to hire or promote rests with a process that does not result in a score, the employer must give the veteran special consideration in such process per SB 822, Section 2 (1) (c).

The provisions of Senate Bill 822 do not apply to grievance settlements, court mandates, Agency recall from layoff and injured worker returns to employment. The provisions of Senate Bill 822 do apply to the Secondary Recall List.

This agreement covers all AFSCME agreements that are within the jurisdiction of the AFSCME Central Table. To the extent this agreement conflicts with any provisions of any AFSCME agreements, this agreement shall prevail.

The parties agree to the following:

1. This agreement becomes effective September 1, 2009 and sunsets June 30, 2011 unless the parties agree to extend or amend its provisions.
2. The Employer will implement mandatory unpaid furloughs for affected employees as follows:

Straight Time Monthly Base Pay Rate	Number of Days
\$2450 and below	10
\$2451-\$3100	12

3. The number of hours of mandatory unpaid furloughs for less than full-time employees shall be prorated based on the employee's regularly scheduled hours within the applicable month.

4. A. Agencies or divisions within an Agency can decide whether to designate whether the Agency or division within an Agency will close its offices. If the Agency so chooses, the Agency will close for the number of days identified in section 5 A of this agreement.

(i) Employees not taking unpaid mandatory furlough time off when the Agency is closed shall change their work schedule to a four (4) ten (10) hour-day schedule or otherwise adjust their schedule for that work week subject to prior Agency approval. The Agency shall not suffer any penalty or overtime payments as a result of the employee's schedule change.

B. Agencies that choose to allow employees to take "float days" will schedule designated unpaid mandatory furlough time off with their immediate supervisors using the following procedures:

(i) In an effort to ensure that the scheduling of unpaid mandatory furlough time off is distributed throughout the term of this agreement, such unpaid time off will be scheduled quarterly unless there is mutual agreement between the Agency and employee to schedule more days in some quarters and fewer in others; in no case no more than two (2) days (sixteen (16) hours) in a month.

(ii) Employees will have their choice of days off subject to Agency operating requirements. Employees will submit a mandatory unpaid furlough time off request form to their supervisors at least thirty (30) calendar days before the start of each quarter and supervisors will respond within fifteen (15) calendar days before the start of each quarter.

(iii) If the mandatory unpaid furlough time off is not scheduled or taken within the applicable quarter, then the Agency reserves the right to ensure the time off is rescheduled and taken within the next quarter (except for the last quarter in the biennium, during which the Agency may reschedule such time during the same quarter).

(iv) The Agency shall not incur any penalty or overtime payment for adjustments to an employee's schedule not to exceed a thirty-two (32) hour workweek.

(v) DEQ Only:

(a) Employees with minimum billable hour requirements will have their billable hour requirements prorated per current Agency practice.

(b) Employees with billable targets based upon the percentages required for their positions shall have their billable hours prorated per current Agency practice.

5. A. Where Agencies choose to close their offices, the following dates shall be designated as office closure days:

Friday, October 16, 2009
Friday, November 27, 2009
Friday, April 16, 2010
Friday, March 19, 2010
Friday, June 18, 2010

Friday, August 20, 2010
Friday, September 17, 2010
Friday, November 26, 2010
Friday, March 18, 2011
Friday, May 20, 2011

B. Employees mandated to take a greater number of unpaid mandatory furlough time off than closure days based on the tiers, will take the remaining unpaid mandatory furlough time off as float days under the following conditions:

(i) In an effort to ensure that the scheduling of unpaid mandatory furlough time off is distributed throughout the term of this agreement, such unpaid time off will be scheduled quarterly unless there is mutual agreement between the Agency and employee to schedule more days in some quarters and fewer in others. In no case will an employee take more than two (2) days (sixteen (16) hours) in a month.

(ii) Employees will have their choice of days off subject to Agency operating requirements. Employees will submit a mandatory unpaid mandatory furlough time off request form to their supervisors at least thirty (30) calendar days before the start of each quarter and supervisors will respond within fifteen (15)

calendar days before the start of each quarter. If there is a conflict in requested days off, that conflict shall be resolved by granting the days off to the person who made the first request.

(iii) If the unpaid mandatory furlough time off is not scheduled or taken within the applicable quarter, then the Agency reserves the right to ensure the time off is rescheduled and taken within the next quarter (except for the last quarter in the biennium, during which the Agency may reschedule such time during the same quarter)

(iv) The Agency shall not incur any penalty or overtime payment for adjustments to an employee's schedule not to exceed a thirty-two (32) hour workweek.

6. No employee will be required to take a mandatory unpaid furlough day on a recognized holiday unless the employee and supervisor agree otherwise.

7. Temporary employees will be unscheduled for mandatory unpaid furlough days.

8. Mandatory unpaid furlough time off will not count as a break in service and shall not affect seniority.

9. Mandatory unpaid furlough time off shall not add to the length of an employee's trial service period.

10. Deductions from pay of an FLSA exempt employee for absences due to a budget required mandatory unpaid furlough day shall not disqualify the employee from being paid on a salary basis except in the workweek in which the mandatory unpaid furlough time off occurs and for which the employee's pay is accordingly reduced.

11. If an FLSA exempt employee is permitted to work in excess of forty (40) hours in a workweek in which the employee takes a mandatory unpaid furlough day, then such employee shall be eligible for pay at the rate of time and one half (1 1/2 x) for hours in excess of forty (40) hours that workweek.

12. Mandatory unpaid furlough time off shall only be considered time worked for: a) holiday pay computations, and, b) vacation, sick leave and personal accrual.

13. Subject to PEBB eligibility rules, mandatory unpaid furlough days shall be considered time worked for purposes of computing the Employer's insurance contributions.

14. Unless required by law, no employee shall be authorized to substitute other types of unpaid absences or paid leave to replace mandatory unpaid furlough time off.

15. Full-time employees shall take mandatory unpaid furlough time off in eight (8) hour blocks.

16. Part-time employees shall take mandatory unpaid furlough time off in blocks equal to their actual scheduled workday.

17. No employee shall be authorized to use any paid leave time or time accrued to replace mandatory unpaid furlough time off.

18. If an Agency closure day is scheduled on a day in which an employee is scheduled to work more or less than an eight (8) hour workday, the employee, with Agency approval, will adjust his/her schedule in a manner which is consistent with the practice that is used during a week there is a holiday. In either case, the employee's schedule will not exceed a thirty-two (32) hour workweek. The Agency shall not incur any penalty or overtime payment for adjusting the employee's schedule.

19. An employee shall not work on a date designated as a mandatory unpaid furlough time off. However, the Agency Head or designee for operational needs, may require the employee to work and reschedule the mandatory unpaid furlough time off.

20. Should the designated Agency closure date fall on an employee's regularly scheduled day off, subject to Agency approval, the employee shall take the mandatory unpaid furlough time off on an alternate workday. If the preferred workday is not available, the Agency shall schedule the time off on an alternate workday.

(i) If the alternate time is not scheduled or taken within the applicable quarter, then the Agency reserves the right to ensure the mandatory unpaid furlough time off is rescheduled and taken within the following quarter (except for the last quarter in the biennium, during which the Agency may reschedule such time during the same quarter).

(ii) The Agency shall not incur any penalty or overtime payment for adjustments to employee's schedules not to exceed a thirty-two (32) hour workweek.

21. For payroll purposes, mandatory unpaid furlough days shall be assigned a specific payroll code(s).

LETTER OF AGREEMENT
MANDATORY UNPAID TIME OFF
CLARIFICATIONS FOR IMPLEMENTATION

The Letter of Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) and the American Federation of State, County and Municipal Employees, AFSCME (Union). The parties agree to the following clarifications for implementation of the mandatory unpaid time off tentative agreement.

1. For purposes of a guideline, the tiered obligation for floating mandatory unpaid time off days has been equally between the fiscal years in the biennium.

Tier	Sept. 2009 – June 2010	July 2010 – June 2011
1 - \$2450 and below	5	5
2 - \$2451 - \$3100	6	6
3 - \$3101 and above	7	7

2. Requests for floating mandatory unpaid time off for September through December 2009.

Since the requirement to submit requests for mandatory unpaid time off cannot be submitted 30 days prior to the start of the quarter, the following will apply for such requests for September 2009 and the October – December 2009 quarter. Any time through October 15, 2009, employees may request to take up to two (2) float mandatory unpaid time off in each month in this quarter. The supervisor will have up to fifteen (15) days to respond to the employee’s request for the unpaid day (MUTO/Furlough).

3. Scheduling mandatory unpaid time off for newly hired, reemployed, recalled and transferred employees.

At the time of an employment offer letter, the employee shall be given the dates in the current and/or next quarter that have been designated as floating mandatory unpaid time off days.

4. Seasonal employee—calculation of mandatory unpaid time off obligation.

Full-time FTE seasonal employee’s mandatory unpaid time off days obligation is determined by the following formula as a guideline:

$$(MS \div TM) \times TO$$

Where:

MS = Estimated number of months the seasonal employee will work during the period in which mandatory unpaid time off must be taken.

TM = Total number of months during the ‘09-‘11 biennium during which mandatory unpaid time off must be taken (which is 22 months).

TO = Total number of mandatory unpaid time off days required for the biennium for the salary tier for the employee.

Example: The employee's seasons include the months of May through October 2010 and May and October 2011. The seasonal employee is expected to work both seasons. However, since the term of the CBA begins September 1, 2009 and ends on June 30, 2011, only September and October 2009, May through October 2010 and May and June in 2011 count for determining the mandatory unpaid time off obligation. Consequently, there are nine (9) months of the employee's seasons in the biennium that count. The seasonal employee is in the top salary tier which has a maximum of fourteen (14) mandatory unpaid time off (MUTO) days. The calculation is the following:

$$(MS \div TM) = (9 \text{ months} \div 22 \text{ months}) = .409$$

$$TO = 14 \text{ days}$$

$$(9 \div 22) \times 14 = 5.73 \text{ days}$$

Rounding to nearest whole number = 6 mandatory unpaid time off days (8 hours each).

Part-time FTE seasonal employee's mandatory unpaid time off obligation is prorated based on the scheduled hours for the part-time seasonal employee in the month. The same formula is used for part-time employees to calculate the number of days they are obligated to take. The mandatory unpaid time off obligation shall be prorated using the following formula as a guideline:

$$(SSH \div FTH) \times 8 = MH$$

Where:

SSH = The scheduled hours in a month for the part-time seasonal employee.

FTH = The number of full-time hours in a month.

8 = The number of hours in a full-time mandatory unpaid time off day obligation.

MH = The number of mandatory unpaid time off hours required for an mandatory unpaid time off day for the part-time seasonal employee.

Example: Using the facts in the example used for full-time calculation (6 mandatory unpaid time off days), but adding that the part-time seasonal is scheduled to work three-quarter (3/4) time for the month, 3/4 time is equivalent to 130 hours (i.e., 3/4 of the 173.33 full-time hours in a month). The calculation is:

$$(130 \text{ hours} \div 173.33 \text{ hours}) \times 8 = 6 \text{ hours}$$

The 3/4 time employee would take 3/4 of a work day (i.e., 6 hours) off for a mandatory unpaid time off day scheduled for the month.

Seasonal employees employed multiple season and/or by multiple agencies, will be dealt with on an Agency by Agency basis to determine the number of mandatory unpaid time off days.

5. Demotions, promotion, reclassification resulting in a change in salary tier for mandatory unpaid time off.

The effective date for a change in salary tier and a change in the mandatory unpaid time off obligation of an employee will be effective date of the personnel action. However, if the effective date is after the 15th of the last month in a quarter, the change will be effective the following quarter.

6. Unpaid Leaves (including: FMLA/OFLA, Military Leave, Workers Comp, LWOP) during closures.

For employees observing mandatory unpaid closure days, if an employee is on leave without pay when a mandatory unpaid time off closure day occurs, the employee will not be required to make up the missed mandatory unpaid time off day.

7. Unpaid Leaves (including: FMLA/OFLA, Military Leave, Workers Comp, LWOP) and float day observance.

For employees observing mandatory unpaid float days, if an employee's scheduled mandatory unpaid time off day occurs when the employee is on leave without pay, the employee will be required to take or schedule the mandatory unpaid float day, unless the employee is on leave without pay for the entire calendar month.

If an employee returns to work the 15th day or before in the last month of a calendar quarter, the employee shall schedule and take the mandatory unpaid float day in that quarter, or with approval may schedule one mandatory unpaid float day in the following quarter.

8. Employees returning to work from unpaid leave without pay in the last month of a calendar quarter.

If an employee returns to work from LWOP after the 15th day in the last month of a calendar quarter, the employee will not be required to take the floating mandatory unpaid time off for that quarter.

9. Scheduling of vacation and mandatory unpaid time off.

In Agencies where vacation schedules or comp time off must be requested in advance and the advance requests cover periods of time beyond the quarterly scheduling of mandatory unpaid time off days, the prescheduled vacation or comp time off shall take precedence over scheduling of mandatory unpaid time off days. However, the quarterly scheduling of unpaid time off shall take precedence over short term vacation or comp time off requests.

Once mandatory unpaid time off has been scheduled, requests for vacation may be denied for operational reasons and cannot cause a rescheduling of mandatory unpaid time off days of other employees.

Employees may schedule a mandatory unpaid time off day as part of their vacation request. E.g., an employee may request a week's vacation that includes a mandatory unpaid time off day. Also, if an employee requests and is approved for vacation in the future, at the time of submitting his/her quarterly mandatory unpaid time off request form for the quarter in which the vacation is approved, the employee may request to substitute mandatory unpaid time off for pending vacation time. However, in no case shall an employee take more than two (2) mandatory unpaid time off days in a month. If seniority is used as a tiebreaker or to bump a pre-approved vacation there shall be no substitution with mandatory unpaid time off days.

10. Scheduling of pre-approved paid sick leave and mandatory unpaid time off.

Employees who have pre-scheduled, paid sick leave (e.g., elective surgery, maternity leave, etc.) may substitute a mandatory unpaid time off day for the pre-approved paid sick leave. The request to substitute is made at the time of submitting his/her quarterly mandatory unpaid time off request form for the quarter in which the sick leave is approved. However, in no case shall an employee take more than two (2) mandatory unpaid time off days in a month.

11. Employees called in to work on a mandatory unpaid time off day off.

In the event an employee is called in to work on a date designated as a mandatory unpaid time off day due to operational needs, the employee and supervisor shall arrange to take the remainder of the mandatory unpaid time off at a mutually agreeable time. The remaining mandatory unpaid time off, with approval from the supervisor, may be taken during the employee's work week, as long as the work week does not exceed thirty-two (32) hours, or at another time. If the remaining hours of mandatory unpaid time off to be made up are less than an employees full scheduled work day, the employee may either split a work day (mandatory unpaid hours plus regular work hours) to make a full work shift or make alternate arrangements for the remainder of the shift, including but not limited to using appropriate accrued leave. If the remaining portion of the mandatory unpaid time off is not mutually scheduled or taken within the applicable quarter, then management reserves the right to ensure the remaining portion of the mandatory unpaid time off day is rescheduled and/or taken no later than the following quarter.

12. Adjusting the mandatory unpaid time off day off obligation for employees hired after September 1, 2009.

Employees hired after September 1, 2009 will have their mandatory unpaid time off obligation adjusted for the time remaining to June 30, 2011. The attached table identifies the obligation remaining for new hires by calendar quarter.

13. NEW DISCUSSION: Non emergency changes to employees observing fixed closure days.

This LOA does not preclude schedule changes pursuant to the CBA.

Employees who are attending or presenting at conferences or traveling on closure days may convert the closure day to a float day for that quarter.

For Board and Commission meetings scheduled on a closure day, the closure day may be converted into float days.

- NOTES: ¹ Tier 2 and 3 float days are equally split in the Fiscal Years (FY) for equal distribution of mandatory unpaid time off in each FY.
² Tier 2 and 3 float obligation show 0 required in June 2010 & 2011, not because an employee cannot schedule one during those months, but because an employee hired after June 15 will not be required to take the float mandatory unpaid time off day for that FY.
³ Tier 2 & 3 are examples only, since the actual day when a float day is taken can vary for each employee. Each example assumes a MUTO is taken in each closure month. For Tier 2, float days are assumed taken in January 2010 & October 2010; and for Tier 3, taken in December 2009, May 2010, December 2010 & February 2011.
⁴ Tier 1 & 2 promotions and upward reclassifications effective after May 20, 2011 will not have a mandatory unpaid time off obligation.

All other employees will commence receiving step increases on their salary eligibility date (SED) effective September 1, 2010,

LETTER OF AGREEMENT ALTERNATIVES TO LAYOFF

This agreement is between the State of Oregon acting through its Department of Administrative Services (Employer) on behalf of the Agencies covered under the jurisdiction of the AFSCME Central Table (Agency) and AFSCME Council 75 (Union).

The parties agree to the following:

1. When the Agency believes that a lack of funds requires a layoff, the Agency will notify the Union no fewer than fifteen (15) calendar days before the Agency issues initial layoff notices. The parties will meet, if requested by either the Agency or Union, to consider alternatives to layoffs such as voluntary reductions in hours or workdays, temporary interruptions of employment or other voluntary employment options. Alternatives to the layoffs shall require mutual agreement between the Agency and Union. In the absence of any mutual agreement, the Agency will implement layoff procedures consistent with the current applicable agreement.

2. A. Agency and Union discussions under this agreement shall not constitute interim bargaining under the Public Employees Collective Bargaining Act. The parties shall not be required to use the dispute resolution procedures contained in the Public Employees Collective Bargaining Act.

B. All discussions that take place under this agreement shall not be subject to Article 9 (Complete Agreement/Past Practice) in the Real Estate Agency/AFSCME Agreement; Article 1 (Recognition) in the Oregon State Police Support Unit/AFSCME Agreement; Article 10 (Complete Agreement/Past Practices) in the Oregon Liquor Control Commission/AFSCME Agreement; and Article 9 (Complete Agreement/Past Practice) in the Construction Contractors Board/ AFSCME Agreement.

3. This agreement becomes effective on the first of the month following the date the Agency agreement is signed and automatically ends June 30, 2011, unless the parties agree to amend or extend its terms.

LETTER OF AGREEMENT
DURATION OF LAYOFF LISTS

This proposal shall apply to all agreements covered by the AFSCME Central Table except the Department of Justice attorneys.

The parties agree to the following:

If there is a conflict between this agreement and any local agreement, this agreement shall prevail.

For recall purposes under Article 20 (Layoff), the terms of eligibility for candidates placed on the Agency Layoff List and Secondary Recall list shall be three (3) years from the date of placement on the Agency Layoff List and Secondary Recall List. The third year extension for recall shall not affect timelines or other terms and conditions of the agreement except the following conditions shall apply for any candidate who is recalled after the two (2) years, but before the end of the third year:

- Seniority shall be adjusted by the amount of break in service.
- The candidate shall be paid at the same salary step at which such candidate was being paid at the time of layoff.
- The Recognized Service Date (RSD) will be adjusted by the amount of the break in service and vacation accrual rates will resume at the candidate's rate at the time of layoff.
- The Salary Eligibility Date will be adjusted by the amount of break in service.
- Any candidate who is recalled after the initial two (2) year period will be subject to all provisions of trial service in all local agreements except that trial service will be for ninety (90) days.

This agreement shall apply to all employees on Agency Layoff List and the Secondary Recall List upon execution of the agreement as well as anyone laid off during the term of this agreement.

This agreement shall sunset on June 30, 2011. However, an employee laid off shall remain on the Agency Layoff List and Secondary Recall List pursuant to the terms of this agreement, if not removed from the list.

LETTER OF AGREEMENT
REGARDING PREMIUM INCREASES BETWEEN 5% AND 10%

This agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) and the AFSCME.

1. Increases in premium costs above five percent (5%), but less than ten percent (10%), in plan years 2010 and 2011, will be paid by the Employer for the non-General Fund share of such costs.
2. The parties shall jointly petition the Public Employees' Benefit Board (PEBB) to pay for the General Fund share of increases above five percent (5%), but less than ten percent (10%), in plan years 2010 and 2011 out of PEBB reserves. Should this become necessary, the parties shall jointly request that PEBB first access PEBB Stabilization Fund reserves and only draw on money in the standard Demutualization Account in the event that there is not enough money in the Stabilization Fund to pay for the increase without jeopardizing PEBB's ability to self-insure.

LETTER OF AGREEMENT
PEBB RESERVE REIMBURSEMENT

1. The Legislature allocated \$32 million General Fund in the 2009-2011 budget for increases in public employee health insurance costs (up to 5.0% per plan year) during the life of the 2009-2011 collective bargaining agreement between the parties.
2. If the State does not expend the entire \$32 million General Fund allocation, per Section 1 above, the State will request the Legislature, or the Emergency Board if the Legislature is not in session, to release any unspent portion of the \$32 million General Fund (and corresponding other funds). The purpose of requesting release of the remaining funds is to reimburse the PEBB for expenditures PEBB may agree to make from the Stabilization Fund (SF) reserves to offset premium increases in excess of the budgeted 5.0% during the 2010 and/or 2011 benefit plan years.
3. Prior to July 1, 2010, the State shall request the Legislature or Emergency Board, whichever is in session, to release all of the appropriate funds as noted above.
4. The Union will receive prior notification of submission of the request to the Legislature or Emergency Board.

LETTER OF AGREEMENT
PROVIDER TAX ASSESSMENT

The parties recognize that, pursuant to HB 2116, the State of Oregon has levied an assessment on PEBB claims.

Should PEBB increase the rates it charges to the Employer based on this assessment, the Employer will pay for the portion of the rate increase that is attributable to the assessment. These payments will be in addition to the up to five percent increase in premium costs provided under the insurance article of the agreement and shall be made without petitioning PEBB to use reserves.

LETTER OF INTENT

In return for withdrawal of the Union's proposal on Article 12:

The Agency will return the "acknowledgement forms" signed by VIP employees regarding the following topics: Performance Management at VIP, Minimizing Station Personnel Shortages, Minimizing Money & Paper Work Errors, and VIP Workplace Ethics.

it is the intent of the Agency and Union to provide joint training to all DEQ managers and AFSCME Stewards on just cause, progressive discipline and due process during the term of the 2009-2011 successor contract. The parties agree that training materials used for such training will be mutually agreed upon.
