ARTICLE 1 - RECOGNITION

Section 1.

Section 2.

The Employer and the Agency recognize the Union as the sole and exclusive bargaining agent for: All classified employees of the Department of Land Conservation and Development, excluding supervisory, managerial and/or confidential as defined by ORS 243.650, temporary, and part-time employees working less than thirty-two (32) hours per month. This Agreement binds the Union and any person designated by it to act on behalf of the Union. Likewise, this Agreement binds the Employer and the Agency and any person designated by it to act on its behalf.

ARTICLE 2 - MANAGEMENT'S RIGHTS

The parties agree that the Employer and the Agency have the right to operate and manage the Agency, including, but not limited to, the right to maintain order and efficiency; to direct employees and to determine job assignments and working schedules; to determine the methods, means, standards, and personnel to be used; to implement improved operational methods and procedures; to determine staffing requirements; to determine whether the whole or the part of the operation shall continue to operate; to recruit, examine, select, and hire employees; to promote, transfer, assign, and reassign employees; to suspend, discharge, or take other proper disciplinary action against employees; to lay off employees; to recall employees; to require overtime work of employees; and to promulgate rules, regulations, and policies, provided such rights are not specifically abridged by any provision of this Agreement.

ARTICLE 3 - UNION RIGHTS, SECURITY, AND STEWARDS

Section 1. Notice of Representatives

The Union will provide the Agency's Director with the names of its representatives from the District Council 75 who will be "Union Representatives."

Section 2. Union Representative Visits

After advising the Agency Director or their designee of their presence on the worksite and the reason(s) therefore, a Union Representative(s) will be allowed to visit the work areas of the employees during workday. Such visits will not interfere with the normal flow of work.

Section 3. Agency Stewards

A. Two (2) Agency Stewards shall be allowed to ensure access to Agency employees. Such Stewards shall be selected from and represent employees. The Union shall notify the Agency of the names of Agency Stewards and their successors upon selection.

- B. Stewards may receive but not solicit grievances, and may discuss complaints and grievances on the premises of the Agency, so long as it does not interfere with the work and duties of the Agency Stewards or with the work and duties of the employees. Agency Stewards shall be granted reasonable paid time off during regularly scheduled working hours to process grievances. Agency Stewards will report such time on the Agency timesheet.

Section 4. Union Business

Employees shall conduct the internal business of the Union during their nonduty hours.

Section 5. Building Use

Upon written request to the Agency Director or their designee, the Union shall be allowed to use Agency facilities during nonduty hours for meetings when such facilities are available and such meetings will not interfere with the business of the Agency.

Section 6. Bulletin Boards

The Agency shall provide bulletin board space for the use of the Union to communicate with its members.

Section 7. Union Notices to Employees

The Agency shall furnish each new employee with a written notice, provided by the Union, that the Union is the certified collective bargaining representative and shall advise each new employee of their obligation for declaration of dues or fair share deduction. A Union Representative may meet with a new employee for fifteen (15) minutes within fourteen (14) days of hiring so the Union can present to the employee information about the Union. If the Union Representative is an employee of the Agency, they will be allowed time off with pay to make the fifteen (15)-minute presentation.

Section 8. Payroll Deductions

- A. The Employer agrees to deduct the monthly fees from the pay of those employees the Union has certified in writing to the Employer as having authorized in writing such deductions be made from their paychecks. This deduction shall begin on the first (1st) payroll period following the Union's written notice to the Employer that such authorization start and shall continue from month to month until notified by the Union, pursuant to the membership card.
- B. The Union agrees that it will indemnify, defend and save the Employer and Department/Agency harmless from all suits, actions, proceedings and claims against the Employer and the Department/Agency or person(s) acting on their behalf of the Employer and the Department/Agency whether the damage, compensation, reinstatement, or combination thereof arising out of the Department/Agency implementation of this Article. This provision does not limit, waive, or in any way impact the State's liability to AFSCME if the State fails to withhold and remit lawful dues to AFSCME as obligated under the Agreement.

Section 9. Employer Held Harmless

The Union agrees that it will indemnify, defend and save the Employer and the Agency harmless from all suits, actions, proceedings, and claims against the Employer and the Agency or

However, if the Union President/designee or Executive Director requests release time for less than their full regular schedule, such release time shall be subject to the Employer's approval based on the operating needs of the employee's work unit. AFSCME shall, within thirty (30) days of payment to the employee, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other employer-related costs. Where this reimbursement is expressly prohibited by law or funding source, the employee shall be granted a leave of absence but the Employer will not be responsible for continuing to pay the employee's salary and benefits. Only one (1) employee from a bargaining unit and a total of four (4) employees from all Central Table Participating bargaining units may be on such leave at any one period in time. Such requests will be granted unless the affected Agency can demonstrate that the employee's absence would adversely impact the operating needs of the employee's work unit. If granted, such time may also be taken on an intermittent basis. AFSCME shall, within thirty (30) days of payment to the employee, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other employer-related costs. ARTICLE 4 - ADMINISTRATIVE PROVISIONS

Section 1. Laws, Regulations

This Agreement is subject to all applicable existing and future State of Oregon and federal laws.

In the event any provision of this Agreement is declared invalid by any court of competent jurisdiction or by ruling of the Employment Relations Board, then only such portion or portions

shall become null and void and the balance of the Agreement remain in effect. The Employer and the Union agree to meet, negotiate, and agree upon a substitute for the portion or portions of the Agreement so affected and to bring into conformance therewith not over sixty (60) days after notification unless extended by mutual agreement. If agreement on such matters is not reached within a reasonable period of time, the provisions of this Article prohibiting strikes or other concerted activity by employees shall not apply.

Section 2. Legislative Action

- A.** Provisions of this Agreement not requiring legislative funding or statutory changes before they can be put into effect shall be implemented on the date of signing this Agreement or the date otherwise specified in this Agreement.

- B.** Upon the signing of this Agreement, both parties shall promptly submit, and jointly recommend to the Legislative Assembly or to the Emergency Board, the passage of the funding necessary to implement this Agreement, as well as any change in statute that may be required to accomplish that purpose. Should the Legislative Assembly or Emergency Board fail to enact or adopt matters submitted to them under this Section, then the Employer and Union shall meet, negotiate and agree on modifications or substitutions for the affected portion or portions of this Agreement.

Section 3. Strikes, Lockouts and Picket Lines

The Union agrees that during the life of this Agreement, the Union or its bargaining unit members will not authorize, instigate, aid or engage in any work stoppage, slowdown, sickout, refusal to work, picketing or strike against the Employer and/or the Agency, its goods, property or on its property.

The Agency agrees that during the life of this Agreement there will be no lockout.

Upon notification confirmed in writing by the Employer to the Union that certain bargaining unit members covered by this Agreement are engaging in strike activity in violation of this Article, the Union shall advise such striking employees in writing, with a copy to the Department of Administrative Services, to return to work immediately. Such notification by the Union shall not constitute an admission that it has caused or counseled such strike activity.

Section 4. Complete Agreement

This labor Agreement contains the full and complete agreement on all subjects upon which the parties did bargain or could have bargained pursuant to ORS 243 et seq. Neither party shall be required, during the term of this Agreement, to negotiate or bargain upon any other issue.

The Union shall send a letter informing the Department of Administrative Services Labor Relations and the affected Agency of the specific ratification date of the tentative agreement. If the Union does not send the letter identifying the date of the ratification vote, the Employer will use the effective date of the agreement as being the first of the month following the date of signature.

- B.** Either party may open negotiations for a successor agreement by giving written notice to the other party between the dates of December 1, 2022 and December 31, 2022. Negotiations for a successor agreement will start between February 15, 2023 and March 15, 2023.

ARTICLE 5 - PERSONNEL RECORDS

Section 1.

The Chief Human Resources Office human resource information system is the system of record for all employee records and official employee Personnel File electronic and paper documents for which there are appropriate document categories in the system.

The department, or agency under agreement to provide human resource services, stores paper documents of the official employee Personnel File and paper documents that are not yet able to be kept in the human resource information system. The department, or agency under agreement to provide human resource services, also stores paper documents of the official employee Personnel File that predate January 1, 2019.

Section 2.

An employee may, upon request, inspect and obtain a copy of digital or paper documents of their official employee Personnel File, paper documents that are not yet able to be kept in the human resource information system and paper documents of the official employee Personnel File that predate January 1, 2019. No grievance shall be kept in the Personnel Files after the grievance has been resolved except the resolution.

Section 3.

No information reflecting critically upon an employee shall be placed in the employee's Personnel File that does not bear the signature of the employee. The employee shall be required to sign such material to be placed in the employee's Personnel File provided the following disclaimer is attached:

"Employee's signature confirms only that the supervisor has discussed and given a copy of the material to the employee, and does not indicate agreement or disagreement."

If an employee is not available within a reasonable period of time to sign the material or the employee refuses to sign the material, the Department may place the material in the file provided a statement has been signed by two (2) management representatives that a copy of the document was mailed to the employee at the employee's address of record. A copy will also be mailed to the Union.

Section 4.

If the employee believes that any of the above material is incorrect or a misrepresentation of facts, the employee shall be entitled to prepare in writing an explanation or opinion regarding the prepared material.

This shall be attached to the disputed material included as part of the personnel record until the material is removed.

Section 5.

An employee may include in the Personnel File copies of any relevant material the employee wishes, such as letters of favorable comment, licenses, certificates, college course credits or any other material which reflects credibly on the employee. The employee's supervisor/manager will ensure the documents are submitted into the employee's official Personnel File in the human resource information system.

Section 6.

At the employee's request, record of disciplinary actions shall be removed two (2) years after the effective date of the action provided no incident of a similar nature has been documented in the intervening time. The employee will be sent the requested document within five (5) work days from the receipt of request. Any period of leave of absence without pay that is more than fifteen (15) days shall extend the retention period for that duration of leave.

Section 7. Supervisory/Managerial Working Files.

- A. An employee's supervisor/manager may maintain a Working (non human resource information system) File kept in accordance with Agency practice.
- B. Within five (5) business days from the date of an employee request, an employee will be able to inspect their supervisor's Working Files in the presence of their supervisor. Employees will not remove any material from the File. If the File cannot be made available because of the supervisor's absence, extensions of up to ten (10) business days will be granted.
- C. Upon request, the employee shall be given a copy of documents in the Working File.
- D. An employee may submit a written statement to be attached to any document in the File and such statement will remain attached as part of the Working File so long as the document remains in the File.
- E. Documents of an adverse nature will be removed from the File no later than eighteen (18) months from the date of the document so long as no reoccurrence of a similar nature has taken place in the intervening period. An employee may request early removal of any adverse document in the File. Such document(s) shall be removed upon mutual agreement between the supervisor and employee.
- F. Any information in a Working File that is past the retention schedule shall not be used in a disciplinary action so long as no reoccurrence of a similar nature has taken place in the intervening period.

Section 8.

Personnel Files and Working Files shall not be accessible by state employees beyond the immediate supervisor, the Agency Human Resource Director, human resource staff the subject employee, employees with a work related business need as authorized by the Agency Human Resource Director, and anyone specifically authorized in writing by the subject employee.

REV: 2019, 2021

ARTICLE 6 - DISCIPLINE AND DISCHARGE

Section 1. Discipline and Discharge

- A. The principles of progressive discipline shall be used except when the nature of the problem requires more serious discipline. Depending on the seriousness of the problem, progressive discipline can include the following steps: written reprimand, suspension, demotion, reduction in pay or discharge. No regular status employee shall be disciplined or discharged without just cause.
- B. An employee who receives a written reprimand, reduction in pay, demotion, or suspension without pay shall receive written notice of the discipline and of the specific charges supporting the discipline. A copy of this notice shall also be sent to the Union.
- C. Where discharge may be contemplated, a written predissmissal notice shall be given to a regular status employee against whom a charge is presented. Such notice shall include the known complaints, facts and charges, and a statement that the employee may be dismissed. The employee shall be afforded an opportunity to refute such charges or present mitigating circumstances to the Agency's Director at a time and date set forth in the notice which date shall not be less than seven (7) calendar days from the date the notice is received. The employee shall be permitted to have a Union Representative present. At the discretion of the Agency Director, the employee may be suspended with or without pay, reassigned, or be allowed to continue their work as specified within the predissmissal notice.

Section 2.

Upon request, an employee shall have the right to Union representation during an investigatory interview that the employee reasonably believes may result in disciplinary action. The Union Stewards will be granted mutually agreed time off during regularly scheduled work hours to represent an employee in investigatory interviews and to investigate the disciplinary action before the filing of a written grievance. The Union Stewards may use Agency time and shall receive their regular rate of pay for duty time spent on these activities. However, only one Union Steward will be in pay status for any one issue. The Employer is not responsible for any compensation of employees or Union Stewards for time spent outside their regularly scheduled hours of employment while engaged in these activities. The Employer is not responsible for any travel or expenses incurred by an employee or Union Steward for investigatory interviews or to investigate the disciplinary action taken prior to filing a grievance.

Section 3.

Employees shall not be disciplined for Professional Differences of Opinion except as specified in [Article 29](#).

Section 4.

The Agency will not formally discipline an employee in a manner which would embarrass or humiliate the employee in front of others. Disciplinary actions shall be kept confidential to the maximum extent possible.

Section 5. Appeal Rights

Disciplinary actions consisting of written reprimands, reductions in pay, suspensions without pay or demotions may be appealed only by filing a grievance at Step 2 as provided in [Article 7](#). The

grievance must be delivered to the Agency Head or designee within fifteen (15) calendar days from the date of the notice or the effective date of the action, whichever is earlier. Any further appeal of such action shall follow the Grievance Procedure outlined in [Article 7](#) of this Agreement.

Discharge of a regular status employee may only be appealed by the Union directly to Step 3 of the Grievance Procedure. The employee or Union may appeal the discharge by filing a grievance with the Department of Administrative Services, Labor Relations Unit within fifteen (15) calendar days from the effective date of the discharge.

ARTICLE 7 - GRIEVANCE PROCEDURE

Section 1. Definition and Intent

Grievances are defined as acts, omissions, applications or interpretation alleged to be violations of the terms and conditions of this Agreement.

It is the intent of the Agency and the Union to resolve employee grievances by informal methods if possible. However, such informal methods do not supersede the timeline requirement outlined in this Article. If the Union or an employee desires a formal resolution of any grievance (except complaints of unlawful discrimination), such grievance shall be processed as provided under Section 3 of this Article.

Section 2. Filing a Grievance

- A. Grievances may be filed in any of the following categories:
 - 1. Filed by employee without involvement of the union
 - 2. Filed by employee with assistance of the Union
(All notices must be sent to employee with copies to Union)
 - 3. Filed by Union on behalf of a specific employee
(All notices must be sent to Union with copies to employee)
 - 4. Filed by the Union as a general matter not related to a specific employee
- B. A grievance must be labeled as a grievance and include all of the following:
 - 1. Specific provision or provisions of the Agreement alleged to be violated
 - 2. Relevant facts showing the violation
 - 3. Date of the violation, or date that the grievant became aware of the violation
 - 4. Date that the grievance is being filed
 - 5. Remedy Requested
 - 6. Signature of the grievant or union (or both where applicable)
- C. Grievances will be filed using the official form whenever possible to ensure complete and adequate information. However, a grievance that meets the other requirements of this article will not be invalid solely for not using the form.

- D. The preferred method for filing a grievance is to present hard-copies to the appropriate management person as defended in Steps 1, 2 or 3 and to the Human Resource Office. The person receiving the grievance will sign and date all copies of the grievance to acknowledge receipt. Such signature does not indicate anything regarding the merits of the grievance. Alternatively a grievance may be filed by email sent from an agency account or from a union staff account. Grievances may not be sent from personal email accounts because the identity of the sender could not be verified. The recipient of a grievance by email shall immediately reply via email to acknowledge receipt, stating the date received and that acknowledgement does not indicate agreement with the merits of the grievance. The grievance shall be deemed to be filed on the date of the reply e-mail message.

Section 3. Grievance Steps

Timelines noted in the following Steps apply to all grievances except for written reprimands, reductions in pay, demotions, suspensions without pay and discharges for which the timelines established in [Article 6 – Discipline and Discharge](#), shall apply.

STEP 1.

The first step of a grievance is filed in writing with the employee's immediate excluded supervisor, or the Human Resources office for general grievances, within thirty (30) calendar days of the date that the Union or employee knew or should have known of the alleged violation. Once a grievance has been filed, it may not be expanded but may be modified for the purpose of clarity at STEP 1 only. The supervisor shall respond in writing to the grievant within fifteen (15) calendar days from the date the grievance is received by the supervisor, with a copy to the Union.

STEP 2.

If the grievance remains unresolved at STEP 1, it may be appealed by the grievant to the Agency Director within fifteen (15) calendar days after the response required by STEP 1 was due or received. The Director or their designee shall respond in writing to the grievant with a copy to the Union within fifteen (15) calendar days after receipt of the grievance.

STEP 3. Department of Administrative Services Review.

If the grievance remains unresolved at STEP 2, the Union may file the grievance in writing with the Department of Administrative Services, Labor Relations Unit (DAS-LRU), within fifteen (15) calendar days following date the response at STEP 2 was due or received. In a discharge grievance, the Union must file the grievance with the DAS-LRU within fifteen (15) days of the effective date of the discharge. DAS-LRU shall respond within fifteen (15) calendar days following receipt of the grievance. For purposes of this article, an appeal in writing can be delivered by first class registered or certified mail, postage paid, by fax or by electronic mail to the Labor Relations Unit email address LRU@das.oregon.gov.

In the event the response from the DAS-LRU is acceptable to the Union, such response shall have the same force and effect as a decision or award of an arbitrator, and shall be final and binding on all parties and they will abide thereby.

If at any step of the grievance procedure, the grievant or Union fails to meet the specified time limits, the grievance will be considered withdrawn and it cannot be resubmitted.

STEP 4. Submission to Arbitration.

If the grievance is unresolved following DAS-LRU review, the Union may submit in writing the grievance to arbitration. To be valid, a request for arbitration must be made within thirty (30) calendar days after the STEP 3 response was due or received, whichever occurs first.

In discharge grievances, the Union may request a settlement meeting involving the DAS-LRU and the Agency Head, or designee, to discuss settlement within fifteen (15) calendar days of the date the STEP 3 response was due or received, whichever occurs first. This settlement meeting does not preclude any other attempts by the parties to settle the matter before the arbitration hearing date.

Section 4. Selection of the Arbitrator

The Union request for arbitration will be made through the process established by the Employment Relations Board, or successor Agency. The Union will provide State-Arb-Notice@das.oregon.gov as the Employer contact email, and will request a list of the names of five (5) Oregon or Washington arbitrators from the Employment Relations Board. The parties will select an arbitrator by alternately striking names, with the moving party striking first, from the Employment Relations Board list one (1) name at a time until only one (1) name remains on the list. The name remaining on the list shall serve as the arbitrator.

Section 5. Arbitrator's Authority

The parties agree that the decision or award of the arbitrator shall be final and binding on each of the parties and that they will abide thereby. The arbitrator shall have no authority to add to, subtract from, change, or modify any of the terms of this Agreement, to change an existing wage rate or establish a new wage rate. The arbitrator shall have the power to return a grievant to employee status, with or without back pay, or to mitigate the penalty as equity suggests under the facts.

Section 6. Expenses of Arbitration

Arbitrator fee and expenses shall be paid by the losing party. If, in the opinion of the arbitrator, neither party can be considered the losing party, then such expenses shall be divided as in the arbitrator's judgment is equitable. All other expenses shall be borne exclusively by the party requiring the service or item for which payment is to be made.

Section 7. Mediation

Subsequent to a valid arbitration request and prior to the selection of an arbitrator, either the Department of Administrative Services, Labor Relations Unit or the Union may request mediation of the grievance. If agreed to by both parties, mediation will be scheduled and conducted by the Conciliation Service Division of the Employment Relations Board. Mediation is not a mandatory step of the grievance procedure.

Section 8. Union Representation and Compensation

Employees are entitled to representation by a Union Representative at any step in this Article. The Union Steward will be granted mutually agreed time off during regularly scheduled work hours to process the grievance. The Union Stewards may use Agency time and shall receive their regular rate of pay for duty time spent on these activities. However only one Union Steward will be in pay status for any one grievance. The Employer is not responsible for any compensation of employees or Union Stewards for time spent outside their regularly scheduled

hours of employment while engaged in these activities. The Employer is not responsible for any travel or expenses incurred by a grievant or Union Steward in the processing of grievances.

Section 9.

Once a bargaining unit member files a grievance, the employee shall not be required to discuss the subject matter of the grievance without the presence of the Union Representative or Shop Steward.

Section 10. Extensions

Time limits may be extended by written agreement of the parties.

Section 11.

Failure of the aggrieved party to comply with the time limits outlined above shall constitute abandonment of the grievance and it cannot be resubmitted.

Section 12. Expedited Grievance Arbitration.

- A.** Upon mutual agreement, the Employer and Union may agree to use the expedited arbitration process contained in this subsection for grievances that are timely and properly filed and subject to arbitration as provided for in this agreement. The parties will use language from this section of the article in the selection of the arbitrator, payment and all other conditions that apply to the hiring of an arbitrator as stated below.
- B.** The parties shall select an arbitrator by requesting the Employment Relations Board for a list of seven (7) qualified arbitrators who have offices in Oregon and Washington and agree to work under the rules set forth in this subsection. - C.** The cost of the arbitration shall be borne by the losing party as stipulated by the arbitrator.
- D.** The use of the expedited arbitration process shall be determined at the time the parties schedule dates with the arbitrator.
- E.** The parties shall develop a stipulation of facts and affidavits and other time saving methods whenever possible and when mutually agreed upon.
- F.** Case presentation will be limited to opening statements, brief recitation of facts, witness presentation and closing oral arguments. No post hearing briefs shall be filed and no court reporter transcripts shall be made. However, nothing prevents either party from keeping their own notes. The hearing will be completed within one (1) business day unless otherwise agreed upon by the parties.
- G.** The hearing shall be conducted by the arbitrator in whatever manner will most expeditiously permit full presentation of the evidence and arguments of the parties.

At their discretion, the arbitrator may issue a bench decision at the conclusion of the hearing or may issue a written award no later than seven (7) calendar days from the close of hearing excluding weekends and holidays. The arbitrator's award shall be based on the record and shall include a brief explanation of the basis for the award.
- I. The award shall be in writing and signed by the arbitrator. If the arbitrator determines a formal opinion is necessary, the award will be in summary fashion.

Former agency employees who have previously obtained regular status at this Agency and who return within two (2) years of leaving, either by transfer from another agency or by reemployment shall serve a trial service period of three (3) months provided the classification they return to is the same or lower than their classification at the time they left this Agency.

An employee who is transferred or demoted to another position in the Agency prior to the completion of the trial service period shall complete a new trial service period of six (6) months.

If such employee was previously a regular status employee in a bargaining unit position in the Agency immediately prior to their present appointment, they shall be reinstated to their former classification unless they is discharged as provided in [Article 6](#) of this Agreement.

Employees reinstated to their former classification will not serve a trial service period.

- B.** If an employee is reinstated into a position in their former classification in the bargaining unit and this requires a change in the employee's official work site, the employee will be eligible for moving reimbursement in accordance with the Employer's policy titled, 'Current or Recalled Employee Relocation' (40.055.10).
- C.** This subsection becomes effective on the first (1st) of the month following ratification of the local agreement.

REV: 2021

ARTICLE 12 - HOURS OF WORK/OVERTIME

Section 1. Hours of Work

A. Workweek

The workweek is defined as seven (7) consecutive calendar days beginning on 12:01 a.m. on Monday and ending on the following Sunday at 12:00 midnight. A workday is the twenty-four (24)-hour period beginning at 12:01 a.m. each day and ending at 12:00 midnight.

B. Work Schedules

A regular work schedule is five (5) consecutive, eight (8)-hour days. The regular workweek shall be Monday through Friday. An irregular work schedule is four (4) consecutive, ten (10)-hour days. Alternative work schedules are anything other than five (5) consecutive, eight (8)-hour days or four (4) consecutive, ten (10)-hour days which have regular, fixed weekly schedules. Flexible work schedules may vary either the number of hours worked or the starting and stopping times on a daily basis, but not necessarily each day.

When the employee is required to travel or attend meetings/training which is outside of their normal work schedule, this time (excluding normal commuting time) shall be considered time worked. The employer may temporarily modify the employee's normal work schedule to a "flexible work schedule" for that week without daily overtime or schedule change penalty. Where such schedule modification still results in the need for additional work hours, Section 2 of this Article shall apply.

The Agency will seek to accommodate alternative, irregular, and flexible work schedules subject to the operational needs of the Agency.

- C. Employees will be granted a rest period of fifteen (15) minutes during each consecutive work period, or major part thereof, of four (4) hours worked. Rest periods will be as near the midpoint of each four (4)-hour segment as possible in accordance with operating requirements.
- D. Employees working at least six (6) hours in a day will be granted a nonduty meal break as near the middle of the workday as possible. This meal period will not be less than one-half (1/2) hour. Employees working less than a six (6) hour workday may be granted a meal period as determined by the Agency.
- E. Employees assigned by their supervisor to take a meal period at their desk or office will have their meal period considered on-duty time.
- F. An employee desiring a change in work schedule must request such change in writing to their supervisor.

Section 2. Overtime

- A. This Article is intended only to provide a basis for the calculation of overtime and none of its provisions shall be construed as a guarantee of any minimum or maximum hours of work or weeks of work to any employee or to any group of employees.

- B. Time worked for the purpose of this Agreement is all hours actually worked including any paid leave.
- C. The Agency shall give reasonable notice of any overtime to be worked. Overtime worked will be subject to prior authorization, in writing, by the Director or their designee. Prior authorization shall be granted on a case-by-case basis.

Section 3. FLSA-Non Exempt Overtime Compensation

- A. FLSA non-exempt employees shall be compensated at Agency discretion at the rate of time and one-half (1-1/2) in the form of pay or compensatory time off for authorized overtime worked in excess of forty (40) hours in any one (1) workweek or eight (8) hours per day for employees on a regular work schedule, or ten (10) hours per day for employees on an irregular schedule (four (4) ten (10)-hour shifts). Employees working an alternative or flexible work schedule will have overtime calculated based on a forty (40)-hour workweek, not an eight (8)-hour day. No application of this Article shall be interpreted to provide for compensation for overtime at a rate exceeding time and one-half (1-1/2).
- B. The Agency shall determine whether an employee receives pay for overtime or accrues compensatory time. An employee may accrue up to a maximum of eighty (80) hours of compensatory time.
- C. Subject to the operating requirements of the Agency, employees shall have their choice of scheduling compensatory time off on a first come, first served basis. Ties shall be resolved by agreement of affected employees or by length of service of employees if they cannot agree. Compensatory time may be taken in increments of less than eight (8) hours.
- D. The Agency may allow accrual in excess of the eighty (80) hour maximum noted in B above if requested by the employee and approved by the employee's manager and the Human Resource Manager. Unless the employee has requested otherwise, the Agency will pay any excess hours in cash or, within thirty (30) days of accrual schedule mutually agreeable time off for the employee. In such cases the time must be utilized within one hundred twenty (120) days of accrual. Accrued compensatory time not taken by June 30, including that earned in June, may be paid in cash up to eighty (80) hours at the request of the employee or Agency as mutually agreed as if it had been earned during June. Such payments shall be made in the August payroll period.
- E. When an employee terminates employment with the Agency, the Agency will pay all unused compensatory leave with the employee's final paycheck.

Section 4. FLSA-Exempt Overtime Compensation.

- A. Employees occupying positions which have been determined by the Agency to be executive, administrative or professional as defined by the Fair Labor Standards Act shall receive time off for authorized time worked in excess of forty (40) hours in a workweek.
- B. The rate of compensation shall be one (1) hour off for one (1) hour of overtime worked. Time off shall be used within the fiscal year earned; any balance in excess of twenty (20)

hours shall be lost. The scheduling of time off shall be consistent with provisions for requesting accrued leave time or Agency practice whichever is applicable.

- C. Time off shall be scheduled in accordance with standard procedures used for scheduling vacation leave and are subject to the provisions of [Article 15 – Vacation Leave](#).
- D. Nothing in this Article modifies, amends or eliminates any specific language in any agreement or Agency practice to modify an employee's work schedule during the same workweek in which authorized overtime is worked.

REV: 2017, 2019

ARTICLE 13 - LAYOFF AND RECALL

Section 1. Alternate to Layoff

1. When the Agency believes that a lack of funds requires a layoff, the Agency will notify the Union no fewer than fifteen (15) calendar days before the Agency issues initial layoff notices. The parties will meet, if requested by either the Agency or Union, to consider alternatives to layoffs such as voluntary reductions in hours or workdays, temporary interruptions of employment or other voluntary employment options including furloughs. Alternatives to the layoffs shall require mutual agreement between the Agency and Union. In the absence of any mutual agreement, the Agency will implement layoff procedures consistent with the current applicable agreement.
2. Agency and Union discussions under this agreement shall not constitute interim bargaining under the Public Employees Collective Bargaining Act. The parties shall not be required to use the dispute resolution procedures contained in the Public Employees Collective Bargaining Act.

Section 2.

The Agency values stability in the workforce and the talents and contributions of its employees. Therefore, the Agency will make a good faith effort to implement other workforce adjustment measures before implementing layoff. If the Agency decides a workforce adjustment or layoff will be necessary, the Agency will develop a plan for specific procedures consistent with the provisions of this Article, including specific procedures on how layoff will be conducted when multiple positions within the same classification are to be vacated. Agency will submit the plan to Union at least five (5) calendar days before notifying individual employees.

Section 3. Definition of Layoff

A layoff is defined as a separation from the State service for involuntary reasons not reflecting discredit on an employee.

Section 4. Layoff Procedure

The layoff procedure shall occur in the following manner:

- A. The Agency shall determine the specific positions to be vacated and employees in those positions shall be notified in writing at least fifteen (15) calendar days before the effective date of layoff. The Agency shall give written notice to every affected employee of their service credits and their options under this Article. The Agency shall give the Union a list of the service credits of all represented employees. The

Agency will post an electronic copy of this list which must be accessible to all employees. Service credits determine bumping ability.

- B.** Temporary employees working in a classification in which a layoff occurs will be terminated prior to the layoff of any represented employee.
- C.** An initial trial service employee cannot displace any regular status employee, but may bump other initial trial service employees with fewer service credits.
- D.** An employee receiving written notice of a pending layoff has five (5) calendar days in which to select one (1) of the following options, and give the Agency written notice of their selection.
 - 1.** Displacement within Current Classification. The employee may displace the employee in the Agency with the lowest service credits in their present classification for which they is qualified.
 - 2.** Displacement within Same Salary Range. If qualified, the employee may displace the lowest service credit employee in a classification with the same salary range. To be qualified, the bumping employee must meet the minimum qualifications for the classification into which he or she is bumping.
 - 3.** Demotion. The employee may demote to the lowest service credit position in any classification for which they is qualified. An employee who elects to demote will be placed on the Agency list for recall from layoff in the classification from which they demoted.
 - 4.** Layoff. The employee may elect to be laid off either by personal choice or because there are no other options available. An employee who elects to be laid off shall be placed on the Agency layoff list for the classification from which they was laid off.
- E.** To be qualified for the options under Section 2D 1, 2 and 3, the employee must meet all of the minimum qualifications for the position's classification and must be capable of performing the specific requirements of the position as stated in the position description within thirty (30) days. The thirty (30) day period is for the purposes of orienting an employee to the position not training the employee to perform the work. Therefore, it is necessary that the employee can perform all of the core duties and responsibilities of the position as determined by the Agency prior to bumping into the position. The employee will receive performance coaching during this time period as assistance for successfully performing the duties of the position. If the employee meets the minimum qualifications but is considered not capable of performing the specific requirements of the least senior position, they may displace or demote to the next least senior position in the classification, provided the incumbent in the next lowest position has less seniority than the employee displacing or demoting and the employee is capable of performing the specific requirements of the position.
- F.** When the Agency gives notice of layoff, all employees working out of class within the affected classes will revert to their regular positions and duties.

- G. Employees displaced by the effects of bumping may exercise their rights under this Article, in turn.
- H. For the purposes of this Article, employees working in a job share position shall be treated as one full-time employee with service credits equal to the prorated time they are working in the position.
- I. Geographic Options: Under options 3D 1,2 and 3 above, employees may displace the least senior employee in either their geographic location or Agency-wide provided the employee meets the minimum and special qualifications for the position. Geographic Location is defined as the city in which the employee's official workstation is located.

Section 5. Seniority Computation.

Within the bargaining unit, employees shall be laid off and service credits calculated within the following separate categories: Permanent full-time positions; and Permanent part-time positions.

Computation of Service Credits for regular status employees shall be made as follows:

- A. One (1) credit for each full month of unbroken, regular status and trial service employment with the State of Oregon. A break in service is defined as a separation or interruption of paid employment that lasts more than two (2) years. Part-time employees earn service credits on a prorated basis. Leave without pay over ninety (90) days will be deducted from service credits. When the Agency announces a layoff, service credit totals will be frozen through the conclusion of the layoff process.
- B. In the event of a tie in total layoff credits, the Agency shall determine the employee(s) to be laid off, considering requirements of the available position(s), value of the employee(s) to the mission of the Agency, demonstrated performance, work in progress, and other relevant factors.
- C. The Agency may protect up to two (2) employees from layoff for up to ninety (90) days if losing such individuals would demonstrably work a hardship on the operation of the Agency.

Section 6. Cross Bumping

Cross bumping may not occur between the management service and the bargaining unit.

Section 7. Agency Layoff List

The names of regular status permanent employees who choose demotion or who are laid off will be placed on an Agency layoff list and will be eligible for recall to any classification at or below the classification from which they were laid off or demoted in lieu of layoff, and for which they meet the minimum qualifications. Names will be in service credit order by classification. Names will remain on this list for two (2) years, unless the employee is recalled to service sooner.

Section 8. Recall from Agency Layoff List

Employees will be recalled in order of service credits. Recalled employees must be qualified to perform the duties of the position for which they have been recalled within thirty (30) days.

An employee may refuse a position, but their name will then be removed from the agency layoff list for that classification. Employees who accept a position will be removed from the agency layoff list for that classification and geographic area.

Employees on the agency layoff list will be offered temporary positions, if such positions become necessary within the Agency prior to hiring outside the Agency provided the employee on the agency layoff list is qualified to perform the temporary duties. An employee may refuse a temporary assignment and remain on the agency layoff list.

Section 9. Secondary Recall Rights

A. Application. These rights apply to all employees in bargaining units represented by AFSCME at Central Table negotiations as well as the Department of Corrections and Board of Parole except employees who are laid off during initial trial service.

B. Definitions.

1. Geographic areas, for the purpose of secondary recall, are each location for which an employee may indicate their willingness to relocate on the State's PD100.
2. Agency Layoff Lists are intra-agency layoff lists, as defined in each AFSCME Central Table Agency and/or Department of Corrections and Board of Parole bargaining unit Contract.
3. Secondary Recall List is an inter-agency layoff list, which consists of regular status employees who have been separated by layoff from Union-represented positions in AFSCME Central Table Agencies and/or Department of Corrections and Board of Parole and who have elected to be placed on such list, consistent with the definitions of geographic areas defined above.

C. Coordination with Filling of Vacancy and Layoff Articles.

The recall options provided herein shall be consistent with the priority of recall to positions from layoff within an Agency, as specified within each Agency's contract, except that recall from Agency Layoff Lists shall take precedence over recall from the Secondary Recall List.

D. Procedures.

1. Placement on the Secondary Recall List.

- (a) Regular status employees who are separated from the service of the State in good standing (meaning no record of economic disciplinary sanctions in their personnel file) by layoff or transferred outside State government due to intergovernmental transfer shall, in addition to their right to be placed on the Agency Layoff List, be given the option of electing placement on the Secondary Recall List by geographic area for other AFSCME represented bargaining units which utilize the same or successor classification from which they were laid off. The term of eligibility of candidates placed on the list shall be two (2) years from the date of layoff. When an employee is prohibited from participating in the secondary recall process due to the presence of an economic disciplinary sanction in their personnel file, that employee may request and shall be placed on the Secondary Recall List for the remainder of the two (2) years eligibility following layoff once the

discipline has remained in the file for the length of time required by the agency's contract.

- (b) Employees who elect to be placed on the Secondary Recall List shall specify in writing the AFSCME Central Table and/or Department of Corrections and Board of Parole bargaining units and geographic areas to which they are willing to be recalled.

2. Use of the Secondary Recall List.

- (a) After the exhaustion of the Agency Layoff List for a specific classification within a geographic area, the Secondary Recall List shall be used to fill all positions within a specific classification and geographic area consistent with Section C above, until such secondary list is exhausted.
- (b) To be eligible for appointment from the Secondary Recall List, a laid off employee on such list must meet the minimum qualifications for the classification and any special qualifications for the position.
- (c) Agencies shall utilize the Secondary Recall List to fill positions by calling for certifications from the list of the five (5) most senior employees who meet the minimum qualifications for the classification and any special qualifications for the position to be filled by selecting one of the five (5) so certified. Seniority for this purpose shall be computed as described per the layoff article of each Agency's contract.
- (d) Where fewer than five (5) eligible employees remain on the Secondary Recall List, the Agency shall select one (1) of these employees who meets the minimum qualifications for the class and any special qualifications for the position.

3. Appointments/Refusals of Appointments from the Secondary Recall List.

- (a) A laid off employee on the Secondary Recall List who is offered an appointment from the list and refuses to accept the appointment shall have their name removed from the Secondary Recall List; however, an Agency will not remove an employee's name from the Secondary Recall List where that individual had been a day shift employee and subsequently refuses the offer of a position with swing shift or night shift hours.
- (b) Employees appointed to positions from the Secondary Recall List shall have their names removed from their Agency Layoff List(s) and the Secondary Recall List.
- (c) Employees appointed to positions from the Secondary Recall List shall serve a trial service period not to exceed three (3) full months except that employees hired into the Offender Information and Sentence Unit as Prison Term Analyst (PTA) shall serve a trial service period consistent with the DOC agreement. Administration of the trial service period shall be consistent with the hiring Agency's contract. However, employees who fail to successfully complete this trial service period shall have their names

restored to the Agency Layoff List(s) on which they previously had standing. Restoration to the Agency Layoff List(s) shall be for the remaining period of eligibility that existed at the time of appointment from the Secondary Recall List. An employee may also petition the DAS-Labor Relations Unit to also be restored to the Secondary Recall List for the remainder of the initial twenty-four (24)-month recall period where the trial service removal was not related to potential misconduct warranting an economic or dismissal sanction. In no instance shall the DAS-Labor Relations Unit's decision be grievable.

- (d) Employees appointed to positions from the Secondary Recall List shall not be entitled to moving expenses.

When a position is reclassified into a classification with an equal or lower salary range, the pay rate of the incumbent will not be reduced. If the new salary range includes a step equal to the pay rate of the incumbent, then the employee will move into the new salary range at the same rate of pay earned in the original classification. If the new salary range does not include a step equal to the pay rate of the incumbent, the employee will be paid "off-step" in the new range until their next scheduled pay increase at which time they will move "on-step" to the next higher step in the new range that is an increase of at least two and one-half percent (2.5%). If an employee's former rate of pay was higher than the top step of the range of the new classification, the employee's wage level will be frozen until such time as the salary rate in the new classification overtakes the employee's wage in their former classification. The Agency will give thirty (30) days notice of the downward reclassification of a bargaining unit position.

Section 8. Denied Reclassification/Involuntary Reclassification Appeal Process

Agency Appeal: If an employee's requested reclassification is denied or the Agency reclassifies an employee's position, the Union may appeal the decision in writing to the Agency Head or designee within fifteen (15) calendar days after receipt of the Agency's decision. The appeal must identify the reason(s) the Agency's decision is incorrect. The Agency shall respond to the appeal in writing within fifteen (15) calendar days from receipt of the Union's appeal.

Committee Appeal: If the Agency denies an employee's reclassification request or if the Agency reclassifies an employee's position, the Union may appeal the decision to the Employer/Union Classification Appeal Committee. The appeal must be in writing and submitted within fifteen (15) calendar days from the date the Agency's final decision. All appeals must be supported with copies of documents originally provided to the Agency for the reclassification request, including written explanation of the request and all relevant documentation. No new documentation or information will be considered by the Committee unless mutually agreed upon. Upon request, the Union and employee shall have one (1) opportunity to address the committee.

Employer/Union Classification Appeal Committee: The committee shall be composed of one (1) Employer representative and one (1) Union staff representative. The Committee's sole mission will be to consider appeals pursuant to this section of the article and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Each representative shall have experience making classification decisions.

Appeal Decision Process: The Committee will attempt to resolve the appeal by jointly determining whether the current or another classification more accurately depicts the overall assigned duties, authorities and responsibilities of the position. In this process each of the designees may identify one (1) alternate class that they determines most accurately depicts the purpose of the job and overall assigned duties. The Committee will prepare an initial written decision to the Agency and Union within thirty (30) calendar days of receipt which will include the reasons for the decision. Agency management retains the right to modify duties to ensure

consistency with the Agency's work, goals and objectives. If the finding of the committee determines the assigned duties are appropriately classified at a higher salary range and the Agency subsequently removes the higher level duties, the employee will receive a lump sum payment for the difference between the current salary rate including work out of classification pay already paid if any, and the appropriate salary rate for the classification as determined by the committee. This payment shall be for the time period beginning the date in which the request was received by the Agency to the date the duties are removed.

Arbitration: If there is no resolution, the Union may request arbitration in writing within fifteen (15) calendar days from the date of receipt of the Committee's final written decision. The Union's request must be sent to the Department of Administrative Services Labor Relations Unit and shall include the reasons why the Agency's decision is incorrect.

The Parties agree to the appointment of a panel of three (3) arbitrators to hear all appeals under this article. Arbitrators shall be assigned on a rotational basis. The arbitrators shall have experience resolving classification issues. An arbitrator may be removed from the panel by mutual agreement of the Parties. However, each party retains the right to initiate a change in that arbitrator's appointment upon notice to the other party. If this occurs, the Parties agree to select another qualified arbitrator. The change in assigned arbitrator shall be effective for any case not yet scheduled for arbitration. The arbitrator's fee and expenses shall be paid by the losing party. If, in the opinion of the arbitrator, neither party can be considered the losing party, then such expenses shall be apportioned as in the arbitrators' judgment is equitable. All other expenses shall be borne by the Party requiring the service or item for which payment is to be made.

The arbitrator shall allow the Agency's decision to stand unless they concludes that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities using the criteria specified below. In the event the arbitrator finds in favor of the proposed or alternate classification, Agency management may elect to remove/modify duties at any point during the process. However, if the agency removes the higher level duties, the employee will receive a lump sum payment for the difference between the current salary rate including work out of classification pay already paid if any, and the appropriate salary rate for the classification as determined by the committee. This payment shall be for the time period beginning the date in which the request was received by the Agency to the date the duties are removed.

Classification Criteria. For purposes of this section, a reclassification must be based on findings that the purpose of the position is consistent with the concept of the proposed classification and that the class specifications for the proposed classification and that the class specifications for the proposed classification more accurately depicts the overall assigned duties, authority and responsibilities of the position.

Terms used above shall be defined as follows: a) the purpose of the position shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency; b) the concept of the proposed classification shall be determined by the general description and distinguishing features of its class specifications, and, c) the overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency.

This Section supersedes any provisions contained in the Agencies grievance procedure.

ARTICLE 24 - RECOUPMENT OF WAGE AND BENEFIT OVERPAYMENTS AND UNDERPAYMENTS

Section 1. Overpayments

- A.** In the event that an employee receives wages or benefits from the Agency to which the employee is not entitled, regardless of whether the employee knew or should have known of the overpayment, the Agency shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists and the amount of wages and/or benefits to be repaid. For purposes of recovering overpayments by payroll deduction, the following shall apply:
- 1.** The Agency may, at its discretion, use the payroll deduction process to correct any overpayment made within a maximum period of two (2) years before the notification.
 - 2.** Where this process is utilized, the employee and Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.
 - 3.** If there is no mutual agreement at the end of the thirty (30) calendar day period, the Agency shall implement the repayment schedule stated in sub 4 below.
 - 4.** If the overpayment amount to be repaid is more than five percent (5%) of the employee's regular monthly base salary, the overpayment shall be recovered in monthly amounts not exceeding five percent (5%) of the employee's regular monthly base salary. If an overpayment is less than five percent (5%) of the employee's regular monthly base salary, the overpayment shall be recovered in a lump-sum deduction from the employee's paycheck. If an employee leaves Agency service before the Agency fully recovers the overpayment, the remaining amount may be deducted from the employee's final check.
- B.** An employee who disagrees with the Agency's determination that an overpayment has been made to the employee may grieve the determination through the grievance procedure.
- C.** The Article does not waive the Agency's right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

Section 2. Underpayments

- A.** In the event the employee does not receive the wages or benefits to which the record/documentation has for all times indicated the employer agreed the employee was entitled, the Agency shall notify the employee in writing of the underpayment. This notification will include information showing that an underpayment exists and the amount of wages and/or benefits to be repaid. The Agency shall correct such underpayment made within a maximum period of two (2) years before the notification.
- B.** This provision shall not apply to claims disputing eligibility for payments which result from this Agreement. Employees claiming eligibility for such things as leadwork, work out of classification pay or reclassification must pursue those claims pursuant to the timelines elsewhere in this Agreement.

ARTICLE 25 - IMPLEMENTATION OF NEW CLASSES—APPEALS PROCESS

The appeals process is designed to allocate employees into new classes. Employees in positions allocated to a new classification, who dispute their placement within the new class, can appeal their placement using the following process:

Section 1.

A. An appeal may be filed by an individual employee or a steward or a Council Representative on behalf of the employee, to the Agency personnel office within fifteen (15) calendar days of written notification by the Agency of placement into the new class. Employees sharing the same or substantially similar position descriptions or employees the Agency agrees to treat as a group may file an appeal as a group. The initial filing should describe the individual or group, including the names of affected members, identify the proposed placement, and the placement believed to be correct by the affected employees. The appeal must include current, signed position descriptions. Because the old classifications are to be abolished, correct placement cannot be back to the prior classification.

The Agency shall conduct a review of the allocation using the following criteria:

1. The purpose of the job shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency;
2. The concept of the proposed classification shall be determined by the general description and distinguishing features of its class specification; and
3. The overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency. This decision shall be made within thirty (30) calendar days of receipt of the appeal and provided to the affected employees in writing and with a summary of the classification analysis.

B. If denied, the Union may appeal the Agency's decision in writing to the Labor Relations Unit within fifteen (15) calendar days of receipt of the written denial. The appeals will be considered by the Employer designee (or an alternate) and the Union designee (or an alternate) who shall form the committee charged with the responsibility to consider appeals and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Additionally, the committee may utilize two (2) resource persons, one (1) designated by each party, to provide technical expertise concerning a specific series. The committee will attempt to resolve the matter by jointly determining whether the current or proposed class more accurately depicts the overall assigned duties, authorities and responsibilities of the position using the criteria specified above.

In this process each of the designees may identify one (1) alternate class that they determines most accurately depicts the purpose of the job and overall assigned duties. If an alternate class is identified, both the Union and Labor Relations Unit shall be notified. If the parties concur that shall end the allocation appeal. In the event the committee concludes that the proposed or alternate class is more appropriate, management retains

the right to modify the work assignment on a timely basis to make it consistent with the Agency's allocation.

Appeals shall be decided in order of receipt by the Labor Relations Unit.

Decisions shall be rendered by the designees no later than sixty (60) calendar days of receipt of the appeal by the committee.

- C. The decision of the designees shall be binding on the parties. However, agencies may elect to remove/modify duties at any point during the process.
- D. If the appeals committee cannot make a decision, the Union may request final and binding arbitration by a written notice to the Labor Relations Unit within the next forty-five (45)-calendar day period. Each party may go forward with only one (1) class. Each party may choose to take to arbitration either the current class, class appealed to, or an alternate class identified by a committee member. The arbitrator shall allow the decision of the Agency to stand unless they concludes that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities of the position.
- E. Where a position is vacated after the filing of the initial appeal, the Union may continue the appeal process and such appeals will be reviewed by the committee only after the review of all filled positions appeals is completed and where the Agency indicates that no change in duties is anticipated prior to refilling the position.
- F. This process terminates upon completion of the allocation process.

ARTICLE 26 – BILINGUAL DIFFERENTIAL

When formally assigned in the employee's position description, an employee assigned to interpret to or from another language to English will receive a differential of five percent (5%) of base pay.

ARTICLE 27 - LEADWORK DIFFERENTIAL

Section 1.

Leadwork differential shall be defined as a differential for employees who have been formally assigned by their supervisor in writing, "leadwork" duties for ten (10) consecutive calendar days or longer provided the leadwork or team leader duties are not included in the classification specification for the employee's position. Leadwork is where, on a recurring daily basis, the employee has been directed to perform substantially all of the following functions: to orient new employees, if appropriate; assign and reassign tasks to accomplish prescribed work efficiently; give direction to workers concerning work procedures; transmit established standards of performance to workers; review work of employees for conformance of standards; and provide informal assessment of workers' performance to the supervisor.

Section 2.

The differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing for the full period of the assignment.

Section 3.

Leadwork differential shall not be computed at the rate of time and one-half (1-1/2) for the time worked in an overtime or holiday work situation, or to effect a “pyramiding” of work-out-of-classification payments. However, leadwork differential shall be included in calculation of the overtime rate of pay.

Section 4.

Leadwork differential shall not apply for voluntary training and development purposes which are mutually agreed to in writing between the supervisor and the employee.

Section 5.

If an employee believes that they is performing the duties that meet the criteria in Section 1, leadworker, but the duties have not been formally assigned in writing, the employee may notify the Human Resources Officer in writing. The Agency will review the duties within fifteen (15) calendar days of the notification. If the Agency determines that leadwork duties were in fact assigned and are appropriate, the leadwork differential will be effective beginning with the day the employee notified the Human Resources Officer of the issue.

If the Agency determines that the leadwork duties were in fact assigned but should not be continued, the Agency may remove the duties during the fifteen (15)-day review period with no penalty.

If the Agency concludes that the duties are not leadwork, the Agency shall notify the employee in writing within fifteen (15) calendar days from receipt of the employee’s notification to the Human Resources Officer.

ARTICLE 28 - CONTRACTING OUT

Section 1.

The Union recognizes that the Employer has the management right, during the term of this Agreement, to decide to contract out work performed by bargaining unit members. However, when the contracting out will displace bargaining unit members, such decisions shall be made only after the affected Agency has conducted a formal feasibility study determining the potential costs and other benefits which would result from contracting out the work in question.

The Employer agrees to notify the Union within one (1) week of its decision to conduct a formal feasibility study, indicating the job classifications and work areas affected. The Employer shall provide the Union with no less than thirty (30) days notice that it intends to request bids or proposals to contract out bargaining unit work where the decision would result in displacement of bargaining unit members. During this thirty (30) day period, the Employer shall not request any bids or proposals and the Union shall have the opportunity to submit an alternate proposal. The notification by the Employer to the Union of the results of the feasibility study will include all pertinent information upon which the Employer based its decision to contract out the work including, but not limited to, the total cost savings the Employer anticipates.

Feasibility studies will not be required when: (1) an emergency situation exists as defined in ORS 279.011(4), and (2) either the work in question cannot be done by available bargaining unit employees or necessary equipment is not readily available.

Nothing in this Article shall prevent the Employer from continually analyzing its operation for the purpose of identifying cost-saving opportunities.

Section 2.

The Employer shall evaluate the Union's alternate proposal provided under Section 1. If the Employer's evaluation of the Union's alternate proposal confirms that it would result in providing quality and savings equal to or greater than that identified in the management plan, the Parties will agree in writing to implement the Union proposal.

Section 3.

Should any full-time bargaining unit member become displaced as a result of contracting out, the Employer and the Union shall meet to discuss the effect on bargaining unit members. The Employer's obligation to discuss the effect of such contracting does not obligate it to secure the agreement of the Union or to exhaust the dispute resolution procedure of ORS 243.712, 243.722, or 243.742, concerning the decision or the impact.

"Displaced" as used in this Article means when the work an employee is performing is contracted to another entity outside state government and the employee is removed from their job.

Section 4.

Once an Agency makes a decision to contract out, the Agency will choose either (a) or (b) below. The Agency will notify affected employees of the option selected. The Agency will post and provide to the Union, a list of service credits for employees in all potentially affected classifications within the Agency. Within five (5) business days of the notice, the affected employees will notify the Agency of acceptance of the Agency's option or decision to exercise their rights under (c) below:

- A.** Require the contractor to hire employees displaced by the contract at the same rate of pay for a minimum of six (6) months subject only to "just cause" terminations. In this instance, the state will continue to provide each such employee with six (6) months of health and dental insurance coverage through the Public Employee Benefits Board, if continuation of coverage under the Bargaining Unit Benefits Board is allowed by law and pertinent rules of eligibility. Pursuant to [Article 13](#), an eligible employee shall be placed on the Agency layoff list and may, at the employee's discretion, be placed on a secondary recall list for a period of two (2) years; or
- B.** Place employees displaced by a contract elsewhere in state government in the following order of priority: within the Agency, within the department, or within state service generally. Salaries of employees placed in lower classifications will be red-circled. To the extent this Article conflicts with [Article 8 - Filling of Vacancies](#), this Article shall prevail.
- C.** An employee may exercise all applicable rights under [Article 13 - Layoff and Recall](#).

Section 5.

The following provisions govern the administration of the requirement under this Article to conduct feasibility studies in cases of contracting out and will supplement the provisions included in this contract.

- A. The Employer agrees that all AFSCME represented state agencies will conduct a feasibility study in instances of contracting out work performed by bargaining unit employees when contracting out will result in displacement of bargaining unit employees.
- B. The Parties agree that AFSCME-represented agencies will send directly to AFSCME's Executive Director and to DAS HRSD Labor Relations Unit all future notices of intent to conduct a feasibility study pursuant to Section 1.

Section 6. Review of Contracted Work

Upon request, the union may view state contracts deemed public records. The union will contact the agency manager responsible for procurement and contracts to arrange a time to review the contracts. The agency will let the union review any contracts that the agency itself stores, and are available through public records request. The union will contact the state archivist for older contracts under the public records law. The union may submit suggestions to the agency on agency initiated contracts as to how bargaining unit members could perform the work more efficiently (at reduced cost) and effectively (improved quality). The parties may discuss the union suggestions at their labor/management meetings and determine the most effective and efficient way to accomplish the work in the future for Agency initiated contracts. Decisions around reviewing of contracted work are not subject to the grievance procedure.

(See LOA: [Feasibility Study](#))

ARTICLE 29 - PROFESSIONAL DIFFERENCES OF OPINION

Section 1.

The Agency will encourage staff to express professional opinions and will encourage an open and free exchange of ideas and opinions. No retaliation or discrimination shall occur against an employee for expressing a differing professional opinion.

Section 2.

Unless otherwise noted in this Agreement, employees shall carry out the lawful directions of the superiors. In the event the employee believes directions received do not comply with law, rule, policy, procedure or generally efficient operations, the employee may raise the issue with the supervisor, for discussion.

Section 3.

In the event a professional difference of opinion still exists after the discussion required in Section 1, the employee may notify the Director of such difference, in writing, with a copy to the employee's personnel file. If the Director chooses to respond, such response shall also be copied to the employee's personnel file.

Section 4.

No retaliation or discrimination shall occur against any employee for expressing a differing professional opinion.

Section 5.

Disciplinary actions regarding a professional opinion expressed by an employee may be taken only if:

- A. The opinion was expressed outside of the Agency.
- B. The opinion is inconsistent with the Agency position.
- C. The employee had knowledge, or by reasonable diligence should have had knowledge of the Agency's position.
- D. The opinion was expressed within the scope of their employment.

ARTICLE 30 - TEMPORARY INTERRUPTION OF EMPLOYMENT

When the Employer declares that a temporary interruption of employment should be considered because of lack of funds, either party may provide the other with written notice to meet and discuss possible terms of such interruption or alternative options. Such meeting must occur within thirty (30) days of the declaration. Terms and alternatives shall be subject to mutual agreement by the Union and the Employer. The parties agree that any and all discussions that take place under this Section shall not be subject to the Complete Agreement articles of any of the agreements or constitute interim negotiations under PECBA. In addition, the parties will not be required to use the dispute resolution process contained in the PECBA.

ARTICLE 31 – INCLEMENT WEATHER/HAZARDOUS CONDITIONS LEAVE

Section 1.

- A. The Employer/Agency designated official(s) may close or curtail offices, facilities, or operations because of inclement/environmental, weather, weather related hazardous conditions, including active shooter or threat of violence. The Employer/Agency will announce such closure or curtailment to employees. The Employer/Agency will strive to make its decision to close and/or postpone day shift no later than 5 a.m.; however, the parties recognize that changing conditions may require further adjustment. The Employer/Agency may provide this information through methods such as mass notification systems, pre-designated internet web sites, phone trees, radio stations and/or television media. The Agency shall notify employees of these designations and post the notices on Agency bulletin boards by November 1st of each year. Notifications do not apply to employees who are required to report to work. For purposes of this Article essential are those staff who cannot perform their core job duties or essential Agency functions from a remote work location. Essential staff/positions shall be designated by the Agency by November 1 of each year. Such designations may be modified with two weeks advance notice to the affected employee(s). Essential staff who are required to report to work by the Employer/Agency shall be on approved leave without pay status if absent, unless the employee shows up within two (2) hours of their scheduled shift, subject to operating requirements and supervisory approval, they may make up the work time missed during the same workweek, provided work is available.
- B. Where the Employer/Agency has announced a delayed opening pursuant to Section 1A, employees are responsible for continuing to monitor the reporting sites for updated information related to the delay or potential closure. Employees may be allowed up to two hours commuting time as reasonably needed to report for work after a delayed opening has been announced. Where an employee arrives late due to this extended commute, they may flex their time with manager's approval, or cover the time with accrued sick leave, vacation, compensatory time off, personal leave or approved leave without pay.

- C. When the Department of Administrative Services/Agency chooses to close an office or facility before the start of an employee's work day the employee may, with their manager's approval:
1. Work from home, or
 2. Work from an alternate work location that is no more than fifty (50) miles from their regular work location, which has been identified by mutual agreement between the employee and the supervisor.

Section 2. FLSA Non Exempt Employees Only.

If no work is available or the employee is unable to work from home or alternate work location, the employee will:

1. use accrued vacation hours, compensatory time off, personal leave time, leave without pay; or
2. use inclement weather/hazardous conditions leave not to exceed forty (40) hours a biennium, or,
3. The employee may, with Agency prior approval, temporarily adjust their work hours during the same workweek to make up for hours not worked. The Agency shall not suffer any overtime or penalty payments as a result of this schedule change. The employee may be approved to flex their time to engage in training through the electronic employee training platform or other Agency approved resources remotely. Such approval will not be unreasonably denied. Employees engaging in these options will waive their shift differential for such time; or,
4. Complete supervisory approved remote training course.

Once the forty (40) hours of inclement weather/hazardous conditions leave is used, and there are more Agency closures during the biennium, if unable to work remotely, the employee will use accrued vacation hours, personal leave or compensatory time off, leave without pay or, with prior Agency approval, temporarily adjust their work hours during the same workweek. The Agency shall not suffer any overtime or other penalty payments as a result of the change in schedule.

Section 3. FLSA Exempt Employees.

When the Employer/Agency notifies employees not to report to work pursuant to Section 1, prior to the beginning of the work shift FLSA exempt employee shall be paid for the work shift. An FLSA exempt employee may be required to use paid leave or leave without pay where the closure applies to that employee for one (1) or more full workweek(s).

Section 4.

Employees will not be eligible for inclement/hazardous conditions leave when their regular days off occur on a day the Agency closes an office or facility, or when the employee is on prescheduled leave.

Inclement weather/hazardous conditions leave shall not count as hours worked for the purpose of overtime calculation.

Inclement weather/hazardous conditions leave not used during the biennium will be lost and will not be rolled over into the next biennium. Inclement weather/hazardous conditions leave is not compensable if the employee separates from state service.

Part time employees will receive a prorated amount of inclement weather leave when applicable.

Section 5.

When in the judgment of the Employer/Agency, inclement/environmental, weather or weather-related or hazardous conditions, including active shooter or threat of violence require the closing of the work place following the beginning of an employee's work shift, the employee shall be paid for the remainder of their work shift.

Section 6. Alternate Work Sites

Employees may be assigned or authorized to report to work at an alternative work site(s) and be paid for the time worked. Employees who have been pre-approved to work remotely and unable to complete their assigned duties due to a loss of electricity or loss of the internet providers services due to inclement conditions will pursue alternative methods for completing their assigned duties. However, employees unable to work through an alternative method will be eligible for inclement conditions leave not to exceed the forty (40) hours a biennium.

Section 7. Late or Unable to Report

Where the Agency remains open and an employee notifies their supervisors that they is unable to report to work, or will be late, due to inclement weather or weather-related hazardous conditions including active shooter or threat of violence, the employee shall be allowed to use accrued vacation leave, compensatory time off, personal leave or approved leave without pay. Where the Employer and the employee mutually agree, the employee may be permitted to flex their time.

Section 8. Employees on Pre-scheduled Leave

If an employee is on pre-scheduled leave the day of the closure, the employee will be compensated according to the approved leave.

Section 9. Make-up Time Provisions

Subject to Agency operating requirements and supervisory approval, employees who do not work pursuant to Sections 2 and 5 of this Article may make-up part or all of their work time missed during the same workweek. In no instance will time worked during the make-up period result in overtime being charged to the Agency. The Employer/Agency shall not be liable for any penalty or overtime payments when employees are authorized to make up work.

Section 10.

Employees who are unable to report to work due to inclement weather and/or weather-related or hazardous conditions including active shooter or threat of violence may be allowed to work from home by making a timely request to their supervisor, indicating the work they plan to accomplish and receiving appropriate authorization from their supervisor.

The request will be considered timely if it is made when the employee foresees they cannot arrive at work by the start of their scheduled shift.

Section 11.

If the Employer/Agency anticipates the inclement condition will last longer than fourteen (14) calendar days, the Parties will meet and discuss impacts of the inclement weather and/or hazardous conditions.

A person accepting a Limited Duration (LD) appointment shall be notified and shall acknowledge in writing that they accept the conditions of the appointment, which shall include the following:

- A.** The appointment is of limited duration with a *not-to-exceed* specified end date. The agency may end the appointment at any time as provided in Section 2.
- B.** The employee's rights are governed by this [Article 32](#), which shall be attached to the written notice.

The reinstatement right shall be on the same basis as the former permanent position, for example, if the employee was a part-time or job share, the reinstatement is on a part-time or job share basis. If the employee is appointed to a subsequent LD appointment(s) in the Agency without a break in employment prior to reinstatement to their former permanent classification, the employee shall retain their right to reinstatement. Salary upon reinstatement to a permanent classification will be governed by [Article 18, Section 6](#). If a position is not available for reinstatement, then the employee is entitled to layoff rights. ARTICLE 33 – PRE-TAX MASS TRANSIT OPTION

Subject to mutual agreement between SEIU OPEU Local 503 and the State of Oregon and subject to feasibility and approval by the Public Employers Benefit Board:

Effective no earlier than Plan Year 2015, the Employer will make available to all employees the ability to purchase mass transit passes or pay vanpool fares with a pre-tax deduction in

ARTICLE 35 – SAFETY AND HEALTH

Section 1. Respectful Workplace

1. The Employer is committed to taking appropriate measures to create and maintain a workplace that is respectful and free from inappropriate workplace behavior for all Agency employees pursuant to the statewide policy titled 'Maintaining a Professional Workplace Policy' (50.010.03).
2. If an Agency employee believes an Agency employee, supervisor or manager has violated the statewide policy titled 'Maintaining a Professional Workplace' (50.010.03), the employee shall submit a complaint pursuant to the process outlined in the policy. The Agency complaint form will be accessible to all employees both online and through the Agency's Human Resources Office.
3. The employee may have a Union representative present during regular work hours when reporting inappropriate workplace behavior and through the process outlined in this section.
4. The Agency shall investigate the complaint and shall provide a written response to the employee filing the complaint within thirty (30) calendar days of the complaint being filed. When circumstances warrant it, the Agency may take additional time to complete the investigation in blocks of additional thirty (30) calendar days with notice to the Union. The response will include whether the complaint was substantiated and any relevant non confidential information pertaining to the remedial steps taken, if any. Repeated behavior or conduct shall be reported to the Agency Human Resource Office.
5. For purposes of this Section, the grievance procedure in Subsection 6 replaces the grievance procedure outlined in the local agreement.
6.

The Agency Head or designee shall respond to the grievance within thirty (30) calendar days from the date of receipt of the grievance.
 - b. - d. The arbitrator shall not have authority to impose any employment actions, including but not limited to discipline on any employee, supervisor or manager, transfer of any employee, supervisor or manager, reassign an employee, supervisor or manager to another work location or duties or otherwise affect staffing. In addition, the arbitrator shall not have authority to impose or establish any monetary penalties or costs, award front or back pay, issue any monetary damages for pain and suffering or stress related claims.
