PREAMBLE

This Agreement is made and entered into by and between the State of Oregon (hereinafter the "Employer"), acting by and through its Department of Administrative Services on behalf of the Real Estate Agency (hereinafter the "Agency"), and the American Federation of State, County and Municipal Employees, (hereinafter the "Union"), for the purpose of fixing wages, hours, benefits, conditions of employment and other matters affecting members of the bargaining unit as certified by the Employment Relations Board.

ARTICLE 1 - RECOGNITION

Section 1.

The Employer and the Agency recognize the Union as the sole and exclusive bargaining agent for all classified employees of the Real Estate Agency excluding supervisory, confidential and managerial employees as defined by ORS 243.650, employees working less than half-time, and temporary employees within the meaning of ORS 240.309.

Section 2.

This Agreement binds the Union and any person designated by it to act on behalf of the Union. Likewise, this Agreement binds the Employer and the Agency and any person designated by it to act on its behalf.

ARTICLE 2 - MANAGEMENT RIGHTS

The parties agree that the Employer and the Agency have the right to operate and manage the Agency, including, but not limited to the right to maintain order and efficiency; to direct employees and to determine job assignments and working schedules; to determine the methods, means, standards and personnel to be used; to implement improved operational methods and procedures; to determine staffing requirements; to determine whether the whole or part of the operation shall continue to operate; to recruit, examine, select and hire employees; to promote, transfer, assign and reassign employees; to suspend, discharge or take other proper disciplinary action against employees; to lay off employees; to recall employees; to require reasonable overtime work of employees; and to promulgate rules, regulations and personnel policies, provided that such rights shall not be exercised so as to violate any of the specific provisions of this Agreement.

ARTICLE 3 - UNION RIGHTS

Section 1.

The Union will select certain of its agents, who are not Agency employees as "Union Representatives," and certify, in writing, their names to the Administrator of the Agency.

Section 2.

Union representatives will be allowed to visit the work areas of the employees during work hours, after advising the Administrator of the Agency, or their designee, of their presence for the purpose of meeting with employees regarding matters affecting their employment. Such visits shall not interfere with the normal flow of work.

Section 3.

The internal business of the Union shall be conducted by the employees during their nonduty hours.

Section 4.

Upon request and approval of the Administrator, or designee, the Union shall be allowed the use of the facilities of the Agency for meetings when such facilities are available and the meeting would not interfere with the business of the Agency.

Section 5.

The Agency shall furnish each new employee with a notice provided by the Union that the Union is the certified collective bargaining representative.

Section 6.

Not more than fifteen (15) minutes shall be granted for the Union to make a presentation at the orientation of a new employee or group of new employees or at such other time agreeable to the Agency. The purpose of the Union's presentation shall be for the purpose of identifying the Union's status, organization benefits, facilities, related information and distributing and collecting membership applications. This time is not to be used for discussion of labor/management disputes. The Agency shall provide the Union advance notice of the time and place of new employee orientation meetings.

Section 7.

The Agency shall provide a 36" X 24" bulletin board for the use of the Union in communications dealing with social functions, meetings, elections, Union appointments and such other information as may be approved by the Agency's Administrator or designee.

Section 8.

The Union shall be provided payroll deductions for its regular monthly dues in accordance with and as entitled to under ORS 292.055.

Section 9. Names of Retirees.

Effective September 1, 2009, the Employer will send a monthly report to the Union of the names of individuals that have retired the previous month. For purposes of this Agreement, a retiree shall be defined as a person who has given the Agency written notice that they are separating from State service by retirement and that person has actually separated from State service.

Section 10. Reports

Upon request and no more than once a quarter the Agency shall provide to the Union the names of any temporary/Limited duration employees (management/unrepresented/bargaining unit) hired, reason for the hire and expected duration of the appointment.

Upon request and no more than once a quarter, the Agency shall provide to the Union the names of all employees in double fill positions, the reason for the double fill and the expected duration of the appointment if available.

Upon request, the Agency shall provide to the Union on an annual basis the Agency organization charts showing management positions and the positions they supervise.

Section 11. Intermittent Union Leave.

When Union officials (officers and stewards) are designated in writing by the Executive Director of Oregon AFSCME to attend AFSCME Council 75 Biennial or AFSCME International Conventions, the following provisions apply.

- a. The Executive Director of Oregon AFSCME shall notify affected agencies in writing of the name of the employee(s) at least thirty (30) days in advance of the date of the AFSCME Convention. For agencies of one hundred (100) or fewer bargaining unit members, no more than one (1) bargaining unit member per agency may be designated to attend AFSCME conventions. For agencies of greater than one hundred (100) bargaining unit members, no more than two (2) bargaining unit members may be designated to attend AFSCME conventions under this provision.
- b. Subject to agency head or designee approval based on the operating needs of the employee's work unit, including staff availability, the employee will be authorized release time with pay.
- c. The paid release time is limited to attendance at the conference and travel time to the conference if such time occurs during the employee's regularly scheduled working hours up to forty (40) hours per calendar year.
- d. The release time shall be coded as Union business leave or other identified payroll code as determined by the State.
- e. The release time shall not be included in the calculation of overtime nor considered as work related for purposes of workers' compensation.
- f. The employee will continue to accrue leaves and appropriate benefits under the applicable collective bargaining agreement except as limited herein.
- g. The Union shall, within thirty (30) days of payment to the employee, reimburse the State's affected agency for all Employer related costs associated with the release time, regular base wage and benefits, for attendance at the applicable conference.
- h. The Union shall indemnify and the Union and employee shall hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with these provisions.

ARTICLE 4 - LAWS AND REGULATIONS AND SAVINGS

Section 1.

This Agreement is subject to all applicable existing and future laws of the State of Oregon and the United States. In the event of a conflict between a provision of this Agreement and a rule or regulation of the Department of Administrative Services or any of its Divisions, the terms of this Agreement shall prevail.

Section 2.

In the event any provision of this Agreement is declared invalid by any court of competent jurisdiction or by ruling of the Employment Relations Board, then only such portion or portions shall become null and void and the balance of the Agreement remains in effect. The Employer and the Union agree to immediately meet, negotiate, and agree upon a substitute for the portion or portions of the Agreement so affected and to bring into

conformance therewith not over sixty (60) days after notification unless extended by mutual agreement.

ARTICLE 5 - UNIT CLARIFICATION

Section 1.

Any dispute concerning bargaining unit composition shall be resolved by the Employment Relations Board.

Section 2.

Upon excluding any positions from the bargaining unit the Labor Relations Unit shall send formal written notice of the exclusion(s) including a list of the exclusion(s) and position descriptions to the Union. Those positions questioned by the Union shall be discussed with the Employer within ten (10) days from the date of formal written notification.

ARTICLE 6 - EQUAL EMPLOYMENT OPPORTUNITY AND AFFIRMATIVE ACTION

Section 1.

The provisions of this Agreement shall be applied equally to all employees in the bargaining unit and shall apply without regard to age, race, religion, sex, color, physical or mental hinder, national origin, political affiliation, or marital status, or union membership. The Union further agrees that it will cooperate with the Agency's implementation of applicable Federal and State laws and regulations, including but not limited to Presidential Executive Order 11246 as amended by Presidential Executive Order 11375, pertaining to affirmative action.

Section 2.

Any and all complaints alleging any form of unlawful discrimination which are brought to the Union for processing will be submitted directly to the Agency Administrator. Discrimination complaints will not be subject to the grievance procedure contained in this Agreement.

Section 3.

- a. The Employer and the Union agree to continue their policies of not discriminating against any employee because of sexual orientation.
- b. Sexual orientation discrimination complaints will be processed in the same manner as complaints in Section 1 and 2.

Section 4.

It is the policy of the Agency that all employees enjoy a positive, respectful and productive work environment, free from behavior, actions or language which constitutes workplace harassment.

ARTICLE 7 - AVAILABILITY OF THE PARTIES TO EACH OTHER

The parties agree that the Employer and representatives of the Union are each obligated to meet at reasonable times, at the request of the other party for discussion of the agreement, its interpretation, continuation or modification. Both parties pledge to meet expeditiously and in good faith.

ARTICLE 8 - UNION SECURITY

Section 1. Dues Deduction.

1. The Employer agrees to deduct the monthly fees from the pay of those employees the Union has certified in writing to the Employer as having authorized in writing such deductions be made from their paychecks. This deduction shall begin on the first (1st) payroll period following the Union's written notice to the Employer that such authorization start and shall continue from month to month until notified by the Union, pursuant to the membership card.
2. The Union agrees that it will indemnify, defend and save the Employer and Department/Agency harmless from all suits, actions, proceedings and claims against the Employer and the Department/Agency or person(s) acting on their behalf of the Employer and the Department/Agency whether the damage, compensation, reinstatement, or combination thereof arising out of the Department/Agency implementation of this Article. This provision does not limit, waive, or in any way impact the State's liability to AFSCME if the State fails to withhold and remit lawful dues to AFSCME as obligated under the Agreement.

Section 3. Employee Statistics.

The Labor Relations Unit and the Agency will, upon request of the Union, provide any regularly produced computer runs containing nonconfidential statistics of the Union's bargaining unit members. This will include one (1) printout annually showing names and addresses of all bargaining unit employees and monthly information currently furnished. REV: 2019

ARTICLE 9 - COMPLETE AGREEMENT/PAST PRACTICE

Section 1.

This Agreement incorporates the sole and complete agreement between the parties resulting from negotiations held pursuant to the provisions of ORS 243.650 et. seq. It is acknowledged that, during negotiations which resulted in this Agreement, each party had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter for collective bargaining, and that understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the parties, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, if any, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter covered by this Agreement. The Union further agrees to waive the right to bargain over any other mandatory subject of bargaining Labor Relations Unit during the life of the Agreement unless the Agency seeks to change an existing or establish a new written policy as outlined in Sections 3-8

of this Article. This Agreement shall not be modified in whole or in part except by another written instrument duly executed by the Employer and the Union.

Section 2.

The parties agree that the Labor Relations Unit Rules and Practices and Agency procedures relating to their implementation are without effect upon the Employer or members of the bargaining unit.

Section 3.

Any meeting requested under this Article shall occur within five (5) days of:

- a. The Union's request to negotiate when the parties are in agreement that the subject is a mandatory subject of bargaining; or
- b. An Employment Relations Board ruling that the issue is a mandatory issue of bargaining.

If agreement is reached, it shall be reduced to writing and signed by both parties. If the parties are unable to reach agreement within fourteen (14) days following the negotiations and the Union continues to believe the written policy to be unreasonable, it shall notify the Employer of its intent to subject the matter to arbitration. Such written notification must be made during the fifteen (15) day period immediately following the above mentioned fourteen (14) day period. Failure to file such written notification within the prescribed time shall be understood by both parties to waive the Union's right to any further objection.

Section 4.

Should the Union decide to carry the matter to arbitration, the parties shall meet within the five (5) days immediately following receipt of notification of the Union's desire to arbitrate to select an arbitrator. Selection of an arbitrator shall be prescribed in [Article 12 \(Grievance Procedure\)](#).

Section 5.

The parties agree that the decision or award of the arbitrator shall be final and binding on each of the parties and that they will abide thereby, unless the award is vacated pursuant to ORS 240.086. The power of the arbitrator in this process shall be limited to determining whether the policy, procedure or rule is unreasonable. If the arbitrator's ruling is that the policy, procedure or rule is unreasonable, the Agency shall immediately withdraw the policy, procedure or rule. Unreasonable for purposes of this Article means that the balance of reason is in favor of not making the change. In other words, the negative effect upon bargaining unit members outweighs the need or benefit to the Employer.

Section 6.

The arbitrator fee and expenses shall be paid in the same manner outlined in [Article 12, Section 7 \(Grievance Procedure\)](#).

Section 7.

Time limits specified in this procedure must be observed, unless either party requests a specific extension of time which, if agreed to, must be stipulated in writing and shall become part of the record.

ARTICLE 10 - AGENCY PERSONNEL POLICIES

Section 1.

Upon request, the Agency shall provide a copy of its written personnel policies to the Union. When a change of a policy occurs, a copy will be sent to the Union, and a copy will be posted in a commonly accessible electronic location, and employees will be notified. All agency policies and procedures shall be equitably enforced with regard to all bargaining unit members.

Section 2. Policy Changes or New Policies.

- a. Should the Agency change a written policy or issue a new policy which affects the working conditions of the bargaining unit members, and the working condition(s) is a mandatory subject of bargaining, notice will be given to the AFSCME Union Council Representative. If the Union believes such action to be unreasonable and the issue is a mandatory subject of bargaining, then, within seven (7) days of the date upon which the Union knows, the Union shall request that the Employer negotiate such matter.
- b. If the Union is not notified of such change regarding a mandatory subject of collective bargaining the policy shall be null and void, unless extended by mutual agreement.

REV: 2017

ARTICLE 11 - DISCIPLINE AND DISCHARGE

Section 1.

The principles of progressive discipline (which normally begins with verbal warning) shall be used except when the nature of the problem requires more serious formal discipline such as formal written reprimand, an immediate suspension, termination, reduction in pay or demotion.

Section 2.

An employee may only be given a formal written reprimand, suspended, reduced in pay, demoted or discharged for just cause.

Section 3.

- b. An employee reduced in pay, demoted, or suspended shall receive written notice of the discipline no less than fifteen (15) days in advance of the action (except for suspension) with the specific charges supporting the discipline. A formal written reprimand, reduction, demotion or suspension of a regular status employee may be appealed to Step 2 of the grievance procedure within fifteen (15) calendar days from the effective date of the action. Any further appeal of an action specified in sub (c) shall follow the procedure and time frames outlined in [Article 12 \(Grievance Procedure\)](#).
- b. Discharge of a regular status employee may be appealed by the Union directly to Step 3. The appeal must state the reason for the appeal with sufficient specifics to process the grievance and must be submitted in writing to the Department of Administrative Services Labor Relations Unit within fifteen (15) calendar days from the effective date of the discharge.

- c. If the grievance is not resolved at Step 3, the dismissal of a regular status employee may be appealed by the Union to the Department of Administrative Services, Labor Relations Unit within thirty (30) calendar days from the discharge. Within thirty (30) calendar days of the date the response from the Department of Administrative Services review step was due or received, whichever occurs first, the dismissal of a regular status employee may be appealed by the Union to binding arbitration. Such appeal shall be heard by the arbitrator pursuant to the terms and conditions outlined in [Article 12 \(Grievance Procedure\)](#).

Section 4.

A written notice shall be given to a regular status employee against whom a charge, which may be cause for dismissal, is presented. Such notice shall include the known complaints, facts and charges, and a statement that the employee may be dismissed. The employee shall be afforded an opportunity to refute such charges or present mitigating circumstances to the Agency at a time and date set forth in the notice which date shall not be less than seven (7) calendar days from the date the notice is received. The employee shall be permitted to have an official representative present. At the discretion of the Agency Administrator, the employee may be suspended with pay or be allowed to continue work as specified within the predissmissal notice.

Section 5.

It is the intent of the Agency that discipline not be administered in the presence of other employees or the public.

Section 6.

- a. Unauthorized absence of the employee from duty shall be deemed to be absence without pay and may be grounds for disciplinary action by the Agency. Employees may be allowed to cover such absences with accrued vacation time or compensatory time if the Agency agrees extenuating circumstances existed.
- b. Any employee who is absent for five (5) consecutive work days without authorized leave shall be deemed to have resigned.

Section 7.

The Agency will forward all written reprimands and notices of reduction, suspension, demotion, predissmissal, and dismissal to the AFSCME Union Council Representative on the same day it notifies the employee.

Section 8.

The Agency is committed to conducting investigations in a timely manner. The Agency will make reasonable efforts to begin the investigatory process on potential disciplinary issues within thirty (30) days of becoming aware of the issue. However, the Parties recognize that circumstances and complexities of individual cases may delay initiation of an investigation. Upon request, an employee shall have the right to Union representation during an investigatory interview that an employee reasonably believes will result in disciplinary action. The employee will have the opportunity to consult with a local union steward or an AFSCME Council Representative before the interview, but such consultation shall not cause an undue delay.

REV: 2015, 2021

ARTICLE 12 - GRIEVANCE PROCEDURE

Section 1.

A grievance is a dispute which arises concerning the application, meaning or interpretation of this Agreement and shall be resolved by the following procedure.

It is however agreed and understood that aggrieved employee(s) and the Steward, if either the employee or the supervisor requests the Steward's presence, must first attempt to resolve complaints which may result in formal grievances or grievances informally with the immediate supervisor.

Step 1. Any employee, with notice to the Union, or the Union Representative on the employee's behalf or an employee with a Steward may file a formal grievance at Step 1, in writing, with their immediate supervisor within thirty (30) calendar days of the alleged action or the date the employee or the Union knew or should have known of the alleged action. Grievances shall not be frivolous and shall be submitted on the AFSCME Grievance Form and shall contain the articles alleged to have been violated, the specific reasons why the employee feels the articles were violated, and the specific remedy(s) requested. The immediate supervisor shall respond, in writing, to the grievance within fifteen (15) calendar days to the employee, with a copy to the Union.

Step 2. If the grievance remains unresolved at Step 1, it may be appealed, in writing, to the Administrator within fifteen (15) calendar days after the response required by Step 1 was received or due whichever is first. The Administrator or their designee shall respond in writing to the Union within fifteen (15) calendar days after receipt of the grievance.

Step 3. If the grievance remains unresolved at Step 2, the Union Representative or the employee may, in writing, appeal to the Department of Administrative Services within fifteen (15) calendar days after response required by Step 2 was received or due whichever is first. The Department of Administrative Services shall respond in writing, to the Union within fifteen (15) calendar days after receipt of the grievance. For purposes of this Article, an appeal in writing can be delivered by first class registered or certified mail, postage paid, by fax or by electronic mail to the Labor Relations Unit email address LRU@das.oregon.gov.

In the event the response from the Department of Administrative Services is acceptable to the Union, such response shall have the same force and effect as a decision or award of an arbitrator, and shall be final and binding on all and they will abide thereby.

Section 2.

Time limits may be extended by agreement of the Parties confirmed in writing.

Section 3.

The Union or the grievant shall not expand upon the original elements and substance of the written grievance. Prior to filing at Step 2 of the Grievance Procedure, the Union or the employee may however, modify, for the purpose of clarity, the articles cited as being violated and the remedy requested.

Section 4.

Any grievance, having progressed through the steps as outlined in this Agreement and remaining unresolved following the Department of Administrative Services' response, may be submitted by the Union to arbitration for settlement. To be valid, a request for arbitration must be made within thirty (30) calendar days of the date the response was due or received, whichever occurs first, from the Department of Administrative Services.

Failure to file for arbitration within the specified thirty (30) calendar day period shall constitute forfeiture of claim and the case shall be considered closed by all Parties.

Section 5. Selection of the Arbitrator.

The Union request for arbitration will be made through the process established by the Employment Relations Board, or successor Agency. The Union will provide State-Arb-Notice@Oregon.gov as the Employer contact email, and will request from the Employment Relations Board the names of five (5) Oregon or Washington arbitrators. The Parties will select an arbitrator by alternately striking names, with the moving Party striking first one (1) name at a time until one (1) name remains on the list. The name remaining on the list shall be accepted by the Parties as the arbitrator. The arbitration hearing shall commence as mutually agreed to by the Parties and the arbitrator.

Section 6.

The Parties agree that the decision or award of the arbitrator shall be final and binding on each of the parties and that they will abide thereby. The arbitrator shall have no authority to add to, subtract from or change any of the terms of this Agreement, to change an existing wage rate or establish a new wage rate. The arbitrator shall have the power to return a grievant to employee status, with or without back pay and benefits, or to mitigate or cancel the penalty as equity suggests under the facts, or to provide any other relief sought which is otherwise proper under the Agreement. The arbitrator's authority regarding reclassification shall be addressed in the contract articles dealing with classification and classification changes.

Section 7.

The arbitrator's fee and expenses shall be paid by the losing party. If, in the opinion of the arbitrator, neither party can be considered the losing party, then such expenses shall be apportioned as in the arbitrator's judgment is equitable. All other expenses shall be borne exclusively by the party requiring the service or item for which payment is to be made.

Section 8.

Once a bargaining unit member files a grievance, the employee shall not be required to discuss the subject matter of the grievance without the presence of the Union representative if the employee elects to be represented by the Union.

Section 9.

The employee may choose to proceed without Union representation, as outlined in ORS 243.666(2), through Step 3 of the grievance procedure, however, only the Union may submit a grievance to arbitration.

Section 10.

If at any step of the grievance procedure, the Employer or Agency fails to issue a response within the specified time limits set forth in this Agreement, the grievance shall be automatically advanced to the next step of the grievance procedure unless withdrawn by the grievant or the Union. In no case however will a grievance automatically advance

to arbitration. If the employee or Union fails to meet the time limits specified herein, the grievance will be considered withdrawn and cannot be resubmitted.

Section 11.

All so-called group grievances involving two (2) or more immediate supervisors and grievances involving subject matters which are beyond the authority of the immediate supervisor to resolve, may, with the mutual agreement of the parties be filed at higher steps up to and including Step 3.

All "group" grievances must be specific at the initial step of the grievance procedure and must detail the articles violated, all employees affected and the reasons for both.

Section 12. Expedited Grievance Arbitration.

- a. Upon mutual agreement, the Employer and Union may agree to use the expedited arbitration process contained in this subsection for grievances that are timely and properly filed and subject to arbitration as provided for in this agreement. The parties will use language from this section of the article in the selection of the arbitrator, payment and all other conditions that apply to the hiring of an arbitrator as stated below.
- b. The parties shall select an arbitrator by requesting the Employment Relations Board for a list of seven (7) qualified arbitrators who have offices in Oregon and Washington and agree to work under the rules set forth in this subsection. The order of striking shall be determined by a coin flip. Each party shall have the right to alternately strike a total of three (3) names from the list with the remaining name on the list being the selected arbitrator.
- c. The cost of the arbitration shall be borne by the losing party as stipulated by the arbitrator.
- d. The use of the expedited arbitration process shall be determined at the time the parties schedule dates with the arbitrator.
- e. The parties shall develop a stipulation of facts and affidavits and other time saving methods whenever possible and when mutually agreed upon.
- f. Case presentation will be limited to opening statements, brief recitation of facts, witness presentation and closing oral arguments. No post hearing briefs shall be filed and no court reporter transcripts shall be made. However, nothing prevents either party from keeping their own notes. The hearing will be completed within one (1) business day unless otherwise agreed upon by the parties.
- g. The hearing shall be conducted by the arbitrator in whatever manner will most expeditiously permit full presentation of the evidence and arguments of the parties.
- h. At their discretion, the arbitrator may issue a bench decision at the conclusion of the hearing or may issue a written award no later than seven (7) calendar days from the close of hearing excluding weekends and holidays. The arbitrator's award shall be based on the record and shall include a brief explanation of the basis for the award.
- i. The award shall be in writing and signed by the arbitrator. If the arbitrator determines a formal opinion is necessary, the award will be in summary fashion.

- j. The arbitration award shall not establish a precedent for any current or future cases on the same or related subject unless the parties agree otherwise prior to the hearing.

REV: 2015, 2019, 2021

ARTICLE 13 - STEWARDS

Section 1.

The Agency shall recognize two (2) Stewards selected from Agency employees to represent Agency employees. The Union shall immediately notify the Agency of the names of Stewards and their successors upon their selection.

Section 2.

Stewards may receive but not solicit, and may discuss complaints and grievances of employees on the premises and time of the Agency, but only to such extent as it does not neglect or interfere with the work and duties of the Stewards or with the work or duties of employees. Upon notice to their immediate supervisor, Stewards shall be granted reasonable time off during regularly scheduled working hours without loss of pay or other benefits to investigate grievances.

If the permitted activities would interfere with either the Steward's or the grievant's duties, the direct supervisor(s) shall, within the next working day, arrange a mutually satisfactory time for the requested activities. Time spent in grievance activities without the proper notification and release by the supervisor(s) involved will be considered unauthorized leave without pay for both the Steward and the grieving employee. Each Steward shall maintain and furnish to their immediate supervisor, or on a monthly basis, a record of dates and times spent on the functions described in this Article.

Section 3.

The Agency agrees there shall be no reprisal, coercion, intimidation or discrimination against any Steward for the conduct of the functions described in this Article.

Section 4.

At the Union's request and subject to the operating requirements of the Agency, Stewards for the Union shall be granted personal leave, accrued vacation leave, accrued compensatory time, or leave of absence without pay to attend the Union's Steward training session.

Section 2.

An employee may, upon request, inspect and obtain a copy of digital or paper documents of their official employee Personnel File, paper documents that are not yet able to be kept in the human resource information system and paper documents of the official employee Personnel File that predate January 1, 2019. No grievance shall be kept in the Personnel Files after the grievance has been resolved except the resolution.

Section 3.

No information reflecting critically upon an employee shall be placed in the employee's Personnel File that does not bear the signature of the employee. The employee shall be required to sign such material to be placed in the employee's Personnel File provided the following disclaimer is attached:

"Employee's signature confirms only that the supervisor has discussed and given a copy of the material to the employee, and does not indicate agreement or disagreement."

If an employee is not available within a reasonable period of time to sign the material or the employee refuses to sign the material, the Department may place the material in the file provided a statement has been signed by two (2) management representatives that a copy of the document was mailed to the employee at the employee's address of record. A copy will also be mailed to the Union.

Section 4.

If the employee believes that any of the above material is incorrect or a misrepresentation of facts, the employee shall be entitled to prepare in writing an explanation or opinion regarding the prepared material. This shall be attached to the disputed material included as part of the personnel record until the material is removed.

Section 5.

An employee may include in the Personnel File copies of any relevant material the employee wishes, such as letters of favorable comment, licenses, certificates, college course credits or any other material which reflects credibly on the employee. The employee's supervisor/manager will ensure the documents are submitted into the employee's official Personnel File in the human resource information system.

Section 6.

At the employee's request, record of disciplinary actions shall be removed two (2) years after the effective date of the action provided no incident of a similar nature has been documented in the intervening time. The employee will be sent the requested document within five (5) work days from the receipt of request. Any period of leave of absence without pay that is more than fifteen (15) days shall extend the retention period for that duration of leave.

Section 7. Supervisory/Managerial Working Files.

A) An employee's supervisor/manager may maintain a Working (non human resource information system) File kept in accordance with Agency practice.

- B) Within five (5) business days from the date of an employee request, an employee will be able to inspect their supervisor's Working Files in the presence of their supervisor. Employees will not remove any material from the File. If the File cannot be made available because of the supervisor's absence, extensions of up to ten (10) business days will be granted.
- C) Upon request, the employee shall be given a copy of documents in the Working File.
- D) An employee may submit a written statement to be attached to any document in the File and such statement will remain attached as part of the Working File so long as the document remains in the File.
- E) Documents of an adverse nature will be removed from the File no later than eighteen (18) months from the date of the document so long as no reoccurrence of a similar nature has taken place in the intervening period. An employee may request early removal of any adverse document in the File. Such document(s) shall be removed upon mutual agreement between the supervisor and employee.
- F) Any information in a Working File that is past the retention schedule shall not be used in a disciplinary action so long as no reoccurrence of a similar nature has taken place in the intervening period.

Section 8.

Personnel Files and Working Files shall not be accessible by state employees beyond the immediate supervisor, the Agency Human Resource Director, human resource staff, the subject employee, employees with a work related business need as authorized by the Agency Human Resource Director, and anyone specifically authorized in writing by the subject employee.

ARTICLE 15 - FILLING OF VACANCIES

Section 1.

The Agency desires to fill bargaining unit vacancies with the best suited applicants available. Within that context, the Agency intends to insure that protected classes are given an opportunity to compete for all openings within the bargaining unit. The Agency will determine the manner and method of selection and determine the individual to fill a vacancy.

Section 2.

The Agency will notify all employees by Agency e-mail the job vacancy that occurs in the bargaining unit which the Agency intends to fill, setting forth the job title, duties, qualifications and salary range. All bargaining unit employees qualified by training and experience will have the right to apply for the position.

Section 3.

If the position is offered for promotion or transfer, and two (2) or more employees possess equal qualifications and are the highest qualified candidates for the position, the Agency will give preference to an employee's length of service with the Agency. Should an employee with lesser length of service receive the promotion or transfer any employee with greater length of service than the one (1) selected who also applied may ask for, and the Agency shall provide, a written or oral explanation from the Agency as to why they were not selected. Said explanation shall also include Agency suggestions as to how the employee so asking could further develop themselves so as to become more qualified for promotion or transfer in the future if the employee asks for said suggestions.

Section 4.

When the Agency chooses to fill a vacancy by lateral transfer, it shall not unilaterally transfer an employee on an arbitrary basis. If the Agency considers voluntary transfer requests, the employee who is determined by the Agency to be the best qualified to meet the knowledge, skills and abilities for the vacant position will be appointed. If two (2) or more employees wishing to laterally transfer have demonstrated equal knowledge, skills and abilities for the position, the most senior will be appointed. Should an employee with lesser length of service receive the promotion or transfer any employee with greater length of service than the one (1) selected who also applied may ask for, and the Agency shall provide, a written or oral explanation from the Agency as to why they were not selected. Said explanation shall also include Agency suggestions as to how the employee so asking could further develop themselves so as to become more qualified for promotion or transfer in the future if the employee asks for said suggestions.

Section 5.

The Employer and the Union recognize that Senate Bill 822 provides that an employer may choose not to appoint a veteran to a vacant position solely on the basis of the veteran's merits or qualifications with respect to the vacant civil service position.

For recruitments where the veteran has been determined to be otherwise qualified and the selection process results in a quantified score, Senate Bill 822, Section 2 (1) (a) and (b) shall apply. If this process results in two (2) or more candidates deemed equal and the Employer elects to appoint one (1) of the candidates, the veteran shall be appointed, the seniority provisions of the respective collective bargaining agreements notwithstanding.

For recruitments where the decision to hire or promote rests with a process that does not result in a score, the Employer must give the veteran special consideration in such process per SB 822, Section 2 (1) (c).

The provisions of Senate Bill 822 do not apply to grievance settlements, court mandates, Agency recall from layoff and injured worker returns to employment. Secondary recall lists are applicable to the provisions of Senate Bill 822.

ARTICLE 16 - TRIAL SERVICE

Section 1.

All employees hired, appointed, promoted, or re-employed to a position shall serve a trial service period of six (6) months.

Section 2.

At any time during the trial service period, the Agency may remove an employee if, in the judgment of the Agency, the employee is unable or unwilling to perform their duties satisfactorily or if in the judgment of the Agency their habits and dependability do not merit their continuance in the position.

If such employee was previously a regular status employee in another position in this bargaining unit in the Agency immediately prior to their present appointment, they shall be reinstated to their former position in the bargaining unit, unless charges are filed and they are discharged for just cause as provided in [Article 13 \(Discipline and Discharge\)](#).

Section 3.

An employee's trial service period shall not be extended except in instances where an employee has a leave of absence or by mutual agreement of the parties. A leave of absence shall extend the trial service period by the number of calendar days of the leave taken by the employee. The parties may mutually agree to extend the trial service period for any agreed upon time period.

Section 4.

If an employee is removed from their position during their trial service period the employee shall not have rights to appeal the Agency's decision.

Section 5. Outside Agency Promotional Trial Service

- a. A regular status employee who is removed from promotional trial service from an executive branch state agency shall have right of return to their former Agency. The Agency shall restore the employee to their former position if it is vacant. If it is not vacant the employee shall be restored to a position in their former classification in their former bargaining unit so long as the employee meets any special qualifications for the position unless charges are filed and they are terminated from employment.
- b. If an employee is reinstated into a position in their former classification in the bargaining unit and this requires a change in the employee's official work site, the employee will be eligible for moving reimbursement in accordance with the Employer's policy titled, 'Current or Recalled Employee Relocation' (40.055.10).
- c. This Subsection becomes effective on the first (1st) of the month following ratification of the local agreement.
- d. This Subsection applies to employees beginning their promotional trial service after the effective date of the local agreement.

REV: 2017

ARTICLE 17 - CLASSIFICATION AND CLASSIFICATION CHANGES

Section 1. Work Out of Classification.

- a. When an employee is assigned, in writing, by the Agency for a limited time period to perform the major distinguishing duties of a position at a higher level classification for ten (10) consecutive calendar days, that employee shall be paid at the first step in the assigned classification or five percent (5%) more than their current rate of pay, whichever is greater.

When such assignments are made to work out of classification for more than ten (10) consecutive calendar days, the employee shall be compensated for all

- hours worked beginning from the first day of the assignment and for the full period of that particular assignment.
- b. An employee who is underfilling a position shall be informed in writing that they are an underfill, the reasons for the underfill, and the requirements necessary for the employee to qualify for reclassification to the allocated level. Upon gaining regular status and meeting the requirements for the allocated level to the position, the employee shall be reclassified.
 - c. An employee who agrees to perform duties out of class for training or developmental purposes shall be informed in writing of the purpose and length of the assignment during which there shall be no extra pay for the work. Such assignment shall not exceed six (6) months. A copy of the notice shall be placed in the employee's file.

Section 2. Revision of Classification Series.

It is the intention of the parties that the implementation of any new classification system are subject to this section and shall apply to this unit, consistent with the implementation and application to be worked out with all applicable AFSCME classified strikeable units.

Section 3. Reclassification Procedure.

- a. A completed Position Description Form and written explanation for a proposed reclassification request shall be submitted to the Employee's supervisor.
- b. The Agency shall review and verify the duties assigned to the position. Within thirty (30) days after receipt of reclassification request, the Agency shall notify the Union of its findings. If the findings indicate reclassification, the Agency shall decide to seek approval if necessary or remove the duties.

Section 4. Upward Reclassification.

When a position is reclassified upward a regular incumbent shall be continued in the position. The incumbent shall be advanced to the higher class with the same status held in the lower class if they meet minimum experience and training requirements. When a position is reclassified upward and the incumbent does not have regular status, the position will be filled competitively at the higher level.

Section 5. Downward Reclassification.

- a. When a position is reclassified to another class at the same pay level or to a class that carries a lower salary range, the incumbent trial service or regular employee shall be accorded corresponding status in the new class.
- b. The Agency shall notify an employee in writing of a downward reclassification of the employee's position, and the specific reasons for doing so within thirty (30) days prior to the effective date.
- c. When an employee is reclassified downward, the employee's rate of pay shall be the last salary rate earned in the salary range of the previous classification. It shall remain at that rate until a rate in the salary range of the new classification exceeds it, at which time the employee's salary shall be adjusted to that step and the salary review and eligibility date shall be established one (1) year from that date, provided the employee is not at the maximum of the salary range to which the employee was reclassified.

Section 6. Equal Reclassification Rate.

When an employee is reclassified to a class having the same salary range, their rate of pay will not be changed.

Section 7. Pay for Upward Reclassification.

Rate of pay upon upward reclassification shall be given no less than the first step of the new salary range, unless the old salary rate was higher than the first step of the new salary range, then whatever step of a new salary range constitutes a pay increase.

Section 8. Pay Date of Upward Reclassification.

- a. Effective date of reclassification payment shall be the first of the month following the month in which the reclass request was received by the Department of Administrative Services.
- b. The employee's current salary eligibility date (SED) is retained. However, if the employee's SED is no longer available because the employee was at the maximum rate in the previous classification, the last SED in the previous classification will be used.

Section 9. Pay for Upward Reclassification Denial.

If the Legislature does not approve the reclassification request, the employee shall be paid the rate of pay of the higher level classification from the first of the month following the month in which the reclass request was received by the Agency Personnel Officer to the date the duties were removed.

Section 10. Denied Reclassification/Involuntary Reclassification Appeal Process

Agency Appeal: If an employee's requested reclassification is denied or the Agency reclassifies an employee's position, the Union may appeal the decision in writing to the Agency Head or designee within fifteen (15) calendar days after receipt of the Agency's decision. The appeal must identify the reason(s) the Agency's decision is incorrect. The Agency shall respond to the appeal in writing within fifteen (15) calendar days from receipt of the Union's appeal.

Committee Appeal: If the Agency denies an employee's reclassification request or if the Agency reclassifies an employee's position, the Union may appeal the decision to the Employer/Union Classification Appeal Committee. The appeal must be in writing and submitted within fifteen (15) calendar days from the date the Agency's final decision. All appeals must be supported with copies of documents originally provided to the Agency for the reclassification request, including written explanation of the request and all relevant documentation. No new documentation or information will be considered by the Committee unless mutually agreed upon. Upon request, the Union and employee shall have one (1) opportunity to address the committee.

Employer/Union Classification Appeal Committee: The committee shall be composed of one (1) Employer representative and one (1) Union staff representative. The Committee's sole mission will be to consider appeals pursuant to this Section of the Article and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Each representative shall have experience making classification decisions.

Appeal Decision Process: The Committee will attempt to resolve the appeal by jointly determining whether the current or another classification more accurately depicts the overall assigned duties, authorities and responsibilities of the position. In this process

each of the designees may identify one (1) alternate class that they determine most accurately depicts the purpose of the job and overall assigned duties. The Committee will prepare an initial written decision to the Agency and Union within thirty (30) calendar days of receipt which will include the reasons for the decision. Agency management retains the right to modify duties to ensure consistency with the Agency's work, goals and objectives. If the finding of the committee determines the assigned duties are appropriately classified at a higher salary range and the Agency subsequently removes the higher level duties, the employee will receive a lump sum payment for the difference between the current salary rate including work out of classification pay already paid if any, and the appropriate salary rate for the classification as determined by the committee. This payment shall be for the time period beginning the date in which the request was received by the Agency to the date the duties are removed.

Arbitration: If there is no resolution, the Union may request arbitration in writing within fifteen (15) calendar days from the date of receipt of the Committee's final written decision. The Union's request must be sent to the Department of Administrative Services Labor Relations Unit and shall include the reasons why the Agency's decision is incorrect.

The Parties agree to the appointment of a panel of three (3) arbitrators to hear all appeals under this Article. Arbitrators shall be assigned on a rotational basis. The arbitrators shall have experience resolving classification issues. An arbitrator may be removed from the panel by mutual agreement of the Parties. However, each party retains the right to initiate a change in that arbitrator's appointment upon notice to the other party. If this occurs, the Parties agree to select another qualified arbitrator. The change in assigned arbitrator shall be effective for any case not yet scheduled for arbitration. The arbitrator's fee and expenses shall be paid by the losing party. If, in the opinion of the arbitrator, neither party can be considered the losing party, then such expenses shall be apportioned as in the arbitrators' judgment is equitable. All other expenses shall be borne by the Party requiring the service or item for which payment is to be made.

The arbitrator shall allow the Agency's decision to stand unless they conclude that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities using the criteria specified below. In the event the arbitrator finds in favor of the proposed or alternate classification, Agency management may elect to remove/modify duties at any point during the process. However, if the agency removes the higher level duties, the employee will receive a lump sum payment for the difference between the current salary rate including work out of classification pay already paid if any, and the appropriate salary rate for the classification as determined by the committee. This payment shall be for the time period beginning the date in which the request was received by the Agency to the date the duties are removed.

Classification Criteria: For purposes of this Section, a reclassification must be based on findings that the purpose of the position is consistent with the concept of the proposed classification and that the class specifications for the proposed classification more accurately depicts the overall assigned duties, authority and responsibilities of the position.

Terms used above shall be defined as follows: a) the purpose of the position shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency; b) the concept of the proposed classification shall be determined by the general description and distinguishing features of its class specifications, and, c) the overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency.

This Section supersedes any provisions contained in the Agencies grievance procedure.

Section 11. Return to Classified Service.

After termination of unclassified or exempt service, or removal from the management service, for reasons other than specified by ORS 240.555, an employee may be restored to a position in classified service in accordance with ORS 240.570.

REV: 2015

ARTICLE 18 - CONTRACTING OUT

Section 1.

The Union recognizes that the Employer has the management right, during the term of this Agreement, to decide to contract out work performed by bargaining unit members. However, when the contracting out will displace bargaining unit members, such decisions shall be made only after the affected Agency has conducted a formal feasibility study determining the potential costs and other benefits which would result from contracting out the work in question. The Employer agrees to notify the Union within one (1) week of its decision to conduct a formal feasibility study, indicating the job classifications and work areas affected. The Employer shall provide the Union with no less than thirty (30) days notice that it intends to request bids or proposals to contract out bargaining unit work where the decision would result in displacement of bargaining unit members. During this thirty (30) day period, the Employer shall not request any bids or proposals and the Union shall have the opportunity to submit an alternate proposal. The notification by the Employer to the Union of the results of the feasibility study will include all pertinent information upon which the Employer based its decision to contract out the work including, but not limited to, the total cost savings the Employer anticipates.

Feasibility studies will not be required when: (1) an emergency situation exists as defined in ORS 279.011(4), and (2) either the work in question cannot be done by available bargaining unit employees or necessary equipment is not readily available.

Nothing in this Article shall prevent the Employer from continually analyzing its operation for the purpose of identifying cost-saving opportunities.

Section 2.

The Employer shall evaluate the Union's alternate proposal provided under Section 1. If the Employer's evaluation of the Union's alternate proposal confirms that it would result in providing quality and savings equal to or greater than that identified in the management plan, the Parties will agree in writing to implement the Union proposal.

Section 3.

Should any full-time bargaining unit member become displaced as a result of contracting out, the Employer and the Union shall meet to discuss the effect on bargaining unit members. The Employer's obligation to discuss the effect of such contracting does not obligate it to secure the agreement of the Union or to exhaust the dispute resolution procedure of ORS 243.712, 243.722, or 243.742, concerning the decision or the impact.

"Displaced" as used in this Article means when the work an employee is performing is contracted to another entity outside state government and the employee is removed from their job.

Section 4.

Once an Agency makes a decision to contract out, the Agency will choose either (a) or (b) below. The Agency will notify affected employees of the option selected. The Agency will post and provide to the Union, a list of service credits for employees in all potentially affected classifications within the Agency. Within five (5) business days of the notice, the affected employees will notify the Agency of acceptance of the Agency's option or decision to exercise their rights under (c) below:

- a. Require the contractor to hire employees displaced by the contract at the same rate of pay for a minimum of six (6) months subject only to "just cause" terminations. In this instance, the state will continue to provide each such employee with six (6) months of health and dental insurance coverage through the Public Employee Benefits Board, if continuation of coverage under the Bargaining Unit Benefits Board is allowed by law and pertinent rules of eligibility. Pursuant to [Article 27](#), an eligible employee shall be placed on the Agency layoff list and may, at the employee's discretion, be placed on a secondary recall list for a period of two (2) years; or
- b. Place employees displaced by a contract elsewhere in state government in the following order of priority: within the Agency, within the department, or within state service generally. Salaries of employees placed in lower classifications will be red-circled. To the extent this Article conflicts with [Article 15, Filling of Vacancies](#), this Article shall prevail.
- c. An employee may exercise all applicable rights under [Article 19, Layoff](#).

Section 5.

The following provisions govern the administration of the requirement under this Article to conduct feasibility studies in cases of contracting out and will supplement the provisions included in the contract.

- a. The Employer agrees that all AFSCME represented state agencies will conduct a feasibility study in instances of contracting out work performed by bargaining unit employees when contracting out will result in displacement of bargaining unit employees.
- b. The Parties agree that AFSCME-represented agencies will send directly to AFSCME's Executive Director and to DAS CHRO Labor Relations Unit all future notices of intent to conduct a feasibility study pursuant to Section 1.

Section 6. Review of Contracted Work.

Upon request, the union may view state contracts deemed public records. The union will contact the agency manager responsible for procurement and contracts to arrange a time to review the contracts. The agency will let the union review any contracts that the agency itself stores, and are available through public records request. The union will contact the state archivist for older contracts under the public records law. The union may submit suggestions to the agency on agency initiated contracts as to how bargaining unit members could perform the work more efficiently (at reduced cost) and effectively (improved quality). The parties may discuss the union suggestions at their labor/management meetings and determine the most effective and efficient way to accomplish the work in the future for Agency initiated contracts. Decisions around reviewing of contracted work are not subject to the grievance procedure.

(See LOA: [Feasibility Study](#))

ARTICLE 19 - LAYOFF

Section 1. Alternative to Layoff List.

1. When the Agency believes that a lack of funds requires a layoff, the Agency will notify the Union no fewer than fifteen (15) calendar days before the Agency issues initial layoff notices. The parties will meet, if requested by either the Agency or Union, to consider alternatives to layoffs such as voluntary reductions in hours or workdays, temporary interruptions of employment or other voluntary employment options. Alternatives to the layoffs shall require mutual agreement between the Agency and Union. In the absence of any mutual agreement, the Agency will implement layoff procedures consistent with the current applicable agreement.

2.
 - a. Agency and Union discussions under this agreement shall not constitute interim bargaining under the Public Employees Collective Bargaining Act. The parties shall not be required to use the dispute resolution procedures contained in the Public Employees Collective Bargaining Act.
 - b. All discussions that take place under this agreement shall not be subject to [Article 9 \(Complete Agreement/Past Practice\)](#) in the Real Estate Agency/AFSCME Agreement.

Section 2. Layoff Procedure.

A layoff is defined as a separation from service for involuntary reasons, other than resignations, not reflecting discredit on an employee. An employee and the Union shall be given written notice of layoff at least fifteen (15) calendar days before the effective date stating the reasons for the layoff.

The layoff procedure shall occur in the following manner:

- a. The Agency shall determine the specific positions to be vacated.
- b. Separate layoff lists will apply to full-time and part-time employees in a classification. Any full-time regular status employee shall be permitted to displace a part-time employee with less seniority; however, part-time employees shall not displace full-time employees.
- c. No trial service or regular status employee shall be laid off while a temporary employee in the same classification is employed in the Agency.
- d. A regular status employee notified of a pending layoff shall select one (1) of the following options, and communicate such choice in writing to the Administrator of the Agency within five (5) calendar days from the date of receipt of the written layoff notice:
 1. The employee may displace the newest trial service employee in the same classification. If there are no trial service employees, then the regular status employee with the lowest seniority in the same classification will be bumped and laid off.
 2. The employee may demote and displace the employee in a lower classification who is the least senior trial service employee, or the regular status employee who has the least seniority if there are no trial service employees, provided the employee has exhausted their option for placement under 1.d.1.
 3. The employee may elect to be laid off. their name will be placed on the Agency Layoff List in seniority order.

- e. An employee exercising option 1.d.1. or 2 must meet the minimum qualifications of the position as stated in the class specification, plus any special qualifications stated in the position description and must be capable of performing the specific requirement of the position within two (2) weeks. The Agency shall be the sole determinant of whether the employee is capable of performing such duties. The Agency's determination shall not be arbitrary or capricious. The determination shall be grievable.

If the employee cannot meet these requirements, they shall be entitled to similar consideration to the position with the incumbent having the next highest seniority in the Agency and so on provided that the incumbent in the next highest position has a lower seniority than the employee displacing or demoting.

Section 3.

Computation of seniority for regular status employees shall be made as follows:

- a. One (1) point per month for each month of continuous service with the Agency. A break in service is a separation from the service without pay for more than ninety (90) calendar days. All part-time service shall be credited on a prorated basis. If an employee subsequently returns to employment after a ninety (90)-day break in service, they shall not regain previously accrued seniority unless such break in service occurred due to a layoff. Periods of authorized leave without pay will not count for seniority calculation. When a layoff is announced, seniority shall be frozen until the layoff and any subsequent bumping activity is completed.
- b. If two (2) or more employees have equal seniority, the tie shall be broken as follows, with most credit given in priority order:
 - 1. Length of continuous service in the job classification in the Agency;
 - 2. Length of continuous service with the Agency; and
 - 3. Length of continuous service with the State.

Section 4.

Names of regular status employees of the Agency who have separated from the service of the State in good standing by layoff or who have demoted in lieu of layoff shall be placed on layoff lists in seniority order established by the class from which the employee was laid off or demoted in lieu of layoff. The life of a layoff list shall be two (2) years.

Employees who are on an Agency layoff list shall be recalled in seniority order beginning with the employee with the highest seniority. Employees refusing the offer of a position from which they were laid off shall lose all future re-employment rights under this Article.

Section 5.

- a. Application. These rights apply to all employees in bargaining units represented by AFSCME at Central Table negotiations as well as the Department of Corrections and Board of Parole except employees who are laid off during initial trial service.
- b. Definitions.
 - 1. Geographic areas, for the purpose of secondary recall, are each location for which an employee may indicate their willingness to relocate on the state's PD100.

2. Agency Layoff Lists are intra-agency layoff lists, as defined in each AFSCME Central Table Agency and/or Department of Corrections and Board of Parole bargaining unit Contract.
 3. Secondary Recall List is an inter-agency layoff list, which consists of regular status employees who have been separated by layoff from Union-represented positions in AFSCME Central Table Agencies and/or Department of Corrections and Board of Parole and who have elected to be placed on such list, consistent with the definitions of geographic areas defined above.
- c. Coordination with Filling of Vacancy and Layoff Articles. The recall options provided herein shall be consistent with the priority of recall to positions from layoff within an Agency, as specified within each Agency's contract, except that recall from Agency Layoff Lists shall take precedence over recall from the Secondary Recall List.
- d. Procedures.
1. Placement on the Secondary Recall List.
 - (a) Regular status employees who are separated from the service of the State in good standing (meaning no record of economic disciplinary sanctions in their personnel file) by layoff or transferred outside state government due to intergovernmental transfer shall, in addition to their right to be placed on the Agency Layoff List, be given the option of electing placement on the Secondary Recall List by geographic area for other AFSCME represented bargaining units which utilize the same or successor classification from which they were laid off. The term of eligibility of candidates placed on the list shall be two (2) years from the date of layoff. When an employee is prohibited from participating in the secondary recall process due to the presence of an economic disciplinary sanction in their personnel file, that employee may request and shall be placed on the Secondary Recall List for the remainder of the two (2) years eligibility following layoff once the discipline has remained in the file for the length of time required by the agency's contract.
 - (b) Employees who elect to be placed on the Secondary Recall List shall specify in writing the AFSCME Central Table and/or Department of Corrections and Board of Parole bargaining units and geographic areas to which they are willing to be recalled.
 2. Use of the Secondary Recall List.
 - (a) After the exhaustion of the Agency Layoff List for a specific classification within a geographic area, the Secondary Recall List shall be used to fill all positions within a specific classification and geographic area consistent with Section (c) above, until such secondary list is exhausted.
 - (b) To be eligible for appointment from the Secondary Recall List, a laid off employee on such list must meet the minimum qualifications for the classification and any special qualifications for the position.

- (c) Agencies shall utilize the Secondary Recall List to fill positions by calling for certifications from the list of the five (5) most senior employees who meet the minimum qualifications for the classification and any special qualifications for the position to be filled by selecting one (1) of the five (5) so certified. Seniority for this purpose shall be computed as described per the layoff article of each Agency's contract.
 - (d) Where fewer than five (5) eligible employees remain on the Secondary Recall List, the Agency shall select one (1) of these employees who meet the minimum qualifications for the class and any special qualifications for the position.
3. Appointments/Refusals of Appointments from the Secondary Recall List.
- (a) A laid-off employee on the Secondary Recall List who is offered an appointment from the list and refuses to accept the appointment shall have their name removed from the Secondary Recall List; however, an agency will not remove an employee's name from the Secondary Recall List where that individual had been a day shift employee and subsequently refuses the offer of a position with swing shift or night shift hours.
 - (b) Employees appointed to positions from the Secondary Recall List shall have their names removed from their Agency Layoff List(s) and the Secondary Recall List.
 - (c) Employees appointed to positions from the Secondary Recall List shall serve a trial service period not to exceed three (3) full months except that employees hired into the Offender Information and Sentence Unit as Prison Term Analyst (PTA) shall serve a trial service period consistent with the DOC agreement. Administration of the trial service period shall be consistent with the hiring Agency's contract. However, employees who fail to successfully complete this trial service period shall have their names restored to the Agency Layoff List(s) on which they previously had standing. Restoration to the Agency Layoff List(s) shall be for the remaining period of eligibility that existed at the time of appointment from the Secondary Recall List. An employee may also petition the DAS-Labor Relations Unit to also be restored to the Secondary Recall List for the remainder of the initial twenty-four (24)-month recall period where the trial service removal was not related to potential misconduct warranting an economic or dismissal sanction. In no instance shall the DAS-Labor Relations Unit's decision be grievable.
 - (d) Employees appointed to positions from the Secondary Recall List shall not be entitled to moving expenses.

Section 6.

Such meeting must occur within thirty (30) days of the declaration. Terms and alternatives shall be subject to mutual agreement by the Union and the Employer. The parties agree that any and all discussions that take place under this Section shall not be subject to the Complete Agreement articles of any of the agreements or constitute interim negotiations under PECBA. ARTICLE 20 - PAYDAY AND PAY ADVANCES

Section 1.

All employees shall normally be paid no later than the first of the month. When a payday occurs on Monday through Friday, payroll checks shall be released to employees on that day. When a payday falls on a Saturday, Sunday or Holiday, employee paychecks shall be made available on the last working day of the month. When an employee is not scheduled to work on the payday, the paycheck may be released prior to payday if the paycheck is available and the employee has completed the "Request for Release of Payroll Check" Form AD20. However, the employee may not cash or deposit the check prior to the normal release time and day. Any violation of this provision shall be cause for disciplinary action. The release day for December paychecks dated January 1 shall be the first working day in January to avoid the risk of December's paychecks being included in the prior year's earnings for tax.

Section 2.

The parties agree that pay advances will be kept to an absolute minimum and are for emergencies. Within that context, employees may obtain an advance on their salary. The amount of the request shall not exceed sixty percent (60%) of gross pay earned, but shall be at least one hundred dollars (\$100). Employees will submit requests to the Agency payroll office by the twentieth (20th) of the month. If any employee requests more than one (1) pay advance in any twelve (12)-month period, management has the right to deny it.

An employee who refuses to perform work for reasons of safety may file a complaint with the appropriate State or Federal Agency.

- c. If an employee claims that assigned equipment or job assignment is unsafe or might endanger the employee's health, and for that reason refuses to use the equipment or perform the assigned job, the employee shall immediately give the employee's reasons for this conclusion to the supervisor, in writing, who shall make an immediate determination in consultation with the designated safety officer or representative of the appropriate State or Federal Agency as to the safety of the equipment or job assignment in question. A union representative or shop steward may accompany the above representative and employee during the determination.

The Agency complaint form will be accessible to all employees both online and through the Agency's Human Resources Office.
- 3. The employee may have a Union representative present during regular work hours when reporting inappropriate workplace behavior and through the process outlined in this section.
- 4. The Agency shall investigate the complaint and shall provide a written response to the employee filing the complaint within thirty (30) calendar days of the complaint being filed. When circumstances warrant it, the Agency may take additional time to complete the investigation in blocks of additional thirty (30) calendar days with notice to the Union. The response will include whether the complaint was substantiated and any relevant non confidential information pertaining to the remedial steps taken, if any. Repeated behavior or conduct shall be reported to the Agency Human Resource Office.
- 5. For purposes of this Section, the grievance procedure in Subsection 6 replaces the grievance procedure outlined in the local agreement.
- 6.
 - a. If the employee who filed the complaint believes that the Agency did not respond to the complaint or the complaint process was not followed, the Union, on behalf of the employee, may file a grievance directly with the Agency Head. The Agency Head or designee shall respond to the grievance within thirty (30) calendar days from the date of receipt of the grievance.
 - b. If the employee continues to believe the Agency did not respond to the complaint or did not follow the complaint process, the Union, on behalf of the employee may, within fifteen (15) calendar days of the Agency Head or

designee's response, file the grievance with the Department of Administrative Services Labor Relations Unit. The grievance will be investigated and a response provided within thirty (30) calendar days from the date the grievance was appealed to the Department of Administrative Services.

- c. If the Department of Administrative Services Labor Relations Unit's response did not respond to the complaint or did not address whether the complaint process was followed, the Union may, within fifteen (15) calendar days, file an arbitration request with the Department of Administrative Services and send a copy to the Employment Relations Board asking for a list of seven (7) qualified arbitrators.
 - d. The arbitrator shall not have authority to impose any employment actions, including but not limited to discipline on any employee, supervisor or manager, transfer of any employee, supervisor or manager, reassign an employee, supervisor or manager to another work location or duties or otherwise affect staffing. As part of each annual performance appraisal, the immediate supervisor and the employee shall together develop a mutually agreed upon education and training plan. The plan shall provide for the continuous improvement of the employee's knowledge, skills and abilities to perform the employee's job and better compete for career opportunities inside and outside the Agency.

Section 2.

The Agency will determine training needs, programs, procedures and the selection of employees for the training or educational opportunity.

Section 3.

When education and training is requested by an employee and approved in writing by management, the Agency may provide books and pay part or all of the tuition costs.

Besides training being offered on an equitable basis, criteria used to approve or deny training or education shall include but not be limited to Agency priorities, operating requirements, budgetary constraints, and employee performance.

Section 4.

- b) Training for employees for the purpose of upward mobility and job enrichment.

Section 5.

Training for employees may be conducted during and outside of an employee's work schedule. Participation in approved training outside of the employee's regular work hours shall be reason for the employee to flex the work week, at the discretion of the Agency.

REV: 2015

ARTICLE 23 - HOURS OF WORK

Section 1.

The normal full-time workweek shall consist of forty (40) hours within the designated workweek, worked on the basis of five (5) consecutive eight (8) hour days. The Agency's normal work schedule shall be Monday through Friday. The workweek shall begin at 12:01 a.m. on Monday and end on Sunday at 12:00 midnight. Nothing in this Article or any part of this Agreement shall be construed as a guarantee of hours of work or a guaranteed workweek.

A regular work schedule is five (5) consecutive eight (8) hour work days in a workweek. The regular workweek shall be Monday through Friday. An irregular work schedule is four (4) ten (10) hour days. Alternative work schedules are anything other than five (5) consecutive eight (8) hour days or four (4) ten (10) hour days in a workweek.

Section 2 – Alternate Work Schedules

- a. Except for work schedules that have a thirty-six/forty-four (36/44) hour work schedule over a two (2) week period of time, and flexible work schedules, an alternate work schedule shall be defined as a work schedule that is other than a five (5) day eight (8) hour work schedule with regularly established starting and stopping times. This section shall not apply to flexible work schedules or work schedules that have thirty-six/forty-four (36/44) hours worked over a period of two (2) calendar weeks. A flexible work schedule is a work schedule which varies the number of hours on a daily basis, but not necessarily each day, or a work schedule in which starting and stopping times vary on a daily basis but not necessarily each day.
- b. An employee desiring to work an alternate work schedule must submit a written request to their immediate supervisor. The employee's written request will address the following areas: 1) how the requested alternate work schedule will not interfere with the employee's ability and availability to perform assigned duties; 2) continue to meet Agency/work unit operational needs; 3) the needs of the public will be met; 4) how the request will not impact other employee's ability to schedule leave to extend their weekends; 5) the forty (40) hour work week will be maintained. The supervisor will review the request and either approve or disapprove the request which includes consideration of the above criteria. If approved, the employee waives any penalty or premium pay as a result of the change into or out of the requested schedule.

- c. Requests for alternate work schedules shall be considered in order of application. If more than one (1) employee requests for an alternative work schedule on the same day and both requests can not be accommodated, preference shall be given to the employee with the most seniority in the Agency if possible.
- d. Approved alternate work schedules will be reviewed as least annually at the time of the employee's performance evaluation.
- e. Overtime for employees working an alternate work schedule will follow the provisions of the local Agency agreement.
- f. The supervisor's decision to grant or deny such a request may be grieved by the Union up to the Department of Administrative Services grievance appeal step. Regardless, at the employee's request, the immediate supervisor will meet with the employee in an effort to fully discuss all concerns.
- g. The supervisor may revoke an employee's alternate work schedule if the schedule no longer meets criteria cited in subsection b herein with fourteen (14) calendar days notice. The Agency's decision shall be subject to the grievance procedure up to the Department of Administrative Services grievance appeal step.

Section 3.

Employees will be granted a rest period of fifteen (15) minutes during each consecutive work period of four (4) hours. Rest periods will be as near the midpoint of each four (4) hour segment as possible in accordance with operating requirements.

Section 4. Meal Periods.

Employees working at least eight (8) hours in a day shall receive one (1) hour unpaid meal period during each work shift. Whenever possible, meal periods shall be scheduled at the middle of the shift. A shorter or longer meal period may be allowed if by mutual agreement between the employee and Employer.

Section 5. Professional Employees.

Professional employees, as defined by FLSA standard, are paid with a predetermined salary each week irrespective of the number of hours worked in a workweek. Hours of work are defined as those hours of the day, days of the week for which the employees are required to fulfill the responsibilities of their professional positions. The workweek for professional employees shall begin at 12:01 a.m. on Monday and end on Sunday at 12:00 midnight.

The normal workweek under this section shall be Monday through Friday. It is understood that weekend work may be required from time to time.

Section 6.

Established work schedules will not be changed with less than ten (10) calendar days' advance notice except when operating requirements of the Agency require it.

Section 7.

When the employee is required by the agency to travel, the actual travel time shall be considered time worked. Where required travel is outside an employee's regular work hours (excluding normal commuting time), the Employer may temporarily modify the employee's weekly schedule without daily overtime or schedule change penalty. Where

such schedule's modification still results in the need for additional work hours, the employee shall be paid the appropriate rate of pay for all time worked over forty (40) hours in that workweek.

ARTICLE 24 - INCLEMENT WEATHER/HAZARDOUS CONDITIONS LEAVE

Section 1.

- a. The Employer/Agency designated official(s) may close or curtail offices, facilities, or operations because of inclement/environmental, weather, weather related or hazardous conditions, including active shooter or threat of violence. The Employer/Agency will announce such closure or curtailment to employees. The Employer/Agency will strive to make its decision to close and/or postpone day shift no later than 5 a.m.; however, the parties recognize that changing conditions may require further adjustment. The Employer/Agency may provide this information through methods such as mass notification systems, pre-designated internet web sites, phone trees, radio stations and/or television media. The Agency shall notify employees of these designations and post the notices on Agency bulletin boards by November 1st of each year. Notifications do not apply to employees who are required to report to work. For purposes of this Article essential staff are those staff who cannot perform their core job duties or essential Agency functions from a remote work location. Essential staff/positions shall be designated by the Agency by November 1 of each year. Such designations may be modified with two (2) weeks advance notice to the affected employee(s). Essential staff who are required to report to work by the Employer/Agency shall be on approved leave without pay status if absent, unless the employee elects to use accrued leave. If an employee shows up within two (2) hours of their scheduled shift, subject to operating requirements and supervisory approval, they may make up the work time missed during the same workweek, provided work is available.
- b. Where the Employer/Agency has announced a delayed opening pursuant to Section 1a, employees are responsible for continuing to monitor the reporting sites for updated information related to the delay or potential closure. Employees may be allowed up to two (2) hours commuting time as reasonably needed to report for work after a delayed opening has been announced. Where an employee arrives late due to this extended commute, they may flex their time with manager's approval, or cover the time with accrued sick leave, vacation, compensatory time off, personal leave or approved leave without pay.
- c. When the Department of Administrative Services/Agency chooses to close an office or facility before the start of an employee's work day the employee may, with their manager's approval:
 1. work from home, or
 2. Work from an alternate work location that is no more than fifty (50) miles from their regular work location which has been identified by mutual agreement between the employee and the supervisor.

Section 2. FLSA Non Exempt Employees Only

If no work is available or the employee is unable to work from home or alternate work location, the employee will:

1. use accrued vacation hours, compensatory time off, personal leave time, leave without pay; or,
2. use inclement weather/hazardous conditions leave (not to exceed forty (40) hours a biennium), or,
3. The employee may, with Agency prior approval, temporarily adjust their work hours during the same workweek to make up for hours not worked. The Agency shall not suffer any overtime or penalty payments as a result of this schedule change. The employee may be approved to flex their time to engage in training through the electronic employee training platform or other Agency approved resources remotely. Such approval will not be unreasonably denied. Employees engaging in these options will waive their shift differential for such time; or,
4. Complete supervisory approved remote training courses.

Once the forty (40) hours of inclement weather/hazardous conditions leave is used, and there are more Agency closures during the biennium, if unable to work remotely, the employee will use accrued vacation hours, personal leave or compensatory time off, leave without pay or, with prior Agency approval, temporarily adjust their work hours during the same workweek. The Agency shall not suffer any overtime or other penalty payments as a result of the change in schedule.

Section 3. FLSA Exempt Employees

When the Employer/Agency notifies employees not to report to work pursuant to Section 1, prior to the beginning of the work shift, FLSA exempt employees shall be paid for the work shift. An FLSA exempt employee may be required to use paid leave or leave without pay where the closure applies to that employee for one (1) or more full workweek(s).

Section 4.

Employees will not be eligible for inclement/hazardous conditions leave when their regular days off occur on a day the Agency closes an office or facility, or when the employee is on prescheduled leave.

Inclement weather/hazardous conditions leave shall not count as hours worked for the purpose of overtime calculation.

Inclement weather/hazardous conditions leave not used during the biennium will be lost and will not be rolled over into the next biennium. Inclement weather/hazardous conditions leave is not compensable if the employee separates from state service.

Part time employees will receive a prorated amount of inclement weather leave when applicable.

Section 5.

When in the judgment of the Employer/Agency, inclement/environmental, weather or weather-related or hazardous conditions, including active shooter or threat of violence

require the closing of the work place following the beginning of an employee's work shift, the employee shall be paid for the remainder of their work shift.

Section 6. Alternate Work Sites.

Employees may be assigned or authorized to report to work at an alternative work site(s) and be paid for the time worked. Employees who have been pre-approved to work remotely and unable to complete their assigned duties due to a loss of electricity or loss of the internet providers service due to inclement conditions will pursue alternative methods for completing their assigned duties. However, employees unable to work through an alternative method will be eligible for inclement conditions leave not to exceed the forty (40) hours a biennium.

Section 7. Late or Unable to Report.

Where the Agency remains open and an employee notifies their supervisors that they are unable to report to work, or will be late, due to inclement weather, weather related or hazardous conditions including active shooter or threat of violence, the employee shall be allowed to use accrued vacation leave, compensatory time off, personal leave or approved leave without pay. Where the Employer and the employee mutually agree, the employee may be permitted to flex their time.

Section 8. Employees on Pre-scheduled Leave.

If an employee is on pre-scheduled leave the day of the closure, the employee will be compensated according to the approved leave.

Section 9. Make-up Time Provisions.

Subject to Agency operating requirements and supervisory approval, employees who do not work pursuant to Sections 2 and 5 of this Article may make-up part or all of their work time missed during the same workweek. In no instance will time worked during the make-up period result in overtime being charged to the Agency. The Employer/Agency shall not be liable for any penalty or overtime payments when employees are authorized to make up work.

Section 10.

Employees who are unable to report to work due to inclement weather and/or weather-related or hazardous conditions including active shooter or threat of violence may be allowed to work from home with prior approval of their supervisor.

Section 11.

If the Employer/Agency anticipates the inclement condition will last longer than fourteen (14) calendar days, the Parties will meet and discuss impacts of the inclement weather and/or hazardous conditions.

The Agency may also require such certificate from the employee to determine whether the employee should be allowed to return to work where the Agency has reason to believe that the employee's return to work would be a health hazard to either the employee or to others. Any cost associated with the supplying of a certificate concerning a non-job-incurred injury or illness shall be borne by the employee. In the event of a failure or refusal to supply such a certificate, or if the certificate does not clearly show sufficient disability to preclude that employee from the performance of duties, such sick leave may be canceled and the employee may be disciplined pursuant to [Article 11 \(Discipline and Discharge\)](#).

Section 7. Request for Additional Time Off - Job Incurred Illness or Injury.

After earned sick leave has been exhausted and the employee has the opportunity to exercise the option of using paid leave time or vacation leave as outlined in Article 33 (Workers Compensation), the Agency shall grant sick leave without pay for any job-incurred injury or illness for a period which shall terminate upon demand by the employee for reinstatement accompanied by a certificate issued by a duly licensed attending physician that the employee is physically and/or mentally able to perform the duties of that position.

For purposes of recovering overpayments by payroll deduction, the following shall apply:
 1. The Agency may, at its discretion, use the payroll deduction process to correct any overpayment made within a maximum period of two (2) years before the notification.
 2. Where this process is utilized, the employee and Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.
 3. If there is no mutual agreement at the end of the thirty (30) calendar day period, the Agency shall implement the repayment schedule stated in sub (4) below.
 4. If the overpayment amount to be repaid is more than five percent (5%) of the employee's regular monthly base salary, the overpayment shall be recovered in monthly amounts not exceeding five percent (5%) of the employee's regular monthly base salary. Employees claiming eligibility for such things as leadwork, work out of classification pay or reclassification must pursue those claims pursuant to the timelines elsewhere in this agreement.

ARTICLE 44 - IMPLEMENTATION OF NEW CLASSES—APPEALS PROCESS

The appeals process is designed to allocate employees into new classes. Employees in positions allocated to a new classification, who dispute their placement within the new class, can appeal their placement using the following process:

Section 1.

- a. An appeal may be filed by an individual employee or a steward or a Council Representative on behalf of the employee, to the Agency personnel office within fifteen (15) calendar days of written notification by the Agency of placement into the new class. Employees sharing the same or substantially similar position descriptions or employees the Agency agrees to treat as a group may file an appeal as a group. The initial filing should describe the individual or group, including the names of affected members, identify the proposed placement, and the placement believed to be correct by the affected employees. The appeal must include current, signed position descriptions. Because the old classifications are to be abolished, correct placement cannot be back to the prior classification.

The Agency shall conduct a review of the allocation using the following criteria:

- 1. The purpose of the job shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency;
 - 2. The concept of the proposed classification shall be determined by the general description and distinguishing features of its class specification; and
 - 3. The overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency. This decision shall be made within thirty (30) calendar days of receipt of the appeal and provided to the affected employees in writing and with a summary of the classification analysis.
- b. If denied, the Union may appeal the Agency's decision in writing to the Labor Relations Unit within fifteen (15) calendar days of receipt of the written denial. The appeals will be considered by the Employer designee (or an alternate) and the Union designee (or an alternate) who shall form the committee charged with the responsibility to consider appeals and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Additionally, the committee may utilize two (2) resource persons, one designated by each party, to provide technical expertise concerning a specific series. The committee will attempt to resolve the matter by jointly determining whether the

current or proposed class more accurately depicts the overall assigned duties, authorities and responsibilities of the position using the criteria specified above.

In this process each of the designees may identify one (1) alternate class that they determine most accurately depicts the purpose of the job and overall assigned duties. If an alternate class is identified, both the Union and Labor Relations Unit shall be notified. If the parties concur that shall end the allocation appeal. In the event the committee concludes that the proposed or alternate class is more appropriate, management retains the right to modify the work assignment on a timely basis to make it consistent with the Agency's allocation.

Appeals shall be decided in order of receipt by the Labor Relations Unit.

Decisions shall be rendered by the designees no later than sixty (60) calendar days of receipt of the appeal by the committee.

- c. The decision of the designees shall be binding on the parties. However, agencies may elect to remove/modify duties at any point during the process.
- d. If the appeals committee cannot make a decision, the Union may request final and binding arbitration by a written notice to the Labor Relations Unit within the next forty-five (45) calendar day period. Each party may go forward with only one (1) class. Each party may choose to take to arbitration either the current class, class appealed to, or an alternate class identified by a committee member. The arbitrator shall allow the decision of the Agency to stand unless they conclude that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities of the position.
- e. Where a position is vacated after the filing of the initial appeal, the Union may continue the appeal process and such appeals will be reviewed by the committee only after the review of all filled positions appeals is completed and where the Agency indicates that no change in duties is anticipated prior to refilling the position.
- f. This process terminates upon completion of the allocation process.

Section 2.

Employees may voluntarily provide a written statement to their supervisor concerning the allegations of the complaint. The employee shall not disclose the existence of the complaint to others except to union officials, or others who are entitled to legal privilege unless specifically authorized in writing by management to do so. Unauthorized disclosure may result in discipline, up to and including dismissal from State service.

Section 3.

Each e-mail message sent shall include the statement: "**DO NOT RESPOND** to this message; this is a non-interactive message." prominently displayed at the beginning of the message. (Note: listing recipients in the "Bcc" address block instead of the "To" block will prevent inadvertent reply to all messages.)

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) and AFSCME Council 75 (Union).

The purpose of this Agreement is to create a statewide joint labor-management committee to explore the significant impact that a local of access to affordable child care and elder care has on working parents and families.

This exploratory committee will determine the feasibility of establishing a childcare/eldercare fund to help offset the cost of dependent care for State employees.

The committee will produce a report that contains the committee's recommendations for how the State can support employees' needs for dependent care.

The committee will be comprised of equal numbers of union and management representatives. AFSCME will appoint three (3) members to the committee. Participants on the Committee will be on paid status and shall be reimbursed for authorized travel expenses as per State Travel Policy. Agencies will not incur any overtime as a result of Committee meetings or travel. Flexing schedules will be allowed to avoid overtime.

That State will assign staff to support and facilitate work of the advisory committee.

The committee will convene no later than six (6) months after the effective date of the contract. The committee will complete their work by December 31, 2022.
