For Plan Years 2019, 2020 and 2021 the Employer will pay ninety-five percent (95%) and the employee will pay five percent (5%) of the monthly premium rate as determined by PEBB. Full time employees shall receive six (6) shifts off per year in lieu of holidays. Holiday Leave shall be credited to employees at the start of each calendar year. Employees hired after the start of the calendar year shall have their Holiday Leave prorated. These shifts shall be used per Article 15, Section 3 - Scheduling, except that leave may only be used in full shift increments.

Section 6. Pay in Lieu of Vacation.

Employees may in any federal fiscal year elect, in twelve (12) hour increments, in lieu of vacation time off, to receive compensation for up to sixty (60) hours for the year and is subject to management approval.

Section 7. Military Leave Usage.

Employees using military leave in conjunction with DAS Policy 60.000.25 may use it in 8-12 hour increments with written orders for the purpose of leave for annual training or in lieu of annual training.

ARTICLE 16 - SICK LEAVE

Section 1. Accrual.

It is agreed that the Employer will provide sick leave as insurance for its employees in the event of illness or off the job injury. Accrued sick leave shall only be for the purposes of compensation during a legitimate absence due to injury or illness and as otherwise provided in this Agreement.

Sick leave shall accrue at a rate of six (6) shifts per full calendar year. Leave shall be credited monthly at the rate of twelve (12) hours per month. For purposes of all compensable leave computations, accruals shall be calculated commensurate with a 2,080 hour work year, but adjusted to compensate for the fire fighters' FLSA 2,758 hour work year.

Sick leave pay shall be the only pay available to those on sick leave, but shall not affect the accrual of other benefits. Sick leave shall not accrue during a leave of absence without pay.

Section 2. Utilization.

Sick leave shall only be used in the event an employee feels, in good faith, that he/she is unable to perform his/her regular duties.

Section 3. Notification of Sickness.

Employees shall make every effort to notify the on-duty Senior Fire Officer (SFO) of the employee's sickness at least forty-five (45) minutes prior to the employee's regular starting time. Sick leave with pay will not be allowed unless proper notification has been given except where such notification was not possible for a valid reason. The Agency may require written doctor's certification verifying any use of sick leave when the Employer believes sick leave usage is being abused or for extended usage of more than three (3) shifts.

Section 4. Funeral.

Employees shall be authorized the use of sick leave in the event of the death or illness of any member of the employee's immediate family. Sick leave taken may be for up to three shifts, additional time may be approved by the Fire Chief or his authorized representative. The immediate family is defined as: Husband, Wife, Mother, Father, Sister, Brother, Son, Daughter, Mother-in-law, Father-in-law, Grandmother, Grandfather, Son-in-law, Daughter-in-law, Grandchild, Foster parent, Step-parent, Step-children, Foster-children, or any other relative of either spouse living in the immediate household of the employee.

Section 5. Family Medical Leave.

An employee who is determined to be on qualifying family medical leave consistent with the provisions of the Family Medical Leave Act may elect to use vacation, sick, personal business or comp time leaves. Prior to the granting of Leave Without Pay, all leaves shall be exhausted.

Section 6. Hardship Leave.

These provisions shall apply for the purpose of allowing employees to donate accrued vacation leaves and compensatory time for use by eligible recipients as sick leave. The Agency will allow employees to make donations of accumulated vacation leave and compensatory time, not to exceed the hours necessary to cover for the qualifying absence as provided in paragraph d below, to a co-worker in that Agency. For purposes of this Agreement, hardship leave donations will be administered under the following stipulations and the terms of this Agreement shall be strictly enforced with no exceptions:

- a) The recipient and donor must be regular status employees of the Agency.
- b) The Employer shall not assume any tax liabilities that would otherwise accrue to the employee.
- c) Use of donated leave shall be consistent with those provisions found under this Article.
- d) Applications for hardship leave shall be in writing and sent to the Agency's Personnel Section and accompanied by the treating physician's written

statement certifying that the illness or injury will continue for thirty (30) days or a period of time agreed to by the Appointing Authority following donee's projected exhausting of the accumulated leave. Donated leave may be used intermittently.

- e) Access to hardship leave shall cease if the recipient fails to provide an updated physician's certificate verifying the continuation of the illness or injury within ten (10)-working days of a request for an updated certificate.
- f) Donations shall be credited at the donor's current regular hourly rate of pay. Donations shall be used to reimburse the Agency for such costs as are incurred for insurance contributions pursuant to Article 11 for which the recipient is eligible to receive as a result of their use of donated hardship leave.
- g) Accumulated leave includes, but is not limited to, Article 15 – Paid Leave, Article 16 – Sick Leave, and compensatory leave accruals.
- h) Employees otherwise eligible for or receiving Workers' Compensation, or on parental leave will not be considered eligible to receive donations under this Agreement.

Section 7. Coordination With Short Term Disability Insurance.

An employee may, at their option, be placed on leave without pay and maintain a balance of no more than seventy-two (72) hours of sick leave while receiving short term disability insurance benefits provided through Public Employees' Benefit Board.

ARTICLE 17 - LAY-OFFS

Section 1.

A layoff is defined as a separation from service for involuntary reasons not reflecting discredit on an employee. An employee shall be given written notice of layoff as far in advance as possible but not less than fifteen (15) calendar days before the effective date, stating the reasons for the layoff.

Section 2.

The layoff procedure shall occur in the following manner:

- a) Employees shall be selected for layoff in reverse order of seniority within the classification. The Employer shall recommend, with final approval from the Governor's office, who shall determine the number of positions to be eliminated by classification and employees in those positions shall be notified of layoff. The Employer shall notify, in writing, all affected employees of their Seniority Date and Contractual bumping rights. The Employer shall notify the Union in writing of the Seniority Date of all employees in all affected classifications. The

Union shall also post a copy of the Seniority Date of all affected positions on the bulletin board.

- b) Temporary employees working in the classification in which a layoff occurs shall be terminated prior to the layoff of trial service or regular employees.
- c) An initial probationary period employee can not displace any regular status employee.
- d) An Employee(s) on notice of layoff shall have the right to bump less senior employees in lower classifications in which they have previously served, have satisfactorily completed the probationary period, and can satisfy the current requirements for the position to be selected.

If the employee is already the least senior in his/her classification, then the employee will be placed into an available vacant position or (if there is no vacancy) displace (bump) the employee in the fire department with the lowest Seniority Date in a classification in which the employee previously held regular status, including any predecessor classifications for which he/she is qualified. An employee may choose to be voluntarily laid off rather than bump another employee. When there are no available vacancies to bump into, nor any employees to be bumped, the employee will be laid off.

- e) To be qualified for placement under Section 2(D), the employee must meet all of the minimum qualifications for the position's classification and must be capable of performing the specific requirements of the position as stated in the position description within thirty (30) days. An employee who is seeking to bump another employee has no right to a probationary period of any duration in the position into which the employee is attempting to bump. Further, the thirty (30) day time period is for the purpose of orienting an employee to the position, not training the employee to perform the work. If an employee meets the minimum qualifications but is not capable of performing the specific requirements of the lowest Seniority Date position, the employee will be laid off.
- f) When exercising an option under Section 2(D) an employee shall only be eligible to displace another employee with lower Seniority Date.

Section 3.

Computation of Seniority Date for regular status employees shall be made as specified in Article 5 of the Collective Bargaining Agreement.

Section 4.

Any probationary employee who is laid off or voluntarily demoted in lieu of layoff shall be restored to the eligible list from which certification was made if the eligible list is still active. Restoration to the list shall be for one (1) year.

Section 5. Layoff List.

Names of regular status employees of the department who have separated from the service of the State in good standing by layoff or who have demoted in lieu of layoff shall be placed on the appropriate layoff lists in Seniority Date order established by the classification from which the employee was laid off or demoted in lieu of layoff. Available positions shall be offered to qualified employees on the recall list in order of seniority prior to being filled from other sources.

The term of eligibility of candidates placed on the list shall be two (2) years from the date of placement on the list, five (5) years in the case of employees having ten (10) years of continuous service at the time of layoff.

Section 6. Recall.

Employees who are on the Employer layoff list shall be recalled in Seniority Date order beginning with the employee with the highest seniority who meets all of the minimum qualifications for the position and who is capable of performing the specific requirements of the position as stated on the position description within thirty (30) days. An employee who is seeking recall has no right to a probationary period of any duration in the position into which the employee is attempting to return. Further, the thirty (30) day time period is for the purposes of orienting an employee to the position, not training the employee to do the work. Therefore, it is necessary that the employee can perform all of the duties and responsibilities of the position as determined by the Employer prior to being recalled to the position.

If an employee on a layoff list is offered a position and refuses to accept the position, the employee's name will be removed from the layoff list.

If a temporary appointment is necessary and is expected to last longer than forty-five (45) days and there is a layoff list for that classification, employees on the layoff list shall first be offered the temporary appointment prior to hiring any other temporary. Not accepting a temporary job does not constitute a refusal under this Section. This shall only apply to employees separated from State service. Such employees shall be appointed as a temporary employee, remain on the layoff list, and will not be eligible for any benefits covered under this Agreement.

Section 7.

Any temporary interruption of employment because of lack of work or unexpected or unusual reasons beyond the Employer's control which does not exceed fifteen (15) consecutive days, shall not be considered a layoff if, at the termination of such

conditions, employee(s) are to be returned to employment. Such interruptions of employment shall be recorded and reported as leave without pay.

Section 8.

There shall be no cross bumping between management service, unrepresented service, or among other bargaining units.

Section 9.

When the Employer declares that a lack of funds will require a layoff, the Employer Representatives agree to meet with the Union to consider such alternatives to layoffs as: voluntary reductions in hours; voluntary leaves of absence without pay; other voluntary programs and/or temporary interruptions of employment. Such alternatives shall be subject to mutual agreement by the Union and the Employer.

ARTICLE 18 - TRADE TIME

The State will allow employees to trade work time for each other so long as:

- a) It does not result in any additional financial burden to the Agency.
- b) The person working the trade time is qualified to perform the duties of the position.
- c) The practice of trading time does not affect an employee's training requirements or ability to do the work assigned to his position.

ARTICLE 19 - EDUCATION REIMBURSEMENT

Section 1.

The Agency shall make 100% tuition and a 50% book reimbursement to any employee in a course of study required for an Associate Degree in Fire Science after completion of each course with a grade of "C" or higher.

Section 2.

The State will provide 100% tuition reimbursement and 50% book reimbursement for any upper division courses, which are required for promotion.

Section 3.

Subject to the needs of the department and available funds, tuition and book reimbursement as referenced in this Article will be made for classes/course work deemed job-related by the Agency. Copies of transcripts and receipts of payment are necessary for reimbursement.

Section 4.

Credit transfers are not reimbursable.

ARTICLE 20 - CONVERSION OF WAGE & BENEFIT ACCRUALS

Employees transferring from the 56-hour shift to a 40-hour schedule will have their hours and benefits converted to assure the same total dollar value for a given benefit or time. A reverse conversion of hours and benefits will be made for employees converting from the 40-hour workweek to the 56-hour shift.

ARTICLE 21 - SAVINGS CLAUSE

Should any provision of this agreement be found by a court of competent jurisdiction, or any administration agency having jurisdiction, to be in violation of any federal or state law, the remainder of the provisions of this agreement shall be considered as severable and remain in full force and effect for the duration of this agreement. The parties agree to meet and negotiate as soon as reasonably possible for a substitute to any provision declared in violation of federal or state law, if substitution is possible.

ARTICLE 22 - TERM OF AGREEMENT

This Agreement shall be modified only in writing upon the written approval of both parties. Such modification, if any, shall become part of this Agreement on the agreed upon date.

This Agreement shall be in full force and effect from July 1, 2019 until June 30, 2023. The parties shall meet to re-open this agreement on the first business day following December 10 of even numbered years prior to the expiration to this agreement or at another mutually agreed date for purpose of successor negotiations.

Either party may elect to reopen this Agreement by written notice to the other party no later than December 10, 2020 for the express purpose of negotiating Article 10 - Wages, Article 11 – Health and Welfare, and Article 12 – Retirement. No other articles will be opened except by mutual agreement.

In the event of the discontinuance of the relationship between the parties during the term of this Agreement, and the employment of Union members by a successor employer, this Agreement shall be binding upon that successor only to the extent required by law.

Rev: 2019

ARTICLE 23 - PROMOTIONS

- a) Application for promotion within the bargaining unit shall be made within the fire department through competitive examinations developed for the

classification. Firefighters who wish to promote must be in their current position for a period of two (2) years before applying for Lieutenant and four (4) years before applying for Captain.

- b) Bargaining unit members receiving a promotion shall be paid for that position at the time of acceptance, even if he/she does not meet the required certifications at that time. Where the technical skills and competitive testing does not provide prospective candidates within the bargaining unit, the Agency may determine the methods and means for recruitment.
- c) In the event there is a vacancy in a Captain's position, it will not be a requirement to be a Lieutenant in order to take the examination.

ARTICLE 24 - LABOR/MANAGEMENT COMMITTEE

The parties agree to form a labor/management committee and to meet at regularly scheduled intervals on a quarterly basis. The Committee shall be composed of up to five (5) bargaining unit members appointed by the Union. Agency employees appointed to the committee shall be in pay status during time spent in committee meetings.

ARTICLE 25 – RANDOM DRUG AND ALCOHOL TESTING

One employee per quarter will be randomly selected for random drug and alcohol testing in accordance with AGP Policy 99.100.02.

ARTICLE 26 – WORK OUT OF CLASSIFICATION

Section 1.

a) Short-Term assignments.

When the Agency assigns a bargaining unit employee duties that have all of the duties of the higher classification as reflected in the position's Position Description, for at least one (1) full twenty-four (24) hour shift and not more than three (3) successive shifts, the employee shall be paid thirty-five dollars (\$35) for each such shift (excess time worked in connection with the shift would not qualify for an additional thirty-five dollars (\$35) incentive unless an entire additional shift is worked).

b) Long-Term assignments.

When the Agency assigns a bargaining unit employee duties that have all the duties of the higher classification as reflected in the position's Position Description, for more than three (3) successive twenty-four (24) hour shifts, the employee shall be paid at the first salary step in the assigned classification or five
