The types of numbers used are as follows:

Section 1. The Employer recognizes the Union as the exclusive bargaining representative for all classified and unclassified employees in positions represented by the Union in the Agencies listed in Section 2 below. The Union is also the exclusive bargaining representative for temporary state employees in the classified or unclassified service as direct hire temporary employees of the State of Oregon excluding student workers who are in student worker classifications; student law clerks; independent contractors; any temporary employees who are represented by another labor organization; retired state employees; casual labor temporary Agency employees (e.g., Kelly, Manpower, Goodwill Industries, St. Vincent de Paul) not directly employed by DAS; temporary employees in the exempt service as defined in ORS 240.200; school-to-work

experience employees; persons hired under exchange programs with the State; prisoners; interns from bona fide educational programs who are fulfilling academic requirements of that program and are completing their degree; and JOBS Plus program participants. Temporary employees represented by the Union are in the Agencies listed in Section 2 below. This recognition does not apply to exempt, CETA, supervisory, managerial and confidential employees as defined by law or as determined by the Employment Relations Board. The Department of Administrative Services agrees to provide the Union with no less than twenty (20) days notice of its intent to exclude a filled bargaining unit position based on supervisory, managerial or confidential status. The effective date of the exclusion remains unchanged.

Section 2.

- (a) The Employer and the Union have established a single bargaining unit of employees represented by the Union and employed by the Oregon Youth Authority*, Oregon State Hospital, Blue Mountain Recovery Center, Pendleton State Delivered Secure Residential Treatment Facility, Oregon Department of Forestry, who are guards, firefighters, and police officers as identified by the Employment Relations Board or as agreed upon by the Parties. The bargaining unit has been modified by the Employment Relations Board to include temporary employees as defined in Section 1.
- (b) The Employer and the Union have established a single bargaining unit which is not prohibited from striking. The bargaining unit has been modified by the Employment Relations Board to include temporary employees as defined in Section 1. This unit is made up of employees located at the following Agencies: Department of Agriculture, Commission for the Blind, Oregon Youth Authority*, Department of Human Services, Oregon Health Authority and Oregon Health Authority Institutions (Pursuant to HB2009) (Blue Mountain Recovery Center, Oregon State Hospital, Pendleton State-Delivered Secure Residential Treatment Facility), Department of Education (including School for the Deaf), Employment Department, Employment Appeals Board, Department of Administrative Services (State Controllers Division, former DGS Divisions, and State Data Center), Oregon Department of Forestry, Oregon Health Licensing Agency, Department of Justice, Bureau of Labor and Industries, Department of Community Colleges & Workforce Development, Oregon State Library, Oregon Student Assistance Commission, Parks and Recreation Department (including Oregon State Fair and Exposition Center), Public Employees Retirement System, Department of Revenue, Department of Transportation, State Treasury Department, Department of Veterans' Affairs, Department of Water Resources, Department of Consumer & Business Services (including Workers' Compensation Board), Board of Nursing, Oregon Medical Board, Board of Dentistry, Board of Pharmacy, Mortuary and Cemetery

Board, Board of Psychologist Examiners, Board of Medical Imaging, Board of Massage Therapists, Occupational Therapy Licensing Board, Board of Examiners for Speech Pathology and Audiology, Board of Naturopathic Medicine, Oregon Department of Aviation, Oregon Watershed Enhancement Board, Oregon Housing & Community Services, Oregon Department of Fish & Wildlife, and Teachers Standards and Practices Commission—(December 15, 2011 Tentative Agreement pending ratification and shall be effective upon ratification).

*Oregon Youth Authority includes all employees except employees in positions classified as Juvenile Parole and Probation Officer and Juvenile Parole and Probation Assistant. Union-represented employees of this Agency are included in the Union's strike-permitted bargaining unit, except for employees in the classifications of Group Life Coordinator 1, 2, 3 and Youth Corrections Unit Coordinator, or successor classifications, who are included in the Union's strike-prohibited bargaining unit.

Section 3. When there has been a determination of the Employment Relations Board to modify one (1) of the bargaining units listed in Section 2 or when the Parties reach mutual agreement to modify, negotiations will be entered into as needed or as required by law.

Section 4. Exclusion of Filled Positions.

- (a) DAS, LRU shall provide the Union with no less than twenty (20) days written notice of its intent to exclude a filled bargaining unit position based on supervisory, managerial or confidential status. DAS, LRU agrees not to change the position's designation from represented to management service during this twenty (20) day period.
- (b) Should the Union decide to contest the proposed exclusion, it shall serve DAS, LRU with written notice of its intent to contest the exclusion –within twenty (20) days of its receipt of the notice of intent to exclude. Should such notice be given by the Union, DAS, LRU will forego implementing the change in designation for an additional forty (40) days, beyond the initial twenty (20) day period. The purpose of this forty (40) day period is to allow the Union time to investigate whether it has grounds to contest the proposed change in status. If the Union decides to pursue challenging an exclusion, it must file with the Employment Relations Board (ERB) prior to the end of this forty (40) day period. In such event, DAS, LRU agrees to forego implementing the change in designation until the matter is resolved by way of ERB decision, settlement, or other manner.
- (c) If DAS, LRU does not receive timely notice from the Union indicating its intent to contest the exclusion during the initial twenty (20) day period, or if the Union does not file with the ERB during the subsequent forty (40) day period, DAS, LRU may proceed to change the

position's designation, and the Union agrees not to contest the excluded status of this position during the remainder of this contract term, unless the position's duties should materially change such that the exclusion is no longer warranted.

- (d) For purposes of this Agreement, written notice may occur by personal delivery, fax, email or mail (postmark) within the time frames cited above.

Section 5. Temporary Employees.

- (a) The Employer agrees to utilize temporary employees in accordance with [ORS 240.309](#). Grievances alleging violations of [ORS 240.309](#) may be submitted only by the Union, directly to the Department of Administrative Services level for full and final review.

- (a) The Parties recognize the Employer's full right to direct the work force and to issue work orders and rules and that these rights are diminished only by the law and this Agreement, including arbitrator's awards which may evolve pursuant to this Agreement, or for temporary employees, decisions resulting from dispute resolution procedures which may evolve pursuant to this Agreement.

(b)

(1) The Employer may change or issue new work practices or rules covering permissive subjects of bargaining, including issuing administrative rules over issues which are nonnegotiable and are not in conflict with or otherwise addressed in a specific provision of this Agreement. The Employer agrees to bargain over any proposed changes in "working conditions" or their impact which are mandatory subjects of bargaining.

(2) If the Employer believes the change is a mandatory subject of bargaining, the Parties shall meet within ten (10) days of the Union's request to meet. One (1) Union Steward from the affected Agency will be allowed to use Agency time without loss of pay or benefits to participate in these negotiations. The Employer will not be liable for any overtime, premium pay, travel reimbursement, or mileage for the Union Steward. If the Union Steward is a temporary employee, while employed, the temporary employee

would be unscheduled.

(3) The Union may file an unfair labor practice complaint with the Employment Relations Board if the Employer refuses to bargain. If the Board rules that the change is a permissive or prohibited subject of bargaining, the Union shall withdraw its demand to bargain. If the Board determines the change is a mandatory subject of bargaining, the Parties shall meet to negotiate this subject change.

(4) Notwithstanding [ORS 243.698](#), if after ninety (90) days of bargaining, the Parties do not reach agreement, either Party may exercise its right to utilize the dispute resolution procedures under the PECBA, including the strike-permitted employees' right to strike (notwithstanding [Article 8](#) of this Agreement), or, for strike-prohibited employees, the right to submit the matter to binding arbitration. Nothing precludes the Parties from requesting mediation within the ninety (90) day period.

ARTICLE 6--LEGISLATIVE ACTION

Section 1. Provisions of this Agreement not requiring legislative funding or statutory changes before they can be put into effect shall be implemented on the effective date of this Agreement or the date otherwise specified in this Agreement. Necessary bills for implementation of the other provisions shall be submitted promptly by the Department of Administrative Services to the Legislative Assembly and both Parties shall jointly recommend passage of the funding and statutory changes.

Section 2. Should the Legislature not be in session at the time agreement is reached, the funding provisions of this Agreement shall be promptly submitted to the Emergency Board by the Department of Administrative Services and both Parties shall jointly recommend passage.

Section 3. Should the Legislature not be in session at the time agreement is reached, all other legislation necessary for the implementation of this Agreement shall be submitted to the next session (whether regular or special) of the Legislative Assembly.

ARTICLE 7--SEPARABILITY

In the event that any provision of this Agreement is at any time declared invalid by any court of competent jurisdiction, declared invalid by final Employment Relations Board (ERB) order, made illegal through enactment of federal or state law or through government regulations having the full force and effect of law, such action shall not invalidate the entire Agreement, it being the express intent of the Parties hereto that all other provisions not invalidated shall remain in full force and effect. The invalidated provision shall be subject to renegotiation by the Parties within a reasonable period of time from such request.

ARTICLE 8--NO STRIKE OR LOCKOUT

The Employer agrees that during the term of this Agreement, the Employer shall not cause or permit any lockout of employees from their work. In the event an

employee is unable to perform his/her assigned duties because equipment or facilities are not available due to a strike, work stoppage, or slowdown by any other employees, such inability to provide work shall not be deemed a lockout.

During the term of this Agreement, the Union shall neither cause nor counsel the members of the bargaining unit to strike, walk out, slowdown, or commit other acts of work stoppage.

Upon notification confirmed in writing by the Department or Agency to the Union that certain bargaining unit employees covered by this Agreement are engaging in strike activity in violation of this Article, the Union shall, upon receipt of a mailing list, advise such striking employees in writing with a copy to the Department of Administrative Services and the affected Department and Agency, to return to work immediately. Such notification by the Union shall not constitute an admission that it has caused or counseled such strike activity. The notification by the Union to employees covered by this Agreement shall be made at the request of the Department of Administrative Services.

ARTICLE 9--MANAGEMENT'S RIGHTS

Except as may be specifically modified by the terms of this Agreement, the Employer shall retain all rights of management in the direction of their work force. Rights of management shall include, but not be limited to, the right to:

Section 2. The provisions of this Article and Articles 10.1 through 10.5 cover temporary employees. However, pay status provisions of this Article and Articles 10.1 through

10.5 shall not apply to temporary employees; instead temporary employees will be unscheduled rather than being in pay status or on paid or unpaid leaves for authorized activities. Such activities shall attempt to be scheduled during the temporary employee Steward's non-work hours.

Section 3. Union Organizer Visitations. Union Organizers, with approval from a responsible manager, shall be allowed reasonable contact with bargaining unit members on Agency facilities. The purpose of these visits will be to meet with Union Stewards, with employees, or management regarding any actions or procedures under this Contract, including but not limited to, employee grievances per [Article 21--Grievance and Arbitration Procedure](#). The Union Organizer will have the right to contact any represented employee in their workplace, as long as it does not interfere with the normal flow of work (e.g., lunch hour, break, before and after workshifts). The Union agrees to provide the Agency and the Department of Administrative Services Labor Relations Unit with a list of authorized representatives.

Section 4. Building Use. Agency facilities may be used for Union activities according to current building use policies, so long as the facility is available and proper scheduling has been arranged.

Section 5.

- (a) **Bulletin Boards.** The Agency shall allow the use of reasonable bulletin board space for communicating with employees. Union material shall not be displayed in the work area except in the designated bulletin board space.
- (b) **E-Mail Messaging System.** Union representatives and SEIU-represented employees may use an Agency's e-mail messaging system to communicate about Union business provided that all of the following conditions are followed:
 - (1) Use shall not contain false, unlawful, offensive or derogatory statements against any person, organization or group of persons. Statements shall not contain profanity, vulgarity, sexual content, character slurs, threats or threats of violence. The content of the e-mail shall not contain rude or hostile references to race, marital status, age, gender, sexual orientation, religious or political beliefs, national origin, health or disability.

 - (3) The Agency reserves the right to trace, review, audit, access, intercept, recover or monitor use of its e-mail system without notice.
 - (4) Use of the e-mail system will not adversely affect the use of or hinder the performance of an Agency's computer system for Agency business.
 - (5) Group e-mails shall not include attachments or contain graphics (except for the Union logo), and shall be no more than approximately three (3) pages. Recipients of such group e-mails shall not use the "Reply All" function.

(6) E-mail usage shall comply with Agency policies applicable to all users such as protection of confidential information and security of equipment.

(7) The Agency will not incur any additional costs for e-mail usage including printing.

(8) The Union will hold the Employer and Agency harmless against any lawsuits, claims, complaints or other legal or administrative actions where action is taken against the Union or its agents (including Union staff, Union officers and Stewards) regarding any communications or effect of any communications that are a direct result of use of e-mail under this Article.

(9) Such e-mail communications shall only be between SEIU-represented employees and managers, within their respective agency, and the Union. However, for purposes of negotiations, bargaining team members may communicate across agencies. Additionally, DAS recognized joint multi-Agency Labor-Management Committee members and the Union's Board of Directors may communicate across agencies. Union officers and stewards may communicate with Union officers and Stewards across agencies for purposes of contract administration. The Union shall provide the names of its Board of Directors, Union Officers and Union Stewards to DAS.

(10) Use of Agency's e-mail system shall be on employee's non-work time.

(11) E-mail communication may include links to the Union website, which may be accessed on non-work time.

(12) Nothing shall prohibit an employee from forwarding an e-mail message to his/her home computer.

(13) E-mail shall not be used to lobby, solicit, recruit, persuade for or against any political candidate, ballot measure, legislative bill or law, or to initiate or coordinate strikes, walkouts, work stoppages, or activities that violate the Contract.

(14) Should the Employer believe that the Union's staff has violated Article 10, Section 5(b) of the Master Agreement, the Employer will notify the Union's Executive Director, in writing, within thirty (30) calendar days from the date of the alleged misuse of an Agency's e-mail system. The Executive Director shall respond, in writing, within thirty (30) days and include the action that will be taken to enforce the Master Agreement. If, despite these actions, the violation continues, the Employer will notify the Union, in writing, within thirty (30) calendar days that the alleged misuse may be arbitrated ~~using the terms and conditions outlined in the Letter of Agreement 21.00-99-06.~~ For the purpose of this Article, employees who are working for the Union while on a Union leave of absence will be considered Union staff.

Section 6. Union Steward Representation. The Employer agrees that a Union Steward system exists for employee representation available to all employees covered by this Agreement and also agrees to respect that when the

employee is acting in his/her role of Steward, the relationship is different than that of supervisor and employee.

Section 7. List of Union Representatives. The Union shall provide the Employer (Department of Administrative Services and each Agency)* with a list of the names of authorized Union Stewards and duty location, worksite representation responsibility, and a list of authorized staff representatives, and shall update those lists as necessary. If problems arise regarding Union Steward authorized activities in representing employees, the Union agrees to discuss the problem with the Department of Administrative Services Labor Relations Unit or the Agency as the situation suggests.

*For DMV, Agency means the Division Administrator.

Section 8. The Employer agrees that there shall be no reprisal, coercion, intimidation, or discrimination against any Union Steward or elected officers for protected Union activities. It is recognized that only certain protected activities are permitted during work hours.

Section 9. New Employee Orientation. Thirty (30) minutes shall be granted for a representative of the Union to make a presentation at the orientation of new employees on behalf of the Union for the purpose of identifying the organization's representation status, organizational benefits, facilities, related information, and distributing and collecting membership applications. This time is not to be used for discussion of labor-management disputes. If the Union representative is an employee of the Agency, the employee shall be given time off with pay for the time required to make the presentation. The Employer will provide the Union reasonable notice of the place and time of meetings for the orientation of new employees. If the Agency does not offer an orientation within forty-five (45), or for seasonals thirty (30) calendar days of hire, an on-site Union representative may request to meet with the new employee or group of new employees in the bargaining unit. Subject to prior supervisory approval(s), regarding scheduling, the Union representative will be allowed to meet on work time to cover these same items. Such time is limited to thirty (30) minutes. The Union agrees that temporary employees will not make presentations at new employee orientations.

Section 10. Upon notice to their immediate supervisor, Union Stewards will be granted mutually agreed upon time off during regularly scheduled working hours:

- (a) to investigate and process grievances;
- (b) to represent bargaining unit employees in investigatory interviews; and
- (c) to be present upon request when an employee is reporting inappropriate workplace behavior through the process set forth in DAS or Agency policy.

If the permitted activities would interfere with the work the Steward or employee is expected to perform, the immediate supervisor shall, within the next workday, arrange a mutually satisfactory time for the requested activity. Upon request of an employee who has received a

written disciplinary action, a Union Steward may use Agency time to investigate the disciplinary action before the filing of a written grievance pursuant to [Article 21](#) of the Agreement. Request for the use of Agency time to meet with the employee or communicate by telephone, if the employee is not at the same worksite, shall be pursuant to Article 10 and 10.1-10.5 of this Agreement.

Section 11. Union Stewards will receive their regular rate of pay for time spent processing grievances and representing bargaining unit employees in investigatory interviews as described in [Article 20](#) and [Article 21](#) during their regularly scheduled hours of employment. However, only one (1) Union Steward will be in pay status for any one (1) grievance except where a grievance involves employees in more than one (1) Agency or where another Steward within the same Agency and work location accompanies a Steward, appointed during the preceding twelve (12) months, to attend meetings with management related to a maximum of two (2) grievances during their regular working hours. Supervisors may request that Stewards maintain and submit a monthly activity report of work time spent investigating and processing grievances.

The Union shall indemnify and the Union and President hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with this Section.

Section 12. The Employer is not responsible for any compensation of employees or their representative for time spent processing grievances or distributing Union material outside their regularly scheduled hours of employment. The Employer is not responsible for any travel or subsistence expenses incurred by a grievant or Union Steward in the processing of grievances.

Section 13. Official Union delegates and members of the SEIU Local 503, OPEU, Board of Directors shall be granted personal leave, accrued vacation leave, accrued compensatory time, or leave of absence without pay at their request to attend the Union's biennial General Council or the SEIU quadrennial International Convention.

The Labor Relations Unit will notify the SEIU-represented agencies and refer them to an on-line location to review the electronic list to use in granting the leave pursuant to this provision. In the event there are modifications to the notification, the Union agrees to send the modification request directly to the Agency. In emergency situations where the Union is unable to provide thirty (30) days advance notice, delegates and board members shall be granted leave with less than thirty (30) days notice unless, by granting such leave, the Agency will suffer undue hardship.

Subject to the employee's work unit operating requirements, official Union Stewards shall be granted personal leave, accrued vacation leave, accrued compensatory time, or leave of absence without pay at their

request to attend the Union's annual Steward Conference. Such request will be submitted in writing at least ten (10) workdays before the conference.

The Union President or Executive Director shall, at his/her request, be given release time from his/her position for a period not to exceed the term of his/her office for the performance of Union duties directly related and central to the collective bargaining relationship. However, if the Union President or Executive Director requests release time for less than his/her full regular schedule, such release time shall be subject to the Employer's approval based on the operating needs of the employee's work unit. The Union shall, within thirty (30) days of payment to the President or Executive Director, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other Employer-related costs. The Union shall indemnify and the Union and President hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with this Section.

Section 1. The Union Steward(s) shall be selected by the Union within the limitation that the Union may designate the following: OSH Salem Campus--twenty-one (21) and OSH Portland Campus--eight (8); Blue Mountain Recovery Center--eight (8). For example, if an Institution or Facility's agreed upon ratio is 1:50 with a bargaining unit of 976 members, the dividend of 19.52 would allow the Union to select a maximum of twenty (20) Union Stewards; a membership of 974 with a dividend of 19.48 would allow a maximum of nineteen (19) Union Stewards.

Section 2. Union Stewards shall normally represent an organizational unit of the Institutions or Facilities, or a group of employees with similar classification or employment interest. Designation of an employee as Union Steward shall terminate at the time he/she no longer works in the designated work unit.

At the employee's request, the Agency will provide the employee a list of all Stewards at the next closest worksite. Section 2. No information gathered by an Employee Assistance Program may be used to discipline an employee.

Section 3. All bargaining unit employees except temporaries shall be entitled to use accrued sick leave for participation in an Employee Assistance Program.

Section 4. The Agency will offer training to local Union Stewards on the Employee Assistance Program available in their Agency, on Agency time, where an Employee Assistance Program is available.

ARTICLE 12--CHILD CARE

Should the State of Oregon build a new state facility or substantially remodel a state-owned facility over 100,000 square feet of office space where SEIU Local 503, OPEU-represented employees are located, a childcare committee will be established that will include an SEIU Local 503, OPEU-represented employee from the affected work group. The purpose of the work group is to provide input/recommendations to the planning committee for a childcare center to be considered in the planning stages for the new or remodeled facility, which could include subsidized rates and/or a sliding scale. The Union-selected employee representative, except for temporary employees, shall be in pay status for Committee purposes only, not including overtime and other penalties or expenses.

ARTICLE 13--CONTRACTING-OUT

Section 1. The Union recognizes that the Employer has the management right, during the term of this Agreement, to

decide to contract out work performed by bargaining unit members.

~~However~~When, when the contract exceeds thirty thousand dollars (\$30,000) annually or when the contracting-out will displace bargaining unit members, such decisions shall be made only after the affected Agency has conducted a formal feasibility study determining the potential costs and other benefits which would result from contracting-out the work in question. If the work can be done by Agency workers for a lower cost with equal benefits and there is the expertise and FTE, the work will stay within the Agency.

Section 2. Upon request, but no more than quarterly, Agencies shall provide the Union with a report identifying contracts awarded to any group, individual, organization or business enterprise that could be appropriately performed by bargaining unit members.

Section 3. The Employer agrees to notify the Union within one (1) week of its decision to conduct a formal feasibility study, indicating the job classifications and work areas affected. The Employer shall provide the Union with no less than thirty (30) days' notice that it intends to request bids or proposals to contract out bargaining unit work where the decision would result in displacement of bargaining unit members. During this thirty (30) day period, the Employer shall not request any bids or proposals and the Union shall have the opportunity to submit an alternate proposal. The notification by the Employer to the Union of the results of the feasibility study will include all pertinent information upon which the Employer based its decision to contract out the work including, but not limited to, the total cost savings the Employer anticipates. The Employer will count eighty percent (80%) of the affected employee's straight-time rate when comparing the proposals.

Feasibility studies will not be required when: (1) an emergency situation exists as defined in ORS 279A.010(1)(f), and (2) either the work in question cannot be done by available bargaining unit employees or necessary equipment is not readily available.

Nothing in this Article shall prevent the Employer from continually analyzing its operation for the purpose of identifying cost-saving opportunities.

Section 24. If the Union's proposal would result in providing quality and savings equal to or greater than that identified in the management plan, the Parties will agree in writing to implement the Union proposal.

Section 35. Should any full-time bargaining unit member become displaced as a result of contracting-out, the Employer and the Union shall meet to discuss the effect on bargaining unit members. The Employer's obligation to discuss the effect of such contracting does not obligate it to secure the agreement of the Union or to exhaust the dispute resolution procedure of ORS 243.712, 243.722, or 243.742, concerning the decision or the impact.

"Displaced" as used in this Article means when the work an employee is performing is contracted to another entity outside state government and the employee is removed from his/her job.

Section 46. Once an Agency makes a decision to contract out, it will either:

- (a) Require the contractor to hire employees displaced by the contract at the same rate of pay for a minimum of six (6) months subject only to "just cause" terminations. In this instance, the State will continue to provide each such employee with six (6) months of health and dental insurance coverage through the Public Employee Benefits Board, if continuation of coverage under the Bargaining Unit Benefits Board is allowed by law and pertinent rules of eligibility. Pursuant to Article 70, Sections ~~40-9~~ through 12, an eligible employee shall be placed on the Agency layoff list and may, at the employee's discretion, be placed on a secondary recall list for a period of two (2) years; or
- (b) Place employees displaced by a contract elsewhere in state government in the following order of priority: within the Agency, within the department, or within state service generally. Salaries of employees placed in lower classifications will be red-circled. To the extent this Article conflicts with Article 45--Filling of Vacancies, this Article shall prevail.
- (c) An employee may exercise all applicable rights under Article 70--Layoff, including prioritizing options (1), (2), (3) or (4), as described in Article 70 Section 2, if the employee finds option (a) or (b), as selected by the Employer, is unsatisfactory. The employee must select his/her Article 70 Section 2 options within five (5) calendar days pursuant to notification of (a) or (b) above.

Section 57. The following provisions govern the administration of the requirement under this Article to conduct feasibility studies in cases of contracting-out and will supplement the provisions included in the contract as well as the Parties' June 10, 1998 unfair labor practice settlement involving the Department of Transportation:

- (a) The Employer agrees to notify Agency heads, personnel managers and purchasing and/or contracting staff of SEIU Local 503, OPEU-represented Agencies concerning their obligations when contracting-out work performed by bargaining unit employees. Key items include that all state Agencies will conduct a feasibility study in instances of contracting-out work performed by bargaining unit employees, whether or not such contracting-out will result in displacement of bargaining unit employees. And, as specified below, certain information will be provided to SEIU Local 503, OPEU as a part of the feasibility study Agencies are required to complete.
- (b) The Employer will provide the individuals identified in Section ~~75~~(a) above with the form in Appendix H for their use in conducting feasibility studies pursuant to Article 13. Agencies will use this form in completing feasibility studies pursuant to Article 13. However, Agencies may develop and use other forms appropriate to the work being contracted, provided that there is no substantive change to the information to be reported pursuant to Article 13 as contained in Sections F-K of

Appendix H.

- (c) The Parties agree that SEIU Local 503, OPEU-represented Agencies will send directly to SEIU Local 503, OPEU's Executive Director all future notices of intent to conduct a feasibility study under Article 13, and any related feasibility studies.

[\(See Letter of Agreement 13.00-03-93 in Appendix A.\)](#)

ARTICLE 14--NEGOTIATIONS PROCEDURES

Section 1. Negotiations shall commence pursuant to [Article 4](#) of this Agreement and the Parties will structure their Agreement per the four (4) Agency groups set forth below:

HUMAN SERVICES: Department of Human Services-Oregon Health Authority, Employment Department;

INSTITUTIONS: Oregon Youth Authority (Youth Correctional Facilities), Oregon Health Authority Institutions: Oregon State Hospital (OSH), Blue Mountain Recovery Center (BMRC), Pendleton State—Delivered Secure Residential Treatment Facility (Pendleton Cottage), OYA Administration and Field Services;

SPECIAL AGENCIES: Justice, Revenue, Department of Community Colleges & Workforce Development (DCCWD), Workers' Compensation Board, Department of Consumer & Business Services (DCBS), Agriculture, Bureau of Labor and Industries (BOLI), Veterans' Affairs, Board of Nursing, Oregon Medical Board, Board of Dentistry, Board of Pharmacy, Mortuary and Cemetery Board, Board of Psychologist Examiners, Board of Medical Imaging, Board of Massage Therapists, Occupational Therapy Licensing Board, Board of Examiners for Speech Pathology & Audiology, Board of Naturopathic Medicine, Education, Water Resources, Library, Treasury, Commission for the Blind, Public Employees Retirement System (PERS), Special Schools, State Fair, State Scholarship, Department of Administrative Services, Oregon Watershed Enhancement Board (OWEB), Oregon Health Licensing Agency, Oregon Housing & Community Services (OHCS) and Teachers Standards and Practices Commission (~~December 15, 2011 Tentative Agreement pending ratification and shall be effective upon ratification~~).

Section 2. The Union agrees, as a prior condition to the release of employees from work, to notify the Employer in writing of its members designated as representatives for negotiations.

- (a) **Central Table.** The Employer agrees to grant leave with pay for up to eight (8) employees, except for temporary employees, at a central bargaining table to represent the Union for actual negotiating table time including caucuses, negotiation work sessions, and a reasonable number of membership meetings relating to negotiations. However, there shall be no more than one (1) employee representative from each Agency, except for Agencies which have two thousand, five-

hundred (2,500) or more bargaining unit members which may have up to two (2) representatives, provided they are not from a single work location. Negotiations at the Central Table will take place during normal business hours.

- (b) **Coalition Tables.** Coalition negotiations will take place after normal business hours. For Coalition negotiations, the Employer agrees to unschedule, or grant paid time as outlined below, for up to a total of twenty-four (24) employees designated as employee bargaining team representatives, except temporary employees, but no more than eight (8) employees per coalition table. The designated employee bargaining team representative will be granted up to twenty-four (24) non-cumulative hours each month of paid time for up to one-hundred and fifty (150) calendar days for attendance at negotiations, including travel time, provided coalition bargaining sessions and/or travel time occur during an employee's regular work schedule. However, the one-hundred and fifty (150) calendar days will begin no later than February 15 or the closest business day thereto. The inclusion of paid time will not result in the employee receiving greater benefit than the employee would have received had the employee not attended the bargaining session. Should it become necessary for the Employer to replace or unschedule an employee scheduled for swing or graveyard shift so as to permit that employee to participate in collective bargaining negotiations, the Union agrees alternatively as follows:

(1) Six (6) workdays notice shall be given by the Union to the Employer so as to allow the Employer to avoid payment of penalty pay for the schedule change of the replacement employee; or

(2) If the Union does not give notice prescribed in (1) above, the Union shall reimburse the Employer for the penalty pay paid to the replacing employee.

Section 3. The Employer is not responsible for travel, per diem, overtime, or other benefits beyond that which the employee would have received had the employee not attended bargaining sessions.

Section 4. Subject in each case to prior approval by the Agency, the Employer further agrees to grant leave without pay to additional employees determined necessary by the Union to attend negotiating sessions.

Section 5. Ratification. It is understood that all tentative agreements at the table are subject to ratification by both Parties.

ARTICLE 15--PARKING

The Employer agrees to advise the Union of any proposed change in parking rates at the State-owned or operated facilities as soon as the Department of Administrative Services has knowledge of an impending change.

Suspensions with pay will not be recorded in employee personnel files nor in any manner used against an employee if no disciplinary action is subsequently taken.

(b) The Employer will make a good faith effort to have the following statement appear on all dismissals and disciplinary notices covered in Section 4(a) above:

If you choose to contest this action you have a right to be represented by the SEIU Local 503, OPEU. SEIU must file an appeal within thirty (30) calendar days from the effective date of this action in accordance with [Article 21](#).

Employees in trial service as a result of promotion who are returned to their former classification shall have no right of appeal under this Article for such removal. Section 68. Weingarten Rights. Upon request, an employee shall have the right to Union representation during an investigatory interview that an employee reasonably believes will result in disciplinary action. The employee will have the opportunity to consult with a local Union Steward or Organizer before the interview, but such designation shall not cause an undue delay.

ARTICLE 21--GRIEVANCE AND ARBITRATION PROCEDURE

Grievances shall be filed within thirty (30) calendar days of the date the grievant or the Union knows or by reasonable diligence should have known of the alleged grievance.

Grievances shall be reduced to writing, stating the specific Article(s) alleged to have been violated and clear explanation of the alleged violation, sufficient to allow processing of the grievance. Grievances shall be filed through the appropriate steps of this procedure on the form

identified as the Official Statement of Grievance Form. Except during the initial thirty (30) calendar day filing period at Step 1 or Step 2, whenever a grievance is properly filed at that step, and provided there has been no response from Agency management to the filed grievance, the Union shall not expand upon the original elements and substance of the written grievance. The Union may add other relevant Articles to the list of Articles allegedly violated at Step 2.

All grievances shall be processed in accordance with this Article and it shall be the sole and exclusive method of resolving grievances, except for the following Articles:

- [Article 2--Recognition](#)
- [Article 5--Complete Agreement/Past Practices](#)
- [Article 22--No Discrimination](#)
- [Article 56--Sick Leave \(FMLA/OFLA\)](#)
- [Article 81--Reclassification Upward, Reclassification Downward, and Reallocation](#)

Section 2. Time limits specified in this and the above-referenced Articles shall be strictly observed, unless either Party requests a specific extension of time, which if agreed to, must be stipulated in writing and shall become part of the grievance record. "Filed" for purposes of Step 1 through Step 4 grievances shall mean postmarked (dated by meter or U.S. Post Office), date of email or other electronic format, or fax received by close of the business day or actual receipt.

Grievance filings and appeals shall include the grievance form and in the case of appeals management responses at the previous step. Any other documentation may be presented at the grievance meeting or a method other than email.

The timeline for the Employer response at each grievance step shall begin the first day following the day of receipt. The timeline for the Union appeal to the next higher step shall begin the first day following the day the Employer response is due or received.

If at any step of the grievance procedure, the Employer fails to issue a response within the specified time limits, the grievance shall automatically advance to the next step of the grievance procedure unless withdrawn by the grievant or the Union. If the grievant or Union fails to meet the specified time limits, the grievance will be considered withdrawn and it cannot be resubmitted.

Grievance steps referred to in this Article may be waived by mutual agreement in writing. Such written agreements shall become part of the grievance file.

Section 3. When required by the Employer to investigate the grievance, any time spent by employee(s) to attend meetings during regular working hours, shall be considered as work time.

Section 4. Group Grievances. Where there are group grievances in Agencies involving two (2) or more supervisors, such grievances shall be filed and processed in accordance with Step 2 of the grievance procedure. When a grievance involves employees in more than one (1) Agency, such grievance shall be filed and processed in accordance with Step 3 of this Article. The grievance shall specifically enumerate, by name, the affected employees,

when known. Otherwise, the affected employees will be generically described in the grievance.

Section 5. Grievances shall be processed as follows:

Step 1. The grievant(s), with or without Union representation, shall, within thirty (30) calendar days, file the grievance except as otherwise noted to his/her management/executive service supervisor*. Upon request of either Party, the Parties will meet to discuss the grievance. The supervisor shall respond in writing to the grievant(s) within fifteen (15) calendar days from the receipt of the grievance. In all cases, the grievant and his/her management/executive service supervisor will attempt to meet within the thirty (30) calendar day filing period in an attempt to resolve the grievance at the lowest possible level of management. Failure to meet will not invalidate the grievance.

All Step 1 grievance settlements are non-precedential and shall not be cited by either Party or their agents or members in any arbitration or fact-finding proceedings now or in the future. Step 1 grievance settlements shall be reduced to writing and signed by the grievant and management/executive service supervisor. Actions taken pursuant to Step 1 settlement agreements shall not be deemed to establish or change practices under the Collective Bargaining Agreement, including but not limited to [Article 5](#), or [ORS Chapter 243](#), and shall not give rise to any bargaining or other consequential obligations.

*In ODOT (Highway), this is the District Maintenance Supervisor; in OPRD, this is the District Park Manager; or, in either case, the equivalent Program Manager; and in Forestry, this is the District Forester or Program Director. In the State-owned Airports Branch of ODOA, this is the State Airports Manager. In the Statewide Services Branch of ODOA, this is the Agency Head. In ODFW, grievances filed at Step 1 are to be filed with the Division Administrator or Regional Manager, whichever is appropriate for that work unit.

Step 2. When the response at Step 1 does not resolve the grievance, the grievance must be filed by the Union within fifteen (15) calendar days after the Step 1 response is due or received. The appeal shall be filed in writing to the Agency Head or his/her designee, who shall respond in writing within fifteen (15) calendar days (thirty (30) calendar days for discipline) after receipt of the Step 2 appeal. Upon request of either Party, the Parties will meet to discuss the grievance.

Step 3. Failing to settle the grievance in accordance with Step 2, the appeal, if pursued, must be filed by the Union and received by the Labor Relations Unit of the Department of Administrative Services within fifteen (15) calendar days after the Step 2 response is due or received. The Labor Relations Unit shall respond in writing within fifteen (15) calendar days from receipt of the Step 3 appeal. At this step the Parties agree that a face-to-face meeting (or the equivalent by phone) will occur between the Union and Labor Relations Unit. If the Union wishes to pursue a grievance involving only temporary employees beyond Step 3, the issue must first be submitted to grievance mediation. The request to initiate mediation shall be submitted by the Union to the Labor Relations Unit within fifteen (15) days of the Step 3 response.

Step 4. Grievances which are not satisfactorily resolved at Step 3 may be appealed to arbitration. If the Union intends to appeal to arbitration, the appeal must be received by the Labor Relations Unit of the Department of Administrative Services within forty-five (45) calendar days after the Step 3 response was due or received. If the Union has filed a notice of intent to arbitrate a grievance, a letter from the Union requesting an arbitrator shall be sent to the Labor Relations Unit within sixty (60) days of such notice but has not requested selection of an arbitrator within two (2) months of such notice, LRU may require that an arbitrator be selected and a hearing date agreed upon. In this situation, a letter from the Union requesting an arbitrator shall be sent within fifteen (15) days of such request by LRU or the grievance will be deemed withdrawn.

Section 6. Arbitration Selection and Authority.

(a) Arbitrations between the Parties shall be presented to one of the following arbitrators:

However, when the arbitrator originally selected is unable to schedule a hearing within the three (3) month period, the next arbitrator in rotation will be sent the same dates to schedule the hearing. In instances where the Parties agree to consolidate cases, meaning combining a related disciplinary action with a pending arbitration case, the arbitrator assigned to handle the first case will also be assigned to handle the subsequent matter. Arbitrators will use cancellation days and any unused scheduled days for writing awards on any outstanding cases under this Agreement. Cancellation fees will be applied toward any writing days.

The arbitrator shall issue a bench ruling by the end of the business day. When the arbitrator determines that the case is not arbitrable, the decision shall be affirmed in writing within seven (7) calendar days from the close of the hearing. If the grievance is arbitrable, the Parties shall continue with the hearing that day or the next business day, as time permits. In cases where arbitrability is affirmed, the arbitrator's award will include written findings on arbitrability.
- (f) The Parties agree that the decision or award of the arbitrator shall be final and binding on each of the Parties. The arbitrator shall issue his/her decision or award within thirty (30) calendar days of the closing of the hearing record. The arbitrator shall have no authority to rule contrary to, to amend, add to, subtract from, change or eliminate any of the terms of this Agreement. The arbitration will be handled in

accordance with the rules of the American Arbitration Association.

- (g) The Employer and the Union will develop stipulations of fact and use affidavits and other time-saving methods whenever possible and when mutually agreed upon in all cases proceeding to arbitration.

- (e) All decisions shall be final and binding on the Employer and Union. An arbitration award will be non-precedential if mutually agreed upon by the Parties before the hearing starts. The arbitrator's award shall be based on the record and shall include a brief explanation of the basis for the award.

Section 78. Upon request, an employee shall have the right to Union representation during an investigatory interview that an employee reasonably believes will result in disciplinary action. Section 6. Leadwork Differential.

- (a) Leadwork differential shall be defined as a differential for employees who have been formally assigned by their supervisor in writing, "leadwork" duties for ten (10) consecutive calendar days or longer provided the leadwork or team leader duties are not included in the classification specification for the employee's position. Leadwork is where, on a recurring daily basis, the employee has been directed to perform substantially all of the following functions: to orient new employees, if appropriate; assign and reassign tasks to accomplish prescribed work efficiently; give direction to workers concerning work procedures; transmit established standards of performance to workers; review work of employees for conformance to standards; and provide informal assessment of workers' performance to the supervisor.
- (b) The differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing for the full period of the assignment.
- (c) Leadwork differential shall not be computed at the rate of time and one-half (1 ½) for the time worked in an overtime or holiday work situation, or to effect a "pyramiding" of work out-of-classification payments. However, leadwork differential shall be included in calculation of the overtime rate of pay.
- (d) Leadwork differential shall not apply for voluntary training and development purposes which are mutually agreed to in writing between the supervisor and the employee.
- (e) If an employee believes that he/she is performing the duties that meet the criteria in Subsection (a), leadworker, but the duties have not been formally assigned in writing, the employee may notify the Agency Head in writing. The Agency will review the duties within fifteen (15) calendar days of the notification. If the Agency determines that leadwork duties were in fact assigned and are appropriate, the leadwork differential will be effective beginning with the day the employee notified the Agency Head of the issue.

If the Agency determines that the leadwork duties were in fact assigned but should not be continued, the Agency may remove the duties during the fifteen (15) day review period with no penalty.

If the Agency concludes that the duties are not leadwork, the Agency shall notify the employee in writing within fifteen (15) calendar days from receipt of the employee's notification to the Agency Head.

Section 7. Leadwork Differential. Employment

Department.

- (a) Leadwork differential will be paid to employees who are formally assigned in writing to perform leadwork provided the leadwork or team leader duties are not included in the classification specification for the employee's position. Leadwork is where an employee has been formally assigned to do substantially all of the following: to orient new employees, if appropriate; assign and reassign tasks to accomplish prescribed work efficiently; give direction to workers concerning work procedures; transmit established standards of performance to workers; review work of employees for conformance to standards; and provide informal assessment of workers' performance to the supervisor.
- (b) The differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing.
- (c) If an employee receives more than one (1) differential (except overtime as mandated by the FLSA), the differentials will be calculated on the base so that no "pyramiding" occurs (i.e., if an employee is receiving the leadworker differential and an out-of-classification differential, the two (2) differentials would be calculated separately and then added on to the base pay).
- (d) Leadwork differential shall not apply for voluntary training and development purposes which are mutually agreed to in writing between the supervisor and the employee.
- (e) If an employee believes that he/she is performing the duties of a leadworker but the duties have not been formally assigned in writing, he/she may submit the matter for resolution as per the dispute resolution process, or through the grievance procedure (as for example, classification review, work out-of-class).

Section 8. Leadwork Differential. ODOT Highway Division, TMS1, TMS2 and Transportation Operations Specialist.

- (a) Leadwork differential shall be defined as a differential for employees who have been formally assigned by their supervisor "leadwork" duties for five (5) days or longer in a calendar month; or five (5) consecutive calendar days or longer that span the end of one (1) month and the beginning of the next month. In no case shall days be counted twice to meet the leadwork pay qualification.
- (b) Leadwork is where, on a recurring daily basis, while performing essentially the same duties as the workers led, the employee has been directed to perform substantially all of the following functions: to orient new employees, if appropriate; assign and reassign tasks to accomplish prescribed work efficiently; give direction to workers concerning work procedures; transmit established standards of performance to workers; review work of employees for conformance of standards and provide informal assessment of workers' performance to the supervisor.

Section 9. Leadwork Differential. State Library.

- (a) Team Coordinator differential shall be defined as a

differential for employees who have been formally assigned in writing "team coordinator" responsibilities for a specific team on a recurring daily basis, for a designated length of time that extends beyond ten (10) consecutive calendar days.

- (b) Team Coordinator responsibilities shall include substantially the following roles: monitor team progress in meeting performance goals; coordinate team workflow to accomplish the work efficiently; coordinate team development processes; identify, plan, and approve training; assist in hiring of new team members, orient new employees; review team member timesheets; give feedback to team members concerning work procedures; and serve as communication liaison between the team and management.
- (c) The Team Coordinator differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing for the full period of the assignment.
- (d) If an employee receives more than one (1) differential (except overtime as mandated by the FLSA), the differentials will be calculated on the base so that no "pyramiding" occurs (i.e., if an employee is receiving the Team Coordinator differential and an out-of-classification differential, the two (2) differentials would be calculated separately and then added on to the base pay).

Section 10. Work Out-of-Classification.

- (a) When an employee is assigned for a limited period to perform the duties of a position at a higher level classification for more than ten (10) consecutive calendar days, the employee shall be paid five percent (5%) above the employee's base rate of pay or the first step of the higher salary range, whichever is greater.

When assignments are made to work out-of-classification for more than ten (10) consecutive calendar days, the employee shall be compensated for all hours worked beginning from the first day of the assignment for the full period of the assignment.

When an employee is assigned to work out-of-classification pending approval of a reclassification upward, the employee will be paid at the next higher rate of pay or first step of the higher salary range, whichever is greater.

- (b) An employee performing duties out-of-classification for training or developmental purposes shall be informed in writing of the purpose and length of the assignment during which there shall be no extra pay for the work. A copy of the notice shall be placed in the employee's file.
- (c) An employee who is underfilling a position shall be informed in writing that he/she is an underfill, the reasons for the underfill, and the requirements necessary for the employee to qualify for reclassification to the allocated level. Upon gaining regular status and meeting the requirements for the allocated level of the position, the employee shall be

reclassified.

- (d) Assignments of work out-of-classification shall not be made in a manner which will subvert or circumvent the administration of this Article.

Section 11. Work Out-of-Classification. ODOT.

- (a) Transportation Maintenance Specialists. In addition to any entitlement to work out-of-classification pay pursuant to Section 10 of this Article, notwithstanding Transportation Maintenance Specialist 1s who are assigned to a TMS 2 Maintenance crew by their supervisor and who independently perform work consisting of sweeping, snow removal, sanding, de-icing or removal of land/rock slide materials from roadways at the Transportation Maintenance Specialist 2 (TMS 2) level shall be paid a differential of five percent (5%) over their base rate of pay for all hours of such work. Operation of heavy earth-moving equipment on land/rock slides and operation of a pick-up broom for sweeping are considered TMS 2 level work, whereas traffic control activities such as flagging, operating pilot vehicles and setting signs are not considered TMS 2 level work.

- (b) Self-Managed Crews. Where the Agency utilizes self-managed work crews, crew members, including positional leaders, may not be entitled to work out-of-classification payments at the supervisory level unless they assume a majority of duties specific to that classification.

Section 12. Lateral Classification Assignment

Differential. When an employee is temporarily assigned for a period of ten (10) or more consecutive calendar days to a lateral classification within the same salary range base number and the salary is a higher salary schedule, the employee shall be paid at the lowest step in the new schedule that provides the employee an increase in his/her base rate of pay.

 - (2) low altitude tracking and spotting
 - (3) locate and capture animals
 - (4) collecting census data
- shall receive one dollar and fifty cents (\$1.50) per hour in the performance of these duties for actual air time only.

normal courier duties, point-to-point travel, or similar circumstances shall not qualify for this differential. Pilots are excluded from any part of this provision.

Section 2. Diving Differential. ARTICLE 27--SALARY INCREASE

~~For purposes of contract administration, see Letter of Agreement 27.00-11-211 in Appendix A.~~

Section 1. Public Employees Retirement System ("PERS") Members.

For purposes of this Section 1, "employee" means an employee who is employed by the State on August 28, 2003 and who is eligible to receive benefits under [ORS Chapter 238](#) for service with the State pursuant to Section 2 of Chapter 733, Oregon Laws 2003.

Retirement Contributions. On behalf of employees, the State will continue to "pick up" the six percent (6%) employee contribution, payable pursuant to the law. The Parties acknowledge that various challenges have been filed that contest the lawfulness, including the constitutionality, of various aspects of PERS reform legislation enacted by the 2003 Legislative Assembly, including Chapters 67 (HB 2003) and 68 (HB 2004) of Oregon Laws 2003 ("PERS Litigation"). Nothing in this agreement shall constitute a waiver of any Party's rights, claims or defenses with respect to the PERS Litigation.

Section 2. Oregon Public Service Retirement Plan Pension Program Members.

For purposes of this Section 2, "employee" means an employee who is employed by the State on or after August 29, 2003 and who is not eligible to receive benefits under [ORS Chapter 238](#) for service with the State pursuant to Section 2 of Chapter 733, Oregon Laws 2003.

Contributions to Individual Account Programs. As of the date that an employee becomes a member of the Individual Account Program established by Section 29 of Chapter 733, Oregon Laws 2003, and pursuant to Section 3 of that same Chapter, the State will pay an amount equal to six percent (6%) of the employee's monthly salary, not to be deducted from the salary, as the employee's contribution to the employee's account in that program. The full amount of the contributions paid by the Employer on behalf of employees, pursuant to the Agreement shall not be considered to be "salary" for the purposes of determining the amount of employee contributions required to be contributed pursuant to Section 32 of Chapter 733, Oregon Laws 2003.

Section 3. Effects of Changes in Law (other than PERS Litigation).

In the event that the State's payment of a six percent (6%) employee contribution under Section 1 or under Section 2, as applicable, must be discontinued due to a change in law, valid ballot measure, constitutional amendment, or a final, non-appealable judgment from a

court of competent jurisdiction (other than in the PERS Litigation), the State shall increase by six percent (6%) the base salary rates for each classification in the salary schedules in lieu of the six percent (6%) pick-up. This transition shall be done in a manner to assure continuous payment of either the six percent (6%) contribution or a six percent (6%) salary increase.

For the reasons indicated above, or by mutual agreement, if the State ceases paying the applicable six percent (6%) pickup and instead provides a salary increase for eligible bargaining unit employees during the term of the Agreement, and bargaining unit employees are able, under then-existing law, to make their own six percent (6%) contributions to their PERS account or the Individual Account Program account, as applicable, such employees' contributions shall be treated as "pre-tax" contributions pursuant to Internal Revenue Code, Section 414(h)(2).

Section 4. Effective December 1, ~~2014~~2013, Compensation Plan salary rates shall be increased by one-point-five percent (1.5%), to be paid January 1, ~~2012~~2014. Effective ~~January~~ December 1, ~~2013~~2014, Compensation Plan salary rates shall be increased by ~~one-point-forty-five~~two percent (~~21.45~~%), to be paid ~~February~~ January 1, ~~2013~~2015. (See [Appendix C & E.](#))

Section 5. Compensation Plan for Non-Strikeable Unit.

The Parties agree to maintain a separate wage compensation plan for SEIU Local 503, OPEU-represented employees in the non-strikeable unit, including employees at Oregon State Hospital in positions designated as security, with the representation code of OXN or OXS. (See Appendix D.)

Section 6. Compensation Plan Changes.

ARTICLE 29--SALARY ADMINISTRATION

~~For purposes of contract administration, see Letter of Agreement.~~

Section 1. Pay.

- (a) Pay for employees in the bargaining unit shall be in accordance with the Compensation Plan adopted by the Department of Administrative Services and approved by the Governor as modified by this Agreement. No changes shall be made in the Compensation Plan which affect SEIU Local 503, OPEU bargaining unit employees unless the Parties to this Agreement have negotiated the changes and reached agreement on what changes will be made. This is not intended to prevent mechanical changes or other minor changes necessary to administer the Compensation Plan.
- (b) All employees shall be paid no later than the first day of the month. However, employees who begin work after payroll cutoff will be paid in the subsequent mid-month payroll for time worked in the affected pay period. When a payday occurs on Monday through Friday, payroll checks shall be released to employees on that day. When payday falls on a Saturday, Sunday, or holiday, employee paychecks shall be made available after 8:00 a.m. on the last working day of the month. When an employee is not scheduled to work on the payday, the paycheck may be released prior to payday if the paycheck is available and the employee has completed the "Request for Release of Payroll Check" Form AD20. However, the employee may not cash or deposit the check prior to the normal release time. Any violation of this provision may be cause for disciplinary action. All checks released early under this Article shall be accompanied by written notice from the Employer as to the normal release time and date for that employee and a statement that early cashing or depositing of the check may be cause for disciplinary action. However, this shall not apply to appropriate mid-month payroll. The release day for December paychecks dated January 1 shall be the first working day in January to avoid the risk of December's paychecks being included in the prior year's earnings for tax purposes.

- (c) Employees shall be paid no less than the minimum rate of pay for their classification upon appointment to a position in state service. An entrance salary rate may exceed the minimum rate when the Appointing Authority believes it is in the best interest of the State to do so.
- (d) Release of sixty percent (60%) of an employee's earned gross wages prior to the employee's designated payday shall be authorized subject to approval of the Appointing Authority or designee, in emergency cases upon receipt of a written request from the employee that describes the emergency. An emergency situation shall be defined as an unusual, unforeseen event or condition that requires immediate financial attention by an employee. Emergencies include but are not limited to the following circumstances:
 1. Death in family
 2. Major car repair
 3. Theft of funds
 4. Automobile accident (loss of vehicle use)
 5. Accident or sickness
 6. Destruction or major damage to home
 7. New employee lack of funds (maximum--one (1) draw)
 8. Moving due to transfer or promotion.

Section 2. Submission of Salary Increases.

Recommendations for salary increases must be made to be effective on the first day of the month and must be submitted prior to the proposed effective date. However, retroactive six (6) month and annual salary increases to correct errors or oversights and retroactive payments resulting from grievance settlements shall be authorized. The proposed effective date for retroactive six (6) month and annual salary increases must be the first day of the month no more than twelve (12) months prior to the time of submitting the correcting recommendation.

Section 3. Performance Increase. Salary administration shall be based upon a performance-based system. Employees shall be granted an annual performance pay increase on their eligibility date if the employee is not at the top of the salary range of their classification, and provided the employee's performance has not been deficient. Employees who do not receive an annual performance pay increase shall receive timely notice of deficient performance or conduct during the evaluation period. Employees shall receive a notice related to the deficiencies as they are noted prior to the completion of the performance evaluation period. "Timely" shall be a reasonable amount of time, taking into consideration the specific alleged deficient performance. Such notice shall provide the employee with adequate opportunity to correct the problem prior to the end of the evaluation period.

Employees shall be eligible for performance increases at the first of the month following the intervals of:

- (a) Annual periods after the initial date of hire until the employee has reached the top step in his/her salary range. However, should an employee be promoted during the first year of service with the Employer, the employee shall not receive this increase, but shall be

eligible for increases in Section 3(b).

- (b) The first six (6) months after promotion and annual periods thereafter until the employee has reached the top step in his/her salary range.

Performance-based pay shall use the following criteria:

- (1) Classification specifications developed and promulgated by the Employer.
- (2) An individual position description reduced to writing.
- (3) Written memoranda including letters of instruction, when necessary. Work plans where used will not be accepted as a substitute for notice of deficiency.
- (4) Disciplinary action.

The above criteria shall be the primary factors upon which an employee's performance is judged and upon which annual performance pay decisions are determined.

Section 4. Salary on Demotion. Whenever an employee demotes to a job classification in a lower range that has a salary rate the same as the previous salary step, the employee's salary shall be maintained at that step in the lower range.

Whenever an employee demotes to a job classification in a salary range which does not have corresponding salary steps with the employee's previous salary but is within the new salary range, the employee's salary shall be maintained at the current rate until the next eligibility date. At the employee's next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range plus that amount that their current salary rate is below the next higher rate in the salary range. This increase shall not exceed the highest rate in the new salary range.

Whenever employees demote to a job classification in a lower range, but their previous salary is above the highest step for that range, the employee shall be paid at the highest step in the new salary range.

This Section shall not apply to demotions resulting from official disciplinary actions.

Section 5. Salary on Promotion.

- (a) An employee shall be given no less than an increase to the next higher rate in the new salary range effective on the date of promotion.

If an employee is demoted or removed during trial service as a result of a promotion, his/her salary shall be reduced to the former step, and the previous salary eligibility date shall be restored.

If the employee's salary eligibility date occurs during the promotional trial service period, upon reinstatement to the previous class, the salary eligibility date prior to promotion will be recognized.

- (b) Salary on Recall from Demotion in Lieu of Layoff. Upon recall to his/her former classification, an employee demoted in lieu of layoff shall retain his/her previous salary eligibility date and, as of the date of recall, be restored at the salary the employee would have been eligible for had a demotion not occurred, unless the employee is denied the increase as a disciplinary action.

Section 6. Salary on Lateral Transfer. An employee's salary shall remain the same, except where the Appointing Authority or designee determines that exceptional circumstances justify payment of a higher rate, when transferring from one (1) position to another which has the same salary range.

Section 7. Effect of Break-In-Service. When an employee separates from state service and subsequently returns to state service, except as a temporary employee, the employee's salary eligibility date shall be determined by the Agency as follows:

- (a) **Return from Recall List.** The employee's previous salary eligibility date, adjusted by the amount of break-in-service, shall be restored.
- (b) **Return from Reemployment.** The employee's previous salary eligibility date, adjusted by the amount of break-in-service, shall represent the earliest salary eligibility date following return. However, the salary eligibility date may be established as the first of the month in any future month up to twelve (12) months from the date of reemployment.

Section 8. Rate of Pay on Appointment from Layoff List. When an individual is appointed from a layoff list to a position in the same classification in which the person was previously employed, the person shall be paid at the same salary step at which such employee was being paid at the time of layoff. The salary eligibility date of an individual who is appointed from a layoff list shall be determined in accordance with Section 7.

Section 9.

- (a) **Rate of Pay on Return to State Service by Reemployment.** When a former employee is appointed from reemployment to a position in the same classification in which he/she was previously employed or in a related classification with the same salary range, he/she may be paid at or below the step at which he/she was being paid at the time of his/her termination. If a person is reemployed in a position in a classification with a lower salary range than that of his/her previous position, he/she may be paid at any step in the lower salary range not exceeding the rate he/she was being paid in the higher classification, except where exceptional circumstances justify payment of a higher rate. The salary eligibility date of a former employee who is appointed from reemployment shall be determined in accordance with Section 7.

- (b) **Rate of Pay on Reemployment Without a Break-In-Service.**

(1) When a current employee is returning from demotion to a position in the same classification in which he/she was previously employed or in a related classification with the same salary range, the employee shall be restored at the salary step the employee would have been eligible for had a demotion not occurred, not to exceed the top step.

(2) When a person is reemployed in a position in a classification with a lower salary range than that of his/her previous position as referenced in Subsection

(b)(1), the employee may be paid at any step in that lower salary range not to exceed the top step or the rate he/she would have received pursuant to Subsection (b)(1). However, if an employee's current rate of pay is below the top step of the lower classification's salary range, she/he retains that rate unless the employee is eligible to receive a higher rate pursuant to Subsection (b)(1) or (b)(4) not to exceed the top step.

(3) In both instances, the former salary eligibility date (SED) is restored unless the SED is changed in compliance with the Collective Bargaining Agreement (e.g., [Article 61, Leave Without Pay](#)).

(4) Pay of a higher rate, not to exceed the top step, may be granted subject to exceptional circumstances, upon approval of the appointing authority.

Section 10. Recoupment of Wage and Benefit Overpayments.

- (a) In the event that an employee receives wages or benefits from the Agency to which the employee is not entitled, regardless of whether the employee knew or should have known of the overpayment, the Agency shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists and the amount of wages and/or benefits to be repaid.
- (b) The Agency shall be limited in using the payroll deduction process to a maximum period of three (3) years before the notification. An employee who disagrees with the Agency's determination that an overpayment has been made to the employee may grieve the determination through the grievance procedure.
- (c) For purposes of recovering overpayments of fifty dollars (\$50.00) or less, notice will be provided on the employee paystub.
- (d) For purposes of recovering overpayments of more than fifty dollars (\$50.00) by payroll deduction, the following shall apply:
 - (1) The employee and the Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.
 - (2) If there is no mutual agreement at the end of the thirty (30) calendar day period, the Agency shall implement the repayment schedule stated in Subsection (d)(3) below.
 - (3) If the overpayment amount to be repaid is more than five percent (5%) of the employee's regular monthly base salary, the overpayment shall be recovered in monthly amounts not exceeding five percent (5%) of the employee's regular base salary. If an overpayment is less than five percent (5%) of the employee's regular monthly base salary, the overpayment shall be recovered in a lump sum deduction from the employee's paycheck. If an employee leaves Agency service before the Agency fully recovers the overpayment, the remaining amount

may be deducted from the employee's final check(s).

(4) Subsections (d)(1) through (d)(3) of this Section shall not apply to payroll adjustments necessitated by a discrepancy between actual hours of paid time versus hours projected for payroll purposes from one pay period to another. For example, if an employee utilizes leave without pay near the end of a month but is paid for such time because such leave without pay was not anticipated at the payroll cutoff date for that month, the employee's pay and benefit entitlements may be adjusted on the following month's paycheck.

However, under limited conditions (listed below) an exception to lump sum recoupment of wage overpayments greater than five percent (5%), as a result of leave without pay, shall apply. In these cases:

(A) An employee may request a repayment schedule not to exceed three (3) months:

- i. When entries are made by a person authorized by the Agency to complete a timesheet on behalf of an absent employee which results in overpayment.
- ii. When entries on the timesheet made by an employee were correct, but the timesheet data was incorrectly input by the Agency which results in an overpayment.

(B) Subject to extenuating circumstances beyond the control of the employee, an employee may request a longer repayment schedule. The Appointing Authority or designee has the sole discretion to deny or grant the employee's request. The decision is not subject to the grievance procedure.

If an employee leaves agency service before the agency fully recovers the overpayment, the remaining amount may be deducted from the employee's final check(s).

(5) The Article does not waive the Agency's right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

ARTICLE 29T--SALARY ADMINISTRATION

(Temporary Employees)

Section 1. Pay.

- (a) Pay for employees in the bargaining unit shall be in accordance with the Compensation Plan adopted by the Department of Administrative Services and approved by the Governor as modified by this Agreement. No changes shall be made in the Compensation Plan which affect SEIU Local 503, OPEU bargaining unit employees unless the Parties to this Agreement have negotiated the changes and reached agreement on what changes will be made. This is not intended to prevent mechanical changes or other minor changes necessary to administer the Compensation Plan.
- (b) All employees shall be paid no later than the first day of the month or semi-monthly, as appropriate. When a payday occurs on Monday through Friday, payroll checks shall be released to employees on that day.

When payday falls on a Saturday, Sunday, or holiday, employee paychecks shall be made available after 8:00 a.m. on the last working day of the month, or as appropriate for hourly employees. When an employee is not scheduled to work on the payday, the paycheck may be released prior to payday if the paycheck is available and the employee has completed the "Request for Release of Payroll Check" Form AD20. However, the employee may not cash or deposit the check prior to the normal release time. Any violation of this provision may be cause for denial of future early release of paycheck. All checks released early under this Article shall be accompanied by written notice from the Employer as to the normal release time and date for that employee and a statement that early cashing or depositing of the check may be cause for denial of future early release of paycheck. However, this shall not apply to appropriate tenth (10th) of the month payroll. The release day for December paychecks dated January 1 shall be the first working day in January to avoid the risk of December's paychecks being included in the prior year's earnings for tax purposes.

- (c) Employees shall be paid no less than the minimum rate of pay for their classification upon appointment as a temporary employee.
- (d) Release of sixty percent (60%) of an employee's earned gross wages prior to the employee's designated payday shall be authorized subject to approval of the Appointing Authority, in emergency cases upon receipt of a written request from the employee that describes the emergency. An emergency situation shall be defined as an unusual, unforeseen event or condition that requires immediate financial attention by an employee. Emergencies include but are not limited to the following circumstances:
 1. Death in family
 2. Major car repair
 3. Theft of funds
 4. Automobile accident (loss of vehicle use)
 5. Accident or sickness
 6. Destruction or major damage to home
 7. New employee lack of funds (maximum--one (1) draw)
 8. Moving due to transfer or promotion.

Section 2. Recoupment of Wage and Benefit Overpayments.

- (a) In the event that an employee receives wages or benefits from the Agency to which the employee is not entitled, regardless of whether the employee knew or should have known of the overpayment, the Agency shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists and the amount of wages and/or benefits to be repaid.
- (b) The Agency shall be limited in using the payroll deduction process to a maximum period of three (3) years before the notification. An employee who disagrees with the Agency's determination that an

overpayment has been made to the employee may grieve the determination through the grievance procedure.

- (c) For purposes of recovering overpayments of fifty dollars (\$50.00) or less, notice will be provided on the employee paystub.
- (d) For purposes of recovering overpayments of more than fifty dollars (\$50.00) by payroll deduction, the following shall apply:
 - (1) The employee and the Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.
 - (2) If there is no mutual agreement at the end of the thirty (30) calendar day period, the Agency shall implement the repayment schedule stated in Subsection (d)(3) below.
 - (3) The overpayment shall be recovered in amounts not exceeding five percent (5%) of the employee's wage per pay period. If an employee leaves Agency service before the Agency fully recovers the overpayment, the remaining amount may be deducted from the employee's final check(s).
 - (4) In the event the employee was paid for hours not worked, Subsections (b), (c), and (d) shall not apply and the overpayment is subject to immediate recoupment.
- (e) The Article does not waive the Agency's right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

ARTICLE 30--PAYROLL COMPUTATION PROCEDURES

Section 1. Definitions.

- (a) Permanent Full-Time: A permanent position equivalent to eight (8) hours per day or forty (40) hours per week. A permanent full-time employee will be paid on a monthly salary basis, and all benefits will be calculated on a monthly pay status basis.
- (b) Permanent Part-Time: A permanent position less than permanent full-time. A permanent part-time employee will be paid on a fixed partial monthly or hourly salary basis, and all benefits will be calculated on a partial monthly or pay period, pay status basis. All permanent part-time employees whose work hours are regularly scheduled (work hours are based on a predetermined schedule) shall be paid on a fixed partial monthly basis.
- (c) Seasonal Full-Time: A seasonal position normally equivalent to eight (8) hours per day or forty (40) hours per week. An employee in such position will be paid on a monthly, hourly, or fixed partial monthly salary basis. All benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.
- (d) Seasonal Part-Time: A seasonal position normally less than equivalent to eight (8) hours per day or forty (40) hours per week. An employee in such position will be paid on an hourly basis and all benefits will be calculated on a partial pay period, pay status basis.

- (e) Temporary Full-Time: A temporary appointment equivalent to eight (8) hours per day or forty (40) hours per week. Any applicable benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.
- (f) Temporary Part-Time: A temporary appointment less than full time. A temporary part-time employee will be paid on a monthly, hourly, or fixed partial monthly salary basis. Any applicable benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.
- (g) Number of Workdays in Month or Pay Period: Number of possible workdays in the month or pay period based on the employee's weekly work schedule, such as Monday-Friday, Tuesday-Saturday, etc. Holidays that fall within the employee's work schedule are counted as workdays for that month or pay period.
- (h) Hourly Rates of Pay: The hourly equivalent of the monthly base rates of pay as published in the Compensation Plan. The hourly rates are computed by dividing the monthly salary by 173.33 (or by 162.5 for certain Printer classifications).
- (i) Partial Month's Pay: A prorated monthly or pay period salary. The number of hours actually worked by an employee divided by the total number of possible hours in the month or pay period based on the work schedule, times the full monthly or pay period salary rate. For example, if the employee works 115 hours in a month or pay period with a possible work schedule of 121 hours, the partial month's pay is computed as follows:

$$\frac{115}{121} \times \text{Full Month Salary} = \text{Gross Partial Pay}$$

- (j) Days Worked: Includes all days actually worked, all holidays, and all paid leave, which occurs within an employee's service period.

Section 2. General Compensation.

- (a) Permanent Full-Time Employees: Pay and benefits will be computed on a monthly pay status basis.
- (b) Permanent Part-Time Employees:
 - (1) Pay and benefits will be computed on a prorated monthly or pay period basis, such as one-half (½) monthly or pay period pay for a half-time employee, or pay will be computed on an hourly basis, and pay and benefits will be normally prorated on a pay period, pay status basis. Permanent part-time employees in permanent full-time positions will be treated as permanent part-time for purposes of this Article.
 - (2) Employees paid on a fixed partial monthly basis shall have all extra hours worked over the regular part-time schedule paid at the hourly rate. Employees paid on a fixed partial monthly basis who work less than the regular part-time schedule shall have time deducted at the hourly rate.
- (c) Seasonal Full-Time Employees: Pay and benefits will be computed on a monthly, prorated monthly, or an hourly pay period, pay status basis.

- (d) Seasonal Part-Time Employees: Pay will be computed on an hourly basis, and pay and benefits will be normally prorated on a pay period, pay status basis.
- (e) Job Sharing Employees: The total time worked by all job share employees in one (1) position will not exceed 1.0 FTE.
- (f) Temporary Full-Time Employees: Pay and applicable benefits will be computed on a monthly, prorated monthly, or an hourly pay period pay status basis.
- (g) Temporary Part-Time Employees: Pay and applicable benefits will be computed on an hourly basis, and pay will normally be prorated on a pay period, pay status basis.
- (h) Partial Month's Pay or Partial Pay Period:
 - (1) Partial month's pay (or prorated monthly or pay period pay) is applied when:
 - (A) A full-time employee is hired on a date other than the first working day of the month or pay period (based on employee's work schedule).
 - (B) A full-time employee separates prior to the last workday in the month or pay period (based on the employee's work schedule).
 - (C) A full-time employee is placed on leave without pay or returns from leave without pay, or is unscheduled.
 - (D) An employee is appointed to a permanent part-time position.
 - (2) See definition for partial month's pay under Section 1(i) for computation procedures.
- (i) Changes in Salary Rate: When an employee's salary rate changes in the middle of a month, pay will be computed on the fractional amount of hours worked at each salary rate during the month. For example:

$$\frac{\text{Actual Hours}}{\text{Possible Hours}} \times \text{Old Rate} + \frac{\text{Actual Hours}}{\text{Possible Hours}} \times \text{New Rate} = \text{Gross Pay}$$

Section 3. The Parties agree that if the Employer adopts a biweekly pay plan, this Article of the Contract will be open for renegotiation.

ARTICLE 31--INSURANCE

Section 1. Employer Contribution.

- (a) An Employer contribution for health and dental benefits will only be made for each active employee who has at least eighty (80) paid regular hours in a month and who is eligible for medical insurance coverage.
- (b) It is understood that the administrative intent of this Article is that the Employer contribution is made for individuals who are participants in the medical insurance coverages. Participation will mean that eligible less-than-full-time employees who drop out of coverage will be considered to participate. Additionally, employees who elect to opt out of coverage for a cash incentive will be considered to participate.

Section 2. Full-Time Employees.

An Employer contribution shall be made for full-time employees who have at least eighty (80) paid regular hours

in a month.

~~Effective January 1, 2011 through December 31, 2011, the Employer shall make a contribution sufficient to cover the premium costs for the PEBB health, dental and basic life benefits chosen by each eligible full-time employee who has at least eighty (80) paid regular hours in a month.~~

For ~~Plan y~~ Plan Years January 1, ~~2012-2013~~ through December 31, 2013, the Employer will pay ninety-five percent (95%) and the employee will pay five percent (5%) of the monthly premium rate as determined by PEBB.

Effective January 1, 2014 through December 31, 2015, the Employer will make a contribution, which, in conjunction with the five percent (5%) employee premium share, is sufficient to pay for the cost of continuing PEBB health, vision, dental and basic life insurance benefits, in effect for employees through December 31, 2015, with the following exception for Plan Year 2015:

For full-time employees who enroll in the least expensive PEBB health plan available to them, the Employer shall pay ninety-seven percent (97%) of the monthly premium for PEBB health, vision, dental and basic life insurance benefits and the employee shall pay the remaining three percent (3%). This premium rate share will only go into effect when ninety-five percent (95%) of employees have at least two (2) plan options.

For employees ~~with monthly salary rates of two thousand eight hundred and sixteen dollars (\$2,816) or below whose salaries are equivalent to or below Step 1 of Salary Range 21,~~ the Employer will pay an additional forty dollars (\$40) monthly subsidy ~~beginning December 1, 2011.~~

Section 3. Less-Than-Full-Time Employees.

- (a) For less-than-full-time employees (including part-time, seasonal, and intermittent employees), who have at least eighty (80) paid regular hours in the month, the Employer shall contribute a prorated amount of the contribution for full-time employees. This prorated contribution shall be based on the ratio of paid regular hours to full-time hours to the nearest full percent, except that less-than-full-time employees who have at least eighty (80) paid regular hours in a month shall receive no less than one-half (½) of the contribution for full-time employees.
- (b) The following administrative procedures shall be used for the calculation of Employer health plan contributions for less-than-full-time employees, under this Section.
 - (1) "Regular hours" means all hours of work or paid leave except overtime hours, i.e., those above eight (8) hours in a day or forty (40) hours in a week. Thus, "regular hours" shall include additional non-overtime hours worked above an employee's regular work schedule.
 - (2) The formulas to be used for calculating the Employer's prorated health plan contribution shall be those provided in Article 30--Payroll Computation Procedures.
 - (3) In the event that a less-than-full-time employee, who is regularly scheduled to work half-time or more,

fails to maintain at least half-time paid regular hours because of the effect of prorated holiday time or other paid or unpaid time off, he/she shall be allowed to use available vacation or comp time to maintain his/her eligibility for benefits and the Employer's contribution for such benefits.

Section 4. Coordination of Benefits. The Public Employee Benefits Board (PEBB) may adopt any of the effect-on-benefit alternatives described in the National Association of Insurance Commissioners (NAIC) 1985 model acts and regulations, or any subsequent alternatives promulgated by the NAIC.

Section 5. Administration. Agencies will continue to pay employee insurance premiums directly to the appropriate insurance carriers and remit balances either to the employees' flex benefit account or to PEBB, as directed by PEBB.

Section 6. The State ceases to have a proprietary interest in its own contributions to the benefit plan premium when it pays such funds to the carrier or to persons who have an irrevocable duty to transfer such payments to the carriers when due.

(See Letters of Agreement [31.00-05-135](#) & [31.00-11-226](#) & [31.00-13-248](#) & [31.00-13-252](#)~~31.00-11-210~~ in Appendix A.)

ARTICLE 32--OVERTIME

Section 1. Definition of Time Worked. All time for which an employee is compensated at the regular straight time rate of pay, except on-call time and penalty payment(s) (Articles 34 and 40) but including holiday time off, compensatory time off, and other paid leave, shall be counted as time worked. Holidays which fall on an employee's scheduled day off shall not count as time worked toward computation of overtime.—(See Letter of Agreement [32.00-99-17](#) regarding sick leave exclusion in Appendix A.)

Section 2. Overtime Work Definition. Overtime for employees working a regular work schedule is time worked in excess of eight (8) hours per day or forty (40) hours per workweek. Overtime for employees working an alternate work schedule is time in excess of the daily scheduled shift or forty (40) hours per workweek. Overtime for employees working a flexible work schedule is time in excess of the agreed upon hours each day or time in excess of forty (40) hours per workweek. Time worked beyond regular schedules by employees scheduled for less than eight (8) hours per day or forty (40) hours per workweek is additional straight time worked rather than overtime until the hours worked exceed eight (8) hours per day or forty (40) hours per workweek. In a split shift, the time an employee works in a day after twelve (12) hours from the time the employee initially reports for work is overtime. For purposes of this Article, time worked includes telephone calls made to an employee or by an employee after his/her workshift for work-related purposes.

Paid sick leave shall not be counted as time worked for the purposes of overtime calculation, except that paid sick

leave used shall be counted toward overtime calculation if the employee is mandated to work on a regularly scheduled day off.

Notwithstanding the foregoing eligibility criteria, in cases where the application of reporting time changes or a "penalty" payment is appropriate, the rate of compensation shall be the straight time hourly rate of pay.

Section 3. Compensation. All employees shall be compensated for overtime at the rates set out in Section 4. No application of this Article shall be construed or interpreted to provide for compensation for overtime at a rate exceeding time and one-half (1 ½), or to effect a "pyramiding" of overtime and penalty payments.

Section 4. Eligibility for Overtime Compensation.

(a) ~~Overtime--Eligible Positions.~~ Time and one-half (1 ½) their regular hourly rate unless the position is executive, administrative or professional as defined by the Fair Labor Standards Act (FLSA) and [ORS 653.269\(5\)\(a\)](#) or unless the classification contains direct care nursing employees, in the following classifications or successor classifications:

- 6214 Institution RN
- 6255 Nurse Practitioner

(See Letter of Agreement [32.00-99-17](#) regarding procedure for determining overtime exempt or non-exempt status in Appendix A.) Such time and one-half (1 ½) compensation shall be in the form of cash or compensatory time, pursuant to Articles 32.1-32.5.

In Agencies where there is no contractual limitation on the accumulation of compensatory time the Employer may:

(1) schedule unilaterally up to forty (40) hours of unused compensatory time per employee per fiscal year, after prior notice of at least five (5) working days to the affected employees; and/or

(2) pay off in cash some or all of an employee's unused compensatory time once per fiscal year.

(b) ~~Straight--Time--Eligible Positions.~~ Employees in positions, except as identified in Section 4 above, which have been determined to be executive, administrative, or professional as defined by the FLSA and [ORS 653.269\(5\)\(a\)](#) shall receive time off for authorized time worked in excess of eight (8) hours per day or forty (40) hours per week at the rate of one (1) hour off for one (1) hour of overtime worked subject to limitations of Articles 32.1-32.5. (See Letter of Agreement [32.00-99-17](#) in Appendix A.)

This time off shall be utilized within the fiscal year earned or shall be lost, except when the scheduling has been extended by the Agency or as otherwise specified below. At ninety (90) days prior to loss of such compensatory time, employees shall be notified that they must use or lose the hours. Time earned in the last ninety (90) days may, at the discretion of management, be carried forward into the next fiscal year. However, such carry forward may not increase the total compensatory time that may be accrued in that year. If time off requests are denied for use of accrued

leave before the year ends, these accrued hours will be paid in cash upon forfeiture. Employees will take all necessary steps to request use of compensatory time during the fiscal year.

(c) No overtime is to be worked without the prior authorization of management.

Section 5. Schedule Change. When a change of work schedule is requested by an employee and approved by the Agency, all forms of penalty pay shall be waived by the employee. When a change of work schedule is requested by an employee and approved by the Agency, overtime compensation for that workday, but not for work over forty (40) hours per week, associated with the changed schedule shall be waived.

Section 6. Record. A record of all overtime worked shall be maintained by the Agency.

Section 7. (See Articles 32.1-32.5, and Letter of Agreement [32.00-99-17](#) in Appendix A.)

ARTICLE 32T--OVERTIME (Temporary Employees)

Section 1. Time Worked Definition. Time worked is defined as actual hours worked.

Section 2. Overtime Work Definition. Overtime for non-exempt employees working any work schedule is actual time worked in excess of forty (40) hours per workweek.

Section 3. Compensation. All non-exempt employees shall be compensated for overtime at time and one-half (1 ½) of their regular hourly rate. No overtime is to be worked without the prior authorization of management.

Section 4. No application of this Article shall be construed or interpreted to provide compensation for overtime at a rate exceeding time and one-half (1 ½), or to effect a "pyramiding" of overtime and penalty payments.

Section 5. Record. A record of all overtime worked shall be maintained by the Agency.

ARTICLE 32.1--OVERTIME (Human Services Coalition)

Section 1. Distribution of Overtime. Overtime shall be distributed as equally as feasible among qualified employees customarily performing the kind of work required, and currently assigned to the work unit in which the overtime is to be worked. Overtime will be assigned to volunteers according to seniority, the most senior having priority. If there are not sufficient volunteers to meet the Agency's needs, mandatory overtime will be assigned according to inverse seniority. Seniority and volunteers notwithstanding, special qualifications or case handling continuity will be given first consideration in the assignment of overtime.

Section 2. Notice of Overtime. The Agency shall give as much notice as possible of overtime to be worked. No overtime is to be worked without the prior authorization of management except in emergent situations necessary to effect Agency services.

Section 3. Payment of Overtime. Payment of overtime shall be included in the payroll paid on the first of the month following the pay period in which overtime is worked if the overtime is reported prior to the payroll cut-off date. All

eligible employees who work overtime shall be compensated for authorized overtime, either in the form of cash or compensatory time off to be determined by the employee. In the event budgetary or staffing limitations exist, in fact, and the Agency so notifies the employee in writing of the fact, with a copy to the Union, the Agency may designate the form of overtime compensation. Compensatory time accrued by employee choice may accumulate to a maximum of one-hundred twenty (120) hours. Compensatory time may be paid off quarterly at the option of the Employer.

Section 4. Overtime Break. When an employee is required to work overtime two (2) or more hours beyond the end of the shift, he/she, at the employee's discretion, may take a fifteen (15) minute paid break before beginning the overtime shift.

Section 5. Subject to the operating requirements of the Agency, the employee may take accrued compensatory time off for overtime earned following approval by his/her supervisor. If the Agency is unable to schedule time off, the Agency shall pay cash for the balance of the unused compensatory time. If two (2) or more employees request the same time off, and the matter cannot be resolved by agreement of the employees concerned, the employee having the greatest length of continuous service with the Agency shall be granted time off. This option shall only be used once in every twelve (12) months by an individual employee.

(See Letter of Agreement [32.1M-99-18](#) in Appendix A.)

ARTICLE 32.2A--OVERTIME

(OYA Youth Correctional Facilities and Camps)

Section 1. This Article is intended only to provide a basis for the calculation of overtime and none of its provisions shall be construed as a guarantee of any minimum or maximum hours of work or weeks of work to any employee or to any group of employees.

Section 2. The Institution shall give forty-eight (48) hours notice of overtime to be worked, except in cases of bona fide emergency, when they shall give as much notice as possible.

Section 3.

(a) In assigning overtime work, the Institution agrees to consider any circumstances which might cause such an assignment to be an unusual burden upon the employee. When such circumstances do exist, the employee shall not be required to work unless his/her absence would cause the Institution to be unable to meet its responsibilities.

(b) Overtime shall be distributed as equally as feasible among permanent employees performing the kind of work required, and currently assigned to the cottage or work unit in which the overtime is to be worked.

Section 4.

(a) All overtime shall be first offered to volunteers within the cottage or work unit; overtime shall be assigned on a rotating basis within that cottage or work unit. The Institution shall not be required to contact employees

- (b) If the supervisor and the employee mutually agree to schedule a relieved meal break prior to starting the second shift, the above shall not apply.
- (c) This Section shall not apply if the employee is eligible for payment under [Article 36--Travel Allowance](#).

Section 1. This Article is intended only to provide a basis for the calculation of overtime and none of its provisions shall be construed as a guarantee of any minimum or maximum hours of work or weeks of work to any employee or to any group of employees.

Section 2. The Institution or Facility shall give as much

notice as possible of overtime to be worked, and, when feasible, will give a minimum of two (2) hours' notice for workers being mandated while working a shift at the Facility. However, the Institution or Facility will consider any circumstances that might cause an assignment to be an unusual burden upon an employee and when such circumstances do exist, the employee shall not be required to work unless his/her absence would cause the Institution or Facility to be unable to meet its responsibilities or there is an emergency involving the public health or safety.

Section 3. Overtime shall be distributed as equitably as feasible among qualified employees customarily performing the kind of work required, and currently assigned to the work section in which the overtime is to be worked.

Section 4.

- (a) Where employees are subject to the provisions of the FLSA, they shall receive cash for overtime worked unless the employee requests in writing on or before the fifteenth (15th) of the month to receive compensatory time up to the annual limitations on the accrual of compensatory time (see Article 97.2C,G,H). (OYA Administration and Field Services)

Section 1. Distribution of Overtime. Overtime shall be distributed as equally as feasible among qualified employees customarily performing the kind of work required, and currently assigned to the work unit in which the overtime is to be worked. Overtime will be assigned to volunteers according to seniority, the most senior having priority. If there are not sufficient volunteers to meet the Agency's needs, mandatory overtime will be assigned according to inverse seniority. Seniority and volunteers notwithstanding, special qualifications or case handling

continuity will be given first consideration in the assignment of overtime.

Section 2. Notice of Overtime. The Agency shall give as much notice as possible of overtime to be worked. No overtime is to be worked without the prior authorization of management except in emergent situations necessary to affect Agency services.

Section 3. Payment of Overtime. Payment of overtime shall be included in the payroll paid on the first of the month following the pay period in which overtime is worked if the overtime is reported prior to the payroll cut-off date. All eligible employees required to work overtime shall be compensated for authorized overtime, either in the form of cash or compensatory time off to be determined by the employee. The employee shall indicate his/her choice when notified of having to work the overtime or shall lose the choice option. In the event budgetary or staffing limitations exist, in fact, and the Agency so notifies the employee in writing of the fact, with a copy to the Union, the Agency may designate the form of overtime compensation. Compensatory time accrued by employee choice may accumulate to a maximum of eighty (80) hours. Compensatory time may be paid off quarterly at the option of the Employer.

Section 4. Overtime Break. When an employee is required to work overtime two (2) or more hours beyond the end of the shift, he/she, at the employee's discretion, may take a fifteen (15) minute paid break before beginning the overtime shift.

ARTICLE 32.3--OVERTIME (ODOT Coalition)

Section 1. Assignment of Overtime.

- (a) In assigning overtime work, the Agency agrees to consider any circumstances which might cause such an assignment to be an unusual burden upon the employee. When such circumstances do exist, the employee shall not be required to work unless his/her absence would cause the Agency to be unable to meet its responsibilities.
- (b) Non-bargaining unit employees or excluded supervisory personnel shall not perform overtime work which is normally done by employees working under the jurisdiction of this Agreement except when:
- (1) performed to assist or instruct an employee who does not have sufficient training or experience to perform the job assigned; or
 - (2) filling vacancies temporarily due to absence of personnel until a replacement or replacements can be obtained; or
 - (3) performing emergency work where prompt execution of the work is essential to insure safety and to protect state property and/or employees; or
 - (4) the performance of such work by him/her is part of the normal operation of the work unit.

Section 2. Notice of Overtime. The Agency shall give as much notice as possible of overtime to be worked.

Section 3. Distribution of Overtime. Overtime shall be distributed equally, as feasible, among employees

customarily performing the kind of work required and assigned to the work unit in which the overtime is to be worked. Employees not required to work under this Section shall have the overtime forgone recognized for the sole purpose of equalization.

Section 4. Limitation on Hours.

- (a) No employee shall be required to work more than a twelve (12) hour shift or thirteen (13) continuous hours without being given the opportunity to take an off-duty period of no less than ten (10) hours. This provision does not apply to Forestry employees on fires or ODFW employees.
- (b) Forestry employees assigned to project fires will, within manpower limitations, be provided the opportunity to take rest periods within the first twenty-four (24) hours an employee is assigned to a project fire. The employee's regular workshift shall count toward the twenty-four (24) hour period when there is no off-duty break between their regular shift and assignment to a project fire.

After the initial twenty-four (24) hour period described above, employees will be given a seven (7) hour off-duty rest period, except in situations beyond the Agency's control. Further, except in situations beyond the Agency's control, no employee shall be required to work more than a sixteen (16) hour shift or seventeen (17) continuous hours without being given the opportunity to take another off-duty period of no less than seven (7) hours.

Section 5. Payment of Overtime.

(a) ODOT, OPRD.

(1) Payment for overtime shall be no later than one (1) month following the pay period in which the overtime is worked.

(2) All employees shall receive cash for overtime worked. If, however, the employee wishes to receive compensatory time off in lieu of cash, he/she may opt to receive compensatory time up to an accumulation of one-hundred and twenty (120) hours. Over an accumulation of one-hundred and twenty (120) hours, the Employer may refuse to allow the employee to continue to accrue compensation time in lieu of cash.

Subject to the restriction listed above, an employee's request for cash or compensatory time will remain in effect until the employee elects a change. The employee may not elect such a change more than once per month. ~~(See Letter of Agreement 32.3E-07-145 in Appendix A.)~~

(b) Forestry.

(1) Payment for overtime shall be no later than one (1) month following the pay period in which the overtime is worked.

(2) Overtime will be paid in cash whenever funds are available, except an employee shall have the option of maintaining a maximum of one-hundred and twenty (120) hours of compensatory time for authorized overtime. Employees must indicate their preference to accumulate compensatory time in lieu of cash. An

employee's request for cash or compensatory time will remain in effect until the employee elects a change. The employee may not elect a change more often than once a month. All overtime earned on fires outside the assigned district, and overtime earned as "extra costs" within the district will be paid in cash at the rate specified in [Article 32, Section 4 of](#) this Agreement. Straight time eligible positions may be paid cash when such time is earned on in-district fires. Such cash payment may be made when mutually agreed by the employee and the Agency. When funds are not available for cash payment of overtime, compensatory time may exceed one-hundred and twenty (120) hours and compensation will be in the form of compensatory time off up to the maximum allowable under the Fair Labor Standards Act (most employees two-hundred forty (240) hours).

(c) ODFW.

(1) Payment for overtime shall be no later than one (1) month following the pay period in which the overtime is worked.

(2)

(A) All FLSA non-exempt employees shall receive compensatory time off for authorized overtime worked. If, however, the employee wishes to receive cash in lieu of compensatory time off, he/she may opt to receive cash. Subject to the restriction listed in Subsection (B) of this Section, an employee's request for cash or compensatory time off will remain in effect until the employee elects a change. The employee may not elect such a change more than once per month.

(B) All employees will have the option of maintaining a maximum balance of one-hundred twenty (120) hours of accrued compensatory time off by June 30 of each calendar year. Taking compensatory time off shall be subject to prior approval of the employee's immediate supervisor.

Section 6. Compensatory Time Off.

(a) Subject to the operating requirements of the Agency, employees shall have their choice of compensatory time off. If two (2) or more employees request the same period of time off and the matter cannot be resolved by agreement of the employees concerned, the employee having the greatest length of service with the Agency shall be granted the time off. Compensatory time may be used in lieu of vacation leave or sick leave with management approval, provided the employee is not on written notice for attendance issues.

(b) Employees shall be allowed the option of taking compensatory time off in combination with vacation leave. However, compensatory time off taken in this manner shall be subject to the provisions of the Vacation Article rather than the provision of this Article.

(c) ODOT and OPRD, Except Forestry. Each employee shall be allowed to accrue compensatory time up to a period of one (1) year from date of accrual. The Agency

shall notify each employee thirty (30) days in advance of the one (1) year accrual date of the compensatory time that should be used up. When the employee receives notice of the yearly accrual date, the Agency may schedule the employee to take the time off during that thirty (30) day period. If the Agency cannot schedule the employee for time off, the Agency shall pay cash for the compensatory time that will exceed one (1) year from date of accrual.

(d) ODFW. Each employee shall be eligible to accrue and use compensatory time off through June 30 of each calendar year. The Agency shall notify each employee by January 1 of each calendar year of their accrued compensatory time off balances. In order to reduce an employee's compensatory time off balance to one-hundred twenty (120) hours or below, the Agency may schedule the employee to take time off from March 1 to June 30 in the same calendar year. If the Agency cannot schedule the employee for the time off, the Agency shall pay down to one-hundred twenty (120) hours for the compensatory time off not used by June 30 of each calendar year.

Section 7. Forestry.

(a) An employee occupying an FLSA-exempt position shall have their overtime pay rate changed from one (1) hour of time off for every hour of authorized overtime worked that exceeds eight (8) or ten (10) hours in a day, whichever is applicable, or forty (40) hours in a workweek to time and one-half (1½) for any authorized overtime worked that exceeds eight (8) or ten (10) hours in a day, whichever is applicable, or forty (40) hours in a workweek when all of the following conditions are met:

(1) The employee is relieved of all of his/her regularly assigned duties and assigned by the Agency to perform assigned duties during a fire emergency or other incident; and,

(2) The Agency has authorized the employee to work overtime.

(3) The term "other incident" shall be defined as flood, earthquake, or insect infestation that requires the Agency to mobilize an incident management team.

(b) The terms and conditions under which the FLSA-exempt employee will receive time and one-half (1½) overtime pay under this Agreement will be consistent with Article 32.3, Section 5(b)(2) of this Agreement.

(c) When an employee is released from fire emergency or other incident duties and returns to his/her regularly assigned duties, the employee will receive the overtime pay rate consistent with [Article 32, Section 4\(b\)](#) of this Agreement.

Section 1. Distribution of Overtime. Overtime work shall be distributed as equally as is feasible among qualified employees in the work unit who normally do the particular type of work needed. In the Department of Administrative Services, "work unit" for this purpose means the employees who, by position description, normally perform the particular type of work involved at the worksite that is involved. When such an assignment creates a burden for the employee, the Agency agrees to attempt to assign it to another qualified employee or to cancel the assignment. When such burden exists, the employee shall not be required to work unless his/her absence would cause the Agency to be unable to meet its responsibilities.

Section 2. Notice of Overtime. The Agency will give employees as much notice as practicable that overtime will be required.

Section 3. Payment for Overtime. Payment of overtime shall be included in the payroll paid the month following the pay period in which overtime is worked if the overtime is reported prior to the payroll cut-off dates, provided, however, that payment shall be made no later than thirty-one (31) days after overtime work is reported.

Section 4. Overtime Rest Periods. If an employee is assigned one (1) or more hours of overtime work contiguous to his/her regular workshift or is called back within one (1) hour of his/her scheduled quitting time, the Agency will provide a fifteen (15) minute rest period after two (2) hours of overtime completed.

Section 5. Compensatory time shall be scheduled, as much as possible, at the convenience of the employee, consistent with the operating requirements of the Agency. In the case of conflict between two (2) or more employees in the same work area, the employee who first requested this time shall be given preference. If the conflict again occurs between these employees, such conflict shall be resolved on a rotating basis. This time off shall be utilized within one (1) year of being earned or shall be paid in cash except as provided in Article 32, Section 4.

Section 6. Election of Cash/Compensatory Time Off.

- **Water Resources/OWEB**—Except as provided in [Article 32, Section 4](#), employees shall receive compensatory time for overtime worked unless the eligible employee elects to receive cash subject to budgetary depletion. If the eligible employee wishes to receive cash in lieu of compensatory time off, the employee must request this method of compensation no later than the first regular working day following the date the overtime was worked.

An employee shall make a request to the Agency no later than the first workday following the date the overtime is worked for either cash or compensatory time off. In instances of overtime assignment when monies budgeted to Personal Services are exhausted, overtime compensation shall be paid by compensatory time off. The employee requested to work such overtime shall be advised that payment will be compensatory time off at the time of the request. Employees who decline overtime for reason of non-cash payment shall not have such time counted for purposes of equalization.
- **PERS**—Eligible employees, except as provided in [Article 32, Section 4](#), shall receive compensatory time off for overtime worked unless the employee elects to receive cash, subject to budgetary limitation and workload requirements. If the employee wishes to receive cash in lieu of compensatory time off, the employee must request this method of compensation prior to accepting assignment of the overtime.

- **Department of Administrative Services**—Except as provided in [Article 32, Section 4](#), eligible employees shall be compensated in cash for overtime worked. An employee may request to accrue compensatory time off for overtime worked in lieu of cash. Such requests must be in writing and filed with the employee's immediate supervisor no later than the first regular workday following the date the overtime was worked. Section 3. An employee desiring a lateral transfer shall submit a written request for transfer to the office of Employee Services.

Whenever a transfer list is used to fill a position, all employees on the list will be offered an interview and be considered for the vacant position.

If there is more than one (1) crew or work unit at the geographic location, then the seniority in a particular classification would apply to all the crews treated as one (1) unit.
- (i) In any other non-voluntary transfer situation, an employee selected who does not want to transfer shall be entitled to challenge the action through the grievance procedure to determine if the transfer is appropriate. Such hearing shall occur at the employee's option and shall be held prior to the transfer becoming effective.
- (j) A transfer requested by an employee because of medical condition resulting from job-connected injury shall not be considered to be a transfer for the benefit of the employee but, when made, shall be considered to be for the benefit of the Agency.

Section 2. An employee who is transferred to another position in the same classification or a different classification at the same or lower salary level in another Agency prior to the completion of the trial service must

complete a full trial service period in the new position.

ARTICLE 51--LIMITED DURATION APPOINTMENT

Section 1. Persons may be hired for special studies or projects of uncertain or limited duration which are subject to the continuation of a grant, contract, award, or legislative funding for a specific project. Such appointments shall be for a stated period not exceeding two (2) years but shall expire upon the earlier termination of the special study or projects. An employee's limited duration appointment with an Agency may not exceed two (2) years except by mutual agreement of the Parties. For a limited duration appointment that exceeds two (2) years, the employee shall be placed on the Agency recall list in the affected geographic area when the limited duration appointment ends.

Section 2. Persons may be hired as limited duration appointments, for workload purposes, when needed to fill short-term or transitional assignments, such as, but not limited to, legislative directive, reorganizations, unanticipated workload needs or when position reduction is anticipated. These appointments will not be used in a manner that subverts or circumvents the filling of budgeted positions pursuant to [Article 45](#) and Article 45.1-45.5. The Employer will not end a limited duration appointment to circumvent Section 3(b) below. Such appointments shall not exceed two (2) years in duration. The Agency, in collaboration with DAS, will monitor the utilization of limited duration appointments for workload reasons during the contract term and a summary report will be provided to DAS, Budget and Management and the Union every six (6) months.

Section 3.

- (a) No newly-hired person on a limited duration appointment, pursuant to Section 1, shall be entitled to layoff rights.
- (b) Persons hired on a limited duration appointment, pursuant to Section 2, shall be entitled to layoff rights after seventeen (17) months of employment.
- (c) A person appointed from regular status to a limited duration appointment shall be entitled to rights under the layoff procedure within the new Agency, regardless of the length of the limited duration appointment.

Section 4. A person accepting such appointment shall be notified of the conditions of the appointment and acknowledge in writing that they accept that appointment under these conditions. Such notification shall include the following:

- (a) That the appointment is of limited duration.
- (b) That the appointment may cease at any time.
- (c) That persons who accept a limited duration appointment who were not formerly classified state employees shall have no layoff rights except as provided in Section 3(b).
- (d) Those persons who accept a limited duration appointment, who were formerly classified state employees, are entitled to rights under the layoff procedure within the new Agency starting from the prior

class or the classification of the workload limited duration appointment, provided the employee meets the requirements in Section 3(b), whichever is the greater salary range for layoffs initiated pursuant to [Article 70, Section 2](#).

- (e) That in all other respects, limited duration appointees have all rights and privileges of other classified employees including but not limited to wages, benefits, and Union representation under this Agreement.

Section 5. The Employer agrees to provide a monthly report to the Union listing all limited duration appointments, and the reason for those appointments, per [Article 10, Section 15\(g\)](#), from the personnel data files.

ARTICLE 52--JOB SHARING

Section 1. "Job sharing position" means a full-time position that may be held by more than one (1) individual on a shared time basis whereby each of the individuals holding the position works less than full-time.

Section 2. Job sharing is a voluntary program. Any employee who wishes to participate in job sharing may submit a written request to the Appointing Authority to be considered for job share positions. An employee may also request that his/her position be considered for job share. The Appointing Authority shall determine if job sharing is appropriate for a specific position and will recruit and select employees for job share positions. Where job sharing is determined appropriate, the Appointing Authority agrees to provide written notification to all job share applicants of available job share positions in their office in the Agency. Where job sharing is determined inappropriate, the Appointing Authority agrees to provide written notification of the reason(s) to the employee.

Section 3. Job sharing employees shall accrue vacation leave, sick leave, and holiday pay based on a prorated of hours worked in a month during which the employee has worked thirty-two (32) hours or more. Individual salary review dates will be established for job share employees.

Section 4. Job sharing employees shall be entitled to share the full Employer-paid insurance benefits for one (1) full-time position based on a prorated of regular hours scheduled per week or per month, whichever is appropriate. In any event, the Employer contribution for insurance benefits in a job share position is limited to the amount authorized for one (1) full-time employee. Each job share employee shall have the right to pay the difference between the Employer-paid insurance benefits and the full premium amount through payroll deduction.

Section 5. If one (1) job sharing partner in a job sharing position is removed, dismissed, resigns, or otherwise is separated from state service, the Appointing Authority has the right to determine if job sharing is still appropriate for the position. If the Appointing Authority determines that job sharing is not appropriate for the position or the Appointing Authority is unable to recruit qualified employees for the job share position, the remaining employee shall have the right to assume the position on a full-time basis. Upon approval of the Appointing Authority, the remaining employee may

elect to transfer to a vacant part-time position in the same classification or to voluntarily demote. If the above conditions are not available or acceptable, the employee agrees to resign.

ARTICLE 53--VOLUNTARY DEMOTION

An employee may make a request in writing to the Appointing Authority for a demotion from a position in one (1) classification to a vacant position in a classification of a lower rank for which the employee is qualified. If the Appointing Authority approves the request, the employee so demoted may, at a later date, request that his/her name be placed on an appropriate list for reemployment to the higher classification.

(See Letter of Agreement [00.00-99-51](#) in Appendix A.)

ARTICLE 55--PERSONAL LEAVE DAYS

Section 1. All employees after completion of six (6) months of service shall be entitled to receive personal leave days in the following manner:

- (a) All full-time employees shall be entitled to twenty-four (24) hours of personal leave with pay each fiscal year;
- (b) Part-time, seasonal, and job share employees shall be granted such leave in a prorated amount of twenty-four (24) hours based on the same percentage or fraction of month they are hired to work, or as subsequently formally modified, provided it is anticipated that they will work 1,040 hours during the fiscal year.

~~**Section 2.** Should any employee fail to work 1,040 hours for the fiscal year, the value of personal leave time used may be recovered from the employee.~~

Section 3. Personal leave shall not be cumulative from year to year nor is any unused leave compensable in any other manner.

Section 4. Such leave may be used by an employee for any purpose he/she desires and may be taken at times mutually agreeable to the Agency and the employee.

ARTICLE 56--SICK LEAVE

Section 1. Sick Leave with Pay. Sick leave with pay for employees shall be determined in the following manner:

- (a) Eligibility for Sick Leave with Pay. Employees shall be eligible for sick leave with pay immediately upon accrual.
- (b) Determination of Service for Sick Leave with Pay. Actual time worked and all leave with pay, except for educational leave, shall be included in determining the pro-rata accrual of sick leave credits each month, provided that the employee is in pay status for thirty-two (32) hours or more in that month.
- (c) Accrual Rate of Sick Leave with Pay Credits. Full-time employees shall accrue eight (8) hours of sick leave with pay credits for each full month they are in pay status. Employees who are in pay status for less than a full month but at least thirty-two (32) hours shall accrue sick leave with pay on a prorated basis. An SEIU Local 503, OPEU-represented temporary employee appointed to a status position in any SEIU

Local 503, OPEU bargaining unit in the same Agency without a break-in-service of more than fifteen (15) calendar days, shall accrue sick leave credits from the initial date of temporary appointment. An SEIU Local 503, OPEU-represented temporary employee appointed to a status position in a different SEIU Local 503, OPEU-represented Agency without a break-in-service shall accrue sick leave credits from the initial date of the temporary appointment provided the employee has worked as a temporary employee for the same Agency for six (6) consecutive calendar months or more.

Section 2. Utilization of Sick Leave with Pay.

Employees who have earned sick leave credits shall be eligible for sick leave for any period of absence from employment which is due to the employee's illness, bodily injury, disability resulting from pregnancy, necessity for medical or dental care, attendance at an employee assistance program, exposure to contagious disease, for the emergency repair of personal assistive devices which are medically necessary for the employee to perform assigned duties, attendance upon members of the employee's or the employee's spouse's immediate family, or the equivalent of each for domestic partners, (parent, wife, husband, children, brother, sister, grandmother, grandfather, grandchild, or another member of the immediate household) where the employee's presence is required because of illness or death. The employee has the duty to insure that he/she makes other arrangements, within a reasonable period of time, for the attendance upon children or other persons in the employee's care. Certification of an attending physician or practitioner may be required by the Agency to support the employee's claim for sick leave if the employee is absent in excess of seven (7) days, or if the Agency has evidence that the employee is abusing sick leave privileges. The Agency may also require such certificate from an employee to determine whether the employee should be allowed to return to work where the Agency has reason to believe that the employee's return to work would be a health hazard to either the employee or to others. In cases of pregnancy, the Agency may require a certificate from the attending physician to determine if the employee should be allowed to work. (See Section 9 for FMLA & OFLA.)

Section 3. Sick Leave Exhausted.

- (a) After earned sick leave has been exhausted, the Agency shall grant sick leave without pay for any job-incurred injury or illness for a period which shall terminate upon demand by the employee for reinstatement accompanied by a certificate issued by the duly licensed attending physician that the employee is physically and/or mentally able to perform the duties of the position.
- (b) After earned sick leave has been exhausted, the Agency may grant sick leave without pay for any non-job-incurred injury or illness of a continuous and extended nature to any employee upon request for a period up to one (1) year. Extensions of sick leave

- without pay for a non-job-incurred injury or illness beyond one (1) year may be approved by the Agency.
- (c) The Agency or the administrator may require that the employee submit a certificate from the attending physician or practitioner in verification of a disability, or its continuance resulting from a job-incurred or non-job-incurred injury or illness. Any cost associated with the supplying of a certificate concerning a job-incurred injury or illness that is not covered by Workers' Compensation benefits shall be borne by the employing Agency. Any cost associated with the supplying of a certificate concerning a non-job-incurred injury or illness shall be borne by the employee. In the event of a failure or refusal to supply such a certificate, or if the certificate does not clearly show sufficient disability to preclude that employee from the performance of duties, such sick leave may be canceled and the employee's service terminated.

(d) After all earned sick leave has been exhausted an employee may request in advance, in cases of illness, to use other paid leave. The Employer may grant such requests and may require that the employee provide verification from an attending physician of such continuous and extended illness. Such requests shall not be unreasonably denied.

(e) An employee with a serious medical condition who has exhausted available leave balances may submit a written request to receive a "medical separation." A medical separation is defined as a voluntary resignation for medical reasons. The Employer shall grant a written request for a medical separation, unless the employee is under investigation for performance and/or misconduct unrelated to their exhaustion of leave. Employees who receive a medical separation will be notified of the reemployment provision in Article 45, Section 2(e).

Section 4. Restoration of Sick Leave Credit. Employees who have been separated from state service and return to a position (except as temporary employees) within two (2) years shall have unused sick leave credits accrued during previous employment restored.

Section 5. Transfer of Accruals. An employee shall have all of his/her accrued sick leave credits transferred when the employee is transferred to a different state Agency.

Section 6. Workers' Compensation Payment. Sick leave resulting from a condition incurred on the job and also covered by Workers' Compensation, shall, if elected to be used by the employee, be used to equal the difference between the Workers' Compensation for lost time and the employee's regular salary rate. In such instances, prorated charges will be made against accrued sick leave. Should an employee who has exhausted earned sick leave elect to use accrued leave during a period in which Workers' Compensation is being received, the salary paid for such period shall be equal to the difference between the Workers' Compensation for lost time and the employee's regular salary rate. In such instances, prorated charges will be made against accrued leave.

No employee shall be required to utilize leave while receiving time loss benefits.

Section 7. Assumption of Sick Leave. Whenever an Agency of the State assumes control over the functions of a local government Agency within the State of Oregon, such state Agency may assume the unused sick leave that was accrued by an employee of the local government Agency during employment therewith, provided the employee accepts an appointment, without a break-in-service, to that Agency. Should the monthly sick leave accrual rate of the local government Agency be greater than that of the state Agency, the maximum amount of sick leave assumable by the state Agency shall be computed on the basis of the following formula:

$$\frac{\text{Monthly Accrual Rate of State Agency}}{\text{Monthly Accrual Rate of Local Agency}} \times \text{Balance of Local Agency Sick Leave} = \text{Maximum Sick Leave Assumable}$$

Should the monthly sick leave accrual rate of the local government Agency be less than that of the state Agency, the maximum amount of sick leave assumable by the state Agency shall be the amount of unused sick leave accrued during employment with the local government Agency.

Section 8. Hardship Leave.

These provisions shall apply for the purpose of allowing employees to donate accrued vacation leaves and compensatory time for use by eligible recipients as sick leave. Agencies will allow employees to make donations of accumulated compensatory time or vacation leave, not to exceed the hours necessary to cover for the qualifying absence as provided in paragraph (d), to a coworker in that Agency or different Agency. To donate to a specific employee in a different Agency, the employee (donor) must submit a written request to his/her appointing authority/designee. The appointing authority or designee from both the donor's and recipient's agencies may authorize the transfer of donated leave between agencies, subject to restrictions on the use of dedicated funding sources and/or other legitimate business reasons. Authorization for transfer of donated leave shall not be unreasonably denied. Such donation is subject to approval by both the donor's and recipient's appointing authority/designee. For purposes of this Agreement, hardship leave donations will be administered under the following stipulations and the terms of this Agreement shall be strictly enforced with no exceptions.

- (a) The recipient and donor must be regular employees.
- (b) The Employer shall not assume any tax liabilities that would otherwise accrue to the employee.
- (c) Use of donated leave shall be consistent with those provisions found under Article 56, Section 2.
- (d) Applications for hardship leave shall be in writing and sent to the Agency's Personnel Section and accompanied by the treating physician/practitioner's written statement certifying that the illness or injury will continue for at least fifteen (15) days following donee's projected exhausting of the accumulated leave and the

total leave is at least thirty (30) consecutive calendar days of absence in combination of paid and unpaid leave. Donated leave may be used intermittently for the same event after the employee has satisfied the eligibility requirements to receive donated leave.

- (e) Donations shall be credited at the recipient's current regular hourly rate of pay. Donations shall be used to reimburse the Agency for insurance contributions made pursuant to [Article 31](#), unless health insurance payments are mandated under the Family Medical Leave Act.
- (f) Accumulated leave includes but is not limited to sick, vacation, personal, and compensatory leave accruals.
- (g) Employees otherwise eligible for or receiving workers' compensation, or on parental leave will not be considered eligible to receive donations under this agreement.

Section 9. Oregon Family and Medical Leave Act (OFLA) and Family Medical Leave Act (FMLA).

Paid leave is to be used in conjunction with FMLA or OFLA consistent with the leave provisions of this Article and other leave provisions of this Agreement. unless an employee is receiving payments from a disability provider at the same time that he or she is on FMLA, OFLA or both leaves. In this circumstance, the employee may choose not to use paid leave, unless it is required by the disability provider. The disability provider may require the employee to use some or all leave prior to receiving a full disability payment. The employee must inform the employer when disability payments commence, when they end and whether the disability provider requires the use of paid leave in conjunction with the disability benefit. Subject to availability, the employee must resume use of accrued paid leave when disability payments end.

As long as the employee's compensatory time balance does not exceed forty (40) hours, an employee may retain up to forty (40) hours of vacation leave for use upon returning to work as long as the combined total of compensatory time and vacation hours do not exceed forty (40) hours. Designation to retain the leave shall be made in writing within five (5) business days of the beginning of the qualifying leave. In no instance shall an Agency restore leave or recoup pay as the result of such designation. Once the designation has been made and approved and the employee is on leave without pay status, that status will continue for the duration of the leave. Such employees are not eligible to receive hardship leave donations.

For purposes of applicability of the FMLA and OFLA, administration of the state and federal regulations includes:

- (a) The "FMLA and OFLA year" is considered to be a twelve (12) month period rolling backward for each employee.
- (b) The Employer's determination of FMLA or OFLA eligibility may require medical certification that the leave is needed due to a FMLA or OFLA qualifying condition of the employee or that of a member of the family. At an Agency's expense, a second opinion may be requested.

For employees covered by the FMLA/OFLA, the

Employer can request certification earlier when permitted by FMLA/OFLA.

Where there is a conflict between FMLA and OFLA, the more generous provisions will apply.

- (c) Any grievance alleging a violation of FMLA or OFLA will be submitted in writing within thirty (30) days of the date the grievant or the Union knows, or by reasonable diligence should have known, of the alleged grievance, directly to the Agency Head or designee. The Agency Head shall respond within fifteen (15) calendar days after receipt of the grievance. All unresolved grievances may be submitted by the grievant or the Union to BOLI or the Department of Labor, whichever is appropriate.

(See Letter of Agreement [00.00-99-51](#) in Appendix A.)

ARTICLE 56.1C--SICK LEAVE

(Employment Department)

All employees of the Employment Department will be allowed to transfer accumulated vacation leave to a coworker who has exhausted all accumulated leaves.

Eligibility to receive and use donated leave will be the same as that used for Sick Leave under [Article 56 Section 2--Utilization of Sick Leave with Pay, Section 2-](#)

The vacation leave hours donated will be converted to sick leave for use by the receiving employee. The hours of leave donated will be converted into an hourly rate and then applied to the donee's account at their hourly rate, e.g., an employee who earns twenty dollars (\$20.00) per hour by donating one (1) day of leave to an employee who earns ten dollars (\$10.00) an hour will have donated two (2) days of sick leave to the donee employee. The reverse also applies; if an employee earning ten dollars (\$10.00) per hour donates one (1) day of leave to an employee earning twenty dollars (\$20.00) per hour, one-half (½) day of leave will be transferred to the donee employee.

The Labor-Management Committee will monitor leave use.

ARTICLE 56.3--SICK LEAVE

(ODOT Coalition, ~~except ODOA~~)

When an employee needs to use sick leave and has not given his/her supervisor prior notice, the employee will call, text or email, as directed by his/her supervisor prior to the beginning of his/her scheduled shift, except for circumstances beyond the control of the employee, such as a traffic accident.

ARTICLE 56.3D--SICK LEAVE (ODOA)

ARTICLE 57--BEREAVEMENT LEAVE

If additional bereavement time is needed, an employee may request to use earned sick leave credits, pursuant to [Article 56](#), or leave without pay, at the option of the employee. The Agency may request documentation for use of bereavement leave.

Employees may, with prior authorization, use accrued leave other than sick leave to discharge additional obligations such as, but not limited to, handling estate issues or administrative/family matters. If no accrued leave is available, the employee may request authorization to use leave without pay.

Notwithstanding [Article 56](#), Section 8 (a), (c), and (d), regular and trial service employees may be eligible to receive up to forty (40) hours of donated leave, to be used consecutively. The employee must have exhausted all available accumulated leave and qualify to receive hardship leave.

For purposes of this Article, "immediate family" shall include the employee's or the employee's spouse's parent (includes one who stood in loco parentis (in place of a parent) when the employee was a child), wife, husband, child (and child's spouse) (includes a child whom the employee stood in loco parentis), brother, sister, grandmother, grandfather, grandchild, aunt, uncle, niece, nephew, or the equivalent of each for domestic partners, or another member of the immediate household.

Paid leave granted in this Section, shall be accrued by all employees employed no later than December 24 of each year. Eligible employees may request the option of using this paid leave on any workday from the day before Thanksgiving through January 15, or, when these days are not available to an employee, on another day of the employee's choice; provided that, approved usage of this leave shall be taken in a single block of time and granted on a basis which shall preclude the closure of state facilities.

The holiday shall not count as part of the total possible work hours in the month or pay period or the total hours worked and shall be calculated as follows:

$$\frac{\text{Total Hours Worked}}{\text{Total Hours in Month or Pay Period}} \times \text{Holiday Hours in the Month}$$

To be eligible for this pay, such employees must be in pay status at least one-half (½) of the last scheduled workday before the holiday and at least one-half (½) of the first scheduled workday after the holiday, provided such scheduled workdays occur within seven (7) calendar days before and after the holiday.

NOTE: Nothing in this Article is intended to change the Employer's practice with respect to scheduling and closures permitted under this Agreement, nor the granting of paid leave during such times.

- (c) **Transfers To and From Another Agency:**

Employees filling such positions will be notified in writing prior to hiring or when their work assignment is changed that they may have to work on certain holidays.

ARTICLE 58.2--HOLIDAY SCHEDULING (Institutions Coalition, except OYA Administration and Field Services)

Where an employee has been approved to work a schedule other than a regular schedule and a holiday falls within that week, the work schedule for that week may be reverted to a regular workweek schedule.

[\(See Letter of Agreement 58.2A-11-197 in Appendix A.\)](#)

ARTICLE 58.2C--HOLIDAY SCHEDULING (OSH)

Section 1.—The Institution will determine appropriate staffing levels for work areas which must be staffed on holidays in relation to anticipated workload in each area. Employees whose regular scheduled workday falls on a holiday will be scheduled first to work the holiday. Section 2. Notwithstanding Article 58, Section 4 and Article 32, Section 1, when a recognized holiday falls on an employee's regularly scheduled day off, workers shall have the choice of straight-time pay for the lesser of their regularly scheduled hours or eight (8) hours of straight-time compensatory time off. Schedules shall be posted on the department or work area bulletin board prior to any holiday indicating by name the employee(s) who will work and the employee(s) who will be off duty.

ARTICLE 58.3--HOLIDAY SCHEDULING AND COMPENSATION FOR HOLIDAY WORK (ODOT Coalition)

Section 1. The Agency shall assign holiday work schedules and employees shall normally be notified of such schedules at least fourteen (14) days in advance, but in no instance shall there be less than seven (7) days advance notice of such work schedules except in situations over which the Agency has no control.

Section 3. Consistent with current practice which is subject to eligibility requirements and pay rates under [Article 58, Sections 3 and 4](#) of the Agreement, when a full-time employee regularly works a 4/10 work schedule and actually works a full ten (10) hour shift on a holiday, the employee will be paid for a total of twenty-three (23) hours.

In such instances, prorated charges will be made against accrued vacation leave. No employee shall be required to utilize vacation leave while receiving time loss benefits.

Section 13. After all earned sick leave has been exhausted an employee may request in advance, in cases of illness, to use earned vacation leave. Such written approval or denial shall be provided to the employee within seven (7) calendar days following submittal of a request. This shall not require that use of vacation time be requested seven (7) days in advance. Vacation shall be scheduled, as much as possible, at the convenience of the employee consistent with the operating requirements of the Agency. In the case of conflict between two (2) or more employees in the same work area, the employee who first requested this time shall

be given preference. If the conflict again occurs between these employees, such conflicts shall be resolved on a rotating basis.

Section 2. Cancellation of Vacation.

- (a) Except Health-Related Licensing Boards. Approved vacation leave may not be canceled by the Employer except in the event of an emergency condition which creates an abnormal workload or other condition not under the control of management. In the event of an emergency, the affected employee shall be notified of the cancellation in writing. When vacation leave has been approved at least ninety (90) days in advance and is canceled, unrecoverable transportation or lodging deposits will be paid by the Agency if the employee produces proof of such unrecoverable deposits, including written evidence of a good faith effort to recover the deposits.
- (b) Applies to Health-Related Licensing Boards. Vacations that have been scheduled and approved may not be canceled by the Agency except in the event of an emergency. When unrecoverable vacation deposits are incurred by an employee, and the vacation is canceled by the Agency, the Agency shall pay the unrecoverable deposits, proof of which may be required for reimbursement. In the event of a schedule change caused by seniority or a transfer at the request of an employee, the provisions of this Section shall not apply.

ARTICLE 66.50--VACATION LEAVE

(Oregon Health Licensing Agency)

Section 1. An employee shall request the dates of his/her vacation in advance and the Agency shall grant or deny the request for vacation within a reasonable period of time. Requests will not be unreasonably denied. If two (2) or more employees request the same days off and the matter cannot be resolved by agreement of the Parties concerned, the employee having the greatest length of continuous service with the Agency shall be granted the time off, provided, however, that an employee shall not be given his/her length of service consideration more than once in every two (2) years.

Section 2. Vacations that have been scheduled and approved may not be canceled by the Agency except in the event of an emergency. When unrecoverable vacation deposits are incurred by an employee and the vacation is canceled by the Agency, the Agency shall pay the unrecoverable deposits, proof of which may be required for reimbursement. In the event of a schedule change caused by seniority or a transfer at the request of an employee, the provisions of this Section shall not apply.

ARTICLE 70--LAYOFF

Section 1. A layoff is defined as a separation from the service for involuntary reasons other than resignation, not reflecting discredit on an employee. An employee shall be given written notice of layoff at least fifteen (15) calendar days before the effective date, stating the reasons for the layoff. (See Sections 9 and 10 on statewide recall rights

and intergovernmental transfers, and see Section 11 regarding Secondary Recall Rights.)

Section 2. The layoff procedure shall occur in the following manner:

- (a) The Agency shall determine the specific positions to be vacated and employees in those positions shall be notified of layoff. The Agency shall notify in writing all affected employees of his/her seniority and his/her contractual bumping rights. The Agency shall notify the Union of the seniority of all employees in all affected positions in writing. In addition, the Agency shall provide each Union Steward in the geographic area affected by layoff with one (1) written copy of the seniority of employees in all affected positions in that geographic area. The Agency shall also post a copy of the seniority of all affected positions in the geographic area on the employee bulletin board.
- (b) Temporary employees working in the classification and geographic area in which a layoff occurs shall be terminated prior to the layoff of trial service or regular employees.
- (c) Employees shall be laid off and seniority calculated within a geographic area and within the following separate categories:
 - (1) Permanent full-time positions;
 - (2) Permanent part-time positions;
 - (3) Seasonal full- and part-time positions; or
 - (4) Academic year positions (OSD):
 - Full-time academic year positions; or
 - Part-time academic year positions.
 - (5) The Employment Department shall maintain the following layoff lists:
 - (A) Full-time employees plus seasonal employees with more than twelve (12) months continuous full-time employment immediately preceding layoff;
 - (B) Seasonal employees with less than twelve (12) months continuous full-time employment immediately preceding layoff;
 - (C) Part-time employees.An initial trial service employee cannot displace any regular status employee.
- (d) An employee notified of a pending layoff shall have one (1) opportunity to prioritize the following options and communicate such choice(s) in writing to the Agency within seven (7) calendar days from the date the employee is notified in writing. If the date the employee's response is due falls on a Saturday, Sunday or holiday, the employee will provide his/her choice to the Agency on the next business day. However, this seven (7) day notice will not be required if the employee is involved in a meeting to make such choice as long as seniority has been posted prior to this seven (7) day notice as specified in Section 2(a).
 - (1) The employee may displace the employee in the Agency with the lowest seniority in the same classification for which he/she is qualified in the same geographic area in the Agency where the layoff occurs.

(2) If no positions are accessible under option one (1), the employee may displace the employee in the Agency with the lowest seniority in the same geographic area in any classification with the same salary range in which the employee previously held regular status, including any predecessor classification; or, if this choice is not available to the employee, the employee may move into vacant positions in classifications with the same salary range that the Agency intends to fill in the same geographic area.

(3) The employee may identify and prioritize up to three (3) classifications in lower salary ranges for which he/she is qualified within the Agency and same geographic area. The employee may demote to the lowest seniority position in one of the identified classifications considered in the order listed by the employee, pursuant to this Section. Employees who elect to demote shall be placed on any geographic area layoff list of his/her choice within the Agency for the classification from which he/she demoted.

(4) The employee may elect to be laid off. An employee who elects to be laid off shall be placed on any geographic area layoff list of his/her choice within the Agency for the classification from which he/she was laid off.

The options provided by Subsections 2(d)(1), (2) and (3) above shall apply to regular status (i.e., non-limited duration) employees displacing limited duration employees only when the limited duration positions are expected to continue for at least ninety (90) days beyond the time of layoff.

For purposes of bumping under Section 2(d)(1), (2) and (3), a vacant position that management intends to fill is considered to have the least seniority.

- (e) To be qualified for the options under Section 2(d)(1), (2) and (3), the employee must meet the minimum qualifications for the position's classification and must be capable of performing the specific requirements of the position within a reasonable period of time. A reasonable period of time is defined as approximately thirty (30) calendar days. If an employee meets the minimum qualifications but is not capable of performing the specific requirements of the lowest seniority position, he/she may displace or demote to the next lowest seniority position in the classification, provided that the incumbent in the next lowest position has a lower seniority than the employee displacing or demoting.
- (f) When exercising an option under Section 2(d)(1), (2) and (3), an employee shall only be eligible to displace another employee with lower seniority.
- (g) When an employee is laid off because of being separated from state service per Section 2(d)(4) of this Article, moving expenses will be paid once by the Agency. In other words, moving expenses will be reimbursed only when that employee has in fact, left State service and is called back from the layoff list to a geographic area other than the one in which he/she

was laid off. Moving expenses will not be paid by the Agency for any other moves associated with displacement, demotion, or return from a layoff list.

- (h) Limited Duration Appointments—Workload Reasons. Eligible employees, as defined in [Article 51 Section 2](#), shall have their seniority calculated within a geographic area and may bump limited duration or permanent employees based on their seniority within the following separate categories:
- (1) full-time status;
 - (2) part-time status.
- (i) Limited Duration Appointments—Non-Workload Reasons. Eligible employees, as defined in [Article 51, Section 1](#), whose limited duration appointment that exceeds two (2) years shall have their seniority calculated within a geographic area. These employees shall be placed on the Agency recall list for the affected geographic area when the limited duration appointment ends. These employees will not be eligible to bump any employees, but shall be placed on the affected agency layoff recall list for the class they held as a limited duration employee.
- (j) An initial trial service employee cannot displace any regular status employee (see Section 5 for more on treatment of trial service employees).
- (k) Job Share Positions.
- (1) Individuals filling a job-sharing position which totals a full-time equivalent at the time of calculation of seniority shall be considered as one (1) full-time equivalent or, if either Party chooses, as part-time employees.
 - (2) If the employees in a job-share position choose to be treated as a full-time employee, seniority for the position shall be determined by averaging the two (2) individuals' Layoff Service Date.
 - (3) If either employee in a job-share position chooses to be treated as a part-time employee, seniority for each employee will use individual Layoff Service Date.
- If only one (1) person is filling a job-share position, he/she shall be considered as a full-time equivalent.
- (l) If an employee is overfilling or underfilling a position, the employee will be considered in the position classification for the purposes of this Article. If an overfill employee is displaced, demoted in lieu of layoff or is laid off, the employee shall retain his/her overfill status upon return to his/her classification.
- (m) Any employee displaced by another employee exercising options under Section 2(d)(1), (2) and (3) may also exercise any option available under Section 2(d).
- (n) Designation of Classification for Layoff.
- (1) Classification for layoff purposes is the employee's classification of record on the date the seniority list is frozen.
 - (2) Classification changes (reallocations, reclassifications) approved for implementation after the seniority list is frozen, but before the layoff effective

date, will not be implemented until the day after the layoff date at the earliest and shall not be arbitrarily delayed.

(3) Both the incumbent and bumping in employee cannot equally benefit from a successful change resulting from reallocation change, whether requested by the Agency or employee appeal (e.g., both be reallocated, both have recall rights to the higher class, etc.).

(A) Bumped-out employees should benefit from reallocation for pay purposes up to the layoff date and be eligible for recall back to the reallocated class.

(B) Bumping-in employees should receive benefit for pay purposes beginning the effective date of landing in the new class until or unless management removes the higher level duties. Recall rights should be to the employee's former classification, rather than to the newly designated class for the bumped into position.

(4) Both the incumbent and bumping-in employee cannot equally benefit from a successful Agency requested reclassification or employee initiated classification appeal.

(A) Bumped-out employees should benefit from reclassification for pay purposes up to the layoff date.

(B) Bumping-in employees should receive benefit for pay purposes beginning the effective date of landing in the new class until or unless management removes the higher level duties. Recall rights should be to the employee's former classification, rather than to the newly designated class for the bumped into position.

(5) Pay will be reconciled, as appropriate, for employees laid off or bumped-out of positions affected by a successful reallocation or reclassification.

Section 3. For purposes of this Article, the term "Agency" does not include employees represented by other unions. There will be no cross-bumping between unions. If, however, the Employer and/or the Agency permits another union to cross-bump into SEIU Local 503, OPEU positions, such rights shall be extended to SEIU Local 503, OPEU bargaining unit members also. There shall not be cross-bumping between the Management Service and the bargaining unit.

In instances where there is more than one (1) classification in the same salary range affected by a concurrent layoff, employees in the multiple classifications will have their layoff option selection notices processed by seniority (state service) within the salary range as opposed to classification. However, should two (2) or more employees continue to have equal seniority it will be decided in accordance with Section 4(d).

In instances where the first round of layoffs have been completed and a vacancy which the Agency intends to fill occurs prior to the initiation of a second round of layoffs, employees who are on an Agency geographic area layoff

list may have priority rights to such vacancy in accordance with the Filling of Vacancies Articles.

Section 4. Seniority.

(a) **Seniority Definition.** Seniority is the Layoff Service Date which is the date the employee began state service (except as a temporary appointee) as adjusted for break(s)-in-service.

(See Letter of Agreement [70.00-09-179](#) in Appendix A).

(b) **Break-In-Service.** A break-in-service is a separation or interruption of employment without pay of more than two (2) years. If an employee has a break-in-service that does not exceed two (2) years, he/she shall be given credit for the time worked prior to the break-in-service. Seniority will also be adjusted for leaves without pay in excess of one (1) year.

(c) **Seniority Frozen.** When an Agency intends to initiate a layoff, the Agency will notify the Union in writing that all seniority will be frozen from the date of notice for a period not to exceed three (3) months. However, during the period when seniority is frozen, the employee will continue to accumulate time towards seniority for purposes of future computations. The three (3) month freeze may be extended by mutual written agreement of the Union and the Agency.

(d) **Equal Seniority.** If it is found that two (2) or more employees in the Agency in which the layoff is to be made have equal seniority, then the greatest length of continuous service in the Agency shall be used. If ties between employees still exist, the order of layoff shall be determined by the Agency in such manner as to conserve for the State the services of the most qualified employee.

Section 5. Any trial service employee who is laid off or demoted in lieu of layoff shall not be placed on the Agency layoff list, but shall be restored to the eligible list from which certification was made if the eligible list is still active. Restoration of the list shall be for the remaining period of eligibility that existed at the time of appointment from the list.

Section 6. Regular and eligible limited duration employees laid off or demoted in lieu of layoff shall be placed on the reemployment list for the classification in which they were laid off.

Section 7. Regular status seasonal employees laid off prior to the end of the season shall be placed in order of seniority on the Agency layoff list for seasonal reappointment and shall be limited so as to encompass only those seasonal employees in a classification who are employed at that specific geographic location and the Agency where the reduction occurs. The eligibility for such seasonal employees shall be canceled at the end of each season.

Section 8. Any employee demoted in lieu of layoff may request at that time and shall be paid for all accrued compensatory time at the rate being earned prior to demotion in lieu of layoff.

Section 9. Agency Layoff Lists. Names of regular employees of the Agency who have separated from the

service of the State in good standing by layoff or who have demoted in lieu of layoff, or employees transferred outside State government due to intergovernmental transfers, shall be placed on layoff lists in seniority order established by the classification from which the employee was laid off or demoted in lieu of layoff and by geographic area.

Names of eligible workload limited duration employees of the Agency, who have separated from the service of the State in good standing by layoff or who have demoted in lieu of layoff, shall be placed on appropriate Agency layoff list in seniority order established by the classification from which the employee was laid off or demoted in lieu of layoff and by geographic area.

Names of eligible non-workload limited duration employees shall be placed on appropriate Agency layoff list in seniority order established by the classification from which the employee was laid off and by geographic area.

The employee shall designate in writing the geographic area layoff list(s) on which he/she wishes to be placed.

An employee currently on a layoff list prior to the effective date of this Agreement, shall be placed on the geographic layoff list from which he/she was laid off and shall be notified by the Agency of his/her right to designate additional geographic layoff list(s) in accordance with this Article.

Section 10. Recall. Employees who are on an Agency layoff list shall be recalled by geographic area in seniority order beginning with the employee with the greatest seniority.

- (a) **Same Geographic Area Recall/Recall to a Permanent Position.** If an employee (permanent or limited duration) is certified from a layoff list and is offered a permanent position in the geographic area from which he/she demoted or was laid off, he/she shall have one (1) right of refusal. Upon a second refusal, however, the employee's name will be removed from the layoff list in that geographic area.
- (b) **Different Geographic Area Recall/Recall to a Permanent Position.** If an employee (permanent or limited duration) is certified from a layoff list and is offered a permanent position in a different geographic area from which he/she demoted or was laid off, he/she shall have one (1) right of refusal. Upon a second refusal, which must be more than fifteen (15) days after the first refusal, the employee's name will be removed from the layoff list for that geographic area. An employee who has other refusals during this fifteen (15) day period shall not have his/her name removed from the list.
- (c) An employee appointed to a permanent or seasonal position from a layoff list shall be removed from all other layoff lists for that classification.
- (d) When an employee is laid off because of being separated from state service per Section 2(d)(4) of this Article, moving expenses will be paid once by the Agency, except for recall of employees transferred outside State government due to intergovernmental transfer. In other words, moving expenses will be

reimbursed only when that employee has in fact, left State service and is called back from the layoff list to a geographic area other than the one in which he/she was laid off. Moving expenses will not be paid by the Agency for any other moves associated with displacement, demotion, or return from a layoff list.

- (e) If a temporary appointment is necessary in any geographic area and is expected to last longer than forty-five (45) days and there is a layoff list for that classification in the geographic area, employees on the layoff list shall first be offered the temporary appointment prior to hiring any other temporary. Refusal of a temporary job does not constitute a right of refusal under this Section. This shall only apply to employees separated from State service. Such employees shall be appointed as a temporary employee and will not be eligible for any benefits covered under this Agreement.
- (f) If a limited duration appointment is necessary in any geographic area and is expected to last longer than ninety (90) days, and there is a layoff list for that classification in the geographic area, employees on the layoff list shall first be offered the limited duration appointment prior to hiring any other limited duration employee. Refusal of a limited duration appointment does not constitute a right of refusal under this Section.

Section 11. Secondary Recall Rights.

- (a) Application: These rights apply to all employees and Agencies represented by the Union except employees who are laid off during initial trial service.
- (b) Definitions:
 - (1) Geographic areas are the groupings of work locations in event of layoff and the scope of recall rights after a layoff as defined in the Agency-specific provisions of [Articles 70.1, 70.2, 70.3, and 70.5](#).
 - (2) Agency Layoff Lists are intra-Agency layoff lists, as defined in [Article 45, Section 2\(a\)](#), and as further defined by geographic areas for layoff for each Agency in [Articles 70.1, 70.2, 70.3, and 70.5](#).
 - (3) Secondary Recall List is an inter-Agency layoff list, which consists of regular status employees who have been separated by layoff from Union-represented positions in Union-represented Agencies and who have elected to be placed on such list, consistent with the definitions of geographic areas for layoff for each Agency in [Articles 70.1, 70.2, 70.3, and 70.5](#).
- (c) Coordination with [Articles 45](#) and [70](#): The recall options provided herein shall be consistent with the priority of recall to positions from layoff within an Agency, as specified in this Article and [Article 45](#), except that recall from Agency Layoff Lists shall take precedence over recall from the Secondary Recall List.
- (d) Procedures:
 - (1) Placement on the Secondary Recall List.
 - (A) Regular status employees and eligible workload limited duration employees, who are separated from the service of the State in good standing by layoff or transferred outside State

government due to intergovernmental transfer shall, in addition to their right to be placed on Agency Layoff Lists, be given the option of electing placement on the Secondary Recall List by geographic area for other SEIU Local 503, OPEU-represented Agencies which utilize the same classification from which they were laid off. The term of eligibility of candidates placed on the list shall be two (2) years from the date of placement on the list or the termination of this Agreement whichever occurs first.

(B) Employees who elect to be placed on the Secondary Recall List shall specify in writing the Agencies and geographic areas of their choice.

(2) Use of the Secondary Recall List.

(A) Notwithstanding any other provision regarding the use of the Secondary Recall List, designated individuals on the secondary list may be given first preference for appointments to positions in order to ensure adequate numbers of protected class employees, based on the goals of the Affirmative Action Plan developed by the Agency effecting the recall, consistent with applicable law.

(B) After the exhaustion of any Agency Layoff List for a specific classification within a geographic area, the Secondary Recall List shall be used to fill all positions within a specific classification and geographic area consistent with Section (c) above, until such secondary list is exhausted.

(C) To be eligible for appointment from the Secondary Recall List, a laid off employee on such list must meet the minimum qualifications for the classification and any special qualifications for the position.

(D) Prior to initiating other methods to fill a vacancy, except an agency layoff list, agencies shall utilize the Secondary Recall List to fill positions. The Agency will call for certifications from the list of the five (5) most senior employees who meet the minimum qualifications for the classification and any special qualifications for the position to be filled. The Agency will select one of the five (5) employees from the list. Seniority for this purpose shall be computed as described in Section 4 of this Article.

(E) Where fewer than five (5) eligible employees remain on the Secondary Recall List, the Agency shall select one (1) of these employees who meets the minimum qualifications for the class and any special qualifications for the position.

(3) Appointments/Refusals of Appointments from the Secondary Recall List.

(A) Recall to a Permanent Position. A laid off regular status or eligible workload limited duration employee on the Secondary Recall List who is offered a permanent appointment from the list and refuses to accept the appointment shall have his/her name removed from the Secondary Recall List.

(B) Employees appointed to positions from the Secondary Recall List shall have their names

removed from all other Agency Layoff Lists and the Secondary Recall List.

(C) Employees appointed to positions from the Secondary Recall List shall serve a trial service period not to exceed three (3) full months. Administration of the trial service period shall be consistent with Sections 2, 4, and 5 of [Article 49](#). However, employees who fail to successfully complete this trial service period shall have their names restored only to the Agency Layoff Lists on which they previously had standing. Restoration to the Agency Layoff List shall be for the remaining period of eligibility that existed at the time of appointment from the Secondary Recall List.

(D) Employees appointed to positions from the Secondary Recall List shall not be entitled to moving expenses.

Section 12. Geographic Area. See Articles 70.1-70.5.

Section 13. When the Employer declares that a lack of funds will necessitate a layoff, the Parties will meet, if requested by either the Employer or the Union, to consider such alternatives to layoffs as: voluntary reductions in hours; voluntary paid leaves of absence; other voluntary programs and/or temporary interruptions of employment. Such alternatives shall be subject to mutual agreement by the Union and the Employer. In the absence of such mutual agreement, the Employer may implement layoff procedures consistent with this Agreement. The Parties agree that any and all discussions that take place under this Section shall not be subject to Article 5--Complete Agreement of this Agreement, or constitute interim negotiations under PECBA. In addition, the Parties will not be required to use the dispute resolution processes contained in PECBA.

Section 14. Prior to transferring a program to an Oregon non-profit corporation that is not a PERS participant, a regular status employee shall be afforded layoff and bumping rights.

(See Letter of Agreement [70-00-09-179](#) in Appendix A.)

Section 2.

a) For layoff purposes, all classifications within the UI Centers Section, identified by Report Distribution Code (RDC) 200, 201, 300 and 700 shall be considered a single geographic area.

b) The Department will not have to calculate and post Layoff Service Dates for employees in classifications affected by layoff, as long as a vacancy exists (which management intends to fill) in the affected classification, within the designated area of layoff. This is predicated on a vacant position, which the Department intends to fill, always being considered as the "least senior" position in any classification.

Section 3. The geographic area for Economists, Administrative Law Judges, and Auditors shall be their cost centers.

ARTICLE 70.1M--GEOGRAPHIC AREA FOR LAYOFF

Employees selecting option (5) will not be placed on any geographic area layoff list for the classification from which he/she is being laid off.

The Parties agree that the Department will not have to calculate and post Layoff Service Dates for employees in classifications affected by layoff as long as a vacancy exists (which management intends to fill) in the affected classification within the designated layoff area. This is predicated on a vacant position, which the Department intends to fill, always being considered as the "least senior" position in any classification. In instances where a vacancy does not exist within the affected employee's designated area of layoff, the Departments agree to calculate and post Layoff Service Dates, in accordance with Article 70, Section

2(a) provisions.

All conditions contained in Article 70 continue to apply. *See related Letters of Agreement 70.1M-01-67, 70.1M-03-83 in Appendix A. For all employees except seasonals, if there are no employees in that place with less seniority than the employee being laid off, then the geographic area is:

- (a) For Mechanics stationed at locations other than the Salem, Bend, and LaGrande shop locations, the geographic area shall be the closest of these three (3) locations.

ARTICLE 71--SEASONAL AND INTERMITTENT EMPLOYEES

Section 1. Positions which occur, terminate, and recur periodically and regularly, regardless of the duration thereof, shall be designated as seasonal positions.

Section 2. Seasonal employees will complete trial service after having served a combination of seasonal periods totaling six (6) full calendar months (a minimum of 1,040 hours).

Section 3. A regular status seasonal employee shall be eligible for a salary increase upon returning to the same Agency in the same classification the next annual season regardless of the length of the period of time that has lapsed since the previous six (6) month or annual increase granted. "Annual season" means a period of twelve (12) months, regardless of the number of seasons occurring during that period.

Section 4. A seasonal employee shall be given notice at the time of hire of the length of the season and the anticipated end of the season. A seasonal employee shall be given at least ten (10) calendar days advance notice of the end of the season, except when conditions are beyond the control of the Agency. In advance of the season or as soon as the seasonal employee becomes aware of the need to end his/her season early, the seasonal employee may submit a request to his/her supervisor. Subject to the agency operating requirements, the supervisor may approve the employee's request without jeopardizing his/her recall rights the following season. (See also [Article 70, Section 7.](#))

Section 5. Regular status seasonal employees terminated at the end of the season shall be placed on the reemployment roster in order of seniority and shall be recalled by geographic area the following season in order of seniority to the extent that work is available to be performed. Such recall rights shall not apply to regular status seasonal employees who work full-time in another state Agency.

Section 6. Seasonal employees shall accrue all rights and benefits accrued by full-time employees during their employment season, except as otherwise modified by this Agreement.

Section 7. Employees in seasonal positions who have reached regular status and who are not participating members of the Public Employees Retirement System shall receive a special differential in lieu of the state "pickup" of employee contributions to the Retirement System. Such special differential shall not increase pay rates in the Compensation Plan or be applicable to other seasonal, temporary, trial service, or regular positions or employees. Such special differential shall terminate immediately prior to the first full pay period after the employee becomes a participating member of the Retirement System and

becomes eligible for State "pickup" of employee contribution to the System, pursuant to [Article 27.](#)

An employee shall receive a premium of six percent (6%) in addition to their regular rate of pay. This premium shall be discontinued in the event that the PERS "six percent (6%) pickup" is discontinued, pursuant to [Article 27](#) of the Agreement.

Section 8. Intermittent Appointments.

- (a) Only the following seasonal, part-time, or unfunded positions may be designated as intermittent positions in that work assigned to these positions is available on an irregularly fluctuating basis because of conditions beyond the control of the Appointing Authority: Employment Department, DHS Children, Adult, and Family-related services and programs, OYA Administration and Field Services (on-call and unfunded positions), [Oregon](#) Department of Forestry (co-op positions, Forest Lookouts, and Schroeder Seed Orchard), Department of Education (relief workers at the School for the Deaf).
- (b) A person appointed to an intermittent position during the term of this Agreement shall be informed in writing at the time of appointment that the position has been designated as an intermittent position and that the employee may expect to work only when work is available. A person who is appointed to an intermittent position may be scheduled for work at the discretion of the supervisor when the workload for the position so justifies without any penalty pay provision for short notice.
- (c) The unscheduling of an employee appointed to an intermittent position shall not be considered a layoff. Whenever possible, an intermittent employee shall be given ten (10) calendar days notice of scheduling and unscheduling of work. When such notice cannot be given, such employees may be unscheduled without advance notice. The Agency shall not use unscheduling of work as a method of unofficially disciplining or discharging intermittent employees.
- (d) Intermittent employees will be scheduled and unscheduled for work in seniority order by work unit.
- (e) Except as specifically modified above, intermittent employees shall have all the rights and privileges of seasonal employees.

ARTICLE 71.1C--SEASONAL POSITIONS

(Employment Department)

Section 1. Workload for the Employment Department is directly related to the economy of the State; therefore, workload peaks occur that are beyond the control of the Agency. Positions that are to respond to workload peaks, are designated as seasonal positions. This Agreement is subject to Legislatively approved position authority.

Section 2. Seasonal employees will complete trial service after having served 1,040 hours.

Section 3. A person appointed to a seasonal position during the term of this Agreement shall be informed in writing at the time of appointment that the position has been

designated as a seasonal position and that the employee may expect to work only when work is available. A person who is appointed to a seasonal position may be scheduled for work at the discretion of the supervisor when the workload for the position so justifies without any penalty pay provision for short notice.

Section 4. The unscheduling of an employee appointed to a seasonal position shall not be considered a layoff. Whenever possible, a seasonal employee shall be given ten (10) calendar days notice of scheduling and unscheduling of work. When such notice cannot be given, such employees may be scheduled without advance notice. The Agency shall not use unscheduling of work as a method of unofficially disciplining or discharging seasonal employees.

Section 5. Seasonal employees will be scheduled and unscheduled for work in seniority order by work unit.

Section 6. Seasonal full-time employees shall accrue all rights and benefits accrued by full-time permanent employees during their employment season. Seasonal part-time employees shall accrue all rights and benefits accrued by permanent part-time employees during their employment season, except as otherwise modified by this Agreement.

Section 7. Employment status conveyed to outside interests (such as lending institutions) by management will reflect duration of employment rather than status of employment.

ARTICLE 71.3B--SEASONAL EMPLOYEES (OPRD)

The Agency shall end seasonal appointments in reverse seniority order within each work location by classification. However, when the operating needs of the Agency require specific knowledge, skills and abilities, as outlined in the position description, the Agency shall retain the most senior employee that possesses the required knowledge, skills and abilities for that position.

ARTICLE 71.3E--SEASONAL EMPLOYEES (ODFW)

Section 1. The term in [Article 71, Section 5](#) "shall be recalled by geographic area the following season" shall cover a two (2) year period from the end date of the employee's most recent seasonal appointment. Seasonal employees who refuse their recall opportunity once shall forfeit all future recall rights to that seasonal position.

Section 2. At the end of each season, a seasonal employee employed during that season shall, upon written request to his/her supervisor, be provided a copy of the reemployment recall roster for his/her geographic area. The supervisor will provide the information no later than fifteen (15) calendar days after the request.

ARTICLE 71.5N--SEASONAL EMPLOYEES (Revenue)

Section 1. Intent. The purpose of this Article is to clarify what seasonal employees may expect when called to work by Revenue. Nothing in this Article guarantees an eight (8) hour workday. However, the Agency agrees to make the following efforts to match available work with the number of employees called in.

Section 2. Procedure.

- (a) At the beginning of the season, employees will be called back to work in seniority order. When offering a position, the Employer will inform the employee of the number of hours each area/unit worked the previous year. Employees will have the right to turn down a position or start date once.
- (b) Once seasonal employees are called in, if it becomes necessary to release employees due to lack of work, the Agency will offer suitable work where available, in other areas/units, on the basis of seniority. Seasonal employees will be unscheduled prior to releasing or reducing the hours of permanent part-time employees.
- (c) When it becomes necessary to release some seasonal employees due to lack of work, but not all seasonal employees, the Agency will first ask for volunteers. If there are not enough volunteers, the employees will be released in reverse seniority order. In instances where there may be excess volunteers, unscheduling will occur based on seniority within the area/unit. In cases where employees are notified not to report to work prior to their normal reporting time, the Agency will not be required to ask for volunteers. Instead, employees will be unscheduled in reverse seniority order.
- (d) In instances where a seasonal employee has insufficient vacation or compensatory time to cover the period the employee is released, the Agency agrees to continue the employee's eligibility for purposes of insurance. Employees must exhaust available vacation and compensatory time to be eligible for this benefit. This provision will not apply in an instance where an employee is offered suitable work and turns it down. This provision applies only to those seasonal employees who would have, but for being unscheduled, reached the eighty (80) hour threshold.

ARTICLE 73.5A--ACADEMIC YEAR (OSD only)

Section 1. The Agency may designate positions as academic year, when the employment term of such positions conforms generally to the school or academic year. Such designation shall not preclude the extension of employment, either full- or part-time, into the period between two (2) school or academic years.

Section 2. Employees in positions designated as academic year may utilize accrued leave in accordance with the provisions set forth in this Agreement.

Section 3. Summer employment, when available, will be offered to qualified employees in academic year positions according to layoff service date. Summer employment will be offered to such qualified employees as soon as it is determined by management to go forward with the summer work assignment in question. Employees working during the period between two (2) school or academic years will be paid according to the classification of the work being performed. If the employee's current salary rate is within the salary range of the classification of work being performed, the employee's salary rate will not change. If the employee's current salary rate is below the salary range

of the classification of work being performed, the employee will be paid at Step 1 of the salary range of the classification of work being performed. If the employee's current salary rate is above the salary range of the classification of work being performed, the employee will be paid at the top step of the salary range of the classification of work being performed.

Section 4. The State agrees to pay PEBB medical/dental insurance Employer contributions during the summer months for all employees in full-time academic year positions who are eligible for PEBB insurance coverage.

For eligible employees in part-time academic year positions, the Employer contributions for June, July, and August will be prorated based on May hours worked. For eligible employees in part-time academic year positions, additional employee contributions, if required, for June, July, and August will be prorated based on May hours worked and will be deducted from May paychecks. An employee may choose, however, not to have summer PEBB coverage by submitting written notice to this effect, to the payroll office prior to May 20 for that academic year.

ARTICLE 74--TEMPORARY INTERRUPTION OF EMPLOYMENT--LACK OF WORK

Section 1. Any temporary interruption of employment because of lack of work or unexpected or unusual reasons which does not exceed fifteen (15) days, shall not be considered a layoff if, at termination of such conditions, employees are to be returned to employment. Such interruptions of employment shall be by work unit and recorded and reported as leave without pay. Under no circumstances shall this Article be used to remedy shortage of funds.

Section 2. An employee who is affected by a temporary interruption of employment shall be allowed to use any form of paid leave including vacation, compensatory time off, or personal leave provided the leave has been accrued. Such employee shall continue to accrue all benefits during this period. This Section shall only apply to FLSA-exempt employees where the interruption is for one (1) or more full workweek(s).

Section 3. For periods longer than fifteen (15) days, the Appointing Authority shall follow the procedures described in [Article 70--Layoff](#). In instances where temporary interruption of employment is an established practice that the Agency used in connection with cyclical or scheduled shortage of work for more than fifteen (15) days, such practice may continue. Provided, however, that when such periods are for longer than fifteen (15) days, the Appointing Authority shall use seniority of employees by classification in the affected work unit in determining employees to be placed on leave without pay. The Appointing Authority will determine the work unit in each instance. If all such employees available for work cannot be returned to their positions, seniority shall be used to determine the order of recall.

ARTICLE 80--CHANGE IN CLASSIFICATION

SPECIFICATIONS

Section 1. The Employer shall notify the Union of intended classification studies.

Section 2. The Union may recommend classification studies be conducted by the Labor Relations Unit, indicating the reasons for the need of such studies. The Labor Relations Unit shall reply, setting a preliminary date for completion of the study or explaining the reasons for a decision not to conduct such a study within ninety (90) days of receipt of the request.

Section 3.

- (a) Whenever a change in classification specifications or a new classification is proposed, it is agreed that the Labor Relations Unit shall submit the classification specification changes to the Union to provide it an opportunity to review and comment on the specifications. If the changes of the specifications substantially revise the specifications, the Parties shall negotiate the salary range for the newly revised specification.
- (b) When the Union requests a classification study, negotiations for salary ranges for new classifications shall commence no later than ninety (90) days following the Employer's written notification to the Union of the finalization of the class specification.
- (c) Proposals for the salary rate and effective date for changes in classification specifications may be submitted throughout the term of this Agreement. If the Parties are able to reach agreement, the new classification will be implemented. Any classes on which salary is not agreed can be submitted with overall proposals for a successor Agreement.

(See Letter of Agreement [80.00-09-181](#) in Appendix A.)

ARTICLE 81--RECLASSIFICATION UPWARD, RECLASSIFICATION DOWNWARD, AND REALLOCATION

Section 1. Reclassification must be based on findings that the purpose of the job is consistent with the concept of the proposed classification and that the class specification for the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities of the position. As used herein:

- (a) The purpose of the job shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency;
- (b) The concept of the proposed classification shall be determined by the general description and distinguishing features of its class specification; and
- (c) The overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency.

Section 2. Reclassification Up.

- (a) Reclassification upward is a change in classification of a position by raising it to a higher classification. Employees may seek reclassification to any non-

supervisory or non-managerial classification in the Executive Branch (DAS) of government whether or not the classification is included in Appendix B of this Agreement provided that:

(1) the classification exists in the unrepresented compensation plan or in multiple bargaining units' compensation plans, and

(2) the classification is not specific to another Agency.

In the event that the proposed new classification is not in the bargaining unit, the classification shall be added to the SEIU Local 503, OPEU compensation plan at the Employer-proposed salary range. However, if the Employer-proposed range is lower than the classification salary range in another DAS compensation plan, the Parties will negotiate the salary range.

- (b) Employees may request reclassification by submitting a written explanation of the request, a Human Resource Services Division Position Description Form signed by the supervisor and employee, and all other relevant evidence for the proposed reclassification to the Agency Appointing Authority. Within sixty (60) days, unless otherwise mutually agreed in writing, the Agency shall review the merits of the request based on the final position description signed by the Appointing Authority. The Union shall be entitled during the sixty (60) day review period and prior to issuance of the Agency decision to meet with the Agency or to present further written arguments in support of the request. The Agency will notify the employee of its decision and provide a copy of the final position description signed by the Appointing Authority. Should the duties of the position support the proposed reclassification, the Agency shall make a determination whether to seek legislative approval for reclassification or remove selected duties within one-hundred twenty (120) days, however, this time period may be extended upon mutual agreement of the Parties.
- (c) If approved by the Legislative Review Agency or the Department of Administrative Services, the effective date shall be the first of the month following the month in which the reclassification request was received by the Agency. The employee will receive a lump sum payment for the difference between the current salary rate, including work out-of-class pay if any and the proposed salary rate, for the time period beginning the first of the month following the month in which the reclassification request was received by the Agency to the effective date.
- (d) Rate of pay upon upward reclassification shall be given no less than the first step of the new salary range. If the old salary range rate of pay is equal to or higher than the first step of the new salary range, the employee shall receive a salary increase no less than an increase to the next higher step in the new salary range. At the discretion of management, the salary eligibility date may, in either case, remain the same or

be established twelve (12) months thereafter.

If the reclassification upward is approved, the Agency may cease paying work out-of-classification pay or adjust the effective date of the reclassification to avoid overpayment of any work out-of-classification pay received by the employee.

- (e) If a reclassification request does not receive legislative approval or the Agency removes selected duties to be consistent with its current classification, the employee will receive a lump sum payment for the difference between the current salary rate, including work out-of-class pay if any and the proposed salary rate, for the time period beginning the first of the month following the month in which the reclassification request was received by the Agency to the date the duties were removed.

Section 3. Reclassification Down.

- (a) Reclassification downward is a change in the classification of a position by reducing it to a lower classification.
- (b) The Agency shall, sixty (60) calendar days in advance of a reclassification downward of any position, notify the employee in writing of the action, including the specific reasons, and the HRSD Position Description used for the action, which shall be signed by the Appointing Authority.
- (c) If an employee is reclassified downward and his/her rate of pay is above the maximum of the new classification, his/her rate of pay will remain the same until a rate in the salary range of the new classification exceeds it, at which time the employee's salary shall be adjusted to that step.

If the employee's rate of pay is the same as a salary step in the new classification, the employee's salary shall be maintained at the same rate in the lower range.

If the employee's rate of pay is within the new salary range but not at a corresponding salary step, the employee's salary shall be maintained at the current rate until the next eligibility date. At the employee's next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range plus that amount that his/her current salary rate is below the next higher rate in the salary range. This increase shall not exceed the highest step in the new salary range.

- (d) Employees who are reclassified downward for non-disciplinary reasons shall be given the same recall rights as employees demoted in lieu of layoff pursuant to [Article 70](#) of this Agreement for reemployment to the classification from which they were reclassified downward.

Section 4. Reclassification Equal or Lateral.

- (a) Reclassification equal or lateral is a change in an employee's job classification from one classification to another with the same salary range base number.

- (b) Rate of pay upon equal or lateral reclassification shall be given no less than the first step of the new salary range.
- (c) If the employee's rate of pay is the same as a salary step in the new classification, the employee's salary shall be maintained at that rate in the new classification until the next salary eligibility date.
- (d) If the employee's rate of pay is within the new salary range but not at a corresponding salary step, the employee's salary shall be maintained at the current rate until the next eligibility date. At the employee's next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range pay scale plus that amount the current salary rate is below the next higher rate in the salary range pay scale. This increase shall not exceed the highest rate in the new salary range.
- (e) If an employee's previous salary is above the maximum of the new classification, his/her rate of pay will remain the same until a rate in the salary range of the new classification exceeds it, at which time the employee's salary range shall be adjusted to that step.

Section 5. Reclassification Appeals.

- (a) Filing.

Reclass Upward. A decision of the Agency to deny a reclassification request may be appealed in writing by the Union to DAS Labor Relations for further review within thirty (30) calendar days after receipt by the Union of the Agency's decision. Such appeal shall include copies of the documents originally provided to the Agency Appointing Authority, including, the written explanation, the position description signed by the Appointing Authority, and all other relevant evidence for the proposed reclassification. No new evidence or information will be considered by the Committee.

Reclass Down. Within thirty (30) calendar days from the date the employee receives notice that the Agency will reclassify his/her position downward, he/she may grieve this action by filing a grievance at the Agency Head level in the grievance procedure, providing a written explanation of the request and all relevant evidence demonstrating why the reclass is in conflict with [Article 81, Section 1](#). The Agency Head shall respond in writing in accordance with the appropriate time limits contained in the Agency grievance procedure. A decision of the Agency to deny a grievance under this Article may be appealed in writing by the Union to DAS Labor Relations for further review within thirty (30) calendar days after receipt by the Union of the Agency's decision. Such appeal shall include copies of the documents originally provided to the Agency, including the written explanation of the request and all relevant evidence. No new evidence or information will be considered by the Committee.

- (b) Once appealed to DAS Labor Relations, the matter shall be considered by the Employer designee (or the alternate) and the Union designee (or the alternate) who shall form the Committee charged with the

responsibility to consider appeals pursuant to this Article and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Each designee (and each alternate) shall have experience making classification decisions.

Should the Union designee or the Union alternate be a bargaining unit member, to participate in the process, that employee shall be granted reasonable paid release time during their scheduled workday or a mutually-agreed alternate work schedule. Further, where the Union designee or the Union alternate is a bargaining unit member and the Employer believes the time required by the process presents a hardship for the employing Agency, the Employer may require the Union to designate a qualified replacement for the Committee. Either Party may discontinue this part of the appeals process upon two (2) weeks notice to the other.

The designees will attempt to resolve the matter by jointly determining whether the current or proposed class more accurately depicts the overall assigned duties, authorities, and responsibilities of the position using the criteria specified in [Article 81, Section 1](#). In this process each of the designees may identify one (1) alternate class that he/she determines most accurately depicts the purpose of the job and overall assigned duties. If an alternate class is identified, both the Union and DAS Labor Relations shall be notified. If the Parties concur on the alternate class, that shall end the appeal. The Committee will send a written initial decision to the Agency and Union within sixty (60) days from receipt, which will include the reasons for its decision. The Agency or the Union may ask the Committee to reconsider its decision by sending a written reconsideration request which must be based on incorrect or incomplete information in the initial decision. Additional or new evidence/information will not be considered by the Committee. The reconsideration request must be received by DAS Labor Relations within fifteen (15) calendar days from the date of receipt of the decision. If there is no timely request for reconsideration, the Committee's decision will be final and binding. A copy of the reconsideration request will be provided to the other party, who will have the opportunity to provide a written rebuttal to the reconsideration request, which must be received by DAS Labor Relations within fifteen (15) calendar days from date of receipt. The Committee will reconsider its initial decision and issue a final decision within forty-five (45) calendar days from the date of receipt by DAS Labor Relations of the reconsideration request. In the event the Committee concludes that the proposed or alternate class is more appropriate, management retains the right to modify the work assignment on a timely basis to make it consistent with the Agency's allocation.

- (c) The Committee may extend, up to thirty (30) days, the

time to issue its decision to the Union through notification to the Parties. The Committee may request an additional extension of time to issue its decision to the Union, which, if agreed to, must be stipulated in writing with copy to DAS Labor Relations and shall become part of the grievance record.

- (d) If these efforts do not result in resolution of the matter within sixty (60) days of the appeal to DAS Labor Relations, or from the extension, then the Union may request final and binding arbitration under this clause of the Agreement by a written notice to DAS Labor Relations within the next forty-five (45) calendar day period. Except as specified in this Section, arbitration shall proceed as indicated in [Article 21--Grievance and Arbitration](#).

Each Party may go forward with only one (1) class. Each Party may choose to take to arbitration either the current class, class appealed to, or an alternate class identified by a committee member.

The Parties will agree upon a permanent appointment of one (1) arbitrator to hear grievances arising from this Article. This arbitrator shall have special qualifications to hear these matters; however, each side retains the right to initiate a change in that assignment upon notice to the other side. The change in the assigned arbitrator shall be effective for any case not yet scheduled for arbitration.

The arbitrator shall allow the decision of the Agency to stand unless he/she concludes that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities using the criteria specified in Section 1.

In the event the arbitrator finds in favor of the proposed or alternate classification, management retains the right to, on a timely basis, adjust duties consistent with its current classification.

Section 6. An incumbent employee who appealed his/her classification allocation to a final decision through the classification appeals boards as part of the new class system implementation which was effective April 1, 1990, or who has appealed a reclass decision to final decision through the Committee or through an arbitration since that date, shall not be eligible to either submit a new reclassification review request or to be reclassified downward by management, unless a change of assigned duties has occurred since that decision or a revised classification has been adopted.

Section 7. An employee's classification status change from a Management Service classification to a represented classification may correctly occur through reclassification where it is found that there has been a significant change of position duties, authority, and responsibilities, and as a consequence, the class specification for the proposed classification more accurately depicts the assigned duties, authority, responsibility, and distinguishing characteristics of the position.

Section 8. Reallocation Appeal Process for New Classes. Employees in positions allocated to a new

classification, who dispute their placement in a new classification can appeal their placement using the following process:

- (a) An appeal may be filed by an individual employee or a Steward or a Union Organizer on behalf of the employee, to the Agency Human Resource Office within thirty (30) calendar days of written notification by the Agency of placement into the new classification. Employees sharing the same or substantially similar position descriptions or employees the Agency agrees to treat as a group may file an appeal as a group. The initial filing should describe the individual or group, including the names of affected members, identify the proposed new classification placement, and the new classification placement believed to be correct by the affected employees. The appeal must include the signed position descriptions used for allocation. In the event that the old classifications are to be abolished, correct placement cannot be back to the prior classification. Using the criteria in Section 1, the Agency shall conduct a review of the allocation. This decision shall be made within thirty (30) calendar days of receipt of the appeal and provided to the affected employees in writing and with a summary of the classification analysis.
- (b) If denied, the Union may appeal the Agency's decision in writing to DAS Labor Relations within thirty (30) calendar days of receipt of the written denial. The appeals will be considered by designees of the Parties using the process set forth in Section 5(b), with the addition of two (2) resource persons, one (1) designated by each Party, to provide technical expertise within the specific series. Appeals shall be decided in order of receipt by DAS Labor Relations. Decisions shall be rendered by the designees no later than sixty (60) calendar days after receipt of the appeal by the Committee.
- (c) The Committee may extend, up to thirty (30) days, the time to issue its decision to the Union through notification to the Parties. The Committee may request an additional extension of time to issue its decision to the Union, which, if agreed to, must be stipulated in writing with copy to DAS Labor Relations and shall become part of the grievance record.
- (d) The decisions of the designees shall be binding on the Parties. However, Agencies may elect to remove duties consistent with this Article or at any point during the process.
- (e) If the appeals Committee cannot make a decision, the matter may be appealed to arbitration per Section 4(c) of this Article.
- (f) The effective date for pay changes shall be the same as that negotiated for implementation of the new classification.
- (g) Appeals of all filled positions will occur first. Where a position is vacated during the appeals process, the Union may continue the appeal provided no changes in duties are anticipated.

ARTICLE 85--POSITION DESCRIPTIONS AND PERFORMANCE EVALUATIONS

Section 1. Position Descriptions. Individual position descriptions shall be reduced to writing and delineate the duties currently assigned to an employee's position. A dated copy of the position description shall be given to the employee upon assuming the position and when the position description is amended. The individual position description shall be subject to at least an annual review with the employee. Nothing contained herein shall compromise the right or the responsibility of the Agency to assign work consistent with the classification specification.

Section 2. Performance Evaluations. Employees who have not had an evaluation within the previous twelve (12) month period, may request, and shall be granted a written performance evaluation. Such evaluation shall be completed within sixty (60) days of such request. The evaluation period under review shall be the twelve (12) months immediately prior to the evaluation. No additional performance evaluation will be required for that same calendar year, regardless of the employee's performance evaluation date in that calendar year. The rater shall discuss the performance evaluation with the employee.

The employee shall have the opportunity to provide his/her comments to be attached to the performance evaluation. The employee shall sign the evaluation and that signature shall only indicate that the employee has read the evaluation. A copy shall be provided the employee at this time. If there are any changes or recommendations to be made in the evaluation after the rater has discussed it with the employee, the evaluation shall be returned to the rater for discussion with the employee before these changes are made. The employee shall have the opportunity to comment on these changes. The employee shall sign the new evaluation and that signature shall only indicate that the employee has read the evaluation. A copy shall be provided the employee at this time.

All written comments provided by the employee within sixty (60) days of the evaluation shall be attached to the performance evaluation. Performance evaluations are not grievable nor arbitrable under this Agreement nor shall they be used for purposes of disciplinary action, layoff, and annual eligibility date performance pay increases.

If an employee receives less than a satisfactory evaluation, the Employer agrees to meet with the employee within thirty (30) days of the evaluation to review, in detail, the alleged deficiencies.

Section 3. Seasonal Employees. Seasonal employees still on trial service should refer to [Article 71, Sections 2 and 3](#) regarding salary increases.

Section 4. Denial of Performance Increase. The Agency shall give notification in writing of withholding of performance increases to all employees at least fifteen (15) days prior to the employee's eligibility date. When the performance increase is to be withheld, the reasons therefore shall be given in writing and will be subject to "just cause" standards. Any grievances for denial of annual

performance pay increases will be processed under Article 20. If an annual increase is not granted on the eligibility date, the employee's eligibility date is retained no longer than eleven (11) months beyond the eligibility date. If the increase is subsequently granted within eleven (11) months, it shall be effective on the first of the following month and shall not be retroactive.

(For administration of performance increases, see [Article 29.](#))

ARTICLE 86--WORKLOAD PRIORITIZATION

Any employee may request assistance from his/her immediate supervisor in establishing or adjusting priorities in order to carry out his/her work assignment. The supervisor will take into account variables that impact the difficulty of assignments to the employee. The employee may request to have the response provided orally or in writing and the immediate supervisor will respond accordingly in a timely manner, unless such request is deemed to be inappropriate or excessive.

ARTICLE 90--WORK SCHEDULES

Section 1. A work schedule is defined as the time of day and the days of the week the employee is assigned to work. A regular work schedule is a work schedule with the same starting and stopping time on five/eight (5/8) hour days. A flexible work schedule is a work schedule which varies the number of hours worked on a daily basis, but not necessarily each day, or a work schedule in which starting and stopping times vary on a daily basis, but not necessarily each day, but which does not exceed forty (40) hours in a workweek and is agreed upon in advance by the employee and the supervisor. An alternate work schedule is anything other than a regular work schedule or a flexible work schedule.

Provided, however, nothing in this Section is intended to prohibit management from changing an employee's flexible work schedule without an employee's consent where such a change is needed in the regular course of business and where the employee has been initially hired by management, or initially placed on a flexible work schedule, with the express understanding that the person hired or the employee so placed on a flexible work schedule is expected to work a flexible work schedule as a condition of his/her employment.

Section 2. An employee may request in writing to work any work schedule as defined in Section 1, or any alternate work schedule. No employee requests will be arbitrarily denied or rescinded.

Section 3. Except as may be specifically stated in Articles 90.1-90.5 or Section 2, the workweek is defined as the fixed and regularly recurring period of one-hundred sixty-eight (168) hours during seven (7) consecutive twenty-four (24) hour periods and the workday is the twenty-four (24) hour period commencing at the start of the employee's assigned shift and shall remain fixed at that period for the whole of the workweek, except for flexible work schedules.

ARTICLE 90T--WORK SCHEDULES

(Temporary Employees)

Section 1. A work schedule is defined as the time of day and the days of the week the employee is assigned to work. Management retains the right to modify work schedules.

Section 2. A workweek is defined as the fixed and regularly recurring period of one-hundred-sixty-eight (168) hours during seven (7) consecutive twenty-four (24) hour periods. The employee will be notified in writing when the workweek begins and ends.

Section 3. For work schedules of six (6) hours or more there shall be an established unpaid meal period of no less than thirty (30) minutes midway in each workday. Employees who are not relieved from their work assignment and are required to remain in their work areas shall have such time counted as hours worked.

Section 4. A paid rest period of fifteen (15) minutes in duration for an employee on a five/eight (5/8) work schedule or twenty (20) minutes in duration for an employee on a four/ten (4/10) work schedule should be taken about midway through each four (4) or five (5) hour work period, as appropriate. Employees may be required to remain in the area and/or respond to emergencies during a rest period. If an employee cannot be relieved for a rest period, that employee shall be allowed to take a break in the work area or near the work area without interruption except for emergencies. Under no circumstances will unused rest periods be accumulated and used to reduce work time.

ARTICLE 90.1C--WORK SCHEDULES

(Employment Department)

Section 1. Workweek. The workweek shall begin at 12:01 a.m. Monday and end at 12:00 midnight the following Sunday.

Section 2. Alternate Work Schedules.

An employee may apply in writing for authorization to work an alternative schedule, for example four/ten (4/10) hour days. The employee's application must show that the following criteria can still be met before his/her application can be approved:

- (a) That his/her requested alternative (example four/ten (4/10)) schedule will not interfere with his/her ability and availability to perform the job;
- (b) That the operational needs of the Agency are met;
- (c) That the needs of the public are adequately served; and,
- (d) That a forty (40) hour workweek is maintained.

If, in fact, these criteria are met, the Agency shall grant the employee the agreed-upon alternative work schedule.

Requests for alternative work schedules shall be considered in order of application. If more than one (1) employee makes application for an alternative schedule on the same day and both requests cannot be accommodated, preference shall be given to the employee with the most seniority in the Agency if possible.

If at any time any of the above criteria cease to be met, the Agency may rescind its approval of an employee's alternative schedule.

Section 3. An employee may be allowed to work a flexible work schedule upon written approval of his/her request. No employee will be arbitrarily denied a flexible work schedule. Special consideration may be given to an employee who demonstrates an unusual hardship.

Section 4. Meal Period. Employees shall be granted a meal period of not less than thirty (30) minutes nor more than one (1) hour unless mutually agreed otherwise. Meal periods shall be scheduled at approximately the mid-period of the workday.

Section 5. Rest Periods. A paid rest period of fifteen (15) minutes in duration for an employee on a five/eight (5/8) work schedule or twenty (20) minutes in duration for an employee on a four/ten (4/10) work schedule should be taken about midway through each four (4) or five (5) hour work period, as appropriate.

Section 6. The Agency will encourage employees to modify their normal work hours within the workweek on an intermittent, temporary basis for personal and family needs, including medical appointments, compatible with operational needs of the Agency. Such requests are made and approved pursuant to [Article 40](#), Section 4.

ARTICLE 90.1M--WORK SCHEDULES

(DHS-OHA)

Section 1. Workweek. The workweek shall begin at 12:01 a.m. Monday and end at 12:00 midnight the following Sunday.

Section 2. Regular Schedule. An employee on a regular schedule will be scheduled for five (5) consecutive days of work and two (2) consecutive days off within the workweek. An employee may agree to a different scheduling of days off.

Section 3. Alternate Work Schedules.

(a) **Application Criteria.** An employee may apply in writing for authorization to work an alternate work schedule (e.g., four/ten (4/10) hour days, four/nines and a four (4/9's and a 4), etc.). The employee's application must show that the following criteria can still be met before his/her application can be approved:

- (1) That his/her requested alternate work schedule will not interfere with his/her ability and availability to perform the job;
- (2) That the operational needs of the Agency are met;
- (3) That the needs of the public are adequately served; and,
- (4) That a forty (40) hour workweek is maintained.

If, in fact, these criteria are met, the Agency shall grant the employee an alternate work schedule.

(b) **Multiple Requests.** Requests for alternate work schedules shall be considered in order of application. If more than one (1) employee makes application for an alternate work schedule on the same day and both requests cannot be accommodated, preference shall be given to the employee with the most seniority in the Agency if possible.

If at any time any of the above criteria cease to be met, the Agency may rescind its approval of an employee's alternate schedule.

(c) **Holiday Adjustment.** To meet the needs of the Agency during a holiday week, management may require an employee to revert their alternate work schedule to a regular schedule (five/eight (5/8) hour days). Otherwise, to maintain a forty (40) hour workweek, the employee may choose one of the following options:

- (1) Voluntarily revert to a regular schedule; or
- (2) When the holiday is on the scheduled day off, request a different day off and use vacation leave, personal leave or compensatory time for any hours over the eight (8) holiday hours; or
- (3) When the holiday is within the employee's alternate work schedule, but not on the scheduled day off, use vacation leave, personal leave or compensatory time for any hours normally scheduled over the eight (8) holiday hours.
- (4) When the holiday is on the employee's scheduled workday, and the employee works that day, the Employer will incur no daily overtime obligation for hours worked in excess of the eight (8) holiday hours. However, the employee will receive overtime compensation for all hours worked in excess of forty (40) hours in the same workweek.

Section 4. Flexible Work Schedule. An employee may be allowed to work a flexible work schedule upon written approval of his/her request. No employee will be arbitrarily denied a flexible work schedule. Special consideration may be given to an employee who demonstrates an unusual hardship.

Section 5. Request to Temporarily Modify an Existing Work Schedule. Employees may request in advance to temporarily modify their work schedule within the workweek for personal and family needs, including medical appointments. A request will not be arbitrarily denied. Such requests and modifications will be in accordance with Article 40--Penalty Pay, Section 4, Modification of Work Schedule and Article 32--Overtime, Section 5, Schedule Change.

Section 6. Meal Period. Employees shall be granted a meal period of not less than thirty (30) minutes nor more than one (1) hour unless mutually agreed otherwise. Meal periods shall be scheduled at approximately the mid-period of the workday.

Section 7. Rest Periods. A paid rest period of fifteen (15) minutes in duration for an employee on a five/eight (5/8) work schedule or twenty (20) minutes in duration for an employee on a four/ten (4/10) work schedule should be taken about midway through each four (4) or five (5) hour work period, as appropriate.

ARTICLE 90.2A--WORK SCHEDULES

(OYA Youth Correctional Facilities and Camps)

Section 1. The workweek shall begin at 12:01 a.m., Saturday and shall end at 12:00 midnight the following

Friday.

Section 2. Flexible or alternate work schedules shall be requested and evaluated on an individual basis. An employee shall be granted his/her request unless management determines that the requested schedule will adversely affect the work or services of the Institution. An employee's request for an alternate work schedule may be disapproved when, based on the employee's past performance, management determines that the employee needs continuing close supervision.

Section 3. Regardless of work hour schedules, there shall be an established lunch period midway in each workday. Employees who are not relieved from their work assignment and are required to remain in their work areas to supervise students when eating shall have such time counted as hours worked.

Section 4. An employee may request a work schedule other than currently in effect for his/her position. That request will be granted if management determines it can be accommodated without detracting from meeting the Institution workload and does not conflict with the shift vacancy provisions of Section 8 herein.

Section 5. All employees in the unit not on another schedule authorized under this Article shall be scheduled for five (5) consecutive days of work and two (2) consecutive days off (defined as a minimum of sixty (60) consecutive hours) within the workweek, unless the employee agrees to a different workweek.

Section 6. If the Institution changes the shift schedule of a twenty-four (24) hour operation in order to accomplish the mission of the Institution, work schedules of full-time employees may be changed if mutually agreed upon by the employee and his/her supervisor. In the event mutual agreement cannot be reached, the employee will be provided five (5) days notice of the change. Upon request, the Institution shall provide the reason for the shift schedule change in writing.

Section 7. Rest Periods.

- (a) Rest periods are fifteen (15) minutes in duration and should be taken about midway through each four (4) hour work period.
- (b) If an employee is on an uninterruptible assignment, or is unable to leave his/her work area unattended, the supervisor shall work out arrangements with other staff to provide temporary coverage where the current staffing permits. It is the responsibility of all supervisors to make provisions for each employee under their supervision to have appropriate rest periods.
- (c) Employees not covered in (b) should arrange with their supervisors to take their rest periods as provided in (a), but at such times as to avoid leaving any operational unit unstaffed.

Section 8. Shift Assignments Within Classification Series.

- (a) A shift vacancy is defined as an unfilled position, in a specified ~~cottage or work unit of the Institution~~ **Facility or Camp** with specified starting and quitting times and days off. ~~Institution is defined to recognize each~~

~~juvenile correctional facility and each camp as separate facilities.~~

(b) A shift vacancy shall be filled in the following order:

(1) Employees within the ~~cottage or work unit~~ Facility or Camp, in the same classification as the shift vacancy, shall be given at least five (5) days advance notice of, and the first opportunity to request, the shift vacancy. However, this notice period will end at the point the most senior eligible employee requests the shift vacancy. The most senior regular employee from the ~~cottage or work unit~~ Facility or Camp who has the special qualifications to perform the job and who requests the shift vacancy shall be selected. Employees having a record of disciplinary action within six (6) months prior to the vacancy announcement shall not be eligible ~~for transfer to bid~~. Discipline is defined in [Article 20--Discipline and Discharge, Section 1](#).

(2) If no qualified employee from the ~~cottage or work unit~~ Facility or Camp where the shift vacancy exists requests the shift vacancy, the vacant position will be filled according to Article [45.2A--Filling of Vacancies](#).

(3) An employee whose request for shift assignment is granted shall not be eligible to utilize the procedure of Section 8(b) to request another shift assignment within the following ~~nine-six~~ (96) months.

All full-time employees shall be placed on a regular schedule of five (5) consecutive days of work and two (2) consecutive days off, except where an alternate schedule is necessary to meet the operating needs of the Institution, including but not limited to vacation relief assignments, Recreation Specialists or Rehabilitation Therapists, and to fill vacant positions during the job bidding process, or where an alternate work schedule is mutually agreed to by the majority of employees affected and the Institution. The Employer maintains the right to change days off. However, when such a change occurs, the employee may request a lateral transfer pursuant to [Article 45.2C-E-G](#). Under this circumstance provisions of Section 2(b)(4) will be waived.

Section 2. For employees with a workweek with rotating days off, the workweek will consist of one-hundred sixty-eight (168) consecutive hours. hours worked.

Section 5. Cleanup Time.

(a) Whenever a job being performed or the material or equipment being used has caused an employee to become dirty, the employee shall be allowed a reasonable amount of time without loss of pay prior to any meal period or prior to the completion of their workday to clean themselves. Time for cleaning equipment shall be considered as part of the employee's workday.

Section 6. Rest Periods. The Institution shall provide each full-time employee with two (2) fifteen (15) minute rest periods during the workday. They should be scheduled near the middle of the work periods before and after scheduled meal periods and be scheduled to prevent critical understaffing. Whenever possible, employees should be allowed to take their rest periods away from their immediate work area. Exceptions to this provision may occur in the event the administrator of the Hospital or Outpatient Clinic declares a patient care emergency.

Section 9. Timekeeping.

The Employer will provide adequate and appropriate training to all employees before implementing a new timekeeping system. This training shall specifically include, but is not limited to:

(a) Procedures for FLSA exempt staff to record their time, including, but not limited to, flexible schedules that are mutually agreed upon between the employee and their supervisor, overtime and time spent working away from the facility.

Whenever a job being performed or the material or equipment being used has caused an employee to become dirty, the employee shall be allowed a reasonable amount of time, without loss of pay, prior to any meal period or prior to the completion of their workday to clean themselves. Time for cleaning equipment shall be considered as part of the employee's workday.

Section 5. Rest Periods. Pendleton Cottage shall provide each full-time employee with two (2) fifteen (15) minute rest periods during the workday. They should be scheduled near the middle of the work periods before and after scheduled meal periods and be scheduled to prevent critical understaffing. Whenever possible, employees should be allowed to take their rest periods away from their immediate work area. Under no circumstances will unused rest periods be accumulated and used to reduce work time. If an employee cannot be relieved for a rest break, that employee shall be allowed to take a break in the work area or near the work area without interruption except for emergencies.

Section 6. Shift Assignments. New or vacated shifts will be offered to staff on seniority in class prior to filling of any position. Employees may not be eligible if they have received discipline within the previous six (6) months, or have transferred within the previous nine (9) months. For night shift, at least half of the positions need to be filled by staff who have completed trial service. If there are not enough staff out of trial service to fill half the positions at night, the least senior staff with one (1) or more years of Pendleton Cottage experience, from day or swing shifts, will trade shifts with the night staff until the employee has completed the trial service period.

ARTICLE 90.2K--WORK SCHEDULES

(OYA Administration and Field Services)

All full-time employees shall be scheduled for five (5) consecutive days of work and two (2) consecutive days off (defined as a minimum of sixty (60) consecutive hours) within the workweek, unless the employee agrees to a different workweek.

ARTICLE 90.3A--WORK SCHEDULES (ODOT)

Section 1. Scheduling.

(a) Employee work schedules shall be assigned by the Agency and be developed by the employee's immediate excluded supervisor or team leader and posted monthly, seven (7) calendar days prior to the effective date of the schedule. The regular weekly workshift shall consist of a regular schedule of five (5) consecutive eight (8) hour days. The Agency may assign irregular shifts to meet operating requirements. An employee may request in writing an alternate or flexible work schedule. No schedule will be arbitrarily changed.

Employees who receive fewer than seven (7) calendar days' notice of work schedule changes shall be compensated as follows: For each day that the required notice is not given, the employee shall be entitled to a penalty payment of three (3) hours of straight time pay in addition to the appropriate pay for the hours worked. The penalty payment shall continue until the notice requirement is met, or the employee is returned to his/her prior schedule, whichever occurs first. The day that notice is given shall count as the first calendar day.

This penalty payment may not be paid for a change in reporting time, nor may it be paid in addition to reporting time penalty pay, pursuant to Article 40.3. ODOT shall designate a unique payroll code used exclusively for schedule change penalty pay.

- (b) The workweek shall be the same as calendar week starting at 12:01 a.m., Monday and ending 12:00 midnight the following Sunday.
- (c) Employees shall receive sixty (60) consecutive hours off between each weekly work schedule; be scheduled for forty (40) hours of work within a span of one-hundred eight (108) hours; and work five (5) consecutive days. The preceding shall not apply in the following circumstances:
- (1) The employee is required to work overtime on a day off.
 - (2) Thirteen (13) times per calendar year when there is a change in schedules for crews assigned to a schedule of rotating days off.
 - (3) Twice a year when there is a seasonal change for crews where seasonal shift changes are required.
 - (4) As provided in Section 1(e) of this Article.
 - (5) When the employee's schedule is changed without the required notice and the employee receives schedule change penalty pay.
- (d) Employees assigned to crews which function on a three

(3) shift, twenty-four (24) hour day basis, and who are performing relief duties, shall not be subject to the workday definition. However, [Article 40.3--Work Schedule Premium Pay](#), of this Agreement remains applicable.

- (e) The Agency shall schedule work in such a manner that split time off is used only when:
- (1) Mutually agreed with the employee;
 - (2) It is necessary to use such scheduling to change shifts on an operation which currently functions on a twenty-four (24) hours a day, seven (7) days a week basis; or
 - (3) Flexible scheduling is necessary to fulfill the Agency's responsibility for truck weight regulations.
- (f) Motor Carrier Enforcement Officer Only. Each Motor Carrier Enforcement Officer work schedule shall include the following:
- (1) A minimum of twelve (12) hours between shifts, unless directed by Motor Carrier Transportation Division Management to help with emergency road conditions. In such cases, the time off between shifts shall be no less than ten (10) hours.
 - (2) Split days off can be scheduled no more than once every fourteen (14) weeks.
- (g) DMV Only. The Agency may also assign flexible schedules to meet operating needs. In Field offices where regular work schedules require employees to work beyond 5:00 p.m., or on Saturday and Sunday, the schedule shall first be filled by the most senior employee who volunteers and is qualified to do the work needed, is in the classification, and at the affected office.
- If there are no volunteers for the unfilled shift, the supervisor shall assign the position to the least senior employee in the affected classification at the affected office who has completed trial service and is qualified to do the work required.
- All regular work schedules that require employees to work beyond 5:00 p.m. or on Saturday or Sunday shall be opened for reassignment as outlined above when a qualified replacement is available.
- If during the life of this Agreement, the State substantially increases the number of Field offices with weekend hours, this Section may be reopened for negotiation.
- The Employer will make a reasonable effort to accommodate employees who present written documentation of inability to work on Saturday only when based on a bona fide religious tenet or teaching of a church or religious body of which such employee is a member.
- (h)
- (1) Transportation Maintenance and Incident Response Employees Only: Shifts are assigned by the supervisor and where an employee volunteers for a shift, the employee will be assigned; subject, however, to the requirements of the Agency to have qualified employees on all shifts to provide the best service to

the motoring public. When two (2) or more employees volunteer for the same shift, the shift will be assigned to the most senior employee qualified to work that shift within the classification.

When there are unfilled shifts that employees refuse to be assigned to and there are no volunteers, the supervisor will assign the shift to the least senior employee that is qualified to work that shift within the classification.

Seniority, for purposes of this Section, shall be calculated by adding total time worked in the Agency in a position represented by SEIU Local 503, OPEU and total time worked in the employee's present classification.

The provisions of this Section shall not apply when employees have been assigned to a specific shift for purposes of training. When an employee is assigned for purposes of training, the employee shall be informed of the reason for the training and the projected length of the training assignment.

Further, the provisions of this Section shall not apply to bumper, jump, or relief personnel.

(2) It is recognized that management retains the right to schedule work in the best interest of the Highway Division. This includes a determination of when a four/ten (4/10) schedule is appropriate. Nothing in this Agreement precludes the use of a four (4) day workweek. The Employer agrees to provide written information to employees which indicates the situations in which four/tens (4/10s) would be most appropriate.

- (i) This Section shall not apply to Motor Carrier Enforcement Officer, Transportation Maintenance, and DMV employees. Shift assignments may consider seniority, subject to the requirements of the Agency to have qualified employees on all shifts. Should it be necessary to assign a more senior employee to a shift which he/she does not prefer, such assignment shall last for one (1) season and the vacancy on that shift shall then be rotated among all other senior employees to assure equitable distribution of the undesirable shift among all senior employees, provided there are other senior employees on the crew. Seniority, for purposes of this Section, shall be calculated by adding total time worked in the Agency in a position represented by SEIU Local 503, OPEU and total time worked in the employee's present classification.

Section 2. Shift Exchange. Employees may mutually agree to exchange days, shifts, or hours of work with the approval of their supervisor provided such change does not result in the payment of overtime or penalty pay, or is a disruption of the normal routine of duties. Such requests shall not be considered as schedule changes.

Section 3. Lunch Periods.

- (a) A lunch period shall be scheduled as nearly as possible to the middle of the daily workshift. Adjustment to scheduled lunch period may be made subject to operational needs of the Agency or by mutual

- agreement between the employee and immediate excluded supervisor. DMV offices shall make reasonable effort to maintain scheduled lunch periods which shall be posted at least one (1) week in advance.
- (b) Employees who may not leave their stations and are required to continue working shall have such time counted as hours worked.

Section 4. Rest Periods. The Agency will grant rest periods whenever possible on a twice daily basis scheduled at the supervisor's discretion.

Rest periods shall not be more than fifteen (15) minutes duration for every four (4) hours of work, or major fraction thereof, and shall be taken as work will allow in the middle part of the work period. If the Agency requires a scheduled ten (10) hour day, then a rest period of twenty (20) minutes shall be taken in the middle of the five (5) hour period.

The Agency will attempt to relieve an employee during the rest period so that he/she may take rest periods away from his/her duty assignment; however, Field Crews will not be allowed to leave their worksite to travel to coffee shops, etc.

When the supervisor determines the rest period cannot be taken, the employee shall be allowed compensatory time at the rate of time and one-half (1½) to be taken at the end of the day or on another day, by mutual agreement between the employee and the supervisor.

Section 5. Rest Periods. (Interstate Bridge Crew and Operators at Transportation Operations Centers Only) When the supervisor determines the rest period cannot be taken, the employee shall be compensated with cash or compensatory time at the rate of time and one-half (1½). The choice of cash or compensatory time shall be made monthly by each employee when they complete their time sheets. Within each month, these employees may not mix choices of cash or comp time. (See Letters of Agreement [90.3A-99-36](#) & [90.3A-99-37](#) & [90.3A-11-205](#) in Appendix A.)

ARTICLE 90.3B--WORK SCHEDULES (OPRD)

Section 1.

- (a) The employee's work schedule will be assigned by the Agency and be developed by the employee's immediate excluded supervisor and posted monthly, seven (7) calendar days prior to the effective date of the schedule. No work schedule will be arbitrarily changed. The work schedule will consist of five (5) consecutive eight (8) hour days.

The Agency may assign irregular shifts or flexible shifts to meet operating requirements. An employee may request in writing an alternate or flexible work schedule. Except for meeting operating needs (i.e., overtime, staffing, emergencies, shift changes) Agency shifts shall include a minimum of twelve (12) hours between shifts.

- (b) The workweek shall be the same as a calendar week starting at 12:01 a.m. on Monday and ending at 12:00 ~~p.m.~~ midnight the following Sunday.
- (c) Except when the employee works overtime or mutually

agrees, employees shall receive sixty (60) consecutive hours off within a seven (7) day period.

The preceding shall not apply up to six (6) times a year when there is a seasonal shift change for crews.

- (d) During any calendar week involving a holiday, employees whose work schedule is four/ten (4/10) hour days and who have the holiday off shall receive eight (8) hours holiday pay and will use either two (2) hours accrued vacation, personal leave, compensatory time, or leave without pay. If the holiday falls on the employee's scheduled day off, the workday nearest the holiday shall be taken off.
- (e) The Agency shall schedule employees in such a manner that split time off is used only when:
 - (1) Mutually agreed with the employee; or
 - (2) It is necessary to use such scheduling to change shifts on an operation currently functioning on a twenty-four (24) hours a day, seven (7) days a week basis.
- (f) Employees may mutually agree to exchange days, shifts, and hours of work with the approval of their supervisor provided such change does not result in the payment of overtime or penalty pay, or is a disruption of the normal routine of duties. Such request shall not be considered as a schedule change.
- (g) All lunch periods shall be taken as nearly as possible to the middle of the shift, and shall normally be taken during the fifth (5th) hour of the shift. Employees who may not leave their work stations and are required to continue working shall have such time counted as hours worked.
- (h) The Agency will grant rest periods whenever possible on a twice a day basis scheduled at the supervisor's discretion.

Rest periods shall not be more than fifteen (15) minutes duration for every four (4) hours of work, and shall be taken as work will allow in the middle part of the work period. If the Agency requires a scheduled ten (10) hour day, then a rest period of twenty (20) minutes shall be taken in the middle of the five (5) hour period.

The Agency will attempt to relieve an employee during the rest period so that he/she may take rest periods away from his/her duty assignment; however, Field Crews will not be allowed to leave their worksite to travel to coffee shops, etc. When the supervisor determines the rest period cannot be taken, the employee shall be allowed compensatory time at the rate of time and one-half (1 ½) to be taken at the end of the day or on another day at the supervisor's discretion.

- (i) Shift assignments may consider seniority, subject to the requirements of the Agency to have qualified employees on all shifts. Should it be necessary to assign a more senior employee to a shift which he/she does not prefer, such assignment shall last for one (1) season and the vacancy on that shift shall then be rotated among all other senior employees to assure equitable distribution of the undesirable shift among all

senior employees, provided there are other senior employees on the crew. Seniority, for purposes of this Section, shall be calculated by adding total time worked in the Agency in a position represented by SEIU Local 503, OPEU and total time worked in the employee's present classification.

ARTICLE 90.3C--WORK SCHEDULES (Forestry)

Section 1. Subject to operating requirements, the Agency shall observe a five (5) day workweek with two (2) consecutive days off per workweek. For employees of the Oregon Department of Forestry, the workday is the twenty-four (24) hour period commencing at 0001 hours and ending at 2400 hours. It is further the intent of the Agency to give employees advance notice of work schedule changes. In keeping with this intent, the Agency will attempt to give employees twelve (12) hour prior notice of work schedule changes. A consecutive Sunday and Monday off will be considered to have met the intent of two (2) consecutive days off per workweek.

Section 2. District Foresters and Staff Supervisors shall have authority to determine work schedules for employees under their supervision. During those periods when a seven (7) day week operation is required, staggered work schedules may be scheduled as necessary. For purposes of this Section, a work schedule is the five (5) consecutive days an employee is scheduled to work.

Section 3. On Call. This is a situation where a supervisor requires an employee to advise him/her of his/her general location and how he/she can be reached. During this off-duty period the employee may leave his/her official station or residence. He/she is free to conduct his/her personal matters without restriction. He/she will receive no overtime credits for this arrangement.

Section 4. All lunch periods shall be taken as nearly as possible to the middle of the shift, and shall normally be taken during the fifth (5th) hour of the shift. Employees who may not leave their work stations and are required to continue working shall have such time counted as hours worked. Employees who may not leave their duty station and are not required to continue working shall not have such time counted as hours worked.

Section 5. Travel Time. Travel to and from work projects, staff meetings, and training sessions which an employee is directed to attend is time worked, except for organized crews such as tree planting, pre-commercial thinning, and hand release crews. Organized crews will be authorized overtime for any travel time in excess beyond the eight (8) hour day plus one (1) hour travel on the employee's own time.

Section 6. Employees may mutually agree to exchange days, shifts, or hours of work with the approval of their supervisor provided such change does not result in the payment of overtime, penalty pay, or shift differential, or is a disruption of the normal routine of duties. Such requests shall not be considered as schedule changes.

Section 7. During any calendar week involving a holiday, crews working an alternate schedule shall be placed on an

eight (8) hour, five (5) day schedule unless all members of the crew and the District Forester agree to remain on an alternate schedule during said calendar week.

Section 8. The workweek shall be the same as a calendar week starting at ~~0001~~ (12:01 a.m.) on Monday and ending at ~~12:00~~ ~~2400~~ p.m. (midnight) on the following Sunday.

Section 9. The Agency will grant rest periods whenever possible on a twice a day basis scheduled at the supervisor's discretion.

Rest periods shall not be more than fifteen (15) minutes duration for every four (4) hours of work, and shall be taken, as work will allow, in the middle part of the work period. If the Agency requires a scheduled ten (10) hour day, then a rest period of twenty (20) minutes shall be taken in the middle of the five (5) hour period.

The Agency will attempt to relieve an employee during the rest period so that he/she may take rest periods away from his/her duty assignment; however, Field Crews will not be allowed to leave their worksite to travel to coffee shops, etc.

When the supervisor determines the rest period cannot be taken, the employee shall be allowed compensation at the rate of time and one-half (1 ½), to be taken or accrued as provided in [Article 32.3--Overtime](#).

ARTICLE 90.3D--WORK SCHEDULES (ODOA)

Section 1. The workweek shall be the same as the calendar week starting at 12:01 a.m., Monday and ending 12:00 midnight the following Sunday.

Section 2. The normal work schedule shall consist of five (5) consecutive days of eight (8) hours per day with two (2) consecutive days off.

Section 3. Rest periods shall not be more than fifteen (15) minutes duration for every four (4) hours of work or major fraction thereof and shall be taken as work will allow in the middle of the workday. However, where an employee works a four day/ten hour (4/10) work schedule, the employee shall be provided two (2) twenty (20) minute breaks.

Section 4. Consistent with operating requirements of the Agency, an employee shall be granted a meal period of not less than thirty (30) minutes or more than one (1) hour. Meal periods shall normally be scheduled by the Agency at approximately mid-part of the employee's daily work schedule.

ARTICLE 90.3E--WORK SCHEDULES (ODFW)

Section 1. The workweek shall be defined as starting at 12:01 a.m. Sunday and ending at 12:00 ~~p.m.~~ ~~midnight~~ the following Saturday, except as modified in Section 2.

Section 2. The workweek for hatchery employees shall be defined as starting at 12:01 a.m. Saturday and ending at 12:00 ~~midnight~~ ~~p.m.~~ the following Friday.

Section 3. Employees on a regular or alternate work schedule will be given at least five (5) calendar days notice of any permanent change in the starting/ending time of his/her work schedule of two (2) or more hours. A failure to provide the requisite notice will be subject to three (3) hours

of penalty pay at straight time for each day of occurrence until the requirement is met. Employees on flexible schedules shall not be eligible for work schedule change premium pay.

An employee may request a modification to a posted schedule if there are fewer than ten (10) hours between shifts, subject to the operating needs of the Agency. Such modifications shall not be unreasonably denied. This modification will not cause any form of penalty pay.

Section 4. Rest periods shall be fifteen (15) minutes for every four (4) hours of work, or twenty (20) minutes for every five (5) hours of work. Rest periods shall be taken as work will allow, in the middle part of the work period. When the supervisor determines the rest period cannot be taken, the employee shall be compensated at the rate of one and one-half (1 ½) times in compensatory time for the missed rest period.

Section 5. A lunch period shall be scheduled as nearly as possible in the middle part of the daily work shift. Adjustments to the schedule may be made subject to the operational needs of the agency or by mutual agreement between the employee and the immediate supervisor.

Section 6. Employees required to travel overnight will be given reasonable notice of when they will be out of town and for how many days, to the extent that information becomes available to the employee's supervisor and it can be communicated to the employee.

(See Letter of Agreement [90.3E-09-183](#) in Appendix A.)

ARTICLE 90.5--WORK SCHEDULES

(Sections 1-7: All Special Agencies; Section 15: Special Agencies Coalition Except Department of Veterans' Affairs)

Section 1. Subject to the operating requirements of the Agency, bargaining unit employees shall be placed on regular, alternate, or flexible work schedules as defined in this Agreement (see [Article 90, Work Schedules](#)). Employees placed on regular work schedules shall be scheduled for five (5) consecutive workdays and two (2) consecutive days off within the workweek. Exceptions to the days off provision above shall occur only when they would seriously hamper operations of the Agency. Employees who work alternate schedules of four/ten (4/10) hour days shall be scheduled for three (3) consecutive days off within the workweek. Exceptions to the days off provision above shall occur only when (1) this would seriously hamper operations of the Agency, or (2) when requested by the employee and approved by Agency management.

Section 2. An employee may request in writing to work any alternate or flexible work schedule defined in this Agreement (see [Article 90, Work Schedules](#) and, for applicable Agencies, Section 15, below). No employee requests will be arbitrarily denied or rescinded. In reaching its decision, the Agency will consider whether the employee's request meets all of the following criteria:

- (a) That the operational needs of the Agency are met;
- (b) That the requested work schedule will not interfere with his/her ability and availability to perform the job;

- (c) That the needs of the public are adequately served; and
- (d) That a forty (40) hour workweek is maintained.

The Agency may also consider other relevant criteria, including, but not limited to, employee use of carpooling, mass transit, or demonstration of an unusual hardship.

The Agency will provide a response to an employee's request to work an alternate or flexible work schedule, including the reason(s) for a denial, within a reasonable period of time. If the employee so requests, the Agency response will be in writing. Upon an employee's request, the Agency will also provide a written explanation when an existing alternate or flexible schedule is rescinded. Requests for alternate and flexible work schedules will be considered in order of application. If more than one (1) employee makes application for such a schedule on the same day and both requests cannot be accommodated, preference shall be given to the employee with the most seniority in the Agency, if possible.

Section 3. The workweek shall begin at 12:01 a.m., Monday and end at 12:00 midnight the following Sunday. This workweek shall remain fixed during the term of this Agreement regardless of an employee's scheduled hours of work. Workweeks for employees on work schedules "F" and "M" are governed by Section 15(e) below.

Section 4. Consistent with the operating requirements of the Agency, an employee shall be granted a meal period of not less than thirty (30) minutes nor more than one (1) hour, unless mutually agreed otherwise. Meal periods shall normally be scheduled by the Agency at approximately mid-part of the shift. However, upon an employee's timely request, a supervisor may alter the normally scheduled meal period, if the need arises. An employee who is required by the Agency to work the full shift without relief for a lunch period shall have the entire shift counted as time worked. Meal periods will not be changed without reasonable notice.

Section 5. All employees shall be granted a rest period of fifteen (15) minutes in every four (4) hours working time or major fraction thereof, except in cases of alternate work schedules, in which case rest periods shall be twenty (20) minutes. Rest periods shall be taken so far as practicable in the middle of such working periods and considered as time worked for pay purposes. Rest periods for employees on work schedules "F" and "M" are governed by Section 15(g) below.

Section 6. In order to account for a full forty (40) hours in a workweek in which there is a holiday, employees who work alternate schedules can request a regular schedule or a flexible work schedule (e.g., 2-11s and a 10), pursuant to Section 2 of this Article, or may use appropriate accrued leave or compensatory time.

Section 7. An employee may, with his/her immediate supervisor's advance approval, temporarily modify his/her work schedule (regular, alternate or flexible) in a workweek not to exceed forty (40) hours and avoid overtime liability. Such request shall be in accordance with [Article 40-Penalty Pay](#), Section 4, Modification of Work Schedule and [Article](#)

[32-Overtime](#), Section 5, Schedule Change. Such requests shall not be arbitrarily denied.

Section 8. Department of Administrative Services.

When the Agency chooses to make a shift reassignment, all employees in the affected classification will be notified by publication in the manner provided for in [Article 45.5E-- Filling of Vacancies](#), Section (b), and be given an opportunity to designate their shift preference. The reassignment will be made based on each employee's level of skill, the requirements of the reassignment, and the operating needs of the Agency. If more employees request the shift reassignment than there are reassignments available, and are, in the judgment of the Agency, equally well qualified for the reassignment and equally meet the operating needs of the Agency, the employee with the most seniority will be given the reassignment. The Agency shall not exercise its judgment in an arbitrary manner.

Section 9. Department of Agriculture, Measurement Standards Division.

- (a) Employees will be required to submit a form developed by ODA when requesting a flexible work schedule.
- (b) Employees working a flexible work schedule shall complete forty (40) hours of work per week, Monday through Friday. The workday shall not exceed ten (10) hours and the workweek shall not exceed forty (40) hours per week unless the employee receives prior approval as described in division overtime procedures.
- (c) Employees working a flexible work schedule shall work consecutive hours from the beginning of their workday to the end of their workday and consecutive days Monday through Friday unless otherwise approved.
- (d) Employees working flexible work schedules shall not begin before 6:30 a.m. or end after 6:00 p.m. Exceptions will be granted only when required by work-related circumstances. The office will be notified as soon as possible of requests for exceptions. All Inspectors will notify the Salem office upon conclusion of the workweek.
- (e) Flexible work schedules shall be agreed upon when working with fellow employees. Where agreement cannot be reached, the employees will work regular 8:00 a.m. to 5:00 p.m. schedules.
- (f) Employees may use up to one (1) hour in the office per day or up to five (5) per week to complete paper work, perform data entry work, and to perform general office duties. This work should be performed at the end of the day where circumstances permit.
- (g) Employees working a flexible work schedule away from their official station may take up to four (4) hours at the end of the week to complete their paper work, computer data entry, and general office duties provided that no more than one (1) hour was taken while away from their official station unless approved by the supervisor or designee.
- (h) Employees working a flexible work schedule shall schedule vehicle service and all non-examination activities at the end of the workday where circumstances permit.

- (i) Employees working a flexible work schedule shall record their time in tenths of an hour on their time sheet.

Section 10. Department of Consumer & Business Services (including Workers' Compensation Board).

- (a) Employees with a four (4) day nine (9) hour and one (1) day four (4) hour work schedule shall be granted one (1) twenty (20) minute rest break and one (1) fifteen (15) minute rest break on each nine (9) hour workday and one (1) fifteen (15) minute rest break for the four (4) hour workday. Rest breaks will be taken so far as practicable in the middle of the working period and considered as time worked for pay purposes.
- (b) When an employee requests the four (4) day nine (9) hour and one (1) day four (4) hour work schedule, the employee will include as part of the request the preferred break schedule. The work schedule and break requests will be subject to the supervisor's prior written approval.

Section 11. Water Resources and OWEB. Cleanup time for equipment shall be considered as part of the employee's workday.

Section 12. BOLI. Whenever a job being performed or the material or equipment being used has caused an employee to become dirty, the employee shall be allowed a reasonable amount of time without loss of pay prior to any meal period or prior to the completion of their workday to clean themselves. Cleanup time for equipment shall be considered as part of the employee's workday.

Section 13. Revenue. The purpose of this Section is to clarify what permanent part-time employees working in the Administrative Services Division may expect when a lack of work situation arises. When it becomes necessary to release some permanent part-time employees due to lack of work, but not all permanent part-time employees, the Employer will first ask for volunteers. If there are not enough volunteers, the employees will be released in reverse seniority order. In instances where there may be excess volunteers, unscheduling will occur based on seniority. Seasonal employees will be unscheduled prior to releasing or reducing the hours of permanent part-time employees. This Section is intended to apply only within the unit. Nothing in this Section guarantees an eight (8) hour workday.

Section 14. Education (including OSD, DCCWD). Reassignment of Hours of Work or Days Off.

- (a) When a reassignment of hours of work or days off, or both, is to be made within a given instructional unit, section, or department, the employees in the unit or department shall have the right to request their choice of assignment. The candidate with the greatest length of service within the Agency will be given his/her choice unless there exists a substantial and clearly evident superiority in the qualifications and experience of another candidate. Before an employee other than the candidate with the greatest length of service is given first choice, the candidate with the greatest length of service will be informed in writing and in detail, of those

qualifications possessed by the employee chosen, and will be provided with a complete explanation of the reasons for selecting the other employee.

- (b) When an employee would be scheduled to work a shift alone, however, the above provisions may be temporarily waived to provide for the safety and well-being of students.

Section 15. Work Schedules "M" and "F". (Special Agencies Coalition Except Department of Veteran's Affairs)

- (a) Subsections (b) – (g), below, apply only to work schedules "F" and "M." Work schedules "F" and "M" shall be considered "alternate work schedules."
- (b) Employee requests to be placed on work schedules "F" and "M" shall be governed by [Article 90.5](#), Section 2.
- (c) Work schedule "F" is as follows:
- Week one – Monday through Thursday, nine (9) hours, and Friday, eight (8) hours.
 - Week two – Monday through Thursday, nine (9) hours, and Friday, off.
 - Workweeks will alternate week to week, between week "one" and week "two," as set forth above.
- (d) Work schedule "M" is as follows:
- Week one – Monday, eight (8) hours, Tuesday through Friday, nine (9) hours.
 - Week two – Monday, off, Tuesday through Friday, nine (9) hours.
 - Workweeks will alternate week to week, between week "one" and week "two," as set forth above.
- (e) The definition of the workweek addressed in Article 90.5, Section 3, will not apply to employees who work schedule "F" or "M." The definition of the workweek for work schedules "F" and "M" are as follows:
- (1) The workweek for employees working work schedule "F" shall begin at 12:01 p.m. Friday and end at 12:00 noon the following Friday. This workweek shall remain fixed, so long as an employee continues to work a work schedule "F."
- (2) The workweek for employees working work schedule "M" shall begin at 12:01 p.m. Monday and end at 12:00 noon the following Monday. This workweek shall remain fixed, so long as an employee continues to work a work schedule "M."

ARTICLE 106--LABOR-MANAGEMENT COMMITTEES

Section 1. To facilitate communication between the Parties, joint Labor-Management Committees may be established at the Agency level by mutual agreement of the Union and the Agency Administrator and the Department of Administrative Services. The Committees shall take steps to ensure consistency with the Collective Bargaining Agreement.

The Committees shall be on a meet-and-confer basis only and shall not be construed as having the authority nor entitlement to negotiate. The Committees shall have no power to contravene any provision of the Collective Bargaining Agreement, nor to enter into any agreements binding on the Parties to this Agreement or resolve issues or disputes surrounding the implementation of the Contract. Matters which may require a Letter of Agreement shall not be implemented until a Letter of Agreement has been signed by the Labor Relations Unit and the Executive Director of the SEIU Local 503, OPEU.

No discussion or review of any matter by the committees shall forfeit or affect the time frames related to the grievance procedure. Matters that should be resolved through the grievance and arbitration procedure shall be handled pursuant to that procedure.

At the conclusion of each fiscal year, the Parties shall discuss the concept of Labor-Management Committees and whether they should be modified, continued, or discontinued.

Section 2. Composition. Any Agency Committee shall be composed of three (3) employee members appointed by the Union and three (3) members of management unless

mutually agreed otherwise. An Agency and the Union may mutually agree to establish joint subcommittees.

Time spent outside of the employees' scheduled working hours will be unpaid. Approved time spent in meetings shall neither be charged to leave credits nor considered as overtime worked. By mutual agreement, subject to the operating needs of the Agency, employees may attend meetings in person, via telephone or videoconferencing. The Union will be responsible for all other employee expenses related to lodging and/or travel.

~~(b)~~b. Agencies, upon request, will adjust their current scheduled time of the Agency's Statewide Labor-Management Committee meeting by up to thirty (30) minutes so the Union Committee members can meet prior to the commencement of the joint meeting. This language shall not preclude the Agencies from granting more than thirty (30) minutes preparation time or from granting preparation time for regional committees.

~~(c)~~c. Upon mutual agreement, the parties will identify and use available resources to provide joint training about the intent and conduct of Labor-Management Committees for the Agency's Statewide Labor-Management Committee. This training will be on paid work time if provided during the employee's regular work schedule, or if the Employer approves a work schedule change, including shift trades, without penalty payment pursuant to [Article 40--Penalty Pay](#). The Parties will jointly coordinate the training to jointly determine the curriculum.

~~(d)~~d. Employees are expected to timely report back to their worksite following the end of the meeting and related travel time. Otherwise, employees may temporarily adjust their schedule or request time off as long as such request is made in advance and approved by their immediate supervisor or designee.

ARTICLE 106.1C--LABOR-MANAGEMENT COMMITTEES (Employment Department)

The goal of the Agency and Union is to develop a

workplace in which labor and management work through joint Labor-Management Committees within the confines of the Collective Bargaining Agreement. The purpose is to provide quality services to our customers by improving work processes and efficiencies.

Notwithstanding [Article 106](#), the number of members, meeting schedules, agendas, and training needs of the committees will be determined jointly by the Agency and the Union. The expected results of the Committees are continuous improvement in customer service, efficient operations, and responsiveness to changing conditions.

The following guidelines will be employed:

- (a) There will be an Agency Labor-Management Committee that will develop within ninety (90) days of ratification mutually agreed to policies that will further support effective labor relations at the Section level, including training for Labor-Management Committee members.
- (b) A Labor-Management Committee will be composed of equal numbers of Agency and Union members unless mutually agreed to otherwise. Each Section Committee will consist of at least one (1) management service member and one (1) member designated by the Union. If the manager and Steward agree, Sections can establish an alternate process that achieves the same intent as a separate Labor-Management Committee.
- (c) The Labor-Management Committee will not be construed as having the authority or entitlement to negotiate or contravene any provision of the Collective Bargaining Agreement. Matters which require a Letter of Agreement will not be implemented until a Letter of Agreement has been signed by the Labor Relations Unit and the Executive Director of the SEIU Local 503, OPEU.
- (d) The activities and results of a Section Labor-Management Committee will not be cited as precedential for other Sections, but may be used as a basis of discussion by other Committees.

ARTICLE 106.1M--LABOR-MANAGEMENT COMMITTEES (DHS-OHA)

The Department will establish one (1) central Labor-Management Committee as outlined in [Article 106--Labor-Management Committees](#).

The Department and the Union may mutually agree to establish joint sub-committees to improve labor-management relationships, work processes, efficiencies, and client service delivery. Such joint sub-committees will be:

- (a) Composed of equal numbers of bargaining unit and management members unless mutually agreed otherwise;
- (b) Accountable and report to the central Labor-Management Committee;
- (c) Reviewed annually by the central Labor-Management Committee to determine whether they should be modified, continued or discontinued; and,

- (d) Subject to the provisions of [Article 106--Labor-Management Committees](#).

ARTICLE 106.2A,K--LABOR-MANAGEMENT

COMMITTEES (OYA Youth Correctional Facilities and Camps, OYA Administration and Field Services)

If the Agency and Union agree to establish joint committees at the institution or Agency level to improve work processes and efficiencies, the following guidelines will be employed:

- (a) Such Committee members who are also members of the bargaining unit shall be selected by bargaining unit members.
- (b) Such Committees will be composed of equal numbers of bargaining unit and management services members unless mutually agreed to otherwise.
- (c) Employees appointed to the joint Labor-Management Committees at an Institution shall be in pay status during time spent in committee meetings, provided the meetings occur during regularly scheduled duty time. Approved time spent in meetings shall neither be charged to leave credits nor considered as overtime worked. Appointed employees may choose to attend these meetings on their own time.
- (d) The Committees shall not be construed as having the authority or entitlement to negotiate or contravene any provision of the Collective Bargaining Agreement. Matters which may require a Letter of Agreement shall not be implemented until a Letter of Agreement has been signed by the Labor Relations Unit, Department of Administrative Services, and the Executive Director of SEIU Local 503, OPEU.

ARTICLE 106.2C--LABOR-MANAGEMENT COMMITTEE (OSH)

The parties agree to re-establish one (1) central Labor-Management Committee as outlined in [Article 106--Labor-Management Committees](#). The purpose is to address issues of mutual concern, such as work processes and efficiencies. The Committee will be composed of equal numbers of bargaining unit and management services members, unless mutually agreed to otherwise. Each side shall select their own representatives.

Employees appointed to the Labor-Management Committee shall be in pay status during travel to and from the meeting, as well as time spent in Committee meetings, provided the meetings occur during regularly scheduled duty time. Approved time spent in meetings shall neither be charged to leave credits nor considered as overtime worked. Appointed employees may choose to attend these meetings on their own time.

The meetings will occur monthly, unless mutually agreed otherwise.

The Committee shall not be construed as having the authority or entitlement to negotiate or contravene any provision of the Collective Bargaining Agreement. Matters which may require a Letter of Agreement shall not be implemented until a Letter of Agreement has been signed

by the Labor Relations Unit, Department of Administrative Services, and the Executive Director of SEIU Local 503, OPEU.

The parties agree to participate in training from the Employment Relations Board, or other training resource as available and mutually agreed upon. Further, the parties agree to utilize the process and designated trainer to develop a Labor-Management Committee Mission Statement and Ground Rules. Both parties will designate a representative to coordinate arranging the training as soon as practicable following Tentative Agreement on this provision.

The first issue for this Committee will be to work on the restructuring of the existing Labor-Management Committee.

OSH and the Union may also mutually agree to establish joint sub-committees to improve labor-management relationships, work processes, efficiencies, or other issues of concern. Such joint sub-committees will be:

- (a) Composed of equal numbers of bargaining unit and management members unless mutually agreed otherwise;
- (b) Accountable and report to the central Labor-Management Committee;
- (c) Reviewed annually by the central Labor-Management Committee to determine whether they should be modified, continued or discontinued; and
- (d) Subject to the provisions of [Article 106--Labor-Management Committees](#).

ARTICLE 106.5Q--LABOR-MANAGEMENT MEETINGS (DCBS)

The Agency and the Union agree that early resolution of employees' concerns is mutually beneficial. Therefore, upon written request identifying a specific concern from a group of represented employees, the division administrator or designee will promptly schedule a meeting to confer with the employees. The meeting will be scheduled during or outside normal duty hours at the option of management. If the group exceeds five (5), representatives may be designated to meet with the administrator or designee. The group or a representative of the group will be informed of the results of the meeting. This meeting will not in any way be construed as a grievance.

ARTICLE 107--JOB PROTECTION FOR ON-THE-JOB ILLNESS OR INJURY

Section 1. The State and the Union agree to jointly work to reduce the incidence of on-the-job injuries through health and safety programs and to reduce the unemployment and costs associated with on-the-job injuries through a combination of light-duty assignments, worksite modification programs, and expanded return-to-work opportunities.

Each state Agency agrees to meet annually with select representatives from the Union on paid time to review the frequency and type of on-the-job injuries sustained in the Agency, status of worksite modification requests, and to mutually develop training programs to reduce the incidence of work-related injuries. Ultimate decisions on training

programs and costs are the prerogative of management. However, the State commits to provide existing resources to develop and staff such programs.

Section 2. An employee who has sustained a compensable injury or illness shall be reinstated to his/her former employment or employment of the employee's choice within the Agency, which the Agency has determined is available and suitable upon demand for such reinstatement, provided that the employee is not disabled from performing the duties of such employment. If a position is not available and suitable within the Agency, the employee will be provided employment in another Agency, provided a vacant position exists where the returning worker meets the minimum qualifications and special requirements and the position is intended to be filled.

Any worker, whether covered by this Agreement at the time of injury or not, will be eligible for placement into Agencies covered herein after all filling of vacancies provisions of this Agreement have been completed. Temporary reassignments across bargaining unit lines will not impact representation status.

The State will comply with applicable statutes in administering this Article.

Section 3. Certification of a duly licensed physician that the physician approved the employee's return to his/her regular employment shall be prima facie evidence that the employee should be able to perform such duties.

Section 4. Upon request of the Agency, an employee shall furnish a certificate as defined in Section 3, concerning his/her condition and expectation for a date of return to active employment. Any employee who has been released for return to active employment must immediately, but no later than the seventh (7th) calendar day following the date the worker is notified by the insurer or self-insured employer by certified mail that the worker's attending physician has released the worker for employment, notify his/her supervisor, personnel officer, or someone in management who has authority to act on this demand, of his/her status and that he/she is available to return to work. Extenuating circumstances may extend the requirement for timely notice. An employee who fails to provide timely notice of his/her status shall be considered to have voluntarily terminated his/her employment.

Employees released by their physician for light or limited duty are eligible for modified work consistent with the physician's certification of the worker's capabilities, the Agency's ability to construct duties and availability of work. However, to be eligible for possible light duty or modified work, the employee must, where reasonable to do so, keep in regular contact with the Employer beginning with the day following the injury or illness. This assignment of work is temporary and is established through discussions with the physician as to the prognosis of when the employee will be able to return to his/her full range of duties.

Since duties will be tailored based on a physician's statement of types of light or limited duties the injured employee can do, these duties may overlap various state classifications and may change the essential duties

performed by other employees who will suffer no economic detriment due to these temporary work changes. All reasonable efforts will be made to avoid disruption to existing staff, e.g., filling usable vacancies prior to altering the duties of incumbents.

This is a temporary, modified return-to-work plan, to be reviewed every thirty (30) days and may be terminated when warranted by physicians' statements or light duty is no longer required or can no longer be made available. The return of injured workers shall be exempt from [Article 45](#). Concerning the injured worker, light duty assignments can be made without regard to the requirements of [Article 26](#), [Section 10](#), and [Articles 80, 81, 85, and 90](#), and including all coalition language within these Articles, except where specific work assignments have been designated for return of injured workers.

Although duties of non-injured staff may be temporarily (not to exceed six (6) months) changed, such change may not give rise to a claim under the Articles listed above. However, days off and shifts of permanent full-time employees shall not be affected by this program.

Section 5. The Employer will cooperate with the Workers' Compensation Program in the modification of work or work stations in order to accommodate employees permanently disabled as a result of a work-related injury or illness.

Section 6. When an employee is injured on the job and suffers time loss greater than fifteen (15) days, the Employer shall refer the employee to appropriate sources for explanation of his/her rights and obligations related to medical, retirement, and Workers' Compensation benefits. A letter to the employee's last address of record shall constitute proper referral.

Section 7. All reassignments under this Article will be made in a manner to keep the injured employee at or near his/her official place of employment. No reassignments under this Article will require such employee to travel more than thirty-five (35) miles or the distance of his/her regular commute, whichever is greater.

ARTICLE 108--VIDEO DISPLAY TERMINALS

Section 1. Whenever any new piece of VDT equipment is purchased from outside of State government, the Agency will follow the Department of Consumer & Business Services guidelines on VDTs as they pertain to that piece of equipment. When an Agency buys used equipment, then it will make every effort to comply with Department of Consumer & Business Services guidelines. If it is not able to do so, then any Union Steward, upon identification and submission of a VDT safety practice problem, may request and shall be scheduled to meet with the appropriate management representative to review the specific safety concerns.

Glare screens will be provided upon request. The Employer will provide safe operation instructions when new equipment is installed. VDTs will be cleaned and inspected as needed to ensure proper operation.

Section 2. The Agency will inform employees if it is using computer monitoring. Notice will include what is being

monitored and its intended use.

Section 3. The Agency will not use subliminal software.

Section 4. The Employer and the Union agree that employees who are assigned full-time to continuously operate video display terminals (VDT) or cathode ray tubes (CRT) can be more productive if provided short periods of assignment to other duties throughout the workshift. Subject to operational needs, managers will arrange other work assignments so as to provide ten (10) minutes of relief for each hour worked at a VDT or CRT.

Section 5. Upon request, employees who operate a VDT or CRT shall be provided available wrist rests for trial usage. If the wrist rest is determined to be beneficial a permanent wrist rest will be assigned to the station.

ARTICLE 113.5B,X--SPECIAL PROVISIONS

(Water Resources and OWEB)

Section 1. Office Space Arrangement. The Agency shall discuss any office rearrangement with affected employees and consider the employees' requests prior to such rearrangement.

Section 2. Communications Equipment. Within budgetary guidelines, the Agency shall make available adequate two-way communication equipment in all permanently assigned field vehicles. Additionally, at least one (1) adequate portable unit shall be available in each field office for use by any field staff personnel.

Section 3. Vehicles. Each employee using a permanently assigned vehicle shall be allowed to submit specifications for a vehicle type suitable for his/her needs and location so long as that vehicle is within the budgetary guidelines of the Agency and DAS rules.

Section 4. Field Purchase Orders. Employees who have occasion to make purchases on behalf of the Agency while working in the field may be issued a purchase card through the Small Purchase Order Transaction System (SPOTS) to be used to make such purchases under the rules of the Water Resources Department or Watershed Enhancement Board and upon approval of the issuing financial institution. Employees may also make purchases and be reimbursed for such purchases under the rules of the Water Resources Department or the Watershed Enhancement Board.

ARTICLE 121--EDUCATION, TRAINING, AND DEVELOPMENT

The Agency agrees to offer on an on-going basis to employees, the training program developed by Oregon OSHA entitled "Violence in the Workplace," or some other suitable Agency program, as determined by the Agency.

Employees authorized to attend the training during their scheduled shift will be on paid release time not to include overtime.

ARTICLE 121.1--EDUCATION, TRAINING, AND DEVELOPMENT

(Human Services Coalition)

Section 1. Training. The Agency will pay incurred tuition/registration and allowable travel, per diem, and salary when the Agency directs employees to attend training. Employees may request Agency-sponsored training. Training will be considered based on job, workload needs, and on funding. The Agency will provide regular notice of training opportunities.

Section 2. Job Rotation/Developmental Opportunities.

The Agency may provide competitive and/or employee-specific rotation/developmental opportunities by written agreement with employees who volunteer, who have the approval of their supervisor based on the operational needs of the sending unit. Such agreements shall state the duties, hours of work, and length of the assignment. Employees volunteering for these assignments retain their permanent position classifications, remain on the Agency payroll, retain the representation (SEIU Local 503, OPEU) status of their permanent positions while on the assignment and return to their permanent positions on completion of the assignment. Employees participating in job rotation/developmental opportunities will continue to receive compensation at the rate of their permanent position and shall continue to accrue rights and benefits related to their permanent position.

- (a) **Competitive.** Job rotation/developmental opportunities which are designated by management as competitive will be filled in a competitive manner. Recruitment notices for such opportunities will receive the widest reasonable distribution within the Agency. Recruitment notices shall contain: job description, basic qualifications, length of assignment, and deadline to apply. Agencies have the discretion to limit advertising to employees within a specific geographic area or Division/program.
- (b) **Employee-Specific.** Agencies have the discretion to create job rotation and/or developmental opportunities, including job shadowing, which are designed to meet the interests and/or needs of specific employees. Because they are employee specific, such opportunities are not appropriate for filling in a competitive manner.

Section 3. Educational Leave. Employees may be granted time off with pay to take job-related educational courses or training sessions.

Section 4. Agencies shall make available to any employee upon his/her request, classification specifications which contain the requirements and/or qualifications for any jobs within the Agency.

Section 5. Employees may need training to perform tasks required by the Agency as a result of an involuntary change in assignment or workload. Employees so identified by the Agency shall be afforded an opportunity to participate in job-related training upon approval of the Agency without loss of pay or benefits.

Section 6. Upon initial hire, rehire, promotion or job

transfer, management agrees to notify an employee of the required training related to his/her position, if any is determined by management, within a reasonable time period. Such notification will include the expected timeline for completion of the required training, recognizing that operational needs may require some adjustment.

(See Letter of Agreement [121.00-99-41](#) in Appendix A.)

ARTICLE 121.2--EDUCATION, TRAINING, AND DEVELOPMENT (Institutions Coalition, except OYA Administration and Field Services)

Section 1. Career Advancement. The Employer shall make every reasonable effort to promote the continuing education, training, and upgrading of employees in areas that are job-related. Furthermore, the Employer shall make every reasonable effort to meet personnel needs through career development to prepare for career advancement.

Section 2. It is recognized that training cannot always be conducted at times convenient to all employees involved. Oregon State Hospital will, however, make a good faith effort to offer options for an employee to complete required trainings at a time conducive to his/her work schedule. The scheduling of training sessions conducted by the Institution or Facility shall consider the personal circumstances of the employee to be involved as far as is practicable and will provide affected employees with five (5) working days advance notice of training if the training will be outside the employee's normal working hours. Employees will be provided training in accordance with the Institution or Facility's Annual Training Plan, designed to accomplish the objectives for which the Institution or Facility is budgeted. Notice of availability of conferences shall be posted, provided the Institution or Facility receives such notices, in pre-designated areas sufficiently in advance to allow employees to plan to apply for such opportunities.

Section 3. The Union shall have at least two (2) members on the Clinical Education Committee and at least two (2) members on the Non-Clinical Education Committee. Employees appointed to these Committees shall be in pay status during travel to and from the meeting, as well as time spent in Committee meetings, provided the meetings occur during regularly scheduled duty time. Approved time spent in meetings shall neither be charged to leave credits nor considered as overtime worked. Appointed employees may choose to attend these meetings on their own time.

Section 34. New employees shall be provided orientation to the Institution or Facility and to their specific job functions within thirty (30) days of employment.

Section 45.

- (a) When required by the Employer to attend classes or conferences related to the employee's current classification or for developmental purposes, whether during working hours or not, the employee shall be granted leave with pay if the training occurs during employee's regular work hours. If training occurs outside the employee's regular work hours, his/her schedule may be adjusted without penalty. The Employer shall pay tuition, fees, and charges related to

the required training.

- (b) Subject to operating requirements and if occurring during the employee's regular work hours, the employee shall be granted leave with pay for classes or conferences related to the employee's current classification or developmental purposes for which the Institution or Facility may pay tuition, fees, and charges. Where attendance must be limited due to operating requirements, such opportunities shall be distributed as equitably as possible among employees requesting such opportunity. The Employer will determine the job-relatedness of such training. Time spent in training beyond the normal work schedule shall not be counted as time worked for any purpose including overtime.
- (c) When an employee voluntarily requests training, education, etc., that is not directly job-related, regardless of whether the Agency agrees to pay for all or part of the expenses associated with such training, time spent in this training will not count as time worked for any purpose including overtime.

Section 56. Employees who need training to perform tasks required by the Institution or Facility as a result of an involuntary change in assignment or workload shall be afforded the opportunity to attend job-related classes offered by the Institution or Facility, in lieu of their regular duties, without loss of pay or benefits.

Section 67. Developmental Opportunities. The Institution or Facility may provide developmental assignments and job rotation assignments. Employees in these assignments retain their permanent position classifications, remain on the Institution or Facility payroll, retain the representation status of their permanent positions while on the assignments (except for assignments in supervisory, managerial or confidential positions), and return to their permanent positions on completion of the assignment.

An employee filling a developmental assignment or job rotation assignment expected to last more than thirty (30) days shall be informed in writing at the time of the assignment of its anticipated term.

Employees participating in developmental and job rotation assignments will continue to receive compensation at the rate of their permanent position and shall continue to accrue rights and benefits related to their permanent position.

Section 78. Notification of positions available for underfill shall be posted in the appropriate work area. An employee who is underfilling a position shall be informed in writing at the time of the assignment that he/she is an underfill, the reasons for the underfill, and the requirements necessary for the employee to qualify for reclassification to the allocated level. Upon meeting the requirements for the allocated level of the position, the employee shall be reclassified.

Section 89. Each new employee hired under any circumstance to work directly with clients shall receive eight (8) hours of training in patient/client control procedures in order to be able to defend themselves and others from

attacks in a manner that will minimize the harm to themselves or the attacker. This training will be completed within the first thirty-one (31) calendar days of employment.

Section 910. On an annual basis, the Institution or Facility agrees to offer training in areas related to safety in the workplace (e.g., self-defense and preventing and managing aggressive behavior) and other areas as deemed appropriate by the Institution or Facility. Additionally, education on blood-borne diseases (AIDS and Hepatitis-B) will be updated annually.

- (b) For employees who are not required to wear prescription glasses at all times: The Agency will pay for or provide basic nonprescription safety glasses. Since these come in stocks similar to sunglasses, no fitting or dispensing fees would be incurred.
- (c) If safety glasses are broken as a result of an on-the-job accident which is not the willful fault of the employee, they will be replaced as in (a) and (b) above.

Section 5. Extra equipment or Agency/division/section equipment for general use of personnel shall not be listed on an individual bargaining unit worker's inventory list.

ARTICLE 123--INCLEMENT OR HAZARDOUS CONDITIONS

Section 1. Notifications.

- (a) The Employer/Agency designated official(s) may close or curtail offices, facilities, or operations because of inclement or hazardous conditions. The Employer/Agency will announce such closure or curtailment to employees no later than 5:00 a.m., and may accomplish this through pre-designated internet web sites, telephone trees, radio stations and/or television media. The Agency shall notify employees of these designations and post the notices on Agency bulletin boards by November 1st of each year. Notifications do not apply to employees who are required by the Employer/Agency to report to work. Employees required to report to work shall be notified of this designation no later than November 1st of each year. Such designations may be modified with two (2) weeks advance notice to the affected employee(s).
- (b) Where the Employer/Agency has announced a delayed

opening pursuant to Section 1(a), employees are responsible for continuing to monitor the reporting sites for updated information related to the delay or potential closure.

Section 2. Employees who are required to report to work by the Employer/Agency shall be in leave without pay status if absent, unless otherwise on authorized leave. If an employee shows up within two (2) hours of their scheduled shift, subject to operating requirements and supervisory approval, they may make up the work time missed during the same workweek, provided work is available. For purposes of [Article 58](#), an employee may use up to four (4) hours, as needed, of appropriate accrued leave to meet the eligibility requirements of Article 58, Section 3.

Section 3. Fair Labor Standards Act (FLSA) Non-Exempt Employees.

(a) When the Employer/Agency notifies employees not to report to work pursuant to Section 1, the following applies:

(1) Non-exempt employees shall not be paid for the period of the closure. However, employees shall be allowed to use accrued vacation, compensatory time off, personal leave or leave without pay for the absence(s).

(2) A non-exempt employee arriving at work after the Employer/Agency has announced a closure or curtailment of operations shall be directed to leave work and shall not be paid for the remainder of the shift unless utilizing accrued leave as described above.

(3) In instances where an employee is not observed upon arrival and actually begins work at his/her workstation that employee shall be entitled to pay for all actual hours worked until sent home.

(4) If an employee's scheduled reporting time and his/her arrival is within two (2) hours of the notice of closure, he/she shall be paid for two (2) hours at the straight-time rate of pay.

(b) When the Employer/Agency fails to notify employees not to report to work, pursuant to Section 1, FLSA Non-Exempt employees who arrive to start their scheduled shift within two (2) hours of notice of closure shall be paid for two (2) hours at the straight time rate of pay.

Section 4. FLSA-Exempt Employees. Pursuant to the FLSA, an exempt employee shall be paid for the workshift. An FLSA-exempt employee may be required to use paid leave where the closure applies to that employee for one (1) or more full workweek(s).

Section 5. When in the judgment of the Employer/Agency, inclement or hazardous conditions require the closing of the workplace following the beginning of an employee's workshift, the employee shall be paid for the remainder of his/her workshift.

Section 6. Alternate Worksites. Employees may be assigned or authorized to report to work at alternative worksites or with prior approval from their supervisor may work from home and be paid for the time worked.

Section 7. Late or Unable to Report. Except as provided for in Section 2 of this Article, where the Agency remains

open and an employee notifies his/her supervisors that he/she is unable to or will be late in reporting for work due to inclement or hazardous conditions, the employee shall use accrued vacation leave, compensatory time off, personal leave, or leave without pay.

Section 8. Employees on Pre-Scheduled Leave. If an employee is on pre-scheduled leave the day of inclement or hazardous conditions, the employee will be compensated according to the approved leave.

Section 9. Make-up Time Provisions. Subject to Agency operating requirements and supervisory approval, employees who do not work pursuant to Section 3 and Section 7 of this Article may make up part or all of their work time missed during the same workweek. In no instance will time worked during the make-up period result in overtime, compensatory time, or premium payments being charged to the Agency.

Section 10. Temporary Employees. Non-exempt employees will be unscheduled from work and FLSA-exempt temporary employees will be in paid status for closures less than one (1) full workweek and unscheduled from work for closures more than one (1) full workweek under this Article unless the temporary appointment ends.

ARTICLE 124.5--BUS DRIVERS

(Special Agencies Coalition)

Physical examinations for bus drivers' licenses required by the Agency shall be provided by the Agency.

ARTICLE 125--TECHNOLOGICAL CHANGE/ RETRAINING

Section 1. Definition. Technological change is defined as a change in equipment, particularly of an electronic or mechanized nature, which may have the result of reducing the number of bargaining unit employees, reducing the required work hours of bargaining unit employees, and/or altering skill requirements for job positions within the bargaining unit.

Section 2. The Parties support technological advancement, recognizing that it is necessary to ensure an expanding economy. Similarly, the Parties recognize that job displacement, occupational shifts, and employee working conditions may be adversely affected by the introduction of new technology. To reconcile these conflicting realities, the Parties agree to the following:

- (a) The Employer agrees to give the Union sufficient advance notice of anticipated technological changes which will have a substantial impact on the manner in which job duties of a significant number of employees are performed so that it can review such changes and evaluate the impact on bargaining unit members. With this notice, the Employer shall inform the Union of whether and to what extent it anticipates that the changes will displace employees, cause a reduction in work hours, cause a change in skill requirements, or result in the fragmentation of existing jobs.
- (b) An ad hoc Union/Management Technological Change Committee, composed of three (3) persons from the

Union and three (3) persons from management, shall be established for the purposes of reviewing the technological change and its impact on the working conditions of bargaining unit members.

- (c) The Employer agrees to meet with the Union to discuss the Committee's findings and recommendations and it agrees to make every good faith effort to reduce the detrimental effects of technological change on bargaining unit members.
- (d) Should a regular status employee become displaced, the Agency shall offer Subsection (1) or (2) under the following conditions:
 - (1) Subject to funding, Agency needs, employee interests and ability, and scheduling, the Agency will provide retraining.
 - (2) Should a regular status employee become displaced as a result of technological change, the Agency shall make a reasonable effort to place the affected employee into another position in the Agency or other Agencies in State government.

ARTICLE 127.2A--NOTIFICATION

(OYA Youth Correctional Facilities and Camps)

Section 1. Upon request of the Union, the Institution will furnish to it a statement of its rules or policies on employment relations matters, any specific rule or policy or any information on personnel actions in which the Union has an appropriate interest.

Section 2. All records designated as public records by law and rule shall be open to inspection of the Union during regular office hours.

Section 3. In order for the Parties to be as informed as possible on matters for collective bargaining, either Party shall furnish or make available to the other, upon request, such specific personnel records or files as they possess and which are pertinent to a matter for negotiation of which the Party has given notice. Articles which are classed as confidential under law or rules of the Labor Relations Unit shall not be made available.

ARTICLE 127.2C,G,H--NOTIFICATION

(OSH, BMRC, Pendleton Cottage)

The Institution or Facility will provide the employees with two (2) copies of any letter of dismissal, demotion, reduction in pay, or suspension for disciplinary reasons. The Institution or Facility will inform the employee that he/she may provide a copy of the letter to the Union if he/she chooses to do so.

ARTICLE 129.2C,G,H--POSITION IDENTIFICATION

(OSH, BMRC, Pendleton Cottage)

Section 1. The Institution or Facility shall maintain in the Personnel Department such records as are necessary to show the number and classification of positions in the Institution or Facility assigned to each department or unit and the classification of each assigned employee. Positions which are underfilled for training purposes shall be designated on the record. The Union may examine this

record, upon request, during normal business hours.

Section 2. An area roster shall be maintained and posted in each three-shift operation work area showing the shift, incumbent employee, and days off. This roster will be updated on a yearly basis, at the time of major reorganization or upon significant turnover.

Section 3. Employee Identification. Employees who work in any area where patients have access, upon their request, will be allowed to wear a name badge with first name (or variant of the first name) and first initial of the last name. This manner of identification will be used in all documents that are used in patient areas (i.e., functionals, schedules, etc.).

ARTICLE 130--PROFESSIONAL RECOGNITION

At the request of an employee who was the primary author of a manual, manuscript, or other similar major publication for which he/she would like to receive recognition, the Agency agrees to provide appropriate individual recognition on the manual, manuscript, or other similar major publication.

ARTICLE 131.3E--AGENCY-ASSIGNED HOUSING

(ODFW)

Section 1. An employee who is hired for a position that requires the employee to live in Agency-assigned housing shall be provided such housing at the time of appointment. The employee will continue to occupy that housing unit for the duration of their Agency employment so long as they remain in their original position and continue to work at that specific worksite.

ARTICLE 132--CRIMINAL RECORDS CHECK

Section 1. Except as provided by Governor's executive order or state or federal law as implemented by Agency rule or policy, the Employer will not require a criminal records check on any current employee in his or her current position if the requirement was not in place when the employee was appointed to the position. Agencies will send Agency rules, policies, and subsequent changes to SEIU Headquarters. Upon notification, the Union may exercise its rights pursuant to [Article 5](#) of this agreement as it applies to changes in Agency rule or policy implementing Governor's executive orders or state or federal laws regarding criminal records check requirements.

Section 2. Position Descriptions and Recruitment Announcements. If a criminal records check is required for a position, such requirement shall be included in the recruitment announcement. As a position description is revised, the requirement for a criminal records check shall be included, however this does not apply where all agency positions require a criminal records check.

Section 3. Determination in Current Position.

- (a) If an employee is found to be unfit for his/her current position based on a new criminal records check and the Agency proceeds under [Article 20](#), the employee retains all [Article 20](#) rights.
- (b) If a regular status employee is determined to be unfit

for his/her current position based on a new requirement, then the employee shall be notified of the determination and upon request will be informed of the information from the criminal record used in the determination. The employee will be provided options, including layoff.

Section 4. Promotions, Transfers, and Voluntary Demotions.

If through a promotion, transfer, or voluntary demotion process a criminal records check is required and an employee is found to be unfit, upon request, the employee will be informed of the information from the criminal record used in the determination.

The appointment to the position will not be delayed. Fitness determinations based on information from the criminal record checks shall not be subject to the grievance/arbitration procedures.

Section 5. Layoff/Recall.

(a) **Layoff.** In the event of a layoff, a criminal records check will not be required as a condition of employment, for displacing an employee from another job, bumping into another job, demotion to another job, or being recalled to a position, unless specified in the position description. If required, the employee will be notified before the criminal records check commences. Once notified, the employee can waive his/her right to that position and may displace the lowest seniority employee in a position where no criminal record check is required, pursuant to [Article 70](#) and the prioritization of his/her option(s) as previously communicated to the Agency.

If all positions in the Agency require a criminal record check, this information will be included in the notification of pending layoff given the Agency is not required to reflect the criminal record check in the position description.

(b) **Recall from Layoff.** If in the recall process an employee is determined to be unfit for a position, upon request the employee will be informed of the information from the criminal record used in the determination. Any appointment to the recall position will be delayed until the conclusion of the meeting.

Section 6. Regardless of whether the fitness determination was based on an accurate or inaccurate criminal record, the employee may request a meeting to discuss the information from the criminal record used in the determination. Such discussion, if requested, shall be within five (5) working days of the notification. Upon the request of the employee, a Steward may accompany the employee during the meeting. In the event the fitness determination changes as a result of the information provided, the Agency will notify the employee in writing. If an employee is not satisfied with the results of the meeting, he or she may appeal the fitness determination as outlined in the Agency rule or policy.

Section 7. Fitness determinations based on information from the criminal record checks shall not be subject to the grievance/arbitration procedures, except as provided in Section 3(a).

Section 8. Information received as a result of a criminal records check shall be secured in a file separate from the employee's official personnel file. Destruction of the information received as a result of a criminal records check shall be consistent with state or federal law.

Section 9. Employees shall not be required to pay the Employer's/Agency's criminal records check fee(s) or Employer/Agency representation costs.

ARTICLE 133--DOMESTIC VIOLENCE, SEXUAL ASSAULT OR STALKING VICTIM LEAVE

An employee is allowed to use accumulated leave or leave without pay if the employee or his/her dependent (including their adopted child, foster child or stepchild) is the victim of domestic violence, sexual assault or stalking, pursuant to [State Policy \(DAS, HRSD Statewide Policy 60.000.12\)](#) An employee who claims to be aggrieved by an unlawful employment practice as specified in the policy may file a civil action under [ORS 659A.885](#).

ARTICLE 134--CRIME VICTIM LEAVE

If an employee or a member of their immediate family has suffered financial, social, psychological or physical harm, as a result of a person-to-person felony, he/she may take leave to attend a criminal proceeding, pursuant to [State Policy \(DAS, HRSD Statewide Policy 60.000.12\)](#) An employee who claims to be aggrieved by an unlawful employment practice as specified in the policy may file a civil action under [ORS 659A.885](#).

ARTICLE 135--WORK ENVIRONMENTS

To promote involvement of all employees in continuous improvement of State services, State agencies shall proactively solicit participation from affected employees pursuant to State Policy (DAS, HRSD Statewide Policy) [50.055.01 Continuous Improvement in State Service](#). The Labor/Management Committee, or alternate forums, may be used to facilitate advancement of ideas for efficiencies. This Article is not subject to the grievance procedure.

ARTICLE 136--CRITICAL INCIDENT LEAVE

Any employee who, during the performance of his/her work, is directly involved in an incident of on-duty violence, shall be allowed reasonable time off immediately after the incident to recover from any physical or psychological impairment or disability caused by the action. Directly involved means physically attacked or physically intervening in an attack of a staff member.

Such leave shall be charged against any accumulated time the employee has earned. The employee may decide the type of accumulated time against which this leave shall be charged.

However, where an employee is receiving compensation through Workers' Compensation or other victim compensation relief, such charges will be made on a pro-rata basis not to exceed the employee's regular salary.

Any period of time beyond one (1) day necessary for purposes of readjustment shall be determined by the employee's physician or mental health practitioner. The Employer may require the employee to see a practitioner of the Agency's choice in order to verify the employee's practitioner's opinion.

~~LETTER OF AGREEMENT 02.00-99-04~~

~~Article 2--Recognition~~

~~Procedure for Exclusion of Filled Bargaining Unit Positions Based on Supervisory, Managerial or Confidential Status~~

~~This Letter of Agreement is entered into between the Department of Administrative Services, Labor Relations Unit (DAS, LRU), on behalf of the State of Oregon (Employer), and the SEIU Local 503, OPEU (Union) as it pertains to the exclusion of filled bargaining unit positions based on supervisory, managerial or confidential status, under Article 2--Recognition of their 2009-2014 Collective Bargaining Agreement.~~

~~The Employer and the Union agree as follows:~~

- ~~(e) DAS, LRU shall provide the Union with no less than twenty (20) days written notice of its intent to exclude a filled bargaining unit position based on supervisory, managerial or confidential status. DAS, LRU agrees not to change the position's designation from represented to management service during this twenty (20) day period.~~
- ~~(f) Should the Union decide to contest the proposed exclusion, it shall serve DAS, LRU with written notice of its intent to contest the exclusion within twenty (20) days of its receipt of the notice of intent to exclude. Should such notice be given by the Union, DAS, LRU will forego implementing the change in designation for an additional forty (40) days, beyond the initial twenty (20) day period. The purpose of this forty (40) day period is to allow the Union time to investigate whether it has grounds to contest the proposed change in status. If the Union decides to pursue challenging an exclusion, it must file with the Employment Relations Board (ERB) prior to the end of this forty (40) day period. In such event, DAS, LRU agrees to forego implementing the change in designation until the matter is resolved by way of ERB decision, settlement, or other manner.~~
- ~~(g) If DAS, LRU does not receive timely notice from the Union indicating its intent to contest the exclusion during the initial twenty (20) day period or if the Union does not file with the ERB during the subsequent forty (40) day period, DAS, LRU may proceed to change the position's designation, and the Union agrees not to contest the excluded status of this position during the remainder of this contract term, unless the position's duties should materially change such that the exclusion is no longer warranted.~~
- ~~(h) For purposes of this Agreement, written notice may occur by personal delivery, fax or mail (postmark) within the time frames cited above.~~

2. Temporary employees who are hired to work for the Agency prior to or after Fair time will be included in the Union's bargaining unit if they otherwise fall within the bargaining unit description set forth in [Article 2](#).
3. Temporary employees who are hired to work for the Agency during Fair time and who continue to work for the Agency as temporary employees after Fair time, shall be included in the Union's bargaining unit if they otherwise fall within the bargaining unit description set forth in [Article 2](#), but only for the period that they continue to work beyond Fair time. For example, a temporary employee (who otherwise falls within the [Article 2](#) bargaining unit description) hired by the Agency on August 1 who continues to work as a State Fair temporary employee after September 30, will be included in the Union's bargaining unit only from the day following September 30.
4. Temporary employees who are hired to work for the Agency prior to Fair time (who fall within the [Article 2](#) bargaining unit description) would continue to maintain their status as bargaining unit members, even though they continue to work during Fair time. For example, a temporary employee (who falls within the [Article 2](#) bargaining unit description) hired by the Agency prior to June 15, who continues to work as a temporary employee through Fair time, would be included in the Union's bargaining unit during that whole period of time.

LETTER OF AGREEMENT 10.1M-05-119

Article 10.1M--Union Rights

Clarification of Intent Concerning DDS Understanding & Workload Adjustment (DHS-OHA)

Clarification:

The above referenced Sections are part of a Central Article describing activities performed during the Steward's regular work schedule, subject to advance notice to the Steward's immediate supervisor. The permitted activities will be granted unless such activities would interfere with the work the Steward is expected to perform. In instances where there is interference with the work, the immediate supervisor shall, within the next workday, arrange an alternate, mutually satisfactory time for the requested activity. Such activities do not warrant any workload adjustment.

Although not specifically mentioned in [Article 10](#), it is intended that in instances where a Steward (acting in his/her official capacity) participates in activities other than those described in Sections 11 and 12 which are initiated and/or requested by management, such Steward may request a workload adjustment. Such adjustments will be granted assuming there is documentation to support the Steward's claim that the time involved in such activities during the month is more than de minimus. An example of such activity would be participation on a Labor-Management Committee which is a mutual benefit to both management and labor.

This clarification is not intended to supersede Coalition specific [Article 10](#) provisions.

DDS Understanding:

Despite the above clarification, DDS management is willing to consider individual Steward requests for adjustment to existing work production standards where such Stewards submit a monthly activity report of work time spent on activities outlined in paragraph #1 and/or #2 above and which demonstrates that the time involved was other than de minimus. Such workload adjustment is limited to DDS Stewards in the Disability Analyst Classification series due to their high production standards. For example, if a Steward's monthly activity report demonstrates that five percent (5%) of the Steward's time had been spent on official Union activities, management could decide to adjust the Steward's work production standards up to a maximum of five percent (5%). A determination of de minimus will be based on the time involved being up to two (2) hours per week.

The Union agrees that the consideration described in the previous paragraph will not establish a past practice for other than DDS Disability Analyst Stewards nor can it be referenced in any other forum.

Lastly, this understanding will replace any and all previous understandings within DDS.

Article 21.1C--Grievance and Arbitration Procedure **Alternate Dispute Resolution (Employment)**

This Agreement is entered into between the Department of Administrative Services (Employer), on behalf of the Employment Department (Agency), and the SEIU Local 503, OPEU (Union).

Objective: To enhance previous Letters of Agreement that committed the Employment Department to an alternate dispute resolution process and improve utilization of mediation to resolve issues at the lowest possible level. 1. When an issue needing resolution arises, the employee, supervisor, and/or other affected Parties will attempt to meet in an attempt to resolve the issue at the lowest possible level. If the issue is an alleged contract violation, this meeting will occur within the thirty (30) day grievance filing period.
2. If the issue is resolved, this settlement will be summarized and kept in the section. If it was an alleged contract violation, mediated resolutions shall be non-precedential and shall not be cited by either Party or their agents or members in any arbitration or fact-finding proceedings.
3. If the issue is not resolved through a meeting, resolution may be sought through:
 - (a) the local Labor-Management Committee; or
 - (b) mediation. Mediation is voluntary on part of all participants.

The conclusion of mediation can be initiated by either Party or the mediator.

If mediation of an alleged contract violation is requested within the thirty (30) day filing period, the timelines for filing the grievance are automatically held in abeyance. If mediation does not result in resolution of an alleged contract violation, the employee may file a grievance with the Agency Head as Step 2 of the grievance procedure within fifteen (15) calendar days of the conclusion of mediation.

If the request for mediation is submitted by the employee at any time in any step after a grievance is filed, the grievance timelines are automatically held in abeyance. If resolution is not achieved through mediation, the employee may file a grievance at the step following the last completed step of the grievance procedure within fifteen (15) calendar days of the conclusion of mediation. Mediation panels will consist of one (1) mediator from the Agency's Office of Human Resources and one (1) mediator represented by SEIU.

To request mediation, all affected Parties must sign a completed Mediation Request Form and submit to the SEIU Local 471 President or Agency's Office of Human Resources Manager. The President and Office of Human Resources Manager shall assign a mediation panel within thirty (30) calendar days from the date the request is received. The Parties will have thirty (30) calendar days to resolve the issue. This timeline can be extended by mutual agreement. Mediation sessions will be conducted on Agency time.

To ensure that the terms of the settlement are achieved and to hold managers accountable for settlements being met, copies of mediated settlements shall be given to the Parties, and the supervisor's manager where the issue arose. A copy will also be sent to the Office of Human Resources for statistical purposes and placed into a confidential mediation file. The mediated settlement will not become part of the employee's official personnel file.

Mediation sessions and any settlements reached in these sessions will be confidential. Stewards may review mediation settlements in the Office of Human Resources in the course of representing an employee in a grievance matter.

The mediation process will not be applicable to the following circumstances:

- 1) issues already mediated, unless both Parties agree that the fundamental issue is not resolved;
- 2) the issue is being addressed outside the Agency (i.e., BOLI, ERB, workers compensation or court);
- 3) non-workplace disputes;
- 4) disciplinary actions;
- 5) letters of expectation; and,
- 6) performance appraisals.

The Agency and Union will make quarterly reports to the Worksite Committee on the mediation program.

- (c) the grievance process. The first meeting would serve as the first step and the grievance would be sent to the Agency Head as Step 2. The employee and supervisor will submit a letter of explanation for proceeding directly to Step 2 of the grievance process without requesting mediation. The

timelines in the Contract apply.

Implementation Procedures:

The President and Office of Human Resources Manager shall, within thirty (30) calendar days from the date the successor Agreement becomes effective, meet to:

1. Update and implement an Agency communications plan.
2. Review and update the current procedure for assigning mediation panels. There will be a review of the current mediator list.
3. Update the training plan for mediators, if such a plan is needed.
4. Review the quarterly reporting process and update it, if needed. Quarterly reports may include, but not be limited to the number of mediations, the subject matter mediated, the number of agreements and any program issues that are being addressed.

The above work will be completed within sixty (60) calendar days from the first meeting.

LETTER OF AGREEMENT 26.00-99-14

Article 26--Differential Pay

IS Team Leader

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) and the SEIU Local 503, OPEU (Union).

The purpose of this Agreement is to establish a ten percent (10%) Information Services Team Leader Differential for all Agencies that assign such duties to bargaining unit employees under the following conditions:

1.
 - (a) Bargaining unit employees occupying positions that are classified as Information Specialist 1-8 will be eligible for the differential in accordance with Section 1(e) of this Agreement.
 - (b) The differential shall be ten percent (10%) beginning from the first day the duties were formally assigned in writing.
 - (c) Bargaining unit employees shall not be eligible for any work out-of-class pay, leadwork differentials or any other premium pay except for overtime and penalty payments as compensation for team leader duties. If an employee receives more than one (1) differential (except overtime as mandated by the FLSA), the differentials will be calculated on the base so that no "pyramiding" occurs (i.e., if an employee is receiving the team leader differential and out-of-class differential, the two (2) differentials would be calculated separately and then added onto the base pay).
 - (d) The differential shall be ten percent (10%) above the employee's base salary rate.
 - (e) For a bargaining unit employee to be eligible for the differential, the Agency must formally assign the employee in writing to perform team leader duties, the employee leads a team of employees and performs substantially all of the

following duties under supervisory direction:

- (i) Plans for short and long term needs of team, including such areas as technology to be used, user requirements, resources required, training necessary, methods to accomplish work, multiple project timelines and competing priorities.
- (ii) Establishes and coordinates multiple interrelated project schedules for all projects on which the team is working.
- (iii) Works directly with multiple users to identify broad user needs and requested timelines when projects are submitted for the team.
- (iv) Provides technical/operation guidance to contractors and monitors quality assurance.
- (v) Develops technical standards and monitors team members' work for compliance.
- (vi) Performs leadwork duties on a recurring daily basis as listed in [Article 26](#), Section 6 of the Master Agreement which are to orient new employees, if appropriate, assign and reassign tasks to accomplish prescribed work efficiently, give direction to workers concerning work procedures, transmit established standards of performance to workers, review work of employees for conformance to standards and provide informal assessment of workers' performance to the supervisor.

2. Bargaining unit employees shall not be eligible for the differential if they are on voluntary developmental training assignment.
3.
 - (a) If an employee believes that he/she is performing the duties that meet the criteria stated in Subsection 1(e), but the duties have not been formally assigned in writing, the employee may notify the Agency Head in writing. The Agency will review the duties within fifteen (15) calendar days of the notification. If the Agency determines that Information Services Team Leader duties were in fact assigned and are appropriate, the differential will be effective beginning with the day the employee notifies the Agency Head of the issue.
 - (b) If the Agency determines that the duties were in fact assigned but should not be continued, the Agency may remove the duties during the fifteen (15) day review period with no penalty.
 - (c) If the Agency concludes that the duties are not Information Services Team Leader duties, the Agency shall notify the employee in writing within fifteen (15) calendar days from receipt of the employee's notification to the Agency Head.
4. This Agreement does not establish any precedent in the negotiation of any other pay differentials during the term of the 2007-2009 biennial agreement. This Agreement also does not create any obligation on the Employer to negotiate any new or revised pay differentials during the term of the biennial agreement.
5. This Agreement terminates June 30, ~~2013~~2015.

Article 27--Salary Increase
Step Increases

~~This Letter of Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) and the SEIU Local 503, OPEU (Union).~~

~~The Parties agree to the following:~~

- ~~1. Effective July 1, 2012, eligible employees will receive one-half (1/2) of a step on their salary eligibility date (SED), pursuant to Article 29, and will receive the remainder of the step six (6) months after their SED.~~
- ~~2. For eligible employees with SEDs of January 2013 through June 2013, the second half of the step increase will be given at 11:59 p.m., on June 30, 2013.~~
- ~~3. Employees who received a step increase in July 2011, will not receive an additional step through June 30, 2013.~~

LETTER OF AGREEMENT 27.00-11-225
Article 27--Salary Increase
Step Slide Committee

~~This Letter of Agreement is entered into between the State of Oregon, acting through its Department of Administrative Services, Labor Relations Unit (Employer), on behalf of the state agencies under the jurisdiction of the SEIU Local 503, OPEU (Union). SEIU represented employees hired between July 1, 2009 and June 30, 2010 received a step increase on their eligibility date after August 30, 2010, while those hired previously who were on the first (1st) step in their respective salary scale on June 30, 2009 did not receive the corresponding step increase in the same biennium. In effect, employees with less seniority are paid one (1) step higher than their more senior co-workers. In order to rectify the "step slide" that happened during 2009, the affected employees will receive a one (1) step increase, effective July 1, 2013 without a change in their current salary eligibility date, provided the following conditions apply:~~

- ~~1. The employee has continuously been a member of the SEIU bargaining unit from July 1, 2009 through implementation of the 2013-2015 SEIU Collective Bargaining Agreement.~~
- ~~2. The employee has received no "make-up" step or received an extra meritorious step increase since July 1, 2009.~~

~~Issue: LOA 27.00-09-170 signed on December 13, 2007 implemented adding a new top step and dropping the old first step from the comp plans effective on June 30, 2009. Paragraph 3 of the LOA provided that employees whose salary rate fell below the new first step of their classification's pay range after the step was dropped, moved to the new first step. In addition, Paragraph 3 provided that the employee's Salary Eligibility Date (SED) was changed to July 1, 2010.~~

~~However, a subsequent LOA negotiated for the 2009-2011 CBA (LOA 27.00-09-190) implemented a salary freeze effective from September 2009 through August 2010, the employee's July 1, 2010 SED fell during the salary freeze period. As a result, the employees' SED was~~

APPENDIX A – LETTERS OF AGREEMENT

~~adjusted to July 1, 2011 and their next salary adjustment eligibility date, which was after the salary freeze was lifted.~~

~~The 2009-2011 salary freeze LOA 27.00-09-190 as Paragraph (6)(b) addressed initial appointments in state service between July 1 and September 1, 2009. This clause provided that the initial hire employees would receive a one (1) year step increase (“catch up”) on September 1, 2010. This clause did not cover the employees in the paragraph above that, under LOA 27.00-09-170, moved to the new first step and had their SED changed to July 1, 2010.~~

~~The add—drop step employees did not receive the increase September 2010 but had to wait until July 1, 2011 paid August 1, 2011 to receive the second step. However, a newly hired employee during the 2009-2011 freeze did receive an additional step on September 1, 2010. Hence, the more senior add—drop step employees fell behind in pay for a period of time compared to the less senior employees hired during July 1—September 1, 2009. Employees hired after that period, for example October 1, 2009, received their second step October 2010 which also was before the add—drop step employees (hired before July 1, 2009) received their second step on July 1, 2011. To compound things, now steps are frozen again for August 1, 2011 through June 30, 2012.~~

~~The Parties recognize the significance and importance of creating and maintaining a pay structure that incorporates the components of internal equity, external equity, and balances that with the state's ability to pay.~~

~~Therefore, the Parties agree to the following:~~

- ~~1. The Employer and Union agree to establish a committee to analyze, develop and recommend affordable solutions, if any, to the pay inconsistency described above.~~
- ~~2. Each party shall appoint four (4) representatives to serve as members of the committee. Employees shall serve on paid time if the meeting time is during their regularly scheduled work hours. DAS LRU staff will be responsible for convening the committee and sending the necessary union leave release notices.~~
- ~~3. Appointed employees shall not be eligible for overtime or penalty payments for serving on the committee. Any travel for work on this committee will be governed by the State travel policy.~~
- ~~4. Appointed employees shall notify their supervisor at least five (5) work days before any meetings regarding their absence from work to participate on the committee.~~
- ~~5. The committee findings and recommendations shall be submitted to the Governor's Office no later than June 30, 2012.~~
- ~~6. This agreement becomes effective on the date of the final ratification of the agreement and ends June 30, 2013.~~

Therefore, the Parties agree to the following:

1. To include SEIU on a joint committee of labor and management representatives to design the delivery system for the Plan and educational components of the Health Improvement Plan that was introduced and recommended for adoption to PEBB.

APPENDIX A – LETTERS OF AGREEMENT

- ~~2. The Committee will also review and evaluate the PEBB Health Improvement Plan and will define benchmarks for evaluating the effectiveness and efficiencies of the Plan. - ~~3. The Union shall appoint four (4) representatives to serve as members of the Committee. Employees shall serve on paid time if the meeting time is during their regularly scheduled work hours.~~
- ~~4. Appointed employees shall not be eligible for overtime or penalty payments for serving on the Committee. Any travel for work on this Committee will be governed by the State travel policy.~~
- ~~5. Appointed employees shall notify their immediate supervisor at least five (5) work days before any meetings regarding their absence from work to participate on the Committee.~~
- ~~6. The Committee findings and recommendations shall be submitted to the Governor's Office no later than June 30, 2013.~~
- ~~7. This Agreement becomes effective on the date of the final ratification of the Agreement and ends June 30, 2013.~~

Procedure for Determining Overtime
Exempt or Non-exempt Status

This Letter of Agreement is entered into between the Department of Administrative Services, Labor Relations Unit (DAS, LRU), on behalf of the State of Oregon (Employer), and the SEIU Local 503, OPEU (Union) as it pertains to eligibility for overtime under Article 32--Overtime, of their 2009-2011 Collective Bargaining Agreement.

The Employer and the Union agree as follows:

1. DAS, LRU shall provide the Union with no less than twenty (20) days written notice of its intent to exempt from overtime a filled bargaining unit position. ~~The Union shall provide DAS, LRU with the same notice of intent to change a position's designation from exempt to eligible status for overtime.~~ DAS, LRU agrees not to change the position's designation during this twenty (20) day period.
- 4.2. Employees may challenge their position's designation by providing notice and requesting a desk audit to the Agency Human Resources Department. The Agency shall conduct the desk audit and make a determination in writing within thirty (30) days of the request, or as extended by mutual agreement.
- 2.3. Should the Union ~~or DAS~~ decide to contest the proposed change in status, it shall serve ~~the other Party~~ DAS with written notice of such intent within twenty (20) days of its receipt of the notice. Should such notice be given, DAS, LRU will forego implementing the change in designation for an additional forty (40) days, beyond

the initial twenty (20) day period. The purpose of this forty (40) day period is to allow time to investigate whether there are grounds to contest the proposed change in status. If ~~either Party~~ the Union decides to pursue challenging an exemption it must file with Department of Labor ~~(DOL)~~ Bureau of Labor & Industries (BOLI) prior to the end of this forty (40) day period. In such event, DAS, LRU agrees to forego implementing a change in designation until the matter is resolved by way of DOL/BOLI decision, settlement or other manner.

- 3.4. If timely notice indicating intent to contest the exemption during the initial twenty (20) day period is not received or if ~~either Party~~ the Union does not proceed forward during the subsequent forty (40) day period, the position's designation shall be changed, and the Parties agree not to contest the status of this position during the remainder of this contract term, unless the position's duties should materially change such that the exemption is no longer warranted.
- 4.5. For purposes of this Agreement, written notice may occur by personal delivery, fax, email or mail (postmark) within the time frames cited above.

Straight Time Eligible Positions
~~(DHS-OHA--DDS Medical Consultants)~~

~~This Letter of Agreement is entered into between the State of Oregon by the Department of Administrative Services, Labor Relations Unit, on behalf of the Department of Human Services, DDS, and the SEIU Local 503, OPEU.~~

~~DDS Medical Consultants are eligible under Article 32, Section 4(b) of the contract to receive one (1) hour of compensatory time off for each hour of overtime worked in excess of eight (8) hours per day or forty (40) hours per week. Payment in cash for such hours can only occur if time off requests are denied for use of accrued leave before the year ends, which then results in forfeiture. Due to current workload backlog, these employees will have little opportunity for taking compensatory time off within the coming six (6) months. As a result, the Parties have agreed, as a further incentive for working the extra hours, to be paid for the overtime hours worked as opposed to accumulating compensatory time off.~~

~~This Letter of Agreement is non-precedent setting and will sunset on June 30, 2013.~~

Overtime Selection: CNA & LPN Volunteers (OSH)

This Letter of Agreement is entered into between the SEIU Local 503, OPEU and the State of Oregon by and through the Labor Relations Unit of the Department of Administrative Services, on behalf of the Oregon State Hospital. The Parties agree to the following protocol for the assignment and equalization of overtime opportunity. For the

APPENDIX A – LETTERS OF AGREEMENT

purposes of this process, the Portland campus will be considered as one (1) program.

1. Overtime shifts will be distributed equitably among available employees within two (2) specified time periods each month.

- To implement [Article 32.2C, Section 3](#) and equalize MHT series voluntary overtime to the greatest extent feasible within a program, overtime shifts will be offered in the following order:

- (a) To qualified MHT series volunteers within the program.
- (b) To other MHT series qualified volunteers when there are no qualified volunteers within the program.
- (c) To other qualified volunteers when there are no MHT series qualified volunteers.

- To implement [Article 32.2C, Section 3](#) and equalize LPN voluntary overtime to the greatest extent feasible within a program, overtime shifts will be offered in the following order:

- (a) To qualified LPN for LPN positions within the program.
- (b) To other LPN volunteers when there are no LPN volunteers within the program.

- Available overtime will be assigned bi-monthly. The first time period will include the 1st through the 15th of the month. The second time period will include the 16th through the end of the month.

- Requests to work first period overtime will be accepted by staffing personnel between the 15th and the 20th of the preceding month. Requests to work second period overtime will be accepted between the 1st and 5th of that current month.

- Staffing personnel will review and evaluate each request for voluntary overtime in a given time period and distribute available overtime shifts as equitably as is feasible among the qualified requestors. Employees will be notified in writing, including e-mail, regarding granted first period overtime by the 23rd of the preceding month and second period overtime by the 8th of the current month. Should the 23rd and/or 8th fall on a weekend or holiday, such notification will occur on the next administrative work day.

- An employee who volunteers for an overtime shift that was not granted will be placed on an availability list for that date/shift. If it becomes necessary to schedule additional staff, the list will be reviewed and the overtime offered first to the qualified individual who has been granted the least amount of overtime for that time period. If that employee cannot be reached, or turns down the overtime opportunity, the overtime will be offered to the next individual on the list.

- An employee may not pre-schedule him/herself to fill more than one documented vacancy for a specified shift or portion thereof. Each overtime opportunity offered or worked will

count as one (1) unit for purposes of equalization, regardless of the amount of time actually offered or worked. Voluntary overtime will be equalized as feasible within the bi-monthly time periods. Overtime units from the previous time periods will be used to determine equalization for current scheduling period.

2. Volunteers outside the program must meet the following criteria to be considered qualified:

- ~~(a) The employee must hold either a non-encumbered CNA or LPN;~~
- ~~(a) (b) _____~~
~~_____ The employee must be current in all mandatory unit training;~~
- ~~(b) (c) _____~~
- ~~(c) The employee must hold a position at Salary Range 20S or below; or as an LPN at Salary Range 22S;~~
- ~~(d) The employee must have completed program orientation or worked an overtime assignment within the past ninety (90) days in that Program area; and~~
- ~~(e) Acceptance of the overtime assignment cannot interfere with the employee's regular work schedule.~~
- ~~(d) Once competencies have been established, the employee must meet the competencies for that program. Prior to the establishment of competencies, the employee must have completed program orientation or worked an overtime assignment within the past ninety (90) days in that Program area; and~~
- ~~(e) Acceptance of the overtime assignment cannot interfere with the employee's regular work schedule.~~

It is understood that OSH is not responsible for providing employees with hours so they may qualify for recertification as a CNA or LPN.

Qualified employees who accept a voluntary overtime assignment are expected to work the hours. If an emergency occurs, the employee must notify the appropriate supervisor as soon as practical. ~~An employee who voluntarily pre-schedules him/herself for overtime and subsequently cancels that overtime shift with less than four (4) hours' notice for any reason other than a verifiable illness or emergency will not be permitted to pre-schedule overtime shifts in the following bi-monthly signup period. The employee may, however, volunteer to work an overtime shift on the same day that coverage is needed.~~ Except as specifically modified by this agreement, nothing requires or abridges management's right to assign or re-assign individuals or groups of qualified employees to regular or overtime shifts where they are needed.

Prior to implementation of any mandate, the institution will exhaust all other options, including on-site volunteers, and a call list of qualified employees. These lists will exclude employees on vacation, sick leave, compensatory time, or other approved time off.

Mandatory overtime will be assigned on a rotating basis from on shift employees from a single list for each ~~campus program. The mandate list will reflect each employees competencies (i.e. Harbors, Trails, Bridges, Springs, POSH and the Treatment Mills).~~ If it is necessary to mandate an employee, the Agency will first offer the opportunity to qualified employees. If an employee on the mandate list volunteers his/her name will be moved to the bottom of the list. Mandates will be

APPENDIX A – LETTERS OF AGREEMENT

assigned based on the next person who is qualified to work when the mandatory overtime is needed. The mandated employee may choose whether to work on the unit where the overtime is required or work on his/her assigned work unit.

3. For purposes of assigning mandatory MHT overtime, ~~employees must meet the established competencies as defined by the Labor/Management Competencies Committee. A~~ single list of qualified MHT series employees will be maintained for each shift, ~~in each hospital~~ in the following program cohorts:

- ~~(a) Portland campus (P1A, P1B, P5A, P6A, and the Treatment Mall)~~
- ~~(b) Harbors/Trails/Bridges (HTB Cohort group) (includes current units scheduled for inclusion: 35A, 35C, 50C, 50D, 50E, 50F, 50G, 50H, 50I, Cottages and the treatment malls of these areas.~~
- ~~(c) Springs (34A, 34C, 34D, 35B) and the Springs Treatment Mall.~~

Each list shall be comprised of all qualified MHT series employees working in the program. MHT series employees assigned to the on call pool can be mandated into any program for which they are currently qualified. MHT series employees assigned to the relief pool will be mandated in accordance with the position to which they are assigned. ~~If an employee has not met the competencies for a particular program, he/she will not be mandated into that program until the competency training is completed and the competencies are met.~~

- ~~(a) Harbors and the Harbors Treatment Mall will be its own Cohort Group until Trails (50E, 50F, 50G, 50H & 50I) has been open for thirty (30) days, after which Trails and the Trails Treatment Mall will join the Cohort Group. When Bridges (35A, 35C, 50C, 50D and the Cottages) has been open for thirty (30) days, Bridges and the Bridges Treatment Mall will join the Cohort Group; this Cohort will be known as the HTB Cohort. These employees may volunteer to join the Springs Cohort Group provided they have met the competencies for the Springs program.~~
- ~~(b) When Springs (34A, 24C, 24D, 35B) and the Springs Treatment Mall has been open for thirty (30) days, employees may volunteer to join the HTB Cohort Group provided they have met the competencies for at least one other program in the Cohort Group.~~

4. For purposes of assigning mandatory LPN overtime, a single list of qualified LPN series employees will be maintained for each shift ~~in the~~ in each hospital following program cohorts:

- ~~(a) Portland campus (P1A, P1B, P5A, P6A, and the Treatment Mall)~~
- ~~(b) Harbors/Trails/Bridges (HTB Cohort Group) (includes current units scheduled for inclusion: 35A, 35C, 50C, 50D, 50E, 50F, 50G, 50H, 50I, Cottages and the Treatment Malls of these areas.~~
- ~~(c) Springs (34A, 34C, 34D, 35B) and the Springs Treatment Mall.~~

Each list shall be comprised of all qualified LPN series employees working in the program:

- ~~(a) Harbors and the Harbors Treatment Mall will be its own Cohort Group until Trails (50E, 50F, 50G, 50H and 50I) has been open for 30 days, after which Trails and the Trails Treatment Mall will join the Cohort Group. When Bridges (35A, 35C, 50C, 50D & the Cottages) has been open for thirty (30) days, Bridges and the Bridges Treatment Mall will join the Cohort Group. This Cohort will be known as the HTB Cohort. These employees may volunteer to join the Springs Cohort Group provided they have met the competencies for the Springs program.~~
- ~~(b) When Springs (34A, 24C, 24D, 35B) and the Springs Treatment Mall has been open for thirty (30) days, employees may volunteer to join the HTB Cohort Group provided they have met the competencies for at least one (1) other program in the Cohort Group.~~

Except in an emergency involving public health and safety, employees may not be mandated to work overtime on a day immediately preceding a regularly scheduled day off or an approved vacation on one (1) week or more, or once per fiscal year for vacations of less than one (1) week. Employees that are mandated to work overtime of two hours or more in any of these examples will receive a fifty dollar (\$50) penalty payment. Employees that volunteer to work overtime in any of these examples will not be eligible for the penalty payment. Only the Superintendent or his/her designee can determine if an emergency involving public health and safety exists. If an employee is bypassed, he/she shall remain on the top of the list for the next mandatory overtime.

Staff will be allowed to utilize personal business leave in any increments for unexpected, unplanned problems that arise that prevent the employee from reporting to work in a timely manner. Requests to convert the time need to be submitted within five (5) working days of the occurrence. ~~There will be a review on a case-by-case basis and data presented to the LMAC.~~

2. Shift Trading.

(a) Qualified employees in the same work area and the same classification may mutually agree to trade a shift within the established schedule as long as the staffing ratio is preserved and no overtime is created. Such trade must be mutually agreed in writing and notice given to the supervisor prior to the effective date of the trade. Trading outside of employee's classification must be approved by the appropriate supervisor.

(b) Regular status qualified employees in the same classification may mutually agree to trade positions on a temporary basis for a period of up to ninety (90) days per fiscal year. Management consideration will be given to requests for extension of up to two (2) ninety (90) day periods for extenuating circumstances. Article 32.3E--Overtime Annual Upland Bird & Big Game Hunt Surveys (ODFW)

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) on behalf of the Department of Fish and Wildlife (Agency) and the SEIU Local 503, OPEU (Union).

To meet Agency needs regarding telephonic annual Upland Bird and Big Game Hunt Surveys, for the ~~2010-2011~~ Hunter Survey Season ~~between July 1, 2013 and June 30, 2015~~, the Parties agree to the following:

1. Notwithstanding [Article 32, Section 4\(a\)](#) of the Master Agreement, a FLSA non-exempt employee who works authorized overtime directly related to the conduct of the Hunter Survey shall be eligible for time and one-half (1 ½) pay, or compensatory time off up to a maximum accrual of sixty (60) hours of compensatory time during the entire period of the Survey season, for working overtime in excess of forty (40) hours in a workweek. After the maximum sixty (60) hours of compensatory time have been accrued, a FLSA non-

exempt employee who works authorized overtime directly related to the conduct of the Hunter Survey shall be eligible for time and one-half (1 ½) pay rather than compensatory time off for working overtime in excess of forty (40) hours in a workweek.

2. Notwithstanding [Article 32, Section 4\(b\)](#) of the Master Agreement, ~~an FLSA--~~exempt employee who works authorized overtime directly related to the conduct of the Hunter Survey shall be eligible for one (1) hour of straight time pay, or compensatory time off up to a maximum accrual of sixty (60) hours of compensatory time during the entire period of the Survey season, for every one (1) hour of overtime in excess of forty (40) hours in a workweek. After the maximum sixty (60) hours of compensatory time have been accrued, ~~an FLSA--~~exempt employee who works authorized overtime directly related to the conduct of the Hunter Survey shall be eligible for one (1) hour of straight time pay rather than compensatory time off for working overtime in excess of forty (40) hours in a workweek.
3. FLSA non-exempt and exempt employees who are assigned to work authorized overtime in connection to their regularly assigned duties shall be compensated pursuant to Article 32, Section 4 and Article 32.3, Section 5(c) of the Master Agreement.

4. The opportunity for the overtime will be on an equitable basis and will be available to all regular status and full-time trial service employees at all locations where the Bridge software is available, subject to staffing needs and advance supervisor approval. Prior to the beginning of the annual hunt survey season, the Agency will provide notification of the application window for fourteen (14) calendar days via e-mail to the ODFW All Staff distribution list. During this application window, employees must apply as directed to be considered to participate in survey work, consistent with the requirements per #5 of this Agreement. A random system will be used to assign employees from this pool of interested employees. Employees who apply after this application window has closed will have their name added to the bottom of the list in the order received.

5. ~~There will be three (3)~~four (4) primary survey periods ~~of approximately equal duration,~~ with up to thirty-five (35) employees calling during each period, as outlined below (timeframe will be adjusted each year). If the pool of callers drops below staffing needs, then for periods one (1), ~~and two (2)~~ ~~and three (3)~~, additional callers will be drawn from the upcoming groups without affecting their eligibility to call during their originally assigned call time, ~~provided enough staff are available in the upcoming groups to draw from. In the event any period cannot be filled from the upcoming pool of employees, then that period will be augmented by a random draw of all previous callers who met the requirements in the Letter of Agreement. --and p~~Period ~~three (3)~~four (4) will require a random draw of all previous callers who met the requirements in the LOA. ~~If the pool of employees is exhausted during survey periods 1-4, the list will be re-randomized, including those names added to the list after the initial application window, and employees will be assigned depending on staffing needs. The four (4) primary Survey Periods and a Late Season Survey are as follows:-~~

APPENDIX A – LETTERS OF AGREEMENT

- ~~Approximately mid-October 17, 2011 through mid-November 17, 2011 - the first (and October 15, 2012 - November 15, 2012) First (1st) group of up to thirty-five (35) employees selected using the random system (no surveys during the furlough week).~~
- ~~November 28, 2011 - Approximately end of November through end of December 29, 2011 (and November 26, 2012 - December 27, 2012) - the second (2nd) group of up to thirty-five (35) employees selected using the random system.~~
- ~~Approximately the beginning of January 2, 2012 through the beginning of February 2, 2012 (and January 7, 2013 - February 7, 2013) - the third (3rd) group of up to thirty-five (35) employees selected using the random system.~~
- ~~Approximately the beginning of February through the beginning of March - - - The remaining group of up to thirty-five (35) employees in the random system - the random system will include those employees that applied after the application window.~~
- ~~Approximately March 2012 - June 2012 (and March 2013 - June 2013) the first part of April through June (late season surveys) - Once all the employees have participated in a primary survey period (outlined above), then staffing assignments for late season surveys (e.g., damage hunts, spring bear hunts, etc.) will be made by re-randomizing the existing list of names, including those names added to the list after the initial application window, and employees will be assigned dependent on the specific staffing needs for that survey segment (approximately twelve (12) employees).~~

~~5.6.~~ To participate in the surveys, employees must have advance authorization from their supervisor and must commit to working at least three (3) days a week from 5:30 p.m. to 8:30 p.m., ~~Monday - Thursday~~, and a minimum of thirty (30) completed interviews made each night the employee works the survey. The number of employees assigned any given week will be dependent on staffing needs as determined by management. Employees are not authorized to conduct survey calls during periods of assigned on-call, nor during a workweek when they are observing a furlough. Employees are entitled to one (1) ten (10) minute break while conducting survey calls between 5:30 p.m. to 8:30 p.m.; however, employees are not authorized to use the internet for personal use during their break nor at any other time associated with their participation in assigned survey work. Employees conducting calls will be monitored to ensure effective and productive calling practices, and will be removed from the list for the duration of the survey seasons covered by this Letter of Agreement, if there is evidence of abuses of that privilege. If the employee quits the survey after the survey is started, the employee will not be eligible to participate in survey seasons covered by this Letter of Agreement.

~~6.7.~~ This Agreement shall become effective upon the date of the last signature and shall automatically expire on June 30, ~~2013~~2015.

~~7.8.~~ This Agreement shall not establish a precedent in any current or

future negotiations between the Parties.

LETTER OF AGREEMENT 34.3E-11-208

Article 34.3E - Standby Duty/On-Call Duty **On-Call Leave (ODFW)**

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) on behalf of the Department of Fish and Wildlife (Agency) and the SEIU Local 503, OPEU (Union).

This Agreement is a clarification of alternate compensation under [Article 34, Section 2](#), of the Agreement for on-call hours assigned for hatchery employees.

The Parties agree to the following:

1. The Agency will allow hatchery employees to accumulate twenty-

APPENDIX A – LETTERS OF AGREEMENT

four (24) hours of “On-Call Leave” (OCL) for on-call worked up to a maximum of twenty-four (24) hours (the equivalent of three (3) days off) during each fiscal year. The accrual rate is one (1) hour of straight time leave for six (6) hours of assigned on-call or prorated for less than six (6) hours on-call. The OCL is not transferable to another hatchery and must be used by the end of the fiscal year or it will be paid out at the end of the fiscal year. If an employee transfers to another hatchery during the year, the employee is not eligible to accrue another twenty-four (24) hours, nor is the leave transferable to the new hatchery. If an employee transfers to another hatchery, they shall have any current OCL balances cashed out upon transfer.

2. On-Call Leave will be manually recorded on the timesheet as OCL and manually tracked by the supervisor and the employee, unless a payroll code is able to be established to track this electronically through the Oregon State Payroll System.
3. The time off will be scheduled at a mutually agreed-upon date by the employee and the supervisor, prior to the end of the fiscal year. If the manager determines that operational requirements at the hatchery do not allow use of the OCL time, there will be a cash out payment at the end of the fiscal year. Employees will have the option to accumulate their On-Call Leave hours, so they may be used in a full day increment, subject to the conditions above.
4. During the term of this Agreement, nothing prohibits the Agency from starting and/or stopping the on-call assignment at any time, for any hatchery.
5. Employees may agree to trade on-call assignments with other employees who are qualified to perform the duties required in the course of the trade. Such agreements will be consistent with the practice at each particular hatchery. Time trades shall not cause any financial liability to the Agency.
6. The Agency shall not suffer any penalty payments under [Article 40.3](#) or overtime as defined in [Article 32](#) as a result of a schedule change for trading on-call assignments. The employee is not eligible for premium pay during on-call assignments.
7. This Agreement becomes effective upon the Saturday following the signing of the Agreement and terminates on June 30, ~~2013~~[2015](#), or the end of the successor Agreement, whichever occurs later.

Region 3 – Transportation Maintenance Specialists
(ODOT)

This Letter of Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) on behalf of the Department of Transportation (Agency) and the SEIU Local 503, Oregon Public Employees Union (Union), who are all Parties to this Letter of Agreement.

By entering into this Letter of Agreement the Parties fully resolve any and all issues arising out of the call-back grievances filed April 19, 2002 and April 22, 2002 by an individual and a group of Agency employees on the Agency's highway maintenance crews in Region 3. The Parties agree that the terms of the Letter of Agreement apply solely to bargaining unit employees permanently employed as Transportation Maintenance Specialists on the Agency's highway maintenance crews or permanent bargaining unit employees assigned to perform call-back work related to highway maintenance.

The Parties agree as follows:

1. [Article 40.3, Section 1\(b\)](#) of the Master Collective Bargaining Agreement is clarified to permit bargaining unit employees to whom this Letter of Agreement applies and who are called back to work by an Agency manager authorized to call employees back to work, to request either cash or compensatory time off for working authorized call-back time. Agency employees requesting either cash or compensatory time off in accordance with this first Section of this Letter of Agreement must request their choice of cash or compensatory time off for call-back time pursuant to established Agency practice or policy.
2. By entering into this Letter of Agreement, the Union automatically withdraws the grievances of April 19 and 22, 2002, and any other outstanding grievance on this same issue filed by a bargaining unit employee on an Agency highway maintenance crew that was allowing those employees to choose between cash and compensatory time prior to the signing of the Letter of Agreement. The pending arbitration of the grievances of April 19 and 22, 2002 will be cancelled and the Parties will split the cost of any cancellation fee of the arbitrator. The intent of this Letter of Agreement is to resolve as an outstanding issue between the Parties the subject of granting either cash or compensatory time to bargaining unit employees assigned call-back work on the Agency's highway maintenance crews or who are called back to perform work related to the maintenance of the state highways.
3. This Letter of Agreement applies only to bargaining unit employees permanently employed by the Agency in the classification of Transportation Maintenance Specialist 1 and 2 on its highway maintenance crews or those employees assigned to do call-back work related to the maintenance of the state highways.
4. This Letter of Agreement establishes no precedent in the resolution of any current or future grievances. By signing this Letter of Agreement, the Union does not waive its right to file future grievances under [Article 40.3](#) upon expiration of this Letter of Agreement without renewal as provided in paragraph 5 of this Letter of Agreement.
5. The Letter of Agreement becomes effective on the date last signed by a Party to it and expires on the date the Master Agreement expires.

Job Interview Leave

~~This Letter of Agreement is entered into between the State of Oregon, acting by and through the Department of Administrative Services Human Resource Services Division, Labor Relations Unit (Employer), on behalf of all Agencies identified in Article 1 and the SEIU Local 503, OPEU.~~

~~The purpose of this Agreement is to provide Interview Leave for SEIU-represented (except temporary) employees, as a result of the Special Leaves with Pay Audit findings conducted by the Department of Administrative Services, Human Resource Services Division.~~

~~The Audit found that a number of SEIU-represented State Agencies routinely approved Interviewing Leave (IT) and/or Miscellaneous Paid Leave (MPL) for job interviews and that such leaves are not specifically provided for in the 2003-2005 Collective Bargaining Agreement for the affected Agencies' SEIU-represented employees (except for OSAC and OHCS).~~

~~This Agreement permits the use of Interview Leave pursuant to the following guidelines:~~

- ~~1. Employees, subject to providing reasonable notice and receiving prior supervisory approval, shall be allowed Interview Leave time, including travel, to interview for positions within their Agency when such interview(s) occurs during their work hours.~~
- ~~2. Employees, subject to providing reasonable notice and receiving prior management approval, shall be allowed up to four (4) hours of Agency paid time for Interview Leave time, including travel, for positions with another state Agency when such interview(s) occurs during their work hours.~~

~~Interview Leave time approved and taken to interview with another state Agency that exceeds the four (4) hours of Agency paid time must be recorded as accrued leave, leave without pay, or managed through approved flextime within the same workweek. Use of accrued leave for this purpose shall not result in overtime.~~
- ~~3. Denial of Interview Leave time shall be subject to the grievance procedure up to Step 2.~~
- ~~4. All Interview Leave time, including travel, approved under Subsection 1 and 2 must be recorded as IT on the employee's timesheet/time reporting record.~~
- ~~5. Interview Leave used shall not count as time worked for purposes of overtime.~~
- ~~6. An Agency shall not incur any employee reimbursement costs.~~

~~This Agreement shall be effective through June 30, 2013, unless extended by mutual agreement.~~

Legislative Branch

This Letter of Agreement is entered into between the State of Oregon, acting by and through the Department of Administrative Services, Labor Relations Unit (Employer) on behalf of all Agencies identified in Article 1 and the SEIU Local 503, OPEU (Union).

The purpose of this Agreement is to provide employees who have attained regular status in an SEIU-represented position and who, in the past, would have entered into job rotation agreements with the Legislative Branch, the ability to be reemployed by their former agency into their former classification in which they held regular status.

The Parties agree that [Article 45](#) and all agency-specific coalition language found in Articles 45.1 through 45.5 does not apply to the reemployment of an Executive Branch employee who was employed by the Legislative Branch and then requests reemployment with the former Executive Branch Agency. Specifically, the Agency layoff list does not take precedence over this reemployment, and agencies are not required to comply with any agency-specific language regarding posting of vacancies.

The Parties further agree that the time worked for the Legislative Branch is considered state service for purposes of seniority.

This Agreement is effective until the expiration of the ~~2011-2013~~[2013-2015](#) Collective Bargaining Agreement, and may be extended by mutual agreement.

APPENDIX A – LETTERS OF AGREEMENT

Redistribution to New Units/Shifts (OSH)

This Letter of Agreement is entered into between the State of Oregon by the Department of Administrative Services (DAS), Labor Relations Unit (LRU), on behalf of the Oregon Health Authority (OHA), Oregon State Hospital (OSH), and the Service Employees International Union (SEIU), Local 503, OPEU/OSH Local 392 (Union), as it pertains to how certain staff will be assigned to work units and schedules due to the delay in opening of patient care units and census reduction mandated by the 2012 Oregon Legislature.

This Letter of Agreement shall expire upon June 30, 2015.

Background:

The 2012 Oregon Legislature determined a budget reduction is necessary at OSH. The Legislature recommended the delay of opening four (4) treatment units at OSH. The Administration of OSH determined that the cost savings recommended by the Legislature can be obtained by a temporary delay of opening two (2) units (Bird 2 and Anchors 3), the temporary suspension of service of one (1) medium security unit (Flowers 1), and the temporary suspension of service of two (2) five-(5-) bed cottages into new positions (or vacancies) on existing OSH units. With the decrease in patient census on Flowers 1 and in cottages it is necessary to move staff onto other current work units. This also requires the redistribution of all staff currently working in the Harbors program and the Trails program, and in the cottages to move into a new work schedule plan.

Agreement:

OSH and the Union will work together to establish a new schedule pattern for each unit. Within this schedule pattern, OSH and the Union will work together to determine how many employees in each job classification will work on each shift on each unit.

Employees working on the units slated for redistribution shall move into positions in other units at OSH as described below:

Cottages:

Employees affected by the temporary suspension of service in these units will have their seniority in job classification established by OSH HR. After the seniority has been established, this list and all new work schedules for cottages and any vacant positions in the Bridges program and in the Springs program will be posted for all cottages employees for eight (8) days. Notification of selection times will be provided to employees beginning with the most senior employee within job classification to identify their choice of new schedule.

After all of the available slots in the new schedule have been selected by affected cottage employees, those employees unable to select a new schedule in cottages due to lack of seniority will be moved to the "Pre-Tumble" list.

Flowers 1:

Affected employees from the Flowers 1 delay in opening will be moved to the "Pre-Tumble" list.

"Pre-Tumble" Process:

Once all affected employees have either selected a position or been placed on the "Pre-Tumble" list, then OSH HR will create a new job classification seniority list for those employees on the "Pre-Tumble" list.

A list of units that have positions available and the "Pre-Tumble" seniority list will each be posted for eight (8) days. Notification of selection times will be provided to employees beginning with the most senior employee within a job classification to identify their choice of new work unit.

Once all of the employees on the "Pre-Tumble" list have selected a unit, then those employees will be moved onto the new units' roster, with the schedule noted as "not yet designated".

When all of the new unit rosters are established, OSH HR will create a job classification seniority list for each work unit in the Harbors program and the Trails program.

Unit Tumble:

Seniority and work schedules for each unit in the Harbors program or the Trails program will be posted for eight (8) days. Notification of selection times will be provided to employees beginning with the most senior employee with a job classification identifying their choice of new schedule on their assigned work unit.

LPN Float Pool:

Because there are more LPNs than positions for LPNs currently, an Interim Float Pool (IFP) will be created for LPNs.

The number of positions in the IFP will be equivalent to the number of LPNs anticipated to be left without regular positions following the LPN Harbors/Trails tumble.

The IFP will be comprised of positions with regular shifts and schedules in each of the three (3) programs (Harbors, Trails and Springs). Shifts and schedules for IFP positions may be subject to periodic alteration based on hospital program staffing needs. Such changes would be subject to the required period of notification outlined in the SEIU collective bargaining agreement (Article 90.2C).

Any LPN who is not able to bid into a position will be placed in the IFP after the Harbors/Trails Tumble.

Following the Tumble, as LPN positions are vacated or become available they will first be offered to the most senior LPN in the IFP. If the most senior LPN declines the position, it will be offered to the next LPN on the IFP seniority list until the position is either accepted or reaches the least senior LPN on the list, who will then be placed in the position. This will continue until all LPNs in the IFP have regular positions. Once LPNs in the IFP all have regular positions, the filling of

APPENDIX A – LETTERS OF AGREEMENT

vacant positions will revert to internal posting for all qualified in-house applicants to bid on.

Implementation of New Schedules:

The collaborative process for the tumble will continue, and OSH management will follow the collective bargaining agreement (CBA) to implement the assignments and schedules.

Right of Return:

If Flowers 1 or cottages re-open prior to June 30, 2015, employees who had been on a Pre-Tumble list would have a first (1st) right of refusal to return to that site (after any legal processes related to Injured Workers or contractual processes related to Agency Layoff Recall rights are completed, if necessary). A person who is no longer a State employee would not retain this right upon separation. Employees would be returned to the classification they were displaced from, as well as to the unit/cottage they were displaced from (i.e., Flowers to Flowers, cottage to cottage).

LETTER OF AGREEMENT 45.2C-11-198

Article 45.2C--Filling of Vacancies Seniority Selection Process Into New Programs (OSH)

This Letter of Agreement is entered into between the State of Oregon by the Department of Administrative Services (DAS), Labor Relations Unit on behalf of the Department of Human Services (DHS), Oregon State Hospital (OSH) and the Service Employees International Union (SEIU) Local 503, OPEU/OSH Local 392, as it pertains to how staff will be transitioned into the four (4) new Hospital programs.

The Parties agree the purpose of this Agreement is to recognize the four (4) new programs and changes in ancillary service schedules such as Food and Nutritional Services, Housekeeping, Security, etc for Oregon State Hospital that will implement a transitional staffing agreement per Article 45/45.2C, E, G and Article 90/90.2C of the Collective Bargaining Agreement.

Background:

OSH began construction of a new facility that will include many programmatic changes throughout the Hospital. Changes will include creating four (4) new programs that will be the Admissions, Behavior and Corrections program also referred to as ABC; the Psycho-Social Rehabilitation; Neuro; Transitional Living, and include the Portland Oregon State Hospital Campus in the five (5) programs of the new facility.

Staff and wards as they currently exist will move into the new programs of the new facility and will require new work schedules including an increase in the number of positions necessary to operate the new hospital. There will, as a result of restructuring the staffing requirements, be a surplus of Mental Health Therapist 1 (MHT1) positions that will require some positions to be reclassified down or for staff to voluntarily demote to Mental Health Therapy Technicians.

Additionally, ancillary services will also be changing the way they function causing changes in individual schedules.

Agreement:

OSH will determine which current wards will go to the new programs. Additionally, program areas/disciplines not specifically named below that make a determination to require staff to change shifts or days off will follow the process set up by this Letter of Agreement.

Once the selection process for each new program has been completed, filling of vacancies will occur in accordance with Article 45, 45.2 C, E, G and Article 90.2C.

Information Specific to the Mental Health Therapy Series:

Oregon State Hospital will identify, by program, the number of MHT1 positions that will require a reclassification downward before the start of each selection process.

The Parties agree to establish the following protocol for the scheduling of staff into the new Hospital Programs:

Programs utilizing the MHT classification series will initially post MHT2 positions with a seniority list and a list of new positions with days off/shift information on the wards associated with each program (i.e. Wards 48B/C/W & 50J will become the Admissions, Behavior, and Corrections Program). Seniority list and work schedules will be posted for a minimum of eight (8) days. Notification selection times will be provided to employees beginning with most senior employee within classification to identify their choice of a new schedule.

Upon completion of the MHT2 selection process, all remaining vacancies will be posted for promotional opportunities only to employees currently assigned to the units scheduled to become the new program. The Employer will announce availability of promotional positions to the limited group for additional MHT2 vacancies. The recruitment will run concurrent with the MHT2 selection process. Upon completion of the MHT2 selection process, vacancies will be posted an additional eight (8) days. Employees identified for the new program who have expressed an interest and applied within the time frame above will be interviewed and job offers made to acceptable candidates within eleven (11) days.

Upon completion of the selection process to fill the remaining MHT2 positions, seniority lists for Mental Health Therapist 1 (MHT1) and Mental Health Therapist Technicians (MHTT) will be posted for a period of eight (8) days to ensure staff have the ability to review their personal seniority information, as well as to ensure that all staff assigned to those units are identified on the list. Immediately following the allotted time period for employee review, the Office of Human Resources will post both the seniority list and the new schedule list by classification, shift and days off for a period of eight (8) days.

Notification selection date and time will be provided to all employees based on classification and seniority within that classification. The selection process will be managed jointly by SEIU and the Office of Human Resources.

Because there is an excess of MHT1s, employees in this classification will have the ability to use seniority to demote to MHTT within their new program. Should there be no volunteers to demote, then the least senior MHT1s identified by the number of positions that need to be

APPENDIX A – LETTERS OF AGREEMENT

~~reclassified down will be moved to the MHTT classification. For voluntary and reclassification changes, the employee will be allowed to count their MHT1 time as MHTT time in classification for as long as the employee remains an MHTT. If there are more volunteers to demote, and MHT 1 positions are left vacant, they will be filled pursuant to the Collective Bargaining Agreement. Selection for MHTT positions will commence when a modified seniority list is available, which includes successor time as an MHTT and MHT1 time for those identified as going to an MHTT position.~~

~~Any MHT1 who is demoted to an MHTT position, voluntarily or otherwise will not be subject to loss of wages or benefits. If his/her current salary exceeds the maximum salary of the new classification, his/her rate of pay will remain the same until a rate in the salary range of the new classification exceeds it, at which time the employee's salary shall be adjusted to that step.~~

~~Once the selection process is completed for a program, only employees within that program will qualify for in classification and in program transfers utilizing their seniority. All eligible SEIU bargaining unit OSH employees wishing to compete for an out of program transfer or promotion opportunity shall receive an offer to interview if they have applied and qualified through the Agency's recruitment process. Employees having a record of disciplinary action within six (6) months prior to the vacancy announcement shall not be eligible for transfer. Employees with a transfer within the preceding nine (9) months shall not be eligible for transfer.~~

Information specific to Licensed Practical Nurses:

~~LPNs typically interview for positions within a ward/work unit. For purposes of wards moving into new programs as identified above, LPNs will be allowed to use seniority in this process to bid on new schedules associated with the move from the hospital's current configuration to the new hospital.~~

~~This Letter of Agreement will sunset upon the opening of the final program in the new Salem facility or June 30, 2013, whichever is earlier.~~

LETTER OF AGREEMENT 45.2C-11-222

Article 45.2C--Filling of Vacancies Labor/Management Competence Committee (OSH)

~~The Parties agree to form a Labor/Management Competence Committee (LMCC) consisting of four (4) Union representatives and four (4) Management representatives, which will define, approve and implement competencies within program areas. The Committee may have both represented staff and managerial staff who are subject matter experts within specific programs to provide information to the Committee. Competencies for Harbors, Trails and the Treatment Mall Program shall be finalized no later than December 1, 2011. Competencies for Bridges and Springs will be completed within thirty (30) days after the opening of each program. Competencies for Portland will be completed not later than (NLT) than June 30, 2012.~~

~~For the purpose of lateral transfers onto units outside their program area each employee will have to meet the competencies of the program to which they wish to transfer. The Committee will develop a~~

~~training and evaluation program for each program to train new employees and employees in other programs to meet the competencies for those programs. Once an employee has completed all program specific training and has met the competencies outside their own program area, they will be eligible to laterally transfer to the same classification in that new program utilizing their seniority with the same restrictions currently in place under this Article. The above Section shall apply to any regular status employee.~~

Article 45.5A--Posting of Vacancies Transition of Positions – Lord & Farrell Schools (MacLaren & Hillcrest)

This Letter of Agreement is entered into by the State of Oregon, acting through its Oregon Department of Administrative Services, Labor Relations Unit (Employer) on behalf of the Oregon Department of Education (ODE/Agency), and SEIU Local 503, OPEU (Union).

The Parties agree to follow the procedure below for the transition of positions and job functions currently assigned to Lord's School at MacLaren and Farrell School at Hillcrest.

1. This Agreement pertains only to present and future vacant ODE positions represented by the Union assigned to Lord and Farrell Schools located at the MacLaren and Hillcrest Youth Authority facilities, respectively.
2. When positions become vacant at either Lord or Farrell School, the Agency agrees to post the vacant position for current employees to consider a lateral transfer consistent with [Article 45.5A](#) of the Collective Bargaining Agreement. Under this provision, current employees would receive an opportunity to transfer to the vacated position.
3. In the event a vacant position is filled with a transfer from another represented position, the subsequent position would then be similarly posted.
4. The Parties agree that where a vacancy is not filled by transfer, the Agency may seek to have the ~~Willamette Education Service District~~[Oregon Department of Education contracted provider](#) perform those duties as part of its ~~Juvenile Youth~~ Corrections education services contract with the Agency.
5. This Agreement will sunset on June 30, ~~2013~~[2015](#).

Management service, unclassified or exempt employees in service as of December 31, 2014, who, immediately prior to appointment, held regular status positions in the bargaining unit and are terminated within three (3) years of the appointment for reasons other than those specified by ORS 240.555, shall be returned to their former status in the bargaining unit in their former Agency. If a reduction in force is required in connection with such return, it shall be accomplished through Article 70—Layoff, as if the employee returning had always been a part of the bargaining unit. Employees who enter management service, unclassified or exempt employment after December 31, 2014 shall have no right of return, unless the employee is being removed from trial service.

Section 2. No Prior Classified Service. Management service employees without prior classified service may be placed in vacant positions only in accordance with Article 45, 45.1-45.5. LETTER OF AGREEMENT 70.1C,M-03-83

Article 70.1C & 70.1M—Layoff **Layoff Service Dates (Human Services Coalition)**

This Letter of Agreement is entered into between the Department of Administrative Services, Labor Relations Unit (Employer), on behalf of the Human Services Coalition, and the SEIU Local 503, OPEU.

In recognition of the challenges facing the Departments in calculating employee Layoff Service Dates following reorganization and not wanting to unnecessarily upset current employees, the Parties agree to the following understanding concerning Articles 70—Layoff and 70.1C and 70.1M—Geographic Area for Layoff:

The Parties agree that the Department will not have to calculate and post Layoff Service Dates for employees in classifications affected by layoff as long as a vacancy exists (which management intends to fill) in the affected classification within the designated area of layoff. This is predicated on a vacant position, which the Departments intend to fill, always being considered as the “least senior” position in any classification. In instances where a vacancy does not exist within the affected employee's designated area of layoff, the Departments agree to calculate and post Layoff Service Dates in accordance with Article 70, Section 2(a) provisions.

LETTER OF AGREEMENT 70.2AK-11-224

Article 70.2A,K—Geographic Area for Layoff **(OYA Facilities & Camps/OYA Administration & Field Services)**

~~This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer), on behalf of the Oregon Youth Authority (Agency), and the SEIU Local 503, OPEU (Union).~~

~~The purpose of this Agreement is to define the interaction of Article 70—Layoff, and Articles 70.2A—Geographic Area for Layoff (OYA facilities and Camps) and 70.2K—Geographic Area for Layoff (OYA Administration and Field Services).~~

~~The Parties agree to the following:~~

~~If an employee received a layoff notice, the employee may choose and prioritize one (1) or more of the options in Article 70—Layoff, Section 2(d). If no choice is made, the employee would be laid off. The employee may also indicate (on the same date as when they must make the Article 70 choice) one (1) or more option(s) described within Article 70 that the employee would exercise under Articles 70.2A or Article 70.2K, i.e., at another location, if no option(s) chosen for the employee's current location is/are available.~~

~~If there are no Article 70 bumping or demotion options available other than layoff, based upon the option(s) chosen by the employee, then there is sufficient evidence that the similar provision described in both Articles 70.2A and 70.2K. “If there is no opportunity in the employee's Institution or Camp (70.s), or Administration or Field Services office (70.2K)...,” has been fulfilled and provides access to the alternative location choice described in Articles 70.2A or 70.2K, Article 70 options become available at an alternative location can be different than the choice(s) the employee made under Article 70 for the employee's current work location.~~

~~Employees will choose and prioritize one (1) or more of the option(s) under Article 70, and under Articles 70.2A or 70.2K at the same time. The date when the employee chooses a 70.2A or 70.2K location would be designated by the Agency.~~

~~This Agreement does not merge 70.2A with 70.2K. Each is only available based upon the employee's respective work location. An employee working an Institution or Camp would have 70.2A in effect. An employee working for the OYA Administration or at a Field Services office would have 70.2K in effect.~~

~~Article 70.2A and Article 70.2K each provide a choice of one (1) Institution (in the case of 70.2A-eligible employees) or office (in the case of 70.2K-eligible employees) statewide, regardless of any geographic area described in Article 70.2A or Article 70.2K.~~

~~This Letter of Agreement expires at the end of the day on June 30, 2013.~~

LETTER OF AGREEMENT 90.2C-13-223

Article 90.2C--Work Schedules Meal Breaks and Rest Periods (OSH)

This Letter of Agreement is entered into between the State of Oregon by the Department of Administrative Services (DAS), Labor Relations Unit (LRU), on behalf of the Oregon Health Authority (OHA), Oregon State Hospital (OSH), and the Service Employees International Union (SEIU), Local 503, OPEU/OSH Local 392.

This Letter of Agreement (Agreement) modifies Article 90.2C-Meal Break, Section 6, Rest Periods, of the 2011-2013 SEIU Collective Bargaining Agreement.

Background:

Meal and rest periods (breaks) are specified in OAR 839-020-0050 Meal and Rest Periods. The purpose of this rule is to prescribe minimum meal periods and rest periods for the preservation of the health of employees.

However, the provisions of the rule may be excepted by the Collective Bargaining Agreement, pursuant to Section (7), which specifies, "The provisions of this rule regarding meal periods and rest periods may be modified by the terms of a collective bargaining agreement if the provisions of the collective bargaining agreement entered into by the employees specifically prescribe rules concerning meal periods and rest periods."

Reasons for the Letter of Agreement:

1. The OSH is a psychiatric hospital whose mission is to provide therapeutic evidence-based, patient care treatment focusing on recovery and community reintegration all in a safe environment. The OSH operates twenty-four (24) hours a day, seven (7) days per week.
2. At OSH, there are multiple factors involved when scheduling and providing paid rest periods (breaks). Such factors also involve difficulty in the actual implementation of paid rest periods. Factors may include, but are not limited to: staffing pattern and shortage, patient care and safety.
3. This Agreement will allow exception to OAR 839-020-0050. The current language in Article 90.2C, Section 6, Rest Periods, specifically prescribes rules concerning rest periods.
4. Within the context of the rule, the Collective Bargaining Agreement and this Letter of Agreement, management retains the right to establish and manage work schedules at OSH.

APPENDIX A – LETTERS OF AGREEMENT

Components of the Letter of Agreement:

1. Based on operational necessities, as identified by management, employees may combine their unpaid meal break with one (1) fifteen (15) minute break. This combination of breaks will not happen within the first (1st) or last hour of an employee's shift.

2. This Agreement applies to LPN and MHT staff.

~~This Agreement is effective for a pilot period through June 30, 2013. Either Party may terminate the pilot earlier with thirty (30) days' notice to the other Party.~~

3. This Agreement is non-precedent setting.

LETTER OF AGREEMENT 90.2C-13-227

Article 90.2C--Work Schedules

Thirteen-Hour and 20 Minute Shifts (OSH, Salem Campus)

This Letter of Agreement is entered into between the State of Oregon Department of Administrative Services (hereinafter the "Employer"), on behalf of the Oregon State Hospital, Salem Campus (hereinafter the "Agency"), and the SEIU Local 503, OPEU (hereinafter the "Union").

1. This Agreement establishes a weekend shift schedule. While the Agency and the Union agree that this weekend schedule has potential to be demanding, employees on the special weekend shift schedule shall have the option of transferring to their choice of available vacancies after thirty (30) days and no later than sixty (60) days after the first day worked on this weekend shift.

2. Work Week. This weekend shift schedule shall consist of three (3) thirteen (13) hour and twenty (20) minutes shifts each week: one (1) shift on Saturday, one (1) shift on Sunday and one (1) shift on either Monday or Friday, totaling forty (40) hours in an established time of seven (7) consecutive twenty-four (24) hour periods.

Meal Periods. The thirteen (13) hours and twenty (20) minutes shifts of consecutive hours of work, except for interruption of any unpaid meal periods shall constitute a regular scheduled workday. There shall be one (1) thirty (30) minute lunch period for each thirteen (13) hour and twenty (20) minute shift, as near as possible to the midpoint of each shift.

Rest Periods. Effective after this amended Letter of Agreement is signed, and after a short period of providing notice to employees and supervisors, there shall be three (3) fifteen (15) minutes paid, on-duty, rest periods per thirteen (13) hour and twenty (20) minute shifts, two (2) of which may be combined if unit scheduling of workload permits. There shall be no overtime paid per their scheduled thirteen (13) hour and twenty (20) minute shift.

3. The Parties recognize the significance of this weekend schedule and agree that the Agency will select employees on the basis of those individuals having seniority as defined in Article 45.2CG Section 2(a), who meet the qualifications to perform the job and

who request the transfer.

Special qualifications include:

- An acceptable attendance history as defined by no instances of unauthorized leave without pay in the last three (3) month period, and ability to work independently as defined by no instances of disciplinary action in the last three (3) month period.

- It is further recognized and agreed by the Parties and the employees that reliable attendance is mandatory for continuation in this weekend shift schedule. Accordingly, Management may discontinue weekend shift schedule and place specific employees in other workweek schedule assignments at any time, if the employee absents themselves without authorized leave. In addition, given reasonable concerns, the Agency may require a statement from a physician, in a form prescribed by the Agency, that the employee is capable of working this weekend shift schedule before being allowed to continue on this weekend shift schedule.

4. It is understood that the Agency may elect to discontinue this weekend shift schedule. The Agency, however, will provide the bargaining unit members with ninety (90) days advance notice before discontinuing the use of this weekend shift. Upon cancellation, the Agency shall place employees in other regular workweek schedule assignments, per the contract in effect at the time the shift schedule is discontinued.

5. To accommodate the special weekend work schedule change, the Parties agree that the following Articles in their 2011-2013 Collective Bargaining Agreement are modified, as indicated, to provide for the implementation and maintenance of the special weekend shift schedule:

Article 20--Discipline and Discharge, is hereby modified to provide that the Article does not apply if this weekend shift schedule was discontinued and they are assigned to a regular workweek schedule because of attendance problems. However, removal from this weekend shift schedule and assignment to the regular workweek schedule may be utilized as an early step of progressive discipline in performance-related matters and such removal is subject to Article 21--Grievance and Arbitration Procedure.

Article 32--Overtime, is hereby modified to provide that each employee will be paid straight time for the total thirteen (13) hour and twenty (20) minutes. Time and one-half (1½) will be paid for hours in excess of the three (3) thirteen (13) hour and twenty (20) minute shifts in the seven (7) consecutive twenty-four (24) hour periods.

Article 58--Holidays, is hereby modified to provide that each employee shall be paid in cash, unless compensatory time off is requested by the employee, at the overtime rate of time and one-half (1 ½) for recognized holidays that actually fall

APPENDIX A – LETTERS OF AGREEMENT

on the weekend, provided each employee works the full thirteen (13) hour and twenty (20) minute shift, or the affected employees will be scheduled off with eight (8) hours holiday straight time pay to count towards the forty (40) hour workweek. Eight (8) hours of holiday to be paid in cash or compensatory time shall be coded appropriately.

Article 70--Layoff and Recall, shall be followed, except:

A) Where an employee has received notice of layoff, he/she must desire a thirteen (13) hour and twenty (20) minute shift. If an employee does not desire a thirteen (13) hour and twenty (20) minute shift, the employee may displace the employee with the lowest service credits in a position outside the special weekend shift.

B) Where employees are scheduled to work a thirteen (13) hour and twenty (20) minute shift, they must:

1. Be physically capable of working thirteen (13) hour and twenty (20) minute schedules three (3) days in a row, and

LETTER OF AGREEMENT 90.2C-13-232

Article 90.2C--Work Schedules

Portland Campus Unit 1B Closure

Establishment of New Work Schedules (OSH)

This Letter of Agreement is entered into between the State of Oregon by the Department of Administrative Services (DAS), Labor Relations Unit (LRU) on behalf of the Oregon Health Authority (OHA), Oregon State Hospital (OSH) and the Service Employees International Union (SEIU) Local 503, OPEU/OSH Local 392, as it pertains to how staff will be assigned new work areas due to the closure of Portland Oregon State Hospital (POSH) patient care unit P1B due to a census reduction and to move staff currently working on unit P1B to new work areas in the Portland campus and the movement of staff working at the Portland campus to new work schedules.

Background:

Due to the current fiscal situation affecting the State of Oregon and OSH, the patient census is being reduced at the Portland campus. Additionally, due to the number of vacant positions at the Portland campus and the difficulty recruiting qualified employees at the Portland campus, OSH has decided to close unit P1B. This closure will allow the continued operation of the Portland campus without an immediate reduction of staff. This closure will require that the staff currently working on unit P1B be offered other positions at the Portland campus and new schedules be put in to place to maintain the operation of the three (3) remaining units at the Portland campus.

Agreement:

OSH and the Union will work together to establish a new work schedule pattern for each unit at POSH. Within this schedule, OSH and the Union will work together to determine how many employees in each job classification will work on each shift on each unit.

Employees working on the unit slated for closure shall move into positions on units at Portland OSH campus as described below.

Portland Campus Tumble:

All Portland campus employees including those affected by the closure of the unit will have their in state seniority compiled and distributed by OSH HR.

After the seniority list has been established, that list and all new work schedules for the Portland campus will be posted for all Portland campus employees for a minimum of eight (8) days.

After the period listed above, the new schedules and finalized seniority list will be posted for at least eight (8) days for review by the affected Portland campus employees.

After the end of those eight (8) days a notification of selection times (tumble schedule) will be provided to employees beginning with the most senior employee to identify and select their new schedule and work area. The affected employees will choose a new schedule and or work unit as outlined in the new schedule pattern agreed upon by OSH and the Union.

The most senior employee in the class will chose a position and this will continue until all employees have selected a new schedule and unit.

Implementation of New Schedules and Work Units:

The collaborative process for the tumble will continue, and OSH management will follow the collective bargaining agreement to implement the assignments and schedules.

Right of Return:

If Unit 1B re-opens prior to June 30, 2015, employees that were working on Unit 1B will have first (1st) right of refusal to return to that

site (after any legal process related to Injured Workers or contractual process related to the Agency Layoff list). A person who is no longer a State employee would not retain this right upon separation. Employees would be offered this right to return to their previous classification in which they were displaced in seniority order.

Pre-test screenings will be provided to the employee at no cost, unless the employee chooses to use their own medical provider.

(b) A medical certification from a licensed physician attesting to the employee's ability to safely perform arduous, moderate or light level fire duties with restrictions may be substituted for passing the equivalent level of WCT. Such medical certification cannot be substituted when an employee has failed any WCT in that calendar year.

WCT Administrators are responsible for ensuring that while ~~any five (5) or more employees are testing~~ occurs that a certified Emergency Medical Technician (EMT), with defibrillation capability, is present at the test site and has defibrillation capability on site ~~test site. - ~~(b) Employees subject to floating mandatory unpaid time off will submit a mandatory unpaid time off request form to their supervisors in accordance with agency procedures for requesting paid time off. LETTER OF AGREEMENT 00.00-09-193

Mandatory Unpaid Time Off

Clarifications For Implementation

~~The Letter of Agreement is between the State of Oregon, acting through its Department of Administrative Services (DAS) (Employer) and the SEIU Local 503, OPEU (Union). The parties agree to the following clarifications for implementation of the mandatory unpaid time off Letter of Agreement #00.00-09-191.~~

~~1. Requests for Floating Mandatory Unpaid Time Off Days.~~

~~Employees may request to take no more than two (2) mandatory unpaid time off days in the same week. The supervisor will have up to fifteen (15) days to respond to the employee's request for the mandatory unpaid time off day.~~

~~2. Mandatory Unpaid Time Off for Newly-Hired, Reemployed, Recalled and Transferred Employees.~~

~~At the time of an employment offer, the employee shall be given the number of hours designated as mandatory unpaid time off days.~~

~~3. Seasonal Full-Time Employee – Calculation of Mandatory Unpaid Time Off Obligation.~~

~~Full-time seasonal employee's mandatory unpaid time off days obligation shall be determined by using the following formula as a guideline:~~

$$\text{(MS : TM)} \times \text{TO}$$

~~Formula Description:~~

~~MS = Estimated number of months the seasonal employee will work during the period in which mandatory unpaid time off must be taken.~~

~~TM = Total number of months during the 2011-2013 biennium during which mandatory unpaid time off must be taken.~~

~~TO = Total number of mandatory unpaid time off days required for the biennium for the salary tier for the employee.~~

~~Example: The employee's seasons include the months of May through October 2011 and May through October 2012. The seasonal employee is expected to work both seasons. The seasonal employee is in the top salary tier which has a maximum of fourteen (14) mandatory unpaid time off days. The calculation is the following:~~

$$\text{(MS : TM)} = (9 \text{ months} : 22 \text{ months}) = .409$$

$$\text{TO} = 14 \text{ days}$$

$$(9 : 22) \times 14 = 5.73 \text{ days}$$

~~Rounding to nearest whole number = 6 mandatory unpaid time off days (8 hours each).~~

~~4. Part-time (including seasonal part-time) Employee – Calculation of Mandatory Unpaid Time Off Obligation.~~

~~Part-time employee's mandatory unpaid time off obligation is prorated based on the actual paid hours, excluding overtime, for the part-time employee in the previous twelve (12) months or previous season, whichever is applicable. The mandatory unpaid time off obligation shall be prorated using the following formula as a guideline:~~

$$\text{(SSH/FTH)} \times 8 = \text{MH}$$

~~Formula Description:~~

~~SSH = The scheduled hours in a month for the part-time employee.~~

~~FTH = The number of full-time hours in a month.~~

~~8 = The number of hours in a full-time mandatory unpaid time off day obligation.~~

~~MH = The number of mandatory unpaid time off hours required for a mandatory unpaid time off day for the part-time employee.~~

~~Example: Using the facts in the example used for full-time calculation (six (6) mandatory unpaid time off days), but adding that the part-time employee is scheduled to work three-quarter (3/4) time for the previous twelve (12) months or previous season, whichever is applicable. Three-quarter (3/4) time is equivalent to one hundred thirty (130) hours (i.e., three-quarters (3/4) of the one hundred seventy-three and thirty-three one hundredths (173.33) full-time hours in a month). The calculation is:~~

$$(130 \text{ hours} / 173.33 \text{ hours}) \times 8 = 6 \text{ hours}$$

~~The three-quarter (3/4) time employee would take three-quarters (3/4) of a workday (i.e., six (6) hours) off for a mandatory unpaid time off day.~~

APPENDIX A – LETTERS OF AGREEMENT

~~Seasonal employees employed multiple seasons and/or by multiple agencies, will be dealt with on an Agency-by-Agency basis to determine the number of mandatory unpaid time off days.~~

~~5. An employee's original mandatory unpaid time off obligation will not be changed as a result of promotion, demotion or reclassification except if the employee changes from part-time to full-time or seasonal to full-time or vice-versa.~~

~~6. Unpaid Leaves (Including FMLA/OFLA, Military Leave, Workers Comp, Leave Without Pay) During Closures.~~

~~For employees observing mandatory unpaid closure days, if an employee is on leave without pay when a mandatory unpaid time off closure day occurs, the employee will not be required to make up the missed mandatory unpaid time off day.~~

~~7. Authorized Unpaid Leaves (Including FMLA/OFLA, Military Leave, Workers Comp, Leave Without Pay) and Float Day Observance.~~

~~If an employee's scheduled mandatory unpaid time off day occurs when the employee is on authorized leave without pay, the scheduled mandatory unpaid time off day will count towards the employee's obligation. The supervisor will code the mandatory unpaid time off.~~

~~8. Scheduling of Vacation and Mandatory Unpaid Time Off.~~

~~Employees may schedule mandatory unpaid time off days as part of their vacation request (e.g., an employee may request a week's vacation that includes mandatory unpaid time). However, in no case shall an employee take more than two (2) mandatory unpaid time off days in a work week. If seniority is used as a tiebreaker or to bump a preapproved vacation, there shall be no substitution with mandatory unpaid time off days.~~

~~9. Employees Called In to Work on a Mandatory Unpaid Time Off Day Off.~~

~~In the event an employee is called in to work on a date designated as a mandatory unpaid time off day due to operational needs, the employee and supervisor shall arrange to take the remainder of the mandatory unpaid time off at a mutually agreeable time. The remaining mandatory unpaid time off, with approval from the supervisor, may be taken during the employee's workweek, as long as the workweek does not exceed forty (40) hours, including the mandatory unpaid time off, or at another time. If the remaining hours of mandatory unpaid time off to be made up are less than an employee's full scheduled workday, the employee may either split a workday (mandatory unpaid hours plus regular work hours) to make a full work shift or make alternate arrangements for the remainder of the shift, including but not limited to using appropriate accrued leave. If the remaining portion of the mandatory unpaid time off is not mutually scheduled and taken by March 31, 2013, then management shall ensure the remaining portion of the mandatory unpaid time off day is rescheduled.~~

~~10. Adjusting the Mandatory Unpaid Time Off Day Off Obligation for Employees Hired After Ratification of the Collective Bargaining Agreement.~~

~~Employees hired after ratification of the Collective Bargaining Agreement will have their mandatory unpaid time off obligation adjusted for the time remaining to June 30, 2013.~~

~~11. Changing Closure or Float Days for Operational Needs (SEIU).~~

~~If an Agency identifies specific operational needs for a program to change from observing closures rather than float days, or vice versa, or change from observing a specific scheduled closure date, the Agency will submit the change to the Union and DAS Labor Relations within thirty (30) days following ratification of the Collective Bargaining Agreement.~~

~~12. Non-Emergency Changes to Employees Observing Fixed Closure Days~~

~~The Letter of Agreement does not preclude schedule changes pursuant to the Collective Bargaining Agreement.~~

~~Employees who are attending or presenting at conferences or traveling on closure days may convert the closure day to a float day.~~

~~For Board and Commission meetings scheduled on a closure day, that closure day may be converted into a float day.~~

~~See Mandatory Time Off Obligation Chart at the end of Appendix A.~~

This chart calculates the mandatory unpaid time obligation for new hire employees and the minimum required obligation for separating employees. Fixed closures may vary for some Agencies; employee obligation will be reduced according to the Agency's fixed closures. Chart reflects unpaid time off reduced in 8-hour increments (full-time regular work schedule). Employees on an alternative work schedule or flexible work schedule may take the unpaid time off as their shift and their obligation hours shall be reduced accordingly. Additional or specific requirements are specified in any applicable collective bargaining agreement and/or by policy.

FOOTNOTES:

- ¹ 8/19/11 was a fixed closure for some represented agencies instead of 9/16/11. For those agencies, the New Hire obligation would be reduced by one day beginning 8/19/11. Also, on the Separating Employee Chart the obligation for taking one day began on 8/19/11, instead of 9/16/11.
- ² The mandatory unpaid time off obligation exceeds the number of remaining closure dates because the employee has float days.
- ³ The float mandatory time off will not be required for an employee hired after 5/24/13.
- ⁴ Employees who retire or separate from the State prior to the end of the biennium are required to schedule and take the number of mandatory unpaid time off days identified for their separation date prior to separating.
- ⁵ Break points for separation dates are based either on closure dates or the end of the biennium time when obligations are to be completed.
- ⁶ Separating employees should have taken the total required number of mandatory unpaid time off obligation by 3/31/13, unless the employee observes closure days. If the employee observes closures, the obligation on 4/1/13 would be 8, 10, and 12, respectively. After the 4/19/13 closure date, the obligation would be 9, 11 and 13, respectively, and after the 5/24/13 closure date the obligation would be fully completed with 10, 12 and 14 days respectively.
