In this Agreement, four types of Article numbers appear. These numbers have different applications. For example, some Articles apply to all Agencies covered under this Agreement, some Articles apply only to the Agencies within a particular coalition, some Articles apply only to a particular Agency within a coalition, and some apply only to temporary employees. The types of numbers used are as follows:

1. Articles which were negotiated centrally and apply to all coalitions and all Agencies within the four coalitions have numbers without any subcategories, e.g.:
   
   Article 20--Discipline and Discharge
   Article 27--Salary Increase
   Article 56--Sick Leave
   Article 70--Layoff

2. Article subcategories with no letter following the number signify that the Article applies to all Agencies within a particular coalition, e.g.:
   
   Article 18.3--Reorganization Notification (ODOT Coalition)
   Article 100.1--Security (Human Services Coalition)

   The last digit in these subcategories identifies the coalition that the Article applies to:
   
   .1 Human Services Coalition
   .2 Institutions Coalition
   .3 ODOT Coalition
   .5 Special Agencies Coalition

3. Articles which have subcategories with a letter following the number signify that the Article applies only to a particular Agency within a coalition, e.g.:
   
   Article 32.5I,P--Overtime (OHCS, OSAC)
   Article 35.2K--Phone Calls (OYA Administration and Field)
   Article 70.2A--Geographic Area for Layoff (OYA Youth Correctional Facilities and Camps)

4. Centrally negotiated Articles which have a “T” attached signify Articles that apply only to temporary employees, e.g.:
   
   Article 19T--Personnel Records (Temporary Employees)
   Article 22T--No Discrimination (Temporary Employees)

   (See Article 2, Section 5(c)(d) for a full listing of Articles and Letters of Agreement which apply to temporary employees.)

If an employee using the Master Agreement is looking for a contractual provision for his/her particular Agency, he/she must locate the subject by using either the Table of Contents or the Index.

NOTE: The Parties may elect to assemble and print a coalition agreement in addition to a Master Agreement.

ARTICLE 2--RECOGNITION

Section 1. The Employer recognizes the Union as the exclusive bargaining representative for all classified and unclassified employees in positions represented by the Union in the Agencies listed in Section 2 below. The Union is also the exclusive bargaining representative for temporary state employees in the classified or unclassified service as direct hire temporary employees of the State of Oregon excluding student workers who are in student worker classifications; student law clerks; independent contractors; any temporary employees who are represented by another labor organization; retired state employees; casual labor temporary Agency employees (e.g., Kelly, Manpower, Goodwill Industries, St. Vincent de Paul) not directly employed by DAS; temporary employees in the exempt service as defined in ORS 240.200; school-to-work experience employees; persons hired under exchange programs with the State; prisoners; interns from bona fide educational programs who are fulfilling academic requirements of that program and are completing their degree; and JOBS Plus program participants. Temporary employees represented by the Union are in the Agencies listed in Section 2 below. This recognition does not apply to exempt, supervisory, managerial and confidential employees as defined by law or as determined by the Employment Relations Board. The Department of Administrative Services agrees to provide the Union with no less than twenty (20) days notice of its intent to exclude a filled bargaining unit position based on supervisory, managerial or confidential status. The effective date of the exclusion remains unchanged.

Section 2. The Employer and the Union have established a single bargaining unit of employees represented by the Union and employed by the Oregon Youth Authority*, Oregon State Hospital, Pendleton State Delivered Secure Residential Treatment Facility, Oregon Department of Forestry, who are guards, firefighters, and police officers as identified by the Employment Relations Board or as agreed upon by the Parties. The bargaining unit has been modified by the Employment Relations Board to include temporary employees as defined in Section 1.

(a) The Employer and the Union have established a single bargaining unit which is not prohibited from striking. The bargaining unit has been modified by the Employment Relations Board to include temporary employees as defined in Section 1. This unit is made up of employees located at the following Agencies: Department of Agriculture, Commission for the Blind, Oregon Youth Authority*, Department of Human Services, Oregon Health Authority and Oregon Health Authority Institutions (Pursuant to HB2009) (Oregon State Hospital, Pendleton State-Delivered Secure Residential Treatment Facility), Department of Education (including School for the Deaf), Employment Department, Employment Appeals Board, Department of Administrative Services (State Controllers Division, former DGS Divisions, and State Data Center), Oregon Department of Forestry, Department of Justice, Bureau of Labor and Industries, Higher Education Coordinating Commission, Oregon State Library, Oregon Parks and Recreation Department, Public Employees Retirement System, Department of Revenue, Department of Transportation, State Treasury Department, Department of Veterans’ Affairs, Department of Water Resources, Department of Consumer & Business Services (including Workers’ Compensation Board), Board of Nursing, Oregon Medical Board, Board of Dentistry, Board of Pharmacy, Mortuary and Cemetery Board, Board of Psychologist Examiners, Board of Medical Imaging, Board of Massage Therapists, Occupational Therapy Licensing Board, Board of Examiners for Speech Pathology & Audiology, Board of Naturopathic Medicine, Oregon Department of Aviation, Oregon Watershed Enhancement Board, Oregon Housing & Community Services, Oregon Department of Fish & Wildlife, and Teachers Standards and Practices Commission.

*Oregon Youth Authority includes all employees except employees in positions classified as Juvenile Parole and Probation Officer and Juvenile Parole and Probation Assistant. Union-represented employees of this Agency are included in the Union's strike-permitted bargaining unit, except for employees in the classifications of Group Life Coordinator 1, 2, 3 and Youth Corrections Unit Coordinator, or successor classifications, who are included in the Union’s strike-prohibited bargaining unit.
**Section 3.** When there has been a determination of the Employment Relations Board to modify one (1) of the bargaining units listed in Section 2 or when the Parties reach mutual agreement to modify, negotiations will be entered into as needed or as required by law.

**Section 4. Exclusion of Filled Positions.**

(a) DAS, LRU shall provide the Union with no less than twenty (20) days written notice of its intent to exclude a filled bargaining unit position based on supervisory, managerial or confidential status. DAS, LRU agrees not to change the position’s designation from represented to management service during this twenty (20) day period.

(b) Should the Union decide to contest the proposed exclusion, it shall serve DAS, LRU with written notice of its intent to contest the exclusion within twenty (20) days of its receipt of the notice of intent to exclude. Should such notice be given by the Union, DAS, LRU will forego implementing the change in designation for an additional forty (40) days, beyond the initial twenty (20) day period. The purpose of this forty (40) day period is to allow the Union time to investigate whether it has grounds to contest the proposed change in status. If the Union decides to pursue challenging an exclusion, it must file with the Employment Relations Board (ERB) prior to the end of this forty (40) day period. In such event, DAS, LRU agrees to forego implementing the change in designation until the matter is resolved by way of ERB decision, settlement, or other manner.

(c) If DAS, LRU does not receive timely notice from the Union indicating its intent to contest the exclusion during the initial twenty (20) day period, or if the Union does not file with the ERB during the subsequent forty (40) day period, DAS, LRU may proceed to change the position’s designation, and the Union agrees not to contest the excluded status of this position during the remainder of this contract term, unless the position’s duties should materially change such that the exclusion is no longer warranted.

(d) For purposes of this Agreement, written notice may occur by personal delivery, fax, email or mail (postmark) within the time frames cited above.

**Section 5. Temporary Employees.**

(a) The Employer agrees to utilize temporary employees in accordance with ORS 240.309. Grievances alleging violations of ORS 240.309 may be submitted only by the Union, directly to the Department of Administrative Services level for full and final review.

(b) Temporary employees will have the same rights as other bargaining unit employees as enumerated below:

1. Same base rate of pay for the appropriate classification for regular status employees. Effective upon signing of this Agreement, rates of pay will be within the ranges, minimum and maximum, according to the Compensation Plan, per Article 27 and salary appendices.

(c) The following Articles apply to temporary employees: Articles 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 10.1C, 10.1M, 10.2, 10.2A, 10.2C, 10.2K, 10.3, 10.3A, 10.3C, 10.3D, 10.5, 11, 14, 15, 17.5, 19T, 19.1M, 19.2K, 21, 22T, 23T, 26T, 27, 29T, 30, 32T, 33.3A, 33.3C, 36.2K, 36.1M, 37, 48, 58T, 60T, 90T, 90.3CT, 101T, 113.5B, 121T, 123, 130.

(d) The following Letters of Agreement apply to temporary workers: LOA 21.1C-99-07 Employment; LOA 00.00-01-70 CDL Drug Testing.

**ARTICLE 3--SCOPE OF AGREEMENT**

**Section 1.** This Agreement binds the Union, its bargaining unit members, and any person designated by it to act on behalf of the Union. Likewise, this Agreement binds the Employer, the Department, the Agency, and any person designated to act on behalf of each.

**Section 2.** This Agreement supersedes all prior Collective Bargaining Agreements and Letters of Agreement negotiated between the Union and the State of Oregon acting by and through its Department of Administrative Services.

**ARTICLE 4--TERM OF AGREEMENT**

**Section 1.**

(a) This Agreement shall become effective on July 1, 2015, or such later date as it receives full acceptance by the Parties, and expires June 30, 2019, except where specifically stated otherwise in the Agreement.

(b) Either Party may give written notice during the period of October 15 – November 15, 2018, of its desire to negotiate a successor Agreement.

(c) Negotiations shall commence the first week of December 2018, or such other date as may be mutually agreed to by the Parties.

**Section 2.** This Agreement shall not be opened during the term of this Agreement except by mutual agreement of the Parties, by proper use of Article 7–Separability, or as otherwise specified in this Agreement.

**Section 3.**

(a) Notwithstanding Section 2 of this Article, either Party may elect to reopen this Agreement by written notice to the other party between November 1, 2016 through November 30, 2016 for the express purpose of negotiating Article 26 (Differential Pay), Article 26T (Differential Pay—Temps), Article 27 (Salary Increase), Article 31 (Insurance), and all directly related Letters of Agreement to the previously listed Articles.

(b) Negotiations shall commence the first (1st) week of December 2016, or an alternate date upon mutual agreement of the Parties. The Parties agree to a one-hundred-fifty (150) calendar day period of bargaining. If after the one-hundred-fifty (150) calendar day period of bargaining no agreement has been signed, either or both Parties may notify the Employment Relations Board of the status of negotiations and the need for assignment of a mediator. The
Art. 6: Legislative Action

Section 1. Provisions of this Agreement not requiring legislative funding or statutory changes before they can be put into effect shall be implemented on the effective date of this Agreement or the date otherwise specified in this Agreement. Necessary bills for implementation of the other provisions shall be submitted promptly by the Department of Administrative Services to the Legislative Assembly and both Parties shall jointly recommend passage of the funding and statutory changes.

Section 2. Should the Legislature not be in session at the time agreement is reached, the funding provisions of this Agreement shall be promptly submitted to the Emergency Board by the Department of Administrative Services and both Parties shall jointly recommend passage.

Section 3. Should the Legislature not be in session at the time agreement is reached, all other legislation necessary for the implementation of this Agreement shall be submitted to the next session (whether regular or special) of the Legislative Assembly.

Art. 7: Separability

In the event that any provision of this Agreement is at any time declared invalid by any court of competent jurisdiction, declared invalid by final Employment Relations Board (ERB) order, made illegal through enactment of federal or state law or through government regulations having the full force and effect of law, such action shall not invalidate the entire Agreement, it being the express intent of the Parties hereto that all other provisions not invalidated shall remain in full force and effect. The invalidated provision shall be subject to renegotiation by the Parties within a reasonable period of time from such request.
ARTICLE 8--NO STRIKE OR LOCKOUT

The Employer agrees that during the term of this Agreement, the Employer shall not cause or permit any lockout of employees from their work. In the event an employee is unable to perform his/her assigned duties because equipment or facilities are not available due to a strike, work stoppage, or slowdown by any other employees, such inability to provide work shall not be deemed a lockout.

During the term of this Agreement, the Union shall neither cause nor counsel the members of the bargaining unit to strike, walk out, slowdown, or commit other acts of work stoppage.

Upon notification confirmed in writing by the Department or Agency to the Union that certain bargaining unit employees covered by this Agreement are engaging in strike activity in violation of this Article, the Union shall, upon receipt of a mailing list, advise such striking employees in writing with a copy to the Department of Administrative Services and the affected Department and Agency, to return to work immediately. Such notification by the Union shall not constitute an admission that it has caused or counseled such strike activity. The notification by the Union to employees covered by this Agreement shall be made at the request of the Department of Administrative Services.

ARTICLE 9--MANAGEMENT’S RIGHTS

Except as may be specifically modified by the terms of this Agreement, the Employer shall retain all rights of management in the direction of their work force. Rights of management shall include, but not be limited to, the right to:

(a) Direct employees.
(b) Hire, promote, transfer, assign, and retain employees.
(c) Suspend, discharge, or take other proper disciplinary action against employees.
(d) Reassign employees.
(e) Relieve employees from duty because of lack of work or other reasons.
(f) Schedule work.
(g) Determine methods, means, and personnel by which operations are to be conducted.

ARTICLE 10--UNION RIGHTS

Section 1. Rights/Obligations.

(a) The Union and the Employer agree that there must be mutual respect for the rights and obligations of the Union and the Employer and the representatives of each.
(b) Employees covered by the Agreement are at all times entitled to act through a Union representative in taking any grievance action or following any alternate procedure under this Agreement.
(c) Once a bargaining unit member files a grievance, the employee shall not be required to discuss the subject matter of the grievance without the presence of the Union representative if the employee elects to be represented by the Union.

Section 2. The provisions of this Article and Articles 10.1 through 10.5 cover temporary employees. However, pay status provisions of this Article and Articles 10.1 through 10.5 shall not apply to temporary employees; instead temporary employees will be unscheduled rather than being in pay status or on paid or unpaid leaves for authorized activities. Such activities shall attempt to be scheduled during the temporary employee Steward’s non-work hours.

Section 3. Union Organizer Visitations. Union Organizers, with approval from a responsible manager, shall be allowed reasonable contact with bargaining unit members on Agency facilities. The purpose of these visits will be to meet with Union Stewards, with employees, or management regarding any actions or procedures under this Contract, including but not limited to, employee grievances per Article 21--Grievance and Arbitration Procedure. The Union Organizer will have the right to contact any represented employee in their workplace, as long as it does not interfere with the normal flow of work (e.g., lunch hour, break, before and after workshifts). Section 6. Union Steward Representation. The Employer agrees that a Union Steward system exists for employee representation available to all employees covered by this Agreement and also agrees to respect that when the employee is acting in his/her role of Steward, the relationship is different than that of supervisor and employee.

*For DMV, Agency means the Division Administrator.

Section 8. The Employer agrees that there shall be no reprisal, coercion, intimidation, or discrimination against any Union Steward or elected officers for protected Union activities. It is recognized that only certain protected activities are permitted during work hours.

Section 9. New Employee Orientation. Thirty (30) minutes shall be granted for a representative of the Union to make a presentation at the orientation of new employees on behalf of the Union for the purpose of identifying the organization's representation status, organizational benefits, facilities, related information, and distributing and collecting membership applications. If the representative is an employee of the Agency, the employee shall be given time off with pay for the time required to make the presentation. The Employer will provide the Union reasonable notice of the place and time of meetings for the orientation of new employees. Subject to prior supervisory approval(s), regarding scheduling, the Union representative will be allowed to meet on work time to cover these same items. Such time is limited to thirty (30) minutes. The Union agrees that temporary employees will not make presentations at new employee orientations.

Section 10. Upon notice to their immediate supervisor, Union Stewards will be granted mutually agreed upon time off during regularly scheduled working hours:
(a) to investigate and process grievances;

If the permitted activities would interfere with the work the Steward or employee is expected to perform, the immediate supervisor shall, within the next workday, arrange a mutually satisfactory time for the requested activity. Upon request of an employee who has received a written disciplinary action, a Union Steward may use Agency time to investigate the disciplinary action before the filing of a written grievance pursuant to Article 21 of the Agreement. The Labor Relations Unit will notify the SEIU-represented agencies and refer them to an on-line location to review the electronic list to use in granting the leave pursuant to this provision. In the event there are modifications to the notification, the Union agrees to send the modification request directly to the Agency. In emergency situations where the Union is unable to provide thirty (30) days advance notice, delegates and board members shall be granted leave with less than thirty (30) days notice unless, by granting such leave, the Agency will suffer undue hardship.

Subject to the employee’s work unit operating requirements, official Union Stewards shall be granted personal leave, accrued vacation leave, accrued compensatory time, or leave of absence without pay at their request to attend the Union’s annual Steward Conference. Such request will be submitted in writing at least ten (10) workdays before the conference.

However, if the Union President or Executive Director requests release time for less than his/her full regular schedule, such release time shall be subject to the Employer’s approval based on the operating needs of the employee’s work unit. The Union shall, within thirty (30) days of payment to the President or Executive Director, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other Employer-related costs. Section 1. Union Rights.

(a) Union Stewards will be allowed to wear Union Steward identification during working hours.

(b) Union Stewards shall be given reasonable time off during regularly scheduled working hours without loss of pay for:

(1) Investigating and processing grievances;

If no Steward is available for employee representation at the employee’s worksite, the employee will select a Steward from the next closest worksite (as determined by road miles). At the employee’s request, the Agency will provide the employee a list of all Stewards at the next closest worksite. A Steward may also not be considered “available” if the Steward or employee reasonably determines that a conflict of interest between the Steward and employees exists, which would interfere with the Steward’s capacity to act in the best interests of the employee.

REV: 2013, 2015

ARTICLE 11--EMPLOYEE ASSISTANCE PROGRAM (EAP)

Section 1. The Employer agrees to provide to the Union the statistical and program evaluation information provided to management concerning Employee Assistance Program(s).
Section 5. The study will include all pertinent information upon which the Employer based its decision to contract out the work including, but not limited to, the opportunity to submit an alternate proposal. The notification by the Employer to the Union of the results of the feasibility study determining the potential costs and other benefits which would result from contracting-out the work in question. Agencies shall either use the form in Appendix H or another form, provided there is no substantive changes to the information contained in Sections F-K of the form in Appendix H. Agencies shall send all feasibility studies conducted under Article 13 directly to SEIU Local 503, OPEU Headquarters.

Section 2. Upon request, but no more than quarterly, Agencies shall provide the Union with a report identifying contracts awarded to any group, individual, organization or business enterprise that could be appropriately performed by bargaining unit members.

Section 3. The Employer shall provide the Union with no less than thirty (30) days’ notice that it intends to request bids or proposals to contract out bargaining unit work where the decision would result in displacement of bargaining unit members. During this thirty (30) day period, the Employer shall not request any bids or proposals and the Union shall have the opportunity to submit an alternate proposal. The notification by the Employer to the Union of the results of the feasibility study will include all pertinent information upon which the Employer based its decision to contract out the work including, but not limited to, the total cost savings the Employer anticipates. The Employer will count eighty percent (80%) of the affected employee’s straight-time rate when comparing the proposals.

Feasibility studies will not be required when: (1) an emergency situation exists as defined in ORS 279A.010(1)(f) and (b) Place employees displaced by a contract elsewhere in state government in the following order of priority: within the Agency, within the department, or within state service generally. Salaries of employees placed in lower classifications will be red-circled. To the extent this Article conflicts with Article 45--Filling of Vacancies, this Article shall prevail.

Section 4. If the Union’s proposal would result in providing quality and savings equal to or greater than that identified in the management plan, the Parties will agree in writing to implement the Union proposal.

Section 5. Should any full-time bargaining unit member become displaced as a result of contracting-out, the Employer and the Union shall meet to discuss the effect on bargaining unit members. The Employer’s obligation to discuss the effect of such contracting does not obligate it to secure the agreement of the Union or to exhaust the dispute resolution procedure of ORS 243.712, 243.722, or 243.742, concerning the decision or the impact.

“Displaced” as used in this Article means when the work an employee is performing is contracted to another entity outside state government and the employee is removed from his/her job.

Section 6. Once an Agency makes a decision to contract out, it will either:

(a) Require the contractor to hire employees displaced by the contract at the same rate of pay for a minimum of six (6) months subject only to “just cause” terminations. In this instance, the State will continue to provide each such employee with six (6) months of health and dental insurance coverage through the Public Employee Benefits Board, if continuation of coverage under the Bargaining Unit Benefits Board is allowed by law and pertinent rules of eligibility. Pursuant to Article 70, Sections 9 through 12, an eligible employee shall be placed on the Agency layoff list and may, at the employee’s discretion, be placed on a secondary recall list for a period of two (2) years; or

(b) Place employees displaced by a contract elsewhere in state government in the following order of priority: within the Agency, within the department, or within state service generally. Salaries of employees placed in lower classifications will be red-circled. To the extent this Article conflicts with Article 45--Filling of Vacancies, this Article shall prevail.

(c) An employee may exercise all applicable rights under Article 70--Layoff, including prioritizing options (1), (2), (3) or (4), as described in Article 70 Section 2, if the employee finds option (a) or (b), as selected by the Employer, is unsatisfactory. The employee must select his/her Article 70 Section 2 options within five (5) calendar days pursuant to notification of (a) or (b) above.

ARTICLE 14--NEgotiations PROCEDURES

Section 1. Negotiations shall commence pursuant to Article 4 of this Agreement and the Parties will structure their Agreement per the four (4) Agency groups set forth below:

The employee shall be required to sign material to be placed in his/her official personnel file provided the following disclaimer is attached:

“Employee’s signature confirms only that the supervisor has discussed and given a copy of the material to the employee. The employee’s signature does not indicate agreement or disagreement with the contents of this material.”

If an employee is not available within five (5) working days or refuses to sign the material, the Agency may place the material in the file, provided a statement has been signed by two (2) management representatives and a copy of the document was mailed certified to the employee at his/her address of record or hand delivered to the employee.

Section 3. Employees shall be entitled to prepare and provide copies of any written explanation(s) or opinion(s) regarding any critical material placed in his/her official personnel file or supervisory working file. Section 4. An employee may include in his/her official personnel file a reasonable amount of relevant material such as letters of commendation, licenses, certificates, college course credits, and other material which relates creditably on the employee. This material shall be retained for a minimum of three (3) years except that licenses, certificates, or college credit information may be retained so long as they remain valid and relevant to the employee’s work.

Section 5. Material reflecting caution, consultation, warning, admonishment, and reprimand shall be retained for a maximum of three (3) years. Such material will, at the employee’s request, be removed after twenty-four (24) months, provided there has been no recurrence of the problem or a related problem in that time. Earlier removal will be permitted when requested by an employee and if approved by the Appointing Authority.

Material relating to disciplinary action recommended, but not taken, or disciplinary action which has been overturned and ordered removed from the official personnel file(s) on final appeal, shall be removed.

Incorrect material will be removed, upon request, from an employee’s personnel file. (See Article 85--Position Descriptions and Performance Evaluation.)

Section 6. Upon written request by the employee, the Agency will make a good faith effort to return material removed from the official personnel file to the employee. A copy of the request will be maintained in the official personnel file.

Where the personnel records are maintained on microfiche/microfilm, the personnel file will include both microfiche/microfilm and any material not yet copied.

Upon reasonable notice, an employee may inspect the records, excluding any confidential reports from previous employers, in his/her official Agency personnel file; provided that, if the official personnel file is kept at a separate facility, the employee shall, at the Agency’s discretion, either be allowed to go where the file is kept or the file will be brought to the employee for review within five (5) days of his/her request. With the employee’s written authorization, his/her Union Representative may inspect the employee’s official personnel file, consistent with the time requirements provided herein.

No grievance material shall be kept in an employee’s official personnel file.

Section 2. No information reflecting critically upon an employee shall be placed in the employee’s official personnel file without a copy being provided to the employee in person or by mail at the last known address.

Employees shall be entitled to prepare a written explanation or opinion regarding any critical material placed in his/her official personnel file. The employee’s explanation or opinion shall be attached to the critical material and shall be included as part of the employee’s official personnel record so long as the critical materials remain in the file. 2015-2019 SEIU Local 503/State of Oregon CBA
ARTICLE 19.2K—PERSONNEL RECORDS (OYA Administration and Field Services)
When the Agency receives a subpoena or request for an employee’s personnel records, except for an inquiry as a result of a criminal law complaint or request for verification of employment and salary, the Agency shall:
(a) notify the employee of the subpoena or request, who has made it, the information being subpoenaed or requested, and the reason for the subpoena or request; and
(b) provide the employee with a copy of all material sent in response to the subpoena or request.

ARTICLE 20--INVESTIGATIONS, DISCIPLINE, AND DISCHARGE
Section 1. The principles of progressive discipline shall be used when appropriate. Discipline shall include, but not be limited to: written reprimands; denial of an annual performance pay increase; reduction in pay;* demotion; suspension without pay; and dismissal. Discipline shall be imposed only for just cause.
*For FLSA-exempt employees, except for penalties imposed for infractions of safety rules of major significance, no reduction in pay and only suspensions without pay in one (1) or more full workweek increments unless or until FLSA restrictions on economic sanctions for exempt employees are eliminated by statute or a court decision the State determines dispositive. Safety rules of major significance include only those relating to the prevention of serious danger to the Agency, or other employee.

Section 2. The Employer is committed to conducting investigations in a timely manner. Agencies will make reasonable efforts to begin the investigatory process on potential disciplinary issues within thirty (30) days of becoming aware of the issue. However, the Parties recognize that circumstances and complexities of individual cases may delay initiation of an investigation.

Section 3. Suspension With Pay or Duty Stationed at Home Pending an Investigation by the Agency's Human Resource Office. The employee shall be notified in writing of the initial reason for the action within seven (7) calendar days of the effective date of the action. The Agency will conduct the initial interview with the employee within thirty (30) calendar days of notification of the action. The investigation shall be completed within one-hundred twenty (120) calendar days. However, if the investigation is not concluded within the timeline, the Agency will notify DAS and the Union of the specific reason(s) and the amount of additional time needed which shall be no more than thirty (30) days at a time.

Section 4. Upon request, the Agency shall give the employee under Weingarten investigation, and his/her steward of record, notification of the status of the Agency’s investigation, every thirty (30) days until completed. Upon completion of the investigation, the Agency will provide the employee and his/her steward of record with written notification of the disposition of the investigation.

Section 5. A written pre-dismissal notice shall be given to a regular status employee who is being considered for dismissal. Such notice shall include the then known complaints, facts, and charges, and a statement that the employee may be dismissed. The employee shall be afforded an opportunity to refute such charges or present mitigating circumstances to the Appointing Authority at a time and date set forth in the notice, which date shall not be less than seven (7) calendar days from the date the notice is received or, at the option of the employee, by written response by that date. The employee shall be permitted to have an official representative present. At the discretion of the Appointing Authority, the employee may be suspended with or without pay or be allowed to continue to work as specified in the pre-dismissal notice. Should an employee be suspended without pay, the employee will first be afforded notice and right to present mitigating circumstances to the Appointing Authority or designee.

Section 6. Dismissal, Reduction, Suspension Without Pay, Demotion, Written Reprimands, Performance Pay Increase Denial, and any other form of Discipline.
(a) An employee shall receive written notice of the discipline with the specific charges and facts supporting the discipline at the time disciplinary action is taken.
Copies of pre-dismissal and dismissal notices will be sent to the Union headquarters (Salem) within five (5) calendar days of being issued to the employee. Failure to send a copy of the pre-dismissal or dismissal notice to the Union will not void the disciplinary action.
Suspensions with pay will not be recorded in employee personnel files nor in any manner used against an employee if no disciplinary action is subsequently taken.
(b) The Employer will make a good faith effort to have the following statement appear on all dismissals and disciplinary notices covered in Section 4(a) above:
If you choose to contest this action you have a right to be represented by the SEIU Local 503, OPEU. SEIU must file an appeal within thirty (30) calendar days from the date of the discipline in accordance with Article 21.
Failure to include this notice will not void the disciplinary action.

Section 7. Employees in initial trial service with the State shall have no right to appeal removals from state service under this Article. Employees in trial service as a result of promotion who are returned to their former classification shall have no right of appeal under this Article for such removal. However, an employee in trial service as a result of promotion who is dismissed from state service may have his/her dismissal appealed by the Union under this Article.

Section 8. Weingarten Rights. Upon request, an employee shall have the right to Union representation during an investigatory interview that an employee reasonably believes will result in disciplinary action. The employee will have the opportunity to consult with a local Union Steward or Organizer before the interview, but such designation shall not cause an undue delay.
(See Last Chance Agreements, Article 21, Section 12).
Section 9. When an employee is the subject of an investigation that could implicate the employee in criminal activity, his/her Garrity rights shall be observed.

ARTICLE 21--GRIEVANCE AND ARBITRATION PROCEDURE

Section 1. Grievances are defined as acts, omissions, applications, or interpretations alleged to be violations of the terms or conditions of this Agreement.

Grievances shall be filed within thirty (30) calendar days of the date the grievant or the Union knows or by reasonable diligence should have known of the alleged grievance.

Grievances shall be reduced to writing, stating the specific Article(s) alleged to have been violated and clear explanation of the alleged violation, sufficient to allow processing of the grievance. Grievances shall be filed through the appropriate steps of this procedure on the form identified as the Official Statement of Grievance Form. Except during the initial thirty (30) calendar day filing period at Step 1 or Step 2, whenever a grievance is properly filed at that step, and provided there has been no response from Agency management to the filed grievance, the Union shall not expand upon the original elements and substance of the written grievance. The Union may add other relevant Articles to the list of Articles allegedly violated at Step 2.

All grievances shall be processed in accordance with this Article and it shall be the sole and exclusive method of resolving grievances, except for the following Articles:

- Article 2--Recognition
- Article 5--Complete Agreement/Past Practices
- Article 22--No Discrimination
- Article 56--Sick Leave (FMLA/OFLA)
- Article 81--Reclassification Upward, Reclassification Downward, and Reallocation

Section 2. Time limits specified in this and the above-referenced Articles shall be strictly observed, unless either Party requests a specific extension of time, which if agreed to, must be stipulated in writing and shall become part of the grievance record. “Filed” for purposes of Step 1 through Step 4 grievances shall mean postmarked (dated by meter or U.S. Post Office), date of email or other electronic format, or fax received by close of the business day or actual receipt.

Grievance filings and appeals shall include the grievance form and in the case of appeals management responses at the previous step. Any other documentation may be presented at the grievance meeting or a method other than email.

The timeline for the Employer response at each grievance step shall begin the first day following the day of receipt. The timeline for the Union appeal to the next higher step shall begin the first day following the day the Employer response is due or received.

If at any step of the grievance procedure, the Employer fails to issue a response within the specified time limits, the grievance shall automatically advance to the next step of the grievance procedure unless withdrawn by the grievant or the Union. If the grievant or Union fails to meet the specified time limits, the grievance will be considered withdrawn and it cannot be resubmitted.

Grievance steps referred to in this Article may be waived by mutual agreement in writing. Such written agreements shall become part of the grievance file.

Section 3. When required by the Employer to investigate the grievance, any time spent by employee(s) to attend meetings during regular working hours, shall be considered as work time.

Section 4. Group Grievances. Where there are group grievances in Agencies involving two (2) or more supervisors, such grievances shall be filed and processed in accordance with Step 2 of the grievance procedure. When a grievance involves employees in more than one (1) Agency, such grievance shall be filed and processed in accordance with Step 3 of this Article. The grievance shall specifically enumerate, by name, the affected employees, when known. Otherwise, the affected employees will be generically described in the grievance.

Section 5. Grievances shall be processed as follows:

See Appendix F for detailed table on grievance filing.

**Step 1.** The grievant(s), with or without Union representation, shall, within thirty (30) calendar days, file the grievance except as otherwise noted to his/her management/executive service supervisor*. Upon request of either Party, the Parties will meet to discuss the grievance. The supervisor shall respond in writing to the grievant(s) within fifteen (15) calendar days from the receipt of the grievance. In all cases, the grievant and his/her management/executive service supervisor will attempt to meet within the thirty (30) calendar day filing period in an attempt to resolve the grievance at the lowest possible level of management. Failure to meet will not invalidate the grievance.

All Step 1 grievance settlements are non-precedential and shall not be cited by either Party or their agents or members in any arbitration or fact-finding proceedings now or in the future. Step 1 grievance settlements shall be reduced to writing and signed by the grievant and management/executive service supervisor. Actions taken pursuant to Step 1 settlement agreements shall not be deemed to establish or change practices under the Collective Bargaining Agreement, including but not limited to Article 5, or ORS Chapter 243, and shall not give rise to any bargaining or other consequential obligations.

*In ODOT (Highway), this is the District Manager; in OPRD, this is the Park Manager; or, in either case, the equivalent Program Manager; and in Forestry, this is the District Forester or Program Director. In the State-owned Airports Branch of ODOA, this is the State Airports Manager. In the Statewide Services Branch of ODOA, this is the Agency Head. In ODFW, grievances filed at Step 1 are to be filed with the Division Administrator or Regional Manager, whichever is appropriate for that work unit.

**Step 2.** When the response at Step 1 does not resolve the grievance, the grievance must be filed by the Union within fifteen (15) calendar days after the Step 1 response is due or received. The appeal shall be filed in writing to the Agency Head or his/her designee, who shall respond in writing within fifteen (15) calendar days (thirty (30) calendar days for discipline) after receipt of the Step 2 appeal. Upon request of either Party, the Parties will meet to discuss the grievance.

"Agency Head" as used in this Section shall normally mean the appointed or elected executive head of the Agency, except as follows:

- Health-Related Licensing Boards—Chief Administrative Officer
- OHA Institutions—Institution or Facility Superintendent
- ODOT—Chief of Human Resources or designatee
- OPRD—Parks Director or designatee
- Forestry—State Forester or designatee
- ODFW—Agency Director or designatee

**Step 3.** Failing to settle the grievance in accordance with Step 2, the appeal, if pursued, must be filed by the Union and received by the Labor Relations Unit of the Department of Administrative Services within fifteen (15) calendar days after the Step 2 response is due or received. The Labor Relations Unit shall respond in writing within fifteen (15) calendar days from receipt of the Step 3 appeal. At this step the Parties agree that a face-to-face meeting (or the equivalent by phone) will occur between the Union and Labor Relations Unit. If the Union wishes to pursue a grievance involving only temporary employees beyond Step 3, the issue must first be submitted to grievance mediation. The request to initiate mediation shall be submitted by the Union to the Labor Relations Unit within fifteen (15) days of the Step 3 response.

**Step 4.** Grievances which are not satisfactorily resolved at Step 3 may be appealed to arbitration. If the Union intends to appeal to arbitration, the appeal must be received by the Labor Relations Unit of the Department of Administrative Services within forty-five (45) calendar days after the Step 3 response was due or received. If the Union has filed a notice of intent to arbitrate a grievance, a letter from the Union requesting an arbitrator shall be sent to the Labor Relations Unit within sixty (60) days of such notice or the grievance will be deemed withdrawn.

**Section 6. Arbitration Selection and Authority.**

(a) Arbitrations between the Parties shall be presented to one of the following arbitrators:

1. Amadeo Greco
2. Phillip Kienast
3. James A. Lundberg
4. Ronald L. Miller
5. Sylvia P. Skratek
6. Timothy D. W. Williams

Through mutual agreement, the Parties may elect to reopen this Section to modify the list of arbitrators.

(b) Arbitrators shall be assigned on a rotational basis in the order set out above. Upon Labor Relations’ receipt of a letter of intent to arbitrate and subsequent approval to proceed to arbitration from the SEIU Local 503, OPEU, a calendar for potential date selection will be offered which includes the three (3) month period beginning the second full month after receipt of the approval to proceed correspondence. However, when the arbitrator originally selected is unable to schedule a hearing within the three (3) month period, the next arbitrator in rotation will be sent the same dates to schedule the hearing. In instances where the Parties agree to consolidate cases, meaning combining a related disciplinary action with a pending arbitration case, the arbitrator assigned to handle the first case will also be assigned to handle the subsequent matter. Arbitrators will use cancellation days and any unused scheduled days for writing awards on any outstanding cases under this Agreement. Cancellation fees will be applied toward any writing days.

(c) Within fifteen (15) calendar days of receiving confirmation of an appeal of a grievance to arbitration, the Labor Relations Unit shall assign the next arbitrator on the list for selection and shall simultaneously notify the interested Parties of such assignment.
(d) Representatives of each Party, in conjunction with the chosen arbitrator, shall mutually select dates for arbitration within a reasonable period of time.

(e) The arbitrator shall have the authority to hear and rule on all issues which arise over substantive or procedural arbitrability. Such issues, if raised, must be heard prior to hearing the merits of any appeal to arbitration. Upon motion by either Party that there exists issues involving substantive or procedural arbitrability, the arbitrator shall hear the arbitrability issue(s) first and the Parties shall make oral closing statements. The arbitrator shall issue a bench ruling by the end of the business day. When the arbitrator determines that the case is not arbitrable, the decision shall be affirmed in writing within seven (7) calendar days from the close of the hearing. If the grievance is arbitrable, the Parties shall continue with the hearing that day or the next business day, as time permits. In cases where arbitrability is affirmed, the arbitrator’s award will include written findings on arbitrability.

(f) The Parties agree that the decision or award of the arbitrator shall be final and binding on each of the Parties. The arbitrator shall issue his/her decision or award within thirty (30) calendar days of the closing of the hearing record. The arbitrator shall have no authority to rule contrary to, to amend, add to, subtract from, change or eliminate any of the terms of this Agreement. The arbitration will be handled in accordance with the rules of the American Arbitration Association.

(g) The Employer and the Union will develop stipulations of fact and use affidavits and other time-saving methods whenever possible and when mutually agreed upon in all cases proceeding to arbitration.

(h) The Parties shall split the arbitrator’s charges equally. All other expenses shall be borne exclusively by the Party requiring the service or item for which payment is to be made. If either party cancels the arbitration hearing, the canceling party will pay the arbitrator fees unless mutually agreed otherwise.

(i) Arbitrations for cases involving Articles exclusively applying to temporary workers shall be processed using the expedited grievance procedure outlined in Section 7 of this Article.

Section 7. Expedited Arbitration Procedure. The expedited procedure shall be used for either grievances involving Articles exclusively applying to temporary workers or, with the mutual agreement of the Employer and Union, for other grievances. For grievances that do not involve Articles exclusively applying to temporary workers, either the Employer or Union may request in writing that the expedited arbitration procedure be used at the time the Parties are scheduling dates with the arbitrator.

(a) The Employer and Union will develop a stipulation of facts and use affidavits and other time-saving methods whenever possible and when mutually agreed upon.

(b) Case presentation will be limited to preliminary opening statements, brief recitation of facts, witness presentation and closing oral argument. No post hearing briefs shall be filed or transcripts made. The hearing will be completed within one (1) business day unless otherwise agreed upon by the Parties.

(c) The hearing shall be conducted by the arbitrator in whatever manner will most expeditiously permit full presentation of the evidence and arguments of the Parties.

(d) The arbitrator may issue, at his/her discretion, a bench decision at the conclusion of the hearing or may issue a written award no later than seven (7) calendar days from the close of the hearing excluding weekends and holidays.

(e) All decisions shall be final and binding on the Employer and Union. An arbitration award will be non-precedential if mutually agreed upon by the Parties before the hearing starts. The arbitrator’s award shall be based on the record and shall include a brief explanation of the basis for the award.

Section 8. Upon request, an employee shall have the right to Union representation during an investigatory interview that an employee reasonably believes will result in disciplinary action. The employee will have the opportunity to consult with a local Union Steward or Organizer before the interview, but such designation shall not cause an undue delay.

Section 9. A grievant shall be granted leave with pay for appearance before the Employment Relations Board or arbitration, including the time required going and returning to his/her headquarters. The Union Steward of record shall be granted leave with pay to attend the actual Board or arbitration hearing. The Steward shall not be eligible for overtime, travel expenses, penalty payments or premium payments as a result of this Section.

Section 10. No reprisals shall be taken against any employee for exercise of his/her rights under the provisions of this Article.

Section 11. Information requests concerning grievances shall be sent to the Agency Human Resources Office or Union. The request(s) shall be specific and relevant to the grievance investigation. (b) The differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing for the full period of the assignment.

(c) Leadwork differential shall not be computed at the rate of time and one-half (1 ½) for the time worked in an overtime or holiday work situation, or to effect a “pyramiding” of work out-of-classification payments. (b) The differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing.

(c) If an employee receives more than one (1) differential (except overtime as mandated by the FLSA), the differentials will be calculated on the base so that no “pyramiding” occurs (i.e., if an employee is receiving the leadworker differential and an out-of-classification differential, the two (2) differentials would be calculated separately and then added on to the base pay).

(d) Leadwork differential shall not apply for voluntary training and development purposes which are mutually agreed to in writing between the supervisor and the employee.

(e) If an employee believes that he/she is performing the duties of a leadworker but the duties have not been formally assigned in writing, he/she may submit the matter for resolution as per the dispute resolution process, or through the grievance procedure (as for example, classification review, work out-of-class).

In no case shall days be counted twice to meet the leadwork pay qualification.

(b) Leadwork is where, on a recurring daily basis, while performing essentially the same duties as the workers led, the employee has been directed to perform substantially all of the following functions: to orient new employees, if appropriate; assign and reassign tasks to accomplish prescribed work efficiently; give direction to workers concerning work procedures; transmit established standards of performance to workers; review work of employees for conformance of standards and provide informal assessment of workers’ performance to the supervisor.

(a) Team Coordinator differential shall be defined as a differential for employees who have been formally assigned in writing “team coordinator” responsibilities for a specific team on a recurring daily basis, for a designated length of time that extends beyond ten (10) consecutive calendar days.

(b) Team Coordinator responsibilities shall include substantially the following roles: monitor team progress in meeting performance goals; coordinate team workflow to accomplish the work efficiently; coordinate team development processes; identify, plan, and approve training; assist in hiring of new team members, orient new employees; review team member timesheets; give feedback to team members concerning work procedures; and serve as communication liaison between the team and management.

(c) The Team Coordinator differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing for the full period of the assignment.

(d) If an employee receives more than one (1) differential (except overtime as mandated by the FLSA), the differentials will be calculated on the base so that no “pyramiding” occurs (i.e., if an employee is receiving the Team Coordinator differential and an out-of-classification differential, the two (2) differentials would be calculated separately and then added on to the base pay).

Section 10. Work Out-of-Classification.

(a) When an employee is assigned for a limited period to perform the duties of a position at a higher level classification for more than ten (10) consecutive calendar days, the employee shall be paid five percent (5%) above the employee’s base rate of pay or the first step of the higher salary range, whichever is greater.

When assignments are made to work out-of-classification for more than ten (10) consecutive calendar days, the employee shall be compensated for all hours worked beginning from the first day of the assignment for the full period of the assignment.

When an employee is assigned to work out-of-classification pending approval of a reclassification upward, the employee will be paid at the next higher rate of pay or first step of the higher salary range, whichever is greater.

(b) An employee performing duties out-of-classification for training or developmental purposes shall be informed in writing the purpose and length of the assignment during which there shall be no extra pay for the work. A copy of the notice shall be placed in the employee's file.

(c) An employee who is underfilling a position shall be informed in writing that he/she is an underfill, the reasons for the underfill, and the requirements necessary for the employee to qualify for reclassification to the allocated level. Upon gaining regular status and meeting the requirements for the allocated level of the position, the employee shall be reclassified.

(d) Assignments of work out-of-classification shall not be made in a manner which will subvert or circumvent the administration of this Article.

Section 11. Work Out-of-Classification. ODOT.

(a) Transportation Maintenance Specialists. In addition to any entitlement to work out-of-classification pay pursuant to Section 10 of this Article, notwithstanding Transportation Maintenance Specialist 1s who are assigned to a TMS 2 level work crew by their supervisor and who independently perform work consisting of sweeping, snow removal, sanding, de-icing or removal of land/rock slide materials from roadways at the Transportation Maintenance Specialist 2 (TMS 2) level shall be paid a differential of five percent (5%) over their base rate of pay for all hours of such work. Operation of heavy earth-moving equipment on land/rock slides and operation of a pick-up broom for sweeping are considered TMS 2 level work, whereas traffic control activities such as flagging, operating pilot vehicles and setting signs are not considered TMS 2 level work.

(b) Self-Managed Crews. Where the Agency utilizes self-managed work crews, crew members, including positional leaders, may not be entitled to work out-of-classification payments at the supervisory level unless they assume a majority of duties specific to that classification.

Section 12. Lateral Classification Assignment Differential. When an employee is temporarily assigned for a period of ten (10) or more consecutive calendar days to a lateral classification within the same salary range base number and the salary is a higher salary schedule, the employee shall be paid at the lowest step in the new schedule that provides the employee an increase in his/her base rate of pay.

ARTICLE 26T--DIFFERENTIAL PAY (Temporary Employees)

Section 1. Bilingual Differential. A differential of five percent (5%) over base rate will be paid to employees in positions which specifically require bilingual skills (i.e., translation to and from English to another foreign language or the use of sign language*) as a condition of employment. The interpretation and translation skills must be assigned and contained in the employee’s statement of duties.

*NOTE: This differential will be paid to School for the Deaf employees excluding intermittents whose assignments require the use of sign language. Such payment will be made in accordance with the level of proficiency assigned by management, beginning the first day of the month following the employee’s successful evaluation of the expected sign skill level for his/her

Section 2. Shift Differential.

(a) Eligibility. Shift differential shall apply to all employees except part-time employees working less than thirty-two (32) hours per month. In order to qualify for the shift differential, an employee must be in a job classification which is allocated to Salary Range 22 or below. All employees shall be paid a differential as outlined in Subsections (b) and (c) below, for each hour or major portion thereof (thirty (30) minutes or more), worked between 6:00 pm and 6:00 am and for each hour or major portion thereof worked on Saturday or Sunday.

(b) Registered Nurses, Nurse Practitioners, and Licensed Practical Nurses will receive a shift differential of one-dollar and eighty-five cents ($1.85) per hour. Employees in Mental Health Therapist 2 positions who are certified LPNs and also have the working title of Licensed Practical Nurse will receive this shift differential.

(c) All other personnel will receive a differential of seventy-five cents ($0.75) per hour.

ARTICLE 29--SALARY ADMINISTRATION

Section 1. Pay.

(a) Pay for employees in the bargaining unit shall be in accordance with the Compensation Plan adopted by the Department of Administrative Services and approved by the Governor as modified by this Agreement. No changes shall be made in the Compensation Plan which affect SEIU Local 503, OPEU bargaining unit employees unless the Parties to this Agreement have negotiated the changes and reached agreement on what changes will be made. This is not intended to prevent mechanical changes or other minor changes necessary to administer the Compensation Plan.

(b) All employees shall be paid no later than the first day of the month. However, employees who begin work after payroll cutoff will be paid in the subsequent mid-month payroll for time worked in the affected pay period. When a payday occurs on Monday through Friday, payroll checks shall be released to employees on that day. When payday falls on a Saturday, Sunday, or holiday, employee paychecks shall be made available after 8:00 a.m. on the last working day of the month. When an employee is not scheduled to work on the payday, the paycheck may be released prior to payday if the paycheck is available and the employee has completed the "Request for Release of Payroll Check" Form AD20. However, the employee may not cash or deposit the check prior to the normal release time. Any violation of this provision may be cause for disciplinary action. All checks released early under this Article shall be accompanied by written notice from the Employer as to the normal release time and date for that employee and a statement that early cashing or depositing of the check may be cause for disciplinary action. However, this shall not apply to appropriate mid-month payroll. The release day for December paychecks dated January 1 shall be the first working day in January to avoid the risk of December's paychecks being included in the prior year's earnings for tax purposes.

(c) Employees shall be paid no less than the minimum rate of pay for their classification upon appointment to a position in state service. An entrance salary rate may exceed the minimum rate when the Appointing Authority believes it is in the best interest of the State to do so.

(d) Release of sixty percent (60%) of an employee's earned gross wages prior to the employee's designated payday shall be authorized subject to approval of the Appointing Authority or designee, in emergency cases upon receipt of a written request from the employee that describes the emergency. An emergency situation shall be defined as an unusual, unforeseen event or condition that requires immediate financial attention by an employee. Emergencies include but are not limited to the following circumstances:
   1. Death in family
   2. Major car repair
   3. Theft of funds
   4. Automobile accident (loss of vehicle use)
   5. Accident or sickness
   6. Destruction or major damage to home
   7. New employee lack of funds (maximum--one (1) draw)
   8. Moving due to transfer or promotion.

Section 2. Submission of Salary Increases.

Recommendations for salary increases must be made to be effective on the first day of the month and must be submitted prior to the proposed effective date. However, retroactive six (6) month and annual salary increases to correct errors or oversights and retroactive payments resulting from grievance settlements shall be authorized. The proposed effective date for retroactive six (6) month and annual salary increases must be the first day of the month no more than twelve (12) months prior to the time of submitting the correcting recommendation.

Section 3. Performance Increase.

Salary administration shall be based upon a performance-based system. Employees shall be granted an annual performance pay increase on their eligibility date if the employee is not at the top of the salary range of their classification, and provided the employee's performance has not been deficient. Employees who do not receive an annual performance pay increase shall receive timely notice of deficient performance or conduct during the evaluation period. Employees shall receive a notice related to the deficiencies as they are noted prior to the completion of the performance evaluation period. "Timely" shall be a reasonable amount of time, taking into consideration the specific alleged deficient performance. Such notice shall provide the employee with adequate opportunity to correct the problem prior to the end of the evaluation period.

Employees shall be eligible for performance increases at the first of the month following the intervals of:

(a) Annual periods after the initial date of hire until the employee has reached the top step in his/her salary range. However, should an employee be promoted during the first year of service with the Employer, the employee shall not receive this increase, but shall be eligible for increases in Section 3(b).

(b) The first six (6) months after promotion and annual periods thereafter until the employee has reached the top step in his/her salary range.

Performance-based pay shall use the following criteria:
Salary on Recall from Demotion in Lieu of Layoff. Upon recall to his/her former classification, an employee demoted

Section 8. Rate of Pay on Appointment from Layoff List. When an individual is appointed from a layoff list to a position in the same classification in which the person was previously employed, the person shall be paid at the same salary step at which he/she was being paid at the time of layoff. The salary eligibility date of an individual who is appointed from a layoff list shall be determined in accordance with Section 7.

Salary on Promotion.

(a) An employee shall be given no less than an increase to the next higher rate in the new salary range effective on the date of promotion.

(b) Return from Reemployment. The employee’s previous salary eligibility date, adjusted by the amount of break-in-service, shall represent the earliest salary eligibility date following return. However, the salary eligibility date may be established as the first of the month in any future month up to twelve (12) months from the date of reemployment.

Section 7. Effect of Break-In-Service. When an employee separates from state service and subsequently returns to state service, except as a temporary employee, the employee’s salary eligibility date shall be determined by the Agency as follows:

(a) Return from Recall List. The employee’s previous salary eligibility date, adjusted by the amount of break-in-service, shall be restored.

(b) Return from Reemployment. The employee’s previous salary eligibility date, adjusted by the amount of break-in-service, shall represent the earliest salary eligibility date following return. However, the salary eligibility date may be established as the first of the month in any future month up to twelve (12) months from the date of reemployment.

Section 9.

(a) Rate of Pay on Return to State Service by Reemployment. When a former employee is appointed from reemployment to a position in the same classification in which he/she was previously employed or in a related classification with the same salary range, he/she may be paid at or below the step at which he/she was being paid at the time of his/her termination. If a person is reemployed in a position in a classification with a lower salary range than that of his/her previous position, he/she may be paid at any step in the lower salary range not exceeding the rate he/she was being paid in the higher classification, except where exceptional circumstances justify payment of a higher rate. The salary eligibility date of a former employee who is appointed from reemployment shall be determined in accordance with Section 7.

(b) Rate of Pay on Reemployment Without a Break-In-Service.

(1) When a current employee is returning from demotion to a position in the same classification in which he/she was previously employed or in a related classification with the same salary range, the employee shall be restored at the salary step the employee would have been eligible for had a demotion not occurred, not to exceed the top step.

(2) When a person is reemployed in a position in a classification with a lower salary range than that of his/her previous position as referenced in Subsection (b)(1), the employee may be paid at any step in that lower salary range not to exceed the top step or the rate he/she would have received pursuant to Subsection (b)(1). However, if an employee’s current rate of pay is below the top step of the lower classification’s salary range, he/she retains that rate unless the employee is eligible to receive a higher rate pursuant to Subsection (b)(1) or (b)(4) not to exceed the top step.
(3) In both instances, the former salary eligibility date (SED) is restored unless the SED is changed in compliance with the Collective Bargaining Agreement (e.g., Article 61, Leave Without Pay).

(4) Pay of a higher rate, not to exceed the top step, may be granted subject to exceptional circumstances, upon approval of the appointing authority.

Section 10. Recoupment of Wage and Benefit Overpayments.

(a) In the event that an employee receives wages or benefits from the Agency to which the employee is not entitled, regardless of whether the employee knew or should have known of the overpayment, the Agency shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists and the amount of wages and/or benefits to be repaid.

(b) The Agency shall be limited in using the payroll deduction process to a maximum period of three (3) years before the notification. An employee who disagrees with the Agency’s determination that an overpayment has been made to the employee may grieve the determination through the grievance procedure.

(c) For purposes of recovering overpayments of fifty dollars ($50.00) or less, notice will be provided on the employee paystub.

(d) For purposes of recovering overpayments of more than fifty dollars ($50.00) by payroll deduction, the following shall apply:

1. The employee and the Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.

2. If there is no mutual agreement at the end of the thirty (30) calendar day period, the Agency shall implement the repayment schedule stated in Subsection (d)(3) below.

3. If the overpayment amount to be repaid is more than five percent (5%) of the employee’s regular monthly base salary, the overpayment shall be recovered in monthly amounts not exceeding five percent (5%) of the employee’s regular monthly base salary. If an overpayment is less than five percent (5%) of the employee’s regular monthly base salary, the overpayment shall be recovered in a lump sum deduction from the employee’s paycheck. If an employee leaves Agency service before the Agency fully recovers the overpayment, the remaining amount may be deducted from the employee’s final check(s).

4. Subsections (d)(1) through (d)(3) of this Section shall not apply to payroll adjustments necessitated by a discrepancy between actual hours of paid time versus hours projected for payroll purposes from one pay period to another. For example, if an employee utilizes leave without pay near the end of a month but is paid for such time because such leave without pay was not anticipated at the payroll cutoff date for that month, the employee’s pay and benefit entitlements may be adjusted on the following month’s paycheck.

   However, under limited conditions (listed below) an exception to lump sum recoupment of wage overpayments greater than five percent (5%), as a result of leave without pay, shall apply. In these cases:

   (A) An employee may request a repayment schedule not to exceed three (3) months:

      i. When entries are made by a person authorized by the Agency to complete a timesheet on behalf of an absent employee which results in overpayment.

      ii. When entries on the timesheet made by an employee were correct, but the timesheet data was incorrectly input by the Agency which results in an overpayment.

   (B) Subject to extenuating circumstances beyond the control of the employee, an employee may request a longer repayment schedule. The Appointing Authority or designee has the sole discretion to deny or grant the employee’s request. The decision is not subject to the grievance procedure.

   If an employee leaves agency service before the agency fully recovers the overpayment, the remaining amount may be deducted from the employee’s final check(s).

(5) The Article does not waive the Agency’s right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

When payday falls on a Saturday, Sunday, or holiday, employee paychecks shall be made available after 8:00 a.m. on the last working day of the month, or as appropriate for hourly employees. When an employee is not scheduled to work on the payday, the paycheck may be released prior to payday if the paycheck is available and the employee has completed the “Request for Release of Payroll Check” Form AD20. However, the employee may not cash or deposit the check prior to the normal release time. Any violation of this provision may be cause for denial of future early release of paycheck. All checks released early under this Article shall be accompanied by written notice from the Employer as to the normal release time and date for that employee and a statement that early cashing or depositing of the check may be
cause for denial of future early release of paycheck. However, this shall not apply to appropriate tenth (10th) of the month payroll. The release day for December paychecks dated January 1 shall be the first working day in January to avoid the risk of December's paychecks being included in the prior year's earnings for tax purposes.

Underpayments. When an error is made that results in an employee’s monthly pay to be short by one hundred dollars ($100.00) or more, the Agency will issue a check for the difference within three (3) business days of notification. All other underpayment adjustments will be made in accordance with the regular pay schedule.

(g) **Number of Workdays in Month or Pay Period:** Number of possible workdays in the month or pay period based on the employee’s weekly work schedule, such as Monday-Friday, Tuesday-Saturday, etc. Holidays that fall within the employee’s work schedule are counted as workdays for that month or pay period.

The number of hours actually worked by an employee divided by the total number of possible hours in the month or pay period based on the work schedule, times the full monthly or pay period salary rate. For example, if the employee works 115 hours in a month or pay period with a possible work schedule of 121 hours, the partial month’s pay is computed as follows:

\[
\frac{115}{121} \times \text{Full Month Salary} = \text{Gross Partial Pay}
\]

(j) **Days Worked:** Includes all days actually worked, all holidays, and all paid leave, which occurs within an employee’s service period.

Permanent part-time employees in permanent full-time positions will be treated as permanent part-time for purposes of this Article.
    (2) Employees paid on a fixed partial monthly basis shall have all extra hours worked over the regular part-time schedule paid at the hourly rate. Employees paid on a fixed partial monthly basis who work less than the regular part-time schedule shall have time deducted at the hourly rate.

(c) **Seasonal Full-Time Employees:** Pay and benefits will be computed on a monthly, prorated monthly, or an hourly pay period, pay status basis.

(d) **Seasonal Part-Time Employees:** Pay will be computed on an hourly basis, and pay and benefits will be normally prorated on a pay period, pay status basis.

(e) **Job Sharing Employees:** The total time worked by all job share employees in one (1) position will not exceed 1.0 FTE.

(f) **Temporary Full-Time Employees:** Pay and applicable benefits will be computed on a monthly, prorated monthly, or an hourly pay period pay status basis.

(g) **Temporary Part-Time Employees:** Pay and applicable benefits will be computed on an hourly basis, and pay will normally be prorated on a pay period, pay status basis.

(h) **Partial Month’s Pay or Partial Pay Period:**
    (1) Partial month’s pay (or prorated monthly or pay period pay) is applied when:
        (A) A full-time employee is hired on a date other than the first working day of the month or pay period (based on employee’s work schedule).
        (B) A full-time employee separates prior to the last workday in the month or pay period (based on the employee’s work schedule).
        (C) A full-time employee is placed on leave without pay or returns from leave without pay, or is unscheduled.
        (D) An employee is appointed to a permanent part-time position.
    (2) See definition for partial month’s pay under Section 1(i) for computation procedures.

(i) **Changes in Salary Rate:** When an employee’s salary rate changes in the middle of a month, pay will be computed on the fractional amount of hours worked at each salary rate during the month. For example:

\[
\frac{\text{Actual Hours}}{\text{Possible Hours}} \times \frac{\text{Old Rate}}{\text{Actual Hours}} + \frac{\text{Actual Hours}}{\text{Possible Hours}} \times \frac{\text{New Rate}}{\text{Possible Hours}} = \text{Gross Pay}
\]

**Section 3.** The Parties agree that if the Employer adopts a biweekly pay plan, this Article of the Contract will be open for renegotiation.
ARTICLE 31--INSURANCE

Section 1. Employer Contribution.

(a) An Employer contribution for health and dental benefits will only be made for each active employee who has at least eighty (80) paid regular hours in a month and who is eligible for medical insurance coverage, unless otherwise required by law.

(b) It is understood that the administrative intent of this Article is that the Employer contribution is made for individuals who are participants in the medical insurance coverages. Participation will mean that eligible less-than-full-time employees who drop out of coverage will be considered to participate. Additionally, employees who elect to opt out of coverage for a cash incentive will be considered to participate.

Section 2. Full-Time Employees.

An Employer contribution shall be made for full-time employees who have at least eighty (80) paid regular hours in a month, unless otherwise required by law.

For Plan Years 2016 and 2017, the Employer will pay ninety-five percent (95%) and the employee will pay five percent (5%) of the monthly premium rate as determined by PEBB. For employees who enroll in a medical plan that is at least ten percent (10%) lower in cost than the monthly premium rate for the highest cost medical plan available to the majority of employees, the Employer shall pay ninety-nine percent (99%) of the monthly premium for PEBB health, vision, dental and basic life insurance benefits and the employee shall pay the remaining one percent (1%).

Section 3. Less-Than-Full-Time Employees.

(a) For less-than-full-time employees (including part-time, seasonal, and intermittent employees), who have at least eighty (80) paid regular hours in the month, the Employer shall contribute a prorated amount of the contribution for full-time employees, unless otherwise required by law. This prorated contribution shall be based on the ratio of paid regular hours to full-time hours to the nearest full percent, except that less-than-full-time employees who have at least eighty (80) paid regular hours in a month shall receive no less than one-half (½) of the contribution for full-time employees.

(b) The following administrative procedures shall be used for the calculation of Employer health plan contributions for less-than-full-time employees, under this Section.

(1) “Regular hours” means all hours of work or paid leave except overtime hours, i.e., those above eight (8) hours in a day or forty (40) hours in a week. Thus, “regular hours” shall include additional non-overtime hours worked above an employee’s regular work schedule.

(2) The formulas to be used for calculating the Employer’s prorated health plan contribution shall be those provided in Article 30--Payroll Computation Procedures.

(3) In the event that a less-than-full-time employee, who is regularly scheduled to work half-time or more, fails to maintain at least half-time paid regular hours because of the effect of prorated holiday time or other paid or unpaid time off, he/she shall be allowed to use available vacation or comp time to maintain his/her eligibility for benefits and the Employer’s contribution for such benefits.

Section 4. Coordination of Benefits. The Public Employee Benefits Board (PEBB) may adopt any of the effect-on-benefit alternatives described in the National Association of Insurance Commissioners (NAIC) 1985 model acts and regulations, or any subsequent alternatives promulgated by the NAIC.

Section 5. Administration. Agencies will continue to pay employee insurance premiums directly to the appropriate insurance carriers and remit balances either to the employees’ flex benefit account or to PEBB, as directed by PEBB.

Section 6. The State ceases to have a proprietary interest in its own contributions to the benefit plan premium when it pays such funds to the carrier or to persons who have an irrevocable duty to transfer such payments to the carriers when due.

REV: 2013, 2015

ARTICLE 32--OVERTIME

Section 1. Definition of Time Worked. All time for which an employee is compensated at the regular straight time rate of pay, including work-related telephone calls made to or by an employee after the end of their work-shift, shall be counted as time worked with the following exceptions:

- Holidays which fall on an employee’s scheduled day off;
- On-call time (Article 34);
- Penalty payments (Article 40);
- Paid sick leave (Article 56), except that paid sick leave shall be counted as time worked for the purpose of calculating overtime, if a worker is mandated to work beyond their regular shift or on their scheduled day off.

Section 2. Overtime Work Definition. Overtime for employees working a regular work schedule is time worked in excess of eight (8) hours per day or forty (40) hours per workweek. Overtime for employees working an alternate work schedule is time in excess of the daily scheduled shift or forty (40) hours per workweek. Overtime for employees working a flexible work schedule is time in excess of the agreed upon hours each day or time in excess of forty (40) hours per workweek. Time worked beyond regular schedules by employees scheduled for less than eight (8) hours per day or forty (40) hours per workweek is additional straight time worked rather than overtime until the hours worked exceed eight (8) hours per day or forty (40) hours per workweek. In a split shift, the time an employee works in a day after twelve (12) hours from the time the employee initially reports for work is overtime.
Section 5. Schedule Change. When a change of work schedule is requested by an employee and approved by the Agency, all forms of penalty pay shall be waived by the employee. When a change of work schedule is requested by an employee and approved by the Agency, overtime compensation for that workday, but not for work over forty (40) hours per week, associated with the changed schedule shall be waived.

Section 6. Record. A record of all overtime worked shall be maintained by the Agency.

ARTICLE 32T--OVERTIME (Temporary Employees)

Section 1. Time Worked Definition. Time worked is defined as actual hours worked.

Section 2. Overtime Work Definition. Overtime for non-exempt employees working any work schedule is actual time worked in excess of forty (40) hours per workweek.

ARTICLE 32.1--OVERTIME (Human Services Coalition)

Section 1. Distribution of Overtime. Overtime shall be distributed as equally as feasible among qualified employees customarily performing the kind of work required, and currently assigned to the work unit in which the overtime is to be worked. Overtime will be assigned to volunteers according to seniority, the most senior having priority. If there are not sufficient volunteers to meet the Agency’s needs, mandatory overtime will be assigned according to inverse seniority. Seniority and volunteers notwithstanding, special qualifications or case handling continuity will be given first consideration in the assignment of overtime.

Section 2. Notice of Overtime. The Agency shall give as much notice as possible of overtime to be worked. No overtime is to be worked without the prior authorization of management except in emergent situations necessary to effect Agency services.

Section 3. Payment of Overtime. Payment of overtime shall be included in the payroll paid on the first of the month following the pay period in which overtime is worked if the overtime is reported prior to the payroll cut-off date. All eligible employees who work overtime shall be compensated for authorized overtime, either in the form of cash or compensatory time off to be determined by the employee. In the event budgetary or staffing limitations exist, in fact, and the Agency so notifies the employee in writing of the fact, with a copy to the Union, the Agency may designate the form of overtime.
compensation. Compensatory time accrued by employee choice may accumulate to a maximum of one-hundred twenty (120) hours. Compensatory time may be paid off quarterly at the option of the Employer.

**Section 4. Overtime Break.** When an employee is required to work overtime two (2) or more hours beyond the end of the shift, he/she, at the employee’s discretion, may take a fifteen (15) minute paid break before beginning the overtime shift.

**Section 5.** Subject to the operating requirements of the Agency, the employee may take accrued compensatory time off for overtime earned following approval by his/her supervisor. If the Agency is unable to schedule time off, the Agency shall pay cash for the balance of the unused compensatory time. If two (2) or more employees request the same time off, and the matter cannot be resolved by agreement of the employees concerned, the employee having the greatest length of continuous service with the Agency shall be granted time off. This option shall only be used once in every twelve (12) months by an individual employee.

(See Letter of Agreement 32.1M-15-281 in Appendix A.)

**ARTICLE 32.2A--OVERTIME (OYA Youth Correctional Facilities and Camps)**

**Section 1.** This Article is intended only to provide a basis for the calculation of overtime and none of its provisions shall be construed as a guarantee of any minimum or maximum hours of work or weeks of work to any employee or to any group of employees.

**Section 2.** The Institution shall give forty-eight (48) hours notice of overtime to be worked, except in cases of bona fide emergency, when they shall give as much notice as possible.

**Section 3.**

(a) In assigning overtime work, the Institution agrees to consider any circumstances which might cause such an assignment to be an unusual burden upon the employee. When such circumstances do exist, the employee shall not be required to work unless his/her absence would cause the Institution to be unable to meet its responsibilities.

(b) Overtime shall be distributed as equally as feasible among permanent employees performing the kind of work required, and currently assigned to the cottage or work unit in which the overtime is to be worked.

**Section 4.**

(a) All overtime shall be first offered to volunteers within the cottage or work unit; overtime shall be assigned on a rotating basis within that cottage or work unit. The Institution shall not be required to contact employees on compensatory time, vacation, or sick leave to work overtime. In the event the employee is missed by rotation, the employee will notify his/her immediate supervisor, and through mutual agreement a make-up work period shall be assigned by the Manager or their designee.

(b) Should no volunteers be found within the cottage or work unit, campus-wide volunteers who have notified the Manager or their designee in writing shall be considered. Institution-wide volunteers must report changes in their availability as they occur. Permanent employees will be offered all overtime opportunities prior to temporary employees.

(c) Employees eligible for overtime except as provided under Article 32, Section 4, shall be compensated for overtime in the form of cash unless the employee elects to receive time off in lieu of cash at the time of signing his/her next overtime report following the overtime shift. Cash payment shall be subject to the Institution’s budgetary limitations and time off in lieu of cash subject to the Institution’s work requirements as provided in Article 97.2A--Scheduling of Compensatory Time Off. The Institution shall give the Union thirty (30) days notice of budgetary restrictions.

**Section 5.**

(a) Any employee shall be allowed to accumulate no more than eighty (80) hours of compensatory time off. When an employee accumulates hours in excess of eighty (80) hours, he/she will be paid for the excess except as provided in Article 32, Section 4.

(b) All utilization of compensatory time off shall be in accordance with the Scheduling of Compensatory Time Off Article.

**Section 6.**

(a) If an employee works two (2) consecutive shifts, or the greater part of the second shift, the employee will either:

1. be provided a meal to be served at the regular mealtime of the Institution or, if the shift includes no such time, at a time mutually acceptable to the supervisor and the employee, or
2. the employee will be eligible for a seven dollar and fifty cents ($7.50) penalty payment from the Institution if the Institution is unable to provide the meal.

(b) If the supervisor and the employee mutually agree to schedule a relieved meal break prior to starting the second shift, the above shall not apply.

(c) This Section shall not apply if the employee is eligible for payment under Article 36--Travel Allowance.

**ARTICLE 32.2C,H--OVERTIME (OSH, Pendleton Cottage)**

**Section 1.** This Article is intended only to provide a basis for the calculation of overtime and none of its provisions shall be construed as a guarantee of any minimum or maximum hours of work or weeks of work to any employee or to any group of employees.

**Section 2.** The Institution or Facility shall give as much notice as possible of overtime to be worked, and, when feasible, will give a minimum of two (2) hours’ notice for workers being mandated while working a shift at the Facility. However, the Institution or Facility will consider any circumstances that might cause an assignment to be an unusual burden upon an employee and when such circumstances do exist, the employee shall not be required to work unless his/her absence would
cause the Institution or Facility to be unable to meet its responsibilities or there is an emergency involving the public health or safety.

**Section 3.** Overtime shall be distributed as equitably as feasible among qualified employees customarily performing the kind of work required, and currently assigned to the work section in which the overtime is to be worked.

**Section 4.**
(a) Where employees are subject to the provisions of the FLSA, they shall receive cash for overtime worked unless the employee requests in writing on or before the fifteenth (15th) of the month to receive compensatory time up to the annual limitations on the accrual of compensatory time (see Article 97.2C.G.H). Payment for overtime shall be made no later than the first (1st) of the month following the timekeeping period in which the overtime was worked.
(b) Employees exempt from overtime under FLSA shall receive compensatory time pursuant to Article 32--Overtime.
(c) This Section shall not apply if the employee is eligible for payment under Article 36--Travel Allowance.

(See Letters of Agreement 32.2C-07-159, 32.2CGH-11-220 in Appendix A.)

**ARTICLE 32.3K--OVERTIME (OYA Administration and Field Services)**

**Section 1. Distribution of Overtime.** Overtime shall be distributed as equally as feasible among qualified employees customarily performing the kind of work required, and currently assigned to the work unit in which the overtime is to be worked. Overtime will be assigned to volunteers according to seniority, the most senior having priority. If there are not sufficient volunteers to meet the Agency’s needs, mandatory overtime will be assigned according to inverse seniority. Seniority and volunteers notwithstanding, special qualifications or case handling continuity will be given first consideration in the assignment of overtime.

**Section 2. Notice of Overtime.** The Agency shall give as much notice as possible of overtime to be worked. No overtime is to be worked without the prior authorization of management except in emergent situations necessary to affect Agency services.

**Section 3. Payment of Overtime.** Payment of overtime shall be included in the payroll paid on the first of the month following the pay period in which overtime is worked if the overtime is reported prior to the payroll cut-off date. All eligible employees required to work overtime shall be compensated for authorized overtime, either in the form of cash or compensatory time off to be determined by the employee. The employee shall indicate his/her choice when notified of having to work the overtime or shall lose the choice option. In the event budgetary or staffing limitations exist, in fact, and the Agency so notifies the employee in writing, with a copy to the Union, the Agency may designate the form of overtime compensation. Compensatory time accrued by employee choice may accumulate to a maximum of eighty (80) hours. Compensatory time may be paid off quarterly at the option of the Employer.

**Section 4. Overtime Break.** When an employee is required to work overtime two (2) or more hours beyond the end of the shift, he/she, at the employee’s discretion, may take a fifteen (15) minute paid break before beginning the overtime shift.

**ARTICLE 32.3--OVERTIME (ODOT Coalition)**

**Section 1. Assignment of Overtime.**
(a) In assigning overtime work, the Agency agrees to consider any circumstances which might cause such an assignment to be an unusual burden upon the employee. When such circumstances do exist, the employee shall not be required to work unless his/her absence would cause the Agency to be unable to meet its responsibilities.
(b) Non-bargaining unit employees or excluded supervisory personnel shall not perform overtime work which is normally done by employees working under the jurisdiction of this Agreement except when:
(1) performed to assist or instruct an employee who does not have sufficient training or experience to perform the job assigned; or
(2) filling vacancies temporarily due to absence of personnel until a replacement or replacements can be obtained; or
(3) performing emergency work where prompt execution of the work is essential to insure safety and to protect state property and/or employees; or
(4) the performance of such work by him/her is part of the normal operation of the work unit.

**Section 2. Notice of Overtime.** The Agency shall give as much notice as possible of overtime to be worked.

**Section 3. Distribution of Overtime.** Overtime shall be distributed equally, as feasible, among employees customarily performing the kind of work required and assigned to the work unit in which the overtime is to be worked. Employees not required to work under this Section shall have the overtime forgone recognized for the sole purpose of equalization.
Section 4. Limitation on Hours.
(a) No employee shall be required to work more than a twelve (12) hour shift or thirteen (13) continuous hours without being given the opportunity to take an off-duty period of no less than ten (10) hours. This provision does not apply to Forestry employees on fires or ODFW employees deemed necessary by management to meet operating requirements.
(b) Forestry employees assigned to project fires will, within manpower limitations, be provided the opportunity to take rest periods within the first twenty-four (24) hours an employee is assigned to a project fire. The employee’s regular workshift shall count toward the twenty-four (24) hour period when there is no off-duty break between their regular shift and assignment to a project fire.

After the initial twenty-four (24) hour period described above, employees will be given a seven (7) hour off-duty rest period, except in situations beyond the Agency’s control. Further, except in situations beyond the Agency’s control, no employee shall be required to work more than a sixteen (16) hour shift or seventeen (17) continuous hours without being given the opportunity to take another off-duty period of no less than seven (7) hours.

Section 5. Payment of Overtime.
(a) ODOT, OPRD.
(1) Payment for overtime shall be no later than one (1) month following the pay period in which the overtime is worked.
(2) All employees shall receive cash for overtime worked. If, however, the employee wishes to receive compensatory time off in lieu of cash, he/she may opt to receive compensatory time up to an accumulation of one-hundred and twenty (120) hours. Over an accumulation of one-hundred and twenty (120) hours, the Employer may refuse to allow the employee to continue to accrue compensation time in lieu of cash.

Subject to the restriction listed above, an employee’s request for cash or compensatory time will remain in effect until the employee elects a change. The employee may not elect such a change more than once per month.

(b) Forestry.
(1) Payment for overtime shall be no later than one (1) month following the pay period in which the overtime is worked.
(2) Overtime will be paid in cash whenever funds are available, except an employee shall have the option of maintaining a maximum of one-hundred and twenty (120) hours of compensatory time for authorized overtime. Employees must indicate their preference to accumulate compensatory time in lieu of cash. An employee’s request for cash or compensatory time will remain in effect until the employee elects a change. The employee may not elect a change more often than once a month. All overtime earned on fires outside the assigned district, and overtime earned as “extra costs” within the district will be paid in cash at the rate specified in Article 32, Section 4 of this Agreement. Straight time eligible positions may be paid cash when such time is earned on in-district fires. Such cash payment may be made when mutually agreed by the employee and the Agency.

When funds are not available for cash payment of overtime, compensatory time may exceed one-hundred and twenty (120) hours and compensation will be in the form of compensatory time off up to the maximum allowable under the Fair Labor Standards Act (most employees two-hundred forty (240) hours).

(c) ODFW.
(1) Payment for overtime shall be no later than one (1) month following the pay period in which the overtime is worked.
(2) All FLSA non-exempt employees shall receive compensatory time off for authorized overtime worked. If, however, the employee wishes to receive cash in lieu of compensatory time off, he/she may opt to receive cash. Subject to the restriction listed in Subsection (B) of this Section, an employee’s request for cash or compensatory time off will remain in effect until the employee elects a change. The employee may not elect such a change more than once per month.

(A) All employees will have the option of maintaining a maximum balance of one-hundred twenty (120) hours of accrued compensatory time off by June 30 of each calendar year. Taking compensatory time off shall be subject to prior approval of the employee’s immediate supervisor.

Section 6. Compensatory Time Off.
(a) Subject to the operating requirements of the Agency, employees shall have their choice of compensatory time off. If two (2) or more employees request the same period of time off and the matter cannot be resolved by agreement of the employees concerned, the employee having the greatest length of service with the Agency shall be granted the time off. Compensatory time may be used in lieu of vacation leave or sick leave with management approval, provided the employee is not on written notice for attendance issues.

(b) Employees shall be allowed the option of taking compensatory time off in combination with vacation leave. However, compensatory time off taken in this manner shall be subject to the provisions of the Vacation Article rather than the provision of this Article.

(c) ODOT and OPRD, Except Forestry. Each employee shall be allowed to accrue compensatory time up to a period of one (1) year from date of accrual. The Agency shall notify each employee thirty (30) days in advance of the one (1) year accrual date of the compensatory time that should be used up. When the employee receives notice of the yearly accrual date, the Agency may schedule the employee to take the time off during that thirty (30) day period. If the
Agreement cannot schedule the employee for time off, the Agency shall pay cash for the compensatory time that will exceed one (1) year from date of accrual.

(d) **ODFW.** Each employee shall be eligible to accrue and use compensatory time off through June 30 of each calendar year. The Agency shall notify each employee by January 1 of each calendar year of their accrued compensatory time off balances. In order to reduce an employee’s compensatory time off balance to one-hundred twenty (120) hours or below, the Agency may schedule the employee to take time off from March 1 to June 30 in the same calendar year. If the Agency cannot schedule the employee for the time off, the Agency shall pay down to one-hundred twenty (120) hours for the compensatory time off not used by June 30 of each calendar year.

**Section 7. Forestry.**

(a) An employee occupying an FLSA-exempt position shall have their overtime pay rate changed from one (1) hour of time off for every hour of authorized overtime worked that exceeds eight (8) or ten (10) hours in a day, whichever is applicable, or forty (40) hours in a week to time and one-half (1½) for any authorized overtime worked that exceeds eight (8) or ten (10) hours in a day, whichever is applicable, or forty (40) hours in a workweek when all of the following conditions are met:

(1) The employee is relieved of all of his/her regularly assigned duties and assigned by the Agency to perform assigned duties during a fire emergency or other incident; and,

(2) The Agency has authorized the employee to work overtime.

(3) The term “other incident” shall be defined as flood, earthquake, or insect infestation that requires the Agency to mobilize an incident management team.

(b) The terms and conditions under which the FLSA-exempt employee will receive time and one-half (1 1/2) overtime pay under this Agreement will be consistent with Article 32.3, Section 5(b)(2) of this Agreement.

(c) When an employee is released from fire emergency or other incident duties and returns to his/her regularly assigned duties, the employee will receive the overtime pay rate consistent with Article 32, Section 4(b) of this Agreement.

**ARTICLE 32.5A,B,C,D,E,F,G,X,Y--OVERTIME** (Education including OSD, Water Resources, Library, Treasury, Department of Administrative Services, Commission for the Blind, PERS, OWEB, HECC)

**Section 1. Distribution of Overtime.** Overtime work shall be distributed as equally as is feasible among qualified employees in the work unit who normally do the particular type of work needed. In the Department of Administrative Services, “work unit” for this purpose means the employees who, by position description, normally perform the particular type of work involved at the worksite that is involved. When such an assignment creates a burden for the employee, the Agency agrees to attempt to assign it to another qualified employee or to cancel the assignment. When such burden exists, the employee shall not be required to work unless his/her absence would cause the Agency to be unable to meet its responsibilities.

**Section 2. Notice of Overtime.** The Agency will give employees as much notice as practicable that overtime will be required.

**Section 3. Payment for Overtime.** Payment of overtime shall be included in the payroll paid the month following the pay period in which overtime is worked if the overtime is reported prior to the payroll cut-off dates, provided, however, that payment shall be made no later than thirty-one (31) days after overtime work is reported.

**Section 4. Overtime Rest Periods.** If an employee is assigned one (1) or more hours of overtime work contiguous to his/her regular workshift or is called back within one (1) hour of his/her scheduled quitting time, the Agency will provide a fifteen (15) minute rest period after two (2) hours of overtime completed.

**Section 5. Compensatory Time Pay.** Compensatory time shall be scheduled, as much as possible, at the convenience of the employee, consistent with the operating requirements of the Agency. In the case of conflict between two (2) or more employees in the same work area, the employee who first requested this time shall be given preference. If the conflict again occurs between these employees, such conflict shall be resolved on a rotating basis. This time off shall be utilized within one (1) year of being earned or shall be paid in cash except as provided in Article 32, Section 4.

**Section 6. Election of Cash/Compensatory Time Off.**

- **Water Resources/OWEB**—Except as provided in Article 32, Section 4, employees shall receive compensatory time for overtime worked unless the eligible employee elects to receive cash subject to budgetary depletion. If the eligible employee wishes to receive cash in lieu of compensatory time off, the employee must request this method of compensation no later than the first regular working day following the date the overtime was worked.

- **Library**—Under normal circumstances, compensation for authorized overtime will be compensatory time off. Cash payment for overtime must be authorized in advance in writing by the Division Administrator except as provided in Article 32, Section 4.

- **Treasury**—Eligible employees shall receive cash for overtime worked, except as provided in Article 32, Section 4, unless the employee elects to receive compensatory time off. - **Commission for the Blind**—Eligible employees, except as provided in Article 32, Section 4, shall receive either cash or compensatory time off for working authorized overtime. An employee shall make a request to the Agency no later than the first workday following the date the overtime is worked for either cash or compensatory time off. In instances
of overtime assignment when monies budgeted to Personal Services are exhausted, overtime compensation shall be paid by compensatory time off. The employee requested to work such overtime shall be advised that payment will be compensatory time off at the time of the request. Employees who decline overtime for reason of non-cash payment shall not have such time counted for purposes of equalization.

- **PERS**—Eligible employees, except as provided in Article 32, Section 4, shall receive compensatory time off for overtime worked unless the employee elects to receive cash, subject to budgetary limitation and workload requirements. If the employee wishes to receive cash in lieu of compensatory time off, the employee must request this method of compensation prior to accepting assignment of the overtime.
- **Education including OSD**—Except as provided in Article 32, Section 4, eligible employees shall have the option of cash payment or compensatory time off for overtime worked.
- **Department of Administrative Services**—Except as provided in Article 32, Section 4, eligible employees shall be compensated in cash for overtime worked. An employee may request to accrue compensatory time off for overtime worked in lieu of cash. Such requests must be in writing and filed with the employee’s immediate supervisor no later than the first regular workday following the date the overtime was worked. The supervisor shall promptly approve or deny such requests based on the availability of funds and operating needs of the organization. Requests for compensatory time for overtime which are in conflict with the provision of the Fair Labor Standards Act shall not be granted.
- **HECC**—Except as provided in Article 32, Section 4, eligible employees shall have the option of cash payment or compensatory time off for overtime worked.

**Section 7. OSD Only**—The Employer will pay one-half (½) hour overtime to Dorm Counselors who are unable to take their rest breaks. Further, should scheduling of LPNs and/or Child Care Workers result in their being unable to take breaks in the future, those employees will also be paid one-half (½) hour overtime.

**ARTICLE 32.5H,N,Q,T,V--OVERTIME** (Justice, Revenue, DCBS, Veterans’ Affairs, WCB)

**Section 1. Distribution of Overtime.** Overtime work assignments shall be distributed as equally as is feasible among employees in the work unit who normally do the particular type of work needed. When such an assignment is a burden to the employee, the Agency agrees to attempt to assign it to another employee or cancel the assignment. When such burden exists, the employee shall not be required to work unless his/her absence would cause the Agency to be unable to meet its responsibilities.

**Section 2. Notice of Overtime.** The Agency will give employees as much notice as practicable that overtime will be required.

**Section 3. Payment for Overtime.** Cash payment for overtime shall be paid not later than the first (1st) of the second month following the calendar month in which the overtime was worked.

**Section 4. Overtime Rest Periods.** If an employee is assigned one (1) or more hours of overtime work contiguous to his/her regular workshift or is called back within one (1) hour of his/her scheduled quitting time, the Agency will provide a fifteen (15) minute rest period after two (2) hours of overtime completed.

**Section 5. Compensatory time shall be scheduled,** as much as possible, at the convenience of the employee, consistent with the operating requirements of the Agency. In the case of conflict between two (2) or more employees in the same work area, the employee who first requested this time shall be given preference. If the conflict again occurs between these employees, such conflict shall be resolved on a rotating basis. This time off shall be utilized within one (1) year of being earned or shall be paid in cash, except as provided for in Article 32, Section 4.

**Section 6. Election of Cash/Compensatory Time Off.**

- **Justice**—
  (a) Employees eligible for compensation for overtime worked shall receive compensatory time, if overtime is required, unless the employee elects to receive cash, except as provided for in Article 32, Section 4. The eligible employee will receive compensatory time unless he/she requests cash no later than thirty (30) days following the date the overtime was worked.
  (b) If an employee eligible for compensation volunteers for an overtime opportunity, the Agency shall determine the method of compensation if the overtime is a result of periodic peak workloads pursuant to Article 32, Section 4.
  (c) The High Intensity Drug Trafficking Area (HIDTA) Program requires that compensation for any overtime hours worked must be limited to cash. This means there is no ability for CJD employees doing HIDTA-related work to receive compensatory time in lieu of cash for required overtime.
  (d) In instances where HIDTA work requires overtime and there are no CJD volunteers, reimbursement for such hours will be in cash.

- **Revenue**—All employees who work authorized overtime shall be paid in cash or receive compensatory time off, except as provided for in Article 32, Section 4, at the discretion of the employee.

- **DCBS**—All employees who work authorized overtime shall be paid or receive compensatory time off, except as provided for in Article 32, Section 4. - **Veterans’ Affairs**—Compensation for overtime shall be in the form of cash or compensatory time off at the discretion of the eligible employee except as provided for in Article 32, Section 4; however, the Agency may require employees to take compensatory time subject to the budgetary limitations of the Agency.
The Agency will give employees as much notice as practicable that overtime will be determined by work assignment.

Section 2. Notice of Overtime. The Agency will give employees as much notice as practicable that overtime will be required.

Section 3. Payment of Overtime. Cash payment for overtime shall be paid not later than the first (1st) of the second month following the calendar month in which the overtime was worked.

Section 4. Overtime Rest Periods. Section 5. Compensatory time shall be scheduled, as much as possible, at the convenience of the employee, consistent with the operating requirements of the Agency. In the case of conflict between two (2) or more employees in the same work area, the employee who first requested this time shall be given preference. If the conflict again occurs between these employees, such conflict shall be resolved on a rotating basis. This time off shall be utilized within one (1) year of being earned or shall be paid in cash, except as provided for in Article 32, Section 4.

Section 6. Election of Cash/Compensatory Time Off. Except for employees in classifications of Laborer 1 and 2, and Agricultural Worker, an employee may elect to receive either cash or compensatory time off for overtime worked except as provided in Article 32, Section 4. ARTICLE 32.5I—OVERTIME (OHCS)

Section 1. Overtime work assignments shall be distributed as equally as possible among qualified employees within the department who normally do the type of work needed. Overtime assignments shall first be offered on a voluntary basis to qualified employees within the department requiring the work. If there are no volunteers, the Agency shall require authorized overtime to be worked. Required overtime assignments shall be assigned on a rotating basis. When such an assignment is a burden to the employee, the Agency shall assign the overtime to another employee to be worked. Any employee who refuses any overtime opportunity relinquishes by that amount his/her claim to equal overtime.

Section 2. Notice of Overtime. The Agency will give employees as much notice as practicable that overtime will be required.

Section 3. Payment of Overtime. Cash payment for overtime shall be paid not later than the first (1st) of the second month following the calendar month in which the overtime was worked.

Section 4. Overtime Rest Periods. If an employee is assigned one (1) or more hours of overtime work contiguous to his/her regular workshift or is called back within one (1) hour of his/her scheduled quitting time, the Agency will provide a fifteen (15) minute rest period after two (2) hours of overtime completed.

Section 5. Compensatory time shall be scheduled, as much as possible, at the convenience of the employee, consistent with the operating requirements of the Agency. In the case of conflict between two (2) or more employees in the same work area, the employee who first requested this time shall be given preference. If the conflict again occurs between these employees, such conflict shall be resolved on a rotating basis. This time off shall be utilized within one (1) year of being earned or shall be paid in cash, except as provided for in Article 32, Section 4.

(a) When the Institution chooses to fill a vacancy by promotion, it shall use an Institution promotion list or selective certification, from the Institution, provided such a list is available.

(b) Employees will be considered for promotion on the basis of each candidate’s qualifications and the requirements of the position. If two (2) or more candidates for final selection are equally qualified for the position in the judgment of the Institution, the candidate with the greatest length of service in the Institution will be selected for promotion.
(c) When the Institution chooses to fill the vacancy from an open competitive certificate, an employee in the Institution who is in rank order by score will be offered an interview and considered.

(d) Any employee who was interviewed may request and shall receive in writing an explanation of the reasons he/she was not selected.

**Section 2. Transfers Within Classification.**

Any employee in the same classification as the vacancy who desires the posted job shall submit a request for a transfer to that position, in writing, to the office indicated in the notice. Trial service employees may make requests under this procedure but the Institution is not obligated to consider their requests. Employees having a record of disciplinary action within six (6) months prior to the vacancy announcement shall not be eligible for transfer. The hiring manager may consider any other available list in filling the vacancy. The most qualified applicant shall be selected.

3. If the senior employee requesting transfer is not selected, he/she may request in writing an explanation of the denial and it shall be provided, in writing.

4. An employee whose request for transfer is granted shall not be eligible to utilize the procedure of Section 2(b) to request another transfer within the following nine (9) months.

In the absence of volunteers, the transferee shall be that employee in the organizational unit from which the reassignment is being made who has the least continuous service with the Institution and who is qualified, both by classification and knowledge, skills, and abilities for the particular position.

2. When a transfer of a specific employee is necessary for training, deficient performance, discipline, or because of special qualifications, management shall inform the employee in writing of the reason for the transfer ten (10) days in advance.

**Section 6.** The Agency will maintain a list of employee requests for intra-Agency lateral transfer. (f) Any transfer or promotion granted as the result of a competitive interview will be considered to be for the benefit of the Agency. A request for transfer which is granted without the competitive interview procedure or without a notice of vacancy being circulated to eligible employees shall be considered to be for the benefit of the employee and any employee desiring this type of consideration shall agree to this condition when requesting transfer.

(g) If, because of lack of work, it is necessary to transfer an entire crew, it shall be considered as “at the request of or for the benefit of the Agency.”

Upon approval of the Appointing Authority, the remaining employee may elect to transfer to a vacant part-

**ARTICLE 53--VOLUNTARY DEMOTION**

Section 3. Such leave may be used by an employee for any purpose he/she desires and may be taken at times mutually agreeable to the Agency and the employee.

**ARTICLE 56--SICK LEAVE**

Section 1. Sick Leave with Pay. Sick leave with pay for employees shall be determined in the following manner:

(a) Eligibility for Sick Leave with Pay. Employees shall be eligible for sick leave with pay immediately upon accrual.

(b) Determination of Service for Sick Leave with Pay. Actual time worked and all leave with pay, except for educational leave, shall be included in determining the pro-rata accrual of sick leave credits each month, provided that the employee is in pay status for thirty-two (32) hours or more in that month.

(c) Accrual Rate of Sick Leave with Pay Credits. Full-time employees shall accrue eight (8) hours of sick leave with pay credits for each full month they are in pay status. Employees who are in pay status for less than a full month but at least thirty-two (32) hours shall accrue sick leave with pay on a prorated basis. An SEIU Local 503, OPEU-represented temporary employee appointed to a status position in any SEIU Local 503, OPEU bargaining unit in the same Agency without a break-in-service of more than fifteen (15) calendar days, shall accrue sick leave credits from the initial date of temporary appointment. An SEIU Local 503, OPEU-represented temporary employee appointed to a status position in a different SEIU Local 503, OPEU-represented Agency without a break-in-service shall accrue sick leave credits from the initial date of the temporary appointment provided the employee has worked as a temporary employee for the same Agency for six (6) consecutive calendar months or more.

Section 2. Utilization of Sick Leave with Pay. Employees who have earned sick leave credits shall be eligible for sick leave for any period of absence from employment due to any of the following reasons:

- illness;
- bodily injury;
- disability resulting from pregnancy;
- necessity for medical or dental care;
- if the employee is a victim of domestic violence, harassment, sexual assault, or stalking; or the parent or guardian of a minor child or dependent who is a victim of domestic violence, harassment, sexual assault or stalking, pursuant to ORS 659A.270 through 659A.290;
- attendance at an employee assistance program;
- exposure to contagious disease;
- for the emergency repair of personal assistive devices which are medically necessary for the employee to perform assigned duties;
- attendance upon members of the employee’s or the employee’s spouse’s immediate family, or the equivalent of each for domestic partners, (parent, wife, husband, children, brother, sister, grandmother, grandfather, grandchild, or another member of the immediate household) where the employee’s presence is required because of illness or death.

The employee has the duty to insure that he/she makes other arrangements, within a reasonable period of time, for the attendance upon children or other persons in the employee’s care. Certification of an attending physician or practitioner may be required by the Agency to support the employee’s claim for sick leave if the employee is absent in excess of seven (7) days, or if the Agency has evidence that the employee is abusing sick leave privileges. The Agency may also require such certificate from an employee to determine whether the employee should be allowed to return to work where the Agency has reason to believe that the employee’s return to work would be a health hazard to either the employee or others. In cases of pregnancy, the Agency may require a certificate from the attending physician to determine if the employee should be allowed to work. (See Section 9 for FMLA & OFLA.)
Section 3. Sick Leave Exhausted.
(a) After earned sick leave has been exhausted, the Agency shall grant sick leave without pay for any job-incurred injury or illness for a period which shall terminate upon demand by the employee for reinstatement accompanied by a certificate issued by the duly licensed attending physician that the employee is physically and/or mentally able to perform the duties of the position.
(b) After earned sick leave has been exhausted, the Agency may grant sick leave without pay for any non-job-incurred injury or illness of a continuous and extended nature to any employee upon request for a period up to one (1) year. Extensions of sick leave without pay for a non-job-incurred injury or illness beyond one (1) year may be approved by the Agency.
(c) The Agency or the administrator may require that the employee submit a certificate from the attending physician or practitioner in verification of a disability, or its continuance resulting from a job-incurred or non-job-incurred injury or illness. Any cost associated with the supplying of a certificate concerning a job-incurred injury or illness that is not covered by Workers’ Compensation benefits shall be borne by the employing Agency. Any cost associated with the supplying of a certificate concerning a non-job-incurred injury or illness shall be borne by the employee. In the event of a failure or refusal to supply such a certificate, or if the certificate does not clearly show sufficient disability to preclude that employee from the performance of duties, such sick leave may be canceled and the employee’s service terminated.
(d) After all earned sick leave has been exhausted an employee may request in advance, in cases of illness, to use other earned leave. Authorization for transfer of donated leave shall not be unreasonably denied. For purposes of this Agreement, hardship shall be deemed to arise when an employee’s service would be terminated.
(e) An employee with a serious medical condition who has exhausted available leave balances may submit a written request to receive a “medical separation.” A medical separation is defined as a voluntary resignation for medical reasons. The Employer shall grant a written request for a medical separation, unless the employee is under investigation for performance and/or misconduct unrelated to their exhaustion of leave. Employees who receive a medical separation will be notified of the reemployment provision in Article 45, Section 2(e).

Section 4. Restoration of Sick Leave Credit. Employees who have been separated from state service and return to a position (except as temporary employees) within two (2) years shall have unused sick leave credits accrued during previous employment restored.

Section 5. Transfer of Accruals. An employee shall have all of his/her accrued sick leave credits transferred when the employee is transferred to a different state Agency.

Section 6. Workers’ Compensation Payment. Sick leave resulting from a condition incurred on the job and also covered by Workers’ Compensation, shall, if elected to be used by the employee, be used to equal the difference between the Workers’ Compensation for lost time and the employee’s regular salary rate. In such instances, prorated charges will be made against accrued sick leave. Should an employee who has exhausted earned sick leave elect to use accrued leave during a period in which Workers’ Compensation is being received, the salary paid for such period shall be equal to the difference between the Workers’ Compensation for lost time and the employee’s regular salary rate. In such instances, prorated charges will be made against accrued leave.

Section 7. Assumption of Sick Leave. Whenever an Agency of the State assumes control over the functions of a local government Agency within the State of Oregon, such state Agency may assume the unused sick leave that was accrued by an employee of the local government Agency during employment therewith, provided the employee accepts an appointment, without a break-in-service, to that Agency. Should the monthly sick leave accrual rate of the local government Agency be greater than that of the state Agency, the maximum amount of sick leave assumable by the state Agency shall be computed on the basis of the following formula:

\[
\text{Monthly Accrual Rate of State Agency} \times \frac{\text{Sick Leave Balance of Local Agency}}{\text{Maximum Sick Leave Assumable}} = \text{Maximum Sick Leave Assumable}
\]

Should the monthly sick leave accrual rate of the local government Agency be less than that of the state Agency, the maximum amount of sick leave assumable by the state Agency shall be the amount of unused sick leave accrued during employment with the local government Agency.

Section 8. Hardship Leave. These provisions shall apply for the purpose of allowing employees to donate accrued vacation leaves and compensatory time for use by eligible recipients as sick leave. Agencies will allow employees to make donations of accumulated compensatory time or vacation leave, not to exceed the hours necessary to cover for the qualifying absence as provided in paragraph (d), to a coworker in that Agency or different Agency. To donate to a specific employee in a different Agency, the employee (donor) must submit a written request to his/her appointing authority/designee. The appointing authority or designee from both the donor’s and recipient’s agencies may authorize the transfer of donated leave between agencies, subject to restrictions on the use of dedicated funding sources and/or other legitimate business reasons. Authorization for transfer of donated leave shall not be unreasonably denied. For purposes of this Agreement, hardship
ARTICLE 56.1C--SICK LEAVE  (Employment Department)

All employees of the Employment Department will be allowed to transfer accumulated vacation leave to a coworker who has exhausted all accumulated leaves.

Eligibility to receive and use donated leave will be the same as that used for Sick Leave under Article 56 Section 2--

Utilization of Sick Leave with Pay

The vacation leave hours donated will be converted to sick leave for use by the receiving employee. The hours of leave donated will be converted into an hourly rate and then applied to the donee’s account at their hourly rate, e.g., an employee who earns twenty dollars ($20.00) per hour by donating one (1) day of leave to an employee who earns ten dollars ($10.00) an hour will have donated two (2) days of sick leave to the donee employee. The reverse also applies; if an employee earning ten dollars ($10.00) per hour donates one (1) day of leave to an employee earning twenty dollars ($20.00) per hour, one-half (½) day of leave will be transferred to the donee employee.

The Labor-Management Committee will monitor leave use.

ARTICLE 56.3--SICK LEAVE  (ODOT Coalition)

When an employee needs to use sick leave and has not given his/her supervisor prior notice, the employee will call, text or email, as directed by his/her supervisor prior to the beginning of his/her scheduled shift, except for circumstances beyond the control of the employee, such as a traffic accident.

REV: 2013

Paid bereavement leave shall run concurrently with OFLA when applicable. The Agency shall notify the employee when OFLA is running concurrently with bereavement leave. If additional bereavement time is needed, an employee may request to use accrued leave, or leave without pay, at the option of the employee. The Agency may request documentation for use of bereavement leave.

Notwithstanding Article 56, Section 8 (a), (c), and (d), regular and trial service employees may be eligible to receive up to forty (40) hours of donated leave, to be used consecutively. The employee must have exhausted all available accumulated leave and qualify to receive hardship leave.

- child (and child’s spouse) (includes a child for whom the employee stood in loco parentis);
- siblings;
- grandparents;
- grandchild;

\]

To be eligible for this pay, such employees must be in pay status at least one-half (½) of the last scheduled workday before the holiday and at least one-half (½) of the first scheduled workday after the holiday, provided such scheduled workdays occur within seven (7) calendar days before and after the holiday.

**Section 4. (c) However, the Parties recognize that some positions must be staffed on holidays, and that employees in these positions cannot be released from duty on those holidays. Part (a) of this Section shall not apply to employees in these positions and the holiday shall be observed on the actual day specified in Section 1. Employees filling such positions will be notified in writing prior to hiring or when their work assignment is changed that they may have to work on certain holidays.

Section 2. Notwithstanding Article 58, Section 4 and Article 32, Section 1, when a recognized holiday falls on an employee’s regularly scheduled day off, workers shall have the choice of straight-time pay for the lesser of their regularly scheduled hours or eight (8) hours of straight-time compensatory time off. Employees who work at least thirty-two (32) hours per month shall accrue vacation leave on a prorated basis.

Part-Time Employees Computation. A part-time employee shall accrue vacation leave and shall earn eligibility for additional vacation credits only in those months during which the employee has worked thirty-two (32) hours or more. Such leave shall be accrued on a pro-rata basis per the same schedule as full-time employees.

A part-time employee shall not be eligible to take initial vacation leave until the employee has worked thirty-two (32) hours or more in each of six (6) calendar months.

Seasonal Employees Computation. Seasonal employees are entitled to use vacation credits (or to have them paid upon separation) when the seasonal employee has completed a combination of seasonal periods totaling one-thousand forty (1,040) hours. In accumulating one-thousand forty (1,040) hours of service, time worked prior to a break-in-service may be credited if the break does not exceed two (2) seasons. An employee may not be credited with more than one (1) season during a calendar year.

Section 2. Vacation Leave for New or Separating Employees.
(a) New employees who begin work in the middle of a month or pay period earn vacation credits on a prorated basis for the first partial month or pay period provided they work at least thirty-two (32) hours.

Although new employees will earn vacation credits on a prorated basis during the first partial month or pay period of service, they are not entitled to use vacation credits (or be paid upon separation) until the employee has completed six (6) months. The employee must work or be paid for at least thirty-two (32) hours in each calendar month or pay period, to be eligible.

(b) Separating employees who are eligible will be paid for unused vacation leave accrued through the last full calendar month or pay period of service, based on each employee’s work schedule. If the employee does not work or is not in pay status through the last regularly scheduled workday in the last calendar month or pay period, payment for such month or period shall be made on a pro-rata basis.

Separation of an employee may fall on any given day of the month, either as designated by the employee in his/her letter of resignation or by the Agency in the notice of involuntary separation.
(c) Separating employees who are eligible will be paid for accumulated vacation leave and compensatory time at the hourly rate equivalent to his/her base rate at the time of separation. An employee shall not be eligible for vacation pay-out upon separation unless the employee has completed six (6) months or the equivalent.

Section 3. Compensation for use of accrued vacation shall be at the employee’s prevailing straight time rate of pay.

Section 4. In the event of separation or layoff any unused vacation up to three-hundred (300) hours will be paid to the employee.

Section 5. In the event of an employee’s death, all monies due him/her for accumulated vacation and salary shall be paid as provided by law.

Section 6. An employee who has lost work because of a job-related illness or injury shall not suffer a reduction in vacation credits. Vacation credits shall continue to be earned while an employee is using earned sick leave.

Section 7. Service with a jury shall be considered time worked.

Section 8. If an employee has a break-in-service and that break does not exceed two (2) years, he/she shall be given credit for the time worked prior to the break-in-service.

Section 9. Time spent in actual State service or on Peace Corps, military, educational, or job-incurred disability leave without pay shall be considered as time in State service for determining length of service for vacation accrual rate.

Section 10. Vacation hours may accumulate to a maximum of three-hundred fifty (350) hours.

Section 11. Authorization of Use. Upon transfer of an employee with six (6) months of State service to a different Agency covered by the Agreement, the employee may elect to have a maximum of one-hundred (100) hours of accrued vacation credits transferred to the gaining Agency, except the gaining Agency may agree to accept a greater amount of accrued vacation credits. The employee shall be paid in cash for that portion of accrued vacation credits not transferred.

Section 12. Should an employee who has exhausted earned sick leave elect to use vacation leave during a period in which Workers’ Compensation is being received, the salary paid for such period shall be equal to the difference between the Workers’ Compensation for lost time and the employee’s regular salary rate. In such instances, prorated charges will be made against accrued vacation leave. No employee shall be required to utilize vacation leave while receiving time loss benefits.

Section 13. After all earned sick leave has been exhausted an employee may request in advance, in cases of illness, to use earned vacation leave. The Employer may grant such requests and may require that the employee provide verification from an attending physician of such illness. Such leave shall not be unreasonably denied.

Section 14. No employee may be placed on vacation leave and no accrued vacation time may be utilized without specific authorization of the employee except:

(a) That employees shall have their vacation time paid in full when they take education leave without pay in excess of ninety (90) days;

(b) That in any other leave of absence without pay that exceeds fifteen (15) days, the employees shall be required to use their accumulated vacation. Bargaining unit members may not be required to take vacation when leaving for military or reserve service as per Title 38, USC Chapter 43, or parental leave until after thirty (30) days;

(c) As provided for set-off of damages or misappropriation of state property or equipment on termination;

(d) To avoid losing vacation the employee must request vacation leave. When such leave is impossible a cash payment of not more than sixty (60) hours shall be made. In lieu of cash payment, the Employer shall schedule time off in excess of three-hundred and fifty (350) hours within sixty (60) days prior to the date the vacation leave would reach three-hundred and fifty (350) hours. Hours earned over three-hundred and fifty (350) hours will be immediately lost to the employee if the equivalent of those hours is not used prior to the month of maximum accrual.

Section 15. Military Donated Leave. The Parties acknowledge that the State of Oregon administers a donated leave program to supplement military wages. As such, an employee may donate any portion of his/her accrued vacation to an eligible individual participant or to the program donation pool for distribution to eligible participants, as long as the program continues to exist.

ARTICLE 66.1--VACATION SCHEDULING (Human Services Coalition)

Section 1. An employee shall request the dates of his/her vacation in advance and the Agency shall grant or deny the request for vacation within ten (10) calendar days. This shall not require that use of vacation time be requested ten (10) calendar days in advance. Requests will not be unreasonably denied. If two (2) or more employees request the same days off and the matter cannot be resolved by agreement of the Parties concerned, the employee having the greatest length of continuous service with the Agency shall be granted the time off, provided however, that an employee shall not be given his/her length of service consideration more than once in every two (2) years.

Section 2. Vacations that have been scheduled and approved may not be canceled by the Agency except in the event of an emergency. When unrecoverable vacation deposits are incurred by an employee and the vacation is canceled by the Agency, the Agency shall pay the unrecoverable deposits, proof of which may be required for reimbursement. In the event of a schedule change caused by seniority or a transfer at the request of an employee the provisions of this Section shall not apply.

(See Letter of Agreement 00.00-99-51 in Appendix A.)

ARTICLE 66.2A--VACATION SCHEDULING (OYA Youth Correctional Facilities and Camps)

Section 1. The Institution shall provide a sign-up period for vacation between the dates of November 1 and December 1, for the twelve (12) month period of February 1 through the following January 31. The results will be posted no later than December 15. Subject to the operating requirements of the unit, an employee shall have his/her choice of vacation time. If two (2) or more employees in the same first line supervisory work unit request the same periods of time and the matter cannot be resolved by agreement of the Parties concerned, the employee having the greatest seniority shall be granted the time off once a year. After December 1, employees may request vacation for the following month and any employee who first requests to schedule a vacation date in the following month not in conflict with a previously scheduled vacation shall be granted the time.

Section 2. Up to twenty-four (24) hours of personal leave time may be added into the annual vacation bid.

Section 3. The Institution or Facility will grant or deny requests for vacation within fifteen (15) calendar days of the employee’s submission of the request when it is submitted less than thirty (30) days from the desired vacation date. Requests will not be unreasonably denied.

Section 4. Vacations that have been scheduled and approved may not be canceled by the Institution except in the event of an emergency. When unrecoverable vacation deposits are incurred by an employee, and the vacation is canceled by the Institution, the Institution shall pay the unrecoverable deposits. The Institution may require proof of unrecoverable deposits.

ARTICLE 66.2C,H--VACATION SCHEDULING (OSH, Pendleton Cottage)

Section 1. Vacation time shall be scheduled within the workload and scheduling requirements of the Institution or Facility. If two (2) or more employees request the same period of time off more than sixty (60) days in advance and the matter cannot be resolved by agreement of the Parties concerned, the employee having the greatest length of continuous service with the Institution or Facility shall be granted the time off provided, however, that an employee shall not be given this length of service consideration more than once in every two (2) years. The Institution or Facility may facilitate this process by providing a designated sign-up period. After the designated sign-up period, vacation requests will be approved on a first-come first-served basis subject to the operating needs of the Agency.

Section 2. The Institution or Facility will grant or deny the request for vacation within five (5) calendar days of the employee’s request received by the employee’s supervisor or their designee. Requests will not be unreasonably denied. Grievances concerning this Section may be pursued only until the expiration of this Contract and shall terminate at that time.

Section 3. Vacations that have been scheduled may not be canceled by the Institution or Facility except in the event of an emergency. When unrecoverable vacation deposits in excess of fifty dollars ($50.00) are incurred by an employee, the vacation shall not be canceled by the Institution or Facility. In the event of a schedule change caused by seniority or a transfer at the request of an employee, the provisions of this Section shall not apply.

Section 4. If an employee requests a lateral transfer, his/her choice of vacation made during his/her previous assignment shall be subjugated to any employee request in the new unit made prior to the transfer which is protected under Section 1. If an employee is transferred by the Institution or Facility, Sections 1 and 3 will apply.

ARTICLE 66.2K--VACATION SCHEDULING (OYA Administration and Field Services)

Section 1. An employee shall request the dates of his/her vacation in advance and the Agency shall grant or deny the request for vacation within a reasonable period of time. Requests will not be unreasonably denied. If two (2) or more employees request the same days off and the matter cannot be resolved by agreement of the Parties concerned, the employee having the greatest length of continuous service with the Agency shall be granted the time off, provided however, that an employee shall not be given his/her length of service consideration more than once in every two (2) years.

Section 2. Vacations that have been scheduled and approved may not be canceled by the Agency except in the event of an emergency. When unrecoverable vacation deposits are incurred by an employee and the vacation is canceled by the Agency, the Agency shall pay the unrecoverable deposits, proof of which may be required for reimbursement. In the event of a schedule change caused by seniority or a transfer at the request of an employee the provisions of this Section shall not apply.

ARTICLE 66.3--VACATION LEAVE (ODOT Coalition)

Section 1. ODFW, Forestry, OPRD and ODOT (Excluding DMV). Seasonal employees shall have the option to carry forward up to a maximum of forty (40) hours of accrued vacation under the following conditions:

(a) The employee must be scheduled into a successive season, known as “back-to-back” seasons. Successive seasons which start no later than seventeen (17) consecutive calendar days after the end of the prior season shall qualify to be a “back-to-back” season. If the employee is not scheduled for a successive season, then accrued vacation will be paid off. If the employee is scheduled into a successive season, but does not report as scheduled, the Employer will pay off the vacation balance as it determines is appropriate.

(b) The employee must submit written notice of intent to carry forward accrued vacation leave at least two (2) weeks prior to the end of the season, if a date certain for season end has been provided to the employee. If no date certain has been provided to the employee, then the employee must submit written notice of intent to carry forward accrued vacation leave within five (5) working days of notice that their season is ending.
Section 2. Subject to the operating requirements of the Agency, employees shall have their choice of vacation time. If two (2) or more employees, on the same day, request the same period of time and the matter cannot be resolved by agreement of the Parties concerned, the employee having the greatest length of service with the Agency shall be granted the time, provided however, that an employee shall not be given this length of service consideration more than once every two (2) years. An employee exercising such right must make such request in writing.

Section 3. (a) ODOT, Except DMV. Full-time permanent employees shall be allowed to use at least one (1) full week of vacation each year during the calendar season of their choice. The Agency shall grant requests of more than one (1) week when the workload of the unit will permit. Seasonal employees who work a combination of seasons which involve work in any portion of any eight (8) months of a calendar year shall be permitted one (1) full week of vacation consistent with the provisions for a full-time permanent employee. No seasonal employee shall have his/her season terminated solely for the purpose of circumventing this Section.

(b) DMV Only. Permanent employees shall be allowed to use at least one (1) full week of vacation each year during the calendar season of their choice. The Agency shall grant more than one (1) week when the operating requirements of the Agency permit. Employees with over one-hundred (100) hours of vacation time on record at the time of request, will be granted additional leave time, subject to the operating requirements of the Agency.

Section 4. All requests for vacation shall be reviewed and approved or rescheduled by the Agency within ten (10) calendar days, beginning with the day following submittal of a request. This shall not require the use of vacation time be requested ten (10) days in advance. Vacation shall be scheduled, as much as possible, at the convenience of the employee consistent with the operating requirement of the Agency.

Section 5. A scheduled vacation shall not be canceled once an employee has made a deposit on reservations and the deposit is not recoverable, except in the event of an emergency. The Agency may require proof of such unrecoverable deposits.

Section 6. Vacation leave shall not accrue during a leave of absence without pay or education leave with pay the duration of which exceeds fifteen (15) calendar days.

(See Letter of Agreement 66.3B-11-206 in Appendix A.)

ARTICLE 66.5--VACATION LEAVE (Special Agencies Coalition)

Section 1. Vacations shall be requested in writing by each employee and subject to written approval or denial by his/her supervisor. Such written approval or denial shall be provided to the employee within seven (7) calendar days following submittal of a request. This shall not require that use of vacation time be requested seven (7) days in advance. Vacation shall be scheduled, as much as possible, at the convenience of the employee consistent with the operating requirements of the Agency. In the case of conflict between two (2) or more employees in the same work area, the employee who first requested this time shall be given preference. If the conflict again occurs between these employees, such conflicts shall be resolved on a rotating basis.

Section 2. Cancellation of Vacation.

(a) Except Health-Related Licensing Boards. Approved vacation leave may not be canceled by the Employer except in the event of an emergency condition which creates an abnormal workload or other condition not under the control of management. In the event of an emergency, the affected employee shall be notified of the cancellation in writing. When vacation leave has been approved at least ninety (90) days in advance and is canceled, unrecoverable transportation or lodging deposits will be paid by the Agency if the employee produces proof of such unrecoverable deposits, including written evidence of a good faith effort to recover the deposits.

(b) Applies to Health-Related Licensing Boards. Vacations that have been scheduled and approved may not be canceled by the Agency except in the event of an emergency. When unrecoverable vacation deposits are incurred by an employee, and the vacation is canceled by the Agency, the Agency shall pay the unrecoverable deposits, proof of which may be required for reimbursement. In the event of a schedule change caused by seniority or a transfer at the request of an employee, the provisions of this Section shall not apply.

ARTICLE 70--LAYOFF

Section 1. A layoff is defined as a separation from the service for involuntary reasons other than resignation, not reflecting discredit on an employee. An employee shall be given written notice of layoff at least fifteen (15) calendar days before the effective date, stating the reasons for the layoff. (See Sections 9 and 10 on statewide recall rights and intergovernmental transfers, and see Section 11 regarding Secondary Recall Rights.)

Section 2. The layoff procedure shall occur in the following manner:

(a) The Agency shall determine the specific positions to be vacated and employees in those positions shall be notified of layoff. The Agency shall notify in writing all affected employees of his/her seniority and his/her contractual bumping rights. The Agency shall notify the Union of the seniority of all employees in all affected positions in writing. In addition, the Agency shall provide each Union Steward in the geographic area affected by layoff with one (1) written copy of the seniority of employees in all affected positions in that geographic area. The Agency shall also post a copy of the seniority of all affected positions in the geographic area on the employee bulletin board.

(b) Temporary employees working in the classification and geographic area in which a layoff occurs shall be terminated prior to the layoff of trial service or regular employees.
Employees shall be laid off and seniority calculated within a geographic area and within the following separate categories:

1. Permanent full-time positions;
2. Permanent part-time positions;
3. Seasonal full- and part-time positions; or
4. Academic year positions
   (OSD):
   a. Full-time academic year positions; or
   b. Part-time academic year positions.

The Employment Department shall maintain the following layoff lists:

A. Full-time employees plus seasonal employees with more than twelve (12) months continuous full-time employment immediately preceding layoff;
B. Seasonal employees with less than twelve (12) months continuous full-time employment immediately preceding layoff;
C. Part-time employees.

An employee notified of a pending layoff shall have one (1) opportunity to prioritize the following options and communicate such choice(s) in writing to the Agency within seven (7) calendar days from the date the employee is notified in writing. If the date the employee’s response is due falls on a Saturday, Sunday or holiday, the employee will provide his/her choice to the Agency on the next business day. However, this seven (7) day notice will not be required if the employee is involved in a meeting to make such choice as long as seniority has been posted prior to this seven (7) day notice as specified in Section 2(a).

1. The employee may displace the employee in the Agency with the lowest seniority in the same classification for which he/she is qualified in the same geographic area in the Agency where the layoff occurs.
2. If no positions are accessible under option one (1), the employee may displace the employee in the Agency with the lowest seniority in the same geographic area in any classification with the same salary range in which the employee previously held regular status, including any predecessor classification; or, if this choice is not available to the employee, the employee may move into vacant positions in classifications with the same salary range that the Agency intends to fill in the same geographic area.
3. The employee may identify and prioritize up to three (3) classifications in lower salary ranges for which he/she is qualified within the Agency and same geographic area. The employee may demote to the lowest seniority position in one of the identified classifications considered in the order listed by the employee, pursuant to this Section. Employees who elect to demote shall be placed on any geographic area layoff list of his/her choice within the Agency for the classification from which he/she demoted.
4. The employee may elect to be laid off. An employee who elects to be laid off shall be placed on any geographic area layoff list of his/her choice within the Agency for the classification from which he/she was laid off.

The options provided by Subsections 2(d)(1), (2) and (3) above shall apply to regular status (i.e., non-limited duration) employees displacing limited duration employees only when the limited duration positions are expected to continue for at least ninety (90) days beyond the time of layoff.

For purposes of bumping under Section 2(d)(1), (2) and (3), a vacant position that management intends to fill is considered to have the least seniority.

To be qualified for the options under Section 2(d)(1), (2) and (3), the employee must meet the minimum qualifications for the position’s classification and must be capable of performing the specific requirements of the position within a reasonable period of time. A reasonable period of time is defined as approximately thirty (30) calendar days. If an employee meets the minimum qualifications but is not capable of performing the specific requirements of the lowest seniority position, he/she may displace or demote to the next lowest seniority position in the classification, provided that the incumbent in the next lowest position has a lower seniority than the employee displacing or demoting.

When exercising an option under Section 2(d)(1), (2) and (3), an employee shall only be eligible to displace another employee with lower seniority.

When an employee is laid off because of being separated from state service per Section 2(d)(4) of this Article, moving expenses will be paid once by the Agency. In other words, moving expenses will be reimbursed only when that employee has in fact, left State service and is called back from the layoff list to a geographic area other than the one in which he/she was laid off. Moving expenses will not be paid by the Agency for any other moves associated with displacement, demotion, or return from a layoff list.

Limited Duration Appointments—Workload Reasons. Eligible employees, as defined in Article 51 Section 2, shall have their seniority calculated within a geographic area and may bump limited duration or permanent employees based on their seniority within the following separate categories:

1. full-time status;
2. part-time status.

Limited Duration Appointments—Non-Workload Reasons. Eligible employees, as defined in Article 51, Section 1, whose limited duration appointment that exceeds two (2) years shall have their seniority calculated within a geographic area. These employees shall be placed on the Agency recall list for the affected geographic area when
the limited duration appointment ends. These employees will not be eligible to bump any employees, but shall be placed on the affected agency layoff recall list for the class they held as a limited duration employee.

(j) An initial trial service employee cannot displace any regular status employee (see Section 5 for more on treatment of trial service employees).

(k) Job Share Positions.

(1) Individuals filling a job-sharing position which totals a full-time equivalent at the time of calculation of seniority shall be considered as one (1) full-time equivalent or, if either Party chooses, as part-time employees.

(2) If the employees in a job-share position choose to be treated as a full-time employee, seniority for the position shall be determined by averaging the two (2) individuals’ Layoff Service Date.

(3) If either employee in a job-share position chooses to be treated as a part-time employee, seniority for each employee will use individual Layoff Service Date.

If only one (1) person is filling a job-share position, he/she shall be considered as a full-time equivalent.

(l) If an employee is overfilling or underfilling a position, the employee will be considered in the position classification for the purposes of this Article. If an overfill employee is displaced, demoted in lieu of layoff or is laid off, the employee shall retain his/her overfill status upon return to his/her classification.

(m) Any employee displaced by another employee exercising options under Section 2(d)(1), (2) and (3) may also exercise any option available under Section 2(d).

(n) Designation of Classification for Layoff.

(1) Classification for layoff purposes is the employee’s classification of record on the date the seniority list is frozen.

(2) Classification changes (reallocations, reclassifications) approved for implementation after the seniority list is frozen, but before the layoff effective date, will not be implemented until the day after the layoff date at the earliest and shall not be arbitrarily delayed.

(3) Both the incumbent and bumping in employee cannot equally benefit from a successful change resulting from reallocation change, whether requested by the Agency or employee appeal (e.g., both be reallocated, both have recall rights to the higher class, etc.).

(A) Bumped-out employees should benefit from reallocation for pay purposes up to the layoff date and be eligible for recall back to the reallocated class.

(B) Bumping-in employees should receive benefit for pay purposes beginning the effective date of landing in the new class until or unless management removes the higher level duties. Recall rights should be to the employee’s former classification, rather than to the newly designated class for the bumped into position.

(4) Both the incumbent and bumping-in employee cannot equally benefit from a successful Agency requested reclassification or employee initiated classification appeal.

(A) Bumped-out employees should benefit from reclassification for pay purposes up to the layoff date.

(B) Bumping-in employees should receive benefit for pay purposes beginning the effective date of landing in the new class until or unless management removes the higher level duties. Recall rights should be to the employee’s former classification, rather than to the newly designated class for the bumped into position.

(5) Pay will be reconciled, as appropriate, for employees laid off or bumped-out of positions affected by a successful reallocation or reclassification.

Section 3. For purposes of this Article, the term “Agency” does not include employees represented by other unions. There will be no cross-bumping between unions. If, however, the Employer and/or the Agency permits another union to cross-bump into SEIU Local 503, OPEU positions, such rights shall be extended to SEIU Local 503, OPEU bargaining unit members also. There shall not be cross-bumping between the Management Service and the bargaining unit.

In instances where there is more than one (1) classification in the same salary range affected by a concurrent layoff, employees in the multiple classifications will have their layoff option selection notices processed by seniority (state service) within the salary range as opposed to classification. However, should two (2) or more employees continue to have equal seniority it will be decided in accordance with Section 4(d).

In instances where the first round of layoffs have been completed and a vacancy which the Agency intends to fill occurs prior to the initiation of a second round of layoffs, employees who are on an Agency geographic area layoff list may have priority rights to such vacancy in accordance with the Filling of Vacancies Articles.

Section 4. Seniority.

(a) Seniority Definition. Seniority is the Layoff Service Date which is the date the employee began state service (except as a temporary appointee) as adjusted for break(s)-in-service.

(See Letter of Agreement 70.00-09-179 in Appendix A).

(b) Break-In-Service. A break-in-service is a separation or interruption of employment without pay of more than two (2) years. If an employee has a break-in-service that does not exceed two (2) years, he/she shall be given credit for the time worked prior to the break-in-service. Seniority will also be adjusted for leaves without pay in excess of one (1) year.

(c) Seniority Frozen. When an Agency intends to initiate a layoff, the Agency will notify the Union in writing that all seniority will be frozen from the date of notice for a period not to exceed three (3) months. However, during the period when seniority is frozen, the employee will continue to accumulate time towards seniority for purposes of future
computations. The three (3) month freeze may be extended by mutual written agreement of the Union and the Agency.

(d) **Equal Seniority.** If it is found that two (2) or more employees in the Agency in which the layoff is to be made have equal seniority, then the greatest length of continuous service in the Agency shall be used. If ties between employees still exist, the order of layoff shall be determined by the Agency in such manner as to conserve for the State the services of the most qualified employee.

**Section 5.** Trial service employees, except those serving a trial service for initial appointment to state service, who are laid off or demoted in lieu of layoff shall be placed on the Agency layoff list. An employee serving a trial service for initial appointment to state service who is laid off or demoted in lieu of layoff shall not be placed on the Agency layoff list, but shall be restored to the eligible list from which certification was made if the eligible list is still active. Restoration of the list shall be for the remaining period of eligibility that existed at the time of appointment from the list.

**Section 6.** Regular and eligible limited duration employees laid off or demoted in lieu of layoff shall be placed on the reemployment list for the classification in which they were laid off.

**Section 7.** Regular status seasonal employees laid off prior to the end of the season shall be placed in order of seniority on the Agency layoff list for seasonal reappointment and shall be limited so as to encompass only those seasonal employees in a classification who are employed at that specific geographic location and the Agency where the reduction occurs. The eligibility for such seasonal employees shall be canceled at the end of each season.

**Section 8.** Any employee demoted in lieu of layoff may request at that time and shall be paid for all accrued compensatory time at the rate being earned prior to demotion in lieu of layoff.

**Section 9. Agency Layoff Lists.** Names of regular employees of the Agency who have separated from the service of the State in good standing by layoff or who have demoted in lieu of layoff, or employees transferred outside State government due to intergovernmental transfers, shall be placed on layoff lists in seniority order established by the classification from which the employee was laid off or demoted in lieu of layoff and by geographic area.

Names of eligible workload limited duration employees of the Agency, who have separated from the service of the State in good standing by layoff or who have demoted in lieu of layoff, shall be placed on appropriate Agency layoff list in seniority order established by the classification from which the employee was laid off or demoted in lieu of layoff and by geographic area.

Names of eligible non-workload limited duration employees shall be placed on appropriate Agency layoff list in seniority order established by the classification from which the employee was laid off and by geographic area.

The employee shall designate in writing the geographic area layoff list(s) on which he/she wishes to be placed.

An employee currently on a layoff list prior to the effective date of this Agreement, shall be placed on the geographic layoff list from which he/she was laid off and shall be notified by the Agency of his/her right to designate additional geographic layoff list(s) in accordance with this Article.

**Section 10. Recall.** Employees who are on an Agency layoff list shall be recalled by geographic area in seniority order beginning with the employee with the greatest seniority.

(a) **Same Geographic Area Recall/Recall to a Permanent Position.** If an employee (permanent or limited duration) is certified from a layoff list and is offered a permanent position in the geographic area from which he/she demoted or was laid off, he/she shall have one (1) right of refusal. Upon a second refusal, however, the employee’s name will be removed from the layoff list in that geographic area.

(b) **Different Geographic Area Recall/Recall to a Permanent Position.** If an employee (permanent or limited duration) is certified from a layoff list and is offered a permanent position in a different geographic area from which he/she demoted or was laid off, he/she shall have one (1) right of refusal. Upon a second refusal, which must be more than fifteen (15) days after the first refusal, the employee’s name will be removed from the layoff list for that geographic area. An employee who has other refusals during this fifteen (15) day period shall not have his/her name removed from the list.

(c) An employee appointed to a permanent or seasonal position from a layoff list shall be removed from all other layoff lists for that classification.

(d) When an employee is laid off because of being separated from state service per Section 2(d)(4) of this Article, moving expenses will be paid once by the Agency, except for recall of employees transferred outside State government due to intergovernmental transfer. In other words, moving expenses will be reimbursed only when that employee has in fact, left State service and is called back from the layoff list to a geographic area other than the one in which he/she was laid off. Moving expenses will not be paid by the Agency for any other moves associated with displacement, demotion, or return from a layoff list.

(e) If a temporary appointment is necessary in any geographic area and is expected to last longer than forty-five (45) days and there is a layoff list for that classification in the geographic area, employees on the layoff list shall first be offered the temporary appointment prior to hiring any other temporary. Refusal of a temporary job does not constitute a right of refusal under this Section. This shall only apply to employees separated from State service. Such employees shall be appointed as a temporary employee and will not be eligible for any benefits covered under this Agreement.

(f) If a limited duration appointment is necessary in any geographic area and is expected to last longer than ninety (90) days, and there is a layoff list for that classification in the geographic area, employees on the layoff list shall first be offered the limited duration appointment prior to hiring any other limited duration employee. Refusal of a limited duration appointment does not constitute a right of refusal under this Section.
Section 11. Secondary Recall Rights.

(a) Application: These rights apply to all employees and Agencies represented by the Union except employees who are laid off during initial trial service.

(b) Definitions:

1. Geographic areas are the groupings of work locations in event of layoff and the scope of recall rights after a layoff as defined in the Agency-specific provisions of Articles 70.1, 70.2, 70.3, and 70.5.

2. Agency Layoff Lists are intra-Agency layoff lists, as defined in Article 45, Section 2(a), and as further defined by geographic areas for layoff for each Agency in Articles 70.1, 70.2, 70.3, and 70.5.

3. Secondary Recall List is an inter-Agency layoff list, which consists of regular status employees who have been separated by layoff from Union-represented positions in Union-represented Agencies and who have elected to be placed on such list, consistent with the definitions of geographic areas for layoff for each Agency in Articles 70.1, 70.2, 70.3, and 70.5.

(c) Coordination with Articles 45 and 70: The recall options provided herein shall be consistent with the priority of recall to positions from layoff within an Agency, as specified in this Article and Article 45, except that recall from Agency Layoff Lists shall take precedence over recall from the Secondary Recall List.

(d) Procedures:

1. Placement on the Secondary Recall List.

   (A) Regular status employees and eligible workload limited duration employees, who are separated from the service of the State in good standing by layoff or transferred outside State government due to intergovernmental transfer shall, in addition to their right to be placed on Agency Layoff Lists, be given the option of electing placement on the Secondary Recall List by geographic area for other SEIU Local 503, OPEU-represented Agencies which utilize the same classification from which they were laid off. The term of eligibility of candidates placed on the list shall be two (2) years from the date of placement on the list or the termination of this Agreement whichever occurs first.

   (B) Employees who elect to be placed on the Secondary Recall List shall specify in writing the Agencies and geographic areas of their choice.

2. Use of the Secondary Recall List.

   (A) Notwithstanding any other provision regarding the use of the Secondary Recall List, designated individuals on the secondary list may be given first preference for appointments to positions in order to ensure adequate numbers of protected class employees, based on the goals of the Affirmative Action Plan developed by the Agency effecting the recall, consistent with applicable law.

   (B) After the exhaustion of any Agency Layoff List for a specific classification within a geographic area, the Secondary Recall List shall be used to fill all positions within a specific classification and geographic area consistent with Section (c) above, until such secondary list is exhausted.

   (C) To be eligible for appointment from the Secondary Recall List, a laid off employee on such list must meet the minimum qualifications for the classification and any special qualifications for the position.

   (D) Prior to initiating other methods to fill a vacancy, except an agency layoff list, agencies shall utilize the Secondary Recall List to fill positions. The Agency will call for certifications from the list of the five (5) most senior employees who meet the minimum qualifications for the classification and any special qualifications for the position to be filled. The Agency will select one of the five (5) employees from the list. Seniority for this purpose shall be computed as described in Section 4 of this Article.

   (E) Where fewer than five (5) eligible employees remain on the Secondary Recall List, the Agency shall select one (1) of these employees who meets the minimum qualifications for the class and any special qualifications for the position.

   (A) Recall to a Permanent Position. A laid off regular status or eligible workload limited duration employee on the Secondary Recall List who is offered a permanent appointment from the list and refuses to accept the appointment shall have his/her name removed from the Secondary Recall List.

   (B) Employees appointed to positions from the Secondary Recall List shall have their names removed from all other Agency Layoff Lists and the Secondary Recall List.

   (C) Employees appointed to positions from the Secondary Recall List shall serve a trial service period not to exceed three (3) full months. Administration of the trial service period shall be consistent with Sections 2, 4, and 5 of Article 49. However, employees who fail to successfully complete this trial service period shall have their names restored only to the Agency Layoff Lists on which they previously had standing. Restoration to the Agency Layoff List shall be for the remaining period of eligibility that existed at the time of appointment from the Secondary Recall List.

   (D) Employees appointed to positions from the Secondary Recall List shall not be entitled to moving expenses.

Section 12. Geographic Area. See Articles 70.1-70.5.

Section 13. When the Employer declares that a lack of funds will necessitate a layoff, the Parties will meet, if requested by either the Employer or the Union, to consider such alternatives to layoffs as: voluntary reductions in hours; voluntary paid leaves of absence; other voluntary programs and/or temporary interruptions of employment. Such alternatives shall be subject to mutual agreement by the Union and the Employer. In the absence of such mutual agreement, the Employer may
implement layoff procedures consistent with this Agreement. The Parties agree that any and all discussions that take place under this Section shall not be subject to Article 5—Complete Agreement of this Agreement, or constitute interim negotiations under PECBA. In addition, the Parties will not be required to use the dispute resolution processes contained in PECBA.

Section 14. Prior to transferring a program to an Oregon non-profit corporation that is not a PERS participant, a regular status employee shall be afforded layoff and bumping rights.

ARTICLE 71--SEASONAL AND INTERMITTENT EMPLOYEES

Section 1.  Positions which occur, terminate, and recur periodically and regularly, regardless of the duration thereof, shall be designated as seasonal positions.

Section 2.  Seasonal employees will complete trial service after having served a combination of seasonal periods totaling six (6) full calendar months (a minimum of 1,040 hours).

Section 3.  A regular status seasonal employee shall be eligible for a salary increase upon returning to the same Agency in the same classification the next annual season regardless of the length of the period of time that has lapsed since the previous six (6) month or annual increase granted.  “Annual season” means a period of twelve (12) months, regardless of the number of seasons occurring during that period.

Section 4.  A seasonal employee shall be given notice at the time of hire of the length of the season and the anticipated end of the season.  A seasonal employee shall be given at least ten (10) calendar days advance notice of the end of the season, except when conditions are beyond the control of the Agency. In advance of the season or as soon as the seasonal employee becomes aware of the need to end his/her season early, the seasonal employee may submit a request to his/her supervisor. Subject to the agency operating requirements, the supervisor may approve the employee’s request without jeopardizing his/her recall rights the following season. (See also Article 70, Section 7.)

Section 5.  Regular status seasonal employees terminated at the end of the season shall be placed on the reemployment roster in order of seniority and shall be recalled by geographic area the following season in order of seniority to the extent that work is available to be performed.  Such recall rights shall not apply to regular status seasonal employees who work full-time in another state Agency.

Section 6.  Seasonal employees shall accrue all rights and benefits accrued by full-time employees during their employment season, except as otherwise modified by this Agreement.

Section 7.  Employees in seasonal positions who have reached regular status and who are not participating members of the Public Employees Retirement System shall receive a special differential in lieu of the state “pickup” of employee contributions to the Retirement System. Such special differential shall not increase pay rates in the Compensation Plan or be applicable to other seasonal, temporary, trial service, or regular positions or employees.  Such special differential shall terminate immediately prior to the first full pay period after the employee becomes a participating member of the Retirement System and becomes eligible for State “pickup” of employee contribution to the System, pursuant to Article 27.

An employee shall receive a premium of six percent (6%) in addition to their regular rate of pay.  This premium shall be discontinued effective November 1, 2016.

Section 8.  Seasonal employees not currently employed shall be treated as internal candidates for any jobs they apply for within their Agency, even between seasons, so long as they have recall rights.

Section 9.  Intermittent Appointments.

(a)  Only the following seasonal, part-time, or unfunded positions may be designated as intermittent positions in that work assigned to these positions is available on an irregularly fluctuating basis because of conditions beyond the control of the Appointing Authority:  Employment Department, DHS Children, Adult, and Family-related services and programs, OYA Administration and Field Services (on-call and unfunded positions), Oregon Department of Forestry (co-op positions, Forest Lookouts, and Schroeder Seed Orchard), Department of Education (relief workers at the School for the Deaf).

(b)  A person appointed to an intermittent position during the term of this Agreement shall be informed in writing at the time of appointment that the position has been designated as an intermittent position and that the employee may expect to work only when work is available.  A person who is appointed to an intermittent position may be scheduled for work at the discretion of the supervisor when the workload for the position so justifies without any penalty pay provision for short notice.

(c)  The unscheduling of an employee appointed to an intermittent position shall not be considered a layoff.  Whenever possible, an intermittent employee shall be given ten (10) calendar days notice of scheduling and unscheduling of work.  When such notice cannot be given, such employees may be unscheduled without advance notice.  The Agency shall not use unscheduling of work as a method of unofficially disciplining or discharging intermittent employees.

(d)  Intermittent employees will be scheduled and unscheduled for work in seniority order by work unit.

(e)  Except as specifically modified above, intermittent employees shall have all the rights and privileges of seasonal employees.
ARTICLE 71.1C--SEASONAL POSITIONS (Employment Department)

Section 1. Workload for the Employment Department is directly related to the economy of the State; therefore, workload peaks occur that are beyond the control of the Agency. Positions that are to respond to workload peaks, are designated as seasonal positions. This Agreement is subject to Legislatively approved position authority.

Section 2. Seasonal employees will complete trial service after having served 1,040 hours.

Section 3. A person appointed to a seasonal position during the term of this Agreement shall be informed in writing at the time of appointment that the position has been designated as a seasonal position and that the employee may expect to work only when work is available. A person who is appointed to a seasonal position may be scheduled for work at the discretion of the supervisor when the workload for the position so justifies without any penalty pay provision for short notice.

Section 4. The unscheduling of an employee appointed to a seasonal position shall not be considered a layoff. Whenever possible, a seasonal employee shall be given ten (10) calendar days notice of scheduling and unscheduling of work. When such notice cannot be given, such employees may be scheduled without advance notice. The Agency shall not use unscheduling of work as a method of unofficially disciplining or discharging seasonal employees.

Section 5. Seasonal employees will be scheduled and unscheduled for work in seniority order by work unit.

Section 6. Seasonal full-time employees shall accrue all rights and benefits accrued by full-time permanent employees during their employment season. ARTICLE 71.3B--SEASONAL EMPLOYEES (OPRD)

The Agency shall end seasonal appointments in reverse seniority order within each work location by classification. However, when the operating needs of the Agency require specific knowledge, skills and abilities, as outlined in the position description, the Agency shall retain the most senior employee that possesses the required knowledge, skills and abilities for that position.

ARTICLE 71.3E--SEASONAL EMPLOYEES (ODFW)

Section 1. The phrase in Article 71, Section 5 “shall be recalled by geographic area the following season” shall cover a two (2) year period from the end date of the employee’s most recent seasonal appointment. Seasonal employees who refuse their recall opportunity once shall forfeit all future recall rights to that seasonal position.

Section 2. At the end of each season, a seasonal employee employed during that season shall, upon written request to his/her supervisor, be provided a copy of the reemployment recall roster for his/her geographic area. The supervisor will provide the information no later than fifteen (15) calendar days after the request.

ARTICLE 71.5N--SEASONAL EMPLOYEES (Revenue)

Section 1. Intent. The purpose of this Article is to clarify what seasonal employees may expect when called to work by Revenue. Nothing in this Article guarantees an eight (8) hour workday. However, the Agency agrees to make the following efforts to match available work with the number of employees called in.

Section 2. Procedure.

(a) At the beginning of the season, employees will be called back to work in seniority order. When offering a position, the Employer will inform the employee of the number of hours each area/unit worked the previous year. Employees will have the right to turn down a position or start date once.

(b) Once seasonal employees are called in, if it becomes necessary to release employees due to lack of work, the Agency will offer suitable work where available, in other areas/units, on the basis of seniority. Seasonal employees will be unscheduled prior to releasing or reducing the hours of permanent part-time employees.

(c) When it becomes necessary to release some seasonal employees due to lack of work, but not all seasonal employees, the Agency will first ask for volunteers. If there are not enough volunteers, the employees will be released in reverse seniority order. In instances where there may be excess volunteers, unscheduling will occur based on seniority within the area/unit. In cases where employees are notified not to report to work prior to their normal reporting time, the Agency will not be required to ask for volunteers. Instead, employees will be unscheduled in reverse seniority order.

(d) In instances where a seasonal employee has insufficient vacation or compensatory time to cover the period the employee is released, the Agency agrees to continue the employee’s eligibility for purposes of insurance. Employees must exhaust available vacation and compensatory time to be eligible for this benefit. This provision will not apply in an instance where an employee is offered suitable work and turns it down. This provision applies only to those seasonal employees who would have, but for being unscheduled, reached the eighty (80) hour threshold.
ARTICLE 73.5A--ACADEMIC YEAR (OSD only)

Section 1. The Agency may designate positions as academic year, when the employment term of such positions conforms generally to the school or academic year. Such designation shall not preclude the extension of employment, either full- or part-time, into the period between two (2) school or academic years.

Section 2. Employees in positions designated as academic year may utilize accrued leave in accordance with the provisions set forth in this Agreement.

Section 3. Summer employment, when available, will be offered to qualified employees in academic year positions according to layoff service date. Summer employment will be offered to such qualified employees as soon as it is determined by management to go forward with the summer work assignment in question. Employees working during the period between two (2) school or academic years will be paid according to the classification of the work being performed. If the employee’s current salary rate is within the salary range of the classification of work being performed, the employee’s salary rate will not change. If the employee’s current salary rate is below the salary range of the classification of work being performed, the employee will be paid at Step 1 of the salary range of the classification of work being performed. If the employee’s current salary rate is above the salary range of the classification of work being performed, the employee will be paid at the top step of the salary range of the classification of work being performed.

Section 4. The State agrees to pay PEBB medical/dental insurance Employer contributions during the summer months for all employees in full-time academic year positions who are eligible for PEBB insurance coverage. For eligible employees in part-time academic year positions, the Employer contributions for June, July, and August will be prorated based on May hours worked. For eligible employees in part-time academic year positions, additional employee contributions, if required, for June, July, and August will be prorated based on May hours worked and will be deducted from May paychecks. An employee may choose, however, not to have summer PEBB coverage by submitting written notice to this effect, to the payroll office prior to May 20 for that academic year.

ARTICLE 74--TEMPORARY INTERRUPTION OF EMPLOYMENT--LACK OF WORK

Section 1. Any temporary interruption of employment because of lack of work or unexpected or unusual reasons which does not exceed fifteen (15) days, shall not be considered a layoff if, at termination of such conditions, employees are to be returned to employment. Such interruptions of employment shall be by work unit and recorded and reported as leave without pay. Under no circumstances shall this Article be used to remedy shortage of funds.

Section 2. An employee who is affected by a temporary interruption of employment shall be allowed to use any form of paid leave including vacation, compensatory time off, or personal leave provided the leave has been accrued. Such employee shall continue to accrue all benefits during this period. This Section shall only apply to FLSA-exempt employees where the interruption is for one (1) or more full workweek(s).

Section 3. For periods longer than fifteen (15) days, the Appointing Authority shall follow the procedures described in Article 70--Layoff. In instances where temporary interruption of employment is an established practice that the Agency used in connection with cyclical or scheduled shortage of work for more than fifteen (15) days, such practice may continue. Provided, however, that when such periods are for longer than fifteen (15) days, the Appointing Authority shall use seniority of employees by classification in the affected work unit in determining employees to be placed on leave without pay. The Appointing Authority will determine the work unit in each instance. If all such employees available for work cannot be returned to their positions, seniority shall be used to determine the order of recall.

ARTICLE 80--CHANGE IN CLASSIFICATION SPECIFICATIONS

Section 1. The Employer shall notify the Union of intended classification studies.

Section 2. The Union may recommend classification studies be conducted by the Labor Relations Unit, indicating the reasons for the need of such studies. The Labor Relations Unit shall reply, setting a preliminary date for completion of the study or explaining the reasons for a decision not to conduct such a study within ninety (90) days of receipt of the request.

Section 3. Whenever a change in classification specifications or a new classification is proposed, it is agreed that the Labor Relations Unit shall submit the classification specification changes to the Union to provide it an opportunity to review and comment on the specifications. If the changes of the specifications substantially revise the specifications, the Parties shall negotiate the salary range for the newly revised specification.

(a) When the Union requests a classification study, negotiations for salary ranges for new classifications shall commence no later than ninety (90) days following the Employer’s written notification to the Union of the finalization of the class specification.

(b) Proposals for the salary rate and effective date for changes in classification specifications may be submitted throughout the term of this Agreement. If the Parties are able to reach agreement, the new classification will be implemented. Any classes on which salary is not agreed can be submitted with overall proposals for a successor Agreement.

(See Letter of Agreement 80.00-09-181 in Appendix A.)

ARTICLE 81--RECLASSIFICATION UPWARD, RECLASSIFICATION DOWNWARD, AND REALLOCATION

Section 1. Reclassification must be based on findings that the purpose of the job is consistent with the concept of the proposed classification and that the class specification for the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities of the position. As used herein:
(a) The purpose of the job shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency;

(b) The concept of the proposed classification shall be determined by the general description and distinguishing features of its class specification; and

(c) The overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency.

Section 2. Reclassification Up.

(a) Reclassification upward is a change in classification of a position by raising it to a higher classification. Employees may seek reclassification to any non-supervisory or non-managerial classification in the Executive Branch (DAS) of government whether or not the classification is included in Appendix B of this Agreement provided that:

(1) the classification exists in the unrepresented compensation plan or in multiple bargaining units’ compensation plans, and

(2) the classification is not specific to another Agency.

(b) Rate of pay upon upward reclassification shall be given no less than the first step of the new salary range. If the old salary range rate of pay is equal to or higher than the first step of the new salary range, the employee shall receive a salary increase no less than an increase to the next higher step in the new salary range. At the discretion of management, the salary eligibility date may, in either case, remain the same or be established twelve (12) months thereafter.

(c) If approved by the Legislative Review Agency or the Department of Administrative Services, the effective date shall be the first of the month following the month in which the reclassification request was received by the Agency. The employee will receive a lump sum payment for the difference between the current salary rate, including work out-of-class pay if any and the proposed salary rate, for the time period beginning the first of the month following the month in which the reclassification request was received by the Agency to the effective date.

(d) The Agency may cease paying work out-of-classification pay or adjust the effective date to avoid overpayment of any work out-of-classification pay received by the employee.

(e) The Agency shall, sixty (60) calendar days in advance of a reclassification downward of any position, notify the employee in writing of the action, including the specific reasons, and the HRSD Position Description used for the action, which shall be signed by the Appointing Authority.

(f) If an employee is reclassified downward and his/her rate of pay is above the maximum of the new classification, his/her rate of pay will remain the same until a rate in the salary range of the new classification exceeds it, at which time the employee’s salary shall be adjusted to that step.

(g) Rate of pay upon downward reclassification shall be given no less than the first step of the new salary range. If the old salary range rate of pay is above the maximun of the new classification, the employee will receive a lump sum payment for the difference between the current salary rate, including work out-of-class pay if any and the proposed salary rate, for the time period beginning the first of the month following the month in which the reclassification request was received by the Agency to the date the duties were removed.

Section 3. Reclassification Down.

(a) Reclassification downward is a change in classification of a position by reducing it to a lower classification.

(b) The Agency shall, sixty (60) days, unless otherwise mutually agreed in writing, notify the employee of its decision and provide a copy of the final position description signed by the Appointing Authority. The Agency shall be entitled during the sixty (60) day period to review the merits of the request based on the final position description signed by the Appointing Authority. Should the duties of the position support the proposed reclassification, the Agency shall make a determination whether to seek legislative approval for reclassification or remove selected duties within one-hundred twenty (120) days, however, this time period may be extended upon mutual agreement of the Parties.

(c) If an employee is reclassified downward and his/her rate of pay is above the maximum of the new classification, the employee will receive a lump sum payment for the difference between the current salary rate, including work out-of-class pay if any and the proposed salary rate, for the time period beginning the first of the month following the month in which the reclassification request was received by the Agency to the effective date.

(d) Rate of pay upon downward reclassification shall be given no less than the first step of the new salary range. If the old salary range rate of pay is equal to or higher than the first step of the new salary range, the employee shall receive a salary increase no less than an increase to the next higher step in the new salary range. At the discretion of management, the salary eligibility date may, in either case, remain the same or be established twelve (12) months thereafter.

If the reclassification downward is approved, the Agency may cease paying work out-of-classification pay or adjust the effective date of the reclassification to avoid overpayment of any work out-of-classification pay received by the employee.

(e) If reclassification request does not receive legislative approval or the Agency removes selected duties to be consistent with its current classification, the employee shall receive a lump sum payment for the difference between the current salary rate, including work out-of-class pay if any and the proposed salary rate, for the time period beginning the first of the month following the month in which the reclassification request was received by the Agency to the date the duties were removed.
Section 4. Reclassification Equal or Lateral.
(a) Reclassification equal or lateral is a change in an employee’s job classification from one classification to another with the same salary range base number.
(b) Rate of pay upon equal or lateral reclassification shall be given no less than the first step of the new salary range.
(c) If the employee’s rate of pay is the same as a salary step in the new classification, the employee’s salary shall be maintained at that rate in the new classification until the next salary eligibility date.
(d) If the employee’s rate of pay is within the new salary range but not at a corresponding salary step, the employee’s salary shall be maintained at the current rate until the next eligibility date. At the employee’s next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range pay scale plus that amount the current salary rate is below the next higher rate in the salary range pay scale. This increase shall not exceed the highest rate in the new salary range.
(e) If an employee’s previous salary is above the maximum of the new classification, his/her rate of pay will remain the same until a rate in the salary range of the new classification exceeds it, at which time the employee’s salary range shall be adjusted to that step.

Section 5. Reclassification Appeals.
(a) Filing. Reclass Upward. A decision of the Agency to deny a reclassification request may be appealed in writing by the Union to DAS Labor Relations for further review within thirty (30) calendar days after receipt by the Union of the Agency’s decision. Such appeal shall include copies of the documents originally provided to the Agency Appointing Authority, including, the written explanation, the position description signed by the Appointing Authority, and all other relevant evidence for the proposed reclassification. No new evidence or information will be considered by the Committee. Reclass Down. Within thirty (30) calendar days from the date the employee receives notice that the Agency will reclassify his/her position downward, he/she may file a grievance at the Agency Head level in the grievance procedure, providing a written explanation of the request and all relevant evidence demonstrating why the reclassification is in conflict with Article 81, Section 1. The Agency Head shall respond in writing in accordance with the appropriate time limits contained in the Agency grievance procedure. A decision of the Agency to deny a grievance under this Article may be appealed in writing by the Union to DAS Labor Relations for further review within thirty (30) calendar days after receipt by the Union of the Agency’s decision. Such appeal shall include copies of the documents originally provided to the Agency, including the written explanation of the request and all relevant evidence. No new evidence or information will be considered by the Committee.
(b) Once appealed to DAS Labor Relations, the matter shall be considered by the Employer designee (or the alternate) and the Union designee (or the alternate) who shall form the Committee charged with the responsibility to consider appeals pursuant to this Article and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Each designee (and each alternate) shall have experience making classification decisions.

Should the Union designee or the Union alternate be a bargaining unit member, to participate in the process, that employee shall be granted reasonable paid release time during their scheduled workday or a mutually-agreed alternate work schedule. Further, where the Union designee or the Union alternate is a bargaining unit member and the Employer believes the time required by the process presents a hardship for the employing Agency, the Employer may require the Union to designate a qualified replacement for the Committee. Either Party may discontinue this part of the appeals process upon two (2) weeks notice to the other.

The designees will attempt to resolve the matter by jointly determining whether the current or proposed class more accurately depicts the overall assigned duties, authorities, and responsibilities of the position using the criteria specified in Article 81, Section 1. In this process each of the designees may identify one (1) alternate class that he/she determines most accurately depicts the purpose of the job and overall assigned duties. If an alternate class is identified, both the Union and DAS Labor Relations shall be notified. If the Parties concur on the alternate class, that shall end the appeal. The Committee will send a written initial decision to the Agency and Union within sixty (60) days from receipt, which will include the reasons for its decision. The Agency or the Union may ask the Committee to reconsider its decision by sending a written reconsideration request which must be based on incorrect or incomplete information in the initial decision. Additional or new evidence/information will not be considered by the Committee. The reconsideration request must be received by DAS Labor Relations within fifteen (15) calendar days from the date of receipt of the decision. If there is no timely request for reconsideration, the Committee’s decision will be final and binding. A copy of the reconsideration request will be provided to the other party, who will have the opportunity to provide a written rebuttal to the reconsideration request, which must be received by DAS Labor Relations within fifteen (15) calendar days from date of receipt. The Committee will reconsider its initial decision and issue a final decision within forty-five (45) calendar days from the date of receipt by DAS Labor Relations of the reconsideration request. In the event the Committee concludes that the proposed or alternate class is more appropriate, management retains the right to modify the work assignment on a timely basis to make it consistent with the Agency’s allocation.
(c) The Committee may extend, up to thirty (30) days, the time to issue its decision to the Union through notification to the Parties. The Committee may request an additional extension of time to issue its decision to the Union, which, if
agreed to, must be stipulated in writing with copy to DAS Labor Relations and shall become part of the grievance record.

(d) If these efforts do not result in resolution of the matter within sixty (60) days of the appeal to DAS Labor Relations, or from the extension, then the Union may request final and binding arbitration under this clause of the Agreement by a written notice to DAS Labor Relations within the next forty-five (45) calendar day period. Except as specified in this Section, arbitration shall proceed as indicated in Article 21--Grievance and Arbitration.

Each Party may go forward with only one (1) class. Each Party may choose to take to arbitration either the current class, class appealed to, or an alternate class identified by a committee member.

The Parties will agree upon a permanent appointment of one (1) arbitrator to hear grievances arising from this Article. This arbitrator shall have special qualifications to hear these matters; however, each side retains the right to initiate a change in that assignment upon notice to the other side. The change in the assigned arbitrator shall be effective for any case not yet scheduled for arbitration.

The arbitrator shall allow the decision of the Agency to stand unless he/she concludes that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities using the criteria specified in Section 1.

In the event the arbitrator finds in favor of the proposed or alternate classification, management retains the right to, on a timely basis, adjust duties consistent with its current classification.

Section 6. An incumbent employee who appealed his/her classification allocation to a final decision through the classification appeals boards as part of the new class system implementation which was effective April 1, 1990, or who has appealed a reclass decision to final decision through the Committee or through an arbitration since that date, shall not be eligible to either submit a new reclassification review request or to be reclassified downward by management, unless a change of assigned duties has occurred since that decision or a revised classification has been adopted.

Section 7. An employee’s classification status change from a Management Service classification to a represented classification may correctly occur through reclassification where it is found that there has been a significant change of position duties, authority, and responsibilities, and as a consequence, the class specification for the proposed classification more accurately depicts the assigned duties, authority, responsibility, and distinguishing characteristics of the position.

Section 8. Reallocation Appeal Process for New Classes. Employees in positions allocated to a new classification, who dispute their placement in a new classification can appeal their placement using the following process:

(a) An appeal may be filed by an individual employee or a Steward or a Union Organizer on behalf of the employee, to the Agency Human Resource Office within thirty (30) calendar days of written notification by the Agency of placement into the new classification. Employees sharing the same or substantially similar position descriptions or employees the Agency agrees to treat as a group may file an appeal as a group. The initial filing should describe the individual or group, including the names of affected members, identify the proposed new classification placement, and the new classification placement believed to be correct by the affected employees. The appeal must include the signed position descriptions used for allocation. In the event that the old classifications are to be abolished, correct placement cannot be back to the prior classification. Using the criteria in Section 1, the Agency shall conduct a review of the allocation. This decision shall be made within thirty (30) calendar days of receipt of the appeal and provided to the affected employees in writing and with a summary of the classification analysis.

(b) If denied, the Union may appeal the Agency’s decision in writing to DAS Labor Relations within thirty (30) calendar days of receipt of the written denial. The appeals will be considered by designees of the Parties using the process set forth in Section 5(b), with the addition of two (2) resource persons, one (1) designated by each Party, to provide technical expertise within the specific series. Appeals shall be decided in order of receipt by DAS Labor Relations. Decisions shall be rendered by the designees no later than sixty (60) calendar days after receipt of the appeal by the Committee.

(c) The Committee may extend, up to thirty (30) days, the time to issue its decision to the Union through notification to the Parties. The Committee may request an additional extension of time to issue its decision to the Union, which, if agreed to, must be stipulated in writing with copy to DAS Labor Relations and shall become part of the grievance record.

(d) The decisions of the designees shall be binding on the Parties. However, Agencies may elect to remove duties consistent with this Article or at any point during the process.

(e) If the appeals Committee cannot make a decision, the matter may be appealed to arbitration per Section 4(c) of this Article.

(f) The effective date for pay changes shall be the same as that negotiated for implementation of the new classification.

(g) Appeals of all filed positions will occur first. Where a position is vacated during the appeals process, the Union may continue the appeal provided no changes in duties are anticipated.

ARTICLE 85--POSITION DESCRIPTIONS AND PERFORMANCE EVALUATIONS

Section 1. Position Descriptions. Individual position descriptions shall be reduced to writing and delineate the duties currently assigned to an employee’s position. A dated copy of the position description shall be given to the employee upon assuming the position and when the position description is amended. The individual position description shall be subject to at least an annual review with the employee. Nothing contained herein shall compromise the right or the responsibility of the Agency to assign work consistent with the classification specification.
Section 2. Performance Evaluations. Employees who have not had an evaluation within the previous twelve (12) month period, may request, and shall be granted a written performance evaluation. Such evaluation shall be completed within sixty (60) days of such request. The evaluation period under review shall be the twelve (12) months immediately prior to the evaluation. No additional performance evaluation will be required for that same calendar year, regardless of the employee’s performance evaluation date in that calendar year. The rater shall discuss the performance evaluation with the employee.

The employee shall have the opportunity to provide his/her comments to be attached to the performance evaluation. The employee shall sign the evaluation and that signature shall only indicate that the employee has read the evaluation. A copy shall be provided to the employee at this time. If there are any changes or recommendations to be made in the evaluation after the rater has discussed it with the employee, the evaluation shall be returned to the rater for discussion with the employee before these changes are made. The employee shall have the opportunity to comment on these changes. The employee shall sign the new evaluation and that signature shall only indicate that the employee has read the evaluation. A copy shall be provided to the employee at this time.

All written comments provided by the employee within sixty (60) days of the evaluation shall be attached to the performance evaluation. Performance evaluations are not grievable nor arbitrable under this Agreement nor shall they be used for purposes of disciplinary action, layoff, and annual eligibility date performance pay increases.

Section 3. Seasonal Employees. Seasonal employees still on trial service should refer to Article 71, Sections 2 and 3 regarding salary increases.

Section 4. Denial of Performance Increase. The Agency shall give notification in writing of withholding of performance increases to all employees at least fifteen (15) days prior to the employee’s eligibility date. When the performance increase is to be withheld, the reasons therefore shall be given in writing and will be subject to “just cause” standards. Any grievances for denial of annual performance pay increases will be processed under Article 20. If an annual increase is not granted on the eligibility date, the employee’s eligibility date is retained no longer than eleven (11) months beyond the eligibility date. If the increase is subsequently granted within eleven (11) months, it shall be effective on the first of the following month and shall not be retroactive.

(For administration of performance increases, see Article 29.)

ARTICLE 86--WORKLOAD PRIORITIZATION

Any employee may request assistance from his/her immediate supervisor in establishing or adjusting priorities in order to carry out his/her work assignment. The supervisor will take into account variables that impact the difficulty of assignments to the employee. The employee may request to have the response provided orally or in writing and the immediate supervisor will respond accordingly in a timely manner, unless such request is deemed to be inappropriate or excessive.

ARTICLE 90--WORK SCHEDULES

Section 1. A work schedule is defined as the time of day and the days of the week the employee is assigned to work. A regular work schedule is a work schedule with the same starting and stopping time on five/eight (5/8) hour days. A flexible work schedule is a work schedule which varies the number of hours worked on a daily basis, but not necessarily each day, or a work schedule in which starting and stopping times vary on a daily basis, but not necessarily each day, but which does not exceed forty (40) hours in a workweek and is agreed upon in advance by the employee and the supervisor. An alternate work schedule is anything other than a regular work schedule or a flexible work schedule.

Provided, however, nothing in this Section is intended to prohibit management from changing an employee’s flexible work schedule without an employee’s consent where such a change is needed in the regular course of business and where the employee has been initially hired by management, or initially placed on a flexible work schedule, with the express understanding that the person hired or the employee so placed on a flexible work schedule is expected to work a flexible work schedule as a condition of his/her employment.

Section 2. An employee may request in writing to work any work schedule as defined in Section 1, or any alternate work schedule. No employee requests will be arbitrarily denied or rescinded.

Section 3. Except as may be specifically stated in Articles 90.1-90.5 or Section 2, the workweek is defined as the fixed and regularly recurring period of one-hundred sixty-eight (168) hours during seven (7) consecutive twenty-four (24) hour periods and the workday is the twenty-four (24) hour period commencing at the start of the employee’s assigned shift and shall remain fixed at that period for the whole of the workweek, except for flexible work schedules.

Section 4. Request to Temporarily Modify an Existing Work Schedule. Subject to the operating needs of the Agency, an employee may, with his/her immediate supervisor’s advance approval, temporarily modify his/her work schedule (regular, alternate or flexible) in a workweek not to exceed forty (40) hours. Such requests and modifications will be in accordance with Article 40—Penalty Pay, Section 4, Modification of Work Schedule and Article 32—Overtime, Section 5, Schedule Change. Such requests shall not be arbitrarily denied.

ARTICLE 90T--WORK SCHEDULES (Temporary Employees)

Section 1. A work schedule is defined as the time of day and the days of the week the employee is assigned to work. Management retains the right to modify work schedules.
Section 2. A workweek is defined as the fixed and regularly recurring period of one-hundred-sixty-eight (168) hours during seven (7) consecutive twenty-four (24) hour periods. The employee will be notified in writing when the workweek begins and ends.

Section 3. For work schedules of six (6) hours or more there shall be an established unpaid meal period of no less than thirty (30) minutes midway in each workday. Employees who are not relieved from their work assignment and are required to remain in their work areas shall have such time counted as hours worked.

Section 4. A paid rest period of fifteen (15) minutes in duration for an employee on a five/eight (5/8) work schedule or twenty (20) minutes in duration for an employee on a four/ten (4/10) work schedule should be taken about midway through each four (4) or five (5) hour work period, as appropriate. Employees may be required to remain in the area and/or respond to emergencies during a rest period. If an employee cannot be relieved for a rest period, that employee shall be allowed to take a break in the work area or near the work area without interruption except for emergencies. Under no circumstances will unused rest periods be accumulated and used to reduce work time.

ARTICLE 90.1--WORK SCHEDULES (Human Services Coalition)

Section 1. Workweek. The workweek shall begin at 12:01 a.m. Monday and end at 12:00 midnight the following Sunday.

Section 2. Regular Schedule. An employee on a regular schedule will be scheduled for five (5) consecutive days of work and two (2) consecutive days off within the workweek. An employee may agree to a different scheduling of days off.

Section 3. Alternate Work Schedules.

(a) Application Criteria. An employee may apply in writing for authorization to work an alternate work schedule (e.g., four/ten (4/10) hour days, four/nines and a four (4/9’s and a 4), etc.). The employee’s application must show the following criteria can still be met before his/her application can be approved:

(1) That his/her requested alternate work schedule will not interfere with his/her ability and availability to perform the job;
(2) That the operational needs of the Agency are met;
(3) That the needs of the public are adequately served; and,
(4) That a forty (40) hour workweek is maintained for full-time employees, or the established weekly hours for part-time employees.

If, in fact, these criteria are met, the Agency shall grant the employee an alternate work schedule.

(b) Multiple Requests. Requests for alternate work schedules shall be considered in order of application. If more than one (1) employee makes application for an alternate work schedule on the same day and both requests cannot be accommodated, preference shall be given to the employee with the most seniority in the Agency if possible.

If at any time any of the above criteria cease to be met, the Agency may rescind its approval of an employee’s alternate schedule.

(c) Holiday Adjustment. To meet the needs of the Agency during a holiday week, management may require an employee to revert their alternate work schedule to a regular schedule (five/eight (5/8) hour days). Otherwise, to maintain a forty (40) hour workweek, the employee may choose one of the following options:

(1) Voluntarily revert to a regular schedule; or
(2) When the holiday is on the scheduled day off, request a different day off and use vacation leave, personal leave or compensatory time for any hours normally scheduled over the eight (8) holiday hours; or
(3) When the holiday is within the employee’s alternate work schedule, but not on the scheduled day off, use vacation leave, personal leave or compensatory time for any hours normally scheduled over the eight (8) holiday hours.
(4) When the holiday is on the employee’s scheduled workday, and the employee works that day, the Employer will incur no daily overtime obligation for hours worked in excess of the eight (8) holiday hours. However, the employee will receive overtime compensation for all hours worked in excess of forty (40) hours in the same workweek.

Section 4. Flexible Work Schedule. An employee may be allowed to work a flexible work schedule upon written approval of his/her request. No employee will be arbitrarily denied a flexible work schedule. Special consideration may be given to an employee who demonstrates an unusual hardship.

Section 5. Meal Period. Employees shall be granted a meal period of not less than thirty (30) minutes nor more than one (1) hour unless mutually agreed otherwise. Meal periods shall be scheduled at approximately the mid-period of the workday. If an employee is required by his/her supervisor to continue working through lunch, and an alternate lunch cannot be provided during the employee’s scheduled shift, the employee shall have such time counted as hours worked.

Section 6. Rest Periods. A paid rest period of fifteen (15) minutes in duration for an employee on a five/eight (5/8) work schedule or twenty (20) minutes in duration for an employee on a four/ten (4/10) work schedule should be taken about midway through each four (4) or five (5) hour work period, as appropriate.

Section 7. Administrative Law Judges (Employment Department). Administrative Law Judges (ALJs) in the Office of Administrative Hearings are responsible for accounting for the number of hours scheduled each workweek, with a minimum of forty (40) hours per workweek for full-time employees or the established weekly hours for part-time employees. With prior management approval, an ALJ may account for scheduled hours by working during any hours in the Agency workweek. Management may require an ALJ granted such approval to be available or to be present at the ALJ’s work location, or to travel, during reasonable and consecutive hours designated by management, based on operational needs, up to ten (10)
hours in a weekday. Hours immediately before and after a meal break will be considered consecutive. Irrespective of Article 32, Section 4(b), such ALJs shall not receive time off for time worked in excess of eight (8) hours per day. (See Letter of Agreement 90.1M-11-219 in Appendix A.)

ARTICLE 90.2A--WORK SCHEDULES (OYA Youth Correctional Facilities and Camps)

Section 1. The workweek shall begin at 12:01 a.m., Saturday and shall end at 12:00 midnight the following Friday.

Section 2. Flexible or alternate work schedules shall be requested and evaluated on an individual basis. An employee shall be granted his/her request unless management determines that the requested schedule will adversely affect the work or services of the Institution. An employee’s request for an alternate work schedule may be disapproved when, based on the employee’s past performance, management determines that the employee needs continuing close supervision.

Section 3. Regardless of work hour schedules, there shall be an established lunch period midway in each workday. Employees who are not relieved from their work assignment and are required to remain in their work areas to supervise students when eating shall have such time counted as hours worked.

Section 4. An employee may request a work schedule other than currently in effect for his/her position. That request will be granted if management determines it can be accommodated without detracting from meeting the Institution workload and does not conflict with the shift vacancy provisions of Section 8 herein.

Section 5. All employees in the unit not on another schedule authorized under this Article shall be scheduled for five (5) consecutive days of work and two (2) consecutive days off (defined as a minimum of sixty (60) consecutive hours) within the workweek, unless the employee agrees to a different workweek.

Section 6. If the Institution changes the shift schedule of a twenty-four (24) hour operation in order to accomplish the mission of the Institution, work schedules of full-time employees may be changed if mutually agreed upon by the employee and his/her supervisor. In the event mutual agreement cannot be reached, the employee will be provided five (5) days notice of the change. Upon request, the Institution shall provide the reason for the shift schedule change in writing.

Section 7. Rest Periods.

(a) Rest periods are fifteen (15) minutes in duration and should be taken about midway through each four (4) hour work period.

(b) If an employee is on an uninterruptible assignment, or is unable to leave his/her work area unattended, the supervisor shall work out arrangements with other staff to provide temporary coverage where the current staffing permits. It is the responsibility of all supervisors to make provisions for each employee under their supervision to have appropriate rest periods.

(c) Employees not covered in (b) should arrange with their supervisors to take their rest periods as provided in (a), but at such times as to avoid leaving any operational unit unstaffed.

Section 8. Shift Assignments Within Classification Series.

(a) A shift vacancy is defined as an unfilled position, in a specified Facility or Camp with specified starting and quitting times and days off.

(b) A shift vacancy shall be filled in the following order:

(1) Employees within the Facility or Camp, in the same classification as the shift vacancy, shall be given at least five (5) days advance notice of, and the first opportunity to request, the shift vacancy. However, this notice period will end at the point the most senior eligible employee requests the shift vacancy. The most senior regular employee from the Facility or Camp who has the special qualifications to perform the job and who requests the shift vacancy shall be selected. Employees having a record of disciplinary action within six (6) months prior to the vacancy announcement shall not be eligible to bid. Discipline is defined in Article 20--Discipline and Discharge, Section 1.

(2) If no qualified employee from the Facility or Camp where the shift vacancy exists requests the shift vacancy, the vacant position will be filled according to Article 45.2A--Filling of Vacancies.

(3) An employee whose request for shift assignment is granted shall not be eligible to utilize the procedure of Section 8(b) to request another shift assignment within the following six (6) months.

(4) Subject to written supervisory approval, two (2) employees may voluntarily trade shift(s) for a temporary period of time. Shift trades must be requested and granted in accordance with Agency policy and procedure.

(See Letter of Agreement 90.2A-13-246 in Appendix A.)

Section 1. For employees with a workweek with fixed days off, the workweek shall begin at 12:01 a.m., Sunday and end at 12:00 midnight the following Saturday. All full-time employees shall be placed on a regular schedule of five (5) consecutive days of work and two (2) consecutive days off, except where an alternate schedule is necessary to meet the operating needs of the Institution, including but not limited to vacation relief assignments, Recreation Specialists or Rehabilitation Therapists, and to fill vacant positions during the job bidding process, or where an alternate work schedule is mutually agreed to by the majority of employees affected and the Institution. The Employer maintains the right to change days off. However, when such a change occurs, the employee may request a lateral transfer pursuant to Article 45.2CG. Under this circumstance provisions of Section 2(b)(4) will be waived.
Section 2. For employees with a workweek with rotating days off, the workweek will consist of one-hundred sixty-eight (168) consecutive hours. This schedule shall meet with management approval for appropriate staffing levels. Only one (1) alternate schedule shall be in operation in the nursing service at any one time.

Section 3. If an eligible employee is required to work two (2) consecutive shifts he/she shall be paid overtime for the full second shift regardless of the calendar day in which it is worked.

Section 5. Personal Business. Staff will be allowed to utilize personal business leave in any increments for unexpected, unplanned problems that arise that prevent the employee from reporting to work in a timely manner. Requests to convert the time need to be submitted within five (5) working days of the occurrence.

Section 6. Cleanup Time. Whenever a job being performed or the material or equipment being used has caused an employee to become dirty, the employee shall be allowed a reasonable amount of time without loss of pay prior to any meal period or prior to the completion of their workday to clean themselves. Time for cleaning equipment shall be considered as part of the employee’s workday.

Section 7. Rest Periods.

(a) The Institution shall provide each full-time employee with two (2) fifteen (15) minute rest periods during the workday. They should be scheduled near the middle of the work periods before and after scheduled meal periods and be scheduled to prevent critical understaffing. Under no circumstances will unused rest periods be accumulated and used to reduce work time. If an employee cannot be relieved for a rest break, that employee shall be allowed to take a break in the work area or near the work area without interruption except for emergencies.

(b) Based on operational necessities, as identified by management, LPN’s and MHT staff may combine their unpaid meal break with one (1) fifteen (15) minute break. This combination of breaks will not happen within the first (1st) or last hour of an employee’s shift.

Section 8. Food service employees will be provided one (1) meal per shift at no cost.

Section 9. Timekeeping.
The Employer will provide adequate and appropriate training to all employees before implementing a new timekeeping system. This training shall specifically include, but is not limited to:

(a) Procedures for FLSA exempt staff to record their time, including, but not limited to, flexible schedules that are mutually agreed upon between the employee and their supervisor, overtime and time spent working away from the facility.

(b) Procedures for making reviewing and making corrections to the timekeeping records.
Training on the timekeeping system shall be provided to all new hires as part of their orientation and initial training.

Section 10. Shift Trading.

(a) Qualified employees in the same work area and the same classification may mutually agree to trade a shift within the established schedule, as long as the staffing ratio is preserved and no overtime is created. Such trade must be mutually agreed in writing and notice given to the supervisor prior to the effective date of the trade. Trading outside of the employee’s classification must be approved by the appropriate supervisor.

(b) Regular status qualified employees in the same classification may mutually agree to trade positions on a temporary basis for a period of up to ninety (90) days per fiscal year. Management consideration will be given to requests for extension of up to two (2) ninety (90) day periods for extenuating circumstances. The request to trade positions must be in writing, create no overtime and maintain established staffing ratios. Pre-determined vacations will be handled in accordance with the appropriate Collective Bargaining Agreement Article. Employees in discipline status within six (6) months of the requested trade are not eligible to trade.

ARTICLE 90.2K--WORK SCHEDULES (OYA Administration and Field Services)
All full-time employees shall be scheduled for five (5) consecutive days of work and two (2) consecutive days off (defined as a minimum of sixty (60) consecutive hours) within the workweek, unless the employee agrees to a different workweek.

ARTICLE 90.3A--WORK SCHEDULES (ODOT)

Section 1. Scheduling.

(a) Employee work schedules shall be assigned by the Agency and be developed by the employee’s immediate excluded supervisor or team leader and posted monthly, seven (7) calendar days prior to the effective date of the schedule. The regular weekly workshift shall consist of a regular schedule of five (5) consecutive eight (8) hour days. The Agency may assign irregular shifts to meet operating requirements. An employee may request in writing an alternate or flexible work schedule. No schedule will be arbitrarily changed.

Employees who receive fewer than seven (7) calendar days’ notice of work schedule changes shall be compensated as follows: For each day that the required notice is not given, the employee shall be entitled to a penalty payment of three (3) hours of straight time pay in addition to the appropriate pay for the hours worked. The penalty payment shall continue until the notice requirement is met, or the employee is returned to his/her prior schedule, whichever occurs first. The day that notice is given shall count as the first calendar day.

This penalty payment may not be paid for a change in reporting time, nor may it be paid in addition to reporting time penalty pay, pursuant to Article 40.3. ODOT shall designate a unique payroll code used exclusively for schedule change penalty pay.

(b) The workweek shall be the same as calendar week starting at 12:01 a.m., Monday and ending 12:00 midnight the following Sunday.

(c) Employees shall receive sixty (60) consecutive hours off between each weekly work schedule; be scheduled for forty (40) hours of work within a span of one-hundred eight (108) hours; and work five (5) consecutive days. The preceding shall not apply in the following circumstances:

(1) The employee is required to work overtime on a day off.

(2) Thirteen (13) times per calendar year when there is a change in schedules for crews assigned to a schedule of rotating days off.

(3) Twice a year when there is a seasonal change for crews where seasonal shift changes are required.

(4) As provided in Section 1(e) of this Article.

(5) When the employee’s schedule is changed without the required notice and the employee receives schedule change penalty pay.

(d) Employees assigned to crews which function on a three (3) shift, twenty-four (24) hour day basis, and who are performing relief duties, shall not be subject to the workday definition. However, Article 40.3--Work Schedule Premium Pay, of this Agreement remains applicable.

(e) The Agency shall schedule work in such a manner that split time off is used only when:

(1) Mutual agreement with the employee;

(2) It is necessary to use such scheduling to change shifts on an operation which currently functions on a twenty-four (24) hours a day, seven (7) days a week basis; or

(3) Flexible scheduling is necessary to fulfill the Agency’s responsibility for truck weight regulations.
This Section shall not apply to Motor Carrier Enforcement Officer, Transportation Maintenance, and DMV employees.

All regular work schedules that require employees to work beyond 5:00 p.m. or on Saturday or Sunday shall be

If there are no volunteers for the unfilled shift, the supervisor shall assign the position to the least senior employee in the affected classification at the affected office who has completed trial service and is qualified to do the work required.

All regular work schedules that require employees to work beyond 5:00 p.m. or on Saturday or Sunday shall be opened for reassignment as outlined above when a qualified replacement is available.

If during the life of this Agreement, the State substantially increases the number of Field offices with weekend hours, this Section may be reopened for negotiation.

The Employer will make a reasonable effort to accommodate employees who present written documentation of inability to work on Saturday only when based on a bona fide religious tenet or teaching of a church or religious body of which such employee is a member.

(f) Motor Carrier Enforcement Officer Only. Each Motor Carrier Enforcement Officer work schedule shall include the following:

(1) A minimum of twelve (12) hours between shifts, unless directed by Motor Carrier Transportation Division Management to help with emergency road conditions. In such cases, the time off between shifts shall be no less than ten (10) hours.

(2) Split days off can be scheduled no more than once every fourteen (14) weeks.

(g) DMV Only. The Agency may also assign flexible schedules to meet operating needs. In Field offices where regular work schedules require employees to work beyond 5:00 p.m., or on Saturday and Sunday, the schedule shall first be filled by the most senior employee who volunteers and is qualified to do the work needed, is in the classification, and at the affected office.

If there are no volunteers for the unfilled shift, the supervisor shall assign the position to the least senior employee in the affected classification at the affected office who has completed trial service and is qualified to do the work required.

All regular work schedules that require employees to work beyond 5:00 p.m. or on Saturday or Sunday shall be opened for reassignment as outlined above when a qualified replacement is available.

If during the life of this Agreement, the State substantially increases the number of Field offices with weekend hours, this Section may be reopened for negotiation.

The Employer will make a reasonable effort to accommodate employees who present written documentation of inability to work on Saturday only when based on a bona fide religious tenet or teaching of a church or religious body of which such employee is a member.

(h) Transportation Maintenance and Incident Response Employees Only: Shifts are assigned by the supervisor and where an employee volunteers for a shift, the employee will be assigned; subject, however, to the requirements of the Agency to have qualified employees on all shifts to provide the best service to the motoring public. When two (2) or more employees volunteer for the same shift, the shift will be assigned to the most senior employee qualified to work that shift within the classification.

When there are unfilled shifts that employees refuse to be assigned to and there are no volunteers, the supervisor will assign the shift to the least senior employee that is qualified to work that shift within the classification.

Seniority, for purposes of this Section, shall be calculated by adding total time worked in the Agency in a position represented by SEIU Local 503, OPEU and total time worked in the employee's present classification.

The provisions of this Section shall not apply when employees have been assigned to a specific shift for purposes of training. When an employee is assigned for purposes of training, the employee shall be informed of the reason for the training and the projected length of the training assignment.

Further, the provisions of this Section shall not apply to bumper, jump, or relief personnel.

(ii) This Section shall not apply to Motor Carrier Enforcement Officer, Transportation Maintenance, and DMV employees.

Shift assignments may consider seniority, subject to the requirements of the Agency to have qualified employees on all shifts. Should it be necessary to assign a more senior employee to a shift which he/she does not prefer, such assignment shall last for one (1) season and the vacancy on that shift shall then be rotated among all other senior employees to assure equitable distribution of the undesirable shift among all senior employees, provided there are other senior employees on the crew. Seniority, for purposes of this Section, shall be calculated by adding total time worked in the Agency in a position represented by SEIU Local 503, OPEU and total time worked in the employee's present classification.

Section 2. Shift Exchange. Employees may mutually agree to exchange days, shifts, or hours of work with the approval of their supervisor provided such change does not result in the payment of overtime or penalty pay, or is a disruption of the normal routine of duties. Such requests shall not be considered as schedule changes.

Section 3. Lunch Periods.

(a) A lunch period shall be scheduled as nearly as possible to the middle of the daily workshift. Adjustment to scheduled lunch period may be made subject to operational needs of the Agency or by mutual agreement between the employee and immediate excluded supervisor. DMV offices shall make reasonable effort to maintain scheduled lunch periods which shall be posted at least one (1) week in advance.

(b) Employees who may not leave their stations and are required to continue working shall have such time counted as hours worked.

Section 4. Rest Periods. The Agency will grant rest periods whenever possible on a twice daily basis scheduled at the supervisor's discretion.

Rest periods shall not be more than fifteen (15) minutes duration for every four (4) hours of work, or major fraction thereof, and shall be taken as work will allow in the middle part of the work period. If the Agency requires a scheduled ten (10) hour day, then a rest period of twenty (20) minutes shall be taken in the middle of the five (5) hour period.
The Agency will attempt to relieve an employee during the rest period so that he/she may take rest periods away from his/her duty assignment; however, Field Crews will not be allowed to leave their worksite to travel to coffee shops, etc.

When the supervisor determines the rest period cannot be taken, the employee shall be allowed compensatory time at the rate of time and one-half (1½) to be taken at the end of the day or on another day, by mutual agreement between the employee and the supervisor.

Section 5. Rest Periods. (Interstate Bridge Crew and Operators at Transportation Operations Centers Only) When the supervisor determines the rest period cannot be taken, the employee shall be compensated with cash or compensatory time at the rate of time and one-half (1½). The choice of cash or compensatory time shall be made monthly by each employee when they complete their time sheets. Within each month, these employees may not mix choices of cash or comp time.

(See Letters of Agreement 90.3A-99-36 & 90.3A-99-37 & 90.3A-11-205 in Appendix A.)

ARTICLE 90.3B--WORK SCHEDULES (OPRD)

Section 1.

(a) The employee’s work schedule will be assigned by the Agency and be developed by the employee’s immediate excluded supervisor and posted monthly, seven (7) calendar days prior to the effective date of the schedule. No work schedule will be arbitrarily changed. The work schedule will consist of five (5) consecutive eight (8) hour days.

The Agency may assign irregular shifts or flexible shifts to meet operating requirements. An employee may request in writing an alternate or flexible work schedule. Except for meeting operating needs (i.e., overtime, staffing, emergencies, shift changes) Agency shifts shall include a minimum of twelve (12) hours between shifts.

(b) The workweek shall be the same as a calendar week starting at 12:01 a.m. on Monday and ending at 12:00 midnight the following Sunday.

(c) Except when the employee works overtime or mutually agrees, employees shall receive sixty (60) consecutive hours off within a seven (7) day period.

The preceding shall not apply to six (6) times a year when there is a seasonal shift change for crews.

(d) During any calendar week involving a holiday, employees whose work schedule is four/ten (4/10) hour days and who have the holiday off shall receive eight (8) hours holiday pay and will use either two (2) hours accrued vacation, personal leave, compensatory time, or leave without pay. If the holiday falls on the employee’s scheduled day off, the workday nearest the holiday shall be taken off.

(e) The Agency shall schedule employees in such a manner that split time off is used only when:

   (1) Mutually agreed with the employee; or
   (2) It is necessary to use such scheduling to change shifts on an operation currently functioning on a twenty-four (24) hours a day, seven (7) days a week basis.

(f) Employees may mutually agree to exchange days, shifts, and hours of work with the approval of their supervisor provided such change does not result in the payment of overtime or penalty pay, or is a disruption of the normal routine of duties. Such request shall not be considered as a schedule change.

(g) All lunch periods shall be taken as nearly as possible to the middle of the shift and shall be compensated with cash or compensatory time at the rate of time and one-half (1½) to be taken at the end of the day or on another day at the supervisor’s discretion.

(h) The Agency will grant rest periods whenever possible on a twice a day basis scheduled at the supervisor’s discretion.

   Rest periods shall not be more than fifteen (15) minutes duration for every four (4) hours of work, and shall be taken as work will allow in the middle part of the work period. If the Agency requires a scheduled ten (10) hour day, then a rest period of twenty (20) minutes shall be taken in the middle of the five (5) hour period.

   The Agency will attempt to relieve an employee during the rest period so that he/she may take rest periods away from his/her duty assignment; however, Field Crews will not be allowed to leave their worksite to travel to coffee shops, etc. When the supervisor determines the rest period cannot be taken, the employee shall be allowed compensatory time at the rate of time and one-half (1½) to be taken at the end of the day or on another day at the supervisor’s discretion.

(i) Shift assignments may consider seniority, subject to the requirements of the Agency to have qualified employees on all shifts. Should it be necessary to assign a more senior employee to a shift which he/she does not prefer, such assignment shall last for one (1) season and the vacancy on that shift shall then be rotated among all other senior employees to assure equitable distribution of the undesirable shift among all senior employees, provided there are other senior employees on the crew. Seniority, for purposes of this Section, shall be calculated by adding total time worked in the Agency in a position represented by SEIU Local 503, OPEU and total time worked in the employee’s present classification.

ARTICLE 90.3C--WORK SCHEDULES (Forestry)

Section 1. Subject to operating requirements, the Agency shall observe a five (5) day workweek with two (2) consecutive days off per workweek. For employees of the Oregon Department of Forestry, the workday is the twenty-four (24) hour period commencing at 0001 hours and ending at 2400 hours. It is further the intent of the Agency to give employees advance notice of work schedule changes. In keeping with this intent, the Agency will attempt to give employees twelve (12) hour prior notice of work schedule changes. A consecutive Sunday and Monday off will be considered to have met the intent of two (2) consecutive days off per workweek.
**Section 2.** District Foresters and Staff Supervisors shall have authority to determine work schedules for employees under their supervision. During those periods when a seven (7) day week operation is required, staggered work schedules may be scheduled as necessary. For purposes of this Section, a work schedule is the five (5) consecutive days an employee is scheduled to work.

**Section 3. On Call.** This is a situation where a supervisor requires an employee to advise him/her of his/her general location and how he/she can be reached. During this off-duty period the employee may leave his/her official station or residence. He/she is free to conduct his/her personal matters without restriction. He/she will receive no overtime credits for this arrangement.

**Section 4.** All lunch periods shall be taken as nearly as possible to the middle of the shift, and shall normally be taken during the fifth (5th) hour of the shift. Organized crews will be authorized overtime for any travel time in excess beyond the eight (8) hour day plus one (1) hour travel on the employee’s own time.

**Section 6.** Employees may mutually agree to exchange days, shifts, or hours of work with the approval of their supervisor provided such change does not result in the payment of overtime, penalty pay, or shift differential, or is a disruption of the normal routine of duties. Such requests shall not be considered as schedule changes.

**Section 7.** During any calendar week involving a holiday, crews working an alternate schedule shall be placed on an eight (8) hour, five (5) day schedule unless all members of the crew and the District Forester agree to remain on an alternate schedule during said calendar week.

**Section 8.** The workweek shall be the same as a calendar week starting at 0001 (12:01 a.m.) on Monday and ending at 2400 (midnight) on the following Sunday.

**Section 9.** The Agency will grant rest periods whenever possible on a twice a day basis scheduled at the supervisor’s discretion.

Rest periods shall not be more than fifteen (15) minutes duration for every four (4) hours of work, and shall be taken, as work will allow, in the middle part of the work period. If the Agency requires a scheduled ten (10) hour day, then a rest period of twenty (20) minutes shall be taken in the middle of the five (5) hour period.

The Agency will attempt to relieve an employee during the rest period so that he/she may take rest periods away from his/her duty assignment; however, Field Crews will not be allowed to leave their worksite to travel to coffee shops, etc.

When the supervisor determines the rest period cannot be taken, the employee shall be allowed compensation at the rate of time and one-half (1 ½), to be taken or accrued as provided in Article 32.3--Overtime.

**Section 1.** This Article applies to Class Number 8218 only. All lunch periods shall be taken as nearly as possible to the middle of the shift, and shall normally be taken during the fifth (5th) hour of the shift. Employees who may not leave their work stations and are required to continue working shall have such time counted as hours worked. Employees who may not leave their duty station and are not required to continue working shall not have such time counted as hours worked.

**Section 2.** The Agency will grant rest periods whenever possible on a twice-a-day basis, scheduled at the supervisor’s discretion. In the event the employees cannot take breaks, they will be compensated.

Rest periods shall not be more than fifteen (15) minutes duration for every four (4) hours of work, and shall be taken, as work will allow, in the middle part of the work period. If the Agency requires a scheduled ten (10) hour day, then a rest period of twenty (20) minutes shall be taken in the middle of the five (5) hour period.

The Agency will attempt to relieve an employee during the rest period so that he/she may take rest periods away from his/her duty assignment; however, Field Crews will not be allowed to leave their worksite to travel to coffee shops, etc.

When the supervisor determines the rest period cannot be taken, the employee shall be allowed compensation at the rate of time and one-half (1 ½), to be taken as provided in Article 32T—Overtime.

**ARTICLE 90.3D--WORK SCHEDULES (ODOA)**

**Section 1.** The workweek shall be the same as the calendar week starting at 12:01 a.m., Monday and ending 12:00 midnight the following Sunday.

**Section 2.** The normal work schedule shall consist of five (5) consecutive days of eight (8) hours per day with two (2) consecutive days off.

**Section 3.** Rest periods shall not be more than fifteen (15) minutes duration for every four (4) hours of work or major fraction thereof and shall be taken as work will allow in the middle of the workday. However, where an employee works a four day/ten hour (4/10) work schedule, the employee shall be provided two (2) twenty (20) minute breaks.

**Section 4.** Consistent with operating requirements of the Agency, an employee shall be granted a meal period of not less than thirty (30) minutes or more than one (1) hour. Meal periods shall normally be scheduled by the Agency at approximately mid-part of the employee’s daily work schedule.
ARTICLE 90.3E--WORK SCHEDULES (ODFW)

Section 1. Subject to the operating requirements of the Agency, bargaining unit employees shall be placed on regular, alternate, or flexible work schedules as defined in this Agreement (see Article 90, Work Schedules). Employees placed on regular work schedules shall be scheduled for five (5) consecutive workdays and two (2) consecutive days off within the workweek. Exceptions to the days off provision above shall occur only when they would seriously hamper operations of the Agency. Employees who work alternate schedules of four/tenth (4/10) hour days shall be scheduled for three (3) consecutive days off within the workweek. Exceptions to the days off provision above shall occur only when (1) this would seriously hamper operations of the Agency, or (2) when requested by the employee and approved by Agency management.

Section 2. An employee may request in writing to work any alternate or flexible work schedule defined in this Agreement (see Article 90, Work Schedules and, for applicable Agencies, Section 15, below). No employee requests will be arbitrarily denied or rescinded. In reaching its decision, the Agency will consider whether the employee’s request meets all of the following criteria:

(a) That the operational needs of the Agency are met;
(b) That the requested work schedule will not interfere with his/her ability and availability to perform the job;
(c) That the needs of the public are adequately served; and
(d) That a forty (40) hour workweek is maintained.

The Agency may also consider other relevant criteria, including, but not limited to, employee use of carpooling, mass transit, or demonstration of an unusual hardship.

The Agency will provide a response to an employee’s request to work an alternate or flexible work schedule, including the reason(s) for a denial, within a reasonable period of time. If the employee so requests, the Agency response will be in writing. Upon an employee’s request, the Agency will also provide a written explanation when an existing alternate or flexible schedule is rescinded. Requests for alternate and flexible work schedules will be considered in order of application. If more than one (1) employee makes application for such a schedule on the same day and both requests cannot be accommodated, preference shall be given to the employee with the most seniority in the Agency, if possible.

Section 3. The workweek shall begin at 12:01 a.m., Monday and end at 12:00 midnight the following Sunday. This workweek shall remain fixed during the term of this Agreement regardless of an employee’s scheduled hours of work. Workweeks for employees on work schedules “F” and “M” are governed by Section 15(e) below.

Section 4. Consistent with the operating requirements of the Agency, an employee shall be granted a meal period of not less than thirty (30) minutes nor more than one (1) hour, unless mutually agreed otherwise. Meal periods shall normally be scheduled by the Agency at approximately mid-part of the shift. However, upon an employee’s timely request, a supervisor may alter the normally scheduled meal period, if the need arises. An employee who is required by the Agency to work the full shift without relief for a lunch period shall have the entire shift counted as time worked. Meal periods will not be changed without reasonable notice.

Section 5. All employees shall be granted a rest period of fifteen (15) minutes in every four (4) hours working time or major fraction thereof, except in cases of alternate work schedules, in which case rest periods shall be twenty (20) minutes. Rest periods shall be taken so far as practicable in the middle of such working periods and considered as time worked for pay purposes. Rest periods for employees on work schedules “F” and “M” are governed by Section 15(g) below.
Section 6. In order to account for a full forty (40) hours in a workweek in which there is a holiday, employees who work alternate schedules can request a regular schedule or a flexible work schedule (e.g., 2-11s and a 10), pursuant to Section 2 of this Article, or may use appropriate accrued leave or compensatory time.

Section 7. An employee may, with his/her immediate supervisor’s advance approval, temporarily modify his/her work schedule (regular, alternate or flexible) in a workweek not to exceed forty (40) hours and avoid overtime liability. Such request shall be in accordance with Article 40-Penalty Pay, Section 4, Modification of Work Schedule and Article 32-Overtime, Section 5, Schedule Change. Such requests shall not be arbitrarily denied.

Section 8. Department of Administrative Services. When the Agency chooses to make a shift reassignment, all employees in the affected classification will be notified by publication in the manner provided for in Article 45.5E--Filling of Vacancies, Section (b), and be given an opportunity to designate their shift preference. The reassignment will be made based on each employee’s level of skill, the requirements of the reassignment, and the operating needs of the Agency. If more employees request the shift reassignment than there are reassignments available, and are, in the judgment of the Agency, equally well qualified for the reassignment and equally meet the operating needs of the Agency, the employee with the most seniority will be given the reassignment. The Agency shall not exercise its judgment in an arbitrary manner.

Section 9. Department of Agriculture, Measurement Standards Division.

(a) Employees will be required to submit a form developed by ODA when requesting a flexible work schedule.

(b) Employees working a flexible work schedule shall complete forty (40) hours of work per week, Monday through Friday. The workday shall not exceed ten (10) hours and the workweek shall not exceed forty (40) hours per week unless the employee receives prior approval as described in division overtime procedures.

(c) Employees working a flexible work schedule shall work consecutive hours from the beginning of their workday to the end of their workday and consecutive days Monday through Friday unless otherwise approved.

(d) Employees working flexible work schedules shall not begin before 6:30 a.m. or end after 6:00 p.m. Exceptions will be granted only when required by work-related circumstances. The office will be notified as soon as possible of requests for exceptions. All Inspectors will notify the Salem office upon conclusion of the workweek.

(e) Flexible work schedules shall be agreed upon when working with fellow employees. Where agreement cannot be reached, the employees will work regular 8:00 a.m. to 5:00 p.m. schedules.

(f) Employees may use up to one (1) hour in the office per day or up to five (5) per week to complete paper work, perform data entry work, and to perform general office duties. This work should be performed at the end of the day where circumstances permit.

(g) Employees working a flexible work schedule away from their official station may take up to four (4) hours at the end of the week to complete their paper work, computer data entry, and general office duties provided that no more than one (1) hour was taken while away from their official station unless approved by the supervisor or designee.

(h) Employees working a flexible work schedule shall schedule vehicle service and all non-examination activities at the end of the workday where circumstances permit.

(i) Employees working a flexible work schedule shall record their time in tenths of an hour on their time sheet.

Section 10. Department of Consumer & Business Services (including Workers’ Compensation Board).

(a) Employees with a four (4) day nine (9) hour and one (1) day four (4) hour work schedule shall be granted one (1) twenty (20) minute rest break and one (1) fifteen (15) minute rest break on each nine (9) hour workday and one (1) fifteen (15) minute rest break for the four (4) hour workday. Rest breaks will be taken so far as practicable in the middle of the working period and considered as time worked for pay purposes.

(b) When an employee requests the four (4) day nine (9) hour and one (1) day four (4) hour work schedule, the employee shall include as part of the request the preferred break schedule. The work schedule and break requests will be subject to the supervisor’s prior written approval.

Section 11. Water Resources and OWEB. Cleanup time for equipment shall be considered as part of the employee’s workday.

Section 12. BOLI. Whenever a job being performed or the material or equipment being used has caused an employee to become dirty, the employee shall be allowed a reasonable amount of time without loss of pay prior to any meal period or prior to the completion of their workday to clean themselves. Cleanup time for equipment shall be considered as part of the employee’s workday.

Section 13. Revenue. The purpose of this Section is to clarify what permanent part-time employees working in the Administrative Services Division may expect when a lack of work situation arises. When it becomes necessary to release some permanent part-time employees due to lack of work, but not all permanent part-time employees, the Employer will first ask for volunteers. If there are not enough volunteers, the employees will be released in reverse seniority order. In instances where there may be excess volunteers, unscheduling will occur based on seniority. Seasonal employees will be unscheduled prior to releasing or reducing the hours of permanent part-time employees. This Section is intended to apply only within the unit. Nothing in this Section guarantees an eight (8) hour workday.

Section 14. Education (including OSD). Reassignment of Hours of Work or Days Off.

(a) When a reassignment of hours of work or days off, or both, is to be made within a given instructional unit, section, or department, the employees in the unit or department shall have the right to request their choice of assignment. The candidate with the greatest length of service within the Agency will be given his/her choice unless there exists a substantial and clearly evident superiority in the qualifications and experience of another candidate. Before an employee other than the candidate with the greatest length of service is given first choice, the candidate with the
greatest length of service will be informed in writing and in detail, of those qualifications possessed by the employee chosen, and will be provided with a complete explanation of the reasons for selecting the other employee.

(b) When an employee would be scheduled to work a shift alone, however, the above provisions may be temporarily waived to provide for the safety and well-being of students.

Section 15. Work Schedules “M” and “F”. (Special Agencies Coalition Except Department of Veteran’s Affairs)

(a) Subsections (b) – (g), below, apply only to work schedules “F” and “M.” Work schedules “F” and “M” shall be considered “alternate work schedules.”

(b) Employee requests to be placed on work schedules “F” and “M” shall be governed by Article 90.5, Section 2.

(c) Work schedule “F” is as follows:
- Week one – Monday through Thursday, nine (9) hours, and Friday, eight (8) hours.
- Week two – Monday through Thursday, nine (9) hours, and Friday, off.
- Workweeks will alternate week to week, between week “one” and week “two,” as set forth above.

(d) Work schedule “M” is as follows:
- Week one – Monday, eight (8) hours, Tuesday through Friday, nine (9) hours.
- Week two – Monday, off, Tuesday through Friday, nine (9) hours.
- Workweeks will alternate week to week, between week “one” and week “two,” as set forth above.

(e) The definition of the workweek addressed in Article 90.5, Section 3, will not apply to employees who work schedule “F” or “M.” The definition of the workweek for work schedules “F” and “M” are as follows:
  (1) The workweek for employees working work schedule “F” shall begin at 12:01 p.m. Friday and end at 12:00 noon the following Friday. This workweek shall remain fixed, so long as an employee continues to work a work schedule “F.”
  (2) The workweek for employees working work schedule “M” shall begin at 12:01 p.m. Monday and end at 12:00 noon the following Monday. This workweek shall remain fixed, so long as an employee continues to work a work schedule “M.”

(f) During a work period when a compensable holiday occurs, an employee on a work schedule “F” or “M” will request his supervisor to adjust his/her work schedule within the defined workweek period to ensure a record of not to exceed forty (40) hours of paid time that includes the appropriate number of holiday hours. If needed, the employee may use accrued leave or compensatory time, or the employee may request adjustment of his/her work schedule to account for a full forty (40) hours in the workweek. Such adjustment shall be considered additional straight time worked rather than daily overtime hours. When the compensable holiday, or portion thereof, falls on the employee’s scheduled day off, the employee and supervisor will mutually agree on an alternative and commensurate time off within the workweek period.

(g) Employees on a work schedule “F” or “M” shall be granted two (2) fifteen (15) minute rest breaks on each nine (9) hour workday. Rest breaks will be taken so far as practicable in the middle of the working period and considered as time worked for pay purposes.

ARTICLE 91.3--UNEXCUSED ABSENCES (ODOT Coalition)

Any unauthorized absence, including absence without notice, of an employee from duty may be deemed by the Agency to be an absence without pay and may be grounds for disciplinary action. In the absence of such disciplinary
action, any employee who absents himself/herself for five (5) consecutive workdays without authorized leave shall be
deemed to have resigned. Such absence shall be covered, however, by a subsequent grant of leave with or without pay,
when extenuating circumstances are found to have existed.

Overtime Article and who cannot receive compensatory time off as provided in that Section because of the operating

ARTICLE 106--LABOR-MANAGEMENT COMMITTEES

Section 1. To facilitate communication between the Parties, joint Labor-Management Committees may be established at the Agency level by mutual agreement of the Union and the Agency Administrator and the Department of Administrative Services. The Committees shall take steps to ensure consistency with the Collective Bargaining Agreement.

The Committees shall be on a meet-and-confer basis only and shall not be construed as having the authority nor entitlement to negotiate. The Committees shall have no power to contravene any provision of the Collective Bargaining Agreement, nor to enter into any agreements binding on the Parties to this Agreement or resolve issues or disputes surrounding the implementation of the Contract. Matters which may require a Letter of Agreement shall not be implemented until a Letter of Agreement has been signed by the Labor Relations Unit and the Executive Director of the SEIU Local 503, OPEU.

No discussion or review of any matter by the committees shall forfeit or affect the time frames related to the grievance procedure. Matters that should be resolved through the grievance and arbitration procedure shall be handled pursuant to that procedure.

At the conclusion of each fiscal year, the Parties shall discuss the concept of Labor-Management Committees and whether they should be modified, continued, or discontinued.

Section 2. Composition. Any Agency Committee shall be composed of three (3) employee members appointed by the Union and three (3) members of management unless mutually agreed otherwise. An Agency and the Union may mutually agree to establish joint subcommittees.

Staff representatives of the Labor Relations Unit and the SEIU Local 503, OPEU may render assistance to a committee in procedural and substantive issues as necessary to fulfill the objectives of this Article and may participate in such meetings.

Section 3. Meeting Schedule. Committees shall meet when necessary, but not more than once each calendar quarter, unless mutually agreed otherwise.

Section 4. Pay Status.

(a) Agency employees appointed to the Agency Committee shall be in pay status, during time spent in Committee meetings, as well as travel from their worksite to the meeting and back, unless prior authorized to initiate travel from home. Time spent outside of the employees’ scheduled working hours will be unpaid. Approved time spent in meetings shall neither be charged to leave credits nor considered as overtime worked. By mutual agreement, subject to the operating needs of the Agency, employees may attend meetings in person, via telephone or videoconferencing. The Union will be responsible for all other employee expenses related to lodging and/or travel.

(b) Agencies, upon request, will adjust their current scheduled time of the Agency’s Statewide Labor-Management Committee meeting by up to thirty (30) minutes so the Union Committee members can meet prior to the commencement of the joint meeting. This language shall not preclude the Agencies from granting more than thirty (30) minutes preparation time or from granting preparation time for regional committees.

(c) Upon mutual agreement, the parties will identify and use available resources to provide joint training about the intent and conduct of Labor-Management Committees for the Agency’s Statewide Labor-Management Committee. This training will be on paid work time if provided during the employee’s regular work schedule, or if the Employer...
approves a work schedule change, including shift trades, without penalty payment pursuant to Article 40–Penalty Pay. The Parties will jointly coordinate the training to jointly determine the curriculum.

(d) Employees are expected to timely report back to their worksite following the end of the meeting and related travel time. Otherwise, employees may temporarily adjust their schedule or request time off as long as such request is made in advance and approved by their immediate supervisor or designee.

(e) The UBP code should be used to record the time taken pursuant to this article.

ARTICLE 106.1C–LABOR-MANAGEMENT COMMITTEES (Employment Department)

The goal of the Agency and Union is to develop a workplace in which labor and management work through joint Labor-Management Committees within the confines of the Collective Bargaining Agreement. The purpose is to provide quality services to our customers by improving work processes and efficiencies.

Notwithstanding Article 106, the number of members, meeting schedules, agendas, and training needs of the committees will be determined jointly by the Agency and the Union. The expected results of the Committees are continuous improvement in customer service, efficient operations, and responsiveness to changing conditions.

The following guidelines will be employed:

(a) There will be an Agency Labor-Management Committee that will develop within ninety (90) days of ratification mutually agreed to policies that will further support effective labor relations at the Section level, including training for Labor-Management Committee members.

(b) A Labor-Management Committee will be composed of equal numbers of Agency and Union members unless mutually agreed to otherwise. Each Section Committee will consist of at least one (1) management service member and one (1) member designated by the Union. If the manager and Steward agree, Sections can establish an alternate process that achieves the same intent as a separate Labor-Management Committee.

(c) The Labor-Management Committee will not be construed as having the authority or entitlement to negotiate or contravene any provision of the Collective Bargaining Agreement. Matters which require a Letter of Agreement will not be implemented until a Letter of Agreement has been signed by the Labor Relations Unit and the Executive Director of the SEIU Local 503, OPEU.

(d) The activities and results of a Section Labor-Management Committee will not be cited as precedential for other Sections, but may be used as a basis of discussion by other Committees.

ARTICLE 106.1M–LABOR-MANAGEMENT COMMITTEES (DHS-OHA)

The Department will establish one (1) central Labor-Management Committee as outlined in Article 106–Labor-Management Committees.

The Department and the Union may mutually agree to establish joint sub-committees to improve labor-management relationships, work processes, efficiencies, and client service delivery. Such joint sub-committees will be:

(a) Composed of equal numbers of bargaining unit and management members unless mutually agreed otherwise;

(b) Accountable and report to the central Labor-Management Committee;

(c) Reviewed annually by the central Labor-Management Committee to determine whether they should be modified, continued or discontinued; and,

(d) Subject to the provisions of Article 106–Labor-Management Committees.

ARTICLE 106.2A.K–LABOR-MANAGEMENT COMMITTEES (OYA Youth Correctional Facilities and Camps, OYA Administration and Field Services)

If the Agency and Union agree to establish joint committees at the institution or Agency level to improve work processes and efficiencies, the following guidelines will be employed:

(a) Such Committee members who are also members of the bargaining unit shall be selected by bargaining unit members.

(b) Such Committees will be composed of equal numbers of bargaining unit and management services members unless mutually agreed to otherwise.

(c) Employees appointed to the joint Labor-Management Committees at an Institution shall be in pay status during time spent in committee meetings, provided the meetings occur during regularly scheduled duty time. Approved time spent in meetings shall neither be charged to leave credits nor considered as overtime worked. Appointed employees may choose to attend these meetings on their own time.

(d) The Committees shall not be construed as having the authority or entitlement to negotiate or contravene any provision of the Collective Bargaining Agreement. Matters which may require a Letter of Agreement shall not be implemented until a Letter of Agreement has been signed by the Labor Relations Unit, Department of Administrative Services, and the Executive Director of SEIU Local 503, OPEU.

ARTICLE 106.2C–LABOR-MANAGEMENT COMMITTEE (OSH)

The parties agree to re-establish one (1) central Labor-Management Committee as outlined in Article 106–Labor-Management Committees. The purpose is to address issues of mutual concern, such as work processes and efficiencies. The Committee will be composed of equal numbers of bargaining unit and management services members, unless mutually agreed to otherwise. Each side shall select their own representatives.
Employees appointed to the Labor-Management Committee shall be in pay status during travel to and from the meeting, as well as time spent in Committee meetings, provided the meetings occur during regularly scheduled duty time. Approved time spent in meetings shall neither be charged to leave credits nor considered as overtime worked. Appointed employees may choose to attend these meetings on their own time.

The meetings will occur monthly, unless mutually agreed otherwise.

The Committee shall not be construed as having the authority or entitlement to negotiate or contravene any provision of the Collective Bargaining Agreement. Matters which may require a Letter of Agreement shall not be implemented until a Letter of Agreement has been signed by the Labor Relations Unit, Department of Administrative Services, and the Executive Director of SEIU Local 503, OPEU.

The parties agree to participate in training from the Employment Relations Board, or other training resource as available and mutually agreed upon. Further, the parties agree to utilize the process and designated trainer to develop a Labor-Management Committee Mission Statement and Ground Rules. Both parties will designate a representative to coordinate arranging the training as soon as practicable following Tentative Agreement on this provision.

The first issue for this Committee will be to work on the restructuring of the existing Labor-Management Committee. OSH and the Union may also mutually agree to establish joint sub-committees to improve labor-management relationships, work processes, efficiencies, or other issues of concern. Such joint sub-committees will be:

(a) Composed of equal numbers of bargaining unit and management members unless mutually agreed otherwise;
(b) Accountable and report to the central Labor-Management Committee;
(c) Reviewed annually by the central Labor-Management Committee to determine whether they should be modified, continued or discontinued; and
(d) Subject to the provisions of Article 106--Labor-Management Committees.

**ARTICLE 106.5Q--LABOR-MANAGEMENT MEETINGS (DCBS)**

The Agency and the Union agree that early resolution of employees’ concerns is mutually beneficial. Therefore, upon written request identifying a specific concern from a group of represented employees, the division administrator or designee will promptly schedule a meeting to confer with the employees. The meeting will be scheduled during or outside normal duty hours at the option of management. If the group exceeds five (5), representatives may be designated to meet with the administrator or designee. The group or a representative of the group will be informed of the results of the meeting. This meeting will not in any way be construed as a grievance.

**ARTICLE 107--JOB PROTECTION FOR ON-THE-JOB ILLNESS OR INJURY**

Section 1. The State and the Union agree to jointly work to reduce the incidence of on-the-job injuries through health and safety programs and to reduce the unemployment and costs associated with on-the-job injuries through a combination of light-duty assignments, worksite modification programs, and expanded return-to-work opportunities.

Each state Agency agrees to meet annually with select representatives from the Union on paid time to review the frequency and type of on-the-job injuries sustained in the Agency, status of worksite modification requests, and to mutually develop training programs to reduce the incidence of work-related injuries. Ultimate decisions on training programs and costs are the prerogative of management. However, the State commits to provide existing resources to develop and staff such programs.

Section 2. An employee who has sustained a compensable injury or illness shall be reinstated to his/her former employment or employment of the employee’s choice within the Agency, which the Agency has determined is available and suitable upon demand for such reinstatement, provided that the employee is not disabled from performing the duties of such employment. If a position is not available and suitable within the Agency, the employee will be provided employment in another Agency, provided a vacant position exists where the returning worker meets the minimum qualifications and special requirements and the position is intended to be filled.

Any worker, whether covered by this Agreement at the time of injury or not, will be eligible for placement into Agencies covered herein after all filling of vacancies provisions of this Agreement have been completed. Temporary reassignments across bargaining unit lines will not impact representation status. The State will comply with applicable statutes in administering this Article.

Section 3. Certification of a duly licensed physician that the physician approved the employee’s return to his/her regular employment shall be prima facie evidence that the employee should be able to perform such duties.

Section 4. Upon request of the Agency, an employee shall furnish a certificate as defined in Section 3, concerning his/her condition and expectation for a date of return to active employment. Any employee who has been released for return to active employment must immediately, but no later than the seventh (7th) calendar day following the date the worker is notified by the insurer or self-insured employer by certified mail that the worker’s attending physician has released the worker for employment, notify his/her supervisor, personnel officer, or someone in management who has authority to act on this demand, of his/her status and that he/she is available to return to work. Extenuating circumstances may extend the requirement for timely notice. An employee who fails to provide timely notice of his/her status shall be considered to have voluntarily terminated his/her employment.

Employees released by their physician for light or limited duty are eligible for modified work consistent with the physician’s certification of the worker’s capabilities, the Agency’s ability to construct duties and availability of work. However, to be eligible for possible light duty or modified work, the employee must, where reasonable to do so, keep in regular contact with the Employer beginning with the day following the injury or illness. This assignment of work is
temporary and is established through discussions with the physician as to the prognosis of when the employee will be able to return to his/her full range of duties.

Since duties will be tailored based on a physician’s statement of types of light or limited duties the injured employee can do, these duties may overlap various state classifications and may change the essential duties performed by other employees who will suffer no economic detriment due to these temporary work changes. All reasonable efforts will be made to avoid disruption to existing staff, e.g., filling usable vacancies prior to altering the duties of incumbents.

This is a temporary, modified return-to-work plan, to be reviewed every thirty (30) days and may be terminated when warranted by physicians’ statements or light duty is no longer required or can no longer be made available. The return of injured workers shall be exempt from Article 45. Concerning the injured worker, light duty assignments can be made without regard to the requirements of Article 26, Section 10, and Articles 80, 81, 85, and 90, and including all coalition language within these Articles, except where specific work assignments have been designated for return of injured workers.

Although duties of non-injured staff may be temporarily (not to exceed six (6) months) changed, such change may not give rise to a claim under the Articles listed above. However, days off and shifts of permanent full-time employees shall not be affected by this program.

Section 5. The Employer will cooperate with the Workers’ Compensation Program in the modification of work or work stations in order to accommodate employees permanently disabled as a result of a work-related injury or illness.

Section 6. When an employee is injured on the job and suffers time loss greater than fifteen (15) days, the Employer shall refer the employee to appropriate sources for explanation of his/her rights and obligations related to medical, retirement, and Workers’ Compensation benefits. A letter to the employee’s last address of record shall constitute proper referral.

Section 7. All reassignments under this Article will be made in a manner to keep the injured employee at or near his/her official place of employment. No reassignments under this Article will require such employee to travel more than thirty-five (35) miles or the distance of his/her regular commute, whichever is greater.

ARTICLE 108--VIDEO DISPLAY TERMINALS

Section 1. Whenever any new piece of VDT equipment is purchased from outside of State government, the Agency will follow the Department of Consumer & Business Services guidelines on VDTs as they pertain to that piece of equipment. When an Agency buys used equipment, then it will make every effort to comply with Department of Consumer & Business Services guidelines. If it is not able to do so, then any Union Steward, upon identification and submission of a VDT safety practice problem, may request and shall be scheduled to meet with the appropriate management representative to review the specific safety concerns.

Glare screens will be provided upon request. The Employer will provide safe operation instructions when new equipment is installed. VDTs will be cleaned and inspected as needed to ensure proper operation.

Section 2. The Agency will inform employees if it is using computer monitoring. Notice will include what is being monitored and its intended use.

Section 3. The Agency will not use subliminal software.

Section 4. The Employer and the Union agree that employees who are assigned full-time to continuously operate video display terminals (VDT) or cathode ray tubes (CRT) can be more productive if provided short periods of assignment to other duties throughout the workshift. Subject to operational needs, managers will arrange other work assignments so as to provide ten (10) minutes of relief for each hour worked at a VDT or CRT.

Section 5. Upon request, employees who operate a VDT or CRT shall be provided available wrist rests for trial usage. If the wrist rest is determined to be beneficial a permanent wrist rest will be assigned to the station.

ARTICLE 113.5B,X--SPECIAL PROVISIONS (Water Resources and OWEB)

Section 1. Office Space Arrangement. The Agency shall discuss any office rearrangement with affected employees and consider the employees’ requests prior to such rearrangement.

Section 2. Communications Equipment. Within budgetary guidelines, the Agency shall make available adequate two-way communication equipment in all permanently assigned field vehicles. Additionally, at least one (1) adequate portable unit shall be available in each field office for use by any field staff personnel.

Section 3. Vehicles. Each employee using a permanently assigned vehicle shall be allowed to submit specifications for a vehicle type suitable for his/her needs and location so long as that vehicle is within the budgetary guidelines of the Agency and DAS rules.

Section 4. Field Purchase Orders. Employees who have occasion to make purchases on behalf of the Agency while working in the field may be issued a purchase card through the Small Purchase Order Transaction System (SPOTS) to be used to make such purchases under the rules of the Water Resources Department or Watershed Enhancement Board and upon approval of the issuing financial institution. Employees may also make purchases and be reimbursed for such purchases under the rules of the Water Resources Department or the Watershed Enhancement Board.

ARTICLE 121--EDUCATION, TRAINING, AND DEVELOPMENT

The Agency agrees to offer on an on-going basis to employees, the training program developed by Oregon OSHA entitled “Violence in the Workplace,” or some other suitable Agency program, as determined by the Agency.

Employees authorized to attend the training during their scheduled shift will be on paid release time not to include overtime.

REV: 2013

2015-2019 SEIU Local 503/State of Oregon CBA 111
ARTICLE 121T--EDUCATION, TRAINING, AND DEVELOPMENT  (Temporary Employees)

Mandated training time is considered work time.

ARTICLE 121.1--EDUCATION, TRAINING, AND DEVELOPMENT  (Human Services Coalition)

Section 1.  Training.  The Agency will pay incurred tuition/registration and allowable travel, per diem, and salary when the Agency directs employees to attend training.  Employees may request Agency-sponsored training.  Training will be considered based on job, workload needs, and on funding.  The Agency will provide regular notice of training opportunities.

Section 2.  Job Rotation/Developmental Opportunities.  The Agency may provide competitive and/or employee-specific rotation/developmental opportunities by written agreement with employees who volunteer, who have the approval of their supervisor based on the operational needs of the sending unit.  Such agreements shall state the duties, hours of work, and length of the assignment.  Employees volunteering for these assignments retain their permanent position classifications, remain on the Agency payroll, retain the representation (SEIU Local 503, OPEU) status of their permanent positions while on the assignment and return to their permanent positions on completion of the assignment.  Employees participating in job rotation/developmental opportunities will continue to receive compensation at the rate of their permanent position and shall continue to accrued rights and benefits related to their permanent position.

(a) Competitive.  Job rotation/developmental opportunities which are designated by management as competitive will be filled in a competitive manner.  Recruitment notices for such opportunities will receive the widest reasonable distribution within the Agency.  Recruitment notices shall contain:  job description, basic qualifications, length of assignment, and deadline to apply.  Agencies have the discretion to limit advertising to employees within a specific geographic area or Division/program.  Any employee who was interviewed may request and shall receive in writing an explanation of the reasons he/she was not selected.

(b) Employee-Specific.  Agencies have the discretion to create job rotation and/or developmental opportunities, including job shadowing, which are designed to meet the interests and/or needs of specific employees.  Because they are employee specific, such opportunities are not appropriate for filling in a competitive manner.

Section 3.  Educational Leave.  Employees may be granted time off with pay to take job-related educational courses or training sessions.

Section 4.  Agencies shall make available to any employee upon his/her request, classification specifications which contain the requirements and/or qualifications for any jobs within the Agency.

Section 5.  Employees may need training to perform tasks required by the Agency as a result of an involuntary change in assignment or workload.  Employees so identified by the Agency shall be afforded an opportunity to participate in job-related training upon approval of the Agency without loss of pay or benefits.

Section 6.  Upon initial hire, rehire, promotion or job transfer, management agrees to notify an employee of the required training related to his/her position, if any is determined by management, within a reasonable time period.  Such notification will include the expected timeline for completion of the required training, recognizing that operational needs may require some adjustment.

ARTICLE 121.2--EDUCATION, TRAINING, AND DEVELOPMENT  (Institutions Coalition, except OYA Administration and Field Services)

Section 1.  Career Advancement.  The Employer shall make every reasonable effort to promote the continuing education, training, and upgrading of employees in areas that are job-related.  Furthermore, the Employer shall make every reasonable effort to meet personnel needs through career development to prepare for career advancement.

Section 2.  It is recognized that training cannot always be conducted at times convenient to all employees involved.  Oregon State Hospital will, however, make a good faith effort to offer options for an employee to complete required trainings at a time conducive to his/her work schedule. Section 1. Uniforms and protective clothing required by the Agency shall be provided by the Agency at no cost to the employee:

(b) The Agency shall provide to its employees all safety apparel and safety devices necessary to meet the requirements of the Oregon Safe Employment Act. Section 2. Uniforms and protective clothing shall remain the property of the Agency and shall be returned to the Agency upon termination of employment. Damage to uniforms and protective clothing judged by the Agency to need replacement will be replaced by the Agency. Uniforms, protective clothing, protective devices, equipment, or other state property lost or damaged as a result of gross negligence of the employee will be replaced by the employee. Uniforms, protective clothing, or protective devices may not be used for personal reasons.

Section 3. Safety shoes or boots and caulked boots required by the Agency must meet American National Standards Institute (ANSI) standards or provide equivalent protection. The Agency will pay for or provide basic protective shoes or boots which are required by the Agency and authorized by the supervisor based on the employee’s job assignment. The Agency will reimburse the employee for caulked boots, safety shoes, or boots when a receipt is provided. If a price agreement is available for this equipment, the employee must use this agreement and the Agency will be billed directly.

Section 4. Where required for job responsibility and prior-authorized by the supervisor, safety glasses will be provided as follows:
(a) For employees who are required to wear prescription glasses at all times:

(b) For employees who are not required to wear prescription glasses at all times: The Agency will pay for or provide basic nonprescription safety glasses. Since these come in stocks similar to sunglasses, no fitting or dispensing fees would be incurred.

(c) If safety glasses are broken as a result of an on-the-job accident which is not the willful fault of the employee, they will be replaced as in (a) and (b) above.

Section 5. Extra equipment or Agency/division/section equipment for general use of personnel shall not be listed on an individual bargaining unit worker’s inventory list.

ARTICLE 123--INCLEMENT OR HAZARDOUS CONDITIONS

Section 1. Notifications.

(a) The Employer/Agency designated official(s) may close or curtail offices, facilities, or operations because of inclement or hazardous conditions. The Employer/Agency will announce such closure or curtailment to employees no later than 5:00 a.m., and may accomplish this through pre-designated internet web sites, telephone trees, radio stations and/or television media. The Agency shall notify employees of these designations and post the notices on Agency bulletin boards by November 1st of each year. Notifications do not apply to employees who are required by the Employer/Agency to report to work. Employees required to report to work shall be notified of this designation no later than November 1st of each year. Such designations may be modified with two (2) weeks advance notice to the affected employee(s).

(b) Where the Employer/Agency has announced a delayed opening pursuant to Section 1(a), employees are responsible for continuing to monitor the reporting sites for updated information related to the delay or potential closure.

Section 2. Employees who are required to report to work by the Employer/Agency shall be in leave without pay status if absent, unless otherwise on authorized leave. If an employee shows up within two (2) hours of their scheduled shift, subject to operating requirements and supervisory approval, they may make up the work time missed during the same workweek, provided work is available. For purposes of Article 58, an employee may use up to four (4) hours, as needed, of appropriate accrued leave to meet the eligibility requirements of Article 58, Section 3.

Section 3. Fair Labor Standards Act (FLSA) Non-Exempt Employees.

(a) When the Employer/Agency notifies employees not to report to work pursuant to Section 1, the following applies:
   - Non-exempt employees shall not be paid for the period of the closure. However, employees shall be allowed to use accrued vacation, compensatory time off, personal leave or leave without pay for the absence(s).
   - An employee arriving at work after the Employer/Agency has announced a closure or curtailment of operations shall be directed to leave work and shall not be paid for the remainder of the shift unless utilizing accrued leave as described above.
   - If an employee’s scheduled reporting time and his/her arrival is within two (2) hours of the notice of closure, he/she shall be paid for two (2) hours at the straight-time rate of pay.

(b) When the Employer/Agency fails to notify employees not to report to work, pursuant to Section 1, FLSA Non-Exempt employees who arrive to start their scheduled shift within two (2) hours of notice of closure shall be paid for two (2) hours at the straight time rate of pay.

Section 4. FLSA-Exempt Employees. Pursuant to the FLSA, an exempt employee shall be paid for the workshift. An FLSA-exempt employee may be required to use paid leave where the closure applies to that employee for one (1) or more full workweek(s).

Section 5. When in the judgment of the Employer/Agency, inclement or hazardous conditions require the closing of the workplace following the beginning of an employee’s workshift, the employee shall be paid for the remainder of his/her workshift.

Section 6. Alternate Worksites. Employees may be assigned or authorized to report to work at alternative worksites or with prior approval from their supervisor may work from home and be paid for the time worked.

Section 7. Late or Unable to Report. Except as provided for in Section 2 of this Article, where the Agency remains open and an employee notifies his/her supervisor that he/she is unable to or will be late in reporting for work due to inclement or hazardous conditions, the employee shall use accrued vacation leave, compensatory time off, personal leave, or leave without pay.

Section 8. Employees on Pre-Scheduled Leave. If an employee is on pre-scheduled leave the day of inclement or hazardous conditions, the employee will be compensated according to the approved leave.

Section 9. Make-up Time Provisions. Subject to Agency operating requirements and supervisory approval, employees who do not work pursuant to Section 3 and Section 7 of this Article may make up part or all of their work time missed during the same workweek. In no instance will time worked during the make-up period result in overtime, compensatory time, or premium payments being charged to the Agency.
**Section 10. Temporary Employees.** Non-exempt employees will be unscheduled from work and FLSA-exempt temporary employees will be in paid status for closures less than one (1) full workweek and unscheduled from work for closures more than one (1) full workweek under this Article unless the temporary appointment ends.

**ARTICLE 124.5--BUS DRIVERS** (Special Agencies Coalition)
Physical examinations for bus drivers' licenses required by the Agency shall be provided by the Agency.

**ARTICLE 125--TECHNOLOGICAL CHANGE/ RETRAINING**

**Section 1. Definition.** Technological change is defined as a change in equipment, particularly of an electronic or mechanized nature, which may have the result of reducing the number of bargaining unit employees, reducing the required work hours of bargaining unit employees, and/or altering skill requirements for job positions within the bargaining unit.

**Section 2.** The Parties support technological advancement, recognizing that it is necessary to ensure an expanding economy. Similarly, the Parties recognize that job displacement, occupational shifts, and employee working conditions may be adversely affected by the introduction of new technology. To reconcile these conflicting realities, the Parties agree to the following:

(a) The Employer agrees to give the Union sufficient advance notice of anticipated technological changes which will have a substantial impact on the manner in which job duties of a significant number of employees are performed so that it can review such changes and evaluate the impact on bargaining unit members. With this notice, the Employer shall inform the Union of whether and to what extent it anticipates that the changes will displace employees, cause a reduction in work hours, cause a change in skill requirements, or result in the fragmentation of existing jobs.

(b) An ad hoc Union/Management Technological Change Committee, composed of three (3) persons from the Union and three (3) persons from management, shall be established for the purposes of reviewing the technological change and its impact on the working conditions of bargaining unit members.

(c) The Employer agrees to meet with the Union to discuss the Committee’s findings and recommendations and it agrees to make every good faith effort to reduce the detrimental effects of technological change on bargaining unit members.

(d) Should a regular status employee become displaced, the Agency shall offer Subsection (1) or (2) under the following conditions:

1. Subject to funding, Agency needs, employee interests and ability, and scheduling, the Agency will provide retraining.

2. Should a regular status employee become displaced as a result of technological change, the Agency shall make a reasonable effort to place the affected employee into another position in the Agency or other Agencies in State government.

**ARTICLE 127.2A--NOTIFICATION** (OYA Youth Correctional Facilities and Camps)

**Section 1.** Upon request of the Union, the Institution will furnish to it a statement of its rules or policies on employment relations matters, any specific rule or policy or any information on personnel actions in which the Union has an appropriate interest.

**Section 2.** All records designated as public records by law and rule shall be open to inspection of the Union during regular office hours.

**Section 3.** In order for the Parties to be as informed as possible on matters for collective bargaining, either Party shall furnish or make available to the other, upon request, such specific personnel records or files as they possess and which are pertinent to a matter for negotiation of which the Party has given notice. Articles which are classed as confidential under law or rules of the Labor Relations Unit shall not be made available.

**ARTICLE 127.2C,H--NOTIFICATION** (OSH, Pendleton Cottage)
The Institution or Facility will provide the employees with two (2) copies of any letter of dismissal, demotion, reduction in pay, or suspension for disciplinary reasons. The Institution or Facility will inform the employee that he/she may provide a copy of the letter to the Union if he/she chooses to do so.

**ARTICLE 129.2C,H--POSITION IDENTIFICATION** (OSH, Pendleton Cottage)

**Section 1.** The Institution or Facility shall maintain in the Personnel Department such records as are necessary to show the number and classification of positions in the Institution or Facility assigned to each department or unit and the classification of each assigned employee. Positions which are underfilled for training purposes shall be designated on the record. The Union may examine this record, upon request, during normal business hours.

**Section 2.** An area roster shall be maintained and posted in each three-shift operation work area showing the shift, incumbent employee, and days off. This roster will be updated on a yearly basis, at the time of major reorganization or upon significant turnover.

**Section 3.** Employee Identification. Employees who work in any area where patients have access, upon their request, will be allowed to wear a name badge with first name (or variant of the first name) and first initial of the last name. This manner of identification will be used in all documents that are used in patient areas (i.e., functionals, schedules, etc.).
ARTICLE 130--PROFESSIONAL RECOGNITION
At the request of an employee who was the primary author of a manual, manuscript, or other similar major publication for which he/she would like to receive recognition, the Agency agrees to provide appropriate individual recognition on the manual, manuscript, or other similar major publication.

ARTICLE 131.3E--AGENCY-ASSIGNED HOUSING (ODFW)
Section 1. An employee who is hired for a position that requires the employee to live in Agency-assigned housing shall be provided such housing at the time of appointment. The employee will continue to occupy that housing unit for the duration of their Agency employment so long as they remain in their original position and continue to work at that specific worksite.

ARTICLE 132--CRIMINAL RECORDS CHECK
Section 1. Except as provided by Governor's executive order or state or federal law as implemented by Agency rule or policy, the Employer will not require a criminal records check on any current employee in his or her current position if the requirement was not in place when the employee was appointed to the position. Agencies will send Agency rules, policies, and subsequent changes to SEIU Headquarters. Upon notification, the Union may exercise its rights pursuant to Article 5 of this agreement as it applies to changes in Agency rule or policy implementing Governor's executive orders or state or federal laws regarding criminal records check requirements.

Section 2. Position Descriptions and Recruitment Announcements. If a criminal records check is required for a position, such requirement shall be included in the recruitment announcement. As a position description is revised, the requirement for a criminal records check shall be included, however this does not apply where all agency positions require a criminal records check.

(a) If an employee is found to be unfit for his/her current position based on a new criminal records check and the Agency proceeds under Article 20, the employee retains all Article 20 rights.
(b) If a regular status employee is determined to be unfit for his/her current position based on a new requirement, then the employee shall be notified of the determination and upon request will be informed of the information from the criminal record used in the determination. The employee will be provided options, including layoff.

Section 4. Promotions, Transfers, and Voluntary Demotions. If through a promotion, transfer, or voluntary demotion process a criminal records check is required and an employee is found to be unfit, upon request, the employee will be informed of the information from the criminal record used in the determination.

The appointment to the position will not be delayed. Fitness determinations based on information from the criminal record checks shall not be subject to the grievance/arbitration procedures.

Section 5. Layoff/Recall.
(a) Layoff. In the event of a layoff, a criminal records check will not be required as a condition of employment, for displacing an employee from another job, bumping into another job, demotion to another job, or being recalled to a position, unless specified in the position description. If required, the employee will be notified before the criminal records check commencement. Once notified, the employee can waive his/her right to that position and may displace the lowest seniority employee in a position where no criminal record check is required, pursuant to Article 70 and the prioritization of his/her option(s) as previously communicated to the Agency.

If all positions in the Agency require a criminal record check, this information will be included in the notification of pending layoff given the Agency is not required to reflect the criminal record check in the position description.

(b) Recall from Layoff. If in the recall process an employee is determined to be unfit for a position, upon request the employee will be informed of the information from the criminal record used in the determination. Any appointment to the recall position will be delayed until the conclusion of the meeting.

Section 6. Regardless of whether the fitness determination was based on an accurate or inaccurate criminal record, the employee may request a meeting to discuss the information from the criminal record used in the determination. Such discussion, if requested, shall be within five (5) working days of the notification. Upon the request of the employee, a Steward may accompany the employee during the meeting. In the event the fitness determination changes as a result of the information provided, the Agency will notify the employee in writing. If an employee is not satisfied with the results of the meeting, he or she may appeal the fitness determination as outlined in the Agency rule or policy.

Section 7. Fitness determinations based on information from the criminal record checks shall not be subject to the grievance/arbitration procedures, except as provided in Section 3(a).

Section 8. Information received as a result of a criminal records check shall be secured in a file separate from the employee’s official personnel file. Destruction of the information received as a result of a criminal records check shall be consistent with state or federal law.

Section 9. Employees shall not be required to pay the Employer’s/Agency’s criminal records check fee(s) or Employer/Agency representation costs.

ARTICLE 133--DOMESTIC VIOLENCE, SEXUAL ASSAULT OR STALKING VICTIM LEAVE
Section 1. An employee is allowed to use accumulated leave or leave without pay if the employee or his/her dependent (including their adopted child, foster child or stepchild) is the victim of domestic violence, harassment, sexual assault or stalking, as defined by ORS 659A.270.
Section 2. Pursuant to ORS 659A.283, eligible employees may take up to one-hundred and sixty (160) hours of leave with pay each calendar year. This leave with pay is in addition to any vacation, sick, personal business or other forms of paid or unpaid leave available to the eligible employee. However, an eligible employee must exhaust all other forms of paid leave before the employee may use the one-hundred and sixty (160) hours of paid leave.

Section 3. If certification is requested, the employee shall provide it to the Employer within a reasonable amount of time.

Section 4. An employee who claims to be aggrieved by an unlawful employment practice as specified in the policy may file a civil action under ORS 659A.885.

ARTICLE 134--CRIME VICTIM LEAVE

If an employee or a member of their immediate family has suffered financial, social, psychological or physical harm, as a result of a person-to-person felony, he/she may take leave to attend a criminal proceeding, pursuant to State Policy (DAS, HRSD Statewide Policy 60.000.12). An employee who claims to be aggrieved by an unlawful employment practice as specified in the policy may file a civil action under ORS 659A.885.

ARTICLE 135--WORK ENVIRONMENTS

To promote involvement of all employees in continuous improvement of State services, State agencies shall proactively solicit participation from affected employees pursuant to State Policy (DAS, HRSD Statewide Policy 50.055.01 Continuous Improvement in State Service). The Labor/Management Committee, or alternate forums, may be used to facilitate advancement of ideas for efficiencies. This Article is not subject to the grievance procedure.

ARTICLE 136--CRITICAL INCIDENT LEAVE

Any employee who, during the performance of his/her work, is directly involved in an incident of on-duty violence, shall be allowed reasonable time off immediately after the incident to recover from any physical or psychological impairment or disability caused by the action. Directly involved means physically attacked or physically intervening in an attack of a staff member.

Such leave shall be charged against any accumulated time the employee has earned. The employee may decide the type of accumulated time against which this leave shall be charged.

However, where an employee is receiving compensation through Workers’ Compensation or other victim compensation relief, such charges will be made on a pro-rata basis not to exceed the employee’s regular salary.

Any period of time beyond one (1) day necessary for purposes of readjustment shall be determined by the employee’s physician or mental health practitioner. The Employer may require the employee to see a practitioner of the Agency’s choice in order to verify the employee’s practitioner’s opinion.

LETTER OF AGREEMENT 10.1M-05-119

Article 10.1M--Union Rights

Clarification of Intent Concerning DDS Understanding & Workload Adjustment (DHS)

Clarification:

Article 10, Sections 9 and 10 of the Collective Bargaining Agreement describes activities performed during the Steward’s regular work schedule, subject to advance notice to the Steward’s immediate supervisor. The permitted activities will be granted unless such activities would interfere with the work the Steward is expected to perform. In instances where there is interference with the work, the immediate supervisor shall, within the next workday, arrange an alternate, mutually satisfactory time for the requested activity. Such activities do not warrant any workload adjustment.

Although not specifically mentioned in Article 10, it is intended that in instances where a Steward (acting in his/her official capacity) participates in activities other than those described in Sections 11 and 12 which are initiated and/or requested by management, such Steward may request a workload adjustment. Such adjustments will be granted assuming there is documentation to support the Steward’s claim that the time involved in such activities during the month is more than de minimus. An example of such activity would be participation on a Labor-Management Committee which is a mutual benefit to both management and labor.

This clarification is not intended to supersede Coalition specific Article 10 provisions.

DDS Understanding:

Despite the above clarification, DDS management is willing to consider individual Steward requests for adjustment to existing work production standards where such Stewards submit a monthly activity report of work time spent on activities outlined in paragraph #1 and/or #2 above and which demonstrates that the time involved was other than de minimus. Such workload adjustment is limited to DDS Stewards in the Disability Analyst Classification series due to their high production standards. For example, if a Steward’s monthly activity report demonstrates that five percent (5%) of the Steward’s time had been spent on official Union activities, management could decide to adjust the Steward’s work production standards up to a maximum of five percent (5%). A determination of de minimus will be based on the time involved being up to two (2) hours per week.

The Union agrees that the consideration described in the previous paragraph will not establish a past practice for other than DDS Disability Analyst Stewards nor can it be referenced in any other forum.

Lastly, this understanding will replace any and all previous understandings within DDS.

LETTER OF AGREEMENT 21.1C-99-07

Article 21.1C—Grievance and Arbitration Procedure

Alternate Dispute Resolution (Employment)

This Agreement is entered into between the Department of Administrative Services (Employer), on behalf of the Employment Department (Agency), and the SEIU Local 503, OPEU (Union).

Objective: To enhance previous Letters of Agreement that committed the Employment Department to an alternate dispute resolution process and improve utilization of mediation to resolve issues at the lowest possible level. Participation in the process does not waive the employee’s rights under the contract to grieve.

1. When an issue needing resolution arises, the employee, supervisor, and/or other affected Parties will attempt to meet in an attempt to resolve the issue at the lowest possible level. If the issue is an alleged contract violation, this meeting will occur within the thirty (30) day grievance filing period.

2. If the issue is resolved, this settlement will be summarized and kept in the section. If it was an alleged contract violation, mediated resolutions shall be non-precedential and shall not be cited by either Party or their agents or members in any arbitration or fact-finding proceedings.

3. If the issue is not resolved through a meeting, resolution may be sought through:
   (a) the local Labor-Management Committee; or
   (b) mediation. Mediation is voluntary on part of all participants. The conclusion of mediation can be initiated by either Party or the mediator. If mediation of an alleged contract violation is requested within the thirty (30) day filing period, the timelines for filing the grievance are automatically held in abeyance. If mediation does not result in resolution of an alleged contract violation, the employee may file a grievance with the Agency Head as Step 2 of the grievance procedure within fifteen (15) calendar days of the conclusion of mediation.
   If the request for mediation is submitted by the employee at any time in any step after a grievance is filed, the grievance timelines are automatically held in abeyance. If resolution is not achieved through mediation, the employee may file a grievance at the step following the last completed step of the grievance procedure within fifteen (15) calendar days of the conclusion of mediation. Mediation panels will consist of one (1) mediator from the Agency’s Office of Human Resources and one (1) mediator represented by SEIU.

   To request mediation, all affected Parties must sign a completed Mediation Request Form and submit to the SEIU Local 471 President or Agency’s Office of Human Resources Manager. The President and Office of Human Resources Manager shall assign a mediation panel within thirty (30) calendar days from the date the request is received. The Parties will have thirty (30) calendar days to resolve the issue. This timeline can be extended by mutual agreement. Mediation sessions will be conducted on Agency time.

   To ensure that the terms of the settlement are achieved and to hold managers accountable for settlements being met, copies of mediated settlements shall be given to the Parties, and the supervisor’s manager where the issue arose. A copy will also be sent to the Office of Human Resources for statistical purposes and placed into a confidential mediation file. The mediated settlement will not become part of the employee’s official personnel file.

   Mediation sessions and any settlements reached in these sessions will be confidential. Stewards may review mediation settlements in the Office of Human Resources in the course of representing an employee in a grievance matter.

   The mediation process will not be applicable to the following circumstances:
   1) issues already mediated, unless both Parties agree that the fundamental issue is not resolved;
   2) the issue is being addressed outside the Agency (i.e., BOLI, ERB, workers compensation or court);
   3) non-workplace disputes;
The Agency and Union will make quarterly reports to the Worksite Committee on the mediation program.

(c) the grievance process. The first meeting would serve as the first step and the grievance would be sent to the Agency Head as Step 2. The employee and supervisor will submit a letter of explanation for proceeding directly to Step 2 of the grievance process without requesting mediation. The timelines in the Contract apply.

Implementation Procedures:
The President and Office of Human Resources Manager shall, within thirty (30) calendar days from the date the successor Agreement becomes effective, meet to:

1. Update and implement an Agency communications plan.

2. Review and update the current procedure for assigning mediation panels. There will be a review of the current mediator list.

3. Update the training plan for mediators, if such a plan is needed.

4. Review the quarterly reporting process and update it, if needed. Quarterly reports may include, but not be limited to the number of mediations, the subject matter mediated, the number of agreements and any program issues that are being addressed.

The above work will be completed within sixty (60) calendar days from the first meeting.

LETTER OF AGREEMENT 26.00-99-14

Article 26--Differential Pay

IS Team Leader

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) and the SEIU Local 503, OPEU (Union).

The purpose of this Agreement is to establish a ten percent (10%) Information Services Team Leader Differential for all Agencies that assign such duties to bargaining unit employees under the following conditions:

1. (a) Bargaining unit employees occupying positions that are classified as Information Specialist 1-8 will be eligible for the differential in accordance with Section 1(e) of this Agreement.
(b) The differential shall be ten percent (10%) beginning from the first day the duties were formally assigned in writing.
(c) Bargaining unit employees shall not be eligible for any work out-of-class pay, leadwork differentials or any other premium pay except for overtime and penalty payments as compensation for team leader duties. If an employee receives more than one (1) differential (except overtime as mandated by the FLSA), the differentials will be calculated on the base so that no “pyramiding” occurs (i.e., if an employee is receiving the team leader differential and out-of-class differential, the two (2) differentials would be calculated separately and then added onto the base pay).
(d) The differential shall be ten percent (10%) above the employee’s base salary rate.
(e) For a bargaining unit employee to be eligible for the differential, the Agency must formally assign the employee in writing to perform team leader duties, the employee leads a team of employees and performs substantially all of the following duties under supervisory direction:
(i) Plans for short and long term needs of team, including such areas as technology to be used, user requirements, resources required, training necessary, methods to accomplish work, multiple project timelines and competing priorities.
(ii) Establishes and coordinates multiple interrelated project schedules for all projects on which the team is working.
(iii) Works directly with multiple users to identify broad user needs and requested timelines when projects are submitted for the team.
(iv) Provides technical/operation guidance to contractors and monitors quality assurance.
(v) Develops technical standards and monitors team members’ work for compliance.
(vi) Performs leadwork duties on a recurring daily basis as listed in Article 26, Section 6 of the Master Agreement which are to orient new employees, if appropriate, assign and reassign tasks to accomplish prescribed work efficiently, give direction to workers concerning work procedures, transmit established standards of performance to workers, review work of employees for conformance to standards and provide informal assessment of workers’ performance to the supervisor.

2. Bargaining unit employees shall not be eligible for the differential if they are on voluntary developmental training assignment.

3. (a) If an employee believes that he/she is performing the duties that meet the criteria stated in Subsection 1(e), but the duties have not been formally assigned in writing, the employee may notify the Agency Head in writing. The Agency will review the duties within fifteen (15)
calendar days of the notification. If the Agency determines that Information Services Team Leader duties were in fact assigned and are appropriate, the differential will be effective beginning with the day the employee notifies the Agency Head of the issue.

(b) If the Agency determines that the duties were in fact assigned but should not be continued, the Agency may remove the duties during the fifteen (15) day review period with no penalty.

(c) If the Agency concludes that the duties are not Information Services Team Leader duties, the Agency shall notify the employee in writing within fifteen (15) calendar days from receipt of the employee’s notification to the Agency Head.

4. This Agreement terminates June 30, 2019, unless extended or eliminated by mutual agreement of the Parties.

Article 26—Differential Pay
Facility Energy Technician 2 & Facility Maintenance Specialist

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) on behalf of the Department of Fish and Wildlife (Agency) and the SEIU Local 503, OPEU (Union).

Due to budget restrictions, the Agency is planning to abolish a Facilities Maintenance Specialist position, Position No. 2700300, Classification No. C4012. The incumbent in the position is demoting to a Fish and Wildlife Technician, Position No. 0507038, Classification No. C8341. As a Facilities Maintenance Specialist, the incumbent employee possesses and used a Limited Maintenance Electrician License (LME) in the normal course and scope of his duties. Changing a Filled Bargaining Unit Position from Non-Exempt to Exempt Status

This Letter of Agreement is entered into between the Department of Administrative Services, Labor Relations Unit (DAS, LRU), on behalf of the State of Oregon (Employer), and the SEIU Local 503, OPEU (Union) as it pertains to eligibility for overtime under Article 32–Overtime, of their 2009-2011 Collective Bargaining Agreement.

The Employer and the Union agree as follows:

1. DAS, LRU shall provide the Union with no less than twenty (20) days written notice of its intent to exempt from overtime a filled bargaining unit position. DAS, LRU agrees not to change the position’s designation during this twenty (20) day period.

2. Employees may challenge their position’s designation by providing notice and requesting a desk audit to the Agency Human Resources Department. The Agency shall conduct the desk audit and make a determination in writing within thirty (30) days of the request, or as extended by mutual agreement.

3. Should the Union decide to contest the proposed change in status, it shall serve DAS with written notice of such intent within twenty (20) days of its receipt of the notice. Should such notice be given, DAS, LRU will forego implementing the change in designation for an additional forty (40) days, beyond the initial twenty (20) day period. The purpose of this forty (40) day period is to allow time to investigate whether there are grounds to contest the proposed change in status. If the Union decides to pursue challenging an exemption it must file with Department of Labor (DOL)/Bureau of Labor & Industries (BOLI) prior to the end of this forty (40) day period. In such event, DAS, LRU agrees to forego implementing a change in designation until the matter is resolved by way of DOL/BOLI decision, settlement or other manner.

4. If timely notice indicating intent to contest the exemption during the initial twenty (20) day period is not received or if the Union does not proceed forward during the subsequent forty (40) day period, the position’s designation shall be changed, and the Parties agree not to contest the status of this position during the remainder of this contract term, unless the position’s duties should materially change such that the exemption is no longer warranted.

5. For purposes of this Agreement, written notice may occur by personal delivery, fax, email or mail (postmark) within the time frames cited above.

Straight-Time Eligible Positions—DDS Medical Consultants

This Letter of Agreement is entered into between the State of Oregon by the Department of Administrative Services, Labor Relations Unit, on behalf of the Department of Human Services, DDS, and the SEIU Local 503, OPEU.

DDS Medical Consultants are eligible under Article 32, Section 4(b) of the contract to receive one (1) hour of compensatory time off for each hour of overtime worked in excess of eight (8) hours per day or forty (40) hours per week. Payment in cash for such hours can only occur if time off requests are denied for use of accrued leave before the year ends, which then results in forfeiture. Due to current workload backlog, these employees will have little opportunity for taking compensatory time off. As a result, the Parties have agreed employees may choose to receive either straight-time pay or compensatory time off for each hour of overtime worked in excess of eight (8) hours per day or forty (40) hours per week.

This Letter of Agreement is non-precedent setting and will sunset on June 30, 2019.

Article 32.2C–Overtime
Overtime Selection: CNA & LPN Volunteers (OSH)

This Letter of Agreement is entered into between the SEIU Local 503, OPEU and the State of Oregon by and through the Labor Relations Unit of the Department of Administrative Services, on behalf of the Oregon State Hospital. The Parties agree to the following protocol for the assignment and equalization of overtime opportunity.

1. Overtime shifts will be distributed equitably among available employees within two (2) specified time periods each month.

   • To implement Article 32.2C, Section 3 and equalize MHT series voluntary overtime to the greatest extent feasible within a program, overtime shifts will be offered in the following order:

   (a) To qualified MHT series volunteers within the program.

   (b) To other MHT series qualified volunteers when there are no qualified volunteers within the program.
APPENDIX A – LETTERS OF AGREEMENT

(c) To other qualified volunteers when there are no MHT series qualified volunteers.

- To implement Article 32.2C, Section 3 and equalize LPN voluntary overtime to the greatest extent feasible within a program, overtime shifts will be offered in the following order:

  (a) To qualified LPN for LPN positions within the program.
  (b) To other LPN volunteers when there are no LPN volunteers within the program.

- Available overtime will be assigned bi-monthly. The first time period will include the 1st through the 15th of the month. The second time period will include the 16th through the end of the month.

- Requests to work first period overtime will be accepted by staffing personnel between the 15th and the 20th of the preceding month. Requests to work second period overtime will be accepted between the 1st and 5th of that current month.

- Staffing personnel will review and evaluate each request for voluntary overtime in a given time period and distribute available overtime shifts as equitably as is feasible among the qualified requestors. Employees will be notified in writing, including e-mail, regarding granted first period overtime by the 23rd of the preceding month and second period overtime by the 8th of the current month. Should the 23rd and/or 8th fall on a weekend or holiday, such notification will occur on the next administrative work day.

- An employee who volunteers for an overtime shift that was not granted will be placed on an availability list for that date/shift. If it becomes necessary to schedule additional staff, the list will be reviewed and the overtime offered first to the qualified individual who has been granted the least amount of overtime for that time period. If that employee cannot be reached, or turns down the overtime opportunity, the overtime will be offered to the next individual on the list.

- An employee may not pre-schedule him/herself to fill more than one documented vacancy for a specified shift or portion thereof. Each overtime opportunity offered or worked will count as one (1) unit for purposes of equalization, regardless of the amount of time actually offered or worked. Voluntary overtime will be equalized as feasible within the bi-monthly time periods. Overtime units from the previous time periods will be used to determine equalization for current scheduling period.

2. Volunteers outside the program must meet the following criteria to be considered qualified:

   (a) The employee must hold either a non-encumbered CNA or LPN;
   (b) The employee must be current in all mandatory unit training;
   (c) The employee must hold a position at Salary Range 20S or below, or as an LPN at Salary Range 22S;
   (d) The employee must have completed program orientation or worked an overtime assignment within the past ninety (90) days in that Program area; and
   (e) Acceptance of the overtime assignment cannot interfere with the employee’s regular work schedule.

It is understood that OSH is not responsible for providing employees with hours so they may qualify for recertification as a CNA or LPN.

Qualified employees who accept a voluntary overtime assignment are expected to work the hours. If an employee decides to cancel their scheduled voluntary overtime shift or portion thereof, they must notify the appropriate supervisor within six (6) hours prior to their scheduled voluntary overtime shift. If an emergency occurs, the employee must notify the appropriate supervisor as soon as practical. Except as specifically modified by this agreement, nothing requires or abridges management’s right to assign or re-assign individuals or groups of qualified employees to regular or overtime shifts where they are needed.

Prior to implementation of any mandate, the institution will exhaust all other options, including on-site volunteers, and a call list of qualified employees. These lists will exclude employees on vacation, sick leave, compensatory time, or other approved time off.

Mandatory overtime will be assigned on a rotating basis from on shift employees from a single list for each program. If it is necessary to mandate an employee, the Agency will first offer the opportunity to qualified employees. If an employee on the mandate list volunteers his/her name will be moved to the bottom of the list. Mandates will be assigned based on the next person who is qualified to work when the mandatory overtime is needed. The mandated employee may choose whether to work on the unit where the overtime is required or work on his/her assigned work unit.

3. For purposes of assigning mandatory MHT overtime, a single list of qualified MHT series employees will be maintained for each shift, in each hospital program.

   Each list shall be comprised of all qualified MHT series employees working in the program. MHT series employees assigned to the on call pool can be mandated into any program for which they are currently qualified. MHT series employees assigned to the relief pool will be mandated in accordance with the position to which they are assigned.
4. For purposes of assigning mandatory LPN overtime, a single list of qualified LPN series employees will be maintained for each shift in each hospital program.

Each list shall be comprised of all qualified LPN series employees working in the program.

Except in an emergency involving public health and safety, employees may not be mandated to work overtime on a day immediately preceding a regularly scheduled day off or an approved vacation on one (1) week or more, or once per fiscal year for vacations of less than one (1) week. Employees that are mandated to work overtime of two hours or more in any of these examples will receive a fifty dollar ($50) penalty payment. Employees that volunteer to work overtime in any of these examples will not be eligible for the penalty payment. Only the Superintendent or his/her designee can determine if an emergency involving public health and safety exists. If an employee is bypassed, he/she shall remain on the top of the list for the next mandatory overtime.

6. The Committee will issue recommended metrics and benchmarks related to the best practices.

7. The Committee will develop and present reports of best practice recommendations, benchmarks, and metrics to the Department of Administrative Services Director, Human Resources Advisory Council, Agency Heads, Human Resource Directors, and the SEIU Local 503 Executive Director.

LETTER OF AGREEMENT 45.00-09-175

Article 45--Filling of Vacancies

Legislative Branch

This Letter of Agreement is entered into between the State of Oregon, acting by and through the Department of Administrative Services, Labor Relations Unit (Employer) on behalf of all Agencies identified in Article 1 and the SEIU Local 503, OPEU (Union).

The purpose of this Agreement is to provide employees who have attained regular status in an SEIU-represented position and who, in the past, would have entered into job rotation agreements with the Legislative Branch, the ability to be reemployed by their former agency into their former classification in which they held regular status.

The Parties agree that Article 45 and all agency-specific coalition language found in Articles 45.1 through 45.5 does not apply to the reemployment of an Executive Branch employee who was employed by the Legislative Branch and then requests reemployment with the former Executive Branch Agency. Specifically, the Agency layoff list does not take precedence over this reemployment, and agencies are not required to comply with any agency-specific language regarding posting of vacancies.

The Parties further agree that the time worked for the Legislative Branch is considered state service for purposes of seniority.

This Agreement is effective until the expiration of the 2015-2019 Collective Bargaining Agreement, and may be extended by mutual agreement.

LETTER OF AGREEMENT 45.1M-13-235

Article 45.1M--Filling of Vacancies

Temporary Work Re-Assignment (DHS/OHA)

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) on behalf of the Department of Human Services and the Oregon Health Authority (Agencies) and SEIU Local 503, OPEU (Union).

For purposes of this Agreement, a temporary work re-assignment that requires an employee to work from a different worksite, as defined in Article 70.1M--Layoff, shall be less than six (6) months.
If a temporary work re-assignment will last longer than six (6) months, the Agency will notify the employee and Union in writing of the anticipated duration of the extension, prior to extending the assignment.

The Agency will notify an employee in writing thirty (30) days in advance of a temporary work re-assignment involving a change in the employee’s worksite of twenty-five (25) miles or more, unless mutually agreed to waive the timeframe. If the change is less than twenty-five (25) miles, the Agency will notify the employee in writing five (5) working days in advance of the temporary work re-assignment, when feasible.

This Letter of Agreement will sunset on June 30, 2019, unless mutually agreed to continue.

**LETTER OF AGREEMENT 45.2C-13-231**

**Article 45.2C—Filling of Vacancies**

**Redistribution to New Units/Shifts (OSH)**

This Letter of Agreement is entered into between the State of Oregon by the Department of Administrative Services (DAS), Labor Relations Unit (LRU), on behalf of the Oregon Health Authority (OHA), Oregon State Hospital (OSH), and the Service Employees International Union (SEIU), Local 503, OPEU/OSH Local 392 (Union), as it pertains to how certain staff will be assigned to work units and schedules due to the delay in opening of patient care units and census reduction mandated by the 2012 Oregon Legislature.

This Letter of Agreement shall expire upon June 30, 2019. This Letter of Agreement is not subject to renewal.

**Background:**

The 2012 Oregon Legislature determined a budget reduction is necessary at OSH. The Legislature recommended the delay of opening four (4) treatment units at OSH. The Administration of OSH determined that the cost savings recommended by the Legislature can be obtained by a temporary delay of opening two (2) units (Bird 2 and Anchors 3), the temporary suspension of service of one (1) medium security unit (Flowers 1), and the temporary suspension of service of two (2) five- (5-) bed cottages into new positions (or vacancies) on existing OSH units. With the decrease in patient census on Flowers 1 and in cottages it is necessary to move staff onto other current work units. This also requires the redistribution of all staff currently working in the Harbors program and the Trails program, and in the cottages to move into a new work schedule plan.

**Agreement:**

OSH and the Union will work together to establish a new schedule pattern for each unit. Within this schedule pattern, OSH and the Union will work together to determine how many employees in each job classification will work on each shift on each unit.

Employees working on the units slated for redistribution shall move into positions in other units at OSH as described below:

**Cottages:**

Employees affected by the temporary suspension of service in these units will have their seniority in job classification established by OSH HR. After the seniority has been established, this list and all new work schedules for cottages and any vacant positions in the Bridges program and in the Springs program will be posted for all cottages employees for eight (8) days. Notification of selection times will be provided to employees beginning with the most senior employee within a job classification to identify their choice of new schedule.

After all of the available slots in the new schedule have been selected by affected cottage employees, those employees unable to select a new schedule in cottages due to lack of seniority will be moved to the “Pre-Tumble” list.

**Flowers 1:**

Affected employees from the Flowers 1 delay in opening will be moved to the “Pre-Tumble” list.

**“Pre-Tumble” Process:**

Once all affected employees have either selected a position or been placed on the “Pre-Tumble” list, then OSH HR will create a new job classification seniority list for those employees on the “Pre-Tumble” list.

A list of units that have positions available and the “Pre-Tumble” seniority list will each be posted for eight (8) days. Notification of selection times will be provided to employees beginning with the most senior employee within a job classification to identify their choice of new work unit.

Once all of the employees on the “Pre-Tumble” list have selected a unit, then those employees will be moved onto the new units’ roster, with the schedule noted as “not yet designated”.

2015-2019 SEIU Local 503/State of Oregon CBA
When all of the new unit rosters are established, OSH HR will create a job classification seniority list for each work unit in the Harbors program and the Trails program.

**Unit Tumble:**

Seniority and work schedules for each unit in the Harbors program or the Trails program will be posted for eight (8) days. Notification of selection times will be provided to employees beginning with the most senior employee with a job classification identifying their choice of new schedule on their assigned work unit.

**LPN Float Pool:**

Because there are more LPNs than positions for LPNs currently, an Interim Float Pool (IFP) will be created for LPNs.

The number of positions in the IFP will be equivalent to the number of LPNs anticipated to be left without regular positions following the LPN Harbors/Trails tumble.

The IFP will be comprised of positions with regular shifts and schedules in each of the three (3) programs (Harbors, Trails and Springs). Shifts and schedules for IFP positions may be subject to periodic alteration based on hospital program staffing needs. Such changes would be subject to the required period of notification outlined in the SEIU collective bargaining agreement (Article 90.2C).

Any LPN who is not able to bid into a position will be placed in the IFP after the Harbors/Trails Tumble.

Following the Tumble, as LPN positions are vacated or become available they will first be offered to the most senior LPN in the IFP. If the most senior LPN declines the position, it will be offered to the next LPN on the IFP seniority list until the position is either accepted or reaches the least senior LPN on the list, who will then be placed in the position. This will continue until all LPNs in the IFP have regular positions. Once LPNs in the IFP all have regular positions, the filling of vacant positions will revert to internal posting for all qualified in-house applicants to bid on.

**Implementation of New Schedules:**

The collaborative process for the tumble will continue, and OSH management will follow the collective bargaining agreement (CBA) to implement the assignments and schedules.

**Right of Return:**

If the cottages re-open prior to June 30, 2019, employees who had been on a Pre-Tumble list would have a first (1st) right of refusal to return to that site (after any legal processes related to Injured Workers or contractual processes related to Agency Layoff Recall rights are completed, if necessary). A person who is no longer a State employee would not retain this right upon separation. Employees would be returned to the classification they were displaced from, as well as to the unit/cottage they were displaced from (i.e., Flowers to Flowers, cottage to cottage).

**LETTER OF AGREEMENT 45.2C-15-253**

**Article 45.2C--Filling of Vacancies**

**Pre-Bid and Filling of Lateral Transfer Process (OSH)**

This Letter of Agreement is entered into between the State of Oregon by the Department of Administrative Services (DAS), Labor Relations Unit (LRU), on behalf of the Oregon Health Authority (OHA), Oregon State Hospital (OSH), and SEIU Local 503, OPEU (Union).

The purpose of this LOA is to establish a position pre-bid system for lateral transfers specific to the MHST, MHTT, MHT1, MHT2, MHTC, Cook 1, Cook 2, Food Service Worker 2, Food Service Worker 3, and Custodian job classifications. This pre-bid system is designed to assist in decreasing the time it takes to fill vacancies as outlined in the lateral transfer process in Article 4.52C.

For the purpose of this LOA, seniority will be defined as continuous service in the employee’s classification series, including Dammash State Hospital. In the event more than one (1) employee has the same seniority date in the series, the employee’s state seniority will be used to break the tie. In the event that a tie cannot be broken by state seniority, the tie will be broken by using the computerized time stamp indicating when the Neo-Gov interest was received. The first (1st) employee who submitted will be the first (1st) processed.

For the purpose of this LOA, the MHTC and MHT2 classifications will be considered equal.

During the established declaration period, all staff in the affected series will be given the opportunity to declare their desire to laterally transfer. This period will coincide with the current vacation bidding blocks (January-March, April-June, July-September, October-December) as follows:

1. A Neo-Gov OSH lateral transfer job announcement will be posted for each job classification from the 1st through the 14th of the month prior to the beginning of the bid block (December, March, June, September) that will include each work location, unit or treatment mall area, and available shift.
2. Employees will apply via Neo-Gov selecting the appropriate lateral transfer recruitment and selecting the work location(s), work area(s) and shift(s) that they are interested in transferring to during the upcoming bid block. There shall be no limit to the number of positions in which an employee can express interest in a lateral transfer.

3. Seniority lists for each classification will be established based on the information submitted via Neo-Gov and will be provided to the hiring manager or designee prior to the start of each bid period.

4. When a vacancy occurs, the seniority list for that particular work location, work area and shift will be pulled. The hiring manager or designee will complete a check with the Office of Human Resources prior to extending a lateral transfer offer to ensure that the most senior candidate is in the current classification, has had no lateral transfers within the last nine (9) months and no discipline within the last six (6) months.

5. The most senior candidate will be contacted at the telephone number and e-mail address listed in the candidate’s Neo-Gov application. A telephone message will be left for candidates who do not answer and the candidate will be given twenty-four (24) hours in which to respond before the hiring manager or designee shall move to the next senior candidate.
   a. If the most senior candidate accepts the position, they will be removed from the bid block list. Once a position has been accepted, the candidate may not withdraw their acceptance.
   b. If the most senior candidate declines the position, their name will be removed from that work area and shift only for the remainder of the bid block period and the established seniority list will be followed until the list is exhausted.
   c. If the most senior candidate has not accepted and/or declined the position within twenty-four (24) hours of the verbal offer by the hiring manager and/or designee, the candidate’s name will be removed from the list for that work location and shift and the established seniority list will be followed until the list is exhausted.

6. An employee that does not respond to an offer within twenty-four (24) hours for more than three (3) consecutive offers will be removed from consideration for the remainder of the current quarter.

7. Vacant positions that remain unfilled after all eligible employees are given the opportunity to transfer will be posted through the open competitive recruitment process.

8. An employee who is granted a lateral transfer through the bid block process shall not be eligible to laterally transfer again for nine (9) months.

9. If an employee is denied lateral transfer opportunity because of disciplinary action and the discipline is subsequently completely removed through grievance resolution, that employee shall be allowed to receive the appropriate consideration for two (2) subsequent vacancies of his/her choice within the current bid block period, regardless of seniority considerations as outlined in section number 4 of this Letter of Agreement.

This Letter of Agreement shall not supersede other Letters of Agreement regarding Article 45.2C related to return right language resulting from a unit closure.

An employee that is removed from trial service after a promotion (either voluntarily or by management) and subsequently returns to their previous classification, will retain continuous seniority in their previous classification.

This Letter of Agreement is effective until the expiration of this contract, and will expire automatically on the expiration date of the complete Agreement, unless the Parties mutually agree otherwise.

This Letter of Agreement is not precedent setting.

LETTER OF AGREEMENT 45.5A-07-149
Article 45.5A--Posting of Vacancies
Transition of Positions – Lord & Farrell Schools (MacLaren & Hillcrest)

This Letter of Agreement is entered into by the State of Oregon, acting through its Oregon Department of Administrative Services, Labor Relations Unit (Employer) on behalf of the Oregon Department of Education (ODE/Agency), and SEIU Local 503, OPEU (Union).

The Parties agree to follow the procedure below for the transition of positions and job functions currently assigned to Lord’s School at MacLaren and Farrell School at Hillcrest.

1. This Agreement pertains only to present and future vacant ODE positions represented by the Union assigned to Lord and Farrell Schools located at the MacLaren and Hillcrest Youth Authority facilities, respectively.
2. When positions become vacant at either Lord or Farrell School, the Agency agrees to post the vacant position for current employees to consider a lateral transfer consistent with Article 45.5A of the Collective Bargaining Agreement. Under this provision, current employees would receive an opportunity to transfer to the vacated position.

3. In the event a vacant position is filled with a transfer from another represented position, the subsequent position would then be similarly posted.

4. The Parties agree that where a vacancy is not filled by transfer, the Agency may seek to have the Oregon Department of Education contracted provider perform those duties as part of its Youth Corrections education services contract with the Agency.

5. This Agreement will sunset on June 30, 2019.

LETTER OF AGREEMENT 49.1C-01-63
Article 49.1C--Trial Service
Business and Employment Service Specialist
Trial Service (Employment)

This Letter of Agreement is entered into between the Department of Administrative Services, Labor Relations Unit, on behalf of the Employment Department and SEIU Local 503, OPEU.

Section 1. Each person appointed to a Business and Employment Service Specialist 1 will serve a trial service period of nine (9) months. This period is recognized as an extension of the selection process during which time the employee shall receive extensive required training.

Section 2. The employee will receive a position description and training plan within the first thirty (30) days; an informal evaluation at three (3) months; a written performance appraisal at six (6) months; and an updated training plan for the last three (3) months.

Section 3. When in the judgment of the Appointing Authority, performance has been adequate to clearly demonstrate the competence and fitness of the employee, the Appointing Authority may at any time appoint the employee to regular status. If the employee does not receive a written performance appraisal by the end of the first six (6) months, the employee will automatically assume permanent status.

Section 4. Business and Employment Service Specialist 1’s will not be reclassified to Business and Employment Service Specialist 2’s until they have been employed in the position for twelve (12) months, regardless of completion of the trial service period.

Section 5. Nothing in this Letter of Agreement is intended to modify any other provisions and benefits which the employee would otherwise be entitled to receive after an initial six (6) month trial service.

This Agreement is effective July 1, 2015 through June 30, 2019.

LETTER OF AGREEMENT 49.1M-03-72
Article 49.1M--Trial Service
Disability Analyst 1 (DHS-OHA)

For those employees hired in the Disability Determination Services section of the Department of Human Services in the classification of Disability Analyst 1 trial service will be nine (9) months. However, the trial service period will be six (6) months for an employee who has prior experience evaluating or adjudicating applicants for Social Security Disability Insurance and Supplemental Security Income in another state, and as a result of that experience, is not required to attend Basic Disability Analyst training. The performance expectations for those employees serving a nine (9) month trial service period shall be adjusted in consideration of the period of initial training required.

To insure that Disability Analyst employees continue to be successful in completing their training and nine (9) month trial service period, the Parties agree that the training evaluation committee has been created for the purpose of on-going evaluation of this effort. It is further agreed that this committee should comprise an equal number of labor and management representatives. Recommendations developed by this committee will be submitted to whomever the DDS Administrator reports to.

This Letter of Agreement is intended to replace the Article 49, Section 3, Clarification of Intent Letter dated 8-1-01.

Lastly, this Letter of Agreement will continue through the 2015-2019 Contract term unless agreed otherwise by the Parties.

2. When mandated to work on a holiday, as outlined in Article 58.2C, Section 3, the affected employee(s) shall receive the opportunity to decline their next mandated overtime shift and move to the bottom of the mandate list.

This Letter of Agreement automatically sunsets on June 30, 2019.

Article 58.3--Holidays

In the event that the DMV adjusts to being open on weekends, the following provisions will apply:

1. When a holiday falls on a Saturday, DMV offices will close on Friday, the observed holiday and Saturday (the official holiday). Employees will be paid up to eight (8) hours holiday pay in accordance with Article 58, Section 3 for the observed holiday, and will have their choice of using available accrued leave (except sick leave) or authorized leave without pay for the additional closure day. Subject to operating needs, employees may be authorized to adjust their work schedules during the workweek or be permitted to work at an office which is open on Monday of that week. Such schedule changes are not subject to the sixty (60) consecutive hours off within Article 90.3A nor will they cause any form of penalty pay.

2. For DMV field offices, during any week involving a holiday, employees will be placed on a five (5) day, eight (8) hour schedule.

**LETTER OF AGREEMENT 90.2C-13-223**

**Article 90.2C–Work Schedules**

**Meal Breaks and Rest Periods (OSH)**

This Letter of Agreement is entered into between the State of Oregon by the Department of Administrative Services (DAS), Labor Relations Unit (LRU), on behalf of the Oregon Health Authority (OHA), Oregon State Hospital (OSH), and the Service Employees International Union (SEIU), Local 503, OPEU/OSH Local 392.

This Letter of Agreement (Agreement) modifies Article 90.2C–Meal Break, Section 6, Rest Periods, of the 2015-2019 SEIU Collective Bargaining Agreement.

**Background:**

Meal and rest periods (breaks) are specified in OAR 839-020-0050 Meal and Rest Periods. The purpose of this rule is to prescribe minimum meal periods and rest periods for the preservation of the health of employees.

However, the provisions of the rule may be excepted by the Collective Bargaining Agreement, pursuant to Section (7), which specifies, “The provisions of this rule regarding meal periods and rest periods may be modified by the terms of a collective bargaining agreement if the provisions of the collective bargaining agreement entered into by the employees specifically prescribe rules concerning meal periods and rest periods.”

**Reasons for the Letter of Agreement:**

1. The OSH is a psychiatric hospital whose mission is to provide therapeutic evidence-based, patient care treatment focusing on recovery and community reintegration all in a safe environment. The OSH operates twenty-four (24) hours a day, seven (7) days per week.

2. At OSH, there are multiple factors involved when scheduling and providing paid rest periods (breaks). Such factors also involve difficulty in the actual implementation of paid rest periods. Factors may include, but are not limited to: staffing pattern and shortage, patient care and safety.

3. This Agreement will allow exception to OAR 839-020-0050. The current language in Article 90.2C, Section 6, Rest Periods, specifically prescribes rules concerning rest periods.

4. Within the context of the rule, the Collective Bargaining Agreement and this Letter of Agreement, management retains the right to establish and manage work schedules at OSH.

**Components of the Letter of Agreement:**

1. Based on operational necessities, as identified by management, employees may combine their unpaid meal break with one (1) fifteen (15) minute break. This combination of breaks will not happen within the first (1st) or last hour of an employee’s shift.

2. This Agreement applies to LPN and MHT staff.

3. This Agreement is non-precedent setting.

**Meal Periods.** The thirteen (13) hour and twenty (20) minute shifts of consecutive hours of work, except for interruption of any unpaid meal periods shall constitute a regular scheduled workday. There shall be one (1) thirty (30) minute lunch period for each thirteen (13) hour and twenty (20) minute shift, as near as possible to the midpoint of each shift.
Rest Periods. There shall be three (3) fifteen (15) minutes paid, on-duty, rest periods per thirteen (13) hour and twenty (20) minute shift, two (2) of which may be combined if unit scheduling of workload permits. However, removal from this weekend shift schedule and assignment to the regular workweek schedule may be utilized as an early step of progressive discipline in performance-related matters and such removal is subject to Article 21--Grievance and Arbitration Procedure.

   Article 32--Overtime, is hereby modified to provide that each employee will be paid straight time for the total thirteen (13) hour and twenty (20) minutes. Time and one-half (1½) will be paid for hours in excess of the three (3) thirteen (13) hour and twenty (20) minute shifts in the seven (7) consecutive twenty-four (24) hour periods.

   Article 58--Holidays, is hereby modified to provide that each employee shall be paid in cash, unless compensatory time off is requested by the employee, at the overtime rate of time and one-half (1½) for recognized holidays that actually fall on the weekend, provided each employee works the full thirteen (13) hour and twenty (20) minute shift, or the affected employees will be scheduled off with eight (8) hours holiday straight time pay to count towards the forty (40) hour workweek. Eight (8) hours of holiday to be paid in cash or compensatory time shall be coded appropriately.

   Article 70--Layoff and Recall, shall be followed, except where an employee has received notice of layoff, he/she must desire a thirteen (13) hour and twenty (20) minute shift. If an employee does not desire a thirteen (13) hour and twenty (20) minute shift, the employee may displace the employee with the lowest service credits in a position outside the special weekend shift.

   Article 121.2--Education, Training and Development, shall be followed noting that Article 40, Section 2 will be followed if training needs require a schedule change.

4. The Parties agree to meet not more than forty-five (45) days from the implementation date of this Agreement to discuss and review the progress of this schedule. SEIU Local 503, OPEU Local 392 may initiate such meetings. The Agency agrees to meet with the Local before exercising its final cancellation right outlined above.

5. This Letter of Agreement expires upon the expiration of this Contract, unless extended by mutual agreement.

The Parties agree to the following:
Section 1. Application.
This Agreement covers all SEIU Local 503, OPEU-represented employees who are required to possess a commercial driver license and perform safety-sensitive functions in all Agencies where the Union is the bargaining agent. This Agreement is specifically limited to meeting the alcohol and drug testing requirements pursuant to Federal Department of Transportation regulations for CDLs and applicable law.

Section 2. Term of Agreement.
This Agreement ends June 30, 2019 except as otherwise noted.

Section 3. Payment for Testing.
Agencies will pay for random, reasonable suspicion, post-accident and return to duty testing. If an employee wants additional tests conducted, the employee pays for the test. As used herein, a drug test may include both the initial test and confirmation of a single specimen.

Where an employee with a positive alcohol/drug test result is offered a last chance agreement by the Agency, which the employee signs, the Agency will pay for the first six (6) follow-up tests required by the certified substance abuse professional.

Section 4. Pre-Employment Testing.
A pre-employment drug test will be conducted under the following conditions, except where conditions listed in Part 382.301(b)(c) are met:
(a) New hire to the Agency, unless the employee meets the requirements outlined in the regulations.
(b) Return from layoff.
(c) Reemployed as a seasonal employee.
(d) Promotions, demotions and transfers where the employee moves into a position that requires a commercial driver license.
(e) Where an employee possesses a commercial driver license and receives a new assignment requiring the possession of a CDL yet does not change positions.

Section 5. Consequences of Positive Tests.
When an Agency receives notice of an employee's positive test, the Agency will take one (1) or more of the following actions in addition to removing the employee from safety-sensitive functions.

   4. Take disciplinary action pursuant to the requirements of the Agreement.

   In the case of pre-employment testing for promotions, demotions or transfers where the employee is moving from a position that does not require a CDL to a position that requires a CDL, an additional option is to rescind the appointment.
(b) Post Accident, Follow-Up and Return to Duty Testing.

   This Agreement does not waive employee rights under Part 382.505 as it applies to alcohol test results of 0.02 to 0.039.

   The Parties acknowledge that an Agency, at its own discretion, may decide to offer a last chance agreement to an employee as an alternative to termination. However, nothing in the Master Agreement or this Agreement shall preclude an Agency from issuing a lesser form of discipline in conjunction with offering a last chance agreement. Last chance agreements will not include blood testing or additional follow-up testing not required by the certified substance abuse professional. The duration of a last chance agreement shall be for a period of five (5) years starting from the effective date of the last chance agreement. After the five (5) year period, the last chance agreement will be removed from the employee's personnel file.

Section 6. Use of Leaves.
(a) An employee will be granted Agency time for actual testing, traveling to and from the test site if such travel is required and for meeting with the Medical Review Officer if such meeting is necessary.
(b) An employee who tests positive in a random, reasonable suspicion or post-accident test can use any accrued leave or leave without pay pursuant to the terms of the Agreement when removed from his/her position when the Agency does not assign the employee non-safety-sensitive functions to perform.
(c) An employee can use accrued leave or leave without pay pursuant to the terms of the Agreement to enroll in and participate in a rehabilitation program and for meeting with the certified substance abuse professional if such meeting is required.
(d) If test results are later found to be negative, and the employee used accrued leave when removed from a safety-sensitive function, the employee's leave accrual balance will be restored.

Section 7. Refusal to Test.
An employee will be terminated pursuant to the requirements of the Agreement.

Section 8. Definition of "Accident" for Purposes of Post-Accident Testing.
The definition of “accident” shall be the same as the definition contained in Part 390.5 of the Federal Regulations. Post-accident testing shall be limited to the driver of the commercial motor vehicle pursuant to Part 382.303(a) of the federal regulations.

Section 9. Status of Person on Return from Layoff and Seasonal Rehire.
The consequences for a person on a return from a layoff list or seasonal rehire list as a result of a positive test will be the following:
(a) Return from Layoff.
   1. Alcohol test results of 0.04 or greater or a positive drug test. Upon notice from the employee, the Agency will consider that he/she exercises his/her one (1) right of refusal under the Agreement and continues on the list pursuant to the terms of the Agreement.
   2. Alcohol test results of less than 0.04. The Agency will require that the employee take a return to duty test. If the test is negative, the person will be hired. written verification of a positive drug test after the Agency receives such written verification of a positive drug test.
(b) The number of random drug tests conducted and the number of positive drug tests will be sent to the Union on a quarterly basis.
(c) Upon the Union’s written request, the Agency will obtain from the State Contractor, the location of prior random drug testing for the previous
calendar quarter for the Agency for which the Union seeks such information. The Union shall pay any costs associated with obtaining the

   1. Temporarily assign the employee to non-safety-sensitive functions while awaiting the outcome of a requested split sample test;
   2. An employee shall be unscheduled while awaiting the outcome of a requested split sample test, if the Agency does not assign non-safety-sensitive functions;
   3. Terminate the temporary appointment.
(b) Pre-Employment Tests.
   1. In the case of pre-employment testing where the employee is moving from an assignment that does not require a CDL to an assignment that requires a CDL, an additional option is to rescind the appointment.
   2. In the case of initial or subsequent temporary appointments, the Agency shall rescind the offer of appointment.

Section 6. Agency Time.
An employee will be granted Agency time for actual testing, traveling to and from the test site if such travel is required and for meeting with the Medical Review Officer if such meeting is necessary.

Section 7. Refusal to Test.
A temporary employee’s appointment will be terminated.

(b) The number of random drug tests conducted and the number of positive drug tests will be sent to the Union on a quarterly basis.
(c) Upon the Union’s written request, the Agency will obtain from the State Contractor, the location of prior random drug testing for the previous calendar quarter for the Agency for which the Union seeks such information. The Union shall pay any costs associated with obtaining the information requested by the Union.

LETTER OF AGREEMENT 00.00-05-137
Work Capacity Testing (Forestry)

This Agreement is by and between the State of Oregon, through its Department of Administrative Services, hereinafter called the “Employer,” Oregon Department of Forestry, hereinafter called the “Agency” and the SEIU Local 503, OPEU, hereinafter called the “Union.”
The Parties agree to the following:

Section 1. Application.
This Agreement covers all regular status SEIU Local 503, OPEU-represented Oregon Department of Forestry employees whose position description or assigned fire duties requires an Incident Command System (ICS) certification with an associated fitness level.

Section 2. Work Capacity Testing.
(a) The Agency will utilize Work Capacity Tests (WCT) consisting of three (3) separate identified fitness levels in order to ensure that Agency employees assigned fire related duties in an ICS position with an identified fitness level meet the standard fitness level for their respective ICS position. The fitness level for each position shall be identified and shall be included in position descriptions and shall identify the duties assigned which justify the fitness level. Employees will not be allowed to participate in a test more arduous than their ICS certification fitness level requires.

(b) Work Capacity Testing is divided into three (3) separate levels of testing, depending on the fitness level associated with individual ICS positions as follows:

- Arduous: this Pack Test consists of completing a three (3) mile hike with a forty-five (45) pound pack over level terrain in forty-five (45) minutes or less.
- Moderate: this Field Test consists of completing a two (2) mile hike with a twenty-five (25) pound pack over level terrain in thirty (30) minutes or less.
- Light: this Walk Test consists of completing a one (1) mile hike over level terrain with no weight in sixteen (16) minutes or less.

Section 3. Pre-Test Medical Screenings.
(a) The Agency will utilize a two (2) step risk screening process for all employees required to take a WCT. Both screenings must be completed prior to taking any level of WCT. The purpose of the two (2) step risk screening process will be to determine whether Agency employees can either safely take or cannot safely take the WCT. Pre-test screenings will be provided to the employee at no cost, unless the employee chooses to use their own medical provider.

(b) Cardiovascular Risk Assessment: This first assessment will be utilized to determine employee's level of cardiovascular risk, if any, and will be the first step in preparation for the second screening. This first step of the screening will consist of the following four components:

- blood glucose level identification;
- cholesterol level identification;
- blood pressure measure; and,
- body mass index calculation.

(c) Health Screening Questionnaire: This will be the second step of the pre-test medical screening and will utilize employee information gathered from the previous Risk Assessment. Employee responses to this questionnaire will be masked (hidden) from any reviewer, preventing medical information from being seen by the reviewer. Employee specific health-related information will be kept completely confidential throughout this process.

(d) Pre-test medical screenings and WCT will be conducted on employee paid time.

Section 4. Work Capacity Test Administrators.
WCT Administrators will inform employees of the results of the Health Screening Questionnaire. WCT Administrators will be certified as WCT Administrators.

Section 5. Medical Certification.
(a) Medical certification from a licensed physician attesting to the employee's ability to safely perform arduous, moderate or light level fire duties with restrictions may be substituted for passing the equivalent level of WCT. Such medical certification cannot be substituted when an employee has failed any WCT in that calendar year.

Section 6. WCT Administration.
WCT Administrators are responsible for the collection of the Health Screening Questionnaire prior to allowing employees to test. WCT Administrators are responsible for ensuring that while five (5) or more employees are testing, first aid/CPR/AED, communications to emergency services and a signed medical plan are present at the test site.

Section 7. Costs.
(a) The pre-test medical screenings and WCT will be provided by the Department of Forestry at no cost to employees who are required to take the WCT.

(b) Medical certifications obtained from licensed physicians as described in Section 5 will not be provided by the Department of Forestry. The Employer will reimburse employees up to fifty dollars ($50.00) per calendar year for any costs associated with obtaining medical certifications from a licensed physician pursuant to Section 5. All other costs associated with such certifications will be the responsibility of the employee.

Section 8. Conditioning Program.
The conditioning program adopted in 2004 will be made available to all ODF employees free of charge.

Section 9. Alternatives for Non-Strikeable Permanent Employees.
Employees whose terms and conditions of employment include passing the WCT shall pass the WCT at the appropriate fitness level or obtain a medical certification per Section 5. If the employee does not successfully pass the WCT on their second (2nd) attempt they shall be assigned suitable work, consistent with their fitness level for the duration of the fire season. If, in the following season, the employee is again unsuccessful in passing the WCT on their first (1st) attempt, Human Resources shall be notified.
Section 10. Alternatives for Non-Strikeable Seasonal Employees.
Seasonal employees shall pass the WCT at the appropriate fitness level or obtain a medical certification per Section 5. If the employee does not successfully pass the WCT on their second (2nd) attempt, they may be assigned suitable work, if available, for the duration of the fire season. Alternatively, at the employee’s choice, they may elect not to be recalled in which case they shall have their name returned to the recall list for the following season.

If, in the following season, the employee is again unsuccessful in passing the WCT on their first (1st) attempt, they will be deemed to have resigned.

Section 11. Alternatives for Strikeable Employees.
Employees whose terms and conditions of employment do not include passing the WCT, and seek to perform duties with an associated fitness level, shall pass the WCT at the appropriate fitness level or obtain a medical certification per Section 5.

Section 12. Statistics.
ODF will maintain statistics during the course of this LOA period to include the number of people who take the WCT, those who pass and those who fail by testing level for each area.

Section 13. Effective Date.
This Letter of Agreement continues until June 30, 2019, unless extended or eliminated by mutual agreement of the Parties.

2. This Agreement shall only apply to the Agency.

3. This Agreement shall not establish a precedent in any future negotiations on the subject of Employee Length of Service Awards Programs.

4. This Agreement shall automatically terminate June 30, 2019.

LETTER OF AGREEMENT 00.00-09-166
Performance Incentive Awards Plan For Services To Veterans

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (DAS) (Employer) on behalf of the Oregon Employment Department (OED) (Agency) and the SEIU Local 503, OPEU (Union).

1. The purpose of this Letter of Agreement is to authorize the Oregon Employment Department to administer a performance incentive awards program to encourage quality employment training and placement services for veterans as directed by Public Law (P.L.)107-288, Section 4112, United States Code Title 38, Chapters 41 -43 and modified by P.L. 109-461. The Agency’s program will substantially follow the Performance Incentive Awards Plan for Services to Veterans. Eligible recipients, which include other SEIU-represented agencies and staff are defined in the plan as: Community College Workforce Development Staff, workforce partners such as Dislocated Worker Program, and joint OED/WIA partners and one-stop office teams working on specific veteran events.

2. The Oregon Employment Department may, in its sole discretion, discontinue the program at any time by giving seven (7) days written notice to the Union.

3. Neither this Letter of Agreement nor any provision of the Program is subject to Article 21, Grievance and Arbitration Procedure.

4. This Letter of Agreement is effective upon signature and expires June 30, 2019.

LETTER OF AGREEMENT 00.00-13-237
Parks Volunteers (OPRD)

The Parties mutually agree volunteers are an integral part of Oregon Parks and Recreation Department’s (OPRD) service delivery model and that volunteer work assignments must be made to complement and augment employee work assignments, rather than replace or duplicate them.
The Parties agree to use the OPRD Labor/Management Committee (LMC) forum to meet and discuss strategies for ensuring this message is communicated consistently across the Agency. The LMC’s recommendations will follow their normal course.

LETTER OF AGREEMENT 00.00-13-238

Telecommuting

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) and SEIU Local 503, OPEU (Union).

The Parties agree to the following:

The Employer is committed to allowing employees, where suitable, to telecommute or telework pursuant to the statewide Telecommuting and Teleworking Policy (50.050.01). Requests to telecommute or telework shall be considered in order of application and responded to within thirty (30) calendar days. No request to telecommute or telework shall be unreasonably denied or rescinded. If a request is denied or rescinded, management will need to specify the reason for denial or rescission in writing.

Any alleged violations of this Letter of Agreement may only proceed through Step 3 of the grievance procedure and are not arbitrable.

This Agreement becomes effective on the date of the Master Agreement and ends on June 30, 2019.

LETTER OF AGREEMENT 00.00-15-264

Ban the Box

The Parties agree that removing questions about criminal history from job applications is an effective policy to ease hiring barriers and to create fair chances for all people with previous arrests or conviction records to compete for jobs.

Therefore, for SEIU represented positions, the Employer shall eliminate questions on their recruitment announcement, employment application and any supplemental questions on the employment application related to criminal history, unless required by law.

LETTER OF AGREEMENT 00.00-15-266

DHS Disability Determination Service (DDS) Homeland Security Presidential Directive 12 (HSPD-12)

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (DAS) on behalf of the Department of Human Services (DHS) and the SEIU Local 503, OPEU (Union).

Effective October 2015, the Oregon DDS office located within DHS will begin implementation of the HSPD-12 through the Social Security Administration (SSA). Individuals hired into positions after this date within DDS will be required to complete and pass a federal background investigation, including a credit history check. A suitability determination by the Social Security Administration is necessary to determine whether an employee can be issued credentials in order to have access to Social Security disability data, records, and systems. If an employee passes the pre-screening and is offered a position but is subsequently denied suitability, the DDS will revoke access to SSA systems, data and property immediately. At that point, the employee will either be removed from trial service, (if applicable) or the pre-dismissal process will be initiated.

All DDS employees hired prior to October 2015 will be required to complete and pass the HSPD-12 federal background investigation, including a credit history check. However, if any DDS employee hired prior to October 2015 is denied suitability, DHS will hold the employee harmless and offer the employee an alternate position within DHS. DHS will attempt to find a position within the same salary range for the employee, dependent on the ability to meet the minimum qualifications of a position within the same salary range. If DHS is unable to provide the employee with a position within the same salary range, based on an inability to meet minimum qualifications, DHS will continue to seek alternate positions at the next lower salary range, until a position is found in which the employee is able to meet the minimum qualifications of the position.

If the anticipated rollout of the HSPD-12 occurs after the projected date of October 2015, this LOA will be reopened and modified to adjust the effective date of the HSPD-12 for new hires and the held harmless agreement for current employees.

LETTER OF AGREEMENT 00.00-15-267

1. The Agency will continue the Employee Length of Service Awards Program for eligible Agency employees as outlined in DCBS’ Employee Length of Service Awards Policy (dated 1/28/13).

3. This Agreement shall only apply to the Agency.

4. This Agreement shall not establish a precedent in any current or future negotiations on the subject of Employee Length of Service Awards Programs.

5. This Agreement shall automatically expire June 30, 2019.

**LETTER OF AGREEMENT 00.00-15-268**

The policy shall include appropriate recognition items to be awarded starting at five (5) year intervals on an annual basis. No recognition item shall exceed fifty dollars ($50) in value.

2. The Agency shall form an Employee Service Recognition Awards Policy Committee comprised of three (3) labor, and three (3) management for the purpose of making recommendations to Agency Administration. In the interim, the Agency shall continue the current Employee Service Recognition Awards Program practices.

3. This Agreement shall only apply to the Agency.

4. This Agreement shall not establish a precedent in any current or future negotiations on the subject of Employee Length of Service Awards Programs.

5. This Agreement shall automatically expire June 30, 2019.

**LETTER OF AGREEMENT 00.00-15-269**

**Volunteer Firefighter Leave**

Subject to the operating needs of the Agency, management may approve the use of leave for employees to volunteer and respond to an emergency summons issued by the fire chief. An employee, at his/her option, may use authorized leave without pay or any accrued leave, other than sick leave. If requested by management, the employee shall provide a written statement from the chief of the employee’s local fire department verifying the time, date and duration of the employee’s volunteer activities.
