In this Agreement, four types of Article numbers appear. These numbers have different applications. For example, some Articles apply to all Agencies covered under this Agreement, some Articles apply only to the Agencies within a particular coalition, some Articles apply only to a particular Agency within a coalition, and some apply only to temporary employees. The types of numbers used are as follows:

1. Articles which were negotiated centrally and apply to all coalitions and all Agencies within the four coalitions have numbers without any subcategories, e.g.:
   - Article 20--Discipline and Discharge
   - Article 27--Salary Increase
   - Article 56--Sick Leave
   - Article 70--Layoff

2. Article subcategories with no letter following the number signify that the Article applies to all Agencies within a particular coalition, e.g.:
   - Article 18.3--Reorganization Notification (ODOT Coalition)
   - Article 100.1--Security (Human Services Coalition)
   - The last digit in these subcategories identifies the coalition that the Article applies to:
     - .1 Human Services Coalition
     - .2 Institutions Coalition
     - .3 ODOT Coalition
     - .5 Special Agencies Coalition

3. Articles which have subcategories with a letter following the number signify that the Article applies only to a particular Agency within a coalition, e.g.:
   - Article 32.5I--Overtime (OHCS)
   - Article 35.2K--Phone Calls (OYA Administration and Field)
   - Article 70.2A--Geographic Area for Layoff (OYA Youth Correctional Facilities and Camps)

4. Centrally negotiated Articles which have a “T” attached signify Articles that apply only to temporary employees, e.g.:
   - Article 19T--Personnel Records (Temporary Employees)
   - Article 22T--No Discrimination (Temporary Employees)
   - (See Article 2, Section 5(c)(d) for a full listing of Articles and Letters of Agreement which apply to temporary employees.)

If an employee using the Master Agreement is looking for a contractual provision for their particular Agency, they must locate the subject by using either the Table of Contents or the Index.

NOTE: The Parties may elect to assemble and print a coalition agreement in addition to a Master Agreement.

ARTICLE 2—RECOGNITION

Section 1. The Employer recognizes the Union as the exclusive bargaining representative for all classified and unclassified employees in positions represented by the Union in the Agencies listed in Section 2 below. The Union is also the exclusive bargaining representative for temporary state employees in the classified or unclassified service as direct hire temporary employees of the State of Oregon excluding student workers who are in student worker classifications; student law clerks; independent contractors; any temporary employees who are represented by another labor organization; retired state employees; casual labor temporary Agency employees (e.g., Kelly, Manpower, Goodwill Industries, St. Vincent de Paul) not directly employed by DAS; temporary employees in the exempt service as defined in ORS 240.200; school-to-work experience employees; persons hired under exchange programs with the State; prisoners; interns from bona fide educational programs who are fulfilling academic requirements of that program and are completing their degree; and JOBS Plus program participants. Temporary employees represented by the Union are in the Agencies listed in Section 2 below. This recognition does not apply to exempt, supervisory, managerial and confidential employees as defined by law or as determined by the Employment Relations Board.

Section 2.

(a) The Employer and the Union have established a single bargaining unit of employees represented by the Union and employed by the Oregon Youth Authority*, Oregon State Hospital, Pendleton State Delivered Secure Residential Treatment Facility, Oregon Department of Forestry, who are guards, firefighters, and police officers as identified by the Employment Relations Board or as agreed upon by the Parties. The bargaining unit has been modified by the Employment Relations Board to include temporary employees as defined in Section 1.

(b) The Employer and the Union have established a single bargaining unit which is not prohibited from striking. The bargaining unit has been modified by the Employment Relations Board to include temporary employees as defined in Section 1. This unit is made up of employees located at the following Agencies: Department of Agriculture, Commission for the Blind, Oregon Youth Authority**, Department of Human Services, Oregon Health Authority and Oregon Health Authority Institutions (Pursuant to HB2009) (Oregon State Hospital, Pendleton State-Delivered Secure Residential Treatment Facility), Department of Education (including School for the Deaf), Employment Department, Employment Appeals Board, Department of Administrative Services (State Controllers Division, former DGS Divisions, and State Data Center), Oregon Department of Forestry, Department of Justice, Bureau of Labor and Industries, Higher Education Coordinating Commission, State Library of Oregon, Oregon Parks and Recreation Department, Public Employees Retirement System, Department of Revenue, Department of Transportation, Oregon Department of Geology and Mineral Industries, State Treasury Department, Department of Veterans’ Affairs, Department of Water Resources, Department of Consumer & Business Services (including Workers’ Compensation Board), Board of Nursing, Oregon Medical Board, Board of Dentistry, Board of Pharmacy, Mortuary and Cemetery Board, Oregon Mental Health Regulatory Agency, Board of Medical Imaging, Board of Massage Therapists, Occupational Therapy Licensing Board, Board of Examiners for Speech Pathology and Audiology, Board of Naturopathic Medicine, Oregon State Board of Examiners for Engineering and Land Surveying, Oregon Department of Aviation, Oregon Watershed Enhancement Board, Oregon Housing & Community Services, Oregon Department of Fish & Wildlife, and Teachers Standards and Practices Commission.

2021-2023 SEIU Local 503/State of Oregon CBA
Section 4. Exclusion of Filled Positions.
(a) DAS shall provide the Union with no less than twenty (20) days written notice of its intent to exclude a filled bargaining unit position based on supervisory, managerial or confidential status. DAS agrees not to change the position’s designation from represented to management service during this twenty (20) day period.

(b) Should the Union decide to contest the proposed exclusion, it shall serve DAS with written notice of its intent to contest the exclusion within twenty (20) days of its receipt of the notice of intent to exclude. Should such notice be given by the Union, DAS will forego implementing the change in designation for an additional forty (40) days, beyond the initial twenty (20) day period. The purpose of this forty (40) day period is to allow the Union time to investigate whether it has grounds to contest the proposed change in status. If the Union decides to pursue challenging an exclusion, it must file with the Employment Relations Board (ERB) prior to the end of this forty (40) day period. In such event, DAS agrees to forego implementing the change in designation until the matter is resolved by way of ERB decision, settlement, or other manner.

(c) If DAS does not receive timely notice from the Union indicating its intent to contest the exclusion during the initial twenty (20) day period, or if the Union does not file with the ERB during the subsequent forty (40) day period, DAS may proceed to change the position’s designation, and the Union agrees not to contest the excluded status of this position during the remainder of this contract term, unless the position’s duties should materially change such that the exclusion is no longer warranted.

(d) For purposes of this Agreement, written notice may occur by personal delivery, fax, email or mail (postmark) within the time frames cited above.

Section 5. Temporary Employees.
(a) The Employer agrees to utilize temporary employees in accordance with ORS 240.309. Grievances alleging violations of ORS 240.309 may be submitted only by the Union, directly to the Department of Administrative Services level for full and final review.

(b) Temporary employees will have the same rights as other bargaining unit employees as enumerated below:

(1) Same base rate of pay for the appropriate classification for regular status employees. Effective upon signing of this Agreement, rates of pay will be within the ranges, minimum and maximum, according to the Compensation Plan, per Article 27 and salary appendices.

(c) The following Articles apply to temporary employees: Articles 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 10.1C, 10.1M, 10.2, 10.2A, 10.2C, H, 10.2K, 10.3, 10.3A,B,E, 10.3C, 10.3D, 10.5, 11, 14, 15, 17.5, 19T, 19.1M, 19.2K, 21, 22T, 23T, 26T, 27, 29T, 30, 32T, 33.3A, 33.3C, 34, 36T, 36.2K, 36.1M, 37, 48, 56T, 58T, 60T, 90T, 90.3CT, 101T, 113.5B, X, 121T, 123, 130.

(d) The following Letters of Agreement apply to temporary workers: LOA 21.1C-99-07 Employment; LOA 00.00-01-70 CDL Drug Testing.

ARTICLE 3--SCOPE OF AGREEMENT

Section 1. This Agreement binds the Union, its bargaining unit members, and any person designated by it to act on behalf of the Union. Likewise, this Agreement binds the Employer, the Department, the Agency, and any person designated to act on behalf of each.

Section 2. This Agreement supersedes all prior Collective Bargaining Agreements and Letters of Agreement negotiated between the Union and the State of Oregon acting by and through its Department of Administrative Services.

ARTICLE 4--TERM OF AGREEMENT

Section 1.
(a) This Agreement shall become effective on July 1, 2021, or such later date as it receives full acceptance by the Parties, and expires June 30, 2023, except where specifically stated otherwise in the Agreement.

(b) Either Party may give written notice during the period of October 15 – November 15, 2022, of its desire to negotiate a successor Agreement.

(c) Negotiations shall commence the first week of December 2022, or such other date as may be mutually agreed to by the Parties.

Section 2. This Agreement shall not be opened during the term of this Agreement except by mutual agreement of the Parties, by proper use of Article 7--Separability, or as otherwise specified in this Agreement.

ARTICLE 5--COMPLETE AGREEMENT/PAST PRACTICES

Section 1. Complete Agreement. Pursuant to their statutory obligations to bargain in good faith, the Employer and the Union have met in full and free discussion concerning matters in “employment relations” as defined by ORS 243.650(7). This Contract incorporates the sole and complete agreement between the Employer and the Union resulting from these negotiations. The Union agrees that the Employer has no further obligation during the term of this Agreement to bargain wages, hours, or working conditions except as specified below. The Employer agrees that during the term of this Agreement it may not unilaterally change employee wages or hours. “Working conditions” established by a specific provision of this Agreement may not be unilaterally changed. Other “working conditions” not covered by this Agreement may only be changed pursuant to the restrictions and procedures in Section 2.
Section 2. Past Practices.
(a) The Parties recognize the Employer’s full right to direct the work force and to issue work orders and rules and that these rights are diminished only by the law and this Agreement, including arbitrator’s awards which may evolve pursuant to this Agreement, or for temporary employees, decisions resulting from dispute resolution procedures which may evolve pursuant to this Agreement.

(b) The Employer may change or issue new work practices or rules covering permissive subjects of bargaining, including issuing administrative rules over issues which are nonnegotiable and are not in conflict with or otherwise addressed in a specific provision of this Agreement. The Employer agrees to bargain over any proposed changes in “working conditions” or their impact which are mandatory subjects of bargaining.

(1) If the Employer believes the change is a mandatory subject of bargaining, the Parties shall meet within ten (10) days of the Union’s request to meet. One (1) Union Steward from the affected Agency will be allowed to use Agency time without loss of pay or benefits to participate in these negotiations. The Employer will not be liable for any overtime, premium pay, travel reimbursement, or mileage for the Union Steward. If the Union Steward is a temporary employee, while employed, the temporary employee would be unscheduled.

(2) The Union may file an unfair labor practice complaint with the Employment Relations Board if the Employer refuses to bargain. If the Board rules that the change is a permissive or prohibited subject of bargaining, the Union shall withdraw its demand to bargain. If the Board determines the change is a mandatory subject of bargaining, the Parties shall meet to negotiate this subject change.

(3) Notwithstanding ORS 243.698, if after ninety (90) days of bargaining, the Parties do not reach agreement, either Party may exercise its right to utilize the dispute resolution procedures under the PECBA, including the strike-permitted employees’ right to strike (notwithstanding Article 8 of this Agreement), or, for strike-prohibited employees, the right to submit the matter to binding arbitration. Nothing precludes the Parties from requesting mediation within the ninety (90) day period.

ARTICLE 6—LEGISLATIVE ACTION
Section 1. Provisions of this Agreement not requiring legislative funding or statutory changes before they can be put into effect shall be implemented on the effective date of this Agreement or the date otherwise specified in this Agreement. Necessary bills for implementation of the other provisions shall be submitted promptly by the Department of Administrative Services to the Legislative Assembly and both Parties shall jointly recommend passage of the funding and statutory changes.

Section 2. Should the Legislature not be in session at the time agreement is reached, the funding provisions of this Agreement shall be promptly submitted to the Emergency Board by the Department of Administrative Services and both Parties shall jointly recommend passage.

Section 3. Should the Legislature not be in session at the time agreement is reached, all other legislation necessary for the implementation of this Agreement shall be submitted to the next session (whether regular or special) of the Legislative Assembly.

ARTICLE 7—SEPARABILITY
In the event that any provision of this Agreement is at any time declared invalid by any court of competent jurisdiction, declared invalid by final Employment Relations Board (ERB) order, made illegal through enactment of federal or state law or through government regulations having the full force and effect of law, such action shall not invalidate the entire Agreement, it being the express intent of the Parties hereto that all other provisions not invalidated shall remain in full force and effect. The invalidated provision shall be subject to renegotiation by the Parties within a reasonable period of time from such request.

ARTICLE 8—NO STRIKE OR LOCKOUT
The Employer agrees that during the term of this Agreement, the Employer shall not cause or permit any lockout of employees from their work. In the event an employee is unable to perform their assigned duties because equipment or facilities are not available due to a strike, work stoppage, or slowdown by any other employees, such inability to provide work shall not be deemed a lockout.

During the term of this Agreement, the Union shall neither cause nor counsel the members of the bargaining unit to strike, walk out, slowdown, or commit other acts of work stoppage.

Upon notification confirmed in writing by the Department or Agency to the Union that certain bargaining unit employees covered by this Agreement are engaging in strike activity in violation of this Article, the Union shall, upon receipt of a mailing list, advise such striking employees in writing with a copy to the Department of Administrative Services and the affected Department and Agency, to return to work immediately. Such notification by the Union shall not constitute an admission that it has caused or counseled such strike activity. The notification by the Union to employees covered by this Agreement shall be made at the request of the Department of Administrative Services.

ARTICLE 9—MANAGEMENT’S RIGHTS
Except as may be specifically modified by the terms of this Agreement, the Employer shall retain all rights of management in the direction of their work force. Rights of management shall include, but not be limited to, the right to:
(a) Direct employees.
(b) Hire, promote, transfer, assign, and retain employees.
(c) Suspend, discharge, or take other proper disciplinary action against employees.
(d) Reassign employees.
(e) Relieve employees from duty because of lack of work or other reasons.
(f) Schedule work.
(g) Determine methods, means, and personnel by which operations are to be conducted.

ARTICLE 10--UNION RIGHTS
Section 1. Rights/Obligations.
(a) The Union and the Employer agree that there must be mutual respect for the rights and obligations of the Union and the Employer and the representatives of each.
(b) Employees covered by the Agreement are at all times entitled to act through a Union representative in taking any grievance action or following any alternate procedure under this Agreement.
(c) Once a bargaining unit member files a grievance, the employee shall not be required to discuss the subject matter of the grievance without the presence of the Union representative if the employee elects to be represented by the Union.

Section 2. The provisions of this Article and Articles 10.1 through 10.5 cover temporary employees. However, pay status provisions of this Article and Articles 10.1 through 10.5 shall not apply to temporary employees; instead temporary employees will be unscheduled rather than being in pay status or on paid or unpaid leaves for authorized activities. Such activities shall attempt to be scheduled during the temporary employee Steward’s non-work hours.

Section 3. Union Organizer Visitations. Union Organizers, with approval from a responsible manager, shall be allowed reasonable contact with bargaining unit members on Agency facilities. The purpose of these visits will be to meet with Union Stewards, with employees, or management regarding any actions or procedures under this Contract, including but not limited to, employee grievances per Article 21—Grievance and Arbitration Procedure. The Union Organizer will have the right to contact any represented employee in their workplace, as long as it does not interfere with the normal flow of work (e.g., lunch hour, break, before and after workshifts). When the facility is available and proper scheduling has been arranged, the Agency, at the time of the visit, will provide Union Organizers appropriate access to and movement within Agency facilities and buildings, pursuant to current building use policies and/or practices. The Union agrees to provide the Agency and the Department of Administrative Services Labor Relations Unit with a list of authorized representatives.

Section 4. Building Use. Agency facilities may be used for Union activities according to current building use policies, so long as the facility is available and proper scheduling has been arranged.

Section 5.
(a) Bulletin boards. The Agency shall allow the use of reasonable bulletin board space for communicating with employees. Union boards shall not be displayed in the work area except in the designated bulletin board space.
(b) E-Mail Messaging System. Union representatives and SEIU-represented employees may use an Agency’s e-mail messaging system to communicate about Union business provided that all of the following conditions are followed:
   (1) Use shall not contain false, unlawful, offensive or derogatory statements against any person, organization or group of persons. Statements shall not contain profanity, vulgarity, sexual content, character slurs, threats or threats of violence. The content of the e-mail shall not contain rude or hostile references to race, marital status, age, gender, sexual orientation, religious or political beliefs, national origin, health or disability.
   (2) Except as modified by this Article, an Agency shall have the right to control its e-mail system, its uses or information.
   (3) The Agency reserves the right to trace, review, audit, access, intercept, recover or monitor use of its e-mail system without notice.
   (4) Use of the e-mail system will not adversely affect the use of or hinder the performance of an Agency’s computer system for Agency business.
   (5) Group e-mails shall not include attachments or contain graphics (except for the Union logo), and shall be no more than approximately three (3) pages. Recipients of such group e-mails shall not use the “Reply All” function.
   (6) E-mail usage shall comply with Agency policies applicable to all users such as protection of confidential information and security of equipment.
   (7) The Agency will not incur any additional costs for e-mail usage including printing.
   (8) The Union will hold the Employer harmless against any lawsuits, claims, complaints or other legal or administrative actions where action is taken against the Union or its agents (including Union staff, Union officers and Stewards) regarding any communications or effect of any communications that are a direct result of use of e-mail under this Article.
   (9) Such e-mail communications shall only be between SEIU-represented employees and managers, within their respective agency, and the Union. However, for purposes of negotiations, bargaining team members may communicate across agencies. Additionally, DAS recognized joint multi-Agency Labor-Management Committee members and the Union’s Board of Directors may communicate across agencies. Union officers and stewards may communicate with Union officers and Stewards across agencies for purposes of contract administration. The Union shall provide the names of its Board of Directors, Union Officers and Union Stewards to DAS.
   (10) Use of Agency’s e-mail system shall be on employee’s non-work time.
   (11) E-mail communication may include links to the Union website, which may be accessed on non-work time.
   (12) Nothing shall prohibit an employee from forwarding an e-mail message to their home computer.
   (13) E-mail shall not be used to lobby, solicit, recruit, persuade for or against any political candidate, ballot measure, legislative bill or law, or to initiate or coordinate strikes, walkouts, work stoppages, or activities that violate the Contract.

2021-2023 SEIU Local 503/State of Oregon CBA
Section 6. Union Steward Representation. The Employer agrees that a Union Steward system exists for employee representation available to all employees covered by this Agreement and also agrees to respect that when the employee is acting in their role of Steward, the relationship is different than that of supervisor and employee.

In order to be able to effectively carry out their duties as Union Stewards, all Stewards shall have access to the appropriate equipment and space in order to be able to communicate privately and safely with the employee.

Section 7. List of Union Representatives. The Union shall provide the Employer (Department of Administrative Services and each Agency)* with a list of the names of authorized Union Stewards and duty location, worksite representation responsibility, and a list of authorized staff representatives, and shall update those lists as necessary. If problems arise regarding Union Steward authorized activities in representing employees, the Union agrees to discuss the problem with the Department of Administrative Services Labor Relations Unit or the Agency as the situation suggests.

*For DMV, Agency means the Division Administrator.

Section 8. The Employer agrees that there shall be no reprisal, coercion, intimidation, or discrimination against any Union Steward or elected officers for protected Union activities. It is recognized that only certain protected activities are permitted during work hours.

Section 9. New Employee Orientation.

(a) Thirty (30) minutes shall be granted for a representative of the Union to make a presentation to new employees for the purpose of identifying the organization’s representation status, organizational benefits, facilities, related information, and distributing and collecting membership applications. This time is not to be used for discussion of labor-management disputes. If the Union representative is an employee of the Agency, the employee shall be given time off with pay for the time required to make the presentation.

(b) The presentation shall occur as soon as possible after hire, but no later than thirty (30) days after hire. If an established Agency New Employee Orientation occurs during the thirty (30) day time period, the presentation shall be made at the New Employee Orientation. The Employer will provide the Union reasonable notice of the place and time of the orientation. If an established Agency New Employee Orientation does not occur during the thirty (30) day timeframe, the presentation will be scheduled for a mutually agreed upon time between the representative of the Union and the employee’s supervisor. The representative of the Union will be responsible for contacting the employee’s supervisor to schedule the presentation.

(c) The Union agrees that temporary employees will not make presentations at new employee orientations.

(d) If, through no fault of the Employer, the Union does not request to schedule a presentation for an employee within thirty (30) days of hire, the presentation shall still be scheduled at the Union’s request, but the Union waives the right to grieve Section 9(b) above.

Section 10. Upon notice to their immediate supervisor, Union Stewards will be granted mutually agreed upon paid time off during regularly scheduled working hours:

(a) to investigate and process grievances;

(b) to represent bargaining unit employees in investigatory interviews;

(c) to be present upon request when an employee is reporting inappropriate workplace behavior through the process set forth in DAS or Agency policy; and

(d) to be present upon request when an employee is attending an ADA accommodation request meeting.

If the permitted activities would interfere with the work the Steward or employee is expected to perform, the immediate supervisor shall, within the next workday, arrange a mutually satisfactory time for the requested activity. Upon request of an employee who has received a written disciplinary action, a Union Steward may use Agency time to investigate the disciplinary action before the filing of a written grievance pursuant to Article 21 of the Agreement. Request for the use of Agency time to meet with the employee or communicate by telephone, if the employee is not at the same worksite, shall be pursuant to Article 10 and 10.1-10.5 of this Agreement.

Section 11. Union Stewards will receive their regular rate of pay for time spent processing grievances and representing bargaining unit employees in investigatory interviews as described in Article 20 and Article 21 during their regularly scheduled hours of employment. Union Stewards who are working a mandated shift in an overtime status shall be compensated at the overtime rate of pay for any pre-scheduled investigatory meeting or grievance meeting requiring their attendance that is scheduled during that shift. Union Stewards who are working a voluntary or mandated shift in an overtime status shall be compensated at the overtime rate of pay when representing a bargaining unit employee in an investigatory meeting, at the request of management or Human Resources. Only one (1) Union Steward will be in pay status for any one (1) grievance except where a grievance involves employees in more than one (1) Agency or where another Steward within the same Agency and work location accompanies a Steward, appointed during the preceding twelve (12) months, to attend meetings with management related to a maximum of two (2) grievances during their regular working hours. Supervisors may request that Stewards maintain and submit a monthly activity report of work time spent investigating and processing grievances.
The Union shall indemnify and the Union and President hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with this Section.

Section 12. The Employer is not responsible for any compensation of employees or their representative for time spent processing grievances or distributing Union material outside their scheduled hours of employment. The Employer is not responsible for any travel or subsistence expenses incurred by a grievant or Union Steward in the processing of grievances.

Section 13. Union Stewards may be granted one (1) hour of paid time off per month during regularly scheduled working hours at a mutually agreed upon time to attend meetings or trainings that pertain to labor-management issues, collective bargaining updates, or any other non-political topics.

Section 14. Official Union delegates and members of the SEIU Local 503, OPEU, Board of Directors, including assistant directors, shall be granted personal leave, accrued vacation leave, accrued compensatory time, or leave of absence without pay at their request to attend the Union’s biennial General Council and the SEIU quadrennial International Convention.

The Union shall notify the DAS Labor Relations Unit of the names of official delegates and board members who shall attend General Council, at least thirty (30) days in advance of the date of the General Council. The Labor Relations Unit will notify the SEIU-represented agencies and refer them to an on-line location to review the electronic list to use in granting the leave pursuant to this provision. In the event there are modifications to the notification, the Union agrees to send the modification request directly to the Agency. In emergency situations where the Union is unable to provide thirty (30) days advance notice, delegates and board members shall be granted leave with less than thirty (30) days notice unless, by granting such leave, the Agency will suffer undue hardship.

Subject to the employee’s work unit operating requirements, official Union Stewards shall be granted personal leave, accrued vacation leave, accrued compensatory time, or leave of absence without pay at their request to attend the Union’s annual Steward Conference. Such request will be submitted in writing at least ten (10) workdays before the conference.

The Union President or Executive Director shall, at their request, be given release time from their position for a period not to exceed the term of their office for the performance of Union duties directly related and central to the collective bargaining relationship. However, if the Union President or Executive Director requests release time for less than their full regular schedule, such release time shall be subject to the Employer’s approval based on the operating needs of the employee’s work unit. The Union shall, within thirty (30) days of payment to the President or Executive Director, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other Employer-related costs. The Union shall indemnify and the Union and President or Executive Director hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with this Section.

In addition to any leave for General Council and the SEIU quadrennial International Convention, each of the Union’s other statewide officers, including Vice President, Secretary, and Treasurer, shall, with prior approval from their supervisor, be given release time from their position for up to four (4) hours per month during the term of their office for the performance of Union duties directly related and central to the collective bargaining relationship. The Union shall, within thirty (30) days of payment to the statewide officer, reimburse the State for payment of appropriate salary, benefits, paid leave time, pension, and all other Employer-related costs. The Union shall indemnify and the Union and statewide officer hold the State harmless against any and all claims, damages, suits or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with this Section.

Section 15.

(a) Upon timely request, the Department of Administrative Services shall make available at no cost to the Union the latest copy of any SEIU Local 503, OPEU bargaining unit employee statistical and expenditure reports relative to employment and benefits currently produced by the Department of Administrative Services which do not require manual or machine editing to remove confidential data or non-SEIU Local 503, OPEU bargaining unit employee data. Such request must be made in advance of the preparation of the reports. If new and appropriate employee statistical and expenditure reports are produced by the Department of Administrative Services, the Department and the Union may mutually agree in advance to provide such reports at no cost.

(b) Upon request, the Department of Administrative Services shall make available to the Union at cost any SEIU Local 503, OPEU bargaining unit employee statistical and expenditure data relative to employment and benefits which is possible to produce, although not normally produced, by the Department of Administrative Services. Data that are not normally produced, but possible to produce, include manual or machine editing of existing reports to remove confidential data or data on non-SEIU Local 503, OPEU bargaining unit employees or data or reports that require new development.

(c) New Employee Daily Reports. The Employer shall provide a daily report of new SEIU-represented workers where the hire business process has been successfully completed in the day prior. The report shall contain:

- Type of Appointment
- Employment Start Date
- Worksite Location Name
- Worksite Address
- Supervisor Name and Email Address
- Employee Identification Number/Oregon Identification (EIN/ORI)
### Section 16. Dues Deduction.

(a) Upon written, electronic or recorded voice request from an employee, monthly Union dues plus any additional voluntary Union deductions shall be deducted from the employee’s salary and remitted to the Union. Additionally, upon written notice from the Union, authorized increases in Union dues in the form of special assessments, shall be deducted from the employee’s salary and remitted to the Union according to this Section. Such notice shall include the amount and duration of the authorized special assessment(s). All applications or cancellations of membership shall be submitted by the employee to the Union. Any written applications for Union membership and/or authorizations for Union dues and/or other deductions or for dues cancellations which an Agency receives shall be promptly forwarded to the Union. The Union will maintain the written, electronic and recorded voice authorization records and will provide copies to the Employer upon request.

(b) The Union shall provide the Employer a list identifying the employees who have provided authorization for the Employer to make deductions from the employee’s salary or wages to pay dues, fees, and any other assessments or authorized deductions to the Union.

(c) **Dues Deduction Register.** An alphabetical listing of dues deducted for the previous month for SEIU Local 503, OPEU members by Agency shall be forwarded electronically to the Union by the third workday for each month with the dues check. The listing shall be compiled and mailed by the Payroll centers (e.g., Joint Payroll) and shall list the employee’s name (last, first, middle initial), Employee Identification Number, amount deducted, base pay, classification number, and representation code.

(d) **Dues Adjustment Summaries for SEIU Local 503, OPEU Members.** Summaries will be forwarded by the Agency payroll office to the Union by the tenth (10th) workday of the following month. The Dues Adjustment Summary will reconcile the previous month’s remittance with the current month’s remittance. The Dues Adjustment Summary will be an alphabetical listing and shall show the following:

The Union recognizes that the above information may require hand editing and/or notations. Therefore, only repeated errors or omissions will be considered a violation of this Section.

The Union shall notify the Agency payroll offices of any required corrections resulting from this Section.

(e) **Timely Deductions.** A file containing new authorizations or changes in authorizations for employee Union deductions will be submitted by the Union to the Employer electronically by close of business on the business day immediately preceding the twentieth (20th) of each month. The Employer agrees that new or changed Union payroll deduction authorizations submitted within the timelines above shall be deducted from the next issued paycheck for the previous applicable pay period.

(f) The Agency shall continue to deduct dues from employees as long as the employee remains on the same designated payroll, except when the employee requests cancellation of the dues deduction in writing, including reemployed seasonals and employees recalled from layoff lists.

(g) **Quarterly Audit.** The Employer agrees to run an audit comparing the full list of all represented bargaining unit employees with Union deductions as provided for electronically by the Union. This audit shall take place at least quarterly or as mutually agreed upon in writing by the Parties.

(h) Upon return from leave of absence or leave without pay, the Agency shall reinstate the payroll deduction of Union dues from those workers who were having dues deducted immediately prior to taking leave.

(i) If a Union member transfers to another Agency represented by SEIU Local 503, OPEU, the gaining Agency will designate the employee as a transfer on the new employee list referenced in Section 14(c) if the gaining Agency is aware the employee has transferred. The employee need not complete a new membership application.

(j) Each payroll center shall provide monthly electronic data files of all SEIU Local 503, OPEU-represented employees and all SEIU Local 503, OPEU members which would contain the following information:

(m) The Union shall indemnify and hold the Employer harmless against claims, demands, suits, or other forms of liability which may arise out of action taken by the Employer for the purpose of complying with the provisions of this Article.

(n) The Employer will bill the Union for any additional costs associated with preparing information not already specifically contained in this Article. Upon request, the Employer will meet with the Union to discuss the Employer providing an additional standard magnetic tape format for information the Union requires.

The Employer will make every reasonable effort to aid the Union in resolving duplicate record issues using all information available to the Employer. **ARTICLE 10.1C--UNION STEWARDS** (Employment Department)

**Section 1. Union Business.** All Union business is to be conducted during employee’s non-duty hours unless specified otherwise in this Agreement.

REV: 2013, 2015, 2019, 2021
**Section 2.** The Union will provide the Agency with an updated designated Steward list by the tenth (10th) of each month, which will include the Steward’s name and worksite. The Union also will timely notify the Agency of the official officers of the Union, including the Chief Steward.

**ARTICLE 10.1M—UNION STEWARDS (DHS-OHA)**

**Section 1.** **Union Business.** All Union business is to be conducted during employee’s non-duty hours unless specified otherwise in this Agreement.

**Section 2.** The Union will make every effort to ensure an even distribution of Steward representation of all bargaining unit employees.

**Section 3.** The Union will provide DHS HR with an updated designated Steward list by the tenth (10th) of each month. The list will include the Steward’s name and worksite.

(See Letter of Agreement 10.1M-05-119 in Appendix A.)

**ARTICLE 11.** **EMPLOYEE ASSISTANCE PROGRAM (EAP)**

**Section 1.** The Employer agrees to provide to the Union the statistical and program evaluation information provided to management concerning Employee Assistance Program(s).

**Section 2.** No information gathered by an Employee Assistance Program may be used to discipline an employee.

**Section 3.** All bargaining unit employees except temporaries shall be entitled to use accrued sick leave for participation in an Employee Assistance Program.

**Section 4.** The Agency will offer training to local Union Stewards on the Employee Assistance Program available in their Agency, on Agency time, where an Employee Assistance Program is available.

**ARTICLE 13.** **CONTRACTING-OUT**

**Section 1.** The Union recognizes that the Employer has the management right, during the term of this Agreement, to decide to contract out work performed by bargaining unit members. However, if the work can be done by Agency workers for a lower cost with equal benefits and there is the expertise and FTE, the work will stay within the Agency.

When the contract exceeds sixty thousand dollars ($60,000) annually or when the contracting-out will displace bargaining unit members, such decisions shall be made only after the affected Agency has conducted a formal feasibility study determining the potential costs and other benefits which would result from contracting-out the work in question. Agencies shall either use the form in Appendix H or another form, provided there is no substantive changes to the information contained in Sections F-K of the form in Appendix H. Agencies shall send all feasibility studies conducted under Article 13 directly to SEIU Local 503, OPEU Headquarters.

**Section 2.** Upon request, but no more than quarterly, Agencies shall provide the Union with a report identifying contracts awarded to any group, individual, organization or business enterprise that could be appropriately performed by bargaining unit members.

**Section 3.** The Employer shall provide the Union with no less than thirty (30) days’ notice that it intends to request bids or proposals to contract out bargaining unit work where the decision would result in displacement of bargaining unit members. During this thirty (30) day period, the Employer shall not request any bids or proposals and the Union shall have the opportunity to submit an alternate proposal. The notification by the Employer to the Union of the results of the feasibility study will include all pertinent information upon which the Employer based its decision to contract out the work including, but not limited to, the total cost savings the Employer anticipates. The Employer will count eighty percent (80%) of the affected employee’s straight-time rate when comparing the proposals.

Feasibility studies will not be required when: (1) an emergency situation exists as defined in ORS 279A.010(1)(f) and (2) either the work in question cannot be done by available bargaining unit employees or necessary equipment is not readily available.

Nothing in this Article shall prevent the Employer from continually analyzing its operation for the purpose of identifying cost-saving opportunities.

**Section 4.** If the Union’s proposal would result in providing quality and savings equal to or greater than that identified in the management plan, the Parties will agree in writing to implement the Union proposal.

**Section 5.** Should any full-time bargaining unit member become displaced as a result of contracting-out, the Employer and the Union shall meet to discuss the effect on bargaining unit members. The Employer’s obligation to discuss the effect of such contracting does not obligate it to secure the agreement of the Union or to exhaust the dispute resolution procedure of ORS 243.712, 243.722, or 243.742, concerning the decision or the impact.

“Displaced” as used in this Article means when the work an employee is performing is contracted to another entity outside state government and the employee is removed from their job.

**Section 6.** Once an Agency makes a decision to contract out, it will either:

(a) Require the contractor to hire employees displaced by the contract at the same rate of pay for a minimum of six (6) months subject only to “just cause” terminations. In this instance, the State will continue to provide each such employee with six (6) months of health and dental insurance coverage through the Public Employee Benefits Board, if continuation of coverage under the Bargaining Unit Benefits Board is allowed by law and pertinent rules of eligibility. Pursuant to Article 70, Sections 9 through 12, an eligible employee shall be placed on the Agency layoff list and may, at the employee’s discretion, be placed on a secondary recall list for a period of two (2) years; or
(b) Place employees displaced by a contract elsewhere in state government in the following order of priority: within the Agency, within the department, or within state service generally. Salaries of employees placed in lower classifications will be red-circled. To the extent this Article conflicts with Article 45—Filling of Vacancies, this Article shall prevail.

(c) An employee may exercise all applicable rights under Article 70— Layoff, including prioritizing options (1), (2), (3) or (4), as described in Article 70 Section 2, if the employee finds option (a) or (b), as selected by the Employer, is unsatisfactory. The employee must select their Article 70 Section 2 options within five (5) calendar days pursuant to notification of (a) or (b) above.

ARTICLE 14—NEGOTIATIONS PROCEDURES

Section 1. Negotiations shall commence pursuant to Article 4 of this Agreement and the Parties will structure their Agreement per the four (4) Agency groups set forth below:

HUMAN SERVICES: Department of Human Services—Oregon Health Authority, Employment Department;

INSTITUTIONS: Oregon Youth Authority (Youth Correctional Facilities), Oregon Health Authority Institutions: Oregon State Hospital (OSH), Pendleton State-Delivered Secure Residential Treatment Facility (Pendleton Cottage), OYA Administration and Field Services;

ODOT: Oregon Department of Transportation (ODOT), Forestry, Oregon Parks and Recreation Department (OPRD), Oregon Department of Aviation (ODOA), Oregon Department of Fish & Wildlife (ODFW), Department of Geology and Mineral Industries (DOGAMI), Department of Agriculture, Water Resources Department, Oregon Watershed Enhancement Board;

SPECIAL AGENCIES: Justice, Revenue, Higher Education Coordinating Commission, Workers’ Compensation Board, Department of Consumer & Business Services (DCBS), Bureau of Labor and Industries (BOLI), Veterans’ Affairs, Board of Nursing, Oregon Medical Board, Board of Dentistry, Board of Pharmacy, Mortuary and Cemetery Board, Oregon Mental Health Regulatory Agency, Board of Medical Imaging, Board of Massage Therapists, Occupational Therapy Licensing Board, Board of Examiners for Speech Pathology & Audiology, Board of Naturopathic Medicine, Education, Library, Treasury, Commission for the Blind, Public Employees Retirement System (PERS), Special Schools, State Scholarship, Department of Administrative Services, Oregon Housing & Community Services (OHCS), Oregon State Board of Examiners for Engineering and Land Surveying (OSBEELS), and Teachers Standards and Practices Commission.

Section 2. The Union agrees, as a prior condition to the release of employees from work, to notify the Employer in writing of its members designated as representatives for negotiations.

(a) Central Table. The Employer agrees to grant leave with pay for up to ten (10) employees, except for temporary employees, at a central bargaining table to represent the Union for actual negotiating table time including caucuses, negotiation work sessions, and a reasonable number of membership meetings relating to negotiations. However, there shall be no more than one (1) employee representative from each Agency, except for Agencies which have two thousand, five-hundred (2,500) or more bargaining unit members which may have up to two (2) representatives, provided they are not from a single work location. Negotiations at the Central Table will take place during normal business hours.

(b) Coalition Tables. Coalition negotiations will take place after normal business hours. For Coalition negotiations, the Employer agrees to unschedule, or grant paid time as outlined below, for up to a total of thirty (30) employees designated as employee bargaining team representatives, except temporary employees. The designated employee bargaining team representative will be granted up to twenty (20) non-cumulative hours each month of paid time for up to one-hundred and fifty (150) calendar days for attendance at negotiations, including travel time, provided coalition bargaining sessions and/or travel time occur during an employee’s regular work schedule. However, the one-hundred and fifty (150) calendar days will begin no later than February 15 or the closest business day thereto. The inclusion of paid time will not result in the employee receiving greater benefit than the employee would have received had the employee not attended the bargaining session. Should it become necessary for the Employer to replace or unschedule an employee scheduled for swing or graveyard shift so as to permit that employee to participate in collective bargaining negotiations, the Union agrees alternatively as follows:

1. Six (6) workdays notice shall be given by the Union to the Employer so as to allow the Employer to avoid payment of penalty pay for the schedule change of the replacement employee; or

2. If the Union does not give notice prescribed in (1) above, the Union shall reimburse the Employer for the penalty pay paid to the replacing employee.

Section 3. The Employer is not responsible for travel, per diem, overtime, or other benefits beyond that which the employee would have received had the employee not attended bargaining sessions.

Section 4. Subject in each case to prior approval by the Agency, the Employer agrees to grant leave without pay to additional employees determined necessary by the Union to attend negotiating sessions.

Section 5. Ratification. It is understood that all tentative agreements at the table are subject to ratification by both Parties.

ARTICLE 15—PARKING

The Employer agrees to advise the Union of any proposed change in parking rates at the State-owned or operated facilities as soon as the Department of Administrative Services has knowledge of an impending change.

(See Letter of Agreement 15.00-19-359 in Appendix A.)
ARTICLE 19--PERSONNEL RECORDS

Section 1. The Chief Human Resources Office (CHRO) human resource information system is the system of record for all employee records and official employee personnel file documents for which there are appropriate document categories in the system.

The Department, or Agency under agreement to provide human resource services, stores paper documents of the official employee personnel file and paper documents that are not yet able to be kept in the human resource information system. The Department, or Agency under agreement to provide human resource services, also stores paper documents of the official employee personnel file that predate January 1, 2019.

Upon reasonable notice, an employee may inspect the records, excluding any confidential reports from previous employers, in their official Agency employee personnel file(s) or supervisory working file; provided that, if the official personnel file, including paper documents as described above, or supervisory working file is kept at a separate facility, the employee shall, at the Agency’s discretion, either be allowed to go where the file is kept or the file will be brought to the employee for review within five (5) days of their request. With the employee’s written authorization, their Union Steward may inspect the employee’s official personnel file, and supervisory working file, consistent with the time requirements provided herein. If the supervisory working file cannot be made available due to the absence of a supervisor, extensions of up to ten (10) days will be granted.

No grievance material shall be kept in an employee’s official personnel file.

Section 2. No information reflecting critically upon an employee except notices of discharge shall be placed in the employee’s official personnel file that does not bear the signature of the employee. The employee shall be required to sign material to be placed in their official personnel file provided the following disclaimer is attached:

“Employee’s signature confirms only that the supervisor has discussed and given a copy of the material to the employee. The employee’s signature does not indicate agreement or disagreement with the contents of this material.”

If an employee is not available within five (5) working days or refuses to sign the material, the Agency may place the material in the file, provided a statement has been signed by two (2) management representatives and a copy of the document was mailed certified to the employee at their address of record or hand delivered to the employee.

Section 3. Employees shall be entitled to prepare and provide copies of any written explanation(s) or opinion(s) regarding any critical material placed in their official personnel file or supervisory working file. The employee’s explanation or opinion shall be attached to the critical material and shall be included as part of the employee’s official personnel record or supervisory working file so long as the critical materials remain in the file.

Section 4. An employee may include in their official personnel file a reasonable amount of relevant material such as letters of commendation, licenses, certificates, college course credits, and other material which relates creditably on the employee. This material shall be retained for a minimum of three (3) years except that licenses, certificates, or college credit information may be retained so long as they remain valid and relevant to the employee’s work.

Section 5. Material reflecting caution, consultation, warning, admonishment, and reprimand shall be retained for a maximum of three (3) years. Such material shall, at the employee’s request, be removed after twenty-four (24) months, provided there has been no recurrence of the problem or a related problem in that time. Removal prior to twenty-four (24) months will be permitted when requested by an employee and if approved by the Appointing Authority.

Material removed from an employee’s official personnel file may not be referenced in future disciplinary actions, performance evaluations, or other related correspondence from the employer.

Material relating to disciplinary action recommended, but not taken, or disciplinary action which has been overturned and ordered removed from the official personnel file(s) on final appeal, shall be removed.

Incorrect material will be removed, upon request, from an employee’s personnel file. (See Article 85--Position Descriptions and Performance Evaluation.)

Section 6. Upon written request by the employee, the Agency will make a good faith effort to return material removed from the official personnel file to the employee. A copy of the request will be maintained in the official personnel file.

Section 7. When DAS or an Agency receives a subpoena or request for an employee’s personnel records, except for an inquiry as result of a criminal law complaint or request for verification of employment and salary, DAS or the Agency shall provide notification to the employee of the subpoena or request, who has made it, and the reason for the subpoena or request if known.

Section 8. When DAS receives a statewide records request for employee-related public information releasable per statute, DAS shall provide notification to Agencies that such request has been made. Individual employees may work with their Agency to receive notification of said request(s).

ARTICLE 19T--PERSONNEL RECORDS (Temporary Employees)

Section 1. The Chief Human Resources Office (CHRO) human resource information system is the system of record for all employee records and official employee personnel file documents for which there are appropriate document categories in the system.

The Department, or Agency under agreement to provide human resource services, stores paper documents of the official employee personnel file and paper documents that are not yet able to be kept in the human resource information system. The Department, or Agency under agreement to provide human resource services, also stores paper documents of the official employee personnel file that predate January 1, 2019.
Upon reasonable notice, an employee may inspect the records, excluding any confidential reports from previous employers, in their official employee personnel file(s); provided that, if the official personnel file including paper documents as described above, is kept at a separate facility, the employee shall, at the Agency’s discretion, either be allowed to go where the file is kept or the file will be brought to the employee for review within five (5) days of their request. With the employee's written authorization, their Union Representative may inspect the employee's official personnel file, consistent with the time requirements provided herein.

No grievance material shall be kept in an employee's official personnel file.

Section 2. No information reflecting critically upon an employee shall be placed in the employee’s official personnel file without a copy being provided to the employee in person or by mail at the last known address.

Employees shall be entitled to prepare a written explanation or opinion regarding any critical material placed in their official personnel file. The employee’s explanation or opinion shall be attached to the critical material and shall be included as part of the employee’s official personnel record so long as the critical materials remain in the file. Where the personnel records are maintained in a different format, the explanation or opinion will be placed next to or in closest possible proximity to the critical material.

Section 3. Supervisory Working Files. With reasonable advance notice, an employee shall be allowed to inspect their working file that is maintained by their supervisor.

Section 4. When DAS or an Agency receives a subpoena or request for an employee’s personnel records, except for an inquiry as result of a criminal law complaint or request for verification of employment and salary, DAS or the Agency shall provide notification to the employee of the subpoena or request, who has made it, and the reason for the subpoena or request if known.

Section 5. When DAS receives a statewide records request for employee-related public information releasable per statute, DAS shall provide notification to Agencies that such request has been made. Individual employees may work with the Agency to receive notification of said request(s).

ARTICLE 19.1M--PERSONNEL RECORDS (DHS-OHA)

When the Agency (DHS-OHA) receives a subpoena or request for an employee’s personnel records, except for an inquiry as result of a criminal law complaint or request for verification of employment and salary, the Agency shall prioritize providing written notification to the employee of the subpoena or request, who has made it, the information being subpoenaed or requested, and the reason for the subpoena or request. The written notification shall be sent in the most expeditious format. The Agency will make reasonable effort to ensure the notification occurs prior to the release of any information from DHS-OHA.

ARTICLE 20--INVESTIGATIONS, DISCIPLINE, AND DISCHARGE

Section 1. The principles of progressive discipline shall be used when appropriate. Discipline shall include, but not be limited to: written reprimands; reduction in pay;* demotion; suspension without pay*; and dismissal. Discipline shall be imposed only for just cause.

*For FLSA-exempt employees, except for penalties imposed for infractions of safety rules of major significance, no reduction in pay and only suspensions without pay in one (1) or more full workweek increments unless or until FLSA restrictions on economic sanctions for exempt employees are eliminated by statute or a court decision the State determines diispositive. Safety rules of major significance include only those relating to the prevention of serious danger to the Agency, or other employee.

Section 2. The Employer is committed to conducting investigations in a timely manner. Agencies will make reasonable efforts to begin the investigatory process on potential disciplinary issues within thirty (30) days of becoming aware of the issue. However, the Parties recognize that circumstances and complexities of individual cases may delay initiation of an investigation.

Section 3. Investigatory Interviews.

(a) The employee’s Union Steward shall be granted paid time off during regularly scheduled working hours at a mutually agreed upon time to represent the employee in the investigatory interview (See Article 10, Sections 10 and 11).

(b) The Employer’s notification to the employee of the investigatory interview shall include the nature of the investigation.

(c) Both the Employer and the Union shall have the right to record investigatory interviews.

Section 4. Weingarten Rights. Upon request, an employee shall have the right to Union representation during an investigatory interview that an employee reasonably believes will result in disciplinary action. The employee will have the opportunity to consult with a local Union Steward or Organizer before the interview, but such designation shall not cause an undue delay.

(See Last Chance Agreements, Article 21, Section 12).

Section 5. Suspension With Pay or Duty Stationed at Home Pending an Investigation by the Agency’s Human Resource Office. The employee and their steward of record shall be notified in writing of the initial reason for the action within seven (7) calendar days of the effective date of the action. If there is not a steward of record, the Union will receive the notification. The Agency will conduct the initial interview with the employee within thirty (30) calendar days of notification of the action. The investigation shall be completed within one-hundred twenty (120) calendar days. However, if the investigation is not concluded within the timeline, the Agency will notify DAS and the Union of the specific reason(s) and the amount of additional time needed which shall be no more than thirty (30) days at a time.
Section 6. The Agency shall give the employee under Weingarten investigation, and their steward of record, notification of the status of the Agency's investigation, every thirty (30) days until completed. The investigation shall be completed within one-hundred twenty (120) calendar days. However, if the investigation is not concluded within the timeline, the Agency will notify DAS and the Union of the specific reason(s) and the amount of additional time needed which shall be no more than thirty (30) days at a time. Upon completion of the investigation, the Agency will provide the employee and their steward of record with written notification of the disposition of the investigation.

Section 7. A written pre-dismissal notice shall be given to a regular status employee who is being considered for dismissal. Such notice shall include the then known complaints, facts, and charges, and a statement that the employee may be dismissed. The employee shall be afforded an opportunity to refute such charges or present mitigating circumstances to the Appointing Authority at a time and date set forth in the notice, which date shall not be less than seven (7) calendar days from the date the notice is received or, at the option of the employee, by written response by that date. The employee shall be permitted to have an official representative present. At the discretion of the Appointing Authority, the employee may be suspended with or without pay or be allowed to continue to work as specified in the pre-dismissal notice. Should an employee be suspended without pay, the employee will first be afforded notice and right to present mitigating circumstances to the Appointing Authority or designee.

Section 8. Dismissal, Reduction, Suspension Without Pay, Demotion, Written Reprimands, and any other form of Discipline.

(a) An employee shall receive written notice of the discipline with the specific charges and facts supporting the discipline at the time disciplinary action is taken.

(b) The Employer will make a good faith effort to have the following statement appear on all dismissals and disciplinary notices covered in Section 4(a) above:

If you choose to contest this action you have a right to be represented by the SEIU Local 503, OPEU. SEIU must file an appeal within thirty (30) calendar days from the date of the discipline in accordance with Article 21. Failure to include this notice will not void the disciplinary action.

Section 9. Employees in initial trial service with the State shall have no right to appeal removals from state service under this Article. Employees in trial service as a result of promotion who are returned to their former classification shall have no right of appeal under this Article for such removal. However, an employee in trial service as a result of promotion who is dismissed from state service may have their dismissal appealed by the Union under this Article.

Section 10. When an employee is the subject of an investigation that could implicate the employee in criminal activity, their Garrity rights shall be observed.

ARTICLE 21--GRIEVANCE AND ARBITRATION PROCEDURE

Section 1. Grievances are defined as acts, omissions, applications, or interpretations alleged to be violations of the terms or conditions of this Agreement.

Grievances shall be filed within thirty (30) calendar days of the date the grievant or the Union knows or by reasonable diligence should have known of the alleged grievance.

The potential grievant, with or without union representation, may meet with their immediate supervisor within the thirty (30) calendar day filing period in an attempt to resolve the issue at the lowest possible level of management. Failure to meet will not preclude the right to file a grievance.

Grievances shall be reduced to writing, stating the specific Article(s) alleged to have been violated and clear explanation of the alleged violation, sufficient to allow processing of the grievance. Grievances shall be filed through the appropriate steps of this procedure on the form identified as the Official Statement of Grievance Form. Except during the initial thirty (30) calendar day filing period at Step 1 or Step 2, whenever a grievance is properly filed at that step, and provided there has been no response from Agency management to the filed grievance, the Union shall not expand upon the original elements and substance of the written grievance. The Union may add other relevant Articles to the list of Articles allegedly violated at Step 2.

All grievances shall be processed in accordance with this Article and it shall be the sole and exclusive method of resolving grievances, except for the following Articles:

- Article 2--Recognition
- Article 5--Complete Agreement/Past Practices
- Article 22--No Discrimination
- Article 56--Sick Leave (FMLA/OFLA)
- Article 56T--Sick Leave (FMLA/OFLA)
- Article 81--Reclassification Upward, Reclassification Downward, and Reallocation

Section 2. Time limits specified in this and the above-referenced Articles shall be strictly observed, unless either Party requests a specific extension of time, which if agreed to, must be stipulated in writing and shall become part of the grievance record. “Filed” for purposes of Step 1 through Step 4 grievances shall mean postmarked (dated by meter or U.S. Post Office), date of email or other electronic format, or fax received by close of the business day or actual receipt.
Grievance filings and appeals shall include the grievance form and in the case of appeals management responses at the previous step. Any other documentation may be presented at the grievance meeting or a method other than email.

The timeline for the Employer response at each grievance step shall begin the first day following the day of receipt. The timeline for the Union appeal to the next higher step shall begin the first day following the day the Employer response is due or received.

If at any step of the grievance procedure, the Employer fails to issue a response within the specified time limits, the grievance shall automatically advance to the next step of the grievance procedure unless withdrawn by the grievant or the Union. If the grievant or Union fails to meet the specified time limits, the grievance will be considered withdrawn and it cannot be resubmitted.

Grievance steps referred to in this Article may be waived by mutual agreement in writing. Such written agreements shall become part of the grievance file.

Section 3. When required by the Employer to investigate the grievance, any time spent by employee(s) to attend meetings during regular working hours, shall be considered as work time.

Section 4. Group Grievances. Where there are group grievances in Agencies involving two (2) or more supervisors, such grievances shall be filed and processed in accordance with Step 2 of the grievance procedure. When a grievance involves employees in more than one (1) Agency, such grievance shall be filed and processed in accordance with Step 3 of this Article. The Union shall provide a copy of the Step 3 grievance to all agencies included in the group grievance. The grievance shall specifically enumerate, by name, the affected employees, when known. Otherwise, the affected employees will be generically described in the grievance.

Section 5. Grievances shall be processed as follows:

See Appendix F for detailed table on grievance filing.

Step 1. The grievant(s), with or without Union representation, shall, within thirty (30) calendar days, file the grievance except as otherwise noted to their management/executive service supervisor*. Upon request of either Party, the Parties will meet to discuss the grievance. The supervisor shall respond in writing to the grievant(s) with a copy to the Union within fifteen (15) calendar days from the receipt of the grievance.

All Step 1 grievance settlements are non-precedential and shall not be cited by either Party or their agents or members in any arbitration or fact-finding proceedings now or in the future. Step 1 grievance settlements shall be reduced to writing and signed by the grievant and management/executive service supervisor. Actions taken pursuant to Step 1 settlement agreements shall not be deemed to establish or change practices under the Collective Bargaining Agreement, including but not limited to Article 5, or ORS Chapter 243, and shall not give rise to any bargaining or other consequential obligations.

*In ODOT (Highway), this is the District Manager; in OPRD, this is the Park Manager; or, in either case, the equivalent Program Manager; and in Forestry, this is the District Forester or Program Director. In the State-owned Airports Branch of ODOA, this is the State Airports Manager. In the Statewide Services Branch of ODOA, this is the Agency Head. In ODFW, grievances filed at Step 1 are to be filed with the Division Administrator or Regional Manager, whichever is appropriate for that work unit.

Step 2. When the response at Step 1 does not resolve the grievance, the grievance must be filed by the Union within fifteen (15) calendar days after the Step 1 response is due or received. The appeal shall be filed in writing to the Agency Head or their designee, who shall respond in writing with a copy to the Union within fifteen (15) calendar days for discipline) after receipt of the Step 2 appeal. Upon request of either Party, the Parties will meet to discuss the grievance.

“Agency Head” as used in this Section shall normally mean the appointed or elected executive head of the Agency, except as follows:

- Licensing Boards—Chief Administrative Officer
- OHA Institutions—Institution or Facility Superintendent
- ODOT—Chief of Human Resources or designee
- OPRD—Parks Director or designee
• Forestry—State Forester or designee
• ODFW—Agency Director or designee

**Step 3.** Failing to settle the grievance in accordance with Step 2, the appeal, if pursued, must be filed by the Union and received by the Labor Relations Unit of the Department of Administrative Services within fifteen (15) calendar days after the Step 2 response is due or received. The Labor Relations Unit shall schedule a meeting to occur within thirty (30) calendar days of receipt of the grievance, unless mutually agreed otherwise. The Labor Relations Unit shall respond in writing with a copy to the Union within fifteen (15) calendar days from the date of the Step 3 meeting. If the Union wishes to pursue a grievance involving only temporary employees beyond Step 3, the issue must first be submitted to grievance mediation. The request to initiate mediation shall be submitted by the Union to the Labor Relations Unit within fifteen (15) days of the Step 3 response.

**Step 4.** Grievances which are not satisfactorily resolved at Step 3 may be appealed to arbitration. If the Union intends to appeal to arbitration, the appeal must be received by the Labor Relations Unit of the Department of Administrative Services within forty-five (45) calendar days after the Step 3 response was due or received. If the Union has filed a notice of intent to arbitrate a grievance, a letter from the Union requesting an arbitrator shall be sent to the Labor Relations Unit within sixty (60) days of such notice or the grievance will be deemed withdrawn.

**Section 6. Arbitration Selection and Authority.**

(a) The Parties agree to establish a panel of arbitrators. The arbitrators shall be assigned on a rotational basis in the order set out on the arbitrator list. Through mutual agreement, the Parties may elect to modify the list of arbitrators.

(b) Upon Labor Relations’ receipt of a letter of intent to arbitrate and subsequent approval to proceed to arbitration from the SEIU Local 503, OPEU, a calendar for potential date selection will be offered which includes the three (3) month period beginning the second full month after receipt of the approval to proceed correspondence. However, when the arbitrator originally selected is unable to schedule a hearing within the three (3) month period, the next arbitrator in rotation will be sent the same dates to schedule the hearing. In instances where the Parties agree to consolidate cases, meaning combining a related disciplinary action with a pending arbitration case, the arbitrator assigned to handle the first case will also be assigned to handle the subsequent matter. Arbitrators will use cancellation days and any unused scheduled days for writing awards on any outstanding cases under this Agreement. Cancellation fees will be applied toward any writing days.

(c) Within fifteen (15) calendar days of receiving confirmation of an appeal of a grievance to arbitration, the Labor Relations Unit shall assign the next arbitrator on the list for selection and shall simultaneously notify the interested Parties of such assignment.

(d) Representatives of each Party, in conjunction with the chosen arbitrator, shall mutually select dates for arbitration within a reasonable period of time.

(e) The arbitrator shall have the authority to hear and rule on all issues which arise over substantive or procedural arbitrability. Such issues, if raised, must be heard prior to hearing the merits of any appeal to arbitration. Upon motion by either Party that there exists issues involving substantive or procedural arbitrability, the arbitrator shall hear the arbitrability issue(s) first and the Parties shall make oral closing statements. The arbitrator shall issue a bench ruling by the end of the business day. When the arbitrator determines that the case is not arbitrable, the decision shall be affirmed in writing within seven (7) calendar days from the close of the hearing. If the grievance is arbitrable, the Parties shall continue with the hearing that day or the next business day, as time permits. In cases where arbitrability is affirmed, the arbitrator's award will include written findings on arbitrability.

(f) The Parties agree that the decision or award of the arbitrator shall be final and binding on each of the Parties. The arbitrator shall issue their decision or award within thirty (30) calendar days of the closing of the hearing record. The arbitrator shall have no authority to rule contrary to, to amend, add to, subtract from, change or eliminate any of the terms of this Agreement. The arbitration will be handled in accordance with the rules of the American Arbitration Association.

(g) The Employer and the Union will develop stipulations of fact and use affidavits and other time-saving methods whenever possible and when mutually agreed upon in all cases proceeding to arbitration.

(h) The Parties shall split the arbitrator’s charges equally. All other expenses shall be borne exclusively by the Party requiring the service or item for which payment is to be made. If either party cancels the arbitration hearing, the canceling party will pay the arbitrator fees unless mutually agreed otherwise.

(i) Arbitrations for cases involving Articles exclusively applying to temporary workers shall be processed using the expedited grievance procedure outlined in Section 7 of this Article.

**Section 7. Expedited Arbitration Procedure.** The expedited procedure shall be used for either grievances involving Articles exclusively applying to temporary workers or, with the mutual agreement of the Employer and Union, for other grievances. For grievances that do not involve Articles exclusively applying to temporary workers, either the Employer or Union may request in writing that the expedited arbitration procedure be used at the time the Parties are scheduling dates with the arbitrator.

(a) The Employer and Union will develop a stipulation of facts and use affidavits and other time-saving methods whenever possible and when mutually agreed upon.

(b) Case presentation will be limited to preliminary opening statements, brief recitation of facts, witness presentation and closing oral argument. No post hearing briefs shall be filed or transcripts made. The hearing will be completed within one (1) business day unless otherwise agreed upon by the Parties.

(c) The hearing shall be conducted by the arbitrator in whatever manner will most expeditiously permit full presentation of the evidence and arguments of the Parties.
(d) The arbitrator may issue, at their discretion, a bench decision at the conclusion of the hearing or may issue a written award no later than seven (7) calendar days from the close of the hearing excluding weekends and holidays.

(e) All decisions shall be final and binding on the Employer and Union. An arbitration award will be non-precedential if mutually agreed upon by the Parties before the hearing starts. The arbitrator's award shall be based on the record and shall include a brief explanation of the basis for the award.

Section 8. Upon request, an employee shall have the right to Union representation during an investigatory interview that an employee reasonably believes will result in disciplinary action. The employee will have the opportunity to consult with a local Union Steward or Organizer before the interview, but such designation shall not cause an undue delay.

Section 9. A grievant shall be granted leave with pay for appearance before the Employment Relations Board or arbitration, including the time required going and returning to their headquarters. The Union Steward of record shall be granted leave with pay to attend the actual Board or arbitration hearing. The Steward shall not be eligible for overtime, travel expenses, penalty payments or premium payments as a result of this Section.

Section 10. No reprisals shall be taken against any employee for exercise of their rights under the provisions of this Article.

Section 11. Information requests concerning grievances shall be sent to the Agency Human Resources Office or Union. The request(s) shall be specific and relevant to the grievance investigation. The Agency Human Resources Office/Union will provide the information to which the Party is lawfully entitled. Reasonable costs shall be borne by the requesting Party. The requesting Party shall be notified of any costs before the information is compiled.

Notwithstanding Article 19--Personnel Records, and upon the Union's written request, the Agency, within a reasonable period of time, will provide a listed summary of redacted Agency-issued disciplinary actions or redacted disciplinary letters, whichever is requested by the Union.

Section 12. The Parties acknowledge that an Agency, at its own discretion, may offer a last chance agreement to an employee. Last chance agreements will be signed by the employee and the Union unless the employee affirms in writing that the Union not be a Party to the agreement. Such agreement, if offered, shall include the conditions, consequences of failure and term of agreement. Any discipline associated with the offered agreement will be issued separately from the agreement. The last chance agreement will be removed from the employee's personnel file upon its expiration. This Section does not apply to temporary employees.

(See Human Services Coalition Letter of Agreement 21.1C-99-07 in Appendix A.)

ARTICLE 22--NO DISCRIMINATION

Section 1. It is the policy of the Employer and the Union not to engage in unlawful discrimination against any employee because of race, color, marital status, religion, sex, national origin, age, mental or physical disability, or any other protected class under State or Federal law. Neither will the Employer discriminate based on gender identity or sexual orientation. To this end, the Parties further agree to apply the provisions of this Agreement equally to all employees in the bargaining unit without regard to their status in any of the categories specified above and to support application of federal and state laws and regulations, where applicable.

Section 2. Sexual harassment is considered a form of sex discrimination. No employee shall be subjected to sexual harassment by the Employer, Union, or other bargaining unit members. Unwelcome sexual advances, requests for sexual favors, and other deliberate or repeated unsolicited verbal or physical conduct of a sexual nature constitutes sexual harassment when:

(a) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
(b) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
(c) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Section 3. Any alleged violations of Article 22 may only proceed to the Agency Head or designee level, and are not arbitrable. Grievances alleging any form of discrimination as listed in Section 1 will be submitted in writing within thirty (30) days of date the grievant or the Union knows or by reasonable diligence should have known of the alleged grievance, directly to the Agency Head or designee as defined or used in Article 21, Section 5. The Agency Head or designee shall respond within thirty (30) calendar days after receipt of the grievance.

Section 4. Discrimination grievances may be submitted by the Union or the grievant to the Bureau of Labor and Industries or the EEOC for resolution, if not already so filed. Nothing in this Article shall preclude an employee from filing a charge of discrimination with the Bureau of Labor and Industries or the EEOC at any time.

(NOTE: Time lines for filing tort claims notice or legal actions are not suspended by filing a grievance under this Article. This note is for information only and is not part of the contract.)

ARTICLE 22T--NO DISCRIMINATION (Temporary Employees)

Section 1. It is the policy of the Employer and the Union not to engage in unlawful discrimination against any employee because of race, color, marital status, religion, sex, national origin, age, mental or physical disability, or any other protected class under State or Federal law. Neither will the Employer discriminate based on gender identity or sexual orientation. To this end, the Parties further agree to apply the provisions of this Agreement equally to all employees in the bargaining unit without regard to their status in any of the categories specified above and to support application of federal and state laws and regulations, where applicable.
Section 2. Any alleged violations of Article 22T may only proceed to the Agency Head or designee level, and are not arbitrable. Complaints alleging any form of discrimination as listed in Section 1 will be submitted in writing within thirty (30) days of date the complainant or the Union knows or by reasonable diligence should have known of the alleged discriminatory act, directly to the Agency Head or designee. The Agency Head or designee shall respond within thirty (30) calendar days after receipt of the grievance.

Section 3. Discrimination complaints may be submitted by the Union or the complainant to the Bureau of Labor and Industries or the EEOC for resolution, if not already so filed. Nothing in this Article shall preclude an employee from filing a charge of discrimination with the Bureau of Labor and Industries or the EEOC at any time.

ARTICLE 23T--PUBLIC COMPLAINT INVESTIGATION (Temporary Employees)

If an Agency receives a complaint against an employee and the Agency chooses to conduct an investigation of the matter, the Agency shall notify the employee of the investigation. Such notice is not required in instances involving criminal investigations, undercover or confidential investigations, or in situations where the investigation may be jeopardized by such notice.

ARTICLE 23.1--COMPLAINT INVESTIGATION (Human Services Coalition)

Section 1. When the Agency receives a complaint of merit against an employee, which is non-criminal in nature, the employee will be notified of the complaint as early in the process as feasible. If an informal review is conducted, the employee shall be given the opportunity to provide information they deem relevant before the informal review is completed. The employee’s response, if in writing, shall be attached permanently to the complaint and copies thereof. If the informal review determines the complaint has no merit, the employee will be notified in writing. In the event that the Agency determines that a formal investigation is necessary and so notifies the employee, upon the employee’s request, they shall have the right to Union representation during the investigatory interview that the employee reasonably believes will result in disciplinary action.

Section 2. Alleged Criminal Law Complaint. See Article 20--Discipline and Discharge, Section 8 regarding the Weingarten right for Union representation.

Section 3. During a formal Weingarten investigation, the employee may be assigned duties not related to their normal work if the Agency chooses to remove the employee under investigation.

Section 4. The Agency shall give the employee under Weingarten investigation notification of the status of the Agency’s investigation of non-criminal complaints every thirty (30) days until completed. Upon completion of the investigation, the Agency will provide the employee with written notification of the disposition of the investigation.

(a) Leadwork differential shall be defined as a differential for employees who have been formally assigned by their supervisor in writing, “leadwork” duties for ten (10) consecutive calendar days (or the equivalent thereof for alternate or flexible schedules) or longer provided the leadwork or team leader duties are not included in the classification specification for the employee’s position. Leadwork is where, on a recurring daily basis, the employee has been directed to perform substantially all of the following functions: to orient new employees, if appropriate; assign and reassign tasks to accomplish prescribed work efficiently; give direction to workers concerning work procedures; transmit established standards of performance to workers; review work of employees for conformance to standards; and provide informal assessment of workers’ performance to the supervisor.
(b) The differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing for the full period of the assignment.

(c) Leadwork differential shall not be computed at the rate of time and one-half (1 ½) for the time worked in an overtime or holiday work situation, or to effect a “pyramiding” of work out-of-classification payments. However, leadwork differential shall be included in calculation of the overtime rate of pay.

(d) Leadwork differential shall not apply for voluntary training and development purposes which are mutually agreed to in writing between the supervisor and the employee.

(e) If an employee believes that they are performing the duties that meet the criteria in Subsection (a), leadworker, but the duties have not been formally assigned in writing, the employee may notify the Agency Head in writing. The Agency will review the duties within fifteen (15) calendar days of the notification. If the Agency determines that leadwork duties were in fact assigned and are appropriate, the leadwork differential will be effective beginning with the day the employee notified the Agency Head of the issue.

If the Agency determines that the leadwork duties were in fact assigned but should not be continued, the Agency may remove the duties during the fifteen (15) day review period with no penalty.

If the Agency concludes that the duties are not leadwork, the Agency shall notify the employee in writing within fifteen (15) calendar days from receipt of the employee’s notification to the Agency Head.

Section 7. Leadwork Differential. Employment Department.

(a) Leadwork differential will be paid to employees who are formally assigned in writing to perform leadwork provided the leadwork or team leader duties are not included in the classification specification for the employee’s position. Leadwork is where an employee has been formally assigned to do substantially all of the following: to orient new employees, if appropriate; assign and reassign tasks to accomplish prescribed work efficiently; give direction to workers concerning work procedures; transmit established standards of performance to workers; review work of employees for conformance to standards; and provide informal assessment of workers’ performance to the supervisor.

(b) The differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing.

(c) If an employee receives more than one (1) differential (except overtime as mandated by the FLSA), the differentials will be calculated on the base so that no “pyramiding” occurs (i.e., if an employee is receiving the leadworker differential and an out-of-classification differential, the two (2) differentials would be calculated separately and then added on to the base pay).

(d) Leadwork differential shall not apply for voluntary training and development purposes which are mutually agreed to in writing between the supervisor and the employee.

(e) If an employee believes that they are performing the duties of a leadworker but the duties have not been formally assigned in writing, they may submit the matter for resolution as per the dispute resolution process, or through the grievance procedure (as for example, classification review, work out-of-class).

Section 8. Leadwork Differential. ODOT Highway Division, TMS1, TMS2 and Transportation Operations Specialist.

(a) Leadwork differential shall be paid to employees who have been formally assigned by their supervisor “leadwork” duties for five (5) days (or the equivalent thereof for alternate or flexible schedules) or longer in a calendar month; or five (5) (or the equivalent thereof for alternate or flexible schedules) consecutive calendar days or longer that span the end of one (1) month and the beginning of the next month. In no case shall days be counted twice to meet the leadwork pay qualification.

(b) Leadwork is where, on a recurring daily basis, while performing essentially the same duties as the workers led, the employee has been directed to perform substantially all of the following functions: to orient new employees, if appropriate; assign and reassign tasks to accomplish prescribed work efficiently; give direction to workers concerning work procedures; transmit established standards of performance to workers; review work of employees for conformance of standards and provide informal assessment of workers’ performance to the supervisor.

(a) Team Coordinator differential shall be defined as a differential for employees who have been formally assigned in writing “team coordinator” responsibilities for a specific team on a recurring daily basis, for a designated length of time that extends beyond ten (10) consecutive calendar days (or the equivalent thereof for alternate or flexible schedules).

(b) Team Coordinator responsibilities shall include substantially the following roles: monitor team progress in meeting performance goals; coordinate team workflow to accomplish the work efficiently; coordinate team development processes; identify, plan, and approve training; assist in hiring of new team members, orient new employees; review team member timesheets; give feedback to team members concerning work procedures; and serve as communication liaison between the team and management.

(c) The Team Coordinator differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing for the full period of the assignment.

(d) If an employee receives more than one (1) differential (except overtime as mandated by the FLSA), the differentials will be calculated on the base so that no “pyramiding” occurs (i.e., if an employee is receiving the Team Coordinator differential and an out-of-classification differential, the two (2) differentials would be calculated separately and then added on to the base pay).

Section 10. Differential Pay IS Team Lead.

(a) (1) Bargaining unit employees occupying positions that are classified as Information Specialist 1-8 will be eligible for the differential in accordance with subsection (5) below.
The differential shall be ten percent (10%) beginning from the first (1st) day the duties were formally assigned in writing.

Bargaining unit employees shall not be eligible for any work out-of-class pay, leadwork differentials or any other premium pay except for overtime and penalty payments as compensation for team leader duties. If an employee receives more than one (1) differential (except overtime as mandated by the FLSA), the differentials will be calculated on the base so that no “pyramiding” occurs (i.e., if an employee is receiving the team leader differential and out-of-class differential, the two (2) differentials would be calculated separately and then added onto the base pay).

The differential shall be ten percent (10%) above the employee’s base salary rate.

For a bargaining unit employee to be eligible for the differential, the Agency must formally assign the employee in writing to perform team leader duties. The employee leads a team of employees and performs substantially all of the following duties under supervisory direction:

(A) Plans for short and long term needs of team, including such areas as technology to be used, user requirements, resources required, training necessary, methods to accomplish work, multiple project timelines and competing priorities.

(B) Establishes and coordinates multiple interrelated project schedules for all projects on which the team is working.

(C) Works directly with multiple users to identify broad user needs and requested timelines when projects are submitted for the team.

(D) Provides technical/operation guidance to contractors and monitors quality assurance.

(E) Develops technical standards and monitors team members’ work for compliance.

(F) Performs leadwork duties on a recurring daily basis, as listed in Article 26, Section 6 of the Master Agreement, which are to orient new employees, if appropriate, assign and reassign tasks to accomplish prescribed work efficiently, give direction to workers concerning work procedures, transmit established standards of performance to workers, review work of employees for conformance to standards and provide informal assessment of workers’ performance to the supervisor.

(b) Bargaining unit employees shall not be eligible for the differential if they are on voluntary developmental training assignments.

(c)

(1) If an employee believes that they are performing the duties that meet the criteria stated in Subsection a(5), but the duties have not been formally assigned in writing, the employee may notify the Agency Head in writing. The Agency will review the duties within fifteen (15) calendar days of the notification. If the Agency determines that Information Services Team Leader duties were, in fact, assigned and are appropriate, the differential will be effective beginning with the day the employee notifies the Agency Head of the issue.

(2) If the Agency determines that the duties were, in fact, assigned but should not be continued, the Agency may remove the duties during the fifteen (15) day review period with no penalty.

(3) If the Agency concludes that the duties are not Information Services Team Leader duties, the Agency shall notify the employee in writing within fifteen (15) calendar days from receipt of the employee’s notification to the Agency Head.

Section 11. Work Out-of-Classification.

(a) When an employee is assigned for a limited period to perform the duties of a position at a higher level classification for more than ten (10) consecutive calendar days (or the equivalent thereof for alternate or flexible schedules), the employee shall be paid five percent (5%) above the employee’s base rate of pay or the first step of the higher salary range, whichever is greater.

When assignments are made to work out-of-classification for more than ten (10) consecutive calendar days (or the equivalent thereof for alternate or flexible schedules), the employee shall be compensated for all hours worked beginning from the first day of the assignment for the full period of the assignment.

When an employee is assigned to work out-of-classification pending approval of a reclassification upward, the employee will be paid at the next higher rate of pay or first step of the higher salary range, whichever is greater.

Agencies may provide an additional five percent (5%) differential if the work out-of-class would not result in additional compensation for the employee. Agencies must document the reasons for the exception.

(b) An employee performing duties out-of-classification for training or developmental purposes shall be informed in writing of the purpose and length of the assignment during which there shall be no extra pay for the work. A copy of the notice shall be placed in the employee’s file.

(c) An employee who is underfilling a position shall be informed in writing that they are an underfill, the reasons for the underfill, and the requirements necessary for the employee to qualify for reclassification to the allocated level. Upon gaining regular status and meeting the requirements for the allocated level of the position, the employee shall be reclassified.

(d) Assignments of work out-of-classification shall not be made in a manner which will subvert or circumvent the administration of this Article.

Section 12. Work Out-of-Classification. ODOT.

(a) Transportation Maintenance Specialists. In addition to any entitlement to work out-of-classification pay pursuant to Section 10 of this Article, notwithstanding Transportation Maintenance Specialist 1’s who are assigned to a TMS 2 Maintenance crew by their supervisor and who independently perform work consisting of sweeping, snow removal,
sanding, de-icing or removal of land/rock slide materials from roadways at the Transportation Maintenance Specialist 2 (TMS 2) level shall be paid a differential of five percent (5%) over their base rate of pay for all hours of such work. Operation of heavy earth-moving equipment on land/rock slides and operation of a pick-up broom for sweeping are considered TMS 2 level work, whereas traffic control activities such as flagging, operating pilot vehicles and setting signs are not considered TMS 2 level work.

(b) Self-Managed Crews. Where the Agency utilizes self-managed work crews, crew members, including positional leaders, may not be entitled to work out-of-classification payments at the supervisory level unless they assume a majority of duties specific to that classification.

Section 13, Essential Worker Pay. When a situation exists that would otherwise allow an employee to access leave per Letter of Agreement 123.00-18-311 Inclement Weather / Hazardous Conditions Leave, but an employee is required to report to work in person, the employee shall be paid a differential of one dollar ($1.00) per hour for actual hours worked. This differential will not apply to employees whose primary job functions include responding to inclement weather or hazardous conditions or who live at their work site.

Section 14. Lateral Classification Assignment Differential. When an employee is temporarily assigned for a period of ten (10) or more consecutive calendar days (or the equivalent thereof for alternate or flexible schedules) to a lateral classification within the same salary range base number and the salary is a higher salary schedule, the employee shall be paid at the lowest step in the new schedule that provides the employee an increase in their base rate of pay.

ARTICLE 26T--DIFFERENTIAL PAY (Temporary Employees)

Section 1. Bilingual Differential. A differential of five percent (5%) over base rate will be paid to employees in positions which specifically require bilingual skills (i.e., translation to and from English to another foreign language or the use of sign language*) as a condition of employment. The interpretation and translation skills must be assigned and contained in the employee’s statement of duties. Only employees receiving a bilingual or multilingual differential will be required to provide interpretation or translation services on behalf of their Agency.

*NOTE: This differential will be paid to School for the Deaf employees excluding intermittents whose assignments require the use of sign language. Such payment will be made in accordance with the level of proficiency assigned by management, beginning the first day of the month following the employee’s successful evaluation of the expected sign skill level for their position. Employees in the other Agencies will be paid this differential only when such bilingual sign requirements are assigned.

Section 2. Multilingual. A differential of ten percent (10%) over base rate will be paid to employees in positions which require multilingual skills (i.e., translation to and from English to two (2) or more foreign languages*) as a condition of employment. The interpretation and translation skills must be assigned for multiple languages and must be contained in an employee’s individual position’s position description. Only employees receiving a bilingual or multilingual differential will be required to provide interpretation or translation services on behalf of their Agency.

*NOTE: American Sign Language will count as one (1) of the two (2) foreign languages for purposes of the multilingual differential.

Section 3. Shift Differential.

(a) Eligibility. All employees required to work a designated schedule shall be paid a differential as outlined in Subsections (b) and (c) below, for each hour or major portion thereof (thirty (30) minutes or more), worked between 6:00 pm and 6:00 am and for each hour or major portion thereof worked on Saturday or Sunday. When a work schedule is requested by an employee and approved by the Agency, and the requested schedule contains hours outside of the hours designated for the employee’s position by the Agency, shift differential pay shall be waived by the employee for the hours affected by the change.

(b) Registered Nurses, Nurse Practitioners, and Licensed Practical Nurses will receive a shift differential of one-dollar and eighty-five cents ($1.85) per hour. Employees in Mental Health Therapist 2 positions who are certified LPNs and also have the working title of Licensed Practical Nurse will receive this shift differential.

(c) All other personnel will receive a differential of one dollar ($1.00) per hour.

ARTICLE 27--SALARY INCREASE

Section 1. Cost of Living Adjustments. Effective December 1, 2021, Compensation Plan salary rates shall be increased by two and five tenths percent (2.5%) but not less than eighty-five dollars ($85) per month (prorated for part-time employees). Effective December 1, 2022, Compensation Plan salary rates shall be increased by three and one tenth percent (3.1%) but not less than one hundred dollars ($100) per month (prorated for part-time employees). (See Appendix C & E.)

Section 2. Compensation Plan for Non-Strikeable Unit. The Parties agree to maintain a separate wage compensation plan for SEIU Local 503, OPEU-represented employees in the non-strikeable unit, including employees at Oregon State Hospital in positions designated as security. (See Appendix D.)

Section 3. Compensation Plan Changes.

(a) Selective Salary Increases. Effective July 1, 2021, the classifications listed below shall be adjusted as follows:
Effective July 1, 2021, all employees in these classifications will retain their current salary rate in the new range except that employees whose current rate is below the first (1st) step of the new range shall be moved to the first (1st) step in the new range and a new salary eligibility date will be established twelve (12) months later. For an employee whose rate is within the new salary range, but not at a corresponding salary step, their current salary rate shall be adjusted to the next higher step closest to their current salary upon the effective date. “Red-circle” under Article 81, Section 3 will apply when appropriate, (i.e., in cases of downward reclassification).

*Facility and Energy Technician 3s will be placed on-step in the new range for the revised classification to the nearest step which is greater than the employee’s current adjusted salary rate. The adjusted salary rate is inclusive of the employee’s base rate of pay and the five percent (5%) FETs Recruitment and Retention Differential. These employees will retain their current salary eligibility date, if applicable.
(See Letters of Agreement 27.00-19-325 & 27.00-19-364 in Appendix A.)

**ARTICLE 29—SALARY ADMINISTRATION**

**Section 1. Pay.**

(a) Pay for employees in the bargaining unit shall be in accordance with the Compensation Plan adopted by the Department of Administrative Services and approved by the Governor as modified by this Agreement. No changes shall be made in the Compensation Plan which affect SEIU Local 503, OPEU bargaining unit employees unless the Parties to this Agreement have negotiated the changes and reached agreement on what changes will be made. This is not intended to prevent mechanical changes or other minor changes necessary to administer the Compensation Plan.

(b) All employees shall be paid no later than the first day of the month. However, employees who begin work after payroll cutoff will be paid in the subsequent mid-month payroll for time worked in the affected pay period. When a payday occurs on Monday through Friday, payroll checks shall be released to employees on that day. When payday falls on a Saturday, Sunday, or banking holiday, employee paychecks shall be made available after 8:00 a.m. on the last working day of the month. When an employee is not scheduled to work on the payday, the paycheck may be released prior to payday if the paycheck is available and the employee has completed the “Request for Release of Payroll Check” Form AD20. However, the employee may not cash or deposit the check prior to the normal release time. Any violation of this provision may be cause for disciplinary action. All checks released early under this Article shall be accompanied by written notice from the Employer as to the normal release time and date for that employee and a statement that early cashing or depositing of the check may be cause for disciplinary action. However, this shall not apply to appropriate mid-month payroll. The release day for December paychecks dated January 1 shall be the first working day in January to avoid the risk of December’s paychecks being included in the prior year’s earnings for tax purposes.

(c) Employees shall be paid no less than the minimum rate of pay for their classification upon appointment to a position in state service. An entrance salary rate may exceed the minimum rate when the Appointing Authority believes it is in the best interest of the State to do so.

(d) Release of sixty percent (60%) of an employee’s earned gross wages prior to the employee’s designated payday shall be authorized subject to approval of the Appointing Authority or designee, in emergency cases upon receipt of a written request from the employee that describes the emergency. An emergency situation shall be defined as an unusual, unforeseen event or condition that requires immediate financial attention by an employee. Emergencies include but are not limited to the following circumstances:

1. Death in family
2. Major car repair
3. Theft of funds
4. Automobile accident (loss of vehicle use)
5. Accident or sickness
6. Destruction or major damage to home
7. New employee lack of funds (maximum—one (1) draw)
8. Moving due to transfer or promotion.

**Section 2. Step Increase.** Employees shall be granted an annual step increase on their eligibility date if the employee is not at the top of the salary range of their classification.
Employees shall be eligible for step increases following the intervals of:

(a) Annual periods after the initial date of hire until the employee has reached the top step in their salary range. However, should an employee be promoted during the first year of service with the Employer, the employee shall not receive this increase, but shall be eligible for increases in Section 3(b).

(b) The first six (6) months after promotion and annual periods thereafter until the employee has reached the top step in their salary range.

Section 3. Salary on Demotion. Whenever an employee demotes to a job classification in a lower range that has a salary rate the same as the previous salary step, the employee’s salary shall be maintained at that step in the lower range.

Whenever an employee demotes to a job classification in a salary range which does not have corresponding salary steps with the employee’s previous salary but is within the new salary range, the employee’s salary shall be maintained at the current rate until the next eligibility date. At the employee’s next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range plus that amount that their current salary rate is below the next higher rate in the salary range. This increase shall not exceed the highest rate in the new salary range.

Whenever employees demote to a job classification in a lower range, but their previous salary is above the highest step for that range, the employee shall be paid at the highest step in the new salary range.

This Section shall not apply to demotions resulting from official disciplinary actions.

Section 4. Salary on Promotion.

(a) An employee shall be given no less than an increase to the next higher rate in the new salary range effective on the date of promotion.

If an employee is demoted or removed during trial service as a result of a promotion, their salary shall be reduced to the former step, and the previous salary eligibility date shall be restored.

If the employee’s salary eligibility date occurs during the promotional trial service period, upon reinstatement to the previous class, the salary eligibility date prior to promotion will be recognized.

(b) Salary on Recall from Demotion in Lieu of Layoff. Upon recall to their former classification, an employee demoted in lieu of layoff shall retain their previous salary eligibility date and, as of the date of recall, be restored at the salary the employee would have been eligible for had a demotion not occurred, unless the employee is denied the increase as a disciplinary action.

Section 5. Salary on Lateral Transfer. An employee’s salary shall remain the same, except where the Appointing Authority or designee determines that exceptional circumstances justify payment of a higher rate, when transferring from one (1) position to another which has the same salary range.

Section 6. Effect of Break-In-Service. When an employee separates from state service and subsequently returns to state service, except as a temporary employee, the employee’s salary eligibility date shall be determined by the Agency as follows:

(a) Return from Recall List. The employee’s previous salary eligibility date, adjusted by the amount of break-in-service, shall be restored.

(b) Return from Reemployment. The employee’s previous salary eligibility date, adjusted by the amount of break-in-service, shall represent the earliest salary eligibility date following return. However, the salary eligibility date may be established as the first of the month in any future month up to twelve (12) months from the date of reemployment.

Section 7. Rate of Pay on Appointment from Layoff List. When an individual is appointed from a layoff list to a position in the same classification in which the person was previously employed, the person shall be paid at the same salary step at which such employee was being paid at the time of layoff. The salary eligibility date of an individual who is appointed from a layoff list shall be determined in accordance with Section 6.

Section 8.

(a) Rate of Pay on Return to State Service by Reemployment. When a former employee is appointed from reemployment to a position in the same classification in which they were previously employed or in a related classification with the same salary range, they may be paid at or below the step at which they were being paid at the time of their termination. If a person is reemployed in a position in a classification with a lower salary range than that of their previous position, they may be paid at any step in the lower salary range not exceeding the rate they were being paid in the higher classification, except where exceptional circumstances justify payment of a higher rate. The salary eligibility date of a former employee who is appointed from reemployment shall be determined in accordance with Section 7.

(b) Rate of Pay on Reemployment Without a Break-In-Service.

(1) When a current employee is returning from demotion to a position in the same classification in which they were previously employed or in a related classification with the same salary range, the employee shall be restored at the salary step the employee would have been eligible for had a demotion not occurred, not to exceed the top step.

(2) When a person is reemployed in a position in a classification with a lower salary range than that of their previous position as referenced in Subsection (b)(1), the employee may be paid at any step in that lower salary range not to exceed the top step or the rate they would have received pursuant to Subsection (b)(1). However, if an employee’s current rate of pay is below the top step of the lower classification’s salary range, they retain that rate unless the employee is eligible to receive a higher rate pursuant to Subsection (b)(1) or (b)(4) not to exceed the top step.

(3) In both instances, the former salary eligibility date (SED) is restored unless the SED is changed in compliance with the Collective Bargaining Agreement (e.g., Article 61, Leave Without Pay).
(4) Pay of a higher rate, not to exceed the top step, may be granted subject to exceptional circumstances, upon approval of the appointing authority.

**Section 9. Recoupment of Wage and Benefit Overpayments.**

(a) In the event that an employee receives wages or benefits from the Agency to which the employee is not entitled, regardless of whether the employee knew or should have known of the overpayment, the Agency shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists and the amount of wages and/or benefits to be repaid.

(b) The Agency shall be limited in using the payroll deduction process to a maximum period of three (3) years before the notification. An employee who disagrees with the Agency’s determination that an overpayment has been made to the employee may grieve the determination through the grievance procedure.

(c) For purposes of recovering overpayments of fifty dollars ($50.00) or less, notice will be provided on the employee paystub.

(d) For purposes of recovering overpayments of more than fifty dollars ($50.00) by payroll deduction, the following shall apply:

1. The employee and the Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.

2. If there is no mutual agreement at the end of the thirty (30) calendar day period, the Agency shall implement the repayment schedule stated in Subsection (d)(3) below.

3. If the overpayment amount to be repaid is more than five percent (5%) of the employee’s regular monthly base salary, the overpayment shall be recovered in monthly amounts not exceeding five percent (5%) of the employee’s regular base salary. If an overpayment is less than five percent (5%) of the employee’s regular monthly base salary, the overpayment shall be recovered in a lump sum deduction from the employee’s paycheck. If an employee leaves Agency service before the Agency fully recovers the overpayment, the remaining amount may be deducted from the employee’s final check(s).

(e) Subsections (d)(1) through (d)(3) of this Section shall not apply to payroll adjustments necessitated by a discrepancy between actual hours of paid time versus hours projected for payroll purposes from one pay period to another. For example, if an employee utilizes leave without pay near the end of a month but is paid for such time because such leave without pay was not anticipated at the payroll cutoff date for that month, the employee’s pay and benefit entitlements may be adjusted on the following month’s paycheck.

   However, under limited conditions (listed below) an exception to lump sum recoupment of wage overpayments greater than five percent (5%), as a result of leave without pay, shall apply. In these cases:

   (A) An employee may request a repayment schedule not to exceed three (3) months:

      i. When entries are made by a person authorized by the Agency to complete a timesheet on behalf of an absent employee which results in overpayment.

      ii. When entries on the timesheet made by an employee were correct, but the timesheet data was incorrectly input by the Agency which results in an overpayment.

   (B) Subject to extenuating circumstances beyond the control of the employee, an employee may request a longer repayment schedule. The Appointing Authority or designee has the sole discretion to deny or grant the employee’s request. The decision is not subject to the grievance procedure.

   If an employee leaves agency service before the agency fully recovers the overpayment, the remaining amount may be deducted from the employee’s final check(s).

(5) The Article does not waive the Agency’s right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

**ARTICLE 29T–SALARY ADMINISTRATION (Temporary Employees)**

**Section 1. Pay.**

(a) Pay for employees in the bargaining unit shall be in accordance with the Compensation Plan adopted by the Department of Administrative Services and approved by the Governor as modified by this Agreement. No changes shall be made in the Compensation Plan which affect SEIU Local 503, OPEU bargaining unit employees unless the Parties to this Agreement have negotiated the changes and reached agreement on what changes will be made. This is not intended to prevent mechanical changes or other minor changes necessary to administer the Compensation Plan.

(b) All employees shall be paid no later than the first day of the month or semi-monthly, as appropriate. When a payday occurs on Monday through Friday, payroll checks shall be released to employees on that day. When payday falls on a Saturday, Sunday, or holiday, employee paychecks shall be made available after 8:00 a.m. on the last working day of the month, or as appropriate for hourly employees. When an employee is not scheduled to work on the payday, the paycheck may be released prior to payday if the paycheck is available and the employee has completed the “Request for Release of Payroll Check” Form AD20. However, the employee may not cash or deposit the check prior to the normal release time. Any violation of this provision may be cause for denial of future early release of paycheck. All checks released early under this Article shall be accompanied by written notice from the Employer as to the normal release time and date for that employee and a statement that early cashing or depositing of the check may be cause for denial of future early release of paycheck. However, this shall not apply to appropriate tenth (10th) of the month payroll. The release day for December paychecks dated January 1 shall be the first working day in January to avoid the risk of December’s paychecks being included in the prior year’s earnings for tax purposes.
(c) Employees shall be paid no less than the minimum rate of pay for their classification upon appointment as a temporary employee.

(d) Release of sixty percent (60%) of an employee’s earned gross wages prior to the employee’s designated payday shall be authorized subject to approval of the Appointing Authority, in emergency cases upon receipt of a written request from the employee that describes the emergency. An emergency situation shall be defined as an unusual, unforeseen event or condition that requires immediate financial attention by an employee. Emergencies include but are not limited to the following circumstances:

1. Death in family
2. Major car repair
3. Theft of funds
4. Automobile accident (loss of vehicle use)
5. Accident or sickness
6. Destruction or major damage to home
7. New employee lack of funds (maximum—one (1) draw)
8. Moving due to transfer or promotion.

**Section 2. Recoupment of Wage and Benefit Overpayments.**

(a) In the event that an employee receives wages or benefits from the Agency to which the employee is not entitled, regardless of whether the employee knew or should have known of the overpayment, the Agency shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists and the amount of wages and/or benefits to be repaid.

(b) The Agency shall be limited in using the payroll deduction process to a maximum period of three (3) years before the notification. An employee who disagrees with the Agency’s determination that an overpayment has been made to the employee may grieve the determination through the grievance procedure.

(c) For purposes of recovering overpayments of fifty dollars ($50.00) or less, notice will be provided on the employee paystub.

(d) For purposes of recovering overpayments of more than fifty dollars ($50.00) by payroll deduction, the following shall apply:

   1. The employee and the Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.
   2. If there is no mutual agreement at the end of the thirty (30) calendar day period, the Agency shall implement the repayment schedule stated in Subsection (d)(3) below.
   3. The overpayment shall be recovered in amounts not exceeding five percent (5%) of the employee’s wage per pay period. If an employee leaves Agency service before the Agency fully recovers the overpayment, the remaining amount may be deducted from the employee’s final check(s).
   4. In the event the employee was paid for hours not worked, Subsections (b), (c), and (d) shall not apply and the overpayment is subject to immediate recoupment.

(e) The Article does not waive the Agency’s right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

**ARTICLE 30--PAYROLL COMPUTATION PROCEDURES**

**Section 1. Definitions.**

(a) **Permanent Full-Time:** A permanent position equivalent to eight (8) hours per day or forty (40) hours per week. A permanent full-time employee will be paid on a monthly salary basis, and all benefits will be calculated on a monthly pay status basis.

(b) **Permanent Part-Time:** A permanent position less than permanent full-time. A permanent part-time employee will be paid on a fixed partial monthly or hourly salary basis, and all benefits will be calculated on a partial monthly or pay period, pay status basis. All permanent part-time employees whose work hours are regularly scheduled (work hours are based on a predetermined schedule) shall be paid on a fixed partial monthly basis.

(c) **Seasonal Full-Time:** A seasonal position normally equivalent to eight (8) hours per day or forty (40) hours per week. An employee in such position will be paid on a monthly, hourly, or fixed partial monthly salary basis. All benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.

(d) **Seasonal Part-Time:** A seasonal position normally less than equivalent to eight (8) hours per day or forty (40) hours per week. An employee in such position will be paid on an hourly basis and all benefits will be calculated on a partial pay period, pay status basis.

(e) **Temporary Full-Time:** A temporary appointment equivalent to eight (8) hours per day or forty (40) hours per week. A temporary full-time employee will be paid on a monthly, hourly, or fixed partial monthly salary basis. Any applicable benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.

(f) **Temporary Part-Time:** A temporary appointment less than full time. A temporary part-time employee will be paid on a monthly, hourly, or fixed partial monthly salary basis. Any applicable benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.

(g) **Number of Workdays in Month or Pay Period:** Number of possible workdays in the month or pay period based on the employee’s weekly work schedule, such as Monday-Friday, Tuesday-Saturday, etc. Holidays that fall within the employee’s work schedule are counted as workdays for that month or pay period.
(h) **Hourly Rates of Pay:** The hourly equivalent of the monthly base rates of pay as published in the Compensation Plan. The hourly rates are computed by dividing the monthly salary by 173.33 (or by 162.5 for certain Printer classifications).

(i) **Partial Month’s Pay:** A prorated monthly or pay period salary. The number of hours actually worked by an employee divided by the total number of possible hours in the month or pay period based on the work schedule, times the full monthly or pay period salary rate. For example, if the employee works 115 hours in a month or pay period with a possible work schedule of 121 hours, the partial month’s pay is computed as follows:

\[
\frac{115}{121} \times \text{Full Month Salary} = \text{Gross Partial Pay}
\]

(j) **Days Worked:** Includes all days actually worked, all holidays, and all paid leave, which occurs within an employee’s service period.

**Section 2. General Compensation.**

(a) **Permanent Full-Time Employees:** Pay and benefits will be computed on a monthly pay status basis.

(b) **Permanent Part-Time Employees:**

1. Pay and benefits will be computed on a prorated monthly or pay period basis, such as one-half (½) monthly or pay period pay for a half-time employee, or pay will be computed on an hourly basis, and pay and benefits will be normally prorated on a pay period, pay status basis. Permanent part-time employees in permanent full-time positions will be treated as permanent part-time for purposes of this Article.

2. Employees paid on a fixed partial monthly basis shall have all extra hours worked over the regular part-time schedule paid at the hourly rate. Employees paid on a fixed partial monthly basis who work less than the regular part-time schedule shall have time deducted at the hourly rate.

(c) **Seasonal Full-Time Employees:** Pay and benefits will be computed on a monthly, prorated monthly, or an hourly pay period, pay status basis.

(d) **Seasonal Part-Time Employees:** Pay will be computed on an hourly basis, and pay and benefits will be normally prorated on a pay period, pay status basis.

(e) **Job Sharing Employees:** The total time worked by all job share employees in one (1) position will not exceed 1.0 FTE.

(f) **Temporary Full-Time Employees:** Pay and applicable benefits will be computed on a monthly, prorated monthly, or an hourly pay period pay status basis.

(g) **Temporary Part-Time Employees:** Pay and applicable benefits will be computed on an hourly basis, and pay will normally be prorated on a pay period, pay status basis.

(h) **Partial Month’s Pay or Partial Pay Period:**

1. Partial month’s pay (or prorated monthly or pay period pay) is applied when:
   
   (A) A full-time employee is hired on a date other than the first working day of the month or pay period (based on employee’s work schedule).
   
   (B) A full-time employee separates prior to the last workday in the month or pay period (based on the employee’s work schedule).
   
   (C) A full-time employee is placed on leave without pay or returns from leave without pay, or is unscheduled.
   
   (D) An employee is appointed to a permanent part-time position.

2. See definition for partial month’s pay under Section 1(i) for computation procedures.

(i) **Changes in Salary Rate:** When an employee’s salary rate changes in the middle of a month, pay will be computed on the fractional amount of hours worked at each salary rate during the month. For example:

\[
\frac{\text{Actual Hours}}{\text{Possible Hours}} \times \text{Old Rate} + \frac{\text{Actual Hours}}{\text{Possible Hours}} \times \text{New Rate} = \text{Gross Pay}
\]

**Section 3.** The Parties agree that if the Employer adopts a biweekly pay plan, this Article of the Contract will be open for renegotiation.

(See Letter of Agreement 30.00-21-396 in Appendix A.)

**ARTICLE 31--INSURANCE**

**Section 1. Employer Contribution.**

(a) An Employer contribution for health and dental benefits will only be made for each active employee who has at least eighty (80) paid regular hours in a month and who is eligible for medical insurance coverage, unless otherwise required by law.

(b) It is understood that the administrative intent of this Article is that the Employer contribution is made for individuals who are participants in the medical insurance coverages. Participation will mean that eligible less-than-full-time employees who drop out of coverage will be considered to participate. Additionally, employees who elect to opt out of coverage for a cash incentive will be considered to participate.

**Section 2. Full-Time Employees.**

An Employer contribution shall be made for full-time employees who have at least eighty (80) paid regular hours in a month, unless otherwise required by law.

For Plan Years 2021, 2022 and 2023 the Employer will pay ninety-five percent (95%) and the employee will pay five percent (5%) of the monthly premium rate as determined by PEBB. For employees who enroll in a medical plan that is at least ten percent (10%) lower in cost than the monthly premium rate for the highest cost medical plan available to the majority
of employees, the Employer shall pay ninety-nine percent (99%) of the monthly premium for PEBB health, vision, dental and basic life insurance benefits and the employee shall pay the remaining one percent (1%).

Section 3. Less-Than-Full-Time Employees.

(a) For less-than-full-time employees (including part-time, seasonal, and intermittent employees), who have at least eighty (80) paid regular hours in the month, the Employer shall contribute a prorated amount of the contribution for full-time employees, unless otherwise required by law. This prorated contribution shall be based on the ratio of paid regular hours to full-time hours to the nearest full percent, except that less-than-full-time employees who have at least eighty (80) paid regular hours in a month shall receive no less than one-half (½) of the contribution for full-time employees.

(b) The following administrative procedures shall be used for the calculation of Employer health plan contributions for less-than-full-time employees, under this Section.

1. “Regular hours” means all hours of work or paid leave except overtime hours, i.e., those above eight (8) hours in a day or forty (40) hours in a week. Thus, “regular hours” shall include additional non-overtime hours worked above an employee’s regular work schedule.

2. The formulas to be used for calculating the Employer’s prorated health plan contribution shall be those provided in Article 30--Payroll Computation Procedures.

3. In the event that a less-than-full-time employee, who is regularly scheduled to work half-time or more, fails to maintain at least half-time paid regular hours because of the effect of prorated holiday time or other paid or unpaid time off, they shall be allowed to use available vacation or comp time to maintain their eligibility for benefits and the Employer’s contribution for such benefits.

Section 4. Coordination of Benefits. The Public Employee Benefits Board (PEBB) may adopt any of the effect-on-benefit alternatives described in the National Association of Insurance Commissioners (NAIC) 1985 model acts and regulations, or any subsequent alternatives promulgated by the NAIC.

Section 5. Administration. Agencies will continue to pay employee insurance premiums directly to the appropriate insurance carriers and remit balances either to the employees’ flex benefit account or to PEBB, as directed by PEBB.

Section 6. The State ceases to have a proprietary interest in its own contributions to the benefit plan premium when it pays such funds to the carrier or to persons who have an irrevocable duty to transfer such payments to the carriers when due. (See Letters of Agreement 31.00-11-226 & 31.00-13-248 & 31.00-13-252 in Appendix A.)

ARTICLE 32--OVERTIME

Section 1. Definition of Time Worked. All time for which an employee is compensated at the regular straight time rate of pay, including work-related telephone calls made to or by an employee after the end of their work-shift, shall be counted as time worked with the following exceptions:

- Holidays which fall on an employee’s scheduled day off;
- On-call time (Article 34);
- Penalty payments (Article 40);
- Paid sick leave (Article 56), except that paid sick leave shall be counted as time worked for the purpose of calculating overtime, if a worker is mandated to work beyond their regular shift or on their scheduled day off.

Section 2. Overtime Work Definition. Overtime for employees working a regular work schedule is time worked in excess of eight (8) hours per day or forty (40) hours per workweek. Overtime for employees working an alternate work schedule is time in excess of the daily scheduled shift or forty (40) hours per workweek. Overtime for employees working a flexible work schedule is time in excess of the agreed upon hours each day or time in excess of forty (40) hours per workweek. Time worked beyond regular schedules by employees scheduled for less than eight (8) hours per day or forty (40) hours per workweek is additional straight time worked rather than overtime until the hours worked exceed eight (8) hours per day or forty (40) hours per workweek. In a split shift, the time an employee works in a day after twelve (12) hours from the time the employee initially reports for work is overtime.

Section 3. Compensation. All employees shall be compensated for overtime at the rates set out in Section 4. No application of this Article shall be construed or interpreted to provide for compensation for overtime at a rate exceeding time and one-half (1 ½), or to effect a “pyramiding” of overtime and penalty payments.

Section 4. Eligibility for Overtime Compensation.

(a) Overtime-Eligible Positions. Time and one-half (1 ½) their regular hourly rate unless the position is executive, administrative or professional as defined by the Fair Labor Standards Act (FLSA) and ORS 653.269(5)(a) or unless the classification contains direct care nursing employees, in the following classifications or successor classifications:

- 6214 Institution RN
- 6255 Nurse Practitioner

Such time and one-half (1 ½) compensation shall be in the form of cash or compensatory time, pursuant to Articles 32.1-32.5.

In Agencies where there is no contractual limitation on the accumulation of compensatory time the Employer may:

1. schedule unilaterally up to forty (40) hours of unused compensatory time per employee per fiscal year, after prior notice of at least five (5) working days to the affected employees; and/or

2. pay off in cash some or all of an employee’s unused compensatory time once per fiscal year.

(b) Straight-Time-Eligible Positions. Employees in positions, except as identified in Section 4 above, which have been determined to be executive, administrative, or professional as defined by the FLSA and ORS 653.269(5)(a) shall receive
time off for authorized time worked in excess of eight (8) hours per day or forty (40) hours per week at the rate of one (1) hour off for one (1) hour of overtime worked subject to limitations of Articles 32.1-32.5.

This time off shall be utilized within the fiscal year earned or shall be lost, except when the scheduling has been extended by the Agency or as otherwise specified below. At ninety (90) days prior to loss of such straight time, employees shall be notified that they must use or lose the hours. Time earned in the last ninety (90) days may, at the discretion of management, be carried forward into the next fiscal year. However, such carry forward may not increase the total straight time that may be accrued in that year. If time off requests are denied for use of accrued leave before the year ends, these accrued hours will be paid in cash upon forfeiture. Employees will take all necessary steps to request use of straight time during the fiscal year. Employees shall be paid out any unused straight time upon separation from employment.

(c) No overtime is to be worked without the prior authorization of management.

Section 5. Schedule Change. When a change of work schedule is requested by an employee and approved by the Agency, all forms of penalty pay shall be waived by the employee. When a change of work schedule is requested by an employee and approved by the Agency, overtime compensation for that workday, but not for work over forty (40) hours per week, associated with the changed schedule shall be waived.

Section 6. Record. A record of all overtime worked shall be maintained by the Agency.

Section 7. Change in FLSA Status.

(a) DAS shall provide the Union with no less than twenty (20) days written notice of its intent to exempt from overtime a filled bargaining unit position. DAS agrees not to change the position's designation during this twenty (20) day period.

(b) Employees may challenge their position's designation by providing notice and requesting a desk audit to the Agency Human Resources Department. The Agency shall conduct the desk audit and make a determination in writing within thirty (30) days of the request, or as extended by mutual agreement.

(c) Should the Union decide to contest the proposed change in status, it shall serve DAS with written notice of such intent within twenty (20) days of its receipt of the notice. Should such notice be given, DAS will forego implementing the change in designation for an additional forty (40) days, beyond the initial twenty (20) day period. The purpose of this forty (40) day period is to allow time to investigate whether there are grounds to contest the proposed change in status. If the Union decides to pursue challenging an exemption it must file with Department of Labor (DOL)/Bureau of Labor and Industries (BOLI) prior to the end of this forty (40) day period. In such event, DAS agrees to forego implementing a change in designation until the matter is resolved by way of DOL/BOLI decision, settlement or other manner.

(d) If timely notice indicating intent to contest the exemption during the initial twenty (20) day period is not received or if the Union does not proceed forward during the subsequent forty (40) day period, the position's designation shall be changed, and the Parties agree not to contest the status of this position during the remainder of this contract term, unless the position's duties should materially change such that the exemption is no longer warranted.

(e) For purposes of this Section, written notice may occur by personal delivery, fax, email or mail (postmark) within the time frames cited above.

ARTICLE 32T--OVERTIME (Temporary Employees)

Section 1. Time Worked Definition. Time worked is defined as actual hours worked.

Section 2. Overtime Work Definition. Overtime for non-exempt employees working any work schedule is actual time worked in excess of forty (40) hours per weekwork.

Section 3. Compensation. All non-exempt employees shall be compensated for overtime at time and one-half (1 ½) of their regular hourly rate. No overtime is to be worked without the prior authorization of management.

Section 4. No application of this Article shall be construed or interpreted to provide compensation for overtime at a rate exceeding time and one-half (1 ½), or to effect a “pyramiding” of overtime and penalty payments.

Section 5. Record. A record of all overtime worked shall be maintained by the Agency.

ARTICLE 32.1--OVERTIME (Human Services Coalition)

Section 1. Distribution of Overtime. Overtime shall be distributed as equally as feasible among qualified employees customarily performing the kind of work required, and currently assigned to the work unit in which the overtime is to be worked. Overtime will be assigned to volunteers according to seniority, the most senior having priority. If there are not sufficient volunteers to meet the Agency's needs, mandatory overtime will be assigned according to inverse seniority. Seniority and volunteers notwithstanding, special qualifications or case handling continuity will be given first consideration in the assignment of overtime.

Section 2. Notice of Overtime. The Agency shall give as much notice as possible of overtime to be worked. No overtime is to be worked without the prior authorization of management except in emergent situations necessary to effect Agency services.

Section 3. Payment of Overtime. Payment of overtime shall be included in the payroll paid on the first of the month following the pay period in which overtime is worked if the overtime is reported prior to the payroll cut-off date. All eligible employees who work overtime shall be compensated for authorized overtime, either in the form of cash or compensatory time off to be determined by the employee. In the event budgetary or staffing limitations exist, in fact, and the Agency so notifies the employee in writing of the fact, with a copy to the Union, the Agency may designate the form of overtime compensation. Compensatory time accrued by employee choice may accumulate to a maximum of one-hundred twenty (120) hours. Compensatory time may be paid off quarterly at the option of the Employer.
Section 4. Overtime Break. When an employee is required to work overtime two (2) or more hours beyond the end of the shift, they, at the employee’s discretion, may take a fifteen (15) minute paid break before beginning the overtime shift.

Section 5. Subject to the operating requirements of the Agency, the employee may take accrued compensatory time off for overtime earned following approval by their supervisor. If the Agency is unable to schedule time off, the Agency shall pay cash for the balance of the unused compensatory time. If two (2) or more employees request the same time off, and the matter cannot be resolved by agreement of the employees concerned, the employee having the greatest length of continuous service with the Agency shall be granted time off. This option shall only be used once in every twelve (12) months by an individual employee.

(See Letter of Agreement 32.1-21-402 & 32.1M-15-281 in Appendix A.)

ARTICLE 34--STANDBY DUTY/ON-CALL DUTY

Section 1. Standby Duty.

(a) An employee shall be on standby duty when required to be available for work outside their normal working hours, and subject to restrictions consistent with the FLSA which would prevent the employee from using the time while on standby duty effectively for the employee's own purposes.

(b) Compensation for standby duty shall be at FLSA-eligible employee's straight time rate of pay or for FLSA-exempt employees hour for hour compensatory time off. Overtime hours shall be at the appropriate overtime pay rate pursuant to Article 32.

Section 2. On-Call Duty.

(a) Employees shall be paid one (1) hour of pay at the regular straight time rate for each six (6) hours of assigned on-call duty. Employees who are assigned on-call duty for less than six (6) hours shall be paid on a prorated basis.

(b) Employees assigned on-call duty on a holiday shall be paid one (1) hour of pay at time and one-half (1 ½) their regular hourly rate for each six (6) hours of assigned on-call duty. Employees are assigned on-call duty for less than six (6) hours shall be paid on a prorated basis.

(c) An employee shall be assigned on-call duty when specifically required to be available for work outside their working hours and not subject to restrictions which would prevent the employee from using the time while on-call effectively for the employee’s own purposes.

(d) No employee is eligible for any premium pay compensation while on on-call duty except as expressly stated in this Article.

(e) On-call duty time shall not be counted as time worked in the computation of overtime hours worked but on-call pay shall be included in the calculation of the overtime rate of pay.

Section 3. Compensation for Time Worked.

An employee shall not be on standby duty or on-call duty once they actually commence performing assigned duties and receives the appropriate rate of pay for time worked.

Section 4. On-Call Duty Call Out.

(a) An employee who is required to report to a work site to commence performing assigned duties from on-call status shall be paid a minimum of the equivalent of two (2) hours pay at the appropriate rate of pay computed from when the employee actually begins work.

(b) The employee will not receive additional compensation if the employee receives additional call-outs during the same two (2) hour period, including the resumption of on-call duty.

To qualify for a vacant position, the employee must meet the minimum qualifications for the classification, specific requirements for the position, and be able to perform the duties with minimal orientation. The requesting employee may grieve qualification decisions made by OED Human Resources.

ARTICLE 49.1M—TRIAL SERVICE FOR SOCIAL SERVICE SPECIALISTS AND DISABILITY ANALYST 1 (DHS-OHA)

Section 1. Each person appointed to a position in the Social Service Specialist classification series and performing child welfare work shall serve a trial service period of one (1) year. This period is recognized as an extension of the selection process during which time the employee shall receive extensive orientation, supervision, and training.

(a) The employee shall receive a position description and training/orientation plan within the first thirty (30) days; an informal evaluation at three (3) months; a written performance appraisal at six (6) months; and an updated training plan for the second six (6) months with informal evaluations at eight (8) months and ten (10) months.

(b) When in the judgment of the Appointing Authority, performance has been adequate to clearly demonstrate the competence and fitness of the employee, the Appointing Authority may at any time appoint the employee to regular status. If the employee does not receive a written performance appraisal by the end of the first six (6) months that employee will automatically assume permanent status.

(c) Nothing in this provision is intended to modify any other provisions and benefits which the employee would otherwise be entitled to receive after an initial six (6) month trial service.

Section 2. Each person appointed to a position in the Disability Analyst 1 classification shall serve a trial service period of nine (9) months. However, the trial service will be six (6) months for an employee who has prior experience evaluating or adjudicating applicants for the Social Security Disability Insurance and Supplemental Security Income in another state, and as a result of that experience, is not required to attend Basic Disability Analyst training. The performance expectations for those employees serving a nine (9) month trial service period shall be adjusted in consideration of the period of initial training required.

To insure that Disability Analyst employees continue to be successful in completing their training and nine (9) month trial service period, the Parties agree that the training evaluation committee has been created for the purpose of on-going evaluation of this effort. It is further agreed that this committee should comprise an equal number of labor and management representatives. Recommendations developed by this committee will be submitted to whomever the DDS Administrator reports to.

ARTICLE 50—TRANSFER DURING TRIAL SERVICE

Section 1. An employee who is transferred to another position in the same classification or a different classification at the same or lower salary level in the same Agency shall complete the trial service period by adding the service time in the former position.

Section 2. An employee who is transferred to another position in the same classification or a different classification at the same or lower salary level in another Agency prior to the completion of the trial service must complete a full trial service period in the new position.

ARTICLE 51—LIMITED DURATION APPOINTMENT

Section 1. Appointments for Special Studies or Projects. Persons may be hired for special studies or projects of uncertain or limited duration which are subject to the continuation of a grant, contract, award, or legislative funding for a specific project.

(a) Limited duration appointments may be filled by hiring new employees to state service or hiring current employees.
Such appointments shall be for a stated period not exceeding two (2) years, unless the Parties mutually agree to extend the limited duration appointment beyond two (2) years, and shall expire upon the earlier termination of the special study or projects.

**Section 2. Appointments for Workload Purposes.** Persons may be hired as limited duration appointments, for workload purposes, when needed to fill short-term or transitional assignments, including, but not limited to, legislative directive, reorganizations, unanticipated workload needs or when position reduction is anticipated.

(a) Limited duration appointments may be filled by hiring new employees to state service or hiring current employees.

(b) Such appointments shall not exceed two (2) years in duration, unless the Parties mutually agree to extend the limited duration appointment beyond two (2) years.

(c) These appointments will not be used in a manner that subverts or circumvents the filling of budgeted positions pursuant to **Article 45** and Article 45.1-45.5. The Employer will not end a limited duration appointment to circumvent Section 4(b) below.

(d) The Agency, in collaboration with DAS, will monitor the utilization of limited duration appointments for workload reasons during the contract term and a summary report will be provided to DAS, Budget and Management and the Union every six (6) months.

**Section 3. Conditions of Limited Duration Appointments.** A person accepting such appointment shall be notified of the conditions of the appointment and acknowledge in writing that they accept that appointment under these conditions. Such notification shall include the following:

(a) That the appointment is of limited duration.

(b) That the appointment may cease at any time within the first twenty-four (24) months.

(c) That if an appointment extends beyond twenty-four (24) months, the appointment may cease at any time only when special studies, projects, or the need for additional workload ends.

(d) That persons who accept a limited duration appointment who were not formerly classified state employees shall have no layoff rights except as provided in Section 4(b).

(e) That if a limited duration employee is hired directly into a permanent position in the same classification within the same Agency, time served in the limited duration appointment shall count towards the required trial service period in the permanent position. If the limited duration appointment was equal to or longer than the required trial service period, they shall not be required to serve a trial service period and shall be considered a regular status employee.

(f) That in all other respects, limited duration appointees have all rights and privileges of other classified employees including but not limited to wages, benefits, and Union representation under this Agreement.

**Section 4. Layoff and Recall Rights.**

(a) A newly-hired person to state employment for a special study or project limited duration appointment shall not be entitled to layoff rights unless the special study or project limited duration appointment exceeds two (2) years. In the latter instance, they shall be placed on the Agency recall list in the affected geographic area when the limited duration appointment ends.

(b) A newly-hired person to state employment for a workload limited duration appointment shall be entitled to layoff rights after seventeen (17) months of continuous employment.

(c) Persons hired into a limited duration appointment, who were classified state employees immediately prior to the limited duration appointment, are entitled to layoff rights within the Agency where the limited duration appointment occurred. The Agency will initiate the layoff procedure pursuant to Article 70, Section 2 as follows:

1. If the employee was hired into a special study or project limited duration appointment, the Agency will initiate the layoff procedure in the classification the employee held prior to the limited duration appointment, regardless of the length of the limited duration appointment.

2. If the employee was hired into a workload limited duration appointment, the Agency will initiate the layoff procedure in the classification that has the higher salary range between:

   (A) The classification the employee held prior to the limited duration appointment, regardless of the length of the limited duration appointment, or;

   (B) The classification of the workload limited duration appointment, provided the employee has worked seventeen (17) continuous months.

**Section 5. Reports.** The Employer agrees to provide a monthly report to the Union listing all limited duration appointments, and the reason for those appointments, per **Article 10, Section 15(g)**, from the personnel data files.

2021-2023 SEIU Local 503/State of Oregon CBA

**ARTICLE 52--JOB SHARING**

**Section 1.** “Job sharing position” means a full-time position that may be held by more than one (1) individual on a shared time basis whereby each of the individuals holding the position works less than full-time.

**Section 2.** Job sharing is a voluntary program. Any employee who wishes to participate in job sharing may submit a written request to the Appointing Authority to be considered for job share positions. An employee may also request that their position be considered for job share. The Appointing Authority shall determine if job sharing is appropriate for a specific position and will recruit and select employees for job share positions. Where job sharing is determined appropriate, the Appointing Authority agrees to provide written notification to all job share applicants of available job share positions in their office in the Agency. Where job sharing is determined inappropriate, the Appointing Authority agrees to provide written notification of the reason(s) to the employee.
Section 3. Job sharing employees shall accrue vacation leave, sick leave, and holiday pay based on a prorate of hours worked in a month during which the employee has worked thirty-two (32) hours or more. Individual salary review dates will be established for job share employees.

Section 4. Job sharing employees shall be entitled to share the full Employer-paid insurance benefits for one (1) full-time position based on a prorate of regular hours scheduled per week or per month, whichever is appropriate. In any event, the Employer contribution for insurance benefits in a job share position is limited to the amount authorized for one (1) full-time employee. Each job share employee shall have the right to pay the difference between the Employer-paid insurance benefits and the full premium amount through payroll deduction.

Section 5. If one (1) job sharing partner in a job sharing position is removed, dismissed, resigns, or otherwise is separated from state service, the Appointing Authority has the right to determine if job sharing is still appropriate for the position. If the Appointing Authority determines that job sharing is not appropriate for the position or the Appointing Authority is unable to recruit qualified employees for the job share position, the remaining employee shall have the right to assume the position on a full-time basis. Upon approval of the Appointing Authority, the remaining employee may elect to transfer to a vacant part-time position in the same classification or to voluntarily demote. If the above conditions are not available or acceptable, the employee agrees to resign.

ARTICLE 53--VOLUNTARY DEMOTION

An employee may make a request in writing to the Appointing Authority for a demotion from a position in one (1) classification to a vacant position in a classification of a lower rank for which the employee is qualified. If the Appointing Authority approves the request, the employee so demoted may, at a later date, request that their name be placed on an appropriate list for reemployment to the higher classification.

(See Letter of Agreement 00.00-99-51 in Appendix A.)

ARTICLE 55--PERSONAL LEAVE DAYS

Section 1. All employees after completion of six (6) months of service shall be entitled to receive personal leave days in the following manner:

(a) All full-time employees shall be entitled to twenty-four (24) hours of personal leave with pay each fiscal year;

(b) Part-time, seasonal, and job share employees shall be granted such leave in a prorated amount of twenty-four (24) hours based on the same percentage or fraction of month they are hired to work, or as subsequently formally modified, provided it is anticipated that they will work 1,040 hours during the fiscal year.

Section 2. Personal leave shall not be cumulative from year to year nor is any unused leave compensable in any other manner.

Section 3. Such leave may be used by an employee for any purpose they desire and may be taken at times mutually agreeable to the Agency and the employee.

ARTICLE 56--SICK LEAVE

Section 1. Sick Leave with Pay. Sick leave with pay for employees shall be determined in the following manner:

(a) Eligibility for Sick Leave with Pay. Employees shall be eligible for sick leave with pay immediately upon accrual.

(b) Determination of Service for Sick Leave with Pay. Actual time worked and all leave with pay, except for educational leave, shall be included in determining the pro-rata accrual of sick leave credits each month.

(c) Accrual Rate of Sick Leave with Pay Credits. Full-time employees shall accrue eight (8) hours of sick leave with pay credits for each full month they are in pay status. Employees who are in pay status for less than a full month shall accrue sick leave with pay on a prorated basis.

Section 2. Utilization of Sick Leave with Pay. Employees who have earned sick leave credits shall be eligible for sick leave for any period of absence from employment due to any of the following reasons:

- illness;
- bodily injury;
- disability resulting from pregnancy;
- necessity for medical or dental care;
- if the employee is a victim of domestic violence, harassment, sexual assault, or stalking; or the parent or guardian of a minor child or dependent who is a victim of domestic violence, harassment, sexual assault or stalking, pursuant to ORS 659A.270 through 659A.290;
- attendance at an employee assistance program;
- exposure to contagious disease;
- for the emergency repair of personal assistive devices which are medically necessary for the employee to perform assigned duties;
- attendance upon members of the employee’s or the employee’s spouse’s immediate family, or the equivalent of each for domestic partners, (parent, wife, husband, children, brother, sister, grandmother, grandfather, grandchild, or another member of the immediate household) where the employee’s presence is required because of illness or death.
- parental leave

The employee has the duty to insure that they make other arrangements, within a reasonable period of time, for the attendance upon children or other persons in the employee’s care. Certification of an attending physician or practitioner may
be required by the Agency to support the employee’s claim for sick leave if the employee is absent in excess of seven (7) days, or if the Agency has evidence that the employee is abusing sick leave privileges. The Agency may also require such certificate from an employee to determine whether the employee should be allowed to return to work where the Agency has reason to believe that the employee’s return to work would be a health hazard to either the employee or to others. (See Section 9 for FMLA & OFLA.)

Section 3. Sick Leave Exhausted.
(a) After earned sick leave has been exhausted, the Agency shall grant sick leave without pay for any job-incurred injury or illness for a period which shall terminate upon demand by the employee for reinstatement accompanied by a certificate issued by the duly licensed attending physician that the employee is physically and/or mentally able to perform the duties of the position.
(b) After earned sick leave has been exhausted, the Agency may grant sick leave without pay for any non-job-incurred injury or illness of a continuous and extended nature to any employee upon request for a period up to one (1) year. Extensions of sick leave without pay for a non-job-incurred injury or illness beyond one (1) year may be approved by the Agency.
(c) The Agency or the administrator may require that the employee submit a certificate from the attending physician or practitioner in verification of a disability, or its continuance resulting from a job-incurred or non-job-incurred injury or illness. Any cost associated with the supplying of a certificate concerning a job-incurred injury or illness that is not covered by Workers’ Compensation benefits shall be borne by the employing Agency. Any cost associated with the supplying of a certificate concerning a non-job-incurred injury or illness shall be borne by the employee. In the event of a failure or refusal to supply such a certificate, or if the certificate does not clearly show sufficient disability to preclude that employee from the performance of duties, such sick leave may be canceled and the employee’s service terminated.
(d) After all earned sick leave has been exhausted an employee may request in advance, in cases of illness, to use other paid leave. The Employer may grant such requests and may require that the employee provide verification from an attending physician of such continuous and extended illness. Such requests shall not be unreasonably denied.
(e) An employee with a serious medical condition who has exhausted available leave balances may submit a written request to receive a “medical separation.” A medical separation is defined as a voluntary resignation for medical reasons. The Employer shall grant a written request for a medical separation, unless the employee is under investigation for performance and/or misconduct unrelated to their exhaustion of leave. Employees who receive a medical separation will be notified of the reemployment provision in Article 45, Section 2(c).

Section 4. Restoration of Sick Leave Credit. Employees who have been separated from state service and return to a position (except as temporary employees) within two (2) years shall have unused sick leave credits accrued during previous employment restored.

Section 5. Transfer of Accruals. An employee shall have all of their accrued sick leave credits transferred when the employee is transferred to a different state Agency.

Section 6. Workers’ Compensation Payment. Sick leave resulting from a condition incurred on the job and also covered by Workers’ Compensation, shall, if elected to be used by the employee, be used to equal the difference between the Workers’ Compensation for lost time and the employee’s regular salary rate. In such instances, prorated charges will be made against accrued sick leave. Should an employee who has exhausted earned sick leave elect to use accrued leave during a period in which Workers’ Compensation is being received, the salary paid for such period shall be equal to the difference between the Workers’ Compensation for lost time and the employee’s regular salary rate. In such instances, prorated charges will be made against accrued leave.

No employee shall be required to utilize leave while receiving time loss benefits.

Section 7. Assumption of Sick Leave. Whenever an Agency of the State assumes control over the functions of a local government Agency within the State of Oregon, such state Agency may assume the unused sick leave that was accrued by an employee of the local government Agency during employment therewith, provided the employee accepts an appointment, without a break-in-service, to that Agency. Should the monthly sick leave accrual rate of the local government Agency be greater than that of the state Agency, the maximum amount of sick leave assumable by the state Agency shall be computed on the basis of the following formula:

\[
\text{Monthly Accrual Rate of Local Agency} \times \frac{\text{Sick Leave Balance of Local Agency}}{\text{Monthly Accrual Rate of State Agency}} = \text{Maximum Sick Leave Assumable}
\]

Should the monthly sick leave accrual rate of the local government Agency be less than that of the state Agency, the maximum amount of sick leave assumable by the state Agency shall be the amount of unused sick leave accrued during employment with the local government Agency.

Section 8. Hardship Leave.
These provisions shall apply for the purpose of allowing employees to donate accrued vacation leaves and compensatory time for use by eligible recipients as sick leave. Agencies will allow employees to make donations of accumulated compensatory time or vacation leave, not to exceed the hours necessary to cover for the qualifying absence as provided in paragraph (d), to a coworker in that Agency or different Agency. To donate to a specific employee in a different Agency, the employee (donor) must submit a written request to their appointing authority/designee. The appointing authority or designee from both the donor’s and recipient’s agencies may authorize the transfer of donated leave between agencies.
subject to restrictions on the use of dedicated funding sources and/or other legitimate business reasons. Authorization for transfer of donated leave shall not be unreasonably denied. For purposes of this Agreement, hardship leave donations will be administered under the following stipulations and the terms of this Agreement shall be strictly enforced with no exceptions.

(a) The recipient and donor must be regular employees.
(b) The Employer shall not assume any tax liabilities that would otherwise accrue to the employee.
(c) Use of donated leave shall be consistent with those provisions found under Article 56, Section 2.
(d) Applications for hardship leave shall be in writing and sent to the Agency's Personnel Section and accompanied by the treating physician/practitioner’s written statement certifying that the illness or injury will continue for at least fifteen (15) days following donee’s projected exhausting of the accumulated leave and the total leave is at least thirty (30) consecutive calendar days of absence in combination of paid and unpaid leave. Donated leave may be used intermittently for the same event after the employee has satisfied the eligibility requirements to receive donated leave.
(e) Donations shall be credited at the recipient's current regular hourly rate of pay.
(f) Accumulated leave includes but is not limited to sick, vacation, personal, and compensatory leave accruals.
(g) Employees otherwise eligible for or receiving workers’ compensation will not be considered eligible to receive donations under this agreement.

Section 9. Federal Family Medical Leave Act (FMLA), the Oregon Family Leave Act (OFLA) and the Oregon Military Family Leave Act (OMFLA). Oregon state government provides leave to employees according to the FMLA, OFLA and OMFLA. The provisions shall be as provided in the statewide Family and Medical Leave Policy (60.000.15). Employees on a continuous block of leave may retain up to sixty (60) hours of either vacation or compensatory time for use upon returning to work. Designation to retain the leave shall be made in writing within five (5) business days of the beginning of the qualifying leave. In no instance shall an Agency restore leave or recoup pay as the result of such designation. Once the designation has been made and approved and the employee is on leave without pay status, that status will continue for the duration of the leave. Such employees are not eligible to receive hardship leave donations.

Any grievance alleging a violation of FMLA or OFLA will be submitted in writing within thirty (30) days of the date the grievant or the Union knows, or by reasonable diligence should have known, of the alleged grievance, directly to the Agency Head or designee. The Agency Head shall respond within fifteen (15) calendar days after receipt of the grievance. All unresolved grievances may be submitted by the grievant or the Union to BOLI or the Department of Labor, whichever is appropriate.

(See also Human Services Coalition Letter of Agreement 56.1-21-415 in Appendix A.)

ARTICLE 56T—SICK LEAVE (Temporary Employees)
Section 1. Sick Leave with Pay.
(a) SEIU-represented temporary employees shall accrue sick leave at the rate of at least one (1) hour of paid sick time for every thirty (30) hours the employee works or one and one-third (1 1/3) hours for every forty (40) hours the employee works.
(b) A SEIU-represented temporary employee appointed to a SEIU-represented regular status position in any Agency without a break-in-service of more than fifteen (15) calendar days, shall accrue sick leave credits from the initial date of temporary appointment. SEIU-represented temporary employees who, upon attaining regular status, would receive accrued sick leave credits under this Section shall receive an amount of sick leave credits that represents the difference between what they have already accrued as a temporary employee and what they would receive upon being appointed to regular status.

Section 2. Utilization of Sick Leave with Pay.
Temporary employees who have earned sick leave credits in their temporary appointment shall be eligible for sick leave for any period of absence from employment due to any of the following reasons:
- illness;
- bodily injury;
- disability resulting from pregnancy;
- necessity for medical or dental care;
- if the employee is a victim of domestic violence, harassment, sexual assault, or stalking; or the parent or guardian of a minor child or dependent who is a victim of domestic violence, harassment, sexual assault or stalking, pursuant to ORS 659A.270 through 659A.290;
- attendance at an employee assistance program;
- exposure to contagious disease;
- for the emergency repair of personal assistive devices which are medically necessary for the employee to perform assigned duties;
- attendance upon members of the employee’s or the employee’s spouse’s immediate family, or the equivalent of each for domestic partners, (parent, wife, husband, children, brother, sister, grandmother, grandfather, grandchild, or another member of the immediate household) where the employee’s presence is required because of illness or death;
- parental leave.

The employee has the duty to insure that they make other arrangements, within a reasonable period of time, for the attendance upon children or other persons in the employee’s care. Certification of an attending physician or practitioner may be required by the Agency to support the employee’s claim for sick leave if the employee is absent in excess of seven (7) days, or if the
Agency has evidence that the employee is abusing sick leave privileges. The Agency may also require such certificate from an employee to determine whether the employee should be allowed to return to work where the Agency has reason to believe that the employee’s return to work would be a health hazard to either the employee or to others. (See Section 4 for FMLA and OFLA.)

Section 3. Sick Leave Exhausted.
(a) After earned sick leave has been exhausted, the Agency shall grant sick leave without pay for any job-incurred injury or illness for a period which shall terminate upon demand by the employee for reinstatement accompanied by a certificate issued by the duly licensed attending physician that the employee is physically and/or mentally able to perform the duties of the position.
(b) The Agency or the administrator may require that the employee submit a certificate from the attending physician or practitioner in verification of a disability, or its continuance resulting from a job-incurred or non-job-incurred injury or illness. Any cost associated with the supplying of a certificate concerning a job-incurred injury or illness that is not covered by Workers’ Compensation benefits shall be borne by the employing Agency. Any cost associated with the supplying of a certificate concerning a non-job-incurred injury or illness shall be borne by the employee. In the event of a failure or refusal to supply such a certificate, or if the certificate does not clearly show sufficient disability to preclude that employee from the performance of duties, such sick leave may be canceled and the employee’s service terminated.

Section 4. Federal Family Medical Leave Act (FMLA), the Oregon Family Leave Act (OFLA) and the Oregon Military Family Leave Act (OMFLA).
(a) Oregon state government provides leave to employees according to the FMLA, OFLA and OMFLA. The provisions shall be as provided in the statewide Family and Medical Leave Policy (60.000.15).
(b) Any grievance alleging a violation of FMLA or OFLA will be submitted in writing within thirty (30) days of the date the grievant or the Union knows, or by reasonable diligence should have known, of the alleged grievance, directly to the Agency Head or designee. The Agency Head shall respond within fifteen (15) calendar days after receipt of the grievance. All unresolved grievances may be submitted by the grievant or the Union to BOLI or the Department of Labor, whichever is appropriate.

ARTICLE 56.1C--SICK LEAVE (Employment Department)
All employees of the Employment Department will be allowed to transfer accumulated vacation leave to a coworker who has exhausted all accumulated leaves.

Eligibility to receive and use donated leave will be the same as that used for Sick Leave under Article 56 Section 2--Utilization of Sick Leave with Pay.

The vacation leave hours donated will be converted to sick leave for use by the receiving employee. The hours of leave donated will be converted into an hourly rate and then applied to the donee’s account at their hourly rate, e.g., an employee who earns twenty dollars ($20.00) per hour by donating one (1) day of leave to an employee who earns ten dollars ($10.00) per hour will have donated two (2) days of sick leave to the donee employee. The reverse also applies; if an employee earning ten dollars ($10.00) per hour donates one (1) day of leave to an employee earning twenty dollars ($20.00) per hour, one-half (½) day of leave will be transferred to the donee employee.

The Labor-Management Committee will monitor leave use.

ARTICLE 57--BEREAVEMENT LEAVE
Employees shall be eligible for a maximum of twenty-four (24) hours paid bereavement leave per occurrence, prorated for part-time employees. Paid bereavement leave shall run concurrently with OFLA when applicable. The Agency shall notify the employee when OFLA is running concurrently with bereavement leave. If additional bereavement time is needed, an employee shall be allowed to use accrued leave, or leave without pay, at the option of the employee. The Agency may request documentation for use of bereavement leave.

Notwithstanding Article 56, Section 8 (a), (c), and (d), regular and trial service employees may be eligible to receive up to forty (40) hours of donated leave, to be used consecutively. The employee must have exhausted all available accumulated leave and qualify to receive hardship leave.

For purposes of this Article, “immediate family” shall include:
- the employee’s or the employee’s spouse’s parent (includes one who stood in loco parentis (in place of a parent) when the employee was a child);
- spouse;
- child (and child’s spouse) (includes a child for whom the employee stood in loco parentis);
- siblings;
- grandparents;
- grandchild;
- aunt or uncle;
- niece or nephew;
- or the equivalent of each of the above for domestic partners, or another member of the immediate household.

NOTE: Immediate family shall include the current in-laws and step family members who qualify per the above list.

Section 2. Subject to the operational needs of the Agency, with at least thirty (30) days’ notice to their supervisor, an employee shall be granted time off to observe religious or cultural holidays not recognized in Section 1 of this Article. If approved, the employee shall have the option of utilizing accrued leave other than sick leave, taking leave without pay, or temporarily modifying their work schedule in accordance with Article 90, Section 4.

Section 3. Special Day. In addition to the holidays specified in this Article, full-time employees shall receive eight (8) hours of paid leave. Part-time, seasonal, and job share employees shall receive a prorated share of eight (8) hours of paid leave at their regular straight time rate of pay based upon the same percentage or fraction of month, as they are normally scheduled to work. Employees may request the option of using this paid leave on any workday during the calendar year. Approved usage of this leave shall be taken in a single block of time and granted on a basis which shall preclude the closure of state facilities.

Section 4. Holiday Eligibility. All employees will receive up to eight (8) hours of holiday pay for recognized holidays in Section 1 above, pursuant to (a), (b) and (c) below. Holiday pay shall be based on an eight (8) hour day.
(a) If an employee is hired or separates on a holiday, the employee shall receive pay for the holiday.
(b) A full-time employee receives eight (8) hours of holiday pay for each paid holiday. A full-time employee who uses leave without pay in the month the holiday occurs receives holiday pay on a prorated basis for each paid holiday. The calculation for the prorated share shall be in accordance with Section 4(c).
(c) Part-time, hourly, seasonal part-time and seasonal full-time hourly employees will receive a prorated share of the eight (8) hours of holiday pay based on the number of hours actually worked as compared to the total number of possible work hours in the month or pay period. The holiday shall not count as part of the total possible work hours in the month or pay period or the total hours worked and shall be calculated as follows:

\[
\frac{\text{Total Hours Worked}}{\text{Total Hours in Month or Pay Period}} \times \text{Holiday Hours in the Month}
\]

NOTE: Nothing in this Article is intended to change the Employer’s practice with respect to scheduling and closures permitted under this Agreement, nor the granting of paid leave during such times.
(d) Transfers To and From Another Agency:
(1) When compensable, non-workdays such as a holiday, sick leave, or vacation leave which come between the separation date in the losing Agency unit and the subsequent hire date in the gaining Agency, the gaining Agency is liable for all of the compensable non-workdays.
(2) The beginning date of employment in the gaining Agency must be the first compensable non-workday following separation from the losing Agency.

Section 5. Work on a Holiday. Employees required to work on days recognized as holidays which fall within their regular work schedules shall be entitled, in addition to their regular monthly salary, to compensatory time off, or to be paid in cash as provided in Articles 32.1-32.5 (Overtime). Compensatory time off or cash paid for all time worked shall be at the rate of time and one-half (1 ½). The rate at which an employee shall be paid for working on a holiday shall not exceed the rate of time and one-half (1 ½) their straight time rate of pay.

Section 6. Observance.
(a) When a holiday specified in Section 1 of this Article falls on a Saturday, the preceding Friday shall be recognized as the holiday. When a holiday specified in Section 1 of this Article falls on a Sunday, the following Monday shall be recognized as the holiday.

Part-time, seasonal, and job share employees will receive a prorated amount of compensatory time or straight-time pay based on the calculation in Section 3(b).
(c) However, the Parties recognize that some positions must be staffed on holidays, and that employees in these positions cannot be released from duty on those holidays. Part (a) of this Section shall not apply to employees in these positions and the holiday shall be observed on the actual day specified in Section 1. Employees filling such positions will be notified in writing prior to hiring or when their work assignment is changed that they may have to work on certain holidays.
Section 7. Leave Accounts. An employee’s leave account shall not be charged for a holiday which occurs during the use of earned vacation or earned sick leave.

Section 8. Work Out-of-Class. Employees assigned to work out-of-classification in accordance with Article 26 Section 10-Work Out-of-Classification shall receive holiday pay at the higher rate of pay, if the holiday falls during their work out-of-classification assignment.

ARTICLE 58T--HOLIDAYS (Temporary Employees)

Section 1. Any temporary employee who works a holiday as defined in Article 58, Section 1 shall be paid at the rate of time and one-half (1 ½) for all hours worked on the holiday.

Section 2. A full-time or part-time temporary employee who is not scheduled to work a holiday that falls on the employee’s scheduled workday will receive up to eight (8) hours of holiday pay. Eligibility and the appropriate rate of pay shall be consistent with Article 58, Section 4. Nothing in this Section requires the Agency to schedule an employee for more hours than they would normally work in a week.

Section 3. Any temporary employee who works a partial shift on a holiday as defined in Article 58, Section 1 shall be paid at the rate of time and one-half (1½) for all hours worked on the holiday. In addition, the temporary employee will receive holiday pay for the remainder of their regularly scheduled shift to equal the amount they would have received under Section 2, up to eight (8) hours.

Section 4. Observance.

(a) When a holiday specified in Article 58, Section 1 falls on a Saturday, the preceding Friday shall be recognized as the holiday. When a holiday specified in Article 58, Section 1 falls on a Sunday, the following Monday shall be recognized as the holiday.

(b) However, the Parties recognize that some positions must be staffed on holidays, and that employees in these positions cannot be released from duty on those holidays. Part (a) of this Section shall not apply to temporary employees required to work and the holiday shall be observed on the actual day specified in Article 58, Section 1.

(c) Forestry – South Fork Camp Only.

Temporary employees at South Fork Camp will remain on their regular four (4) ten (10) hour day schedule on weeks with a holiday. For holidays that occur on a Friday or Saturday the holiday shall be observed on the business day before the holiday. For holidays that occur on a Sunday the holiday shall be observed on the following Monday. When a holiday occurs on a regular work day a temporary employee will receive up to eight (8) hours of holiday pay at the regular straight-time rate of pay and may have the option to flex (temporarily modify) their schedule, with manager approval, and/or shall be unscheduled for the remaining hours of the ten (10) hour shift.

ARTICLE 58.1C--HOLIDAYS (Employment Department)

For legal holidays where the calendar date of the legal holiday falls on other than Friday or Monday and the employee is scheduled to work, the employee will be paid time and one-half (1 ½) after midnight (12:01 a.m.). The employee will receive holiday leave for the following scheduled workshift.

ARTICLE 59--ELECTION DAYS

Work and travel will be arranged to allow employees the opportunity to vote on their own time on recognized state and federal election days unless they are given sufficient notice to enable time to obtain an absentee ballot.

ARTICLE 60--LEAVES WITH PAY

Section 1. An employee shall be granted leave with pay for service with a jury. The employee may keep any money paid by the court for serving on a jury. The Agency reserves the right to petition for removal of the employee from jury duty if, in the Agency’s judgment, the operating requirements of the Agency would be hampered.

Section 2. Whenever possible, subject to Agency operating requirements, employees selected by proper authority for jury duty will be placed on a day shift, Monday through Friday, during the period they are obligated to jury duty. The Agency shall not suffer any penalty payments for the change in the work schedule of the employee on jury duty.

Section 3.

(a) When any employee is not the plaintiff or defendant, they shall be granted leave with pay for appearance before a court, legislative committee, or judicial or quasi-judicial body as a witness in response to a subpoena or other direction by proper authority for matters other than the employee’s officially assigned duties. When the employee is granted leave with pay, the employee shall turn into the Agency any money paid in connection with the appearance.

(b) When any employee represents an outside business interest and/or acts as an independent expert, they shall be granted accrued vacation, compensatory or personal business leave for appearance before a court, legislative committee or judicial or quasi-judicial body as a witness in response to a subpoena or other direction by proper authority for matters other than the employee’s officially assigned duties. The employee may keep any money paid in connection with the appearance.

Section 4. An employee shall be on Agency time for attendance in court in connection with an employee’s officially assigned duties, including the time required going to court and returning to their official station. When the employee is granted Agency time, the employee shall turn into the Agency any money received for such attendance during duty hours.
**Section 5.** In the event a night or swing shift employee is called to appear under Sections 1, 2, 3(a), or 4 above, they shall have release time the day of attendance. Time spent in attendance and in travel to and from their headquarters shall be deducted from the regular shift following the attendance with no loss of wages or benefits.

**Section 6.** The State will comply with State and Federal laws for an employee who has served with the State of Oregon or its counties, municipalities, or other political subdivisions for six (6) months or more immediately preceding an application for military leave, and who is a member of the National Guard or of any reserve components of the armed forces of the United States.

**ARTICLE 60T--LEAVES WITH PAY (Temporary Employees)**

**Section 1.** When required by the Agency, an employee shall be on Agency paid time for attendance in court in connection with an employee’s officially assigned duties, including the time required going to court and returning to their official station. When the employee is granted Agency paid time, the employee shall turn in to the Agency any money received for such attendance during duty hours.

**Section 2.** In the event a night or swing shift employee is called to appear under Section 1 above, they shall have release time the day of attendance. Time spent in attendance and in travel to and from their headquarters shall be deducted from the regular shift following the attendance with no loss of wages.

**ARTICLE 61--LEAVES OF ABSENCE WITHOUT PAY**

**Section 1.** Approved leaves of absence of up to one (1) year shall not be considered a break-in-service. During this time, employees shall continue to accrue seniority and to receive all protections under this Agreement. Where appropriate, partial benefits will be provided as specifically indicated in this Agreement. Leave of absence requests must establish reasonable justification for approval. Acceptance of outside employment is not reasonable justification for approval.

**Section 2.** A state employee voluntarily or involuntarily seeking military leave without pay to attend service school shall be entitled to such leave during a period of active duty training. Military leaves of absence without pay shall be granted in compliance with the Veterans’ Reemployment Rights Law, Title 38, USC Chapter 43.

**Section 3.** Subject to the operational requirements of the Agency, employees in the bargaining unit shall be granted a leave of absence without pay of not less than three (3) months and no more than one (1) year to work for the Union. Such requests shall be made by the SEIU Local 503, OPEU. Both minimums as well as extensions of leaves shall be subject to mutual agreement.

   A shorter period of no less than forty (40) consecutive hours within a workweek may be requested and release shall be subject to the Agency’s operational requirements, provided sufficient notice is received and there is no increased cost to the Agency, e.g., penalty payments, overtime.

   All leave requests under this Section shall be made directly to the Agency’s Human Resource Manager.

   Upon return to service, the employee shall be returned to the same class and the same work location as held when the leave was approved. Where return to the employee’s former position can be reasonably accommodated such return shall be made.

**Section 4.** Educational Leave. Upon written approval of the Agency and subject to operating requirements, an employee may be granted an educational leave of absence without pay for up to one (1) year when the educational program is related to the employee’s current job.

**Section 5.** Peace Corps Leave Without Pay. Upon completion of their service in Peace Corps, a regular status employee shall have the right to return to a position in the same classification as their last held position and at the prevailing salary rate without loss of seniority or other employment rights. Failure of an employee to report within ninety (90) days after termination of services shall be deemed to have resigned and shall be considered a voluntary separation from State Service.

**Section 6.** Court Appearance Leave Without Pay. An employee may request and be granted leave without pay for the time required to make an appearance as a plaintiff or defendant in a civil or criminal court proceeding that is not connected with the employee’s officially assigned duties.

**ARTICLE 61.1--LEAVES OF ABSENCE WITHOUT PAY (Human Services Coalition)**

**Section 1.** In instances where the work of the Agency shall not be seriously handicapped by the temporary absence of an employee, the employee may be granted a leave of absence without pay, educational travel, or educational leave without pay for up to one (1) year subject to Agency approval. Any authorized leave of absence without pay does not constitute separation from state service.

**Section 2.** Time spent on leave without pay in excess of one (1) year shall not be considered as service in determining the employee’s eligibility date for a salary increase unless such time has been spent on leave resulting from job-incurred disability or military leave consistent with Veterans’ Reemployment Rights Leave, Title 38, USC Chapter 43.

**Section 3.** Any unauthorized absence of an employee from duty shall be deemed to be an absence without pay. Any employee who is absent for five (5) consecutive workdays without authorized leave shall be deemed to have resigned and shall be considered a voluntary separation from State service. Such absence may be covered however, by a subsequent grant of leave with or without pay, when extenuating circumstances are found to have existed.

**Section 4.** Leaves of absence without pay shall be granted all regular employees who enter the military service of the United States. Such employees shall be returned to State service in compliance with the Veterans’ Reemployment Rights Law, Title 38, USC Chapter 43.

**REV: 2013, 2019, 2021**
ARTICLE 63--PARENTAL LEAVE

A parent shall be granted a leave of absence up to twelve (12) weeks to care for and bond with a new baby or adopted child. Such leave can be less than twelve (12) weeks, if so requested by the employee, or at the discretion of management more than twelve (12) weeks, depending on the needs of the Agency. During the period of parental leave, the employee is entitled to use accrued vacation leave, compensatory time, leave without pay, or consistent with state and federal regulations, sick leave.

A leave of absence granted under this Article shall run concurrent with FMLA/OFLA when applicable.

(NOTE: See Article 56--Sick Leave, for pregnancy-related temporary disability.)

REV: 2015

ARTICLE 64--PRE-RETIREMENT COUNSELING LEAVE

Section 1.

(a) Employees shall be granted up to twenty-eight (28) hours of leave with pay to pursue bona fide pre-retirement counseling programs. Employees shall request the use of leave provided in this Article at least five (5) days prior to the intended date of use.

(b) Authorization for the use of pre-retirement counseling leave shall not be withheld unless the Agency determines that the use of such leave shall handicap the efficiency of the employee’s work unit.

(c) When the dates requested for pre-retirement leave cannot be granted for the above reason, the Agency shall offer the employee a choice from three (3) other sets of dates. The leave herein discussed may be used to investigate and assemble the employee’s retirement program, including PERS, Social Security, insurance, and other retirement income.

Section 2. Requests for use of leave on shorter notice may be allowed subject to operating needs of the Agency.

REV: 2019

ARTICLE 65--SEARCH AND RESCUE

An employee shall be allowed to take leave with pay to participate without pay and at no further cost to the Agency, in a search or rescue operation within Oregon at the request of any law enforcement Agency, the Director of the Department of Aviation, the United States Forest Service, or any certified organization for Civil Defense for a period of no more than five (5) consecutive days for each operation. The employee, upon returning to duty at the Agency, will provide to the Agency documented evidence of participation in the search operation.

ARTICLE 66--VACATION LEAVE

Section 1. Vacation Leave Accrual. After having served in the state service for six (6) months, employees shall be credited with the appropriate earned vacation leave and thereafter vacation leave shall be accumulated or prorated on the appropriate schedule as follows for (a) full-time employees; (b) seasonal employees; and (c) part-time employees:

Employees who are in pay status for less than a full month shall accrue vacation leave on a prorated basis.

Part-Time Employees Computation. A part-time employee shall accrue vacation leave on a pro-rata basis per the same schedule as full-time employees.
Section 2. Vacation Leave for New or Separating Employees.

(a) New employees who begin work in the middle of a month or pay period earn vacation credits on a prorated basis for the first partial month or pay period.

Although new employees will earn vacation credits on a prorated basis during the first partial month or pay period of service, they are not entitled to use vacation credits (or be paid upon separation) until the employee has completed six (6) months.

(b) Separating employees who are eligible will be paid for unused vacation leave accrued through the last full calendar month or pay period of service, based on each employee’s work schedule. If the employee does not work or is not in pay status through the last regularly scheduled workday in the last calendar month or pay period, payment for such month or period shall be made on a pro-rata basis.

Separation of an employee may fall on any given day of the month, either as designated by the employee in their letter of resignation or by the Agency in the notice of involuntary separation.

(c) Separating employees who are eligible will be paid for accumulated vacation leave and compensatory time at the hourly rate equivalent to their base rate at the time of separation. An employee shall not be eligible for vacation pay-out upon separation unless the employee has completed six (6) months or the equivalent.

Section 3. Compensation for use of accrued vacation shall be at the employee’s prevailing straight time rate of pay.

Section 4. In the event of separation or layoff any unused vacation up to three-hundred (300) hours will be paid to the employee.

Section 5. In the event of an employee’s death, all monies due for accumulated vacation and salary shall be paid as provided by law.

Section 6. An employee who has lost work because of a job-related illness or injury shall not suffer a reduction in vacation credits. Vacation credits shall continue to be earned while an employee is using earned sick leave.

Section 7. Service with a jury shall be considered time worked.

Section 8. If an employee has a break-in-service and that break does not exceed two (2) years, they shall be given credit for the time worked prior to the break-in-service.

Section 9. Time spent in actual State service or on Peace Corps, military, educational, or job-incurred disability leave without pay shall be considered as time in the State service for determining length of service for vacation accrual rate.

Section 10. Vacation hours may accumulate to a maximum of three-hundred fifty (350) hours.

Section 11. Authorization of Use. Upon transfer of an employee with six (6) months of State service to a different Agency covered by the Agreement, the employee may elect to have a maximum of one-hundred (100) hours of accrued vacation credits transferred to the gaining Agency, except the gaining Agency may agree to accept a greater amount of accrued vacation credits. The employee shall be paid in cash for that portion of accrued vacation credits not transferred.

Upon transfer of an employee with less than six (6) full months of service to a different Agency represented by SEIU Local 503, OPEU, all vacation credits accrued shall be transferred to the gaining Agency.

Section 12. Should an employee who has exhausted earned sick leave elect to use vacation leave during a period in which Workers’ Compensation is being received, the salary paid for such period shall be equal to the difference between the Workers’ Compensation for lost time and the employee’s regular salary rate. In such instances, prorated charges will be made against accrued vacation leave. No employee shall be required to utilize vacation leave while receiving time loss benefits.

Section 13. After all earned sick leave has been exhausted an employee may request in advance, in cases of illness, to use earned vacation leave. The Employer may grant such requests and may require that the employee provide verification from an attending physician of such illness. Such leave shall not be unreasonably denied.

Section 14. No employee may be placed on vacation leave and no accrued vacation time may be utilized without specific authorization of the employee except:

(a) That employees shall have their vacation time paid in full when they take education leave without pay in excess of ninety (90) days;

(b) That in any other leave of absence without pay that exceeds fifteen (15) days, the employees shall be required to use their accumulated vacation. Bargaining unit members may not be required to take vacation when leaving for military or reserve service as per Title 38, USC Chapter 43, or parental leave until after thirty (30) days;

(c) As provided for set-off of damages or misappropriation of state property or equipment on termination;

(d) To avoid losing vacation the employee must request vacation leave. When such leave is impossible a cash payment of not more than sixty (60) hours shall be made. In lieu of cash payment, the Employer shall schedule time off in excess of three-hundred and fifty (350) hours within sixty (60) days prior to the date the vacation leave would reach three-hundred and fifty (350) hours. Hours earned over three-hundred and fifty (350) hours will be immediately lost to the employee if the equivalent of those hours is not used prior to the month of maximum accrual.

Section 15. Vacation Cash Out. In each calendar year, an employee may make a one-time request to cash out and receive payment for up to forty (40) hours of vacation. In order to be eligible to cash out vacation hours, the employee must be a regular status employee and have a remaining vacation balance of sixty (60) hours or more. Vacation leave that has been pre-approved will be considered when the request is made in order to determine if they will maintain the minimum vacation balance requirement.
Section 16. Military Donated Leave. The Parties acknowledge that the State of Oregon administers a donated leave program to supplement military wages. As such, an employee may donate any portion of their accrued vacation to an eligible individual participant or to the program donation pool for distribution to eligible participants, as long as the program continues to exist.

ARTICLE 66.1--VACATION SCHEDULING (Human Services Coalition)
Section 1. An employee shall request the dates of their vacation in advance and the Agency shall grant or deny the request for vacation within ten (10) calendar days. This shall not require that use of vacation time be requested ten (10) calendar days in advance. Requests will not be unreasonably denied. If two (2) or more employees request the same days off and the matter cannot be resolved by agreement of the Parties concerned, the employee having the greatest length of continuous service with the Agency shall be granted the time off, provided however, that an employee shall not be given their length of service consideration more than once in every two (2) years.

Section 2. Vacations that have been scheduled and approved may not be canceled by the Agency except in the event of an emergency. When unrecoverable vacation deposits are incurred by an employee and the vacation is canceled by the Agency, the Agency shall pay the unrecoverable deposits, proof of which may be required for reimbursement. In the event of a schedule change caused by seniority or a transfer at the request of an employee the provisions of this Section shall not apply.
(See Letter of Agreement 00.00-99-51 in Appendix A.)

ARTICLE 70--LAYOFF
Section 1. A layoff is defined as a separation from the service for involuntary reasons other than resignation, not reflecting discredit on an employee. An employee shall be given written notice of layoff at least fifteen (15) calendar days before the effective date, stating the reasons for the layoff. (See Sections 9 and 10 on statewide recall rights and intergovernmental transfers, and see Section 11 regarding Secondary Recall Rights.)

Section 2. The layoff procedure shall occur in the following manner:
(a) The Agency shall determine the specific positions to be vacated and employees in those positions shall be notified of layoff. The Agency shall notify in writing all affected employees of their seniority and their contractual bumping rights. The Agency shall notify the Union of the seniority of all employees in all affected positions in writing. In addition, the Agency shall provide each Union Steward in the geographic area affected by layoff with one (1) written copy of the seniority of employees in all affected positions in that geographic area. The Agency shall also post a copy of the seniority of all affected positions in the geographic area on the employee bulletin board.
(b) Temporary employees working in the classification and geographic area in which a layoff occurs shall be terminated prior to the layoff of trial service or regular employees.
(c) Employees shall be laid off and seniority calculated within a geographic area and within the following separate categories:
(1) Permanent full-time positions;
(2) Permanent part-time positions;
(3) Seasonal full- and part-time positions; or
(4) Academic year positions
   (OSD);
   • Full-time academic year positions; or
   • Part-time academic year positions.
(5) The Employment Department shall maintain the following layoff lists:
   (A) Full-time employees plus seasonal employees with more than twelve (12) months continuous full-time employment immediately preceding layoff;
   (B) Seasonal employees with less than twelve (12) months continuous full-time employment immediately preceding layoff;
   (C) Part-time employees.
(d) An employee notified of a pending layoff shall have one (1) opportunity to prioritize the following options and communicate such choice(s) in writing to the Agency within seven (7) calendar days from the date the employee is notified in writing. If the date the employee’s response is due falls on a Saturday, Sunday or holiday, the employee will provide their choice to the Agency on the next business day. However, this seven (7) day notice will not be required if the employee is involved in a meeting to make such choice as long as seniority has been posted prior to this seven (7) day notice as specified in Section 2(a).
   (1) The employee may displace the employee in the Agency with the lowest seniority in the same classification for which they are qualified in the same geographic area in the Agency where the layoff occurs.
   (2) If no positions are accessible under option one (1), the employee may displace the employee in the Agency with the lowest seniority in the same geographic area in any classification with the same salary range in which the employee previously held regular status, including any predecessor classification; or, if this choice is not available to the employee, the employee may move into vacant positions in classifications with the same salary range that the Agency intends to fill in the same geographic area.
The employee may identify and prioritize up to three (3) classifications in lower salary ranges for which they are qualified within the Agency and same geographic area. The employee may demote to the lowest seniority position in one of the identified classifications considered in the order listed by the employee, pursuant to this Section. Employees who elect to demote shall be placed on any geographic area layoff list of their choice within the Agency for the classification from which they demoted.

The employee may elect to be laid off. An employee who elects to be laid off shall be placed on any geographic area layoff list of their choice within the Agency for the classification from which they were laid off.

The options provided by Subsections 2(d)(1), (2) and (3) above shall apply to regular status (i.e., non-limited duration) employees displacing limited duration employees only when the limited duration positions are expected to continue for at least ninety (90) days beyond the time of layoff.

For purposes of bumping under Section 2(d)(1), (2) and (3), a vacant position that management intends to fill is considered to have the least seniority.

To be qualified for the options under Section 2(d)(1), (2) and (3), the employee must meet the minimum qualifications for the position’s classification and must be capable of performing the specific requirements of the position within a reasonable period of time. A reasonable period of time is defined as approximately thirty (30) calendar days. If an employee meets the minimum qualifications but is not capable of performing the specific requirements of the lowest seniority position, they may displace or demote to the next lowest seniority position in the classification, provided that the incumbent in the next lowest position has a lower seniority than the employee displacing or demoting.

When exercising an option under Section 2(d)(1), (2) and (3), an employee shall only be eligible to displace another employee with lower seniority.

When an employee is laid off because of being separated from state service per Section 2(d)(4) of this Article, moving expenses will be paid once by the Agency. In other words, moving expenses will be reimbursed only when that employee has in fact, left State service and is called back from the layoff list to a geographic area other than the one in which they were laid off. Moving expenses will not be paid by the Agency for any other moves associated with displacement, demotion, or return from a layoff list.

Limited Duration Appointments—Workload Reasons. Eligible employees, as defined in Article 51 Section 2, shall have their seniority calculated within a geographic area and may bump limited duration or permanent employees based on their seniority within the following separate categories:

(1) full-time status;
(2) part-time status.

Limited Duration Appointments—Non-Workload Reasons. Eligible employees, as defined in Article 51, Section 1, whose limited duration appointment that exceeds two (2) years shall have their seniority calculated within a geographic area. These employees shall be placed on the Agency recall list for the affected geographic area when the limited duration appointment ends. These employees will not be eligible to bump any employees, but shall be placed on the affected agency layoff recall list for the class they held as a limited duration employee.

An initial trial service employee cannot displace any regular status employee (see Section 5 for more on treatment of trial service employees).

Job Share Positions.

(1) Individuals filling a job-sharing position which totals a full-time equivalent at the time of calculation of seniority shall be considered as one (1) full-time equivalent or, if either Party chooses, as part-time employees.
(2) If the employees in a job-share position choose to be treated as a full-time employee, seniority for the position shall be determined by averaging the two (2) individuals’ Layoff Service Date.
(3) If either employee in a job-share position chooses to be treated as a part-time employee, seniority for each employee will use individual Layoff Service Date.

If only one (1) person is filling a job-share position, they shall be considered as a full-time equivalent.

If an employee is overfilling or underfilling a position, the employee will be considered in the position classification for the purposes of this Article. If an overfill employee is displaced, demoted in lieu of layoff or is laid off, the employee shall retain their overfill status upon return to their classification.

Any employee displaced by another employee exercising options under Section 2(d)(1), (2) and (3) may also exercise any option available under Section 2(d).

Designation of Classification for Layoff.

(1) Classification for layoff purposes is the employee’s classification of record on the date the seniority list is frozen.
(2) Classification changes (reallocations, reclassifications) approved for implementation after the seniority list is frozen, but before the layoff effective date, will not be implemented until the day after the layoff date at the earliest and shall not be arbitrarily delayed.
(3) Both the incumbent and bumping in employee cannot equally benefit from a successful change resulting from reallocation change, whether requested by the Agency or employee appeal (e.g., both be reallocated, both have recall rights to the higher class, etc.).

(A) Bumped-out employees should benefit from reallocation for pay purposes up to the layoff date and be eligible for recall back to the reallocated class.
(B) Bumping-in employees should receive benefit for pay purposes beginning the effective date of landing in the new class until or unless management removes the higher level duties. Recall rights should be to the employee’s former classification, rather than to the newly designated class for the bumped into position.
(4) Both the incumbent and bumping-in employee cannot equally benefit from a successful Agency requested reclassification or employee initiated classification appeal.
   (A) Bumped-out employees should benefit from reclassification for pay purposes up to the layoff date.
   (B) Bumping-in employees should receive benefit for pay purposes beginning the effective date of landing in
       the new class until or unless management removes the higher level duties. Recall rights should be to
       the employee’s former classification, rather than to the newly designated class for the bumped into position.

(5) Pay will be reconciled, as appropriate, for employees laid off or bumped-out of positions affected by a successful
    reallocation or reclassification.

Section 3. For purposes of this Article, the term “Agency” does not include employees represented by other unions. There
will be no cross-bumping between unions. If, however, the Employer and/or the Agency permits another union to cross-bump
into SEIU Local 503, OPEU positions, such rights shall be extended to SEIU Local 503, OPEU bargaining unit members also.
There shall not be cross-bumping between the Management Service and the bargaining unit.

In instances where there is more than one (1) classification in the same salary range affected by a concurrent layoff,
employees in the multiple classifications will have their layoff option selection notices processed by seniority (state service)
within the salary range as opposed to classification. However, should two (2) or more employees continue to have equal
seniority it will be decided in accordance with Section 4(d).

In instances where the first round of layoffs have been completed and a vacancy which the Agency intends to fill occurs
prior to the initiation of a second round of layoffs, employees who are on an Agency geographic area layoff list may have
priority rights to such vacancy in accordance with the Filling of Vacancies Articles.

Section 4. Seniority.

(a) Seniority Definition. Seniority is the Layoff Service Date which is the date the employee began state service (except
    as a temporary appointee) as adjusted for break(s)-in-service.

(b) Break-In-Service. A break-in-service is a separation or interruption of employment without pay of more than two (2)
    years. If an employee has a break-in-service that does not exceed two (2) years, they shall be given credit for the time
    worked prior to the break-in-service. Seniority will also be adjusted for leaves without pay in excess of one (1) year.

(c) Seniority Frozen. When an Agency intends to initiate a layoff, the Agency will notify the Union in writing that all seniority
    will be frozen from the date of notice for a period not to exceed three (3) months. However, during the period when
    seniority is frozen, the employee will continue to accumulate time towards seniority for purposes of future computations.
    The three (3) month freeze may be extended by mutual written agreement of the Union and the Agency.

(d) Equal Seniority. If it is found that two (2) or more employees in the Agency in which the layoff is to be made have equal
    seniority, then the greatest length of continuous service in the Agency shall be used. If ties between employees still
    exist, the order of layoff shall be determined by the Agency in such manner as to conserve for the State the services of
    the most qualified employee.

Section 5. Trial service employees, except those serving a trial service for initial appointment to state service, who are laid
off or demoted in lieu of layoff shall be placed on the Agency layoff list. An employee serving a trial service for initial
appointment to state service who is laid off or demoted in lieu of layoff shall not be placed on the Agency layoff list, but shall
be restored to the eligible list from which certification was made if the eligible list is still active. Restoration of the list shall be
for the remaining period of eligibility that existed at the time of appointment from the list.

Section 6. Regular and eligible limited duration employees laid off or demoted in lieu of layoff shall be placed on the
reemployment list for the classification in which they were laid off.

Section 7. Regular status seasonal employees laid off prior to the end of the season shall be placed in order of seniority on
the Agency layoff list for seasonal reappointment and shall be limited so as to encompass only those seasonal employees in
a classification who are employed at that specific geographic location and the Agency where the reduction occurs. The
eligibility for such seasonal employees shall be canceled at the end of each season.

Section 8. Any employee demoted in lieu of layoff may request at that time and shall be paid for all accrued compensatory
time at the rate being earned prior to demotion in lieu of layoff.

Section 9. Agency Layoff Lists. Names of regular employees of the Agency who have separated from the service of the
State in good standing by layoff or who have demoted in lieu of layoff, or employees transferred outside State government
due to intergovernmental transfers, shall be placed on layoff lists in seniority order established by the classification from which
the employee was laid off or demoted in lieu of layoff and by geographic area.

Names of eligible workload limited duration employees of the Agency, who have separated from the service of the State
in good standing by layoff or who have demoted in lieu of layoff, shall be placed on appropriate Agency layoff list in seniority
order established by the classification from which the employee was laid off or demoted in lieu of layoff and by geographic area.

Names of eligible non-workload limited duration employees shall be placed on appropriate Agency layoff list in seniority
order established by the classification from which the employee was laid off and by geographic area.

The employee shall designate in writing the geographic area layoff list(s) on which they wish to be placed.

An employee currently on a layoff list prior to the effective date of this Agreement, shall be placed on the geographic
layoff list from which they were laid off and shall be notified by the Agency of their right to designate additional geographic
layoff list(s) in accordance with this Article.

Section 10. Recall. Employees who are on an Agency layoff list shall be recalled by geographic area in seniority order
beginning with the employee with the greatest seniority.

(a) Same Geographic Area Recall/Recall to a Permanent Position. If an employee (permanent or limited duration) is
certified from a layoff list and is offered a permanent position in the geographic area from which they demoted or were
laid off, they shall have one (1) right of refusal. Upon a second refusal, however, the employee’s name will be removed from the layoff list in that geographic area.

(b) Different Geographic Area Recall/Recall to a Permanent Position. If an employee (permanent or limited duration) is certified from a layoff list and is offered a permanent position in a different geographic area from which they demoted or were laid off, they shall have one (1) right of refusal. Upon a second refusal, which must be more than fifteen (15) days after the first refusal, the employee’s name will be removed from the layoff list for that geographic area. An employee who has other refusals during this fifteen (15) day period shall not have their name removed from the list.

(c) An employee appointed to a permanent or seasonal position from a layoff list shall be removed from all other layoff lists for that classification.

(d) When an employee is laid off because of being separated from state service per Section 2(d)(4) of this Article, moving expenses will be paid once by the Agency, except for recall of employees transferred outside State government due to intergovernmental transfer. In other words, moving expenses will be reimbursed only when that employee has in fact, left State service and is called back from the layoff list to a geographic area other than the one in which they were laid off. Moving expenses will not be paid by the Agency for any other moves associated with displacement, demotion, or return from a layoff list.

(e) If a temporary appointment is necessary in any geographic area and is expected to last longer than forty-five (45) days and there is a layoff list for that classification in the geographic area, employees on the layoff list shall first be offered the temporary appointment prior to hiring any other temporary. Refusal of a temporary job does not constitute a right of refusal under this Section. This shall only apply to employees separated from State service. Such employees shall be appointed as temporary employees and will not be eligible for any benefits covered under this Agreement.

(f) If a limited duration appointment is necessary in any geographic area and is expected to last longer than ninety (90) days, and there is a layoff list for that classification in the geographic area, employees on the layoff list shall first be offered the limited duration appointment prior to hiring any other limited duration employee. Refusal of a limited duration appointment does not constitute a right of refusal under this Section.

Section 11. Secondary Recall Rights.

(a) Application: These rights apply to all employees and Agencies represented by the Union except employees who are laid off during initial trial service.

(b) Definitions:

1. Geographic areas are the groupings of work locations in event of layoff and the scope of recall rights after a layoff as defined in the Agency-specific provisions of Articles 70.1, 70.2, 70.3, and 70.5.

2. Agency Layoff Lists are intra-Agency layoff lists, as defined in Article 45, Section 2(a), and as further defined by geographic areas for layoff for each Agency in Articles 70.1, 70.2, 70.3, and 70.5.

3. Secondary Recall List is an inter-Agency layoff list, which consists of regular status employees who have been separated by layoff from Union-represented positions in Union-represented Agencies and who have elected to be placed on such list, consistent with the definitions of geographic areas for layoff for each Agency in Articles 70.1, 70.2, 70.3, and 70.5.

(c) Coordination with Articles 45 and 70: The recall options provided herein shall be consistent with the priority of recall to positions from layoff within an Agency, as specified in this Article and Article 45, except that recall from Agency Layoff Lists shall take precedence over recall from the Secondary Recall List.

(d) Procedures:

1. Placement on the Secondary Recall List.

(A) Regular status employees and eligible workload limited duration employees, who are separated from the service of the State in good standing by layoff or transferred outside State government due to intergovernmental transfer shall, in addition to their right to be placed on Agency Layoff Lists, be given the option of electing placement on the Secondary Recall List by geographic area for other SEIU Local 503, OPEU-represented Agencies which utilize the same classification from which they were laid off. The term of eligibility of candidates placed on the list shall be two (2) years from the date of placement on the list or the termination of this Agreement whichever occurs first.

(B) Employees who elect to be placed on the Secondary Recall List shall specify in writing the Agencies and geographic areas of their choice.

2. Use of the Secondary Recall List.

(A) Notwithstanding any other provision regarding the use of the Secondary Recall List, designated individuals on the secondary list may be given first preference for appointments to positions in order to ensure adequate numbers of protected class employees, based on the goals of the Affirmative Action Plan developed by the Agency effecting the recall, consistent with applicable law.

(B) After the exhaustion of any Agency Layoff List for a specific classification within a geographic area, the Secondary Recall List shall be used to fill all positions within a specific classification and geographic area consistent with Section (c) above, until such secondary list is exhausted.

(C) To be eligible for appointment from the Secondary Recall List, a laid off employee on such list must meet the minimum qualifications for the classification and any special qualifications for the position.

(D) Prior to initiating other methods to fill a vacancy, except an agency layoff list, agencies shall utilize the Secondary Recall List to fill positions. The Agency will call for certifications from the list of the five (5) most senior employees who meet the minimum qualifications for the classification and any special qualifications
for the position to be filled. The Agency will select one of the five (5) employees from the list. Seniority for this purpose shall be computed as described in Section 4 of this Article.

(E) Where fewer than five (5) eligible employees remain on the Secondary Recall List, the Agency shall select one (1) of these employees who meets the minimum qualifications for the class and any special qualifications for the position.

(3) Appointments/Refusals of Appointments from the Secondary Recall List.

(A) Recall to a Permanent Position. A laid off regular status or eligible workload limited duration employee on the Secondary Recall List who is offered a permanent appointment from the list and refuses to accept the appointment shall have their name removed from the Secondary Recall List.

(B) Employees appointed to positions from the Secondary Recall List shall have their names removed from all otherAgency Layoff Lists and the Secondary Recall List.

(C) Employees appointed to positions from the Secondary Recall List shall serve a trial service period not to exceed three (3) full months. Administration of the trial service period shall be consistent with Sections 2, 4, and 5 of Article 49. However, employees who fail to successfully complete this trial service period shall have their names restored only to the Agency Layoff Lists on which they previously had standing. Restoration to the Agency Layoff List shall be for the remaining period of eligibility that existed at the time of appointment from the Secondary Recall List.

(D) Employees appointed to positions from the Secondary Recall List shall not be entitled to moving expenses.

Section 12. Geographic Area. See Articles 70.1-70.5.

Section 13. When the Employer declares that a lack of funds will necessitate a layoff, the Parties will meet, if requested by either the Employer or the Union, to consider such alternatives to layoffs as: voluntary reductions in hours; voluntary paid leaves of absence; other voluntary programs and/or temporary interruptions of employment. Such alternatives shall be subject to mutual agreement by the Union and the Employer. In the absence of such mutual agreement, the Employer may implement layoff procedures consistent with this Agreement. The Parties agree that any and all discussions that take place under this Section shall not be subject to Article 5--Complete Agreement of this Agreement, or constitute interim negotiations under PECBA. In addition, the Parties will not be required to use the dispute resolution processes contained in PECBA.

Section 14. Prior to transferring a program to an Oregon non-profit corporation that is not a PERS participant, a regular status employee shall be afforded layoff and bumping rights.

REV: 2015

ARTICLE 70.1C--GEOGRAPHIC AREA FOR LAYOFF (Employment Department)

Section 1. For purposes of Article 70--Layoff, the geographic area is as defined below. Employees transferring between offices in the geographic area shall not be eligible for moving expenses.

- **ASTORIA**: Columbia, Clatsop and Tillamook Counties
- **CENTRAL OREGON**: Crook, Deschutes and Jefferson Counties
- **COOS BAY**: Coos and Curry Counties
- **EASTERN OREGON**: Baker, Grant, Harney, Malheur, Union and Wallowa Counties
- **EUGENE**: Benton, Lane and Linn Counties
- **KLAMATH FALLS**: Klamath and Lake Counties
- **MID-VALLEY**: Marion, Polk and Yamhill Counties
- **NEWPORT**: Lincoln County
- **NORTHEAST OREGON**: Morrow and Umatilla Counties
- **PORTLAND**: Clackamas, Multnomah and Washington Counties
- **ROSEBURG**: Douglas County
- **SOUTHERN OREGON**: Jackson and Josephine Counties
- **THE DALLES**: Gilliam, Hood River, Sherman, Wasco and Wheeler Counties

For seasonal employees who have not worked full-time for twelve (12) continuous months immediately preceding the layoff, the geographic area is the cost center program, unless the employee has demonstrated the knowledge, skills, and abilities in another program, in which case the geographic area includes the additional programs in the cost center.

Section 2.

(a) For layoff purposes, all classifications within the UI Centers Section, identified by Report Distribution Code (RDC) 200 and 700 shall be considered a single geographic area.

(b) The Department will not have to calculate and post Layoff Service Dates for employees in classifications affected by layoff, as long as a vacancy exists (which management intends to fill) in the affected classification, within the designated area of layoff. This is predicated on a vacant position, which the Department intends to fill, always being considered as the “least senior” position in any classification.

Section 3. The geographic area for Economists, Administrative Law Judges, and Auditors shall be their cost centers.

REV: 2013

ARTICLE 70.1M--GEOGRAPHIC AREA FOR LAYOFF (DHS and OHA)

Section 1. DHS. For purposes of Article 70--Layoff, the geographic area is defined as either the employee’s worksite/building location or district as defined by DHS. An employee receiving a layoff notice under Article 70 shall first select their designated
geographic area for layoff (worksite location or district). Second, the employee must exercise their layoff rights pursuant to Article 70, Section 2, Subsection (d) or the option below:*

Option (5): Anywhere in the State within DHS, an employee may move into a vacant position, which DHS intends to fill, in the same or lower classifications for which the employee qualifies.

Employees selecting Option (5) will not be placed on any geographic area layoff list for the classification from which they are being laid off.

The Parties agree that the Department will not have to calculate and post Layoff Service Dates for employees in classifications affected by layoff as long as a vacancy exists (which management intends to fill) in the affected classification within the designated layoff area. This is predicated on a vacant position, which the Department intends to fill, always being considered as the “least senior” position in any classification. In instances where a vacancy does not exist within the affected employee’s designated area of layoff, the Departments agree to calculate and post Layoff Service Dates, in accordance with Article 70, Section 2(a) provisions.

All conditions contained in Article 70 continue to apply.

Section 2. OHA. For purposes of Article 70–Layoff, the geographic area shall be the worksite location or city.

An employee receiving a layoff notice under Article 70 must exercise their layoff rights pursuant to Article 70, Section 2, Subsection (d) or the option below:

Option (5): Anywhere in the State within OHA, an employee may move into a vacant position, which OHA intends to fill, in the same or lower classifications for which the employee qualifies.

Employees selecting Option (5) will not be placed on any geographic area layoff list for the classification from which they are being laid off.

The Parties agree that the Department will not have to calculate and post Layoff Service Dates for employees in classifications affected by layoff as long as a vacancy exists (which management intends to fill) in the affected classification within the designated layoff area. This is predicated on a vacant position, which the Department intends to fill, always being considered as the “least senior” position in any classification. In instances where a vacancy does not exist within the affected employee’s designated area of layoff, the Departments agree to calculate and post Layoff Service Dates, in accordance with Article 70, Section 2(a) provisions.

All conditions contained in Article 70 continue to apply.

ARTICLE 71--SEASONAL AND INTERMITTENT EMPLOYEES

Section 1. Positions which occur, terminate, and recur periodically and regularly, regardless of the duration thereof, shall be designated as seasonal positions.

Section 2. A regular status seasonal employee shall be eligible for a salary increase upon returning to the same Agency in the same classification the next annual season regardless of the length of the period of time that has lapsed since the previous six (6) month or annual increase granted. “Annual season” means a period of twelve (12) months, regardless of the number of seasons occurring during that period.

Section 3. A seasonal employee shall be given notice at the time of hire of the length of the season and the anticipated end of the season. A seasonal employee shall be given at least ten (10) calendar days advance notice of the end of the season, except when conditions are beyond the control of the Agency. In advance of the season or as soon as the seasonal employee becomes aware of the need to end their season early, the seasonal employee may submit a request to their supervisor. Subject to the agency operating requirements, the supervisor may approve the employee’s request without jeopardizing their recall rights the following season. (See also Article 70, Section 7.)

Section 4. Regular status seasonal employees terminated at the end of the season shall be placed on the reemployment roster in order of seniority and shall be recalled by geographic area the following season in order of seniority to the extent that work is available to be performed. Such recall rights shall not apply to regular status seasonal employees who work full-time in another state Agency.

Section 5. Seasonal employees shall accrue all rights and benefits accrued by full-time employees during their employment season, except as otherwise modified by this Agreement.

Section 6. Employees in seasonal positions who have completed initial state trial service one-thousand and forty (1,040) hours and who are not participating members of the Public Employees Retirement System shall receive a special differential of six (6%) percent in addition to their regular rate of pay. Such special differential shall not increase pay rates in the Compensation Plan or be applicable to other seasonal, temporary, trial service, or regular positions or employees. Such special differential shall terminate immediately prior to the first full pay period after the employee becomes a participating member of the Retirement System.

Section 7. Seasonal employees not currently employed shall be treated as internal candidates for any jobs they apply for within their Agency, even between seasons, so long as they have recall rights.

Section 8. Intermittent Appointments.

(a) Only the following seasonal, part-time, or unfunded positions may be designated as intermittent positions in that work assigned to these positions is available on an irregularly fluctuating basis because of conditions beyond the control of the Appointing Authority: Employment Department, DHS Children, Adult, and Family-related services and programs, OYA Administration and Field Services (on-call and unfunded positions), Oregon Department of Forestry (co-op positions, Forest Lookouts, and Schroeder Seed Orchard), Department of Education (relief workers at the School for the Deaf).
(b) A person appointed to an intermittent position during the term of this Agreement shall be informed in writing at the time of appointment that the position has been designated as an intermittent position and that the employee may expect to work only when work is available. A person who is appointed to an intermittent position may be scheduled for work at the discretion of the supervisor when the workload for the position so justifies without any penalty pay provision for short notice.

(c) The unscheduling of an employee appointed to an intermittent position shall not be considered a layoff. Whenever possible, an intermittent employee shall be given ten (10) calendar days notice of scheduling and unscheduling of work. When such notice cannot be given, such employees may be unscheduled without advance notice. The Agency shall not use unscheduling of work as a method of unofficially disciplining or discharging intermittent employees.

(d) Intermittent employees will be scheduled and unscheduled for work in seniority order by work unit.

(e) Except as specifically modified above, intermittent employees shall have all the rights and privileges of seasonal employees.

ARTICLE 71.1C--SEASONAL POSITIONS (Employment Department)

Section 1. Workload for the Employment Department is directly related to the economy of the State; therefore, workload peaks occur that are beyond the control of the Agency. Positions that are to respond to workload peaks, are designated as seasonal positions. This Agreement is subject to Legislatively approved position authority.

Section 2. Seasonal employees will complete trial service after having served 1,040 hours.

Section 3. A person appointed to a seasonal position during the term of this Agreement shall be informed in writing at the time of appointment that the position has been designated as a seasonal position and that the employee may expect to work only when work is available. A person who is appointed to a seasonal position may be scheduled for work at the discretion of the supervisor when the workload for the position so justifies without any penalty pay provision for short notice.

Section 4. The unscheduling of an employee appointed to a seasonal position shall not be considered a layoff. Whenever possible, a seasonal employee shall be given ten (10) calendar days notice of scheduling and unscheduling of work. When such notice cannot be given, such employees may be scheduled without advance notice. The Agency shall not use unscheduling of work as a method of unofficially disciplining or discharging seasonal employees.

Section 5. Seasonal employees will be scheduled and unscheduled for work in seniority order by work unit.

Section 6. Seasonal full-time employees shall accrue all rights and benefits accrued by full-time permanent employees during their employment season. Seasonal part-time employees shall accrue all rights and benefits accrued by permanent part-time employees during their employment season, except as otherwise modified by this Agreement.

Section 7. In the event a seasonal employee fails to maintain at least eighty (80) paid regular hours because of unscheduling, the employee shall be allowed to use available vacation or compensatory time to maintain eligibility for health insurance.

Section 8. Employment status conveyed to outside interests (such as lending institutions) by management will reflect duration of employment rather than status of employment.

(See Letter of Agreement 71.1C-17-302 in Appendix A.)

ARTICLE 74--TEMPORARY INTERRUPTION OF EMPLOYMENT--LACK OF WORK

Section 1. Any temporary interruption of employment because of lack of work or unexpected or unusual reasons which does not exceed fifteen (15) days, shall not be considered a layoff if, at termination of such conditions, employees are to be returned to employment. Such interruptions of employment shall be by work unit and recorded and reported as leave without pay. Under no circumstances shall this Article be used to remedy shortage of funds.

Section 2. An employee who is affected by a temporary interruption of employment shall be allowed to use any form of paid leave including vacation, compensatory time off, or personal leave provided the leave has been accrued. Such employee shall continue to accrue all benefits during this period. This Section shall only apply to FLSA-exempt employees where the interruption is for one (1) or more full workweek(s).

Section 3. For periods longer than fifteen (15) days, the Appointing Authority shall follow the procedures described in Article 70--Layoff. In instances where temporary interruption of employment is an established practice that the Agency used in connection with cyclical or scheduled shortage of work for more than fifteen (15) days, such practice may continue. Provided, however, that when such periods are for longer than fifteen (15) days, the Appointing Authority shall use seniority of employees by classification in the affected work unit in determining employees to be placed on leave without pay. The Appointing Authority will determine the work unit in each instance. If all such employees available for work cannot be returned to their positions, seniority shall be used to determine the order of recall.

ARTICLE 80--CHANGE IN CLASSIFICATION SPECIFICATIONS

Section 1. The Employer shall notify the Union of intended classification studies.

Section 2. The Union may recommend classification studies be conducted by the Labor Relations Unit, indicating the reasons for the need of such studies. The Labor Relations Unit shall reply, setting a preliminary date for completion of the study or explaining the reasons for a decision not to conduct such a study within ninety (90) days of receipt of the request.

Section 3.

(a) Whenever a change in classification specifications or a new classification is proposed, it is agreed that the Labor Relations Unit shall submit the classification specification changes to the Union to provide it an opportunity to review and comment on the specifications. If the changes of the specifications substantially revise the specifications, the Parties shall negotiate the salary range for the newly revised specification.
(b) When the Union requests a classification study, negotiations for salary ranges for new classifications shall commence no later than ninety (90) days following the Employer’s written notification to the Union of the finalization of the class specification.

(c) Proposals for the salary rate and effective date for changes in classification specifications may be submitted throughout the term of this Agreement. If the Parties are able to reach agreement, the new classification will be implemented. Any classes on which salary is not agreed can be submitted with overall proposals for a successor Agreement.

(See Letter of Agreement 80.00-21-410 in Appendix A.)

ARTICLE 81--RECLASSIFICATION UPWARD, RECLASSIFICATION DOWNWARD, AND REALLOCATION

Section 1. Reclassification must be based on findings that the purpose of the job is consistent with the concept of the proposed classification and that the class specification for the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities of the position. As used herein:

(a) The purpose of the job shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency;
(b) The concept of the proposed classification shall be determined by the general description and distinguishing features of its class specification; and
(c) The overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency.

Section 2. Reclassification Up.

(a) Reclassification upward is a change in classification of a position by raising it to a higher classification. Employees, or supervisors with prior notice to the employee(s), may seek reclassification to any non-supervisory or non-managerial classification in the Executive Branch (DAS) of government whether or not the classification is included in Appendix B of this Agreement provide that:

1. the classification exists in the unrepresented compensation plan or in multiple bargaining units’ compensation plans, and
2. the classification is not specific to another Agency.

In the event that the proposed new classification is not in the bargaining unit, the classification shall be added to the SEIU Local 503, OPEU compensation plan at the Employer-proposed salary range. However, if the Employer-proposed range is lower than the classification salary range in another DAS compensation plan, the Parties will negotiate the salary range.

(b) Employees, or supervisors with prior notice to the employee(s), may request reclassification by submitting a written explanation of the request, a Chief Human Resource Office Position Description Form signed by the supervisor and employee, and all other relevant evidence for the proposed reclassification to the Agency Appointing Authority. Within sixty (60) days, unless otherwise mutually agreed in writing, the Agency shall review the merits of the request based on the final position description signed by the Appointing Authority. The Union shall be entitled during the sixty (60) day review period and prior to issuance of the Agency decision to meet with the Agency or to present further written arguments in support of the request. The Agency will notify the employee and supervisor of its decision and provide a copy of the final position description signed by the Appointing Authority. Should the duties of the position support the proposed reclassification, the Agency shall make a determination whether to seek legislative approval for reclassification or remove selected duties within one-hundred twenty (120) days, however, this time period may be extended upon mutual agreement of the Parties.

(c) If the reclassification receives legislative approval, the effective date of the reclassification shall be the date the reclassification was finalized in the budget and a note will be added to the CHRO human resources information system with the date that the reclassification was requested. The employee will receive a lump sum payment for the difference between the current salary rate, including work out-of-class pay if any and the proposed salary rate, for the time period beginning the date the reclassification request was received by the Agency through the reclassification effective date.

(d) Rate of pay upon upward reclassification shall be given no less than the first step of the new salary range. If the old salary range rate of pay is equal to or higher than the first step of the new salary range, the employee shall receive a salary increase no less than an increase to the next higher step in the new salary range. The salary eligibility date shall remain the same.

(e) If a reclassification request does not receive legislative approval or the Agency removes selected duties to be consistent with its current classification, the employee will receive a lump sum payment for the difference between the current salary rate, including work out-of-class pay if any and the proposed salary rate, for the time period beginning the date the reclassification request was received by the Agency through the date the duties were removed.

Section 3. Reclassification Down.

(a) Reclassification downward is a change in the classification of a position by reducing it to a lower classification.

(b) The Agency shall, sixty (60) calendar days in advance of a reclassification downward of any position, notify the employee in writing of the action, including the specific reasons, and the Chief Human Resource Office Position Description used for the action, which shall be signed by the Appointing Authority.

(c) If an employee is reclassified downward and their rate of pay is above the maximum of the new classification, their rate of pay will remain the same until a rate in the salary range of the new classification exceeds it, at which time the employee’s salary shall be adjusted to that step.

If the employee’s rate of pay is the same as a salary step in the new classification, the employee’s salary shall be maintained at the same rate in the lower range.
If the employee’s rate of pay is within the new salary range but not at a corresponding salary step, the employee’s salary shall be maintained at the current rate until the next eligibility date. At the employee’s next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range plus that amount that their current salary rate is below the next higher rate in the salary range. This increase shall not exceed the highest step within the new salary range.

(d) Employees who are reclassified downward for non-disciplinary reasons shall be given the same recall rights as employees demoted in lieu of layoff pursuant to Article 70 of this Agreement for reemployment to the classification from which they were reclassified downward.

Section 4. Reclassification Equal or Lateral.

(a) Reclassification equal or lateral is a change in employee’s job classification from one classification to another with the same salary range base number.

(b) Rate of pay upon equal or lateral reclassification shall be given no less than the first step of the new salary range.

(c) If the employee’s rate of pay is the same as a salary step in the new classification, the employee’s salary shall be maintained at that rate in the new classification until the next salary eligibility date.

(d) If the employee’s rate of pay is within the new salary range but not at a corresponding salary step, the employee’s salary shall be maintained at the current rate until the next eligibility date. At the employee’s next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range pay scale plus that amount the current salary rate is below the next higher rate in the salary range pay scale. This increase shall not exceed the highest rate in the new salary range.

(e) If an employee’s previous salary is above the maximum of the new classification, their rate of pay will remain the same until a rate in the salary range of the new classification exceeds it, at which time the employee’s salary range shall be adjusted to that step.

Section 5. Reclassification Appeals.

(a) Filing. Reclass Upward. A decision of the Agency to deny a reclassification request may be appealed in writing by the Union to DAS Labor Relations for further review within thirty (30) calendar days after receipt by the Union of the Agency’s decision. Such appeal shall include copies of the documents originally provided to the Agency Appointing Authority, including, the written explanation, the position description signed by the Appointing Authority, and all other relevant evidence for the proposed reclassification. No new evidence or information will be considered by the Committee.

Reclass Down. Within thirty (30) calendar days from the date the employee receives notice that the Agency will reclassify their position downward, they may grieve this action by filing a grievance at the Agency Head level in the grievance procedure, providing a written explanation of the request and all relevant evidence demonstrating why the reclassification is in conflict with Article 81, Section 1. The Agency Head shall respond in writing in accordance with the appropriate time limits contained in the Agency grievance procedure. A decision of the Agency to deny a grievance under this Article may be appealed in writing by the Union to DAS Labor Relations for further review within thirty (30) calendar days after receipt by the Union of the Agency’s decision. Such appeal shall include copies of the documents originally provided to the Agency, including the written explanation of the request and all relevant evidence. No new evidence or information will be considered by the Committee.

(b) Once appealed to DAS Labor Relations, the matter shall be considered by the Employer designee (or the alternate) and the Union designee (or the alternate) who shall form the Committee charged with the responsibility to consider appeals pursuant to this Article and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Each designee (and each alternate) shall have experience making classification decisions.

Should the Union designee or the Union alternate be a bargaining unit member, to participate in the process, that employee shall be granted reasonable paid release time during their scheduled workday or a mutually-agreed alternate work schedule. Further, where the Union designee or the Union alternate is a bargaining unit member and the Employer believes the time required by the process presents a hardship for the employing Agency, the Employer may require the Union to designate a qualified replacement for the Committee. Either Party may discontinue this part of the appeals process upon two (2) weeks notice to the other.

The designees will attempt to resolve the matter by jointly determining whether the current or proposed classification more accurately depicts the overall assigned duties, authorities, and responsibilities of the position using the criteria specified in Article 81, Section 1. In this process each of the designees may identify one (1) alternate class that they determine most accurately depicts the purpose of the job and overall assigned duties. If an alternate class is identified, both the Union and DAS Labor Relations shall be notified. If the Parties concur on the alternate class, that shall end the appeal. The Committee will send a written initial decision to the Agency and Union within sixty (60) days from receipt, which will include the reasons for its decision. The Agency or the Union may ask the Committee to reconsider its decision by sending a written reconsideration request which must be based on incorrect or incomplete information in the initial decision. Additional or new evidence/information will not be considered by the Committee. The reconsideration request must be received by DAS Labor Relations within fifteen (15) calendar days from the date of receipt. If there is no timely request for reconsideration, the Committee's decision will be final and binding. A copy of the reconsideration request will be provided to the other party, who will have the opportunity to provide a written rebuttal to the reconsideration request, which must be received by DAS Labor Relations within fifteen (15) calendar days from date of receipt. The Committee will reconsider its initial decision and issue a final decision.
within forty-five (45) calendar days from the date of receipt by DAS Labor Relations of the reconsideration request. In the event the Committee concludes that the proposed or alternate class is more appropriate, management retains the right to modify the work assignment on a timely basis to make it consistent with the Agency’s allocation.

(c) The Committee may extend, up to thirty (30) days, the time to issue its decision to the Union through notification to the Parties. The Committee may request an additional extension of time to issue its decision to the Union, which, if agreed to, must be stipulated in writing with copy to DAS Labor Relations and shall become part of the grievance record.

(d) If the Committee does not agree on the appropriate classification within sixty (60) days of the appeal to DAS Labor Relations, or from the extension, then the Union may request final and binding arbitration under this clause of the Agreement by a written notice to DAS Labor Relations within the next forty-five (45) calendar day period. Except as specified in this Section, arbitration shall proceed as indicated in Article 21—Grievance and Arbitration.

Each Party may go forward with only one (1) class. Each Party may choose to take to arbitration either the current class, class appealed to, or an alternate class identified by a committee member.

The Parties will agree upon a permanent appointment of one (1) arbitrator to hear grievances arising from this Article. This arbitrator shall have special qualifications to hear these matters; however, each side retains the right to initiate a change in that assignment upon notice to the other side. The change in the assigned arbitrator shall be effective for any case not yet scheduled for arbitration.

The arbitrator shall allow the decision of the Agency to stand unless they conclude that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities using the criteria specified in Section 1.

In the event the arbitrator finds in favor of the proposed or alternate classification, management retains the right to, on a timely basis, adjust duties consistent with its current classification.

Section 6. An incumbent employee who appealed a reclassification decision to final decision through the Committee or through an arbitration shall not be eligible to either submit a new reclassification review request or to be reclassified downward by management, unless a change of assigned duties has occurred since that decision or a revised classification has been adopted.

Section 7. An employee’s classification status change from a Management Service classification to a represented classification may correctly occur through reclassification where it is found that there has been a significant change of position duties, authority, and responsibilities, and as a consequence, the class specification for the proposed classification more accurately depicts the assigned duties, authority, responsibility, and distinguishing characteristics of the position.

Section 8. Reallocation Appeal Process for New Classes. Employees in positions allocated to a new classification, who dispute their placement in a new classification can appeal their placement using the following process:

(a) An appeal may be filed by an individual employee or a Steward or a Union Organizer on behalf of the employee, to the Agency Human Resource Office within thirty (30) calendar days of written notification by the Agency of placement into the new classification. Employees sharing the same or substantially similar position descriptions or employees the Agency agrees to treat as a group may file an appeal as a group. The initial filing should describe the individual or group, including the names of affected members, identify the proposed new classification placement, and the new classification placement believed to be correct by the affected employees. The appeal must include the signed position descriptions used for allocation. In the event that the old classifications are to be abolished, correct placement cannot be back to the prior classification. Using the criteria in Section 1, the Agency shall conduct a review of the allocation. This decision shall be made within thirty (30) calendar days of receipt of the appeal and provided to the affected employees in writing and with a summary of the classification analysis.

(b) If denied, the Union may appeal the Agency’s decision in writing to DAS Labor Relations within thirty (30) calendar days of receipt of the written denial. The appeals will be considered by designees of the Parties using the process set forth in Section 5(b), with the addition of two (2) resource persons, one (1) designated by each Party, to provide technical expertise within the specific series. Appeals shall be decided in order of receipt by DAS Labor Relations. Decisions shall be rendered by the designees no later than sixty (60) calendar days after receipt of the appeal by the Committee. The Committee may extend, up to thirty (30) days, the time to issue its decision to the Union through notification to the Parties. The Committee may request an additional extension of time to issue its decision to the Union, which, if agreed to, must be stipulated in writing with copy to DAS Labor Relations and shall become part of the grievance record.

(c) The decisions of the designees shall be binding on the Parties. However, Agencies may elect to remove duties consistent with this Article or at any point during the process.

(d) If the appeals Committee cannot make a decision, the matter may be appealed to arbitration per Section 4(d) of this Article.

(e) The effective date for pay changes shall be the same as that negotiated for implementation of the new classification.

(f) Appeals of all filled positions will occur first. Where a position is vacated during the appeals process, the Union may continue the appeal provided no changes in duties are anticipated.

ARTICLE 85—POSITION DESCRIPTIONS AND QUARTERLY CHECK-INS

Section 1. Position Descriptions, Individual position descriptions shall be reduced to writing and delineate the duties currently assigned to an employee’s position. A dated copy of the position description shall be given to the employee upon assuming the position and when the position description is amended. The individual position description shall be subject to at least an annual review with the employee. Nothing contained herein shall compromise the right or the responsibility of the Agency to assign work consistent with the classification specification.

2021-2023 SEIU Local 503/State of Oregon CBA 57
Section 2. Quarterly Check-Ins. Supervisory managers shall conduct check-ins with their employees on a quarterly basis. If a quarterly check-in does not occur, the employee may request a check-in for the missed time period. Supervisory managers shall conduct the requested quarterly check-in within thirty (30) calendar days.

The employee shall have the opportunity to provide their input during the quarterly check-in.

Quarterly check-ins are not grievable nor arbitrable under this Agreement nor shall they be used for purposes of disciplinary action, layoff, and annual eligibility date performance pay increases.

Section 3. Seasonal Employees. Seasonal employees still on trial service should refer to Article 71, Sections 2 and 3 regarding salary increases.

ARTICLE 86--WORKLOAD PRIORITIZATION

Any employee may request assistance from their immediate supervisor in establishing or adjusting priorities in order to carry out their work assignment. The supervisor will take into account variables that impact the difficulty of assignments to the employee. The employee may request to have the response provided orally or in writing and the immediate supervisor will respond accordingly in a timely manner, unless such request is deemed to be inappropriate or excessive.

ARTICLE 90--WORK SCHEDULES

Section 1. A work schedule is defined as the time of day and the days of the week the employee is assigned to work.

(a) A regular work schedule is a work schedule with the same starting and stopping time on five/eight (5/8) hour days.

(b) A flexible work schedule is a work schedule which varies the number of hours worked on a daily basis, but not necessarily each day, or a work schedule in which starting and stopping times vary on a daily basis, but not necessarily each day, but which does not exceed forty (40) hours in a workweek and is agreed upon in advance by the employee and the supervisor.

Provided, however, nothing in this Section is intended to prohibit management from changing an employee's flexible work schedule without an employee's consent where such a change is needed in the regular course of business and where the employee has been initially hired by management, or initially placed on a flexible work schedule, with the express understanding that the person hired or the employee so placed on a flexible work schedule is expected to work a flexible work schedule as a condition of their employment.

(c) An alternate work schedule is anything other than a regular work schedule or a flexible work schedule.

Section 2. An employee may request in writing to work any work schedule as defined in Section 1, or any alternate work schedule. No employee requests will be arbitrarily denied or rescinded. The employee’s request shall be evaluated on the following criteria before the request can be approved:

(a) That their requested alternate work schedule will not interfere with their ability and availability to perform the job;

(b) That the operational needs of the Agency are met;

(c) That the needs of the public are adequately served; and,

(d) That a forty (40) hour workweek is maintained for full-time employees, or the established weekly hours for part-time employees.

If these criteria are met, the Agency shall grant the employee’s written request.

The Agency shall also consider other extenuating circumstances including, but not limited to, employee use of carpooling, mass transit, or a demonstration of an unusual hardship. Shift differential shall be paid in accordance with Article 26—Differentials.

Section 3. Except as may be specifically stated in Articles 90.1-90.5 or Section 2, the workweek is defined as the fixed and regularly recurring period of one-hundred sixty-eight (168) hours during seven (7) consecutive twenty-four (24) hour periods and the workday is the twenty-four (24) hour period commencing at the start of the employee’s assigned shift and shall remain fixed at that period for the whole of the workweek, except for flexible work schedules.

Section 4. Request to Temporarily Modify an Existing Work Schedule. Subject to the operating needs of the Agency, an employee may, with their immediate supervisor’s advance approval, temporarily modify their work schedule (regular, alternate or flexible) in a workweek not to exceed forty (40) hours. Such requests and modifications will be in accordance with Article 40—Penalty Pay, Section 4, Modification of Work Schedule and Article 32—Overtime, Section 5, Schedule Change. Such requests shall not be arbitrarily denied.

ARTICLE 90T--WORK SCHEDULES (Temporary Employees)

Section 1. A work schedule is defined as the time of day and the days of the week the employee is assigned to work. Management retains the right to modify work schedules.

Section 2. A workweek is defined as the fixed and regularly recurring period of one-hundred-sixty-eight (168) hours during seven (7) consecutive twenty-four (24) hour periods. The employee will be notified in writing when the workweek begins and ends.

Section 3. For work schedules of six (6) hours or more there shall be an established unpaid meal period of no less than thirty (30) minutes midway in each workday. Employees who are not relieved from their work assignment and are required to remain in their work areas shall have such time counted as hours worked.

Section 4. A paid rest period of fifteen (15) minutes in duration for an employee on a five/eight (5/8) work schedule or twenty (20) minutes in duration for an employee on a four/ten (4/10) work schedule should be taken midway through each four (4) or five (5) hour work period, as appropriate. Employees may be required to remain in the area and/or respond to
emergencies during a rest period. If an employee cannot be relieved for a rest period, that employee shall be allowed to take a break in the work area or near the work area without interruption except for emergencies. Under no circumstances will unused rest periods be accumulated and used to reduce work time.

ARTICLE 90.1--WORK SCHEDULES (Human Services Coalition)

Section 1. Workweek. The workweek shall begin at 12:01 a.m. Monday and end at 12:00 midnight the following Sunday.

Section 2. Regular Schedule. An employee on a regular schedule will be scheduled for five (5) consecutive days of work and two (2) consecutive days off within the workweek. An employee may agree to a different scheduling of days off.

Section 3. Alternate Work Schedules.

(a) Multiple Requests. Requests for alternate work schedules shall be considered in order of application. If more than one (1) employee makes application for an alternate work schedule on the same day and both requests cannot be accommodated, preference shall be given to the employee with the most seniority in the Agency if possible.

(b) Holiday Adjustment. To meet the needs of the Agency during a holiday week, management may require an employee to revert their alternate work schedule to a regular schedule (five/eight (5/8) hour days). Otherwise, to maintain a forty (40) hour workweek, the employee may choose one of the following options:

1. Voluntarily revert to a regular schedule; or
2. When the holiday is on the scheduled day off, request a different day off and use vacation leave, personal leave or compensatory time for any hours over the eight (8) holiday hours; or
3. When the holiday is within the employee’s alternate work schedule, but not on the scheduled day off, use vacation leave, personal leave or compensatory time for any hours normally scheduled over the eight (8) holiday hours.
4. When the holiday is on the employee’s scheduled workday, and the employee works that day, the Employer will incur no daily overtime obligation for hours worked in excess of the eight (8) holiday hours. However, the employee will receive overtime compensation for all hours worked in excess of forty (40) hours in the same workweek.

Section 4. Flexible Work Schedule. An employee may be allowed to work a flexible work schedule upon written approval of their request. No employee will be arbitrarily denied a flexible work schedule. Special consideration may be given to an employee who demonstrates an unusual hardship.

Section 5. Meal Period. Employees shall be granted a meal period of not less than thirty (30) minutes nor more than one (1) hour unless mutually agreed otherwise. Meal periods shall be scheduled at approximately the mid-period of the workday. If an employee is required by their supervisor to continue working through lunch, and an alternate lunch cannot be provided during the employee’s scheduled shift, the employee shall have such time counted as hours worked.

Section 6. Rest Periods. A paid rest period of fifteen (15) minutes in duration for an employee on a five/eight (5/8) work schedule or twenty (20) minutes in duration for an employee on a four/two (4/2) work schedule should be taken about midway through each four (4) or five (5) hour work period, as appropriate.

Section 7. Administrative Law Judges (Employment Department). Administrative Law Judges (ALJs) in the Office of Administrative Hearings are responsible for accounting for the number of hours scheduled each workweek, with a minimum of forty (40) hours per workweek for full-time employees or the established weekly hours for part-time employees. With prior management approval, an ALJ may account for scheduled hours by working during any hours in the Agency workweek. Management may require an ALJ granted such approval to be available or to be present at the ALJ’s work location, or to travel, during reasonable and consecutive hours designated by management, based on operational needs, up to ten (10) hours in a weekday. Hours immediately before and after a meal break will be considered consecutive. Irrespective of Article 32, Section 4(b), such ALJs shall not receive time off for time worked in excess of eight (8) hours per day.

ARTICLE 92.1--PROTECTED WORK TIME (Human Services Coalition)

Protected work time shall be available to direct service staff when it is mutually agreed between the supervisor and the employee that it is necessary for the employee to complete high priority work items without interruption from telephone or the public. If such time is agreed to be appropriate but cannot be made available to the employee, failure to complete that workload will not adversely affect the employee’s performance evaluation.

ARTICLE 100.1--SECURITY (Human Services Coalition)

Section 1. The Agency shall establish procedures to immediately and safely evacuate employees from the worksite whenever it is determined that there is a threat to personal safety, a hazard, or a disaster. An evacuation plan shall be posted in each work area in a location clearly visible to employees.

Section 2. Once the Agency deems it necessary to evacuate from any work location, the Agency must determine the location is safe before instructing and/or allowing employees to return to work. An employee or employees who refuse to return to work on the grounds that it is unsafe or might unduly endanger their health shall not be paid for lost time, unless the employee’s claim is upheld. In no event shall a represented employee be required to enter an evacuated area for any purpose, prior to the time the location has been determined to be safe.

Section 3. Security arrangements shall be provided by the Agency in work areas where past records clearly indicate a need for security arrangements. These arrangements may include, but not be limited to, the use of Security Guards.
Section 4. Employees may report safety concerns of any kind to the Agency Director, a supervisor, Human Resources, or the Safety Committee/section. Employees may report anonymously. The Agency will provide status updates on the reported safety concern no later than thirty (30) days after the report or complaint to one (1) or more management representatives of the local Labor Management Committee who will bring it forward for discussion at the next scheduled local LMC meeting.

Section 5. Agencies will provide ongoing notice of safety procedures and applicable training programs to ensure that these procedures are known and followed, and required equipment and supplies needed to conform with adopted safety procedures.

ARTICLE 101--SAFETY AND HEALTH

Section 1. The Agency agrees to abide by standards of safety and health in accordance with the Oregon Safe Employment Act (ORS 654.001 to 654.295 and 654.991).

Section 2. The Agency agrees to comply with the provisions of OAR 437-002-0161 Subdivision K, Medical Services and First Aid. The Agency shall provide first aid kits in all work areas which include the items listed in Oregon Occupational Health Rules. These kits shall be inspected periodically to insure their completeness.

Section 3. If an employee claims that an assigned job, vehicle, or equipment is unsafe or might endanger their health, and for that reason refuses to do the job or use the vehicle or equipment, the employee shall immediately give specific reason(s) in writing to their supervisor. If disputing the employee's claim, the supervisor shall request an immediate determination by the Agency Safety Officer, or if none is available, by Oregon Occupational Safety and Health Administration (OROSHA) of the Department of Consumer & Business Services, as to whether the job, vehicle or equipment is safe or unsafe. The supervisor will inform the employee of the disposition of the claim.

Section 4. Pending the disposition of the claim, the employee shall be given another vehicle or equipment or other work. If no work is available, the employee shall be sent home. Time lost by the employee, as a result of refusal to perform work on the grounds that it is unsafe under Oregon Safe Employment Act standards, shall not be paid by the Agency unless the employee's claim is upheld by the Agency Safety Officer or the Department of Consumer & Business Services.

Section 5. As provided by ORS 656.202, if in the conduct of official duties an employee is exposed to serious communicable diseases or hazardous materials which would require immunizations or testing, or which result in an illness or disability, the employee should file a workers' compensation claim for costs associated with the exposure, illness or disability. Time for immunizations or testing for an employee who is exposed to a serious communicable disease on the job, and which is not covered by the employee's workers' compensation claim, shall be considered regular work activity. Immunizations or testing required by the Agency will be paid by the Agency without cost to the employee and without deduction from accrued sick leave. Where immunization or testing shall prevent or help prevent such disease from occurring, employees shall be granted accrued sick leave for the time off from work required for the immunization or testing.

Section 6. Employees shall be informed of any toxic or hazardous materials in the workplace in accordance with OAR 437-002-0360 29 CFR 1910.1200.

Section 7. The Employer commits to a violence-free work environment and will take appropriate measures to promote a safe work environment, pursuant to agency or the statewide Violence-Free Workplace Policy (50.010.02) whichever is appropriate.

Section 8. The Employer is committed to taking appropriate measures in creating and maintaining a professional workplace that is respectful, professional and free from inappropriate workplace behavior, pursuant to Agency or the statewide Maintaining a Professional Workplace Policy (50.010.03) whichever is appropriate. A complaint form to report violations of the applicable Agency Policy will be accessible to all employees both online and through the Agency’s Human Resources Department. No employee shall be subject to retaliation for filing a complaint, providing a statement, or otherwise participating in the administration of this process.

Section 9. Where appropriate, the Agency will provide trauma training and critical incident stress debriefing. If the Union believes that additional employees in their Agency need trauma training, the issue shall be addressed through Agency Labor/Management Committees.

Section 10. The Employer will research the ability to provide statewide active shooter training. The Employer shall provide the Union with the research obtained and will notify the Union regarding the State’s ability to provide active shooter training on a statewide basis by December 31, 2021. (See Letter of Agreement 101.00-21-393 in Appendix A.)

**ARTICLE 101.1--SAFETY AND HEALTH (Human Services Coalition)**

**Section 1.** Proper safety devices and clothing shall be provided by the Agency for all employees engaged in work where such devices are necessary to meet the requirements of the Department of Consumer & Business Services (DCBS). Such equipment, where provided, must be used. Protective clothing and safety devices shall remain the property of the Agency and shall be returned to the Agency upon termination of employment.

**Section 2.** Medical Facilities.

Space shall be designated to permit an ill or injured employee to lie down until disposition of need. Cots, beds, stretchers, or pads are acceptable for this purpose. Space shall not be used for a storage area or any other purpose that would make it unavailable for immediate use in rendering first aid care.

**Section 3.** Health Laboratory Only. Health Laboratory fume hoods, where hazardous substances are used, will be checked weekly to determine if such hoods are venting to manufacturer’s specifications. If such hoods are found to be deficient, they will be closed until corrected and staff working with the hoods will be assigned to other duties or worksites. Manufacturer’s flow rate specifications for each hood will be posted on or near each hood.

**ARTICLE 102.1--HOSTAGE TAKING (Human Services Coalition)**

**Section 1.** Any employee, during the performance of their work, who is seized and detained by force or threat, shall be allowed reasonable time off immediately after the incident to recover from any physical or psychological disability caused by the action. Any period of time beyond one (1) day necessary for purposes of readjustment shall be determined by the employee’s physician or psychiatrist subject to verification by a physician or psychiatrist of the Agency’s choice.

**Section 2.** Such leave shall be charged against any accumulated time the employee has earned; however, where an employee is receiving compensation through Workers’ Compensation or other victim compensation relief, such charges will be made on a pro-rata basis not to exceed the employee’s regular salary.

**Section 1.** An employee who is required to be in contact with sensitive or difficult clients, clients with severe mental disorders, or other persons related to the case who have potential for violent or dangerous actions, may express their concerns to the supervisor. The supervisor and the employee will assess the client’s past history and potential for violent or dangerous actions. If the supervisor and employee find some indication that the client could become violent or dangerous, the supervisor and employee will develop a plan of working with the client which provides reasonable protection for the employee.

**Section 2.** All employees who are required to be in contact with clients who are deemed sensitive, difficult, violent, or who have severe mental disorders, shall be informed of such problems in advance of contact with the client, if a prior history of difficulty has been documented in the case record or information was received from an outside source.

**Section 3.** When a problem of abuse or harassment by a client has occurred, the employee shall immediately report the incident to their supervisor. In the absence of the supervisor, the incident shall be reported immediately to the next higher level supervisor. The supervisor shall take appropriate action to aid and insure the safety of the employee.

**Section 4.** Where not currently available, management in each worksite will establish general protocols related to conducting in-office and/or off-site visits. Available safety equipment will be identified, as appropriate, for each type of protocol.

ARTICLE 106—LABOR-MANAGEMENT COMMITTEES

Section 1. To facilitate communication between the Parties, joint Labor-Management Committees may be established at the Agency level by mutual agreement of the Union and the Agency Administrator and the Department of Administrative Services. The Committees shall take steps to ensure consistency with the Collective Bargaining Agreement.

The Committees shall be on a meet-and-confer basis only and shall not be construed as having the authority nor entitlement to negotiate. The Committees shall have no power to contravene any provision of the Collective Bargaining Agreement, nor to enter into any agreements binding on the Parties to this Agreement or resolve issues or disputes surrounding the implementation of the Contract. Matters which may require a Letter of Agreement shall not be implemented until a Letter of Agreement has been signed by the Labor Relations Unit and the Executive Director of the SEIU Local 503, OPEU.

No discussion or review of any matter by the committees shall forfeit or affect the time frames related to the grievance procedure. Matters that should be resolved through the grievance and arbitration procedure shall be handled pursuant to that procedure.

At the conclusion of each fiscal year, the Parties shall discuss the concept of Labor-Management Committees and whether they should be modified, continued, or discontinued.

Section 2. Composition. Any Agency Committee shall be composed of three (3) employee members appointed by the Union and three (3) members of management unless mutually agreed otherwise. An Agency and the Union may mutually agree to establish joint subcommittees.

Staff representatives of the Labor Relations Unit and the SEIU Local 503, OPEU may render assistance to a committee in procedural and substantive issues as necessary to fulfill the objectives of this Article and may participate in such meetings.

Section 3. Meeting Schedule. Committees shall meet when necessary, but not more than once each calendar quarter, unless mutually agreed otherwise.

Section 4. Pay Status.

(a) Agency employees appointed to the Agency Committee shall be in pay status, during time spent in Committee meetings, as well as travel from their worksite to the meeting and back, unless prior authorized to initiate travel from home. Time spent outside of the employee’s scheduled working hours will be unpaid. Approved time spent in meetings shall neither be charged to leave credits nor considered as overtime worked. By mutual agreement, subject to the operating needs of the Agency, employees may attend meetings in person, via telephone or videoconferencing. The Union will be responsible for all other employee expenses related to lodging and/or travel.

(b) Agencies, upon request, will adjust their current scheduled time of the Agency’s Statewide Labor-Management Committee meeting by up to thirty (30) minutes so the Union Committee members can meet prior to the commencement of the joint meeting. This language shall not preclude the Agencies from granting more than thirty (30) minutes preparation time or from granting preparation time for regional committees.

(c) Upon mutual agreement, the parties will identify and use available resources to provide joint training about the intent and conduct of Labor-Management Committees for the Agency’s Statewide Labor-Management Committee. This training will be on paid work time if provided during the employee’s regular work schedule, or if the Employer approves a work schedule change, including shift trades, without penalty payment pursuant to Article 40—Penalty Pay. The Parties will jointly coordinate the training to jointly determine the curriculum.

(d) Employees are expected to timely report back to their worksite following the end of the meeting and related travel time. Otherwise, employees may temporarily adjust their schedule or request time off as long as such request is made in advance and approved by their immediate supervisor or designee.

(e) The UBP code should be used to record the time taken pursuant to this article.

ARTICLE 106.1C—LABOR-MANAGEMENT COMMITTEES (Employment Department)

The goal of the Agency and Union is to develop a workplace in which labor and management work through joint Labor-Management Committees within the confines of the Collective Bargaining Agreement. The purpose is to provide quality services to our customers by improving work processes and efficiencies.

Notwithstanding Article 106, the number of members, meeting schedules, agendas, and training needs of the committees will be determined jointly by the Agency and the Union. The expected results of the Committees are continuous improvement in customer service, efficient operations, policies, procedures, and responsiveness to changing conditions.

The following guidelines will be employed:

(a) Agency Labor-Management Committee will mutually agree to policies that will further support effective labor relations at the Section level, including training for Labor-Management Committee members.

(b) A Labor-Management Committee will be composed of equal numbers of Agency and Union members unless mutually agreed to otherwise. Each Section Committee will consist of at least one (1) management service member and one (1) member designated by the Union. If the manager and Steward agree, Sections can establish an alternate process that achieves the same intent as a separate Labor-Management Committee.

(c) The Labor-Management Committee will not be construed as having the authority or entitlement to negotiate or contravene any provision of the Collective Bargaining Agreement. The implementation of policies and procedures does not require vetting through the Labor-Management Committee. Matters which require a Letter of Agreement will not be implemented until a Letter of Agreement has been signed by the Labor Relations Unit and the Executive Director of the SEIU Local 503, OPEU.
(d) The activities and results of a Section Labor-Management Committee will not be cited as precedential for other Sections, but may be used as a basis of discussion by other Committees. (See also Human Services Coalition Letter of Agreement 106.1C-21-403 in Appendix A.)

**ARTICLE 106.1M—LABOR-MANAGEMENT COMMITTEES (DHS-OHA)**

The Department will establish one (1) central Labor-Management Committee as outlined in Article 106—Labor-Management Committees.

The Department and the Union may mutually agree to establish joint sub-committees to improve labor-management relationships, work processes, efficiencies, policies, procedures, and client service delivery. Such joint sub-committees will be:

(a) Composed of equal numbers of bargaining unit and management members unless mutually agreed otherwise;
(b) Accountable and report to the central Labor-Management Committee;
(c) Reviewed annually by the central Labor-Management Committee to determine whether they should be modified, continued or discontinued; and,
(d) Subject to the provisions of Article 106—Labor-Management Committees.
(e) The Labor-Management Committee will not be construed as having the authority or entitlement to negotiate or contravene any provision of the Collective Bargaining Agreement. The implementation of policies and procedures does not require vetting through the Labor-Management Committees.

**ARTICLE 107—JOB PROTECTION FOR ON-THE-JOB ILLNESS OR INJURY**

**Section 1.** The State and the Union agree to jointly work to reduce the incidence of on-the-job injuries through health and safety programs and to reduce the unemployment and costs associated with on-the-job injuries through a combination of light-duty assignments, worksite modification programs, and expanded return-to-work opportunities.

Each state Agency agrees to meet annually with select representatives from the Union on paid time to review the frequency and type of on-the-job injuries sustained in the Agency, status of worksite modification requests, and to mutually develop training programs to reduce the incidence of work-related injuries. Ultimate decisions on training programs and costs are the prerogative of management. However, the State commits to provide existing resources to develop and staff such programs.

**Section 2.** An employee who has sustained an on-the-job injury and is unable to complete the remainder of their regularly scheduled shift, will be paid for the remainder of their shift on the day the injury occurred, provided the employee subsequently seeks medical attention within three (3) days and files a Workers’ Compensation Claim.

**Section 3.** An employee who has sustained a compensable injury or illness shall be reinstated to their former employment or employment of the employee’s choice within the Agency, which the Agency has determined is available and suitable upon demand for such reinstatement, provided that the employee is not disabled from performing the duties of such employment. If a position is not available and suitable within the Agency, the employee will be provided employment in another Agency, provided a vacant position exists where the returning worker meets the minimum qualifications and special requirements and the position is intended to be filled.

Any worker, whether covered by this Agreement at the time of injury or not, will be eligible for placement into Agencies covered herein after all filling of vacancies provisions of this Agreement have been completed. Temporary reassignments across bargaining unit lines will not impact representation status.

The State will comply with applicable statutes in administering this Article.

**Section 4.** Certification of a duly licensed physician that the physician approved the employee’s return to their regular employment shall be prima facie evidence that the employee should be able to perform such duties.

**Section 5.** Upon request of the Agency, an employee shall furnish a certificate as defined in Section 3, concerning their condition and expectation for a date of return to active employment. Any employee who has been released for return to active employment must immediately, but no later than the seventh (7th) calendar day following the date the worker is notified by the insurer or self-insured employer by certified mail that the worker’s attending physician has released the worker for employment, notify in writing their supervisor, personnel officer, or someone in management who has authority to act on this demand, of their status and that they are available to return to work. Extenuating circumstances may extend the requirement for timely notice. An employee who fails to provide timely written notice of their status shall be considered to have voluntarily terminated their employment.

Employees released by their physician for light or limited duty are eligible for modified work consistent with the physician’s certification of the worker’s capabilities, the Agency’s ability to construct duties and availability of work. However, to be eligible for possible light duty or modified work, the employee must, where reasonable to do so, keep in regular contact with the Employer beginning with the day following the injury or illness. This assignment of work is temporary and is established through discussions with the physician as to the prognosis of when the employee will be able to return to their full range of duties.

Since duties will be tailored based on a physician’s statement of types of light or limited duties the injured employee can do, these duties may overlap various state classifications and may change the essential duties performed by other employees who will suffer no economic detriment due to these temporary work changes. All reasonable efforts will be made to avoid disruption to existing staff, e.g., filling usable vacancies prior to altering the duties of incumbents.
This is a temporary, modified return-to-work plan, to be reviewed every thirty (30) days and may be terminated when warranted by physicians’ statements or light duty is no longer required or can no longer be made available. The return of injured workers shall be exempt from Article 45. Concerning the injured worker, light duty assignments can be made without regard to the requirements of Article 26, Section 10, and Articles 80, 81, 85, and 90, and including all coalition language within these Articles, except where specific work assignments have been designated for return of injured workers.

Although duties of non-injured staff may be temporarily (not to exceed six (6) months) changed, such change may not give rise to a claim under the Articles listed above. However, days off and shifts of permanent full-time employees shall not be affected by this program.

**Section 6.** The Employer will cooperate with the Workers’ Compensation Program in the modification of work or work stations in order to accommodate employees permanently disabled as a result of a work-related injury or illness.

**Section 7.** When an employee is injured on the job and suffers time loss greater than fifteen (15) days, the Employer shall refer the employee to appropriate sources for explanation of their rights and obligations related to medical, retirement, and Workers’ Compensation benefits. A letter to the employee’s last address of record shall constitute proper referral.

**Section 8.** All reassignments under this Article will be made in a manner to keep the injured employee at or near their official place of employment. No reassignments under this Article will require such employee to travel more than thirty-five (35) miles or the distance of their regular commute, whichever is greater.

**ARTICLE 108--VIDEO DISPLAY TERMINALS**

**Section 1.** Whenever any new piece of VDT equipment is purchased from outside of State government, the Agency will follow the Department of Consumer & Business Services guidelines on VDTs as they pertain to that piece of equipment. When an Agency buys used equipment, then it will make every effort to comply with Department of Consumer & Business Services guidelines. If it is not able to do so, then any Union Steward, upon identification and submission of a VDT safety practice problem, may request and shall be scheduled to meet with the appropriate management representative to review the specific safety concerns.

Glare screens will be provided upon request. The Employer will provide safe operation instructions when new equipment is installed. VDTs will be cleaned and inspected as needed to ensure proper operation.

**Section 2.** The Agency will inform employees if it is using computer monitoring. Notice will include what is being monitored and its intended use.

**Section 3.** The Agency will not use subliminal software.

**Section 4.** The Employer and the Union agree that employees who are assigned full-time to continuously operate video display terminals (VDT) or cathode ray tubes (CRT) can be more productive if provided short periods of assignment to other duties throughout the workshift. Subject to operational needs, managers will arrange other work assignments so as to provide ten (10) minutes of relief for each hour worked at a VDT or CRT.

**Section 5.** Upon request, employees who operate a VDT or CRT shall be provided available wrist rests for trial usage. If the wrist rest is determined to be beneficial a permanent wrist rest will be assigned to the station.

**ARTICLE 121--EDUCATION, TRAINING, AND DEVELOPMENT**

The Agency agrees to offer on an on-going basis to employees, the training program developed by Oregon OSHA entitled “Violence in the Workplace,” or some other suitable Agency program, as determined by the Agency.

Employees authorized to attend the training during their scheduled shift will be on paid release time not to include overtime.

(See Letter of Agreement 121.00-21-395 in Appendix A.)

**ARTICLE 121T--EDUCATION, TRAINING, AND DEVELOPMENT** (Temporary Employees)

Mandated training time is considered work time.

**ARTICLE 121.1--EDUCATION, TRAINING, AND DEVELOPMENT** (Human Services Coalition)

**Section 1.** The Employer shall make reasonable effort to promote continuing education, training, and upgrading of employees in areas that are job-related. Furthermore, the Employer shall make reasonable effort to meet personnel needs through career development to prepare for career advancement. Employees may request or be directed to participate in job-related training, career development, or educational programs for the purposes of enhancing job functionality or career development.

**Section 2.** Training. The Agency will pay incurred tuition/registration and allowable travel, per diem, and salary when the Agency directs employees to attend training. Employees may request Agency-sponsored training. Training will be considered based on job or career development, workload needs, and on funding. The Agency will provide regular notice of training opportunities. Any trainings noted on an Employee Development Plan that has been approved by a manager will be available to the employee within the timeframe of the Employee Development Plan, barring budgetary limitations, training availability, or other causes outside of management’s control. Such requests shall not be arbitrarily denied. Any employee who is denied training may request and shall receive in writing an explanation of the reasons of the denial.

**Section 3.** Job Rotation/Developmental Opportunities. The Agency may provide competitive and/or employee-specific rotation/developmental opportunities by written agreement with employees who volunteer, who have the approval of their supervisor based on the operational needs of the sending unit. Such agreements shall state the duties, hours of work, and length of the assignment. Employees volunteering for these assignments retain their permanent position classifications, remain on the Agency payroll, retain the representation (SEIU Local 503, OPEU) status of their permanent positions while on
the assignment and return to their permanent positions on completion of the assignment. Employees participating in job rotation/developmental opportunities will continue to receive compensation at the rate of their permanent position and shall continue to accrue rights and benefits related to their permanent position.

(a) Competitive. Job rotation/developmental opportunities which are designated by management as competitive will be filled in a competitive manner. Recruitment notices for such opportunities will receive the widest reasonable distribution within the Agency. Recruitment notices shall contain: job description, basic qualifications, length of assignment, and deadline to apply. Agencies have the discretion to limit advertising to employees within a specific geographic area or Division/program. Any employee who was interviewed may request and shall receive in writing an explanation of the reasons they were not selected.

(b) Employee-Specific. Agencies have the discretion to create job rotation and/or developmental opportunities, including job shadowing, which are designed to meet the interests and/or needs of specific employees. Because they are employee specific, such opportunities are not appropriate for filling in a competitive manner.

Section 4. Educational Leave. Employees may be granted time off with pay to take job-related educational courses or training sessions for the purposes of enhancing job functionality or career development. For training and education that is not job-related, but is still relevant to a career within the realm of Oregon public services, the employee may be granted time off without pay pursuant to Article 61.1, temporarily modify their schedule pursuant to Article 90, or utilize accrued vacation, compensatory time or personal leave, subject to management approval.

Section 5. Agencies shall make available to any employee upon their request, classification specifications which contain the requirements and/or qualifications for any jobs within the Agency.

Section 6. Employees may need training to perform tasks required by the Agency as a result of an involuntary change in assignment or workload. Employees so identified by the Agency shall be afforded an opportunity to participate in job-related training upon approval of the Agency without loss of pay or benefits.

Section 7. Upon initial hire, rehire, promotion or job transfer, management agrees to notify an employee of the required training related to their position, if any is determined by management, within a reasonable time period. Such notification will include the expected timeline for completion of the required training, recognizing that operational needs may require some adjustment.

ARTICLE 123—INCLEMENT OR HAZARDOUS CONDITIONS

Section 1. Closures and Curtailments.

(a) Closures and curtailments will be announced through pre-designated sites, which may include internet websites, telephone trees, radio stations and/or television media. The Agency shall notify employees of these designated sites and post the notices on Agency bulletin boards by November 1 of each year.

(b) The Employer/Agency designated official(s) may close or curtail offices, facilities, or operations because of inclement weather or hazardous conditions. The Employer/Agency will announce such closure or curtailment to employees no later than 5:00 a.m. Notifications do not apply to employees who are essential employees.

(c) Where the Employer/Agency has announced a delayed opening pursuant to Section 1(c), employees are responsible for continuing to monitor the reporting sites for updated information related to the delay or potential closure. Employees may be allowed up to two (2) hours commuting time as reasonably needed to report for work after a delayed opening has been announced. Where an employee arrives late due to this extended commute, they may temporarily modify their schedule with manager’s approval, or cover the time with accrued sick leave, vacation, compensatory time off, personal leave or approved leave without pay.

Section 2. Fair Labor Standards Act (FLSA) Non-Exempt Employees.

(a) When the Employer/Agency notifies employees not to report to work pursuant to Section 1, the following applies:

(1) Non-exempt employees shall not be paid for the period of the closure. However, employees shall be allowed to use accrued vacation, compensatory time off, personal leave or leave without pay for the absence(s).

(2) A non-exempt employee arriving at work after the Employer/Agency has announced a closure or curtailment of operations shall be directed to leave work and shall not be paid for the remainder of the shift unless utilizing accrued leave as described above.

(3) In instances where an employee is not observed upon arrival and actually begins work at their workstation that employee shall be entitled to pay for all actual hours worked until sent home.

(4) If an employee’s scheduled reporting time and their arrival is within two (2) hours of the notice of closure, they shall be paid for two (2) hours at the straight-time rate of pay.

(b) When the Employer/Agency fails to notify employees not to report to work, pursuant to Section 1, FLSA Non-Exempt employees who arrive to start their scheduled shift within two (2) hours of notice of closure shall be paid for two (2) hours at the straight time rate of pay.

Section 3. FLSA-Exempt Employees. Pursuant to the FLSA, an exempt employee shall be paid for the work shift. An FLSA-exempt employee may be required to use paid leave where the closure applies to that employee for one (1) or more full workweek(s).

Section 4. When in the judgment of the Employer/Agency, inclement weather or hazardous conditions require the closing of the workplace following the beginning of an employee’s work shift, the employee shall be paid for the remainder of their work shift.
Section 5. Alternate Worksites.
(a) Employees may be assigned or authorized to report to work at alternative worksites or with prior approval from their supervisor may work from home and be paid for the time worked.
(b) Alternate worksites assigned will not be more than fifty (50) miles from the employee’s original worksite.
(c) DAS OAM Travel Policy shall apply where appropriate.
(d) If an employee declines an alternate worksite under this Article, the employee shall use accrued vacation leave, compensatory time off, personal leave, or leave without pay.

Section 6. Late or Unable to Report. Except as provided for in Section 9 of this Article, where the Agency remains open and an employee notifies their supervisors that they are unable to or will be late in reporting for work due to inclement weather or hazardous conditions, the employee shall use accrued vacation leave, compensatory time off, personal leave, or leave without pay.

Section 7. Employees on Pre-Scheduled Leave. If an employee is on pre-scheduled leave the day of inclement weather or hazardous conditions, the employee will be compensated according to the approved leave.

Section 8. Make-up Time Provisions. Subject to Agency operating requirements and supervisory approval, employees who do not work pursuant to Section 2 and Section 6 of this Article may make up part or all of their work time missed during the same workweek. In no instance will time worked during the make-up period result in overtime, compensatory time, or premium payments being charged to the Agency.

Section 9. Essential Employees.
(a) For purposes of this Article, essential employees are employees who cannot perform their core job duties from a remote work location.
(b) The Agency shall maintain a list(s) of essential employees for inclement weather and hazardous conditions. Essential employees shall be notified of this designation no later than November 1 of each year or upon hire. Such designations may be modified with two (2) weeks advance notice to the affected employee(s).
(c) Essential employees who are required to report to work by the Employer/Agency shall be in leave without pay status if absent, unless otherwise on authorized leave. If an employee shows up within two (2) hours of their scheduled shift, subject to operating requirements and supervisory approval, they may make up the work time missed during the same workweek, provided work is available.

Section 10. Temporary Employees. Non-exempt employees will be unscheduled from work and FLSA-exempt temporary employees will be in paid status for closures less than one (1) full workweek and unscheduled from work for closures more than one (1) full workweek under this Article unless the temporary appointment ends.

ARTICLE 125--TECHNOLOGICAL CHANGE/ RETRAINING

Section 1. Definition. Technological change is defined as a change in equipment, particularly of an electronic or mechanized nature, and/or a change in software which may have the result of reducing the number of bargaining unit employees, reducing the required work hours of bargaining unit employees, significantly impacting the body of work performed by bargaining unit employees, and/or altering skill requirements for job positions within the bargaining unit.

Section 2. The Parties support technological advancement, recognizing that it is necessary to ensure an expanding economy. Similarly, the Parties recognize that job displacement, occupational shifts, and employee working conditions may be adversely affected by the introduction of new technology. To reconcile these conflicting realities, the Parties agree to the following:
(a) The Employer agrees to give the Union sufficient advance notice of anticipated technological changes which will have a substantial impact on the manner in which job duties of a significant number of employees are performed so that it can review such changes and evaluate the impact on bargaining unit members. With this notice, the Employer shall inform the Union of whether and to what extent it anticipates that the changes will displace employees, cause a reduction in work hours, cause a change in skill requirements, or result in the fragmentation of existing jobs.
(b) An ad hoc Union/Management Technological Change Committee, composed of three (3) persons chosen by the Union and three (3) persons from management, shall be established for the purposes of reviewing the technological change and its impact on the working conditions of bargaining unit members. Nothing in this Section precludes Committee members from either Party from inviting non-committee members with relevant expertise to work with the committee (e.g. Information Systems, Change Management, Communications) on an ad hoc basis.
(c) The Employer agrees to meet with the Union to discuss the Committee’s findings and recommendations and it agrees to make every good faith effort to reduce the detrimental effects of technological change on bargaining unit members.
(d) Should a regular status employee become displaced, the Agency shall offer Subsection (1) or (2) under the following conditions:
   (1) Subject to funding, Agency needs, employee interests and ability, and scheduling, the Agency will provide retraining.
   (2) Should a regular status employee become displaced as a result of technological change, the Agency shall make a reasonable effort to place the affected employee into another position in the Agency or other Agencies in State government.

REV: 2021
ARTICLE 130—PROFESSIONAL RECOGNITION
At the request of an employee who was the primary author of a manual, manuscript, or other similar major publication for which they would like to receive recognition, the Agency agrees to provide appropriate individual recognition on the manual, manuscript, or other similar major publication.

ARTICLE 132—CRIMINAL RECORDS CHECK
Section 1. Except as provided by Governor’s executive order or state or federal law as implemented by Agency rule or policy, the Employer will not require a criminal records check on any current employee in their current position if the requirement was not in place when the employee was appointed to the position. Agencies will send Agency rules, policies, and subsequent changes to SEIU Headquarters. Upon notification, the Union may exercise its rights pursuant to Article 5 of this agreement as it applies to changes in Agency rule or policy implementing Governor’s executive orders or state or federal laws regarding criminal records check requirements.

Section 2. Position Descriptions and Recruitment Announcements. If a criminal records check is required for a position, such requirement shall be included in the recruitment announcement. As a position description is revised, the requirement for a criminal records check shall be included, however this does not apply where all agency positions require a criminal records check.

(a) If an employee is found to be unfit for their current position based on a new criminal records check and the Agency proceeds under Article 20, the employee retains all Article 20 rights.
(b) If a regular status employee is determined to be unfit for their current position based on a new requirement, then the employee shall be notified of the determination and upon request will be informed of the information from the criminal record used in the determination. The employee will be provided options, including layoff.

Section 4. Promotions, Transfers, and Voluntary Demotions. If through a promotion, transfer, or voluntary demotion process a criminal records check is required and an employee is found to be unfit, upon request, the employee will be informed of the information from the criminal record used in the determination.

The appointment to the position will not be delayed. Fitness determinations based on information from the criminal record checks shall not be subject to the grievance/arbitration procedures.

Section 5. Layoff/Recall.
(a) Layoff. In the event of a layoff, a criminal records check will not be required as a condition of employment, for displacing an employee from another job, bumping into another job, demotion to another job, or being recalled to a position, unless specified in the position description. If required, the employee will be notified before the criminal records check commences. Once notified, the employee can waive their right to that position and may displace the lowest seniority employee in a position where no criminal record check is required, pursuant to Article 70 and the prioritization of their option(s) as previously communicated to the Agency. If all positions in the Agency require a criminal record check, this information will be included in the notification of pending layoff given the Agency is not required to reflect the criminal record check in the position description.
(b) Recall from Layoff. If in the recall process an employee is determined to be unfit for a position, upon request the employee will be informed of the information from the criminal record used in the determination. Any appointment to the recall position will be delayed until the conclusion of the meeting.

Section 6. Regardless of whether the fitness determination was based on an accurate or inaccurate criminal record, the employee may request a meeting to discuss the information from the criminal record used in the determination. Such discussion, if requested, shall be within five (5) working days of the notification. Upon the request of the employee, a Steward may accompany the employee during the meeting. In the event the fitness determination changes as a result of the information provided, the Agency will notify the employee in writing. If an employee is not satisfied with the results of the meeting, they may appeal the fitness determination as outlined in the Agency rule or policy.

Section 7. Fitness determinations based on information from the criminal record checks shall not be subject to the grievance/arbitration procedures, except as provided in Section 3(a).

Section 8. Information received as a result of a criminal records check shall be secured in a file separate from the employee’s official personnel file. Destruction of the information received as a result of a criminal records check shall be consistent with state or federal law.

Section 9. Employees shall not be required to pay the Employer’s/Agency’s criminal records check fee(s) or Employer/Agency representation costs.

ARTICLE 133—DOMESTIC VIOLENCE, SEXUAL ASSAULT, STALKING OR HUMAN TRAFFICKING VICTIM LEAVE
Section 1. An employee is allowed to use accumulated leave or leave without pay if the employee or their dependent (including their adopted child, foster child or stepchild) is the victim of domestic violence, harassment, sexual assault, stalking, or human trafficking, as defined by ORS 659A.270.

Section 2. Pursuant to ORS 659A.283, eligible employees may take up to one-hundred and sixty (160) hours of leave with pay each calendar year. This leave with pay is in addition to any vacation, sick, personal business or other forms of paid or unpaid leave available to the eligible employee. However, an eligible employee must exhaust all other forms of paid leave before the employee may use the one-hundred and sixty (160) hours of paid leave.
ARTICLE 134--CRIME VICTIM LEAVE
If an employee or a member of their immediate family has suffered financial, social, psychological or physical harm, as a result of a person-to-person felony, they may take leave to attend a criminal proceeding, pursuant to State Policy (DAS, HRSD Statewide Policy 60.000.12). REVISION: 2015, 2019

ARTICLE 135--WORK ENVIRONMENTS
To promote involvement of all employees in continuous improvement of State services, State agencies shall proactively solicit participation from affected employees pursuant to State Policy (DAS, HRSD Statewide Policy) 50.055.01 Continuous Improvement in State Service. The Labor/Management Committee, or alternate forums, may be used to facilitate advancement of ideas for efficiencies. This Article is not subject to the grievance procedure.

ARTICLE 136--CRITICAL INCIDENT LEAVE
An employee who, during the performance of their work, is directly involved in an incident of on-duty violence, shall be allowed reasonable time off immediately after the incident to recover from any physical or psychological impairment or disability caused by the action. Directly involved means physically attacked or physically intervening in an attack of a staff member.

Such leave shall be charged against any accumulated time the employee has earned. The employee may decide the type of accumulated time against which this leave shall be charged.

However, where an employee is receiving compensation through Workers' Compensation or other victim compensation relief, such charges will be made on a pro-rata basis not to exceed the employee's regular salary.

Any period of time beyond one (1) day necessary for purposes of readjustment shall be determined by the employee's physician or mental health practitioner. The Employer may require the employee to see a practitioner of the Agency's choice in order to verify the employee's practitioner's opinion.

ARTICLE 136.1--CRITICAL INCIDENT LEAVE DIRECT TRAUMA (Human Services Coalition)
Any employee who suffers direct trauma during the performance of their work, including but not limited to verbal harassment or threats from clients shall be allowed reasonable time off to recover.

(c) Any period beyond five (5) days necessary for purposes of readjustment shall be determined by the employee's physician or mental health practitioner.

NEW: 2021

ARTICLE 137--RENT DEDUCTION

NEW: 2019

ARTICLE 138--WORKING REMOTELY
Section 1. Oregon state government encourages working remotely where it is a viable option that benefits both the employee and the agency. Use of remote work options promote the health and safety of Oregonians; ensures high-quality work and optimal use of resources for agencies; ensures cultural, equity and accessibility issues are addressed in a meaningful way; and supports flexibility and work-life balance for employees. It also offers the opportunity to be more flexible in interactions with the Oregonians we serve and decreases an agency's impact on the environment. Remote work arrangements are subject to the Working Remotely State Policy (50.050.01) and the terms and conditions of this collective bargaining agreement.

Section 2. Where an employee's duties can be successfully performed away from their primary duty station, an employee is eligible for remote work, upon agency approval.

Section 3. Remote Work Requests. Requests to work remotely may be initiated by the employee and must be reviewed and approved by the employee's supervisor to ensure the position is suitable for work and meets the agency's business and operational needs, as well as those of the agency's customers and the employee. Remote work agreements must be
documented through the working remotely process in the state human resources information system. Requests to work remotely shall be considered in order of application and responded to within thirty (30) calendar days.

**Section 4. Remote Work Denials or Rescissions.** No request to work remotely shall be arbitrarily denied or rescinded. If an employee’s request to work remotely is denied, the supervisor must provide a timely written response to the employee documenting the reason(s) for the denial. If an employee’s request to work remotely is rescinded, the supervisor must provide the employee with the reason(s) for the rescission in writing. Once a written explanation of the reason(s) for the rescission has been provided, the Employer may rescind the remote work with a minimum of seven (7) days advance notice. The employee may rescind their remote work with a minimum of seven (7) days advance notice. Employees who have either rescinded their remote work or had their remote work rescinded by the Employer shall be eligible to be considered for remote work in the future.

**Section 5. Inclement Weather/Hazardous Conditions and Existing Remote Work Agreements.** Inclement conditions may arise in remote work locations. If utility providers experience outages that prevent an employee from working, employees may access inclement weather/hazardous conditions leave (Letter of Agreement 123.00-18-311), unless there is an alternate work location available (Article 123—Inclement Weather/Hazardous Conditions Leave).

**Section 6. Equipment.** The agency provides basic technology equipment and related devices necessary for the employee to perform their assigned job duties at the remote worksite. The equipment and devices are for agency business only and must comply with the agency’s desktop security and maintenance policies and practices. Employees will not conduct state business on the following personal equipment: phones, computers, laptops or other information storing devices. Exceptions are subject to the approval of the state Chief Operating Officer. Additional technology and devices may be provided to the employee at the discretion of the agency or in accordance with the Americans with Disabilities Act (ADA). Employees who work remotely will enter all assets (equipment, office furniture, etc.) provided to them in the state human resources information system.

**Section 7. Remote Work Supplies.** Remote work office supplies shall be provided by the Agency. Equipment, software or supplies which are provided by the Agency for remote work shall be for the purposes of conducting Agency business only. Additional technology and devices may be provided to the employee working remotely. Subject to management approval, employee’s working remotely may access the State surplus warehouse for office furniture for their remote work location.

The employee maintains a safe remote workspace. The employee must immediately report to the supervisor any injury that occurs during work hours. The state is not responsible for loss, damage, repair, replacement or wear of personal property.

**Section 8. Remote Worksites.** Office furniture shall normally be provided by the employee working remotely. Subject to management approval, employee’s working remotely may access the State surplus warehouse for office furniture for their remote work location. Employees who work remotely will enter all assets (equipment, office furniture, etc.) provided to them in the state human resources information system.

**Section 9. Work Location, Mileage and Travel Time.** The employee’s normal reporting location will remain the same. In addition, employees may be required to report to Agency or non-Agency locations for purposes such as meetings, training sessions and policy/practice coverage. Business visits, meetings with Agency customers or meetings with co-workers shall not be held at the remote worksite unless approved by the employee’s supervisor. Mileage will be paid in accordance with the DAS OAM Travel Policy. Travel time will be compensated in accordance with the Fair Labor and Standards Act (FLSA).

**Section 10. Expectations and Goals.** Remote work employees and their managers will develop a clear set of expectations and goals for the work to be performed on remote work days. Employees will review and acknowledge the State of Oregon Employees Working Remotely Acknowledgement Form in the state human resources information system.

**Section 11. Training.** Appropriate training will be provided for participating managers and employees.

**Section 12. Other Provisions.** These provisions are applicable to all Sections listed above.

(a) Call back and overtime will be handled as outlined in the applicable provisions of this collective bargaining agreement.

(b) Since supervisors must continue to be in a position to evaluate employee performance, certify the accuracy of time sheets and attendance records, and perform a variety of other supervisory responsibilities, employees should anticipate that, in addition to being supervised pursuant to normal office procedures, there will also be the possibility that they will receive telephone calls at the mobile number employees have designated in their remote work arrangement.

(c) In the event of a work stoppage, remote work arrangements utilized by represented employees shall be suspended.

(d) Any alleged violations of this Article may only proceed through the DAS Labor Relations Unit (Step 3) and are not arbitrable.

(e) Members will waive no right to Union representation as enumerated in this collective bargaining agreement or as guaranteed by the law.

NEW: 2019. REV: 2021
Clarification:

Article 10, Sections 9 and 10 of the Collective Bargaining Agreement describes activities performed during the Steward’s regular work schedule, subject to advance notice to the Steward’s immediate supervisor. The permitted activities will be granted unless such activities would interfere with the work the Steward is expected to perform. In instances where there is interference with the work, the immediate supervisor shall, within the next workday, arrange an alternate, mutually satisfactory time for the requested activity. Such activities do not warrant any workload adjustment.

Although not specifically mentioned in Article 10, it is intended that in instances where a Steward (acting in their official capacity) participates in activities other than those described in Sections 11 and 12 which are initiated and/or requested by management, such Steward may request a workload adjustment. Such adjustments will be granted assuming there is documentation to support the Steward’s claim that the time involved in such activities during the month is more than de minimus. An example of such activity would be participation on a Labor-Management Committee which is a mutual benefit to both management and labor.

This clarification is not intended to supersede Coalition specific Article 10 provisions.

DDS Understanding:

Despite the above clarification, DDS management is willing to consider individual Steward requests for adjustment to existing work production standards where such Stewards submit a monthly activity report of work time spent on activities outlined in paragraph #1 and/or #2 above and which demonstrates that the time involved was other than de minimus. Such workload adjustment is limited to DDS Stewards in the Disability Analyst Classification series due to their high production standards. For example, if a Steward’s monthly activity report demonstrates that five percent (5%) of the Steward’s time had been spent on official Union activities, management could decide to adjust the Steward’s work production standards up to a maximum of five percent (5%). A determination of de minimus will be based on the time involved being up to two (2) hours per week.

The Union agrees that the consideration described in the previous paragraph will not establish a past practice for other than DDS Disability Analyst Stewards nor can it be referenced in any other forum.

Lastly, this understanding will replace any and all previous understandings within DDS.

LETTER OF AGREEMENT 15.00-19-359
Article 15—Parking
Commuting Committee

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (DAS) and the SEIU Local 503, OPEU (Union).

The purpose of this Agreement is to create a statewide joint labor-management committee to explore commuting costs, including, but not limited to bicycling, mass transit, and parking, ways to make commuting more affordable, and ways to incentivize commuters to explore environmentally friendly commuting options.

LETTER OF AGREEMENT 21.1C-99-07
Article 21.1C—Grievance and Arbitration Procedure
Alternate Dispute Resolution (Employment)

This Agreement is entered into between the Department of Administrative Services (Employer), on behalf of the Employment Department (Agency), and the SEIU Local 503, OPEU (Union).

The Parties recognize the potential benefits of an alternate dispute resolution process and improving utilization of mediation or other means to resolve issues at the lowest possible level. Therefore, the Parties agree to utilize, at their discretion, local Labor Management Committee meetings to review the language herein over the course of the 2021-2023 biennium in order to determine the necessity of its continuation and the utilization and effectiveness of the process. Recommendations of the Parties will be held for consideration to modify this Letter of Agreement during the 2023-2025 negotiations. Participation in any alternate process does not waive the employee’s rights under the contract to grieve.

1. When an issue needing resolution arises, the employee, supervisor, and/or other affected Parties will attempt to meet in an attempt to resolve the issue at the lowest possible level. If the issue is an alleged contract violation, this meeting will occur within the thirty (30) day grievance filing period.

2. If the issue is resolved, this settlement will be summarized and kept in the section. If it was an alleged contract violation, mediated resolutions shall be non-precedential and shall not be cited by either Party or their agents or members in any arbitration or fact-finding proceedings.
3. If the issue is not resolved through a meeting, resolution may be sought through:
   (a) the local Labor-Management Committee; or
   (b) mediation. Mediation is voluntary on part of all participants. The conclusion of mediation can be initiated by either Party or the mediator.

   If mediation of an alleged contract violation is requested within the thirty (30) day filing period, the timelines for filing the grievance are automatically held in abeyance. If mediation does not result in resolution of an alleged contract violation, the employee may file a grievance with the Agency Head as Step 2 of the grievance procedure within fifteen (15) calendar days of the conclusion of mediation.

   If the request for mediation is submitted by the employee at any time in any step after a grievance is filed, the grievance timelines are automatically held in abeyance. If resolution is not achieved through mediation, the employee may file a grievance at the step following the last completed step of the grievance procedure within fifteen (15) calendar days of the conclusion of mediation. Mediation panels will consist of one (1) mediator from the Agency’s Office of Human Resources and one (1) mediator represented by SEIU.

   To request mediation, all affected Parties must sign a completed Mediation Request Form and submit it to the SEIU Local 471 President or Agency’s Office of Human Resources Manager. The President and Office of Human Resources Manager shall assign a mediation panel within thirty (30) calendar days from the date the request is received. The Parties will have thirty (30) calendar days to resolve the issue. This timeline can be extended by mutual agreement. Mediation sessions will be conducted on Agency time.

   To ensure that the terms of the settlement are achieved and to hold managers accountable for settlements being met, copies of mediated settlements shall be given to the Parties, and the supervisor’s manager where the issue arose. A copy will also be sent to the Office of Human Resources for statistical purposes and placed into a confidential mediation file. The mediated settlement will not become part of the employee’s official personnel file.

   Mediation sessions and any settlements reached in these sessions will be confidential. Stewards may review mediation settlements in the Office of Human Resources in the course of representing an employee in a grievance matter.

   The mediation process will not be applicable to the following circumstances:
   1) issues already mediated, unless both Parties agree that the fundamental issue is not resolved;
   2) the issue is being addressed outside the Agency (i.e., BOLI, ERB, workers compensation or court);
   3) non-workplace disputes;
   4) disciplinary actions;
   5) letters of expectation; and,
   6) performance appraisals.

   The Agency and Union will make quarterly reports to the Worksite Committee on the mediation program.

   (c) the grievance process. The first meeting would serve as the first step and the grievance would be sent to the Agency Head as Step 2. The employee and supervisor will submit a letter of explanation for proceeding directly to Step 2 of the grievance process without requesting mediation. The timelines in the Contract apply.

This Letter of Agreement will go into effect upon date of final signature and will sunset on June 30, 2023, unless mutually agreed to continue.

LETTER OF AGREEMENT 27.00-19-325
Article 27—Salary Increase
Pay Equity Adjustments

This Agreement is entered into by the State of Oregon, acting through its Department of Administrative Services, Labor Relations Unit (Employer), on behalf of the Agencies covered by this Agreement (Agency) and the SEIU Local 503, OPEU (Union).

The purpose of this Agreement is to provide procedures to implement unscheduled pay equity adjustments consistent with Oregon law, and, to identify the appeal procedure for Agency or Employer decisions concerning pay equity reviews. This Letter of Agreement shall supersede LOA 27.00-18-310.

The Parties agree to the following:

1. Application to Current Employees: The Employer, an Agency Head or designee (with Chief Human Resource Office (CHRO) approval) may provide an unscheduled salary step increase to correct a pay inequity between employees who perform work of a comparable character and are similarly-situated based on relevant factors, identified in Oregon Revised Statute [ORS 652.220(2)], by which individual employees may be compensated differently. Unscheduled salary step increases may be initiated by any of the following processes:

   (a) Periodic statewide equal pay analysis (to take place at least every three (3) years);

   (b) Employee request,

   (c) Agency identified inequity.

2. Application to Returning Employees (including but not limited to reemployment and return from layoff): When the Agency identifies a pay inequity between employees in the same classification who perform work of a comparable character, an Agency Head or designee shall offer a greater rate of pay than prescribed in Article 29—Salary Administration.
3. If an Agency seeks to grant an unscheduled salary step increase to an employee, the Agency shall first forward the recommendation to CHRO, Classification and Compensation for review and analysis. The CHRO shall approve or disapprove the Agency recommendation and shall provide a written response back to the Agency. If approved, the Agency shall take action to implement the pay equity adjustment.

4. An employee may request a pay equity review by submitting a written request to the Agency Human Resource Department. The Agency Human Resource Department shall review the merits of the request based on the relevant factors and issue a written decision within sixty (60) calendar days, unless otherwise mutually agreed upon in writing. If a pay equity adjustment is not granted, the written decision will outline the reasons as to why.

5. Pay equity adjustments are generally effective on the date an employee made a written request to the Agency or the date the Agency submitted a request to DAS Classification and Compensation, whichever is earlier.

6. In the event an employee receives an unscheduled salary step adjustment for any of the reasons identified in Section 1, the employee’s salary eligibility date shall remain the same.

7. Agencies and CHRO shall retain all documents pertaining to decisions involving pay equity.

8. If the employee meets with the Agency or Employer regarding pay equity, the employee may request and obtain Union representation.

9. Appeal Procedure – Agency-Level Pay Equity Decisions

   (a) If the employee disagrees with the Agency’s decision the employee, or the Union on the employee’s behalf, may submit a written appeal to the Department of Administrative Services Labor Relations Unit (LRU) no later than thirty (30) calendar days from receipt of the Agency’s decision. The employee, or the Union on the employee’s behalf, shall forward all written documents as part of the appeal. The employee shall identify the factors outlined in ORS 652.220(2) the Agency did not properly consider. The Department of Administrative Services Labor Relations Unit (LRU) shall respond to the appeal in writing within thirty (30) calendar days.

   (b) Pay equity appeals are not subject to arbitration. However, nothing in this Agreement precludes the employee from submitting a claim to the Bureau of Labor and Industries (BOLI) in accordance with BOLI’s administrative rules or pursuing other legal recourse. The timelines for filing with BOLI or pursuing other legal recourse apply regardless of whether the employee appeals the decision under this Section.

   (c) For purposes of this Agreement only, the appeal process in this Agreement replaces the grievance procedure outlined in the applicable labor agreement covering the employee.

   (d) The Employer and Union may agree to an extension of time in this Agreement upon mutual agreement in writing.

10. Appeal Procedure – DAS Statewide Equal Pay Analysis Decisions

   (a) An employee, or the Union on behalf of an employee, may appeal the Employer’s decision concerning the employee’s salary that resulted from a statewide equal pay analysis. The appeal must be based on one (1) or more of the factors listed in ORS 652.220(2).

   (b) An appeal of the Employers’ equal pay analysis decision may be filed by sending a completed DAS Pay Equity Appeal Form via electronic mail to CHRO.CNC@Oregon.gov no later than thirty (30) calendar days from the date the employee receives notification of the equal pay analysis results. The Employer shall make a good faith effort to respond with a decision regarding the employee’s appeal within one hundred and twenty (120) calendar days.

   (c) The timelines for filing with BOLI or pursuing other legal recourse apply regardless of whether the employee appeals the Employer’s decision under this Section.

   (d) Pay adjustments made as a result of accepted appeals shall be made retroactively to January 1, 2022.

   (e) To be eligible to file an appeal of the DAS statewide equal pay analysis decision, an employee must have been employed by a state executive branch agency as of July 1, 2021. Employees who do not meet this eligibility requirement may pursue an appeal through Section 9 of this Agreement.

   (f) Employees at the top step of the salary range assigned to their job classification on or before January 1, 2022 are not eligible to file an appeal.

   (g) The Employer shall notify an employee in writing of the outcome of the employee’s appeal, including reasons for the decision.

   (h) If the employee disagrees with the Employer’s response, the employee may submit a claim to the Bureau of Labor and Industries or pursue other legal recourse. Pay equity appeals are not subject to arbitration.
(i) For purposes of this Agreement only, the appeal procedure in this Agreement replaces the grievance procedure outlined in the applicable labor agreement covering the employee.

11. This Agreement becomes effective on the date of the last signature below and expires June 30, 2023.

The purpose of the Letter of Agreement is to supersede LOA 27.00-17-295 to further address the PERS Pick-up Transition.

Section 1. Public Employees Retirement System (“PERS”) Members
For purposes of this Article, a PERS participating member is an employee who has established membership in PERS (Tier 1, Tier 2, or OPSRP) and who is presently employed in a qualifying position.

Section 2. PERS Participating Members
Effective November 1, 2016, Compensation Plan salary rates for PERS participating members were increased by six and ninety-five hundredths percent (6.95%) and the State ceased “picking up” the six percent (6%) employee contribution under OAR 459-009-0200(2). No PERS participating member will have an option to receive any part of that six percent (6%) contribution directly, as cash or otherwise. The intent of the Parties is for the employee contributions described under this Section to qualify for treatment as employer contributions under Section 414(h)(2) of the Internal Revenue Code.

Management retains the right to deny a straight time cash payout request. If the cash payout is denied the employee and manager will determine a mutually agreed upon time off prior to exceeding the cap.

This Letter of Agreement is entered into between the State of Oregon by the Department of Administrative Services, Labor Relations Unit, on behalf of the Department of Human Services, DDS, and the SEIU Local 503, OPEU.

DDS Medical Consultants are eligible under Article 32, Section 4(b) of the contract to receive one (1) hour of compensatory time off for each hour of overtime worked in excess of eight (8) hours per day or forty (40) hours per week. Payment in cash for such hours can only occur if time off requests are denied for use of accrued leave before the year ends, which then results in forfeiture. Due to current workload backlog, these employees will have little opportunity for taking compensatory time off. As a result, the Parties have agreed employees may choose to receive either straight-time pay or compensatory time off for each hour of overtime worked in excess of eight (8) hours per day or forty (40) hours per week.

The Parties agree that Article 45 and all agency-specific coalition language found in Articles 45.1 through 45.5 does not apply to the reemployment of an Executive Branch employee who was employed by the Legislative Branch and then requests reemployment with the former Executive Branch Agency. Specifically, the Agency layoff list does not take precedence over this reemployment, and agencies are not required to comply with any agency-specific language regarding posting of vacancies.

The Parties further agree that the time worked for the Legislative Branch is considered state service for purposes of seniority.

This Agreement is effective until the expiration of the 2021-2023 Collective Bargaining Agreement, and may be extended by mutual agreement.

This Letter of Agreement is entered into between the State of Oregon, acting through its Department of Administrative Services (DAS) and the SEIU Local 503, OPEU (hereinafter the “Union”).

In recognition of the need for trauma-informed training resources to be made available to employees pursuant to Article 101, Section 9 and of the need for suicide prevention training, the Parties agree to the following:

Trauma-Informed Training:
1. Agencies will continue to offer trauma-informed trainings in accordance with Article 101, Section 9.
2. Agencies will offer at least one (1) training during the term of this Agreement.

Suicide Prevention Training:
1. Agencies will offer at least one (1) suicide prevention training during the term of this Agreement.
   • Information on available trauma-informed and suicide prevention trainings will be shared at local Labor Management Committees.
   • Training will be offered on an on-going basis and will be made available to all employees.

Employees who attend this training during their regularly scheduled work shift will be in regular paid status.
This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) and the SEIU Local 503, OPEU (Union). This Letter of Agreement will supersede Article 123, Sections 3, 5, and 9.

This Letter of Agreement does not apply to:

- FLSA exempt employees.
- Essential employees as defined in Article 123—Inclement Weather / Hazardous Conditions Leave (essential employee are employees who cannot perform their core job duties from a remote work location).
- Temporary employees.

When the Department of Administrative Services/Agency chooses to close or curtail an office or facility pursuant to Article 123, Section 1(a), one of the following options will be implemented:

Section 1. In the event of a curtailment (delayed opening), the employee shall be allowed to access inclement weather/hazardous conditions leave for up to one half (1/2) of their regular work day for up to forty (40) hours a biennium.

Section 2. Full Day Closure.

In the event of a full day closure, the employee may, with prior supervisory approval, work from home or alternate work location for at least one half (1/2) of their regular work day. The remainder of the employee's work day will be on inclement weather/hazardous conditions leave for up to forty (40) hours a biennium. Alternate worksites assigned will not be more than fifty (50) miles from the employee’s original worksite.

1. If no work is available or the employee is unable to work from home or alternate work location, the employee will use accrued vacation hours, compensatory time off, personal leave time, leave without pay or inclement weather/hazardous conditions leave (not to exceed forty (40) hours a biennium). If the employee declines to work from an alternate worksite, the employee will use accrued vacation hours, compensatory time off, personal leave time, or leave without pay.

2. The employee may, with Agency prior approval, temporarily adjust their work hours during the same workweek to make up for hours not worked. The Agency shall not suffer any overtime or penalty payments as a result of this schedule change. The employee may be approved to temporarily modify their work schedule to engage in training through the electronic employee training platform or other Agency approved resources remotely. Employees engaging in these options will waive their shift differential for such time.

3. Once the forty (40) hours of inclement weather/hazardous conditions leave is used, if there are more Agency closures during the biennium, the employee will use accrued vacation hours, personal leave or compensatory time off, leave without pay or, with prior Agency approval, temporarily adjust their work hours during the same workweek. The Agency shall not suffer any overtime or other penalty payments as a result of the change in schedule.

4. Employees will not be eligible for inclement/hazardous conditions leave when their regular days off occur on a day the Agency closes an office or facility, or when the employee is on prescheduled leave or already scheduled to work from an alternate location. Only employees who are scheduled to report to work at the location which is closed, the day of the closure, are eligible for any use of the inclement weather leave.

5. Inclement weather/hazardous conditions leave shall not count as hours worked for the purpose of overtime calculation.

6. Inclement weather/hazardous conditions leave not used during a biennium will be lost and will not be rolled over into the next biennium. Inclement weather/hazardous conditions leave is not compensable if the employee separates from state service.

7. Part time and job share employees shall be granted such leave in a prorated amount of forty (40) hours per biennium based on the same percentage or fraction of FTE (full-time equivalent) they are hired to work.

8. Seasonal employees shall be granted a prorated amount of leave based on the amount of time anticipated they will work in the biennium at the time of hire. For example, if the employee is being hired for a six (6)-month equivalent FTE, they would receive ten (10) hours. The time will not be re-adjusted if the employee is hired into subsequent seasonal positions within the biennium or works longer than originally anticipated.

10. When, in the judgment of the Agency, inclement weather/hazardous conditions require the closing of an office or facility following the beginning of an employee's shift, the employee shall be paid for the remainder of the shift.

Section 3. Evacuated from Home. Employees who have been evacuated from their homes shall be eligible to use inclement weather/hazardous conditions leave not to exceed a combined total of forty (40) hours per biennium.

Section 4. Inclement Weather/Hazardous Conditions and Existing Remote Work Agreements. Inclement conditions may arise in remote work locations. If utility providers experience outages that prevent an employee from working, employees may access inclement weather/hazardous...
conditions leave, unless there is an alternate work location available. If an employee declines an alternate worksite, the employee shall use accrued vacation leave, compensatory time off, personal leave, or leave without pay.

Section 5. Use of the inclement weather/hazardous conditions leave for either curtailments or full day closures shall not exceed a combined total of forty (40) hours per biennium.

This Letter of Agreement becomes effective upon signature and will sunset on June 30, 2023.

LETTER OF AGREEMENT 123.1M-19-329

Article 123.1M--Inclement Weather/Hazardous Conditions Leave

Inclement Weather and Hazardous Conditions (OHA Public Health Division)

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) on behalf of the Oregon Health Authority (OHA), Public Health Division, and the SEIU Local 503, OPEU (Union).

Purpose of this Agreement:

Because of the nature of work at OHA’s Public Health Division, an inclement conditions list and hazardous conditions list are substantially different in scope. Each incorporates different units and level of response, making it necessary to have two (2) different lists in order to meet business needs. The purpose of this Agreement is to identify procedures and notification processes that will be utilized for these lists.

Therefore, the Parties agree to the following:

1. Inclement Conditions: Notification of those required to report to work by the Employer/Agency for inclement conditions is per Article 132. The Agency will be mindful when assigning which of the designated personnel will be required to report during an inclement condition event. For the purposes of this Letter of Agreement, an Inclement Condition event lasting longer than three (3) consecutive business days will be considered a hazardous condition.

2. Hazardous Conditions: The Agency shall notify employees who are required to report to work by the Employer/Agency for their designation for hazardous conditions with at least two (2) weeks’ notice of designation and annually by December 31st. Those designated may not be required to report depending on the hazardous condition that is present. The Agency will be mindful and take this into consideration when assigning which personnel will be required to report during a hazardous condition event. Activation of reporting will be done through the Health Alert Network (HAN) and communication with management.

3. Those required to report who are not activated or are only required to report for a portion of an inclement or hazardous condition day, will be paid per Article 123 and the Letter of Agreement 123.00-18-311 – Inclement Weather/Hazardous Conditions Leave.

4. The Agency welcomes employees to participate on the Incident Management Team. Employees participating on the Incident Management Team will have taken a minimum of ICS200 training. This team would often be one of the first groups of personnel activated to report for a hazardous condition event. Participation on this team is open to all employees and is voluntary for those who do not have these responsibilities written into their official position description (i.e. employees working the Health Security and Response Program).

5. All other provisions under Article 123 that is not in the aforementioned, apply.

This Letter of Agreement becomes effective upon final signature below and will sunset on June 30, 2023.

LETTER OF AGREEMENT 132.1C-18-313

Article 132.1C--Criminal Records Check

Criminal Background Checks (OED)

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (DAS) on behalf of the Oregon Employment Department (OED), and the SEIU Local 503, OPEU (Union).

Based on requirements under IRS Publication 1075, the tax information guidelines for Federal, State and local agencies, and Federal Criminal Justice Information Services (CJIS) Security Policy, all applicable Oregon Employment Department employees who access CJIS Information, or Federal Tax Information (FTI), including current and future employees, will need to be fingerprinted and have a background check. Employees with access to FTI will need to be fingerprinted and complete a background check every ten (10) years.

Therefore, the Parties agree to the following:

Upon final signature of the LOA, OED will:

1. Make the Criminal Records Check Procedure available to all applicable OED employees, and

2. Begin conducting criminal records checks on all applicable OED employees.

OED further agrees to the following:

1. Upon notification of the procedure and OED’s intent to conduct criminal records checks, employees may notify OED’s HR office of any criminal history

2. OED shall adhere to any established policy and procedure when determining if a current employee is unfit as a result of the criminal records check.
APPENDIX A – LETTERS OF AGREEMENT

In the event a current OED employee is determined to be unfit for their current position as a result of the criminal records check the following will apply:

1. If a regular status employee is determined to be unfit for their current position based on a criminal records check, the employee will be notified of the determination and will be informed of the information from the criminal record used in the determination. In accordance with Article 132, Section 6, employees may appeal the fitness determination. OED will make every reasonable effort for a period of approximately thirty (30) days to find the employee an alternate position within the Agency and within the same salary range. If that is not possible, the Agency will provide layoff rights to the affected employee. Employees who are laid off will be placed on the agency layoff list and the secondary recall list in the classification for a period of three (3) years. If recalled to their classification at OED within that period, the employee must pass the criminal records check in order to be offered a position.

2. This Agreement is intended to provide an exception to Article 132--Criminal Records Check and will apply to this specific situation only.

This Letter of Agreement will become effective upon date of final signature and is effective through June 30, 2023.

LETTER OF AGREEMENT 132.1M-18-321
Article 132.1M--Criminal Records Check
Disability Determination Service (DDS) Tier 2 – Public Trust Background Investigations (DHS)

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) on behalf of the Department of Human Services (DHS) and the Service Employees International Union (SEIU) Local 503, OPEU (Union).

In May 2018 the Oregon DDS office will begin implementation of the upgraded Tier 2 (Moderate Risk Positions) Public Trust Background Investigations through the Social Security Administration (SSA) as required by the Federal Government for individuals hired into DDS positions. The background investigation will include expanded questions related to criminal history, employment history, financial history, education, and professional and personal references. A suitability determination by the Social Security Administration is necessary to determine whether an employee can be issued credentials in order to have access to Social Security disability data, records, and systems. If a newly hired employee passes the pre-screening and is offered a position but it subsequently denied suitability, the DDS will revoke access to SSA systems, data and property immediately. At that point, the employee will be removed from trial service.

All DDS employees hired prior to May 2018 will be required to complete and pass the Tier 2 - Public Trust Background. However, if any DDS employee hired prior to May 2018 is denied suitability, DHS will offer the employee an alternate position within DHS. DHS will attempt to find a position within the same salary range for the employee, dependent on the ability to meet minimum qualifications of a position within the same salary range. If DHS is unable to provide the employee with a position within the same salary range, based on an inability to meet minimum qualifications, DHS will continue to seek alternative positions at the next lower salary range, until a position is found in which the employee is able to meet the minimum qualifications of the position.

2. OHA shall adhere to any established policy and procedure when determining if a current employee is unfit as a result of the criminal records check.

In the event a current OHA employee is determined to be unfit for their current position as a result of the criminal records check or failure to successfully complete related FTI and/or CJIS security training and testing the following will apply:
1. If a regular status employee is determined to be unfit for their current position based on a criminal records check or failure to complete security training requirements, the employee will be notified of the determination and will be informed of the information from the criminal record used in the determination. In accordance with Article 132, Section 6, employees may appeal the fitness determination. OHA will make every reasonable effort for a period of approximately thirty (30) days to find the employee an alternate position within the Agency and within the same salary range. If that is not possible, the Agency will provide layoff rights to the affected employee. Employees who are laid off will be placed on the agency layoff list and the secondary recall list in the classification for a period of three (3) years. If recalled to their classification at OHA within that period, the employee must pass the criminal records check in order to be offered a position.

2. This Agreement is intended to provide an exception to Article 132–Criminal Records Check and will apply to this specific situation only.

The Parties agree that the Employee Recognition Plan for the Disability Determination Services will be in effect unless the Parties mutually agree to terminate the Plan earlier.

The ballots will be reviewed, and any ballot that contains offensive or inappropriate comments will be excluded. These exclusions will be shown to the Union designee.

The first month the drawing will be selected from the ballot box and subsequently each winner will be drawn by the previous month’s winner. Employees who win the drawing will not be eligible for the drawing for the remainder of that biennium. All acceptable ballots will then be collected and posted on the bulletin board.

Each winner shall receive one-half (½) of a working day (four (4) hours) time off and a $25.00 gift certificate from a restaurant of management’s choosing. The Parties agree to the following:

Section 1. Application.
This Agreement covers all SEIU Local 503, OPEU-represented employees who are required to possess a commercial driver license and perform safety-sensitive functions in all Agencies where the Union is the bargaining agent. This Agreement is specifically limited to meeting the alcohol and drug testing requirements pursuant to Federal Department of Transportation regulations for CDLs and applicable law.

Section 2. Term of Agreement.
This Agreement ends June 30, 2023 except as otherwise noted.

Section 3. Payment for Testing.
Agencies will pay for random, reasonable suspicion, post-accident and return to duty testing. If an employee wants additional tests conducted, the employee pays for the test. As used herein, a drug test may include both the initial test and confirmation of a single specimen.

Where an employee with a positive alcohol/drug test result is offered a last chance agreement by the Agency, which the employee signs, the Agency will pay for the first six (6) follow-up tests required by the certified substance abuse professional.

Section 4. Pre-Employment Testing.
A pre-employment drug test will be conducted under the following conditions, except where conditions listed in Part 382.301(b)(c) are met:
(a) New hire to the Agency, unless the employee meets the requirements outlined in the regulations.
(b) Return from layoff.
(c) Reemployed as a seasonal employee.
(d) Promotions, demotions and transfers where the employee moves into a position that requires a commercial driver license.

4. Take disciplinary action pursuant to the requirements of the Agreement.

In the case of pre-employment testing for promotions, demotions or transfers where the employee is moving from a position that does not require a CDL to a position that requires a CDL, an additional option is to rescind the appointment.

(b) Post Accident, Follow-Up and Return to Duty Testing.
This Agreement does not waive employee rights under Part 382.505 as it applies to alcohol test results of 0.02 to 0.039.

The Parties acknowledge that an Agency, at its own discretion, may decide to offer a last chance agreement to an employee as an alternative to termination. However, nothing in the Master Agreement or this Agreement shall preclude an Agency from issuing a lesser form of discipline in conjunction with offering a last chance agreement. Last chance agreements will not include blood testing or additional follow-up testing not required by the certified substance abuse professional. The duration of a last chance agreement shall be for a period of five (5) years starting from the effective date of the last chance agreement. After the five (5) year period, the last chance agreement will be removed from the employee's personnel file.

Section 6. Use of Leaves.
(a) An employee will be granted Agency time for actual testing, traveling to and from the test site if such travel is required and for meeting with the Medical Review Officer if such meeting is necessary.
(b) An employee who tests positive in a random, reasonable suspicion or post-accident test can use any accrued leave or leave without pay pursuant to the terms of the Agreement when removed from their position by the Agency if the Agency does not assign the employee non-safety-sensitive functions to perform.
(c) An employee can use accrued leave or leave without pay pursuant to the terms of the Agreement to enroll in and participate in a rehabilitation program and for meeting with the certified substance abuse professional if such meeting is required.
(d) If test results are later found to be negative, and the employee used accrued leave when removed from a safety-sensitive function, the employee’s leave accrual balance will be restored.

Section 7. Refusal to Test. An employee will be terminated pursuant to the requirements of the Agreement.

Section 8. Definition of “Accident” for Purposes of Post-Accident Testing. The definition of “accident” shall be the same as the definition contained in Part 390.5 of the Federal Regulations. Post-accident testing shall be limited to the driver of the commercial motor vehicle pursuant to Part 382.303(a) of the federal regulations.

Section 9. Status of Person on Return from Layoff and Seasonal Rehire. The consequences for a person on a return from a layoff list or seasonal rehire list as a result of a positive test will be the following:

(a) Return from Layoff.
1. Alcohol test results of 0.04 or greater or a positive drug test. Upon notice from the employee, the Agency will consider that they exercise their one (1) right of refusal under the Agreement and continues on the list pursuant to the terms of the Agreement.
2. Alcohol test results of less than 0.04. The Agency will require that the employee take a return to duty test. If the test is negative, the person will be hired.
