In this Agreement, four types of Article numbers appear. These numbers have different applications. For example, some Articles apply to all Agencies covered under this Agreement, some Articles apply only to the Agencies within a particular coalition, some Articles apply only to a particular Agency within a coalition, and some apply only to temporary employees. The types of numbers used are as follows:

1. Articles which were negotiated centrally and apply to all coalitions and all Agencies within the four coalitions have numbers without any subcategories, e.g.:

Article 20--Discipline and Discharge  
Article 27--Salary Increase  
Article 56--Sick Leave  
Article 70--Layoff

2. Article subcategories with no letter following the number signify that the Article applies to all Agencies within a particular coalition, e.g.:

Article 18.3--Reorganization Notification (ODOT Coalition)  
Article 100.1--Security (Human Services Coalition)

The last digit in these subcategories identifies the coalition that the Article applies to:

.1 Human Services Coalition  
.2 Institutions Coalition  
.3 ODOT Coalition  
.5 Special Agencies Coalition

3. Articles which have subcategories with a letter following the number signify that the Article applies only to a particular Agency within a coalition, e.g.:

Article 32.5I--Overtime (OHCS)  
Article 35.2K--Phone Calls (OYA Administration and Field)  
Article 70.2A--Geographic Area for Layoff (OYA Youth Correctional Facilities and Camps)

4. Centrally negotiated Articles which have a "T" attached signify Articles that apply only to temporary employees, e.g.:

Article 19T--Personnel Records (Temporary Employees)  
Article 22T--No Discrimination (Temporary Employees)

(See Article 2, Section 5(c)(d) for a full listing of Articles and Letters of Agreement which apply to temporary employees.)

If an employee using the Master Agreement is looking for a contractual provision for their particular Agency, they must locate the subject by using either the Table of Contents or the Index.

NOTE: The Parties may elect to assemble and print a coalition agreement in addition to a Master Agreement.

## **ARTICLE 2--RECOGNITION**

**Section 1.** The Employer recognizes the Union as the exclusive bargaining representative for all classified and unclassified employees in positions represented by the Union in the Agencies listed in Section 2 below. The Union is also the exclusive bargaining representative for temporary state employees in the classified or unclassified service as direct hire temporary employees of the State of Oregon excluding student workers who are in student worker classifications; student law clerks; independent contractors; any temporary employees who are represented by another labor organization; retired state employees; casual labor temporary Agency employees (e.g., Kelly, Manpower, Goodwill Industries, St. Vincent de Paul) not directly employed by DAS; temporary employees in the exempt service as defined in ORS 240.200; school-to-work experience employees; persons hired under exchange programs with the State; prisoners; interns from bona fide educational programs who are fulfilling academic requirements of that program and are completing their degree; and JOBS Plus program participants. Temporary employees represented by the Union are in the Agencies listed in Section 2 below. This recognition does not apply to exempt, supervisory, managerial and confidential employees as defined by law or as determined by the Employment Relations Board.

**Section 2.**

- (a) The Employer and the Union have established a single bargaining unit of employees represented by the Union and employed by the Oregon Youth Authority\*, Oregon State Hospital, Pendleton State Delivered Secure Residential Treatment Facility, Oregon Department of Forestry, who are guards, firefighters, and police officers as identified by the Employment Relations Board or as agreed upon by the Parties. The bargaining unit has been modified by the Employment Relations Board to include temporary employees as defined in Section 1.
- (b) The Employer and the Union have established a single bargaining unit which is not prohibited from striking. The bargaining unit has been modified by the Employment Relations Board to include temporary employees as defined in Section 1. This unit is made up of employees located at the following Agencies: Department of Agriculture, Commission for the Blind, Oregon Youth Authority\*, Oregon Department of Human Services, Oregon Health Authority and Oregon Health Authority Institutions (Pursuant to HB2009) (Oregon State Hospital, Pendleton State-Delivered Secure Residential Treatment Facility), Department of Education (including School for the Deaf), Employment Department, Employment Appeals Board, Department of Administrative Services (State Controllers Division, former DGS Divisions, and State Data Center), Oregon Department of Forestry, Department of Justice, Bureau of Labor and Industries, Higher Education Coordinating Commission, State Library of Oregon, Oregon Parks and Recreation Department, Public Employees Retirement System, Department of Revenue, Department of Transportation, Oregon Department of Geology and Mineral Industries, State Treasury Department, Department of Veterans' Affairs, Department of Water Resources, Department of Consumer & Business Services (including Workers' Compensation Board), Board of Nursing, Oregon Medical Board, Board of Dentistry, Board of Pharmacy, Mortuary and Cemetery Board, Oregon Mental Health Regulatory Agency, Board of Medical Imaging, Board of Massage Therapists, Occupational Therapy Licensing Board, Board of Examiners for Speech Pathology and Audiology, Board of Naturopathic Medicine, Oregon State Board of Examiners for Engineering and Land Surveying, Oregon Department of Aviation, Oregon Watershed Enhancement Board, Oregon Housing & Community Services, Oregon Department of Fish & Wildlife, and Teachers Standards and Practices Commission.

\*Oregon Youth Authority includes all employees except employees in positions classified as Juvenile Parole and Probation Officer and Juvenile Parole and Probation Assistant. Union-represented employees of this Agency are included in the Union's strike-permitted bargaining unit, except for employees in the classifications of Group Life Coordinator 1, 2, 3 and Youth Corrections Unit Coordinator, or successor classifications, who are included in the Union's strike-prohibited bargaining unit.

**Section 3.** When there has been a determination of the Employment Relations Board to modify one (1) of the bargaining units listed in Section 2 or when the Parties reach mutual agreement to modify, negotiations will be entered into as needed or as required by law.

**Section 4. Exclusion of Filled Positions.**

- (a) DAS shall provide the Union with no less than twenty (20) days written notice of its intent to exclude a filled bargaining unit position based on supervisory, managerial or confidential status. DAS agrees not to change the position's designation from represented to management service during this twenty (20) day period.
- (b) Should the Union decide to contest the proposed exclusion, it shall serve DAS with written notice of its intent to contest the exclusion within twenty (20) days of its receipt of the notice of intent to exclude. Should such notice be given by the Union, DAS will forego implementing the change in designation for an additional forty (40) days, beyond the initial twenty (20) day period. The purpose of this forty (40) day period is to allow the Union time to investigate whether it has grounds to contest the proposed change in status. If the Union decides to pursue challenging an exclusion, it must file with the Employment Relations Board (ERB) prior to the end of this forty (40) day period. In such event, DAS agrees to forego implementing the change in designation until the matter is resolved by way of ERB decision, settlement, or other manner.
- (c) If DAS does not receive timely notice from the Union indicating its intent to contest the exclusion during the initial twenty (20) day period, or if the Union does not file with the ERB during the subsequent forty (40) day period, DAS may proceed to change the position's designation, and the Union agrees not to contest the excluded status of this position during the remainder of this contract term, unless the position's duties should materially change such that the exclusion is no longer warranted.
- (d) For purposes of this Agreement, written notice may occur by personal delivery, fax, email or mail (postmark) within the time frames cited above.

**Section 5. Temporary Employees.**

- (a) The Employer agrees to utilize temporary employees in accordance with ORS 240.309. Grievances alleging violations of ORS 240.309 may be submitted only by the Union, directly to the Department of Administrative Services level for full and final review.
- (b) Temporary employees will have the same rights as other bargaining unit employees as enumerated below:
  - (1) Same base rate of pay for the appropriate classification for regular status employees. Effective upon signing of this Agreement, rates of pay will be within the ranges, minimum and maximum, according to the Compensation Plan, per [Article 27](#) and salary appendices.

REV: 2013, 2015, 2019,2023

**Section 2.** This Agreement supersedes all prior Collective Bargaining Agreements and Letters of Agreement negotiated between the Union and the State of Oregon acting by and through its Department of Administrative Services.

**ARTICLE 4--TERM OF AGREEMENT**

**Section 1.**

- (b) Either Party may give written notice during the period of October 15 – November 15, 2024, of its desire to negotiate a successor Agreement.
- (c) Negotiations shall commence the first week of December 2024, or such other date as may be mutually agreed to by the Parties.

**Section 2.** This Agreement shall not be opened during the term of this Agreement except by mutual agreement of the Parties, by proper use of [Article 7--Separability](#), or as otherwise specified in this Agreement.

REV: 2013, 2015,2019,2021,2023

**ARTICLE 5--COMPLETE AGREEMENT/PAST PRACTICES**

**Section 1. Complete Agreement.** Pursuant to their statutory obligations to bargain in good faith, the Employer and the Union have met in full and free discussion concerning matters in "employment relations" as defined by ORS 243.650(7). This Contract incorporates the sole and complete agreement between the Employer and the Union resulting from these negotiations. The Union agrees that the Employer has no further obligation during the term of this Agreement to bargain wages, hours, or working conditions except as specified below. The Employer agrees that during the term of this Agreement it may not unilaterally change employee wages or hours. "Working conditions" established by a specific provision of this

Agreement may not be unilaterally changed. Other "working conditions" not covered by this Agreement may only be changed pursuant to the restrictions and procedures in Section 2.

### **Section 2. Past Practices.**

- (a) The Parties recognize the Employer's full right to direct the work force and to issue work orders and rules and that these rights are diminished only by the law and this Agreement, including arbitrator's awards which may evolve pursuant to this Agreement, or for temporary employees, decisions resulting from dispute resolution procedures which may evolve pursuant to this Agreement.
- (b)
  - (1) The Employer may change or issue new work practices or rules covering permissive subjects of bargaining, including issuing administrative rules over issues which are nonnegotiable and are not in conflict with or otherwise addressed in a specific provision of this Agreement. The Employer agrees to bargain over any proposed changes in "working conditions" or their impact which are mandatory subjects of bargaining.
  - (2) If the Employer believes the change is a mandatory subject of bargaining, the Parties shall meet within ten (10) days of the Union's request to meet. One (1) Union Steward from the affected Agency will be allowed to use Agency time without loss of pay or benefits to participate in these negotiations. The Employer will not be liable for any overtime, premium pay, travel reimbursement, or mileage for the Union Steward. If the Union Steward is a temporary employee, while employed, the temporary employee would be unscheduled.
  - (3) The Union may file an unfair labor practice complaint with the Employment Relations Board if the Employer refuses to bargain. If the Board rules that the change is a permissive or prohibited subject of bargaining, the Union shall withdraw its demand to bargain. If the Board determines the change is a mandatory subject of bargaining, the Parties shall meet to negotiate this subject change.
  - (4) Notwithstanding ORS 243.698, if after ninety (90) days of bargaining, the Parties do not reach agreement, either Party may exercise its right to utilize the dispute resolution procedures under the PECBA, including the strike-permitted employees' right to strike (notwithstanding [Article 8](#) of this Agreement), or, for strike-prohibited employees, the right to submit the matter to binding arbitration. Nothing precludes the Parties from requesting mediation within the ninety (90) day period.

### **ARTICLE 6--LEGISLATIVE ACTION**

**Section 1.** Provisions of this Agreement not requiring legislative funding or statutory changes before they can be put into effect shall be implemented on the effective date of this Agreement or the date otherwise specified in this Agreement. Necessary bills for implementation of the other provisions shall be submitted promptly by the Department of Administrative Services to the Legislative Assembly and both Parties shall jointly recommend passage of the funding and statutory changes.

**Section 2.** Should the Legislature not be in session at the time agreement is reached, the funding provisions of this Agreement shall be promptly submitted to the Emergency Board by the Department of Administrative Services and both Parties shall jointly recommend passage.

**Section 3.** Should the Legislature not be in session at the time agreement is reached, all other legislation necessary for the implementation of this Agreement shall be submitted to the next session (whether regular or special) of the Legislative Assembly.

### **ARTICLE 7--SEPARABILITY**

In the event that any provision of this Agreement is at any time declared invalid by any court of competent jurisdiction, declared invalid by final Employment Relations Board (ERB) order, made illegal through enactment of federal or state law or through government regulations having the full force and effect of law, such action shall not invalidate the entire Agreement, it being the express intent of the Parties hereto that all other provisions not invalidated shall remain in full force and effect. The invalidated provision shall be subject to renegotiation by the Parties within a reasonable period of time from such request.

### **ARTICLE 8--NO STRIKE OR LOCKOUT**

The Employer agrees that during the term of this Agreement, the Employer shall not cause or permit any lockout of employees from their work. In the event an employee is unable to perform their assigned duties because equipment or facilities are not available due to a strike, work stoppage, or slowdown by any other employees, such inability to provide work shall not be deemed a lockout.

During the term of this Agreement, the Union shall neither cause nor counsel the members of the bargaining unit to strike, walk out, slowdown, or commit other acts of work stoppage.

Upon notification confirmed in writing by the Department or Agency to the Union that certain bargaining unit employees covered by this Agreement are engaging in strike activity in violation of this Article, the Union shall, upon receipt of a mailing list, advise such striking employees in writing with a copy to the Department of Administrative Services and the affected Department and Agency, to return to work immediately. Such notification by the Union shall not constitute an admission that it has caused or counseled such strike activity. The notification by the Union to employees covered by this Agreement shall be made at the request of the Department of Administrative Services.

### **ARTICLE 9--MANAGEMENT'S RIGHTS**

Except as may be specifically modified by the terms of this Agreement, the Employer shall retain all rights of management in the direction of their work force. Rights of management shall include, but not be limited to, the right to:

- (a) Direct employees.
- (b) Hire, promote, transfer, assign, and retain employees.
- (c) Suspend, discharge, or take other proper disciplinary action against employees.
- (d) Reassign employees.
- (e) Relieve employees from duty because of lack of work or other reasons.
- (f) Schedule work.
- (g) Determine methods, means, and personnel by which operations are to be conducted.

## **ARTICLE 10--UNION RIGHTS**

### **Section 1. Rights/Obligations.**

- (a) The Union and the Employer agree that there must be mutual respect for the rights and obligations of the Union and the Employer and the representatives of each.
- (b) Employees covered by the Agreement are at all times entitled to act through a Union representative in taking any grievance action or following any alternate procedure under this Agreement.
- (c) Once a bargaining unit member files a grievance, the employee shall not be required to discuss the subject matter of the grievance without the presence of the Union representative if the employee elects to be represented by the Union.

**Section 2.** The provisions of this Article and Articles 10.1 through 10.5 cover temporary employees. However, pay status provisions of this Article and Articles 10.1 through 10.5 shall not apply to temporary employees; instead temporary employees will be unscheduled rather than being in pay status or on paid or unpaid leaves for authorized activities. Such activities shall attempt to be scheduled during the temporary employee Steward's non-work hours.

### **Section 3. Union Organizer Visitations.**

- (a) Union Organizers shall be allowed reasonable access to bargaining unit members. The purpose of these visits will be to meet with employees during the employees' regular work hours at the employees' regular work location to investigate and discuss grievances, workplace-related complaints and other matters relating to the employment relations. The Union Shall give the Agency reasonable notice of these visits.
- (b) Union Organizers may conduct meetings at the employees' regular work location before or after the employees' regular work hours, during meal periods and during other break periods. Union Organizers may use Agency facilities or property for purposes of conducting meetings with the represented employees in the bargaining unit. Union Organizers may hold the meetings at a time and place set by the Union Organizers, provided the meetings adhere to the current building use policies, space is available, proper scheduling has been arranged and the meetings do not interfere with the Agency's operations. The Union agrees to provide the Agency and the Department of Administrative Services Labor Relations Unit with a list of authorized Union Organizers.

### **Section 4.**

- (a) Bulletin Boards. The Agency shall allow the use of reasonable bulletin board space for communicating with employees. Union material shall not be displayed in the work area except in the designated bulletin board space. Additionally, the DAS Labor Relations Unit will post links to Agency-level SEIU virtual bulletin board spaces on the DAS Labor Relations Unit internet website. The content of the virtual bulletin boards will be managed by SEIU.
- (b) E-Mail Messaging System. Union representatives and SEIU-represented employees may use an Agency's e-mail messaging system to communicate about Union business provided that all of the following conditions are followed:
  - (1) Use shall not contain false, unlawful, offensive or derogatory statements against any person, organization or group of persons. Statements shall not contain profanity, vulgarity, sexual content, character slurs, threats or threats of violence. The content of the e-mail shall not contain rude or hostile references to race, marital status, age, gender, sexual orientation, religious or political beliefs, national origin, health or disability.
  - (2) Except as modified by this Article, an Agency shall have the right to control its e-mail system, its uses or information.
  - (3) The Agency reserves the right to trace, review, audit, access, intercept, recover or monitor use of its e-mail system without notice.
  - (4) Use of the e-mail system will not adversely affect the use of or hinder the performance of an Agency's computer system for Agency business.
  - (5) Group e-mails shall not include attachments or contain graphics (except for the Union logo), and shall be no more than approximately three (3) pages. Recipients of such group e-mails shall not use the "Reply All" function.
  - (6) E-mail usage shall comply with Agency policies applicable to all users such as protection of confidential information and security of equipment.
  - (7) The Agency will not incur any additional costs for e-mail usage including printing.
  - (8) The Union will hold the Employer and Agency harmless against any lawsuits, claims, complaints or other legal or administrative actions where action is taken against the Union or its agents (including Union staff, Union officers and Stewards) regarding any communications or effect of any communications that are a direct result of use of e-mail under this Article.
  - (9) Such e-mail communications shall only be between SEIU-represented employees and managers, within their respective agency, and the Union. However, for purposes of negotiations, bargaining team members may communicate across agencies. Additionally, DAS recognized joint multi-Agency Labor-Management Committee members and the Union's Board of Directors may communicate across agencies. Union officers and stewards may communicate with Union officers and Stewards across agencies for purposes of contract administration. The Union shall provide the names of its Board of Directors, Union Officers and Union Stewards to DAS.

- (10) Use of Agency's e-mail system shall be on employee's non-work time.
- (11) E-mail communication may include links to the Union website, which may be accessed on non-work time.
- (12) Nothing shall prohibit an employee from forwarding an e-mail message to their home computer.
- (13) E-mail shall not be used to lobby, solicit, recruit, persuade for or against any political candidate, ballot measure, legislative bill or law, or to initiate or coordinate strikes, walkouts, work stoppages, or activities that violate the Contract.
- (14) Should the Employer believe that the Union's staff has violated Article 10, Section 5(b) of the Master Agreement, the Employer will notify the Union's Executive Director, in writing, within thirty (30) calendar days from the date of the alleged misuse of an Agency's e-mail system. The Executive Director shall respond, in writing, within thirty (30) days and include the action that will be taken to enforce the Master Agreement. If, despite these actions, the violation continues, the Employer will notify the Union, in writing, within thirty (30) calendar days that the alleged misuse may be arbitrated. For the purpose of this Article, employees who are working for the Union while on a Union leave of absence will be considered Union staff.

**Section 5. Union Steward Representation.** The Employer agrees that a Union Steward system exists for employee representation available to all employees covered by this Agreement and also agrees to respect that when the employee is acting in their role of Steward, the relationship is different than that of supervisor and employee.

In order to be able to effectively carry out their duties as Union Stewards, all Stewards shall have access to the appropriate equipment and space in order to be able to communicate privately and safely with the employee.

**Section 6. List of Union Stewards.** The Union shall provide the Employer (Department of Administrative Services and each Agency)\* with a list of the names of authorized Union Stewards, including their work location, and worksite representation responsibility. The lists shall be updated as necessary. If problems arise regarding Union Steward authorized activities in representing employees, the Union agrees to discuss the problem with the Department of Administrative Services Labor Relations Unit or the Agency as the situation suggests.

\*For DMV, Agency means the Division Administrator.

**Section 7.** The Employer agrees that there shall be no reprisal, coercion, intimidation, or discrimination against any Union Steward or elected officers for protected Union activities. It is recognized that only certain protected activities are permitted during work hours.

**Section 8. New Employee Orientation.**

- (a) All SEIU represented employees who are new to state service shall attend the Uplift Oregon benefits workshop within thirty (30) days of hire. Employees shall have access to the training within fourteen (14) days of hire, or before an employee completes their benefits enrollment documents. The Union shall have time allotted during this training to share union information with SEIU represented employees.
- (b) Agencies will establish a new employee orientation that includes thirty (30) minutes for a representative of the Union to share union information. If the Union representative is an employee of the Agency, the employee shall be given time off with pay to make the presentation. The new employee orientation will occur within thirty (30) days of hire. The Agency will provide the Union reasonable notice of the place and time of the new employee orientation. All SEIU-represented employees who are new to an agency shall attend a new employee orientation within thirty (30) days of hire.

**Section 9.** Upon notice to their immediate supervisor, Union Stewards will be granted mutually agreed upon paid time off during regularly scheduled working hours:

- (a) to investigate and process grievances;
- (b) to represent bargaining unit employees in investigatory interviews;
- (c) to be present upon request when an employee is reporting inappropriate workplace behavior through the process set forth in DAS or Agency policy; and

## **ARTICLE 13--CONTRACTING-OUT**

**Section 1.** The Union recognizes that the Employer has the management right, during the term of this Agreement, to decide to contract out work performed by bargaining unit members.

When contracting-out will displace bargaining unit members, such decisions shall be made only after the affected Agency has conducted a formal feasibility study to determine the potential costs, necessary expertise, FTE and other benefits which would result from contracting out the work in question. The feasibility study will include a summary of the pertinent information upon which the Employer based its decision to contract out the work. "Displaced" as used in this Article means when the work an employee is performing is contracted to another entity inside or outside state government and as result, the employee will no longer be employed. Agencies shall either use the form in Appendix H or another form, provided there is no substantive changes to the information contained in Sections F-K of the form in Appendix H.

**Section 2.** Upon request to an Agency, the Agency shall provide the Union with a report identifying contracts awarded to any group, individual, organization or business enterprise that could be appropriately performed by bargaining unit members in that Agency.

A copy of the feasibility study shall be sent with the notice to both SEIU Headquarters and DAS Labor Relations Unit. During this thirty (30) day period, the Employer shall not request any bids or proposals and the Union shall have the opportunity to submit an alternate proposal.

**Section 5.** Should any full-time bargaining unit member become displaced as a result of contracting-out, the Employer and the Union shall meet to discuss the effect on bargaining unit members. The Employer's obligation to discuss the effect of such contracting does not obligate it to secure the agreement of the Union or to exhaust the dispute resolution procedure of ORS 243.712, 243.722, or 243.742, concerning the decision or the impact.

**Section 6.** Once an Agency makes a decision to contract out, it will either:

- (a) Require the contractor to hire employees displaced by the contract at the same rate of pay for a minimum of six (6) months subject only to "just cause" terminations. In this instance, the State will continue to provide each such employee with six (6) months of health and dental insurance coverage through the Public Employee Benefits Board, if continuation of coverage is allowed by law and pertinent rules of eligibility. Pursuant to [Article 70](#), Sections 9 through 12, an eligible employee shall be placed on the Agency layoff list and may, at the employee's discretion, be placed on a secondary recall list for a period of two (2) years; or
- (b) Place employees displaced by a contract elsewhere in state government in the following order of priority: within the Agency or within state service generally. - (c) An employee may exercise all applicable rights under [Article 70](#)—Layoff, including prioritizing options (1), (2), (3) or (4), as described in [Article 70 Section 2](#), if the employee finds option (a) or (b), as selected by the Employer, is unsatisfactory. The employee must select their [Article 70 Section 2](#) options within five (5) calendar days pursuant to notification of (a) or (b) above.

This includes travel time for attendance at negotiations and work sessions, provided the negotiations and work sessions and/or travel time occur during an employee's regular work schedule. Coalition tables will begin no later than February 15 or the closest business day thereto. The inclusion of paid time will not result in the employee receiving greater benefit than the employee would have received had the employee not attended the bargaining session. Should it become necessary for the Employer to replace or unschedule an employee scheduled for swing or graveyard shift so as to permit that employee to participate in collective bargaining negotiations, the Union agrees alternatively as follows:

- (1) Six (6) workdays notice shall be given by the Union to the Employer so as to allow the Employer to avoid payment of penalty pay for the schedule change of the replacement employee; or
- (2) If the Union does not give notice prescribed in (1) above, the Union shall reimburse the Employer for the penalty pay paid to the replacing employee.

**Section 3.** The Employer is not responsible for travel, per diem, overtime, or other benefits beyond that which the employee would have received had the employee not attended bargaining sessions.

**Section 4.** Subject in each case to prior approval by the Agency, the Employer further agrees to grant leave without pay to additional employees determined necessary by the Union to attend negotiating sessions.

**Section 5. Ratification.** It is understood that all tentative agreements at the table are subject to ratification by both Parties.

## **ARTICLE 20--INVESTIGATIONS, DISCIPLINE, AND DISCHARGE**

**Section 1.** The principles of progressive discipline shall be used when appropriate. Discipline shall include, but not be limited to: written reprimands; reduction in pay;\* demotion; suspension without pay\*; and dismissal. Discipline shall be imposed only for just cause.

\*For FLSA-exempt employees, except for penalties imposed for infractions of safety rules of major significance, no reduction in pay and only suspensions without pay in one (1) or more full workweek increments unless or until FLSA restrictions on economic sanctions for exempt employees are eliminated by statute or a court decision the State determines dispositive. Safety rules of major significance include only those relating to the prevention of serious danger to the Agency, or other employee.

**Section 2.** The Employer is committed to conducting investigations in a timely manner. Agencies will make reasonable efforts to begin the investigatory process on potential disciplinary issues within thirty (30) days of becoming aware of the issue. However, the Parties recognize that circumstances and complexities of individual cases may delay initiation of an investigation.

### **Section 3. Investigatory Interviews.**

- (a) The employee's Union Steward shall be granted paid time off during regularly scheduled working hours at a mutually agreed upon time to represent the employee in the investigatory interview (See Article 10, Sections 10 and 11).
- (b) The Employer's notification to the employee of the investigatory interview shall include the nature of the investigation.
- (c) Both the Employer and the Union shall have the right to record investigatory interviews.

**Section 4. Weingarten Rights.** Upon request, an employee shall have the right to Union representation during an investigatory interview that an employee reasonably believes will result in disciplinary action. The employee will have the opportunity to consult with a local Union Steward or Organizer before the interview, but such designation shall not cause an undue delay.

(See Last Chance Agreements, [Article 21, Section 12](#)).

**Section 5. Suspension With Pay or Duty Stationed at Home Pending an Investigation by the Agency's Human Resource Office.** The employee and their steward of record shall be notified in writing of the initial reason for the action within three (3) business days of the effective date of the action. If there is not a steward of record, the Union will receive the

notification. The Agency will conduct the initial interview with the employee within thirty (30) calendar days of notification of the action. The investigation shall be completed within one-hundred twenty (120) calendar days. However, if the investigation is not concluded within the timeline, the Agency will notify DAS and the Union of the specific reason(s) and the amount of additional time needed which shall be no more than thirty (30) days at a time.

**Section 6.** The Agency shall give the employee under Weingarten investigation, and their steward of record, notification of the status of the Agency's investigation, every thirty (30) days until completed. The investigation shall be completed within one-hundred twenty (120) calendar days. However, if the investigation is not concluded within the timeline, the Agency will notify DAS and the Union of the specific reason(s) and the amount of additional time needed which shall be no more than thirty (30) days at a time. Upon completion of the investigation, the Agency will provide the employee and their steward of record with written notification of the disposition of the investigation.

**Section 7.** When an Agency is considering dismissal for a regular status employee, the employee and their steward of record shall be given a written pre-dismissal notice. Such notice shall include the then known complaints, facts, and charges, and a statement that the employee may be dismissed. The employee shall be afforded an opportunity to refute such charges or present mitigating circumstances to the Appointing Authority at a time and date set forth in the notice, which date shall not be less than seven (7) calendar days from the date the notice is received or, at the option of the employee, by written response by that date. The employee shall be permitted to have an official representative present. At the discretion of the Appointing Authority, the employee may be suspended with or without pay or be allowed to continue to work as specified in the pre-dismissal notice. Should an employee be suspended without pay, the employee will first be afforded notice and right to present mitigating circumstances to the Appointing Authority or designee.

**Section 8. Dismissal, Reduction, Suspension Without Pay, Demotion, Written Reprimands, and any other form of Discipline.**

(a) An employee, and their steward of record, shall receive written notice of the discipline with the specific charges and facts supporting the discipline at the time disciplinary action is taken. Copies of pre-dismissal and dismissal notices will be sent to the Union headquarters (Salem) within five (5) calendar days of being issued to the employee. When the form of discipline is a dismissal, management will attempt to contact the employee or steward of record verbally to notify them of the decision. Suspensions with pay will not be recorded in employee personnel files nor in any manner used against an employee if no disciplinary action is subsequently taken.

(b) The Employer will make a good faith effort to have the following statement appear on all dismissals and disciplinary notices covered in Section 4(a) above:

If you choose to contest this action you have a right to be represented by the SEIU Local 503, OPEU. SEIU must file an appeal within thirty (30) calendar days from the date of the discipline in accordance with [Article 21](#).

Failure to include this statement will not void the actions.

**Section 9.** Employees in initial trial service with the State shall have no right to appeal removals from state service under this Article. Employees in trial service as a result of a lateral transfer or promotion who are returned to their former classification shall have no right of appeal under this Article for such removal. **ARTICLE 21--GRIEVANCE AND ARBITRATION PROCEDURE**

**Section 1.** Grievances are defined as acts, omissions, applications, or interpretations alleged to be violations of the terms or conditions of this Agreement.

Grievances shall be filed within thirty (30) calendar days of the date the grievant or the Union knows or by reasonable diligence should have known of the alleged grievance.

The potential grievant, with or without union representation, may meet with their immediate supervisor within the thirty (30) calendar day filing period in an attempt to resolve the issue at the lowest possible level of management. Failure to meet will not preclude the right to file a grievance.

Grievances shall be reduced to writing, stating the specific Article(s) alleged to have been violated and clear explanation of the alleged violation, sufficient to allow processing of the grievance. Grievances shall be filed through the appropriate steps of this procedure on the form identified as the Official Statement of Grievance Form. Except during the initial thirty (30) calendar day filing period at Step 1 or Step 2, whenever a grievance is properly filed at that step, and provided there has been no response from Agency management to the filed grievance, the Union shall not expand upon the original elements and substance of the written grievance. The Union may add other relevant Articles to the list of Articles allegedly violated at Step 2.

All grievances shall be processed in accordance with this Article and it shall be the sole and exclusive method of resolving grievances, except for the following Articles:

- [Article 2--Recognition](#)
- [Article 5--Complete Agreement/Past Practices](#)

- Article 22--No Discrimination
- Article 56--Sick Leave (FMLA/OFLA)
- Article 56T—Sick Leave (FMLA/OFLA)
- Article 81--Reclassification Upward, Reclassification Downward, and Reallocation

**Section 2.** Time limits specified in this and the above-referenced Articles shall be strictly observed, unless either Party requests a specific extension of time, which if agreed to, must be stipulated in writing and shall become part of the grievance record. "Filed" for purposes of Step 1 through Step 4 grievances shall mean postmarked (dated by meter or U.S. Post Office), date of email or other electronic format, or fax received by close of the business day or actual receipt.

Grievance filings and appeals shall include the grievance form and in the case of appeals management responses at the previous step. Any other documentation may be presented at the grievance meeting or a method other than email.

The timeline for the Employer response at each grievance step shall begin the first day following the day of receipt. The timeline for the Union appeal to the next higher step shall begin the first day following the day the Employer response is due or received.

If at any step of the grievance procedure, the Employer fails to issue a response within the specified time limits, the grievance shall automatically advance to the next step of the grievance procedure unless withdrawn by the grievant or the Union. If the grievant or Union fails to meet the specified time limits, the grievance will be considered withdrawn and it cannot be resubmitted.

Grievance steps referred to in this Article may be waived by mutual agreement in writing. Such written agreements shall become part of the grievance file.

**Section 3.** When required by the Employer to investigate the grievance, any time spent by employee(s) to attend meetings during regular working hours, shall be considered as work time.

**Section 4. Group Grievances.** Where there are group grievances in Agencies involving two (2) or more supervisors, such grievances shall be filed and processed in accordance with Step 2 of the grievance procedure. When a grievance involves employees in more than one (1) Agency, such grievance shall be filed and processed in accordance with Step 3 of this Article. The Union shall provide a copy of the Step 3 grievance to all agencies included in the group grievance. The grievance shall specifically enumerate, by name, the affected employees, when known. Otherwise, the affected employees will be generically described in the grievance.

**Section 5.** Grievances shall be processed as follows:

Actions taken pursuant to Step 1 settlement agreements shall not be deemed to establish or change practices under the Collective Bargaining Agreement, including but not limited to [Article 5](#), or ORS Chapter 243, and shall not give rise to any bargaining or other consequential obligations.

\*In ODOT (Highway), this is the District Manager; in OPRD, this is the Park Manager; or, in either case, the equivalent Program Manager; and in Forestry, this is the District Forester or Program Director. In the State-owned Airports Branch of ODOA, this is the State Airports Manager. In the Statewide Services Branch of ODOA, this is the Agency Head. In ODFW, grievances filed at Step 1 are to be filed with the Division Administrator or Regional Manager, whichever is appropriate for that work unit.

Step 2. When the response at Step 1 does not resolve the grievance, the grievance must be filed by the Union within fifteen (15) calendar days after the Step 1 response is due or received. The appeal shall be filed in writing to the Agency Head or their designee, who shall respond in writing with a copy to the Union within fifteen (15) calendar days (thirty (30) calendar days for discipline) after receipt of the Step 2 appeal. The Labor Relations Unit shall schedule a meeting to occur within thirty (30) calendar days of receipt of the grievance, unless mutually agreed otherwise. The Labor Relations Unit shall respond in writing with a copy to the Union within fifteen (15) calendar days from the date of the Step 3 meeting. If the Union wishes to pursue a grievance involving only temporary employees beyond Step 3, the issue must first be submitted to grievance mediation. The request to initiate mediation shall be submitted by the Union to the Labor Relations Unit within fifteen (15) days of the Step 3 response.

Step 4. Grievances which are not satisfactorily resolved at Step 3 may be appealed to arbitration. If the Union intends to appeal to arbitration, the appeal must be received by the Labor Relations Unit of the Department of Administrative Services within forty-five (45) calendar days after the Step 3 response was due or received. If the Union has filed a notice of intent to arbitrate a grievance, a letter from the Union requesting an arbitrator shall be sent to the Labor Relations Unit within sixty (60) days of such notice or the grievance will be deemed withdrawn.

#### **Section 6. Arbitration Selection and Authority.**

- The Parties agree to establish a panel of arbitrators. The arbitrators shall be assigned on a rotational basis in the order set out on the arbitrator list. Through mutual agreement, the Parties may elect to modify the list of arbitrators.
- Upon Labor Relations' receipt of a letter of intent to arbitrate and subsequent approval to proceed to arbitration from the SEIU Local 503, OPEU, a calendar for potential date selection will be offered which includes the three (3) month period beginning the second full month after receipt of the approval to proceed correspondence. However, when the arbitrator originally selected is unable to schedule a hearing within the three (3) month period, the next arbitrator in rotation will be sent the same dates to schedule the hearing. In instances where the Parties agree to consolidate cases, meaning combining a related disciplinary action with a pending arbitration case, the arbitrator assigned to handle the first case will also be assigned to handle the subsequent matter. Arbitrators will use cancellation days and any unused scheduled days for writing awards on any outstanding cases under this Agreement. Cancellation fees will be applied toward any writing days.
- Within fifteen (15) calendar days of receiving confirmation of an appeal of a grievance to arbitration, the Labor Relations Unit shall assign the next arbitrator on the list for selection and shall simultaneously notify the interested Parties of such assignment.
- Representatives of each Party, in conjunction with the chosen arbitrator, shall mutually select dates for arbitration within a reasonable period of time.
- The arbitrator shall have the authority to hear and rule on all issues which arise over substantive or procedural arbitrability. Such issues, if raised, must be heard prior to hearing the merits of any appeal to arbitration. Upon motion by either Party that there exists issues involving substantive or procedural arbitrability, the arbitrator shall hear the arbitrability issue(s) first and the Parties shall make oral closing statements. The arbitrator shall issue a bench ruling by the end of the business day. When the arbitrator determines that the case is not arbitrable, the decision shall be affirmed in writing within seven (7) calendar days from the close of the hearing. If the grievance is arbitrable, the Parties shall continue with the hearing that day or the next business day, as time permits. In cases where arbitrability is affirmed, the arbitrator's award will include written findings on arbitrability.
- The Parties agree that the decision or award of the arbitrator shall be final and binding on each of the Parties. The arbitrator shall issue their decision or award within thirty (30) calendar days of the closing of the hearing record. The arbitrator shall have no authority to rule contrary to, to amend, add to, subtract from, change or eliminate any of the terms of this Agreement. The arbitration will be handled in accordance with the rules of the American Arbitration Association.
- The Employer and the Union will develop stipulations of fact and use affidavits and other time-saving methods whenever possible and when mutually agreed upon in all cases proceeding to arbitration.
- The Parties shall split the arbitrator's charges equally. All other expenses shall be borne exclusively by the Party requiring the service or item for which payment is to be made. If either party cancels the arbitration hearing, the canceling party will pay the arbitrator fees unless mutually agreed otherwise.
- Arbitrations for cases involving Articles exclusively applying to temporary workers shall be processed using the expedited grievance procedure outlined in Section 7 of this Article.

**Section 7. Expedited Arbitration Procedure.** The expedited procedure shall be used for either grievances involving Articles exclusively applying to temporary workers or, with the mutual agreement of the Employer and Union, for other grievances. For grievances that do not involve Articles exclusively applying to temporary workers, either the Employer or Union may request in writing that the expedited arbitration procedure be used at the time the Parties are scheduling dates with the arbitrator.

- (a) The Employer and Union will develop a stipulation of facts and use affidavits and other time-saving methods whenever possible and when mutually agreed upon.
- (b) Case presentation will be limited to preliminary opening statements, brief recitation of facts, witness presentation and closing oral argument. No post hearing briefs shall be filed or transcripts made. The hearing will be completed within one (1) business day unless otherwise agreed upon by the Parties.
- (c) The hearing shall be conducted by the arbitrator in whatever manner will most expeditiously permit full presentation of the evidence and arguments of the Parties.

- (e) All decisions shall be final and binding on the Employer and Union. An arbitration award will be non-precedential if mutually agreed upon by the Parties before the hearing starts. The arbitrator's award shall be based on the record and shall include a brief explanation of the basis for the award.

**Section 8.** Upon request, an employee shall have the right to Union representation during an investigatory interview that an employee reasonably believes will result in disciplinary action. The employee will have the opportunity to consult with a local Union Steward or Organizer before the interview, but such designation shall not cause an undue delay.

**Section 9.** A grievant shall be granted leave with pay for appearance before the Employment Relations Board or arbitration, including the time required going and returning to their headquarters. The Union Steward of record shall be granted leave with pay to attend the actual Board or arbitration hearing. **Section 11.** Information requests concerning grievances shall be sent to the Agency Human Resources Office or Union. The request(s) shall be specific and relevant to the grievance investigation. The Agency Human Resources Office/Union will provide the information the requesting Party is lawfully entitled to within a reasonable amount of time. Reasonable costs shall be borne by the requesting Party. The requesting Party shall be notified of any costs before the information is compiled.

Notwithstanding [Article 19--Personnel Records](#), and upon the Union's written request, the Agency, within a reasonable period of time, will provide a listed summary of redacted Agency-issued disciplinary actions or redacted disciplinary letters, whichever is requested by the Union.

**Section 12.** The Parties acknowledge that an Agency, at its own discretion, may offer a last chance agreement to an employee. Last chance agreements will be signed by the employee and the Union unless the employee affirms in writing that the Union not be a Party to the agreement. Such agreement, if offered, shall include the conditions, consequences of failure and term of agreement. Employees shall have seventy-two (72) hours to review the last chance agreement prior to signing it. Any discipline associated with the offered agreement will be issued separately from the agreement. The last chance agreement will be removed from the employee's personnel file upon its expiration. This Section does not apply to temporary employees.

Leadwork is where, on a recurring daily basis, the employee has been directed to perform substantially all of the following functions: to orient new employees, if appropriate; assign and reassign tasks to accomplish prescribed work efficiently; give direction to workers concerning work procedures; transmit established standards of performance to workers; review work of employees for conformance to standards; and provide informal assessment of workers' performance to the supervisor.

(b) The differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing for the full period of the assignment.

(c) Leadwork differential shall not be computed at the rate of time and one-half (1 ½) for the time worked in an overtime or holiday work situation, or to effect a "pyramiding" of work out-of-classification payments. However, leadwork differential shall be included in calculation of the overtime rate of pay.

(d) Leadwork differential shall not apply for voluntary training and development purposes which are mutually agreed to in writing between the supervisor and the employee.

(e) If an employee believes that they are performing the duties that meet the criteria in Subsection (a), leadworker, but the duties have not been formally assigned in writing, the employee may notify the Agency Head in writing. The Agency will review the duties within fifteen (15) calendar days of the notification. If the Agency determines that leadwork duties were in fact assigned and are appropriate, the leadwork differential will be effective beginning with the day the employee notified the Agency Head of the issue.

If the Agency determines that the leadwork duties were in fact assigned but should not be continued, the Agency may remove the duties during the fifteen (15) day review period with no penalty.

If the Agency concludes that the duties are not leadwork, the Agency shall notify the employee in writing within fifteen (15) calendar days from receipt of the employee's notification to the Agency Head.

#### **Section 7. Leadwork Differential. Employment Department.**

Leadwork is where an employee has been formally assigned to do substantially all of the following: to orient new employees, if appropriate; assign and reassign tasks to accomplish prescribed work efficiently; give direction to workers concerning work procedures; transmit established standards of performance to workers; review work of employees for conformance to standards; and provide informal assessment of workers' performance to the supervisor.
- (b) The differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing.
- (c) If an employee receives more than one (1) differential (except overtime as mandated by the FLSA), the differentials will be calculated on the base so that no "pyramiding" occurs (i.e., if an employee is receiving the leadworker differential and an out-of-classification differential, the two (2) differentials would be calculated separately and then added on to the base pay).
- (d) Leadwork differential shall not apply for voluntary training and development purposes which are mutually agreed to in writing between the supervisor and the employee.
- (e) If an employee believes that they are performing the duties of a leadworker but the duties have not been formally assigned in writing, they may submit the matter for resolution as per the dispute resolution process, or through the grievance procedure (as for example, classification review, work out-of-class).

#### **Section 8. Leadwork Differential. ODOT Highway Division, TMS1, TMS2 and Transportation Operations Specialist.**

- (a) Leadwork differential shall be defined as a differential for employees who have been formally assigned by their supervisor "leadwork" duties for five (5) days (or the equivalent thereof for alternate or flexible schedules) or longer in a calendar month; or five (5) (or the equivalent thereof for alternate or flexible schedules) consecutive calendar days or longer that span the end of one (1) month and the beginning of the next month. In no case shall days be counted twice to meet the leadwork pay qualification.
- (b) Leadwork is where, on a recurring daily basis, while performing essentially the same duties as the workers led, the employee has been directed to perform substantially all of the following functions: to orient new employees, if appropriate; assign and reassign tasks to accomplish prescribed work efficiently; give direction to workers concerning work procedures; transmit established standards of performance to workers; review work of employees for conformance of standards and provide informal assessment of workers' performance to the supervisor.

#### **Section 9. Leadwork Differential. State Library.**

- (a) Team Coordinator differential shall be defined as a differential for employees who have been formally assigned in writing "team coordinator" responsibilities for a specific team on a recurring daily basis, for a designated length of time that extends beyond ten (10) consecutive calendar days (or the equivalent thereof for alternate or flexible schedules).

- (c) The Team Coordinator differential shall be five percent (5%) beginning from the first day the duties were formally assigned in writing for the full period of the assignment.
- (d) If an employee receives more than one (1) differential (except overtime as mandated by the FLSA), the differentials will be calculated on the base so that no "pyramiding" occurs (i.e., if an employee is receiving the Team Coordinator differential and an out-of-classification differential, the two (2) differentials would be calculated separately and then added on to the base pay).

#### **Section 10. Differential Pay IS Team Lead.**

- (a)
  - (1) Bargaining unit employees occupying positions that are classified as Information Specialist 1-8 will be eligible for the differential in accordance with subsection (5) below.

  - (3) Bargaining unit employees shall not be eligible for any work out-of-class pay, leadwork differentials or any other premium pay except for overtime and penalty payments as compensation for team leader duties. If an employee receives more than one (1) differential (except overtime as mandated by the FLSA), the differentials will be calculated on the base so that no "pyramiding" occurs (i.e., if an employee is receiving the team leader differential and out-of-class differential, the two (2) differentials would be calculated separately and then added onto the base pay).
  - (4) The differential shall be ten percent (10%) above the employee's base salary rate.
  - (5) For a bargaining unit employee to be eligible for the differential, the Agency must formally assign the employee in writing to perform team leader duties, the employee leads a team of employees and performs substantially all of the following duties under supervisory direction:

- (A) Plans for short and long term needs of team, including such areas as technology to be used, user requirements, resources required, training necessary, methods to accomplish work, multiple project timelines and competing priorities.

(b) Bargaining unit employees shall not be eligible for the differential if they are on voluntary developmental training assignments.

(c)

- (1) If an employee believes that they are performing the duties that meet the criteria stated in Subsection a(5), but the duties have not been formally assigned in writing, the employee may notify the Agency Head in writing. The Agency will review the duties within fifteen (15) calendar days of the notification. If the Agency determines that Information Services Team Leader duties were, in fact, assigned and are appropriate, the differential will be effective beginning with the day the employee notifies the Agency Head of the issue.
- (2) If the Agency determines that the duties were, in fact, assigned but should not be continued, the Agency may remove the duties during the fifteen (15) day review period with no penalty.
- (3) If the Agency concludes that the duties are not Information Services Team Leader duties, the Agency shall notify the employee in writing within fifteen (15) calendar days from receipt of the employee's notification to the Agency Head.

#### **Section 11. Work Out-of-Classification.**

(a) When an employee is assigned for a limited period to perform the duties of a position at a higher level classification for more than ten (10) consecutive calendar days (or the equivalent thereof for alternate or flexible schedules), the employee shall be paid five percent (5%) above the employee's base rate of pay or the first step of the higher salary range, whichever is greater.

When assignments are made to work out-of-classification for more than ten (10) consecutive calendar days (or the equivalent thereof for alternate or flexible schedules), the employee shall be compensated for all hours worked beginning from the first day of the assignment for the full period of the assignment.

Agencies may provide an additional five percent (5%) differential if the work out-of-class would not result in additional compensation for the employee. Agencies must document the reasons for the exception.

(b) An employee performing duties out-of-classification for training or developmental purposes shall be informed in writing of the purpose and length of the assignment during which there shall be no extra pay for the work. A copy of the notice shall be placed in the employee's file.

## **ARTICLE 29--SALARY ADMINISTRATION**

### **Section 1. Pay.**

(a) Pay for employees in the bargaining unit shall be in accordance with the Compensation Plan adopted by the Department of Administrative Services and approved by the Governor as modified by this Agreement. No changes shall be made in the Compensation Plan which affect SEIU Local 503, OPEU bargaining unit employees unless the Parties to this Agreement have negotiated the changes and reached agreement on what changes will be made. This is not intended to prevent mechanical changes or other minor changes necessary to administer the Compensation Plan.

(b) All employees shall be paid no later than the first day of the month. However, employees who begin work after payroll cutoff will be paid in the subsequent mid-month payroll for time worked in the affected pay period. When a payday occurs on Monday through Friday, payroll checks shall be released to employees on that day. When payday falls on a Saturday, Sunday, or banking holiday, employee paychecks shall be made available after 8:00 a.m. on the last working day of the month. When an employee is not scheduled to work on the payday, the paycheck may be released prior to

payday if the paycheck is available and the employee has completed the "Request for Release of Payroll Check" Form AD20. However, the employee may not cash or deposit the check prior to the normal release time. Any violation of this provision may be cause for disciplinary action. All checks released early under this Article shall be accompanied by written notice from the Employer as to the normal release time and date for that employee and a statement that early cashing or depositing of the check may be cause for disciplinary action. However, this shall not apply to appropriate mid-month payroll. The release day for December paychecks dated January 1 shall be the first working day in January to avoid the risk of December's paychecks being included in the prior year's earnings for tax purposes.

(c) Employees shall be paid no less than the minimum rate of pay for their classification upon appointment to a position in state service. An entrance salary rate may exceed the minimum rate when the Appointing Authority believes it is in the best interest of the State to do so.

(d) Release of sixty percent (60%) of an employee's earned gross wages prior to the employee's designated payday shall be authorized subject to approval of the Appointing Authority or designee, in emergency cases upon receipt of a written request from the employee that describes the emergency. An emergency situation shall be defined as an unusual, unforeseen event or condition that requires immediate financial attention by an employee. Emergencies include but are not limited to the following circumstances:

1. Death in family
2. Major car repair
3. Theft of funds
4. Automobile accident (loss of vehicle use)
5. Accident or sickness
6. Destruction or major damage to home
7. New employee lack of funds (maximum--one (1) draw)
8. Moving due to transfer or promotion.

**Section 2. Step Increase.** Employees shall be granted an annual step increase on their eligibility date if the employee is not at the top of the salary range of their classification.

Employees shall be eligible for step increases following the intervals of:

(a) Annual periods after the initial date of hire until the employee has reached the top step in their salary range. However, should an employee be promoted during the first year of service with the Employer, the employee shall not receive this increase, but shall be eligible for increases in Section 2(b).

(b) The first six (6) months after promotion and annual periods thereafter until the employee has reached the top step in their salary range.

**Section 3. Salary on Demotion.** Whenever an employee demotes to a job classification in a lower range that has a salary rate the same as the previous salary step, the employee's salary shall be maintained at that step in the lower range.

Whenever an employee demotes to a job classification in a salary range which does not have corresponding salary steps with the employee's previous salary but is within the new salary range, the employee's salary shall be maintained at the current rate until the next eligibility date. At the employee's next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range plus that amount that their current salary rate is below the next higher rate in the salary range. This increase shall not exceed the highest rate in the new salary range.

Whenever employees demote to a job classification in a lower range, but their previous salary is above the highest step for that range, the employee shall be paid at the highest step in the new salary range.

This Section shall not apply to demotions resulting from official disciplinary actions.

**Section 4. Salary on Promotion.**

(a) An employee shall be given no less than an increase to the next higher rate in the new salary range effective on the date of promotion. If an employee is demoted or removed during trial service as a result of a promotion, their salary shall be reduced to the former step, and the previous salary eligibility date shall be restored. If the employee's salary eligibility date occurs during the promotional trial service period, upon reinstatement to the previous class, the salary eligibility date prior to promotion will be recognized.

(b) Salary on Recall from Demotion in Lieu of Layoff. Upon recall to their former classification, an employee demoted in lieu of layoff shall retain their previous salary eligibility date and, as of the date of recall, be restored at the salary the employee would have been eligible for had a demotion not occurred, unless the employee is denied the increase as a disciplinary action.

**Section 5. Salary on Lateral Transfer.** An employee's salary shall remain the same, except where the Appointing Authority or designee determines that exceptional circumstances justify payment of a higher rate, when transferring from one (1) position to another which has the same salary range.

**Section 6. Effect of Break-In-Service.** When an employee separates from state service and subsequently returns to state service, except as a temporary employee, the employee's salary eligibility date shall be determined by the Agency as follows:

(a) Return from Recall List. The employee's previous salary eligibility date, adjusted by the amount of break-in-service, shall be restored.

(b) Return from Reemployment. The employee's previous salary eligibility date, adjusted by the amount of break-in-service, shall represent the earliest salary eligibility date following return. However, the salary eligibility date may be established as the first of the month in any future month up to twelve (12) months from the date of reemployment.

**Section 7. Rate of Pay on Appointment from Layoff List.** When an individual is appointed from a layoff list to a position in the same classification in which the person was previously employed, the person shall be paid at the same salary step at

which such employee was being paid at the time of layoff. The salary eligibility date of an individual who is appointed from a layoff list shall be determined in accordance with Section 6.

## **Section 8.**

(a) **Rate of Pay on Return to State Service by Reemployment.** When a former employee is appointed from reemployment to a position in the same classification in which they were previously employed or in a related classification with the same salary range, they may be paid at or below the step at which they were being paid at the time of their termination. If a person is reemployed in a position in a classification with a lower salary range than that of their previous position, they may be paid at any step in the lower salary range not exceeding the rate they were being paid in the higher classification, except where exceptional circumstances justify payment of a higher rate. The salary eligibility date of a former employee who is appointed from reemployment shall be determined in accordance with Section 7.

(b) **Rate of Pay on Reemployment Without a Break-In-Service.**

- (1) When a current employee is returning from demotion to a position in the same classification in which they were previously employed or in a related classification with the same salary range, the employee shall be restored at the salary step the employee would have been eligible for had a demotion not occurred, not to exceed the top step.
- (2) When a person is reemployed in a position in a classification with a lower salary range than that of their previous position as referenced in Subsection (b)(1), the employee may be paid at any step in that lower salary range not to exceed the top step or the rate they would have received pursuant to Subsection (b)(1). However, if an employee's current rate of pay is below the top step of the lower classification's salary range, they retain that rate unless the employee is eligible to receive a higher rate pursuant to Subsection (b)(1) or (b)(4) not to exceed the top step.
- (3) In both instances, the former salary eligibility date (SED) is restored unless the SED is changed in compliance with the Collective Bargaining Agreement (e.g., [Article 61, Leave Without Pay](#)).
- (4) Pay of a higher rate, not to exceed the top step, may be granted subject to exceptional circumstances, upon approval of the appointing authority.

## **Section 9. Recoupment of Wage and Benefit Overpayments.**

- (a) In the event that an employee receives wages or benefits from the Agency to which the employee is not entitled, regardless of whether the employee knew or should have known of the overpayment, the Agency shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists and the amount of wages and/or benefits to be repaid.
- (b) The Agency shall be limited in using the payroll deduction process to a maximum period of three (3) years before the notification. An employee who disagrees with the Agency's determination that an overpayment has been made to the employee may grieve the determination through the grievance procedure.
- (c) For purposes of recovering overpayments of fifty dollars (\$50.00) or less, notice will be provided on the employee paystub.
- (d) For purposes of recovering overpayments of more than fifty dollars (\$50.00) by payroll deduction, the following shall apply:
  - (1) The employee and the Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.
  - (2) If there is no mutual agreement at the end of the thirty (30) calendar day period, the Agency shall implement the repayment schedule stated in Subsection (d)(3) below.
  - (3) If the overpayment amount to be repaid is more than five percent (5%) of the employee's regular monthly base salary, the overpayment shall be recovered in monthly amounts not exceeding five percent (5%) of the employee's regular base salary. If an overpayment is less than five percent (5%) of the employee's regular monthly base salary, the overpayment shall be recovered in a lump sum deduction from the employee's paycheck. If an employee leaves Agency service before the Agency fully recovers the overpayment, the remaining amount may be deducted from the employee's final check(s).
  - (4) Subsections (d)(1) through (d)(3) of this Section shall not apply to payroll adjustments necessitated by a discrepancy between actual hours of paid time versus hours projected for payroll purposes from one pay period to another. For example, if an employee utilizes leave without pay near the end of a month but is paid for such time because such leave without pay was not anticipated at the payroll cutoff date for that month, the employee's pay and benefit entitlements may be adjusted on the following month's paycheck.

However, under limited conditions (listed below) an exception to lump sum recoupment of wage overpayments greater than five percent (5%), as a result of leave without pay, shall apply. In these cases:

- (A) An employee may request a repayment schedule not to exceed three (3) months:
  - i. When entries are made by a person authorized by the Agency to complete a timesheet on behalf of an absent employee which results in overpayment.
  - ii. When entries on the timesheet made by an employee were correct, but the timesheet data was incorrectly input by the Agency which results in an overpayment.
- (B) Subject to extenuating circumstances beyond the control of the employee, an employee may request a longer repayment schedule. The Appointing Authority or designee has the sole discretion to deny or grant the employee's request. The decision is not subject to the grievance procedure.

If an employee leaves agency service before the agency fully recovers the overpayment, the remaining amount may be deducted from the employee's final check(s).

(5) The Article does not waive the Agency's right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

## **ARTICLE 29T--SALARY ADMINISTRATION** (Temporary Employees)

### **Section 1. Pay.**

(a) Pay for employees in the bargaining unit shall be in accordance with the Compensation Plan adopted by the Department of Administrative Services and approved by the Governor as modified by this Agreement. No changes shall be made in the Compensation Plan which affect SEIU Local 503, OPEU bargaining unit employees unless the Parties to this Agreement have negotiated the changes and reached agreement on what changes will be made. This is not intended to prevent mechanical changes or other minor changes necessary to administer the Compensation Plan.

(b) All employees shall be paid no later than the first day of the month or semi-monthly, as appropriate. When a payday occurs on Monday through Friday, payroll checks shall be released to employees on that day. When payday falls on a Saturday, Sunday, or holiday, employee paychecks shall be made available after 8:00 a.m. on the last working day of the month, or as appropriate for hourly employees. When an employee is not scheduled to work on the payday, the paycheck may be released prior to payday if the paycheck is available and the employee has completed the "Request for Release of Payroll Check" Form AD20. However, the employee may not cash or deposit the check prior to the normal release time. Any violation of this provision may be cause for denial of future early release of paycheck. All checks released early under this Article shall be accompanied by written notice from the Employer as to the normal release time and date for that employee and a statement that early cashing or depositing of the check may be cause for denial of future early release of paycheck. However, this shall not apply to appropriate tenth (10<sup>th</sup>) of the month payroll. The release day for December paychecks dated January 1 shall be the first working day in January to avoid the risk of December's paychecks being included in the prior year's earnings for tax purposes.

(c) Employees shall be paid no less than the minimum rate of pay for their classification upon appointment as a temporary employee.

(d) Release of sixty percent (60%) of an employee's earned gross wages prior to the employee's designated payday shall be authorized subject to approval of the Appointing Authority, in emergency cases upon receipt of a written request from the employee that describes the emergency. An emergency situation shall be defined as an unusual, unforeseen event or condition that requires immediate financial attention by an employee. Emergencies include but are not limited to the following circumstances:

1. Death in family
2. Major car repair
3. Theft of funds
4. Automobile accident (loss of vehicle use)
5. Accident or sickness
6. Destruction or major damage to home
7. New employee lack of funds (maximum--one (1) draw)
8. Moving due to transfer or promotion.

### **Section 2. Recoupment of Wage and Benefit Overpayments.**

(a) In the event that an employee receives wages or benefits from the Agency to which the employee is not entitled, regardless of whether the employee knew or should have known of the overpayment, the Agency shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists and the amount of wages and/or benefits to be repaid.

(b) The Agency shall be limited in using the payroll deduction process to a maximum period of three (3) years before the notification. An employee who disagrees with the Agency's determination that an overpayment has been made to the employee may grieve the determination through the grievance procedure.

(c) For purposes of recovering overpayments of fifty dollars (\$50.00) or less, notice will be provided on the employee paystub.

(d) For purposes of recovering overpayments of more than fifty dollars (\$50.00) by payroll deduction, the following shall apply:

- (1) The employee and the Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.
- (2) If there is no mutual agreement at the end of the thirty (30) calendar day period, the Agency shall implement the repayment schedule stated in Subsection (d)(3) below.
- (3) The overpayment shall be recovered in amounts not exceeding five percent (5%) of the employee's wage per pay period. If an employee leaves Agency service before the Agency fully recovers the overpayment, the remaining amount may be deducted from the employee's final check(s).
- (4) In the event the employee was paid for hours not worked, Subsections (b), (c), and (d) shall not apply and the overpayment is subject to immediate recoupment.

(e) The Article does not waive the Agency's right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

## **ARTICLE 30--PAYROLL COMPUTATION PROCEDURES**

### **Section 1. Definitions.**

- (a) **Permanent Full-Time:** A permanent position equivalent to eight (8) hours per day or forty (40) hours per week. A permanent full-time employee will be paid on a monthly salary basis, and all benefits will be calculated on a monthly pay status basis.
- (b) **Permanent Part-Time:** A permanent position less than permanent full-time. A permanent part-time employee will be paid on a fixed partial monthly or hourly salary basis, and all benefits will be calculated on a partial monthly or pay period, pay status basis. All permanent part-time employees whose work hours are regularly scheduled (work hours are based on a predetermined schedule) shall be paid on a fixed partial monthly basis.
- (c) **Seasonal Full-Time:** A seasonal position normally equivalent to eight (8) hours per day or forty (40) hours per week. An employee in such position will be paid on a monthly, hourly, or fixed partial monthly salary basis. All benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.
- (d) **Seasonal Part-Time:** A seasonal position normally less than equivalent to eight (8) hours per day or forty (40) hours per week. An employee in such position will be paid on an hourly basis and all benefits will be calculated on a partial pay period, pay status basis.
- (e) **Temporary Full-Time:** A temporary appointment equivalent to eight (8) hours per day or forty (40) hours per week. A temporary full-time employee will be paid on a monthly, hourly, or fixed partial monthly salary basis. Any applicable benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.
- (f) **Temporary Part-Time:** A temporary appointment less than full time. A temporary part-time employee will be paid on a monthly, hourly, or fixed partial monthly salary basis. Any applicable benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.
- (g) **Number of Workdays in Month or Pay Period:** Number of possible workdays in the month or pay period based on the employee's weekly work schedule, such as Monday-Friday, Tuesday-Saturday, etc. Holidays that fall within the employee's work schedule are counted as workdays for that month or pay period.
- (h) **Hourly Rates of Pay:** The hourly equivalent of the monthly base rates of pay as published in the Compensation Plan. The hourly rates are computed by dividing the monthly salary by 173.33 (or by 162.5 for certain Printer classifications).
- (i) **Partial Month's Pay:** A prorated monthly or pay period salary. The number of hours actually worked by an employee divided by the total number of possible hours in the month or pay period based on the work schedule, times the full monthly or pay period salary rate. For example, if the employee works 115 hours in a month or pay period with a possible work schedule of 121 hours, the partial month's pay is computed as follows:

$$\frac{115}{121} \times \text{Full Month Salary} = \text{Gross Partial Pay}$$

- (j) **Days Worked:** Includes all days actually worked, all holidays, and all paid leave, which occurs within an employee's service period.

### **Section 2. General Compensation.**

- (a) **Permanent Full-Time Employees:** Pay and benefits will be computed on a monthly pay status basis.
- (b) **Permanent Part-Time Employees:**
  - (1) Pay and benefits will be computed on a prorated monthly or pay period basis, such as one-half (½) monthly or pay period pay for a half-time employee, or pay will be computed on an hourly basis, and pay and benefits will be normally prorated on a pay period, pay status basis. Permanent part-time employees in permanent full-time positions will be treated as permanent part-time for purposes of this Article.
  - (2) Employees paid on a fixed partial monthly basis shall have all extra hours worked over the regular part-time schedule paid at the hourly rate. Employees paid on a fixed partial monthly basis who work less than the regular part-time schedule shall have time deducted at the hourly rate.
- (c) **Seasonal Full-Time Employees:** Pay and benefits will be computed on a monthly, prorated monthly, or an hourly pay period, pay status basis.
- (d) **Seasonal Part-Time Employees:** Pay will be computed on an hourly basis, and pay and benefits will be normally prorated on a pay period, pay status basis.
- (e) **Job Sharing Employees:** The total time worked by all job share employees in one (1) position will not exceed 1.0 FTE.
- (f) **Temporary Full-Time Employees:** Pay and applicable benefits will be computed on a monthly, prorated monthly, or an hourly pay period pay status basis.
- (g) **Temporary Part-Time Employees:** Pay and applicable benefits will be computed on an hourly basis, and pay will normally be prorated on a pay period, pay status basis.
- (h) **Partial Month's Pay or Partial Pay Period:**
  - (1) Partial month's pay (or prorated monthly or pay period pay) is applied when:
    - (A) A full-time employee is hired on a date other than the first working day of the month or pay period (based on employee's work schedule).
    - (B) A full-time employee separates prior to the last workday in the month or pay period (based on the employee's work schedule).
    - (C) A full-time employee is placed on leave without pay or returns from leave without pay, or is unscheduled.
    - (D) An employee is appointed to a permanent part-time position.
  - (2) See definition for partial month's pay under Section 1(i) for computation procedures.
- (i) **Changes in Salary Rate:** When an employee's salary rate changes in the middle of a month, pay will be computed on the fractional amount of hours worked at each salary rate during the month. For example:

$$\frac{\text{Actual Hours}}{\text{Possible Hours}} \times \frac{\text{Old Rate}}{\text{New Rate}} + \frac{\text{Actual Hours}}{\text{Possible Hours}} \times \frac{\text{New Rate}}{\text{Old Rate}} = \text{Gross Pay}$$

**Section 3.** The Parties agree that if the Employer adopts a biweekly pay plan, this Article of the Contract will be open for renegotiation.

(See Letter of Agreement [30.00-21-396](#) in Appendix A.)

## **ARTICLE 31--INSURANCE**

### **Section 1. Employer Contribution.**

- (a) An Employer contribution for health and dental benefits will only be made for each active employee who has at least eighty (80) paid regular hours in a month and who is eligible for medical insurance coverage, unless otherwise required by law.
- (b) It is understood that the administrative intent of this Article is that the Employer contribution is made for individuals who are participants in the medical insurance coverages. Participation will mean that eligible less-than-full-time employees who drop out of coverage will be considered to participate. Additionally, employees who elect to opt out of coverage for a cash incentive will be considered to participate.

### **Section 2. Full-Time Employees.**

An Employer contribution shall be made for full-time employees who have at least eighty (80) paid regular hours in a month, unless otherwise required by law.

For Plan Years 2023, 2024 and 2025 the Employer will pay ninety-five percent (95%) and the employee will pay five percent (5%) of the monthly premium rate as determined by PEBB. For employees who enroll in a medical plan that is at least ten percent (10%) lower in cost than the monthly premium rate for the highest cost medical plan available to the majority of employees, the Employer shall pay ninety-nine percent (99%) of the monthly premium for PEBB health, vision, dental and basic life insurance benefits and the employee shall pay the remaining one percent (1%).

### **Section 3. Less-Than-Full-Time Employees.**

- (a) For less-than-full-time employees (including part-time, seasonal, and intermittent employees), who have at least eighty (80) paid regular hours in the month, the Employer shall contribute a prorated amount of the contribution for full-time employees, unless otherwise required by law. "Regular hours" means all hours of work or paid leave except overtime hours, i.e., those above eight (8) hours in a day or forty (40) hours in a week. Thus, "regular hours" shall include additional non-overtime hours worked above an employee's regular work schedule. In the event that a less-than-full-time employee, who is regularly scheduled to work half-time or more, fails to maintain at least half-time paid regular hours because of the effect of prorated holiday time or other paid or unpaid time off, they shall be allowed to use available vacation or comp time to maintain their eligibility for benefits and the Employer's contribution for such benefits.
  - (1) The Employer contribution amount of the plan selected by the employee will be calculated as follows:
    - i. Part-Time, Seasonal and Intermittent Employees Electing Part-Time Insurance.  
Part-time premium rate x Employer contribution percentage x the ratio of paid regular hours to full-time hours to the nearest full percent = State contribution.  
In addition, there shall be a subsidy based on the employee's coverage tier, for the Plan Years covered in this Article. The part-time subsidy shall be determined by PEBB for each Plan Year.
    - ii. Part-Time, Seasonal and Intermittent Employees Electing Full-Time Insurance.  
Full-time premium rate x Employer contribution percentage x the ratio of paid regular hours to full-time hours to the nearest full percent = State contribution.

**Section 4. Coordination of Benefits.** The Public Employee Benefits Board (PEBB) may adopt any of the effect-on-benefit alternatives described in the National Association of Insurance Commissioners (NAIC) 1985 model acts and regulations, or any subsequent alternatives promulgated by the NAIC.

**Section 5. Administration.** Agencies will continue to pay employee insurance premiums directly to the appropriate insurance carriers and remit balances either to the employees' flex benefit account or to PEBB, as directed by PEBB.

**Section 6.** The State ceases to have a proprietary interest in its own contributions to the benefit plan premium when it pays such funds to the carrier or to persons who have an irrevocable duty to transfer such payments to the carriers when due.

(See Letters of Agreement [31.00-13-248](#) & [31.00-13-252](#) in Appendix A.)

REV: 2013, 2015, 2017, 2019, 2021,2023

## **ARTICLE 32--OVERTIME**

**Section 1. Definition of Time Worked.** All time for which an employee is compensated at the regular straight time rate of pay, including work-related telephone calls made to or by an employee after the end of their work-shift, shall be counted as time worked with the following exceptions:

- Holidays which fall on an employee's scheduled day off;
- On-call time ([Article 34](#));
- Penalty payments ([Article 40](#));

**Section 2. Overtime Work Definition.** Overtime for employees working a regular work schedule is time worked in excess of eight (8) hours per day or forty (40) hours per workweek. Overtime for employees working an alternate work schedule is time in excess of the daily scheduled shift or forty (40) hours per workweek. Overtime for employees working a flexible work schedule is time in excess of the agreed upon hours each day or time in excess of forty (40) hours per workweek. Time

worked beyond regular schedules by employees scheduled for less than eight (8) hours per day or forty (40) hours per workweek is additional straight time worked rather than overtime until the hours worked exceed eight (8) hours per day or forty (40) hours per workweek. In a split shift, the time an employee works in a day after twelve (12) hours from the time the employee initially reports for work is overtime.

**Section 3. Compensation.** All employees shall be compensated for overtime at the rates set out in Section 4. No application of this Article shall be construed or interpreted to provide for compensation for overtime at a rate exceeding time and one-half (1 ½), or to effect a "pyramiding" of overtime and penalty payments.

**Section 4. Eligibility for Overtime Compensation.**

(a) **Overtime-Eligible Positions.** Time and one-half (1 ½) their regular hourly rate unless the position is executive, administrative or professional as defined by the Fair Labor Standards Act (FLSA) and ORS 653.269(5)(a) or unless the classification contains direct care nursing employees, in the following classifications or successor classifications:

- 6214 Institution RN
- 6255 Nurse Practitioner

Such time and one-half (1 ½) compensation shall be in the form of cash or compensatory time, pursuant to Articles 32.1-32.5.

In Agencies where there is no contractual limitation on the accumulation of compensatory time the Employer may:

- (1) schedule unilaterally up to forty (40) hours of unused compensatory time per employee per fiscal year, after prior notice of at least five (5) working days to the affected employees; and/or
- (2) pay off in cash some or all of an employee's unused compensatory time once per fiscal year.

(b) **Straight-Time-Eligible Positions.** Employees in positions, except as identified in Section 4 above, which have been determined to be executive, administrative, or professional as defined by the FLSA and ORS 653.269(5)(a) shall receive time off for authorized time worked in excess of eight (8) hours per day or forty (40) hours per week at the rate of one (1) hour off for one (1) hour of overtime worked subject to limitations of Articles 32.1-32.5.

This time off shall be utilized within the fiscal year earned or shall be lost, except when the scheduling has been extended by the Agency or as otherwise specified below. At ninety (90) days prior to loss of such straight time, employees shall be notified that they must use or lose the hours. Time earned in the last ninety (90) days may, at the discretion of management, be carried forward into the next fiscal year. However, such carry forward may not increase the total straight time that may be accrued in that year. If time off requests are denied for use of accrued leave before the year ends, these accrued hours will be paid in cash upon forfeiture. Employees will take all necessary steps to request use of straight time during the fiscal year. Employees shall be paid out any unused straight time upon separation from employment.

(c) No overtime is to be worked without the prior authorization of management.

**Section 5. Schedule Change.** When a change of work schedule is requested by an employee and approved by the Agency, all forms of penalty pay shall be waived by the employee. When a change of work schedule is requested by an employee and approved by the Agency, overtime compensation for that workday, but not for work over forty (40) hours per week, associated with the changed schedule shall be waived.

**Section 6. Record.** A record of all overtime worked shall be maintained by the Agency.

**Section 7. Change in FLSA Status.**

- (a) DAS shall provide the Union with no less than twenty (20) days written notice of its intent to exempt from overtime a filled bargaining unit position. DAS agrees not to change the position's designation during this twenty (20) day period.
- (b) Employees may challenge their position's designation by providing notice and requesting a desk audit to the Agency Human Resources Department. The Agency shall conduct the desk audit and make a determination in writing within thirty (30) days of the request, or as extended by mutual agreement.
- (c) Should the Union decide to contest the proposed change in status, it shall serve DAS with written notice of such intent within twenty (20) days of its receipt of the notice. Should such notice be given, DAS will forego implementing the change in designation for an additional forty (40) days, beyond the initial twenty (20) day period. The purpose of this forty (40) day period is to allow time to investigate whether there are grounds to contest the proposed change in status. If the Union decides to pursue challenging an exemption it must file with Department of Labor (DOL)/Bureau of Labor and Industries (BOLI) prior to the end of this forty (40) day period. In such event, DAS agrees to forego implementing a change in designation until the matter is resolved by way of DOL/BOLI decision, settlement or other manner.
- (d) If timely notice indicating intent to contest the exemption during the initial twenty (20) day period is not received or if the Union does not proceed forward during the subsequent forty (40) day period, the position's designation shall be changed, and the Parties agree not to contest the status of this position during the remainder of this contract term, unless the position's duties should materially change such that the exemption is no longer warranted.
- (e) For purposes of this Section, written notice may occur by personal delivery, fax, email or mail (postmark) within the time frames cited above.

REV: 2015, 2019,2023

**ARTICLE 32T--OVERTIME** (Temporary Employees)

**Section 1. Time Worked Definition.** Time worked is defined as actual hours worked.

**Section 2. Overtime Work Definition.** Overtime for non-exempt employees working any work schedule is actual time worked in excess of forty (40) hours per workweek.

**Section 3. Compensation.** All non-exempt employees shall be compensated for overtime at time and one-half (1 ½) of their regular hourly rate. No overtime is to be worked without the prior authorization of management.

**Section 4.** No application of this Article shall be construed or interpreted to provide compensation for overtime at a rate exceeding time and one-half (1 ½), or to effect a “pyramiding” of overtime and penalty payments.

**Section 5. Record.** A record of all overtime worked shall be maintained by the Agency.

#### **ARTICLE 32.1--OVERTIME (Human Services Coalition)**

**Section 1. Assignment of Overtime.** In assigning overtime work, the Agency agrees to consider any circumstances which might cause such an assignment to be an unusual burden upon the employee.

**Section 2. Distribution of Overtime.** Overtime will be assigned to volunteers according to seniority, the most senior having priority. Overtime shall be distributed as equally as feasible among qualified employees customarily performing the kind of work required, and currently assigned to the work unit in which the overtime is to be worked. If there are not sufficient volunteers to meet the Agency's needs, mandatory overtime will be assigned according to inverse seniority. Seniority and volunteers notwithstanding, special qualifications or case handling continuity will be given first consideration in the assignment of overtime.

**Section 3. Notice of Overtime.** The Agency shall give as much notice as possible of overtime to be worked. No overtime is to be worked without the prior authorization of management except in emergent situations necessary to effect Agency services.

**Section 4. Payment of Overtime.** Payment of overtime shall be included in the payroll paid on the first of the month following the pay period in which overtime is worked if the overtime is reported prior to the payroll cut-off date. All eligible employees who work overtime shall be compensated for authorized overtime, either in the form of cash or compensatory time off to be determined by the employee. In the event budgetary or staffing limitations exist, in fact, and the Agency so notifies the employee in writing of the fact, with a copy to the Union, the Agency may designate the form of overtime compensation. Compensatory time accrued by employee choice may accumulate to a maximum of one hundred and sixty (160) hours. Compensatory time may be paid off quarterly at the option of the Employer.

**Section 5. Overtime Break.** When an employee is required to work overtime two (2) or more hours beyond the end of the shift, they, at the employee's discretion, may take a fifteen (15) minute paid break before beginning the overtime shift.

**Section 6.** Subject to the operating requirements of the Agency, the employee may take accrued compensatory time off for overtime earned following approval by their supervisor. If the Agency is unable to schedule time off, the Agency shall pay cash for the balance of the unused compensatory time. If two (2) or more employees request the same time off, and the matter cannot be resolved by agreement of the employees concerned, the employee having the greatest length of continuous service with the Agency shall be granted time off. This option shall only be used once in every twelve (12) months by an individual employee.

(See Letter of Agreement [32.1-21-402](#) & [32.1M-15-281](#) in Appendix A.)

REV: 2023

#### **ARTICLE 32.5A,C,D,E,F,G,Y--OVERTIME (Education including OSD, Library, Treasury, Department of Administrative Services, Commission for the Blind, PERS, HECC)**

**Section 1. Distribution of Overtime.** Overtime work shall be distributed as equally as is feasible among qualified employees in the work unit who normally do the particular type of work needed. In the Department of Administrative Services, “work unit” for this purpose means the employees who, by position description, normally perform the particular type of work involved at the worksite that is involved. When such an assignment creates a burden for the employee, the Agency agrees to attempt to assign it to another qualified employee or to cancel the assignment. When such burden exists, the employee shall not be required to work unless their absence would cause the Agency to be unable to meet its responsibilities.

**Section 2. Notice of Overtime.** The Agency will give employees as much notice as practicable that overtime will be required.

**Section 3. Payment for Overtime.** Payment of overtime shall be included in the payroll paid the month following the pay period in which overtime is worked if the overtime is reported prior to the payroll cut-off dates, provided, however, that payment shall be made no later than thirty-one (31) days after overtime work is reported.

**Section 4. Overtime Rest Periods.** If an employee is assigned one (1) or more hours of overtime work contiguous to their regular workshift or is called back within one (1) hour of their scheduled quitting time, the Agency will provide a fifteen (15) minute rest period after two (2) hours of overtime completed.

**Section 5.** Compensatory time shall be scheduled, as much as possible, at the convenience of the employee, consistent with the operating requirements of the Agency. In the case of conflict between two (2) or more employees in the same work area, the employee who first requested this time shall be given preference. If the conflict again occurs between these employees, such conflict shall be resolved on a rotating basis. This time off shall be utilized within one (1) year of being earned or shall be paid in cash except as provided in [Article 32, Section 4](#).

#### **Section 6. Election of Cash/Compensatory Time Off.**

- **Library**—Under normal circumstances, compensation for authorized overtime will be compensatory time off. Cash payment for overtime must be authorized in advance in writing by the Division Administrator except as provided in [Article 32, Section 4](#).
- **Treasury**—Eligible employees shall receive cash for overtime worked, except as provided in [Article 32, Section 4](#), unless the employee elects to receive compensatory time off. If the employee wishes to receive compensatory time off in lieu of cash, the employee must request this method of compensation no later than the first regular workday following the date the overtime was worked.

**Section 2.** Job sharing is a voluntary program. Any employee who wishes to participate in job sharing may submit a written request to the Appointing Authority to be considered for job share positions. An employee may also request that their position be considered for job share. The Appointing Authority shall determine if job sharing is appropriate for a specific position and will recruit and select employees for job share positions. Where job sharing is determined appropriate, the Appointing Authority agrees to provide written notification to all job share applicants of available job share positions in their office in the Agency. Where job sharing is determined inappropriate, the Appointing Authority agrees to provide written notification of the reason(s) to the employee.

**Section 3.** Job sharing employees shall accrue vacation leave, sick leave, and holiday pay based on a prorate of hours worked in a month during which the employee has worked thirty-two (32) hours or more. Individual salary review dates will be established for job share employees.

**Section 4.** Job sharing employees shall be entitled to share the full Employer-paid insurance benefits for one (1) full-time position based on a prorate of regular hours scheduled per week or per month, whichever is appropriate. In any event, the Employer contribution for insurance benefits in a job share position is limited to the amount authorized for one (1) full-time employee. Each job share employee shall have the right to pay the difference between the Employer-paid insurance benefits and the full premium amount through payroll deduction.

**Section 5.** If one (1) job sharing partner in a job sharing position is removed, dismissed, resigns, or otherwise is separated from state service, the Appointing Authority has the right to determine if job sharing is still appropriate for the position. If the Appointing Authority determines that job sharing is not appropriate for the position or the Appointing Authority is unable to recruit qualified employees for the job share position, the remaining employee shall have the right to assume the position on a full-time basis. Upon approval of the Appointing Authority, the remaining employee may elect to transfer to a vacant part-time position in the same classification or to voluntarily demote. If the above conditions are not available or acceptable, the employee agrees to resign.

## **ARTICLE 53--VOLUNTARY DEMOTION**

An employee may make a request in writing to the Appointing Authority for a demotion from a position in one (1) classification to a vacant position in a classification of a lower rank for which the employee is qualified. If the Appointing Authority approves the request, the employee so demoted may, at a later date, request that their name be placed on an appropriate list for reemployment to the higher classification.

(See Letter of Agreement [00.00-99-51](#) in Appendix A.)

## **ARTICLE 55--PERSONAL LEAVE DAYS**

**Section 1.** All employees after completion of six (6) months of service shall be entitled to receive personal leave days in the following manner:

(a) All full-time employees shall be entitled to twenty-four (24) hours of personal leave with pay each fiscal year;  
(b) Part-time, seasonal, and job share employees shall be granted such leave in a prorated amount of twenty-four (24) hours based on the same percentage or fraction of month they are hired to work, or as subsequently formally modified, provided it is anticipated that they will work 1,040 hours during the fiscal year.

**Section 2.** Personal leave shall not be cumulative from year to year nor is any unused leave compensable in any other manner.

**Section 3.** Such leave may be used by an employee for any purpose they desire and may be taken at times mutually agreeable to the Agency and the employee.

## **ARTICLE 56--SICK LEAVE**

**Section 1. Sick Leave with Pay.** Sick leave with pay for employees shall be determined in the following manner:

(a) Eligibility for Sick Leave with Pay. Employees shall be eligible for sick leave with pay immediately upon accrual.  
(b) Determination of Service for Sick Leave with Pay. Actual time worked and all leave with pay, except for educational leave, shall be included in determining the pro-rata accrual of sick leave credits each month.  
(c) Accrual Rate of Sick Leave with Pay Credits. Full-time employees shall accrue eight (8) hours of sick leave with pay credits for each full month they are in pay status. Employees who are in pay status for less than a full month shall accrue sick leave with pay on a prorated basis.

**Section 2. Utilization of Sick Leave with Pay.** Employees who have earned sick leave credits shall be eligible for sick leave for any period of absence from employment due to any of the following reasons:

- illness;
- bodily injury;
- disability resulting from pregnancy;
- necessity for medical or dental care;
- preventive routine health care, including but not limited to screenings, services and counseling to help prevent illness;
- appointments associated with any benefit included in employee health, dental and vision plans;
- if the employee is a victim of domestic violence, harassment, sexual assault, or stalking; or the parent or guardian of a minor child or dependent who is a victim of domestic violence, harassment, sexual assault or stalking, pursuant to ORS 659A.270 through 659A.290;
- attendance at an employee assistance program;
- exposure to contagious disease;
- for the emergency repair of personal assistive devices which are medically necessary for the employee to perform assigned duties;

  - When an employee uses sick leave to care for a family member who is related by affinity, the agency may require the employee to attest in writing that the employee and the person cared for have a significant personal bond that, when examined under the totality of the circumstances is like a family relationship.
- parental leave.

The employee has the duty to insure that they make other arrangements, within a reasonable period of time, for the attendance upon children or other persons in the employee's care. Certification of an attending physician or practitioner may be required by the Agency to support the employee's claim for sick leave if the employee is absent in excess of seven (7) days, or if the Agency has evidence that the employee is abusing sick leave privileges. The Agency may also require such certificate from an employee to determine whether the employee should be allowed to return to work where the Agency has reason to believe that the employee's return to work would be a health hazard to either the employee or to others. (See Section 9 for FMLA & OFLA.)

**Section 3. Sick Leave Exhausted.**

(a) After earned sick leave has been exhausted, the Agency shall grant sick leave without pay for any job-incurred injury or illness for a period which shall terminate upon demand by the employee for reinstatement accompanied by a certificate issued by the duly licensed attending physician that the employee is physically and/or mentally able to perform the duties of the position.

(b) After earned sick leave has been exhausted, the Agency may grant sick leave without pay for any non-job-incurred injury or illness of a continuous and extended nature to any employee upon request for a period up to one (1) year. Extensions of sick leave without pay for a non-job-incurred injury or illness beyond one (1) year may be approved by the Agency.

(c) The Agency or the administrator may require that the employee submit a certificate from the attending physician or practitioner in verification of a disability, or its continuance resulting from a job-incurred or non-job-incurred injury or illness. Any cost associated with the supplying of a certificate concerning a job-incurred injury or illness that is not covered by Workers' Compensation benefits shall be borne by the employing Agency. Any cost associated with the

supplying of a certificate concerning a non-job-incurred injury or illness shall be borne by the employee. In the event of a failure or refusal to supply such a certificate, or if the certificate does not clearly show sufficient disability to preclude that employee from the performance of duties, such sick leave may be canceled and the employee's service terminated.

(d) After all earned sick leave has been exhausted an employee may request in advance, in cases of illness, to use other paid leave. The Employer may grant such requests and may require that the employee provide verification from an attending physician of such continuous and extended illness. Such requests shall not be unreasonably denied.

(e) An employee with a serious medical condition who has exhausted available leave balances may submit a written request to receive a "medical separation." A medical separation is defined as a voluntary resignation for medical reasons. The Employer shall grant a written request for a medical separation, unless the employee is under investigation for performance and/or misconduct unrelated to their exhaustion of leave. Employees who receive a medical separation will be notified of the reemployment provision in Article 45, Section 2(c).

**Section 4. Restoration of Sick Leave Credit.** Employees who have been separated from state service and return to a position (except as temporary employees) within two (2) years shall have unused sick leave credits accrued during previous employment restored.

**Section 5. Transfer of Accruals.** An employee shall have all of their accrued sick leave credits transferred when the employee is transferred to a different state Agency.

**Section 6. Workers' Compensation Payment.** Sick leave resulting from a condition incurred on the job and also covered by Workers' Compensation, shall, if elected to be used by the employee, be used to equal the difference between the Workers' Compensation for lost time and the employee's regular salary rate. In such instances, prorated charges will be made against accrued sick leave. Should an employee who has exhausted earned sick leave elect to use accrued leave during a period in which Workers' Compensation is being received, the salary paid for such period shall be equal to the difference between the Workers' Compensation for lost time and the employee's regular salary rate. In such instances, prorated charges will be made against accrued leave.

No employee shall be required to utilize leave while receiving time loss benefits.

**Section 7. Assumption of Sick Leave.** Whenever an Agency of the State assumes control over the functions of a local government Agency within the State of Oregon, such state Agency may assume the unused sick leave that was accrued by an employee of the local government Agency during employment therewith, provided the employee accepts an appointment, without a break-in-service, to that Agency. Should the monthly sick leave accrual rate of the local government Agency be greater than that of the state Agency, the maximum amount of sick leave assumable by the state Agency shall be computed on the basis of the following formula:

$$\frac{\text{Monthly Accrual Rate}}{\text{of State Agency}} \times \frac{\text{Sick Leave}}{\text{Balance of Local Agency}} = \frac{\text{Maximum}}{\text{Sick Leave Assumable}}$$

Should the monthly sick leave accrual rate of the local government Agency be less than that of the state Agency, the maximum amount of sick leave assumable by the state Agency shall be the amount of unused sick leave accrued during employment with the local government Agency.

**Section 8. Hardship Leave.**

These provisions shall apply for the purpose of allowing employees to donate accrued vacation leaves and compensatory time for use by eligible recipients as sick leave. Agencies will allow employees to make donations of accumulated compensatory time or vacation leave, not to exceed the hours necessary to cover for the qualifying absence as provided in paragraph (d), to a coworker in that Agency or different Agency. To donate to a specific employee in a different Agency, the employee (donor) must submit a written request to their appointing authority/designee. The appointing authority or designee from both the donor's and recipient's agencies may authorize the transfer of donated leave between agencies, subject to restrictions on the use of dedicated funding sources and/or other legitimate business reasons. Authorization for transfer of donated leave shall not be unreasonably denied. For purposes of this Agreement, hardship leave donations will be administered under the following stipulations and the terms of this Agreement shall be strictly enforced with no exceptions.

- (a) The recipient and donor must be regular employees.
- (b) The Employer shall not assume any tax liabilities that would otherwise accrue to the employee.
- (c) Use of donated leave shall be consistent with those provisions found under Article 56, Section 2.
- (d) Applications for hardship leave shall be in writing and sent to the Agency's Personnel Section and accompanied by the treating physician/practitioner's written statement certifying that the illness or injury, including medical appointments for treatment of the illness or injury, will continue for at least fifteen (15) days following donee's projected exhausting of the accumulated leave and the total leave is at least thirty (30) consecutive calendar days of absence in combination of paid and unpaid leave. Donated leave may be used intermittently for the same event after the employee has satisfied the eligibility requirements to receive donated leave.
- (e) Donations shall be credited at the recipient's current regular hourly rate of pay.
- (f) Accumulated leave includes but is not limited to sick, vacation, personal, and compensatory leave accruals.
- (g) Employees otherwise eligible for or receiving workers' compensation will not be considered eligible to receive donations under this agreement until worker's compensation benefits are exhausted.

The employee has the duty to insure that they make other arrangements, within a reasonable period of time, for the attendance upon children or other persons in the employee's care. Certification of an attending physician or practitioner may be required by the Agency to support the employee's claim for sick leave if the employee is absent in excess of seven (7) days, or if the Agency has evidence that the employee is abusing sick leave privileges. The Agency may also require such certificate from an employee to determine whether the employee should be allowed to return to work where the Agency has reason to believe that the employee's return to work would be a health hazard to either the employee or to others. (See Section 4 for FMLA and OFLA.)

#### **Section 3. Sick Leave Exhausted.**

- (a) After earned sick leave has been exhausted, the Agency shall grant sick leave without pay for any job-incurred injury or illness for a period which shall terminate upon demand by the employee for reinstatement accompanied by a

- (a) New employees who begin work in the middle of a month or pay period earn vacation credits on a prorated basis for the first partial month or pay period.
- (b) Separating employees who are eligible will be paid for unused vacation leave accrued through the last full calendar month or pay period of service, based on each employee's work schedule. If the employee does not work or is not in pay status through the last regularly scheduled workday in the last calendar month or pay period, payment for such month or period shall be made on a pro-rata basis.

Separation of an employee may fall on any given day of the month, either as designated by the employee in their letter of resignation or by the Agency in the notice of involuntary separation.

- (c) Separating employees who are eligible will be paid for accumulated vacation leave and compensatory time at the hourly rate equivalent to their base rate at the time of separation.

**Section 3.** Compensation for use of accrued vacation shall be at the employee's prevailing straight time rate of pay.

**Section 4.** In the event of separation or layoff any unused vacation up to three-hundred (300) hours will be paid to the employee.

**Section 5.** In the event of an employee's death, all monies due for accumulated vacation and salary shall be paid as provided by law.

**Section 6.** An employee who has lost work because of a job-related illness or injury shall not suffer a reduction in vacation credits. Vacation credits shall continue to be earned while an employee is using earned sick leave.

**Section 7.** Service with a jury shall be considered time worked.

**Section 8.** If an employee has a break-in-service and that break does not exceed two (2) years, they shall be given credit for the time worked prior to the break-in-service.

**Section 9.** Time spent in actual State service or on Peace Corps, military, educational, or job-incurred disability leave without pay shall be considered as time in the State service for determining length of service for vacation accrual rate.

**Section 10.** Vacation hours may accumulate to a maximum of three-hundred fifty (350) hours.

**Section 11. Authorization of Use.** Upon transfer of an employee with six (6) months of State service to a different Agency covered by the Agreement, the employee may elect to have a maximum of one-hundred (100) hours of accrued vacation credits transferred to the gaining Agency, except the gaining Agency may agree to accept a greater amount of accrued vacation credits. The employee shall be paid in cash for that portion of accrued vacation credits not transferred.

Upon transfer of an employee with less than six (6) full months of service to a different Agency represented by SEIU Local 503, OPEU, all vacation credits accrued shall be transferred to the gaining Agency.

**Section 12.** Should an employee who has exhausted earned sick leave elect to use vacation leave during a period in which Workers' Compensation is being received, the salary paid for such period shall be equal to the difference between the Workers' Compensation for lost time and the employee's regular salary rate. In such instances, prorated charges will be made against accrued vacation leave. No employee shall be required to utilize vacation leave while receiving time loss benefits.

**Section 13.** After all earned sick leave has been exhausted an employee may request in advance, in cases of illness, to use earned vacation leave. The Employer may grant such requests and may require that the employee provide verification from an attending physician of such illness. Such leave shall not be unreasonably denied.

**Section 14.** No employee may be placed on vacation leave and no accrued vacation time may be utilized without specific authorization of the employee except:

- (a) That employees shall have their vacation time paid in full when they take education leave without pay in excess of ninety (90) days;
- (b) That in any other leave of absence without pay that exceeds fifteen (15) days, the employees shall be required to use their accumulated vacation. Bargaining unit members may not be required to take vacation when leaving for military or reserve service as per Title 38, USC Chapter 43, or parental leave until after thirty (30) days;
- (c) As provided for set-off of damages or misappropriation of state property or equipment on termination;
- (d) To avoid losing vacation the employee must request vacation leave. When such leave is impossible a cash payment of not more than sixty (60) hours shall be made. In lieu of cash payment, the Employer shall schedule time off in excess of three-hundred and fifty (350) hours within sixty (60) days prior to the date the vacation leave would reach three-hundred and fifty (350) hours. Hours earned over three-hundred and fifty (350) hours will be immediately lost to the employee if the equivalent of those hours is not used prior to the month of maximum accrual.

**Section 15. Vacation Cash Out.** In each calendar year, an employee may make a one-time request to cash out and receive payment for up to forty (40) hours of vacation. In order to be eligible to cash out vacation hours, the employee must be a regular status employee and have a remaining vacation balance of sixty (60) hours or more. Vacation leave that has been pre-approved will be considered when the request is made in order to determine if they will maintain the minimum vacation balance requirement.

**Section 16. Military Donated Leave.** The Parties acknowledge that the State of Oregon administers a donated leave program to supplement military wages. As such, an employee may donate any portion of their accrued vacation to an eligible individual participant or to the program donation pool for distribution to eligible participants, as long as the program continues to exist.

REV: 2013, 2015, 2019,2023

## **ARTICLE 66.5--VACATION LEAVE (Special Agencies Coalition)**

**Section 1.** Vacations shall be requested in writing by each employee and subject to written approval or denial by their supervisor. Such written approval or denial shall be provided to the employee within seven (7) calendar days following submittal of a request. This shall not require that use of vacation time be requested seven (7) days in advance. Vacation shall be scheduled, as much as possible, at the convenience of the employee consistent with the operating requirements of the Agency. In the case of conflict between two (2) or more employees in the same work area, the employee who first requested this time shall be given preference. If the conflict again occurs between these employees, such conflicts shall be resolved on a rotating basis.

### **Section 2. Cancellation of Vacation.**

- (a) Except Licensing Boards. Approved vacation leave may not be canceled by the Employer except in the event of an emergency condition which creates an abnormal workload or other condition not under the control of management. In the event of an emergency, the affected employee shall be notified of the cancellation in writing. When vacation leave has been approved at least ninety (90) days in advance and is canceled, unrecoverable transportation or lodging deposits will be paid by the Agency if the employee produces proof of such unrecoverable deposits, including written evidence of a good faith effort to recover the deposits.
- (b) Applies to Licensing Boards. Vacations that have been scheduled and approved may not be canceled by the Agency except in the event of an emergency. When unrecoverable vacation deposits are incurred by an employee, and the vacation is canceled by the Agency, the Agency shall pay the unrecoverable deposits, proof of which may be required for reimbursement. In the event of a schedule change caused by seniority or a transfer at the request of an employee, the provisions of this Section shall not apply.

## **ARTICLE 70--LAYOFF**

**Section 1.** A layoff is defined as a separation from the service for involuntary reasons other than resignation, not reflecting discredit on an employee. An employee shall be given written notice of layoff at least fifteen (15) calendar days before the effective date, stating the reasons for the layoff. (See Sections 9 and 10 on statewide recall rights and intergovernmental transfers, and see Section 11 regarding Secondary Recall Rights.)

**Section 2.** The layoff procedure shall occur in the following manner:

(a) The Agency shall determine the specific positions to be vacated and employees in those positions shall be notified of layoff. The Agency shall notify in writing all affected employees of their seniority and their contractual bumping rights. The Agency shall notify the Union of the seniority of all employees in all affected positions in writing. In addition, the Agency shall provide each Union Steward in the geographic area affected by layoff with one (1) written copy of the seniority of employees in all affected positions in that geographic area. The Agency shall also post a copy of the seniority of all affected positions in the geographic area on the employee bulletin board.

(b) Temporary employees working in the classification and geographic area in which a layoff occurs shall be terminated prior to the layoff of trial service or regular employees.

(c) Employees shall be laid off and seniority calculated within a geographic area and within the following separate categories:

- (1) Permanent full-time positions;
- (2) Permanent part-time positions;
- (3) Seasonal full- and part-time positions; or
- (4) Academic year positions  
(OSD):
  - Full-time academic year positions; or
  - Part-time academic year positions.

(5) The Employment Department shall maintain the following layoff lists:

- (A) Full-time employees plus seasonal employees with more than twelve (12) months continuous full-time employment immediately preceding layoff;
- (B) Seasonal employees with less than twelve (12) months continuous full-time employment immediately preceding layoff;
- (C) Part-time employees.

(d) An employee notified of a pending layoff shall have one (1) opportunity to prioritize the following options and communicate such choice(s) in writing to the Agency within seven (7) calendar days from the date the employee is notified in writing. If the date the employee's response is due falls on a Saturday, Sunday or holiday, the employee will provide their choice to the Agency on the next business day. However, this seven (7) day notice will not be required if the employee is involved in a meeting to make such choice as long as seniority has been posted prior to this seven (7) day notice as specified in Section 2(a).

- (1) The employee may displace the employee in the Agency with the lowest seniority in the same classification for which they are qualified in the same geographic area in the Agency where the layoff occurs.
- (2) If no positions are accessible under option one (1), the employee may displace the employee in the Agency with the lowest seniority in the same geographic area in any classification with the same salary range in which the employee previously held regular status, including any predecessor classification; or, if this choice is not available to the employee, the employee may move into vacant positions in classifications with the same salary range that the Agency intends to fill in the same geographic area.
- (3) The employee may identify and prioritize up to three (3) classifications in lower salary ranges for which they are qualified within the Agency and same geographic area. The employee may demote to the lowest seniority position in one of the identified classifications considered in the order listed by the employee, pursuant to this Section. Employees who elect to demote shall be placed on any geographic area layoff list of their choice within the Agency for the classification from which they demoted.
- (4) The employee may elect to be laid off. An employee who elects to be laid off shall be placed on any geographic area layoff list of their choice within the Agency for the classification from which they were laid off.

The options provided by Subsections 2(d)(1), (2) and (3) above shall apply to regular status (i.e., non-limited duration) employees displacing limited duration employees only when the limited duration positions are expected to continue for at least ninety (90) days beyond the time of layoff.

For purposes of bumping under Section 2(d)(1), (2) and (3), a vacant position that management intends to fill is considered to have the least seniority.

(e) To be qualified for the options under Section 2(d)(1), (2) and (3), the employee must meet the minimum qualifications for the position's classification and must be capable of performing the specific requirements of the position within a reasonable period of time. A reasonable period of time is defined as approximately thirty (30) calendar days. If an employee meets the minimum qualifications but is not capable of performing the specific requirements of the lowest seniority position, they may displace or demote to the next lowest seniority position in the classification, provided that the incumbent in the next lowest position has a lower seniority than the employee displacing or demoting.

(f) When exercising an option under Section 2(d)(1), (2) and (3), an employee shall only be eligible to displace another employee with lower seniority.

(g) When an employee is laid off because of being separated from state service per Section 2(d)(4) of this Article, moving expenses will be paid once by the Agency. In other words, moving expenses will be reimbursed only when that employee has in fact, left State service and is called back from the layoff list to a geographic area other than the one in which they were laid off. Moving expenses will not be paid by the Agency for any other moves associated with displacement, demotion, or return from a layoff list.

(h) Limited Duration Appointments—Workload Reasons. Eligible employees, as defined in [Article 51 Section 2](#), shall have their seniority calculated within a geographic area and may bump limited duration or permanent employees based on their seniority within the following separate categories:

- (1) full-time status;
- (2) part-time status.
- (i) Limited Duration Appointments—Non-Workload Reasons. Eligible employees, as defined in [Article 51, Section 1](#), whose limited duration appointment that exceeds two (2) years shall have their seniority calculated within a geographic area. These employees shall be placed on the Agency recall list for the affected geographic area when the limited duration appointment ends. These employees will not be eligible to bump any employees, but shall be placed on the affected agency layoff recall list for the class they held as a limited duration employee.
- (j) An initial trial service employee cannot displace any regular status employee (see Section 5 for more on treatment of trial service employees).
- (k) Job Share Positions.
  - (1) Individuals filling a job-sharing position which totals a full-time equivalent at the time of calculation of seniority shall be considered as one (1) full-time equivalent or, if either Party chooses, as part-time employees.
  - (2) If the employees in a job-share position choose to be treated as a full-time employee, seniority for the position shall be determined by averaging the two (2) individuals' Layoff Service Date.
  - (3) If either employee in a job-share position chooses to be treated as a part-time employee, seniority for each employee will use individual Layoff Service Date.

If only one (1) person is filling a job-share position, they shall be considered as a full-time equivalent.
- (m) If an employee is overfilling or underfilling a position, the employee will be considered in the position classification for the purposes of this Article. If an overfill employee is displaced, demoted in lieu of layoff or is laid off, the employee shall retain their overfill status upon return to their classification.
- (n) Any employee displaced by another employee exercising options under Section 2(d)(1), (2) and (3) may also exercise any option available under Section 2(d).
- (o) Designation of Classification for Layoff.
  - (1) Classification for layoff purposes is the employee's classification of record on the date the seniority list is frozen.
  - (2) Classification changes (reallocations, reclassifications) approved for implementation after the seniority list is frozen, but before the layoff effective date, will not be implemented until the day after the layoff date at the earliest and shall not be arbitrarily delayed.
  - (3) Both the incumbent and bumping in employee cannot equally benefit from a successful change resulting from reallocation change, whether requested by the Agency or employee appeal (e.g., both be reallocated, both have recall rights to the higher class, etc.).
    - (A) Bumped-out employees should benefit from reallocation for pay purposes up to the layoff date and be eligible for recall back to the reallocated class.
    - (B) Bumping-in employees should receive benefit for pay purposes beginning the effective date of landing in the new class until or unless management removes the higher level duties. Recall rights should be to the employee's former classification, rather than to the newly designated class for the bumped into position.
  - (4) Both the incumbent and bumping-in employee cannot equally benefit from a successful Agency requested reclassification or employee initiated classification appeal.
    - (A) Bumped-out employees should benefit from reclassification for pay purposes up to the layoff date.
    - (B) Bumping-in employees should receive benefit for pay purposes beginning the effective date of landing in the new class until or unless management removes the higher level duties. Recall rights should be to the employee's former classification, rather than to the newly designated class for the bumped into position.
  - (5) Pay will be reconciled, as appropriate, for employees laid off or bumped-out of positions affected by a successful reallocation or reclassification.

**Section 3.** For purposes of this Article, the term "Agency" does not include employees represented by other unions. There will be no cross-bumping between unions. If, however, the Employer and/or the Agency permits another union to cross-bump into SEIU Local 503, OPEU positions, such rights shall be extended to SEIU Local 503, OPEU bargaining unit members also. There shall not be cross-bumping between the Management Service and the bargaining unit.

In instances where there is more than one (1) classification in the same salary range affected by a concurrent layoff, employees in the multiple classifications will have their layoff option selection notices processed by seniority (state service) within the salary range as opposed to classification. However, should two (2) or more employees continue to have equal seniority it will be decided in accordance with Section 4(d).

In instances where the first round of layoffs have been completed and a vacancy which the Agency intends to fill occurs prior to the initiation of a second round of layoffs, employees who are on an Agency geographic area layoff list may have priority rights to such vacancy in accordance with the Filling of Vacancies Articles.

**Section 4. Seniority.**

- (a) Seniority Definition. Seniority is the Layoff Service Date which is the date the employee began state service (except as a temporary appointee) as adjusted for break(s)-in-service.
- (b) Break-In-Service. A break-in-service is a separation or interruption of employment without pay of more than two (2) years. If an employee has a break-in-service that does not exceed two (2) years, they shall be given credit for the time worked prior to the break-in-service. Seniority will also be adjusted for leaves without pay in excess of one (1) year.
- (c) Seniority Frozen. When an Agency intends to initiate a layoff, the Agency will notify the Union in writing that all seniority will be frozen from the date of notice for a period not to exceed three (3) months. However, during the period when seniority is frozen, the employee will continue to accumulate time towards seniority for purposes of future computations. The three (3) month freeze may be extended by mutual written agreement of the Union and the Agency.

(d) Equal Seniority. If it is found that two (2) or more employees in the Agency in which the layoff is to be made have equal seniority, then the greatest length of continuous service in the Agency shall be used. If ties between employees still exist, the order of layoff shall be determined by the Agency in such manner as to conserve for the State the services of the most qualified employee.

**Section 5.** Trial service employees, except those serving a trial service for initial appointment to state service, who are laid off or demoted in lieu of layoff shall be placed on the Agency layoff list. An employee serving a trial service for initial appointment to state service who is laid off or demoted in lieu of layoff shall not be placed on the Agency layoff list, but shall be restored to the eligible list from which certification was made if the eligible list is still active. Restoration of the list shall be for the remaining period of eligibility that existed at the time of appointment from the list.

**Section 6.** Regular and eligible limited duration employees laid off or demoted in lieu of layoff shall be placed on the reemployment list for the classification in which they were laid off.

**Section 7.** Regular status seasonal employees laid off prior to the end of the season shall be placed in order of seniority on the Agency layoff list for seasonal reappointment and shall be limited so as to encompass only those seasonal employees in a classification who are employed at that specific geographic location and the Agency where the reduction occurs. The eligibility for such seasonal employees shall be canceled at the end of each season.

**Section 8.** Any employee demoted in lieu of layoff may request at that time and shall be paid for all accrued compensatory time at the rate being earned prior to demotion in lieu of layoff.

**Section 9. Agency Layoff Lists.** Names of regular employees of the Agency who have separated from the service of the State in good standing by layoff or who have demoted in lieu of layoff, or employees transferred outside State government due to intergovernmental transfers, shall be placed on layoff lists in seniority order established by the classification from which the employee was laid off or demoted in lieu of layoff and by geographic area.

Names of eligible workload limited duration employees of the Agency, who have separated from the service of the State in good standing by layoff or who have demoted in lieu of layoff, shall be placed on appropriate Agency layoff list in seniority order established by the classification from which the employee was laid off or demoted in lieu of layoff and by geographic area.

Names of eligible non-workload limited duration employees shall be placed on appropriate Agency layoff list in seniority order established by the classification from which the employee was laid off and by geographic area.

The employee shall designate in writing the geographic area layoff list(s) on which they wish to be placed.

An employee currently on a layoff list prior to the effective date of this Agreement, shall be placed on the geographic layoff list from which they were laid off and shall be notified by the Agency of their right to designate additional geographic layoff list(s) in accordance with this Article.

**Section 10. Recall.** Employees who are on an Agency layoff list shall be recalled by geographic area in seniority order beginning with the employee with the greatest seniority.

- (a) Same Geographic Area Recall/Recall to a Permanent Position. If an employee (permanent or limited duration) is certified from a layoff list and is offered a permanent position in the geographic area from which they demoted or were laid off, they shall have one (1) right of refusal. Upon a second refusal, however, the employee's name will be removed from the layoff list in that geographic area.
- (b) Different Geographic Area Recall/Recall to a Permanent Position. If an employee (permanent or limited duration) is certified from a layoff list and is offered a permanent position in a different geographic area from which they demoted or were laid off, they shall have one (1) right of refusal. Upon a second refusal, which must be more than fifteen (15) days after the first refusal, the employee's name will be removed from the layoff list for that geographic area. An employee who has other refusals during this fifteen (15) day period shall not have their name removed from the list.
- (c) An employee appointed to a permanent or seasonal position from a layoff list shall be removed from all other layoff lists for that classification.
- (d) When an employee is laid off because of being separated from state service per Section 2(d)(4) of this Article, moving expenses will be paid once by the Agency, except for recall of employees transferred outside State government due to intergovernmental transfer. In other words, moving expenses will be reimbursed only when that employee has in fact, left State service and is called back from the layoff list to a geographic area other than the one in which they were laid off. Moving expenses will not be paid by the Agency for any other moves associated with displacement, demotion, or return from a layoff list.
- (e) If a temporary appointment is necessary in any geographic area and is expected to last longer than forty-five (45) days and there is a layoff list for that classification in the geographic area, employees on the layoff list shall first be offered the temporary appointment prior to hiring any other temporary. Refusal of a temporary job does not constitute a right of refusal under this Section. This shall only apply to employees separated from State service. Such employees shall be appointed as a temporary employee and will not be eligible for any benefits covered under this Agreement.
- (f) If a limited duration appointment is necessary in any geographic area and is expected to last longer than ninety (90) days, and there is a layoff list for that classification in the geographic area, employees on the layoff list shall first be offered the limited duration appointment prior to hiring any other limited duration employee. Refusal of a limited duration appointment does not constitute a right of refusal under this Section.

**Section 11. Secondary Recall Rights.**

- (a) Application: These rights apply to all employees and Agencies represented by the Union except employees who are laid off during initial trial service.
- (b) Definitions:

- (1) Geographic areas are the groupings of work locations in event of layoff and the scope of recall rights after a layoff as defined in the Agency-specific provisions of [Articles 70.1, 70.2, 70.3, and 70.5](#).
- (2) Agency Layoff Lists are intra-Agency layoff lists, as defined in [Article 45, Section 2\(a\)](#), and as further defined by geographic areas for layoff for each Agency in [Articles 70.1, 70.2, 70.3, and 70.5](#).
- (3) Secondary Recall List is an inter-Agency layoff list, which consists of regular status employees who have been separated by layoff from Union-represented positions in Union-represented Agencies and who have elected to be placed on such list, consistent with the definitions of geographic areas for layoff for each Agency in [Articles 70.1, 70.2, 70.3, and 70.5](#).
- (c) Coordination with [Articles 45](#) and [70](#): The recall options provided herein shall be consistent with the priority of recall to positions from layoff within an Agency, as specified in this Article and [Article 45](#), except that recall from Agency Layoff Lists shall take precedence over recall from the Secondary Recall List.
- (d) Procedures:
  - (1) Placement on the Secondary Recall List.
    - (A) Regular status employees and eligible workload limited duration employees, who are separated from the service of the State in good standing by layoff or transferred outside State government due to intergovernmental transfer shall, in addition to their right to be placed on Agency Layoff Lists, be given the option of electing placement on the Secondary Recall List by geographic area for other SEIU Local 503, OPEU-represented Agencies which utilize the same classification from which they were laid off. The term of eligibility of candidates placed on the list shall be two (2) years from the date of placement on the list or the termination of this Agreement whichever occurs first.
    - (B) Employees who elect to be placed on the Secondary Recall List shall specify in writing the Agencies and geographic areas of their choice.
  - (2) Use of the Secondary Recall List.
    - (A) Notwithstanding any other provision regarding the use of the Secondary Recall List, designated individuals on the secondary list may be given first preference for appointments to positions in order to ensure adequate numbers of protected class employees, based on the goals of the Affirmative Action Plan developed by the Agency effecting the recall, consistent with applicable law.
    - (B) After the exhaustion of any Agency Layoff List for a specific classification within a geographic area, the Secondary Recall List shall be used to fill all positions within a specific classification and geographic area consistent with Section (c) above, until such secondary list is exhausted.
    - (C) To be eligible for appointment from the Secondary Recall List, a laid off employee on such list must meet the minimum qualifications for the classification and any special qualifications for the position.
    - (D) Prior to initiating other methods to fill a vacancy, except an agency layoff list, agencies shall utilize the Secondary Recall List to fill positions. The Agency will call for certifications from the list of the five (5) most senior employees who meet the minimum qualifications for the classification and any special qualifications for the position to be filled. The Agency will select one of the five (5) employees from the list. Seniority for this purpose shall be computed as described in Section 4 of this Article.
    - (E) Where fewer than five (5) eligible employees remain on the Secondary Recall List, the Agency shall select one (1) of these employees who meets the minimum qualifications for the class and any special qualifications for the position.
  - (3) Appointments/Refusals of Appointments from the Secondary Recall List.
    - (A) Recall to a Permanent Position. A laid off regular status or eligible workload limited duration employee on the Secondary Recall List who is offered a permanent appointment from the list and refuses to accept the appointment shall have their name removed from the Secondary Recall List.
    - (B) Employees appointed to positions from the Secondary Recall List shall have their names removed from all other Agency Layoff Lists and the Secondary Recall List.
    - (C) Employees appointed to positions from the Secondary Recall List shall serve a trial service period not to exceed three (3) full months. Administration of the trial service period shall be consistent with Sections 2, 4, and 5 of [Article 49](#). However, employees who fail to successfully complete this trial service period shall have their names restored only to the Agency Layoff Lists on which they previously had standing. Restoration to the Agency Layoff List shall be for the remaining period of eligibility that existed at the time of appointment from the Secondary Recall List.
    - (D) Employees appointed to positions from the Secondary Recall List shall not be entitled to moving expenses.

**Section 12. Geographic Area.** See Articles 70.1-70.5.

**Section 13.** When the Employer declares that a layoff is necessary, the Parties will meet, if requested by either the Employer or the Union, to consider such alternatives to layoffs such as: voluntary reductions in hours; voluntary paid leaves of absence; other voluntary programs, temporary interruptions of employment, and/or job opportunities in other Agencies. Such alternatives shall be subject to mutual agreement by the Union and the Employer. In the absence of such mutual agreement, the Employer may implement layoff procedures consistent with this Agreement. The Parties agree that any and all discussions that take place under this Section shall not be subject to Article 5--Complete Agreement of this Agreement, or constitute interim negotiations under PECBA. In addition, the Parties will not be required to use the dispute resolution processes contained in PECBA.

**Section 14.** Prior to transferring a program to an Oregon non-profit corporation that is not a PERS participant, a regular status employee shall be afforded layoff and bumping rights.

### **ARTICLE 71--SEASONAL AND INTERMITTENT EMPLOYEES**

**Section 1.** Positions which occur, terminate, and recur periodically and regularly, regardless of the duration thereof, shall be designated as seasonal positions.

**Section 2.** A regular status seasonal employee shall be eligible for a salary increase upon returning to the same Agency in the same classification the next annual season regardless of the length of the period of time that has lapsed since the previous six (6) month or annual increase granted. "Annual season" means a period of twelve (12) months, regardless of the number of seasons occurring during that period.

**Section 3.** A seasonal employee shall be given notice at the time of hire of the length of the season and the anticipated end of the season. A seasonal employee shall be given at least ten (10) calendar days advance notice of the end of the season, except when conditions are beyond the control of the Agency. In advance of the season or as soon as the seasonal employee becomes aware of the need to end their season early, the seasonal employee may submit a request to their supervisor. Subject to the agency operating requirements, the supervisor may approve the employee's request without jeopardizing their recall rights the following season. (See also [Article 70, Section 7.](#))

**Section 4.** Regular status seasonal employees terminated at the end of the season shall be placed on the reemployment roster in order of seniority and shall be recalled by geographic area the following season in order of seniority to the extent that work is available to be performed. Such recall rights shall not apply to regular status seasonal employees who work full-time in another state Agency.

**Section 5.** Seasonal employees shall accrue all rights and benefits accrued by full-time employees during their employment season, except as otherwise modified by this Agreement.

**Section 6.** Employees in seasonal positions who have completed initial state trial service one-thousand and forty (1,040) hours and who are not participating members of the Public Employees Retirement System shall receive a special differential of six (6%) percent in addition to their regular rate of pay. Such special differential shall not increase pay rates in the Compensation Plan or be applicable to other seasonal, temporary, trial service, or regular positions or employees. Such special differential shall terminate immediately prior to the first full pay period after the employee becomes a participating member of the Retirement System.

**Section 7.** Seasonal employees not currently employed shall be treated as internal candidates for any jobs they apply for within their Agency, even between seasons, so long as they have recall rights.

**Section 8. Intermittent Appointments.**

- (a) Only the following seasonal, part-time, or unfunded positions may be designated as intermittent positions in that work assigned to these positions is available on an irregularly fluctuating basis because of conditions beyond the control of the Appointing Authority: Employment Department, ODHS Children, Adult, and Family-related services and programs, OYA Administration and Field Services (on-call and unfunded positions), Oregon Department of Forestry (co-op positions, Forest Lookouts, and Schroeder Seed Orchard), Department of Education (relief workers at the School for the Deaf).
- (b) A person appointed to an intermittent position during the term of this Agreement shall be informed in writing at the time of appointment that the position has been designated as an intermittent position and that the employee may expect to work only when work is available. A person who is appointed to an intermittent position may be scheduled for work at the discretion of the supervisor when the workload for the position so justifies without any penalty pay provision for short notice.
- (c) The unscheduling of an employee appointed to an intermittent position shall not be considered a layoff. Whenever possible, an intermittent employee shall be given ten (10) calendar days notice of scheduling and unscheduling of work. When such notice cannot be given, such employees may be unscheduled without advance notice. The Agency shall not use unscheduling of work as a method of unofficially disciplining or discharging intermittent employees.
- (d) Intermittent employees will be scheduled and unscheduled for work in seniority order by work unit.
- (e) Except as specifically modified above, intermittent employees shall have all the rights and privileges of seasonal employees.

REV: 2015, 2019

**ARTICLE 71.5N--SEASONAL EMPLOYEES (Revenue)**

**Section 1. Intent.** The purpose of this Article is to clarify what seasonal employees may expect when called to work by Revenue. Nothing in this Article guarantees an eight (8) hour workday. However, the Agency agrees to make the following efforts to match available work with the number of employees called in.

**Section 2. Procedure.**

- (a) At the beginning of the season, employees will be called back to work in seniority order and in all cases the Agency will use the seasonal seniority list. When offering a position, the Employer will inform the employee of the number of hours each area/unit worked the previous year. Employees will have the right to turn down a position or start date once.
- (b) Once seasonal employees are called in, if it becomes necessary to release employees due to lack of work, the Agency will offer suitable work where available, in other areas/units, on the basis of seniority. Seasonal employees will be unscheduled prior to releasing or reducing the hours of permanent part-time employees.
- (c) When a season ends or when it becomes necessary to release some seasonal employees due to lack of work, but not all seasonal employees, the Agency will first ask for volunteers. If there are not enough volunteers, the employees will be released in reverse seniority order. In instances where there may be excess volunteers, unscheduling will occur based on seniority within the area/unit. In cases where employees are notified not to report to work prior to their normal reporting time, the Agency will not be required to ask for volunteers. Instead, employees will be unscheduled in reverse seniority order.
- (d) In instances where a seasonal employee has insufficient vacation or compensatory time to cover the period the employee is released, the Agency agrees to continue the employee's eligibility for purposes of insurance. Employees must exhaust available vacation and compensatory time to be eligible for this benefit. This provision will not apply in an instance where an employee is offered suitable work and turns it down. This provision applies only to those seasonal employees who would have, but for being unscheduled, reached the eighty (80) hour threshold.
- (e) In the event a season is extended beyond the initial notice at the time of hire/rehire, when it's foreseeable, management shall make every effort to provide written notice of a minimum of ten (10) working days in advance of the need for an extension to the seasonal employees in the affected work area/unit. The Agency shall first offer the extended season by seniority giving two (2) working days for a response from the employees. If any seasonal employee chooses not to be extended, it shall not be considered their one(1)-time right to turn down a position or jeopardize their recall rights the following season. If there are not enough volunteers, those with the least seniority shall be extended.

\*Credit hours may be adjusted.

**ARTICLE 73.5A--ACADEMIC YEAR (OSD only)**

**Section 1.** The Agency may designate positions as academic year, when the employment term of such positions conforms generally to the school or academic year. Such designation shall not preclude the extension of employment, either full- or part-time, into the period between two (2) school or academic years.

**Section 2.** Employees in positions designated as academic year may utilize accrued leave in accordance with the provisions set forth in this Agreement.

**Section 3.** Summer employment, when available, will be offered to qualified employees in academic year positions according to layoff service date. Summer employment will be offered to such qualified employees as soon as it is determined by management to go forward with the summer work assignment in question. Employees working during the period between two (2) school or academic years will be paid according to the classification of the work being performed. If the employee's

current salary rate is within the salary range of the classification of work being performed, the employee's salary rate will not change. If the employee's current salary rate is below the salary range of the classification of work being performed, the employee will be paid at Step 1 of the salary range of the classification of work being performed. If the employee's current salary rate is above the salary range of the classification of work being performed, the employee will be paid at the top step of the salary range of the classification of work being performed.

**Section 4.** The State agrees to pay PEBB medical/dental insurance Employer contributions during the summer months for all employees in full-time academic year positions who are eligible for PEBB insurance coverage.

For eligible employees in part-time academic year positions, the Employer contributions for June, July, and August will be prorated based on May hours worked. For eligible employees in part-time academic year positions, additional employee contributions, if required, for June, July, and August will be prorated based on May hours worked and will be deducted from May paychecks. An employee may choose, however, not to have summer PEBB coverage by submitting written notice to this effect, to the payroll office prior to May 20 for that academic year.

(See also Special Agencies Coalition Letter of Agreement [73.5A-23-452](#) in Appendix A.)

## **ARTICLE 74--TEMPORARY INTERRUPTION OF EMPLOYMENT--LACK OF WORK**

**Section 1.** Any temporary interruption of employment because of lack of work or unexpected or unusual reasons which does not exceed fifteen (15) days, shall not be considered a layoff if, at termination of such conditions, employees are to be returned to employment. Such interruptions of employment shall be by work unit and recorded and reported as leave without pay. Under no circumstances shall this Article be used to remedy shortage of funds.

**Section 2.** An employee who is affected by a temporary interruption of employment shall be allowed to use any form of paid leave including vacation, compensatory time off, or personal leave provided the leave has been accrued. Such employee shall continue to accrue all benefits during this period. This Section shall only apply to FLSA-exempt employees where the interruption is for one (1) or more full workweek(s).

**Section 3.** For periods longer than fifteen (15) days, the Appointing Authority shall follow the procedures described in [Article 70--Layoff](#). In instances where temporary interruption of employment is an established practice that the Agency used in connection with cyclical or scheduled shortage of work for more than fifteen (15) days, such practice may continue. Provided, however, that when such periods are for longer than fifteen (15) days, the Appointing Authority shall use seniority of employees by classification in the affected work unit in determining employees to be placed on leave without pay. The Appointing Authority will determine the work unit in each instance. If all such employees available for work cannot be returned to their positions, seniority shall be used to determine the order of recall.

## **ARTICLE 80--CHANGE IN CLASSIFICATION SPECIFICATIONS**

**Section 1.** The Employer shall notify the Union of intended classification studies.

**Section 2.** The Union may recommend classification studies be conducted by the Labor Relations Unit, indicating the reasons for the need of such studies. The Labor Relations Unit shall reply, setting a preliminary date for completion of the study or explaining the reasons for a decision not to conduct such a study within ninety (90) days of receipt of the request.

**Section 3.**

- (a) Whenever a change in classification specifications or a new classification is proposed, it is agreed that the Labor Relations Unit shall submit the classification specification changes to the Union to provide it an opportunity to review and comment on the specifications. If the changes of the specifications substantially revise the specifications, the Parties shall negotiate the salary range for the newly revised specification.
- (b) When the Union requests a classification study, negotiations for salary ranges for new classifications shall commence no later than ninety (90) days following the Employer's written notification to the Union of the finalization of the class specification.
- (c) Proposals for the salary rate and effective date for changes in classification specifications may be submitted throughout the term of this Agreement. If the Parties are able to reach agreement, the new classification will be implemented. Any classes on which salary is not agreed can be submitted with overall proposals for a successor Agreement.

(See Letter of Agreement [80.00-23-462](#) in Appendix A.)

## **ARTICLE 81--RECLASSIFICATION UPWARD, RECLASSIFICATION DOWNWARD, AND REALLOCATION**

**Section 1.** Reclassification must be based on findings that the purpose of the job is consistent with the concept of the proposed classification and that the class specification for the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities of the position. As used herein:

- (a) The purpose of the job shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency;
- (b) The concept of the proposed classification shall be determined by the general description and distinguishing features of its class specification; and
- (c) The overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency.

**Section 2. Reclassification Up.**

- (a) Reclassification upward is a change in classification of a position by raising it to a higher classification. Employees, or supervisors with prior notice to the employee(s), may seek reclassification to any non-supervisory or non-managerial classification in the Executive Branch (DAS) of government whether or not the classification is included in Appendix B of this Agreement provided that:

- (1) the classification exists in the unrepresented compensation plan or in multiple bargaining units' compensation plans, and
- (2) the classification is not specific to another Agency.

In the event that the proposed new classification is not in the bargaining unit, the classification shall be added to the SEIU Local 503, OPEU compensation plan at the Employer-proposed salary range. However, if the Employer-proposed range is lower than the classification salary range in another DAS compensation plan, the Parties will negotiate the salary range.

(b) Employees, or supervisors with prior notice to the employee(s), may request reclassification by submitting a written explanation of the request, a Chief Human Resource Office Position Description Form signed by the employee (if the position is filled), the supervisor and Appointing Authority and all other relevant evidence for the proposed reclassification to the Agency Appointing Authority or designee.

- (1) Within sixty (60) days, unless otherwise mutually agreed in writing, the Agency shall review the merits of the request based on the final position description signed by the Appointing Authority.
- (2) The Union shall be entitled during the sixty (60) day review period and prior to issuance of the Agency decision to meet with the Agency or to present further written arguments in support of the request.
- (3) The Agency will notify the employee and supervisor of its decision and provide a copy of the final position description signed by the Appointing Authority.
- (4) Should the duties of the position support the proposed reclassification, the Agency shall make a determination whether to seek legislative approval for reclassification or remove selected duties within one-hundred twenty (120) days, however, this time period may be extended upon mutual agreement of the Parties.

(c) If the reclassification receives legislative approval, the effective date of the reclassification shall be the date the reclassification was finalized in the budget and a note will be added to the CHRO human resources information system with the date that the reclassification was requested. Upon upwards reclassification, the employee will be placed on the step in the new salary range equivalent to their base salary plus work-out-of-classification pending upward reclassification they have been receiving pursuant to Article 26, Section 12. The work-out-of-class pending upwards reclassification differential shall end when the employee is placed in the new salary range. The salary eligibility date shall remain the same.

(d) If a reclassification request does not receive legislative approval or the Agency removes selected duties to be consistent with the employee's current classification, the employee will receive a lump sum payment for the difference between the current salary rate, including work out-of-class pay if any and the proposed salary rate, for the time period beginning the date the reclassification request was received by the Agency through the date the duties were removed.

### **Section 3. Reclassification Down.**

- (a) Reclassification downward is a change in the classification of a position by reducing it to a lower classification.
- (b) The Agency shall, sixty (60) calendar days in advance of a reclassification downward of any position, notify the affected employee(s) in writing of the action, including the specific reasons, and the Chief Human Resource Office Position Description used for the action, which shall be signed by the Appointing Authority.
- (c) If an employee is reclassified downward and their rate of pay is above the maximum of the new classification, their rate of pay will remain the same until a rate in the salary range of the new classification exceeds it, at which time the employee's salary shall be adjusted to that step.
 

If the employee's rate of pay is the same as a salary step in the new classification, the employee's salary shall be maintained at the same rate in the lower range.

If the employee's rate of pay is within the new salary range but not at a corresponding salary step, the employee's salary shall be maintained at the current rate until the next eligibility date. At the employee's next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range plus that amount that their current salary rate is below the next higher rate in the salary range. This increase shall not exceed the highest step in the new salary range.
- (d) Employees who are reclassified downward for non-disciplinary reasons shall be given the same recall rights as employees demoted in lieu of layoff pursuant to [Article 70](#) of this Agreement for reemployment to the classification from which they were reclassified downward.

### **Section 4. Reclassification Equal or Lateral.**

- (a) Reclassification equal or lateral is a change in an employee's job classification from one classification to another with the same salary range base number.
- (b) Rate of pay upon equal or lateral reclassification shall be given no less than the first step of the new salary range.
- (c) If the employee's rate of pay is the same as a salary step in the new classification, the employee's salary shall be maintained at that rate in the new classification until the next salary eligibility date.
- (d) If the employee's rate of pay is within the new salary range but not at a corresponding salary step, the employee's salary shall be maintained at the current rate until the next eligibility date. At the employee's next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range pay scale plus that amount the current salary rate is below the next higher rate in the salary range pay scale. This increase shall not exceed the highest rate in the new salary range.
- (e) If an employee's previous salary is above the maximum of the new classification, their rate of pay will remain the same until a rate in the salary range of the new classification exceeds it, at which time the employee's salary range shall be adjusted to that step.

## **Section 5. Reclassification Appeals.**

### **(a) Filing.**

Reclass Upward. A decision of the Agency to deny a reclassification request may be appealed in writing by the Union to DAS Labor Relations for further review within thirty (30) calendar days after receipt by the Union of the Agency's decision. Such appeal shall include copies of the documents originally provided to the Agency Appointing Authority or designee, including, the written explanation, the position description signed by the Appointing Authority, and all other relevant evidence for the proposed reclassification. Additionally, the Union may include a written rebuttal to the Agency's statement of determination. No new evidence or information will be considered by the Committee, unless the Committee requests additional material for clarification.

Reclass Downward. Within thirty (30) calendar days from the date the employee receives notice that the Agency will reclassify their position downward, they may grieve this action by filing a grievance at the Agency Head level in the grievance procedure, providing a written explanation of the request and all relevant evidence demonstrating why the reclass is in conflict with [Article 81, Section 1](#). The Agency Head shall respond in writing in accordance with [Article 21 — Grievance and Arbitration](#). A decision of the Agency to deny a grievance under this Article may be appealed in writing by the Union to DAS Labor Relations for further review within thirty (30) calendar days after receipt by the Union of the Agency's decision. Such appeal shall include copies of the documents originally provided to the Agency, including the written explanation of the request and all relevant evidence. Additionally, the Union may include a written rebuttal to the Agency's statement of determination. No new evidence or information will be considered by the Committee, unless the Committee requests additional material for clarification.

### **(b) Once appealed to DAS Labor Relations, the matter shall be considered by the Employer designee (or the alternate) and the Union designee (or the alternate) who shall form the Committee charged with the responsibility to consider appeals pursuant to this Article and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Each designee (and each alternate) shall have experience making classification decisions.**

Should the Union designee or the Union alternate be a bargaining unit member, to participate in the process, that employee shall be granted reasonable paid release time during their scheduled workday or a mutually-agreed alternate work schedule. Further, where the Union designee or the Union alternate is a bargaining unit member and the Employer believes the time required by the process presents a hardship for the employing Agency, the Employer may require the Union to designate a qualified replacement for the Committee. Either Party may discontinue this part of the appeals process upon two (2) weeks notice to the other.

The Committee will attempt to resolve the matter by jointly determining whether the current or proposed class more accurately depicts the overall assigned duties, authorities, and responsibilities of the position using the criteria specified in [Article 81, Section 1](#). In this process each of the designees may identify one (1) alternate class that they determine most accurately depicts the purpose of the job and overall assigned duties. If an alternate class is identified, both the Union and DAS Labor Relations shall be notified. If the Parties concur on the alternate class, that shall end the appeal. The Committee will send a written initial decision to the Agency and Union within sixty (60) days from receipt, which will include the reasons for its decision. The Agency or the Union may ask the Committee to reconsider its decision by sending a written reconsideration request which must be based on incorrect or incomplete information in the initial decision. Additional or new evidence/information will not be considered by the Committee after the initial decision has been issued. The reconsideration request must be received by DAS Labor Relations within fifteen (15) calendar days from the date of receipt of the decision. If there is no timely request for reconsideration, the Committee's decision will be final and binding. A copy of the reconsideration request will be provided to the other party, who will have the opportunity to provide a written rebuttal to the reconsideration request, which must be received by DAS Labor Relations within fifteen (15) calendar days from date of receipt. The Committee will reconsider its initial decision and issue a final decision within forty-five (45) calendar days from the date of receipt by DAS Labor Relations of the reconsideration request. In the event the Committee concludes that the proposed or alternate class is more appropriate, management retains the right to modify the work assignment on a timely basis to make it consistent with the Agency's allocation.

### **(c) The Committee may extend, up to thirty (30) days, the time to issue its decision to the Union through notification to the Parties. The Committee may request an additional extension of time to issue its decision to the Union, which, if agreed to, must be stipulated in writing with copy to DAS Labor Relations and shall become part of the grievance record.**

### **(d) If the Committee does not agree on the appropriate classification within sixty (60) days of the appeal to DAS Labor Relations, or from the extension, then the Union may request final and binding arbitration under this clause of the Agreement by a written notice to DAS Labor Relations within the next forty-five (45) calendar day period. Except as specified in this Section, arbitration shall proceed as indicated in [Article 21—Grievance and Arbitration](#).**

Each Party may go forward with only one (1) class. Each Party may choose to take to arbitration either the current class, class appealed to, or an alternate class identified by a committee member.

The Parties will agree upon a permanent appointment of one (1) arbitrator to hear grievances arising from this Article. This arbitrator shall have special qualifications to hear these matters; however, each side retains the right to initiate a change in that assignment upon notice to the other side. The change in the assigned arbitrator shall be effective for any case not yet scheduled for arbitration.

The arbitrator shall allow the decision of the Agency to stand unless they conclude that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities using the criteria specified in Section 1.

In the event the arbitrator finds in favor of the proposed or alternate classification, management retains the right to, on a timely basis, adjust duties consistent with its current classification.

**Section 6.** An incumbent employee who appealed a reclass decision to final decision through the Committee or through an arbitration shall not be eligible to either submit a new reclassification review request or to be reclassified downward by management, unless a change of assigned duties has occurred since that decision or a revised classification has been adopted.

**Section 7.** An employee's classification status change from a Management Service classification to a represented classification may correctly occur through reclassification where it is found that there has been a significant change of position duties, authority, and responsibilities, and as a consequence, the class specification for the proposed classification more accurately depicts the assigned duties, authority, responsibility, and distinguishing characteristics of the position.

**Section 8. Reallocation Appeal Process for New Classes.** Employees in positions allocated to a new classification, who dispute their placement in a new classification can appeal their placement using the following process:

- (a) An appeal may be filed by an individual employee or a Steward or a Union Organizer on behalf of the employee, to the Agency Human Resource Office within thirty (30) calendar days of written notification by the Agency of placement into the new classification. Employees sharing the same or substantially similar position descriptions or employees the Agency agrees to treat as a group may file an appeal as a group. The initial filing should describe the individual or group, including the names of affected members, identify the proposed new classification placement, and the new classification placement believed to be correct by the affected employees. The appeal must include the signed position descriptions used for allocation. In the event that the old classifications are to be abolished, correct placement cannot be back to the prior classification. Using the criteria in Section 1, the Agency shall conduct a review of the allocation. This decision shall be made within thirty (30) calendar days of receipt of the appeal and provided to the affected employees in writing and with a summary of the classification analysis.
- (b) If denied, the Union may appeal the Agency's decision in writing to DAS Labor Relations within thirty (30) calendar days of receipt of the written denial. The appeals will be considered by designees of the Parties using the process set forth in Section 5(b), with the addition of two (2) resource persons, one (1) designated by each Party, to provide technical expertise within the specific series. Appeals shall be decided in order of receipt by DAS Labor Relations. Decisions shall be rendered by the designees no later than sixty (60) calendar days after receipt of the appeal by the Committee.
- (c) The Committee may extend, up to thirty (30) calendar days, the time to issue its decision to the Union through notification to the Parties. The Committee may request an additional extension of time to issue its decision to the Union, which, if agreed to, must be stipulated in writing with copy to DAS Labor Relations and shall become part of the grievance record.
- (d) The decisions of the designees shall be binding on the Parties. However, Agencies may elect to remove duties consistent with this Article or at any point during the process.
- (e) If the appeals Committee cannot make a decision, the matter may be appealed to arbitration per Section 4(d) of this Article.
- (f) The effective date for pay changes shall be the same as that negotiated for implementation of the new classification.
- (g) Appeals of all filled positions will occur first. Where a position is vacated during the appeals process, the Union may continue the appeal provided no changes in duties are anticipated.

## **ARTICLE 85--POSITION DESCRIPTIONS AND QUARTERLY CHECK-INS**

**Section 1. Position Descriptions.** Individual position descriptions shall be reduced to writing and delineate the currently assigned duties, authorities, and responsibilities of the employee's position. A dated copy of the position description shall be given to the employee upon assuming the position and when the position description is amended. The individual position description shall be subject to at least an annual review with the employee. Nothing contained herein shall compromise the right or the responsibility of the Agency to assign work consistent with the classification specification.

If the employee believes the assigned duties, authorities, and responsibilities reflected in their position description are not consistent with the classification specification, the employee may request to meet with their supervisor to discuss their concerns. The supervisor will review the employee's position description to determine if it needs to be updated to accurately reflect the overall assigned duties, authorities, and responsibilities of the position. If updates are necessary, the supervisor will provide the revised position description to the employee within forty-five (45) calendar days of the employee's request.

**Section 2. Quarterly Check-Ins.** Supervisory managers shall conduct check-ins with their employees on a quarterly basis. If a quarterly check-in does not occur, the employee may request a check-in for the missed time period. Supervisory managers shall conduct the requested quarterly check-in no later than thirty (30) calendar days from the date of the request.

The employee shall have the opportunity to provide their input during the quarterly check-in.

Quarterly check-ins are not grievable nor arbitrable under this Agreement nor shall they be used for purposes of disciplinary action or layoff.

REV: 2021,2023

## **ARTICLE 86--WORKLOAD PRIORITIZATION**

Any employee may request assistance from their immediate supervisor in establishing or adjusting priorities in order to carry out their work assignment. The supervisor will take into account variables that impact the difficulty of assignments to

the employee. The employee may request to have the response provided orally or in writing and the immediate supervisor will respond accordingly in a timely manner, unless such request is deemed to be inappropriate or excessive.

## **ARTICLE 90--WORK SCHEDULES**

**Section 1.** A work schedule is defined as the time of day and the days of the week the employee is assigned to work.

- (a) A regular work schedule is a work schedule with the same starting and stopping time on five/eight (5/8) hour days.
- (b) A flexible work schedule is a work schedule which varies the number of hours worked on a daily basis, but not necessarily each day, or a work schedule in which starting and stopping times vary on a daily basis, but not necessarily each day, but which does not exceed forty (40) hours in a workweek and is agreed upon in advance by the employee and the supervisor.

Provided, however, nothing in this Section is intended to prohibit management from changing an employee's flexible work schedule without an employee's consent where such a change is needed in the regular course of business and where the employee has been initially hired by management, or initially placed on a flexible work schedule, with the express understanding that the person hired or the employee so placed on a flexible work schedule is expected to work a flexible work schedule as a condition of their employment.

- (c) An alternate work schedule is anything other than a regular work schedule or a flexible work schedule.

**Section 2.** An employee may request in writing to work any work schedule as defined in Section 1, or any alternate work schedule. No employee requests will be arbitrarily denied or rescinded. The employee's request shall be evaluated on the following criteria before the request can be approved:

- (a) That their requested alternate work schedule will not interfere with their ability and availability to perform the job;
- (b) That the operational needs of the Agency are met;
- (c) That the needs of the public are adequately served; and,
- (d) That a forty (40) hour workweek is maintained for full-time employees, or the established weekly hours for part-time employees.

If these criteria are met, the Agency shall grant the employee's written request.

The Agency shall also consider other extenuating circumstances including, but not limited to, employee use of carpooling, mass transit, or a demonstration of an unusual hardship. Shift differential shall be paid in accordance with [Article 26—Differentials](#).

**Section 3.** Except as may be specifically stated in Articles 90.1-90.5 or Section 2, the workweek is defined as the fixed and regularly recurring period of one-hundred sixty-eight (168) hours during seven (7) consecutive twenty-four (24) hour periods and the workday is the twenty-four (24) hour period commencing at the start of the employee's assigned shift and shall remain fixed at that period for the whole of the workweek, except for flexible work schedules.

**Section 4. Request to Temporarily Modify an Existing Work Schedule.** Subject to the operating needs of the Agency, an employee may, with their immediate supervisor's advance approval, temporarily modify their work schedule (regular, alternate or flexible) in a workweek not to exceed forty (40) hours. REV: 2015, 2021

## **ARTICLE 90T--WORK SCHEDULES (Temporary Employees)**

**Section 1.** A work schedule is defined as the time of day and the days of the week the employee is assigned to work. Management retains the right to modify work schedules.

**Section 2.** A workweek is defined as the fixed and regularly recurring period of one-hundred-sixty-eight (168) hours during seven (7) consecutive twenty-four (24) hour periods. The employee will be notified in writing when the workweek begins and ends.

**Section 3.** For work schedules of six (6) hours or more there shall be an established unpaid meal period of no less than thirty (30) minutes midway in each workday. Employees who are not relieved from their work assignment and are required to remain in their work areas shall have such time counted as hours worked.

**Section 4.** A paid rest period of fifteen (15) minutes in duration for an employee on a five/eight (5/8) work schedule or twenty (20) minutes in duration for an employee on a four/ten (4/10) work schedule should be taken about midway through each four (4) or five (5) hour work period, as appropriate. Employees may be required to remain in the area and/or respond to emergencies during a rest period. If an employee cannot be relieved for a rest period, that employee shall be allowed to take a break in the work area or near the work area without interruption except for emergencies. Under no circumstances will unused rest periods be accumulated and used to reduce work time.

## **ARTICLE 90.5--WORK SCHEDULES (Special Agencies Coalition)**

**Section 1.** Subject to the operating requirements of the Agency, bargaining unit employees shall be placed on regular, alternate, or flexible work schedules as defined in this Agreement (see [Article 90, Work Schedules](#)). Employees placed on regular work schedules shall be scheduled for five (5) consecutive workdays and two (2) consecutive days off within the workweek. Exceptions to the days off provision above shall occur only when they would seriously hamper operations of the Agency. Employees who work alternate schedules of four/ten (4/10) hour days shall be scheduled for three (3) consecutive days off within the workweek. Exceptions to the days off provision above shall occur only when (1) this would seriously hamper operations of the Agency, or (2) when requested by the employee and approved by Agency management.

**Section 2.** The Agency will provide a response to an employee's request to work an alternate or flexible work schedule, including the reason(s) for a denial, within a reasonable period of time. If the employee so requests, the Agency response will be in writing. Upon an employee's request, the Agency will also provide a written explanation when an existing alternate or flexible schedule is rescinded. Requests for alternate and flexible work schedules will be considered in order of application. If more than one (1) employee makes application for such a schedule on the same day and both requests cannot be accommodated, preference shall be given to the employee with the most seniority in the Agency, if possible.

**Section 3.** The workweek shall begin at 12:01 a.m., Monday and end at 12:00 midnight the following Sunday. This workweek shall remain fixed during the term of this Agreement regardless of an employee's scheduled hours of work. Workweeks for employees on work schedules "F" and "M" are governed by Section 15(e) below.

**Section 4.** Consistent with the operating requirements of the Agency, an employee shall be granted a meal period of not less than thirty (30) minutes nor more than one (1) hour, unless mutually agreed otherwise. Meal periods shall normally be scheduled by the Agency at approximately mid-part of the shift. However, upon an employee's timely request, a supervisor may alter the normally scheduled meal period, if the need arises. An employee who is required by the Agency to work the full shift without relief for a lunch period shall have the entire shift counted as time worked. Meal periods will not be changed without reasonable notice.

**Section 5.** All employees shall be granted a rest period of fifteen (15) minutes in every four (4) hours working time or major fraction thereof, except in cases of alternate work schedules, in which case rest periods shall be twenty (20) minutes. Rest periods shall be taken so far as practicable in the middle of such working periods and considered as time worked for pay purposes. Rest periods for employees on work schedules "F" and "M" are governed by Section 15(g) below.

**Section 6.** In order to account for a full forty (40) hours in a workweek in which there is a holiday, employees who work alternate schedules can request a regular schedule or a flexible work schedule (e.g., 2-11s and a 10), pursuant to Section 2 of this Article, or may use appropriate accrued leave or compensatory time.

**Section 7.** An employee may, with their immediate supervisor's advance approval, temporarily modify their work schedule (regular, alternate or flexible) in a workweek not to exceed forty (40) hours and avoid overtime liability. Such request shall be in accordance with [Article 40-Penalty Pay](#), Section 4, Modification of Work Schedule and [Article 32-Overtime](#), Section 5, Schedule Change. Such requests shall not be arbitrarily denied.

**Section 8. Work Schedules "F" and "M".**

- (a) Subsections (b) – (g), below, apply only to work schedules "F" and "M." Work schedules "F" and "M" shall be considered "alternate work schedules."
- (b) Employee requests to be placed on work schedules "F" and "M" shall be governed by [Article 90.5](#), Section 2.
- (c) Work schedule "F" is as follows:
  - Week one – Monday through Thursday, nine (9) hours, and Friday, eight (8) hours.
  - Week two – Monday through Thursday, nine (9) hours, and Friday, off.
  - Workweeks will alternate week to week, between week "one" and week "two," as set forth above.
- (d) Work schedule "M" is as follows:
  - Week one – Monday, eight (8) hours, Tuesday through Friday, nine (9) hours.
  - Week two – Monday, off, Tuesday through Friday, nine (9) hours.
  - Workweeks will alternate week to week, between week "one" and week "two," as set forth above.
- (e) The definition of the workweek addressed in Article 90.5, Section 3, will not apply to employees who work schedule "F" or "M." The definition of the workweek for work schedules "F" and "M" are as follows:
  - (1) The workweek for employees working work schedule "F" shall begin at 12:01 p.m. Friday and end at 12:00 noon the following Friday. This workweek shall remain fixed, so long as an employee continues to work a work schedule "F."
  - (2) The workweek for employees working work schedule "M" shall begin at 12:01 p.m. Monday and end at 12:00 noon the following Monday. This workweek shall remain fixed, so long as an employee continues to work a work schedule "M."
- (f) During a work period when a compensable holiday occurs, an employee on a work schedule "F" or "M" will request their supervisor to adjust their work schedule within the defined workweek period to ensure a record of not to exceed forty (40) hours of paid time that includes the appropriate number of holiday hours. If needed, the employee may use accrued leave or compensatory time, or the employee may request adjustment of their work schedule to account for a full forty (40) hours in the workweek. Such adjustment shall be considered additional straight time worked rather than daily overtime hours. When the compensable holiday, or portion thereof, falls on the employee's scheduled day off, the employee and supervisor will mutually agree on an alternative and commensurate time off within the workweek period.
- (g) Employees on a work schedule "F" or "M" shall be granted two (2) fifteen (15) minute rest breaks on each nine (9) hour workday. Rest breaks will be taken so far as practicable in the middle of the working period and considered as time worked for pay purposes.

In instances where there may be excess volunteers, unscheduling will occur based on seniority. Seasonal employees will be unscheduled prior to releasing or reducing the hours of permanent part-time employees. Nothing in this Section guarantees an eight (8) hour workday.

## **ARTICLE 106.5A--LABOR-MANAGEMENT MEETINGS** (Education, OSD)

**Section 1.** It is recognized that the Oregon Department of Education consists of multiple divisions and worksites. The Agency and the Union agree that early resolution of employees' concerns and workplace issues at the lowest possible level is mutually beneficial. Therefore, the Union and the Agency shall establish one (1) central Labor-Management Committee as outlined in [Article 106–Labor-Management Committees](#).

**Section 2. Sub-Committees.** The Department and the Union may mutually agree to establish joint sub-committees to improve labor-management relationships, work processes, efficiencies, and client service delivery. Requests to establish joint sub-committees shall not be arbitrarily denied by the Union or management. Such joint sub-committees shall be:

- (a) Composed of an equal number of members appointed by the Union and by management unless mutually agreed otherwise,
- (b) Accountable and report to the central Labor-Management Committee to determine whether they should be modified, continued or discontinued, and
- (c) Subject to the provisions of [Article 106–Labor-Management Committees](#).

NEW: 2019

## **ARTICLE 106.5Q--LABOR-MANAGEMENT MEETINGS** (DCBS)

The Agency and the Union agree that early resolution of employees' concerns is mutually beneficial. Therefore, upon written request identifying a specific concern from a group of represented employees, the division administrator or designee will promptly schedule a meeting to confer with the employees. The meeting will be scheduled during or outside normal duty hours at the option of management. If the group exceeds five (5), representatives may be designated to meet with the administrator or designee. The group or a representative of the group will be informed of the results of the meeting. This meeting will not in any way be construed as a grievance.

## **ARTICLE 107--JOB PROTECTION FOR ON-THE-JOB ILLNESS OR INJURY**

**Section 1.** The State and the Union agree to jointly work to reduce the incidence of on-the-job injuries through health and safety programs and to reduce the unemployment and costs associated with on-the-job injuries through a combination of light-duty assignments, worksite modification programs, and expanded return-to-work opportunities.

Each state Agency agrees to meet annually with select representatives from the Union on paid time to review the frequency and type of on-the-job injuries sustained in the Agency, status of worksite modification requests, and to mutually develop training programs to reduce the incidence of work-related injuries. Ultimate decisions on training programs and costs are the prerogative of management. However, the State commits to provide existing resources to develop and staff such programs.

**Section 2.** An employee who has sustained an on-the-job injury and is unable to complete the remainder of their regularly scheduled shift, will be paid for the remainder of their shift on the day the injury occurred, provided the employee subsequently seeks medical attention within three (3) days and files a Workers' Compensation Claim.

**Section 3.** An employee who has sustained a compensable injury or illness shall be reinstated to their former employment or employment of the employee's choice within the Agency, which the Agency has determined is available and suitable upon demand for such reinstatement, provided that the employee is not disabled from performing the duties of such employment. If a position is not available and suitable within the Agency, the employee will be provided employment in another Agency, provided a vacant position exists where the returning worker meets the minimum qualifications and special requirements and the position is intended to be filled.

Any worker, whether covered by this Agreement at the time of injury or not, will be eligible for placement into Agencies covered herein after all filling of vacancies provisions of this Agreement have been completed. Temporary reassignments across bargaining unit lines will not impact representation status.

The State will comply with applicable statutes in administering this Article.

**Section 4.** Certification of a duly licensed physician that the physician approved the employee's return to their regular employment shall be *prima facie* evidence that the employee should be able to perform such duties.

**Section 5.** Upon request of the Agency, an employee shall furnish a certificate as defined in Section 3, concerning their condition and expectation for a date of return to active employment. Any employee who has been released for return to active employment must immediately, but no later than the seventh (7<sup>th</sup>) calendar day following the date the worker is notified by the insurer or self-insured employer by certified mail that the worker's attending physician has released the worker for employment, notify in writing their supervisor, personnel officer, or someone in management who has authority to act on this demand, of their status and that they are available to return to work. Extenuating circumstances may extend the requirement for timely notice. An employee who fails to provide timely written notice of their status shall be considered to have voluntarily terminated their employment.

Employees released by their physician for light or limited duty are eligible for modified work consistent with the physician's certification of the worker's capabilities, the Agency's ability to construct duties and availability of work. However, to be eligible

for possible light duty or modified work, the employee must, where reasonable to do so, keep in regular contact with the Employer beginning with the day following the injury or illness. This assignment of work is temporary and is established through discussions with the physician as to the prognosis of when the employee will be able to return to their full range of duties.

Since duties will be tailored based on a physician's statement of types of light or limited duties the injured employee can do, these duties may overlap various state classifications and may change the essential duties performed by other employees who will suffer no economic detriment due to these temporary work changes. All reasonable efforts will be made to avoid disruption to existing staff, e.g., filling usable vacancies prior to altering the duties of incumbents.

This is a temporary, modified return-to-work plan, to be reviewed every thirty (30) days and may be terminated when warranted by physicians' statements or light duty is no longer required or can no longer be made available. The return of injured workers shall be exempt from [Article 45](#). Concerning the injured worker, light duty assignments can be made without regard to the requirements of [Article 26, Section 10](#), and [Articles 80, 81, 85, and 90](#), and including all coalition language within these Articles, except where specific work assignments have been designated for return of injured workers.

Although duties of non-injured staff may be temporarily (not to exceed six (6) months) changed, such change may not give rise to a claim under the Articles listed above. However, days off and shifts of permanent full-time employees shall not be affected by this program.

**Section 6.** The Employer will cooperate with the Workers' Compensation Program in the modification of work or work stations in order to accommodate employees permanently disabled as a result of a work-related injury or illness.

**Section 7.** When an employee is injured on the job and suffers time loss greater than fifteen (15) days, the Employer shall refer the employee to appropriate sources for explanation of their rights and obligations related to medical, retirement, and Workers' Compensation benefits. A letter to the employee's last address of record shall constitute proper referral.

**Section 8.** All reassignments under this Article will be made in a manner to keep the injured employee at or near their official place of employment. No reassignments under this Article will require such employee to travel more than thirty-five (35) miles or the distance of their regular commute, whichever is greater.

**Section 5.** Upon request, employees who operate a VDT or CRT shall be provided available wrist rests for trial usage. If the wrist rest is determined to be beneficial a permanent wrist rest will be assigned to the station.

## **ARTICLE 123--INCLEMENT OR HAZARDOUS CONDITIONS**

**Section 1. Closures and Curtailments.**

- (a) Closures and curtailments will be announced through pre-designated sites, which may include internet websites, telephone trees, radio stations and/or television media. The Agency shall notify employees of these designated sites and post the notices on Agency bulletin boards by November 1 of each year.
- (b) The Employer/Agency designated official(s) may close or curtail offices, facilities, or operations because of inclement weather, hazardous conditions, or the worksite being inaccessible. The Employer/Agency will announce such closure or curtailment to employees no later than 5:00 a.m. Notifications do not apply to employees who are essential employees.
- (c) Where the Employer/Agency has announced a delayed opening pursuant to Section 1(c), employees are responsible for continuing to monitor the reporting sites for updated information related to the delay or potential closure. Employees may be allowed up to two (2) hours commuting time as reasonably needed to report for work after a delayed opening has been announced. Where an employee arrives late due to this extended commute, they may temporarily modify their schedule with manager's approval, or cover the time with accrued sick leave, vacation, compensatory time off, personal leave or approved leave without pay.

**Section 2. Inclement Weather and Hazardous Conditions Leave for Fair Labor Standards Act (FLSA) Non-Exempt Permanent, Limited Duration, and Seasonal Employees (Non-essential).**

- (a) Curtailment (Delayed Opening). In the event of a curtailment (delayed opening), the affected employee shall be allowed to access inclement weather/hazardous conditions leave for the duration of the curtailment that occurs during their regularly scheduled work day, up to forty (40) hours a biennium.

(b) **Full Day Closure.** In the event of a full day closure, the employee may, with prior supervisory approval, work from home or an alternate work location. Alternate worksites assigned will not be more than fifty (50) miles from the employee's original worksite.

- (1) The employee will use accrued vacation hours, compensatory time off, personal leave time, leave without pay or inclement weather/hazardous conditions leave (not to exceed forty (40) hours a biennium) in any of the following situations
  - i. When no work is available,
  - ii. When no alternate work location is available, or
  - iii. the employee is approved to work from home, but is unable to do so for reasons beyond their control.
 If the employee declines to work from an alternate worksite, the employee will use accrued vacation hours, compensatory time off, personal leave time, or leave without pay.
- (2) The employee may, with Agency prior approval, temporarily adjust their work hours during the same workweek to make up for hours not worked. The Agency shall not suffer any overtime or penalty payments as a result of this schedule change. The employee may be approved to temporarily modify their work schedule to engage in training through the electronic employee training platform or other Agency approved resources remotely. Employees engaging in these options will waive their shift differential for such time.
- (3) Once the forty (40) hours of inclement weather/hazardous conditions leave is used, if there are more Agency closures during the biennium, the employee will use accrued vacation hours, personal leave or compensatory time off, leave without pay or, with prior Agency approval, temporarily adjust their work hours during the same workweek. The Agency shall not suffer any overtime or other penalty payments as a result of the change in schedule.
- (4) Employees will not be eligible for inclement/hazardous conditions leave when their regular days off occur on a day the Agency closes an office or facility, or when the employee is on prescheduled leave or already scheduled to work from an alternate location. Only employees who are scheduled to report to work at the location which is closed, the day of the closure, are eligible for any use of the inclement weather leave.
- (5) Inclement weather/hazardous conditions leave shall not count as hours worked for the purpose of overtime calculation.
- (6) Inclement weather/hazardous conditions leave not used during a biennium will be lost and will not be rolled over into the next biennium. Inclement weather/hazardous conditions leave is not compensable if the employee separates from state service.
- (7) Part-time and job share employees shall be granted such leave in a prorated amount of forty (40) hours per biennium based on the same percentage or fraction of FTE (full-time equivalent) they are hired to work.
- (8) Seasonal employees shall be granted a prorated amount of leave based on the amount of time anticipated they will work in the biennium at the time of hire. For example, if the employee is being hired for a six (6)-month equivalent FTE, they would receive ten (10) hours. The time will not be re-adjusted if the employee is hired into subsequent seasonal positions within the biennium or works longer than originally anticipated.
- (9) When, in the judgement of the Agency, inclement weather/hazardous conditions require the closing of an office or facility following the beginning of an employee's shift, the employee shall be paid for the remainder of the shift.

**Section 3. FLSA-Exempt Permanent, Limited Duration, and Seasonal Employees (Non-essential).** Pursuant to the FLSA, an exempt employee shall be paid for the work shift. An FLSA-exempt employee may be required to use paid leave where the closure applies to that employee for one (1) or more full workweek(s).

**Section 4. Late or Unable to Report.** Except as provided for in Section 6 of this Article, where the Agency remains open and an employee notifies their supervisors that they are unable to or will be late in reporting for work due to inclement weather or hazardous conditions, the employee shall use accrued vacation leave, compensatory time off, personal leave, or leave without pay.

**Section 5. Employees on Pre-Scheduled Leave.** If an employee is on pre-scheduled leave the day of inclement weather or hazardous conditions, the employee will be compensated according to the approved leave.

**Section 6. Essential Employees.**

- (a) For purposes of this Article, essential employees are employees who cannot perform their core job duties from a remote work location.
- (b) The Agency shall maintain a list(s) of essential employees for inclement weather and hazardous conditions. Essential employees shall be notified of this designation no later than November 1 of each year or upon hire. Such designations may be modified with two (2) weeks advance notice to the affected employee(s).

**Section 7. Evacuated from Home.** Employees who have been evacuated from their homes shall be eligible to use inclement weather/hazardous condition leave not to exceed a combined total of forty (40) hours per biennium.

**Section 8. Inclement Weather/Hazardous Conditions and Existing Remote Work Agreements.** Inclement conditions may arise in remote work locations. If utility providers experience outages that prevent an employee from working, employees may access inclement weather/hazardous conditions leave, unless there is an alternate work location available. If an employee declines an alternate worksite, the employee shall use accrued vacation leave, compensatory time off, personal leave, or leave without pay.

**Section 9.** Use of the inclement weather/hazardous conditions leave for either curtailment of full-day closures shall not exceed a combined total of forty (40) hours per biennium.

**Section 10. Temporary Employees.** Non-exempt employees will be unscheduled from work and FLSA-exempt temporary employees will be in paid status for closures less than one (1) full workweek and unscheduled from work for closures more than one (1) full workweek under this Article unless the temporary appointment ends.

## **ARTICLE 124.5--BUS DRIVERS** (Special Agencies Coalition)

Physical examinations for bus drivers' licenses required by the Agency shall be provided by the Agency.

## **ARTICLE 125--TECHNOLOGICAL CHANGE/ RETRAINING**

**Section 1. Definition.** Technological change is defined as a change in equipment, particularly of an electronic or mechanized nature, and/or a change in software which may have the result of reducing the number of bargaining unit employees, reducing the required work hours of bargaining unit employees, significantly impacting the body of work performed by bargaining unit employees, and/or altering skill requirements for job positions within the bargaining unit.

**Section 2.** The Parties support technological advancement, recognizing that it is necessary to ensure an expanding economy. Similarly, the Parties recognize that job displacement, occupational shifts, and employee working conditions may be adversely affected by the introduction of new technology. To reconcile these conflicting realities, the Parties agree to the following:

- (a) The Employer agrees to give the Union sufficient advance notice of anticipated technological changes which will have a substantial impact on the manner in which job duties of a significant number of employees are performed so that it can review such changes and evaluate the impact on bargaining unit members. With this notice, the Employer shall inform the Union of whether and to what extent it anticipates that the changes will displace employees, cause a reduction in work hours, cause a change in skill requirements, or result in the fragmentation of existing jobs.
- (b) An ad hoc Union/Management Technological Change Committee, composed of three (3) persons chosen by the Union and three (3) persons from management, shall be established for the purposes of reviewing the technological change and its impact on the working conditions of bargaining unit members. Nothing in this Section precludes Committee members from either Party from inviting non-committee members with relevant expertise to work with the committee (e.g. Information Systems, Change Management, Communications) on an ad hoc basis.
- (c) The Employer agrees to meet with the Union to discuss the Committee's findings and recommendations and it agrees to make every good faith effort to reduce the detrimental effects of technological change on bargaining unit members.

## **ARTICLE 130--PROFESSIONAL RECOGNITION**

At the request of an employee who was the primary author of a manual, manuscript, or other similar major publication for which they would like to receive recognition, the Agency agrees to provide appropriate individual recognition on the manual, manuscript, or other similar major publication.

## **ARTICLE 132--CRIMINAL RECORDS CHECK**

**Section 1.** Except as provided by Governor's executive order or state or federal law as implemented by Agency rule or policy, the Employer will not require a criminal records check on any current employee in their current position if the requirement was not in place when the employee was appointed to the position. Agencies will send Agency rules, policies, and subsequent changes to SEIU Headquarters. Upon notification, the Union may exercise its rights pursuant to [Article 5](#) of this agreement as it applies to changes in Agency rule or policy implementing Governor's executive orders or state or federal laws regarding criminal records check requirements.

**Section 2. Position Descriptions and Recruitment Announcements.** If a criminal records check is required for a position, such requirement shall be included in the recruitment announcement. As a position description is revised, the requirement for a criminal records check shall be included, however this does not apply where all agency positions require a criminal records check.

### **Section 3. Determination in Current Position.**

- (a) If an employee is found to be unfit for their current position based on a new criminal records check and the Agency proceeds under [Article 20](#), the employee retains all [Article 20](#) rights.
- (b) If a regular status employee is determined to be unfit for their current position based on a new requirement, then the employee shall be notified of the determination and upon request will be informed of the information from the criminal record used in the determination. The employee will be provided options, including layoff.

**Section 4. Promotions, Transfers, and Voluntary Demotions.** If through a promotion, transfer, or voluntary demotion process a criminal records check is required and an employee is found to be unfit, upon request, the employee will be informed of the information from the criminal record used in the determination.

The appointment to the position will not be delayed. Fitness determinations based on information from the criminal record checks shall not be subject to the grievance/arbitration procedures.

#### **Section 5. Layoff/Recall.**

(a) **Layoff.** In the event of a layoff, a criminal records check will not be required as a condition of employment, for displacing an employee from another job, bumping into another job, demotion to another job, or being recalled to a position, unless specified in the position description. If required, the employee will be notified before the criminal records check commences. Once notified, the employee can waive their right to that position and may displace the lowest seniority employee in a position where no criminal record check is required, pursuant to [Article 70](#) and the prioritization of their option(s) as previously communicated to the Agency.

If all positions in the Agency require a criminal record check, this information will be included in the notification of pending layoff given the Agency is not required to reflect the criminal record check in the position description.

(b) **Recall from Layoff.** If in the recall process an employee is determined to be unfit for a position, upon request the employee will be informed of the information from the criminal record used in the determination. Any appointment to the recall position will be delayed until the conclusion of the meeting.

**Section 6.** Regardless of whether the fitness determination was based on an accurate or inaccurate criminal record, the employee may request a meeting to discuss the information from the criminal record used in the determination. Such discussion, if requested, shall be within five (5) working days of the notification. Upon the request of the employee, a Steward may accompany the employee during the meeting. In the event the fitness determination changes as a result of the information provided, the Agency will notify the employee in writing. If an employee is not satisfied with the results of the meeting, they may appeal the fitness determination as outlined in the Agency rule or policy.

**Section 7.** Fitness determinations based on information from the criminal record checks shall not be subject to the grievance/arbitration procedures, except as provided in Section 3(a).

**Section 8.** Information received as a result of a criminal records check shall be secured in a file separate from the employee's official personnel file. Destruction of the information received as a result of a criminal records check shall be consistent with state or federal law.

**Section 9.** Employees shall not be required to pay the Employer's/Agency's criminal records check fee(s) or Employer/Agency representation costs.

**Section 2.** Pursuant to ORS 659A.283, eligible employees may take up to one-hundred and sixty (160) hours of leave with pay each calendar year. This leave with pay is in addition to any vacation, sick, personal business or other forms of paid or unpaid leave available to the eligible employee. However, an eligible employee must exhaust all other forms of paid leave before the employee may use the one-hundred and sixty (160) hours of paid leave.

**Section 3.** If certification is requested, the employee shall provide it to the Employer within a reasonable amount of time.

### **ARTICLE 136--CRITICAL INCIDENT LEAVE**

Any employee who, during the performance of their work, is directly involved in an incident of on-duty violence (directly involved means physically attacked or physically intervening in an attack of a staff member), will not be required to complete their workday and the employee will be paid for the remainder of their shift. The employee shall be allowed time off immediately after the incident to recover from any physical or psychological impairment or disability caused by the action.

Such leave shall be charged against any accumulated time the employee has earned. The employee may decide the type of accumulated time against which this leave shall be charged. If the employee does not have accumulated time earned, the employee may utilize authorized leave without pay.

However, where an employee is receiving compensation through Workers' Compensation or other victim compensation relief, such charges will be made on a pro-rata basis not to exceed the employee's regular salary.

## **ARTICLE 137--RENT DEDUCTION**

## **ARTICLE 138--WORKING REMOTELY**

**Section 1.** Oregon state government encourages working remotely where it is a viable option that benefits both the employee and the agency. Use of remote work options promote the health and safety of Oregonians; ensures high-quality work and optimal use of resources for agencies; ensures cultural, equity and accessibility issues are addressed in a meaningful way; and supports flexibility and work-life balance for employees. It also offers the opportunity to be more flexible in interactions with the Oregonians we serve and decreases an agency's impact on the environment. Remote work arrangements are subject to the Working Remotely State Policy (50.050.01) and the terms and conditions of this collective bargaining agreement.

**Section 2.** Where an employee's duties can be successfully performed away from their primary duty station, an employee is eligible for remote work, upon agency approval.

**Section 3. Remote Work Requests.** Requests to work remotely may be initiated by the employee and must be reviewed and approved by the employee's supervisor to ensure the position is suitable for work and meets the agency's business and operational needs, as well as those of the agency's customers and the employee. Remote work agreements must be documented through the working remotely process in the state human resources information system. Requests to work remotely shall be considered in order of application and responded to within thirty (30) calendar days.

**Section 4. Remote Work Denials or Rescissions.** No request to work remotely shall be arbitrarily denied or rescinded. The supervisor will conduct a specific assessment of an individual employee's unique job duties and circumstances before determining that the employee is not eligible for remote work. If an employee's request to work remotely is denied, the supervisor must provide a timely written response to the employee documenting the reason(s) for the denial. If an employee's request to work remotely is rescinded, the supervisor must provide the employee with the reason(s) for the rescission in writing. Once a written explanation of the reason(s) for the rescission has been provided, the Employer may rescind the remote work with a minimum of ten (10) calendar days advance notice. The employee may rescind their remote work with a minimum of seven (7) days advance notice. Employees who have either rescinded their remote work or had their remote work rescinded by the Employer shall be eligible to be considered for remote work in the future.

**Section 5. Request to Temporarily Modify an Existing Remote Work Agreement.** Subject to the operating needs of the Agency, an employee may, with their immediate supervisor's approval, temporarily modify their remote work agreement in a workweek. The Agency shall consider extenuating circumstances in making its decision. Such requests shall not be arbitrarily denied.

**Section 6. Inclement Weather/Hazardous Conditions and Existing Remote Work Agreements.** Inclement conditions may arise in remote work locations. If utility providers experience outages that prevent an employee from working, employees may access inclement weather/hazardous conditions leave ([Letter of Agreement 123.00-18-311](#)), unless there is an alternate work location available ([Article 123—Inclement Weather/Hazardous Conditions Leave](#)).

**Section 7. Equipment.** The agency provides basic technology equipment and related devices necessary for the employee to perform their assigned job duties at the remote worksite. The equipment and devices are for agency business only and must comply with the agency's desktop security and maintenance policies and practices. Employees will not conduct state business on the following personal equipment: phones, computers, laptops or other information storing devices. Exceptions are subject to the approval of the state Chief Operating Officer. Additional technology and devices may be provided to the employee at the discretion of the agency or in accordance with the Americans with Disabilities Act (ADA).

Employees who work remotely will enter all assets (equipment, office furniture, etc.) provided to them in the state human resources information system.

**Section 8. Remote Work Supplies.** Remote work office supplies shall be provided by the Agency. Equipment, software or supplies which are provided by the Agency for remote work shall be for the purposes of conducting Agency business only.

**Section 9. Remote Worksite.** Office furniture shall normally be provided by the employee working remotely. Subject to management approval, employee's working remotely may access the State surplus warehouse for office furniture for their remote work location.

The employee maintains a safe remote workspace. The employee must immediately report to the supervisor any injury that occurs during work hours. The state is not responsible for loss, damage, repair, replacement or wear of personal property.

**Section 10. Work Location, Mileage and Travel Time.** The employee's normal reporting location will remain the same. In addition, employees may be required to report to Agency or non-Agency locations for purposes such as meetings, training sessions and policy/practice coverage. Business visits, meetings with Agency customers or meetings with co-workers shall not be held at the remote worksite unless approved by the employee's supervisor. Mileage will be paid in accordance with the DAS OAM Travel Policy. Travel time will be compensated in accordance with the Fair Labor and Standards Act (FLSA).

**Section 11. Expectations and Goals.** Remote work employees and their managers will develop a clear set of expectations and goals for the work to be performed on remote work days. Employees will review and acknowledge the State of Oregon Employees Working Remotely Acknowledgement Form in the state human resources information system.

**Section 12. Training.** Appropriate training will be provided for participating managers and employees.

**Section 13. Other Provisions.** These provisions are applicable to all Sections listed above.

- (a) Call back and overtime will be handled as outlined in the applicable provisions of this collective bargaining agreement.
- (b) Since supervisors must continue to be in a position to evaluate employee performance, certify the accuracy of time sheets and attendance records, and perform a variety of other supervisory responsibilities, employees should anticipate that, in addition to being supervised pursuant to normal office procedures, there will also be the possibility that they will receive telephone calls at the mobile number employees have designated in their remote work arrangement.
- (c) In the event of a work stoppage, remote work arrangements utilized by represented employees shall be suspended.
- (d) Any alleged violations of this Article may only proceed through the DAS Labor Relations Unit (Step 3) and are not arbitrable.
- (e) Members will waive no right to Union representation as enumerated in this collective bargaining agreement or as guaranteed by the law.

## **ARTICLE 140--COMMERCIAL DRIVERS LICENSES**

### **Section 1. Drug Testing**

- (a) Application.  
Agencies may require employees in certain classifications to possess a commercial driver license and perform safety-sensitive functions as a condition of employment. This Article is specifically limited to meeting the alcohol and drug testing requirements pursuant to Federal Department of Transportation regulations for CDLs and applicable law.
- (b) Payment for Testing.  
Agencies will pay for random, reasonable suspicion, post-accident and return to duty testing. If an employee wants additional tests conducted, the employee pays for the test. As used herein, a drug test may include both the initial test and confirmation of a single specimen.  
Where an employee with a positive alcohol/drug test result is offered a last chance agreement by the Agency, which the employee signs, the Agency will pay for the first six (6) follow-up tests required by the certified substance abuse professional.
- (c) Pre-Employment Testing.  
A pre-employment drug test will be conducted under the following conditions, except where conditions listed in Part 382.301(b)(c) are met:
  - (1) New hire to the Agency, unless the employee meets the requirements outlined in the regulations.
  - (2) Return from layoff.
  - (3) Reemployed as a seasonal employee.
  - (4) Promotions, demotions and transfers where the employee moves into a position that requires a commercial driver license.
  - (5) Where an employee possesses a commercial driver license and receives a new assignment requiring the possession of a CDL yet does not change positions.

(d) Consequences of Positive Tests.

When an Agency receives notice of an employee's positive test, the Agency will take one (1) or more of the following actions in addition to removing the employee from safety-sensitive functions.

(1) Random, Reasonable Suspicion and Pre-Employment Tests.

- A. Temporarily assign the employee to non-safety-sensitive functions;
- B. Allow an employee to take accrued leave or leave without pay pursuant to Section (e) if the Agency does not assign non-safety-sensitive functions;
- C. Refer the employee to rehabilitation and last chance agreement;
- D. Take disciplinary action pursuant to the requirements of the Article.

In the case of pre-employment testing for promotions, demotions or transfers where the employee is moving from a position that does not require a CDL to a position that requires a CDL, an additional option is to rescind the appointment.

(2) Post Accident, Follow-Up and Return to Duty Testing.

This Article does not waive employee rights under Part 382.505 as it applies to alcohol test results of 0.02 to 0.039.

The Parties acknowledge that an Agency, at its own discretion, may decide to offer a last chance agreement to an employee as an alternative to termination. However, nothing in the Master Agreement or this Article shall preclude an Agency from issuing a lesser form of discipline in conjunction with offering a last chance agreement.

Last chance agreements will not include blood testing or additional follow-up testing not required by the certified substance abuse professional. The duration of a last chance agreement shall be for a period of five (5) years starting from the effective date of the last chance agreement. After the five (5) year period, the last chance agreement will be removed from the employee's personnel file.

(e) Use of Leaves.

- (1) An employee will be granted Agency time for actual testing, traveling to and from the test site if such travel is required and for meeting with the Medical Review Officer if such meeting is necessary.
- (2) An employee who tests positive in a random, reasonable suspicion or post-accident test can use any accrued leave or leave without pay when removed from their position when the Agency does not assign the employee non-safety-sensitive functions to perform.
- (3) An employee can use accrued leave or leave without pay to enroll in and participate in a rehabilitation program and for meeting with the certified substance abuse professional if such meeting is required.
- (4) If test results are later found to be negative, and the employee used accrued leave when removed from a safety-sensitive function, the employee's leave accrual balance will be restored.

(f) Refusal to Test. An employee who refuses to test will be terminated from state service.

(g) Definition of "Accident" for Purposes of Post-Accident Testing. The definition of "accident" shall be the same as the definition contained in Part 390.5 of the Federal Regulations. Post-accident testing shall be limited to the driver of the commercial motor vehicle pursuant to Part 382.303(a) of the federal regulations.

(h) Status of Person on Return from Layoff and Seasonal Rehire. The consequences for a person on a return from a layoff list or seasonal rehire list as a result of a positive test will be the following:

(1) Return from Layoff.

- A. Alcohol test results of 0.04 or greater or a positive drug test. Upon notice from the employee, the Agency will consider that they exercise their one (1) right of refusal and will continue on the list pursuant to [Article 70, Section 10](#).
- B. Alcohol test results of less than 0.04. The Agency will require that the employee take a return to duty test. If the test is negative, the person will be hired. If the alcohol test is positive, the employee will notify the Agency that they are exercising their one (1) right of refusal and will continue on the list pursuant to [Article 70, Section 10](#).

(2) Seasonal Rehire.

- A. Alcohol test result of 0.04 or greater or positive drug test. The person will not be rehired, but can reapply under reemployment conditions.
- B. Alcohol test results of less than 0.04. The Agency will require that the person take a return to duty test. If the test is negative, the person will be hired. If the test is positive, the person will be denied the position and can reapply under reemployment conditions.

(i) Employees Authorized to Require Reasonable Suspicion Testing. In addition to supervisors, an SEIU Local 503, OPEU-represented employee may be assigned to require reasonable suspicion testing of an employee only when:

- (2) The employee has been trained to determine "reasonable suspicion" in accordance with the Federal regulations covering alcohol and drug testing for commercial drivers.

(j) Requested Written Information.

- (1) Upon request of the affected employee or Union representative, the Agency will provide to the affected employee or Union representative written verification of a positive drug test after the Agency receives such written verification of a positive drug test.
- (2) The number of random drug tests conducted and the number of positive drug tests will be sent to the Union on a quarterly basis.
- (3) Upon the Union's written request, the Agency will obtain from the State Contractor, the location of prior random drug testing for the previous calendar quarter for the Agency for which the Union seeks such information. The purpose of this Agreement is to modify the pay rates for bargaining unit employees who perform coaching duties.

The Parties agree to the following:

1.

(a) When a bargaining unit employee performs extra duties as identified below outside their regular shift, the following rates shall be paid for the designated season in addition to the employee's base pay rate:

Assistant Coach	\$1748

(b) Employees shall be paid at the end of the season or the supervisor and employee may agree to a different payment schedule upon mutual agreement.

(c) Performance of coaching duties shall be on a voluntary basis.

(d) At the end of each sport's season, a calculation shall be made multiplying the number of hours each non-exempt coach or assistant coach worked by time and one-half (1½) the Oregon minimum wage rate. Should this calculation result in a figure higher than the Section 1(a) amount for any of the non-exempt coaches or assistant coaches, these coaches and/or assistant coaches shall be paid the difference as a lump sum (in addition to the amount owing under Section 1(a)).

2. This Agreement shall not establish a precedent or a duty to bargain any other differential for bargaining unit employees in the Agency or expand application of this differential to other bargaining unit employees.

3. This Agreement shall be effective through June 30, 2025.

### LETTER OF AGREEMENT 29.00-23-468

#### **Article 29 – Salary Adjustment**

#### **Biweekly Pay Period**

This Letter of Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer), and the SEIU Local 503, OPEU (Union).

To modernize and standardize pay practices, the State will evaluate the transition from monthly pay periods to bi-weekly pay periods.

Therefore, the Parties agree to the following

1. The Employer shall convene a Joint Labor/Management Statewide Bi-weekly Payroll Implementation Workgroup comprised of an equal number of labor partners and members from management with three (3) SEIU members appointed by the Union. The purpose of this workgroup is to assist in the design and implementation of the bi-weekly payroll including, but not limited to, the assessment of organizational readiness for change, the design of the communication plan, business requirements and testing, change management plan, and employee training. The workgroup shall meet on a schedule it chooses, but no less frequently than once per month.
2. By January 1, 2025, the workgroup will put forth a report on their findings and an opinion as to the Employer's readiness to launch bi-weekly payroll, which will be shared with the DAS Director and Union Executive Director utilizing the following criteria:
  - a. System Readiness: ensuring that the bi-weekly payroll system is fully developed, tested, and ready for deployment.
  - b. Data Accuracy: Validate the accuracy and integrity of employee data within the bi-weekly payroll system.
  - c. Compliance: Ensure that the bi-weekly payroll system complies with all applicable legal and regulatory requirements, such as tax laws, employment regulations, and data protection policies.
  - d. Training and Support: Provide training and resources for employees who will be using the new payroll system. This includes ensuring that all relevant personnel are trained on how to operate the system effectively and efficiently, and that ongoing support mechanisms are in place to address any questions or issues that may arise.
  - e. Organizational Readiness: Using standardized change management tools, such as the ADKAR model, confirm that impacted staff are ready for implementation of the bi-weekly payroll system.

## APPENDIX A – LETTERS OF AGREEMENT

---

3. The State shall develop training for all employees and Agency payroll staff on the necessary topics related to the transition. The training will include an explanation of how deductions (for health insurance contributions, PERS contributions, and deferred compensation, for example) and leave accruals (for vacation and sick leave, for example) will be implemented in bi-weekly paychecks. The training will also explain how overtime will be reported, calculated, and paid. The training shall provide multiple avenues of explanation (such as webinars, self-directed learning, and in-person training) sufficient to explain that employees' pay is not reduced as a result of the bi-weekly timing of paychecks.
4. The Parties agree to establish a joint labor-management committee to discuss and agree on modifications in areas of the CBA where calculations of hours worked or frequency of pay are applied such as: pay dates, deductions, leave accruals, holiday proration, union dues, PEBB contributions, etc. This list is not exhaustive and may be expanded as the contract is reviewed by the joint labor management committee for preparation of bi-weekly pay change implementation.
5. The joint labor management committee shall be comprised of ten (10) members, with four (4) SEIU represented employees appointed by the Union, four (4) management representatives, one (1) SEIU staff and one (1) DAS State Labor Relations Manager. The Union and State may have additional staff work with the committee.
6. The joint labor management committee shall meet on a schedule it chooses, but no less frequently than once per month.
7. Committee and workgroup members convened in accordance with the LOA will be on paid status and shall be reimbursed for authorized travel expenses as per State Travel Policy. Agencies will not incur any overtime as a result of committee meetings or travel. Flexing schedules will be allowed to avoid overtime.

The purpose of this Agreement is to create a statewide joint labor-management committee to explore the impact on employees of the transition to a new payroll system, including but not limited to, moving FLSA non-exempt employees from salaried to hourly and moving to a semi-monthly or bi-weekly pay system.

1. The committee shall have proportional representation from the participating, impacted Unions.
2. The committee shall produce a report that will be made available to all parties.

If the Agency Travel Policy changes, the Union shall be notified and given a copy of the new policy. In such a case as following the Agency Travel Policy becomes less advantageous than following OAM #40.10.00 PO, the Union and the State will meet to discuss whether or not to continue this LOA.

**LETTER OF AGREEMENT 45.00-09-175**  
**Article 45--Filling of Vacancies**
