

ASCENT Programs Coming soon!!

You are invited! Learn about 2026 leadership opportunities

The ASCENT Leadership Program invites all state employees to attend one of our outreach information sessions this summer to learn more about our exciting program and workshops for 2026. Whether you are new to leadership or have years of experience, we offer opportunities to help you grow. These virtual Zoom sessions are open to all state employees, and you can join any session that works best for your schedule.

What will we talk about:

Transformational Leadership Program (TLP)

TLP helps individuals become more self-aware, build stronger relationships, and lead with purpose and vision. The 2026 program and competitive application process will be for non-supervisory employees who want to grow their leadership skills. Applications open on September 1, 2025, at 8 a.m. and close on September 30, 2025 at noon.

Promise of Leadership Workshop

A great option for employees at any level, this workshop boosts leadership awareness and effectiveness. It includes a powerful tool called the Leadership Circle 360 Profile, which gives valuable feedback to help you grow.

Outward Performance Workshop

Learn how to create a stronger, more connected team. This workshop focuses on improving collaboration, breaking down silos, and building trust. It's designed to help organizations achieve lasting change by shifting the way people think, awareness of mindset, and work together.
