[\(4/10\) Applying for Job Posting pt. 2 - steps for internal candidate](#)

[\(5/10\) Candidate Application Assessment - steps for recruiters and managers](#)

[\(6/10\) Initiating Job Offer - steps for managers and compensation partners](#)

[\(7/10\) Moving Offer Letter forward \(Pre-Employment Check\) - steps for candidates and manager](#)

[\(8/10\) Initiating Pre-Employment Check - steps for HR partners and new workers](#)

[\(9/10\) Completing Hire Process \(Onboarding\) - steps for workforce liaisons and new workers](#)

[\(10/10\) Resignation - steps for employees and managers](#)

Note: The Workday Oregon team is continuously working to improve the processes and experience in Workday. These videos are intended to give you an overall understanding of how the business processes flow through the use of the different security roles. For step by step instructions of the above processes, please see the current job aids within the [Workday Oregon page](#) as they are updated on a regular basis.
