June 2017

## Project update: eProcurement

### From Project to Program

The OregonBuys project consisted of nine collaborating state agencies, working together to acquire a system to streamline and manage the many steps involved in buying goods and services.

With the completed Price Agreement (now posted on ORPIN under Price Agreement #6209) and finalized ongoing governance, OregonBuys is now a program! The OregonBuys Program Executive Sponsors are continuing conversations with CFO and LFO regarding ongoing funding for the program.

### Oregon Instance Implementation

The 1<sup>st</sup> Work Order to create the Oregon Instance of the solution has been drafted. The Oregon Instance will serve as the back bone for agencies to begin their implementations. Stage Gate 3 documents for the Oregon Instance have been prepared and submitted to Oregon State Chief Information Office (OSCIO). OSCIO will review and provide comments on these documents, then the Work

Order negotiations with Periscope will occur.

### Implementation Toolkit

The [Implementation Toolkit](#) website contains information on the OregonBuys program, including project history, planning, implementation, and lessons learned documents that agencies can use in preparation for their own implementations. New information is added to this website frequently.

### Product Demonstrations - SAVE THE DATE!

Periscope will be here July 18<sup>th</sup> – 20<sup>th</sup> for a solution demonstration. Two days will be spent providing an overview of the entire solution, including a question and answer segment. An additional day, by reservation only, will allow agencies to ask agency specific questions. Additional details to follow.

#### End-to-end Procurement Project

Project manager: Dave Whitbeck, Forestry  
Executive Sponsors chair: Jeff Morgan, SoS  
Executive Sponsors vice chair: Shawn Waite, DOR  
Steering Committee co-chair: Shawn Jacobsen, DHS  
Steering Committee co-chair: Sarah Roth, SoS
