Subject: OregonBuys Post Go-Live Support
Date: Tuesday, August 9, 2022 4:16:15 PM

Dear Organization Administrators,

Now that your agency is live with OregonBuys' procure-to-pay functionality, it's important that your staff know how to get system support if they need it.

We recommend adding a News Item to your OregonBuys Organization that lists the various support options. In case you need it, here's a link to the [instructions on how to add a News Item in OregonBuys](#). These are the support options offered at the enterprise level - please edit as needed:

Contact the OregonBuys helpdesk at 1-888-472-9102 or epro-support@periscopeholdings.com for help in activating your account or to get system support.
You can also bring questions to a drop-in support session:
