Subject: Phase 2 Users
Date: Thursday, March 10, 2022 1:57:12 PM

Good Afternoon Project Coordinators,

Periscope has begun the process of building user accounts in OregonBuys Production for the Phase 2 users you provided in your agency spreadsheet. These users will not be notified of their account at this time; we will coordinate with you on the communication to them as we get closer to Go-Live. However please let your agency's Organization Administrators know that this work is underway so they are not caught off guard if they see them in the user list.

Thank you,
OregonBuys
