Good Afternoon PCs and SPOCS,

Process design workshops are winding down, and we'll soon shift to the next project activity of **Agency Core Team Validation**. To prepare for this work, we need you to confirm your list of core team members and their OregonBuys system roles.

Please review the attached spreadsheet and send edits to me by Wednesday, November 30th.

Lastly, as a reminder, validation comprises two things: R*STARS testing and scenario validation. We'll start with required R*STARS testing (only for core team members in the AP role) and then move to scenario validation (for all core team members shown in the spreadsheet).

Once we hear back from you, we'll send calendar invitations and details.

Thank you for your help,

Adam Helvey
