Subject: OregonBuys | Change Management Survey
Importance: High

Dear OregonBuys Project Coordinators and SPOCs,

It's time to distribute a change management survey to your staff to help us measure our project communications efforts so far.

Please copy/paste the message provided below into a new email. Then, distribute to your list of affected staff (from the data collection spreadsheet) and encourage their participation. Feel free to reach out to me if you have any questions:

We need your help!

As you're aware, OregonBuys preparations are well underway at our agency. We know the new system functionality will bring changes for many of you – so we want to ensure you're getting the right level of information.

We'd appreciate it if you could take a short 2-minute survey to help us measure our communications efforts so far. Please [click here](#) to take the survey by the close of business on Friday, July 21.

Thank you for participating,
