

# Managed Print Services:

## Simple Printing Solutions for Your Office

Managed Print Services (MPS) makes office printing easy and affordable. Instead of worrying about printers, supplies, and repairs, MPS takes care of everything for you.

MPS handles billing, maintenance, service, and supplies—all under one agreement. No more dealing with multiple invoices or unexpected issues, ensuring timely service and smooth operations.

Your agency gets high-quality printers that fit your needs, plus full support. We partnered with Ricoh USA Inc., a leader in printing technology, to provide top-quality equipment and excellent customer service.

Our goal is to provide Oregon agencies dependable solutions at discounted rates that help you stay on budget.
