- C. Costs Paid for by Others. Grantee may not use any of the Grant to pay internal costs charged to the Project by Grantee or by Related Parties or to repay the interest owed for any interim financing for the Project. Grantee may not use any of the Grant to repay the

Grantee has disclosed in writing to DAS all facts that may materially adversely affect the Project, or the ability of Grantee to perform all obligations required by this Agreement. Grantee has made no false statements of fact, nor has it omitted information necessary to prevent any statements from being misleading, regarding the Grant, the Project, and this Agreement. The information contained in this Agreement is true and accurate in all respects.
- C. Pending Litigation. Grantee has disclosed in writing to DAS all proceedings, environmental or otherwise, pending (or to the knowledge of Grantee, threatened) against or affecting Grantee, in any court or before any governmental authority or arbitration board or tribunal, that, if adversely determined, would materially adversely affect the Project or the ability of Grantee to perform all obligations required by this Agreement.

- D. No Defaults.
- (1) No Defaults or Events of Default exist or occur upon authorization, execution, or delivery of this Agreement.
 - (2) Grantee has not violated and has not received notice of any claimed violation of any agreement or instrument to which it is a party or by which the Project or its property may be bound, that would materially adversely affect the Project or the ability of Grantee to perform all obligations required by this Agreement.
- E. Compliance with Existing Agreements and Applicable Law. The authorization and execution of, and the performance of all obligations required by, this Agreement will not: (i) cause a breach of a material agreement, indenture, mortgage, deed of trust, or other instrument, to which Grantee is a party or by which the Project or any of Grantee's property or assets may be bound; (ii) violate any provision of the applicable enabling statutes, code, charter, ordinances or other Oregon law pursuant to which Grantee was organized or established; or (iii) violate any laws, regulations, ordinances, resolutions, or court orders related to Grantee, the Project or Grantee's properties or operations.

Grantee has obtained or will obtain all permits and approvals, and has made or will make all notifications, declarations, filings or registrations, required for the making and performance of its obligations under this Agreement and undertaking and completion of the Project, including without limitation, all land use approvals and development permits required under local zoning or development ordinances, state law and federal law for the use of the land on which the Project will be located. "Land use approvals and development permits" includes, but is not limited to, any necessary "land use decision" or "limited land use decision" as those terms are defined by ORS 197.015(10) and (12).
- G. Cost of the Project. The Project Budget as described in Exhibit B represents the total cost of the Project (the "Cost of the Project") based on contracts entered into or solicited by Grantee or Grantee's estimate of the labor and materials necessary to complete the Project.

SECTION 6 – COVENANTS OF GRANTEE

Grantee covenants as follows for so long as the Bonds and any obligations issued to refund the Bonds are outstanding:

- A. Compliance with Laws. Grantee shall comply with all applicable laws, rules, regulations and orders of any court or governmental authority that relate to this Agreement and the Project. These laws, rules, regulations, and orders are incorporated by reference in this Agreement to the extent required by law.
- B. Project Reporting Obligations.

- (1) Promptly after the Grant Completion Date and in no event later than the Grant Closeout Deadline, Grantee shall furnish the State with a final report on Grantee's expenditure of the Grant; and
 - (2) Grantee shall provide such additional reports as the State may reasonably request from time to time, including information or documentation that the State determines is necessary to comply with arbitrage and private use restrictions that may apply to the Bonds.
- C. Real Property. Legal title to all real property financed with the Grant shall be owned in fee simple by Grantee, free and clear of all encumbrances other than minor encumbrances. Grantee shall maintain a standard form of title insurance policy for the value of the purchase price of the property, and where appropriate will purchase endorsements to that policy in amounts to cover improvements. Where Grantee suffers a loss that is covered by title insurance, insurance proceeds will be paid to the State, not to exceed the amount necessary to call or defease the portion of the Bonds relating to the Project (including all allocable costs of issuance).
- D. Operation and Maintenance of the Project. Grantee agrees to construct the Project in accordance with the Project plans, specifications, and budget and to contract with competent, properly licensed, and bonded contractors and professionals in accordance with all applicable federal, state, and local laws regulating construction of the Project. Grantee agrees to have plans and specifications for the Project prepared by a licensed architect or licensed engineer and to require that the Project meets applicable standards of survival in good condition. Prior to commencement of any Project construction, Grantee shall require the general contractor for the Project to procure and maintain in full force and effect throughout the entire time of construction and until one year after the Project is completed, a performance and payment bond for the faithful performance and payment of all of the contractor's obligations for the total Cost of the Project. The Grantee shall be named as the obligee on the bond. Grantee shall operate and maintain the Project in good repair and operating condition so as to preserve the public benefits of the Project, including making all necessary and proper repairs, replacements, additions, and improvements until the bonds are no longer outstanding.
- E. Insurance, Damage. Grantee shall maintain insurance policies with responsible insurers or self-insurance programs, insuring against liability and risk of direct physical loss, damage, or destruction of the Project, at least to the extent that similar insurance is customarily carried by entities constructing, operating, and maintaining similar facilities. If the Project or any portion is destroyed, insurance proceeds will be paid to the State, not to exceed the amount necessary to call or defease the portion of the then outstanding Bonds relating to the Project (including all allocable costs of issuance), unless DAS agrees in writing that the insurance proceeds will be used to rebuild the Project.
- F. Sales, Leases and Encumbrances. Grantee shall not sell, transfer, encumber, lease, or otherwise dispose of any property paid for with disbursements of the Grant, unless worn out, obsolete, or, in the reasonable business judgment of Grantee, no longer useful in the operation of the Project. Nevertheless, DAS may consent to such disposition if it has

received prior written notice from Grantee. In the case of sale, lease, exchange, transfer or other disposition of any substantial portion of or interest in the Project, Grantee shall, within 30 days of receipt of any proceeds from such disposition, pay such proceeds to the State, not to exceed the amount necessary to call or defease the portion of the then outstanding Bonds relating to the Project (including all allocable costs of issuance), unless DAS agrees otherwise in writing.

- G. Condemnation Proceeds. If the Project, or any portion of the Project, is condemned, within 30 days of receipt of any condemnation proceeds, Grantee shall pay such proceeds to the State, not to exceed the amount necessary to call or defease the portion of the then outstanding Bonds relating to the Project (including all allocable costs of issuance), unless Grantee has informed DAS in writing that the condemnation proceeds will be used to rebuild the Project.
- H. Financial Records. Grantee shall keep accurate books and records regarding use of the Grant and maintain them according to generally accepted accounting principles applicable to Grantee in effect at the time.
- I. Inspections; Information. Grantee shall permit the State and any party designated by the State: (i) to inspect the Project and (ii) to inspect and make copies of any accounts, books, and records, including, without limitation, Grantee's records regarding receipts, disbursements, contracts, investments, and any other related matters. Grantee shall supply any reports and information related to the Project as the State may reasonably require.
- J. Records Maintenance. Grantee shall retain and keep accessible all books, documents, papers, and records that are directly related to this Agreement, the Project, or the Grant until the date that is three years following the later of the final maturity or earlier retirement of all of the Bonds (including the final maturity or redemption date of any obligations issued to refund the Bonds) or such longer period as may be required by other provisions of this Agreement or applicable law.
- K. Notice of Default. Grantee shall give DAS prompt written notice of any Default as soon as any senior administrative or financial officer of Grantee becomes aware of its existence or reasonably believes a Default is likely.
- L. Representations and Covenants Regarding Prevailing Wage.
 - (1) The prevailing wage rate requirements that may apply to the Project are set forth in ORS 279C.800 through 279C.870 and the administrative rules promulgated thereunder ("PWR"), or, if applicable, 40 U.S.C. 3141 et seq. ("Davis-Bacon Act"). If applicable, Grantee shall:
 - a. require its contractors and subcontractors to pay the applicable PWR or Davis-Bacon Act rates and to comply with all other Oregon Bureau of Labor and Industries ("BOLI") requirements pursuant to the PWR, including on all contracts and subcontracts and in filing separate public works bonds with the Construction Contractors Board (applicable wage rates are those in effect on the effective date of this Agreement and may be accessed via: BOLI:

Prevailing Wage : For Employers : State of Oregon and <https://sam.gov/>;

- b. upon execution of this Agreement calculate the fee required by OAR 839-025-0200 to 839-025-0230 based on the Cost of the Project and submit the fee to BOLI, along with the required forms, with a copy to DAS. If, after completion of the Project, the Cost of the Project is higher than the estimate on which the fee was paid to BOLI, Grantee shall pay any additional fee amount owed to BOLI as set forth in the PWR rules; and
 - c. submit to DAS any forms or records required under PWR related to wages paid on the Project, hours or other requirements that must be submitted to a public agency providing funding for the Project.
- (2) If Grantee believes the Project is not subject to PWR, Grantee must obtain and provide DAS with a copy of a coverage determination letter from BOLI that confirms the Project is not subject to PWR requirements before proceeding.
 - (3) Grantee represents and warrants that it is not on the BOLI current List of Contractors Ineligible to Receive Public Works Contracts and that it will not contract with any contractor on this list.
- M. Indemnity; Release. Grantee shall defend, indemnify, save and hold harmless and release the State, its officers and employees from and against any and all claims, demands, suits, actions, proceedings, losses, damages, liability and court awards including costs, expenses, and reasonable attorneys' fees and expenses at trial, on appeal and in connection with any petition for review, arising out of or relating to Grantee, its officers, employees, contractors, or agents in connection with this Agreement, the Project, PWR or Davis-Bacon Act requirements or, if applicable, the tax-exempt status of the Bonds (if any), including without limitation, any expenses incurred or amounts paid in connection with an inquiry, investigation, audit or similar proceeding by BOLI, the Internal Revenue Service, the Securities and Exchange Commission, Municipal Securities Rulemaking Board and any other federal, state, governmental or quasi-governmental body with regulatory jurisdiction over the Bonds, arising from the Project or the actions or omissions of Grantee.
- N. Representations and Covenants Regarding the Tax-Exempt Status of the Bonds.
- (1) Grantee acknowledges that the Bonds have been or are expected to be issued with the interest paid on the Bonds excludable from gross income for federal income tax purposes and that the uses of the Grant proceeds and the Project by Grantee during the term of the Bonds may impact the tax-exempt status of the Bonds. Grantee agrees to comply with all applicable provisions of the Code necessary to protect the exclusion of interest on the Bonds from federal income taxation.
 - (2) Grantee shall not, without prior written consent of DAS, permit any portion of the Project to be used in such a way that could result in the State of Oregon receiving

direct or indirect payments or revenues (excluding generally applicable taxes) from any use of the Project.

- (3) Unless Grantee receives the prior written approval of DAS, Grantee shall not directly or indirectly use any of the Grant proceeds to make or finance loans to persons other than governmental units, as that term is used in Section 141(c) of the Code.
- O. Representations and Covenants Regarding “Arbitrage Bonds”. The Grantee shall not directly or indirectly use or permit the use of any of the Financing Proceeds or any other funds or take any action or omit to take any action, which would cause any Lottery Bonds to be “arbitrage bonds” within the meaning of 26 U.S.C. Section 148(a).

SECTION 7 – DEFAULTS

- A. Grantee Default. Any of the following constitutes an “Event of Default” of Grantee:
- (1) Any false or misleading representation is made by or on behalf of Grantee, in this Agreement or in any document provided by Grantee to DAS related to this Grant or the Project or in regard to compliance with the requirements of section 103 and sections 141 through 150 of the Code.
 - (2) Grantee fails to perform any obligation required under this Agreement, other than those referred to in subsection A(1) of this Section 7, and that failure continues for a period of 30 calendar days after written notice specifying such failure is given to Grantee by DAS, or such longer period as DAS may agree to in writing, if DAS determines Grantee has instituted and is diligently pursuing corrective action.
 - (3) Grantee: (i) applies for or consents to the appointment of, or the taking of possession by, a receiver, custodian, trustee, or liquidator of itself or of all of its property, (ii) admits in writing its inability, or is generally unable, to pay its debts as they become due, (iii) makes a general assignment for the benefit of its creditors, (iv) is adjudicated a bankrupt or insolvent, (v) commences a voluntary case under the Federal Bankruptcy Code, (vi) files a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts, (vii) fails to controvert in a timely and appropriate manner, or acquiesces in writing to, any petition filed against it in an involuntary case under the Bankruptcy Code, or (viii) takes any corporate action for the purpose of effecting any of the foregoing.
 - (4) A proceeding or case is commenced, without the application or consent of Grantee, in any court of competent jurisdiction, seeking: (i) the liquidation, dissolution or winding-up, or the composition or readjustment of debts, of Grantee, (ii) the appointment of a trustee, receiver, custodian, liquidator, or the like of Grantee or of all or any substantial part of its assets, or (iii) similar relief in

respect to Grantee under any law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts, and such proceeding or case continues undismissed, or an order, judgment, or decree approving or ordering any of the foregoing is entered and continues unstayed and in effect for a period of sixty (60) consecutive days, or an order for relief against Grantee is entered in an involuntary case under the Federal Bankruptcy Code.

- B. DAS Default. DAS will be in default under this Agreement if it fails to perform, observe, or discharge any of its covenants, agreements, or obligations under this Agreement.

SECTION 8 – REMEDIES

- A. Remedies. Upon any Event of Default, DAS may pursue any or all remedies in this Agreement, and any other remedies available at law or in equity (including specific performance) to collect amounts due or to become due or to enforce the performance of any obligation of Grantee. Remedies may include, but are not limited to:
- (1) Terminating DAS' commitment and obligation to make any further disbursements of the Grant under this Agreement.
 - (2) Barring Grantee from applying for future grants.
 - (3) While any of the Grant remains undisbursed, withholding amounts otherwise due to Grantee and applying such amounts to the payment of amounts due under this Agreement.

- B. Application of Moneys. Any moneys collected by DAS pursuant to Section 8.A will be applied first, to pay any reasonable attorneys' fees and other fees and expenses incurred by the State of Oregon; then, to repay any Grant moneys owed; and last, to pay any other amounts due and payable under this Agreement.
- C. No Remedy Exclusive; Waiver; Notice. No remedy available to DAS is intended to be exclusive, and every remedy will be in addition to every other remedy. No delay or omission to exercise any right or remedy will impair or is to be construed as a waiver of such right or remedy. No single or partial exercise of any right, power or privilege under this Agreement will preclude any other or further exercise thereof or the exercise of any other such right, power or privilege. DAS is not required to provide any notice in order to exercise any right or remedy, except as set forth in Section 7.A.2.
- D. Grantee Remedies. In the event of default by DAS, Grantee's sole remedy will be for reimbursement of Project Costs reviewed and accepted by DAS, less any claims DAS has against Grantee.

SECTION 9 – MISCELLANEOUS

- A. Time is of the Essence. Grantee agrees that time is of the essence under this Agreement.
- B. Relationship of Parties; Successors and Assigns; No Third-Party Beneficiaries.
- (1) The parties agree that their relationship is that of independent contracting parties and that Grantee is not an officer, employee, or agent of the State of Oregon as those terms are used in ORS 30.265.
 - (2) Nothing in this Agreement gives, or is to be construed to give, directly or indirectly, to any third persons any rights and benefits greater than those enjoyed by the general public.
 - (3) This Agreement will be binding upon and inure to the benefit of DAS, Grantee, and their respective successors and permitted assigns.
 - (4) Grantee may not assign or transfer any of its rights or obligations or any interest in this Agreement without the prior written consent of DAS. In the event of an assignment, Grantee shall pay, or cause to be paid to DAS, any fees or costs incurred because of such assignment, including but not limited to reasonable attorneys' fees of DAS's counsel and Bond Counsel. Any approved assignment is not to be construed as creating any obligation of DAS beyond those in this Agreement, nor does assignment relieve Grantee of any of its duties or obligations under this Agreement.
 - (5) DAS may assign this Agreement to a successor agency or entity without the consent of or notice to Grantee.
- C. Disclaimer of Warranties; Limitation of Liability. Grantee agrees that:
- (1) DAS makes no warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for particular purpose or fitness for any use of the Project or any portion of the Project, or any other warranty or representation.
 - (2) In no event is DAS, any agency of the State of Oregon or its agents liable or responsible for any direct, indirect, incidental, special, consequential, or punitive damages in connection with or arising out of this Agreement or the existence, furnishing, functioning or use of the Project.

- E. No Construction Against Drafter. This Agreement is to be construed as if the parties drafted it jointly.
- F. Severability. If any term or condition of this Agreement is declared by a court of competent jurisdiction as illegal, invalid, or unenforceable, that holding will not invalidate or otherwise affect any other provision.
- G. Survival. The covenants of Grantee under this Agreement related to the tax-exempt status, if any, of the Bonds, the continued operation and maintenance of the Project, default and remedies, including without limitation Sections 6, 7, 8, and 9.G. and I. of this Agreement, shall survive disbursement of the Grant Amount and termination of this Agreement until the Bonds (including the final maturity or redemption date of any obligations issued to refund the Bonds) are no longer outstanding.
- H. Amendments, Waivers. This Agreement may be amended only by mutual written agreement of the parties. No waiver or consent is effective unless in writing and executed by the party against whom such waiver or consent is sought to be enforced. Such waiver or consent will be effective only in the specific instance and for the specific purpose given.
- I. Choice of Law; Designation of Forum; Federal Forum. The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Agreement, including, without limitation, its validity, interpretation, construction, performance, and enforcement.

Any party bringing a legal action or proceeding against any other party arising out of or relating to this Agreement shall bring the legal action or proceeding in the Circuit Court

of the State of Oregon for Marion County (unless Oregon law requires that it be brought and conducted in another county). Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

Notwithstanding the prior paragraph, if a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of Oregon. This paragraph applies to a claim brought against the State of Oregon only to the extent Congress has appropriately abrogated the State's sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This paragraph is also not a waiver by the State of Oregon of any form of defense or immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

- J. Integration. This Agreement (including all exhibits, schedules, or attachments) constitutes the entire agreement between the parties on the subject matter. There are no unspecified understandings, agreements, or representations, oral or written, regarding this Agreement.
- K. False Claims. Grantee will refer to the DAS contact identified for receipt of notices under this Agreement, any credible evidence that a principal, employee, agent, sub-grantee contractor, contractor or other person has submitted a false claim under the False Claims Act, ORS 180.750 to 180.785, or has committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity or similar misconduct involving funds provided under this Agreement.
- L. Execution in Counterparts. This Agreement may be signed in several counterparts, each of which is an original and all of which constitute one and the same instrument.

Grantee, by its signature below, acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms and conditions.
