or hey know they require service for the next year so opt to sign a 12-month contract in order to access the lowest monthly rate.

or ompany ABC ends up using a total of 20 minutes to place calls to a mobile phone number.

• Company ABC is responsible for:

olarge unlimited monthly talkgroup charge = \$500

- o Monthly PTT access for all 10 Extreme PTT devices = \$65/device x 10 devices = \$650
- o Monthly Global voice for all 10 Extreme PTT devices = \$25/device x 10 devices = \$250
- o Airtime use for 20 voice minutes used = 20 minutes x \$1.39/minute = \$27.80
- Total Charges for the Month = Monthly Talkgroup Charge (\$500) + Monthly PTT Access (\$650) + Monthly Global Voice Access (\$250) + Charges for Voice Minutes (\$27.80) = \$1,427.80/month exclusive of applicable taxes and fees.

Terms and Conditions

A \$20 activation fee applies when activating a ZOLEO monthly plan.

Plans can be changed online any time, and suspended or canceled any time after the initial 3-month term; monthly fees and allotments will be prorated accordingly.

Plans auto-renew month-to-month until suspended or cancelled; no credits for cancellations or suspensions within the first 3 months.

Suspend your plan when not in use for just \$4/month. While suspended, you retain your ZOLEO SMS number and email address and your account remains active but your device will not transmit messages (including SOS). Unsuspend online any time with no activation fee. Suspensions are limited to once per monthly bill cycle.

Cellular and Wi-Fi messages consume data similar to other messaging applications. You are responsible for these data costs; they're not included in your ZOLEO monthly plan.

SOS messages are included and do not decrement from your plan.

A Fair Use Policy applies to all unlimited and SMS messages and may be applied if your use of unlimited and/or SMS messages greatly exceeds average consumer usage.

You may use your ZOLEO product anywhere there is network coverage (subject to any applicable restrictions due to export laws, local laws, licensing requirements and regulations).

Please see ZOLEO Standard Terms and Conditions for complete details.
