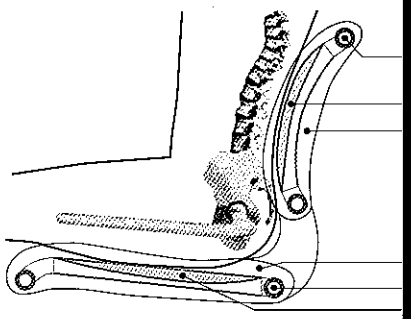
Every A.D.I. chair is manufactured using this highly ergonomic system developed by A.D.I. that frees the body from any contact with a rigid surface. Braided polyethylene straps stretched over a tubular steel frame ensure comfort, lightness and well being.



conditions of sale

Prices
All prices shown are suggested retail prices, no taxes included, and are subject to change without notice.

These prices are guaranteed for 30 days from the date of quotation and are firm and final after acceptance of the order.

Terms of payment: net 30 days from date of invoice.

No cash or early payment discount.

Prices do not include installation.

Orders
All orders must be approved by A.D.I.
Our written acknowledgment binds the two parties. Customers are responsible for checking the information on the acknowledgment. Any subsequent change must be approved by A.D.I. and may result in additional charges.

All orders are subject to a minimum charge of $50 list.

Cancellation
If an order is cancelled without consent, A.D.I. reserves the right to charge the customer for the portion of the order which has been completed at the date of cancellation, plus an amount equal to the profit lost on the remaining portion of the order.

Prices & Shipping

a) The prices are F.O.B. Distributor (landed) for all locations in continental U.S.A.
Parts orders are F.O.B. factory for all locations plus any shipping costs.
Delivery is made to the unloading dock and does not include unpacking or installation, and there are no inside deliveries unless approved by A.D.I

b) Shipments will be handed over to the common carrier in good condition; A.D.I.'s liability ceases at this point. A.D.I. will choose the carrier unless the shipment is F.O.B. factory and the freight carrier is indicated on the order.

c) Damages or shortages should be claimed from the carrier within 7 days of reception. Damages or shortages must be noted directly on your copy of the delivery slip by the carrier.

d) No allowance is given for orders picked up at the factory.

Merchandise Returns

a) No merchandise may be returned without our written consent and our shipping instructions. If this procedure is not followed, the merchandise will not be accepted by the factory and will be reshipped collect without further notice.

b) Claims for factory defects must be made within 10 days. Merchandise must reach factory within 15 days of receipt of written authorization to return from A.D.I. If not, no credit will be issued.

Specifications
A.D.I. reserves the right to modify the specifications of products, materials, design or accessories without notice. A.D.I. also reserves the right to halt production of any product at any time.

The products, accessories, materials and finishes as described in the price lists shall prevail over the content of brochures or folders.
The dimensions given are for reference only and can vary depending on how the seat and backrest are adjusted, the compression of the foam and the type of fabric that is used.

Warranties
All products manufactured by A.D.I. carry a lifetime Warranty on the steel structure, suspension belts, base, mechanisms, casters and gas cylinder and a 5 year Warranty on carded fabrics (normal use).
Everest and Marathon chairs are warranted for a period of 5 years on all parts. In the case of materials and leathers whose suppliers cannot guarantee absolute color consistency, A.D.I. declines any responsibility for variations that might occur.

Shells on MP and GO chairs are guaranteed against delaminating for a period of 5 years. There is no guaranty against scratches.

general information

Gas cylinders
Controls installed by A.D.I. use 4 types of cylinders, each with a different stroke adjustment: 70, 80, 100 and 120mm. Each control has a different thickness, is installed with its own base size and therefore comes with a suitable cylinder.

When the chair is equipped with a seat slider a different cylinder may be installed. Chairs with the M control come with 100mm cylinders when equipped with a seat slider, except for the Top chairs which are always equipped with 120 mm cylinders. Designer stools have their own gas cylinders, with a stroke adjustment of 8" (200 mm). Miniply stools are equipped with a 10" stroke cylinder (250 mm).

The chart below shows the seat height adjustments according to the control installed. When a seat slider is installed, add 1" to the low and high measures.

A gas cylinder with a stroke other than the standard one specified for a control can be supplied. Please refer to the price page and clearly indicate the non-standard specific cylinder option after the model number.

Colors, finishes and special requests
All A.D.I. seating have a standard black finish on the base, plastic and metal parts. Please refer to the price list of each series for the standard colors and finishes for other components and optional finishes for all components. A.D.I. will study special requests. Please contact customer service.

ANSI/BIFMA and California 117 standards
All A.D.I. task chairs meet the new ANSI/BIFMA x5.1-2002 standards. Foam and fabrics on all seating meet California 117 for flammability.

California 133 compliance
A.D.I. Seating can be made to comply to California 133 standard. To order, please specify **133** in the chair code on your order, and add:

Stacking Chairs:	$95 List
Task Chairs:	$115 List
Executive Chairs:	$135 List

Executive and Task chairs can only be ordered with the following optional compliant arms:

13 Width/Height Adjustable, with P01 Pads: $175 List

26 Fixed Arms Urethane Armrest: $155 List

94 Fixed Arms with P01 Pads: $125 List

Stacking chairs can only be ordered with 52 Arms (see pp 44-47)
All ADI carded fabric that meet CAL 117 combined with the A.D.I. installed fire liner, may be specified to meet CAL 133 standard.

Seat height adjustment in inches

Standard Cylinder
With seat slider, if different

With seat slider, add 1" to the low and high measures
All measurements are ± ¼"
(1) Task and Executive chairs only. For Everest and Marathon, see Specifications on pages 40 & 41

ESD Seating
All Task and Executive chairs can be made ESD compliant. Static charge build-up is dissipated through ESD fabric and the unique ADI all steel frame, aluminum base, 5 ESD casters and a drag chain attached to the cylinder. ESD fabrics contain 1% conductive Carbon Fiber. Please call customer service to get sample cards.

To order, please specify **ESD** in the chair code and add $150 to the Grade F List Price.

Chairs can only be ordered with the following optional compliant arms:

13 Width/Height Adjustable, with P01 Pads: $175 List

94 Fixed Arms with P01 Pads: $125 List

programs

Regular fabric program
Please refer to the sample cards in the A.D.I. binder for the fabrics offered in the regular program. Each fabric is graded (letter **A, B, C...**) with corresponding price in the price book.

Vinyl
Vinyl covers may be ordered for all ADI seating. ADI uses Naugahyde Spirit II® vinyl for single stitch covers (grade B) and double stitched covers (grade E). Single stitch covers are suitable for stacking chairs. Double stitched covers provide better tailoring and are recommended for all other chairs.

Customer's Own Material Orders
C.O.M. orders must be written clearly and state the color and source of material. The quantity of material required for each model is shown in the price list for a 54"-wide piece of non-directional fabric (1,4 m). For all C.O.M. fabric, a 12" x 12" (305 x 305 mm) sample must be sent to A.D.I. for examination, acceptance and calculation of the quantity required for repeated pattern materials. (The distance of repetition of the pattern must be indicated lengthwise and widthwise).

The material must be clearly identified and be shipped prepaid, to **A.D.I.** (see location on page 1)

The order will be scheduled for production upon receipt. A.D.I. reserves the right to refuse any fabric that has not been approved beforehand.

The material provided must be in one piece, or a full hide in the case of leather. Use soft, pliable leather. Leather that is too stiff may be refused. Use Grade E prices for Customer Own Leather.

A.D.I. declines any responsibility for the quality and durability of any material that is not part of its carded program, whether the material is supplied by the customer or by A.D.I. (on specification by the customer). In all cases the delivery date will not be set until A.D.I. has received the material.

Fabric ordering Service
A.D.I. offers its customers the possibility of ordering a fabric, sold by an A.D.I. approved supplier, but that is not in the regular program. Please check the 'Complementary Fabric List' on page 50 for approved fabrics on A.D.I. products.

If not, the fabric must be sent beforehand to A.D.I. for approval, in the same manner as explained for C.O.M. fabric (see C.O.M. Orders).

Fabrics ordered separately
A.D.I. offers to sell its customers regular and complementary fabrics at the following list prices:

Grade A: $35/yd
Grade B: $40/yd
Grade C: $52/yd
Grade D: $64/yd
Grade E: $84/yd
Grade F: $112/yd
Grade G: $150/yd

Prices are F.O.B. factory and are subject to the $20.00 minimum charge.

replacement covers

Covers on most A.D.I. models can be replaced in the field or at the factory. When carried out in the field, we recommend that the replacement be done by an experienced service person. Prices are List, F.O.B. factory, and are for covers only.
