

Aircraft and Pilot Standards Agreement

This agency has an aircraft risk and intends to conform not conform to the aircraft and pilot standards policy manual issued by DAS Risk Management Division, 125-7-301.

- or -

this agency has no aircraft risk. No employees are allowed to pilot airplanes on agency business.

This decision to conform to the policy manual automatically qualifies the agency for excess liability protection under any commercial policy the Risk Management Division may procure. In exchange, it is our responsibility to assure the policy manual standards are maintained in our agency.
