Telephone: 800-987-3373

The Employee Shall:

The employee shall report the injury to the employer on Form N and to a person or at a place specified by the employer, unless the injury either renders the employee physically or mentally unable to do so, or the injury is made known to the employer immediately after it occurs. The employer shall not be responsible for disability, medical, or other benefits prior to receipt of the employee's notice of injury. All reporting procedures specified by the employer must be reasonable and shall afford each employee reasonable notice of the reporting requirements. The foregoing shall not apply when an employee requires emergency medical treatment outside the employer's normal business hours; however, in that event, the employee shall cause a report of the injury to be made to the employer on the employer's next regular business day.

Failure to give such notice shall not bar any claim (1) if the employer had knowledge of the injury or death, (2) if the employee had no knowledge that the condition or disease arose out of and in the course of employment, or (3) if the Commission excuses such failure on the grounds that for some satisfactory reason such notice could not be given. Objection to failure to give notice must be made at or before the first hearing on the claim.

Statutory Information:

Ark. Code Ann. § 11-9-514(b) states: "Treatment or services furnished or prescribed by any physician other than the ones selected according to the foregoing, except emergency treatment, shall be at the claimant's expense."

Ark. Code Ann. § 11-9-514(f), however, indicates: When compensability is controverted, subsection (b) shall not apply if:

- (1) The employee requests medical assistance in writing prior to seeking the same as a result of an alleged compensable injury; and
- (2) The employer refuses to refer the employee to a medical provider within forty-eight (48) hours after such written request as provided above; and
- (3) The alleged injury is later found to be a compensable injury; and
- (4) The employer has not made a previous offer of medical treatment.

AWCC Form P
(Posting Notice)

A posting notice is mentioned in **Ark. Code Ann. §11-9-403**, **Ark. Code Ann. §11-9-407** and **AWCC Rule 7**. **AWCC Form P** satisfies all requirements.

Form P:

1. Is to be on display in a conspicuous place;
2. Tells employers what to do when an employee is injured;
3. Instructs employees to notify the employer immediately (or no later than the close of the next business day) when injured;
4. Lists the claims office that will be handling the insurance aspects of the case;
5. Gives the claims office telephone number;
6. Announces the expiration date of the insurance policy; and
7. Provides telephone numbers for Arkansas Workers' Compensation Commission legal advisors if either party needs assistance.

Employers without **Form P** may lose the use of **Form N** as a defense in litigation. Employees disobeying instructions on **Form P** may delay their benefits or jeopardize the awarding of any benefits in a contested case.

The AWCC furnishes samples, not supplies, of **Form P**. Carriers are to send their insureds an adequate number, and self-insureds must arrange with a printer for the supply they need. Carriers and employers may enlarge **Form P** for posting purposes.

Information about Form P is available from the Support Services Division (1-800-622-4472 or 501-682-3930).
