Notice to Employees:

State law requires your employer to provide workers' compensation insurance for its employees. Workers' compensation insurance provides benefits to employees who are injured at work.

If you are injured at work, NOTIFY YOUR EMPLOYER AT ONCE. You may lose your right to receive benefits unless your employer is notified within 60 days of your injury. Your claim is also subject to a two year statute of limitations. Worker advocates are available at the Workers' Compensation Board to help injured workers.

It is against the law for employers to misclassify employees as independent contractors for the purposes of avoiding workers' compensation insurance, unemployment coverage, or other employer paid taxes and withholdings. For more information on laws pertaining to the hiring of independent contractors, visit the Worker Misclassification Task Force website at www.maine.gov/labor/misclass.

If you have any questions about your rights, please contact one of the regional offices.

A l'intention des Employes:

D'après les lois de l'Etat du Maine, votre employeur est tenu de souscrire à une assurance indemnisant ses employés victimes d'un accident du travail.

Si vous êtes victime d'un accident du travail, PREVEZ VOTRE EMPLOYEUR IMMEDIATEMENT. Passé un délai de 60 jours, vous risquez de perdre vos droits à l'indemnisation. Au-delà de deux ans, votre déclaration n'est plus recevable. Pour aider les victimes d'un accident du travail, le Workers' Compensation Board met des conseillers juridiques à leur disposition.

La loi interdit aux employeurs de classer fallacieusement leurs salariés comme étant des contractants privés aux fins d'échapper à l'assurance compensatrice-employé, aux

indemnités de chômage, ou aux autres charges et retenues dues par employeur. Pour plus de détails sur la législation relative à l'utilisation des services privés, visitez le site internet de Worker Misclassification Task Force (Unité anti-fraude en matière de classification des salariés) : www.maine.gov/labor/misclass.

Si vous n'êtes pas sûr de vos droits, veuillez contacter l'un des bureaux régionaux.

Aviso a los Trabajadores:

La ley del estado de Maine requiere que su empresario proporcione el seguro de compensaciones para el trabajador a todos los trabajadores. El seguro de compensaciones para el trabajador proporciona beneficios a los trabajadores accidentados en el trabajo.

En caso de sufrir accidente o daño laboral, NOTIFÍQUELO INMEDIATAMENTE A SU EMPRESARIO. Podría perder el derecho a recibir compensación a menos que su empresario sea notificado de este accidente o daño en el plazo de 60 días. Así mismo esta reclamación debe hacer referencia a un accidente o daño que no haya ocurrido hace más de dos años. Los defensores del trabajador están disponibles para proporcionar ayuda a los trabajadores accidentados en el Consejo de Administración de Compensaciones para el Trabajador (Workers' Compensation Board).

El hecho de no clasificar a los empleados como contratistas independientes, con el propósito de evitar el seguro por compensación al trabajador, cobertura para desempleados, u otros impuestos pagados y retenidos por el empleador; está en contra de la ley del empleador. Para mayor información acerca de las leyes pertenecientes a la contratación de contratistas independientes, visite el Worker Misclassification Task Force en la página web de www.maine.gov/labor/misclass.

En caso de tener cualquier pregunta sobre sus derechos, favor de dirigirse a una de las oficinas regionales de compensaciones para el trabajador.

Job Safety and Health IT'S THE LAW!

All workers have the right to:

- A safe workplace.
- Raise a safety or health concern with your employer or OSHA, or report a work-related injury or illness, without being retaliated against.
- Receive information and training on job hazards, including all hazardous substances in your workplace.
- Request a confidential OSHA inspection of your workplace if you believe there are unsafe or unhealthy conditions. You have the right to have a representative contact OSHA on your behalf.
- Participate (or have your representative participate) in an OSHA inspection and speak in private to the inspector.
- File a complaint with OSHA within 30 days (by phone, online or by mail) if you have been retaliated against for using your rights.
- See any OSHA citations issued to your employer.
- Request copies of your medical records, tests that measure hazards in the workplace, and the workplace injury and illness log.

Employers must:

- Provide employees a workplace free from recognized hazards. It is illegal to retaliate against an employee for using any of their rights under the law, including raising a health and safety concern with you or with OSHA, or reporting a work-related injury or illness.
- Comply with all applicable OSHA standards.
- Notify OSHA within 8 hours of a workplace fatality or within 24 hours of any work-related inpatient hospitalization, amputation, or loss of an eye.
- Provide required training to all workers in a language and vocabulary they can understand.
- Prominently display this poster in the workplace.
- Post OSHA citations at or near the place of the alleged violations.

On-Site Consultation services are available to small and medium-sized employers, without citation or penalty, through OSHA-supported consultation programs in every state.

This poster is available free from OSHA.
