THIS TITLE IS THE OWNERSHIP DOCUMENT FOR YOUR VEHICLE. KEEP IT IN A SAFE PLACE. DO NOT KEEP IT IN YOUR VEHICLE.

APPLICATION INSTRUCTIONS

Separate application must be completed by the new owner(s) when there is a transfer of ownership. Applications are available by calling (503) 845-0300, or in the Portland area call (503) 288-8986, at any DMV office and at www.oregon.gov/dmv. Mail your completed application, title and fee to: DMV, 1500 Lane Ave NE, Salem OR 97334.

Federal and state laws require that you (seller/buyer) state a vehicle's mileage when there is a transfer of ownership on vehicles 8 years old or newer. Failure to complete an odometer disclosure or providing a false statement may result in fines, imprisonment or both. Under Oregon law, the offense of submitting a false odometer disclosure is a Class C Misdemeanor (ORS 815.430). Oregon law requires that an application for transfer of title be submitted to DMV within 30 days of the date you buy a vehicle.

SELLER NOTICE

ORS 803.112 requires a person who sells a vehicle covered by an Oregon title to notify DMV of the sale within 10 days of the date of the sales transaction. This requirement is also known as seller notice. A seller notice must contain the vehicle identification number, vehicle registration plate number, the full name of the seller, and the full name of the buyer.

Seller notice may be submitted to DMV in any one of the following forms and must be received by DMV within 10 days of the sale of the vehicle:

- in writing, in the form of a Notice of Sale or Transfer of a Vehicle (DMV Form 8002), a completed seller notice on the back of a registration card or
- Through DMV's website www.oregon.gov/dmv or an official State of Oregon website that notifies or administers a DMV application or service.

I certify the vehicle described has been transferred to the following (complete notice to complete disclosure and release interest in vehicle). DATE OF SALE OR RECEIPT: _____

NOTICE TO SELLER

I certify to the best of my knowledge that the odometer reading in the actual mileage of the vehicle (MSR) is one of the following (check one):

☐ The odometer reading is correct.

☐ The odometer reading is NOT an actual odometer reading. (ORS 815.430)

TITLE BRAND

A title brand does not necessarily indicate the extent to which a vehicle may have been damaged, whether a vehicle has been repaired, or what degree a damaged vehicle has been repaired or if the vehicle has been inspected for safety.

A title brand issued outside Oregon indicates the jurisdiction that issued the brand (i.e., TEXAS CA or WASHINGTON WA). Please contact the jurisdiction of issuance for information regarding the brand. A title brand issued in Oregon (e.g., a vehicle that is assembled or tested in Oregon) does not include the name of the jurisdiction.

Green or Purple Title

- **DO NOT** date the title!
- **Most commonly found with “older” vehicles**
- **Normally for vehicles pre-1990**
- **Agency releases interest on the FRONT of the title**
- **In the “signature of owner releasing interest” section: print the agency name and agency representative signs next to name**
- **Fill out exactly as it appears on the front of the title. If it says “Dept. of Corrections” DO NOT put “Oregon Dept. of Corrections”**
- **DO NOT fill out “date of release” line**

Review

- If you follow the instructions outlined in this presentation, you will not need a Power of Attorney with your vehicles.
- DO NOT date titles EVER!! Dates are only placed on titles when the vehicle is actually purchased.
- If selling a boat on a trailer, please be aware that both the boat and the trailer will likely have their own separate titles.

Questions?

If you still have questions after viewing this presentation and have concerns before releasing interest on a title, please contact our Title Specialist at
