

DEVELOPING NEW EMPLOYEES AND MANAGERS

Uplift Your Benefits

Governor's Expectation

Beginning June 1, 2023, all agencies will have their new employees participate in the Uplift Your Benefits two-hour training within 30 days of hire. Agencies will comply by June 1, 2023. Uplift Oregon will provide quarterly performance reports.

Implementation

- **New Hire:** Includes all new hires to Oregon state government.
- **Temporary and Seasonal Employees:** Will only need to complete the training if they receive health care and retirement benefits. The agency will be responsible for assigning, tracking, and reporting the training for these employees/workers.
- **Required Training Campaign:** DAS – CHRO launched a required training campaign through Workday to all new hires excluding temporary and seasonal employees starting June 1, 2023. The employee will have 30 days to complete the training. Ideally an employee should complete the training within 14 days of hire, or before they complete their benefits enrollment documents.
- **Enrollment into an Offering:** New employees will enroll into one of the offerings scheduled in Workday. Enrollment closes 48 hours before each offering.
- Agencies are responsible for ensuring employee participation.
