

MEMORANDUM

July 12, 2018

To: Management-Labor Advisory Committee

From: Lou Savage, Administrator
Julia Hier, Policy Analyst

Subject: Follow up information about Medical Arbiters

During the June MLAC meeting discussion about recruitment and retention of Medical Arbiters, you asked for information about the current age ranges of the active medical arbiters. The table below summarizes ages of active arbiters, sorted by their specialty. Overall, about 40 percent of all arbiters are over age 65.

Specialty	Under 40	40-64	65 Plus
Allergy and Immunology			1
Family Practice		2	1
Hand Surgery		1	
Internal Medicine		1	
Neurosurgeon			1
Neurology			1
Neuropsychology			1
Occupational Medicine		7	3
Ophthalmology		1	2
Orthopedics	4	12	11
Otology		1	
Physical Medicine and Rehabilitation		14	6
Psychiatry		1	1
Total:	4	40	28
Percentage of all arbiters:	6%	56%	39%
