15 the last-known residential, mailing or employer address or contact address  
16 as provided in ORS 25.085.

17 (b) Service of an order directing an obligor to appear in a contempt pro-  
18 ceeding is subject to ORS 33.015 to 33.155.

19 (10) Subject to ORS 25.030, this section, to the extent it imposes any duty  
20 or function upon the Department of Justice, shall be deemed to supersede  
21 any provisions of **ORS 416.400 to 416.465 and** ORS chapters 107, 108, 109,  
22 110, [416,] 419A, 419B and 419C that would otherwise impose the same duties  
23 or functions upon the county clerk or the Department of Human Services.

24 (11) Except as provided for in subsections (12), (13) and (14) of this sec-  
25 tion, credit may not be given for payments not made to the Department of  
26 Justice as required under subsection (1) of this section.

27 (12) The Department of Justice shall give credit for payments not made  
28 to the department:

29 (a) When payments are not assigned to this or another state and the  
30 obligee and obligor agree in writing that specific payments were made and  
31 should be credited, limited to the current balance owed to the obligee;

1 (b) When payments are assigned to another state and that state verifies  
2 that payments not paid to the department were received by the other state;  
3 or

4 (c) As provided by rule adopted under ORS 180.345.

5 (13) An obligor may apply to the Department of Justice for credit for  
6 payments made other than to the Department of Justice. If the obligee or  
7 other state does not provide the agreement or verification required by sub-  
8 section (12) of this section, credit may be given pursuant to order of an ad-  
9 ministrative law judge assigned from the Office of Administrative Hearings  
10 after notice and opportunity to object and be heard are given to both obligor  
11 and obligee. Notice shall be served upon the obligee as provided by ORS  
12 25.085. Notice to the obligor may be by regular mail at the address provided  
13 in the application for credit. A hearing conducted under this subsection is  
14 a contested case hearing and ORS 183.413 to 183.470 apply. Any party may  
15 seek a hearing de novo in the circuit court.

16 (14) Nothing in this section precludes the Department of Justice from  
17 giving credit for payments not made to the department when there has been  
18 a judicially determined credit or satisfaction or when there has been a sat-  
19 isfaction of support executed by the person to whom support is owed.

20 (15) The Department of Justice shall adopt rules that:

21 (a) Direct how support payments that are made through or credited by the  
22 department are to be applied and, if applicable, disbursed; and

23 (b) Are consistent with federal regulations.

24 **NOTE:** Eliminates inappropriate chapter reference and substitutes ap-  
25 propriate series reference in (1) and (10).

26 **SECTION 8.** ORS 25.080 is amended to read:

27 25.080. (1) The following entity is primarily responsible for providing the  
28 support enforcement services described in subsection (4) of this section when  
29 an application as described in ORS 25.084 is made, or when an assignment  
30 of support rights is made to the state:

31 (a) The Division of Child Support of the Department of Justice:

1 (A) If support rights are, or were within the past five months, assigned  
2 to this or another state; or

3 (B) In any case where arrearage under a support order is assigned or  
4 owed to or the right to recover back support or state debt is held by this  
5 state or another state.

6 (b) Except as provided in subsection (6) of this section, the district at-  
7 torney in cases other than those described in paragraph (a) of this subsection  
8 if an application as described in ORS 25.084 is made by the obligee, by the  
9 obligor, by a person having physical custody of a minor child or by a child  
10 attending school, as defined in ORS 107.108.

11 (2) The provisions of this section apply to support enforcement services  
12 for any order or judgment that is or could be entered under ORS **416.400 to**  
13 **416.465**, 419B.400 or 419C.590 or ORS chapter 107, 108, 109[,] **or** 110 [*or 416*].  
14 The entity specified in subsection (1) of this section shall provide the support  
15 enforcement services on behalf of the State of Oregon and not on behalf of  
16 any other party or on behalf of a parent. The Department of Justice shall  
17 adopt rules addressing the provision of support enforcement services when  
18 the purposes of the state in providing those services may be contradictory  
19 in individual cases.

20 (3) Notwithstanding the division of responsibility for providing support  
21 enforcement services between the Division of Child Support and the district  
22 attorney as described in subsection (1) of this section, provision of support  
23 enforcement services may not be challenged on the basis that the entity  
24 providing the services in a particular case is not the entity responsible for  
25 the case under subsection (1) of this section.

26 (4) When responsible for providing support enforcement services and there  
27 is sufficient evidence available to support the action to be taken, the entity  
28 described in subsection (1) of this section:

29 (a) Shall establish and enforce any child support obligation;

30 (b) Shall establish paternity;

31 (c) Shall enforce spousal support when the obligee is living with the

1 obligor's child for whom support enforcement services are being provided and  
2 those services are funded in part by federal moneys;

3 (d) May enforce any other order or judgment for spousal support;

4 (e) Shall, on behalf of the state, initiate and respond to child support  
5 modification proceedings based upon a substantial change of circumstances;

6 (f) Shall, on behalf of the state, initiate and respond to child support  
7 modification proceedings based upon a modification conducted under ORS  
8 25.287 concerning existing child support orders;

9 (g) Shall establish and enforce obligations to provide medical insurance  
10 coverage for dependent children;

11 (h) Shall ensure compliance with the provisions of 42 U.S.C. 651 to 669  
12 and 45 C.F.R. Chapter III as authorized by state law;

13 (i) Shall carry out the policy of the State of Oregon regarding child sup-  
14 port obligations as expressed in ORS 416.405; and

15 (j) Shall ensure that child support orders are in compliance with the for-  
16 mula established by this chapter.

17 (5) In any proceeding under subsection (4) of this section, the parties are  
18 those described in ORS 416.407.

19 (6) The district attorney of any county and the department may provide  
20 by agreement for assumption by the Division of Child Support of the func-  
21 tions of the district attorney under subsection (1) of this section or for re-  
22 distribution between the district attorney and the Division of Child Support  
23 of all or any portion of the duties, responsibilities and functions set forth in  
24 subsections (1) and (4) of this section.

25 (7) All county governing bodies and all district attorneys shall enter into  
26 child support cooperative agreements with the department. The following  
27 apply to this subsection:

28 (a) The agreements shall contain appropriate terms and conditions suffi-  
29 cient for the state to comply with all child support enforcement service re-  
30 quirements under federal law; and

31 (b) If this state loses any federal funds due to the failure of a county

1 governing body or district attorney to either enter into an agreement under  
2 this subsection or to provide sufficient support enforcement service, the  
3 county shall be liable to the department for, and the liability shall be limited  
4 to, the amount of money the state determines it lost because of the failure.  
5 The state shall offset the loss from any moneys the state is holding for or  
6 owes the county or from any moneys the state would pay to the county for  
7 any purpose.

8 (8) The Department of Justice shall enter into an agreement with the  
9 Oregon District Attorneys Association to establish a position or positions to  
10 act as a liaison between the Division of Child Support and those district  
11 attorneys who provide support enforcement services under this section. The  
12 department shall fund the position or positions. The Oregon District Attor-  
13 neys Association shall administer the liaison position or positions under the  
14 agreement. The liaison shall work to:

15 (a) Enhance the participation and interaction of the district attorneys in  
16 the development and implementation of Child Support Program policies and  
17 services; and

18 (b) Increase the effectiveness of child support enforcement services pro-  
19 vided by the district attorneys.

20 (9) The district attorney or the Division of Child Support, whichever is  
21 appropriate, shall provide the services specified in subsections (1) and (4) of  
22 this section to any applicant, but may in their discretion, upon a determi-  
23 nation and notice to the applicant that the prospect of successful recovery  
24 from the obligor of a portion of the delinquency or future payments is re-  
25 mote, require payment to the district attorney or the Division of Child Sup-  
26 port of an application fee, in accordance with an application fee schedule  
27 established by rule by the department. If service performed results in the  
28 district attorney or the Division of Child Support recovering any support  
29 enforcement fees, the fees shall be paid to the applicant in an amount equal  
30 to the amount of the application fee.

31 (10) An obligee may request the Division of Child Support or a district

1 attorney to cease all collection efforts if it is anticipated that physical or  
 2 emotional harm will be caused to the parent or caretaker relative or the  
 3 child for whom support was to have been paid. The department, by rule, shall  
 4 set out the circumstances under which such requests shall be honored.

5 **NOTE:** Eliminates inappropriate chapter reference and substitutes ap-  
 6 propriate series reference in (2).

7 **SECTION 9.** ORS 25.085 is amended to read:

8 25.085. (1) In any proceeding under ORS 25.080, service of legal documents  
 9 upon an obligee may be by regular mail to the address at which the obligee  
 10 receives public assistance, to an address provided by the obligee on the  
 11 obligee's application for child support enforcement services or to any other  
 12 address given by the obligee. When service is authorized by regular mail  
 13 under this section, proof of service may be by notation upon the computer-  
 14 ized case record made by the person making the mailing. The notation must  
 15 set forth the address to which the documents were mailed, the date they were  
 16 mailed, the description of the documents mailed and the name of the person  
 17 making the notation. If the documents are returned by the postal service  
 18 as undeliverable as addressed, that fact must be noted on the computerized  
 19 case record. If no new address for service by regular mail can be obtained,  
 20 service must be by certified mail, return receipt requested, by personal ser-  
 21 vice upon the obligee, or by any other mail service with delivery confirma-  
 22 tion.

23 (2) Notwithstanding any other provision of **ORS 416.400 to 416.465** or this  
 24 chapter or ORS chapter 110 [*or 416*], when a case is referred to this state by  
 25 a public child support agency of another state for action in this state, there  
 26 is no requirement that an obligee, present in the initiating state and re-  
 27 ceiving child support enforcement services from that state, be served in any  
 28 action taken in this state as a consequence of the interstate referral. In such  
 29 cases the requirement to serve the obligee that would otherwise apply is  
 30 satisfied by sending to the initiating agency in the other state, by regular  
 31 mail, any documents that would otherwise be served upon the obligee.

1 (3) The appropriate child support agency of the state shall make any  
2 mailings to or service upon the obligee that is required by this section.

3 **NOTE:** Eliminates inappropriate chapter reference and substitutes ap-  
4 propriate series reference in (2).

5 **SECTION 10.** ORS 25.089 is amended to read:

6 25.089. (1) As used in this section, “child support judgment” means the  
7 terms of a judgment or order of a court, or an order that has been filed under  
8 ORS 416.440, that provide for past or current child support, including medical  
9 support as defined in ORS 25.321. “Child support judgment” does not include  
10 any term of a judgment or order that deals with matters other than child  
11 support.

12 (2)(a) A child support judgment originating under ORS 416.440 has all the  
13 force, effect and attributes of a circuit court judgment. The judgment lien  
14 created by a child support judgment originating under ORS 416.440 applies  
15 to all arrearages owed under the underlying order from the date the admin-  
16 istrator or administrative law judge entered, filed or registered the underly-  
17 ing order under ORS 416.400 to 416.465 or ORS chapter 110.

18 (b) Until the underlying order is filed under ORS 416.440, the order may  
19 not be enforced against and has no lien effect on real property.

20 (c) No action to enforce a child support judgment originating under ORS  
21 416.440 may be taken while the child support judgment is stayed under ORS  
22 416.427, except as permitted in the order granting the stay.

23 (3) In any judicial or administrative proceeding in which child support  
24 may be awarded under this chapter or ORS chapter 107, 108, 109[,] **or** 110 or  
25 [416 or] ORS 125.025, **416.400 to 416.465**, 419B.400 or 419C.590, if a child  
26 support judgment already exists with regard to the same obligor and child:

27 (a) A court may only enforce the existing child support judgment, modify  
28 the existing child support judgment as specifically authorized by law or set  
29 aside the existing child support judgment under subsection (6) of this section  
30 or under the provisions of ORCP 71. If the court sets aside the existing child  
31 support judgment, the court may issue a new child support judgment.

1 (b) The administrator or administrative law judge may only enforce the  
2 existing child support judgment, modify the existing child support judgment  
3 as specifically authorized by law or, with regard to an existing child support  
4 judgment originating under ORS 416.400, move to set aside the existing child  
5 support judgment under subsection (6) of this section or for the reasons set  
6 out in ORCP 71.

7 (4) If the administrator or administrative law judge finds that there exist  
8 two or more child support judgments involving the same obligor and child  
9 and the same period of time, the administrator or administrative law judge  
10 shall apply the provisions of ORS 416.448.

11 (5)(a) If the court finds that there exist two or more child support judg-  
12 ments involving the same obligor and child and the same period of time, and  
13 each judgment was issued in this state, the court shall apply the provisions  
14 of ORS 25.091 to determine the controlling terms of the child support judg-  
15 ments and to issue a governing child support judgment as defined in ORS  
16 25.091.

17 (b) If the court finds that there exist two or more child support judgments  
18 involving the same obligor and child and the same period of time, and one  
19 or more of the judgments was issued by a tribunal of another state, the court  
20 shall apply the provisions of ORS chapter 110 to determine which judgment  
21 is the controlling child support order.

22 (6) Subject to the provisions of subsection (3) of this section, a court may  
23 modify or set aside a child support judgment issued in this state when:

24 (a) The child support judgment was issued without prior notice to the  
25 issuing court, administrator or administrative law judge that:

26 (A) There was pending in this state or any other jurisdiction any type of  
27 support proceeding involving the child; or

28 (B) There existed in this state or any other jurisdiction another child  
29 support judgment involving the child; or

30 (b) The child support judgment was issued after another child support  
31 judgment, and the later judgment did not enforce, modify or set aside the

1 earlier judgment in accordance with this section.

2 (7) When modifying a child support judgment, the court, administrator or  
3 administrative law judge shall specify in the modification judgment the ef-  
4 fects of the modification on the child support judgment being modified.

5 **NOTE:** Eliminates inappropriate chapter reference and substitutes ap-  
6 propriate series reference in (3).

7 **SECTION 11.** ORS 25.091 is amended to read:

8 25.091. (1) As used in this section:

9 (a) “Child support judgment” has the meaning given that term in ORS  
10 25.089.

11 (b) “Governing child support judgment” means a child support judgment  
12 issued in this state that addresses child support, including medical support  
13 as defined in ORS 25.321, and is entitled to exclusive prospective enforcement  
14 or modification with respect to any earlier child support judgment issued in  
15 this state.

16 (2) Notwithstanding any other provision of this section or ORS 25.089,  
17 when two or more child support judgments exist involving the same obligor  
18 and child and one or more of the judgments was issued by a tribunal of an-  
19 other state, the court shall apply the provisions of ORS chapter 110 before  
20 enforcing or modifying a judgment under this section or ORS 25.089.

21 (3) When two or more child support judgments exist involving the same  
22 obligor and child and the same period, any party to one or more of the child  
23 support judgments or the administrator, under ORS 416.448, may file a peti-  
24 tion with the court for a governing child support judgment under this sec-  
25 tion. When a matter involving a child is before the court and the court finds  
26 that two or more child support judgments exist involving the same obligor  
27 and child and the same period, the court on its own motion, and after notice  
28 to all affected parties, may determine the controlling terms of the child  
29 support judgments and issue a governing child support judgment under this  
30 section.

31 (4)(a) Except as provided in paragraph (b) of this subsection, when two

1 or more child support judgments exist involving the same obligor and child  
2 and the same period, and each judgment was issued in this state, there is a  
3 presumption that the terms of the last-issued child support judgment are the  
4 controlling terms and terminate contrary terms of each earlier-issued child  
5 support judgment.

6 (b) If the earlier-issued child support judgment requires provision of a  
7 specific type of child support and the last-issued child support judgment is  
8 silent with respect to that type of child support, the requirement of the  
9 earlier-issued child support judgment continues in effect.

10 (5) A party may rebut the presumption in subsection (4) of this section  
11 by showing that:

12 (a) The last-issued child support judgment should be set aside under the  
13 provisions of ORCP 71;

14 (b) The last-issued child support judgment was issued without prior notice  
15 to the issuing court, administrator or administrative law judge that:

16 (A) There was pending in this state or any other jurisdiction any type of  
17 support proceeding involving the child; or

18 (B) There existed in this state or any other jurisdiction another child  
19 support judgment involving the child; or

20 (c) The last-issued child support judgment was issued after an earlier  
21 child support judgment and did not enforce, modify or set aside the earlier  
22 child support judgment in accordance with ORS 25.089.

23 (6) When a court finds that two or more child support judgments exist  
24 involving the same obligor and child and the same period, and each child  
25 support judgment was issued in this state, the court shall set the matter for  
26 hearing to determine the controlling terms of the child support judgments.  
27 When the child support judgments were issued in different counties of this  
28 state, the court may designate an auxiliary court under ORS 25.100.

29 (7) Following a review of each child support judgment and any other ev-  
30 idence admitted by the court:

31 (a) The court shall apply the presumption in subsection (4) of this section,

1 unless the presumption is rebutted, and shall determine the controlling terms  
2 of the child support judgments; and

3 (b) Notwithstanding ORS 25.089 (3), the court shall issue a governing  
4 child support judgment addressing child support, including medical support  
5 as defined in ORS 25.321, for the benefit of the child.

6 (8) The governing child support judgment must include:

7 (a) A reference to each child support judgment considered and a copy of  
8 the judgment;

9 (b) A determination of which terms regarding child support, including  
10 medical support as defined in ORS 25.321, are controlling and which child  
11 support judgment or judgments contain those terms;

12 (c) An affirmation, termination or modification of the terms regarding  
13 child support, including medical support as defined in ORS 25.321, in each  
14 of the child support judgments;

15 (d) Except as provided in subsection (9) of this section, a reconciliation  
16 of any child support arrears or credits under all of the child support judg-  
17 ments; and

18 (e) The effective date of each controlling term and the termination date  
19 of each noncontrolling term in each of the child support judgments. In de-  
20 termining these dates, the court may apply the following:

21 (A) A controlling term is effective on the date specified in the child sup-  
22 port judgment containing that term or, if no date is specified, on the date  
23 the child support judgment was entered as described in ORS 18.075.

24 (B) A noncontrolling term is terminated on the date the governing child  
25 support judgment is entered as described in ORS 18.075.

26 (9) The court may order the parties, in a separate proceeding under ORS  
27 25.167 or 416.429, to reconcile any child support arrears or credits under all  
28 of the child support judgments.

29 (10) When the governing child support judgment is entered as described  
30 in ORS 18.075, the noncontrolling terms of each earlier child support judg-  
31 ment are terminated. However, subject to subsection (11) of this section, the

1 entry of the governing child support judgment does not affect any child  
2 support payment arrearage or any liability related to medical support, as  
3 defined in ORS 25.321, that has accrued under a child support judgment be-  
4 fore the governing child support judgment is entered.

5 (11) For purposes of reconciling any child support arrears or credits under  
6 all of the child support judgments, amounts collected and credited for a  
7 particular period under one child support judgment must be credited against  
8 the amounts accruing or accrued for the same period under any other child  
9 support judgment.

10 (12) Not sooner than 30 days and not later than 60 days after entry of the  
11 governing child support judgment, a party named by the court, or the  
12 petitioner if the court names no other party, shall file a copy of the gov-  
13 erning child support judgment with each court or the administrator that is-  
14 sued an earlier child support judgment. A party who fails to file a copy of  
15 the governing child support judgment as required by this subsection is sub-  
16 ject to monetary sanctions, including but not limited to attorney fees, costs  
17 and disbursements. A failure to file does not affect the validity or  
18 enforceability of the governing child support judgment.

19 (13) This section applies to any judicial proceeding in which child support  
20 may be awarded or modified under this chapter or ORS chapter 107, 108[,]  
21 **or** 109 or [416 or] ORS 125.025, **416.400 to 416.465**, 419B.400, 419B.923,  
22 419C.590 or 419C.610.

23 **NOTE:** Eliminates inappropriate chapter reference and substitutes ap-  
24 propriate series reference in (13).

25 **SECTION 12.** ORS 25.166 is amended to read:

26 25.166. (1) Any court order or administrative order issued or modified in  
27 a proceeding under **ORS 416.400 to 416.465 or** ORS chapter 107, 108, 109, 110,  
28 [416,] 419B or 419C that contains an order for the payment of child support  
29 or spousal support must specify an initial due date and year for the payment  
30 of support that is on the first day of a calendar month, with subsequent  
31 payments due on the first day of each subsequent month for which the sup-

1 port is payable.

2 (2) For purposes of support enforcement, any support payment that be-  
3 comes due and payable on a day other than the first day of the month in  
4 which the payment is due shall be enforceable by income withholding as of  
5 the first day of that month.

6 (3) Any court order or administrative order that contains an award of  
7 child, medical or spousal support that accrues on other than a monthly basis  
8 may, for income withholding and administrative support billing purposes  
9 only, be converted to a monthly amount.

10 (4) Support payments become delinquent only if not paid in full within  
11 one month of the payment due date. A monthly child support obligation that  
12 is to be paid in two or more installments does not become delinquent until  
13 the obligation is not paid in full by the due date for the first installment in  
14 the next month.

15 (5) Subsections (2) and (3) of this section do not apply to the determi-  
16 nation or issuance of support arrearage liens, installment arrearage liens,  
17 judgment liens, writs of garnishment or any other action or proceeding that  
18 affects property rights under ORS chapter 18.

19 **NOTE:** Eliminates inappropriate chapter reference and substitutes ap-  
20 propriate series reference in (1).

21 **SECTION 13.** ORS 25.240 is amended to read:

22 25.240. Notwithstanding any other law, [*where*] **when** a court or the ad-  
23 ministrator has the authority under ORS chapter 107, 108, 109[,] **or** 110 or  
24 [*416 or*] ORS **416.400 to 416.465**, 419B.400 to 419B.406 or 419C.590, 419C.592  
25 and 419C.597 to require a parent without legal custody to pay support for a  
26 minor child, [*then*] the court or administrator may require a parent with le-  
27 gal custody to pay support for [*such a*] **the** child as long as that parent does

4 that the support obligation is in accordance with the formula established  
5 under ORS 25.275.

6        (b) Proceedings under this subsection may occur only after three years

16 the established or modified support amount.

17       (d) The only issues at proceedings under this subsection are whether three

5 consent to the sexual acts that are alleged.

6 (2) Notwithstanding any other provision of law, in a prosecution for a  
7 crime or an attempt to commit a crime listed in subsection (1) of this section  
8 or in a proceeding conducted under ORS 163.760 to 163.777, evidence of an  
9 alleged victim's past sexual behavior other than reputation or opinion evi-

11 opinion evidence:

12 (a) Is admitted in accordance with subsection (4) of this section; and

13 (b) Is evidence that:

14 (A) Relates to the motive or bias of the alleged victim;

15 (B) Is necessary to rebut or explain scientific or medical evidence offered

28 weighs the danger of unfair prejudice, the evidence shall be admissible in the  
29 trial to the extent an order made by the court specifies evidence that may  
30 be offered and areas with respect to which a witness may be examined or

21 attending school; or

22 (B) In accordance with rules adopted by the Department of Justice;

23 (b) Request a judicial or administrative modification of the child support  
24 amount or may receive notice of and participate in any modification pro-  
25 ceeding; and

26 (c) Agree, in the same manner as an obligee under ORS 25.020 (12), that  
27 payments not made to the Department of Justice should be credited for  
28 amounts that would have been paid to the child attending school if the  
29 payments had been made to the department.

30 (4) Regardless of whether the child is a child attending school, an un-  
31 married child who is 18 years of age or older and under 21 years of age:

1 (a) Is a necessary party to a judicial proceeding under ORS 107.085,  
2 107.135, 107.431, 108.110, 109.103 or 109.165 in which the child's parents are  
3 parties and the court has authority to order or modify support for a child  
4 attending school; and

5 (b) May request notice of any proceeding initiated by the administrator  
6 to modify a support order that may affect the child's rights as a child at-  
7 tending school. To receive notice, the child shall provide an address to the  
8 administrator, and the administrator shall notify the child of any modifica-  
9 tion proceeding by first class mail. To be a party to a proceeding, the child  
10 must send a written request to the administrator within 30 days after the  
11 date of the notice of the proceeding.

12 (5)(a) If a support order provides for the support or maintenance of a child  
13 attending school and the child qualifies as a child attending school, unless  
14 good cause is found for the distribution of the payment to be made in some  
15 other manner, support shall be distributed to the child if services are being  
16 provided under ORS 25.080 or shall be paid directly to the child if those  
17 services are not being provided.

18 (b) Unless otherwise ordered by the court, administrator or administrative  
19 law judge, when there are multiple children for whom support is ordered, the  
20 amount distributed or paid directly to a child attending school is a prorated  
21 share based on the number of children for whom support is ordered. How-  
22 ever, if, due to a parenting time or split custody arrangement, support was  
23 not paid to the parent having primary physical custody of the child before  
24 the child turned 18 years of age, support may not be distributed or paid di-  
25 rectly to the child attending school unless the support order is modified.

26 (c) The Department of Justice shall adopt rules to define good cause and  
27 circumstances under which the administrator or administrative law judge  
28 may allocate support by other than a prorated share and to determine how  
29 support is to be allocated in those circumstances.

30 (6)(a) For support payments to continue to be distributed or paid directly  
31 to the child attending school, the child shall provide to each parent ordered

1 to pay support and, if services are being provided under ORS 25.080, to the  
2 department:

3 (A) Written notice of the child's intent to attend or continue to attend  
4 school. The child shall provide the notice before reaching 18 years of age.  
5 The notice must include the name of the school and the expected graduation  
6 date or date when the child will stop attending classes. If the child changes  
7 schools, the child shall provide the information required by this subsection  
8 concerning the subsequent school before the expected graduation date or date  
9 when the child will stop attending classes at the previous school.

10 (B) Written consent that:

11 (i) Is directed to the child's school and is in a form consistent with state  
12 and federal requirements that restrict disclosure of student records;

13 (ii) Gives the school authority to disclose to each parent ordered to pay  
14 support the child's enrollment status, whether the child is maintaining sat-  
15 isfactory academic progress, a list of courses in which the child is enrolled  
16 and the child's grades; and

17 (iii) States that the disclosure is for the purpose of permitting each parent  
18 to verify the child's compliance with the requirements of this section.

19 (b) The child shall provide the written consent form described in para-  
20 graph (a)(B) of this subsection within 30 days after the beginning of the first  
21 term or semester after the child reaches 18 years of age, at the beginning  
22 of each academic year thereafter and as otherwise required by the school to  
23 disclose the information under this section.

24 (c) If an order of nondisclosure of information has been entered concern-  
25 ing the child under ORS 25.020, the child may provide the information de-  
26 scribed in paragraph (a)(B) of this subsection in the manner established by  
27 the department by rule.

28 (7) Each parent ordered to pay support shall continue to make support  
29 payments, to be distributed or paid directly, to the child during regularly  
30 scheduled breaks as long as the child intends to continue attending school  
31 the next scheduled term or semester.

1 (8) A parent's obligation to pay support to a child attending school is  
2 suspended when:

3 (a) The child has reached 18 years of age and has not provided written  
4 notice of the child's intent to attend or continue to attend school, or the  
5 child has graduated or reached the date to stop attending classes, as provided  
6 under subsection (6)(a)(A) of this section;

7 (b)(A) Services are not being provided under ORS 25.080;

8 (B) The parent has provided the child with a written notice of the  
9 parent's intent to stop paying support directly to the child because the child  
10 is no longer a child attending school or the child has not provided the  
11 written consent required by subsection (6)(a)(B) of this section; and

12 (C) Thirty days have passed since the parent provided the notice to the  
13 child and the parent has not received:

14 (i) Written confirmation from the school that the child is enrolled in the  
15 school and is a child attending school; or

16 (ii) The written consent from the child as required by subsection (6)(a)(B)  
17 of this section;

18 (c)(A) Services are being provided under ORS 25.080;

19 (B) A parent ordered to pay support has provided the department with  
20 written notice that the child is no longer a child attending school or that  
21 the child has not provided the written consent required by subsection  
22 (6)(a)(B) of this section;

23 (C) The department has provided written notice to the child requiring:

24 (i) Written confirmation, on a form developed by the department, from the  
25 school that the child is enrolled in the school and is a child attending school;  
26 and

27 (ii) Proof that the written consent required by subsection (6)(a)(B) of this  
28 section has been provided to the parent ordered to pay support; and

29 (D) Thirty days have passed since the department provided the notice to  
30 the child and the department has not received:

31 (i) Written confirmation from the school that the child is enrolled in the

1 school and is a child attending school; or

2 (ii) Proof that the written consent required by subsection (6)(a)(B) of this  
3 section has been provided to the parent ordered to pay support.

4 (9) When a parent's support obligation has been suspended under sub-  
5 section (8) of this section, the obligation is reinstated:

6 (a) If services are not being provided under ORS 25.080, effective on the  
7 date the parent receives written confirmation from the school that the child  
8 is enrolled in the school and is a child attending school and receives the  
9 written consent from the child as required by subsection (6)(a)(B) of this  
10 section; or

11 (b) If services are being provided under ORS 25.080, effective on the date  
12 the department receives written confirmation from the school that the child  
13 is enrolled in the school and is a child attending school and receives proof  
14 that the written consent required by subsection (6)(a)(B) of this section has  
15 been provided to the parent ordered to pay support.

16 (10) If a parent ordered to pay support is paying a prorated share under  
17 subsection (5) of this section and that obligation is suspended under sub-  
18 section (8) of this section, the parent shall pay to the obligee the amount  
19 previously paid to the child attending school until such time as the support  
20 order is modified. The suspension of a parent's obligation to pay support to  
21 a child attending school is a substantial change of circumstances for pur-  
22 poses of modifying a support order. In a proceeding to modify a support or-  
23 der, the court, administrator or administrative law judge may order a  
24 modified amount of support and may order an amount of support to be paid  
25 in the event that a support obligation is reinstated under subsection (9) of  
26 this section.

27 (11)(a) If services are being provided under ORS 25.080 and the department  
28 has suspended a support obligation under subsection (8) of this section or  
29 reinstated a support obligation under subsection (9) of this section, a party  
30 may request administrative review of the action within 30 days after the date  
31 of the notice that the department has suspended or reinstated the support

1 obligation.

2 (b) The department may adopt rules specifying the issues that may be  
3 considered on review.

4 (c) A party may appeal the department's decision on review under ORS  
5 183.484.

6 (12)(a) Notwithstanding any other provision of this section, if a parent  
7 who is required to provide for the support or maintenance of a child at-  
8 tending school has established a higher education savings plan for the child's  
9 continued education, the court may order payment in accordance with the  
10 plan instead of ordering support that would otherwise be distributed or paid  
11 directly to the child under this section.

12 (b) If the court orders payment in accordance with the plan, the court  
13 may not order compliance with or payment of that provision of the order  
14 through the department.

15 (c) As used in this subsection, "higher education savings plan" means a  
16 tax-advantaged account established by a parent on behalf of a child for the  
17 purpose of paying qualified higher education expenses of the child at eligible  
18 educational institutions.

19 (13) A support order that provides for the support or maintenance of a  
20 child attending school is subject to this section regardless of when the sup-  
21 port order was entered.

22 (14) A support order that provides for the support or maintenance of a  
23 child attending school is intended to recognize the importance of continuing  
24 education for a child over 18 years of age who does not benefit from an in-  
25 tact family or who has been removed from the household. While support may  
26 serve to supplement the resources available to the child attending school, it  
27 is not intended to replace other resources or meet all of the financial needs  
28 of a child attending school.

31 **SECTION 27.** ORS 107.835 is amended to read:

1 107.835. (1) When a court enters a judgment, order or modification of a  
2 judgment or order under ORS 163.760 to 163.777 **or 416.400 to 416.465** or ORS  
3 chapter 25, 107, 108, 109[,] **or** 110 [*or 416*], the court shall allow any party to  
4 the judgment or order to include in the judgment or order a waiver of per-  
5 sonal service in a subsequent contempt proceeding in order to maintain the  
6 confidentiality of the party's residential address. In the waiver, the party  
7 shall give a contact address for service of process and select one of the fol-  
8 lowing methods of substituted service:

9 (a) Mailing address;

10 (b) Business address; or

11 (c) Specified agent.

12 (2) Any time after a party has waived personal service under subsection  
13 (1) of this section, the party may file an amended waiver designating a dif-  
14 ferent method of substituted service or a different address for substituted  
15 service. The party shall give notice of the amendment to all other parties.

16 (3) The State Court Administrator shall prescribe the content and form

31 to ORS [*chapter 416*] **416.400 to 416.465**;

1 (g) Filiation proceedings; or

2 (h) Parentage being established or declared by another provision of law.

25 169.740, 419A.059 or 419B.180, the staff of the Department of Corrections may

27 in the register of the circuit court, shall note in the register that the order

29 judgment lien record maintained under ORS 18.075.

30 (3) Upon entry in the register under subsection (2) of this section, the

10 or a previously entered judgment may contain provisions that were included

22 private agencies and institutions for the combined care of adults and chil-  
23 dren where the care for children includes day or residential treatment or  
24 care.

25 **NOTE:** Corrects series reference.

26 **SECTION 47.** ORS 419B.806 is amended to read:

27 419B.806. (1) As used in this section, “consolidated” means that actions  
28 are heard before one judge of the circuit court to determine issues regarding  
29 a child or ward.

30 (2) In any action filed in the juvenile court in which the legal or physical  
31 custody of a child or ward is at issue and there is also a child custody,

1 parenting time, visitation, restraining order, filiation or Family Abuse Pre-  
2 vention Act action involving the child or ward in a domestic relations,  
3 filiation or guardianship proceeding, the matters shall be consolidated.  
4 Actions must be consolidated under this subsection regardless of whether the  
5 actions to be consolidated were filed or initiated before or after the filing  
6 of the petition under ORS 419B.100.

7 (3) Consolidation does not merge the procedural or substantive law of the  
8 individual actions. Parties to the individual consolidated actions do not have  
9 standing, solely by virtue of the consolidation, in every action subject to the  
10 order of consolidation. Parties must comply with provisions for intervention  
11 or participation in a particular action under the provisions of law applicable  
12 to that action.

13 (4) Upon entry of an order of consolidation, all pending issues pertaining  
14 to the actions subject to the order shall be heard together in juvenile court.  
15 The court shall hear the juvenile matters first unless the court finds that it  
16 is in the best interest of the child or ward to proceed otherwise.

17 (5) A judge shall make and modify orders and findings in actions subject  
18 to the order of consolidation upon the filing of proper motions and notice  
19 as provided by law applicable to the actions. Any findings, orders or mod-  
20 ifications must be consistent with the juvenile court orders, and persons who  
21 were parties to the juvenile court action may not relitigate issues in con-  
22 solidated actions.

23 (6) The judge shall set out separately from orders entered under this  
24 chapter or ORS chapter 419C any orders or judgments made in other actions  
25 subject to the consolidation order. The trial court administrator shall file the  
26 orders and judgments in the appropriate actions subject to the consolidation  
27 order. An order or judgment in an individual juvenile court action is final  
28 if it finally disposes of the rights and duties of the parties to that action,  
29 without reference to whether the order or judgment disposes of the rights  
30 and duties of the parties to another action with which the action has been  
31 consolidated.

1 (7)(a) When the actions described in subsection (2) of this section exist  
2 in two or more circuit courts, the judges assigned to the actions shall confer  
3 to determine the appropriate court in which to consolidate and hear the  
4 actions. The judges shall confer not later than 10 judicial days after a court  
5 has received notice of the existence of an action in another circuit court.

6 (b) If the judges agree on the circuit court in which the actions should  
7 be consolidated, the judges shall take such action as is necessary to consol-  
8 idate the actions in the circuit court.

9 (c) If the judges do not agree on the circuit court in which the actions  
10 should be consolidated, the actions must be consolidated in the court in  
11 which the juvenile action is filed or, if more than one juvenile action is  
12 pending, in the court in which the first juvenile action was filed.

13 (8) Nothing in this section requires the consolidation of any administra-  
14 tive proceeding under **ORS 416.400 to 416.465** or ORS chapter 25 [*or 416*]  
15 with a juvenile court or other action.

16 **NOTE:** Eliminates inappropriate chapter reference and substitutes ap-  
17 propriate series reference in (8).

2 outcome by a person with a duty of care toward a resident of a residential  
3 facility, other than a residential care facility, and if the abuse resulted in  
4 the death, serious injury, rape or sexual abuse of a resident, the department  
5 or authority shall impose a civil penalty of not less than \$2,500 for each  
6 occurrence of substantiated abuse, not to exceed \$15,000 in any 90-day period.

7 As used in this subsection:

12 as defined in ORS 163.355.

18 of a residential facility or a person providing services in the residential fa-

22 tial training home, residential treatment facility or residential treatment  
23 home shall be deposited in the Long Term Care Ombudsman Account estab-  
24 lished in ORS 441.419.

25 **NOTE:** Sets out full agency names in first reference in (4).

26 **SECTION 49. Notwithstanding any other provision of law, ORS**  
27 **456.594 to 456.599 shall not be considered to have been added to or made**  
28 **a part of ORS chapter 469 for the purpose of statutory compilation or**  
29 **for the application of definitions, penalties or administrative pro-**  
30 **visions applicable to statute sections in that chapter.**

31 **NOTE:** Removes series from inappropriate chapter.

1       **SECTION 50. ORS 459A.738 and 459A.739 are added to and made a**

10       **SECTION 52.** ORS 461.250 is amended to read:

11       461.250. Upon recommendation of the Director of the Oregon State Lot-  
12 tery, the Oregon State Lottery Commission shall adopt rules to establish a  
13 system of verifying the validity of tickets or shares claimed to win prizes and  
14 to effect payment of such prizes, provided:

15       (1) For the convenience of the public, lottery game retailers may be au-  
16 thorized by the commission to pay winners of up to \$5,000 after performing  
17 validation procedures on their premises appropriate to the lottery game in-  
18 volved.

19       (2) A prize may not be paid to a person under 18 years of age.

20       (3) A video lottery game prize may not be paid to a person under 21 years  
21 of age.

22       (4) A prize may not be paid arising from claimed tickets or shares that  
23 are stolen, counterfeit, altered, fraudulent, unissued, produced or issued in  
24 error, unreadable, not received or not recorded by the Oregon State Lottery  
25 by applicable deadlines, lacking in captions that confirm and agree with the  
26 lottery play symbols as appropriate to the lottery game involved or not in  
27 compliance with such additional specific rules or with public or confidential  
28 validation and security tests of the lottery appropriate to the particular lot-  
29 tery game involved. However, the commission may adopt rules to establish  
30 a system of verifying the validity of claims to prizes greater than \$600 that  
31 are otherwise not payable under this subsection due to a lottery game

1 retailer's losing, damaging or destroying the winning ticket or share while  
2 performing validation procedures thereon, and to effect payment of verified  
3 claims. A verification system established by the commission shall include  
4 appropriate public or confidential validation and security tests.

5 (5) A particular prize in any lottery game may not be paid more than  
6 once, and in the event of a binding determination that more than one  
7 claimant is entitled to a particular prize, the sole remedy of such claimants  
8 is the award to each of them of an equal share in the prize.

9 (6) The commission may specify that winners of less than \$25 claim such  
10 prizes from either the same lottery game retailer who sold the winning ticket  
11 or share or from the lottery itself and may also specify that the lottery game  
12 retailer who sold the winning ticket or share be responsible for directly  
13 paying that prize.

14 (7) Holders of tickets or shares shall have the right to claim prizes for  
15 one year after the drawing or the end of the lottery game or play in which  
16 the prize was won. The commission may define shorter time periods to claim  
17 prizes and for eligibility for entry into drawings involving entries or  
18 finalists. If a valid claim is not made for a prize payable directly by the  
19 lottery commission within the applicable period, the unclaimed prize shall  
20 remain the property of the commission and shall be allocated to the benefit  
21 of the public purpose.

22 (8)(a) The right of any person to a prize shall not be assignable, except  
23 that:

24 (A) Payment of any prize may be made according to the terms of a de-  
25 ceased prize winner's signed beneficiary designation form filed with the  
26 commission or, if no such form has been filed, to the estate of the deceased  
27 prize winner.

28 (B) Payment of any prize shall be made to a person designated pursuant  
29 to an appropriate judicial order or pursuant to a judicial order approving the  
30 assignment of the prize in accordance with ORS 461.253.

31 (b) The director, commission and state shall be discharged of all further

1 liability with respect to a specific prize payment upon making that prize  
2 payment in accordance with this subsection or ORS 461.253.

3 (9) A ticket or share may not be purchased by, and a prize may not be  
4 paid to, a member of the commission, the director, the assistant directors or  
5 any employee of the state lottery or to any spouse, child, brother, sister or  
6 parent of such person.

7 (10) Payments made according to the terms of a deceased prize winner's  
8 signed beneficiary designation form filed with the commission are effective  
9 by reason of the contract involved and this statute and are not to be con-  
10 sidered as testamentary devices or subject to ORS chapter 112. The director,  
11 commission and state shall be discharged of all liability upon payment of a  
12 prize.

13 (11) In accordance with the provisions of the [*Soldiers' and Sailors' Civil*  
14 *Relief Act of 1940 (50 U.S.C.A. app. 525)*] **Servicemembers Civil Relief Act,**  
15 **50 U.S.C. 3935**, a person while in active military service may claim ex-  
16 emption from the one-year ticket redemption requirement under subsection  
17 (7) of this section. However, the person must notify the commission by pro-  
18 viding satisfactory evidence of possession of the winning ticket within the  
19 one-year period, and must claim the prize or share no later than one year

6 (2) The board, after consultation with the Oregon Agricultural Heritage  
7 Commission established in ORS 541.986, shall adopt rules that establish a  
8 process for submitting and processing applications for grants under ORS  
9 541.981 and 541.982. To the extent practicable, the board shall design the

15 technical committees to evaluate and rank conservation management plans,  
16 working land conservation covenants and working land conservation ease-  
17 ments described in applications filed under ORS 541.981 and 541.982. The  
18 system used by the technical committee or committees shall provide for the  
19 ranking of conservation management plans to be separate from the ranking  
20 of working land conservation covenants and working land conservation  
21 easements. The ranking for a plan, covenant or easement shall be based on  
22 criteria that include, but need not be limited to:

23 (a) The extent to which the plan, covenant or easement would protect,  
24 maintain or enhance farming or ranching on working land;

25 (b) The extent to which the plan, covenant or easement would protect,  
26 maintain or enhance fish or wildlife habitat, improve water quality or sup-  
27 port other natural resource values;

28 (c) The extent to which the plan, covenant or easement would protect  
29 agricultural outcomes, benefits or other investment gains;

30 (d) The capacity of the organization that filed the application to enter  
31 into a conservation management plan[,] **or** accept a working land conserva-

4 be maximized, based on the ability to leverage grant moneys with other  
5 funding sources and on the duration and extent of the conservation man-  
6 agement plan, working land conservation covenant or working land conser-  
7 vation easement; and

8 (f) The extent and nature of plan, covenant or easement impacts on own-  
9 ers or operators of neighboring lands.

10 (4) The criteria for ranking conservation management plans, working land  
11 conservation covenants or working land conservation easements under sub-  
12 section (3) of this section may not include a consideration of the type of  
13 agricultural operation conducted on the working land.

14 (5) An applicant must demonstrate to the satisfaction of the board that  
15 the participants in a conservation management plan, working land conser-  
16 vation covenant or working land conservation easement to be benefitted by  
17 a grant under this section understand and agree to their roles and responsi-  
18 bilities under the plan, covenant or easement.

19 (6) The board may issue a grant to fund a conservation management plan,  
20 working land conservation covenant or working land conservation easement

23 contribution of in-kind services or another form of investment in the plan,  
24 covenant or easement from a funding source other than the Oregon Agri-  
25 cultural Heritage Fund;

26 (b) The plan, covenant or easement is reviewed by a technical committee  
27 that has expertise relevant to the described plan, covenant or easement; and

28 (c) The commission reviews and recommends funding of the plan,  
29 covenant or easement.

30 (7) Except as provided in this subsection, an organization that receives  
31 a grant from the board for a conservation management plan, or an agricul-

2 grant regarding a conservation management plan, may receive cash contri-  
3 butions, other financial assistance, in-kind services or investments, rental  
4 or easement payments, tax benefits or other benefits from a federal, state or  
5 private entity in return for practices related to the purchasing, implement-  
6 ing, carrying out or monitoring of the conservation management plan. The  
7 board or an organization grant may not, however, provide payments that  
8 duplicate any federal, state or private payments for the same measures di-  
9 rected to maintaining or enhancing fish or wildlife habitat, improving water  
10 quality or supporting other natural resource values within the plan.

11 (8) An organization that receives a grant from the board for a working

2 **SECTION 67.** ORS 734.810 is amended to read:

3 734.810. (1) If a member insurer is an impaired insurer, the Oregon Life  
4 and Health Insurance Guaranty Association, in its discretion and subject to  
5 any conditions imposed by the association and approved by the Director of  
6 the Department of Consumer and Business Services, other than those  
7 [*which*] **that** impair the contractual obligations of the impaired insurer, may:

8 (a) Guarantee, assume or reinsure, or cause to be guaranteed, assumed  
9 or reinsured, any or all of the covered policies of the impaired insurer.

10 (b) Provide such moneys, pledges, notes, loans, guarantees or other means  
11 as are proper to implement paragraph (a) of this subsection and ensure pay-  
12 ment of the contractual obligations of the impaired insurer pending action  
13 under paragraph (a) of this subsection.

14 (2) If a member insurer is an insolvent insurer, the association, in its  
15 discretion and subject to the approval of the director, shall take either of the  
16 following steps:

17 (a)(A) Guarantee, assume or reinsure, or cause to be guaranteed, assumed  
18 or reinsured, the covered policies of the insolvent insurer;

19 (B) Ensure payment of the contractual obligations of the insolvent  
20 insurer; and

21 (C) Provide such moneys, pledges, notes, loans, guarantees or other means  
22 as are reasonably necessary to discharge such duties.

23 (b) Provide benefits and coverages in accordance with the following pro-  
24 visions:

25 (A) For life and health insurance policies and annuity contracts, the as-  
26 sociation shall ensure that the payment of benefits for premiums, except for  
27 terms of conversion and renewability, under the replacement coverage pro-  
28 vided by the association is identical to the payment of benefits for premiums  
29 that would have been payable under the policies or contracts of the insolvent  
30 insurer, for claims incurred:

31 (i) With respect to group policies and contracts, not later than the earlier

1 of the next renewal date under those policies or contracts or 45 days, but in  
2 no event less than 30 days, after the date on which the association becomes  
3 obligated with respect to the policies or contracts.

4 (ii) With respect to nongroup policies and contracts, if any, not later than  
5 the earlier of the next renewal date under those policies or contracts or one  
6 year, but in no event less than 30 days, after the date on which the associ-  
7 ation becomes obligated with respect to the policies or contracts.

8 (B) The association shall make diligent efforts to provide a 30-day notice  
9 of the termination of the benefits provided under subparagraph (A) of this  
10 paragraph to all known insureds or annuitants for nongroup policies and  
11 contracts, or to group policyholders or contract owners with respect to group  
12 policies and contracts.

13 (C) For nongroup life and health insurance policies and annuities covered  
14 by the association, the association shall make substitute coverage available  
15 to each known insured or annuitant, or owner if other than the insured or  
16 annuitant. For an individual formerly insured or formerly an annuitant un-  
17 der a group policy who is not eligible for replacement group coverage, the  
18 association shall make available substitute coverage on an individual basis  
19 in accordance with the provisions of subparagraph (D) of this paragraph, if  
20 the insureds or annuitants had a right under law or under the terminated  
21 policy or annuity to convert coverage to individual coverage or to continue  
22 an individual policy or annuity that was already in force until a specified  
23 age or for a specified time, during which the insurer had no right to make  
24 changes unilaterally in any provision of the policy or annuity or had a right  
25 to make changes only to premiums or to classes of risk.

26 (D) In providing the substitute coverage required under subparagraph (C)  
27 of this paragraph, the association:

28 (i) May offer either to reissue the terminated coverage or to issue an al-  
29 ternative policy.

30 (ii) Shall offer alternative or reissued policies without requiring evidence  
31 of insurability.

1 (iii) May not impose any waiting period or exclusion that would not have  
2 applied under the terminated policy.

3 (iv) May reinsure any alternative or reissued policy.

4 (E) Any alternative policy adopted by the association must:

5 (i) Be approved by the Director of the Department of Consumer and  
6 Business Services and the court. The association may adopt alternative pol-  
7 icies of various types for future issuance without regard to any particular  
8 impairment or insolvency.

9 (ii) Contain at least the minimum statutory provisions required in this  
10 state and provide benefits that are not unreasonable in relation to the pre-  
11 mium charged. The association shall set the premium in accordance with a  
12 table of rates adopted by the association. The premium shall reflect the  
13 amount of insurance to be provided and the age and class of risk of each  
14 insured, but may not reflect any changes in the health of the insured after  
15 the original policy was last underwritten.

16 (iii) Provide coverage of a type similar to that of the policy issued by the  
17 insolvent insurer, as determined by the association.

18 (F) If the association elects to reissue terminated coverage at a premium  
19 rate that is different from the premium rate that was charged under the  
20 terminated policy, the premium rate shall be set by the association, in ac-  
21 cordance with the amount of insurance provided and the age and class of  
22 risk, and be subject to approval by the Director of the Department of Con-  
23 sumer and Business Services and the court.

24 (G) The association's obligations with respect to coverage under any pol-  
25 icy of the insolvent insurer or under any reissued or alternative policy shall  
26 cease on the date on which the coverage or policy is replaced by another  
27 similar policy by the policyholder, the insured or the association.

28 (H) When proceeding under this subsection with respect to a policy or  
29 contract that carries a guaranteed minimum interest rate, the association  
30 shall ensure the payment or crediting of a rate of interest consistent with  
31 the provisions of ORS 734.790 (3).

1 (3) Nonpayment of premiums within 31 days after the date required under  
2 the terms of any guaranteed, assumed, alternative or reissued policy or con-  
3 tract or substitute coverage shall terminate the association's obligations  
4 under the policy, contract or substitute coverage under ORS 734.750 to  
5 734.890 with respect to the policy, contract or substitute coverage, except  
6 with respect to any claims incurred or any net cash surrender value or net  
7 cash withdrawal value that may be due in accordance with the provisions  
8 of ORS 734.750 to 734.890.

9 (4) Premiums due for coverage after entry of an order of liquidation of  
10 an insolvent insurer shall belong to and be payable at the direction of the  
11 association. At the request of the liquidator of an insolvent insurer, the as-  
12 sociation shall provide a report to the liquidator regarding any premium  
13 collected by the association. The association is liable for unearned premiums  
14 due to policyholders or contract owners arising after the entry of the order.

15 (5) The protection provided by ORS 734.750 to 734.890 does not apply  
16 where any guaranty protection is provided to residents of this state by the  
17 laws of the domiciliary state or jurisdiction of the impaired or insolvent  
18 insurer other than this state.

19 (6)(a) In carrying out its duties under subsection (2) of this section, the  
20 association may impose permanent policy liens or contract liens in con-  
21 nection with any guaranteed, assumption or reinsurance agreement, if the  
22 court considering the lien finds that the amounts that can be assessed under  
23 ORS 734.750 to 734.890 are less than the amounts needed to ensure full and  
24 prompt performance of the insolvent insurer's contractual obligations or that  
25 the economic or financial conditions affecting member insurers are suffi-  
26 ciently adverse to render the imposition of policy or contract liens to be in  
27 the public interest, and approves the specific policy liens or contract liens  
28 to be used.

29 (b) In carrying out its duties under subsection (2) of this section, the as-  
30 sociation may request that there be imposed temporary moratoriums or liens  
31 on payments of cash values and policy loans or temporary moratoriums on

1 the right to withdraw funds held in conjunction with the policies or con-  
2 tracts, in addition to any contractual provisions for deferral of cash or policy  
3 loan values, and such temporary moratoriums and liens may be imposed if  
4 they are approved by the court. In addition, in the event of a temporary  
5 moratorium or moratorium charge imposed by the court on payment of cash  
6 values or policy loan values, or on any other right to withdraw funds held  
7 in conjunction with policies or contracts, out of the assets of the impaired  
8 or insolvent insurer, the association may defer the payment of cash values,  
9 policy loan values and other rights by the association for the period of the  
10 temporary moratorium or moratorium charge that is imposed by the court,  
11 except for claims that are covered by the association to be paid in accord-  
12 ance with a hardship procedure that is established by the liquidator or  
13 rehabilitator and approved by the court.

14 (7) If the association fails to act as required in subsection (2) of this  
15 section within a reasonable time, the director shall have the powers and  
16 duties of the association under ORS 734.750 to 734.890 with respect to insol-  
17 vent insurers.

18 (8) The association may render assistance and advice to the director, upon  
19 request of the director, concerning rehabilitation, payment of claims, con-  
20 tinuance of coverage or the performance of other contractual obligations of  
21 any impaired or insolvent insurer.

22 (9) The association shall have standing to intervene or appear before any  
23 court or agency in this state having jurisdiction over an impaired or insol-  
24 vent insurer concerning which the association is or may become obligated  
25 under ORS 734.750 to 734.890 or with jurisdiction over any person or property  
26 against which the association has rights through subrogation or otherwise.  
27 Such standing shall extend to all matters germane to the powers and duties  
28 of the association including, but not limited to, proposals for reinsuring,  
29 modifying or guaranteeing the covered policies of the impaired or insolvent  
30 insurer and the determination of the covered policies and contractual obli-  
31 gations. The association may also appear or intervene before a court or

1 agency in another state with jurisdiction over an impaired or insolvent  
2 insurer for which the association is or may become obligated or with juris-  
3 diction over any person or property against whom the association may have  
4 rights through subrogation or otherwise.

5 (10)(a) Any person receiving benefits under ORS 734.750 to 734.890 shall  
6 be considered to have assigned the rights under, and any causes of action  
7 against any person for losses arising under, resulting from or otherwise re-  
8 lating to, the covered policy to the association to the extent of the benefits  
9 received because of ORS 734.750 to 734.890, whether the benefits are pay-  
10 ments of or on account of contractual obligations or continuation of cover-  
11 age. The association may require an assignment to the association of such  
12 rights by any payee, policyholder, contract owner, beneficiary, insured or  
13 annuitant as a condition precedent to the receipt of any rights or benefits  
14 conferred by ORS 734.750 to 734.890 upon such person. The association shall  
15 be subrogated to these rights against the assets of any impaired or insolvent  
16 insurer.

17 (b) The subrogation rights of the association under this subsection shall  
18 have the same priority against the assets of the impaired or insolvent insurer  
19 as that possessed by the person entitled to receive benefits under ORS  
20 734.750 to 734.890.

21 (c) In addition to the rights set forth in paragraphs (a) and (b) of this  
22 subsection, the association may exercise any common law rights of  
23 subrogation or any other equitable or legal remedy that would have been  
24 available to the impaired or insolvent insurer or to the policyholder or con-  
25 tract owner, beneficiary or payee of a policy or contract with respect to the  
26 policy or contract. In the case of a structured settlement annuity, these  
27 rights include but are not limited to any rights of the policyholder or con-  
28 tract owner, beneficiary or payee of the annuity, to the extent of benefits  
29 received under ORS 734.750 to 734.890, against a person originally or by  
30 succession responsible for the losses arising from the personal injury relating  
31 to the annuity or payment therefor, with the exception of a person respon-

1 sible solely by reason of serving as an assignee in respect of a qualified as-  
2 signment under section 130 of the federal Internal Revenue Code.

3 (d) If the provisions of this subsection are determined by a court to be  
4 invalid or ineffective with respect to any person or claim for any reason, the  
5 association shall reduce the amount payable by the association with respect  
6 to the related covered obligations by the amount realized by any other per-  
7 son with respect to the person or claim that is attributable to the policies  
8 or contracts covered by the association.

9 (e) If the association provides benefits with respect to a covered obli-  
10 gation and a person recovers amounts to which the association has rights  
11 as described in this subsection, the person shall pay to the association the  
12 portion of the recovery attributable to the policies or contracts covered by  
13 the association.

14 (11) The contractual obligations of the impaired or insolvent insurer for  
15 which the association becomes or may become liable may not exceed the  
16 [*lesser*] **least** of:

17 (a) The contractual obligations for which the impaired or insolvent  
18 insurer is liable or would have been liable if it were not an impaired or in-  
19 solvent insurer, unless such obligations are reduced as permitted by sub-  
20 section (6) of this section;

21 (b) With respect to any one life, regardless of the number of policies or  
22 contracts:

23 (A) \$300,000 in life insurance death benefits, but not more than \$100,000  
24 in net cash surrender and net cash withdrawal values for life insurance.

25 (B) \$100,000 in health insurance benefits other than basic hospital, med-  
26 ical and surgical insurance, major medical insurance, disability insurance  
27 or long term care insurance, including any net cash surrender and net cash  
28 withdrawal values.

29 (C) \$300,000 in disability insurance benefits.

30 (D) \$300,000 in long term care insurance benefits.

31 (E) \$500,000 in basic hospital, medical and surgical insurance or major

1 medical insurance.

2 (F) \$250,000 in the present value of annuity benefits, including any net  
3 cash surrender and net cash withdrawal values;

4 (c) With respect to each payee of a structured settlement annuity or the  
5 beneficiary of the payee if deceased, \$250,000 in the present value of annuity  
6 benefits, in the aggregate, including any net cash surrender and net cash  
7 withdrawal values; or

8 (d) \$250,000 in the present value of annuity benefits, in the aggregate,  
9 including any net cash surrender and net cash withdrawal values, with re-  
10 spect to each individual participating in a governmental retirement plan es-  
11 tablished under section 401, 403(b) or 457 of the United States Internal  
12 Revenue Code covered by an unallocated annuity contract or the benefi-  
13 cians of each such individual if deceased.

14 (12) The association may not be liable for more than:

15 (a) \$300,000 in benefits, in the aggregate, with respect to any one life  
16 under subsection (11)(b), (c) and (d) of this section, with the exception of  
17 benefits under subsection (11)(b)(E) of this section, in which case the aggre-  
18 gate liability of the association may not exceed \$500,000 with respect to any  
19 one life.

20 (b) With respect to one policyholder of multiple nongroup policies of life  
21 insurance, regardless of whether the policyholder is an individual, firm,  
22 corporation or other person, and whether the persons insured are officers,  
23 managers, employees or other persons, \$5 million in benefits, regardless of  
24 the number of policies and contracts held by the policyholder.

25 (13) The limitations set forth in subsections (11) and (12) of this section  
26 are limitations on the benefits for which the association is obligated before  
27 taking into account either its subrogation and assignment rights or the ex-  
28 tent to which those benefits could be provided out of the assets of the im-  
29 paired or insolvent insurer attributable to covered policies. The costs of the  
30 association's obligations under ORS 734.750 to 734.890 may be met by the use  
31 of assets attributable to covered policies or reimbursed to the association

1 under its subrogation and assignment rights.

2 (14) In performing its obligations to provide coverage under ORS 734.750  
3 to 734.890, the association is not required to guarantee, assume, reinsure or  
4 perform, or cause to be guaranteed, assumed, reinsured or performed, any  
5 contractual obligation of the impaired or insolvent insurer or contract owner  
6 under a covered policy that does not materially affect the economic values  
7 or economic benefits of the covered policy or contract.

8 (15) The association may:

9 (a) Enter into such contracts as are necessary or proper to carry out the  
10 provisions and purposes of ORS 734.750 to 734.890.

11 (b) Sue or be sued, including taking any legal actions necessary or proper  
12 for recovery of any unpaid assessments under ORS 734.815 and to settle  
13 claims or potential claims against the association.

14 (c) Borrow money to effect the purposes of ORS 734.750 to 734.890. Any  
15 notes or other evidence of indebtedness of the association not in default shall  
16 be legal investments for member insurers and may be carried as admitted  
17 assets.

18 (d) Employ or retain such persons as are necessary to handle the financial  
19 transactions of the association, and to perform such other functions as be-  
20 come necessary or proper under ORS 734.750 to 734.890.

21 (e) Negotiate and contract with any liquidator, rehabilitator, conservator  
22 or ancillary receiver to carry out the powers and duties of the association.

23 (f) Take such legal action as may be necessary to avoid payment of im-  
24 proper claims.

25 (g) Exercise, for the purposes of ORS 734.750 to 734.890 and to the extent  
26 approved by the director, the powers of a member life or health insurer, but  
27 in no case may the association issue policies other than those issued to  
28 perform the contractual obligations of the impaired or insolvent insurer.

29 (h) Organize itself as a corporation or other legal form permitted by the  
30 laws of this state.

31 (i) Request information from a person seeking coverage from the associ-

1 ation to aid the association in determining its obligations under ORS 734.750  
2 to 734.890 with respect to that person.

3 (j) Take any other necessary or appropriate action to discharge its duties  
4 and obligations and to exercise its powers under ORS 734.750 to 734.890.

5 (16) The duties and powers of the association described in this section are  
6 in addition to any other duties and powers of the association described in  
7 ORS 734.750 to 734.890.

8 (17)(a) Within 180 days after the date of the order of liquidation, the as-  
9 sociation may succeed to the rights and obligations of the ceding member  
10 insurer that relate to policies or annuities covered, in whole or in part, by  
11 the association, in each case under any one or more reinsurance contracts  
12 entered into by the insolvent insurer and its reinsurers and selected by the  
13 association. Any such assumption shall be effective as of the date of the or-  
14 der of liquidation. The election shall be effected by the association sending  
15 written notice, return receipt requested, to the affected reinsurers.

16 (b) To facilitate the earliest practicable decision about whether to assume  
17 any of the contracts of reinsurance, and in order to protect the financial  
18 position of the estate, the receiver and each reinsurer of the ceding member  
19 insurer shall make available upon request to the association as soon as  
20 possible after commencement of formal delinquency proceedings copies of  
21 in-force contracts of reinsurance and all related files and records relevant  
22 to the determination of whether such contracts should be assumed, and no-  
23 tices of any defaults under the reinsurance contracts or any known event or  
24 condition which with the passage of time could become a default under the  
25 reinsurance contracts.

26 (c) For any reinsurance contracts assumed by the association under par-  
27 agraphs (a) and (b) of this subsection:

28 (A) The association is responsible for all unpaid premiums due under the  
29 reinsurance contracts for periods both before and after the date of the order  
30 of liquidation, and shall be responsible for the performance of all other ob-  
31 ligations to be performed after the date of the order of liquidation, related

1 to policies or annuities covered by the reinsurance contract, in whole or in  
2 part, by the association. The association may charge policies or annuities  
3 covered in part by the association, through reasonable allocation methods,  
4 the costs for reinsurance in excess of the obligations of the association and  
5 shall provide notice and an accounting of those charges to the liquidator.

6 (B) The association is entitled to any amounts payable by the reinsurer  
7 under the reinsurance contracts with respect to losses or events that occur  
8 in periods after the date of the order of liquidation and that relate to policies  
9 or annuities covered, in whole or in part, by the association. Upon receipt  
10 of any such amounts, the association shall pay the beneficiary under the  
11 policy or annuity on account of which the amounts were paid a portion of  
12 the amount equal to the lesser of:

13 (i) The amount received by the association; or

14 (ii) The amount received by the association that is in excess of the  
15 amount equal to the benefits paid by the association on account of the policy  
16 or annuity minus the amount retained by the insurer applicable to the loss  
17 or event.

18 (C) Within 30 days following the association's election, the association  
19 and each reinsurer shall calculate the net balance due to or from the asso-  
20 ciation under each reinsurance contract as of the election date with respect  
21 to policies or annuities covered, in whole or in part, by the association. The  
22 calculation shall give full credit to all items paid by the insurer or its re-  
23 ceiver or by the reinsurer prior to the election date. The reinsurer shall pay  
24 the receiver any amounts due for losses or events prior to the date of the  
25 order of liquidation, subject to any setoff for premiums unpaid for periods  
26 prior to that date, and the association or the reinsurer shall pay any re-  
27 maining balance due to one another. The reinsurer and the association shall  
28 make such payments within five days after the completion of the calculation  
29 of the net balance due under each reinsurance contract. Any disputes over  
30 the amounts due to the association or the reinsurer shall be resolved by ar-  
31 bitration according to the terms of the affected reinsurance contracts or, if

1 the contract contains no arbitration clause, as otherwise provided by law.  
2 If the receiver has received any amounts due the association under subpar-  
3 agraph (B) of this paragraph, the receiver shall remit the amounts to the  
4 association as promptly as practicable.

5 (d) If the association, or the receiver on the association's behalf, within  
6 60 days after the election date pays the unpaid premiums due for periods both  
7 before and after the election date that relate to policies or annuities covered,  
8 in whole or in part, by the association, the reinsurer may not terminate the  
9 reinsurance contracts for failure to pay premiums insofar as the reinsurance  
10 contracts relate to policies or annuities covered, in whole or in part, by the  
11 association, and may not set off any unpaid amounts due under other con-  
12 tracts, or unpaid amounts due from parties other than the association,  
13 against amounts due to the association.

14 (e)(A) During the period from the date of the order of liquidation until  
15 the election date or, if the election date does not occur, 180 days after the  
16 date of the order of liquidation:

17 (i) Neither the association nor the reinsurer shall have any rights or ob-  
18 ligations under reinsurance contracts that the association has the right to  
19 assume under paragraph (a) of this subsection, whether for periods prior to  
20 or after the date of the order of liquidation; and

21 (ii) The reinsurer, the receiver and the association shall, to the extent  
22 practicable, provide to each other data and records that are reasonably re-  
23 quested.

24 (B) After the association has elected to assume a reinsurance contract,  
25 the parties' rights and obligations shall be governed by paragraph (a) of this  
26 subsection.

27 (f) If the association does not elect to assume a reinsurance contract by  
28 the election date under paragraph (a) of this subsection, the association shall  
29 have no rights or obligations, for periods both before and after the date of  
30 the order of liquidation, with respect to the reinsurance contract.

31 (g) When policies or annuities, or covered obligations related to policies

1 or annuities, are transferred to an assuming insurer, the association may  
2 also transfer reinsurance on the policies or annuities for contracts assumed  
3 under paragraph (a) of this subsection, subject to the following:

4 (A) Unless the reinsurer and the assuming insurer agree otherwise, the  
5 reinsurance contract transferred may not cover any new policies of insurance  
6 or annuities in addition to those transferred;

7 (B) The obligations described in paragraph (a) of this subsection shall no  
8 longer apply with respect to matters arising after the effective date of the  
9 transfer; and

10 (C) The transferring party shall give notice in writing, return receipt re-  
11 quested, to the affected reinsurer not less than 30 days before the effective  
12 date of the transfer.

13 (h) The provisions of this subsection shall supersede any other provision  
14 of law or any affected reinsurance contract that provides for or requires any  
15 payment of reinsurance proceeds, on account of losses or events that occur  
16 in periods after the date of the order of liquidation, to the receiver or any  
17 other person. The receiver shall remain entitled to any amounts payable by  
18 the reinsurer under the reinsurance contract with respect to losses or events  
19 that occur in periods prior to the date of the order of liquidation, subject to  
20 applicable setoff provisions.

21 (i) Except as otherwise provided in this subsection, nothing in this section  
22 shall:

23 (A) Alter or modify the terms and conditions of any reinsurance contract;

24 (B) Abrogate or limit any rights of any reinsurer to claim that the re-  
25 insurer is entitled to rescind a reinsurance contract;

26 (C) Grant a policyholder, contract owner or beneficiary an independent  
27 cause of action against a reinsurer that is not otherwise set forth in the re-  
28 insurance contract;

29 (D) Limit or affect the association's rights as a creditor of the estate  
30 against the assets of the estate; or

31 (E) Apply to reinsurance agreements covering property or casualty risks.

1 (18) The board of directors of the association may exercise reasonable  
2 business judgment to determine the means by which the association is to  
3 provide the benefits under ORS 734.750 to 734.890 in an economical and effi-  
4 cient manner.

5 (19) If the association has arranged or offered to provide the benefits of  
6 ORS 734.750 to 734.890 to a covered person under a plan or arrangement that  
7 fulfills the association's obligations under this section, the person is not  
8 entitled to benefits from the association in addition to or other than those  
9 provided under the plan or arrangement.

10 (20) Venue in a suit against the association arising under ORS 734.750 to  
11 734.890 shall be in the Circuit Court for Marion County.

12 (21) In carrying out its duties in connection with guaranteeing, assuming  
13 or reinsuring policies or contracts under this section, the association may,  
14 subject to approval of the court, issue substitute coverage for a policy or  
15 contract that provides an interest rate, crediting rate or similar factor de-  
16 termined by use of an index or other external reference stated in the policy  
17 or contract for the purpose of calculating returns or changes in value by  
18 issuing an alternative policy or contract in accordance with all of the fol-  
19 lowing provisions:

20 (a) In lieu of the index or other external reference provided for in the  
21 original policy or contract, the alternative policy or contract provides for a  
22 fixed interest rate, payment of dividends with minimum guarantees, or a  
23 different method for calculating interest or changes in value.

24 (b) There is no requirement for evidence of insurability, waiting period  
25 or other exclusion that would not have applied under the original policy or  
26 contract.

27 (c) The alternative policy or contract is substantially similar to the ori-  
28 ginal policy or contract in all other material terms.
