Public testimony

The committee welcomes verbal or written testimony. Due to the use of virtual technology, the co-chairs ask persons wanting to provide verbal testimony sign up in advance. Please email Cara Filsinger at cara.l.filsinger@oregon.gov by Wednesday, July 1, 5 p.m. to sign up.

Please focus testimony on any or all of the following topics:

- Identify problems or gaps in the worker's compensation system relative to the COVID-19 outbreak
- Education about current opportunities for workers to file claims if they contract COVID-19 at work

There are going to be several meetings set up in the next couple of weeks which will allow the committee to vet this issue. Once the committee has thoroughly vetted what issues there are with the current workers' compensation system as it relates to the COVID-19 virus, the committee will turn our attention to all potential solutions to the issues and will entertain stakeholders ideas, including a presumption, at that time.
