

INTENT TO NOT PURSUE SB 801/802 IN THE 2021 SESSION

To: Oregon Management-Labor Advisory Committee
From: Michael Selvaggio, for United Food and Commercial Workers Local 555 (“UFCW”)
Date: April 1, 2021

UFCW Local 555 has determined that we will not be pursuing legislation that makes changes to Oregon’s Workers Compensation system as envisioned in SB 801-1 or SB 802-1 (or any substantially similar efforts) in the 2021 Regular Session, either through SB 801, SB 802, or any other vehicle.

This decision is based on the information that we have at hand currently, and is a courtesy notification made in good faith in order that MLAC may avoid unnecessary work on topics that are no longer moving forward.

However, this should not be taken as an indication that we will not seek such legislation in future sessions. We will continue working with stakeholders toward a more just and equitable workers compensation system.
