Notes:

1. Each set of grouped violations was counted as one violation.
2. All penalties associated with grouped violations were included.
3. Penalties shown are initial penalties assessed and do not reflect reductions made after the original issue date.
4. Order to correct violations are included in violation counts.
5. Data will change as updated.
6. Data are based on the federal fiscal year, which is October 1 through the following September 30. As an example, FFY 2005 is 10/01/2004 to 09/30/2005.
