Definitions

The following words and terms within these rules have the following meanings:¶

- (1) **"Applicant"** means an individual who submits the child care license application to operate a registered family child care in their home and in whose name the registration will be issued.¶
- (2) **"Attendance"** means child care children in the care of the registered family child care at any given time.¶
- (3) **"Behavior and Guidance"** means the on-going process of helping children develop self-control and assume responsibility for their own behaviors and actions.¶
- (4) **"Business Day"** means Monday through Friday, but does not include any holiday as defined by ORS 187.010 and ORS 189.020, or any day that the central office of CCLD is closed.¶
- (5) **"Capacity"** means the total number of children allowed in care at the registered family child care or in care away from the home at any one time.¶
- (6) **"Caregiver"** means any person, including the provider, who cares for the children in the registered family child care home and works directly with the children, providing care, supervision and guidance.¶
- (7) **"CBR"** (Central Background Registry) means CCLD's Registry of individuals who have been approved to be associated with a child care facility in Oregon pursuant to ORS 329A.030 and OAR 414-061-0000 through 414-061-0120.¶
 - (a) **"CBR Enrollment"** means approval for a 5 year period to be enrolled in the CBR following an Oregon State Police criminal records check, child abuse and neglect records check, checks of adult protective services and foster care certification, and an FBI records check.¶
 - (b) **"CBR Conditional Enrollment"** means temporary approval to be enrolled in the CBR following an Oregon State Police records check and child abuse and neglect records check but prior to receipt by CCLD of the results of the required FBI records check.¶
- (8) **"CCLD"** means the Child Care Licensing Division in the Department of Early Learning and Care.¶
- (9) **"Child Care"** means the care, supervision, and guidance on a regular basis of a child, unaccompanied by a parent, guardian, or custodial parent, during a part of the 24 hours of the day, with or without compensation.¶
- (10) **"Child Care Child"** means any child six weeks of age or older and under 13 years of age, or a child who is under the age of 18 with special needs or disabilities and who requires a level of care that is above normal for the child's age, for whom the provider has supervisory responsibility in the temporary absence of the parent. ¶
- (11) **"Child with Specific Needs"** means a child who requires specialized supports or other accommodations including some adaptation of the registered family child care's standard program of care, activities or equipment to accommodate a physical, developmental, behavioral, mental or medical condition or disability which is either permanent or temporary.¶
- (12) **"Children Related within the Fourth Degree"** includes the child's grandparent, great-grandparent, sibling, aunt, uncle, brothers, sisters, nephews, nieces, great-nephews, great-nieces, and first cousins.¶
- (13) **"Civil Penalty"** means a fine imposed by CCLD on a provider for violation of these rules.¶
- (14) **"DELIC"** means the Department of Early Learning and Care.¶
- (15) **"Developmentally Appropriate"** means:¶
 - (a) Caregivers interact with each child in a way that respects the child's unique abilities;¶
 - (b) Caregivers have knowledge about how children grow and learn;¶
 - (c) Activities, materials, and curriculum reflect the interests and abilities of a specific child or group of children being served; and¶
 - (d) Equipment is appropriately sized or adapted so that each child can participate fully and safely.¶
- (16) **"Disinfect"** means to eliminate virtually all germs from an inanimate surface by the process of cleaning and rinsing, followed by:¶
 - (a) A chlorine bleach and water solution following the manufacturer's instructions; or¶
 - (b) Other disinfectant products registered with the EPA, if used strictly according to the manufacturer's label instructions including, but not limited to, quantity, time the product must be left in place, adequate time to allow the product to dry or rinsing if applicable, and appropriateness for use on the surface to be disinfected. Any disinfectant used on food contact surfaces or toys must be labeled "safe for food."¶
- (17) **"Family"** means a group of individuals related by blood, marriage or adoption, or individuals whose functional relationships are like those found in such associations.¶
- (18) **"Field Trip"** means an excursion or program activity with a specific destination away from the home that

begins when caregivers and children leave the premises, whether by vehicle or by walking. It does not include neighborhood walks, routine school or home pick-up and drop-offs provided by the registered family child care. ¶
(19) "**Fire Code Official**" means a Fire Inspector II, Fire Marshal, Deputy State Fire Marshal or designated person defined by ORS 476.030, ORS 476.060 and OAR 837-039-0016. ¶

(20) "**Hazard**" means anything that may inflict injury or cause harm. ¶

(21) "**Inaccessible to children**" means out of reach of children by meeting one of the following requirements: ¶

(a) Secured with a child safety device, such as a child safety cupboard lock or doorknob device; ¶

(A) A device specifically manufactured as a child safety product; or ¶

(B) For a product not manufactured as a child safety product, the device must have a multi-step opening process, or require two hands to open. ¶

(b) Locked, such as in a locked room, cupboard, or drawer; or locks that do not use a key or combination, such as a deadbolt or hook-and-eye latch, only if they are installed at least 60 inches high; ¶

(c) Behind a properly secured child safety gate; or ¶

(d) In a cupboard or on a shelf that is not within reach of any surface from where a child could stand or climb. ¶

(22) "**Infant**" means a child who is 6 weeks to 12 months of age. ¶

(23) "**Infestation**" means the invasion of insects and worms that causes a disease to the host. These insects can be mites, ticks, fleas or lice. Worms can be roundworms, pinworms, flatworms or other helminths. ¶

(24) "**License**" means the document that is issued by CCLD to a registered family child care. A license may also be referred to as a registration. ¶

(25) "**Licensing period**" means the 24 months for which a registered family child care license is issued. ¶

(a) For an initial license, the licensing period begins the day the regular license is issued and ends the same day two years after. For example, if a registered family child care is issued a license on July 6, 2024, the licensing period is July 6, 2024 through July 6, 2026. ¶

(b) For a renewal license for which the provider submitted a timely renewal application, the licensing period begins the day the prior licensing period ended and ends the same day two years after, regardless of the date the renewal license is issued, unless the provider and CCLD agree to change the licensing period to begin on a different date. ¶

(26) "**Lockdown**" means restricted to an interior room with few or no windows while the facility or building is secured from a threat. ¶

(27) "**New Application**" means a registration application that has been filed by an applicant who has never had an active registration. ¶

(28) "**Night Care**" means care given between 9:00 p.m. and 5:00 a.m. or when any enrolled child sleeps for more than 3 hours at the registered family child care. ¶

(29) "**Oregon Registry**" means the voluntary registry at the Oregon Center for Career Development in Childhood Care and Education at Portland State University that documents the training, education and experience of individuals who work in childhood care and education. ¶

(30) "**Oregon Registry Online**" (ORO) means the statewide database that stores all submitted training and education to be verified for use by CCLD. ¶

(31) "**Parent**" means a child's parent, a guardian, or a person 18 years of age or older with supervisory responsibility of the child in the absence of the child's parent. ¶

(32) "**Physical Restraint**" means purposely limiting or obstructing the freedom of a person's bodily movement. ¶

Physical restraint does not include: ¶

(a) Holding a child to comfort the child when in distress; ¶

(b) Holding a child to move them safely from one area to another without the use of force (e.g. redirecting a toddler to another activity); ¶

(c) Assisting a child to complete a task, if the child does not resist the physical contact (helping a child to tie their shoe or hold a pencil or tool, bottle feeding, etc.); or ¶

(d) Any prohibited discipline or action listed in OAR 414-210-0710. ¶

(33) "**Play yard**" means a framed enclosure with mesh or fabric sides. A play yard is intended for sleeping and playing accommodations. ¶

(34) "**Potentially hazardous food**" means any food or beverage containing milk or milk products, eggs, meat, fish, shellfish, poultry, cooked rice, beans or pasta, and all other previously cooked foods, including leftovers. ¶

(35) "**Premises**" means the physical location used by a registered family child care to provide care subject to regulation or investigation by CCLD, including all indoor and outdoor areas not directly used for child care if the provider, child care staff, or child care children have actual or potential access to the areas. ¶

(36) "**Preschool-Age Child**" means a child who is at least 36 months of age but not yet eligible to be enrolled in kindergarten or above, before the first day of the current school year. ¶

(37) "**Provider**" means a resident of the registered family child care home who is responsible for the children in care; is the children's primary caregiver; and the person whose name is on the certificate of registration. The provider is the person responsible for the overall operation of the home and who has the authority to perform the

duties necessary to meet registration requirements. ¶

(38) "Registered Family Child Care Home" means the residence of the provider, who has a current Family Child Care Registration at that address and who provides care in the family living quarters. ¶

(39) "Registration" means the document a registered family child care provider is issued by CCLD to operate a registered family child care home where care is provided in the family living quarters of the provider's home pursuant to ORS 329A.330 and OAR 414-210-0100 through 414-210-1620. ¶

(40) "Renewal Application" means a registration application that has been filed by a currently registered family child care provider who wishes to continue registration. ¶

(41) "Reopen Application" means a registration application that has been filed by an applicant whose registration is expired or closed, including those closures resulting from an address change. ¶

(42) "Restrictable Disease" means an illness or infection as identified by the Public Health Division in OAR 333-019-0010 that would prohibit the child from attending child care. ¶

(43) "Sanitizing" means using a treatment that provides enough heat or concentration of chemicals for enough time to reduce the bacterial count, including disease-producing organisms, to a safe level on utensils, equipment, and toys. ¶

(44) "School-Age Child" means a child eligible to be enrolled in kindergarten or above on or before the first day of the current school year (also see ORS 329A.250(12)). This includes the months from the end of the prior school year to the start of the kindergarten school year. ¶

(45) "Serious Injury or Incident" means any of the following: ¶

(a) Injury requiring surgery; ¶

(b) Injury requiring admission to a hospital; ¶

(c) Injury requiring emergency medical attention; ¶

(d) Choking and unexpected breathing problems; ¶

(e) Unconsciousness; ¶

(f) Concussion; ¶

(g) Poisoning; ¶

(h) Medication overdose; ¶

(i) Broken or dislocated bone; ¶

(j) Severe head or neck injury; ¶

(k) Chemical contact in eyes, mouth, skin, inhalation or ingestion; ¶

(l) All burns; ¶

(m) Allergic reaction requiring administration of Epi-Pen; ¶

(n) Severe bleeding or stitches; ¶

(o) Shock or confused state; or ¶

(p) Near-drowning. ¶

(46) "Serious Complaint" and "Serious Violation" means an allegation or finding of noncompliance in which: ¶

(a) Children are in imminent danger; ¶

(b) There are more children in care than allowed by licensed capacity; ¶

(c) Disciplinary methods prohibited under OAR 414-210-0710 are being used; ¶

(d) Children are not being supervised; ¶

(e) Multiple or serious fire, health or safety hazards are present in the registered family child care; ¶

(f) Extreme unsanitary conditions are present in the registered family child care; ¶

(g) Adults are in the home who are not enrolled in the CBR; or ¶

(h) A home is providing child care without the appropriate certification. ¶

(47) "Shelter-in-Place" means caregivers and children staying at the home due to an external threat such as a storm, chemical or gas leak or explosion, or other event that prohibits the occupants from safely leaving the building. ¶

(48) "Substitute Provider" means a person who acts as the children's primary caregiver in the registered family child care home in the temporary absence of the provider. ¶

(49) "Supervision" means the act of caring for a child or group of children. This includes awareness of and responsibility for the ongoing activity of each child. It requires physical presence, knowledge of children's needs, and accountability for their care and well-being. Supervision also requires that caregivers be near and have ready access to children in order to intervene when needed. ¶

(50) "Technical Assistance" means consultation and advice given to providers to assist them in maintaining compliance. ¶

(51) "Toddler" means a child who is 12 months of age to 36 months of age. ¶

(a) "Younger Toddler" means a child who is 12 months of age to 24 months of age. ¶

(b) "Older Toddler" means a child who is 24 months of age to 36 months of age. ¶

(52) "Unsupervised Access to Children" means contact with children that provides the person opportunity for

personal communication or touch when not under the direct supervision of a qualified child care provider or caregiver with supervisory authority.[¶]

(53) "**Visitor**" means someone who is at the home for a single event, including but not limited to: a repair person, privately contracted professional working with an individual child, or librarian visiting the program. Visitors are not potential employees and are not counted in ratio.[¶]

(54) "**Volunteer**" includes any person who provides labor or services to a child care home but is not compensated with employment pay or benefits.

Application Process

(1) An applicant must submit an original and complete application for registration on the forms provided by CCLD:

¶

(a) For the initial registration; ¶

(b) For the renewal of the registration; ¶

(c) Whenever the provider moves to a new location; or ¶

(d) When re-opening after a lapse in registration. ¶

(2) An applicant must submit a non-refundable filing fee with the application. For a registered family child care home the application fee is \$30. The applicant may submit documentation that the applicant's income is below 100% of the Federal Poverty Level, the fee may be reduced or waived. This fee is required with: ¶

(a) Initial application; ¶

(b) Renewal application; ¶

(c) Re-opening of a home registration after a lapse in registration; or ¶

(d) A change in location. ¶

(3) A registered family child care must complete and submit an application to CCLD at least: ¶

(a) 45 days before the planned opening date of a new registered family child care home or change of location; and ¶

(b) 30 days prior to the expiration of the registration for a renewal. ¶

(A) If an application for renewal and payment of the required fee is received at least 30 days prior to the expiration date of the current registration, the current registration unless officially revoked, remains in force until CCLD has acted on the application for renewal and has given notice of the action taken. ¶

(B) If an application for renewal and payment of the required fee is not received at least 30 days prior to the expiration date of the current registration, the registration will expire and the registered family child care must cease operations unless the renewal is completed prior to the expiration date. ¶

(4) An applicant must provide the following items with the application for an initial registration, or change of address: ¶

(a) Initial or current lead testing results for each source of drinking water, as required in OAR 414-210-0820; and ¶

(b) Verification that the provider has met the initial training listed in OAR 414-210-0370(1). ¶

(5) An application for renewal of a registered family child care may be approved by CCLD upon successful completion of CCLD's Health and Safety inspection with the home's licensing specialist and verification that the provider has met ongoing training requirements identified in OAR 414-210-0380. ¶

(6) An applicant must pay in full all civil penalties established by final order against the applicant or be compliant with an CCLD approved payment plan before CCLD will process an initial or renewal application. ¶

(7) If CCLD has not approved, issued a notice of intent to deny, or issued a final order by default or after a contested case hearing denying an application within 12 months of the date the application was submitted to CCLD, the application may be closed, subject to the applicant's right to submit a new application at any time. This rule does not apply if: ¶

(a) The application is a timely renewal application; or ¶

(b) CCLD has issued a notice of intent to deny the application that has not resulted in a final order or withdrawal.

Issuance of Registration

(1) Upon receipt of a completed application, a registered family child care will be evaluated by a representative of CCLD to determine if it meets all registration requirements. ¶

(2) CCLD will issue a regular registered family child care registration when the home is determined to be in compliance with all of these rules. ¶

(3) For a registered family child care home, a registration is valid for no more than two (2) years. ¶

(4) A registered family child care registration will be issued in the name of the provider. ¶

(5) A registered family child care registration cannot be transferred to any other location or to another organization or individual. ¶

(6) Registration is limited to one provider per household. ¶

(7) The home in which child care is provided must be the residence of the provider. ¶

(8) A provider must request in writing to CCLD any changes in the conditions of the license including ages of children in care, capacity, changes in room use, or hours of operation. A provider must receive approval from CCLD before making such changes.

Registration Process

- (1) A provider must comply with the conditions of the registration when admitting children, including, but not limited to, capacity, hours of operation, age range, and special conditions. ¶
- (2) If an applicant or a registered family child care provider wishes to provide child foster care, the provider must receive approval from CCLD and Oregon Department of Human Services (ODHS), prior to placement of the foster child(ren). ¶
- (3) A provider must allow representatives of all agencies involved in licensing process to have immediate access to all areas of the home and premises when child care children are present, including: ¶
 - (a) Areas deemed inaccessible to children, including rooms not typically used for child care, second floors and other structures on the premises; ¶
 - (b) Records of children enrolled in the registered family child care home, and all records and reports related to the child care operation regarding compliance with these rules; and ¶
 - (c) All caregivers. ¶
- (4) A registered family child care registration may be denied, suspended or revoked if the provider has been removed, denied or suspended from the CBR. ¶
- (5) If a complaint alleges that a provider is not in compliance with these rules, CCLD will conduct an investigation and assessment as provided in OAR 414-075-0130. ¶
- (6) CCLD may conduct unannounced monitoring visits of a registered family child care at least annually for the purpose of determining compliance with these rules and terms and conditions of registration. ¶
- (7) In connection with a monitoring or investigation visit, CCLD shall offer technical assistance when appropriate to assist a provider in complying with these rules and provide technical assistance when requested by the provider. ¶
- (8) Information provided by or on behalf of the provider to CCLD on applications, in records or reports, or any other written or verbal communication must be current, complete, and accurate. ¶
- (9) Parental request or permission to waive any of the rules applicable to a registered family child care does not give a provider permission to do so. ¶
- (10) CCLD registration records are open to the public on request, including findings of complaint investigations. However, information protected by state or federal law and the names of children and adults will not be disclosed. ¶
- (11) To determine if requirements are met, a provider may be required to supply additional information or permit CCLD, a fire marshal, or a public health official to assess the home and review child care records. ¶
- (12) The name, address, telephone number, and registration status of providers is public information. However, CCLD may withhold from the public a provider's address and telephone number if the provider makes a written request documenting that disclosure of the address and/or telephone number would endanger them or a family member living in the home (OAR 137-004-0800). The request must be on a form supplied by CCLD.

Exceptions to Rules

(1) A provider may request an exception to a rule on a form provided by CCLD for a specified period of time when:

(a) A requirement does not apply to the registered family child care; or

(b) The intent of the requirement can be met by a method not specified in the applicable rule.

(2) An exception request must include:

(a) A justification for the requested exception; and

(b) An explanation of how the provider will meet the intent of the rule.

(3) An exception request will not be granted:

(a) To waive the onsite review for applicants applying for an initial registration or renewal of a registration; or

(b) If the health, safety, and well-being of the children or consumer interests of the parents of children in care cannot be ensured.

(4) A provider must remain in compliance with the rule as written until CCLD approves the exception request.

(5) In certain circumstances, a provider may be granted an ongoing exception that will be reviewed annually to confirm the provider is in compliance with all exception requirements.

(6) Each exception request is unique to the applicable registered family child care and is evaluated on its own merits. The granting of an exception to a rule does not set a precedent.

(7) CCLD may withdraw approval of an exception at any time, to ensure the health, safety and well-being of the children.

Policies

(1) A provider must have written information and policies identified in OAR 414-210-0200(1)(a) through (g) and provide them to substitute providers, parents, and volunteers. Information must be provided at the time of enrollment and when information changes.¶

(a) Name, business address, and business telephone number of the person(s) who has immediate responsibility for the daily operation of the home;¶

(b) Parent responsibilities for providing current required information and what parents are expected to provide;¶

(c) Emergency preparedness and response plan (also see OAR 414-210-0210, Emergency Preparedness and Response);¶

(d) Information on transportation, when provided by the provider or other caregiver;¶

(e) Behavior and guidance policy;¶

(f) Duty to report suspected child abuse and neglect; and¶

(g) Night care, if provided.¶

(2) As required by state and federal civil rights laws and the Americans with Disabilities Act (ADA), a provider cannot discriminate against any child on the basis of race, religion, color, national origin, gender, marital status of parent, or because of a need for special care. ¶

(a) Suspected violations will be reported to the overseeing agency, with whom CCLD may share any information available to it. ¶

(b) CCLD may deny an initial or renewal application or revoke a registration if a provider is determined to have discriminated in violation of this requirement by any authority with jurisdiction to make the determination.¶

(3) A provider's decision whether to provide or continue care for a child known to have specific needs must be made after an individualized assessment is completed. The assessment must be based on information from parents, professionals who are knowledgeable about the child's care needs, and the provider. The assessment must be documented for each child and must include: ¶

(a) Reasonable accommodations the provider made to support the individual child's participation in the program, or an explanation of why the provider could not make reasonable accommodations; ¶

(b) Reasonable modifications the provider made to their policies and practices to fully integrate the child into the program or an explanation of why the provider could not make reasonable modifications; and ¶

(c) If applicable, any direct threats to the health and safety of others posed by the child's presence at the home.

Emergency Preparedness and Response

(1) A provider must have a written plan for emergency preparedness that addresses evacuation, relocation, shelter-in-place and lockdown procedures, and responding to medical emergencies and other incidents. The plan must be followed, unless otherwise instructed by emergency personnel.

(2) The plan must include a provider's procedures for:

(a) Responding to a lost or missing child;

(b) Ensuring that all children in attendance are supervised and accounted for during and after an emergency;

(c) The way that caregivers and children are alerted of the emergency;

(d) Notifying emergency authorities, including the poison control center, when necessary;

(e) Evacuating children to a designated safe area or relocating children to alternate shelter. Designated safe areas and alternate shelters must be a minimum of 50 feet from the home being evacuated;

(f) Moving children to a designated location in the home for sheltering-in-place and lockdown emergencies;

(g) Responding to natural and man-made disasters including power outages;

(h) Responding to serious illness, serious injury or death of a child or caregiver;

(i) Responding to incidents involving a hostile intruder;

(j) Addressing the needs of individual children, including children with disabilities or other specific needs, and children with chronic medical conditions;

(k) Ensuring children's emergency contact information and medical authorization and caregivers' emergency contact information is accessible during and after an emergency;

(l) Notifying parents after the emergency ends and how children will be reunited with their families as the evacuation, relocation, or sheltering/lockdown is lifted;

(m) Maintaining continuity of care after a natural or man-made disaster, including access to copies of records, documents, and computer files necessary for continued operation stored in either a portable file or at an off-site location;

(n) Ensuring pool and swimming safety if applicable (also see OAR 414-210-1300, Swimming and Water Activities); and

(o) The plan must identify a licensed physician, hospital, or clinic to be used for emergency medical care.

(3) A provider must observe weather conditions and other possible hazards to take appropriate action for child health and safety. Conditions that pose a health or safety risk may include, but are not limited to:

(a) Heat in excess of 100°F, or pursuant to advice of the local authority;

(b) Cold less than 20°F, or pursuant to advice of the local authority;

(c) Lightning storm, tornado, hurricane, or flooding if there is immediate or likely danger;

(d) Earthquake;

(e) Air quality emergency ordered by a local, state, or federal authority on air quality or public health;

(f) Lockdown notification ordered by a public safety authority; and

(g) Other similar incidents.

(4) A provider must have an emergency light source, such as a flashlight, in working condition, stored in an easily accessible location.

(5) A provider must review the written plan and all emergency procedures:

General Caregiver Requirements

- (1) A provider must ensure that all caregivers, volunteers and household members who have supervised or unsupervised access to child care children: ¶
- (a) Comply with registration rules: ¶
 - (b) Recognize and act to correct hazards to physical safety, both indoors and outdoors: ¶
 - (c) Demonstrate good judgment as evidenced by responsible behavior that reasonably ensures the health and safety of children; and ¶
 - (d) Have not consumed nor are under the influence of any substance that impairs their ability to care for children. "Under the influence" means observed abnormal behavior or impairments in mental or physical performance leading a reasonable person to believe the individual has used alcohol, any controlled substances (including lawfully prescribed and over-the-counter medications), marijuana or inhalants that impairs their performance of essential job function or creates a direct threat to child care children or others. ¶
- (2) A provider and any caregiver must: ¶
- (a) Be physically capable of performing duties related to child care: ¶
 - (b) Relate to children with courtesy, respect, acceptance, and patience: ¶
 - (c) Demonstrate realistic expectations for behavior based on the age, abilities, and needs of children: ¶
 - (d) Recognize and respect the uniqueness and potential of all children, their families, and their cultures: ¶
 - (e) Report suspected abuse, neglect, and exploitation in accordance with Oregon law (also see OAR 414-210-0270, Notifications); and ¶
 - (f) Have the required training and experience for the position they are filling. ¶
- (3) A provider must ensure that any person who has demonstrated behavior that could endanger the health, safety or wellbeing of a child is not on the premises during child care hours and is not allowed access to children in care. Residents of the home are considered to have access to the child care children even if they are not generally at home during hours of operation. ¶
- (4) Any caregiver known or appearing to have a child care-restrictable disease, as defined in OAR 333-019-0010, a symptom of physical illness as described in OAR 414-210-1010(1)(b)(A) through (K), or a mental incapacity that poses a threat to the health or safety of children shall be relieved of their duties.

Central Background Registry Enrollment

- (1) The provider, caregivers, and residents of the child care home 18 years of age or older must be enrolled in CCLD's CBR prior to the issuance of a registration.¶
- (2) Residents of the child care home who are under 18 years of age must be enrolled in the CBR by their 18th birthday.¶
- (3) A provider must receive confirmation from CCLD that an individual 18 years of age or over, is enrolled or conditionally enrolled in the CBR before the individual can:¶
 - (a) Reside in the child care home;¶
 - (b) Stay overnight on the premises for longer than 14 consecutive days, not to exceed a total of 30 days in a calendar year, unless not required to enroll in the CBR as provided in subsection (4) of this rule;¶
 - (c) Work in the home; or¶
 - (d) Volunteer in the child care home.¶
- (4) Individuals 18 years of age and older that reside on the premises in living spaces other than the child care home (including, but not limited to, Accessory Dwelling Units (ADUs) or other Alternative Housing units, tiny homes, recreational vehicles (RVs), trailers, garage apartments, etc.) are not required to enroll in the CBR if all of the following conditions are met: ¶
 - (a) Those residing in or visiting the living space are not suspended or have not been denied or removed for cause from the CBR;¶
 - (b) The living space can be accessed without entering the child care home; ¶
 - (c) Those residing in or visiting the living space have no opportunity for access to child care children without the permission of the provider and presence of a caregiver employed in the child care home. For the purposes of this rule, an individual has opportunity for access to child care children if they are able to be close enough to touch or have a conversation with a child care child inside or outside the home. ¶
 - (d) If also the owner of the premises used as the child care home that is leased to the provider or another person, all entries to the child care home for maintenance or other purposes are logged on the visitor log and no unsupervised access to child care children is allowed. An owner who regularly visits the child care home must be enrolled in the CBR;¶
 - (e) Any animals kept by those residing in the living space cannot have contact with child care children; ¶
 - (f) Child care is never conducted in the living space and child care children do not have access to the living space; and ¶
 - (g) The living space offers basic necessities such as running water, a bathroom, and cooking appliances, without having to enter the child care home during operating hours or when child care children are present. ¶
- (5) The provider, caregivers, and other individuals that are required to be enrolled in the CBR must maintain current enrollment in the CBR at all times while the registered family child care license is active.¶
- (6) Individuals with conditional enrollment in the CBR shall not have unsupervised access to children.¶
- (7) Any visitor to the child care home or other adult who is not enrolled in the Central Background Registry shall not have unsupervised access to children.¶
- (8) A provider must have safeguards in place to prevent a visitor's unsupervised access to children, including a sign-in and sign-out process that captures:¶
 - (a) The individual's name and relationship to the registered family child care (e.g. volunteer, vendor, guest, etc.); and¶
 - (b) Arrival and departure times.¶
- (9) A provider must ensure that individuals whose CBR enrollment has been revoked, denied, or suspended, are not on the premises during operating hours or when child care children are present; have contact with children in care; or live on the premises of the child care home (including, but not limited to ADUs or other Alternative Housing units, tiny homes, RVs, trailers, garage apartments, etc.).¶
- (10) If additional information is needed to assess a person's ability to care for children or to have access to children, CCLD may require references, an evaluation by a physician, counselor, or other qualified person, or other information.

Children in Care

(1) A provider may care for a maximum of 10 children. This includes: ¶

(a) All child care children, as defined in OAR 414-210-0100(10); ¶

(b) The provider's own children, including foster children, age 9 years or younger; ¶

(c) Any other children age 12 years or younger for whom the provider is responsible; and ¶

(d) Any child(ren) age 17 years or younger, including the provider's own children, foster children, child care children or other children for whom the provider is responsible, with special needs or disabilities who require a level of care that is above normal for the child's age. ¶

(2) Of the 10 children in care, a provider may care for: ¶

(a) A maximum of six children preschool age or younger, of which only two children may be under 24 months of age. ¶

(b) Four school-age children, in addition to the six children preschool-age or younger. ¶

(c) More school-age children if there are fewer than six children preschool-age or younger, as long as there are no more than 10 children in the home at any one time. ¶

(3) Other children, including but not limited to relatives, neighborhood children or friends of the provider's children, are included in the maximum number of 10 children allowed in care if present in the child care home during operating hours on a regular basis or if present on an occasional basis without being directly supervised by the child's parent or other adult who is not also caring for child care children. ¶

(4) No child younger than 6 weeks of age can be in care in a registered family child care home. This does not include the provider's child(ren).

(1) The provider or substitute provider must ensure that children have the full attention of caregivers at all times who must:

(a) Be aware of what each child is doing;

(b) Be near enough to children to assist and respond when needed;

(c) Be within sight and/or sound of children at all times, without relying on audio or video devices. Children out of direct visual contact shall be monitored regularly and frequently and must be in approved activity areas;

(d) Be physically present when there are children under the age of 36 months playing outside; and

(e) Be physically present when kindergarten-age or younger children are playing outside, unless the outside play area is fully fenced and hazard free.

(2) A provider must provide sufficient light in any room where children are napping or resting so that caregivers can clearly see each child's face from any point in the room.

(3) Background noise (e.g. music, sound machine, white noise machine) must not be so loud as to prevent a caregiver from being able to respond to the needs of the children.

(4) When the caregiver is in a separate room from children, doors shall be kept open wide enough so the caregiver can easily step into the room to do frequent audio and visual checks of the children.

General Requirements for the Care of Infants and Toddlers

(1) For infants and younger toddlers, a provider must obtain the following information (also see OAR 414-210-0220, Children's Records): ¶

(a) Schedule of feeding; ¶

(b) Types of food introduced and timetable for new foods; ¶

(c) Sleep schedule; and ¶

(d) Child's way of communicating and being comforted. ¶

(2) A provider must be responsive to each infant and toddler's individual, physical, and developmental needs. ¶

(3) A provider must allow infants and young toddlers: ¶

(a) To form and follow their own pattern of sleeping and waking periods; ¶

(b) Opportunities throughout the day to move freely in a safe, clean, open, and uncluttered area; and ¶

(c) Opportunities to interact and be near one another. ¶

(4) A provider must not leave an awake child in a play yard, for the purposes of playing, for more than 30 minutes in any 2 hour period. ¶

(5) Restrictive infant equipment, including, but not limited to, bouncers, exersaucers, swings, infant seats, high and low chairs or structured infant carriers may be used for no more than 30 minutes in any 2 hour period. ¶

(a) Children who are actively engaged in eating, outdoor walks, or car rides can exceed the 30 minute limit for restrictive infant equipment used in these activities. ¶

(b) Car seats may not be used except for transportation purposes. ¶

(6) Throughout the day, a provider must engage each infant and toddler in frequent, multiple, and social interactions by providing physical contact and individual attention (e.g., being held, rocked, talked to, sung to, and taken on walks inside and outside the home). ¶

(7) A provider must encourage the development of self-help skills (dressing, toileting, washing, eating) as children show interest. ¶

(8) All caregivers must take appropriate precautions to prevent shaken baby syndrome and abusive head trauma.

Furniture and Equipment for Infants and Toddlers

- (1) A provider must provide an individual crib, portable crib, or play yard for each infant.
- (a) Each crib, portable crib, or play yard must:
- (A) Comply with Consumer Product Safety Commission (CPSC) standards for use by infants and have documentation from the manufacturer or retailer stating that either the crib was manufactured after June 28, 2011 or the play yard was manufactured after February 28, 2013;
- (B) Have a firm, flat, non-inclined sleep surface;
- (C) Have a clean, firm, tight-fitting mattress. The mattress must:
- (i) Be designed to fit the specific equipment used, with no gap between the mattress and sides of the product;
- (ii) Be covered in a durable, washable, waterproof, form-fitting material;
- (iii) Be firm enough that it maintains its shape and does not indent or conform to the shape of the infant's head; and
- (iv) Be covered in a tight-fitting sheet that remains tightly-fitted with normal use and does not have any slack or bunching.
- (b) Bassinets are prohibited.
- (c) Stacking, wall, or modular cribs are prohibited.
- (d) Sheets must be changed when soiled, before use by another child, and at a minimum of once a week.
- (2) Crib bumper pads must not be on the premises of a registered family child care home.
- (3) To support traditional indigenous practices, a provider may allow cradleboards or other traditional indigenous sleep equipment to be used as a sleep surface for infants. Caregivers must be careful to not over-bundle or overheat an infant while using the equipment.
- (4) If a provider uses high chairs, the chairs must comply with current Consumer Product Safety Commission (CPSC) standards and have:
- (a) A broad base to prevent tipping;
- (b) A latch to keep a child from raising the tray; and
- (c) T-shaped straps or a guard to prevent a child from becoming entrapped or sliding out.
- (5) If a provider uses clip-on chairs, the chairs must have straps to prevent a child from sliding out.
- (6) A provider must provide a variety and adequate supply of developmentally appropriate materials that are stimulating to a child's senses. Materials must not be a choking hazard including toys and removable parts with a diameter less than 1-⁷/₈ inches, plastic bags, Styrofoam, and rubber or latex balloons.
- (7) A provider may not use the following equipment for infants, which have been identified as unsafe for infants by the Consumer Product Safety Commission (CPSC) and the American Academy of Pediatrics:
- (a) Baby walkers, which are devices that allow an infant to sit inside and are equipped with rollers or wheels and move across the floor;
- (b) Baby doorway jumpers, which are devices that allow an infant to bounce while supported in a seat by an elastic "bungee cord" suspended from a doorway;
- (c) Accordion safety gates; and
- (d) Unstructured infant slings or wraps.

Safe Sleep

(1) In addition to safe equipment (OAR 414-210-0620), a provider must follow safe sleep practices for infants to reduce the risk of sudden unexpected infant death (SUID) as follows:¶

(a) While sleeping, infants must be monitored frequently to ensure they are breathing, not overheated, not in distress, and do not need assistance.¶

(b) Infants must be placed on their backs on a flat, firm, non-inclined surface for sleeping.¶

(c) Infants who can roll from back-to-front or back-to-side may remain in the sleep position they assume.¶

(d) Except for a plain pacifier, there must not be any items (e.g., pacifier clips, bottles, toys, pillows, stuffed animals, blankets, bumpers) in or attached to the crib, portable crib or play yard.¶

(e) Infants must not have their heads or faces covered by items such as blankets or linens at any time.¶

(f) There must not be any items (e.g. blankets, tents, sheets) placed over the top or on the sides of a crib, portable crib or play yard.¶

(g) Items that may cause suffocation or strangulation such as headwear (e.g. hoods, hats, headbands), bibs, necklaces, and garments with ties or drawstrings must be removed from the infant and sleep equipment prior to laying an infant down to rest.¶

(h) Swaddling or other clothing or covering that restricts the infant's arm or leg movement is prohibited at all times, even if the child is not sleeping.¶

(i) Weighted blankets, weighted clothing, or other weighted objects must not be placed on or near the sleeping infant.¶

(j) If the caregiver is engaged in an activity with child care children and is carrying a sleeping infant in a structured infant carrier, the caregiver must move the infant to a safe sleep surface as soon as the activity is finished.¶

(k) A caregiver may hold a sleeping infant provided the caregiver can immediately observe, see, or feel any signs of distress. The caregiver must be awake, alert, and focused on the infant; and¶

(l) If an infant arrives asleep in a car seat or falls asleep in a place other than their crib, portable crib or play yard, the caregiver must immediately move the infant to an appropriate sleep surface.¶

(2) Alternative sleep positions may only be used with an CCLD approved exception request, which must include a medical reason and instructions from a physician.

414-210-0810

Home Structure and Safety

- (1) A registered family child care may only conduct care in space designed or remodeled as living quarters. ¶
- (2) Apartments located on the second floor and above are not eligible for licensure no matter the configuration of exits. ¶
- (3) The exit requirements listed in OAR 414-210-0810(4) apply to: ¶
 - (a) Registered family child cares with initial licensure on or after July 1, 2025; or ¶
 - (b) An existing registered family child care that applies for a change of address on or after July 1, 2025. ¶
- (4) All floors of the home used for child care activities must have two exits. ¶
 - (a) One exit on each floor must be a door that exits directly outside to ground level and meets the following requirements: ¶
 - (A) The door may not exit through a garage or carport. ¶
 - (B) The door must be able to be opened from the inside without the use of a key, or special knowledge or effort. ¶
 - (C) The interior pathway leading to the door must not: ¶
 - (i) Be within three feet horizontally of a permanently installed cooking appliance; nor ¶
 - (ii) Be required to pass through a storage room or through a room that can be locked to prevent access. ¶
 - (b) The second exit may either be a door that exits directly outside to ground level or an operable window that meets the following requirements: ¶
 - (A) A minimum net clear openings of 5 square feet; ¶
 - (B) A minimum net clear height of 24 inches; ¶
 - (C) A minimum net clear width of 20 inches; ¶
 - (D) The bottom of the opening located no more than 44 inches from the finished floor; and ¶
 - (E) The bottom of the opening located no more than 48 inches off of the ground outside of the home. If higher than 48 inches, steps or a platform must be placed under the window to reduce the distance to 48 inches. ¶
- (5) The exit requirements listed in OAR 414-210-0810(6) through (8) apply to: ¶
 - (a) Registered family child cares with initial licensure prior to July 1, 2025; or ¶
 - (b) A location previously licensed by CCLD at any time. ¶
- (6) All floor levels used by children must have access to two usable exits to the outdoors. For the purposes of this rule "usable exit" is defined as an unobstructed door or window through which the provider and the children can evacuate the home in case of a fire or emergency. Doors must be able to be opened from the inside without a key. ¶
 - (a) For homes built before July 1, 2010, window openings must be at least 20 inches wide and at least 22 inches in height, with a net clear opening of five square feet (at least 720 square inches) and a sill no more than 48 inches above the floor. ¶
 - (b) For homes built after July 1, 2010, window openings must be at least 20 inches wide and at least 24 inches in height, with a net clear opening of five square feet (at least 720 square inches) and a sill no more than 44 inches above the floor. ¶
- (7) If a basement is used for child care purposes, the requirement for two usable exits may be met by one of the following: ¶
 - (a) A sliding glass door or swinging door to the outside and a window that meets the definition of a useable exit; or ¶
 - (b) A window which meets the definition of a useable exit and an internal stairway to ground level that has unobstructed and direct access to the outdoors. ¶
 - (c) If a window, which meets the definition of a usable exit, is used: ¶
 - (A) Steps must be placed under the window to allow children to exit without assistance; and ¶
 - (B) The window must be kept in good working condition. ¶
 - (d) If a window used as an exit has a window well, a mechanism must be in place to allow children to exit the window well. ¶
 - (e) The provider must complete a daily inspection to ensure that evacuation routes are clear and usable exits, including doors and escape windows, are operable. ¶
- (8) Second floors (does not apply to providers registered continuously at the same address before 2009, unless the provider has moved the child care license to a new residence): ¶
 - (a) Child care children shall not sleep on the second floor or above; ¶

- (b) Care shall not be provided for infants and toddlers on the second floor or above; ¶
- (c) Night care shall not be provided on the second floor or above; ¶
- (d) Children may be allowed on the second floor to use the bathroom if the only bathroom is on the second floor; ¶
- (e) Care can be provided for preschool and school-age children on the second floor or above, if: ¶
 - (A) There are two staircases to the ground level and all children are mobile enough to exit safely; or ¶
 - (B) The designated fire code official has approved the use of the upper floor. ¶
- (9) A provider must ensure that children do not have access to heating equipment such as furnaces, fireplaces, stoves, steam and hot water pipes, and electric space heaters. ¶
- (10) A registered family child care's heating equipment must be safe to operate. ¶
 - (a) Flammable materials including papers, curtains, and furniture must be at least 3 feet from furnaces, fireplaces, and other heating devices. ¶
 - (b) Fireplaces, fireplace inserts, and wood/corn pellet stoves, if used, must: ¶
 - (A) Have a secure, stable protective barrier; and ¶
 - (B) Be inspected and cleaned annually. ¶
 - (c) Portable electric space heaters must: ¶
 - (A) Be attended while in use and be off when unattended; ¶
 - (B) Have an automatic shut off feature for tipping over and overheating; ¶
 - (C) Have protective covering to keep hands and objects away from the electric heating element; ¶
 - (D) Bear the safety certification mark of a nationally recognized testing laboratory; ¶
 - (E) Be placed only on the floor; ¶
 - (F) Be properly vented, as required for proper functioning; and ¶
 - (G) Be used according to the manufacturer's instructions. ¶
 - (11) Activity areas must be adequately lighted and ventilated. ¶
 - (a) Doors and windows which are opened for ventilation must be equipped with fine-meshed screens. ¶
 - (b) After painting or laying carpet, the child care home must be aired out completely for at least 24 hours with good ventilation before children are allowed to return. ¶
 - (12) A registered family child care's electrical system must not pose a risk to children. ¶
 - (a) Unused electrical outlets accessible to children preschool-age and younger must be tamper-resistant or have outlet covers that are not easily removed by children. ¶
 - (b) Electrical wiring and power strips with surge protectors must be inaccessible to child care children. ¶
 - (c) Electrical cords must be in good working condition, not torn or frayed, and not have any exposed wires. ¶
 - (d) Extension cords may only be used for a brief, temporary purpose and must not replace direct wiring. ¶
 - (13) A provider must maintain the indoor temperature no lower than 68°F and no higher than 85°F when children are present. If the provider is unable to maintain an internal temperature between 68°F and 85°F, the provider must utilize strategies to help children stay warm or cool. ¶
 - (14) All septic systems must meet the requirements of the Department of Environmental Quality. ¶
 - (15) A provider must ensure the following home safety measures: ¶
 - (a) Phone service is available in the home during operating hours. ¶
 - (b) Floors must be free of splinters, large unsealed cracks, sliding rugs and other hazards. ¶
 - (c) Windows above the ground floor that are accessible to children preschool-age and younger must be equipped with a lock to prevent opening more than 4 inches. ¶
 - (d) Vertical blinds, continuous looped blinds, and drapery cords must either be out of reach of children or have tension or tie-down devices to hold the cords tight. ¶
 - (e) Indoor platforms and lofts more than 30 inches in height must have protective barriers. ¶
 - (f) A movable barrier, e.g. baby gate, must be placed at the top and/or bottom of all stairways accessible to infants and toddlers. ¶
 - (g) Clear glass panels must be clearly marked at children's eye level.

Water Supply and Plumbing

- (1) A registered family child care's water supply must be from a public water supply or well, and must be tested for lead, unless the registered family child care uses an CCLD approved alternative water source.¶
- (2) A provider must test each faucet used for drinking or food preparation for lead in the water, unless the home uses an CCLD approved alternative water source.¶
- (3) If the water supply does not meet applicable levels established in (4), the provider must obtain a sufficient supply of potable water, such as bottled water, to ensure compliance with rules for drinking and cooking until treatment or an alternate source is obtained. The faucet must not be used for consumption or food preparation until the lead levels have been mitigated.¶
- (4) After initial testing, a provider must test all drinking water faucets or fixtures for lead at least once every 6 years from the date of the last test. There must be no more than 15 parts per billion (ppb) of lead.¶
- (5) All testing must be performed by a laboratory accredited by the Oregon Laboratory Accreditation Program according to standards set under OAR chapter 333, division 64 in effect as of September 30, 2018. All sample collection and testing must be in accordance with the EPA's 3Ts for Reducing Lead in Drinking Water in Schools and Child Care Facilities, Revised Manual from October 2018, adopted by reference.¶
- (6) A provider must submit all test results to CCLD within 10 calendar days of receiving the results from the laboratory. The test results must be accompanied by a written statement that identifies the location of each drinking water faucet or fixture tested.¶
- (7) If test results show that water from any drinking water faucet or fixture has unsafe levels of lead, a provider:¶
 - (a) Must prevent access to that drinking water faucet or fixture immediately after receiving the test results and until mitigation is complete;¶
 - (b) Must use only bottled or packaged water to meet the requirements of this section;¶
 - (c) Must submit a corrective action plan to CCLD for approval within 60 days of receiving the test results. The corrective action plan must identify an appropriate mitigation strategy in accordance with Module 6 of the EPA's 3Ts for Reducing Lead in Drinking Water in Schools and Child Care Facilities, Revised Manual from October 2018, adopted by reference;¶
 - (d) Must implement the mitigation method within 30 days of approval by CCLD; and¶
 - (e) May consult with the Oregon Health Authority for technical assistance.¶
- (8) A provider must keep a copy of the most recent test results on site at all times.¶
- (9) If a provider does not use any of the on-site plumbing fixtures to obtain water for drinking, cooking, preparing infant formula, or preparing food, the provider must:¶
 - (a) Submit a written statement at the time of renewal to CCLD identifying the alternative source of water and confirming that the provider does not use any on-site plumbing fixtures for drinking, cooking, or preparing food; and¶
 - (b) Notify CCLD in writing if the alternative source of water changes.¶
- (10) If a faucet has not been tested within 6 years, a provider must discontinue using that faucet until testing is completed and the results are below 15 parts per billion (ppb) of lead.¶
- (11) If using a private well, additional testing must be completed prior to initial license and, at a minimum, every two years after initial testing. ¶
 - (a) Well water must be tested for: ¶
 - (A) Coliform and E.coli bacteria; ¶
 - (B) Nitrate; and ¶
 - (C) Arsenic. ¶
 - (b) Testing must be completed by an Oregon Environmental Laboratory Accreditation Program (ORELAP) accredited laboratory. ¶
 - (c) Test results must be submitted to the local public health authority for evaluation. ¶
 - (d) If the well water does not meet safety standards, the provider must discontinue use of the water source, as per recommendation of the local public health authority. The provider must establish and implement a mitigation plan under the guidance of the local public health authority, until such time that the well water is deemed safe for use.¶
- (12) For registered family child care homes initially licensed prior to July 1, 2025, testing identified in (11) must be completed prior to the next renewal and at a minimum every two years after initial testing.

CHANGES TO RULE:

414-210-0840

Prevention and Management of Hazards

(1) A provider must ensure that the following items are inaccessible to children as defined in OAR 414-210-0100(21):¶

- (a) All toxic or potentially dangerous items;¶
- (b) Cleaning, sanitizing and disinfecting supplies and equipment;¶
- (c) Poisonous plants;¶
- (d) Tobacco products, smokeless or vaping devices; ¶
- (e) Alcohol;¶
- (f) Flammable materials, including matches and lighters, and corrosive materials;¶
- (g) Knives and other sharp objects; and¶
- (h) Motorized yard or power tools.¶

(2) Toxic substances must be stored separately from medication, food service equipment, and food supplies.¶

(3) Products must be stored in the original labeled containers. Any smaller containers or solutions mixed by caregivers must be labeled with the contents of the container.¶

(4) A provider must take steps to prevent children's exposure to the following, if they exist on the premises:¶

- (a) Any sources of lead and lead based paint. Painted surfaces must be in good condition, both inside and outside, to avoid exposing children to lead-based paint;¶
- (b) Asbestos;¶
- (c) Toxic mold; and¶
- (d) Other identified toxins and hazards.¶

(5) A provider must recognize, address or remove potentially dangerous items and situations, using protective barriers to prevent children's access, if needed. Caregivers must:¶

- (a) Regularly inspect the indoor and outdoor play areas and equipment for hazards, such as missing parts or broken equipment, sharp edges, splinters, and trash; ¶
 - (b) Ensure open containers of water such as bathtubs, buckets, and mop pails are emptied immediately after use; ¶
 - (c) Ensure sand boxes are free of animal waste and trash; and¶
 - (d) Ensure that all plastic bags that are large enough to fit over a child's head are inaccessible to children.¶
- (6) A provider must not permit the use of any tobacco products such as cigarettes, cigars, and smokeless or vaping devices, drug paraphernalia, hemp, marijuana and marijuana infused products on the premises during operating hours or when child care children are present. This includes:¶

- (a) In the child care home;¶
- (b) In the outdoor play area;¶
- (c) Within 10 feet of any entrance, exit, or window that opens or any ventilation intake that serves an enclosed area; or¶
- (d) In any vehicles where child care children are present or on any field trip.¶

(7) All marijuana, marijuana derivatives and associated paraphernalia must be inaccessible to children through one of the following methods:¶

- (a) Securely stored using a child safety device or child safety lock; or¶
 - (b) Stored in a locked room.¶
- (8) No one shall consume alcohol on the registered family child care premises during operating hours or when child care children are present. ¶

(9) No one shall possess, use or store illegal controlled substances on the registered family child care premises. ¶

(10) Firearms, BB guns, pellet guns and arrows must be kept under lock.¶

- (a) Ammunition must be stored and locked separately.¶
- (b) Firearms, BB guns, and pellet guns must be kept unloaded.¶

(11) A provider must prevent access to all pools and other bodies of water such as hot tubs, spas, ponds, creeks, fountains, ornamental ponds, rain barrels.¶

- (a) Pools and hot tubs must be made inaccessible through one of the following methods:¶
 - (A) A locking, rigid cover;¶
 - (B) A minimum four foot high fence that begins at ground level, and all gates and doors that allow access are locked; ¶
 - (C) Four foot non-climbable sides with pool ladder removed or inaccessible; or¶

(D) In a locked room or all doors that access the area are locked. ¶

(b) For registered family child cares with licensure prior to July 1, 2025, ornamental and natural ponds within the child care outdoor play area must be made inaccessible through one of the following methods:¶

(A) Enclosed by a secure barrier and locked with either a key or a combination lock;¶

(B) A grate on top of a small pond of sufficient strength and rigidity to prevent children from falling into the water. The grate must be locked or secured to prevent removal; or¶

(C) A locked door to the outside area where the pond is located as long as the door is always locked during operating hours and children are not using the outside area where the pond is located.¶

(c) For registered family child cares with licensure on or after July 1, 2025, ornamental or natural ponds are prohibited in the child care outdoor play area. Registered family child cares licensed prior to July 1, 2025 are prohibited from adding a new ornamental pond or natural pond to the child care outdoor activity area.¶

(d) If the premises has an unfenced bay, creek or other body of water that is accessible to the child care children, the provider must be physically present with children of all ages while outdoors, or the children must play in a specified area from which the body of water is not accessible. ¶

(12) A registered family child care must keep the home free of insects, rodents, and other pests.¶

(a) Automatic insecticides dispensers, vaporizers, or fumigants must not be used. ¶

(b) Pest control products must not be applied or used when child care children are present. After their application, child care children must not enter the area until indicated by the manufacturer's instructions.¶

(13) A provider must take precautions to protect children from vehicular traffic:¶

(a) Require drop off and pick up only at the curb or at an off-street location protected from traffic; and¶

(b) Assure that any caregiver who supervises drop-off and loading can see and assure that children are clear of the perimeter of all vehicles before any vehicle moves.

Fire Protection

- (1) Doorways, evacuation routes, and exits must be kept free of materials, furniture, equipment and debris to allow unobstructed access to the outdoors. The provider must complete a daily inspection to ensure that evacuation routes are clear and exits, including doors and escape windows, are operable.¶
- (2) Flammable and combustible materials:¶
- (a) Must be stored in the original container or a safety container:¶
- (b) Must not be stored within 4 feet of furnaces, other flame or heat-producing equipment, or fuel-fired water heaters:¶
- (c) If over a gallon, kept in an unattached storage garage. ¶
- (3) Heating and air vents, filters and dryer vents must be cleaned regularly to prevent lint build-up.¶
- (4) Items with open flames must not be used, except for the brief supervised use of candles. ¶
- (5) There must be at least one 2-A-10 BC rated fire extinguisher on each floor of the home, unless the floor is not under the direct control of the provider.¶
- (a) Fire extinguishers on floors where child care occurs must be designated on the floor plan required in OAR 414-210-0260(2) and either mounted or stored along the primary evacuation route. Fire extinguishers must be easily accessible and visible.¶
- (b) If fire extinguishers are stored in a cabinet or closet, they must be mounted and there must be a sign indicating that the fire extinguisher is located inside. Obstructions, including furniture, storage of supplies, or any other items shall not be placed in a manner that blocks access to the cabinet or closet.¶
- (c) The provider must inspect the fire extinguishers monthly and the inspection must be documented.¶
- (6) Smoke alarms and carbon monoxide detectors must be:¶
- (a) Installed on each floor level of the home and in any area where children nap. If installed outside of a room used for napping, it must be located within 6 feet of the doorway to the room; ¶
- (b) Maintained in operating order; and¶
- (c) Tested monthly to ensure they are in working order. The test must be documented. ¶
- (7) Fire drills must be practiced monthly at various times during child care operating hours.¶
- (a) Fire drills must include a drill using an alternate evacuation route at least once per year.¶
- (b) An evacuation drill must be conducted when required by CCLD during an announced visit.¶
- (c) Caregivers must have an alert method (for example, a smoke alarm, strobe light, loud bell or whistle) to warn the occupants of the home of an emergency or drill.¶
- (d) A provider must demonstrate efforts to complete full evacuation of caregivers and child care children within three minutes. If unable to evacuate within three minutes, the provider must engage in additional efforts including one or more of the following:¶
- (A) Using evacuation cribs, strollers/buggies, or wagons;¶
- (B) Providing caregivers with additional training; ¶
- (C) Giving children specific tasks to complete during the drill, such as holding onto a safety walking rope; ¶
- (D) Providing children with clear and direct instructions that are age-appropriate about what is happening during the drill; ¶
- (E) Reviewing and editing emergency plans and evacuation routes; ¶
- (F) Conducting additional evacuation drills; ¶
- (G) Incorporating fire safety planning into curriculum; and ¶
- (H) Other strategies identified by CCLD.¶
- (e) One other aspect of the emergency preparedness and response plan in addition to the monthly fire drills shall be practiced at least every other month and must follow the recording requirements listed in OAR 414-210-0860(8).¶
- (8) A provider must maintain a written record of each emergency preparedness drill showing: ¶
- (a) The date and time; ¶
- (b) The exits used; ¶
- (c) The number and age range of children evacuated; ¶
- (d) The total number of people in the home at the time of the drill; ¶
- (e) The amount of time taken to evacuate the home; ¶
- (f) The name of the person conducting the drill; and ¶

(g) The alert method used.

Illness

(1) A provider must not accept a child into care who:

(a) Is diagnosed as having or being a carrier of a child care restrictable disease, as defined in Oregon Health Authority administrative rules, except with the written approval of the public health administrator or licensed health care provider; or

(b) Has one or more of the following symptoms of illness, except with the written approval of the public health administrator or licensed health care provider:

(A) Fever over 100.4°F. A child with a fever over 100.4°F may return if fever free for 24 hours without the aid of medication.

(B) "Diarrhea", which means three or more watery, bloody, or loose stools in 24 hours, the sudden onset of loose stools, or a child is unable to control bowel function when previously able. A child with diarrhea may return 48 hours after diarrhea resolves or with written clearance from a licensed healthcare provider.

(C) Vomiting at least one time, where there is no explanation for the vomiting. A child who vomits without explanation may return 48 hours after the last episode of vomiting or with written clearance from a licensed healthcare provider.

(D) Severe or persistent coughing. A child with severe or persistent coughing may return after symptoms are improving for 24 hours or with written clearance from a licensed healthcare provider.

(E) Unusual yellow color to skin or eyes. A child with unusual yellow color to skin or eyes may return to care with written clearance from a licensed healthcare provider.

(F) Open sores or wounds discharging bodily fluids. A child with open sores or wounds discharging bodily fluids may return to care after rash is resolved, when sores and wounds are dry or can be completely covered with a bandage, or with written clearance from a licensed health care provider.

(G) Stiff neck and headache with one or more of the symptoms listed above

(H) Uncharacteristic lethargy, decreased alertness, increased irritability, increased confusion, or a behavior change that prevents active participation in usual school activities. A child with any of the above symptoms may return to care when symptoms resolve, return to normal behavior, or with written clearance from a licensed health care provider.

(I) Difficulty breathing or abnormal wheezing. A child with difficulty breathing or abnormal wheezing may return to care after symptoms are improving for 24 hours.

(J) Complaints of severe pain. A child with complaints of severe pain may return to care after symptoms are improving.

(K) Eye lesions that are severe, weeping, or pus filled. A child with eye lesions that are severe, weeping, or pus filled may return to care after symptoms resolve or with written clearance from a licensed healthcare provider.

(2) If a child who has been admitted into care shows signs of illness, as described in this rule, a provider must:

(a) Separate the child from the other children in a location where the child care be supervised by caregivers and carefully observed at all times;

(b) Notify the parent to remove the children from care as soon as possible; and

(c) Until the parent arrives, provide the child with an individual cot, mat, or bed that can be easily cleaned and disinfected after use.

(3) If any child, caregiver or volunteer has a restrictable disease, as defined in Oregon Health Authority, Public Health Division Chapter 333, Division 19 Investigation and Control of Diseases: General Powers And Responsibilities, a provider must:

(a) Immediately report the incident or illness to the local health department;

(b) Follow the health department's recommendations on exclusion and readmission of children and caregivers; and

(c) Post a notice for the parents of all children who attend the home.

(4) A provider must develop a written care plan at the time of enrollment, or when an allergy is identified, for each enrolled child who has an allergy that poses a threat to the child's health, safety and wellbeing. The plan must include instructions regarding the allergen and steps to be taken to avoid the allergen; signs and symptoms of an allergic reaction; and a detailed treatment plan including the names, doses, and methods of prompt administration of any medication in response to allergic reactions. In addition:

(a) The parent must be notified immediately of any suspected allergic reactions or if the child consumed or came in

contact with the allergen, even if a reaction did not occur;¶

(b) If epinephrine is administered, emergency medical services must be contacted immediately, and, **Child Care Licensing Division must be notified within 24 hours;¶**

(c) All caregivers involved in care of the child must be trained on the written care plan; and¶

(d) Specific food allergies must be shared with all caregivers that prepare and serve food.

Medications

- (1) Before a provider gives a child any prescription or non-prescription medication, including, but not limited to, pain relievers, cough syrup, and nose drops, the provider must:
 - (a) Have a signed, dated, written authorization by the parent(s) on file (also see OAR 414-210-0230, Parental Permissions):
 - (A) For chronic medical conditions, a registered family child care may obtain permission for 12 months or less with specific instructions including when administration is needed, such as inhalers.
 - (B) Parental authorization over the phone is permitted for single dose administration of non-prescription medication. The date and time of the consent must be documented and signed by the parent upon picking up their child.
 - (b) Ensure that the original container is labeled with the name of the medication, dosage, and directions for administration and storage.
 - (A) For prescription medication, the label must include the child's name, the date the prescription was filled, the prescribing physician's name, and length of time to give the medication.
 - (B) If parent instructions differ from the container instructions, a registered family child care must have a licensed physician's written instructions for that medication.
 - (C) Medication must not be administered after the expiration date.
 - (D) Any medication provided by the parents must be labeled with the child's name.
 - (c) Ensure that cleaned and sanitized medication measuring devices are used when providing medication to a child care child, if applicable.
 - (2) A provider must immediately document any medication administered, listing the name of the child, type of medication, date, time, and dosage given, any side effects exhibited by the child, and the signature of the person administering the medication.
 - (3) A provider must inform parent(s) daily of all medications administered to their child.
 - (4) If medication is provided by the parent, a provider must administer medication only to the child for whom it is intended, and follow the directions on the label.
 - (5) A provider must ensure that medication is inaccessible to children through one of the following methods:
 - (a) Securely stored using a child safety device or child safety lock; or
 - (b) Stored in a locked room.
 - (c) Emergency medicine may be placed in an unlocked container that is kept out of reach of children while inside the home.
 - (6) A provider must keep medications requiring refrigeration in a separate tightly-covered, leakproof container clearly marked "medication" and inaccessible to children.
 - (7) The application of sunscreen and diaper cream does not need to be documented, but a provider must:
 - (a) Have annual written parental authorization;
 - (b) Use only as needed and according to manufacturer's instructions;
 - (c) Inform parents of the type of sunscreen used if provided by the registered family child care;
 - (d) Label the item with the child's name if provided by the parent, and use only for that child; and
 - (e) Allow children to apply sunscreen to themselves with direct caregiver supervision and written parental approval.

414-210-1610

Sanctions-Suspension, Denial, and Revocation

- (1) CCLD may immediately, and without prior notice, suspend a provider's registration when, in the opinion of CCLD, such action is necessary to protect the children from physical or mental abuse or a substantial threat to health, safety or well-being. Such action may be taken before an investigation is completed. ¶
- (2) If a provider's registration has been suspended, the provider must: ¶
- (a) Immediately notify, verbally or in writing, all parents of the suspension; ¶
- (b) Immediately provide CCLD with all names, work and home telephone numbers and addresses of the parent(s) or legal guardian(s) for each child; and ¶
- (c) Post the suspension on the main entry door where it can be viewed by parents and others for the duration of the suspension. ¶
- (3) If necessary to protect children, CCLD may give public notice of denial, suspension or revocation action taken. The type of notice will depend on individual circumstances. ¶
- (4) If a provider does not request a hearing and the conditions which resulted in suspension have not been corrected, the provider's registration shall be revoked. ¶
- (5) Registration may be denied or revoked if a provider: ¶
- (a) Fails to meet requirements or correct deficiencies; ¶
- (b) Fails to correct conditions which resulted in suspension; ¶
- (c) Fails to provide CCLD with information requested; ¶
- (d) Refuses to allow an inspection or allows an inspection only after CCLD has obtained a warrant; ¶
- (e) Is operated or maintained in a manner which is harmful to the health, safety or wellbeing of children in care; ¶
- (f) Employs caregivers or has residents in the home who are not enrolled in the CBR or whose CBR enrollment is suspended; ¶
- (g) Is operated by a provider who is currently suspended or has been removed from or is otherwise not enrolled in the CBR; ¶
- (h) Knowingly provides inaccurate information to CCLD or causes staff to do so; ¶
- (i) Is subject to denial or revocation for cause as provided by OAR 414-075-0010(17)(b)(A)-(F) or 414-075-0130(8)(a) and (c); or ¶
- (j) Interferes with the good faith disclosure of information by staff or a volunteer concerning the abuse or mistreatment of a child in the registered family child care violations of registration requirements, criminal activity at the home, violations of state or federal law or any practice that threatens the health and safety of child care children, or otherwise engages in conduct prohibited by ORS 329A.348. ¶
- (6) If a provider's registration has been denied or revoked, the provider must immediately notify all parents of the closure and shall post a notice of the closure where it can be viewed by parents and others. The notice shall remain posted for a minimum of 2 weeks. ¶
- (7) A provider may appeal any decision to suspend, deny or revoke the certification, subject to the provisions of chapter 183, Oregon Revised Statutes. ¶
- (8) CCLD may report any action to deny, suspend, or revoke a provider's registration to the Department of Human Services, USDA Child Care Food Programs, or Child Care Resource and Referral System. ¶
- (9) If a provider's registration has been denied or revoked for cause, the provider is not eligible to reapply for a registration family child care registration for 5 years after the date of CCLD's final order denying or revoking the certification for cause. ¶
- (10) If any person, who is enrolled in the CBR, has been charged with, arrested for, or a warrant is out for any of the crimes which CCLD has determined indicate behavior which may have a detrimental effect on a child, with final disposition not yet reached, registration of such person to own or operate a registered family child care may be denied or suspended or revoked until the charge, arrest, or warrant has been resolved if the person continues to own, operate, be employed in or reside in the child care home, or have access to children in the home. ¶
- (11) A provider's registration may be denied, suspended or revoked if an individual has child abuse or neglect history or an open child protective services, child abuse or neglect, or law enforcement case that would make the individual ineligible for enrollment in the CBR.

ADOPT: 414-210-1620

RULE SUMMARY: OAR 414-210-1620 is replacing the Civil Penalty rule for registered family child care homes from division 414-205-XXXX.

CHANGES TO RULE:

414-210-1620

Civil Penalty

(1) CCLD may assess a civil penalty of up to \$750 per violation of these rules or terms and conditions of registration. ¶

(2) CCLD may assess a civil penalty in addition to any other appropriate legal action, considering: ¶

(a) Numbers of previous violations of the same rule; ¶

(b) Circumstances surrounding the rule violations; and ¶

(c) Prior warnings, technical assistance, or legal actions regarding the certified child care center's compliance with the rule. ¶

(3) For a serious violation, as defined in OAR 414-210-0100(46), a provider may be subject to a civil penalty not to exceed \$750 for each violation. ¶

(4) For a non-serious violation, a provider may be subject to a civil penalty of \$250 for each violation. ¶

(5) CCLD may assess a separate civil penalty for each day for which CCLD has made a valid finding that a provider is in violation of ORS 329A.250 to ORS 329A.450, these rules, or the terms and conditions of certification. CCLD may assess civil penalties for multiple days in a single action. ¶

(6) An individual or entity that provides child care subject to registration or certification in a home or facility that is not registered or certified with CCLD may be subject to a civil penalty not to exceed \$1,500 per day of operation of the uncertified or unregistered facility. ¶

(7) Notwithstanding CCLD's decision to impose a civil penalty for one or more rule violations, CCLD may also take action to deny, suspend or revoke a certification for the same rule violation or violations. ¶

(8) A provider may appeal any decision to impose a civil penalty, subject to the provisions of chapter 183, Oregon Revised Statutes. ¶

(9) Failure to pay a civil penalty in which CCLD has issued a final order by default or a final order after a contested case hearing shall be grounds for denial or revocation of a provider's registration.
